"Madam Speaker, I rise in strong support. I rise today in strong support of House Resolution 64 and House Concurrent Resolution 70, Urging the City and County of Honolulu to Establish a Makakilo Drive Extension Task Force. These are measures I introduced on behalf of my constituents in Makakilo.

"Makakilo has one way in and one way out. For the families who live there, that is not just an inconvenience, it is a serious public safety concern. For decades, residents were promised an additional access point to the mountain. And for just as long, they have advocated, consistently and persistently, for that second route, not as a luxury, but as a necessity.

"When I was five years old, I remember moving to Kapolei and hearing conversations about the Makakilo Drive extension. Even then, it was being discussed as something that was needed, something that was coming. Decades later, we are still having that same conversation. Because when you only have one way in and one way out, every emergency becomes more dangerous. If there is a brush fire, if there is a medical emergency, or if there is a need to evacuate quickly, congestion can become life-threatening. First responders face delays getting in, and residents face delays getting out. That is a vulnerability we cannot continue to ignore.

"We have seen in the most devastating way what can happen when communities are left without adequate access. During the Lahaina wildfire, limited evacuation routes and rapidly changing conditions contributed to chaos and tragedy. It was a painful reminder to all of us that redundancy in infrastructure is not optional, it is essential. We cannot wait for a similar situation to expose these same risks in Makakilo. HR 64 and HCR 70 move this effort forward in a meaningful way by urging the City & County of Honolulu to establish a dedicated task force, one that brings together key agencies, identifies delays, improves coordination, and ensures transparency and accountability in advancing this long overdue project.

"Just as importantly, this task force includes voices from West O'ahu, residents who understand firsthand the daily challenges and the urgency of this issue. This is about more than planning. This is about coordination. This is about finally following through on a promise made decades ago. Members, the people of Makakilo have waited long enough. I respectfully ask for your support for my constituents and their safety. *Mahalo.*"

The motion was put to vote by the Chair and carried, and the reports of the Committee were adopted and H.R. No. 64, HD 1, entitled: "HOUSE RESOLUTION URGING THE CITY AND COUNTY OF HONOLULU TO ESTABLISH A MAKAKILO DRIVE EXTENSION TASK FORCE," was referred to the Committee on Finance; and

ANNOUNCEMENTS

Representative Takayama: "Madam Speaker, thank you. I just wanted to, with a long weekend again approaching, wanted to remind members once again that our collection drive of gently used women's clothing will begin April 13th. That's not this coming Monday, but the following Monday. So, this gives you ample opportunity to collect your gently used women's clothing, gather them up for either sale or use by women who are seeking a new start in life. And last year we set a new record for our collection and are looking forward to our doing so again this session. Thank you very much."

Representative Muraoka: "Thank you, Madam Speaker. Just wanted to invite everybody this weekend, Friday and Saturday, out in Wai'anae, at the Wai'anae Intermediate School Field, the Arc of Safety. Our Christian Fellowship out there does the annual largest Easter egg event. It's invited for everybody to come out, bring your families, a lot of vendors, a lot food, fun, and a great time. And the kids get to go hunt Easter eggs on a huge field. It's super fun for everybody and everybody's welcome."

9. Decision-making Meeting

The decision-making meeting of a Conference Committee shall comply with the following open meeting provisions:

quorum and the votes on that measure for that chamber. (Sample attached).

For example, if after naming a Conference Committee on a House measure, the House managers of the Conference Committee decide to agree to the amendments in the Senate draft (SD) of the measure, then only the House managers of the Conference Committee shall vote on the measure, returning it to the House in its SD form. For such action, only the lead chair and a quorum of the Conference Committee managers representing the chamber from which the measure originated need to be present. The "Record of Votes of a Conference Committee" sheet detailing the votes of the managers of the originating chamber shall be filed with the appropriate chamber without a Conference Committee Report.

10. Conference Committee Reports

A majority of the House and Senate chairs, respectively, of a Conference Committee shall attest to the action of the Conference Committee by physically signing the Conference Committee Report on behalf of their respective managers; provided that no Conference Committee Report concerning a measure with fiscal implications shall be reported out of a Conference Committee without the physical signature of the chair (or the chair's designee) of each fiscal committee to which the measure is referred. The "Record of Votes of a Conference Committee" sheet detailing the votes of the managers of the Conference Committee shall be attached to the report as a part thereof.
b. All House measures reported out of Conference Committee shall be filed with the House Chief Clerk, and likewise all Senate measures shall be filed with the Senate Chief Clerk. A document filed in the originating chamber shall be deemed simultaneously filed in the other chamber. Only the original Conference Committee Report, with the attached Record of Votes, and the Conference Draft of the measure shall be required for filing.

c. All Conference Committee Reports and Conference Drafts of measures shall be filed with the respective Chief Clerk by 11:30 p.m.

12. Electronic Transfer
