

SEVENTH DAY

Friday, January 24, 1997

The Senate of the Nineteenth Legislature of the State of Hawaii, Regular Session of 1997, convened at 11:36 o'clock a.m. with the President in the Chair.

The Divine Blessing was invoked by Mr. Leland F. Ching, Office of Worship, Roman Catholic Church, after which the Roll was called showing all Senators present with the exception of Senator Matsuura who was excused.

The President announced that he had read and approved the Journal of the Sixth Day.

HOUSE COMMUNICATION

Hse. Com. No. 4, transmitting H.B. No. 117, which passed Third Reading in the House of Representatives on January 23, 1997, was read by the Clerk and was placed on file.

On motion by Senator McCartney, seconded by Senator Slom and carried, H.B. No. 117, entitled: "A BILL FOR AN ACT PROPOSING A CONSTITUTIONAL AMENDMENT RELATING TO MARRIAGE," passed First Reading by title and was referred to the Committee on Judiciary.

Senator Solomon rose on a point of information as follows:

"Mr. President, I rise on a point of information. Mr. President, I've noticed that many of the bills that have been circulated for our signature now have lines underneath all of the Senators' names. I want to know if we have a new policy in the Senate because I was under the impression, and it has always been past procedure here, that when you sign a bill, the Senator is just interested in affirming the fact that they would like to have a hearing on that bill; that they would like to know more about the issue.

"And I noticed that was the case with the 'high three' reform bill. The same procedure was followed for the insurance bill. In our effort for collaboration and working together, and with the co-chairmen organizational setup that we have, we need a clear understanding as to how people want to come up with a consensus in terms of our Senate position. What is the procedure, Mr. President?"

The Chair responded:

"It is your choice as to whether you want to sign on the line. I know other bills also have included more than one sponsor. So it is your choice whether you want to sign or not."

Senator Solomon continued:

"But if you do underline your name, Mr. President, are you still indicating then that you are in fact sponsoring that legislation?"

The Chair replied:

"You are sponsoring it, but the end result is that your support for the measure may change depending on the final version of the bill."

Senator Solomon then said:

"Thank you, Mr. President."

STANDING COMMITTEE REPORT

Senators Chumbley and Matsunaga, for the Committee on Judiciary, presented a report (Stand. Com. Rep. No. 1) recommending that the Senate consent to the nomination of

COLETTE YODA GARIBALDI to the office of Judge, District Court of the First Circuit, for a term of six years, in accordance with the provisions of Article VI, Section 3, of the Hawaii State Constitution, and in accordance with Jud. Com. No. 1.

In accordance with Senate Rule 36(6), action on Stand. Com. Rep. No. 1 and Jud. Com. No. 1 was deferred until Tuesday, January 27, 1997.

ORDER OF THE DAY

REFERRAL OF SENATE BILL

The President made the following committee assignment of a bill introduced on Wednesday, January 22, 1997:

Senate Bill	Referred to:
No. 1483	Committee on Commerce, Consumer Protection, and Information Technology

Senator Solomon rose on a point of personal privilege and stated:

"Mr. President, I rise on a point of personal privilege.

"Mr. President, I rise to speak in support of the Hawaii Futures rally, which will be held this afternoon from 4:00 to 5:30 p.m., and I'm asking for this body's favorable consideration of H.B. No. 117 passed by that body on nearly an unanimous vote. If anything was clearly communicated by our constituents in the past election, it was their general dissatisfaction with legislative foolishness, specifically with petty squabbling between the House and the Senate and between committee chairmen within each body over minutiae and 'turf' considerations.

"It is highly unfortunate, Mr. President, that our Supreme Court in its majestic ignorance of the plain and virtually universal definition of the word 'marriage,' has forced on us their definition causing confusion and consternation here and making the people of Hawaii to be 'odd balls' to the rest of the nation.

"We have compounded the nonsense by wasting three years in fruitless debate on something which should have been easily disposed of.

"Now we have no choice but to ask the voters of Hawaii to do what should have been done by us.

"Mr. President, it is a basic principal of effective time management that one does immediately what one knows has to be done eventually.

"Any one of us who for whatever reason chooses to vote against our passage of H.B. No. 117 certainly is unable to read the message of the election results.

"I urge my colleagues to get this matter behind us immediately.

"Thank you, Mr. President."

Senator Anderson also rose on a point of personal privilege and said:

"Mr. President, I'd like to rise on a point of personal privilege, but on another subject.

"Mr. President, last evening on the media I noticed that the Department of Agriculture is going to pass a rule, and this morning's paper said the same thing. On opening day I spoke

against rules and regulations, primarily because you and I have to run because our constituents vote for us. They do not vote for people who were appointed or for bureaucrats. And to have a rule or regulation passed after this body sat and deliberated year after year on the quarantine subject ... both houses, 76 of us, never came to an agreement on how that should be handled, and yet they're going to hand out a rule that says, not 120 days, but 30 days, is what we're going to do for quarantine.

"I don't think this is fair and equitable. I don't think it had public hearings that are adequate. I personally am opposed to having another rule and reg in place by a group of people. I'm opposed to it and I am certainly going to see if I can do something with a bill that will stop something like this, Mr. President. I do not believe it to be fair and equitable, and I just wanted to state my opinion.

"Thank you very much, Mr. President."

Senator Solomon rose again on a point of personal privilege as follows:

"Mr. President, I again rise on a point of personal privilege.

"Mr. President, I did receive this memorandum from your office and this is referring to my colleague's decision to resign -- Senator Matsuura. Mr. President, I would just like to read it for the Journal. The Senator writes:

'Dear Governor Cayetano,

In continuation of our discussion of last evening, I accept your decision not to appoint David, my son, as my successor to the seat in the Senate. I must accept as one of your criteria the lack of experience of David, although I beg to disagree with your assessment. My prerequisite of experience is based on 16 years of my legislative efforts and that is that the highest level of experience is a person nurtured from birth to adulthood with love, security and a sense of values inspired by a firm belief and faith in God and in the power of prayer. I know for a fact that David possesses these qualities.'

"Mr. President, it has come to my mind that I didn't know the needed criteria to be appointed to a public office, and I'm just wondering, Mr. President, if this is a whole new situation and that perhaps the governor could provide this body with what he thinks defines experience for a person capable of taking Senator Matsuura's position.

"Mr. President, in my mind, as well as others sitting here in this room, your family is the key requirement when you run for any political office. It is no secret amongst us that we know how much family dedication and commitment it takes. And, in fact, the family knows the constituency the best.

"And for the life of me, Mr. President, I can't understand what kind of rationale that the governor has in mind. And I really would appreciate if I get any input from the Big Island as to what the governor may mean by the lack of experience or perhaps we could get a definition from the governor so that I can communicate that to Senator Matsuura's constituency.

"Thank you very much, Mr. President."
