Your Committee notes that the HTA is using the name “Mokoliʻi Islet” in the latest version of its Style Guide, which is part of the Hawaiian culture initiative. The initiative is part of the Hawaiʻi Tourism Strategic Plan 2005-2015 to honor and perpetuate the Hawaiian culture and community.

As affirmed by the record of votes of the members of your Committee on Tourism and Government Operations that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 60 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, none.

SCRep. 1467 Tourism and Government Operations on S.R. No. 36

The purpose of this measure is to request the Hawaii Tourism Authority to encourage the use of the proper name of a popular destination – Mokoliʻi Islet and discourage the use and publication of the name “Chinaman’s Hat”.

Your Committee received testimony in support of this measure from the Hawaii Tourism Authority (HTA).

The name Mokoliʻi, on the other hand, comes from part of the Pele legend: After Pele traveled across the Islands and finally made her home on the Island of Hawaii, she still wandered in her dreams as a spirit. During one of these travels, she found a handsome prince, Lohiʻau, on Kauaʻi and wanted to meet him. She asked each of her sisters to go to Kauaʻi and bring him back, but they refused, foreseeing the dangers of the trip. Finally the youngest of the girls, Hiʻiaka, agreed. On Oʻahu, as Hiʻiaka followed the trail on the shore of Kaneʻohe Bay, she was confronted by a moʻo, a large dragon-like creature. Using her supernatural power, Hiʻiaka killed the moʻo, cut off his tail, and threw it into the ocean, where it became an island called Mokoliʻi, or “little dragon”.

Your Committee notes that the HTA is using the name “Mokoliʻi Islet” in the latest version of its Style Guide, which is part of the Hawaiian culture initiative. The initiative is part of the Hawaiʻi Tourism Strategic Plan 2005-2015 to honor and perpetuate the Hawaiian culture and community.

As affirmed by the record of votes of the members of your Committee on Tourism and Government Operations that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 36 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, none.

SCRep. 1468 Economic Development and Taxation on S.C.R. No. 62

The purpose of this measure is to convene a Hawaii Broadband Task Force to remove barriers to broadband access, including gaining wider access to public rights-of-way, and identifying opportunities for increased broadband deployment and adoption, including very high speed broadband services.

Prior to the hearing your Committee circulated a Proposed S.C.R. No. 62 entitled:

“REQUESTING THE DEPARTMENT OF TAXATION TO CONDUCT A REVIEW OF HAWAII’S GENERAL EXCISE TAX PYRAMIDING RELIEF ACT;”

The purpose of the proposed measure is to request the Department of Taxation to conduct a review Hawaii’s General Excise Tax Pyramiding Relief Act and to consider clarifying language to make clear that the general excise tax is not due on business-to-business services that fulfill a warranty obligation to the manufacturer.

Testimony in support of the proposed language was received from the Department of Taxation and the Hawaii Automotive Dealers’ Association.

Your Committee finds that at least two other states, California and Washington, have dealt with this issue, and that there may be additional options in other jurisdictions.

Your Committee has amended this measure by:

(1) Amending the title to read:

“REQUESTING THE DEPARTMENT OF TAXATION TO CONDUCT A REVIEW OF HOW OTHER STATES AND JURISDICTIONS ENSURE THAT WARRANTIES AND MAINTENANCE AGREEMENTS ARE EITHER EXEMPTED FROM PAYMENT OF ADDITIONAL TAXES OR TAXED AT THE WHOLESALE RATE;”

(2) Deleting one “whereas” paragraph related to clarification of Act 71, Session Laws of Hawaii 1999;

(3) Amending the “be it resolved” paragraph to reflect the title change and to incorporate language from the second “be it further resolved” paragraph; and

(4) Requesting the Department of Taxation to submit proposed legislation for introduction at the Regular Session of 2008.

As affirmed by the record of votes of the members of your Committee on Economic Development and Taxation that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 62, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 62, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (English).

SCRep. 1469 Transportation and International Affairs on S.C.R. No. 155

The purpose of this measure is to establish a Kapaa Quarry Road Safety Task Force under the Department of Transportation to recommend traffic safety measures for Kapaa Quarry Road.

Your Committee received testimony in support of this measure from the Department of Transportation (DOT) and the Department of Transportation Services of the City and County of Honolulu (DTS).

On February 15, 2007, two young women were killed in a crash while traveling on Kapaa Quarry Road, and five others were injured. Other accidents on Kapaa Quarry Road in recent years include a 1998 crash attributable to speeding, which resulted in the death of a teenage girl; a 2000 incident involving an overturned vehicle, which resulted in the hospitalization of three people; and a 2001 crash that left a teenage boy hospitalized in critical condition. Although the speed limit on Kapaa Quarry Road is twenty-five miles per hour, drivers frequently drive much faster and use the road for entertainment, such as going fast over a sudden and steep dip in the road to simulate a rollercoaster.

The Kapaa Quarry Road Safety Task Force would be composed of a broad spectrum of representatives of the Legislature, government agencies, and private stakeholders, including the Department of Transportation; the Department of Transportation Services of the City and County of Honolulu; the Department of Land and Natural Resources; the Honolulu Police Department; the Department of Environmental Services of the City and County of Honolulu; the Kailua Neighborhood Board No. 31; the Senate of the State of Hawaii, to be selected by the President of the Senate; the House of Representatives of the State of Hawaii, to be selected by the Speaker of the House of Representatives; and surrounding businesses, schools, and property owners, to be determined by the Department of Transportation.

Your Committee believes that the formation of a task force is the most expeditious and efficient means of addressing the hazard road conditions and unsafe driving along Kapaa Quarry Road.

Your Committee has amended this measure on the recommendation of the DOT and the DTS to have both serve as co-chairs of the task force since the Kapaa Quarry Road is under the jurisdiction of the City and County of Honolulu.

As affirmed by the record of votes of the members of your Committee on Transportation and International Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 155, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 155, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hooser, Taniguchi, Tsutsui).

SCRep. 1470 Ways and Means on H.B. No. 1529

The purpose of this measure is to establish two scholarship programs in honor of United States Senator Hiram L. Fong and United States Senator Oren E. Long, respectively, to be administered by the University of Hawaii.

The Department of Education submitted comments in support of this measure.

Your Committee finds that Senator Fong’s accomplishments in civil rights, labor rights, and immigration reform was due in large part to his ability to bridge partisan and ethnic lines. Your Committee also finds that Senator Oren E. Long’s illustrious career of public service included serving as Hawaii Superintendent of Public Instruction, Secretary of the Territory of Hawaii, and Governor of Hawaii.

Your Committee further finds that the Senator Hiram L. Fong Commission, which was established by Act 117, Session Laws of Hawaii 2005, recommends that scholarships be established for both United States senators. Your Committee is in agreement with the Commission’s recommendation.

Your Committee has amended this measure by:

- (1) Changing the effective date of the bill from July 1, 2050, to July 1, 2007; and
- (2) Making nonsubstantive technical amendments for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1529, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1529, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1471 Ways and Means on H.B. No. 1289

The purpose of this measure is to:

- (1) Establish that all energy technology systems must be installed and placed in service in the State of Hawaii to obtain the State's income tax energy tax credit; and
- (2) Expand tax credits applicable to shareholder pro rata shares in S corporations.

The Department of Taxation and the Hawaii Energy Policy Forum submitted written testimony in support of this measure. The Tax Foundation of Hawaii submitted written comments on the measure.

Your Committee finds that this measure would clarify an ambiguity in existing tax law by making it clear that the tax credits for energy technology systems must be for systems installed and placed in service in the State.

Your Committee has amended this measure by:

- (1) Deleting the proposed technical, nonsubstantive amendment to section 235-129(a), Hawaii Revised Statutes (HRS), as unnecessary; and
- (2) Deleting the proposed amendments in section 235-129(b), HRS, and instead, replacing two references to section 235-12, HRS, relating to an energy conservation income tax credit, with references to section 235-12.5, HRS, relating to a renewable energy technologies income tax credit, in that subsection.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1289, H.D. 2, S.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1289, H.D. 2, S.D. 3.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1472 Ways and Means on H.B. No. 567

The purpose of this measure is to determine the cost of developing and operating a new motor sports facility on Oahu.

Specifically, this measure requires the Department of Accounting and General Services to conduct a study to determine the cost of developing an all-purpose motor sports facility on Oahu, including acquisition of land, construction, and costs of start-up, maintenance, and operation. In addition, this measure authorizes the Department to execute the temporary acquisition of adequate land for a short-term motor sports facility, which may be used until a permanent facility is completed. The measure also appropriates an unspecified amount for the temporary acquisition of adequate land for a short-term motor sports facility.

Your Committee received comments in support of this measure from the Department of Accounting and General Services, several spokespersons from Save Oahu's Race Tracks, and two individuals.

Upon further consideration, your Committee has amended this measure by:

- (1) Inserting language to clarify that the short-term motor sports facility may be used for an unspecified maximum number of years until a permanent facility is completed; and
- (2) Inserting language in section 4 making an appropriation to clarify that the appropriation is not only for the cost of land acquisition, but also for the cost of planning, design, and construction, initial startup, routine maintenance, and routine operations of the short-term motor sports facility.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 567, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 567, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (Kim, Whalen).

SCRep. 1473 Ways and Means on H.B. No. 1403

The purpose of this measure is to improve the operations and efficiency of the Hawaii Paroling Authority by converting two part-time members of the Authority to full-time status.

This bill also appropriates funds necessary to convert the two part-time positions to full-time status.

Comments in support of this measure were submitted by the Hawaii Paroling Authority and the Department of Human Resources Development.

Your Committee finds that since 1980 the parole population has grown from 437 to 2,340 as of June 2006. Your Committee further finds that, while the number of parole-related hearings has grown accordingly, the status of the two part-time Hawaii Paroling Authority Board members has not changed since the Board's inception in 1976.

Your Committee has amended this measure by:

- (1) Removing the word "expenses" in the section title of section 353-63, Hawaii Revised Statutes, to conform to the content of the section; and
- (2) Changing the effective date of the measure from July 1, 2020 to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1403, H.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1403, H.D. 2, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1474 Ways and Means on H.B. No. 869

The purpose of this measure is to appropriate funds to the University of Hawaii for a study on energy efficient transportation strategies.

Your Committee received comments in support of the measure from the University of Hawaii at Manoa, College of Social Sciences Hawaii Energy Policy Forum. Comments in support of the measure, with reservations, were received from the Department of Business, Economic Development, and Tourism.

Your Committee finds that the Hawaii Energy Policy Forum is a part of the Social Sciences Public Policy Center at the University of Hawaii at Manoa. The policy forum proposes to conduct a study on energy efficient transportation strategies in conjunction with the Department of Business, Economic Development, and Tourism. Your Committee finds that the study is needed because no energy efficient transportation strategy is currently in place for the transportation sector.

Your Committee has amended this measure by changing the appropriation figure to an unspecified amount in order to facilitate further discussion of the measure. Your Committee has also made technical nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 869, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 869, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1475 Ways and Means on H.B. No. 18

The purpose of this measure is to provide the Hawaii Teacher Standards Board with more flexibility to carry out its licensing duties.

Specifically, the measure:

- (1) Authorizes the Board to temporarily suspend its rules when extenuating circumstances require it to do so; and
- (2) Enable the Board to amend certain fees and set or amend other charges related to the performance of its duties.

The Department of Education, the Hawaii State Teachers Association, and the University of Hawaii College of Education submitted comments in support of this measure.

Your Committee finds that teachers have four years to complete the licensing process. Your Committee recognizes, however, that there may be extenuating circumstances that justify exceptions to this, on a case by case basis, four-year time frame.

Your Committee finds that the flexibility provided by this measure will assist the Hawaii Teacher Standards Board in addressing the pressing need for additional licensed teachers in Hawaii.

Your Committee has amended this measure by:

- (1) Clarifying that rules may be suspended on a case by case basis when required by extenuating circumstances;
- (2) Removing references to policies or standards in section 1;
- (3) Changing the effective date to July 1, 2007; and
- (4) Making technical nonsubstantive comments for clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 18, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 18, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1476 Ways and Means on H.B. No. 15

The purpose of this measure is to create a Felix stipend program special fund.

Payments from students who have breached their contractual obligations under the Felix stipend program will be deposited into the fund. Moneys in the fund will be used to provide tuition assistance to students in the Felix consent decree recruitment and retention program. The bill also appropriates moneys to be deposited into the fund.

Comments in support of this measure were submitted by the University of Hawaii and the Department of Education. Comments in opposition to this measure were submitted by the Department of Budget and Finance.

Your Committee finds that the creation of the Felix stipend program special fund would enable the Department of Education to recover stipend funds from students who fail to meet their obligatory teaching obligations and would make those recovered funds available to new special education teacher candidates.

Your Committee has amended this measure by making technical, nonsubstantive amendments for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 15, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 15, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (Kim, Whalen).

SCRep. 1477 Ways and Means on H.B. No. 1372

The purpose of this measure is to appropriate additional funds for emergency aeromedical services on Oahu.

Specifically, this measure makes an emergency appropriation of \$1,900,000 in general funds for fiscal year 2006-2007 to the Department of Health to cover the reimbursement costs associated with the delivery of service by the Hawaii Army National Guard in providing emergency aeromedical services that were previously provided by the United States Army.

Your Committee received comments in support of this measure from the Department of Defense and the Healthcare Association of Hawaii.

Your Committee finds that aeromedical services are a critical component of emergency medical care in Hawaii. Your Committee has amended this measure by deleting its contents and inserting S.B. No. 1458 S.D.1, which appropriates \$493,684 in general funds for fiscal year 2006-2007, to reimburse costs associated with the delivery of service by the Hawaii Army National Guard or other provider.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1372, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1372, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1478 Ways and Means on H.B. No. 1477

The purpose of this measure is to increase access to primary health care services provided by family physicians or residents in the family medicine residency program at the University of Hawaii to medically underserved residents in rural areas of the State.

Specifically, this measure appropriates:

- (1) \$1 in fiscal year 2007-2008 and fiscal year 2008-2009 to support and expand the family medicine residency program of the University of Hawaii John A. Burns School of Medicine's department of family medicine and community health to provide rural primary health care services;
- (2) \$1 in fiscal year 2007-2008 and fiscal year 2008-2009 to develop a statewide rural primary health care training program to provide family physicians to rural areas and improve health care access for the people of Hawaii; and
- (3) \$400,000 in fiscal year 2007-2008 for the Hawaii Quentin Burdick Rural Health Interdisciplinary Training Program to continue its program addressing the shortage of health care professionals in rural communities in the State.

Your Committee received comments in support of this measure from the Director of the Hawaii/Pacific Basin Area Health Education Center of the University of the Hawaii John A. Burns School of Medicine, Chairperson of the Department of Family Medicine and Community Health of the Hawaii John A. Burns School of Medicine, the project director of the Hawaii Quentin Burdick Rural Health Interdisciplinary Training Program, the Hawaii Primary Care Association, the Mayor of Hawaii County, and two individuals. The Interim Dean of the Hawaii John A. Burns School of Medicine offered comments.

Upon further consideration, your Committee has amended this measure by:

- (1) Deleting section 5 of the measure that appropriates funds to the Quentin Burdick Rural Health Interdisciplinary Training Program as funding for this program is provided for in the biennium budget; and
- (2) Making technical nonsubstantive amendments for the purposes of consistency and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1477, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1477, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1479 (Majority) Ways and Means on H.B. No. 149

The purpose of this measure is to create a one-time tax credit for taxpayers in the County of Hawaii who suffered damage as a result of the October 15, 2006, earthquake.

The Department of Defense, Department of Taxation, and the Tax Foundation of Hawaii submitted written comments on this measure.

Your Committee finds that this measure would provide assistance to victims of the October 2006 earthquake, which is similar to assistance available to the flood victims of 2006 and 2004 provided in Act 110, Session Laws of Hawaii 2006.

Your Committee has amended this measure by changing one reference to "residential property" to "residential structure" for the purposes of consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 149, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 149, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, 1 (Hemmings). Excused, 1 (Whalen).

SCRep. 1480 Ways and Means on H.B. No. 575

The purpose of this measure is to preserve the economic stability of Hawaii during a crisis that adversely affects tourism.

Specifically, this measure:

- (1) Establishes procedures for the Governor to declare a tourism emergency, followed by a grant of authority to the Board of Directors of the Hawaii Tourism Authority to implement an emergency response to the tourism emergency;
- (2) Requires the Hawaii Tourism Authority to develop and implement measures to respond to a tourism emergency, including the provision of emergency assistance to tourists; and
- (3) Prohibits the implementation of any tourism emergency response measure from adversely affecting organized labor in tourism industries;
- (4) Establishes a tourism emergency trust fund with a fund balance of \$5,000,000, from transient accommodations tax revenues, to be used exclusively for the development and implementation of tourism emergency response measures.

Your Committee received comments in support of this measure from the Department of Business, Economic Development, and Tourism; the Hawaii Tourism Authority; and the Chamber of Commerce of Hawaii.

Your Committee finds that natural disasters or world events have the potential to threaten Hawaii's tourism industry. These events may have a substantial detrimental economic impact on the overall financial well-being of Hawaii's tourism industry. This would, in turn, have an adverse effect on the State's entire economy. Accordingly, your Committee believes it is critical to have the ability to respond to emergency situations on a timely basis to offset any adverse impact on the tourism industry and Hawaii's economy. Your Committee finds that this measure will provide the means and the flexibility to respond to this type of economic emergency.

Your Committee has amended this measure by making technical nonsubstantive changes for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 575, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 575, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1481 Ways and Means on H.B. No. 1005

The purpose of this measure is to improve the ability of the Public Utilities Commission to improve its operations and more effectively carry out its statutory duties.

Specifically, this measure:

- (1) Requires the Public Utilities Commission to restructure its operations according to its December 2006, report to the Legislature;
- (2) Appropriates funds to meet costs associated with restructuring; and
- (3) Authorizes the Public Utilities Commission to consider increased renewable energy use in exercising its authority.

Your Committee received comments in support of this measure from the Public Utilities Commission; the Hawaii Energy Policy Forum; and Hawaiian Electric Company, Inc. The Division of Consumer Advocacy of the Department of Commerce and Consumer Affairs submitted comments on this measure.

Your Committee finds that there is a need for the Public Utilities Commission to function more effectively and efficiently to keep up with changing regulatory conditions, duties, requirements, and advances in technology.

Your Committee has amended this measure by making technical, non-substantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1005, H.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1005, H.D. 2, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, 4 (Kim, Menor, Tokuda, Whalen).

SCRep. 1482 (Majority) Ways and Means on H.B. No. 24

The purpose of this measure is to provide an additional bonus to public school teachers who maintain current national board certification and who teach at certain schools.

Your Committee received comments in support of the measure from the Department of Education. The Hawaii State Teachers Association offered comments.

Your Committee finds that to meet the standards set by state laws and the No Child Left Behind Act, it is necessary to recruit and retain highly qualified teachers for public schools. Currently, completing the certification program of the National Board of Professional Teaching Standards entitles teachers to \$1,500 and reimbursement of the remainder of the application fee. In addition, maintenance of the certification entitles a teacher to a \$5,000 bonus, annually.

Your Committee believes that providing certain limited additional incentives will help recruit and retain highly qualified teachers at certain schools, including those that are in restructuring under the No Child Left Behind Act, are struggling to make annual yearly progress, or experience hard to fill vacancies.

Your Committee has amended the bill by:

- (1) Clarifying the nature of the additional bonus and those who may qualify for it; and
- (2) Making technical nonsubstantive changes for clarity, style, and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 24, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 24, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, 1 (Hemmings). Excused, 1 (Whalen).

SCRep. 1483 Ways and Means on H.B. No. 767

The purpose of this measure is to support the Running Start Program and provide additional opportunities for Hawaii's students to attend college.

Specifically, this bill requires the Department of Education to provide high school students that participate in the Running Start Program with guidance in earning credit toward graduation for successfully completing one-hundred level and above University of Hawaii courses. Additionally, this measure appropriates moneys to provide scholarships to students from low-income and underrepresented populations to participate in the Running Start Program.

Comments in support of this measure were submitted by the Department of Education, the University of Hawaii, and the Hawaii State Teachers Association.

Your Committee finds that the Running Start Program is successful in helping to prepare high school students of underrepresented populations for college entry. By allowing eligible high school students to enroll in qualified university courses and simultaneously earn credits for high school graduation, the program provides many students with the motivation, preparation, and opportunity to explore and pursue a college education that may otherwise be unavailable or unaffordable.

Your Committee has amended the measure by making a technical nonsubstantive amendment for purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 767, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 767, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1484 Energy and Environment on H.B. No. 1376

The purpose of this measure is to reduce the unnecessary permitting burden on remediation contractors and developers of petroleum-contaminated sites (PCS).

Specifically, this measure repeals the permit requirement for transporting PCS.

Testimony in support of this measure was submitted by the Department of Health. Four individuals with the Environmental Center of the University of Hawai'i at Manoa submitted comments.

Your Committee finds that there has been a significant decrease in the number of releases and clean ups of PCS since the change in federal regulations in 1988. Your Committee further finds that the Department of Health has increased its oversight on the proper management and disposal of PCS at both the site of generation and the site of disposal. Therefore, your Committee finds that the permit requirements for transportation between the site of generation and site of disposal is no longer necessary and may be redundant.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1376, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1485 Ways and Means on H.B. No. 1225

The purpose of this measure is to repeal an unnecessary provision in the law that requires the Governor to sign the paychecks of the Comptroller and Deputy Comptroller.

Your Committee received comments in support of this measure from the Department of Accounting and General Services.

Your Committee finds that requiring the Governor to manually sign certain paychecks is an outdated method of internal control to prevent alteration of paychecks that is no longer necessary since the paychecks of state employees are no longer manually issued and signed. Although the signatures of the Comptroller or Deputy Comptroller appear on state paychecks, the signatures are now laser printed. In addition, the paychecks of most state employees are directly deposited into an account of a financial institution, further reducing opportunities for paycheck alteration. The repeal of this outdated internal control will allow more efficient use of staff and resources.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1225, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, none. Excused, 3 (Fukunaga, Menor, Whalen).

SCRep. 1486 Tourism and Government Operations on H.B. No. 345

The purpose of this measure is to recognize September 21 of each year as "Peace Day."

Your Committee received testimony in support of this measure from the Junior Young Buddhist Association; Retail Merchants of Hawaii; The League of Women Voters of Hawaii; Hawaii State Teachers Association; Wahiawa Lions Club, Inc.; Domestic Violence Clearinghouse and Legal Hotline; United Junior Young Buddhist Association of Honolulu; and nine individuals.

The intent of annually recognizing a Peace Day is to promote peace programs, improve international relations, and increase educational awareness of peace. This measure does not make Peace Day a holiday.

Peace Day has its origins in "The International Day of Peace" which was celebrated on September 21, 2006, in two hundred countries and 3,500 peace day events, including all one hundred ninety-two members of the United Nations. The purpose was to promote a global movement for a culture of peace. Especially in these dangerous and turbulent times, your Committee believes there is a need to consciously and actively focus on the goals of peace for all mankind. This measure would bring it to the consciousness of citizens of the State once a year.

As affirmed by the record of votes of the members of your Committee on Tourism and Government Operations that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 345, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, none.

SCRep. 1487 Ways and Means on H.B. No. 1207

The purpose of this measure is to increase service charges on dishonored payments and to enhance the collection process.

More specifically, the bill:

- (1) Deletes provisions relating to interest charges on penalties;
- (2) If the charge is not due on a dishonored check or electronic funds transfer for a tax payment, permits the use of a bonded collection agency; and
- (3) Increases the service charge to a flat \$25 for any form of payment.

Your Committee received testimony in support of the measure from the Judiciary and comments from the Department of Taxation.

Your Committee finds that currently, a bonded collection agency cannot be used for collection purposes, the service charge is too low to function as a deterrent, and the calculation of interest is too burdensome and often disputed.

Your Committee finds that the bill remedies these issues by: setting an increased standard fee of \$25 instead of fees of \$15 for check and electronic funds transfers and \$7.50 for other negotiable investments; deleting the requirement to pay interest due on certain service charges; and by permitting the use of a collection agency for payments other than tax payments made by check or electronic funds transfer.

Your Committee amended the bill to clarify that charging of interest on any penalties is expressly prohibited.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1207, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1207, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, none. Excused, 3 (Fukunaga, Menor, Whalen).

SCRep. 1488 Ways and Means on H.B. No. 513

The purpose of this measure is to require any organization that has received a grant or subsidy for the acquisition of land to repay to the State the amount of the grant or subsidy, by lump sum payment or installment payments, upon the sale or lease of the land that was acquired by use of the grant or subsidy.

Your Committee received no comments on this measure.

Your Committee finds that, as a matter of equity, an organization that receives a grant or subsidy from the State to acquire land should not receive a windfall profit on the sale or lease of the land when it is no longer needed for the original purpose of the grant or subsidy. The original amount of the grant or subsidy should be repaid to the State so that other organizations in the future may benefit from future grants and subsidies.

Your Committee amended this measure by making technical nonsubstantive amendments for the purpose of style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 513, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 513, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, none. Excused, 3 (Fukunaga, Menor, Whalen).

SCRep. 1489 Ways and Means on H.B. No. 1931

The purpose of this measure is to extend from June 30, 2007, to June 30, 2011, the lapse date for the authorization to issue special purpose revenue bonds to assist Hui `Enekinia Hawai`i, an industrial enterprise.

Your Committee received comments in support of the measure from two principals of Hui `Enekinia Hawai`i.

Your Committee finds that Hui `Enekinia Hawai`i remains engaged in the development of a cogeneration facility project that will sell electric energy to electric utilities that serve the public. It also plans to sell thermal fluids that it produces to existing and planned manufacturing and processing entrepreneurs in the area. Your Committee also finds that it is in the public interest to encourage the development of such cogeneration facilities.

Your Committee has amended the measure by making a conforming amendment to Act 263, Session Laws of Hawaii 1993, to also extend to June 30, 2011, the date subsequent to which the Department of Budget and Finance is authorized to issue refunding special purpose revenue bonds.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1931, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1931, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, none. Excused, 3 (Fukunaga, Menor, Whalen).

SCRep. 1490 Tourism and Government Operations on H.B. No. 1103

The purpose of this measure is to designate the Asian Lunar New Year as a week of commemoration.

Your Committee received testimony in support of this measure from the Department of Business, Economic Development, and Tourism.

Your Committee finds that Hawaii embraces many different ethnic celebrations. Chinese New Year has become a part of island tradition. Designating an official state observance of the Asian Lunar New Year is a recognition of the richly diversified nature of the State's population. Your Committee notes that the week of commemoration would not be considered a state holiday.

Your Committee has amended this measure by making technical, nonsubstantive amendments for purpose of statutory conformity.

As affirmed by the record of votes of the members of your Committee on Tourism and Government Operations that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1103, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1103, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, none.

SCRep. 1491 Ways and Means on H.B. No. 1227

The purpose of this measure is to make emergency appropriations for risk management for fiscal year 2006-2007.

Specifically, this measure transfers funds from general, special, and revolving funds to the state risk management revolving fund, and appropriates funds out of the state risk management revolving fund to cover unanticipated increases in property insurance premiums and deductibles.

Your Committee received comments in support of the measure from the Department of Accounting and General Services.

Your Committee finds that without this measure the State's property insurance coverage will fall to levels commensurate with the available funding and expenditure ceiling and the payment of property loss claims would be deferred because of insufficient funds.

Your Committee has amended this measure by adding clarifying prefatory language that the transfer of funds into the state risk management special fund is from not only special funds but special or revolving funds.

Additionally, technical note amendments have been made for purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1227, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1227, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, none. Excused, 3 (Fukunaga, Menor, Whalen).

SCRep. 1492 Transportation and International Affairs on S.C.R. No. 138

The purpose of this measure is to urge the Department of Transportation to implement xeriscaping to decorate roadways, medial strips, and roundabouts, and other areas under its jurisdiction.

Your Committee received testimony in support of this measure from the Department of Transportation (Department).

The goal of xeriscaping is to create a visually attractive landscape by using drought-tolerant plants and grasses in combination with irrigation techniques. A properly maintained xeriscape can easily use less than one-half the water of a traditional landscape. A xeriscaped area not only reduces the amount of water used compared to traditional landscapes, but also reduces the amount of maintenance needed for watering, fertilizing, mowing, trimming, and pruning. Xeriscaping is ideally suited for the needs of the Department and would provide aesthetic, economic, and environmental benefits for the Department and the State.

According to testimony of the Department, it is in the process of developing its Sustainable Statewide Landscape Master Plan, in which policies and guidelines will be developed for plant selection and maintenance requirements for landscaping projects around the State, including the inclusion of xeriscaping.

As affirmed by the record of votes of the members of your Committee on Transportation and International Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 138 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Taniguchi, Tsutsui).

SCRep. 1493 Transportation and International Affairs on S.R. No. 92

The purpose of this measure is to urge the Department of Transportation to implement xeriscaping to decorate roadways, medial strips, and roundabouts, and other areas under its jurisdiction.

Your Committee received testimony in support of this measure from the Department of Transportation (Department).

The goal of xeriscaping is to create a visually attractive landscape by using drought-tolerant plants and grasses in combination with irrigation techniques. A properly maintained xeriscape can easily use less than one-half the water of a traditional landscape. A xeriscaped area not only reduces the amount of water used compared to traditional landscapes, but also reduces the amount of maintenance needed for watering, fertilizing, mowing, trimming, and pruning. Xeriscaping is ideally suited for the needs of the Department and would provide aesthetic, economic, and environmental benefits for the Department and the State.

According to testimony of the Department, it is in the process of developing its Sustainable Statewide Landscape Master Plan, in which policies and guidelines will be developed for plant selection and maintenance requirements for landscaping projects around the State, including the inclusion of xeriscaping.

As affirmed by the record of votes of the members of your Committee on Transportation and International Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 92 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Taniguchi, Tsutsui).

SCRep. 1494 (Majority) Water, Land, Agriculture and Hawaiian Affairs on S.C.R. No. 89

The purpose of this measure is to support the efforts to provide Native Hawaiians with greater opportunity for self-determination and self-sufficiency by supporting the Office of Hawaiian Affairs' efforts to establish a nation-building plan.

Specifically, this measure outlines the components of the Office of Hawaiian Affairs' nation-building plan, which includes:

- (1) The registration of Native Hawaiians in Kau Inoa, a campaign that gathers the names of people of Hawaiian ancestry who are willing to participate in the process of nation building;
- (2) The development of an apportionment plan of representative districts based on eligible voter population; and
- (3) The election of representative delegates who will attend a constitutional convention to create organic documents of the Native Hawaiian governing entity, and the ratification of these documents.

Testimony in support of this measure was submitted by the Office of Hawaiian Affairs, the Association of Hawaiian Civic Clubs, the Pearl Harbor Hawaiian Civic Club, the Princess Ka'iulani Hawaiian Civic Club, the Hawaiian Civic Club of Honolulu, Hawai'i Maoli, the 'Ilio'ulaokalani Coalition, and five individuals.

Your Committee finds that the Office of Hawaiian Affairs is spearheading an effort to create a Native Hawaiian governing entity through the creation of a formal document, *The Nation-Building Plan to Establish a Native Hawaiian Governing Entity*, with the participation from the Native Hawaiian community. The purpose of the nation-building plan is to enable Native Hawaiians to preside over their own resources and assets and determine their own future.

Your Committee was concerned with the intent of this measure and its connection with the Native Hawaiian Government Reorganization Act of 2007, also known as the "Akaka Bill", especially when both efforts seem connected with the Office of Hawaiian Affairs. It was clarified for your Committee that the nation-building plan and the Akaka Bill are completely separate efforts. The Office of Hawaiian Affairs distinguished the nation-building plan from the Akaka Bill by indicating that the nation-building plan is purely a grassroots effort. It was further clarified that the intent of this measure is to work with the various Native Hawaiian organizations statewide, provide opportunities for Native Hawaiians to get involved and encourage them to register with Kau Inoa, and obtain a consensus of Native Hawaiians as a single, succinct group of individuals. Thus, your Committee notes that the intent of the nation-building plan is not to select a type of governing body for a Native Hawaiian governing entity, but is an opportunity for Native Hawaiians to convene, provide input, voice their concerns, and participate in the process of nation-building.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 89 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, 1 (Slom). Excused, 1 (Hee).

SCRep. 1495 (Majority) Water, Land, Agriculture and Hawaiian Affairs on S.R. No. 53

The purpose of this measure is to support the efforts to provide Native Hawaiians with greater opportunity for self-determination and self-sufficiency by supporting the Office of Hawaiian Affairs' efforts to establish a nation-building plan.

Specifically, this measure outlines the components of the Office of Hawaiian Affairs' nation-building plan, which includes:

- (1) The registration of Native Hawaiians in Kau Inoa, a campaign that gathers the names of people of Hawaiian ancestry who are willing to participate in the process of nation building;
- (2) The development of an apportionment plan of representative districts based on eligible voter population; and
- (3) The election of representative delegates who will attend a constitutional convention to create organic documents of the Native Hawaiian governing entity, and the ratification of these documents.

Testimony in support of this measure was submitted by the Office of Hawaiian Affairs, the Association of Hawaiian Civic Clubs, the Pearl Harbor Hawaiian Civic Club, the Princess Ka'iulani Hawaiian Civic Club, the Hawaiian Civic Club of Honolulu, Hawai'i Maoli, the 'Ilio'ulaokalani Coalition, and five individuals.

Your Committee finds that the Office of Hawaiian Affairs is spearheading an effort to create a Native Hawaiian governing entity through the creation of a formal document, *The Nation-Building Plan to Establish a Native Hawaiian Governing Entity*, with the participation from the Native Hawaiian community. The purpose of the nation-building plan is to enable Native Hawaiians to preside over their own resources and assets and determine their own future.

Your Committee was concerned with the intent of this measure and its connection with the Native Hawaiian Government Reorganization Act of 2007, also known as the "Akaka Bill", especially when both efforts seem connected with the Office of Hawaiian Affairs. It was clarified for your Committee that the nation-building plan and the Akaka Bill are completely separate efforts. The Office of Hawaiian Affairs distinguished the nation-building plan from the Akaka Bill by indicating that the nation-building plan is purely a grassroots effort. It was further clarified that the intent of this measure is to work with the various Native Hawaiian organizations statewide, provide opportunities for Native Hawaiians to get involved and encourage them to register with Kau Inoa, and obtain a consensus of Native Hawaiians as a single, succinct group of individuals. Thus, your Committee notes that the intent of the nation-building plan is not to select a type of governing body for a Native Hawaiian governing entity, but is an opportunity for Native Hawaiians to convene, provide input, voice their concerns, and participate in the process of nation-building.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 53 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, 1 (Slom). Excused, 1 (Hee).

SCRep. 1496 Water, Land, Agriculture and Hawaiian Affairs on S.C.R. No. 102

The purpose of this measure is to protect and promote the high quality of Hawaii-grown coffee by requesting the Department of Agriculture to study labeling requirements relating to the use of Hawaii-grown coffee names.

Specifically, this measure requests the Department of Agriculture to:

- (1) Examine and identify any problems with the existing labeling requirements relating to the use of Hawaii-grown coffee names;
- (2) Develop stricter labeling requirements under state law and administrative rules for the use of Hawaii-grown coffee names; and
- (3) Develop ideas for a uniform national labeling standard and requirements for coffee roasters to abide by for the use of Hawaii-grown coffee names.

Furthermore, this measure requests that the Department of Agriculture submit a written report to the Legislature of its findings and recommendations prior to the convening of the 2008 Regular Session.

Testimony in support of this measure was submitted by the Department of Agriculture; one Council Member, Hawai'i County Council; the Hawaii Teamsters and Allied Workers, Local 996; the Hawaii Coffee Association; the Kona Coffee Council; the Maui Oma Coffee Roasting Company; Pau Hana Estate; Halama Farms; Watson-Kabei Coffee Estate, LLC; Wailele Estates Kona Coffee; Owl's Nest Farm, LLC; Daily Fix Coffee; Kona Mountain Coffee; the Captain Cook Coffee Company; Dragon's Lair Estate; Pele Plantations; Island Sun Coffee; Greenwell Farms; Maui Wovi Hawaiian; and forty-two individuals. Testimony in opposition to this measure was submitted by one individual.

The Kona coffee name only applies to coffee beans grown in North and South Kona, thus, coffee that is grown elsewhere in Hawaii cannot be called "Kona coffee." Under section 486-120.6, Hawaii Revised Statutes, the Kona coffee name is permitted to be used on a package of blended coffee that contains at least ten per cent by weight from Kona, however, this requirement does not apply to packages of coffee sold from coffee distributors located outside of Hawaii. Testimony submitted to your Committee indicated that packages of coffee blends are being sold on the mainland with the Kona coffee name on its package label without proof that the coffee contained in the package is actually from Kona or its percentage by weight. Your Committee finds that by requesting the Department of Agriculture to conduct a study on the existing labeling requirements relating to the use of Hawaii-grown coffee names will allow further protection and promotion of the high quality and assurance of Hawaii-grown coffee.

Your Committee has amended this measure by:

- (1) Requesting the Department of Agriculture to:
 - (A) Perform a thorough economic analysis of the probable impact of increasing the minimum content requirement to fifty per cent upon each segment of the Kona coffee industry, and each segment of the coffee industry statewide;
 - (B) Determine the fiscal impact that stricter labeling requirements or a uniform national labeling requirement standard will have on farmers of small coffee bean farms in Hawaii; and
 - (C) Seek input from and collaborate with Hawaii's Congressional Delegation, the United States Department of Agriculture, and the Federal Food and Drug Administration on establishing and enforcing a uniform national labeling standard for the use of Hawaii-grown coffee names;
- (2) Inserting language that requests the Department of Agriculture to:
 - (A) Examine the effectiveness of the current administrative rules relating to the inspection, certification, and audit requirements of green coffee beans grown in Hawaii and the current statutes relating to the inspection of roasted Hawaii-grown coffee beans;
 - (B) Seek input and collaborate with coffee associations and coffee growers statewide to identify any problems with respect to the current statutes and administrative rules relating to the inspection and quality assurance of Hawaii-grown coffee beans; and
 - (C) Determine the feasibility in establishing and implementing uniform inspection and certification requirements for all Hawaii-grown coffee beans, whether green or roasted, and the fiscal impact the uniform scheme will have on growers of small coffee bean farms; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 102, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 102, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fukunaga).

SCRep. 1497 Water, Land, Agriculture and Hawaiian Affairs on S.R. No. 62

The purpose of this measure is to protect and promote the high quality of Hawaii-grown coffee by requesting the Department of Agriculture to study labeling requirements relating to the use of Hawaii-grown coffee names.

Specifically, this measure requests the Department of Agriculture to:

- (1) Examine and identify any problems with the existing labeling requirements relating to the use of Hawaii-grown coffee names;
- (2) Develop stricter labeling requirements under state law and administrative rules for the use of Hawaii-grown coffee names; and
- (3) Develop ideas for a uniform national labeling standard and requirements for coffee roasters to abide by for the use of Hawaii-grown coffee names.

Furthermore, this measure requests that the Department of Agriculture submit a written report to the Legislature of its findings and recommendations prior to the convening of the 2008 Regular Session.

Testimony in support of this measure was submitted by the Department of Agriculture; one Council Member, Hawai'i County Council; the Hawaii Teamsters and Allied Workers, Local 996; the Hawaii Coffee Association; the Kona Coffee Council; the Maui Oma Coffee Roasting Company; Pau Hana Estate; Halama Farms; Watson-Kabei Coffee Estate, LLC; Wailele Estates Kona Coffee; Owl's Nest Farm, LLC; Daily Fix Coffee; Kona Mountain Coffee; the Captain Cook Coffee Company; Dragon's Lair Estate; Pele Plantations; Island Sun Coffee; Greenwell Farms; Maui Wowi Hawaiian; and forty-two individuals. Testimony in opposition to this measure was submitted by one individual.

The Kona coffee name only applies to coffee beans grown in North and South Kona, thus, coffee that is grown elsewhere in Hawaii cannot be called "Kona coffee." Under section 486-120.6, Hawaii Revised Statutes, the Kona coffee name is permitted to be used on a package of blended coffee that contains at least ten per cent by weight from Kona, however, this requirement does not apply to packages of coffee sold from coffee distributors located outside of Hawaii. Testimony submitted to your Committee indicated that packages of coffee blends are being sold on the mainland with the Kona coffee name on its package label without proof that the coffee contained in the package is actually from Kona or its percentage by weight. Your Committee finds that by requesting the Department of Agriculture to conduct a study on the existing labeling requirements relating to the use of Hawaii-grown coffee names will allow further protection and promotion of the high quality and assurance of Hawaii-grown coffee.

Your Committee has amended this measure by:

- (1) Requesting the Department of Agriculture to:
 - (A) Perform a thorough economic analysis of the probable impact of increasing the minimum content requirement to fifty per cent upon each segment of the Kona coffee industry, and each segment of the coffee industry statewide;
 - (B) Determine the fiscal impact that stricter labeling requirements or a uniform national labeling requirement standard will have on farmers of small coffee bean farms in Hawaii; and
 - (C) Seek input from and collaborate with Hawaii's Congressional Delegation, the United States Department of Agriculture, and the Federal Food and Drug Administration on establishing and enforcing a uniform national labeling standard for the use of Hawaii-grown coffee names;
- (2) Inserting language that requests the Department of Agriculture to:
 - (A) Examine the effectiveness of the current administrative rules relating to the inspection, certification, and audit requirements of green coffee beans grown in Hawaii and the current statutes relating to the inspection of roasted Hawaii-grown coffee beans;

 - (C) Determine the feasibility in establishing and implementing uniform inspection and certification requirements for all Hawaii-grown coffee beans, whether green or roasted, and the fiscal impact the uniform scheme will have on growers of small coffee bean farms; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 62, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 62, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fukunaga).

SCRep. 1498 Water, Land, Agriculture and Hawaiian Affairs on S.C.R. No. 103

The purpose of this measure is to protect and promote the high quality of Hawaii grown coffee by requesting the Department of Agriculture to adopt administrative rules to establish uniform inspection, certification, and audit requirements for all coffee grown in Hawaii.

Testimony in support of this measure was submitted by the Hawaii Coffee Association; the Hawaii Teamsters and Allied Workers, Local 996; the Maui Oma Coffee Roasting Company; Owl's Nest Farm; Dragon's Lair Estate; the Hawaii Coffee Company; Tropical Taste; Pele Plantations; Island Sun Coffee; Maui Wowi Hawaiian; Royale Island Coffee Hawaii; and twenty-three individuals. Testimony in opposition to this measure was submitted by the Department of Agriculture; one Council Member, Hawai'i County Council; the Kona Coffee Farmers Association; Daily Fix Coffee; Pau Hana Estate; and eight individuals.

Your Committee finds that the subject matter of this measure can be more appropriately addressed in S.C.R. No. 102, as amended, and S.R. No. 62, as amended, which deal with Hawaii grown coffee quality standards. Accordingly, your Committee has amended this measure and its title by deleting its contents and replacing it with language that requests the Department of Agriculture to convene a working group of stakeholders in the agricultural industry in Hawaii to provide an economic analysis of the incentive measures approved for important agricultural lands.

Act 183, Session Laws of Hawaii 2005, established a process for identifying important agricultural lands as mandated under article XI, section 3 of the Hawaii State Constitution. Act 183 recognized the importance of providing incentives that are designed to promote agricultural viability in Hawaii and to result in the long-term retention of important agricultural lands. The Land Use Commission may not start the designation process for important agricultural lands until an adequate package of incentives and protection programs have been enacted.

Accordingly, this measure, as amended, requests that the Department of Agriculture, in consultation with the Department of Business, Economic Development, and Tourism and the Department of Taxation, reconvene a working group of stakeholders in the agricultural industry in Hawaii to:

- (1) Perform an economic analysis of the incentive measures passed by the Legislature since the enactment of Act 183, Session Laws of Hawaii 2005;

- (2) Recommend a minimum criteria for determining the “enactment of legislation establishing incentives and protection” pursuant to Act 183; and
- (3) Continue to discuss and develop additional incentive measures and programs for important agricultural lands to meet the minimum criteria for the enactment of legislation to establish incentives and protections.

The Department of Agriculture is further requested to submit a written report of the working group’s findings and recommendations to the Legislature prior to the convening of the 2008 Regular Session.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 103, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 103, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fukunaga).

SCRep. 1499 Water, Land, Agriculture and Hawaiian Affairs on S.R. No. 63

The purpose of this measure is to protect and promote the high quality of Hawaii grown coffee by requesting the Department of Agriculture to adopt administrative rules to establish uniform inspection, certification, and audit requirements for all coffee grown in Hawaii.

Testimony in support of this measure was submitted by the Hawaii Coffee Association; the Hawaii Teamsters and Allied Workers, Local 996; the Maui Oma Coffee Roasting Company; Owl’s Nest Farm; Dragon’s Lair Estate; the Hawaii Coffee Company; Tropical Taste; Pele Plantations; Island Sun Coffee; Maui Wowi Hawaiian; Royale Island Coffee Hawaii; and twenty-three individuals. Testimony in opposition to this measure was submitted by the Department of Agriculture; one Council Member, Hawai’i County Council; the Kona Coffee Farmers Association; Daily Fix Coffee; Pau Hana Estate; and eight individuals.

Your Committee finds that the subject matter of this measure can be more appropriately addressed in S.C.R. No. 102, as amended, and S.R. No. 62, as amended, which deal with Hawaii grown coffee quality standards. Accordingly, your Committee has amended this measure and its title by deleting its contents and replacing it with language that requests the Department of Agriculture to convene a working group of stakeholders in the agricultural industry in Hawaii to provide an economic analysis of the incentive measures approved for important agricultural lands.

Act 183, Session Laws of Hawaii 2005, established a process for identifying important agricultural lands as mandated under article XI, section 3 of the Hawaii State Constitution. Act 183 recognized the importance of providing incentives that are designed to promote agricultural viability in Hawaii and to result in the long-term retention of important agricultural lands. The Land Use Commission may not start the designation process for important agricultural lands until an adequate package of incentives and protection programs have been enacted.

Accordingly, this measure, as amended, requests that the Department of Agriculture, in consultation with the Department of Business, Economic Development, and Tourism and the Department of Taxation, reconvene a working group of stakeholders in the agricultural industry in Hawaii to:

- (1) Perform an economic analysis of the incentive measures passed by the Legislature since the enactment of Act 183, Session Laws of Hawaii 2005;
- (2) Recommend a minimum criteria for determining the “enactment of legislation establishing incentives and protection” pursuant to Act 183; and
- (3) Continue to discuss and develop additional incentive measures and programs for important agricultural lands to meet the minimum criteria for the enactment of legislation to establish incentives and protections.

The Department of Agriculture is further requested to submit a written report of the working group’s findings and recommendations to the Legislature prior to the convening of the 2008 Regular Session.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 63, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 63, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fukunaga).

SCRep. 1500 Transportation and International Affairs on Gov. Msg. No. 351

Recommending that the Senate advise and consent to the nomination of the following:

STATE HIGHWAY SAFETY COUNCIL

G.M. No. 351 CAROL H. McNAMEE, for a term to expire 6-30-2011

Your Committee received testimony in support of the nominee from the Department of Transportation (DOT), Honolulu Prosecuting Attorney, Mothers Against Drunk Driving Hawai’i, Injury Protection Advisory Committee, and three individuals.

Carol H. McNamee was first appointed to the State Highway Safety Council on July 1, 2003. She is a member of Mothers Against Drunk Driving (MADD), and founder of the Hawai’i Chapter of MADD in 1984. She has served on the Hawai’i Chapter of MADD’s Board of Directors and in other volunteer capacities, heading various task forces and programs.

Mrs. McNamee received a Bachelor of Science degree in Chemistry from Stanford University, and received volunteer education and training from Hawaii Pacific University in Strategic Planning for Non-Profit Organizations and MADD’s Victim Assistance Institute.

Mrs. McNamee was a member of the Governor’s Impaired Driving Task Force (1994-1998), and its co-coordinator (1997-1998). She was co-coordinator of the National Highway Transportation Safety Administration-sponsored assessment of Hawai’i’s Impaired Driving Program (1998), and coordinator of the DOT-sponsored Traffic Safety Forum (1999).

Mrs. McNamee has been a tireless advocate for increased safety on Hawai'i's streets and highways for almost twenty-five years. She has also been an advocate for strengthening laws relating to increasing highway safety and deterring impaired driving. She will be a valuable asset on the State Highway Safety Council with her experience as a highway safety advocate and as a legislative liaison.

Your Committee notes from the nominee's written statement that she believes the State Highway Safety Council should be cognizant of the best practices in the field of highway safety and strive to promote well-researched, evidence-based programs to improve highway safety in the State. Her goal is to reduce highway accidents, especially those that are alcohol- or drug-related. She expresses her concern over the increasing numbers of fatalities, especially alcohol-related deaths, on the roads. She believes the State Highway Safety Council needs to study the reasons therefor, and work to bring about practical and effective changes.

As affirmed by the record of votes of the members of your Committee on Transportation and International Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Taniguchi, Tsutsui).

SCRep. 1501 Transportation and International Affairs on Gov. Msg. No. 352

Recommending that the Senate advise and consent to the nomination of the following:

STATE HIGHWAY SAFETY COUNCIL

G.M. No. 352 MARIE H. WEITE, for a term to expire 6-30-2011

Your Committee received testimony in support of the nominee from the Department of Transportation and one individual.

Marie H. Weite was first appointed to the State Highway Safety Council on July 1, 2003. She has been with First Insurance Company of Hawaii Ltd, since 2000 as a Bodily Injury Unit Leader and Litigation Senior Adjuster in the areas of automobile, homeowner's and general liability insurance. From 1981 to 2000, she worked with Island Insurance Companies Ltd, as Personal Injury Protection Claims Adjuster, Inside Adjuster, and Field Adjuster, doing medical, property, and bodily injury claims adjusting.

Ms. Weite has been with the Hawaii Claim Association since 1988, where she has served as President and Education Chair. She has served with the Keiki Injury Prevention Coalition Board and Prevent Child Abuse Hawaii Board. She received an NHTSA Child Passenger Safety Technician designation in 2000.

Your Committee believes that, based on Ms. Weite's experience and qualifications, she will be an asset to the State Highway Safety Council.

As affirmed by the record of votes of the members of your Committee on Transportation and International Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Taniguchi, Tsutsui).

SCRep. 1502 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 340, 341 and 519

Recommending that the Senate advise and consent to the nominations of the following:

HAWAIIAN HOMES COMMISSION

G.M. No. 340 DONALD S.M. CHANG, for a term to expire 6-30-2011;

G.M. No. 341 TRISH K. MORIKAWA, for a term to expire 6-30-2011; and

G.M. No. 519 PERRY O. ARTATES, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Donald S.M. Chang (representing Oahu), Trish K. Morikawa (representing Oahu), and Perry O. Artates (representing Maui) to have the necessary qualifications to be nominated to the Hawaiian Homes Commission.

Testimony in support of Donald S.M. Chang's nomination was submitted by the Department of Hawaiian Home Lands; a Commissioner, Hawaiian Homes Commission; the State Council of Hawaiian Homestead Associations; and the Waimanalo Hawaiian Homes Association.

Mr. Chang is a graduate of Maryknoll School and attended the University of Hawaii at Manoa. He has thirty-six years of experience with the Honolulu Fire Department and obtained the Fire Department's highest position as its Fire Chief in 1993. Mr. Chang has been active in a variety of community and civic organizations, including numerous firefighter councils and associations; the Boy Scouts of America, Aloha Council; the American Red Cross; and Hawaii Pop Warner and Little League teams. He is currently serving the remainder of a former Commissioner's term on the Hawaiian Homes Commission. During his tenure, he has contributed a strong administrative background, shown a caring attitude, and brought an open mind to the decision-making process. He is committed to the Commission, reaching out to the Native Hawaiian homestead communities and providing further opportunities for beneficiary input and consultation. Mr. Chang's demonstrated commitment, experience, and integrity makes him a valuable asset to the Hawaiian Homes Commission.

Testimony in support of Trish K. Morikawa's nomination was submitted by the Department of Hawaiian Home Lands; a Commissioner, Hawaiian Homes Commission; the State Council of Hawaiian Homestead Associations; and six individuals.

Ms. Morikawa is a graduate of Kamehameha Schools, received her Bachelor of Arts degree from the University of Pennsylvania, and received her Doctorate of Jurisprudence from the William S. Richardson School of Law at the University of Hawaii at Manoa. She currently serves as a Deputy Prosecuting Attorney with the City and County of Honolulu's Department of the Prosecuting Attorney where she specializes in sex abuse cases. Ms. Morikawa is completing her first term on the Hawaiian Homes Commission where she has proven to be an invaluable asset in its deliberations on a variety of issues. She follows various legal challenges relating to the constitutionality of Hawaiian entitlement programs, and supports the current efforts to pursue federal recognition in order to protect these entitlements and provide self-determination for Native Hawaiians. She is committed to the Commission, reaching out to the Native Hawaiian homestead communities and providing further

opportunities for beneficiary input and consultation. Ms. Morikawa's demonstrated commitment, experience, and integrity makes her a valuable asset to the Hawaiian Homes Commission.

