“Mr. President, I rise to speak in support of the nominee.

“Mr. President, your Committee on Judiciary held a hearing on March 12, 2001, to consider the nomination of Reinette W. Cooper to the District Court of the Second Circuit.

“Your Committee received testimony unanimously supporting Ms. Cooper from the Lieutenant Governor, Public Defender, Maui Prosecuting Attorney, Hawaii State Bar Association, and 23 private individuals.

“Ms. Cooper’s credentials are impressive. She received her law degree from the Southwestern University School of Law, a BA from the Loyola Marymount University, and an AA from Leeward Community College.

“Ms. Cooper’s legal experience is comprehensive and diverse. She is an experienced trial attorney with a thriving solo practice that includes family law litigation, including divorce, custody, child abuse, adoption, guardianships, family reunification, and child protective services, as well as criminal defense of felony and misdemeanor cases. Moreover, in addition to currently being a per diem Family Court Judge in the Second Circuit, Ms. Cooper has been a Deputy Prosecutor, Deputy Public Defender, and grand jury counsel. Additionally, Ms. Cooper has been a guest lecturer at the University of Hawaii’s Richardson School of Law, and Leeward Community College.

“It is with great pleasure that your Committee finds Ms. Cooper to be qualified and extremely well suited for the position with the District Court of the Second Circuit and wholeheartedly recommends that the Senate consents to the nomination.

“Thank you.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Senator Kanno then moved that the Senate consent to the nomination of TRUDY K. SENDA as Judge of the District Court of the Fifth Circuit, for a term of six years, in accordance with the provisions of Article VI, Section 3, of the Hawaii State Constitution, seconded by Senator Matsuura.

Senator Kanno rose to speak in support of the nominee as follows:

“Mr. President, I rise to speak in support of the nominee.

“Mr. President, your Committee on Judiciary held a hearing on March 12, 2001, to consider the nomination of Trudy K. Senda to the District Court of the Fifth Circuit.

“This nominee received testimony from a wide cross section of the community. The Circuit and District Courts of the Fifth Circuit as well as the Lieutenant Governor are only a few of the many distinguished testifiers in support of the nominee.

“The nominee is a product of the state’s public educational system. She received her high school diploma from Kauai High and Intermediate School then went on to earn a BA and a JD from the University of Hawaii.

“The Hawaii State Bar Association reviewed, evaluated, and rated the nominee on her qualifications for a judicial appointment. The review examines numerous facets of a nominee’s profile including integrity, legal knowledge and ability, professional experience, judicial temperament, diligence, financial responsibility, public service, collegiality, and writing ability. Upon completion of the review process, the State Bar Association gave the nominee its highest endorsement.

“The nominee has been in private practice and has extensive experience in general litigation, including personal injury, workers’ compensation, criminal law, construction contracts, commercial disputes, foreclosure proceedings, family law, real estate development and financing, and land use law.

“The nominee has been an arbitrator for the Fifth Circuit Court and a Master Mediator for the Court Annexed Arbitration Program.

“Your Committee was impressed with the nominee’s statement in her written testimony that she will strive to dispense justice, fairness, objectivity, reason, respect, and due process within the bounds of the law, striving to arrive at a fair and lawful solution. She states that she will practice pragmatism while not allowing a pragmatic approach to deprive a litigant of constitutional rights, and that she will do what is right as a jurist rather than what is popular in the community.

“It is with great pleasure that I recommend that the Senate confirm the nominee as a District Court Judge in the Fifth Circuit Court of Hawaii.

“Thank you.”

Senator Chun rose in support of the nominee and stated:

“Mr. President, I also stand in support of the nominee.

“Mr. President, I’ve known Ms. Senda since childhood when we were both growing up on Kauai. I’ve always known her to be a person with great integrity, honesty, and intelligence – all essential factors to being a successful judge. Mr. President, the Bar of Kauai will miss Ms. Senda’s skill as an advocate, but I feel they will gain much from her service on the bench.

“Mr. President, on a personal note, I will miss Ms. Senda’s services as an advocate as part of the Bar, because now we’ll have to find another attorney to refer cases to when I have conflicts. So I think I will have to check with her other partner over there to see if I can do referrals on Family Court or other real estate related matters. I think her service on the bench will far, far outweigh the loss of her on the Bar.

“Thank you, Mr. President.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Chumbley, Sakamoto).

Senator Chun, for the Committee on Hawaiian Affairs, requested a waiver of the notice requirement pursuant to Senate Rule 20 for H.B. Nos. 144 and 159, and the Chair granted the waiver.

Senator Slom rose on a point of personal privilege as follows:

“Mr. President, I rise on a point of personal privilege.

“I just wanted to give my personal point of view on this \$10,000 ad that appeared in this morning’s paper from the Governor. I think it’s wholly inappropriate of the use of public funds for involvement in this collective bargaining process.

“But you know, the interesting thing is that the Governor’s got a magazine that the public also pays for – Imliloa. The Governor has press conferences and press releases almost every day, so I don’t think the Governor has much trouble getting press coverage. I think, however, that maybe he would like to use some of his money for the Minority Caucus so that we can get our points as succinctly across and maybe we can go in on a joint ad with him.

“One of the things that was in the ad I’d like to call attention to my colleagues, because I know sometimes people get a little concerned that for five years now I have voted against every additional special fund. And people have said, ‘Now Sam, it’s a good cause and it’s a good reason’ and all that. My argument has always been twofold: (1) it is not good budgetary accounting procedures to have special funds; and (2) we always steal the special funds and they are not so special after all.

“I’m very happy to see that in this \$10,000 ad, the Governor says in the third paragraph, ‘three years ago we raided special funds and cut services to give teachers a 14 percent pay increase.’ Whether that percentage figure is correct or not, the fact is that that’s what we do – we create these special funds; we hide them from the general public; and then we allow them to be raided for purposes other than which they’re intended. That’s why, Mr. President, I will continue to vote against special funds. They’re BAD policy.

“Thank you.”
