ORDER OF THE DAY

THIRD READING

S.B. No. 2092, S.D. 1:

Senator Menor moved that S.B. No. 2092, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Baker.

Senator Hogue rose to speak in opposition to the measure and said:

“Mr. President, I rise in opposition.

“Members, this is a relatively innocuous bill requiring associations to give prior written notice of costs for providing information, but the bulk of the testimony at the hearing was in opposition. The bill is moving forward with a 2050 defective date and it would seem to me that in light of the testimony, that there really is no need for it to go forward.

“So, if the parties want to talk, they can talk somewhere else. We don’t have to force them, so I’ll be voting ‘no.’ Thank you.”

Senator Espero rose in support of the measure as follows:

“Mr. President, I’d like to rise in support of this measure.

“We passed similar bills to these in reference to condominiums last year. This bill relates to homeowner’s associations for single-family homes. Those individuals that did testify against this measure are the managing agents or the associations themselves. However, this bill will benefit literally thousands of homeowners and give them notice so they know that they will not get stuck with a \$150 legal fee, for example, that they did not know was coming to them.

“Thank you.”

The motion was put by the Chair and carried, S.B. No. 2092, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO PLANNED COMMUNITY ASSOCIATIONS,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 20. Noes, 4 (Hemmings, Hogue, Slom, Trimble). Excused, 1 (Ihara).

S.B. No. 2193, S.D. 1:

Senator Menor moved that S.B. No. 2193, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Baker.

Senator Hogue rose in opposition as follows:

“Mr. President, I also rise in opposition.

“This is also a relatively manini measure that is moving forward. Just bringing up some testimony here from the Mililani Town Association testifying that this bill arose due to an isolated incident at one planned community association and is not a statewide problem requiring what they characterize as unnecessary attempts to micromanage these community associations, so I’ll be voting ‘no.’

“Thank you.”

Senator Espero rose to support the measure and stated:

“Mr. President, I rise in support of this measure.

“This is a very simple basic concept that is a managing agent is holding records for your association which you pay for which have to do with the operations and the history of your association, shouldn’t those records be available to the homeowners who are paying for their storage? Shouldn’t they be available to the homeowners for the duration that they are in the possession of the association? I believe that answer is yes. It’s not difficult for the associations to access these records. They are easily available and this measure would allow homeowners to have possession.

“Thank you.”

The motion was put by the Chair and carried, S.B. No. 2193, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO PLANNED COMMUNITY ASSOCIATIONS,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 4 (Hemmings, Hogue, Slom, Trimble).