Testimony in support Perry O. Artates' nomination was submitted by the Department of Hawaiian Home Lands; a Commissioner, Hawaiian Homes Commission; a Trustee, Office of Hawaiian Affairs; two Council Members, County of Maui; the Director of the Department of Housing and Human Concerns, County of Maui; the State Council of Hawaiian Homestead Associations; the Hawaii Operating Engineers Industry Stabilization Fund; the Pacific Resource Partnership; the Delta Construction Corporation; and twelve individuals.

Mr. Artates was born and raised on the island of Maui and is a graduate of Maui High School. He has over thirty years of experience in the construction and labor industries and is currently the Executive Director the Hawaii Operating Engineers Industry Stabilization Fund. For the past six years, he has served as the inaugural Chairperson of the Waiohuli Hawaiian Homesteaders Association, representing more than three hundred families in this growing upcountry homestead community. In this capacity, Mr. Artates has demonstrated strong leadership and a caring attitude for the families moving into the Waiohuli homestead community, and he is committed to developing programs to address any issues and improve the quality of life for families in Waiohuli, including safety and security, drainage concerns, street lighting, and fundraising. Due to his work with the Waiohuli homestead community, the Department of Hawaiian Home Lands is depending on him to be the bridge between the Hawaiian Homes Commission and the beneficiaries in the Commission's effort to provide more opportunities for beneficiary consultation and input. Mr. Artates' demonstrated commitment, experience, and integrity makes him a valuable asset to the Hawaiian Homes Commission.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Hee).

SCRep. 1503 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 357, 470, 471 and 472

Recommending that the Senate advise and consent to the nominations of the following:

KANEHOE BAY REGIONAL COUNCIL

- G.M. No. 357 DAVID A. KRUPP, Ph.D., for a term to expire 6-30-2011;
- G.M. No. 470 BONNIE K. KAHAPEA-TANNER, for a term to expire 6-30-2008;
- G.M. No. 471 ANGELA HI'ILEI KAWELO, for a term to expire 6-30-2009; and
- G.M. No. 472 ARTHUR B. MACHADO, JR., for a term to expire 6-30-2010

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds David A. Krupp, Ph.D., Bonnie K. Kahapea-Tanner, Angela Hi'ilei Kawelo, and Arthur B. Machado, Jr. to have the necessary qualifications to be nominated to the Kaneohe Bay Regional Council.

Testimony in support of David A. Krupp, Ph.D.'s nomination was submitted by the Department of Land and Natural Resources and the Windward Ahupua'a Alliance.

Dr. Krupp received his Bachelor of Arts from the University of California at Los Angeles, and his Doctorate in Zoology from the University of Hawaii at Manoa. He has taught courses in Biological and Marine Sciences for over twenty years at various colleges and universities in Hawaii, and presently is a Professor at Windward Community College. He is also an affiliate faculty member at the Hawaii Institute of Marine Biology (HIMB) under the School of Ocean and Earth Science and Technology at the University of Hawaii at Manoa. Dr. Krupp has served one term on the Kaneohe Bay Regional Council as the representative for the HIMB and has been recommended by its Director to serve on the Council for a second term. During his recent term on the Council, Dr. Krupp has done an excellent job in representing the HIMB and has provided the Council and the community with valuable educational and scientific insights regarding Kaneohe Bay. His demonstrated experience in Marine Science and commitment to the Council during his last term makes him a valuable asset to the Kaneohe Bay Regional Council.

Testimony in support of Bonnie K. Kahapea-Tanner's nomination was submitted by the Department of Land and Natural Resources and six individuals.

Ms. Kahapea-Tanner is a graduate of the Mid-Pacific Institute, received her Bachelor of Arts in Hawaiian Studies from the University of Hawaii at Hilo, and received her Master in Science in Counseling Psychology from Chaminade University. She is presently seeking her Doctorate in Humanities from the California Institute of Integral Studies. Ms. Kahapea-Tanner is a teacher and project coordinator at Halau Ku Mana Public Charter School where she instructs students abroad the Kanehunamoku sailing canoe, develops and implements curriculum for students ages ten through eighteen relating to Hawaiian navigation, sailing, and seamanship, and is the project coordinator for the Kilolani Project. She will be representing the Kaneohe Bay Boating Association on the Kaneohe Bay Regional Council and has represented the Boating Association in front of the Council in the past. She indicated to your Committee that the Sand Bar is an issue she sees as a concern at Kaneohe Bay and hopes that a balance can be found to allow families to continue to use the Sand Bar for recreational purposes, but also protect the area from overuse. Her demonstrated experience in Native Hawaiian navigation and sailing, and her commitment to maritime initiatives makes Ms. Kahapea-Tanner a valuable asset to the Kaneohe Bay Regional Council.

Testimony in support of Angela Hi'ilei Kawelo's nomination was submitted by the Department of Land and Natural Resources.

Ms. Kawelo is a graduate of Punahou School and received her Bachelor of Arts in Zoology from the University of Hawaii at Manoa. She is a coordinator at Paepae o He'eia where she is responsible for the coordination of all site-related and research activities at the eighty-eight acre He'eia Fishpond, a traditional Hawaiian fishpond. She also currently serves on the Board of Directors of Hui Ulu Mea 'Ai, and received the President's Award from the Oceanic Institute. Ms. Kawelo will be representing Kaneohe Bay Fishing Panel on the Kaneohe Bay Regional Council, and is interested in representing and protecting the interests of recreational fishers because she is a recreational spear and line fisher, and her familiarity and support of the Kaneohe Bay Master Plan. With respect to Kaneohe Bay issues, she is committed to finding a balance between Native Hawaiian cultural practices and traditions, and modern science as she has in her own life between her educational science background and her work at the He'eia Fishpond. Her demonstrated experience in fishing and Native Hawaiian practices makes Ms. Kawelo a valuable asset to the Kaneohe Bay Regional Council.

Testimony in support of Arthur B. Machado, Jr.'s nomination was submitted by the Department of Land and Natural Resources, the Kaneohe Neighborhood Board No. 30, the Kahaluu Neighborhood Board No. 29, the Ko'olaupoko Hawaiian Civic Club, and one individual.

Mr. Machado is a graduate of Saint Louis School and attended Boise State College. He is currently serving his seventh year on the Kahaluu Neighborhood Board No. 29, and assisted in the Kaneohe Bay Master Plan and the Kahaluu Master Plan. He is a hard-working grassroots community advocate who has served the Kaneohe Bay region for many years, and will bring to the Kaneohe Bay Regional Council a great depth of experience and knowledge. His demonstrated experience in the Kaneohe Bay region makes Mr. Machado a valuable asset to the Kaneohe Bay Regional Council.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Hee).

SCRep. 1504 Judiciary and Labor on H.B. No. 275

The purpose of this measure is to enact the Uniform Athlete Agents Act (UAAA), which requires sports agents to register with the Department of Commerce and Consumer Affairs, and sets forth requirements for athlete-agent agreements.

Your Committee received testimony in support of this measure from the University of Hawai'i and the Hawaii Commission to Promote Uniform Legislation. The Department of Commerce and Consumer Affairs opposed this measure. The Department of Education supported the intent of this measure, but deferred to the Department of Commerce and Consumer Affairs.

To guard against potential loss of intercollegiate eligibility, the UAAA requires the athlete-agent contract to include a conspicuous boldface warning to the student athlete regarding eligibility, and provides student-athletes a right to cancel an athlete-agent contract without penalty within fourteen days after signature. The UAAA requires timely notice to the student-athlete's educational institution after a contract is signed, and provides legal recourse for educational institutions that may be penalized, disqualified, or suspended from participation in an athletics association or conference as a result of improper conduct by an agent or student-athlete.

Your Committee acknowledges a divergence of views regarding the need to regulate sports agents in Hawaii. Your Committee recognizes that the Legislative Auditor's sunrise analysis, reported in Report No. 06-09 on Athlete Agents, found no evidence of abuse in Hawaii at present and recommended against regulation. Your Committee, however, favors a proactive approach rather than waiting for problems to occur. Moreover, although the Department of Commerce and Consumer Affairs proposed deletion of reciprocity provisions applicable to an individual who has applied for and holds a certificate of registration or licensure in another state, your Committee believes the UAAA as drafted enables various jurisdictions to obtain dependable information about agents' professional conduct in other states. On balance, your Committee finds that regulation of sports agents through enactment of the UAAA will help Hawaii's student-athletes and their parents make enlightened recruitment decisions.

Your Committee has amended this measure by changing its effective date from July 1, 2020 to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 275, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 275, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1505 Ways and Means on H.B. No. 1323

The purpose of this measure is to establish a maximum aggregate premium tax of \$200,000 to be paid by captive insurance companies on their gross premiums.

Your Committee received comments in support of this measure from the Insurance Division, the Bank of Hawaii, and the Hawaii Captive Insurance Council. Comments were received from the Tax Foundation of Hawaii.

Your Committee finds that establishing a maximum premium tax of \$200,000 will encourage more insurance business to be conducted through Hawaii captive insurance companies, and make Hawaii's captive premium tax structure comparable with other competing captive jurisdictions in the United States that have imposed similar limits.

Your Committee has amended this measure by specifying that the 0.05 per cent tax will extend to \$250,000,000 of gross premiums, and that no tax will be imposed on more than \$250,000,000 of gross premiums. In other words, your Committee has amended this measure by specifying that \$250,000,000 is the maximum gross premium amount that will trigger the maximum aggregate premium tax of \$200,000.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1323, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1323, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, 4 (Kim, Menor, Tokuda, Whalen).

SCRep. 1506 Ways and Means on H.B. No. 1631

The purpose of this measure is to provide greater transparency and effective evaluation of high technology tax incentives by:

- (1) Requiring the Department of Taxation to report annually on information collected from July 1, 2004, and thereafter on qualified high technology businesses and related tax incentives to properly evaluate their effectiveness; and
- (2) Appropriating unspecified amounts for the department to initiate and begin implementation.

The Department of Business, Economic Development, and Tourism; Department of Taxation; Hawaii Science & Technology Council; Hawaii State Teachers Association; Honolulu Seawater Air Conditioning, LLC; and five individuals provided written testimony in support of this measure.

Your Committee finds that this measure will contribute to meaningful evaluation for these high technology tax incentives and ensure greater oversight by both the Legislature and the Administration.

Your Committee has amended this measure by changing the effective date from July 1, 2007, to July 1, 2050, for the purposes of continuing discussions.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1631, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1631, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (Kim, Whalen).

SCRep. 1507 Ways and Means on H.B. No. 1719

The purpose of this measure is to extend the existing general excise tax exemptions for condominium common expenses paid by managers and hotel employee expenses paid by hotel operators, to include expenses paid by submanagers and suboperators and to include employee expenses in timeshare projects.

Wyndham Vacation Ownership, Inc., submitted written testimony in support of this measure. The Department of Taxation submitted written comments on this measure.

Your Committee find that changes in visitor accommodations, such as more timeshares, resort condos, or condominium-hotels, have led to differences in how these less traditional facilities are managed. This measure would extend equitable treatment to these newer forms of management and operations, which currently are in place for hotels under more traditional management framework.

Your Committee has amended this measure by adding a reference to chapter 514A, Hawaii Revised Statutes to section 237-24.3(3)(A), Hawaii Revised Statutes.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1719, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1719, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (Kim, Whalen).

SCRep. 1508 (Majority) Ways and Means on H.B. No. 1764

The purpose of this measure is to improve healthcare services in Hawaii.

More specifically, the bill authorizes the issuance of revenue bonds to assist the Hawaii Health Systems Corporation in the construction, improvement, and equipment of its healthcare facilities, including the construction of a new heart, brain, and spine center on Maui.

The Healthcare Association of Hawaii submitted comments in support of the measure.

Your Committee finds that state-of-the-art healthcare must be provided to the residents of Hawaii and issuing revenue bonds to the Hawaii Health Systems Corporation to improve its facilities addresses this issue.

Your Committee amended the measure by making a technical nonsubstantive change to the bill for style and clarity.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1764, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1764, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, 1 (Hemmings). Excused, 1 (Whalen).

SCRep. 1509 Ways and Means on H.B. No. 1370

The purpose of this measure is to appropriate emergency funding to the Adult Mental Health Division of the Department of Health.

A mental health consumer advocate submitted comments in support of this measure. The Department of Health submitted comments.

In her Governor's Message No. 234 to the Legislature, the Governor requested immediate consideration and cited an existing critical funding shortage for mental health services. Your Committee finds that emergency funding is necessary to sustain ongoing services provided by the Adult Mental Health Division.

Your Committee has amended this measure by removing the contents of the bill and inserting the contents of Senate Bill No. 1456, H.D. 1, which appropriates \$7,542,043 for ongoing services provided by the Adult Mental Health Division.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1370, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1370, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1510 Ways and Means on H.B. No. 1352

The purpose of this measure is to create a Fiftieth Anniversary of Statehood Commission.

The Department of Business, Economic Development, and Tourism submitted comments in support of the measure.

Your Committee recognizes that in 2009 Hawaii will celebrate its fiftieth anniversary of statehood. This bill creates a commission composed of members from a wide range of Hawaii's communities to plan and coordinate the public celebration and appropriate necessary funds.

Your Committee amended the bill to reflect the fact that the number of members on the commission is twenty-five, not twenty-three.

Your Committee believes that the representation of a broad cross-section of communities in this State will enable the commission to plan a commemoration that is both dignified as well as sensitive to the feelings of all segments of Hawaii's residents.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1352, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1352, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1511 (Majority) Ways and Means on H.B. No. 19

The purpose of this measure is to make improvements to the educational facilities and programs provided by the Department of Education.

Specifically, this measure:

- (1) Provides for the timely construction, expansion, consolidation, and closure of public schools by:
 - (A) The establishment of a facilities alignment commission that shall:
 - (i) Establish criteria for the selection of public schools to be constructed, expanded, consolidated, or closed; and
 - (ii) Based on the criteria, recommend to the Board of Education a list of schools that should be constructed, expanded, consolidated, or closed; and
 - (B) Directing the Board of Education to proceed with the process of constructing, expanding, consolidating, and closing schools according to the recommendations of the facilities alignment commission; and
- (2) Establishes the framework and criteria for the Department of Education to implement smaller learning communities.

Prior to a hearing on this measure, your Committee circulated a proposed S.D. 2 of this measure that would establish a comprehensive school impact fee program for financing new and expanding existing Department of Education educational facilities in partnership with private developers of residential properties.

Your Committee has received comments in opposition to the proposed S.D. 2 from the Governor's Policy Office and the Land Use Research Foundation of Hawaii. The Department of Education submitted comments on the proposed S.D. 2.

Your Committee finds that Act 246, Session Laws of Hawaii 2005, established the school impact fee working group. The primary charge of the working group was to develop recommendations to implement alternative methods for financing new or expanding existing Department of Education educational facilities. In December 2006, the working group submitted its report entitled Hawaii School Impact Fee Study. The proposed S.D. 2 implements the recommendations contained in the study for the development of new or expanding existing school facilities in partnership with developers of residential properties.

Accordingly, your Committee has amended this measure by deleting its contents and inserting in its place the contents of the proposed S.D. 2 that:

- (1) Requires the Department of Education to establish school impact districts;
- (2) Requires the Department of Education to establish appropriate student generation rates by housing type and school level for determining projected facilities needs for each school impact district;
- (3) Requires any developer of residential properties, whether single-family or multi-family dwellings, to dedicate land or fees in lieu of land dedication for new school facilities, including a determination on the amount of land or fees in lieu that will be required of the developer;
- (4) Establishes a school impact fee per single-family or multi-family dwelling for the development of new or expansion of existing school facilities; and
- (5) Establishes accounting and expenditure requirements relating to:
 - (A) The purposes and locations where fees in lieu of school land dedication may be allocated and expended;
 - (B) The purposes and locations where school impact fees may be allocated and expended;
 - (C) Credits for land dedications or fees in lieu of dedication or school impact fees that a developer may have made prior to the effective date of this measure; and
 - (D) Refunding of any fees in lieu or school impact fees that are not expended for the purpose for which they were assessed within twenty years of collection of the moneys.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 19, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 19, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, 1 (Hemmings). Excused, 2 (English, Whalen).

SCRep. 1512 Ways and Means on H.B. No. 317

The purpose of this measure is to:

- (1) Exempt from the general excise tax, amounts that a client company pays to a professional employment organization that will be expended to pay the wages, salaries, payroll taxes, and benefits of the employees hired by a client company; and
- (2) Provide that the exemption shall not apply if the professional employment organization has failed to pay any tax withholding or any federal or state taxes.

The Department of Taxation and the Tax Foundation of Hawaii submitted written comments on this measure.

Your Committee finds that this legislation would lend clarity to the administration of and the compliance with the general excise tax law for both the Department of Taxation and taxpayers.

Your Committee has amended this measure by further specifying that the proposed exemption language in section 237-24.75(2), Hawaii Revised Statutes, shall not apply to a professional employment organization upon failure of the professional employment organization to collect, account for, and pay over any income tax withholding.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 317, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 317, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (Chun Oakland, Menor).

SCRep. 1513 Ways and Means on H.B. No. 507

The purpose of this measure is to prohibit the transfer of the management of the State's small boat harbors to the counties unless expressly provided by law.

Your Committee received comments in support of this measure from the Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO, the Hawaii Boaters Political Action Association, and two individuals. The Department of Land and Natural Resources submitted comments in opposition to this measure and Paradise Cruises, Ltd. submitted comments.

Your Committee notes that section 6, article V, of the state constitution provides in part that "All executive and administrative offices, departments, and instrumentalities of the state government and their respective powers and duties shall be allocated by law...", that is, by the legislative process. Accordingly, any transfer of "respective powers and duties" between and among the various departments and instrumentalities of state government, including political subdivisions thereof, is a legislative function. This would include any transfer of the jurisdiction, management, and operational control of the State's small boat harbors, which the legislature, by Act 272, Session Laws of Hawaii 1991, transferred from the Department of Transportation to the Department of Land and Natural Resources. This measure expressly reaffirms that legislative allocation of responsibility.

Your Committee has amended this measure by:

- (1) Providing for the codification of this measure by including the contents preventing the Board of Land and Natural Resources from transferring the jurisdiction, management, or operations of the State's small boat harbors to another department or agency or to any county, except as expressly provided by law, in section 200-2, Hawaii Revised Statutes; and
- (2) Making format and technical nonsubstantive changes for purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 507, H.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 507, H.D. 2, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1514 Ways and Means on H.B. No. 928

The purpose of this measure is to appropriate funds to increase homeownership by low- and moderate-income families.

Specifically, this measure appropriates funds to the Hawaii Public Housing Authority to expand:

- (1) The federal section 8 homeownership option program; and
- (2) The federal housing choice voucher family self-sufficiency program.

The bill also exempts family self-sufficiency escrow accounts from the asset test for public assistance.

This measure also requires the Department of Human Services to disregard as income or resources any funds deposited into a family self-sufficiency escrow account on behalf of a participant under the federal housing choice voucher family self-sufficiency program as required or allowed under federal law. This measure also appropriates unspecified amounts in fiscal year 2007-2008 and fiscal year 2008-2009 for the Hawaii Public Housing Authority to:

- (1) Increase outreach to increase enrollment in the section 8 homeownership option and the housing choice voucher family self-sufficiency programs;
- (2) Increase administrative support for both of the programs;
- (3) Provide matching grants or loan forgiveness to section 8 homeownership option program participants to help with down payments; and
- (4) Provide additional state matches to housing choice voucher family self-sufficiency program participants to help participants build homeownership savings.

The effective date of this measure is July 1, 2020.

Your Committee received comments in support of this measure from the Department of Human Services.

Upon further consideration, your Committee has amended this measure by changing the unspecified appropriation amounts to \$1 for purposes of facilitating further discussion.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 928, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 928, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1515 Ways and Means on H.B. No. 1659

The purpose of this measure is to ensure the proper use of certain state funds.

More specifically, this measure ensures that funds received by the State for costs and expenses of state-sponsored trips and endeavors to generate business opportunities and goodwill for the State are required to be deposited into the general fund and disbursed pursuant to legislative appropriation.

Your Committee received comments from the Department of Agriculture and comments in opposition from the Department of Business, Economic Development, and Tourism.

Upon further consideration, your Committee has amended this measure by changing the unspecified appropriation amount to \$1, and by making technical nonsubstantive corrections.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1659, H.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1659, H.D. 2, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1516 Ways and Means on H.B. No. 1338

The purpose of this measure is to investigate the power outages on Oahu, Maui, and Hawaii following the earthquake on October 15, 2006.

More specifically, the bill provides for an emergency appropriation to the Division of Consumer Advocacy of the Department of Commerce and Consumer Affairs to investigate the reasonableness of the post-earthquake responses of Hawaiian Electric Company and its subsidiaries.

Your Committee received comments in support of this measure from the Public Utilities Commission and the Division of Consumer Advocacy of the Department of Commerce and Consumer Affairs.

Your Committee finds that the earthquake of October 15, 2006, caused power outages on the islands of Maui, Oahu, and Hawaii. Your Committee further finds that an emergency appropriation of \$100,000 permits the Division of Consumer Advocacy to continue to advocate on behalf of consumers by investigating the power outages and hiring an independent expert to finalize the investigation.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1338, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, 4 (Kim, Menor, Tokuda, Whalen).

SCRep. 1517 Ways and Means on H.B. No. 598

The purpose of this measure is to establish an Online Learning Task Force.

The task force is required to develop a systematic plan to expand opportunities for online learning to enhance the learning experiences of students throughout the State.

The Department of Education submitted comments in support of this measure.

Your Committee finds that since 1996 the Department of Education has been operating E-School, an online supplementary program that provides core, elective, and advanced placement credit courses for high school students statewide that are based on the Hawaii content and performance standards. Your Committee also finds that access to knowledge has expanded exponentially due to the availability of the Internet, which has enhanced the learning experiences of many students.

Your Committee further finds that thirty-eight states either have policies in place for online education or offer a state-led online learning program, or both. This measure expands online education opportunities designed to meet the increasing demands of students, teachers, and parents.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 598, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Whalen).

SCRep. 1518 Ways and Means on H.B. No. 1278

The purpose of this measure is to enable the State to continue to offer low-cost loans to qualified borrowers to cleanup contaminated properties.

The Department of Business, Economic Development, and Tourism, and the County of Hawaii Department of Environmental Management submitted comments in support of the bill.

Your Committee finds that the Hawaii Brownfields Cleanup Revolving Loan Fund assists qualified borrowers with the cleanup of contaminated sites in accordance with federal environmental and hazardous substances pollution guidelines. The fund, however, is set to be repealed on June 30, 2007.

This bill repeals the fund's sunset date to provide for the continued cleanup of contaminated properties.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1278, H.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1519 (Majority) Ways and Means on H.B. No. 1377

The purpose of this measure is to enable the Hawaii Health Systems Corporation to provide quality health care and pay for operational costs that will exceed the current expenditure ceiling.

Specifically, this measure increases the expenditure ceiling on the health systems special fund and makes an emergency appropriation of \$41,000,000 out of the health systems special fund for the Hawaii Health Systems Corporation to pay for increased operational costs.

Your Committee received comments in support of this measure from the Hawaii Health Systems Corporation.

Your Committee finds that this measure does not request an appropriation from the general fund. The increase in the expenditure ceiling of the health systems special fund and the appropriation out of that fund are necessary for the Hawaii Health Systems Corporation to pay for unanticipated operational costs.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1377, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, 1 (Hemmings). Excused, 1 (Menor).

SCRep. 1520 (Majority) Ways and Means on H.B. No. 1452

The purpose of this measure is to test Schofield Barracks for detectable traces of depleted uranium weapon use by using established authority and following military regulations.

Specifically, this measure directs the Department of Health to take soil samples as close as possible to the center of the target impact sites at Schofield Barracks to detect the presence of depleted uranium.

Your Committee received comments in support of this measure from a member of the Hawaii County Council and thirty-four other individuals. The Department of health submitted comments in opposition to this measure. The Attorney General offered comments on this measure and raised concerns that requiring access to federal property may raise supremacy clause and federal preemption problems.

Your Committee finds that there is a public concern with regard to depleted uranium in this State. Internal United States Army correspondence indicate the presence of depleted uranium at Schofield Barracks. The United States military uses depleted uranium in its ordnance which upon combustion on impact may vaporize and travel for miles based upon particle size, phase, and wind conditions. If internalized, depleted uranium may cause scarring, fibrosis, and genetic mutations which can possibly lead to cancers, infertility, and birth defects.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1452, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, 1 (Hemmings). Excused, 2 (Chun Oakland, Menor).

SCRep. 1521 Ways and Means on H.B. No. 119

The purpose of this measure is to exempt from the Uniform Land Sales Practices Act the disposition of an agricultural water system for irrigation of agricultural lands to the Agribusiness Development Corporation.

Your Committee received comments in support of this measure from the Agribusiness Development Corporation and the Kamehameha Schools.

Your Committee finds that without this exemption, any disposition of an agricultural irrigation system, including real and personal property spread over large land areas, would require the subdivision of the system, including its collection source or reservoir and extending to, in most cases, lengthy flume and ditch works stretching for miles. This subdivision requirement would be so time-consuming and expensive that any disposition of the irrigation system would in all probability be abandoned, to the extreme detriment of the agricultural industry. You Committee believes that this exemption is vital to the agricultural industry in the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 119, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1522 (Majority) Energy and Environment on H.B. No. 639

The purpose of this measure is to improve the deposit beverage container program.

Specifically, this measure reduces and clarifies the availability of exemptions, increases the number of hours a center is to remain open in high density populations, and clarifies the rights and duties of dealers and redemption centers.

Testimony in support of this measure was submitted by Reynolds Recycling and the Sierra Club, Hawai'i Chapter. Testimony in opposition to this measure was submitted by the Department of Health. Comments on this measure were submitted by two members of the Environmental Center at the University of Hawaii at Manoa and the Windward Ahupua'a Alliance.

Your Committee finds that although there has been much success with the "bottle law", a great more can be done if the process were less cumbersome and more convenient. Your Committee believes that the changes proposed in this amended measure will make the program even more successful.

This measure was amended to conform to Senate Bill No. 1702, S.D. 2, which is significantly similar. As a result, the proposed amendments to sections 342G-102, 342G-105, 342G-111, 342G-112, and 342G-117, Hawaii Revised Statutes, were deleted.

The amended measure:

- (1) Requires dealers located in a high density urban area and within two miles of a certified redemption center to establish and operate a certified redemption center;
- (2) Clarifies section 342G-113, Hawaii Revised Statutes, so that a dealer can subcontract with a certified redemption center on the dealer's premises or within one thousand feet of the dealer's premises and making it possible for dealers located in a shopping center to operate a coordinated redemption center;
- (3) Adds a requirement that centers located in densely populated areas remain open at least thirty-five hours a week, of which a minimum of five hours must be on a weekend day; provides that consumers may request container count computation for loads up to two hundred; and requires the Department of Health to encourage the facilitation of agreements between shopping center managers or owners, store owners, and dealers to establish redemption centers;
- (4) Allows dealers to utilize properly operating and maintained reverse vending machines to satisfy the requirement that the dealer establish a certified redemption center;
- (5) Gives dealers the discretion to refuse to pay the refund value for damaged containers as codified in section 342G-116, Hawaii Revised Statutes; and
- (6) Takes effect on July 1, 2020, to ensure further discussion on this measure.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 639, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 639, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 2. Noes, 1 (Trimble). Excused, 2 (Ihara, Kokubun).

SCRep. 1523 (Joint) Energy and Environment and Water, Land, Agriculture and Hawaiian Affairs on H.B. No. 1646

The purpose of this measure is to protect the health and safety of consumers and the environment by providing information and education to consumers on the hazards of pesticide use and storage.

Specifically, this measure requires retailers of pesticides to provide information, through posted signs, on the proper handling, storage, and disposal of all pesticides for sale. In addition, this measure authorizes the Department of Agriculture to develop rules regarding the size and placement of the warning signs.

Your Committees received testimony in support of this measure from the Department of Agriculture, the Hawaii Food Industry Association, and thirteen individuals. The Retail Merchants of Hawaii, the Hawaii Pest Control Association and three individuals submitted comments.

Your Committees find that pesticide exposure has detrimental and often irreversible effects on the health of residents in the community and the environment. Requiring retailers to post informational signage regarding the hazards of pesticide use and storage will help to reduce unnecessary risks to the public and the environment.

Your Committees further find that the Department of Agriculture, when establishing signage rules, should address the language barrier issues that are present in this diverse culture, to ensure that non-English speaking persons are aware of the dangers posed by pesticides.

In addition, the Department of Agriculture and other appropriate agencies should take a proactive approach to educating the public on the hazards of pesticides, including a campaign to raise awareness of the hazards of use, storage, handling, and how to alert children to the dangers of these poisonous chemicals. Although information regarding these hazards is accessible through the federal Environmental Protection Agency, homeowners are often not aware of how to access this information. The Department of Agriculture's website is an excellent source of consumer information, and should include Environmental Protection Agency information.

Your Committees further find that the Department of Agriculture should examine the possibility of indemnification of pesticide retailers.

Your Committees amended this measure by:

- (1) Changing the section title from "pesticide warning signs" to "pesticide information signs";
- (2) Adding the definition "distribute or sell" to section 149A-2, Hawaii Revised Statutes; and
- (3) Clarifying that retailers have the option to post the warning sign or place the warning sign at the product display areas.

As affirmed by the records of votes of the members of your Committees on Energy and Environment and Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1646, H.D. 2, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 1646, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees. Ayes, 7. Noes, none. Excused, 2 (Hee, Slom).

SCRep. 1524 Judiciary and Labor on H.B. No. 1149

The purpose of this measure is to increase the penalties for the possession, in the presence of a child, of precursor chemicals for manufacturing a controlled substance.

Your Committee finds that children have been exposed to toxic chemicals of clandestine labs where controlled substances are manufactured. Such exposures have presented a great health risk to these children. This bill increases the penalty for those convicted of possession where children are present.

Your Committee received testimony in support of the bill from the Department of Public Safety and from the Honolulu Prosecutor's Office.

Your Committee amended the bill by changing the effective date of the bill from January 1, 2050, to "upon its approval".

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1149, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1149, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Nishihara).

SCRep. 1525 Ways and Means on H.B. No. 122

The purpose of this measure is to require public disclosure of any entity that receives a “state award”.

Generally, a state award is defined as any legal or governmental entity that receives state financial assistance, including grants, subgrants, loans, awards, etc., not including single transactions less than \$25,000.

Your Committee received comments on this measure from the Department of Taxation and the Tax Foundation of Hawaii. The Department of Budget and Finance submitted comments in opposition to the measure.

Your Committee finds that transparency and accountability in government allow citizens to more fully participate in the governmental process and promotes trust in those who are responsible for the expenditure of state funds.

This measure is consistent with this principle by requiring disclosure of all legal and governmental entities that receive state awards. Your Committee, however, is concerned with provisions that compromise the integrity of tax disclosure laws under title 14, Hawaii Revised Statutes, and has therefore amended the measure to ensure that all taxpayer related information remains confidential.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 122, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 122, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1526 Education on S.C.R. No. 135

The purpose of this measure is to request the Department of Education to conduct a study on the air cooling needs of each school complex and to review the feasibility of providing alternative air cooling methods in the public schools.

Testimony in support of this measure was submitted by the Hawaii State Teachers Association. Testimony in opposition to this measure was submitted by the Department of Education.

Your Committee finds that although Hawaii’s tropical climate is ideal for outdoor recreational activities, it is not necessarily conducive to learning for public school students. Many of Hawaii’s public schools are not equipped with air conditioning or other temperature reduction measures, which can make the classroom environments uncomfortable and even unbearable for students and teachers alike. Your Committee further finds that the Department of Education maintains a lengthy priority list of schools which need to be equipped with air conditioning systems, which will require costs of approximately \$1,000,000,000 over approximately a five-year period. Additionally, testimony provided indicated that it would cost an estimated \$50,000 to \$75,000 merely to conduct a study of temperature-reducing measures that could be implemented for all public schools.

Your Committee understands that providing air conditioning for all public schools is a costly endeavor that may also take a long period of time to accomplish. However, your Committee remains committed to ensuring that efforts are made to provide healthful and comfortable surroundings for our students and teachers. Given the increased responsibility and autonomy at the complex level, your Committee believes that this measure should allow the complexes to provide information on developing alternative methods for reducing the temperature of classrooms in order to provide public school students with suitable learning environments.

Accordingly, your Committee has amended the title and text of this measure by:

- (1) Specifying that each school complex is requested to study the air cooling needs of the schools within the complex and review the feasibility of using alternative cooling methods through changes made to the measure’s title and body;
- (2) Specifying that each school complex report also include information on:
 - (A) Prioritization of the needs for cooling that differentiates the needs of buildings and classrooms within each school; and
 - (B) Mitigation measures that address solutions spanning from one classroom, one floor, or one building to several buildings that does not assume mitigation for the entire school; and
- (3) Making technical, nonsubstantive changes for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 135, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 135, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chun Oakland, Hee, Nishihara).

SCRep. 1527 Education on S.R. No. 90

The purpose of this measure is to request the Department of Education to conduct a study on the air cooling needs of each school complex and to review the feasibility of providing alternative air cooling methods in the public schools.

Testimony in support of this measure was submitted by the Hawaii State Teachers Association. Testimony in opposition to this measure was submitted by the Department of Education.

Your Committee finds that although Hawaii’s tropical climate is ideal for outdoor recreational activities, it is not necessarily conducive to learning for public school students. Many of Hawaii’s public schools are not equipped with air conditioning or other temperature reduction measures, which can make the classroom environments uncomfortable and even unbearable for students and teachers alike. Your Committee

further finds that the Department of Education maintains a lengthy priority list of schools which need to be equipped with air conditioning systems, which will require costs of approximately \$1,000,000,000 over approximately a five-year period. Additionally, testimony provided indicated that it would cost an estimated \$50,000 to \$75,000 merely to conduct a study of temperature-reducing measures that could be implemented for all public schools.

Your Committee understands that providing air conditioning for all public schools is a costly endeavor that may also take a long period of time to accomplish. However, your Committee remains committed to ensuring that efforts are made to provide healthful and comfortable surroundings for our students and teachers. Given the increased responsibility and autonomy at the complex level, your Committee believes that this measure should allow the complexes to provide information on developing alternative methods for reducing the temperature of classrooms in order to provide public school students with suitable learning environments.

Accordingly, your Committee has amended the title and text of this measure by:

- (1) Specifying that each school complex is requested to study the air cooling needs of the schools within the complex and review the feasibility of using alternative cooling methods through changes made to the measure's title and body;
- (2) Specifying that each school complex report also include information on:
 - (A) Prioritization of the needs for cooling that differentiates the needs of buildings and classrooms within each school; and
 - (B) Mitigation measures that address solutions spanning from one classroom, one floor, or one building to several buildings that does not assume mitigation for the entire school; and
- (3) Making technical, nonsubstantive changes for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 90, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 90, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chun Oakland, Hee, Nishihara).

SCRep. 1528 Education on S.C.R. No. 137

The purpose of this measure is to improve financial efficiency by requesting the University of Hawaii to establish a long-term comprehensive financial plan.

Testimony in support of this measure was submitted by the University of Hawaii.

Your Committee finds that the State dedicates substantial financial resources to the University of Hawaii and, thereby, maintains a vested interest in the success of the system. Budgeting of state funds to the University of Hawaii that optimizes efficiency and effectiveness of operations is reliant upon a clear financial plan that is linked to equally clear objectives of the university system, its campuses, and its programs. Your Committee finds that the legislatures of many other jurisdictions are undertaking actions to align funding for their public universities and colleges with the current and future needs and priorities of those states. This measure seeks a similar approach of gaining information from the University of Hawaii regarding its long-term financial plans and priorities to assist the Legislature in making future budgeting decisions that will support the goals of and are consistent with the objectives of the university.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 137 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chun Oakland, Hee, Nishihara).

SCRep. 1529 Energy and Environment on S.C.R. No. 53

The purpose of this measure is to reduce Hawaii's dependence on fossil fuels by encouraging the use of higher efficiency lighting.

Specifically, this measure requests that all state government and all county and local government facilities replace incandescent light bulbs with Energy Star qualified compact fluorescent light bulbs by January 1, 2010.

Further, this measure requests the Director of the Department of Business, Economic Development, and Tourism, serving as the statewide Energy Resources Coordinator, to be charged with encouraging private consumers to use Energy Star qualified compact fluorescent light bulbs in lieu of incandescent light bulbs by establishing incentive programs, such as rebate and discount programs, and by educating the public with regard to the benefits of Energy Star qualified compact fluorescent light bulbs.

Your Committee received testimony in support of this measure from the Hawaii Government Employees Association; Philips Lighting; Hawaiian Electric Company, Inc.; and three individuals.

Your Committee finds that the cost of electricity will be increasingly more expensive as long as we depend on fossil fuels to generate electric power. Your Committee further finds that compact fluorescent light bulbs last longer, emit less heat, and use approximately seventy-five per cent less energy than incandescent light bulbs.

Your Committee amended this measure by adding the Director of Business, Economic Development, and Tourism to the individuals that are to receive a certified copy of this resolution.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 53, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 53, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1530 Energy and Environment on S.R. No. 28

The purpose of this measure is to reduce Hawaii's dependence on fossil fuels by encouraging the use of higher efficiency lighting.

Specifically, this measure requests that all state government and all county and local government facilities replace incandescent light bulbs with Energy Star qualified compact fluorescent light bulbs by January 1, 2010.

Further, this measure requests the Director of the Department of Business, Economic Development, and Tourism, serving as the statewide Energy Resources Coordinator, to be charged with encouraging private consumers to use Energy Star qualified compact fluorescent light bulbs in lieu of incandescent light bulbs by establishing incentive programs, such as rebate and discount programs, and by educating the public with regard to the benefits of Energy Star qualified compact fluorescent light bulbs.

Your Committee received testimony in support of this measure from the Hawaii Government Employees Association; Philips Lighting; Hawaiian Electric Company, Inc.; and three individuals.

Your Committee finds that the cost of electricity will be increasingly more expensive as long as we depend on fossil fuels to generate electric power. Your Committee further finds that compact fluorescent light bulbs last longer, emit less heat, and use approximately seventy-five per cent less energy than incandescent light bulbs.

Your Committee amended this measure by adding the Director of Business, Economic Development, and Tourism to the individuals that are to receive a certified copy of this resolution.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 28, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 28, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1531 Intergovernmental and Military Affairs on S.C.R. No. 108

The purpose of this measure is to urge the United States Congress to pass the National Guard Empowerment Act of 2007.

Your Committee received testimony in support of this measure from State Adjutant General, National Guard Association of Hawaii Insurance Trust, Hawaii National Guard Association, and Hawaii National Guard Enlisted Association.

Your Committee finds that as the United States continues its war on terrorism, a strong and ready National Guard is vital in order to adequately address emergencies and military operations, both foreign and domestic.

Your Committee further finds that the National Guard and Reserves currently comprise approximately forty-five per cent and fifty per cent of the military forces in Iraq and Afghanistan, respectively.

Your Committee further finds that as the United States military continues to increase its reliance on the National Guard and Reserves, it is critical to consult with the State and National Guard leadership and require the National Guard to work with the states in order to identify gaps between federal and state capabilities in responding to emergencies.

To this end, it is the intent of your Committee to support the National Guard Empowerment Act of 2007, which was introduced in the United States Senate, and is designed to make the National Guard a stronger and more responsible defense agency that will improve the nation's defense and improve the military's ability to support civilian authorities during domestic emergencies.

As affirmed by the record of votes of the members of your Committee on Intergovernmental and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 108 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, none.

SCRep. 1532 Intergovernmental and Military Affairs on S.R. No. 65

The purpose of this measure is to urge the United States Congress to pass the National Guard Empowerment Act of 2007.

Your Committee received testimony in support of this measure from State Adjutant General, National Guard Association of Hawaii Insurance Trust, Hawaii National Guard Association, and Hawaii National Guard Enlisted Association.

Your Committee finds that as the United States continues its war on terrorism, a strong and ready National Guard is vital in order to adequately address emergencies and military operations, both foreign and domestic.

Your Committee further finds that the National Guard and Reserves currently comprise approximately forty-five per cent and fifty per cent of the military forces in Iraq and Afghanistan, respectively.

Your Committee further finds that as the United States military continues to increase its reliance on the National Guard and Reserves, it is critical to consult with the State and National Guard leadership and require the National Guard to work with the states in order to identify gaps between federal and state capabilities in responding to emergencies.

To this end, it is the intent of your Committee to support the National Guard Empowerment Act of 2007, which was introduced in the United States Senate, and is designed to make the National Guard a stronger and more responsible defense agency that will improve the nation's defense and improve the military's ability to support civilian authorities during domestic emergencies.

As affirmed by the record of votes of the members of your Committee on Intergovernmental and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 65 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, none.

SCRep. 1533 (Joint) Water, Land, Agriculture and Hawaiian Affairs and Transportation and International Affairs and Education on S.C.R. No. 157

The purpose of this measure is to request that the Legislature recognize and extend its Aloha to the National Indian Education Association and its members who will be gathering in Hawaii for its thirty-eighth annual conference and to request the Governor to declare the fourth week of October as "Indigenous Education Week."

No testimony was submitted to your Committees on this measure.

Your Committees find that the National Indian Education Association is the oldest national association devoted to the education of indigenous people in the United States. The education of Native Hawaiians is a focus of the Association. In 2006, Dr. VerlieAnn Leimomi Kapule Malina-Wright was installed as the first President of the Association of Native Hawaiian ancestry due to her experience, demonstration, and advocacy of teaching and conducting classes entirely in Hawaiian. This year, the Association will hold its annual convention in Honolulu on October 25 to 28, 2007, and your Committees look forward to and welcomes the Association upon its arrival in October. Furthermore, your Committees recognize the important work of the National Indian Education Association, and appreciate the Association's focus on Native Hawaiian education and recognizing Hawaii's unique distinctions in indigenous education.

As affirmed by the records of votes of the members of your Committees on Water, Land, Agriculture, and Hawaiian Affairs and Transportation and International Affairs and Education that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 157 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 9. Noes, none. Excused, 6 (Chun Oakland, Fukunaga, Hee, Hooser, Nishihara, Tsutsui).

SCRep. 1534 (Joint) Water, Land, Agriculture and Hawaiian Affairs and Transportation and International Affairs and Education on S.R. No. 108

The purpose of this measure is to request that the Legislature recognize and extend its Aloha to the National Indian Education Association and its members who will be gathering in Hawaii for its thirty-eighth annual conference and to request the Governor to declare the fourth week of October as "Indigenous Education Week."

No testimony was submitted to your Committees on this measure.

Your Committees find that the National Indian Education Association is the oldest national association devoted to the education of indigenous people in the United States. The education of Native Hawaiians is a focus of the Association. In 2006, Dr. VerlieAnn Leimomi Kapule Malina-Wright was installed as the first President of the Association of Native Hawaiian ancestry due to her experience, demonstration, and advocacy of teaching and conducting classes entirely in Hawaiian. This year, the Association will hold its annual convention in Honolulu on October 25 to 28, 2007, and your Committees look forward to and welcomes the Association upon its arrival in October. Furthermore, your Committees recognize the important work of the National Indian Education Association, and appreciate the Association's focus on Native Hawaiian education and recognizing Hawaii's unique distinctions in indigenous education.

As affirmed by the records of votes of the members of your Committees on Water, Land, Agriculture, and Hawaiian Affairs and Transportation and International Affairs and Education that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 108 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 9. Noes, none. Excused, 6 (Chun Oakland, Fukunaga, Hee, Hooser, Nishihara, Tsutsui).

SCRep. 1535 Energy and Environment on Gov. Msg. Nos. 335, 336, 337 and 338

Recommending that the Senate advise and consent to the nominations of the following:

ENVIRONMENTAL COUNCIL

- G.M. No. 335 DAVID ATKIN, for a term to expire 6-30-2011;
- G.M. No. 336 DAVID SPENCER BYLUND, for a term to expire 6-30-2011;
- G.M. No. 337 CHESTER ISAMU SAITO, for a term to expire 6-30-2011; and
- G.M. No. 338 MARY STEINER, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Dr. David Atkin, David Spencer Bylund, Chester Isamu Saito, and Mary Steiner, to have the necessary qualifications to be nominated to the Environmental Council.

Your Committee received testimony in support of Dr. David Atkin's nomination from the Department of Health and the Environmental Council.

Dr. Atkin has a Doctorate in Ecology and Evolution from Princeton University and a Bachelor of Science from Stanford University. He has over twenty-five years of experience in environmental engineering in the public and private sectors and has been involved in over fifty infrastructure projects across the United States and many other countries. Dr. Atkin is currently the Senior Supervising Environmental Planner/Certified Senior Project Manager/Senior Professional Associate at Parsons Brinkerhoff, where he has worked since 1987. Prior to Parsons Brinkerhoff, Dr. Atkin worked at the Natural Resources Defense Council, the New Jersey Department of Energy and as a Soros Associate. He has extensive permitting and environmental studies experience in the areas of telecommunications, marine facilities, transit and transportation, water resources, and industrial and commercial projects. He is also experienced in transportation planning. Dr. Atkin has authored, co-authored, and presented numerous papers and studies on various topics relating to environmental engineering. He is the current treasurer and a past president of the Hawaii Association of Environmental Professionals; a lecturer at the University of Hawaii, Department of Urban and Regional Planning; a volunteer with The Outdoor Circle; and has served for six months as an interim member of the Environmental Council, chairing the Legislative Committee. Dr. Atkin's extensive experience in environmental engineering and in consulting make him highly qualified and valuable to the Council.

Your Committee received testimony in support of David Spencer Bylund's nomination from the Department of Health; the Environmental Center at the University of Hawaii; the Environmental Council; the Strategic Industries Division of the Department of Business, Economic Development, and Tourism; and John M. Knox and Associates, Inc.

Mr. Bylund is currently serving in his first term on the Environmental Council, and is the current chair of the Annual Report Committee. Mr. Bylund has a Master of Architecture from Columbia University and a Bachelor Degree in Architecture and Civil Engineering from Princeton

University. He is currently employed with Architects Hawaii, where he leads the Sustainable Design Initiative. He has over twenty years of experience in the building design industry as an architectural designer in Hawaii, on the mainland, in Europe, and Asia. His architectural project experiences span a variety of areas, including education, health care, recreation, resorts, residences, technology companies, financial industries, corporations, and master planning. Mr. Bylund is on the board of directors of the Hawaii Society of Corporate Planners and the Honolulu Chapter of the American Institute of Architects; and he is the Sustainability Committee chair of the Hawaii District Council of the Urban Land Institute. Mr. Bylund was a program chair of the Collaborative Process Institute; International Practice Committee chair of the American Institute of Architects, San Francisco Chapter; board member of Visual Aid; and a participant in the 2006 Supper Island beach clean up. He is a member of the U.S. Green Building Council, American Institute of Architects, and Urban Land Institute. Mr. Bylund's extensive experience has been an asset to the Council.

Your Committee received testimony in support of Chester Isamu Saito's nomination from the Department of Health; General Contractors Association of Hawaii; Environmental Council; and the Strategic Industries Division of the Department of Business, Economic Development, and Tourism.

Mr. Saito is currently serving his first term on the Environmental Council and has served as chair of the Exemption List Committee for the past year. He has over thirty-seven years of experience in construction. He is currently the Senior Project Engineer and Environmental Manager at the Hawaiian Dredging Construction Company, where he has worked since 1990. Mr. Saito has a Bachelor Degree of General Studies in Business Management from Chaminade University. He is a member of the Association of General Contractors of America Environmental Network Steering Committee and Environmental Committee, of which he is a former chair. Mr. Saito's experience and dedication has been an asset to the Council.

Your Committee received testimony in support of Mary Steiner's nomination from the Department of Health, Environmental Council, Outdoor Circle, Kaulunani Urban and Community Forestry Program, and the Mestizo Association.

Ms. Steiner has been the Chief Executive Officer of the Outdoor Circle since 1992. Her past employment includes serving as a development associate with the Center for Children and Families in Jamaica, New York; Public Affairs Coordinator for Planned Parenthood of Monmouth County, New Jersey; Director of Operations for IBF Group, Inc., of New York, New York; and Operations and Bond Fund Coordinator of Prudential Bache of New York, New York. Her community experience includes serving on the Mayor's Arborist Advisory Committee of the City and County of Honolulu; a member of the Ka'ulu'nani Council, a division of the U.S.D.A. Forest Service; and a member of the Association of Fundraising Professionals. She is a registered lobbyist in the State of Hawaii and the City and County of Honolulu. Ms. Steiner has a Bachelor of Arts Degree in Romance Languages with Honors from Stockton State College, a certificate in Hispanic Studies from the University of Madrid, and a Diploma from the Municipal Bond Club of New York School. She is the recipient of the 2005 Unsung Hero Award of the Hawaii's Thousand Friends and has presented and published several papers relating to community advocacy, and trees. Ms. Steiner has served as an interim member of the Environmental Council for the past six months and has been active with the Rules Committee. Her experiences in community and government have been a great asset to the Council.

As affirmed by the records of votes of the members of your Committee on Energy and Environment that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1536 Transportation and International Affairs on Gov. Msg. Nos. 478, 479, 567 and 568

Recommending that the Senate advise and consent to the nominations of the following:

HAWAII SISTER STATE COMMITTEE

G.M. No. 478 LISA TERUKA MARUYAMA, for a term to expire 6-30-2011;

G.M. No. 479 SHERRY R. MENOR, for a term to expire 6-30-2011;

G.M. No. 567 ROMY M. CACHOLA, for a term to expire 6-30-2010; and

G.M. No. 568 ANITA MAE K. NAONE, for a term to expire 6-30-2009

Your Committee received testimony in support of Lisa Teruka Maruyama from the Department of Business, Economic Development, and Tourism; University of Hawaii; East-West Center; and two individuals.

Ms. Maruyama represents a nominee of the Speaker of the House of Representatives. She is currently the Executive Director of the Pacific and Asian Affairs Council. She received a Bachelor of Business Administration in International Business from the University of Hawaii at Manoa, where she participated in the Pacific Asian Management Institute during the summer of 1990.

Ms. Maruyama participated in the Pacific Century Fellows Program (1999-2000), Weinberg Fellows Program (1996), Japan-America Institute of Management Science, National Philanthropy Day, and National Student Exchange Program at the University of Massachusetts at Amherst.

Ms. Maruyama's current professional and community activities include Board Member of the Hawaii Society of Corporate Planners, Advisory Council; Hawaii Pacific University College of International Relations, Advisory Council; University of Hawaii College of Marketing Department, Advisory Council; and University of Hawaii Center for International Business Education and Research. She has been a member of the World Affairs Councils of America; United Nations Association-USA, Hawaii Division; and Japanese Junior Chamber of Commerce.

Ms. Maruyama received the Pacific Business News "Top Forty Under 40" recognition in 2001; Daniel K. Inouye Award for Excellence in Community Mental Health Service, presented by the Hawaii Psychological Association in 1997; Pacific Asian Management Institute Field Study Abroad Scholarship (1990); and Richard Kosaki Award for Excellence in Research, University of Hawaii at Manoa, Political Science Department (1988).

Ms. Maruyama has traveled extensively on the Mainland, Asia, Canada, and Western Europe. In addition, she has lived in Tokyo and Nara, Japan; Amherst, Massachusetts; and Omaha, Nebraska.

Your Committee notes the nominee's personal statement that she hopes to bring relevant outside information to the Hawai'i Sister State Committee that would shape the decision-making process; to develop and/or refine criteria in determining which sister-state relationships are worth pursuing, maintaining, or discontinuing, and to assist in determining the best ways that sister-state relationships could be expressed to fully maximize the benefit to Hawaii.

Your Committee received testimony in support of Sherry R. Menor from the Department of Business, Economic Development, and Tourism; McCabe, Hamilton & Renny Co., Ltd.; First Hawaiian Bank; The Chamber of Commerce of Hawaii; Honolulu Japanese Chamber of Commerce; Hawaii Korean Chamber of Commerce; Hong Kong Business Association; Kaula'i Chamber of Commerce; Legal Realty; Wilson Homecare; The Limtiaco Company; Hawaiian Telcom; Kaiser Permanente; Sheraton Hawai'i Bowl; and one individual.

Ms. Menor is a nominee of the Senate President. She is employed with the Chamber of Commerce of Hawaii as Director of the Business Advocacy Department. She received a Juris Doctor degree from the William S. Richardson School of Law and an Master of Business Administration degree from the Shidler College of Business, at the University of Hawaii at Manoa. Ms. Menor received a Bachelor of Arts in Political Science from the University of California at Los Angeles. She also participated in graduate studies in public administration and public policy at the University of Southern California. She has been a summer law clerk for the Hawaii County Corporation Counsel and a Legislative Assistant for the Hawaii State Legislature.

Ms. Menor has experience creating relationships to further enhance the mutual understanding, respect, and cooperation among people of diverse backgrounds. This experience would serve her well on the Hawaii Sister State Committee, as well as the fact that she was born in a foreign country. She also has worked abroad and for foreign companies and appreciates and respects the cultural differences among countries.

Your Committee notes the personal statement of the nominee that she will seek to build understanding and mutual respect of each state's culture, people, and economy, and to work to enable sister-states to collectively seek ways to address similar issues.

Your Committee received testimony in support of Romy M. Cachola from the Department of Business, Economic Development, and Tourism.

