TWENTY-SEVENTH DAY

Monday, March 16, 2026

The House of Representatives of the Thirty-Third Legislature of the State of Hawai'i, Regular Session of 2026, convened at 12:07 p.m., with Speaker Nakamura presiding.

At this time, the Chair stated:

"Members, following Governor Josh Green's announcement that state offices would be closed on Friday, March 13, 2026, due to potentially severe weather conditions, the Senate President and I jointly decided that the Legislature would also be closed. This meant that what would have been Day 27 of the 2026 Legislative Session did not occur. As a result, today, which would have been Day 28, is re-designated as Day 27. Numbering of all subsequent legislative days will be adjusted accordingly.

"Additionally, the Senate President and I agreed to move the introduction deadline for substantive resolutions from March 13, 2026, to today, March 16, 2026. Neither the re-designation of session days nor the movement of substantive resolution introduction deadline will affect any future deadlines on the legislative timetable."

The Roll was called showing all members present.

By unanimous consent, reading and approval of the Journal of the House of Representatives of the Twenty-Fifth and Twenty-Sixth Days was deferred.

ORDER OF THE DAY

REPORTS OF STANDING COMMITTEES

Representative Todd, for the Committee on Finance, presented a report (Stand. Com. Rep. No. 1208-26) recommending that H.B. No. 1800, as amended in HD 1, pass Second Reading and be placed on the calendar for Third Reading.

Representative Kahaloa moved that the report of the Committee be adopted, and that H.B. No. 1800, HD 1 pass Second Reading and be placed on the calendar for Third Reading, seconded by Representative Morikawa.

Representative Garcia rose to speak in opposition to the measure, stating:

"In opposition. Thank you, Madam Speaker. I will save most of my comments on this for third reading, but I just want to say that this state budget is being implemented with the account of the tax repeal that we just passed here on the floor last week. And again, I'm in strong opposition to renegeing on the promises to the people of Hawai'i, and so therefore I will cast a strong no vote on this state budget."

Representative Matsumoto rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Alcos rose and asked that the Clerk record an aye vote with reservations for him, and the Chair "so ordered."

Representative Shimizu rose and asked that the Clerk record an aye vote with reservations for him, and the Chair "so ordered."

Representative Gedeon rose and asked that the Clerk record an aye vote with reservations for him, and the Chair "so ordered."

Representative Muraoka rose and asked that the Clerk record a no vote for him, and the Chair "so ordered."

Representative Reyes Oda rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Pierick rose and asked that the Clerk record a no vote for him, and the Chair "so ordered."

Representative Souza rose to speak in support of the measure with reservations, stating:

"With reservations, Madam Speaker, and just a brief comment. The bill might take into consideration the tax repeal that we are currently moving through the Legislature, but it also takes into consideration what is happening at the federal level with federal funding cuts. So, I just want to make that very clear. Thank you."

Representative Cochran rose to speak in opposition to the measure, stating:

"Thank you. No vote and brief comment. And I'll save the brunt of my speech for Wednesday. But just to, one point is I cannot support it as written due to the fact that this body had voted through an audit to be done on the Kauhale Initiative. The final report was to be completed and submitted to us 20 days prior to the opening of session. That has not happened. And so that particular division, State Office on Homelessness and Housing Solutions, is currently asking for multi-millions of dollars again in this current budget as written. So, without a clean audit, without the completion of such audit, I cannot support this budget in its current form. Thank you."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and H.B. No. 1800, HD 1, entitled: "A BILL FOR AN ACT RELATING TO THE STATE BUDGET," passed Second Reading and was placed on the calendar for Third Reading, with Representatives Alcos, Gedeon, Matsumoto, Reyes Oda, Shimizu, and Souza voting aye with reservations, and with Representatives Cochran, Garcia, Muraoka, and Pierick voting no.

Representative Todd, for the Committee on Finance, presented a report (Stand. Com. Rep. No. 1209-26) recommending that H.B. No. 2095, HD 1, as amended in HD 2, pass Third Reading.

By unanimous consent, consideration of Stand. Com. Rep. No. 1209-26 on H.B. No. 2095, HD 2, was deferred and in accordance with Article III, Section 15 of the Constitution of the State of Hawai'i, printed copies of H.B. No. 2095, HD 2, were made available to the Members of the House.
