Representative Tarnas, for the Committee on Judiciary & Hawaiian Affairs, presented a report (Stand. Com. Rep. No. 1163-24) recommending that S.B. No. 2640, SD 2, as amended in HD 1, pass Second Reading and be referred to the Committee on Finance.

Representative Nakamura moved that the report of the Committee be adopted, and that S.B. No. 2640, SD 2, HD 1 pass Second Reading and be referred to the Committee on Finance, seconded by Representative Morikawa.

Representative Garcia rose to speak in opposition to the measure, stating:

"In opposition. Thank you, Mr. Speaker. This bill seeks to amend the Hawaiian Homes Commission Act to authorize the Department of Hawaiian Home Lands to provide cash awards to beneficiaries on the waiting list in lieu of a lease. It amends the Hawaiian Home Loan Fund to be allowed for the use of cash payments, and it requires DHHL to remove those names from the waitlist.

"Mr. Speaker, we should be ashamed of ourselves for even considering this bill in the House. So, because our state failed miserably to fulfill our duty as required under the Hawaiian Homes Commission Act, we now seek to remove names from the waitlist by offering wait listers a cash award. What an insult. What a slap in the face to the families who have died on the waitlist, to the legacy of Prince Kuhio and to the Hawaiian Homes Commission Act itself.

"In just a few days, we will all be celebrating the life and legacy of Prince Kuhio. If only he were here to see that 103 years after he worked so hard, as a nonvoting member of Congress, the Hawai'i State Legislature would consider paying off Hawaiians instead of fulfilling our duty. In a letter written by Prince Kuhio to the U.S. senators in 1921, he said, 'after extensive investigation and survey on the part of various organizations organized to rehabilitate the Hawaiian race, it was found that the only method in which to rehabilitate the race was to place them back upon the soil.'

"Mr. Speaker, this bill does not place the Hawaiian people back upon their soil. And there were some testifiers who mentioned in their testimony that this seems to be a bribe.

"A few years back, Hawaiian Home Lands sent out a survey to the wait listers inquiring their thoughts on a potential payout. The overwhelming majority of wait listers said, we don't want the money, give us our lease.

"In honor of Prince Kuhio and his fight for our *lāhui*, I urge this body to vote no on this bill and focus on actually doing our jobs and fulfilling the Hawaiian Homes Commission Act instead of paying people off to excuse our massive failure."

Representative Tarnas rose to speak in support of the measure, stating:

"Mr. Speaker, thank you very much. In support. Just to make it clear, this measure merely authorizes the Hawaiian Homes Commission, if they so choose, at their own discretion, to establish a program with guidelines that would provide for what is envisioned in this bill as an alternative. We're not compelling the commission to do this. We recognize that there has to be very thoughtful design of such a program in consultation with beneficiaries. All that has to happen.

"So, this legislature is eager to meet our needs. And we have invested significant appropriations in order to get the Department of Hawaiian Home Lands to a position where they can offer lots for Hawaiians to be able to settle for residential and other purposes. But I think what we need to do is to provide as many tools as possible to the commission so they can be successful. This is one more tool. It's not a mandate, it's just an authorization. So, I urge members to support it. Thank you, Mr. Speaker."

Representative Poepoe rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Ward rose to speak in support of the measure with reservations, stating:

"Thank you, Mr. Speaker. Strong reservations, almost a no. I have two problems, why I'm far away from no. Number one, it's blank. I'm talking about the structure of the incentives. If the money is *manini*, it's really a slap in the face of all the Hawaiians. If it's something substantial where they can almost buy a condo, that's there. So, my first problem is, and why I have doubts, is because there's no money that says, it's all blank.

"The second thing is, unless people are old and have no kids, this is the only thing that would make sense. In other words, if we target it, saying, like a means test, this would be an age test and you have no children, then for those people who've waited 20 years and they're maybe 75, 85 years old, this would make sense. But for the others, Mr. Speaker, it may get close to being the B word, which I didn't say, so I don't get called out of order. Thank you."

Representative Pierick rose and asked that the Clerk record a no vote for him, and the Chair "so ordered."

Representative Amato rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Alcos rose and asked that the Clerk record an aye vote with reservations for him, and the Chair "so ordered."

Representative Hussey-Burdick rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Kapela rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Perruso rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Matsumoto rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and S.B. No. 2640, SD 2, HD 1, entitled: "A BILL FOR AN ACT RELATING TO THE HAWAIIAN HOMES COMMISSION ACT," passed Second Reading and was referred to the Committee on Finance, with Representatives Alcos, Amato, Hussey-Burdick, Kapela, Matsumoto, Perruso, Poepoe, and Ward voting aye with reservations, with Representatives Garcia and Pierick voting no, and with Representatives Cochran and Sayama being excused.