Councilmember Cachola represents the appointment from the Hawaii State Association of Counties. He is a Honolulu City Councilmember. He received a Bachelor of Law (Juris Doctor) and M.L. degrees from Quezon University.

Councilmember Cachola was a State Representative from 1984 to 2000. He is on the Board of Governors of the Kalihi YMCA; a member of the Filipino Chamber of Commerce; on the Board of Directors of the Kalihi Business Association; and a member or past member of various community organizations, including the Ilocos Surian Association of Hawaii, Kalakaua Lions Club, Narvacaneos Club of Hawaii, St. Anthony Church's Filipino Catholic Club, St. Anthony Church's Parish Pastoral Council; St. Anthony's School Board (Past President), Statewide Sakada Committee, Susannah Wesley Community Center, and Waipahu Business Association (Past President).

Councilmember Cachola has received numerous awards for distinguished service and accomplishments, including the Distinguished Legislator Award of the State Legislative Leaders Association, presented at the August 1990 National Conference of State Legislators in Tennessee; Public Servant of the Year presented by the Community Advocate Magazine, 1990; and Progress Award for Public Service presented by the United Filipino Community Council, 1997 and 1999.

Your Committee notes from the nominee's personal statement that he has past experience setting up sister state relationships during his tenure as a city councilmember.

Your Committee received testimony in support of Anita Mae K. Naone from the Department of Business, Economic Development, and Tourism, and two individuals.

Ms. Naone is a nomination of a Native Hawaiian cultural organization. She is the Forward Equal Employment Opportunity Manager for the United States Army Corp of Engineers at Fort Shafter, where she has authority to plan, organize, direct, staff, implement, and evaluate a management-oriented affirmative employment program, including the complaint process. She has also served as a Defense Communications Coordinator for the Naval Communications Station in Wahiawa.

Ms. Naone attended Windward Community College, and completed numerous leadership and equal employment courses with the United States military. She brings experience in working with people from all walks of life, including professional engineers, managers, and diverse ethnic groups.

As affirmed by the records of votes of the members of your Committee on Transportation and International Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Taniguchi, Tsutsui).

SCRep. 1537 Transportation and International Affairs on Gov. Msg. Nos. 496, 497 and 534

Recommending that the Senate advise and consent to the nominations of the following:

COMMISSION ON TRANSPORTATION

G.M. No. 496 JOHN B. RAY, for a term to expire 6-30-2010;

G.M. No. 497 DAVID K. SPROAT, for a term to expire 6-30-2011; and

G.M. No. 534 JOHN JAY ROMANOWSKI, for a term to expire 6-30-2011

Your Committee received testimony in support of John B. Ray from the Department of Transportation.

John B. Ray has been the President of the Hawaii Leeward Planning Conference in Kamuela, Hawaii, since 1999. Previously, he was on the Hawaii County Council. The nominee is the Founding Director of the Waimea Main Street Program, a non-profit community-based planning and economic development organization; Founder of the Paniolo Country Inn; and Co-Founder of Orca Sea Farms, Inc., among other notable business endeavors. The nominee has been involved in numerous community activities and boards.

Your Committee received testimony in support of David K. Sproat from the Department of Transportation and two members of the House of Representatives.

David K. Sproat was first appointed to the Commission on Transportation on July 1, 2003. He is a retired County of Kaua'i Firefighter with almost thirty-one years of service, and was President of the Kilauea Neighborhood Association, Secretary and Treasurer of the Hawaiian Farmers of Hanalei, Board Member of the Mahelona Hospital, President of the Kilauea School Parent Teacher Association, and Vice President of the Kilauea Agricultural Association.

Your Committee notes from the nominee's personal statement that he would use his skills in dealing with the many diverse issues facing the Department of Transportation's Divisions of Highways, Airports, and Harbors.

Your Committee received testimony in support of John Jay Romanowski from the Department of Transportation; Hidano Construction, Inc.; Building Industry Association – Hawaii; Castle & Cooke Hawaii; Contractors Association of Kaua'i; Royal Contracting Co., Ltd.; Co-Ha Builders, Inc.; and Maritime Consultants of the Pacific.

John Jay Romanowski was originally appointed to the Commission on Transportation on July 1, 2003, for a term to expire on June 30, 2007. He is Vice President of Jas. W. Glover, Ltd., general contractor and manufacturer of aggregates, ready-mix concrete, and hot mix asphalt. Prior thereto, he held various engineering, construction, and manufacturing posts with Summit Construction, Inc., Construction Consultants Pacific, Inc., Charles Pankow Builders, and E.I. Dupont DeNemours Chemical Co.

Mr. Romanowski received a degree in civil engineering from Purdue University. He is the Hawaii State Director of the National Asphalt Paving Association; President of the Hawaii Asphalt Paving Industry; Chairman of Department of Transportation Committee of the General Contractors Association of Hawaii; and a member of the Hawaii Island Contractors Association and Contractors Association of Kauai.

Your Committee notes the testimony of the Department of Transportation that the nominee's extensive background in general contracting and construction, and his experience as a project engineer have made him invaluable to the Commission on Transportation. He is always willing to share his unique insights and first-hand knowledge on the various transportation matters that come before the Commission.

As affirmed by the records of votes of the members of your Committee on Transportation and International Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Taniguchi, Tsutsui).

SCRep. 1538 Commerce, Consumer Protection and Affordable Housing on H.B. No. 776

The purpose of this measure is to prohibit ticket brokers from charging a fee when using a credit card to purchase a ticket without first disclosing to a consumer that a fee will be charged.

Your Committee received testimony in support of this measure from one individual. The Office of Consumer Protection provided comments on this measure.

Your Committee finds that disclosure is a basic tenet of consumer protection and consumers should be aware of any additional fees being charged prior to any transaction. This measure will prohibit ticket brokers from charging a fee for the use of a credit card without first disclosing the fee.

Your Committee has amended this measure to require ticket brokers to refund any service fee the consumer has paid when the event for which the ticket was purchased is canceled.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 776, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 776, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 1 (Ige).

SCRep. 1539 Commerce, Consumer Protection and Affordable Housing on H.B. No. 1264

The purpose of this measure is to exempt certain lessees for sustainable affordable developments from the ten-year buyback and shared appreciation equity restrictions under chapter 201H, Hawaii Revised Statutes (HRS).

Your Committee received testimony in support of this measure from the Hawaii Housing Finance and Development Corporation; the Office of Hawaiian Affairs; Brigham Young University Hawai'i; and UniDev Hawaii, L.L.C.

Your Committee finds that this measure allows the Hawaii Housing Finance and Development Corporation (HHFDC) to waive ten-year buyback and shared appreciation equity restrictions for projects that, pursuant to section 516-1, HRS, comprise a sustainable affordable development. Under existing law, a lessee of a HHFDC affordable leasehold residential property who wishes to sell the affordable home within ten years of purchase must sell the home back to HHFDC so that HHFDC, in turn, may resell the property to another income-qualified lessee. However, your Committee believes that sustainable affordable developments, such as those developed and managed by HHFDC, already satisfy the intent of the buyback and shared appreciation restrictions because sustainable affordable developments are affordable in perpetuity.

Your Committee also finds that there are many instances where immediate family members of a deceased lessee are forced to move out of the affordable home because of the ten-year buyback and shared appreciation equity provisions. Accordingly, your Committee has amended this measure by adding an additional exemption under section 201H-47(c), HRS, to include the right of first refusal for the sale or transfer of real property to an immediate family member of the purchaser upon the purchaser's death. This amendment will assist in creating a greater inventory of affordable housing for the benefit of the State's working class.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1264, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1264, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 1 (Ige).

SCRep. 1540 Commerce, Consumer Protection and Affordable Housing on H.B. No. 1339

The purpose of this measure is to help ensure that there is an adequate supply of licensed contractors available to perform the necessary repairs and reconstruction work during a state of emergency or disaster.

Your Committee received testimony in support of this measure from State Farm Insurance Companies. The Contractors License Board and the State Department of Defense submitted testimony in opposition to this measure. The Subcontractors Association of Hawaii submitted comments on this measure.

Your Committee finds that, if a natural disaster should strike, the demand for contractors may exceed the supply of Hawaii licensed contractors and workers available to perform the necessary repair and reconstruction work. Given the current tight labor market, if an emergency or disaster were to occur, the shortage problem would only be exacerbated. To protect consumers from unscrupulous and inexperienced individuals seeking to profit from the urgent need of repairs that would follow a disaster like hurricanes Iniki and Katrina, your Committee believes that complete exemption from the contractor licensing requirements is inappropriate and may lead to additional harm and heartache. Allowing out-of-state contractors licensed in other jurisdictions to perform work in Hawaii under an emergency license represents a reasonable balance between the need for more contractors and the need to protect consumers.

Your Committee notes that a number of concerns were raised by those testifying on this measure and therefore your Committee has amended this measure by:

- (1) Removing the language establishing an Emergency Contractors Recovery Fund, since a similar fund is already in existence and this language would be duplicative;
- (2) Amending the requirement that an emergency contractor provide proof of liability and property damage insurance and workers' compensation insurance by removing the specific references to dollar amounts, as the Contractor Licensing Board's rules already require insurance in the amount of \$300,000 per occurrence;
- (3) Specifying that the workers' compensation insurance required be specific for work performed in the State;
- (4) Removing the requirement that an emergency contractor provide proof of licensure as a contractor in another state which follows the same adopted version of the applicable county's uniform building code; and
- (5) Adding the requirement that the emergency contractor provide proof of intent to pay any and all applicable state general excise taxes.

Your Committee believes that these amendments will address the issues raised by the testifiers.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1339, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1339, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 1 (Ige).

SCRep. 1541 Commerce, Consumer Protection and Affordable Housing on H.B. No. 1612

The purpose of this measure is to allow a consumer to place a security freeze on the consumer's credit report regardless of whether they have been the victim of identity theft.

Your Committee received testimony in support of this measure from the Office of Consumer Protection of the Department of Commerce and Consumer Affairs and AARP Hawaii. Testimony in opposition was submitted by one individual. The Consumer Data Industry Association and the Retail Merchants of Hawaii submitted comments.

Your Committee finds that there are some instances and circumstances in which a person may need to place a security freeze on their credit report although they have not yet established that they are a victim of identity theft. Requiring a person to wait until they can establish that their identity has been stolen is an inadequate means of preventing identity theft and of preventing further damage to a person's credit once their identity has been stolen.

Your Committee notes that some concerns were raised as to the administrative costs to credit reporting agencies in placing a credit freeze on credit reports of consumers who are not victims of identity theft.

Your Committee also notes the concern that requiring a police report or other report establishing that a consumer's personal information has been used in an unlawful manner may be burdensome to consumers who need to freeze their credit report quickly in order to prevent further harm. The measure as currently drafted would still require a consumer to submit these types of reports to a credit reporting agency when requesting a security freeze on their credit report.

Therefore, your Committee has amended this measure by:

- (1) Clarifying that a credit reporting agency may not charge a fee to a victim of identity theft for placing or removing a security freeze on the victim's credit report;
- (2) Adding language to allow a consumer to request a security freeze on their credit report; provided that if the request does not include a valid copy of a police report, investigative report, or complaint the consumer has filed with a law enforcement agency about unlawful use of the consumer's personal information by another person, each consumer credit reporting agency may charge a fee of up to \$10 for placing a security freeze on the consumer's credit report; and
- (3) Changing the effective date to encourage further discussion.

Your Committee notes that a consumer who does not provide a police report or other report regarding the unlawful use of the consumer's information may be charged a fee by each credit reporting agency from which a consumer requests the freeze. Your Committee further notes that there are currently three major credit reporting agencies.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1612, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1612, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 1 (Ige).

SCRep. 1542 Commerce, Consumer Protection and Affordable Housing on H.B. No. 483

The purpose of this measure is to require the Department of Commerce and Consumer Affairs to regulate the check cashing industry through licensing requirements.

Your Committee received testimony in support of this measure from Financial Service Providers of Hawaii, Inc.; Legal Aid Society of Hawaii; Hawaii'i Alliance for Community-Based Economic Development (HACBED); Aloha United Way; and Hawaii Asset Building Coalition; and one individual. Testimony in opposition was received from the Department of Taxation; Maui Loan; Kama'aina Loan; National Association of Consumer Advocates; and one individual. The Department of Commerce and Consumer Affairs and the Office of Consumer Protection provided comments on the measure.

Your Committee finds that deferred deposit transactions, or payday loans, are short-term loans that have the potential to trap consumers in a cycle of debt that does not allow them to build assets for their future. Hawaii is one of only four states that does not require a license to provide a payday loan. In 2005, the Office of the State Auditor conducted a sunrise analysis on the regulation of check cashing and deferred deposit agreements and recommended that chapter 480F, Hawaii Revised Statutes, be strengthened to be more consumer friendly.

Your Committee has amended this measure by inserting the provisions of S.B. No. 1935, S.D. 1, a similar measure which requires registration of check cashers instead of licensing.

As amended, the measure:

- (1) Requires registration, rather than licensing, of check cashers with the Department of Commerce and Consumer Affairs;
- (2) Raises the limit on the maximum amount of a deferred deposit transaction from twenty-five per cent to thirty per cent of a consumer's gross monthly income;
- (3) Includes language to require the availability of an extended repayment plan after any consumer has entered into four or more consecutive transactions (back-to-back agreements within twenty-four hours of the payment of a previous transaction); provided that the customer requests the option within twenty-four hours of the last payment due date; and
- (4) Changes the effective date from January 1, 2050, to July 1, 2050, to encourage more discussion on this matter.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 483, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 483, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Ayes with Reservations, 1 (Slom). Noes, none. Excused, 1 (Ige).

SCRep. 1543 (Joint/Majority) Intergovernmental and Military Affairs and Transportation and International Affairs on H.B. No. 895

The purpose of this measure is to provide the counties and tow companies with the tools necessary to take custody and properly dispose of abandoned vehicles in a more efficient manner.

Specifically, this measure:

- (1) Allows counties to increase registration fees and thereby increase deposits into the highway beautification and disposal of abandoned or derelict vehicles revolving fund to defray costs associated with the storage of abandoned or derelict vehicles;
- (2) Increases towing and storage fees that towing companies are currently allowed to charge; and
- (3) Decreases the number of days in which the owner of the towed motor vehicle must be notified.

Your Committees received testimony in support of this measure from the Office of the Mayor, County of Maui; County Council, County of Maui; Department of Finance, County of Maui; Department of Environmental Management, County of Hawaii; Hawaii State Towing Association; and one individual.

Your Committees received testimony in opposition to this measure from The Hawaii Automobile Dealers' Association. Comments on this measure were submitted from the Director of the Department of Commerce and Consumer Affairs.

Your Committees find that the significant increase in the number of abandoned and derelict vehicles being discarded on Hawaii's roadways not only degrade its beauty and pose a danger to the public by creating unsafe driving conditions, but also results in increased operating expenses associated with the removal and storage of these abandoned vehicles, causing tow operators to incur financial hardships.

Your Committees also find that while the county in which the towing company is located is most often the requestor for the towing company to remove these abandoned and derelict vehicles, the county only pays for the initial towing service and does not pay for any other fees associated with the removal of the vehicles, creating an additional financial burden on tow operators.

Your Committees further find that, while it is important to offset costs associated with the removal and storage of abandoned vehicles, the fees related to the towing and storage expenses, as well as the decrease in the number of days in which the owner of a towed vehicle is notified, should be considered separately from the registration fees. To this end, your Committees amended this measure by deleting section 3 of the bill which would have increased the towing and storage fees and decreased the number of days to notify an owner of a towed vehicle.

It is the intent of your Committees to defray the costs associated with the storage of abandoned or derelict vehicles by allowing the counties to increase registration fees, which will increase deposits into the Highway Beautification and Disposal of Abandoned or Derelict Vehicles Revolving Fund.

As affirmed by the records of votes of the members of your Committees on Intergovernmental and Military Affairs and Transportation and International Affairs that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 895, H.D. 2, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 895, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Ayes with Reservations, 1 (Gabbard). Noes, 1 (Hemmings). Excused, 2 (Hooser, Taniguchi).

SCRep. 1544 Judiciary and Labor on H.B. No. 854

The purpose of this bill is to permit the termination of temporary total disability benefits (benefits) when the employee's treating physician determines that the employee is able to resume work and the employer has made a bona-fide and appropriate offer of employment to the employee. In addition this bill requires the Director of Labor and Industrial Relations to conduct a hearing at the request of the employee who receives notice from the employer of the termination of benefits and requires the Director to promptly determine if such benefits should be discontinued and the date of such discontinuance. This bill also allows employers to request credits for the amount of benefits paid by the employer after the date which the Director had determined should have been the last date of payment.

The Hawaii Chapter, American Physical Therapy Association, Hawaii Government Employees Association (HGEA), Hawaii State AFL-CIO, ILWU Local 142, and numerous chiropractors testified in support of this measure. The Hawaii State Chiropractic Association testified in support of this measure, with an amendment. The Department of Human Resources Development, the County of Hawaii's Department of Human Resources, The Chamber of Commerce of Hawaii, Hawaii Insurers Council, National Federation of Independent Businesses (NFIB), Property Casualty Insurers Association of America, the Retail Merchants of Hawaii (RHM), and the Hawaii Chapter, Society for Human Resource Management (SHRM) testified in opposition to this measure. The Department of Labor and Industrial Relations (DLIR) submitted testimony in support of the intent of the measure.

Your Committee has amended this measure by including language supported by the Hawaii State Chiropractic Association. The amendment establishes the recovery period of benefits by the employer to be after the date that the Director notifies the employer and the employee of the Director's determination of the last date of payment. The measure was further amended by specifying that benefits paid by the employer prior to the recovery period are not recoverable.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 854, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 854, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1545 Judiciary and Labor on H.B. No. 910

The purpose of this measure is to require members of the Board of Agriculture, the Board of Land and Natural Resources, the Board of Regents of the University of Hawaii, and the Hawaiian Homes Commission to file public financial disclosure statements, as opposed to confidential disclosure statements seen only by the Hawaii State Ethics Commission.

Your Committee received testimony in support of this measure from the Hawaii State Ethics Commission and the League of Women Voters of Hawaii.

The Hawaii State Ethics Commission explained that reporting requirements for members of boards vested with authority to run a department ought to be consistent with requirements for department heads for departments in the executive branch that are headed by a single executive.

Your Committee has amended this measure by:

- (1) Replacing its contents with provisions of a similar measure, S.B. No. 1957, S.D. 1 (2007), Relating to Code of Ethics; and
- (2) Expanding the S.B. No. 1957, S.D. 1 list of boards and commissions whose members must file public financial disclosure statements to include the Board of Regents of the University of Hawaii.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 910, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 910, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1546 Judiciary and Labor on H.B. No. 1750

The purpose of this measure is to repeal the requirement that an applicant for state and county employment be a resident of Hawaii at the time of the application.

Your Committee received testimony in support of this measure from the Department of Education, the Department of Human Resources of the City and County of Honolulu, and the American Civil Liberties Union of Hawaii. The Judiciary supported the bill with reservations.

Your Committee believes this measure will conform statutory provisions to a United States District Court for the District of Hawaii ruling that found the pre-employment residency requirement unconstitutional.

Your Committee has amended this measure by:

- (1) Changing the phrase "shall establish residency in the State within thirty days after their employment" to "shall become residents of the State within thirty days after beginning their employment" as a nonsubstantive amendment for clarity and style; and
- (2) Changing the effective date from July 1, 2112 to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1750, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1750, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1547 Judiciary and Labor on H.B. No. 863

The purpose of this measure is to ensure that private construction contracts where more than half of the project will be used by the State or a county, will comply with the prevailing wage law by requiring:

- (1) The project owner to certify that the project will comply with the prevailing wage law;
- (2) The certification to be filed with the Department of Labor and Industrial Relations (DLIR) and Department of Accounting and General Services; and
- (3) The project owner to submit certified payrolls weekly to the governmental agency that will be using the project.

Testimony in support of the measure was received from the Hawaii Carpenters Union and the Hawaii State Teachers Association. Opposing testimony was received from the Department of Labor and Industrial Relations.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 863, H.D. 1, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1548 (Joint/Majority) Economic Development and Taxation and Ways and Means on H.B. No. 1034

The purpose of this measure is to require the Department of Taxation to provide the Legislature with certain annual and biennial reports.

Prior to the hearing, your Committees circulated a Proposed H.B. No. 1034, S.D. 1, which deleted the contents of the measure and replaced them with language from S.B. No. 1839, S.D. 2 (Parts I and II), and from S.B. No. 1504, S.D. 2 (Part III).

The purpose of the amended measure is to:

- (1) In Parts I and II, establish the Integrated Tax Services and Management Special Fund to receive revenues from integrated tax services and management systems post-implementation revenue-generating initiatives, and provide that moneys in the fund will be used to pay for the integrated tax services and management systems; and
- (2) In Part III, require that the Department of Taxation, by rules adopted pursuant to chapter 91, Hawaii Revised Statutes, shall require the electronic, telephonic, or optical filing of tax returns under certain conditions, and provides that a service fee shall not be required.

The Department of Taxation and the Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO submitted written testimony in support of the Proposed H.B. No. 1034, S.D. 1. The Tax Foundation of Hawaii submitted comments on the proposed language.

Your Committees have further amended the proposed measure by:

- (1) Clarifying that the Integrated Tax Services and Management Special Fund will improve customer services, improve taxpayer fairness, and increase cost savings, with an emphasis on electronic filing;
- (2) Making conforming amendments to section 36-24 and section 36-30, Hawaii Revised Statutes, to reflect the changes made to these sections by H.B. No. 1108, H.D. 1 (the annual statutory revision bill), which is awaiting the Governor's signature;
- (3) Replacing the \$5,000,000 appropriation in sections 12 and 13 with unspecified amounts;
- (4) Requiring the Department of Taxation to repay the general fund for the appropriation to the Integrated Tax Services and Management Special Fund no later than June 30, 2008;
- (5) Clarifying the distinction between mandatory state electronic filing for those businesses required to file electronically by the Internal Revenue Service, and those voluntary electronic filing features being added as part of the integrated tax services and management software upgrades; and
- (6) Adding an appropriation section for the Department of Taxation to pay the eHawaii.gov vendor for the costs of electronic filing that were previously paid by the taxpayer, to be paid out of the Integrated Tax Services and Management Special Fund.

As affirmed by the records of votes of the members of your Committees on Economic Development and Taxation and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1034, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 1034, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees. Ayes, 12. Noes, 1 (Slom). Excused, 1 (Menor).

SCRep. 1549 Ways and Means on H.B. No. 1379

The purpose of this measure is to conform state employment security law to federal law with respect to treating American Indian tribes similarly to government entities and nonprofit organizations.

Furthermore, this measure specifies that the types of agricultural labor not included as "employment" under the employment security law extends to labor performed by aliens admitted into the United States to perform agricultural labor under the federal Immigration and Nationality Act.

Your Committee received comments in support of the measure from the Department of Agriculture and the Department of Labor and Industrial Relations.

Your Committee finds that the provisions relating to Indian tribes must be passed to ensure that the employment security law conforms to federal law. Failure to enact the provisions will cause employers in the State to lose eligibility to claim certain tax credits against the Federal Unemployment Tax Act. Your Committee also finds that the provisions relating to alien agricultural workers will more closely comply with federal law under the Federal Unemployment Tax Act. Federal law already exempts employers from paying federal unemployment taxes for temporary alien agricultural laborers. Furthermore, the exemption will increase the ability of Hawaii's local farmers to import foreign labor during this period of extremely low unemployment.

Your Committee has amended this measure by making technical nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1379, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1379, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1550 Judiciary and Labor on H.B. No. 1306

The purpose of this measure is to authorize enhanced civil and administrative penalties for securities violations, when the violations are directed toward, target, or are committed against seniors who are sixty-two years of age or older.

This measure authorizes civil and administrative penalties of up to \$50,000 for each violation.

Your Committee received testimony from the Attorney General's Office, the Commissioner of Securities of the Department of Commerce and Consumer Affairs and AARP Hawaii in support of the bill. There was no opposition to the bill.

Your Committee finds that investment fraud against seniors is a growing concern in Hawaii. A recent statewide survey done by AARP Hawaii demonstrated the problem. This measure will allow the State to be proactive in deterring investment fraud against seniors.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1306, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1551 Judiciary and Labor on H.B. No. 1256

The purpose of this measure is to clarify that the notice of an appeal to the Tax Appeal Court must be served on the Director of Taxation, and when the appeal is from a Board of Review or an equivalent county administrative body, also on the county administrator of real property assessments to properly confer jurisdiction over the appeal.

Testimony in support of this measure was received from the Department of the State Attorney General, Department of Taxation, and City and County of Honolulu Department of Budget and Fiscal Services.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1256, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Nishihara).

SCRep. 1552 Judiciary and Labor on H.B. No. 528

The purpose of this measure is to allow a person at least fourteen years of age but less than eighteen years of age who is not under the care, supervision, or control of a parent, custodian, or legal guardian to consent to primary medical care and services.

Your Committee received testimony in support of this measure from the Hawaii Family Forum, Hawaii Youth Services Network, Hawaii's Primary Care Association, Hale Kipa, Kaiser Permanente, Na Keiki Law Center, the National Association of Social Workers, Hawaii Chapter, Partners in Care, Volunteer Legal Services Hawaii, and the Waikiki Health Center.

Your Committee finds that without a parent or guardian's consent, health care providers are reluctant or unable to provide basic medical care to youth who are living independently, including runaways and Pacific Island minors who have moved to Hawaii on their own. By relieving medical providers of liability for basic medical care rendered to these vulnerable children, this measure will improve access to needed services.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 528, H.D. 2, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1553 Judiciary and Labor on H.B. No. 1260

The purpose of this measure is to restore the statutory provision allowing pre-sentence mental and medical examinations of defendants for the purposes of sentencing.

Your Committee received testimony in support of the bill from the Attorney General's Office and from the Honolulu Prosecutor's Office.

In 2005, the statutory provision was inadvertently repealed as part of the revisions to section 706-603 of the Hawaii Revised Statutes. This bill restores that provision and allows for the pre-sentence mental or medical examination of defendants as part of the Judiciary pre-sentence investigation process.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1260, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1554 Judiciary and Labor on H.B. No. 1399

The purpose of this measure is to clarify that inmates who participate in work, education, and vocational training programs are exempt from statutory employee benefits.

Your Committee received testimony in support of the bill from the Department of Public Safety and from the Department of Labor and Industrial Relations.

Your Committee finds that the Federal Unemployment Tax Act already exempts inmates from statutory employee benefits but the state law does not explicitly provide for a similar exemption. Your Committee further finds that if inmates are considered employees of the State, the cost of unemployment insurance and other benefits could force the closure of important rehabilitative programs.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1399, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1555 Ways and Means on H.B. No. 581

The purpose of this measure is to authorize the issuance of special purpose revenue bonds to assist Hanalani Schools.

Your Committee received comments in support of this measure from the Hawaii Association of Independent Schools and Hanalani Schools.

Your Committee finds that the activities and facilities of Hanalani Schools constitute a project as defined in part VIII, chapter 39A, Hawaii Revised Statutes, and the financing thereof is assistance to a not-for-profit private nonsectarian or sectarian elementary school, secondary school, college, or university serving the general public.

Your Committee further finds that the special revenue bonds will assist Hanalani Schools to finance the renovation and upgrading of current facilities, finance the construction of three new facilities, and assist the schools with consolidation of current loans.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 581, H.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1556 (Majority) Ways and Means on H.B. No. 436

The purpose of this measure is to require coverage for the Department of Human Services to provide chiropractic care under Med-QUEST and Medicaid.

Additionally, this measure appropriates an unspecified sum for the Department of Human Services to provide chiropractic services.

Seven concerned chiropractors and ninety-eight concerned individuals submitted comments in support of this measure. The Department of Human Services submitted comments on this measure.

Your Committee finds that Med-QUEST and Medicaid recipients would benefit from chiropractic care to the same extent as those who have private insurance coverage for chiropractic services. Your Committee further finds that long-term health care costs may be reduced by providing chiropractic coverage that will help improve overall health and prevent costly disabling conditions.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 436, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, 1 (Hemmings). Excused, 1 (Menor).

SCRep. 1557 Judiciary and Labor on H.B. No. 1336

The purpose of this measure is to provide additional sanctions for violations by mortgage brokers and solicitors against elders.

Your Committee received testimony in support of the bill from the Department of Commerce and Consumer Affairs. There was no testimony in opposition.

Your Committee finds that complaints against mortgage brokers have arisen concerning conduct harmful to elderly consumers and is concerned that such conduct, if undeterred, will increase. It has been reported that reverse mortgages have been offered when not appropriate by unlicensed mortgage brokers with the assistance of a mortgage broker. The bill would provide for monetary sanctions in an amount not to exceed \$10,000 for each violation in addition to any other fine or penalty.

Your Committee amended the bill by adding a savings clause which is appropriate to preserve rights, remedies, or privileges of pending proceedings.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1336, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1336, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1558 Judiciary and Labor on H.B. No. 1721

The purpose of this measure is to establish a criminal offense of:

- (1) Assault in the second degree if the person intentionally and knowingly causes bodily injury to any emergency medical services personnel who is engaged in the performance of duty; and
- (2) Terroristic threatening in the first degree if the person commits terroristic threatening against any emergency medical services personnel.

Your Committee received testimony in support of the bill from the Attorney General's Office, the Healthcare Association of Hawaii, and thirteen individuals.

Your Committee finds that because of the volatile situations to which they respond, emergency services personnel need to be protected from the violence against them.

Your Committee amended the bill by making technical non-substantive changes and by conforming the two statutory provisions on crimes against emergency medical services personnel while they are performing their jobs.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1721, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1721, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1559 Ways and Means on H.B. No. 90

The purpose of this measure is to establish a framework by which the Insurance Commissioner can undertake market conduct examinations of various types of insurer marketplace practices.

Your Committee received comments in support of the measure from the Insurance Division.

Your Committee finds that this measure adopts the National Conference of Insurance Legislators Market Conduct Surveillance Model in order to enhance the monitoring of the insurance marketplace, protect policyholders, and ensure compliance with the insurance code and other applicable regulations.

Your Committee has amended this measure by:

- (1) Making technical changes to the provisions on confidentiality requirements and data calls; and
- (2) Changing the source of appropriations from general funds to the compliance resolution fund.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 90, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 90, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (Chun Oakland, Menor).

SCRep. 1560 (Majority) Ways and Means on H.B. No. 667

The purpose of this measure is to provide funding for the purchase of a real property interest in the Kukui Gardens affordable rental project.

Specifically the measure provides for a general fund appropriation and authorizes the issuance of general obligation bonds and appropriates the proceeds from the sale of the bonds for such purchase.

Your Committee received comments in support of this measure from the Hawaii Housing Finance and Development Corporation, the Hawaii Family Forum, the Kukui Gardens Association, Faith Action for Community Equity, a member of the Honolulu City Council, and one individual. Housing Hawaii offered comments.

Your Committee shares the concern regarding the possible loss of the Kukui Gardens affordable rental housing complex to a private developer who could develop market-priced units on the property to the extreme detriment of the present tenants of the complex. There is a great need to maintain affordable rental housing opportunities wherever they may exist, particularly in urban Honolulu.

Your Committee has amended this measure by:

- (1) Increasing the bonding capacity of the Hawaii Housing Finance and Development Corporation from \$300,000,000 to \$400,000,000;
- (2) Allowing the Hawaii Housing Finance and Development Corporation to contract with a private nonprofit management and development entity to manage the Kukui Gardens facilities and to develop additional rental units on the site; and
- (3) Making technical nonsubstantive changes for purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 667, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 667, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, 1 (Hemmings). Excused, 2 (Chun Oakland, Menor).

SCRep. 1561 Ways and Means on H.B. No. 1630

The purpose of this measure is to appropriate funds through the Hawaii 3Ts School Technology Laboratories Fund for the project EAST program to prepare students for high technology jobs.

Your Committee received comments in support of this measure from the Department of Business, Economic Development and Tourism, the Attorney General, the Hawaii State Teachers Association, 3D Innovations LLC, Global Brain Inc., NovaSol, and two concerned citizens.

Your Committee finds that project EAST (environmental and spatial technology) assists Hawaii's students by helping them develop important critical thinking, problem-solving, and analytical skills that are necessary in high technology-based jobs. Project EAST prepares students by providing a comprehensive project-based and student-centered learning program where students are responsible for their own learning.

Your Committee has amended the measure by:

- (1) Clarifying that matching funds are provided pursuant to section 302A-1314(p), relating to the Hawaii 3Ts School Technology Laboratories Fund;

- (2) Clarifying language with respect to allowing the administration of the funds to be implemented in partnership with county economic development boards, as appropriate;
- (3) Adding fiscal year 2008-2009 to the appropriation; and
- (4) Making technical amendments for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1630, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1630, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (Kim, Whalen).

SCRep. 1562 Ways and Means on H.B. No. 325

The purpose of this measure is to expand coverage under the State's medicaid and QUEST programs to include comprehensive dental care for adults and appropriate funds to provide the additional coverage.

Furthermore, this measure appropriates funds for hospital dentistry for the developmentally disabled in the county of Hawaii. This measure also establishes a task force under the Department of Human Services to assist in developing ways to recruit and retain dental care practitioners to provide the expanded coverage under the State's medicaid and QUEST programs.

Your Committee received comments in support of the measure from the State Council on Developmental Disabilities, the Disability and Communication Access Board, the Hawaii Primary Care Association, the Institute on Disability Culture, Full Life, the Mobile Care Health Project, Ho'ola Lahui Hawaii, the Hawaii Island Dental Task Force, a case manager with the Department of Health, and several concerned citizens. Comments were received from the Department of Human Services.

Your Committee finds that dental care has been identified as one of the major health concerns for people with developmental disabilities. They have faced great challenges in accessing dental care services in an appropriate and timely manner. Clearly, it is vital to the health of participants who are medicaid and QUEST eligible that comprehensive dental care services become available.

Your Committee has amended this measure by changing the appropriation for hospital dentistry in the county of Hawaii into a pilot program with appropriations, to take place in the county of Hawaii. Under the program, the Department of Health is required to gather information on hospital dentistry for the developmentally disabled community in the county of Hawaii in order to determine usage, feasibility, and costs issues for application on a statewide basis. The Department is then required to submit a report to the Legislature. Your Committee also made technical nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 325, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 325, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1563 Ways and Means on H.B. No. 962

The purpose of this measure is to increase the availability of medical care to patients with chronic kidney disease in rural areas of the State.

Specifically, this measure appropriates moneys as a grant under chapter 42F, Hawaii Revised Statutes, to the St. Francis Healthcare Foundation to support the modified home care and community health demonstration project. This project is intended to provide a comprehensive approach to treatment, including dialysis, for patients suffering from chronic kidney disease and end stage renal disease.

Your Committee received comments in support of this measure from the National Kidney Foundation, the St. Francis Healthcare Systems of Hawaii, and the Hawaii Healthcare Association of Hawaii. The Office of Hawaiian Affairs submitted comments on this measure.

Your Committee finds that Hawaii residents are diagnosed with chronic kidney disease at a rate higher than the national average. Kidney failure and kidney disease are even more prevalent in native Hawaiian populations and in rural areas of the State. Your Committee finds that this measure will enable residents of rural areas of the State to have easier access to preventative health care and dialysis treatment. A comprehensive strategy of prevention, detection, treatment, and education will greatly improve the health and quality of life for those with chronic kidney disease.

Your Committee has amended this measure by:

- (1) Removing the second phase of the demonstration project relating to home assistance for those who have available space in their homes for dialysis equipment; and
- (2) Appropriating an unspecified sum, to be expended by the Department of Health, in fiscal year 2007-2008 and fiscal year 2008-2009 to support the modified home care and community health demonstration project, provided that no funds shall be expended unless matched dollar for dollar by the office of Hawaiian affairs, federal funds, private funds, or a combination; and
- (3) Changing the effective date to July 1, 2010 to facilitate further discussion on this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 962, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 962, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Whalen).

SCRep. 1564 Ways and Means on H.B. No. 843

The purpose of this measure is to enable Kahuku Hospital to remain in operation and continue to serve the residents and visitors of the north shore of Oahu.

Specifically, this measure authorizes the Hawaii Health Systems Corporation to acquire Kahuku Hospital and appropriates funds for this purpose. This acquisition will enable the hospital to remain in operation and retain its certificate of need and critical access hospital designation. This measure requires the Director of Health to act as honest broker to facilitate the acquisition.

Your Committee received comments in support of this measure from the Department of Health, the Healthcare Association of Hawaii, and eight individuals. The State Procurement Office commented in opposition. The Office of Information Practices offered comments.

Your Committee finds that Kahuku Hospital is the only medical facility offering emergency services to the north shore community and that, therefore, it is critical to keep the hospital operating to serve the residents and visitors of the north shore of Oahu.

Upon further consideration, your Committee has amended this measure by:

- (1) Clarifying that the board of directors, if any, of Kahuku Hospital is exempt from only part I of chapter 92, Hawaii Revised Statutes, relating to public meetings; and
- (2) Adding a provision to exempt the acquisition of Kahuku Hospital from part VII of chapter 323D, Hawaii Revised Statutes, relating to hospital acquisition.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 843, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 843, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1565 Ways and Means on H.B. No. 211

The purpose of this measure is to extend the lapse date of the Department of Budget and Finance's authority to issue special purpose revenue bonds to assist the Queen's Health Systems in Act 176, Session Laws of Hawaii, 2003, from June 30, 2008, to June 30, 2013.

The Healthcare Association of Hawaii and the Queen's Medical Center submitted comments in support of this bill.

Your Committee has amended this bill by changing the effective date of this measure to June 29, 2008, to avoid the lapsing of the authorization to issue special purpose revenue bonds.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 211, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 211, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1566 Ways and Means on H.B. No. 277

The purpose of this measure is to clarify procedures for the issuance of windshield placards for persons with disabilities and for the State's reimbursement to counties.

The bill accomplishes this by requiring the issuing counties to deposit all fees collected for issuing new or replacement placards into the state general fund.

The Disability and Communication Access Board submitted comments in support of the bill.

Your Committee finds that this measure will clarify and streamline the collection of fees and the reimbursement to counties by reducing paperwork and eliminating a county's possible collection of duplicate fees for the same placard: once in fees collected from a license applicant and again in reimbursement from the State.

Your Committee amended the bill by changing the effective date from July 1, 2007, to upon approval.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 277, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 277, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, 4 (Kim, Menor, Tokuda, Whalen).

SCRep. 1567 Ways and Means on H.B. No. 751

The purpose of this measure is to attach further conditions to the Department of Labor and Industrial Relations' expenditure of the appropriation made from the unemployment trust fund for fiscal year 2006-2007 by Act 190, Session Laws of Hawaii 2006.

Specifically, this measure attaches a proviso that prohibits not more than a specified percentage of the subappropriations to be used for administrative purposes and provides that the moneys appropriated lapse on June 30, 2009.

Your Committee received comments on the measure from the Department of Labor and Industrial Relations and the Workforce Development Council.

Your Committee finds that passage of this measure is critical. Severe cuts in federal funding has hampered ongoing operations of the workforce investment boards and the workforce development council, such that an infusion of federal Reed Act funds will permit the workforce investment boards and the workforce development council to initiate activities that will benefit both Hawaii's employers and employees.

Your Committee has amended this measure by recasting the proviso for administrative purposes from a specified percentage of the subappropriations to a specified sum and by accordingly reducing the amounts of the subappropriations. The total appropriation is unchanged.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 751, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 751, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Whalen).

SCRep. 1568 Ways and Means on H.B. No. 600

The purpose of this measure is to require the Judiciary to implement and administer an interpreter certification program and to appoint and use certified interpreters for legal proceedings.

Your Committee received comments in support of the measure from the Judiciary and the Disability and Communication Access Board.

Your Committee finds that Hawaii is one of only three states that has not yet implemented a certified court interpreter program for the deaf, the hard-of-hearing, and the limited-English proficient. Currently, anyone can register as a court interpreter and there are no standards or minimum requirements established by statute or rule. Hawaii has a diverse population and many residents are not native English speakers or are deaf or hard-of-hearing. Consequently, there is great need for competent interpretation services, particularly where legal proceedings are concerned.

Your Committee has amended this measure by making technical nonsubstantive changes for purposes of style, clarity, and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 600, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 600, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, 4 (Kim, Menor, Tokuda, Whalen).

SCRep. 1569 (Majority) Ways and Means on H.B. No. 1133

The purpose of this measure is to permit voter registration for eligible residents at polling places on election day.

The Office of Elections submitted comments in support of the measure. The Office of the County Clerk, Elections Division, for the County of Hawaii and the County of Kauai, respectively, submitted comments.

Your Committee recognizes that voter turnout in Hawaii has been low in recent years and that a number of other states currently provide for voter registration of qualified individuals on election day. Your Committee believes that by authorizing last-minute voter registration on election day for individuals who can prove residency, this measure will increase voter participation.

Your Committee has amended the bill by including the use of a valid military identification card as an acceptable proof of identity.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1133, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1133, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Ayes with Reservations, 1 (Whalen). Noes, 1 (Hemmings). Excused, 1 (Menor).

SCRep. 1570 Ways and Means on H.B. No. 162

The purpose of this measure is to transfer the family support divisions of the City and County of Honolulu and the County of Hawaii, whose functions, duties, responsibilities, and activities relate to child support enforcement, to the Department of the Attorney General, effective October 1, 2007.

This measure also requires the Child Support Enforcement Agency to impose an annual fee where no public assistance had been paid to the custodial parent and collection for the case exceeds \$500.

Your Committee received comments in support of this measure from the Department of the Attorney General, the Corporation Counsel of the County of Hawaii, the Corporation Counsel of the City and County of Honolulu, and the Hawaii Government Employees Association, AFSCME Local 152.

Upon further consideration, your Committee has made various technical amendments to ensure that the rights and benefits of those officers and employees being transferred are fully protected so as to cause a minimum of disruption and stress due to the transfer.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 162, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 162, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1571 Ways and Means on H.B. No. 1211

The purpose of this measure is to increase fees for court-appointed counsel and guardians ad litem who represent the best interests of children and other persons in Family Court civil cases.

Specifically, the measure:

- (1) Increases fees for legal services from \$40 to \$90 per hour;
- (2) Sets fees for non-legal services at \$60 per hour; and
- (3) Raises the maximum allowable fees for designated Family Court proceedings.

The Family Court of the First Circuit of the Judiciary submitted comments in support of this measure.

Your Committee finds that guardians ad litem play a critical role during child protective proceedings and that legal counsel provide valuable services for indigent parents who are at risk of losing their child or children. This measure will help attract and retain guardians ad litem and attorneys who do complex and difficult work on behalf of families.

Your Committee has amended this measure by:

- (1) Inserting language that requires the Judiciary to submit fee-related information to the Department of Budget and Finance for the Department to process fees;
- (2) Adding an unspecified appropriation to be expended by the Department of Budget and Finance; and
- (3) Changing the effective date of the measure to July 1, 2008, to allow time for the respective agencies to prepare for implementation of the new fees.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1211, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1211, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1572 Ways and Means on H.B. No. 1291

The purpose of this measure is to make a variety of housekeeping changes to the law relating to the Employees' Retirement System.

Specifically, these changes include interest on erroneous deductions, salaries of system officers, membership service of specified persons, a return to service, reductions in service retirement for age, post retirement allowances, actuary recommendations, vested benefit status, retirant return to service, designation of beneficiary following upon a retirant return to service, beneficiary's death prior to the retirant, election of retirement allowance option, and ordinary disability retirement allowance. Other changes involve corrections to statutory references.

Your Committee received comments in support of the measure from the Employees' Retirement System.

Your Committee finds that this measure will clarify and conform the law to current practices.

Your Committee has amended this measure by making a correction to a statutory reference.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1291, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1291, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1573 Ways and Means on H.B. No. 1567

The purpose of this measure is to appropriate funds for salary increases and other cost adjustments for officers and employees of the legislative service agencies who are excluded from collective bargaining.

Your Committee received comments in support of this measure from the Office of the Ombudsman, the Legislative Reference Bureau, and the Office of the Auditor.

Your Committee finds that this measure will enable employees in the legislative service agencies to receive salary increases that are at least comparable to those awarded to their civil service counterparts.

Your Committee has amended this measure by adding appropriations to fund the Hawaii employer-union health benefits trust fund costs. Your Committee has also amended this measure by specifying a \$1 appropriation for each of the agencies listed in the measure in order to facilitate further discussion of the matter.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1567, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1567, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1574 Ways and Means on H.B. No. 1572

The purpose of this measure is to appropriate funds to pay for collective bargaining cost items, salary increases, and cost adjustments for employees in collective bargaining unit (1) and their excluded counterparts.

Your Committee received comments in support of the measure from the Judiciary. Comments were received from the Office of Collective Bargaining.

Your Committee finds that negotiations between the State and the exclusive representative of collective bargaining unit (1) are currently in progress. Accordingly, this measure must be kept alive as a vehicle for making the necessary appropriations.

Your Committee has amended this measure by:

- (1) Appropriating funds for the Hawaii employer-union health benefits trust fund costs;
- (2) Specifying a figure of \$1 for each item of appropriation; and
- (3) Making technical nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1572, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1572, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1575 Ways and Means on H.B. No. 1568

The purpose of this measure is to appropriate funds to pay for collective bargaining cost items, salary increases, and cost adjustments for employees in collective bargaining unit (5) and their excluded counterparts.

Your Committee received comments from the Office of Collective Bargaining.

Your Committee finds that negotiations between the State and the exclusive representative of collective bargaining unit (5) are currently in progress. Accordingly, this measure must be kept alive as a vehicle for making the necessary appropriations.

Your Committee has amended this measure by:

- (1) Appropriating funds for the Hawaii employer-union health benefits trust fund costs;
- (2) Specifying a figure of \$1 for each item of appropriation; and
- (3) Making technical nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1568, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1568, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1576 Ways and Means on H.B. No. 1899

The purpose of this measure is to expedite the transfer of Kawai Nui marsh from the City and County of Honolulu to the State, thereby granting the State the primary responsibility for the economic, ecological, and cultural resources of Kawai Nui marsh.

Your Committee received comments in support of this measure from the Department of Land and Natural Resources, the University of Hawaii at Manoa, Environmental Center, the Windward Ahupua'a Alliance, the Pacific Fisheries Coalition, and the Hawaii Audubon Society. The City and County of Honolulu, 'Ahahui Malama I Ka Lokahi, and two individuals submitted comments on this measure.

Your Committee finds that presently the City and County of Honolulu manages the Kawai Nui marsh and the levee system that was constructed by the United States Department of the Army Corps of Engineers Kawai Nui Marsh Flood Control Project, based upon a Local Cooperation Agreement between the city and the United States Army Corps of Engineers. Act 314, Session Laws of Hawaii 1990, directed the transfer of the bulk of Kawai Nui marsh owned by the City and County of Honolulu to the State. However, ongoing disputes relative to the respective management responsibilities and liability issues between the parties have delayed this transfer. In the meantime, the rehabilitation and restoration of Kawai Nui marsh has been delayed, critically impairing the native wildlife in the marsh and the marsh's own ability to care for itself.

In an attempt to resolve the differences between the City and County of Honolulu and the State, your Committee has amended this measure by providing that, while the State will take over the management of the marsh, the State shall not be required to become a party to the Local Cooperation Agreement or enter into a separate agreement with the United States Department of the Army to assume ownership of the levee system. Your Committee has further amended this measure by making the appropriations unspecified to allow further discussion on this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1899, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1899, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1577 Ways and Means on H.B. No. 260

The purpose of this measure is to establish procedures for the appraisal of land having value as a resource to the State prior to the acquisition of the land by the State.

Specifically, this measure allows the Board of Land and Natural Resources to:

- (1) Accept an existing appraisal prepared on behalf of a nonprofit organization if:
 - (A) The appraisal was completed within one year before the decision of the Board of Land and Natural Resources to approve the acquisition of the land; and
 - (B) The Board of Land and Natural Resources finds that the appraisal was performed according to accepted professional standards for land appraisal; or
- (2) Contract for not more than three independent appraisals,

and submit the appraisals to the Attorney General for review and approval prior to any acquisition.

Your Committee received comments in support of this measure from The Nature Conservancy, Hawaii Program. The Department of Land and Natural Resources submitted comments in support, but with recommended amendments to this measure.

Your Committee finds that this measure will provide necessary assurances that any lands that the State acquires as lands having value as a resource to the State are acquired at a fair market value or less.

Your Committee has amended this measure by providing that no appraisal shall be required for the acquisition of any interest in land having value as a resource to the State if that interest in land is being donated to the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 260, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 260, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1578 Ways and Means on H.B. No. 402

The purpose of this measure is to broaden the use of the land conservation fund to include payments of debt service relating to the acquisition of interests or rights in land having value as a resource to the State.

The measure also broadens the definition of "conservation easement" to include easements that preserve and protect land for agricultural use.

Your Committee received comments in support of this measure from the Department of Agriculture. The Department of Land and Natural Resources submitted comments on this measure.

Your Committee finds that this measure will provide the Department of Land and Natural Resources with greater flexibility in administering the land conservation fund to provide proper stewardship of state lands.

Your Committee has amended the measure by adopting the recommendation of the Department of Land and Natural Resources to restrict the proposed amendment regarding the payment of any debt service to debt service "on state financial instruments".

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 402, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 402, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1579 (Majority) Judiciary and Labor on H.B. No. 248

The purpose of this measure is to repeal the ten round capacity limit on detachable ammunition magazines designed for or capable of use with a pistol and to allow pistol owners to use any ammunition magazine authorized by its manufacturer for use with the pistol.

Your Committee received testimony in support of the bill from the Hawaii Historic Arms Association, Lessons in Firearms Education, the Hawaii Rifle Association, and thirty four individuals. Your Committee received testimony in opposition to the bill from the Attorney General's Office, the Honolulu Police Department, and the County of Hawaii Police Department.

Your Committee amended the bill by limiting the magazine capacity to fifteen rounds and changing the effective date from January 1, 2112, to upon approval.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 248, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 248, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, 1 (Inouye). Excused, 1 (Kokubun).

SCRep. 1580 Judiciary and Labor on H.B. No. 1836

The purpose of this measure is to continue to deter gambling by clarifying that the purchase of a sweepstakes entry that also provides a nominal, non-gambling value is a form of gambling activity, even if no valuable consideration is required to obtain a sweepstakes entry.

Your Committee notes that the substance of this measure as introduced tracked the language of S.B. No. 22, A Bill for an Act Relating to Gambling.

Your Committee received testimony in support of this measure from the City and County Liquor Commission, Advocates For Consumer Rights, the Church of Jesus Christ of Latter-Day Saints, the Hawaii Coalition Against Legalized Gambling (HCALG), the League of Women Voters liaison to the HCALG, a board member of the HCALG who is the Executive Director of the Woman's board of Missions for the Pacific Islands, the Hawaii Family Forum, the Roman Catholic Church in the State of Hawaii, and several concerned individuals. K-P Amusements, LLC and the Vending Owners of Hawaii submitted testimony in opposition to this measure.

This measure addresses community concern about vending machines located in bars, lounges, and other retail establishments that dispense sweepstakes cards that, in return for a small fee, provide an opportunity to win various amounts of money along with an item of low value, such as a telephone calling card. Some view the telephone phone card sweepstakes machines as a thinly disguised form of gambling.

Testimony in opposition to this measure observed that the "no purchase necessary" or "free play" feature of consumer product sweepstakes keeps those games from being considered a form of gambling. Your Committee does not intend to eliminate the "free play" defense to gambling as applied to product sweepstakes games. Your Committee intends to eliminate the "free play" defense for the vending machines presently in bars, restaurants and retail establishments that have given rise to growing community concern.

Your Committee has amended this measure by:

- (1) Limiting the application of its free play defense provisions to devices into which a consumer inserts money and the device provides a sweepstakes ticket or card that, by reason of chance, may entitle the consumer to a money prize;
- (2) Revising the phrase "if the item is offered at a price that is disproportionate to the value of the item" by changing "disproportionate to" to "disproportionately high compared to";
- (3) Changing the effective date from "on July 1, 2112" to "upon its approval"; and
- (4) Making other technical, non-substantive changes for clarity and style.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1836, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1836, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1581 Judiciary and Labor on H.B. No. 1210

The purpose of this measure is to streamline and afford greater flexibility to the courts to determine the most efficient and effective procedures for selecting, qualifying, summoning, managing, and compensating prospective jurors.

Your Committee finds that the current procedures for the summoning, selection, and management of prospective jurors and jurors are uncompromising. The Judiciary, with its information management system, has the opportunity to streamline this process, reduce costs, establish more efficient practices, and provide a more user-friendly experience for those summoned and selected for jury service.

This bill allows for the electronic methods for selecting, summoning, and managing grand jurors and jurors. It also provides for flexibility to determine the most effective and efficient process for selecting, summoning, and managing jurors. It also revises existing terms and language for clarity and consistency, deletes certain provisions that are no longer applicable, and amends statutory provisions for consistency with the language in the Americans with Disabilities Act.

Your Committee received testimony from the Judiciary in support of the bill. There was no testimony against the bill.

Your Committee amended the measure by changing the effective date from January 1, 2112 to effective upon approval.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1210, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1210, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1582 Judiciary and Labor on H.B. No. 154

The purpose of this measure is to redefine highly intoxicated driver, establish evidence and sentencing parameters, and establish administrative revocation periods for highly intoxicated drivers.

Your Committee received testimony in support of the bill from the State Department of Transportation, the Honolulu Prosecuting Attorney's Office, Mothers Against Drunk Driving, and the Century Council.

Your Committee amended the bill by making a technical non-substantive change and by changing the effective date from July 1, 2112 to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 154, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 154, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Nishihara).

SCRep. 1583 Judiciary and Labor on H.B. No. 855

The purpose of this bill is to prevent the termination of temporary total disability benefits (benefits) in the event of a dispute, until the Director of Labor and Industrial Relations (Director) makes a decision to terminate the benefits.

Among other things, this bill:

- (1) Clarifies that benefits shall be terminated only upon order of the Director, or if the employee's treating physician determines that the employee is able to resume work and a bona fide offer of work within the employee's medical restriction has been made by the employer;
- (2) Removes the condition that the injured employee is able to resume work in cases where the employer believes that benefits should be terminated and notifies the employee and the Director of the intent to terminate benefits; and
- (3) Allows employers to request credits for the amount of benefits paid by the employer after the date which the Director had determined should have been the last date of payment.

The Hawaii Government Employees Association (HGEA), Hawaii State AFL-CIO, ILWU Local 142, the Hawaii Teamsters and Allied Workers Local 996, Case Management Works Hawaii, and numerous chiropractors testified in support of this measure. The Hawaii State Chiropractic Association testified in support of this measure with an amendment. The Department of Labor and Industrial Relations supported the intent of this bill with recommendations for amendments.

The Department of Human Resources Development, The Chamber of Commerce of Hawaii, Hawaii Insurers Council, National Federation of Independent Businesses (NFIB), County of Hawaii's Department of Human Resources, the Chamber of Commerce of Hawaii, the Retail Merchants of Hawaii (RMH), Property Casualty Insurers Association of America, and the Hawaii Chapter, Society of Human Resource Management (SHRM) testified in opposition to this measure.

Your Committee has amended the bill by including language offered by the Hawaii State Chiropractic Association. The amendment allows the insurer to recover payments from treatment rendered after the date that the employer and employee are notified of the Director's decision.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 855, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 855, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1584 Ways and Means on H.B. No. 30

The purpose of this bill is to protect Hawaii's interests in international trade agreements.

The bill accomplishes this by:

- (1) Requiring legislative consent prior to binding the State to an international trade agreement;

- (2) Creating legislative points of contact to serve as liaisons between the Legislature, the Governor, and the federal government on trade-related matters;
- (3) Establishing the Office of Trade Enforcement to monitor, analyze, and assess trade; and
- (4) Establishing the Citizens' Commission on Globalization to make policy recommendations on trade issues to state and federal agencies.

Comments in support of this measure were submitted by the Hawaii Government Employees Association, ILWU Local 142, and Public Citizen. The Attorney General and the Hawaii State AFL-CIO submitted comments on this measure.

Your Committee finds that the State has an interest in ensuring that provisions of international trade agreements are fair and do not harm various sections, groups, and industries within the State. However, your Committee finds that the scope of this bill is too broad to adequately protect the interests of Hawaii. Your Committee feels that it is more appropriate for the Legislature to address issues of procurement as they appear in international trade agreements. Procurement involves the expenditure of state tax dollars, and the federal government has traditionally refrained from binding states to the procurement provisions of international trade agreements without first giving the states' governors the choice to voluntarily bind the state to those provisions.

Accordingly, your Committee has amended this measure by:

- (1) Deleting section 1 of the bill which creates a new chapter of the Hawaii Revised Statutes entitled the "Jobs, Trade, and Democracy Act," and inserting provisions found in S.B. No. 1039 that relate to legislative approval of international trade agreements;
- (2) Requiring legislative consent prior to binding the State to international trade agreements with regard to those provisions in the agreements that relate to state procurement and preferences;
- (3) Allowing for special sessions of the legislature to consider approval for trade agreements that arise during the interim; and
- (4) Specifying that this measure shall not affect the binding nature of any international trade agreement on the State that the Governor has agreed to prior to the effective date of this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 30, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 30, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 10. Ayes with Reservations, 1 (Whalen). Noes, none. Excused, 1 (Tokuda).

SCRep. 1585 Ways and Means on H.B. No. 1171

The purpose of this measure is to exempt positions or contracts for personal services with private persons or entities lasting up to one year from civil service laws.

Your Committee received comments in support of the measure from the Mayor of the County of Hawaii, the Finance Department of the County of Hawaii, the Director of Human Resources for the County of Hawaii, the Police Department of the County of Hawaii, the Office of the Mayor of the County of Maui, the Maui County Council, the Department of Finance of the County of Maui, the Office of the Kauai County Attorney, the Hawaii Government Employees Association AFSCME Local 152, AFL-CIO, the United Public Workers AFSCME, Local 646, AFL-CIO, the Arc of Kona, and the Arc of Hilo. Your Committee received comments from the Judiciary, the Department of Human Resources Development, the Department of Human Resources of the City and County of Honolulu, and the Department of Personnel Services of the County of Maui.

Your Committee finds that personal services positions and contracts enable the counties to fulfill necessary duties and services to the public. This measure makes permanent the exemption of certain personal services positions and contracts with private persons or entities from civil service laws and thus enables counties to meet the needs of the public in a timely and efficient manner.

Your Committee amended the measure by changing the effective date to July 1, 2050, to facilitate further discussion.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1171, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1171, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1586 Ways and Means on H.B. No. 500

The purpose of this bill is to appropriate funds for the operating and capital improvement costs of the Executive Branch for the fiscal biennium from July 1, 2007, through June 30, 2009.

GENERAL OVERVIEW

Hawai'i has many legitimate, yet competing, interests vying for state resources. Your Committee has labored long and hard to craft a budget that reflects our shared goals, principles, and priorities.

GOALS

Your Committee has laid the groundwork for the creation of a sustainable Hawai'i, with strong families and communities, a healthy economy and environment, and a literate and competent workforce able to compete in the global marketplace.

PRINCIPLES AND PRIORITIES

- (1) *Strengthen our families and communities.* Reinforced by state budgetary policy, we must encourage and help Hawaii's people build their assets and make it easier for family members to care for each other. We must also assist those residents most in need of secure adequate shelter to rent or buy housing in Hawaii.

- (2) *Sustain a healthy and diversified economy.* Support for public education (both higher and lower), workforce development, and related initiatives that help grow the technology sector will enable Hawai'i and its people to successfully compete in the global economy. At the same time, we must keep our traditional (agriculture) and current (tourism) economic foundations strong.
- (3) *Shape a Hawai'i that is a great place to visit because it is a great place to live.* Hawai'i's tourism, development, and resource protection policies must ensure that these islands continue to be a great place to *live*.
- (4) *Promote a fiscally prudent, transparent, and sustainable state government.* Hawai'i's strong economic growth of the past several years has begun to cool off. Caution should be exercised when obligating the State to pay for new programs and positions (with their recurring costs) that are not absolutely essential. Government policies and procedures should promote openness, accountability, and transparency, and the budget is the fundamental policy document through which we accomplish these objectives.

STATE OF THE ECONOMY

HAWAII'S ECONOMY IS SLOWING

After several years of strong economic growth – peaking with double-digit growth rates in fiscal year 2005 (16 per cent) and 2006 (10.9 per cent) – Hawai'i's economy slowed sharply in 2006. In January 2007, a distinguished local economist commented that, after subsiding for nearly two years because of rising consumer price inflation, real personal income growth in Hawai'i was around zero in mid-2006. The economist further noted that recent personal income growth rates should increasingly translate back towards the two per cent real growth that he believes is a sustainable path for Hawai'i through the remainder of the decade.

In addition, the University of Hawaii Economic Research Organization's (UHERO) March 2, 2007, forecast also noted that “there are no warning signs on the horizon of an outright end to Hawai'i's economic expansion” and “[j]ob and income growth will slow further, but not cease, and the unemployment rate will gradually ease upward from recent record-low levels.”

COUNCIL ON REVENUES

At its March 13, 2007, meeting, the Council on Revenues decided to keep its December forecast of the general fund tax revenues for fiscal year 2007-2008 through fiscal year 2012-2013. The growth rate for the current fiscal year remains at 6.0 per cent, and 4.1 per cent for the second year of the biennium.

Essentially, the forecast of the Council on Revenues underscores the need for us to adopt a fiscally prudent, sustainable budget for the State of Hawai'i, as there are no increases in revenue being forecast.

FEDERAL RESERVE – NATIONAL ECONOMIC OUTLOOK

According to the March 28, 2007, forecast on the United States economy by Ben S. Bernanke, Chairman of the Board of Governors of the Federal Reserve, economic growth in the United States has slowed. The slowdown is attributed to a correction in the housing market, which has transitioned from the rapid expansion of previous years to a more sustainable pace.

Overall, the Federal Reserve believes that the United States economy appears likely to continue moderate expansion over the coming quarters. Real gross domestic product rose at an annual rate of about two per cent in the second half of 2006 and is presently expanding at a similar rate. The moderate expansion could change substantially, however, if the correction to the housing market is more severe than is currently anticipated, or recent weakness in business investment persists.

Finally, Mr. Bernanke noted the troubling specter of inflation. Core consumer price index inflation over the twelve months ending in February was 2.7 per cent, up from 2.1 per cent a year earlier. In addition, the price index for personal consumption expenditures – another measure of core inflation monitored closely by the Reserve – trends similarly upward. Indeed, the Federal Open Market Committee (charged with overseeing open market operations in the United States) has issued a statement that core inflation is their predominant policy concern. The uncertainty of core inflation further underscores your Committee's need to craft a budget that is fiscally prudent and sustainable.

REVENUES IN OTHER STATES

According to the National Conference of State Legislatures' *State Budget Update: November 2006*, revenue performance has improved substantially, exceeding expectations in most states. Even with strong revenue performance, however, states are beginning to see tax categories underperforming, with collections in other categories making up the difference.

BUDGET HIGHLIGHTS

STRENGTHENING OUR FAMILIES AND COMMUNITIES

Ultimately, the economy (whether “global” or local) is about people. Government's obligation is to provide a greater degree of resources to people at the community level in the most cost-effective and practical way. Your Committee focused on funding that will help build a strong foundation for Hawai'i's families and communities.

Housing and Homelessness

Your Committee believes that we can and must do a better job of providing basic shelter for those who cannot afford to buy or rent housing in Hawai'i. Your Committee recognizes the serious lack of affordable housing and the resulting increase in homelessness and has provided for, in total (excluding other appropriation measures), over \$22,000,000 in fiscal year 2007-2008 and over \$20,000,000 in fiscal year 2008-2009 to address homelessness and affordable housing. For those already homeless or in danger of becoming so, your Committee provided \$6,242,348 for fiscal year 2007-2008 and fiscal year 2008-2009 to operate homeless shelters, provide services, and where possible, intervene to prevent families from becoming homeless.

Affordable Rentals

Your Committee recognizes that the number of affordable rental units needed is approximately 3,400, with the demand over the next five years reaching 17,000 units. To further the development of affordable rental housing units, your Committee provided \$10,000,000 for each fiscal year of the biennium to be deposited into the Rental Housing Trust Fund, enabling additional gap equity low interest loans or grants to be available to

developers of affordable rental housing units. In addition, your Committee passed Senate Bill No. 1917, which provides, approximately, an additional \$15,000,000 per fiscal year for deposit in the Rental Housing Trust Fund.

Public Housing

Your Committee also provided funds for both subsidized housing and shelter for the homeless. In order to increase the availability of and safety in public housing, your Committee provided \$5,835,000 for fiscal year 2007-2008 and \$4,430,000 for fiscal year 2008-2009 for security improvements, energy efficient appliances, and faster repairs and re-rental of vacant units in public housing developments.

Hawaiian Home Lands

The mission of the Department of Hawaiian Home Lands is “[t]o manage the Hawaiian Home Lands trust effectively and to develop and deliver land to native Hawaiians” and to “partner with others towards developing self-sufficient and healthy communities.” Your Committee commends the Department for its good work and progress made in meeting the State’s commitment under the Hawaiian Homes Commission Act.

In support of the Department’s mission, your Committee provided \$16,393,455 in federal funds for fiscal year 2008 and \$9,600,545 in federal funds for fiscal year 2009 to establish the Native American Housing Assistance and Self Determination Act (NAHASDA) block grant from the United States Department of Housing and Urban Development. Your Committee also provided \$662,742 in trust funds for both years to fully fund positions within the Department, including six new temporary positions for the Home Ownership Assistance Program.

Finally, your Committee provided \$486,668 in special funds for fiscal year 2008 and \$638,336 in special funds for fiscal year 2009 for costs related to the Department’s move to its new Kapolei facility and maintenance related expenditures, as well as \$1,100,000 in special funds for fiscal year 2009 to cover debt service for the construction of the facility.

Healthy Families

Your Committee provided strong support over the next biennium to ensure and strengthen the continuum of care for individuals, families, and communities, statewide. Improving access to health care services, especially in rural areas, is an important priority for your Committee. To ensure the provision of comprehensive medical and health care services to the rural communities of Hana, Moloka’i and Waianae your Committee provided an additional \$2,800,000 for each year of the biennium.

Your Committee provided \$6,753,704 in general funds for each year of the biennium for infants and toddlers with developmental delays, ensuring that children with special health needs receive continued care coordination and early intervention services. Your Committee added five new positions and \$236,928 in general funds for the upcoming biennium to continue the preschool developmental screening for gap group participants in the Children with Special Health Needs program. Two additional permanent positions and \$87,965 in general funds for fiscal year 2007-2008 and \$112,953 in general funds for fiscal year 2008-2009 were also added by your Committee for Family Health Services Administration and Children and Youth Wellness.

Your Committee added \$1,248,750 in general funds for each year of the biennium to purchase family planning services for women’s health addressing a critical shortage of needed services.

Behavioral Health

Your Committee is dedicated to ensuring that a system of care is provided for Hawaii’s seriously mentally ill population and designated a total of \$20,000,000 in general funds over the biennium for the Adult Mental Health Division for purchase of service contracts, as well as the provision of core services in each county. An additional 36.5 temporary positions and biennium funding is provided for Community Mental Health Centers to comply with staffing requirements.

For the Child and Adolescent Mental Health Division, your Committee converted thirty-one temporary general funded positions and seventeen temporary special funded positions to permanent status to assist in recruiting and retaining qualified staff to provide mental health services to children and adolescents statewide.

Recognizing that substance abuse still plagues our communities, your Committee provided \$735,833 in general funds for fiscal year 2007-2008 and \$1,817,500 in general funds for fiscal year 2008-2009 to continue funding on-going adolescent school-based substance abuse treatment services at all public middle and intermediate schools statewide.

Persons with Developmental Disabilities

To accommodate the increasing number of individuals with developmental disabilities admitted to the Medicaid Home and Community-Based Services waiver program, your Committee provided full funding, an additional \$8,764,412 in general funds and \$8,558,196 in federal funds transferred from the Department of Human Services for fiscal year 2007-2008 and \$11,479,791 in general funds and \$12,239,470 in interdepartmental transfer funds for fiscal year 2008-2009 to meet the state matching requirements under Title XIX.

Your Committee further continued funding for agency-operated developmental disabilities domiciliary homes and apartment complexes operating with a twenty-four-hour, seven days a week staff, by providing \$1,800,000 in general funds for each year of the biennium. Your Committee believes that this additional \$600,000 general fund subsidy over the Executive Branch’s biennium request is necessary to preserve residential alternatives for the developmental disabled/mentally retarded population. A total of \$115,255 in general funds over the biennium was also added to the Developmental Disabilities Council to establish and support a statewide self-advocacy network for persons with developmental disabilities.

Your Committee, however, is concerned that the Developmental Disabilities Division has yet to implement its long awaited reorganization pending since the closure of Waimano Training School and Hospital. Such inaction is detrimental to sound policy and programming and further impedes the overall efficiency of the division. To this end, your Committee urges the Department to be more proactive in remedying these deficiencies to meet on-going challenges.

Emergency Services

Emergency medical treatment, stabilization and transport are critical to maintaining public health and safety. Your Committee provided \$2,135,777 in general funds for fiscal year 2007-2008 and \$1,809,130 in general funds for fiscal year 2008-2009 as requested by the Governor to meet increased operational requirements for various ambulance contracts on the islands of O’ahu, Hawai’i, Kaua’i, and Maui. Your Committee is

• Maui	\$411,538
• Moloka`i	\$250,475
• Leeward O`ahu and Honolulu	\$733,514
• Windward O`ahu	\$431,487
• West Hawai`i	\$322,833

Your Committee believes that the additional funding for domestic violence shelters and sex assault services is necessary to assist victims of such abuse, whether adults or children. Your Committee notes that funds for legal support services, as well as intrafamilial sex abuse and domestic violence services, are contained in the Judiciary budget.

Temporary Assistance for Needy Families (TANF)

An improved economy, successful work placement strategies, and the federal time limit for benefits have reduced the number of Hawai`i families who rely on TANF cash benefits. Under federal rules, TANF funds also may be used for programs and services to strengthen families and youth who are at risk. In an effort to maximize use of these TANF funds, your Committee worked with the Department of Human Services and your Committee on Human Services and Public Housing and provided \$4,536,713 for various purchase of service contracts that will strengthen families, teach life skills, and improve the employability of low income families throughout Hawai`i – helping to close the divide between the haves and have-nots. Your Committee expects that the Department will ensure that these services reach the families that so desperately need assistance.

SUSTAIN A VIBRANT AND DIVERSIFIED ECONOMY

Lower Education

With the proper education, Hawaii's students can actively participate in shaping the world they will live in, become the skilled workforce desired by employers, and enable Hawai`i to attract new businesses and industries that offer living wage jobs. Education is the key to creating and sustaining a healthy and diversified economy.

To assist Hawaii's children unlock their potential, your Committee continues to make public lower and higher education the top priority. Providing the necessary programs, equipment, materials, and technology for Hawaii's children will help ensure success in today's global economy. Toward this end, your Committee has reaffirmed its continued support for Hawaii's public schools by providing for the critical needs to improve student achievement, as determined by the priorities of the Board of Education and the Department of Education.

Your Committee has provided for the Department of Education's highest priority items, including a number that were rejected by the Governor after having been approved by the Board of Education. Your Committee worked closely with the Department and your Committee on Education to provide the following programs, equipment, and materials necessary to support our children:

- \$20,105,474 to continue Weighted Student Formula funding to continue funds appropriated by Act 160, Session Laws of Hawaii 2006;
- \$15,806,408 in fiscal year 2007-2008 and \$17,684,790 in fiscal year 2008-2009 for instructional equipment for schools;
- \$10,000,000 in federal funds for impact aid;
- \$8,748,056 in fiscal year 2007-2008 and \$7,270,623 in fiscal year 2008-2009 to meet requirements of No Child Left Behind and for English for Second Language Learners proficiency testing;
- \$4,287,401 for special education teachers and educational assistants for current Individualized Education Plan requirements;
- \$2,375,934 in fiscal year 2007-2008 and \$2,310,467 in fiscal year 2008-2009 for instructional equipment and furnishings for schools;
- \$1,200,000 for the Early Education Task Force for schools;
- \$1,162,565 in fiscal year 2007-2008 and \$1,521,007 in fiscal year 2008-2009 for energy efficiency projects for public libraries;
- \$1,100,000 to continue the Superintendent's fund to support the Weighted Student Formula funding;
- \$1,000,000 for books and library materials for public libraries;
- \$800,000 for the continuation of funding for substitute teacher compensation;
- \$725,000 for a recruitment and retention support center for schools;
- \$433,000 for agricultural programs in schools;
- \$427,308 for educational interpretation for mainstream hearing-impaired students and \$38,610 for equipment and furnishings;
- \$400,000 for non-school hour programs at schools;
- \$328,508 in fiscal year 2007-2008 and \$835,436 in fiscal year 2008-2009 for athletic health care trainers and supplies for school athletic programs;
- \$175,000 for PSAT testing for schools;
- \$165,000 for the Teach for America Contract; and
- \$5,636,680 for the transfer of two hundred fifty-eight permanent and 17.8 temporary school health aid positions from the Department of Health to comply with the requirements of Act 51, Session Laws of Hawaii 2004, as amended by Act 225, Session Laws of Hawaii 2006.

Your Committee provided for increased funding for technology and accountability through the following appropriations for equipment, positions, infrastructure, and programs:

- \$3,571,956 in fiscal year 2007-2008 and \$2,782,414 in fiscal year 2008-2009 for improvements to information technology, including an Electronic Comprehensive Student Support System, an Electronic Student Information System, and a Wide Area Network upgrade; and

- \$3,073,932 in fiscal year 2007-2008 and \$2,792,932 in fiscal year 2008-2009 for investment in fiscal accountability including fifteen complex area business managers, three accountants and a new Financial Management System that will integrate the existing financial and human resource systems.

Your Committee provided relief for the increasing costs to maintain facilities and services by providing the following additions to the Department of Education budget:

- \$6,391,412 for school food services;
- \$1,264,680 in fiscal year 2007-2008 and \$3,035,744 in fiscal year 2008-2009 for essential utility services;
- \$2,613,344 for school bus transportation costs; and
- \$1,278,000 for increases in property insurance.

Your Committee believes that these appropriations will provide Hawaii's public school students with the necessary resources to increase student achievement.

Higher Education

An economy based on knowledge, ideas, and risk-taking is the reality our State must embrace, and the University of Hawaii, system-wide, is critical to our success. New technologies and new industries are just two examples of the challenges of maintaining a skilled, literate workforce. College graduates are likely to change jobs several times over a lifetime of work, and to get ahead, incumbent workers will look for new skills and additional knowledge.

The University of Hawaii Board of Regents approved a detailed biennial operating budget request of \$38,726,634 in fiscal year 2007-2008 and \$58,116,277 in fiscal year 2008-2009 that included the creation of positions vital to the expansion of programs such as Workforce Training and Development (i.e. to address critical shortage areas such as nursing, construction, teaching, and social work) and Economic Diversification Initiatives, Statewide Native Hawaiian Studies, Student Services Enhancement and Expansion, and Distance Learning Initiatives. The Governor approved a scaled-down operating budget of \$25,421,393 in fiscal year 2007-2008 and \$33,999,745 in fiscal year 2008-2009. Additionally, your Committee addressed these deficiencies:

- Restored \$250,000 in each year of the biennium to support Western Interstate Commission for Higher Education programs for students interested in the fields of veterinary medicine, dentistry, optometry, and occupational and physical therapy, which currently are not offered at the University of Hawaii;
- Addressed the growing shortage of nurses with \$1,322,270 in fiscal year 2007-2008 and \$2,568,276 in fiscal year 2008-2009 for Statewide Nursing Workforce Development at the community colleges, University of Hawaii-Hilo and University of Hawaii-Manoa and funds for staffing and operational support, including \$400,000 for the Quentin Burdick Rural Health Professions program;
- \$3,350,000 in fiscal year 2007-2008 and \$3,950,000 in fiscal year 2008-2009 in general funds in support of further expansion of the John A. Burns School of Medicine to help address the shortage of medical specialists and fulfill its potential to become a world-class leader in health, biomedical, and biotechnology research, training, and teaching;
- \$1,200,000 in each fiscal year in general funds in support of AIDS research to assist Asian-Pacific Islanders; and
- \$11,000,000 in each fiscal year in special funds to establish the Cancer Research Special Fund created by Act 316, Session Laws of Hawaii 2006.

Your Committee remains committed to the vision of creating a world-class institution of higher learning and provided approximately \$26,170,000 in fiscal year 2007-2008 and \$38,570,000 in fiscal year 2008-2009 in continued support of University of Hawaii programs, workforce, curriculum, and student educational development, including approximately \$4,830,000 in fiscal year 2007-2008 and \$9,617,000 in fiscal year 2008-2009 for University of Hawaii-Hilo and \$5,210,000 in fiscal year 2007-2008 and \$9,420,000 in fiscal year 2008-2009 for community college programs and \$1,750,000 in fiscal year 2007-2008 and \$3,500,000 in fiscal year 2008-2009 for staffing development and expansion of programs and curriculum for the long-anticipated West O'ahu campus in Kapolei.

Your Committee finds that the economic capital of the State can be expanded only if there exists a solid foundation upon which to build. Thus, your Committee provided \$1,500,000 in fiscal year 2007-2008 and \$2,000,000 in fiscal year 2008-2009 for the "B Plus" state scholarship program, and \$510,000 in fiscal year 2007-2008 and \$605,000 in fiscal year 2008-2009 for the Graduate Professional Access and Health Careers Opportunity Programs. Your Committee believes that funding for these programs is necessary to foster student interest in post-secondary education and provide the means for additional students to pursue their own career paths, thus adding to our State's economic well-being.

At the Governor's request, your Committee lapsed \$18,700,000 in unencumbered general funds for recovery efforts after the 2004 Manoa flood and then re-appropriated those funds to enable the University of Hawaii to complete repairs to building infrastructure, control mold growth, and replace materials, library collections, furnishings, supplies, and other University of Hawaii-Manoa property damaged or otherwise irreparably destroyed by the October 31, 2004, flood in Manoa Valley. The anticipated lapse was due to contract, construction, and other unforeseen delays.

An area of concern is the sharp increase in fuel, utilities, and costs of energy consumption. The University is one of the highest single consumers of these resources and has had to explore options to fund its energy shortfalls. The new tuition schedule approved by the Board of Regents in September 2006 will positively and significantly impact the revenues of the system. Additionally, a sizable portion of its projected tuition revenues are earmarked for utilities. Your Committee commends the University for taking this proactive step in providing for its own energy consumption. Thus, your Committee provided \$15,150,000 in fiscal year 2007-2008 and \$35,950,000 in fiscal year 2008-2009 in special funds to enable the University of Hawaii at Manoa to address these expected shortfalls in operating and utility costs, as well as to fund faculty, staffing, and student employee costs, collective bargaining costs, and routine facility maintenance costs campus-wide. Your Committee remains confident that the tuition fee schedule adjustment proposed by the University will provide the needed additional funds despite an anticipated drop in attendance due to the increase in tuition. In its calculations, the University has taken that consideration into account.

Your Committee is steadfast in its belief that higher education is the foundation of the future economic growth and stability of the State. Your Committee provided a budget for the University that addresses increases in utilities and employee compensation, medical and scientific research,

workforce shortages, critical program shortfalls in student development and growth, Native Hawaiian studies and program development, current and planned expansion of the University statewide, and supporting diversity and lifestyle initiatives to provide the best opportunities for the students, faculty, and employees of the University – present and future.

Workforce and Workplace

The Department of Labor and Industrial Relations fulfills its primary mission (i.e., administering programs designed to contribute positively to workers' productivity and to foster employer-employee relations) by building private-public partnerships, providing training and public awareness programs, and assisting employers in developing their own Quality of Life programs to encourage voluntary compliance with labor laws. Your Committee is dedicated to supporting those efforts in several ways:

- Creating an Occupational Safety and Health Advisor to meet regularly with employees and employers to discuss, coordinate, train, and in some cases, conduct inspections to ensure compliance with federal and state regulations;
- Providing additional elevator inspectors for the Elevator and Boiler Safety Section to reduce a statewide backlog of annual certifications and three- and five-year safety and hydraulic tests; and
- Improving data transfer infrastructure hardware to effectively deliver services and administration of the Workers' Compensation, Temporary Disability Insurance, and Prepaid Health Care Programs.

Finally, your Committee supported the Department in its efforts to help residents of limited English proficiency succeed in the global economy by providing \$440,000 in general funds for both years of the biennium to establish and fully staff the Office of Language Access that was created by Act 290, Session Laws of Hawaii 2006. This office will provide oversight, coordination, and technical assistance to other State agencies in instances where persons of limited English-speaking or comprehension require translational and interpretive services in order to benefit from state programs, activities, and public access.

Commerce and Consumer Affairs

Continuing Hawaii's cultivation of the captive insurance industry, your Committee provided \$1,049,520 in special funds for fiscal year 2007-2008 and fiscal year 2008-2009. Your Committee understands the importance of monitoring, regulating, and developing this clean and lucrative industry, which is a viable source of continued revenue growth for the State of Hawai'i.

To expand and update the State Institutional Network, your Committee provided \$2,400,000 for fiscal year 2007-2008. Your Committee recognizes the critical importance of the network and the numerous departments that utilize its various telecommunication services.

KEEPING HAWAII A GREAT PLACE TO LIVE AND VISIT

Land and Natural Resources

Much of what makes Hawai'i a great place to live and a great place to visit is its natural resources. Preserving, protecting, and providing for those resources for the benefit and enjoyment of future generations is of paramount importance. Also, Hawai'i is a prime destination and location for movie producers and film crews, businesspeople and world leaders. Your Committee is dedicated to providing the following funds to assure the State's position as a unique island paradise into the future:

- Combat invasive species, including the coqui frog, by providing \$2,000,000 in general funds for both fiscal years 2007-2008 and 2008-2009, each matched by \$2,000,000 in special funds, for efforts of the Hawaii and county invasive species councils;
- Support State Parks Interpretive program through \$485,000 in special funds for visitor education, tours, and trails assistance;
- Expand Conservation and Resource Enforcement with additional personnel and equipment, fifteen positions and \$1,963,000 in fiscal year 2007-2008 and twenty-six positions and \$2,125,000 in fiscal year 2008-2009;
- Encourage prevention of wildfires by creating a full-time Firewise Communities program coordinator for community outreach and education and providing additional, ongoing state support of interdepartmental firefighting efforts with overtime pay, replenishment of outdated equipment, vehicles, and communications and life-saving apparatus by expending approximately \$330,000 in fiscal year 2007-2008 and \$340,000 in fiscal year 2008-2009; and
- \$3,115,000 in special funds for fiscal year 2008-2009 to assist in the reforestation, land and road restoration, and hazard control efforts for the over 2,300 acres of public forest lands in the Kuna Forest Reserve, Upper Waiohuli, Maui destroyed in the January 2007 wildfire.

Dam and reservoir safety is an issue being addressed in Senate Bill No. 1946, S.D. 2, H.D. 1. However, your Committee provided an additional \$1,500,000 in general funds for fiscal year 2007-2008 for the Department of the Attorney General to continue to pursue the investigation and litigation related to the tragic Ka Loko dam failure.

Agriculture

Invasive pests threaten not only Hawai'i's native plants but agricultural crops as well. Hawai'i's agricultural industry contributes both to our economy and to the visitor allure of these islands. Your Committee recognizes the importance of providing funds for the control and eradication of such pests including the brown tree snake.

- To meet state mandates for bio-control research of natural enemies of invasive species by authorizing five permanent positions and \$236,352 in general funds for fiscal year 2007-2008 and fiscal year 2008-2009;
- To continue the brown tree snake prevention program by expending \$179,240 in general funds for fiscal year 2007-2008 and fiscal year 2008-2009 to defend against a threat that could cost the State \$485,000,000 annually; and
- To assist the Plant, Pest, and Disease Control Division with three temporary positions and \$220,192 in federal funds for fiscal year 2007-2008 and fiscal year 2008-2009.

Agriculture is an important economic sector in Hawai'i that needs to be supported. Your Committee provided \$3,000,000 in general funds for fiscal year 2007-2008 for irrigation repair and maintenance in recognition of the importance of these irrigation systems to the survival of

diversified agriculture. Several initiatives passed by the Senate also support efforts to encourage retention of important agricultural lands and assist current and future farm enterprises. In addition, your Committee provided \$700,000 in general funds for fiscal year 2007-2008 and fiscal year 2008-2009 for special repairs and maintenance work of facilities as identified in the Department's six-year facilities plan.

Environmental Health

Diverting as much recyclable material from the landfills promotes a more desirable use of our limited land resources. Thus, your Committee firmly recognizes the need to continue the work of the Deposit Beverage Container Program in the Department of Health's Solid and Hazardous Waste Branch. As the program continues to grow, and as participation in redemption increases, your Committee supports the program by providing for a ceiling increase of \$18,854,194 in special funds for each year of the biennium to cover the costs of required redemption payouts and for recycling improvements.

Business, Economic Development and Tourism

Your Committee has remained steadfast in its support of Hawaii's existing business and economic engines. Specifically, in recognition of the importance of tourism to the State's economy, your Committee provided \$14,595,156 in special funds for fiscal year 2007-2008 and fiscal year 2008-2009 for the Hawaii Tourism Authority in support of our State's efforts to preserve Hawaii's ranking as a pre-eminent visitor destination.

Sustainable communities in Hawaii's future must attain greater energy efficiencies and reductions in our reliance on fossil fuels. Your Committee provided two temporary positions and \$130,000 in general funds and \$500,000 in federal funds for fiscal year 2007-2008 and fiscal year 2008-2009 to implement the energy efficiency and renewable energy programs in the State of Hawaii. Additionally, recognizing the importance of the Hawaii Renewable Hydrogen Program, your Committee provided \$4,742,500 in special funds for fiscal year 2007-2008 and \$2,609,375 for fiscal year 2008-2009 for venture capital investments in private sector and federal projects that support this initiative.

Defense

For Hawaii to be a great place to live, it must be a safe place to live. Toward this end, your Committee provided the necessary support to the Department of Defense to carry out its mission to ensure the safety of the public and to ensure that the damage recovery efforts following the occurrence of natural or man made disasters are expeditious. Your Committee approved:

- \$310,657 for ongoing efforts directly related to public assistance and damage recovery in response to the March 2006 floods;
- \$779,380 for fiscal year 2007-2008 and \$1,039,173 for fiscal year 2008-2009 as a reserve for public assistance and damage recovery in the case of a small or large disaster occurrence;
- \$111,483 for fiscal year 2007-2008 and \$148,645 for fiscal year 2008-2009 to provide a core disaster recovery staff;
- \$191,129 for fiscal year 2007-2008 and \$234,324 for fiscal year 2008-2009 to install and maintain a state siren warning system;
- \$1,836,611 for fiscal year 2007-2008 and \$1,896,753 for fiscal year 2008-2009 for the Hawaii National Guard Environmental Office; and
- \$25,000 to provide additional subsidy to the Civil Air Patrol;

The efforts extended by our armed forces are greatly appreciated. Your Committee provided the following program support for our veterans:

- \$25,000 for a quarterly veterans' benefit and entitlement newsletter;
- \$144,180 for fiscal year 2007-2008 and \$152,192 for fiscal year 2008-2009 for maintenance of veterans' cemeteries;
- \$33,230 for a Clerk Typist I to assist in clearing the backlog of unprocessed discharge documents; and
- \$8,000 for travel expenses for an Office of Veterans' Services Counselor.

Your Committee recognizes the value of various National Guard programs for youth who are experiencing difficulties in their lives and provided funding to increase the availability of these opportunities for Hawaii's youth.

- \$203,950 for fiscal year 2007-2008 and \$271,931 for fiscal year 2008-2009 for the expansion of the Hawaii National Guard Youth Challenge Academy program; and
- \$7,300,000 in federal Temporary Assistance for Needy Families funds for the About Face program.

Public Safety

Your Committee notes that Hawaii continues to struggle with the persistent growth of the inmate population and a high rate of recidivism among convicted offenders. The traditional solution to prison overcrowding is to add prison beds by building new facilities or expanding others. With the unlikelihood of any new facilities being built in the near future, your Committee, working closely with your Committee on Public Safety, recognizes the need for interim measures.

The primary strategy used by this Administration to reduce overcrowding has been to transfer inmates out of state. However, with a total of over 2,112 inmates (1,939 males and 173 females) housed in out of state facilities, and the escalating costs associated with those inmates, your Committee finds it necessary to support programs that reduce recidivism, upgrade the physical condition of existing facilities, and develop a transitional housing and release program to try and keep released inmates from returning. These interim measures must hold the line until existing facilities are expanded or new facilities are built.

As previously mentioned, your Committee supports programs that assist in developing practical skills for inmates so that, upon release, their chances of obtaining gainful employment and becoming productive citizens increase and the propensity for recidivism decreases. Important initiatives for community reintegration programs are contained in other Senate bills. Your Committee provided for the following correction programs in the hopes of decreasing inmate recidivism:

- \$7,335,451 in revolving funds for fiscal year 2007-2008 and fiscal year 2008-2009 for Correctional Industries to provide inmates with experience working in various trades and strengthen their ability to be productive citizens upon release;

- Three positions and \$408,552 in general funds for fiscal year 2007-2008 and fiscal year 2008-2009 to continue traditional substance abuse services for inmates participating in the Project Bridge programs;
- \$150,000 in general funds for fiscal year 2007-2008 and fiscal year 2008-2009 for inmate transition and job development program;
- Four positions and \$143,472 in general funds for fiscal year 2007-2008 and four positions and \$168,576 in general funds for fiscal year 2008-2009 for re-entry case workers to ensure that offenders will have housing and employment upon release;
- \$50,000 in general funds for fiscal year 2007-2008 and fiscal year 2008-2009 for an intensive re-entry program that will serve women offenders within one year to six months of release to provide them with life skills;
- \$98,700 in general funds for fiscal year 2007-2008 and \$75,000 in general funds in fiscal year 2008-2009 to establish a culinary arts training program and fund a landscape training program at the Women's Community Correctional Center; and
- \$50,000 in general funds for fiscal year 2007-2008 and \$26,000 in general funds for fiscal year 2008-2009 to support a vocational program offered by the Mason's Union to train inmates to become masons.

In addition, your Committee provided \$9,592,000 in fiscal year 2007-2008 to upgrade the physical condition of various facilities, as well as \$1,500,000 in planning funds to develop Adult Community Residential Centers for transitional housing and release preparation for inmates, working jointly with non-profit agencies.

Your Committee notes that there is a growing vacancy problem in the Department of Public Safety. In testimony before your Committee on January 9, 2007, the Department noted that there were close to three hundred vacant positions, totaling over \$11,000,000 in general fund costs alone. Some of these vacancies date back as far as 1989. Your Committee is certain that some of the \$11,000,000 in vacancies is being used for purposes other than filling positions (as evidenced by the vintage of some of the vacancies). Your Committee eliminated thirty-six positions and \$1,253,179 in general funds for positions vacant for three years or longer. Your Committee believes that it is in the best interest of the Department to prepare a plan to address the vacancy problem before future vacant positions and funds are removed – potentially impacting items being funded with vacancy savings.

SHAPING GOVERNMENT'S INFRASTRUCTURE FOR SUSTAINABLE COMMUNITIES

Accounting and General Services

Your Committee recognizes the importance in archiving records to digital format. Your Committee therefore provided \$120,000 in general funds for fiscal year 2007-2008 and fiscal year 2008-2009 to develop and help implement a long-range plan to manage digital records.

Improving information systems, hardware and software, will improve governmental efficiency and customer service. To that end, your Committee provided:

- \$200,000 in general funds for fiscal year 2007-2008 and \$150,000 for fiscal year 2008-2009 for improvements to the Financial Accounting Management Information System; and
- \$450,000 in general funds for fiscal year 2007-2008 to consolidate multiple servers and reduce space requirements for the Information Computer Science Division.

With various natural disasters occurring both locally and nationally, insurance premiums are increasing. Therefore, your Committee provided \$951,125 in general funds and \$8,000,000 in revolving funds for fiscal year 2007-2008 and fiscal year 2008-2009 to address property premium increase for the State Risk Management and Insurance Administration.

To help repair and maintain public facilities, your Committee provided seven positions and \$405,242 in general funds for fiscal year 2007-2008 and \$408,288 for fiscal year 2008-2009 to address public building routine and emergency work orders.

Aloha Stadium hosts sporting events year round. To accommodate for these events, older equipment needs to be continually replaced to ensure the Stadium remains operable. Your Committee provided \$1,417,077 in special funds for fiscal year 2007-2008 and \$133,927 for fiscal year 2008-2009 for the replacement of essential communications, emergency operations, and traffic control equipment.

Finally, to provide for increases in Public Safety Answering Points, your Committee provided \$2,500,000 in special funds for fiscal year 2007-2008 and fiscal year 2008-2009 to expand the Wireless Enhanced 911 coverage area to provide quicker emergency response.

Transportation

Helping our citizens, visitors, and businesses get from point A to point B – whether by roads and highways, sea, or air – is the critical job of the Department of Transportation. Hawaii's communities and commerce depend on the proper and efficient functioning of the Department.

To that end, your Committee agreed to all of the Department's operating budget requests. Among these requests are authorizations for the Department to:

- Perform long-awaited repairs and maintenance of the State's transportation and facilities infrastructure;
- Replace aging vehicles and equipment; and
- Hire additional staff to meet federal regulations, accreditation criteria, and provide service to address the increasing demands placed on the Department.

There were no operating budget requests for the Highways Division. Your Committee addressed the urgent repair and maintenance needs of our highway system, as well as important highway widening and new construction projects in the capital improvements section of this measure.

Specifically regarding the State's ports and harbors – "Hawaii's Lifeline and Pacific Link," your Committee added \$960,000 in fiscal year 2007-2008 and \$880,000 in fiscal year 2008-2009 in harbor special funds for special maintenance projects at Kahului, Nawiliwili, and Kawaihae harbors.

Regarding the State's airports, your Committee added \$1,303,000 in fiscal year 2007-2008 and \$538,000 in fiscal year 2008-2009 in airport special funds, and \$10,216,250 in fiscal year 2007-2008 and \$5,812,000 in fiscal year 2008-2009 in federal funds for special maintenance projects at Honolulu International, Kahului, Keahole, and Moloka'i airports, and \$20,000,000 in fiscal year 2007-2008 for statewide airport facilities general maintenance and routine repair. In addition to linking our island communities, the airports are often the first and last impression for visitors to our State, making the proper and timely maintenance and repair of airport facilities even more important.

Budget and Finance

The Employer-Union Trust Fund administers health and life insurance benefits for 164,000 active and retired state and county employees on a computer system that is in danger of becoming obsolete and therefore unrepairable. The Employer-Union Trust Fund information technology consultant recommended purchasing a new system rather than attempting to update the existing one or build one in-house. Your Committee provided \$7,513,484 in trust funds for fiscal year 2007-2008 and \$437,166 for fiscal year 2008-2009 to solicit bids, purchase, and install a new system.

Pursuant to Act 143, Session Laws of Hawaii 2006, the Public Utilities Commission reported to the Legislature during the 2007 session on the findings from the organizational review of its operations. Upon recommendation from your Committee on Commerce, Consumer Protection, and Affordable Housing to implement the first phase of the proposed Public Utilities Commission reorganization, your Committee provided four positions and \$309,291 in special funds for fiscal year 2008-2009 to implement the restructuring. In addition, your Committee approved \$609,710 in special funds for fiscal year 2008-2009 to relocate the commission to new offices.

The Public Utilities Commission also requested permanent staff and funding for the Petroleum Industry Monitoring program it inherited from the Department of Business, Economic Development and Tourism under Act 78, Session Laws of Hawaii 2006. Your Committee provided three positions and \$213,595 in special funds for both years of the biennium.

Taxation

The Department of Taxation requested funds to contract for specialized expertise to assist in complex and highly technical tax audits. With this expertise, the Department expects to recover an estimated \$21,000,000 in disallowed high-tech tax credits. Your Committee provided general funds of \$300,000 for each of fiscal years 2007-2008 and 2008-2009 for this purpose.

On January 1, 2007, the Department of Taxation began collection of the county surcharge tax for the city and county of Honolulu. As a result, the Department required additional funds for its operations. Under Act 247, Session Laws of Hawaii 2005, the Department collects the surcharge on behalf of the county and in return the State retains ten per cent of the collections, to be deposited in the general fund. Because Act 247 did not provide positions or funds for the collection activity, an appropriation from the general fund for the Department of Taxation is necessary. Your Committee provided nineteen positions and general funds of \$944,312 for fiscal year 2007-2008 and \$717,944 for fiscal year 2008-2009. Your Committee has included a provision requiring the Department to study and report to the Legislature during the Regular Sessions of 2008 and 2009 on the totality of the additional work represented by the county surcharge collection activity.

In January 2006, the Department of Taxation received a consultant's report that compared the Department to those in states comparable to Hawai'i in order to determine an appropriate level of resources for the critical work of collecting the State's revenues. The results of the study showed that the Department was severely understaffed in many respects, and the Legislature in 2006 provided seventeen positions. An updated report was then obtained from the consultant in September 2006 showing a continued resource deficiency in Hawai'i's tax collection efforts. The Department asked for additional staffing from this Legislature to bring its staffing up to fifty per cent of the level found in comparable states by the consultant's report. Your Committee, recognizing the need for a fair and efficient tax system, provided ten permanent and eighteen temporary positions and general funds of \$852,039 for fiscal year 2007-2008 and \$796,537 for fiscal year 2008-2009. Your Committee believes that these additional tax collection efforts and resources, plus efficiencies proposed in several Senate bills, will benefit the State's sustainability goal.

FISCALLY PRUDENT AND DISCIPLINED BUDGETARY POLICY

Your Committee is dedicated to providing a budget document that is fiscally prudent, transparent, and provides for a sustainable level of government operations. Your Committee commends its predecessors who worked diligently to maintain such fiscal prudence and accountability in previous years. Your Committee is pleased to report that their efforts continue to bear fruit. As a result of the commitment to prudent financial management and fiscal discipline, the latest \$350,000,000 bond sale came in at 4.9 per cent versus the budgeted 5.7 per cent. This 4.9 per cent rate is the lowest rate the State has seen in three decades. This accomplishment would not have been possible had it not been for the prudent appropriation levels set forth by previous fiscal committees of the Legislature, leading up to the current favorable bond ratings enjoyed by the State. As a result, your Committee decreased budgeted debt service requirements by \$3,580,538 for fiscal year 2007-2008 and \$3,064,595 for fiscal year 2008-2009.

CAPITAL IMPROVEMENT PROGRAM HIGHLIGHTS

Your Committee evaluated the priorities of the administration, Board of Education, Board of Regents, and community to develop the capital improvement program (CIP) budget. The requests fell within two broad categories:

1. Projects that would repair or improve our aging state facilities; or
2. Projects that would build new state facilities to support expanding programs and increasing populations.

Your Committee finds that both types of requests are important and has attempted to strike a balance between the two and prioritize funding for those projects that align with the principles and priorities outlined above.

Education and Workforce Development

The highest priority of your Committee is the education of our children, and as such, the CIP budget devotes significant resources toward public education facilities. Your Committee provided a total of \$256,679,000 in fiscal year 2007-2008 and \$255,408,000 in fiscal year 2008-2009, by all means of financing, for the Department of Education's capital improvement program.

In anticipation of the future needs of our public school system, and to relieve schools experiencing overcrowding, your Committee provided over \$200,000,000 over both fiscal years to build new schools in our State's fastest growing communities.

To address the ongoing facility needs of the Department of Education, your Committee added to the Governor's proposed biennium budget by appropriating funds for the Department of Education's lump sum items. The following are examples of lump sum items not included in the Governor's proposed budget that your Committee provided for:

- \$75,000,000 in fiscal year 2007-2008 and \$75,000,000 in fiscal year 2008-2009 to enable the Department of Education to continue to reduce the repair and maintenance backlog of our public schools;
- \$25,000,000 in fiscal year 2007-2008 for electrical system improvements;
- \$5,000,000 in fiscal year 2007-2008 necessary for the Department to comply with Environmental Protection Agency requirements regarding large cesspool closures;
- \$4,000,000 in fiscal year 2007-2008 and \$4,000,000 in fiscal year 2008-2009 for the Department to comply with Americans with Disabilities Act requirements;
- \$500,000 in fiscal year 2007-2008 and \$500,000 in fiscal year 2008-2009 for fire protection; and
- \$500,000 in fiscal year 2007-2008 and \$500,000 in fiscal year 2008-2009 for asbestos/lead removal.

To address the capital needs of higher education, your Committee provided a total of \$158,039,000 in fiscal year 2007-2008 and \$104,383,000 in fiscal year 2008-2009 for the University of Hawaii, including the following appropriations:

- \$50,000,000 in fiscal year 2007-2008 and \$50,000,000 in fiscal year 2008-2009 to address the major repair and maintenance needs of the University system;
- \$7,518,000 in fiscal year 2007-2008 to begin planning and design for a new classroom and office building at University of Hawaii-Manoa;
- \$6,837,000 in fiscal year 2007-2008 to provide temporary facilities to house the expanding nursing programs at community colleges statewide;
- \$43,157,000 in fiscal year 2007-2008 to fund the construction of the new Windward Community College Library and Learning Resources Center; and
- \$23,179,000 in fiscal year 2007-2008 for a new social sciences/teacher education facility at Leeward Community College.

Housing

Your Committee provided funding for the Department of Human Services to begin two major initiatives to improve the condition of public housing. The following appropriations will result in safer conditions for public housing residents and an increase in the total number of units available:

- \$5,000,000 in fiscal year 2007-2008 for elevator improvements for public housing statewide; and
- \$15,000,000 in fiscal year 2007-2008 and \$5,000,000 in fiscal year 2008-2009 for the repair and maintenance of public housing units.

Sustainability

Many of the projects funded in this measure will incorporate green building design elements and practices. In addition, your Committee provided \$5,000,000 in fiscal year 2007-2008 and \$5,000,000 in fiscal year 2008-2009 for energy conservation and efficiency projects.

Conclusion

With relatively modest revenue projections for Hawai'i and the nation, as well as the troubling specter of inflation, your Committee, once again, has appropriated resources that reflect prudence and provide for sustainability. Your Committee will not soon forget the fiscal crises of the past, but looks to the future with continued optimism, knowing the resources provided in this budget will address the urgent infrastructure and service needs of the State and provide for the strengthening of our families and communities, thus positioning Hawai'i for success in the global economy, and the sustaining of Hawai'i as a great place to visit and *live*.

In total (all sources of funding), this budget appropriates \$10,360,271,182 in fiscal year 2007-2008 and \$10,547,469,312 in fiscal year 2008-2009. Specifically regarding general fund appropriations, this budget appropriates \$5,185,479,550 in fiscal year 2007-2008 and \$5,283,880,275 in fiscal year 2008-2009. Compared with the budget submitted by the Governor in December 2006, as adjusted by Governor's Messages throughout this legislative session, this budget represents a decrease of \$2,369,010 in fiscal year 2007-2008 and another decrease of \$1,849,228 in fiscal year 2008-2009 in general fund appropriations. In new general fund appropriations, lower education accounts for approximately thirty-five per cent, higher education accounts for approximately eighteen per cent, and health and human services accounts for approximately twenty-seven per cent of the change to the State's general fund budget.

The following agencies and individuals submitted comments in support of this measure: the Department of Human Resources Development, the Hawaii State Ethics Commission, the Hawaii State Teachers Association, the Hawaii Disability Rights Center, the Maui County Department of the Prosecuting Attorney, the Hawaii Forest Industry Association, and seventy-two other agencies and individuals, mainly business owners and University of Hawaii professors, staff, students, and parents.

The following agencies and individuals submitted comments on this measure: the Department of Labor and Industrial Relations, the Department of Business, Economic Development and Tourism, the Department of Accounting and General Services, the Department of Human Services, the Department of Public Safety, the Department of Land and Natural Resources, the Department of Agriculture, the Department of Transportation, the Department of Hawaiian Home Lands, the City and County of Honolulu Department of the Prosecuting Attorney, the Nature Conservancy, the Hawaii Science & Technology Council, Citizens Against Noise of Hawaii, and thirty six other University of Hawaii professors, staff, and students.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 500, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 500, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, none. Excused, 3 (Menor, Hemmings, Whalen).

SCRep. 1587 Ways and Means on H.B. No. 1200

The purpose of this measure is to appropriate funds for the operating and capital improvement costs of the Office of Hawaiian Affairs for the fiscal biennium from July 1, 2007, to June 30, 2009.

Your Committee received comments in support of this measure from the Office of Hawaiian Affairs, Na Pua No'eau; Ala Kuola; the Hawaii Community Development Authority; and one hundred forty-four individuals.

The Office of Hawaiian Affairs' operating budget request contains salary adjustments of four per cent for both fiscal years, changes in means of financing to more efficiently process payroll, and additional funding for two programs—the Multi Service Project for Alu Like, Inc., and Na Pua No'eau. Your Committee finds that these requests are reasonable and justified and has therefore provided full funding for all Office of Hawaiian Affairs operating budget requests.

The Office of Hawaiian Affairs capital budget request is for a new cultural center and office building. Your Committee provided \$3,050,000 in general obligation bonds for fiscal year 2007-2008 to fund the planning and design of the new cultural center and office building. In addition, your Committee authorized \$52,990,000 in trust funds for fiscal year 2008-2009 for the new facility and made technical amendments to the description of the project.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1200, H.D. 1, S.D. 1 as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1200, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, none. Excused, 3 (Menor, Hemmings, Whalen).

SCRep. 1588 Ways and Means on H.B. No. 1212

The purpose of this measure is to appropriate funds for the operating and capital improvement costs of the Judiciary for the fiscal biennium from July 1, 2007, to June 30, 2009.

Your Committee received comments in support of this measure from the Judiciary, the Maui County Library Association, three public librarians from central Maui, the Salvation Army, Isis Hawaii, and four individuals in support of the Girls Court program. The Department of Accounting and General Services submitted comments on this measure.

Your Committee provided an additional \$12,125,775 in general funds and \$812,955 in special funds for fiscal year 2007-2008, and an additional \$11,297,399 in general funds and \$218,017 in special funds for fiscal year 2008-2009, increasing the Judiciary's total budget for fiscal years 2007-2008 and 2008-2009 to \$148,469,888 and \$147,046,574, respectively.

Your Committee recognizes that the Judiciary is experiencing an increase in demand for its services, and as a result, available resources have dwindled. Your Committee addressed this situation by providing funding that improves the efficiency and productivity of existing programs and services and provided additional staffing and funding to ensure that the Judiciary is able to maintain the level of service as demand rises. Your Committee provided:

- (1) \$2,817,743 in general funds and special funds for fiscal year 2007-2008 and \$978,529 in general funds and special funds for fiscal year 2008-2009 for technology related items;
- (2) Eight new positions for judges for fiscal year 2007-2008;
- (3) Forty-two and fifty-one new support staff positions (social workers, etc.) for fiscal year 2007-2008 and fiscal year 2008-2009, respectively; and
- (4) \$1,524,439 and \$1,414,372 in general funds and special funds for fiscal year 2007-2008 and fiscal year 2008-2009, respectively, for the Hilo Courthouse.

Your Committee also supports the Judiciary's efforts to improve access to its services and better meet the needs of Hawaii's underserved populations. In this regard, your Committee provided the following:

- (1) \$268,198 in additional general funds for fiscal year 2007-2008 and fiscal year 2008-2009 for domestic violence services;
- (2) \$25,000 for the Hawaii Family Law Clinic;
- (3) \$1,050,000 in general funds for fiscal year 2007-2008 and fiscal year 2008-2009 for indigent legal services for individuals and families;
- (4) \$200,000 in general funds for fiscal year 2007-2008 and fiscal year 2008-2009 for intrafamilial sex abuse treatment services for child victims;
- (5) \$407,252 and \$440,006 in general and special funds for fiscal year 2007-2008 and fiscal year 2008-2009, respectively, for Girls Court;
- (6) \$70,816 in general and special funds and \$84,288 in general funds for fiscal year 2007-2008 and fiscal year 2008-2009, respectively, for the Children's Justice Center; and
- (7) \$100,000 in general funds for fiscal year 2007-2008 and fiscal year 2008-2009 for the Office of Equality and Access to the Courts increased interpreter fees.

In addition to the resources provided for the Judiciary's operating requirements, your Committee appropriated \$1,500,000 in general obligation bonds for each fiscal year for various renovations, repairs, and improvements to Judiciary facilities statewide. This measure also appropriates a placeholder amount for the Kapolei Judiciary Complex to enable your Committee to continue discussions with the Judiciary and the House of Representatives regarding the Judiciary's request for additional funds.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1212, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1212, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, none. Excused, 3 (Menor, Hemmings, Whalen).

SCRep. 1589 Judiciary and Labor on H.B. No. 1328

The purpose of this measure is to enhance the criminal penalties associated with individuals who commit insurance fraud by including felony insurance fraud as one of the felony violations that can invoke the repeat offender sentence.

Your Committee received testimony in support of the bill from the Insurance Commissioner and the Attorney General's Office. The Public Defender opposed the bill.

Your Committee finds that while insurance is often perceived as a non-violent and victimless crime, the ramifications of insurance fraud affect everyone through higher insurance premiums.

Your Committee amended the bill by changing the effective date from January 1, 2112 to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1328, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1328, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1590 Judiciary and Labor on H.B. No. 1518

The purpose of this measure is to create a Design Claims Conciliation Panel within the Department of Commerce and Consumer Affairs to protect engineers, architects, surveyors and landscape architects against frivolous lawsuits.

Your Committee received testimony in support of this measure from the Department of Accounting and General Services (DAGS), the American Council of Engineering Companies, the American Society of Civil Engineers, Cedric Chong and Associates, the Coalition of Hawaii Engineering & Architectural Professionals, Engineering Concepts, Inc., Engineering Solutions, Inc., ECS, Inc., Fukunaga & Associates, Gray Hong Nojima & Associates, Inc., Masa Fujioka & Associates, MK Engineers, Ltd., Moss Engineering, Inc., Paul Louie & Associates, Inc., and SEY Engineers. The Department of Commerce and Consumer Affairs (DCCA) and the Consumer Lawyers of Hawaii (CLH) provided comments.

The following concerns were stated in DCCA testimony:

HB 1518 proposes to reestablish the Design Professional Conciliation Panel ('DPCP') within DCCA, in an effort to protect the design professional community from frivolous lawsuits, and is based upon the provisions of Hawai`i Revised Statutes ('HRS') §671-11, et al. relating to the Medical Claims Conciliation Panel ('MCCP'). . . . [W]ithout sufficient opportunity to examine the data and rationale for reestablishing the DPCP, DCCA cannot actively support HB 1518 SD1 at this time.

By way of background, the former DPCP was created in 1976 for the same purposes as stated by HB 1518 SD1[.] . . . Although DCCA continues to support these intended purposes . . . , we would point out that historically, very few cases filed with the DPCP under the former provisions of HRS Chapter 672 actually completed the hearings process. Instead, the vast majority of cases were determined by the courts to be unsuitable for disposition by the DPCP. . . .

The provisions of former HRS §672-2.1 delineated the factors that a court could consider in determining whether a claim was unsuitable for disposition by the DPCP[.] . . . These enumerated factors evolved over the life of the DPCP and reflect the Legislature's response to pragmatic limitations of the DPCP: there are statistically very few claims that only involve the acts [or] omissions of a design professional licensed to practice under HRS Chapter 464. Most claims filed with the former DPCP involved directly or at least tangentially, the acts or omissions of individuals and entities that were not subject to the jurisdiction of the DPCP such as contractors, materials suppliers, bonding companies, etc. HB 1518 SD1 does not contain a process for the courts to determine the unsuitability of claims filed with the proposed DPCP, and thus under HB 1518 SD1, every claim would be heard by the DPCP unless the parties to a claim collectively decided to let the 12 month tolling period lapse.

Accordingly, DCCA does not have sufficient data to support a process that may not ultimately achieve the stated goals of HB 1518 SD1, and which instead, could simply delay the filing of lawsuits against design professionals for 12 months. We would also note that the former HRS Chapter 672 as well as HB 1518 SD1 would still require the filing of lawsuits against individuals and entities that are involved in the claims, but who are not design professionals licensed to practice under HRS Chapter 464.

If the Legislature believes that some form of the former DPCP is needed and would fulfill a constructive purpose for all parties to these kinds of claims, then DCCA would recommend that the former provisions of HRS Chapter 672 be reenacted, rather than a DPCP modeled on the MCCP.

Your Committee also notes concerns about the certificate of consultation required to accompany any claim, as set forth in proposed § -6, and anticipates further discussion as this measure passes through the legislative process. Of concern is whether the process may be made prohibitively costly if a certificate is required from each specialty, such as architect and engineer, even if the claim pertains to only one of the design professions.

It is the understanding of your Committee that the proponents of this measure and other stakeholders would appreciate an opportunity to consider further revisions as this measure proceeds to conference. This bill has an effective date of July 1, 2050, to encourage further discussion.

Your Committee has amended this measure by:

- (1) Adding a new subsection (b) within proposed § -3 that permits parties to a tort claim against a design professional or professionals, by unanimous agreement, to opt out of the design claim conciliation panel process;
- (2) Amending proposed § -5(b) to increase the time between the last date for filing a written response to a claim and the date for the hearing on the claim from five to fourteen days, to allow adequate time for preparation of a defense;

- (3) Changing references from the "director" to the "chairperson" throughout proposed § -5(c) to provide for various procedural matters to be handled by the chairperson of the panel rather than the director of commerce and consumer affairs;
- (4) Deleting the requirement in § -9 that the decision of the design claim conciliation be filed with the insurance commissioner, served on the representative of the design professional's liability insurance carrier, and, as appropriate, served on the design professional's licensing board; and
- (5) Deleting the requirement in the panel's conclusions state either that the action was "actionably negligent" or "not actionably negligent" to allow apportionment of damages among parties.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1518, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1518, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1591 Judiciary and Labor on H.B. No. 375

The purpose of this measure is to clarify a driver's duty to stop for a pedestrian in a crosswalk and to impose fines for drivers and pedestrian who fail to comply with the crosswalk law based on the number of previous infractions of the same offense.

Your Committee received testimony in support of the bill from the State Department of Transportation and Kokua Council. The Public Defender's Office opposed the bill.

Your Committee amended the bill by clarifying when it would be safe for a driver to proceed after stopping for a pedestrian in a crosswalk. Your Committee also made some technical non-substantive amendments to the bill.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 375, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 375, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1592 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 1440

The purpose of this measure is to clarify the jurisdictional authority of the Office of the Ombudsman when investigating the contractual acts of any correctional facility with which the Department of Public Safety has contracted to hold individuals committed to its custody.

Your Committees find that the clarification is necessary to assure that the scope of the Ombudsman's jurisdiction includes mainland correctional facilities. Your Committees also find that it is vital that inmates from Hawaii held in mainland correctional facilities have access to an independent body to investigate claims affecting their health, safety, and legal rights.

Your Committees received testimony in support of the bill from the American Civil Liberties Union of Hawaii, the Community Alliance on Prisons, and seven individuals. The Office of the Ombudsman commented on the bill.

Your Committees amended the bill by changing the effective date from July 1, 2020, to July 1, 2007, and by deleting language following the effective date.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1440, H.D. 3, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1440, H.D. 3, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 13. Noes, none. Excused, 3 (Inouye, Kokubun, Menor).

SCRep. 1593 Ways and Means on H.B. No. 807

The purpose of this measure is to establish an Office of the Long-Term Care Ombudsman within the Executive Office on Aging and to support its operations.

This measure also appropriates \$311,628 and \$236,627 in fiscal year 2007-2008 and 2008-2009 to establish three additional ombudsman program specialist IV positions and a clerk typist II position, to support a regional long-term care ombudsman program on the neighbor islands.

Your Committee received comments in support of this measure from the State Long-Term Care Ombudsman, the Hawaii Disability Rights Center, and the National Multiple Sclerosis Society. The Executive Office on Aging offered comments.

Upon further consideration, your Committee has amended this measure to change the appropriated amounts to unspecified amounts for the purpose of facilitating further discussion. Your Committee has also made technical nonsubstantive amendments for the purposes of clarify and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 807, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 807, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1594 Ways and Means on H.B. No. 1044

The purpose of this measure is to provide equal access to immunosuppressant medication for Medicaid patients with HIV, AIDS, or Hepatitis C, or who require immunosuppressives due to organ transplants, regardless of whether they are in the QUEST or Medicaid Fee-For-Service programs.

Specifically, this measure repeals the inapplicability to QUEST medical plans of the exemption from preauthorization procedures in treating such patients until July 1, 2013. The measure also requires the Department of Human Services to report to the legislature prior to the convening of the 2010, 2011, and 2012 regular sessions on the costs incurred by compliance with this measure.

Your Committee received comments in opposition to this measure from the Hawaii Association of Health Plans. The Department of Human Services offered comments.

Your Committee has made a technical amendment for the purpose of clarity by specifying that, upon the repeal of the measure on July 1, 2013, section 346-352, Hawaii Revised Statutes, shall be reenacted in the form in which it read on December 31, 2007.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1044, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1044, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Whalen).

SCRep. 1595 Ways and Means on H.B. No. 1614

The purpose of this measure is to appropriate funds to increase the capacity of the Department of the Attorney General's Nuisance Abatement Unit to enforce and prosecute drug nuisance abatement laws.

The Department of the Attorney General submitted comments in support of this measure.

Your Committee finds that the Nuisance Abatement Unit has improved coordination with other law enforcement agencies to combat illegal drug activities and prohibit drug dealers from remaining in drug houses in our communities. This measure will help continue effective responses to drug nuisance complaints by increasing the number of staff for the Nuisance Abatement Unit.

Your Committee has amended this measure by:

- (1) Changing the appropriation from \$150,000 to an unspecified amount; and
- (2) Changing the effective date to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1614, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1614, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1596 Ways and Means on H.B. No. 55

The purpose of this measure is to establish a statewide youth suicide early intervention and prevention program and to appropriate funds to the Department of Health to implement the program.

Comments in support of this measure were received from the Department of Education, the Hawaii Suicide Prevention Steering Committee and Task Force, and Mental Health America of Hawaii. The Department of Health submitted comments.

Your Committee finds that according to the 2005 Youth Risk Behavior Surveillance Survey, Hawaii has among the highest rates of youth who have: reported making a suicide plan; seriously considered attempting suicide; attempted suicide; or reported a suicide attempt that was treated by a doctor or nurse. This measure will provide early intervention and prevention strategies for suicide, which is the second leading cause of death in Hawaii among persons who are between fifteen to twenty-four years of age.

Your Committee has amended this measure by deleting the appropriation because funds to implement youth suicide early intervention and prevention programs are currently included H.B. No. 500, the state budget.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 55, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 55, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1597 Ways and Means on H.B. No. 825

The purpose of this measure is to strengthen support for family caregivers and care recipients by gathering information about, and expanding services to, caregivers and their families.

More specifically, this measure includes:

- (1) Extending the life of the Joint Legislative Committee on Family Caregiving; and authorizing the Committee to explore the establishment of a paid family leave program under the state temporary disability insurance law;
- (2) Requiring the Executive Office on Aging to conduct a comprehensive assessment of the needs of care recipients who are age sixty and older, and the needs of their family caregivers;
- (3) Appropriating funds for the Executive Office on Aging to conduct a comprehensive needs assessment and study of the issues facing grandparents who are caregivers for their grandchildren who are minors or are adults with physical or cognitive limitations;
- (4) Appropriating funds to expand the Kupuna Care program's in-home and access services for qualified care recipients; and
- (5) Appropriating funds for the Sage PLUS program to operate on the neighbor islands.

Your Committee received comments in support of this measure from the Policy Advisory Board on Elderly Affairs, the Honolulu Committee on Aging of the City and County of Honolulu, the Area Agency on Aging of the City and County of Honolulu, Catholic Charities Hawaii, the

Hawaii Alliance for Retired Americans, the Kokua Council, the Hawaii Division of the National Multiple Sclerosis Society, the Occupational Therapy Association of Hawaii, Project Dana, and eleven private citizens. The American Association of Retired Persons Hawaii submitted comments.

Your Committee finds that family caregiving has become a critical element of our State's long-term care system. Your Committee also finds that as Hawaii's population ages, many more families will be providing higher levels of long-term care to frail and disabled older adults at home. Your Committee further finds that grandparents who are caregivers for their minor or adult grandchildren experience similar support needs and caregiving costs as do other family caregivers. Your Committee believes that this measure provides a comprehensive approach that will strengthen support for family caregivers.

Your Committee has amended this measure by:

- (1) Changing the effective date of section 2 of the bill to prevent the termination of the Joint Legislative Committee on Family Caregiving, which would otherwise cease to exist on June 30, 2007; and
- (2) Making technical nonsubstantive changes for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 825, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 825, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1598 Commerce, Consumer Protection and Affordable Housing on H.B. No. 487

The purpose of this measure is to make housekeeping amendments as recommended by the Legislative Reference Bureau pursuant to Act 180, Session Laws of Hawaii 2006, creating the Hawaii Public Housing Authority and the Hawaii Housing Finance and Development Corporation (HHFDC).

Your Committee received testimony in support of this measure from the HHFDC.

Your Committee has amended this measure by making technical, nonsubstantive amendments for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 487, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 487, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 1 (Ige).

SCRep. 1599 Commerce, Consumer Protection and Affordable Housing on H.B. No. 1337

The purpose of this measure is to provide additional protections to consumers who purchase pre-paid cemetery or funeral services.

Specifically, this measure:

- (1) Creates a new section in chapter 441, Hawaii Revised Statutes (HRS), to establish procedures for the cancellation, termination, and refund of pre-need funeral and interment services contracts;
- (2) Requires a cemetery authority to file with the Department of Commerce and Consumer Affairs and maintain a map of every plot, crypt, or niche, and maintain an accurate record of the identity of each person buried or interred in the cemetery;
- (3) Ensures that contracts for pre-need interment or funeral services retain priority over liens and mortgages of a pre-need interment or funeral services authority if the authority's pre-need trusts are not fully funded;
- (4) Requires disclosures of the terms of a pre-need funeral or interment services contract;
- (5) Clarifies the Director of Commerce and Consumer Affairs' authority to inspect the books, records, and papers of a cemetery or pre-need funeral or interment services authority; and
- (6) Increases the maximum possible fine from \$1,000 to \$5,000 for violations of the chapter of law regulating cemetery or pre-need funeral or interment services authorities.

Your Committee received testimony in support of this measure from the Department of Commerce and Consumer Affairs, the Hawaii Allied Memorial Council, and the Kokua Council. Ballard Mortuary, Inc. and Hawaiian Memorial Life Plan, Ltd. submitted comments on this measure.

Your Committee finds that this measure will materially advance and improve the level of consumer protection afforded Hawaii's cemetery and funeral services consumers by establishing procedures for the cancellation, termination, and refund of pre-funeral and pre-interment needs, as well as implementing other requirements related to the death care industry.

Your Committee notes that the Department of Commerce and Consumer Affairs has been working with the interested parties to reach a consensus on the scope and specific language that would be acceptable to all parties. Based upon their agreement, your Committee has amended this measure by:

- (1) Inserting additional requirements as to notice and timing for the termination of a contract due to the default of the purchaser and as to methods in which a purchaser may effectuate continuance of the contract;
- (2) Specifying that a cemetery or pre-need funeral authority is under no obligation to validate continuance of a contract when a purchaser becomes delinquent after the period in which the purchaser was first allowed to effectuate continuance of the contract;
- (3) Specifying that a cemetery or pre-need funeral authority is under no obligation to carry out its services unless a contract is paid in full;
- (4) Requiring that contracts shall include a disclosure that contains a statement as to:

- (A) The percentage of the contract price for trustable items to be placed in trust; provided that the percentage is no less than seventy per cent;
 - (B) The percentage of the contract price for trustable items that the cemetery or pre-paid funeral authority will retain and not deposit into the trust; provided that the percentage is no more than thirty per cent;
 - (C) When a portion of the contract price relates to property, services, or related commodities that are not trustable items, providing a clear description as to what the items are; and
 - (D) The cancellation, default and termination, and refund requirements of section 1 of this measure and a specific statement in twelve point bold type that makes the purchaser aware of the purchaser's refund, cancellation, and default rights and asking the purchaser to carefully read the contract for an explanation of those rights;
- (5) Requiring that any records held by a cemetery or pre-need funeral authority contain:
- (A) The identity of each person whose remains are located at the cemetery, along with the corresponding unique identifier, as required in section 441-3(b), HRS;
 - (B) A record of any and all notifications from purchasers or representatives of purchasers regarding any change in address or notice of cancellation; and
 - (C) All written notices of termination sent to the purchaser;
- (6) Changing the effective date to July 1, 2007; provided that sections 1 and 5 shall take effect on July 1, 2008, to allow the industry more time to comply with the requirements of this measure; and
- (7) Making technical, nonsubstantive changes for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1337, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1337, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 1 (Ige).

SCRep. 1600 Commerce, Consumer Protection and Affordable Housing on H.B. No. 1833

The purpose of this measure is to prohibit the practice of mandating the use of certain surety producers or surety insurers by applicants when a bid, payment, or performance bond is required to ensure the performance of any real property construction contract.

Your Committee received testimony in support of this measure from King & Neel, Inc; Island Insurance Companies; and the General Contractors Association of Hawaii. The Department of Commerce and Consumer Protection submitted comments on this measure.

Your Committee finds that directed bonding or suretyship is the practice within the construction industry, wherein the owner of a project awards the contract for the construction of the project on the condition that the contractor obtain a surety bond from particular sureties or through specified agencies.

Your Committee further finds that contractors need the freedom to choose with whom they will establish a bonding relationship rather than be directed by the owner of a construction project. Your Committee notes that thirty-seven other states have already banned the practice of directed suretyship.

Your Committee has amended this measure, based upon an agreement between the Department of Commerce and Consumer Affairs and the insurance industry, by:

- (1) Placing the language prohibiting the use of directed suretyship in a new section in chapter 431:10F, Hawaii Revised Statutes;
- (2) Adding language to allow the Insurance Commissioner to examine and investigate insurance related activities that may violate the prohibition on directed suretyships;
- (3) Allowing any person to submit to the Insurance Commissioner any complaint or materials that are relevant to the enforcement of the prohibition on directed suretyship;
- (4) Allowing any person who grants, awards, or issues contracts for construction or renovations to require the recipient of the contract to acquire or negotiate a surety bond or other contract guaranteeing completion through authorized surety insurers, or producers licensed to do business in the State, or both; and
- (5) Making this measure effective upon its approval.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1833, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1833, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1601 (Majority) Commerce, Consumer Protection and Affordable Housing on H.B. No. 936

The purpose of this measure is to prohibit gift certificate issuers from charging back-end services fees for dormancy or inactivity during the first twenty-four months after the gift certificate was issued. This measure also requires gift certificate issuers to disclose service fees and prohibits gift certificate issuance fees.

Your Committee received testimony in support of this measure from American Express and VISA U.S.A., Inc. The Office of Consumer Protection of the Department of Commerce and Consumer Affairs, Retail Merchants of Hawaii, and the Hawaii Food Industry Association submitted testimony in opposition. Comments were submitted by the Hawaii Credit Union League.

Your Committee finds that there are two different types of gift certificates. The first type is a single merchant certificate in which the recipient is limited to purchasing goods from a single merchant. The second type is the multi-seller certificate that enables a recipient to use the certificate at a variety of different stores.

Your Committee further finds existing law allows for limited availability of multi-seller certificates in the State. However, your Committee believes that it is important to strike a balance between giving consumers more choices with regard to gift certificates and protecting them from certain types of fees.

Therefore, your Committee has amended this measure by:

- (1) Allowing gift certificate issuers to charge a fee of no more than \$2 per gift certificate at the time of purchase; provided that certain disclosure requirements are met and that the issuance fee is not deducted from the initial balance of the certificate;
- (2) Prohibiting back-end service fees for dormancy, maintenance, and inactivity;
- (3) Allowing a gift certificate issuer to charge a fee of no more than \$2 for a replacement gift certificate;
- (4) Amending the definition of "gift certificate" or "certificate" to exclude certain types of electronic access devices, such as prepaid debit cards and payroll cards that are used to withdraw or transfer funds from a deposit and are not primarily intended for use as a gift; and
- (5) Changing the effective date of this measure in order to promote further discussion.

Your Committee notes that, in allowing gift certificate issuers to charge a \$2 replacement fee, such a replacement fee should only be charged when a gift certificate is lost, stolen, or mutilated.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 936, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 936, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Ayes with Reservations, 1 (Ige). Noes, 1 (Slom). Excused, none.

SCRep. 1602 (Joint) Commerce, Consumer Protection and Affordable Housing and Economic Development and Taxation on H.B. No. 116

The purpose of this measure is to ensure the safe and efficient integration of facilities necessary for the provision of advanced wireless communication services and to ensure the ready availability of reliable wireless service to public and government agencies and first-responders.

Your Committees received testimony in support of this measure from Cingular Wireless; Verizon Wireless; T-Mobile USA, Inc.; and Sprint Nextel. Testimony in opposition to this measure was submitted by the City and County of Honolulu's Department of Planning and Permitting and the Kailua Neighborhood Board.

Your Committees find that wireless communication service has become an integral and important part of consumers' daily lives. The intent of this measure is to ensure adequate coverage and sufficient wireless capacity on wireless networks by ensuring an efficient application and approval process for new wireless facilities.

Your Committees note the concerns raised by the City and County of Honolulu relating to, what the City and County of Honolulu perceives to be the measure's redundancy to county processes and a potential infringement of home rule, but believe this measure should move forward to encourage further discussion on those issues.

Your Committees have amended this measure by:

- (1) Amending chapter 205, Hawaii Revised Statutes, to allow wireless communication antennas to be a permitted use in the state agricultural district;
- (2) Making technical, nonsubstantive changes for the purposes of clarity and style; and
- (3) Changing the effective date to promote further discussion.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Affordable Housing and Economic Development and Taxation that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 116, H.D. 2, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 116, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 3 (Fukunaga, Ihara, Sakamoto).

SCRep. 1603 (Joint/Majority) Commerce, Consumer Protection and Affordable Housing and Ways and Means on H.B. No. 835

The purpose of this measure is to assist pineapple plantation workers affected by the closing of Del Monte Fresh Produce.

Specifically, this measure establishes a program for low-interest loans and grants for home acquisition and property rehabilitation for affected plantation workers. This measure also establishes a rental assistance program and provides supportive services to prepare displaced or affected workers for homeownership.

Your Committees received written testimony in support of this measure from the Hawaii Housing Finance and Development Corporation and the ILWU Local 142.

Your Committees find that the closing of Del Monte Fresh Produce will have a significant adverse affect on the pineapple plantation workers, as many workers and their families live in plantation homes owned by the company. With the closing of Del Monte Fresh Produce, many workers will find themselves undergoing a transition period during which they must continue to find a way to support themselves and their families. The intent of this measure is to assist the workers affected by the closing with supportive services, low-interest loans, and rental assistance.

Your Committees have amended this measure, based upon the collaborative effort of the Hawaii Housing Finance and Development Corporation and the ILWU Local 142, by:

- (1) Removing language establishing the Pineapple Workers and Retirees Housing Revolving Fund;
- (2) Amending the Pineapple Workers and Retirees Rental Housing Fund by changing it into the Pineapple Workers and Retirees Housing Assistance fund in order to provide mortgage payments or rent subsidies for affected workers; and
- (3) Removing the homeownership counseling program.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Affordable Housing and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 835, H.D. 2, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 835, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees. Ayes, 13. Noes, 1 (Slom). Excused, 3 (Ihara, Menor, Sakamoto).

SCRep. 1604 Judiciary and Labor on H.B. No. 1503

The purpose of this measure is to strengthen protections for dislocated workers by amending Hawaii's Dislocated Workers Law to provide a sixty-day notice to employees who become dislocated due to a sale, transfer, merger, and other business transaction.

The measure requires an employer to pay a civil penalty of \$500 for each day of the violation for failing to provide the required notice.

Testimony in support of this measure was received from the ILWU Local 142 and the Hawaii State AFL-CIO. Opposing testimony was received from the Chamber of Commerce of Hawaii, the Society for Human Resource Management – Hawaii Chapter (SHRM), the Retail Merchants of Hawaii, and the Hawai'i Hotel & Lodging Association. The Department of Labor and Industrial Relations provided comments.

The Hawai'i Hotel & Lodging Association expressed concerns that this measure will include a sale of an establishment that does not affect the status of the employees. Language, agreed upon by the Hawai'i Hotel & Lodging Association and the ILWU Local 142, has been added in Section 2 of this bill and discussed in the following paragraph in section (2)(a).

Your Committee has amended this bill by:

- (1) Amending the definition of "divestiture" to limit the scope of the measure to only cover the types of business transactions that cause the employee to become a dislocated worker.
- (2) Amending Section 394B-9, Hawaii Revised Statutes (HRS) by:
 - (A) Adding a new section (c) to exempt a covered establishment which is actively seeking a buyer for a sale, transfer, or merger until such time the sale, transfer, or merger results in a divestiture. If the transaction results in a divestiture then the covered establishment shall meet the requirements of this chapter; and
 - (B) Adding language to require that the money collected from the civil penalty be deposited in the Employment and Training Fund of section 383-128, HRS.
- (3) Amending the effective date to upon its approval.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1503, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1503, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1605 Judiciary and Labor on H.B. No. 1246

The purpose of this measure is to establish a felony offense of theft of copper.

Your Committee held a hearing on this bill along with H.B. No. 373, S.D.1, on scrap dealers. Your Committee received testimony in support of these bills from the Honolulu Police Department, the Honolulu Prosecutor's Office, Hawaiian Electric Company, Kuliouou/Kalani Iki Neighborhood Board #2, the Attorney General's Office, and the State Department of Transportation. Your Committee received testimony in opposition to these bills from the Public Defender's Office, Okuda Metal, Inc., and Schnitzer Steel Hawaii Corp.

Your Committee finds that besides making the theft of copper a felony, there should be regulations on the sale and purchase of scrap metal by dealers. Scrap dealers transacting the sale of stolen copper contribute to the commission of the criminal conduct.

Your Committee amended the bill by:

- (1) Incorporating the scrap dealer regulation of H.B. No. 373, S.D.1;
- (2) Retaining the existing seller's agent language to keep their transactions lawful;
- (3) Defining copper more completely; and
- (4) Requiring the reporting of suspicious sales.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1246, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1246, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Nishihara).

SCRep. 1606 Judiciary and Labor on H.B. No. 1155

The purpose of this measure is to clarify the calculation of the value of damage to agricultural products to include future losses and the loss of future production.

Your Committee received testimony in support of the bill from the Honolulu Prosecutor's Office, Alexander and Baldwin, and Hawaii Crop Improvement Association. There was no opposition to the bill.

Your Committee finds that vandalism, theft, and arson are critical problems that have a significant impact upon Hawaii's agricultural industry. This bill will strengthen the present law in calculating damages.

Your Committee amended the bill to change the effective date from January 1, 2112 to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1155, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1155, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Nishihara).

SCRep. 1607 Judiciary and Labor on H.B. No. 1406

The purpose of this measure is to expand the offenses of endangering the welfare of a minor in the first and second degree to include all controlled substances not prescribed by a physician. The measure also makes unlawful the acts of permitting a minor to inject a controlled substance, the acts of permitting a minor to inject or inhale a controlled substance that has not been prescribed by a physician for the minor.

Currently, with regard to illicit drug use, the law only recognizes the act of an individual who causes or permits a minor to inject methamphetamine as an offense under endangering the welfare of a child. This bill expanded to prohibit all controlled substances.

Your Committee received testimony in support of the bill from the Attorney General's Office and from the Department of Public Safety. The Public Defender opposed the bill.

Your Committee amended the bill to clarify that it is unlawful if the controlled substance taken was not prescribed for the minor. Your Committee also amended the bill to make the effective date July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1406, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1406, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1608 Judiciary and Labor on H.B. No. 1152

The purpose of this measure is to conform Hawaii's extended term sentencing law to address the constitutional issues raised in federal court cases as to its permissible parameters.

Your Committee received testimony in support of the bill from the Attorney General's Office and the Honolulu Prosecutor's Office. The Public Defender's Office provided comments on the bill.

Recent federal court cases have held that any fact, other than prior convictions, that increases the penalty for a crime beyond the ordinary statutory maximum, must be submitted to a jury and proved beyond a reasonable doubt. This measure imposes the proof "beyond a reasonable doubt" standard as determined by a jury in order to conform to these recent federal court rulings.

Your Committee amended the bill by deleting references to the term "poses" since it was a vague standard in determining dangerousness. Your Committee also amended the bill by changing the effective date from January 1, 2112 to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1152, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1152, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1609 Judiciary and Labor on H.B. No. 451

The purpose of this measure is to establish the graffiti eradication sentencing program within the Judiciary to coordinate the implementation, scheduling, and monitoring of graffiti eradication activities for graffiti offenders who have been sentenced to community service.

This measure also amends the offense of aggravated criminal property damage, section 708-823.5, Hawaii Revised Statutes, by deleting the five year look-back period to make the defendant subject to the charge of aggravated criminal property damage as long as the defendant has two prior convictions for criminal property damage, regardless of when they occurred.

Your Committee received testimony in support of this measure from the Downtown Neighborhood Board No. 13, Hui o Makiki, and a concerned citizen. The Judiciary offered comments on the measure.

Your Committee has amended this measure by deleting its contents and replacing them with the provisions of Senate Bill No. 228, S.D. 1, and Senate Bill No. 676, S.D. 1. As amended, this measure:

- (1) Provides that if a minor is found to have committed an act constituting graffiti, the court shall:
 - (A) Require the minor, the minor's parents, or the minor's legal guardians to remove the graffiti from the affected property within sixty days of the order and pay for the cost of paint and materials; and
 - (B) Order the minor to perform a minimum of eighty hours of community service to remove graffiti from other properties;
- (2) Reduces the number of criminal property damage convictions in the preceding five years necessary to charge a person with aggravated criminal property damage from two to one; and

- (3) Requires a person convicted of aggravated criminal property damage to perform eighty hours of community service eradicating graffiti, at the person's own expense if necessary; provided that the community service time increases to one hundred-sixty hours if the person has a prior conviction for aggravated criminal property damage.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 451, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 451, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Nishihara).

SCRep. 1610 Judiciary and Labor on H.B. No. 1818

The purpose of this measure is to permit the state and county government to rehire retired employees as permanent employees in critical-to-fill or labor-shortage positions, including exempt positions or positions exempt from the civil service laws, without affecting the retirement benefits of the rehired retirees.

Your Committee circulated a proposed Senate Draft 1 on March 30, 2007, and held a hearing on April 3, 2007. The purpose of the proposed draft is to close a loophole that could potentially allow a department head of an executive department to remain in a holdover capacity indefinitely. This loophole circumvents the constitutional requirement that the Senate advise and consent to all nominations made by the Governor for heads of executive departments.

Opposing testimony was received from the Department of Human Resources Development, Department of Land and Natural Resources, Department of Business, Economic Development & Tourism, and the Attorney General.

The Attorney General acknowledged Legislature's power in this measure by stating ". . . the Legislature's power to terminate the office of a cabinet director who is not renominated, and that the Legislature may do so, for example, as of the forty-fifth day of the legislative session following the expiration of the term of office of the cabinet member."

The Attorney General provided language stating "[u]pon the expiration of the term of a single executive department head, there shall be a vacancy, and if the single executive whose term expired is not nominated by the governor and confirmed by the senate by the end of the next regular session of the senate immediately following the expiration of the term creating the vacancy, that single executive shall cease to hold office, including in the capacity of a holdover, upon the end of that regular session of the senate."

The measure has been amended by:

- (1) Incorporating the language recommended by the Attorney General in Section 1 of the measure;
- (2) Changing the submission deadline for the Governor to submit a nomination from the forty-fifth to the forty-first day of a regular session;
- (3) Adding new language to provide that, in the event that the Governor does not designate an officer or employee to fill the vacant office within sixty days of the vacancy, certain senior employees of a respective department shall serve as the temporary executive; and
- (4) Adding new language to Section 2 that explicitly states that section 26-33, Hawaii Revised Statutes, does not affect the members of boards and commissions, except when the chair of a board or a commission is the executive of a department.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1818, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1818, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1611 Judiciary and Labor on H.B. No. 1130

The purpose of this measure is to:

- (1) Clarify the treatment of internet activity under the campaign spending law;
- (2) Require noncandidate committees to register earlier under certain circumstances;
- (3) Modify the electronic filing law, including extending mandatory electronic filing to noncandidate committees and Board of Education candidates;
- (4) Clarify provisions related to caps on contributions from nonresident individuals and persons;
- (5) Reinstate language in section 11-209(a), Hawaii Revised Statutes, that was deleted by Act 203, Session Laws of Hawaii 2005, pertaining to eligibility of candidates for the Office of the Prosecuting Attorney for partial public financing;
- (6) Increase the amounts available to candidates who apply for partial public financing; and
- (7) Make technical changes relating to filing deadlines and filing periods.

Your Committee received testimony in support of this measure from the Campaign Spending Commission and a member of the Hawaii County Council. Voter Owned Elections Hawaii, the president of Hawaii Clean Elections, a member of the League of Women Voters and numerous individuals testified in support of the bill if amended to include comprehensive public funding provisions.

Your Committee finds it inappropriate to restrict the number of fundraising events that a candidate is permitted to hold based solely on whether the candidate is running for a statewide election.

Accordingly, your Committee, with the concurrence of the State Campaign Spending Commission Executive Director, has amended this measure by:

- (1) Adding a new section to the bill that amends section 11-203, Hawaii Revised Statutes, to delete subsections (b) and (d); and

- (2) Making technical, nonsubstantive amendments for clarity and style.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1130, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1130, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1612 Water, Land, Agriculture and Hawaiian Affairs on H.B. No. 257

The purpose of this measure is to protect agricultural land by among other things:

- (1) Restricting use of agricultural land to agribusiness or subsistence farming in the county zoning and subdivision proceedings;
- (2) Clarifying that single-family dwellings and guest cottages in agricultural subdivisions without agribusiness, agricultural activity, or subsistence farming, are prohibited in agricultural districts;
- (3) Discontinuing the use of land study bureau soil classifications to categorize uses in agricultural districts;
- (4) Allowing agricultural lands to be subdivided and leased for permitted uses; provided that the principal use is for agricultural activities or agribusiness;
- (5) Increasing minimum lot sizes in agricultural districts from one acre to five acres; and
- (6) Requiring county special permits for rural district lands greater than fifteen acres and agricultural lands to be subject to the approval of the Land Use Commission.

Testimony in support of this measure was submitted by the Department of Agriculture; the Office of Planning, Department of Business, Economic Development, and Tourism; a Council Member, County of Maui; the Sierra Club, Hawai'i Chapter; and the Land Use Research Foundation of Hawaii. Testimony in opposition to this measure was submitted by the Dole Food Company Hawaii and the Hawaii Association of Realtors. The Department of Planning and Permitting, City and County of Honolulu and three individuals submitted comments.

Your Committee finds that similar provisions of this measure have been heard, decided on, and crossed over from the House of Representatives in S.B. No. 1236, S.D. 1, H.D. 1. Accordingly, your Committee has amended this measure by deleting its contents and replacing it with language from S.B. No. 1925, S.D. 2, which requires the State, in a combined effort with all state departments and agencies, to develop and maintain sustainable communities that will:

- (1) Generate at least fifty per cent of all of its energy requirements for the entire community under development, including but not limited to, residential homes and areas and services for and used by the entire community under development;
- (2) Implement a comprehensive recycling program that will enable the community to divert at least seventy-five per cent of its solid waste from the landfills;
- (3) Implement an extensive community wastewater recycling and treatment management system that would enable the community under development to treat and recycle all of its wastewater for landscaping water requirements onsite of the community and any agricultural water irrigation requirements offsite of the community;
- (4) Protect and preserve open space by designating at least fifty per cent of the entire tract of land for the residential community for open space; provided that:
 - (A) Open space shall not include areas designated for golf courses; and
 - (B) Open space shall include the shoreline, if the planned community abuts and includes shoreline space;
- (5) Promote and encourage visitation to any nearby cultural or historical sites, public beaches, shores, trails, and other outdoor recreational areas by not restricting public access to these areas; and
- (6) Provide affordable housing units by designating and reserving at least forty per cent of all of its residential units within the planned community for affordable housing units for residents to enable them to stay in Hawaii and provide shelter for their families.

Your Committee has further amended this measure to provide that state-issued permits to develop such communities would be expedited and receive priority over the processing of permit applications for the development of nonsustainable community development projects.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 257, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 257, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Slom).

SCRep. 1613 Water, Land, Agriculture and Hawaiian Affairs on H.B. No. 659

The purpose of this measure is to establish kalo, or taro, as the official state plant of Hawaii.

Testimony in support of this measure was submitted by three individuals.

Taro is sacred to Native Hawaiians and is an integral part of the Native Hawaiian culture. Taro is a culturally significant plant to the kanaka maoli, Hawaii's indigenous people. According to the kumulipo, the Hawaiian creation chant, Hawaiian genealogy emerges from the kalo plant. Taro holds great cultural and historic meaning to Native Hawaiians and is highly respected. Your Committee finds that establishing the kalo plant as the official state plant will ensure continued respect for this sacred ancestor of the Native Hawaiian people.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 659, H.D. 2, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Hee, Slom).

SCRep. 1614 Judiciary and Labor on H.B. No. 1909

The purpose of this measure is to establish legislative standards of conduct committees to enforce the Legislature's standards of conduct.

Your Committee received testimony in support of the intent of this measure from the League of Women Voters of Hawaii. The Hawaii State Ethics Commission commented on this measure.

Your Committee finds that public officials are rightfully held to high standards of conduct, and that it is important to impose stringent requirements to enhance public trust.

Accordingly, your Committee has amended this measure by deleting its contents and:

- (1) Adding a new section within chapter 78, HRS, Public Service, to require all elected officials to submit to testing for illegal drugs;
- (2) Adding a new section in chapter 84, HRS, entitled "employment of spouses; restrictions" with language derived from federal law governing executive branch employees' dealings with relatives pursuant to 5 U.S.C. section 3110;
- (3) Adding a new section to chapter 97, HRS, entitled "spouses of legislators; lobbying restricted" patterned after section 113 of United States Senate Bill 1, the proposed Legislative Transparency and Accountability Act of 2007, regarding prohibition against official contact with the spouse or immediate family member of a member of the United States Senate who is a registered lobbyist; and
- (4) Changing its effective date to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1909, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1909, HD1, SD1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1615 Judiciary and Labor on H.B. No. 676

The purpose of this measure is to protect pet animals and deter animal abuse by, among other things:

- (1) Expanding and clarifying the offense of cruelty to animals to include the following actions:
 - (A) Depriving a pet animal of necessary sustenance;
 - (B) Forcing another person to injure or kill a pet animal;
 - (C) Recklessly injuring or killing a pet animal with the intent to frighten or intimidate another person; or
 - (D) Recklessly disregarding the risk of frightening or intimidating another person.
- (2) Requiring a person convicted of such actions to be ordered to attend counseling to treat their behavior at their own expense.

Testimony in support of this measure was received from VOICES (the formerly battered women's caucus of Hawai'i) and a private citizen. Testimony in support of amending this measure to incorporate the provisions of SB 1665 was received from the Department of the Prosecuting Attorney, City and County of Honolulu. Testimony supporting raising the penalty from a misdemeanor to a felony was received from the Humane Society of the United States, the Hawaii Cat Foundation and three private citizens. The Animal CARE Foundation and eight private citizens submitted testimony opposing the measure because they believed the measure did not provide adequate penalties and should expand the law to cover inhumane treatment of other animals. One private citizen opposed the measure. Horizon Pest Management asked for the exemption of "lawful acts of pest control operators licensed by chapter 460J, Hawaii Revised Statutes (H.R.S.).

Your Committee has amended the measure by incorporating the provisions of SB 1665 which, among other things, includes the following:

- (1) Raising the penalty from a misdemeanor to a felony;
- (2) Creating a new offense of aggravated cruelty to pet animals and a definition for "pet animal";
- (3) Including endangering an animal by transporting the animal in the back of a pickup without properly restraining the animal; and
- (4) Exempting lawful acts of a pest control operator

licensed by chapter 460J, H.R.S.

It is the Committee's intent that this measure not pertain to the lawful and humane operations of breeders of pet animals. In applying the term "necessary sustenance", it should be narrowly construed as to provide access to water, food, shelter, veterinarian care, and adequate exercise.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 676, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 676, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Ayes with Reservations, 1 (Gabbard). Noes, none. Excused, 2 (Inouye, Nishihara).

SCRep. 1616 Ways and Means on H.B. No. 1569

The purpose of this measure is to appropriate funds to pay for collective bargaining cost items, salary increases, and cost adjustments for employees in collective bargaining unit (10) and their excluded counterparts.

Your Committee received comments from the Office of Collective Bargaining.

Your Committee finds that negotiations between the State and the exclusive representative of collective bargaining unit (10) are currently in progress. Accordingly, this measure must be kept alive as a vehicle for making the necessary appropriations.

Your Committee has amended this measure by:

- (1) Appropriating funds for the Hawaii employer-union health benefits trust fund costs;

- (2) Specifying a figure of \$1 for each item of appropriation; and
- (3) Making technical nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1569, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1569, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1617 Ways and Means on H.B. No. 1345

The purpose of this measure is to make emergency appropriations for emergency relief operations as a result of the October 15, 2006, Kiholo Bay earthquake.

The measure also provides funds to ensure that water irrigation sources in the North Hawaii island are sustained for the agricultural sector.

Your Committee received comments in support of this measure from the Department of Defense, the Department of Education, the Department of Land and Natural Resources, the Department of Accounting and General Services, the Department of Health, the University of Hawaii, the Judiciary, the Kohala Ditch Project Committee, the Mayor of Hawaii County, and the Daughters of Hawaii.

Your Committee has amended the measure by substituting its contents with Senate Bill No. 1431, S.D. 2, with minor changes, which provides the following:

- (1) An appropriation of \$900,000 for operational expenses associated with earthquake disaster recovery efforts, including, but not limited to national guard personnel on state active duty and helicopter operating expenses, also expenses associated with the October 15, 2006, Kiholo Bay earthquake disaster recovery efforts in the counties of Hawaii, Maui, Kauai, and the city and county of Honolulu;
- (2) An appropriation of \$24,000,000 from the emergency and budget reserve fund for earthquake disaster recovery projects to include the twenty-five per cent non-federal cost share for all earthquake disaster recovery projects and the National Resources Conservation Service's watershed protection program; and
- (3) Reporting to the Legislature by each department or agency expending funds authorized by this bill organized by county with expenditure summaries including dates, purpose and description, identification of recipients, and other related data.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1345, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1345, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1618 Ways and Means on H.B. No. 155

The purpose of this measure is to increase the ability of the telescopes on Mauna Kea and Haleakala to conduct research by reducing artificial light from new installations at airports, harbors, and highways.

The Department of Transportation, the Institute for Astronomy at the University of Hawaii, and a Maui county councilmember submitted comments in support of the measure.

Your Committee finds that the telescope research conducted at the astronomy observatories on Mauna Kea and on Haleakala is world renowned. The sites are at risk because of increasing artificial light sources, particularly from airports, harbors, and highways.

The measure requires the Department of Transportation, in compliance with newer, stricter statutes, ordinances, and rules, to reduce artificial light at airports, harbors, and highways, to the extent practicable.

Your Committee has amended the measure by:

- (1) Adding a new part II, which requires the Department of Transportation to include biofuel storage and transmission infrastructure in all harbor improvement master plans to reduce Hawaii's dependence on oil imports;
- (2) Replacing the phrase "regarding the same area" with "regarding outdoor lighting" in sections 262- and 266- to clarify that the county ordinances relate to outdoor lighting and not the geographic locations cited;
- (3) Clarifying that only new installations of highway lighting are subject to section 264- , rather than all undefined new installations; and
- (4) Making technical nonsubstantive changes for the purposes of clarity, style, and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 155, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 155, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1619 Ways and Means on H.B. No. 400

The purpose of this measure is to provide funding for drought mitigation projects and measures in each county and to appropriate funds for irrigation system capital improvement projects.

Three members of the Maui County Council, the Hawaii Farm Bureau, the County of Kauai Department of Water, and the Hawaii Agriculture Research Center submitted comments in support of the measure. The Department of Agriculture and the Department of Land and Natural Resources commented on the bill.

Your Committee finds that agriculture, and particularly crop production, is an important part of Hawaii's economy. Droughts can affect crop yields, the livestock industry, water supply, commerce, the environment, and public health.

Your Committee finds that an appropriation is necessary to further develop and implement previously developed drought plans. In addition, an appropriation is necessary to maintain and improve a reliable irrigation system on each island to ensure the viability of Hawaii's agricultural industry.

Your Committee has amended the measure by:

- (1) Directly appropriating the proceeds of the general obligation bonds authorized, rather than depositing those funds into the irrigation repair and maintenance fund in section 4 of the bill;
- (2) Changing the appropriations to unspecified amounts; and
- (3) Changing the effective date of the Act from upon approval to July 1, 2050, to facilitate further discussion.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 400, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 400, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Whalen).

SCRep. 1620 Ways and Means on H.B. No. 1322

The purpose of this measure is to establish fees under the insurance code for licenses and services relating to limited line motor vehicle rental company producers.

Furthermore, this measure eliminates the requirement that licensed adjusters and independent bill reviewers must have and maintain a place of business in this State.

Your Committee received comments in support of this measure from the Department of Commerce and Consumer Affairs, Insurance Division.

Your Committee finds that this measure will correct an inadvertent error from a prior year's act which repealed the fee provisions rather than simply move them from one article of the code to another article, as had been intended. Your Committee also finds that by eliminating the requirement of having a place of business in this State, this measure will recognize the place where transactions are principally conducted as the place of business of adjusters and independent bill reviewers.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1322, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (Chun Oakland, Menor).

SCRep. 1621 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 419 and 356

Recommending that the Senate advise and consent to the nominations of the following:

ISLAND BURIAL COUNCIL, ISLAND OF OAHU

G.M. No. 419 CHARLES ANDREW EHRHORN, for a term to expire 6-30-2011;

ISLAND BURIAL COUNCIL, ISLANDS OF KAUA'I AND NI'HAU

G.M. No. 356 CLISSON KUNANE AIPOALANI, for a term to expire 6-30-2010

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Charles Andrew Ehrhorn (Island of Oahu) and Clisson Kunane Aipoalani (Islands of Kaua'i and Ni'ihau) and to have the necessary qualifications to be nominated to the Island Burial Council.

Testimony in support of Charles Andrew Ehrhorn's nomination was submitted by the Department of Land and Natural Resources, and four individuals.

Mr. Ehrhorn received his Bachelor of Architecture from the University of Oregon and his Master of Regional Planning at Cornell University. He has extensive experience in architecture, land use, and regional planning, and spent over twenty years with Campbell Estate as an Asset Manager and Land Planning Coordinator and Manager before becoming a Consultant for C & J Land Planning, LLC in 2003. Mr. Ehrhorn is completing his first term on the Island Burial Council and is seeking a second term representing large property owners on Oahu. During his recent term, he has done an excellent job in providing the Council and the community with valuable land use and land development knowledge, experience, and insights. His demonstrated experience in land use and planning, and commitment to the Council during his last term makes him a valuable asset to the Island Burial Council, Island of Oahu.

Testimony in support of Clisson Kunane Aipoalani's nomination was submitted by the Department of Land and Natural Resources and two individuals.

Mr. Aipoalani is a graduate of Waimea High School and received his Associate of Arts degree in Data Processing and Business Management from Heald Business College. After an honorable discharge from the United States Army, he went on to hold various accounting clerk and data processing positions with AMFAC Sugar/Kekaha Sugar Co. Ltd., AMFAC Land Company, and Kauai Teacher Federal Credit Union. Currently, he serves as a Transportation Clerk at ITT Industries. Mr. Aipoalani is being nominated to represent the Waimea region on the Island Burial Council, Islands of Kaua'i and Ni'ihau. He has extensive knowledge and experience in caring for and protecting the iwi and is committed to continuing the legacy of the kupuna. He has a strong connection to the Waimea District on Kauai where his family still maintains their family gravesite at Po'oahonu. Mr. Aipoalani has the understanding and requisite cultural sensitivity to serve on and will be a valuable asset to the Island Burial Council, Islands of Kaua'i and Ni'ihau.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Hee).

SCRep. 1622 (Joint) Education and Energy and Environment on S.C.R. No. 194

The purpose of this measure is to protect people and property by requesting the University of Hawaii to conduct a study on the molucca albizia tree.

Testimony in support of this measure was submitted by the Hawaii Forest Industry Association, Paradise Park, Inc., and the Ala Wai Watershed Association.

Your Committees find that the molucca albizia was first introduced to Hawaii in 1917 as an ornamental tree and is now present on every island in the State. The molucca albizia has adapted to the semi-moist areas below 1,500 feet in elevation, can grow to more than one hundred feet tall, and has soft and brittle wood that makes its large branches susceptible to breaking in high winds. Your Committees further find that these attributes make the molucca albizia potentially dangerous to people and property in close proximity to it, including watershed areas. This measure requests the University of Hawaii to study the molucca albizia tree to determine whether and how it may be eradicated from Hawaii. Your Committees believe that this study is necessary to protect the health and safety of the State's residents.

Your Committees have amended this measure by adding language to request the University of Hawaii to include in its study, an inventory of trees and necessary components for eradication pilot projects in areas in addition to Manoa and the Ala Wai watershed.

As affirmed by the records of votes of the members of your Committees on Education and Energy and Environment that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 194, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 194, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 9. Noes, none. Excused, 3 (Hee, Kokubun, Gabbard).

SCRep. 1623 (Joint) Education and Tourism and Government Operations on S.C.R. No. 42

The purpose of this measure is to increase experiential learning opportunities throughout the State by requesting the Department of Education to provide a percentage preference to contractors who offer experiential learning opportunities in competitive sealed bids or requests for proposals and include a requirement for experiential learning opportunities in competitive sealed bids criteria or evaluation factors for requests for proposals.

Testimony in support of this measure was submitted by the Workforce Development Council. Testimony in opposition to this measure was submitted by the Department of Education. Comments on this measure were submitted by the Department of Accounting and General Services and the State Procurement Office.

Your Committees find that the State needs to focus efforts and resources on developing a highly qualified and skilled workforce to meet the changing needs of the State. Experiential learning is one way by which students can benefit from the opportunities to learn and gain experience in various fields while businesses can also benefit from additional assistance and workforce development. Experiential learning is learning through actual experience, allowing students to test academic theories through real world applications. Your Committee believes that experiential learning provides students with an invaluable opportunity to relate their studies to real world experiences.

Your Committees further find that construction is a strong component of Hawaii's economy. The supply of building trade artisans needs to be augmented in order to meet the needs of Hawaii's growing and booming construction industry. This measure seeks to meet the needs of the workforce and the construction industry by requesting the Department of Education to favorably consider bids or requests for proposals that include experiential learning opportunities when securing services for public school capital improvement projects. Testimony provided questioned the propriety of establishing preferences, when the same or similar end can be accomplished through including experiential learning opportunities as a requirement for sealed bids criteria or in evaluation factors for requests for proposals. Testimony provided also indicated that this practice may be readily instituted by any government agency, with the Department of Accounting and General Services representing that it would consider the practice as well.

Accordingly, your Committees have amended this measure and its title by:

- (1) Encouraging the Department of Education and the Department of Accounting and General Services to provide experiential learning opportunities for students by including an experiential learning opportunity requirement in sealed bid criteria and in the evaluation factors for requests for proposals and changing the title and content of this measure to reflect this change;
- (2) Removing language regarding the establishment of a percentage preference for contractors offering experiential learning opportunities in competitive sealed bids or requests for proposals; and
- (3) Including a reporting requirement for the Department of Accounting and General Services on its efforts to support experiential learning opportunities under this measure.

As affirmed by the records of votes of the members of your Committees on Education and Tourism and Government Operations that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 42, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 42, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 4 (Chun Oakland, Hee, Taniguchi, Tsutsui).

SCRep. 1624 (Joint) Education and Tourism and Government Operations on S.R. No. 22

The purpose of this measure is to increase experiential learning opportunities throughout the State by requesting the Department of Education to provide a percentage preference to contractors who offer experiential learning opportunities in competitive sealed bids or requests for proposals and include a requirement for experiential learning opportunities in competitive sealed bids criteria or evaluation factors for requests for proposals.

Testimony in support of this measure was submitted by the Workforce Development Council. Testimony in opposition to this measure was submitted by the Department of Education. Comments on this measure were submitted by the Department of Accounting and General Services and the State Procurement Office.

Your Committees find that the State needs to focus efforts and resources on developing a highly qualified and skilled workforce to meet the changing needs of the State. Experiential learning is one way by which students can benefit from the opportunities to learn and gain experience in various fields while businesses can also benefit from additional assistance and workforce development. Experiential learning is learning through actual experience, allowing students to test academic theories through real world applications. Your Committee believes that experiential learning provides students with an invaluable opportunity to relate their studies to real world experiences.

Your Committees further find that construction is a strong component of Hawaii's economy. The supply of building trade artisans needs to be augmented in order to meet the needs of Hawaii's growing and booming construction industry. This measure seeks to meet the needs of the workforce and the construction industry by requesting the Department of Education to favorably consider bids or requests for proposals that include experiential learning opportunities when securing services for public school capital improvement projects. Testimony provided questioned the propriety of establishing preferences, when the same or similar end can be accomplished through including experiential learning opportunities as a requirement for sealed bids criteria or in evaluation factors for requests for proposals. Testimony provided also indicated that this practice may be readily instituted by any government agency, with the Department of Accounting and General Services representing that it would consider the practice as well.

Accordingly, your Committees have amended this measure and its title by:

- (1) Encouraging the Department of Education and the Department of Accounting and General Services to provide experiential learning opportunities for students by including an experiential learning opportunity requirement in sealed bid criteria and in the evaluation factors for requests for proposals and changing the title and content of this measure to reflect this change;

As affirmed by the records of votes of the members of your Committees on Education and Tourism and Government Operations that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 22, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 22, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 4 (Chun Oakland, Hee, Taniguchi, Tsutsui).

SCRep. 1625 (Joint) Health and Education on S.C.R. No. 113

The purpose of this measure is to increase public awareness and prevention of skin cancer.

Specifically, this measure:

- (1) Encourages the Department of Health to:
 - (A) Develop a program, that includes public service announcements, to educate all residents and visitors on the dangers of skin cancer and the importance of sun protection;
 - (B) Develop a program to encourage residents to receive regular skin cancer screenings from their health care provider; and
 - (C) Examine the benefits of dark automobile window tinting for persons with skin conditions that make them more sensitive to sunlight;
- (2) Urges the Department of Health to:
 - (A) Work with the Department of Education to develop and implement a program in all public schools to educate Hawaii's students on the dangers of sun exposure and the ways that they may protect themselves against skin cancer; and
 - (B) Begin data collection on the incidence of all forms of skin cancer among residents of Hawaii, including melanoma, basal cell carcinoma, and squamous cell carcinoma; and
- (3) Encourages the Department of Health to develop a program to encourage residents to receive regular skin cancer screenings from their health care provider.

Testimony in support of this measure was submitted by the University of Hawai'i and one individual. Comments supporting the intent of this measure were submitted by the Department of Education and the Department of Health.

Your Committees find that citizens of and visitors to Hawaii are exposed to high doses of ultraviolet radiation from the sun on a daily basis. Your Committees further find that ninety per cent of all skin cancer cases are developed from sun exposure that is easily preventable by using simple protection measures.

Your Committees further find that valuable state resources could be saved through prevention efforts including public education and awareness campaigns and by tracking incidences of skin cancer to better understand its causes and effects in Hawaii.

As affirmed by the records of votes of the members of your Committees on Health and Education that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 113 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 10. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1626 (Joint) Health and Education on S.R. No. 70

The purpose of this measure is to increase public awareness and prevention of skin cancer.

Specifically, this measure:

- (1) Encourages the Department of Health to:
 - (A) Develop a program, that includes public service announcements, to educate all residents and visitors on the dangers of skin cancer and the importance of sun protection;
 - (B) Develop a program to encourage residents to receive regular skin cancer screenings from their health care provider; and
 - (C) Examine the benefits of dark automobile window tinting for persons with skin conditions that make them more sensitive to sunlight;
- (2) Urges the Department of Health to:
 - (A) Work with the Department of Education to develop and implement a program in all public schools to educate Hawaii's students on the dangers of sun exposure and the ways that they may protect themselves against skin cancer; and
 - (B) Begin data collection on the incidence of all forms of skin cancer among residents of Hawaii, including melanoma, basal cell carcinoma, and squamous cell carcinoma; and
- (3) Encourages the Department of Health to develop a program to encourage residents to receive regular skin cancer screenings from their health care provider.

Testimony in support of this measure was submitted by the University of Hawai'i and one individual. Comments supporting the intent of this measure were submitted by the Department of Education and the Department of Health.

Your Committees find that citizens of and visitors to Hawaii are exposed to high doses of ultraviolet radiation from the sun on a daily basis. Your Committees further find that ninety per cent of all skin cancer cases are developed from sun exposure that is easily preventable by using simple protection measures.

Your Committees further find that valuable state resources could be saved through prevention efforts including public education and awareness campaigns and by tracking incidences of skin cancer to better understand its causes and effects in Hawaii.

As affirmed by the records of votes of the members of your Committees on Health and Education that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 70 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 10. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1627 Health on S.C.R. No. 212

The purpose of this measure is to examine all relevant issues, other than medical malpractice liability and insurance premiums, which may contribute to the exodus of physicians from the State.

Your Committee received testimony in support of this measure with comments from the Consumer Lawyers of Hawaii and the Department of Health.

Your Committee finds that a severe shortage of physicians currently exists in Hawaii. The actual cause of this shortage needs to be ascertained so as to not exacerbate the physician shortage in the future.

Your Committee amended this measure by including the State's Department of Labor and Industrial Relations Workforce Development Council, a representative of Consumer Lawyers of Hawaii, and a representative of the health professional organizations in the task force membership.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 212, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 212, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1628 Health on S.C.R. No. 202

The purpose of this measure is to ensure that the children in Hawaii are adequately protected from the pneumococcal disease by requesting the Department of Health to review the State's vaccination requirements and to determine whether vaccination for this disease should be added to the current list of required vaccinations.

Your Committee received testimony in support of this measure from Wyeth Pharmaceuticals and one individual. Your Committee received testimony in opposition to this measure from the Department of Health.

Your Committee finds that the pneumococcal conjugate vaccine has been shown to be safe, effective, and widely available. However, many children in Hawaii are still unprotected against the potentially fatal infections caused by the invasive pneumococcal disease.

Your Committee further finds that the Department of Health stated in its testimony that they have already began the process of convening an Administrative Rules Working Group that will update the school immunization requirements. It is the intent of your Committee that this measure serve to encourage the Department of Health to expedite this process in light of the urgent need to have appropriate and up-to-date immunization requirements that will protect the health of children in Hawaii.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 202 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1629 Health on S.R. No. 129

The purpose of this measure is to ensure that the children in Hawaii are adequately protected from the pneumococcal disease by requesting the Department of Health to review the State's vaccination requirements and to determine whether vaccination for this disease should be added to the current list of required vaccinations.

Your Committee received testimony in support of this measure from Wyeth Pharmaceuticals and one individual. Your Committee received testimony in opposition to this measure from the Department of Health.

Your Committee finds that the pneumococcal conjugate vaccine has been shown to be safe, effective, and widely available. However, many children in Hawaii are still unprotected against the potentially fatal infections caused by the invasive pneumococcal disease.

Your Committee further finds that the Department of Health stated in its testimony that they have already began the process of convening an Administrative Rules Working Group that will update the school immunization requirements. It is the intent of your Committee that this measure serve to encourage the Department of Health to expedite this process in light of the urgent need to have appropriate and up-to-date immunization requirements that will protect the health of children in Hawaii.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 129 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1630 (Joint/Majority) Intergovernmental and Military Affairs and Transportation and International Affairs on S.C.R. No. 216

The purpose of this measure is to request that Hawaii's Congressional Delegation support the Global Democracy Promotion Act.

Your Committees did not receive testimony on this measure.

Your Committees find that the "Global Gag Rule" was implemented in 2001 by President George W. Bush and is a harmful policy that bans foreign family planning programs that receive financial aid from the United States, from using their own moneys to provide counseling on abortion services, family planning advocacy, referrals, and other services to women.

Your Committees further find that the "Global Gag Rule" undermines a key goal of United States foreign policy to improve healthcare in developing nations and is the cause of the deaths of some of the poorest women in the world.

Your Committees further find that, according to the World Health Organization, over 80,000 women and girls die from unsafe abortions every year and that number is expected to reach as many as 200,000.

Your Committees further find that the Global Democracy Promotion Act makes clear that funds from the United States may not be denied to overseas nongovernmental organizations based on the type of medical services provided.

It is the intent of your Committees to request that Hawaii's Congressional Delegation support the Global Democracy Promotion Act, which would repeal the "Global Gag Rule" and release much-needed funds for international family planning programs.

As affirmed by the records of votes of the members of your Committees on Intergovernmental and Military Affairs and Transportation and International Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 216 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 4. Noes, 2 (Gabbard, Hemmings). Excused, 2 (Hooser, Taniguchi).

SCRep. 1631 (Joint/Majority) Intergovernmental and Military Affairs and Transportation and International Affairs on S.R. No. 140

The purpose of this measure is to request that Hawaii's Congressional Delegation support the Global Democracy Promotion Act.

Your Committees did not receive testimony on this measure.

Your Committees find that the "Global Gag Rule" was implemented in 2001 by President George W. Bush and is a harmful policy that bans foreign family planning programs that receive financial aid from the United States, from using their own moneys to provide counseling on abortion services, family planning advocacy, referrals, and other services to women.

Your Committees further find that the "Global Gag Rule" undermines a key goal of United States foreign policy to improve healthcare in developing nations and is the cause of the deaths of some of the poorest women in the world.

Your Committees further find that, according to the World Health Organization, over 80,000 women and girls die from unsafe abortions every year and that number is expected to reach as many as 200,000.

Your Committees further find that the Global Democracy Promotion Act makes clear that funds from the United States may not be denied to overseas nongovernmental organizations based on the type of medical services provided.

It is the intent of your Committees to request that Hawaii's Congressional Delegation support the Global Democracy Promotion Act, which would repeal the "Global Gag Rule" and release much-needed funds for international family planning programs.

As affirmed by the records of votes of the members of your Committees on Intergovernmental and Military Affairs and Transportation and International Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 140 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 4. Noes, 2 (Gabbard, Hemmings). Excused, 2 (Hooser, Taniguchi).

SCRep. 1632 Water, Land, Agriculture and Hawaiian Affairs on S.C.R. No. 64

The purpose of this measure is to promote increased self-governance by Hawaiian homestead community organizations over the affairs of their distinct Native Hawaiian communities on Hawaiian Home Lands by requesting the Department of Hawaiian Home Lands to establish a Hawaiian homestead community self-governance task force.

Specifically, this measure requests that the task force review the steps necessary for the State to delegate authorities relating to the administration of the Hawaiian Homes Commission Act, 1920, as amended, to democratically-elected Hawaiian homestead community self-governance organizations, including criteria, methods or procedures, and requirements that will be necessary to develop, implement, and effectuate the delegation of administrative authority.

Testimony in support of this measure was submitted by the Department of Hawaiian Home Lands, Hui Kako`o `Aina Ho`opulapula, and the Waimea Hawaiian Homesteaders' Association, Inc.

Act 302, Session Laws of Hawaii 2001, was enacted to promote increased self-governance by Hawaiian homestead community organizations over the affairs of their distinct Native Hawaiian communities on Hawaiian Home Lands. Although Act 302, now codified under section 201.6 of the Hawaiian Homes Commission Act, 1920, as amended, is currently pending consent by the United States Congress, Hawaiian homestead community organizations want to begin the process of implementing section 201.6. Thus, your Committee finds that establishing a Hawaiian homestead community self-governance task force will assist in moving this process forward, and enable discussion, and the development and implementation of the steps that will be necessary to delegate authorities relating to the Hawaiian Homes Commission Act, 1920, as amended, to Hawaiian homestead community self-governance organizations.

Your Committee has amended this measure by clarifying throughout the measure that the purpose of the task force will be to develop and review the steps necessary to delegate authorities to Hawaiian homestead community self-governance organizations rather than merely review the steps.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 64, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 64, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Hee).

SCRep. 1633 Ways and Means on H.B. No. 1435

The purpose of this measure is to specify what constitutes private funds for the purposes of the matching requirements under Act 97, Session Laws of Hawaii 2006.

This measure also extends until June 30, 2009, the date on which funds appropriated by Act 97, Session Laws of Hawaii 2006, shall lapse.

Your Committee received comments in support of the measure from the State Foundation on Culture and the Arts, the Honolulu Symphony, the ILWU, Local 142, and several concerned citizens.

Your Committee finds that Act 97 appropriated general funds for fiscal year 2006-2007 into the State of Hawaii endowment fund for the production of music by an Oahu-based symphony orchestra. The Act requires matching private funds, but does not specify the forms in which the private funds can be made.

Your Committee has amended this measure by making technical nonsubstantive changes for the purpose of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1435, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1435, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (Kim, Whalen).

SCRep. 1634 Ways and Means on H.B. No. 310

The purpose of this measure is to establish a Hawaii Broadband Task Force to create a Hawaii statewide internet access plan for the development of a high-speed internet broadband system.

Your Committee received comments in support of this measure from the University of Hawaii, NovSol, Global Brain, and three concerned citizens. The Department of Accounting and General Services and the Department of Business, Economic Development, and Tourism submitted comments on the measure. A concerned citizen submitted comments opposed to the measure.

Your Committee has amended the measure by:

- (1) Changing the composition of the Task Force to include:
 - (A) An unspecified number of members of the Senate Committee on Economic Development and Taxation, appointed by the President of the Senate;
 - (B) An unspecified number of members of the House of Representatives Committee on Economic Development and Business Concerns appointed by the Speaker of the House of Representatives;
 - (C) Representatives from federal, state, and county government entities;
 - (D) Representatives from Hawaii's private sector technology, telecommunication, and investment industries; and
 - (E) Representatives of nonprofit organizations; and
- (2) Requiring the Task Force to:
 - (A) Identify action that will produce increased investment in, and the availability of advanced broadband capabilities at more affordable rates;

- (B) Identify administrative actions that will promote broadband access and usage within the State;
- (C) Recommend proposals to eliminate barriers to broadband access;
- (D) Focus attention on broadband use by educational, healthcare, and other institutions;
- (E) Consult with stakeholders to obtain funding for broadband deployment and development projects;
- (F) Identify best practices to establish a database for deploying broadband; and
- (G) Encourage government agencies to use broadband and to study the feasibility of, and the utility of various services that broadband provides.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 310, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 310, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Whalen).

SCRep. 1635 (Majority) Ways and Means on H.B. No. 777

The purpose of this measure is to recruit and retain qualified teachers for employment in rural schools in the State.

Specifically, this measure creates a new educator loan forgiveness program within the Department of Education similar to the educator loan program within the University of Hawaii that seeks to recruit and retain teachers for employment in hard-to-fill positions in the Hawaii public schools.

Your Committee received comments in support of this measure from the Hawaii State Teachers Association. The Department of Budget and Finance offered comments in opposition. The Department of Education and the University of Hawaii offered comments.

Your Committee finds that this measure will result in creating a program and special fund within the Department of Education that are parallel to an existing program and special fund within the University of Hawaii.

Accordingly, upon further consideration, your Committee has amended this measure to:

- (1) Delete the proposed educator loan forgiveness program and special fund;
- (2) Expand the existing Hawaii educator loan program within the University of Hawaii by adding to it the new features of the deleted educator loan forgiveness program;
- (3) Deleting the redundant forgiveness, repayment, and collection provisions of the Hawaii educator loan program in section 304A-702, Hawaii Revised Statutes, as they are now contained in section 304A-701;
- (4) Deleting the appropriations for the erstwhile educator loan forgiveness program special fund; and
- (5) Making technical nonsubstantive amendments for the purposes of clarity and style.

As a result of these amendments, the State will avoid inefficiency and confusion of having two parallel programs operate within the Department of Education and the University of Hawaii. Your Committee finds that the consolidated and expanded Hawaii educator loan program incorporates the recruitment and retention of teachers to teach in rural areas of the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 777, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 777, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, 1 (Hemmings). Excused, 1 (Whalen).

SCRep. 1636 Ways and Means on H.B. No. 1787

The purpose of this measure is to promote the application for energy efficiency performance contracts by state agencies.

Specifically, this measure:

- (1) Replaces the definition of "energy-savings performance contract" with "energy performance contract" along the lines of how that term is defined in section 36-41(d), Hawaii Revised Statutes;
- (2) Extends the maximum term of energy performance contracts from fifteen to twenty years;
- (3) Includes commissioning and retro-commissioning in the definition of energy performance contracts for state facilities;
- (4) Deletes provisions authorizing the Comptroller and Director of Finance to exempt an energy project from advertising and competitive bidding requirements; and
- (5) Allows the Comptroller, rather than the senior agency officer, along with the Director of Finance to approve any alterations of energy performance contracting.

Comments in support of this measure were submitted by the Department of Business, Economic Development, and Tourism, the Department of Accounting and General Services, the Hawaii Energy Policy Forum, Honolulu Seawater Air Conditioning, LLC, the Sierra Club, Hawaii Chapter, and thirteen concerned individuals. Hawaiian Electric Company submitted comments on this measure.

Your Committee finds that extending the duration of energy performance contracts from fifteen to twenty years, and providing greater flexibility in the procurement exemption process for state energy projects will lead to the promotion of energy efficiency in state contracting. As a result, the State as a whole will experience greater conservation and energy efficiency. Your Committee further finds that it is important to

include commissioning and retro-commissioning in the definition of energy performance contracts for state facilities to ensure that energy performance meets and continues to meet established criteria.

Your Committee has amended this measure by:

- (1) Adding definitions of “commissioning” and “retro-commissioning”; and
- (2) Replacing “section 103D-208” with the words “or their designees” at page 5, line 6.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1787, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1787, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1637 Ways and Means on H.B. No. 1670

The purpose of this measure is to create the Ingenuity Company, a private, for-profit limited liability company that will assist inventors and other creators of intellectual property and benefit the education and workforce development sectors.

Specifically, Ingenuity Company will:

- (1) Acquire, invest in, license, use, and sell intellectual property and other property for the overall benefit of inventors, labor unions, and public educators; and
- (2) Uphold the intellectual property rights of, and ensure fair labor practices and health and environmental standards for, inventors and creators of intellectual property.

Comments in support of this measure were received by the Hawaii State Teachers Association, the Professional Inventors Alliance, Unite Here Local 5 Hawaii, Vivalog Technologies, and two individuals. The Department of Budget and Finance submitted comments in opposition. The Department of Education and the Department of Business, Economic Development, and Tourism submitted comments.

Your Committee finds that Hawaii needs to attract inventors and other creators of intellectual property to diversify and strengthen the State’s economy and build its reputation as a center of innovation. Your Committee also finds that the Ingenuity Company, which will be governed by a Board of Directors representing both the creators of intellectual property and educational or labor beneficiaries, is an opportunity to fund educational initiatives contributing to workforce skills needed in a global economy.

Your Committee has amended this measure by:

- (1) Deleting the provision that required the Board of Directors to meet on the second Tuesday of each month to provide a general requirement that the Board shall meet monthly;
- (2) Delete the provision authorizing the managing member to appoint board members; and
- (3) Making technical nonsubstantive changes for the purposes of consistency and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1670, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1670, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1638 Ways and Means on H.B. No. 226

The purpose of this measure is to reduce greenhouse gas emissions in Hawaii.

Specifically, this measure:

- (1) Requires the Department of Health to establish a statewide greenhouse gas emissions limit, equivalent to the statewide levels in 1990, which must be met by 2020;
- (2) Requires the Department to adopt rules relating to greenhouse gas emission limits and emission reduction measures to achieve the maximum technologically feasible and cost-effective reductions;
- (3) Requires the Department to regularly report and verify statewide greenhouse gas emissions and also to monitor and enforce compliance; and
- (4) Authorizes the adoption of market-based mechanisms as a means of ensuring compliance.

Your Committee received comments in support of this measure from the Sierra Club, Hawaii Chapter, Honolulu Seawater Air Conditioning, L.L.C., and forty-eight concerned individuals. The Department of Business, Economic Development, and Tourism and the Hawaiian Electric Company submitted comments on this measure.

Your Committee finds that it is essential that Hawaii make progress in its efforts to reduce emissions of greenhouse gases. A comprehensive statewide greenhouse gas reduction program will serve as an example to other states, but will also position the State’s economy, technology centers, financial institutions, and businesses to benefit from national and international efforts to reduce emissions of greenhouse gases.

Your Committee finds that, to fully create a comprehensive strategy for reducing greenhouse gas emissions in the State, the scope of the problem must be fully known. Your Committee believes that an inventory of greenhouse gas sources must be made prior to the implementation of any emissions reduction plan.

Accordingly, your Committee has amended this measure by:

- (1) Adding provisions, designated as part I, to:

- (A) Require the Department of Health to inventory Hawaii emissions sources and prepare an update to "Inventory of Hawaii Greenhouse Gas Emissions Estimates for 1990," to be submitted to the Legislature in 2008 and 2009;
- (B) Appropriate moneys for the preparation of the inventory and the update;
- (C) Appropriate moneys to the Hawaii Energy Policy Forum of the University of Hawaii at Manoa to convene stakeholders to develop a plan with a timetable for greenhouse gas emissions reductions;
- (2) Making the effective date of the foregoing provisions July 1, 2007;
- (3) Designating the existing provisions of the measure as part II and renumbering all sections consecutively; and
- (4) Making technical nonsubstantive amendments for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 226, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 226, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1639 (Majority) Ways and Means on H.B. No. 1356

The purpose of this measure is to support former foster youths.

Specifically, the measure increases the age up to which a former foster youth can apply for board allowance while pursuing higher education from twenty-one to twenty-six and establishes that the maximum duration of board allowance is sixty months.

The Legal Aid Society of Hawaii, the Hawaii Family Forum & the Roman Catholic Church in Hawaii, and the Hawaii Youth Services Network submitted comments in support of the measure. The Department of Human Services submitted comments.

Your Committee finds that this measure improves education prospects of former foster youths. Under current law, there is only a short timeframe during which a former foster youth can apply for certain benefits and often, the former foster youths are not aware of becoming eligible for these benefits upon reaching majority.

Your Committee finds that increasing the age of eligibility of former foster youths to apply for board allowance and consequently to lengthen the timeframe during which they can apply for this benefit provides the former foster youths with an opportunity to pursue higher education and to become a well- educated adult.

Your Committee amended the measure by making a technical nonsubstantive amendment to comply with Ramseyer formatting conventions.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1356, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1356, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, 1 (Hemmings). Excused, 1 (Menor).

SCRep. 1640 Ways and Means on H.B. No. 104

The purpose of this measure is to meet rising health care costs and ensure that Hawaii's residents have continued access to quality health care.

This measure accomplishes this purpose by:

- (1) Establishing a process by which medicaid fee-for-service individual provider reimbursement rates are increased annually for inflation;
- (2) Retroactively adjusting for inflation, payments made to providers of hospital outpatient services and other individual providers to account for the lack of a rate increase for the past five years; and
- (3) Appropriating funds:
 - (A) To increase the medicaid fee schedule to one hundred per cent of the medicare fee schedule for the current year;
 - (B) To adjust for inflation payments made to medicaid fee-for-service hospitals during fiscal biennium 2005-2007; and
 - (C) For the State's portion of the federal disproportionate share hospital allowance.

Your Committee received comments in support of this measure from Hawaii Health Pacific, the Hawaii Medical Services Association, the Chamber of Commerce of Hawaii, the Hawaii Primary Care Association, and the American Physical Therapy Association, Hawaii chapter. The Department of Human Services and the Healthcare Association of Hawaii offered comments.

Upon further consideration, your Committee has amended this measure by changing all appropriated amounts to unspecified amounts for the purpose of facilitating further discussion.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 104, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 104, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1641 Ways and Means on H.B. No. 1008

The purpose of this measure is to establish the Hawaii children's health care program and the Hawaii infant care program as temporary three-year pilot programs to expand and monitor health care coverage for certain eligible children in Hawaii.

Specifically, this measure:

- (1) Provides continuous, quality health care services to uninsured newborn children who are one day, but not more than thirty days of age through the Hawaii infant care program; provided that these children may enroll in the Hawaii children's health care program upon reaching thirty-one days of age;
- (2) Provides health care coverage to certain uninsured children who are at least thirty-one days, but less than nineteen years old through a public-private partnership between the Department of Human Services and one or more managed care plans operating in the State under chapter 432, Hawaii Revised Statutes, that offers accident and health or sickness insurance plans;
- (3) Provides medical care free-of-charge for certain children less than nineteen years of age whose family income is at or below three hundred per cent of the federal poverty level for Hawaii;
- (4) Provides medical assistance under QUEST-Net at no charge to children less than nineteen years of age whose family income is above two hundred fifty per cent and does not exceed three hundred per cent of the federal poverty level for Hawaii and who are otherwise eligible for QUEST-Net benefits;
- (5) Requires the Department of Human Services to submit to the Legislature a report on the pilot programs prior to the convening of the 2008 Regular Session, and annually, thereafter; and
- (6) Makes appropriations.

Your Committee received comments in support of this measure from the Hawaii Primary Care Association, the Hawaii Family Forum, the Roman Catholic Church in Hawaii, Hawaii Pacific Health, and the Hawaii Medical Services Association. The Department of Human Services and the Attorney General offered comments.

Upon further consideration, your Committee has amended this measure by:

- (1) Clarifying that children to be served must live in Hawaii to avoid the ambiguity of Hawaii residency requirements; and
- (2) Changing all appropriated amounts to unspecified amounts for the purpose of facilitating further discussion.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1008, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1008, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1642 Ways and Means on H.B. No. 367

The purpose of this measure is to reduce the incidence of alcohol and drug abuse.

Specifically, this measure:

- (1) Encourages emergency room physicians to offer to refer patients whom they believe abuse drugs or alcohol, to alcohol and drug abuse screening and counseling; and
- (2) Appropriates an unspecified amount to establish a two-year pilot program, to be administered by the John A. Burns School of Medicine, to offer screening, brief intervention, and treatment referral, within the emergency department of a major urban medical facility in Honolulu.

Your Committee received comments in support of this measure from the Office of the Lieutenant Governor and the Board of Medical Examiners. The Department of Health, the University of Hawaii John A. Burns School of Medicine, and a concerned licensed social worker submitted comments.

Your Committee finds that screening, counseling, and referral to treatment programs are effective techniques to reduce alcohol and drug problems. An emergency room setting offers an opportunity when patients are most receptive to intervention and counseling to address underlying drug or alcohol issues. Your Committee further finds that this measure provides a means to maximize this opportune moment to intervene and offer outreach to help treat drug and alcohol problems.

Your Committee has amended this measure by removing the existing language and replacing it with S.B. No. 1481, S.D. 2, which establishes and funds a pilot program for screening, brief intervention, and referral to substance abuse treatment. Your Committee believes the language of S.B. No. 1481, S.D. 2, more clearly describes the model federal program upon which the envisioned pilot program is based.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 367, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 367, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1643 Ways and Means on H.B. No. 531

The purpose of this measure is to study the feasibility of expanding Hawaii's early intervention section to continue services for children three to five years of age.

Specifically, this measure creates a temporary "Hawaii 3-5 transition" task force convened by the Department of Health to identify the potential number of children for various program services, research evidence-based practices, define an array of services, project costs, conduct a needs assessment of families, and report to the Legislature not later than twenty days prior to the convening of the Regular Session of 2008. The report is to include recommendations regarding the feasibility of expanding Hawaii's early intervention section to serve children between the ages of three to five years of age with developmental delays and, if feasible, eligibility and service models, and implementation plan, and a timeline to begin services. The measure also appropriates \$120,000 for fiscal year 2007-2008 to fund the operation of the task force.

Your Committee received comments in support of this measure from the Department of Education, the State Council on Developmental Disabilities, the Good Beginnings Alliance, the Hawaii Down Syndrome Congress, the Aloha Place, and eleven individuals. The Department of Health and the Center on Disability Studies offered comments.

Upon further consideration, your Committee has amended this measure by:

- (1) Clarifying in the purpose section that Section 619 of Part B of the Individuals with Disabilities Education Improvement Act implements the earlier landmark Public Law 94-142, known as the Individuals with Disabilities Education Act, which ensures a free and appropriate public education for individuals with disabilities;
- (2) Changing the \$120,000 appropriating amount to an unspecified amount for the purpose of facilitating further discussion; and
- (3) Making technical nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 531, H.D. 3, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 531, H.D. 3, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1644 Ways and Means on H.B. No. 1746

The purpose of this measure is to extend the sunset date of the law permitting employee organizations to establish a voluntary employees' beneficiary association trust.

The measure also requires a report to the Legislature on the status of the trust two years after implementation and then annually.

The Hawaii State Teachers Association and five individuals submitted comments in support of the measure. The Hawaii Government Employees Association submitted comments. The Department of Budget and Finance submitted comments in opposition to the measure.

Your Committee finds that permitting employee organizations to establish a voluntary employees' beneficiary association trust in addition to the existing Hawaii Employer-Union Health Benefits Trust Fund provides certain employees with an alternative for their health benefit needs. In addition, the existence of an additional health benefits trust fund can achieve substantial savings for the State and improved services for the members through competing health services.

Your Committee amended the measure by correcting an erroneous statement in the purpose section about the duration of the pilot program by changing the reference from eight years to three, the length established under the original act.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1746, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1746, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1645 (Majority) Ways and Means on H.B. No. 859

The purpose of this measure is to clarify that certain statutory actions shall not be used to invalidate collective bargaining agreements in effect on and after June 30, 2007 and that such actions may be included in collective bargaining agreements.

Your Committee received comments in support of this measure from the Hawaii Government Employees Association/AFSCME and the Hawaii State Teachers Association. The Department of Human Resources Development, the Office of Collective Bargaining, the Department of Transportation, the Department of Education, the Judiciary, the City and County of Honolulu Police Department, the Department of Human Resources of the County of Hawaii, and the County of Hawaii Police Department offered comments in opposition.

Your Committee finds that this measure clarifies the scope of permissible topics of negotiation in the existing collective bargaining law between the public employer and the exclusive representative of the bargaining unit by clarifying which topics are not excluded in those negotiations.

Your Committee has amended this measure by:

- (1) Changing the effective date of the measure to July 1, 2007; and
- (2) Correcting the date of reenactment of section 89-9(d), Hawaii Revised Statutes, from July 1, 2007 to July 1, 2008.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 859, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 859, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Ayes with Reservations, 1 (Kim). Noes, 2 (Hemmings, Whalen). Excused, none.

SCRep. 1646 Ways and Means on H.B. No. 1500

The purpose of this measure is to temporarily increase the maximum weekly unemployment benefit amount to seventy-five per cent of an average weekly wage.

Generally, the measure also temporarily increases to \$150, the weekly earnings disregarded by an employee and increases the taxable wage base for an employee to \$13,000. The measure also changes the requirements of the adequate reserve fund to reflect the temporary change.

Your Committee received comments in support of the measure from the Hawaii State AFL-CIO, the Retail Merchants of Hawaii, the Chamber of Commerce of Hawaii, and the ILWU Local 142. The Attorney General submitted comments on this measure. The National Federation of Independent Businesses submitted comments in opposition to the measure.

Your Committee finds that unemployment benefits are necessary to allow an unemployed worker to pay for necessities of life during periods of unemployment. The benefits enable the local workforce to remain self-sufficient and independent while seeking gainful employment.

Your Committee has amended the measure by:

- (1) Clarifying the calculation of the adequate reserve fund for years 2008 to 2010; and
- (2) Making technical amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1500, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1500, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Ayes with Reservations, 1 (Whalen). Noes, none. Excused, 1 (Menor).

SCRep. 1647 Ways and Means on H.B. No. 1570

The purpose of this measure is to appropriate funds to pay for the salary increases and collective bargaining cost items for collective bargaining unit (11).

The foregoing includes contributions to the Hawaii Employer-Union Health Benefits Trust Fund, for employees in collective bargaining unit (11) and for their excluded counterparts.

Your Committee received comments in support of the measure from the Hawaii Firefighters Association. Comments were received from the Office of Collective Bargaining.

Your Committee finds that the funding amounts for salary increases and cost items have been finalized pursuant to both arbitration and agreement.

Your Committee has amended this measure by inserting the finalized dollar amounts for the respective appropriations.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1570, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1570, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1648 Ways and Means on H.B. No. 379

The purpose of this measure is to increase fees and travel-related allowances paid to witnesses in criminal cases.

Specifically, the measure increases:

- (1) Witnesses' daily fees from \$20 to \$55; and
- (2) Per diem payment to witnesses who travel from out of state, and witnesses who travel inter-island and stay overnight, from \$110 to \$160 per day to attend court proceedings.

The Prosecuting Attorney of the City and County of Honolulu submitted comments in support of this measure. The Department of Budget and Finance submitted comments.

Your Committee finds that the Judiciary may need time to accommodate the increase in costs of fees and travel-related allowances to witnesses and to adopt any new forms necessary to reflect these changes. Accordingly, your Committee has amended this measure by changing the effective date to January 1, 2008.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 379, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 379, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1649 Ways and Means on H.B. No. 497

The purpose of this measure is to create additional bikeways.

More specifically, the bill requires the Department of Transportation to use at least two per cent of eligible federal funds and available state funds out of the state highway fund to build multi-use paths, bicycle paths, bicycle lanes and bikeways. In addition, the measure requires bicycling community representation as part of a public process to determine location and signage.

The American Association of Retired Persons, the Hawaii Bicycling League, the Oahu Sierra Club, and three individuals submitted comments in support of the measure.

Your Committee finds that there are not sufficient bikeways to accommodate commuters and people looking for alternative transportation, given Hawaii's ideal weather conditions and gentle terrain. Safe bikeways would provide for healthy commuting between home and the workplace as well as for other short trips.

This measure guarantees a dedicated funding source and minimum budget to create additional bikeways, in accordance with the recent vote to make the City and County of Honolulu more bicycle-friendly.

Your Committee amended the bill by deleting repetitious language on page 3, lines 19-21.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 497, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 497, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1650 Ways and Means on H.B. No. 1605

The purpose of this measure is to alleviate traffic congestion, maximize traffic flow, and enhance driver safety on Maui.

Specifically, this measure appropriates funds for the development and implementation of an intelligent transportation system architectural plan for Maui, including a Maui traffic control center.

Your Committee received comments in support of this measure from one Maui County Council member.

Your Committee finds that traffic delays continue to intensify on Maui, creating slow transit times for commuters and public safety issues. Your Committee finds that an intelligent transportation system applies communications and information technology to resolve traffic control issues and reduce congestion. Intelligent transportation systems use a combination of field devices, including traffic cameras, linked with a traffic control center to monitor traffic conditions and provide timely traffic information to drivers and authorities. Accordingly, your Committee believes that this measure will provide a solution to many of Maui's traffic problems.

Your Committee has amended this measure by:

- (1) Changing the source of funds appropriated from general revenues to the state highway fund;
- (2) Adding language to clarify that the project is necessary to qualify for federal aid; and
- (3) Changing the effective date to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1605, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1605, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1651 Ways and Means on H.B. No. 249

The purpose of this measure is to further hunting tourism.

More specifically, the bill:

- (1) Provides for a fee of \$95 for a seven-day hunting license on a private and commercial shooting preserve;
- (2) Exempts from the hunter education program a person who obtains the seven-day license and is accompanied by a licensed hunting guide; and
- (3) Allows the Department of Land and Natural Resources to set fees for private and commercial shooting preserves and farmer's licenses.

The Hawaii Rifle Association and the Palawai Outfitters submitted comments in support of the measure. The Department of Land and Natural Resources submitted comments. One individual submitted comments in opposition to the measure.

Your Committee finds that hunting tourism is underdeveloped in Hawaii and that the proposed amendments to this bill permit tourists and visitors to pursue hunting activities on private and commercial shooting preserves while in Hawaii.

Your Committee amended the measure by:

- (1) Adding provisions for a three-day hunting license on a private or commercial shooting preserve for a fee of \$50; and
- (2) Incorporating the Department of Land and Natural Resources recommendations regarding additional requirements for persons obtaining a three-day or a seven-day hunting license.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 249, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 249, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1652 Ways and Means on H.B. No. 34

The purpose of this measure is to require the Employees' Retirement System to:

- (1) Identify and scrutinize companies having business operations in Sudan in which the Employees' Retirement System has direct or indirect holdings or could possibly have such holdings in the future;
- (2) Require the Employees' Retirement System to follow specified notice procedures to warn those companies of a possible divestment of stock by the Employees' Retirement System; and
- (3) Require the divestment if companies do not take corrective action to refrain from doing business in Sudan.

Your Committee received comments in support of the measure from the League of Women Voters of Hawaii, the Hawaii Coalition for Dafur, Humanity United, the University of Hawaii Professional Assembly, the Hawaii Committee for Africa, the Center for Law and Social Strategy, the Hawaii Family Forum and the Hawaii Catholic Conference, the Hawaii Reserves, Kaimuki Christian Church, and a number of concerned citizens. Comments were received from the Employees' Retirement System.

Your Committee finds that placing economic pressure on the Sudanese government by prohibiting the Employees' Retirement System from investing in companies that do business with Sudan is an important step to be taken to remedy the tragic situation in the Darfur Region of Sudan.

Your Committee has amended this measure by adopting changes that were recommended by the Employees' Retirement System. Specifically, your Committee has amended this measure by:

- (1) Recasting the measure as an uncodified session law;
- (2) Changing the definition of a "scrutinized" company by replacing specific percentages with the qualitative terms "material" and "most";
- (3) Extending the deadline for compiling the scrutinized companies list from ninety to one hundred and eighty days;
- (4) Allowing divestment to be postponed if the Employees' Retirement System determines that a company is making sufficient progress towards the cessation of scrutinized active business operations;
- (5) Replacing the phased divestment schedule with an eighteen-month deadline;
- (6) Authorizing the Employees' Retirement System to relax a divestment schedule if divestment will result in public fund losses exceeding fifty basis points;
- (7) Eliminating the requirement that a copy of the annual report to the Legislature be sent to the United States Presidential Envoy to Sudan;
- (8) Allowing the Employees' Retirement System to not take any action that is not consistent with obligations under the exclusive benefit rule; and
- (9) Deleting a redundant provision on enforcement by the Attorney General.

Your Committee also made technical nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 34, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 34, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1653 Ways and Means on H.B. No. 250

The purpose of this measure is to allow the Aloha Tower Development Corporation to assist the Department of Transportation, Harbors Division, in the development of needed commercial harbor facilities at Honolulu Harbor.

Your Committee received comments in support of the measure from the Department of Business, Economic Development, and Tourism, Aloha Tower Development Corporation, the Department of Transportation, the Hawaii Harbor User Group, the Chamber of Commerce of Hawaii, and Alexander & Baldwin, Inc.

Your Committee finds that a partnership between the Department of Transportation and the Aloha Tower Development Corporation for the development of Honolulu Harbor infrastructure projects will lead to an expedited execution of the projects and hence meet the critical demand for harbor expansion and upgrades.

Your Committee amended the bill to allow Aloha Tower Development Corporation to assist the Hawaii Community Development Authority in the development of projects in the Kewalo basin and its adjacent lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 250, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 250, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1654 Ways and Means on H.B. No. 399

The purpose of this measure is to appropriate funds for the operating expenses of the Hawaii Association of Conservation Districts.

Your Committee received comments in support of the measure from the Department of Land and Natural Resources, the Department of Agriculture, the Puna Soil and Water Conservation District, the Central Maui Soil and Water Conservation District, the Hawaii Agriculture Research Center, the Hawaii Farm Bureau Federation, the Hawaii Crop Improvement Association, the Windward Soil and Water Conservation District, the Maui County Farm Bureau, and one individual.

Your Committee finds that the Hawaii Association of Conservation Districts is not sufficiently funded to operate all sixteen soil and water conservation districts properly.

Your Committee finds that an appropriation resolves this issue.

Your Committee amended the measure by changing the appropriation from \$500,000 to an unspecified amount to further discussion on this matter.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 399, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 399, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1655 Ways and Means on H.B. No. 1221

The purpose of this measure is to create a livestock revitalization and food security program to administer and disburse funds to qualified cattle, dairy, hog, and poultry farms.

Your Committee received comments in support of this measure from the Department of Agriculture, the University of Hawaii, the Hawaii Farm Bureau Federation, the Hawaii Teamsters and Allied Workers Local 996, Kauai Kunana Dairy, and the Hawaii Egg Producers Association. HY-Land Ranch and Ulehawa Farm, Inc. submitted comments in support of the measure with amendments.

Your Committee finds that within the past year, two egg farms and one dairy farm have gone out of business due to production cost increases, largely attributed to the rising cost of feed for livestock animals. Such closures increase the State's dependence on imported foods and threaten the State's food security and ability to achieve agricultural self-sufficiency.

Closure of local dairies and poultry farms also mean local consumers can no longer buy fresh, locally produced milk, chickens, beef, pork, and eggs. Without these local industries, these commodities would have to be imported into the State, incurring up to ten days of shipping, decreasing the overall quality of these products, especially the fresh milk and eggs.

This measure would allow the livestock industry to invest in modern equipment, expand and improve their herds and flocks, and develop new markets and products to ultimately stabilize their operations and become more competitive with mainland suppliers.

Your Committee has amended the measure by removing the provision requiring the Department of Agriculture to adopt rules to effectuate the purposes of this Act.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1221, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1221, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1656 Ways and Means on H.B. No. 1270

The purpose of this measure is to enhance the ability of the Office of Planning to manage and coordinate a statewide geographic information and data integration program.

Specifically, this measure clarifies the Office of Planning's role in maintaining and coordinating a statewide enterprise geographic information system. This measure also appropriates an unspecified amount for the state geographic information system software enterprise license agreement, and a further unspecified amount for deposit into the statewide geospatial information and data integration special fund. This measure finally appropriates an unspecified amount to the Office of the Auditor for the development of the Hawaii 2050 Sustainability Plan.

Your Committee received comments in support of this measure from the Department of Land and Natural Resources, the Board of Agriculture, the State Office of Planning, the Hawaii Community Development Authority, the Department of Planning and Permitting of the City and County of Honolulu, and the Pacific Disaster Center.

Upon further consideration, your Committee has amended this measure by:

- (1) Inserting a new part III to clarify that the Director of the Office of Planning, on the day after the 2006 general election, and any director thereafter to serve in that capacity, shall submit to the advice and consent of the Senate, and renumbering remaining parts and sections consecutively;
- (2) Inserting language to promote and encourage open and free data sharing among all government agencies; and
- (3) Making technical nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1270, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1270, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, 4 (Chun Oakland, English, Tokuda, Whalen).

SCRep. 1657 Ways and Means on H.B. No. 902

The purpose of this measure is to achieve long-term agricultural viability and use of important agricultural lands by establishing an important agricultural land agricultural business tax credit.

Specifically, this measure:

- (1) Creates a nonrefundable tax credit that staggers the percentage of costs claimable under the tax credit over a five-year period;
- (2) Reduces the tax credit by the amount of funds received by an agricultural business during the taxable year from the Irrigation Repair and Maintenance Special Fund under section 167-24, Hawaii Revised Statutes;
- (3) Appropriates an unspecified amount to the Department of Taxation for the costs to administer the Important Agricultural Land Agricultural Business Tax Credit; and
- (4) Appropriates an unspecified amount to the Department of Agriculture for the costs to administer the Important Agricultural Land Agricultural Business Tax Credit.

Testimony in support of this measure was submitted by the Hawaii Farm Bureau Federation; the Hawaii Crop Improvement Association; the Land Use Research Foundation of Hawaii; the Hawaiian Electric Company; the Maui Electric Company, Ltd.; Hawaii Electric Light Company, Inc.; Alexander and Baldwin, Inc.; the Hawaiian Commercial and Sugar Company; and the Kauai Coffee Company, Inc. The Department of Taxation and the Tax Foundation of Hawaii submitted comments.

In 2005, the Legislature enacted Act 183, Session Laws of Hawaii 2005, to preserve, protect, and ensure the availability of agriculturally suitable lands, and established a process to identify incentives to encourage farmers and landowners to designate their lands as important agricultural lands. Your Committee finds that establishing a tax credit incentive program for agricultural businesses on important agricultural lands will assist in enhancing the agricultural viability on important agricultural lands.

The Department of Taxation submitted to the previous committee a fiscal impact statement that indicated that the revenue loss to the State would be approximately \$27,800,000 annually. In its methodology, the Department stated that qualifying inflation-adjusted farm expenses totals about \$70,600,000, based on 2002 Bureau of Census data, and estimated that one-half of farm land would qualify as important agricultural lands. In 2006, allocations from the Irrigation Repair and Maintenance Special Fund were approximately \$15,000,000, and an estimated fifty per cent of that would be designated as important agricultural lands. (\$35,300,000 - \$7,500,000 = \$27,800,000).

Your Committee has amended this measure by:

- (1) Adopting the technical amendments suggested by the Department of Taxation for the purposes of clarity and consistency;
- (2) Clarifying that the Department of Agriculture shall submit a report with an evaluation of the effectiveness of the tax credit to the Legislature prior to the convening of each Regular Session;
- (3) Clarifying that the effective date of this measure is upon its approval and that the appropriation sections are effective on July 1, 2007, to avoid redundancy in this measure and to promote further discussion; and
- (4) Making technical, nonsubstantive amendments for the purposes of style and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 902, H.D. 2, S.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 902, H.D. 2, S.D. 3.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (Chun Oakland, Menor).

SCRep. 1658 Commerce, Consumer Protection and Affordable Housing on H.B. No. 10

The purpose of this measure is to make rebate agreements between drug manufacturers and the Department of Human Services mandatory.

This measure also requires the Department of Human Services to inform health care providers about drug costs for manufacturers with rebate agreements and those without rebate agreements.

Your Committee received written comments in support of this measure from the ILWU Local 142, AARP Hawaii, the National Multiple Sclerosis Society, Child and Family Service, the Hawaii Alliance for Retired Americans, the Policy Board for Elder Affairs, the Social Justice Council of the First Unitarian Church of Honolulu, and one individual. Written comments in opposition to this measure were submitted by the Pharmaceutical Research and Manufacturers of America.

Your Committee finds that requiring, rather than allowing (as in existing law), drug manufacturers or labelers to make rebate payments to the State will result in lower prices than currently offered through the Rx Plus Program. Your Committee believes Hawaii residents deserve open access to the most appropriate medications, without any restrictions, at reasonable prices.

Your Committee has amended this measure to make technical, nonsubstantive changes for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 10, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 10, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1659 Commerce, Consumer Protection and Affordable Housing on H.B. No. 71

The purpose of this measure is to monitor and evaluate the quality of nurse aides practicing in the State by providing a process for the certification and recertification of nurse aides who work in nursing facilities participating in Medicare and Medicaid programs and in other state-licensed and state-certified health care settings.

Written comments in support of this measure were submitted by the Department of Commerce and Consumer Affairs, the Department of Human Services, the Healthcare Association of Hawaii, and Hawaii Long Term Care Association. Written comments were also submitted by the Department of Health.

Your Committee finds that nurse aides provide a valuable service in the health care community by assisting nurses in a variety of health care settings. Many become nurse aides on the path toward becoming licensed practical nurses or registered nurses. Your Committee further finds that in order to ensure minimum levels of competency and for the health and safety of patients, nurse aides in Hawaii should be regulated. This measure establishes procedures for the certification and recertification of nurse aides, including those who work in state-licensed and state-certified health care settings that do not receive Medicare or Medicaid funding. Your Committee determines that the regulation of nurse aides will allow the Departments of Commerce and Consumer Affairs, Human Services, and Health to appropriately monitor and evaluate the quality and competency of nurse aides practicing in the State.

Accordingly, your Committee has amended this measure by making numerous technical, nonsubstantive changes for purposes of clarity and style, including, among other things:

- (1) Clarifying that Medicare or Medicaid nurse aides shall not be charged for maintenance of the nurse aide registry; and
- (2) Providing internal references to new sections.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 71, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 71, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1660 (Majority) Commerce, Consumer Protection and Affordable Housing on H.B. No. 1456

The purpose of this measure is to ensure that individuals living in rural areas of the State have access to appropriate mental health care services by authorizing appropriately trained and supervised psychologists to prescribe psychotropic medications for the treatment of mental illness.

Your Committee received written comments in support of this measure from the American Psychological Association, the Hawai'i Psychological Association, the Hawaii Medical Service Association, the Hawai'i Primary Care Association, the Executive Director of the West Hawaii Community Health Center, the Board of the West Hawaii Community Health Center, Papa Ola Lokahi, Hamakua Health Center, Ho'ola Lahui Hawai'i, the Waikiki Health Center, the Community Clinic of Maui, Kokua Kalihi Valley, Molokai Community Health Center, the Medical Director of the Waianae Coast Comprehensive Health Center, and four individuals.

Written comments in opposition to this measure were received from the Board of Medical Examiners, the Hawaii Psychiatric Medical Association, the Hawaii Disability Rights Center, the O'ahu affiliate of the National Alliance on Mental Illness, the Hawai'i Society of Addiction Medicine, and sixty individuals.

The Board of Psychology submitted written comments.

Your Committee finds that there is limited access to mental health care treatment services for those living in the rural areas of the State.

Your Committee further finds that the delivery of comprehensive, accessible, and affordable mental health care may be enhanced by providing trained and supervised psychologists with limited prescriptive authority for the specific purpose of providing care in federally qualified health centers. This measure will address the urgent need for timely, appropriate, and cost-effective mental health and pharmacological services for qualified health centers that are most in need of psychologists with prescriptive authority.

Your Committee has amended this measure by:

- (1) Placing the Department of Commerce and Consumer Affairs in charge of the advisory committee created by section 465-H, Hawaii Revised Statutes, rather than the Department of Health; and
- (2) Making technical, nonsubstantive changes for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1456, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1456, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Ayes with Reservations, 1 (Espero). Noes, 1 (Slom). Excused, 2 (Ihara, Sakamoto).

SCRep. 1661 Commerce, Consumer Protection and Affordable Housing on H.B. No. 1479

The purpose of this measure is to require group health issuers to offer all group health plans to self-employed individuals in their service areas.

Your Committee received written comments in support of this measure from the Department of Commerce and Consumer Affairs, the Hawaii Association of Realtors, and the Maui Chamber of Commerce. The Hawaii Association of Health Plans submitted written comments in opposition to this measure. The Hawaii Medical Service Association submitted written comments.

Your Committee finds that presently, there is no mandate that group health insurers offer group health plans to self-employed individuals. This measure will require group health insurers to offer group health plans and will also allow insurers to impose certain limitations with regard to the timing of enrollment and reenrollment in order to control adverse selection and to plan member costs.

Your Committee has amended this measure by amending the definition of a "self-employed individual" to require that the individual be licensed by the Department of Commerce and Consumer Affairs for the business the individual operates.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1479, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1479, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1662 Commerce, Consumer Protection and Affordable Housing on H.B. No. 1641

The purpose of this measure is to ensure public safety by requiring that individuals who use restricted pesticides are properly licensed.

The measure accomplishes this purpose by defining a pest control operator as a commercial pesticide applicator who holds a license pursuant to chapter 460J, Hawaii Revised Statutes, and by making it illegal for a dealer to sell restricted use pesticides to structural pest control applicators whose license is more than one hundred twenty-two days delinquent.

Your Committee received written comments in support of this measure from the Hawaii Pest Control Association.

Your Committee finds that formerly licensed pest control operators have continued to use restricted chemicals without proper licenses. Your Committee further finds that it is important to protect the public's health and safety by ensuring that individuals who use these often lethal chemicals are appropriately licensed.

Your Committee has amended this measure, upon the recommendation of the Hawaii Pest Control Association, to change the time period for which a pest control operator must have held a pest control license in order for a pesticide dealer to sell restricted use pesticides to the operator or the operator's employee, from one hundred twenty-two days to one hundred twenty days.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1641, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1641, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Espero, Ige).

SCRep. 1663 Commerce, Consumer Protection and Affordable Housing on H.B. No. 1018

The purpose of this measure is to create a new category of liquor license for condominium hotels.

Your Committee received written comments on this measure from Outrigger Hotels & Resorts; the Asian American Network for Cancer Awareness Research and Training; the National Federation of Filipino American Associations Region 12; the United Filipino Council of Hawaii; the Oahu Filipino Community Council; the Filipino Coalition for Solidarity; the Philippine Nurses Association-Hawaii; Nursing Advocates & Mentors, Inc.; and three individuals.

Your Committee finds that the advent of the condominium hotel ownership and operating structure is a relatively new concept that has recently been gaining popularity in this State. While many former hotel operations have converted to a condominium hotel ownership and operating structure, this new structure has created an interpretation and application problem with respect to liquor licensing laws. The intent of this measure is to clarify the liquor licensing laws by creating a new category specific to condominium hotels.

Your Committee notes that an amendment to insert language to allow smoking in bars and restaurants that have a special liquor license was suggested.

However, your Committee has only amended this measure to make technical amendments as suggested by Outrigger Hotels & Resorts.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1018, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1018, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Ayes with Reservations, 1 (Slom). Noes, none. Excused, 2 (Espero, Ige).

SCRep. 1664 Commerce, Consumer Protection and Affordable Housing on H.B. No. 1950

The purpose of this measure is to amend the provisions of section 201H-38(a), Hawaii Revised Statutes (HRS), that exempt certain government housing development projects from planning, zoning, and construction standards by:

- (1) Providing county legislative bodies with the flexibility and authority to approve a project with or without modification; and
- (2) Increasing the window for county legislative body project approvals and disapprovals and Land Use Commission land use boundary approvals and disapprovals from forty-five days to an unspecified amount of time.

Your Committee received written comments in support of this measure from the Maui County Council and Community Planning and Engineering. Written comments in opposition to this measure was received from the Hawaii Housing Finance and Development Corporation, the Department of Community Services of the City and County of Honolulu, the Kaua'i County Housing Agency, and the Office of Housing and Community Development of the County of Hawaii.

Your Committee finds that in 2006, the Legislature, through Act 217, Session Laws of Hawaii 2006 (Act 217), allowed counties to approve certain types of housing projects with or without modifications through an expedited process. However, that same year, Act 180, Session Laws of Hawaii 2006, repealed the State's housing laws and re-codified a portion of it in chapter 201H, HRS. The intent of the Legislature was to include the provisions of Act 217 in the re-codification of Hawaii's housing laws.

Your Committee also finds that the current forty-five day time period in which a county legislative body and the Land Use Commission must conduct due diligence and approve a project is too short to allow for meaningful discussion.

This measure will accomplish the intent of Act 217 and will also allow the counties and the Land Use Commission more time to review expedited projects under section 201H-38(a), HRS.

Your Committee has amended this measure to add a definition of "eligible project" to section 201H-1, HRS, and has repealed the definition of "eligible project" in section 201H-122, HRS.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1950, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1950, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1665 Commerce, Consumer Protection and Affordable Housing on H.B. No. 426

The purpose of this measure is to provide individuals receiving public assistance greater accessibility to psychotropic medications.

Specifically, this measure provides prescriptive authority under chapter 457, Hawaii Revised Statutes, to Advanced Practice Registered Nurses and repeals the sunset date on the law that ensures continuous access to psychotropic medications for Medicaid fee-for-service and QUEST plan beneficiaries.

Your Committee received written comments from one individual.

Your Committee finds that enabling Advanced Practice Registered Nurses with prescriptive authority to prescribe psychotropic medications to Medicaid and QUEST patients will help improve access to quality health care for Medicaid beneficiaries.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 426, H.D. 2, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Espero, Ige).

SCRep. 1666 Commerce, Consumer Protection and Affordable Housing on H.B. No. 791

The purpose of this measure is to:

- (1) Enact a gasoline ethanol content by grade requirement, and repeal a similar existing statute; and

- (2) Require fuel distributors to make available gasoline that does not contain ethanol for those who wish to purchase non-ethanol fuel.

Your Committee received testimony in support of this measure from the Mayor of the County of Hawaii; Experimental Aircraft Association, Local Chapter-1182 Hilo; Hawaii Boaters Political Action Association; Street Bikers United Hawaii; and three individuals. Testimony in opposition was received from the Department of Agriculture; Western States Petroleum Association; Chevron USA; Tesoro Hawaii Corporation; and one individual. Comments were received from the Department of Business, Economic Development, and Tourism.

Your Committee finds that there is a need to provide non-ethanol gasoline for use in boats, small gasoline powered tools, and experimental and light-sport aircraft. Doing so would protect the investments made by the owners of such items and prevent the need for these owners to make costly repairs to the fuel systems of these items. Your Committee further finds that, while this measure will provide for those individuals in need of non-ethanol fuel, it also provides an important phase out provision to further the State's goal of energy independence.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 791, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 6. Ayes with Reservations, 1 (Ige). Noes, none. Excused, none.

SCRep. 1667 Commerce, Consumer Protection and Affordable Housing on H.B. No. 1628

The purpose of this measure is to require macadamia nut package labeling to specify the percentage of nuts by weight grown in Hawaii and provides penalties for violations.

Your Committee received written comments in support of this measure from the Office of Hawaiian Affairs.

Your Committee finds the macadamia nut industry is a critical part of the agricultural production chain and Hawaii's reputation for producing high quality macadamia nuts needs to be protected and distinguished from macadamia nuts that are imported to the State.

Your Committee also finds that the industry is an important part of Hawaii's economy and labeling will maintain the competitiveness of Hawaii's macadamia nuts. This measure will also protect unwary consumers from purchasing products containing imported macadamia nuts that do not disclose the products' true contents or attempt to mislead consumers through its labeling.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1628, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Espero, Ige).

SCRep. 1668 Judiciary and Labor on H.B. No. 833

The purpose of this measure is to exempt Medicaid waiver service from the scope of worker's compensation, temporary disability and prepaid health care laws.

Your Committee received testimony in support from Life Connections, Inc., Aloha Habilitation Services, Inc., Nursing Advocates & Mentors, Inc., Catholic Charities Hawai'i, Filipino Coalition for Solidarity, Congress of Visayan Organizations, National Federation of Filipino American Associations, Oahu Filipino Community Council, Philippine Nurses Association-Hawaii, Responsive Caregivers of Hawaii, Home & Community Services of Hawaii, Inc., Kobayashi Sugita & Goda, United Filipino Council of Hawaii, and Supporting Exceptional Citizens of Hawaii. Comments were received from the Attorney General, the Department of Labor and Industrial Relations (DLIR) and the State Council on Developmental Disabilities and eighteen private citizens. Opposing testimony was received from a private citizen.

Currently, numerous individuals provide a valuable service to the State of Hawaii by providing Medicaid waiver services to disabled and elderly adults. Sections 386-1, 392-5 and 393-5, Hawaii Revised Statutes, already exempt providers of Medicaid waiver services in the employ of the "recipient of social service payments".

Your Committee finds that this measure is necessary to clarify that the "recipient of social service payments" includes a "corporation or private agency that contracts directly with the department of human services". Such clarification is consistent with existing law and reflects the past practices of Medicaid waiver service providers under the prior determinations of the law by the Director of Labor and Industrial Relations.

Your Committee finds that this measure properly clarifies the existing exemptions in sections 386-1, 392-5 and 393-5, Hawaii Revised Statutes, (HRS), by including domestic services in the exemptions while excluding Medicaid waiver services known as "adult day health" from the exemptions. While "adult day health" services were previously covered under these existing exemptions, the industry practice has been to utilize employees to provide such services at day care facilities.

Your Committee has amended the measure by requiring a study to be done on the financial impact and consequences for service providers who provide Medicaid waiver service for persons with developmental disabilities and mental retardation as recommended by the State Council on Developmental Disabilities. This study is warranted even though this measure does not expand the scope of the existing exemptions in sections 386-1, 392-5, and 393-5, HRS.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 833, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 833, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1669 Judiciary and Labor on H.B. No. 356

The purpose of this measure is to protect children by making it a traffic violation to leave a child unsupervised in a motor vehicle.

Specifically, this bill prohibits leaving a child under the age of nine in a motor vehicle unless supervised by an adult or a minor who is at least fifteen years of age. It also requires the examiner of drivers to test the license applicants' knowledge of the new traffic violation. Rental car companies would also be required to notify lessees of the motor vehicle laws regarding leaving a child unsupervised in a motor vehicle.

Your Committee received testimony in support of this measure from the Department of Human Services, the Honolulu Police Department, the Hawaii Family Forum and the Roman Catholic Church in the State of Hawaii, Kids and Cars, and the Healthy Mothers, Healthy Babies Coalition of Hawaii. The State Public Defender opposed the bill.

Your Committee finds that leaving a child alone in a motor vehicle poses substantial risk of injury or death from suffocation in a hot parked vehicle or of kidnapping in the course of motor vehicle theft. Although parents mean well, the seemingly innocuous practice of leaving a child in a motor vehicle, even what may be thought of at the outset as being "momentarily", to buy groceries or perform other errands can have disastrous consequences.

Your Committee further finds that, under section 709-904(2), Hawaii Revised Statutes, a person may be prosecuted for the misdemeanor offense of endangering the welfare of a minor in the second degree only if the person knowingly endangered the minor's physical or mental welfare by leaving the minor in the vehicle. The requirement for a knowing state of mind makes it difficult for the prosecution to prove a case against the driver.

This bill attempts to ease prosecution of these cases by making the driver strictly liable for leaving the child unattended in the car. However, making the driver strictly liable in all circumstances ignores the fact that there are some situations, for example, briefly leaving an eight-year-old child in a car with a fourteen-year-old high school freshman sibling, that do not warrant the sanction of even a traffic violation.

Accordingly, your Committee has amended this measure to require the prosecution to prove that the act of leaving a child unattended in a motor vehicle was done recklessly. Your Committee believes that this will ensure that only conduct that warrants the condemnation of conviction will be punished under the new law. Your Committee has also amended the bill by changing the effective date to July 1, 2070, to facilitate further discussion of this difficult issue.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 356, H.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 356, H.D. 2, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1670 Judiciary and Labor on H.B. No. 1830

The purpose of this measure is to establish a safe haven for newborns and to provide for their future health and safety.

The primary focus of this bill is the health and safety of the child. Your Committee finds that if the life of even one newborn is saved because a mother is able to safely leave her baby at a hospital or other safe haven instead of abandoning the child in a life threatening situation, then this bill would have accomplished its goal.

The bill would accomplish its goal by:

- (1) Providing immunity from prosecution to persons who leave an unharmed newborn at a hospital, fire station, police station, or with emergency services personnel within seventy-two hours of the child's birth;
- (2) Providing immunity from liability to the personnel of the hospital, fire station, or other personnel who receive the newborn;
- (3) Requiring the person leaving the newborn to provide written information on the family medical history of the child; and
- (4) Requiring personnel to make a reasonable effort to obtain certain information of the family and medical history of the child.

Your Committee finds that this bill addresses the concerns expressed by the Governor when she vetoed a similar bill in 2003. The requiring of obtaining information on the child's medical and genealogical history will greatly aid in the development of the child. This would also allow for the development of a support system for the interest of the child.

Your Committee finds that as of January 2007, there are forty-seven states that have enacted some form of "safe haven" legislation. Your Committee further finds that efforts should be made and are being made to prevent, educate, and service unintended pregnancies and unwanted births. However, since programs may not be one hundred percent effective, a child should not be penalized by the mistakes of the adults. The innocent child should not be allowed to die or suffer in a life of misery or despair because of the failures of programs or adult behavior.

Your Committee heard testimony of incidents, in Hawaii, where parents did not want their child and were looking for a way to give up the child. Emergency medical service personnel responded to a child birth where the mother did not want her child. Your Committee finds that it is imperative that these children not be abandoned and be allowed to live in an environment that would assure their health and safety.

Your Committee received testimony in support of the bill from Parents and Children Together, Hawaii Family Forum, two emergency medical service personnel, and two individuals. Your Committee received testimony in opposition to the bill from the Governor's Policy Office and from the State Department of Human Services.

Your Committee amended the bill by changing the effective date from January 1, 2112 to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1830, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1830, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Ayes with Reservations, 3 (Inouye, Nishihara, Gabbard). Noes, none. Excused, 1 (Kokubun).

SCRep. 1671 Judiciary and Labor on H.B. No. 469

The purpose of this measure is to eliminate discrimination against victims of domestic violence in real estate transactions.

Your Committee received testimony in support of this measure from the Hawai'i Civil Rights Commission; Voices, the Formerly Battered Women's Caucus of Hawai'i; the Board of the Hawai'i Women Lawyers; and the Legal Aid Society of Hawai'i. The Hawaii Association of Realtors (HAR) provided comments. The Community Associations Institute Hawaii Chapter and the Hawaii Council of Associations of Apartment Owners testified in opposition to the measure. The National Association of Real Property Managers concurred with the testimony of the HAR, and added comments.

The Civil Rights Commission proposed that this measure be amended by adding a new section within chapter 521, Hawaii Revised Statutes, to prohibit a landlord from evicting a tenant based on an incident of domestic violence when the tenant obtains a restraining order or calls the police to prevent future incidents. Your Committee notes that every incident of alleged discrimination cited by the Legal Aid Society involved a landlord and a tenant, rather than a sale or purchase of real property.

Your Committee has amended this measure by:

- (1) Amending section 521-74, Hawaii Revised Statutes, retaliatory evictions and rent increases prohibited, by adding a new subsection that prohibits a landlord from instituting court proceedings to recover possession of the dwelling unit or otherwise causing the tenant to quit the dwelling unit involuntarily solely because of the tenant's status as a victim of domestic violence; and
- (2) Making technical, nonsubstantive revisions for clarity and style.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 469, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 469, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 5. Ayes with Reservations, 2 (Nishihara, Gabbard). Noes, none. Excused, none.

SCRep. 1672 Judiciary and Labor on H.B. No. 964

The purpose of this measure is to ensure the safety of workers by providing a cost effective detection and deterrence tool of drug testing.

This bill would allow for the use of substance abuse on-site screening that meets the requirements of the United States Food and Drug Administration or is manufactured in a facility licensed by the United States Food and Drug Administration.

Your Committee finds that drug abuse has become a major health and safety challenge facing Hawaii's construction industry. Drug abuse has resulted in accidents at the work site, sub-quality workmanship, and higher worker's compensation claims and premiums.

Your Committee finds that there is a need to allow for quicker and less expensive substance abuse on-site screening tests. It is not the intent of your Committee to de-regulate the oversight of these tests. Your Committee finds that the Department of Labor and Industrial Relations should be more involved in the regulation and oversight of the on-site screening tests.

Your Committee received testimony in support of the bill from the State Department of Labor and Industrial Relations, the Building Industry Association of Hawaii, Reliable Drug Testing Services, Inc., Emerald Bay Consulting, LLC, the Hawaii Carpenters Union, The Pacific Resources Partnership, Branan Medical Corporation, General Contractors Association of Hawaii, Kapolei Property Development, LLC, Ralph S. Inouye Co., Ltd., S&M Sakamoto, Inc., Waiawa Ridge Development, LLC, Hidano Constuction, Inc., Castle & Cooke Homes Hawaii, Inc., and Hawaiian Dredging Construction Company, Inc. Testimony in opposition to the bill was received from the State Department of Health, Straub Doctors on Call, Clinical Labs of Hawaii, and one individual.

Your Committee amended the bill by changing the effective date from July 1, 2255 to July 1, 2007.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 964, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 964, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kokubun).

SCRep. 1673 Judiciary and Labor on H.B. No. 1757

The purpose of this measure is to revise the structure of fines for violations of various commercial vehicle laws.

Specifically, this bill:

- (1) Requires the Department of Transportation to create a process for mailing in uncontested fine payments;
- (2) Increases the fines and penalties for violation of commercial vehicle length and weight restrictions; and
- (3) Repeals the progressive fine and penalty structure for repeat violation of commercial vehicle length and weight restrictions.

Your Committee received comments in support of the measure from the Department of Transportation, the Hawaii Teamsters and Allied Workers Local 996, the Hawaii Transportation Association, U. Okada & Co., Ltd., and Horizon Lines.

Your Committee finds that the current system in place for disposing of violations of commercial vehicle length and weight restrictions is burdensome on violators, commercial trucking and delivery companies, law enforcement personnel, and the courts.

Your Committee further finds that permitting operators to mail in uncontested fines saves time and money for everyone involved in the process. In addition, while the bill eliminates progressive fines and penalties for repeat violators, it doubles the fines and penalties for violation of commercial vehicle length and weight restrictions. Your Committee finds that these increased fines are sufficient to deter potential violators and to punish those who commit these violations.

Your Committee amended the measure by:

- (1) Adding a savings clause as a new section;
- (2) Renumbering subsequent sections accordingly; and

- (3) Making technical nonsubstantive changes for clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1757, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1757, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Nishihara).

SCRep. 1674 Judiciary and Labor on H.B. No. 1608

The purpose of this measure is to give the Governor, the Director of Transportation, a Mayor or a Director of Transportation of a county emergency powers when a substantial endangerment to public health and safety is or will be caused by the temporary closure of, or the lack of access to, an area by a state highway, which requires immediate action.

Your Committee received testimony from two organizations and one private individual. The Department of Transportation supported the bill whereas the private individual supported the bill with suggested amendments. The State Procurement Office opposed the current language of the bill that exempted all contracts for a traffic emergency zone from the Procurement Code.

The measure has been amended by the following:

- (1) Changed language in subsection (b) of section 264- to require procurement pursuant to section 103D-307, Hawaii Revised Statutes (HRS), as requested by the Chief Procurement Officer;
- (2) Added language for the State or county to indemnify the owner of a cane haul road from any liability that may arise out of the use of such cane haul road when designated as a state highway;
- (3) Added two new definitions for "county highway" and "state highway" and referenced these terms to existing definitions; and
- (4) Provided language to have each designation of a traffic emergency zone expire within five years.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1608, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1608, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Inouye).

SCRep. 1675 Ways and Means on H.B. No. 1866

The purpose of this measure is to give the Director of Commerce and Consumer Affairs licensing authority to regulate mixed martial arts contests.

Furthermore, this measure bans no rules combat, extreme or ultimate fighting, or similar contests.

Your Committee received comments in support of the measure from the Department of Commerce and Consumer Affairs.

Your Committee finds that mixed martial arts are currently unregulated. Without regulatory safeguards in place, there is a possibility of serious injuries to contestants and spectators, or that events may not be authentic, and thus work a fraud upon spectators to those events.

Your Committee has amended this measure by:

- (1) Setting out the prohibition against no rules combat, extreme or ultimate fighting, or similar contests as a separate section in the new chapter;
- (2) Changing the effective date of this Act to provide that:
 - (A) The powers and duties of the director under the new chapter created by this Act take effect upon approval;
 - (B) The appropriation section takes effect on July 1, 2007; and
 - (C) The rest of the measure, including the repeal of chapter 440D, Hawaii Revised Statutes, takes effect on July 1, 2009.
- (3) Changing the appropriations to blank amounts; and
- (4) Making technical nonsubstantive changes.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1866, H.D. 3, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1866, H.D. 3, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Whalen).

SCRep. 1676 Ways and Means on H.B. No. 1004

The purpose of this measure is to improve the ability of the Division of Consumer Advocacy of the Department of Commerce and Consumer Affairs to carry out its statutory duties by:

- (1) Requiring the Division of Consumer Advocacy to restructure its operations according to its December 2006, report to the Legislature; and
- (2) Appropriating funds to meet restructuring costs.

Your Committee received written comments in support of this measure from the Department of Commerce and Consumer Affairs and its Division of Consumer Advocacy; the Public Utilities Commission; Hawaii Energy Policy Forum; Retail Merchants of Hawaii, and Hawaiian Electric Company, Inc.

Your Committee finds that this measure will provide the Division of Consumer Advocacy with the flexibility necessary to function more effectively and efficiently in response to changing regulatory conditions, duties, requirements, and advances in technology.

Your Committee has amended this measure by:

- (1) Designating sections 1 through 7 as Part I;
- (2) Adding a new Part II, which appropriates funds to the Office of the Auditor for research and support services necessary to protect Hawaii consumers by developing additional deterrents for identity theft, and in particular those related to the compromise of electronic data and information, and social security numbers in public records; and
- (3) Changing the unspecified appropriation amounts to \$1 throughout the measure for the purposes of further discussion.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1004, H.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1004, H.D. 2, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1677 Ways and Means on H.B. No. 1001

The purpose of this measure is to provide an expedited process to develop affordable housing projects in the State.

Your Committee received comments in support of this measure from the Office of Hawaiian Affairs, Housing Hawaii, Partners in Care, and seventy-one concerned citizens. The Land Use Research Foundation of Hawaii, the Hawaii Housing Finance and Development Corporation, and a concerned citizen submitted comments on this measure. The Department of Land and Natural Resources and the City and County of Honolulu's Department of Planning and Permitting submitted comments in opposition to the measure.

Your Committee finds that the shortage of affordable housing continues to manifest itself in an ever-growing homeless population and multiple families occupying a residence intended for a single family. Additionally, homeless shelters report many families and single persons would not be homeless if more affordable housing units were available.

This measure addresses the urgency of the lack of affordable housing in the State by providing an expedited process to build more affordable housing projects.

Your Committee has amended the measure by:

- (1) Amending the definition of "eligible project" to require the number of units in a project to be no more than allowed by applicable zoning laws;
- (2) Amending the definition of "rental unit" to allow for multiple exclusions to the definition for projects with more than one resident manager or caretaker;
- (3) Deleting a duplicative provision regarding special management area and shoreline setback requirements; and
- (4) Making technical amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1001, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1001, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Whalen).

SCRep. 1678 Ways and Means on H.B. No. 1268

The purpose of this measure is to prepare Hawaii's students for their future success in the global economy by providing innovative educational programs, particularly in technical areas, that mix academic instruction with project-based contextual learning experiences to encourage students' greater participation and achievement.

Specifically, this measure:

- (1) Requires the Department of Education to establish the Applied Learning High School Academy Program;
- (2) Statutorily establishes the Hawaii Excellence Through Science and Technology Academy Program, the Fostering Inspiration and Relevance Through Science and Technology Pre-Academy Program, the Robotics and Space Contextual Learning Program, the Research Experiences for Teachers Program, and the Professional Development Program to provide innovative learning experiences for students and teachers;
- (3) Establishes a business/education internship and mentorship program within the Department of Business, Economic Development, and Tourism to provide experiential learning experiences for students and graduates of Hawaii high schools;
- (4) Addresses the chronic math and science teacher shortage in Hawaii schools by appropriating funds to be used as stipends to attract science, technology, engineering, and math graduates to post baccalaureate programs at the University of Hawaii; and
- (5) Makes additional appropriations for the purposes of the Act.

The Governor, the University of Hawaii, the Hawaii Science & Technology Council, the High Technology Development Corporation, the American Society of Civil Engineers, 3D Innovations, LLC., Pukoa Scientific, LLC., and several individuals submitted comments in support of this measure. The Department of Business, Economic Development, and Tourism submitted comments in support and proposed amendments. The Department of Education and the Hawaii State Teachers Association submitted comments in support of the intent of the bill.

Your Committee finds that we must provide our youth with innovative methods to learn the skills that they will need to survive and excel in today's global, technologically oriented society. Your Committee recognizes that smaller learning community programs already exist in Hawaii

to address both student interest and needs of the workforce. This measure complements those existing programs and creates additional opportunities focusing on science, technology, engineering, and math, initiatives, often referred to as STEM, for students. Additionally, the measure provides initiatives that will attract, develop, and retain STEM oriented teachers for all grade levels. Your Committee finds that Hawaii's economic success in the global marketplace is directly tied to our children's education in STEM fields that enables them to think critically and be adaptive, and to participate successfully in the technological economy of the twenty-first century. This measure will provide a critical link between education and the workplace.

Your Committee has amended this measure to:

- (1) Clarify that the five-year plan that a high school must develop to convert to an applied learning high school academy is intended to be submitted to the Department of Education at the same time that the letter of intent to convert to an applied learning school is submitted;
- (2) Clarify that the five-year plan is a "conversion plan" to more accurately reflect the purpose of the plan and replace inconsistent references to the "five-year plan," the "plan," and "application plan," with the term "conversion plan"; and
- (3) Make technical nonsubstantive amendments for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1268, H.D. 3, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1268, H.D. 3, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1679 Ways and Means on H.B. No. 1083

The purpose of this measure is to authorize the High Technology Development Corporation to negotiate a lease agreement and lease guaranty for a period of five years for approximately ninety-nine thousand square feet of laboratory and office space in a life sciences research complex in Kakaako.

The High Technology Development Corporation, Hawaii Community Development Authority, University of Hawaii'i John A. Burns School of Medicine, Hawaii Science & Technology Council, American Society of Civil Engineers, Kamehameha Schools, KUD International and Phase 3 Properties, and Honolulu Seawater Air Conditioning, LLC submitted written testimony in support of this measure.

Your Committee finds that this measure begins to address the shortage of specialized laboratory space needed if Hawaii's high technology sector is to continue its growth.

Your Committee has amended this measure by:

- (1) Designating sections 1 through 5 as Part I and changing the lease period from five years to an unspecified term; and
- (2) Adding two new parts from bills previously heard and approved by this Committee as follows:
 - (A) Part II appropriates funds for the Hawaii Small Business Innovation Research Grant Program and the Hawaii Small Business Technology Transfer Program (S.B. No. 323, S.D. 2); and
 - (B) Part III establishes a research and development follow-on funding program for Hawaii-based small businesses that received federal funding through the Hawaii Technology Development Venture or the National Defense Center of Excellence for Research in Ocean Sciences and appropriates funds as a grant pursuant to chapter 42F, Hawaii Revised Statutes, to be expended by the Hawaii Strategic Development Corporation for that purpose (S.B. No. 1688, S.D. 1).

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1083, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1083, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Tokuda).

SCRep. 1680 Ways and Means on H.B. No. 1003

The purpose of this measure is to facilitate the growth of the alternative fuel industry in the State by encouraging increased diversity in the energy systems, reducing dependence on imported fuels, and introducing bioenergy resources into the overall energy system.

Specifically, this measure:

- (1) Statutorily establishes the Hawaii Natural Energy Institute of the University of Hawaii at Manoa to:
 - (A) Research and develop renewable energy in coordination with government and private agencies;
 - (B) Demonstrate efficient energy end-use technologies;
 - (C) Increase funding for research and development; and
 - (D) Submit annual reports to the Legislature; and
- (2) Creates the energy systems development special fund for developing an integrated approach and portfolio management for renewable energy and end-use energy-efficient technologies;
- (3) Establishes the Hawaii biofuels program to manage the State's transition to energy self-sufficiency;
- (4) Establishes the biofuels development revolving loan fund to assist public and private projects to research, establish, and implement the Hawaii biofuels program;

- (5) Requires the Department of Business, Economic Development, and Tourism to develop a bioenergy master plan in consultation with representatives of the relevant stakeholders and submit an interim and final report to the 2008 and 2009 Regular Sessions of the Legislature, respectively; and
- (6) Makes appropriations for the purposes of this measure.

Your Committee received comments in support of this measure from the Hawaii Natural Energy Institute of the University of Hawaii at Manoa, Hawaiian Electric Company, Inc. and its subsidiary utility companies, Hawaii Energy Policy Forum, and Honolulu Seawater Air Conditioning, LLC.

The Department of Business, Economic Development, and Tourism, the Department of Budget and Finance, the University of Hawaii Environmental Center, and the Hawaii Renewable Energy Alliance submitted comments on this measure.

Your Committee finds that Hawaii's environmental health and economic future depend on the development and widespread use of renewable energy technology. Your Committee believes that this measure will encourage the growth of a renewable and alternative energy industry in Hawaii by creating a framework for researching, developing, planning, implementing, and funding energy efficiency technologies.

Your Committee has amended this measure by:

- (1) Requiring the Hawaii Natural Energy Institute to work in coordination with, rather than coordinate the activities of, state and federal agencies, and private agencies;
- (2) Including state agencies with energy planning and policy analysis as a primary function and other relevant stakeholders as members of the advisory council;
- (3) Requiring the Hawaii Natural Energy Institute to work with the state energy resources coordinator to develop a plan of action to move Hawaii toward energy self-sufficiency; and
- (4) Making technical nonsubstantive amendments for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1003, H.D. 3, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1003, H.D. 3, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1681 Ways and Means on H.B. No. 150

The purpose of this measure is to fund various homeless shelters and transitional housing programs and services.

The measure also:

- (1) Requires the Hawaii Housing Finance and Development Corporation to create an affordable housing inventory registry and to report annually to the Legislature on expenditures from the Rental Housing Trust Fund;
- (2) Increases the percentage of conveyance tax dedicated to the Rental Housing Trust Fund;
- (3) Exempts special purpose revenue bonds that are issued to assist in the development of low- and moderate-income housing projects from the procurement code; and
- (4) Provides funding for various affordable and public housing programs.

Your Committee received comments in support of this measure from the Mayor of Hawaii County, the County of Hawaii Office of Housing and Community Development, Partners in Care, the Hawaii Association of Realtors, the Hawaii Family Forum and the Roman Catholic Church, Catholic Charities of Hawaii, and a concerned citizen. The Department of Taxation and Housing Hawaii submitted comments with amendments. The Hawaii Housing Finance and Development Corporation, the Tax Foundation of Hawaii and the Land Use Research Foundation submitted comments on this measure.

Your Committee finds that the homeless population in the State numbers approximately six thousand twenty-nine, of whom over four thousand are homeless persons living in unsheltered conditions. Coupled with the homelessness problem is the problem of providing affordable rentals and housing for Hawaii's residents. Many people would not be in homeless shelters if there was an adequate supply of affordable rentals.

This measure addresses the issue of homelessness in Hawaii as well as the lack of affordable housing for Hawaii's residents.

Your Committee has amended the bill by making technical amendments at page 9, lines 16-20 to reflect no funds from the conveyance tax will be going into the general fund.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 150, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 150, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1682 Ways and Means on H.B. No. 1359

The purpose of this measure is to ensure affordable prescription drug medications for Hawaii's uninsured, underinsured, low-income, elderly, and disabled residents.

Specifically, this measure creates a Hawaii State Pharmacy Assistance Program by merging the current State Pharmacy Assistance Program, which coordinates the Medicare Part D drug benefit, and the newly established Hawaii Rx Plus Program under a single comprehensive Hawaii State Pharmacy Assistance Program umbrella.

Your Committee received comments in support of this measure from the Department of Human Services with recommendations for amendments. The American Association of Retired Persons offered comments.

Upon further consideration, your Committee has amended this measure by:

- (1) Adding a new section to establish the Hawaii Rx plus program in chapter 346, Hawaii Revised Statutes;
- (2) Adding a new definition of "program" to refer to the Hawaii state pharmacy assistance program;
- (3) Deleting the circular requirement that tier one, two, and three enrollees be enrolled in the program to be eligible to enroll in the program;
- (4) Deleting the contents of proposed new subsection 346-342(m), Hawaii Revised Statutes, and replacing it with language that requires a manufacturer that sells prescription drugs in the State enter into a rebate agreement with the department as approved by the federal Centers for Medicare and Medicaid Services; and
- (5) Making technical nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1359, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1359, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1683 (Majority) Ways and Means on H.B. No. 212

The purpose of this measure is to appropriate funds for the state health planning and development agency to develop and maintain a statewide comprehensive health care workforce map and database.

Your Committee received comments in support of this measure from the University of Hawaii John A. Burns school of medicine, the Mayor of Hawaii county, Hawaii Pacific Health, and fifteen individuals. The Department of Human Services, one Maui county council member, and five individuals offered comments.

Upon further consideration, your Committee has amended this measure by:

- (1) Inserting, as Part I of the measure, a temporary Maui health initiative task force to develop a comprehensive strategic health plan for the county of Maui that will:
 - (A) Determine the current and future health care needs of Maui county;
 - (B) Develop an integrated plan for providing health care, including primary, acute, and long-term care, urgent and emergency care, and disaster preparedness;
 - (C) Determine an appropriate role for Maui county health care facilities within the statewide system of emergency and trauma care; and
 - (D) Reporting to the Legislature, the Mayor of Maui county, and State Health Planning and Development Agency no later than twenty days prior to the convening of the regular session of 2008;
- (2) Requiring the State Health Planning and Development Agency, within sixty days of receipt of the task force's report, to integrate the report into the Hawaii health performance plan;
- (3) Requiring the State Health Planning and Development Agency to grant expedited approval to any application for a certificate of need for a health care facility or hospital or medical or emergency services in Maui county that demonstrates financial viability and meets the Hawaii health performance plan relating to Maui county;
- (4) Appropriating an unspecified amount out of the state health planning and development special fund to the task force;
- (5) Designating the original contents of the measure as part II and requiring the John A. Burns School of Medicine, rather than the State Health Planning and Development Agency, to:
 - (A) Compile and analyze existing data on the supply and distribution of licensed health care practitioners, technicians, and other health care workers in the State by profession, specialty, and practice location;
 - (B) Develop projections through 2020 of the workforce supply and demand to identify shortages;
 - (C) Develop a plan to address and reduce any identified shortages of health care workers;
 - (D) Develop a plan to collect and systematically update the data; and
 - (E) Ensure that data collected is accurate and secure and that data specific to any practitioner is disclosed only with the express written consent of the practitioner; and
- (6) Appropriating an unspecified amount out of the state health planning and development special fund for fiscal year 2007-2008 and 2008-2009 for the John A. Burns School of Medicine.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 212, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 212, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, 1 (Hemmings). Excused, 2 (English, Whalen).

SCRep. 1684 Ways and Means on H.B. No. 1220

The purpose of this measure is to:

- (1) Establish the seal of quality special fund to support the costs associated with the seal of quality program; and
- (2) Mandate that all revenues from the operation of the program and appropriations made by the Legislature shall be deposited in the fund.

Your Committee received comments in support of the measure from: the Department of Agriculture; the Maui Community College; the Hawaii Farm Bureau Federation; the Hawaii Agriculture Research Center; Green Point Nurseries, Inc.; the North Shore Cattle Company; the Manoa Honey Company; Paradise Flower Farms; Nalo Farms; Hamakua Springs; the Kamauoha Foundation; Kamiya Gold Inc.; the Kona Pacific Farmers Cooperative; and Alii Kula Lavender.

Your Committee finds that the seal of quality program was established to promote and ensure a high standard of quality for fresh and processed agricultural products produced in Hawaii. The seal of quality program assists participants by establishing an identifiable brand to promote local products and help them sell in the market place.

Your Committee finds that the seal of quality special fund will provide a steady source of funding that enables the program to become self-reliant as the program moves forward, allowing for leverage of available federal funds and easier program management. Moneys deposited into the special fund will be expended to support the seal of quality program, including future comprehensive marketing campaigns to raise consumer awareness and add value to local products.

Your Committee has amended the bill by:

- (1) Clarifying that the moneys to be deposited into the special fund include:
 - (A) Revenues from the seal of quality program;
 - (B) Fines collected under section 148-66, Hawaii Revised Statutes; and
 - (C) Appropriations made by the Legislature; and
- (2) Clarifying that the special fund may also be expended for any other expense necessary for the administration of the program.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1220, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1220, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Kim).

SCRep. 1685 Ways and Means on H.B. No. 1292

The purpose of this measure is to protect the tax qualified status of the Employees' Retirement System by tightening certain participation requirements.

Among other things, the bill:

- (1) Implements a one-time irrevocable election by elective officers to join the Employees' Retirement System; and
- (2) Prohibits elective officers and judges from retiring upon reaching the statutory maximum on retirement benefits and delaying receipt of those benefits until a future separation date.

Your Committee received comments in support of this measure from the Department of Budget and Finance and a member of the Maui County Council. Comments were received from the Employees' Retirement System and a concerned citizen.

Your Committee finds that this measure is an administrative measure that is necessary to protect the tax qualified status of the Employees' Retirement System and to ensure the continued favorable tax treatment of employee contributions made on a pre-tax basis.

Your Committee has amended this measure by making technical nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1292, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1292, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1686 (Majority) Ways and Means on H.B. No. 760

The purpose of this measure is to provide wage protection to employees working under state or county contracts at a wage no less than the prorated hourly equivalent of the poverty threshold for the State of Hawaii.

Specifically, this measure requires nonprofit organizations under contract for services in excess of \$25,000 and for profit organizations under contract for services in excess of \$5,000 (reduced from the current statutory minimum of \$25,000), to meet certain wage, hour, and working condition requirements. Wages under such contracts must provide an annual income equivalent to the current annual poverty guidelines for Hawaii for a family of four; provided that employees of nonprofit organizations shall be paid at wages or salaries not less than the wages paid to public officers and employees for similar work. This measure also requires the inclusion of various provisions requiring the contractor to enhance employees' ability to organize.

Your Committee received comments in support of this measure from the Hawaii State AFL-CIO, the Hawaii Teamsters and Allied Workers Local 996, the Hawaii State Teachers Association, ILWU Local 142, and the HGEA/AFSCME, Local 152, AFL-CIO. The Hawaii Alliance of Nonprofit Organizations, the Family Support Services of West Hawaii, the Legal Aid Society of Hawaii, and the Institute for Human Services, Inc. offered comments in opposition. The ARC in Hawaii offered comments.

Your Committee finds that certain nonprofit organizations have continued to express concerns that, although a living wage is desirable, nonprofit organizations, by their nature and the services they provide, are not in a financial position to afford to pay their employees wages equal to those paid to public officers and employees for similar work which, in many cases, would mean matching union wage scales. However, your

Committee notes that any possible confusion has been clarified by your Committee on Judiciary and Labor, which has amended this measure in the S.D. 1 draft by inserting a new subsection (h) to section 103-55, Hawaii Revised Statutes, to exclude nonprofits that are qualified community rehabilitation programs under sections 103D-1009 to 103D-1011, Hawaii Revised Statutes, and nonprofits that provide health or human services under chapter 103F, Hawaii Revised Statutes.

Your Committee has amended this measure by:

- (1) Changing the effective date to July 1, 2050 for the purpose of facilitating further discussion; and
- (2) Making technical nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 760, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 760, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Ayes with Reservations, 1 (Whalen). Noes, 1 (Hemmings). Excused, none.

SCRep. 1687 Ways and Means on H.B. No. 1231

The purpose of this measure is to appropriate funds to satisfy claims against the State for judgments, settlements, and miscellaneous payments.

The Department of the Attorney General submitted comments in support of this bill.

Your Committee has amended this bill by:

- (1) Appropriating additional funds for two new claims that have been resolved, totaling \$301,360.00;
- (2) Increasing the amount of one claim to reflect additional fees, costs, and interest;
- (3) Decreasing the amount of one claim to reflect partial payment of the claim from available federal funds; and
- (4) Changing the effective date of the measure from "upon its approval" to "July 1, 2007."

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1231, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1231, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1688 Ways and Means on H.B. No. 357

The purpose of this measure is to increase the safety of pedestrians, especially those who are elderly.

Specifically, the bill appropriates funds to the City and County of Honolulu to establish a two-year pilot project to test crosswalk safety enhancements and programs.

The Department of Transportation and the Hawaii Bicycling League submitted comments on the bill.

Your Committee finds that approximately five hundred sixty pedestrian injuries occur annually, most of them involving an elderly person. Currently, many pedestrian signals require pedestrians to cross streets very quickly and the elderly are not able to cross various intersections and crosswalks before the signal changes.

Your Committee has amended the bill by replacing its contents with House Bill No. 806, S.D. 1.

The amended measure appropriates funds to the Department of Transportation to:

- (1) Work with the counties and nonprofit organizations to take immediate action steps to make crosswalks and roadways safer;
- (2) Conduct a study to identify intersections at which the time for crossing is too short for elderly pedestrians; and
- (3) Develop additional plans to make crosswalks and roadways safer.

Your Committee finds that appropriating funds and taking immediate steps and planning future steps to increase safety at crosswalks, as well as studying which intersections and crosswalks pose great risks for crossing by pedestrians, are important actions that should be undertaken as quickly as possible in light of the increasing numbers of fatal accidents involving pedestrians.

The amounts appropriated by this measure have been changed to \$1 to facilitate further discussion of the matter.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 357, H.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 357, H.D. 2, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1689 Ways and Means on H.B. No. 1277

The purpose of this measure is to:

- (1) Repeal the attractions and educational facilities tax credit for Ko Olina Resort and Marina, and Makaha Resort; and
- (2) Establish for the Leeward Coast and nearby areas a revitalization tax credit for affordable rental housing and educational and training facilities for the visitor industry and for certain commercial projects.

The tax credit would be used against taxes incurred under chapters 235 (income tax), 237 (general excise), and 237D (transient accommodations), Hawaii Revised Statutes, and would be worth up to \$7,500,000 annually, up to an aggregate of \$75,000,000, for the period starting May 31, 2007, and ending before June 1, 2012.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; the Department of Taxation; and the Office of Planning. Comments were received from the Tax Foundation of Hawaii.

Your Committee finds that the income tax credits for attractions and educational facilities for Ko Olina Resort and Marina, and the Makaha Resort, enacted by Act 100, Session Laws of Hawaii 2003, have not been claimed by any taxpayer. Your Committee determines that those tax credits of \$75,000,000 in the aggregate can be redirected to stimulate development of the Leeward Coast.

Your Committee further finds that the development of Ko Olina and the continued strength of the State's visitor industry has expanded the need for affordable workforce housing and training to prepare for the State's future economic growth. Because of the success of Ko Olina, your Committee believes that the tax credits can be redesignated and used to serve and revive the Leeward Coast through affordable rental housing, visitor industry education and training opportunities, and media, film, and music education facilities.

Accordingly, your Committee has amended this measure by:

- (1) Deleting a tax credit for commercial projects, as being overly broad;
- (2) Deleting tax credits for chapters 237 and 237D, Hawaii Revised Statutes, the general excise tax and transient accommodations tax, respectively;
- (3) Making media, film, and music educational facilities established on the Leeward Coast eligible for the tax credit;
- (4) Apportioning the maximum annual income tax credit amounts per category as follows:
 - (A) A maximum of \$5,000,000 of tax credits in the aggregate for all qualified taxpayers that may be used or refunded in any one taxable year for credits earned for affordable rental housing developments;
 - (B) A maximum of \$1,250,000 of tax credits in the aggregate for all qualified taxpayers that may be used or refunded in any one taxable year for credits earned for educational or training facilities, or both, for the visitor industry; and
 - (C) A maximum of \$1,250,000 of tax credits in the aggregate for all qualified taxpayers that may be used or refunded in any one taxable year for credits earned for media, film, and music educational facilities;
- (5) Clarifying that the qualified costs must be expended upon an educational or training facility, or both, for the visitor industry within the Leeward Coast;
- (6) Establishing that the qualified costs must be expended upon a media, film, and music educational facility within the Leeward Coast;
- (7) Providing for a refundable tax credit;
- (8) Deleting the requirement that the taxpayer identify in a certified statement the income tax liability against which the tax credits are claimed;
- (9) Changing the definition of "affordable rental housing" to require:
 - (A) Ninety per cent of the units shall be for rental to households with incomes at or below eighty per cent of the median income for the Honolulu metropolitan statistical area, adjusted for household size, as most recently determined by the United States Department of Housing and Urban Development; and
 - (B) Ten per cent of the units shall be for rental to households with incomes at or below sixty per cent of the medium income for the Honolulu metropolitan statistical area, adjusted for household size, as most recently determined by the United States Department of Housing and Urban Development;
- (10) Clarifying the definition of "Leeward Coast" to mean the geographic area encompassed by the nineteenth and twenty-first senatorial districts as of January 1, 2007, and those lands owned by the Department of Hawaiian Home Lands within the nineteenth senatorial district as it is defined as of January 1, 2007;
- (11) Clarifying the definition of "qualified costs";
- (12) Adding a proviso that if costs are incurred for such facilities under this section, and not used as an educational facility for a period of not less than eight years, or ultimately, no such facility is constructed, and in the case of affordable rental housing, such facility is not operated as affordable rental housing for a period of not less than thirty years, the costs incurred shall not be deemed as qualified costs and any tax credit claimed shall be recaptured; and
- (13) Clarifying the purpose section.

Your Committee urges the Committee on Conference on this measure to consider keeping the land in perpetuity for affordable rental housing by exploring the concept of a land trust. A land trust would allow the selling of a structure without selling the realty upon which the structure is situated.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1277, H.D. 2, S.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1277, H.D. 2, S.D. 3.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1690 **Ways and Means on H.B. No. 1639**

The purpose of this measure is to:

- (1) Exclude rental income derived from agricultural leases on important agricultural lands from gross and adjusted gross income, and taxable income for income tax purposes, under certain conditions;
- (2) Exempt rental income derived from agricultural leases on important agricultural lands from the general excise tax law, under certain conditions;
- (3) Establish a reimbursable real property income tax credit for one hundred per cent of the actual amount of real property tax paid by taxpayers on lands designated as important agricultural lands; and
- (4) Provide farmer and employee housing on lands designated as important agricultural lands.

Written comments in support of this measure were submitted by the Department of Agriculture; the Land Use Research Foundation of Hawaii; the Hawaii Farm Bureau Federation; the Hawaii Agriculture Research Center; Alexander and Baldwin, Inc.; the Hawaiian Commercial and Sugar Company; and the Kauai Coffee Company, Inc. Written comments in opposition to this measure were submitted by the Office of Planning, Department of Business, Economic Development, and Tourism and the Department of Planning and Permitting, City and County of Honolulu. The Department of Taxation and the Tax Foundation of Hawaii submitted comments.

Act 183, Session Laws of Hawaii 2005, was enacted to preserve and protect agricultural lands, promote diversified agriculture, increase agricultural self-sufficiency, and assure the availability of agriculturally suitable lands. Furthermore, Act 183 established a process to identify incentives to encourage farmers and landowners to designate their lands as important agricultural lands. Your Committee finds that establishing incentive programs relating to important agricultural lands will assist in enhancing the agricultural viability on important agricultural lands.

Of particular note, your Committee received a fiscal impact statement from the Department of Taxation that this measure, if enacted, would result in the general excise tax exemption reducing general fund revenues by \$160,000 annually. If this measure is made effective currently, the income tax exclusion would cost the State \$216,000 annually, and the real property tax credit will reduce revenues by \$10,000,000 per year because of the aggregated cap provision. The Department of Taxation indicated that revenue impacts could vary widely, depending on the amount of agricultural land designated as important agricultural lands. The fiscal impact statement submitted did not specify the methodology by which the fiscal impact was calculated.

Your Committee has amended this measure by:

- (1) Deleting references to agricultural activity in Part I of this measure and replacing it with references to agribusiness, and adding a definition for "agribusiness" for further clarity;
- (2) Adding language in Part II that the real property tax credit will be available for taxable years beginning after December 31, 2007, and will not be available for taxable years beginning after December 31, 2027;
- (3) Adding an appropriation of an unspecified amount in Part II for fiscal biennium 2007-2009 for the Department of Agriculture to collect and analyze data to make an aggregated quantitative and qualitative assessment of the full impact of the important agricultural lands tax credit;
- (4) Adding a Part IV to this measure that amends section 205-5, Hawaii Revised Statutes, by adding a new subsection allowing an unspecified minimum lot size on designated important agricultural lands; and
- (5) Making technical, nonsubstantive amendments for the purposes of style and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1639, H.D. 2, S.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1639, H.D. 2, S.D. 3.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1691 Ways and Means on H.B. No. 1114

The purpose of this measure is to promote diversified agriculture in the State.

Specifically, this measure:

- (1) Refocuses and redefines the role and mission of the Agribusiness Development Corporation to its primary responsibility of coordinating and administering the transition of agricultural infrastructure from plantation operations into use by diversified agriculture; and
- (2) Transforms the Molokai irrigation system water users advisory board into the Molokai irrigation system governing board to manage the Molokai irrigation system.

Your Committee has received comments in opposition to this measure from the Department of Agriculture, and the Chairperson and Executive Director of the Agribusiness Development Corporation.

Your Committee finds that at its creation, the Agribusiness Development Corporation's principal responsibility was to take control over the agricultural infrastructure, including irrigation systems, roads, and structures, of large plantation sugar cane and pineapple operations and convert the use of this infrastructure to the benefit of smaller multiple diversified agricultural enterprises. However, the Agribusiness Development Corporation was also directed to provide other services to these diversified agricultural enterprises, including but not limited to undertaking market analysis and promotional studies, providing grants, loans and seed moneys ensuring availability of adequate air and ground transportation to allow local agricultural products to reach local, national, and international markets, and providing training and educational services for persons engaged in agricultural activities.

In spite of all these tasks and responsibilities, the Agribusiness Development Corporation has concentrated its efforts on its primary responsibility, that is, taking over the infrastructure of closing plantation operations, particularly irrigation systems, and maintaining and operating the infrastructure to serve surrounding agricultural lands dependent on the agricultural infrastructure.

Your Committee further finds that historically there have been complaints from the water users of the Molokai irrigation system regarding the maintenance, operation, and costs of the system that are passed down to the water users. One of the purposes of this measure is to give the water users of the Molokai irrigation system more responsibility in the governance of the Molokai irrigation system.

Your Committee has amended this measure by:

- (1) Providing that the Molokai irrigation system governing board's duties and responsibilities shall be to provide direction to the Department of Agriculture by:
 - (A) Setting policy for the operation and directing the expenditures of funds for the irrigation system;
 - (B) Providing support for improvements to the irrigations facilities;
 - (C) Participating in the long-range planning of the irrigation system; and
 - (D) Acting as a liaison between the irrigation system water users and the Department of Agriculture; and
- (2) Making technical nonsubstantive changes to this measure for purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1114, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1114, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1692 Ways and Means on H.B. No. 1283

The purpose of this measure is to ensure the availability of affordable housing in the Kakaako area by:

- (1) Allowing the Hawaii Community Development Authority (HCDA) to repurchase residential or redevelopment property at any time by deleting the ten year restriction; and
- (2) Allowing the HCDA to sell the fee simple interest in reserved housing units within the Kakaako Community Development District.

Written comments in support of this measure was submitted by the HCDA and two individuals.

Your Committee finds that this measure will provide the HCDA with additional tools to develop long-term projects and to provide further opportunity to offer affordable housing units.

Your Committee has amended this measure by:

- (1) Designating sections 1 and 2 as Part I of the measure; and
- (2) Adding a new Part II, which:
 - (A) Establishes a Kakaako Central Small Business District;
 - (B) Requires the HCDA to confer and obtain consensus from real property owners within and adjacent to a proposed public facility prior to undertaking any public facility as part of the district-wide improvement program;
 - (C) Requires that the dedication for public school facilities in the Kakaako Community Development District be on a fair-share basis, as determined by the Department of Education, and agreed to in writing by the Department of Education and the developer; and
 - (D) Transfers funds from the Hawaii Community Development Revolving Fund to the Department of Education for capital improvement projects for public schools directly adjoining or serving the Kakaako Community Development District, with student populations that reflect a disproportionate share of low socioeconomic strata and unmet community needs, and for the future study and design of a new public school facility located in the Kakaako Community Development District.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1283, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1283, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1693 Ways and Means on H.B. No. 718

The purpose of this measure is to ensure that principles of aquatic conservation continue to be instilled in young children for the preservation of ocean resources and perpetuation of Hawaiian cultural traditions.

More specifically, this measure requires the Hawaii Community Development Authority to set aside portions of two tax map parcels of property, comprising approximately fifteen thousand square feet, for a facility to be used by the Kewalo Keiki Fishing Conservancy. In addition, the measure appropriates necessary funds.

Forty-five individuals submitted comments in support of the measure. The Attorney General and the Hawaii Community Development Authority submitted comments in opposition to the measure.

Your Committee finds that it is important to teach Hawaii's keiki about fishing and ocean conservation and that the Kewalo Keiki Fishing Conservancy performs this function as a unique fishing school at Kewalo Basin.

Your Committee further finds that the measure requires the Hawaii Community Development Authority to set aside the so called old ice chute and fuel dock operations at the Kewalo basin cove. After environmental remediation, this facility will be provided to the Kewalo Basin Fishing Conservancy so it can continue its teaching efforts.

Your Committee has amended the measure by making technical nonsubstantive changes for purposes of style, clarity, and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 718, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 718, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1694 Ways and Means on H.B. No. 1516

The purpose of this measure is to assist Honolulu Marine, Inc., dba Kewalo Shipyard, with relocating from Kewalo Basin to the Keehi Small Boat Harbor.

Specifically, this measure includes funds for improvements to the Keehi Small Boat Harbor, including the:

- (1) Grading and leveling of the selected property;
- (2) Installation of port security infrastructure around the entire property boundary; and
- (3) Construction of a finger pier, sea retaining walls, and bulk heads.

Comments in support of this measure were submitted by the Hawaii Boaters Political Action Association and Honolulu Marine, Inc. The Department of Transportation submitted comments in opposition. The Hawaii Community Development Authority and the Department of Land and Natural Resources submitted comments.

Your Committee finds that Honolulu Marine, Inc. continues to provide vital marine repair facilities and services to the Hawaii maritime community. Your Committee recognizes that, based on plans for the redevelopment of the Kakaako business district, Honolulu Marine, Inc. must be relocated to help prepare the Kakaako area for future development.

Your Committee has amended this measure by changing the expending agency from the Department of Transportation to the Hawaii Community Development Authority to more accurately reflect the appropriate state entity responsible for the relocation.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1516, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1516, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1695 Ways and Means on H.B. No. 652

The purpose of this measure is to enhance dam and reservoir safety.

Specifically, this measure:

- (1) Adds a new part to chapter 179D, Hawaii Revised Statutes, that:
 - (A) Requires each dam owner to hold a valid certificate of approval to impound water;
 - (B) Allows authorized representatives of the Department of Land and Natural Resources to enter upon any property, public or private, at reasonable times, without prior notice, to inspect dams and reservoirs;
 - (C) Allows the Department of Land and Natural Resources to seek and obtain injunctive relief in the circuit court to enforce the provisions of chapter 179D, Hawaii Revised Statutes;
 - (D) Allows the Department of Land and Natural Resources to take emergency actions relating to any dam or reservoir to remedy any dangerous conditions threatening life and property;
 - (E) Establishes the dam safety special fund;
 - (F) Allows the Department of Land and Natural Resources to attach liens on all property of a dam owner to ensure reimbursement of costs and expenses incurred by the State in enforcing the provisions of this chapter;
 - (G) Requires all dams built prior to and after the effective date of this measure to be registered and certified;
 - (H) Expands the specific responsibilities of dam and reservoir owners to maintain and operate their dams and reservoirs; and
 - (I) Requires the Department of Land and Natural Resources to submit annual reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, relating to the dam and reservoir safety program; and
- (2) Makes amendments to existing provisions contained in chapter 179D, Hawaii Revised Statutes, that:
 - (A) Add ten new definitions to section 179D-3, Hawaii Revised Statutes, to conform with the new sections included in the new part added to the chapter by part I of this measure;
 - (B) Amend the definition of "dam" to allow the Board of Land and Natural Resources to specifically, by rule, exempt certain artificial barriers from the definition of a dam;
 - (C) Expand the enumerated duties of the Board of Land and Natural Resources contained in section 179D-6(b), Hawaii Revised Statutes, to conform to the provisions of the new part added to the chapter by part I of this measure;
 - (D) Provide that the findings, actions, and order of the Board of Land and Natural Resources are final, binding, and conclusive on dam owners and operators, subject to judicial review; and
 - (E) Increase the administrative penalties and allow imposition of criminal penalties for any violations of the chapter, rules adopted to effectuate the chapter, or orders of the Board of Land and Natural Resources issued pursuant to the chapter; and

- (3) Makes an appropriation into and out of the newly established dam safety special fund to carry out the purposes of the dam safety special fund.

Your Committee received comments in support of this measure from the American Society of Civil Engineers. Comments were also received from the Attorney General, the Department of Land and Natural Resources, and Alexander & Baldwin, Inc.

In the aftermath of the tragic Kaloko Dam collapse on Kauai that took seven lives and caused tremendous property and crop loss, dam and reservoir safety remains utmost in the minds of the residents of this State. Dams and reservoirs of even more potentially high hazard remain perched above large urban areas, such as the Nuanu Reservoir and the Wahiawa Dam, holding back Lake Wilson in Wahiawa. The failure of either of these dams and reservoirs could result in extreme loss of life and massive damage to urban and agricultural properties. Accordingly, dam and reservoir safety remains a high priority to your Committee.

Your Committee has amended this measure by:

- (1) Clarifying that the Department of Land and Natural Resources may seek an administrative subpoena to secure relevant documents through the Office of the Attorney General;
- (2) Setting forth in a separate section and clarifying the right of the Department of Land and Natural Resources to attach and perfect liens on all real property owned by a dam owner in the State to ensure the reimbursement of costs and expenses of the Department in enforcing this chapter;
- (3) Repealing section 179D-5, Hawaii Revised Statutes, as its provisions are redundant with section 179D-8, Hawaii Revised Statutes, as amended;
- (4) Changing the amount of the appropriations in sections 12 and 13 to unspecified amounts to allow further discussion on this matter; and
- (5) Making technical nonsubstantive changes for purposes of style, clarity, and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 652, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 652, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, 4 (Chun Oakland, English, Tokuda, Whalen).

SCRep. 1696 Ways and Means on H.B. No. 1095

The purpose of this measure is to make certain amendments to the laws relating to county low and moderate income housing projects.

Specifically, this measure:

- (1) Provides a definition in section 46-15.1, Hawaii Revised Statutes (housing; county powers), for low and moderate income housing by incorporating the definition for low and moderate income housing projects contained in section 39A-281, Hawaii Revised Statutes (special purpose revenue bonds for low and moderate income housing);
- (2) Allows the counties to extend loans to private nonprofit organizations and public instrumentalities for the development of low and moderate income housing projects;
- (3) Replaces references to repealed chapter 201G, Hawaii Revised Statutes (Housing and Community Development Corporation of Hawaii), with chapter 201H, Hawaii Revised Statutes (Hawaii Housing Finance and Development Corporation); and
- (4) Makes other technical nonsubstantive housekeeping changes for consistency.

Your Committee received comments in support of this measure from the Hawaii Housing coalition. Your Committee also received comments on this measure from UniDev Hawaii, LLC.

Your Committee finds that this measure makes county low and moderate income housing projects more compatible with similar projects developed pursuant to chapter 201H, relating to the Hawaii Housing Finance and Development Corporation, and chapter 39A, relating to special purpose revenue bonds to assist in the development of low- and moderate-income housing, and improves the counties' ability to assist in the development of affordable housing.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1095, H.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Whalen).

SCRep. 1697 Ways and Means on H.B. No. 1493

The purpose of this measure is to exempt employees of the Crime Victim Compensation Commission from the civil service law.

More specifically, the bill:

- (1) Exempts newly hired employees of the Crime Victim Compensation Commission from civil service laws as established in chapter 76, Hawaii Revised Statutes; but
- (2) Retains coverage under the collective bargaining law under chapter 89, Hawaii Revised Statutes, for all employees.

The Crime Victim Compensation Commission submitted comments in support of the measure.

Your Committee finds that the Crime Victim Compensation Commission fulfills important functions, such as mitigating the physical, emotional, and financial impacts suffered by victims of a violent crime.

Your Committee further finds that the Commission requires a specialized, entrepreneurial staff to adequately serve victims of violent crime in Hawaii and that it is necessary to attract new employees with these characteristics. By continuing coverage under the collective bargaining law this bill protects the rights of employees, while providing the Commission with greater flexibility in hiring staff.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1493, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 1 (Menor).

SCRep. 1698 (Majority) Ways and Means on H.B. No. 861

The purpose of this measure is to ensure that public works projects financed using special purpose revenue bonds, are in compliance with chapter 104, Hawaii Revised Statutes (wages on public works).

Specifically, this measure:

- (1) Directs the Director of Finance to notify the Director of Labor and Industrial Relations whenever the former issues special purpose revenue bonds for a public works project that is subject to chapter 104, Hawaii Revised Statutes, but is not directly undertaken by a governmental agency, in order to allow the Director of Labor and Industrial Relations to carry out the latter's duties under chapter 104, Hawaii Revised Statutes; and
- (2) Provides that in the event that a project is undertaken by a project party pursuant to a project agreement and financed or refinanced by special purpose revenue bonds, all as defined under chapter 39A, Hawaii Revised Statutes, and the project party has entered into a collective bargaining agreement with a bona fide labor union governing the project party's workforce, then the terms of the collective bargaining agreement shall be deemed the prevailing wages and terms serving as compliance with the provisions of section 104-2, Hawaii Revised Statutes, relating to prevailing wages, hours, and pay issues.

Your Committee received comments in support of this measure from the Hawaii State AFL-CIO, the International Brotherhood of Electrical Workers, and the Hawaii State Teachers Association. The Department of Budget and Finance and the Department of Labor and Industrial Relations offered comments in opposition to this measure, and Hawaiian Electric Company, Inc. submitted comments.

Your Committee finds that pursuant to section 104-2, Hawaii Revised Statutes, a public work may include any project where the funds to undertake the project are derived from the sale of bonds whose interest is exempt from state or federal taxes, such as special purpose revenue bonds issued pursuant to chapter 39A, Hawaii Revised Statutes. However, it should be noted that the changes to the law made by this measure do not apply to projects that are financed by the proceeds of special purpose revenue bonds issued prior to the effective date of this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 861, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, 2 (Hemmings, Whalen). Excused, none.

SCRep. 1699 Ways and Means on H.B. No. 1063

The purpose of this measure is to increase the previously authorized funding for the Operation About Face program.

Specifically, this measure authorizes the Department of Defense to expend interdepartmentally transferred funds from the Department of Human Services for the program. The funding amount is increased from \$4,700,000 to \$7,900,000 in item I-20 of section 3 of Act 178, Session Laws of Hawaii 2005, as amended. The Program will provide services to youth from age eleven to young adulthood in English, mathematics, and basic life skills.

Your Committee received comments in support of this measure from the Department of Defense.

Your Committee finds that this measure, which is recommended by the Governor for immediate passage in accordance with section 9 of article VII of the State Constitution, will allow the Department of Defense to receive and expend all the federal temporary assistance to needy families funds received from the Department of Human Services for the Hawaii national guard's Operation About Face statewide family of programs.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1063, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Whalen).

SCRep. 1700 Ways and Means on H.B. No. 1201

The purpose of this measure is to clarify the participation of beneficiaries in the process of preparing the Office of Hawaiian Affairs' biennial and supplemental budgets.

Specifically, this measure amends section 10-14.5, Hawaii Revised Statutes (Office of Hawaiian Affairs budget preparation) by:

- (1) Authorizing the Board of Trustees of the Office of Hawaiian Affairs to choose the best method of providing opportunities for beneficiaries to be involved with the preparation of its budget annually; and
- (2) Clarifying that public meetings on the proposed budget in every county are not required.

Comments in support of this measure were received from the Office of Hawaiian Affairs.

Your Committee finds that this measure will help to streamline the process by which the Office of Hawaiian Affairs prepares its budget. Your Committee further finds that giving the Office of Hawaiian Affairs discretionary authority to choose the best method of involving its beneficiaries will be an efficient and cost-effective option.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1201, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, none.

SCRep. 1701 Ways and Means on H.B. No. 1848

The purpose of this measure is to appropriate funds to establish the maka'i o ke kai community grant program to assist communities in near-shore resource management and monitoring.

The measure also:

- (1) Engages local communities in the management of Hawaii's near-shore fishery resources; and
- (2) Establishes a community task force to advise the Department of Land and Natural Resources in its fisheries rulemaking process.

Your Committee received comments in support of the measure from the Nature Conservancy of Hawaii and seven concerned individuals. The Department of Land and Natural Resources, the Mayor of Maui County, and ten concerned individuals submitted comments on this measure. The Malama Maunaloa submitted comments in opposition to the measure.

Your Committee finds that Hawaii's near-shore reef fisheries have declined by seventy-five per cent over the past century due to over-use, run off, sedimentation, and invasive species. Scientists estimate that commercial reef-fish species, such as o'io, weke, and kumu have declined by more than seventy-five per cent in the past one hundred years.

The maka'i o ke kai program is a partnership in marine resource enforcement, education, outreach, monitoring, and surveillance between local community members and the Department of Land and Natural Resources, as well as other resource managers and regulators.

This measure supports the maka'i o ke kai program by enabling communities to directly manage the marine resources surrounding their communities to ultimately preserve and protect Hawaii's near-shore habitat.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1848, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, 4 (Chun Oakland, English, Tokuda, Whalen).

SCRep. 1702 Tourism and Government Operations on Gov. Msg. No. 265

Recommending that the Senate advise and consent to the nomination of the following:

COMPTROLLER OF THE DEPARTMENT OF ACCOUNTING AND GENERAL SERVICES

G.M. No. 265 RUSS K. SAITO, for a term to expire 12-6-2010

Your Committee received testimony in support of the nominee from the Department of Human Resources Development; Automotive Management Division, Department of Accounting and General Services; Campaign Spending Commission; State Procurement Office; U.S. Small Business Administration; a Honolulu City Council Member; a Maui County Council Member; First Hawaiian Bank; Hawaiian Telcom; Grove Farm; Outrigger Enterprises, Inc.; Questor Associates; Ralph S. Inouye Co Ltd; Subcontractors Association of Hawaii; Building Industry Association; Structural Engineers Association of Hawaii; Masa Fujioka & Associates; Coalition of Hawaii Engineering & Architectural Professionals; Hidano Construction, Inc.; Hawaii Island Contractors' Association; General Contractors Association of Hawaii; GJB & Associates LLC; American Society of Civil Engineers; American Council of Engineering Companies of Hawaii; The American Institute of Architects Hawaii State Council; and nineteen individuals.

Russ K. Saito currently serves as the Comptroller, originally appointed in December, 2002. The nominee received a Bachelors and Masters Degree in Electrical Engineering from the University of Hawaii, and a Masters Degree in Business Management from Central Michigan University, Hawaii Campus.

Mr. Saito's experience includes various management positions with GTE/Verizon from 1977 to 2002, and staff engineer positions with that company from 1968 to 1977.

Mr. Saito's notable accomplishments as Comptroller include: (1) improving the speed of payment to contractors and streamlining the financial management process; (2) improving the fairness and openness of the procurement process; (3) promoting the adoption of administrative rules to help small businesses to grow in areas critical to the State's economy; (4) improving the way the State responds to emergencies; establishing effective project management and standards based control of public works and information technology implementation and operations; (5) overseeing the transfer of school repair and maintenance and construction programs to the Department of Education; and (6) expediting the creation of transitional housing and shelter space.

More specifically, your Committee further notes that Mr. Saito has, among other things:

- (1) With regard to procurement, increased openness and fairness in the award of state contracts, and brought efficiency, integrity, and transparency to the State procurement process;
- (2) With regard to financial reporting, on behalf of the State of Hawaii being awarded the Certificate of Achievement for Excellence in Financial Reporting for the Department of Accounting and General Services Comprehensive Annual Financial Report, for every report since 2003;
- (3) With regard to paying vendors for goods and services, provided the State with optimized financial management by establishing the Accounting and Audit Review Committee to address statewide accounting and auditing policy, review action plans for resolving audit findings, and provide monthly management reports;
- (4) With regard to government accessibility, helped improve citizen access by offering electronic newsletters, web-cast events and news conferences, emails to the Governor from the public, and online applications for service on boards and commissions;
- (5) With regard to the transaction of government business, facilitated the doing of business between the State and private citizens over the Internet;

- (6) With regard to promoting small business, set aside smaller contracts for award to small businesses and required that large contractors be evaluated in part on their use of small businesses as subcontractors on larger contracts;
- (7) With regard to natural disasters, facilitated a program to enable state buildings to withstand the effects of natural and man-made disasters; and
- (8) With regard to land management, has digitized the land court and file plan map collection and is currently digitizing shoreline maps and photographs.

Mr. Saito received unanimous support from testifiers, including high praises for his efficiency, fairness, promptness, and integrity. Your Committee has been pleased with the nominee's testimony on a myriad of measures considered by your Committee. Mr. Saito gives straightforward answers, rational reasons, background information, and documentation.

Mr. Saito states in his testimony that he has tried to perform his duties responsibly and with integrity, and to treat all people with respect and fairness. During his tenure as Comptroller, he has strived to make a difference in restoring trust in government and making government work better. In sum, Mr. Saito reiterates his goals for the Department of Accounting and General Services (DAGS), to mirror DAGS mission statement, "To help agencies better serve the public by providing, at best value and with integrity: superior public facilities, expert technology solution and services, operational support, fiscal guidance, oversight of administrative services and preservation and promotion of cultural heritage." These are goals that are congruent with your Committees' view of the mission of DAGS.

As affirmed by the records of votes of the members of your Committee on Tourism and Government Operations that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, none.

SCRep. 1703 Education on H.C.R. No. 55

The purpose of this measure is to foster peaceful school environments by requesting a study on the feasibility of integrating peace education into the public school curriculum.

Testimony in support of this measure was submitted by the Department of Education, the Pacific Buddhist Academy, Honoka'a High School, and eight individuals.

Your Committee finds that the world around us is fraught with violence and killing, be that in the form of the war in Iraq or in our own schools and neighborhoods, as in the case of the Columbine High School killings. Your Committee further finds that, although Hawaii promotes the spirit of aloha, incidents of violence have managed to work their way into the fabric of our communities. In order to foster peaceful school environments and communities, especially for our keiki, the State must actively address and promote a mindset of peace in our schools and communities. Existing programs that are dedicated to reducing violence and promoting peace throughout the world should be examined and consulted with to ascertain the feasibility of incorporating similar education into the public schools. Your Committee believes that the Department of Education can and should play a significant role in properly educating our keiki to become non-violent, peaceful adults by any appropriate means possible.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 55, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, none.

SCRep. 1704 Education on S.C.R. No. 139

The purpose of this measure is to foster peaceful school environments by requesting a study on the feasibility of integrating peace education into the public school curriculum.

Testimony in support of this measure was submitted by the Department of Education, the Pacific Buddhist Academy, Honoka'a High School, and eight individuals.

Your Committee finds that the world around us is fraught with violence and killing, be that in the form of the war in Iraq or in our own schools and neighborhoods, as in the case of the Columbine High School killings. Your Committee further finds that, although Hawaii promotes the spirit of aloha, incidents of violence have managed to work their way into the fabric of our communities. In order to foster peaceful school environments and communities, especially for our keiki, the State must actively address and promote a mindset of peace in our schools and communities. Existing programs that are dedicated to reducing violence and promoting peace throughout the world should be examined and consulted with to ascertain the feasibility of incorporating similar education into the public schools. Your Committee believes that the Department of Education can and should play a significant role in properly educating our keiki to become non-violent, peaceful adults by any appropriate means possible.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 139 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, none.

SCRep. 1705 Education on S.R. No. 93

The purpose of this measure is to foster peaceful school environments by requesting a study on the feasibility of integrating peace education into the public school curriculum.

Testimony in support of this measure was submitted by the Department of Education, the Pacific Buddhist Academy, Honoka'a High School, and eight individuals.

Your Committee finds that the world around us is fraught with violence and killing, be that in the form of the war in Iraq or in our own schools and neighborhoods, as in the case of the Columbine High School killings. Your Committee further finds that, although Hawaii promotes the spirit of aloha, incidents of violence have managed to work their way into the fabric of our communities. In order to foster peaceful school

environments and communities, especially for our keiki, the State must actively address and promote a mindset of peace in our schools and communities. Existing programs that are dedicated to reducing violence and promoting peace throughout the world should be examined and consulted with to ascertain the feasibility of incorporating similar education into the public schools. As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 93 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, none.

SCRep. 1706 Education on S.C.R. No. 173

The purpose of this measure is to express support for international education for Hawaii's students.

Testimony in support of this measure was submitted by the Department of Education, the University of Hawaii System, the University of Hawaii at Manoa, the NAFSA Hawaii Pacific District, and seven individuals.

Your Committee finds that the world in which we live has become a global society, supporting global ideas and a global economy. Your Committee further finds that, although Hawaii is a beautiful and wonderful place in which to live, work, and learn, an education that encompasses international viewpoints and experiences provides an enriched educational experience that distinguishes future leaders and will define the economic, socioeconomic, and political future of Hawaii. Our local institutions must promote an education that provides for skills, knowledge, and opportunities for local students to study abroad and acquire linguistic and intercultural skills to interact with individuals from and in a multitude of different nations and cultures. This measure signifies the Legislature's support for international education for local students to provide for increased awareness and education to understand and address the current and future problems of Hawaii and throughout the world.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 173 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Hee).

SCRep. 1707 Education on S.R. No. 113

The purpose of this measure is to express support for international education for Hawaii's students.

Testimony in support of this measure was submitted by the Department of Education, the University of Hawaii System, the University of Hawaii at Manoa, the NAFSA Hawaii Pacific District, and seven individuals.

Your Committee finds that the world in which we live has become a global society, supporting global ideas and a global economy. Your Committee further finds that, although Hawaii is a beautiful and wonderful place in which to live, work, and learn, an education that encompasses international viewpoints and experiences provides an enriched educational experience that distinguishes future leaders and will define the economic, socioeconomic, and political future of Hawaii. This measure signifies the Legislature's support for international education for local students to provide for increased awareness and education to understand and address the current and future problems of Hawaii and throughout the world.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 113 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Hee).

SCRep. 1708 (Joint) Education and Health on S.C.R. No. 37

The purpose of this measure is to promote organ donation in the State by urging the Department of Education and the Department of Health to collaborate on increasing awareness efforts of the benefits of organ donation.

Testimony in support of this measure was submitted by the Department of Health, the Organ Donor Center of Hawaii, and two individuals.

Your Committees find that successful organ and tissue donations drastically improve the lives of recipients and in many cases save lives. Your Committees further find that organ and tissue donations can be made with minimal or diminished negative impact on donors, facilitated through efforts by several states to alleviate some of the financial burden that may be involved. Unfortunately, although there are currently over 94,000 individuals on the nation's organ transplant waitlist, only less than fifty per cent of potential donors consent to being possible organ or tissue donors. As a result, thousands of individuals die each year because they are unable to receive necessary transplants.

Your Committees believe that a lack of awareness or exposure to misinformation regarding organ and tissue transplants is a barrier to more successful organ donations and transplants. The Departments of Health and Education should join forces to educate students and facilitate not only increased awareness of the facts and benefits of organ and tissue donation, but also to help increase the number of potential donors. The Legislature remains committed to supporting organ and tissue donations and will continue, through this as well as future measures, to address ways to make organ and tissue donations more feasible.

As affirmed by the records of votes of the members of your Committees on Education and Health that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 37 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 10. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1709 (Joint) Education and Health on S.R. No. 17

The purpose of this measure is to promote organ donation in the State by urging the Department of Education and the Department of Health to collaborate on increasing awareness efforts of the benefits of organ donation.

Testimony in support of this measure was submitted by the Department of Health, the Organ Donor Center of Hawaii, and two individuals.

Your Committees find that successful organ and tissue donations drastically improve the lives of recipients and in many cases save lives. Your Committees further find that organ and tissue donations can be made with minimal or diminished negative impact on donors, facilitated through efforts by several states to alleviate some of the financial burden that may be involved. Unfortunately, although there are currently over 94,000 individuals on the nation's organ transplant waitlist, only less than fifty per cent of potential donors consent to being possible organ or tissue donors. As a result, thousands of individuals die each year because they are unable to receive necessary transplants.

Your Committees believe that a lack of awareness or exposure to misinformation regarding organ and tissue transplants is a barrier to more successful organ donations and transplants. As affirmed by the records of votes of the members of your Committees on Education and Health that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 17 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 10. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1710 Education on S.C.R. No. 55

The purpose of this measure is to request the Department of Education to conduct a review and analysis of the Predictive Assessment of Reading Program to determine the feasibility of using it as a potential literacy benefit for public schools.

Testimony in opposition of this measure was submitted by the Department of Education.

Your Committee finds that ASSETS School has successfully utilized the Predictive Assessment of Reading Program, a standardized assessment for identifying students in risk categories, providing remedial instruction, and predicting the level of literacy skills children in grades kindergarten through third will achieve by eighth grade. The Department of Education currently struggles with addressing the literacy problem of public school students, a statistic that falls far behind the national figures.

Your Committee received testimony from the Department of Education indicating that it currently utilizes the Dynamic Indicators of Basic Early Learning Skills Assessment, designed to monitor the acquisition of basic early literacy skills. Therefore, the Department of Education believes the Predictive Assessment of Reading Program bears great similarity to its current method for assessment and considers its usage to be duplicative. However, your Committee believes that given the success of ASSETS School, the Predictive Assessment of Reading Program should at least be evaluated and that the Department should consider its usage based on such evaluation and comparison to its current methodology.

Accordingly, your Committee has amended this measure by:

- (1) Clarifying the details of the Predictive Assessment of Reading Program, including on whom it may be used, the duration of the assessment, the ease of obtaining results, and the form and information provided by the results; and
- (2) Clarifying that the Department of Education is requested to review and analyze the Predictive Assessment of Reading to determine its feasibility and consider its usage as a literacy benefit for public school students.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 55, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 55, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, none.

SCRep. 1711 Education on S.R. No. 31

The purpose of this measure is to request the Department of Education to conduct a review and analysis of the Predictive Assessment of Reading Program to determine the feasibility of using it as a potential literacy benefit for public schools.

Testimony in opposition of this measure was submitted by the Department of Education.

Your Committee finds that ASSETS School has successfully utilized the Predictive Assessment of Reading Program, a standardized assessment for identifying students in risk categories, providing remedial instruction, and predicting the level of literacy skills children in grades kindergarten through third will achieve by eighth grade. The Department of Education currently struggles with addressing the literacy problem of public school students, a statistic that falls far behind the national figures.

Your Committee received testimony from the Department of Education indicating that it currently utilizes the Dynamic Indicators of Basic Early Learning Skills Assessment, designed to monitor the acquisition of basic early literacy skills. Therefore, the Department of Education believes the Predictive Assessment of Reading Program bears great similarity to its current method for assessment and considers its usage to be duplicative. However, your Committee believes that given the success of ASSETS School, the Predictive Assessment of Reading Program should at least be evaluated and that the Department should consider its usage based on such evaluation and comparison to its current methodology.

Accordingly, your Committee has amended this measure by:

- (1) Clarifying the details of the Predictive Assessment of Reading Program, including on whom it may be used, the duration of the assessment, the ease of obtaining results, and the form and information provided by the results; and
- (2) Clarifying that the Department of Education is requested to review and analyze the Predictive Assessment of Reading to determine its feasibility and consider its usage as a literacy benefit for public school students.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 31, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 31, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 7. Noes, none. Excused, none.

SCRep. 1712 (Joint) Intergovernmental and Military Affairs and Transportation and International Affairs on S.C.R. No. 154

The purpose of this measure is to request that the Senate Committee on Transportation and International Affairs and the House of Representatives Committee on Transportation convene a joint hearing with the participation of the Department of Transportation and the Department of Planning and Permitting of the City and County of Honolulu to consider the likely impacts on traffic by the proposed Turtle Bay Resort expansion.

Your Committees received testimony in support of this measure from Kuli'ou'ou/Kalani Iki Neighborhood Board #2; UNITE HERE! Local 5 Hawai'i; Keep the North Shore Country; Defend O'ahu Coalition; McNulty Civil Engineering; and thirty-five individuals.

Your Committees received testimony in opposition to this measure from Kuilima Resort Company.

Your Committees find that the Department of Transportation's mission is to provide a safe, efficient, accessible, and inter-modal transportation system that ensures the mobility of people and goods, and enhances and preserves economic prosperity and quality of life.

Your Committees also find that Kamehameha Highway is a narrow, two-lane roadway that has seen tremendous traffic volume increases in recent years and is the only regional roadway on the North Shore of O'ahu. In addition, the O'ahu Regional Transportation Plan for the year 2030 includes no significant capacity improvement for this highway within the next twenty-three years.

Your Committees further find that the Kuilima Resort Company's 2005 Traffic Impact Analysis Report update estimates the expanded Turtle Bay Resort will generate up to two thousand fifty-four additional vehicle trips per hour and that the Kamehameha Highway cannot support the projected increase in vehicular traffic without improvements to provide additional capacity.

In light of these concerns, your Committees amended this measure by changing the title and focus of the measure by requesting that:

- (1) A North Shore Kamehameha Highway Traffic Congestion Task Force be established to conduct an assessment of traffic impacts of the proposed Turtle Bay Resort expansion and other developments in the region and to recommend mitigative measures that may be required by the expansion;
- (2) The North Shore Kamehameha Highway Traffic Congestion Task Force be co-chaired by the Department of Transportation Services, and the Department of Planning and Permitting of the City and County of Honolulu;
- (3) If the North Shore Kamehameha Highway Traffic Congestion Task Force finds that if the impacts of the proposed expansion bring the highway levels of service and volume-to-capacity ratio outside of national and State highway guidelines, then the Task Force is requested to:
 - (A) Recommend potential mitigative measures and broad estimates of the costs and timelines involved to implement the mitigative measures; and
 - (B) Make specific recommendations for measures, such as project phasing related to highway capacity expansion, that may be required of the developer;
- (4) The North Shore Kamehameha Highway Traffic Congestion Task Force seek community input from residents and businesses located in the North Shore area, including the appropriate neighborhood boards, and conduct community public hearings or informational briefings; and
- (5) The North Shore Kamehameha Highway Traffic Task Force report its findings and recommendations to the Legislature no later than twenty days prior to the convening of the Regular Session of 2008.

As affirmed by the records of votes of the members of your Committees on Intergovernmental and Military Affairs and Transportation and International Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 154, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 154, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 3 (Hooser, Taniguchi, Gabbard).

SCRep. 1713 (Joint) Intergovernmental and Military Affairs and Transportation and International Affairs on S.R. No. 107

The purpose of this measure is to request that the Senate Committee on Transportation and International Affairs and the House of Representatives Committee on Transportation convene a joint hearing with the participation of the Department of Transportation and the Department of Planning and Permitting of the City and County of Honolulu to consider the likely impacts on traffic by the proposed Turtle Bay Resort expansion.

Your Committees received testimony in support of this measure from Kuli'ou'ou/Kalani Iki Neighborhood Board #2; UNITE HERE! Local 5 Hawai'i; Keep the North Shore Country; Defend O'ahu Coalition; McNulty Civil Engineering; and thirty-five individuals.

Your Committees received testimony in opposition to this measure from Kuilima Resort Company.

Your Committees find that the Department of Transportation's mission is to provide a safe, efficient, accessible, and inter-modal transportation system that ensures the mobility of people and goods, and enhances and preserves economic prosperity and quality of life.

Your Committees also find that Kamehameha Highway is a narrow, two-lane roadway that has seen tremendous traffic volume increases in recent years and is the only regional roadway on the North Shore of O'ahu. In addition, the O'ahu Regional Transportation Plan for the year 2030 includes no significant capacity improvement for this highway within the next twenty-three years.

Your Committees further find that the Kuilima Resort Company's 2005 Traffic Impact Analysis Report update estimates the expanded Turtle Bay Resort will generate up to two thousand fifty-four additional vehicle trips per hour and that the Kamehameha Highway cannot support the projected increase in vehicular traffic without improvements to provide additional capacity.

In light of these concerns, your Committees amended this measure by changing the title and focus of the measure by requesting that:

- (1) A North Shore Kamehameha Highway Traffic Congestion Task Force be established to conduct an assessment of traffic impacts of the proposed Turtle Bay Resort expansion and other developments in the region and to recommend mitigative measures that may be required by the expansion;

- (2) The North Shore Kamehameha Highway Traffic Congestion Task Force be co-chaired by the Department of Transportation Services, and the Department of Planning and Permitting of the City and County of Honolulu;
- (3) If the North Shore Kamehameha Highway Traffic Congestion Task Force finds that if the impacts of the proposed expansion bring the highway levels of service and volume-to-capacity ratio outside of national and State highway guidelines, then the Task Force is requested to:
 - (A) Recommend potential mitigative measures and broad estimates of the costs and timelines involved to implement the mitigative measures; and

- (4) The North Shore Kamehameha Highway Traffic Congestion Task Force seek community input from residents and businesses located in the North Shore area, including the appropriate neighborhood boards, and conduct community public hearings or informational briefings; and
- (5) The North Shore Kamehameha Highway Traffic Task Force report its findings and recommendations to the Legislature no later than twenty days prior to the convening of the Regular Session of 2008.

As affirmed by the records of votes of the members of your Committees on Intergovernmental and Military Affairs and Transportation and International Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 107, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 107, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 3 (Hooser, Taniguchi, Gabbard).

SCRep. 1714 Water, Land, Agriculture and Hawaiian Affairs on S.C.R. No. 150

The purpose of this measure is to ensure access to state-controlled beaches by requesting that the Department of Land and Natural Resources establish uniform rules and permitting procedures for public beach weddings.

Testimony in support of this measure was submitted by the Maui Wedding Association, the Maui Wedding Network, and six individuals. Testimony in opposition to this measure was submitted by the Department of Land and Natural Resources.

Hawaii beaches are becoming popular locations for wedding ceremonies for residents and tourists, however, couples planning weddings have received conflicting information about permitting procedures and requirements, often being told that permits are not required. The Department of Land and Natural Resources has acknowledged that uniform rules and permitting procedures need to be adopted to address these inconsistencies. Your Committee finds that requesting the Department to establish uniform rules and permitting procedures for weddings on state-controlled beaches will ensure consistent intra-agency enforcement of these rules and ensure continued access to state-controlled beaches for various activities, including weddings.

Your Committee has amended this measure by:

- (1) Deleting the request for the Department of Land and Natural Resources to require a beach wedding permit when twenty-five or more chairs are to be set-up on the beach and unattended for thirty minutes or more;
- (2) Emphasizing that in cooperating with the counties in establishing appropriate rules and permits for beach weddings, the Department establish rules that are consistent between the State and counties;
- (3) Requesting that the Department provide opportunities for input and collaboration with wedding service providers for beach weddings in Hawaii during the rulemaking process; and
- (4) Making technical, nonsubstantive amendments for the purposes of style and consistency.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 150, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 150, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Slom).

SCRep. 1715 Water, Land, Agriculture and Hawaiian Affairs on S.R. No. 103

The purpose of this measure is to ensure access to state-controlled beaches by requesting that the Department of Land and Natural Resources establish uniform rules and permitting procedures for public beach weddings.

Testimony in support of this measure was submitted by the Maui Wedding Association, the Maui Wedding Network, and six individuals. Testimony in opposition to this measure was submitted by the Department of Land and Natural Resources.

Hawaii beaches are becoming popular locations for wedding ceremonies for residents and tourists, however, couples planning weddings have received conflicting information about permitting procedures and requirements, often being told that permits are not required. The Department of Land and Natural Resources has acknowledged that uniform rules and permitting procedures need to be adopted to address these inconsistencies. Your Committee finds that requesting the Department to establish uniform rules and permitting procedures for weddings on state-controlled beaches will ensure consistent intra-agency enforcement of these rules and ensure continued access to state-controlled beaches for various activities, including weddings.

Your Committee has amended this measure by:

- (1) Deleting the request for the Department of Land and Natural Resources to require a beach wedding permit when twenty-five or more chairs are to be set-up on the beach and unattended for thirty minutes or more;
- (2) Emphasizing that in cooperating with the counties in establishing appropriate rules and permits for beach weddings, the Department establish rules that are consistent between the State and counties;

- (4) Making technical, nonsubstantive amendments for the purposes of style and consistency.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 103, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 103, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Slom).

SCRep. 1716 Water, Land, Agriculture and Hawaiian Affairs on S.C.R. No. 116

The purpose of this measure is to request the Department of Land and Natural Resources to continue to expand its efforts in identifying and designating appropriate places that can sustain the impact of off-road vehicle operation, and to evaluate the possibility of extending the days and hours of operation of the existing areas that permit the operation of off-road vehicles.

Testimony in support of this measure was submitted by the Department of Land and Natural Resources, the Hawaii Motorcycle Dealer's Association, nine individuals, and a petition with over three hundred signatures.

Your Committee finds that the use and operation of off-road vehicles, such as motorcycles, all-terrain vehicles, dune buggies, and dirt bikes, have the potential to desecrate sacred burial grounds, further threaten endangered species, and harm the natural ecosystems on public lands. The Department of Land and Natural Resources is making progress in identifying and opening new sites for off-road vehicle operation that can accommodate these types of vehicles in a manner that does not degrade the environment, damage historic and cultural sites, or negatively impact adjacent neighbors in urban or residential areas. Your Committee encourages the Department to continue to identify and designate more appropriate sites for off-road vehicle operation, and to assess the feasibility of expanding the days and hours of operation at permitted sites so that this growing and popular recreational sport may continue in a safe manner.

Your Committee has amended this measure by requesting that the Department of Land and Natural Resources develop and implement an off-road vehicle registration policy and user guidelines for the use of designated sites that permit the operation of off-road vehicles.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 116, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 116, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Slom).

SCRep. 1717 Water, Land, Agriculture and Hawaiian Affairs on S.R. No. 72

The purpose of this measure is to request the Department of Land and Natural Resources to continue to expand its efforts in identifying and designating appropriate places that can sustain the impact of off-road vehicle operation, and to evaluate the possibility of extending the days and hours of operation of the existing areas that permit the operation of off-road vehicles.

Testimony in support of this measure was submitted by the Department of Land and Natural Resources, the Hawaii Motorcycle Dealer's Association, nine individuals, and a petition with over three hundred signatures.

Your Committee finds that the use and operation of off-road vehicles, such as motorcycles, all-terrain vehicles, dune buggies, and dirt bikes, have the potential to desecrate sacred burial grounds, further threaten endangered species, and harm the natural ecosystems on public lands. The Department of Land and Natural Resources is making progress in identifying and opening new sites for off-road vehicle operation that can accommodate these types of vehicles in a manner that does not degrade the environment, damage historic and cultural sites, or negatively impact adjacent neighbors in urban or residential areas. Your Committee encourages the Department to continue to identify and designate more appropriate sites for off-road vehicle operation, and to assess the feasibility of expanding the days and hours of operation at permitted sites so that this growing and popular recreational sport may continue in a safe manner.

Your Committee has amended this measure by requesting that the Department of Land and Natural Resources develop and implement an off-road vehicle registration policy and user guidelines for the use of designated sites that permit the operation of off-road vehicles.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 72, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 72, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Slom).

SCRep. 1718 Water, Land, Agriculture and Hawaiian Affairs on S.C.R. No. 207

The purpose of this measure is to request the Department of Land and Natural Resources to assess the feasibility of and explore the Puna community sentiment regarding the Department acquiring the one acre plot that is adjacent to the Isaac Hale Beach Park and the Pohoiki Boat Ramp.

Testimony in opposition to this measure was submitted by the Department of Land and Natural Resources.

The Pohoiki Boat Ramp is the sole launching facility located on the Puna coast at Pohoiki Bay within the Isaac Hale (Pohoiki) Beach Park, which is owned and managed by the County of Hawaii. The boat ramp is the only holding of the Department of Land and Natural Resources in the entire bay area, and is the only access to the ocean for boating and swimming within the beach park area. The landowners of the nearby adjacent property to the beach park have expressed interest in selling a one acre plot of their parcel, which is currently being used by the public to park their vehicles and gain access to the beach park and boat ramp. Although the County of Hawaii has expressed interest in acquiring the property, a firm commitment has not been made for the acquisition.

Your Committee recognizes that except for the launch ramp and loading dock, which are owned by the Department of Land and Natural Resources, the County of Hawaii owns and manages the beach park. However, your Committee notes that the intent of this measure is to further

the coordination of activities between the State and the counties. Thus, your Committee finds that requesting the Department of Land and Natural Resources to assess the feasibility of and explore the Puna community sentiment regarding the Department acquiring the one acre plot that is adjacent to the Isaac Hale Beach Park will provide a better opportunity to coordinate activities between the State and the County of Hawaii with respect to the Pohoiki Bay area and Beach Park.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 207 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Slom).

SCRep. 1719 Water, Land, Agriculture and Hawaiian Affairs on S.R. No. 133

The purpose of this measure is to request the Department of Land and Natural Resources to assess the feasibility of and explore the Puna community sentiment regarding the Department acquiring the one acre plot that is adjacent to the Isaac Hale Beach Park and the Pohoiki Boat Ramp.

Testimony in opposition to this measure was submitted by the Department of Land and Natural Resources.

The Pohoiki Boat Ramp is the sole launching facility located on the Puna coast at Pohoiki Bay within the Isaac Hale (Pohoiki) Beach Park, which is owned and managed by the County of Hawaii. The boat ramp is the only holding of the Department of Land and Natural Resources in the entire bay area, and is the only access to the ocean for boating and swimming within the beach park area. The landowners of the nearby adjacent property to the beach park have expressed interest in selling a one acre plot of their parcel, which is currently being used by the public to park their vehicles and gain access to the beach park and boat ramp. Although the County of Hawaii has expressed interest in acquiring the property, a firm commitment has not been made for the acquisition.

Your Committee recognizes that except for the launch ramp and loading dock, which are owned by the Department of Land and Natural Resources, the County of Hawaii owns and manages the beach park. However, your Committee notes that the intent of this measure is to further the coordination of activities between the State and the counties. Thus, your Committee finds that requesting the Department of Land and Natural Resources to assess the feasibility of and explore the Puna community sentiment regarding the Department acquiring the one acre plot that is adjacent to the Isaac Hale Beach Park will provide a better opportunity to coordinate activities between the State and the County of Hawaii with respect to the Pohoiki Bay area and Beach Park.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 133 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Slom).

SCRep. 1720 (Joint) Health and Intergovernmental and Military Affairs on S.C.R. No. 197

The purpose of this measure is to ensure that individuals living in rural communities have access to quality health care by encouraging the counties to form partnerships with the State and private sector to cover health care infrastructure and overhead costs for primary care and specialty physicians practicing medicine in Hawaii's rural areas.

Your Committees received testimony in support of this measure from Hawaii Medical Service Association.

Your Committees find that a critical shortage of health care providers exists on the neighbor islands and rural communities of the State. The proposed partnership between the counties and the State and private sector will benefit the residents of Hawaii by increasing the number of health care providers in rural communities.

As affirmed by the records of votes of the members of your Committees on Health and Intergovernmental and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 197 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 2 (Menor, Hemmings).

SCRep. 1721 (Joint) Health and Intergovernmental and Military Affairs on S.R. No. 126

The purpose of this measure is to ensure that individuals living in rural communities have access to quality health care by encouraging the counties to form partnerships with the State and private sector to cover health care infrastructure and overhead costs for primary care and specialty physicians practicing medicine in Hawaii's rural areas.

Your Committees received testimony in support of this measure from Hawaii Medical Service Association.

Your Committees find that a critical shortage of health care providers exists on the neighbor islands and rural communities of the State. The proposed partnership between the counties and the State and private sector will benefit the residents of Hawaii by increasing the number of health care providers in rural communities.

As affirmed by the records of votes of the members of your Committees on Health and Intergovernmental and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 126 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 2 (Menor, Hemmings).

SCRep. 1722 (Joint) Health and Intergovernmental and Military Affairs on S.C.R. No. 217

The purpose of this measure is to ensure that quality health care is available to the residents of this State by requesting the United States Congress to increase the Medicare reimbursement rates for Hawaii.

Your Committees received testimony in support of this measure from the Department of Human Services, the Healthcare Association of Hawaii, the Hawaii Government Employees Association, Hawaii Medical Association, and the Hawaii Chapter of the American Physical Therapy Association.

Your Committees find that Medicare reimbursement rates are not keeping pace with the overall costs of providing health care in this State. Insufficient reimbursements will result in needed services being reduced or not developed at all. Your Committees further find that this financial plight of health care providers has recently been underscored by the financial collapse of Kahuku Hospital.

As affirmed by the records of votes of the members of your Committees on Health and Intergovernmental and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 217 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 2 (Menor, Hemmings).

SCRep. 1723 (Joint) Health and Intergovernmental and Military Affairs on S.R. No. 141

The purpose of this measure is to ensure that quality health care is available to the residents of this State by requesting the United States Congress to increase the Medicare reimbursement rates for Hawaii.

Your Committees received testimony in support of this measure from the Department of Human Services, the Healthcare Association of Hawaii, the Hawaii Government Employees Association, Hawaii Medical Association, and the Hawaii Chapter of the American Physical Therapy Association.

Your Committees find that Medicare reimbursement rates are not keeping pace with the overall costs of providing health care in this State. Insufficient reimbursements will result in needed services being reduced or not developed at all. Your Committees further find that this financial plight of health care providers has recently been underscored by the financial collapse of Kahuku Hospital.

As affirmed by the records of votes of the members of your Committees on Health and Intergovernmental and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 141 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 2 (Menor, Hemmings).

SCRep. 1724 (Joint) Health, Human Services and Public Housing and Public Safety on S.C.R. No. 214

The purpose of this measure is to promote best practices with regard to the use of restraints and seclusion in state funded programs and services.

Specifically, this measure requests the Governor to convene a task force to establish a statewide policy for the use of restraints and seclusion.

Testimony in support of this measure was submitted by the State Council on Developmental Disabilities, the Hawai'i Maternal Child Health Leadership Education in Neurodevelopmental Disabilities and Related Disorders Program at the University of Hawai'i at Manoa, the American Civil Liberties Union of Hawai'i, Center on Disability Studies, Community Alliance on Prisons, Hawaii Disability Rights Center, Hawaii Long Term Care Association, National Alliance on Mental Illness O'ahu, and twelve individuals. Testimony in opposition to this measure was submitted by the Department of Public Safety. Comments on this measure were submitted by the Department of Health, International Association of *Nonviolent Crisis Intervention*® Certified Instructors, and the Crisis Intervention Institute, Inc.

Your Committees find that given the potential for both physical and mental injuries, the use of restraints and seclusion should be given great care and scrutiny. Your Committees further find that policies and procedures on their use should be clear and consistently implemented.

Your Committees further find that the variety of situations in which the need for the use of restraints or seclusion arise, including the differences in use with adults as opposed to children and institutional verses noninstitutional use may make it impossible to develop a single, statewide policy.

This measure was amended to:

- (1) Request that the Governor serve as the convener of the task force instead of the Director of Health;
- (2) Request the task force to identify alternatives to the use of restraints and seclusion;
- (3) Establish that the purpose of the task force is to ensure that the policies in place are consistently implemented;
- (4) Request an accounting for the differences in use of restraints on adults as opposed to children and the differences in use in institutional settings as opposed to noninstitutional settings;
- (5) Recognize that a single policy may not be possible;
- (6) Clarify the reporting requirements; and
- (7) Amend the title to reflect these changes.

As affirmed by the records of votes of the members of your Committees on Health and Human Services and Public Housing and Public Safety that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 214, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 214, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 9. Noes, none. Excused, 3 (Ihara, Menor, Whalen).

SCRep. 1725 (Joint) Health, Human Services and Public Housing and Public Safety on S.R. No. 138

The purpose of this measure is to promote best practices with regard to the use of restraints and seclusion in state funded programs and services.

Specifically, this measure requests the Governor to convene a task force to establish a statewide policy for the use of restraints and seclusion.

Testimony in support of this measure was submitted by the State Council on Developmental Disabilities, the Hawai'i Maternal Child Health Leadership Education in Neurodevelopmental Disabilities and Related Disorders Program at the University of Hawai'i at Manoa, the American Civil Liberties Union of Hawai'i, Center on Disability Studies, Community Alliance on Prisons, Hawaii Disability Rights Center, Hawaii Long Term Care Association, National Alliance on Mental Illness O'ahu, and twelve individuals. Testimony in opposition to this measure was

submitted by the Department of Public Safety. Comments on this measure were submitted by the Department of Health, International Association of *Nonviolent Crisis Intervention*® Certified Instructors, and the Crisis Intervention Institute, Inc.

Your Committees find that given the potential for both physical and mental injuries, the use of restraints and seclusion should be given great care and scrutiny. Your Committees further find that policies and procedures on their use should be clear and consistently implemented.

Your Committees further find that the variety of situations in which the need for the use of restraints or seclusion arise, including the differences in use with adults as opposed to children and institutional verses noninstitutional use may make it impossible to develop a single, statewide policy.

This measure was amended to:

- (1) Request that the Governor serve as the convener of the task force instead of the Director of Health;
- (2) Request the task force to identify alternatives to the use of restraints and seclusion;
- (3) Establish that the purpose of the task force is to ensure that the policies in place are consistently implemented;
- (4) Request an accounting for the differences in use of restraints on adults as opposed to children and the differences in use in institutional settings as opposed to noninstitutional settings;
- (5) Recognize that a single policy may not be possible;
- (6) Clarify the reporting requirements; and
- (7) Amend the title to reflect these changes.

As affirmed by the records of votes of the members of your Committees on Health and Human Services and Public Housing and Public Safety that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 138, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 138, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 9. Noes, none. Excused, 3 (Ihara, Menor, Whalen).

SCRep. 1726 (Joint) Health and Public Safety on S.C.R. No. 61

The purpose of this measure is to improve the mental health forensic services for inmates of Hawaii state correctional facilities.

Specifically, this measure requests the establishment of a forensic facility and establishes a task force that is to report to the Legislature on the plans, site selection, budget, construction, recommendations, and other relevant matters relating to the establishment of the facility.

Testimony in support of this measure was submitted by the Community Alliance on Prisons; Hawaii Disability Rights Center; Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO; and eight individuals. Testimony in opposition to this measure was submitted by the Department of Public Safety. Comments on this measure were submitted by the Department of Health and one individual.

Your Committees find that expanded forensic services to mentally ill individuals incarcerated in state correctional facilities is sorely needed.

This measure was amended by broadening its scope to request that the Department of Health and Public Safety consider the expansion of existing facilities as well as the establishment of a new facility, in recognition of the fact that there are existing, though insufficient facilities at the state hospital. This measure was also amended to acknowledge the establishment and work of the task force established by the 2006 Legislature through Senate Concurrent Resolution No. 117, S.D. 1, which was tasked with evaluating procedural, policy and statutory changes as well as community-based health services to minimize the Hawaii state hospital census. The title of this measure was also amended to reflect these changes.

As affirmed by the records of votes of the members of your Committees on Health and Public Safety that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 61, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 61, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1727 (Joint) Health and Public Safety on S.R. No. 37

The purpose of this measure is to improve the mental health forensic services for inmates of Hawaii state correctional facilities.

Specifically, this measure requests the establishment of a forensic facility and establishes a task force that is to report to the Legislature on the plans, site selection, budget, construction, recommendations, and other relevant matters relating to the establishment of the facility.

Testimony in support of this measure was submitted by the Community Alliance on Prisons; Hawaii Disability Rights Center; Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO; and eight individuals. Testimony in opposition to this measure was submitted by the Department of Public Safety. Comments on this measure were submitted by the Department of Health and one individual.

Your Committees find that expanded forensic services to mentally ill individuals incarcerated in state correctional facilities is sorely needed.

This measure was amended by broadening its scope to request that the Department of Health and Public Safety consider the expansion of existing facilities as well as the establishment of a new facility, in recognition of the fact that there are existing, though insufficient facilities at the state hospital. This measure was also amended to acknowledge the establishment and work of the task force established by the 2006 Legislature through Senate Concurrent Resolution No. 117, S.D. 1, which was tasked with evaluating procedural, policy and statutory changes as well as community-based health services to minimize the Hawaii state hospital census. The title of this measure was also amended to reflect these changes.

As affirmed by the records of votes of the members of your Committees on Health and Public Safety that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 37, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 37, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1728 (Joint) Health and Public Safety on S.C.R. No. 93

The purpose of this measure is to address mental health needs of incarcerated and formerly incarcerated persons.

Specifically, this measure requests the Department of Health to convene a special mental health task to conduct a study to assess whether Hawaii should provide some form of post-involuntary outpatient mental health care, and assess the quality and effectiveness of mental health services provided to incarcerated persons, and to report back to the Legislature before the 2008 Regular Session.

Testimony in support of this measure was submitted by the Community Alliance on Prisons, Hawaii Disability Rights Center, NAMI O'ahu, and eighteen individuals. Testimony in opposition to this measure was submitted by the Senior Policy Advisor to the Governor and the Department of Health.

Your Committees find that a large portion of individuals incarcerated or formerly incarcerated in Hawaii are in need of mental health services. Your Committees further find that individuals with mental health needs who are properly treated are far less likely to return to the penal system. Therefore, your Committees find it proper to study the quality of mental health services provided to individuals incarcerated in state facilities and the feasibility of providing post-release care.

This measure was amended to:

- (1) Replace the Director of Health with the Governor or the Governor's designee as the convener and chair of the task force;
- (2) Remove the Chief of the Alcohol and Drug Abuse Division of the Department of Mental Health from the task force;
- (3) Include the Attorney General or designee in the task force; and
- (4) Update the current number of adults being served by the Adult Mental Health Division and delete references to any discrepancy of services to reflect the fact that there are other mental health providers involved.

As affirmed by the records of votes of the members of your Committees on Health and Public Safety that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 93, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 93, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1729 (Joint) Health and Public Safety on S.R. No. 57

The purpose of this measure is to address mental health needs of incarcerated and formerly incarcerated persons.

Specifically, this measure requests the Department of Health to convene a special mental health task to conduct a study to assess whether Hawaii should provide some form of post-involuntary outpatient mental health care, and assess the quality and effectiveness of mental health services provided to incarcerated persons, and to report back to the Legislature before the 2008 Regular Session.

Testimony in support of this measure was submitted by the Community Alliance on Prisons, Hawaii Disability Rights Center, NAMI O'ahu, and eighteen individuals. Testimony in opposition to this measure was submitted by the Senior Policy Advisor to the Governor and the Department of Health.

Your Committees find that a large portion of individuals incarcerated or formerly incarcerated in Hawaii are in need of mental health services. Your Committees further find that individuals with mental health needs who are properly treated are far less likely to return to the penal system. Therefore, your Committees find it proper to study the quality of mental health services provided to individuals incarcerated in state facilities and the feasibility of providing post-release care.

This measure was amended to:

- (1) Replace the Director of Health with the Governor or the Governor's designee as the convener and chair of the task force;
- (2) Remove the Chief of the Alcohol and Drug Abuse Division of the Department of Mental Health from the task force;
- (3) Include the Attorney General or designee in the task force; and
- (4) Update the current number of adults being served by the Adult Mental Health Division and delete references to any discrepancy of services to reflect the fact that there are other mental health providers involved.

As affirmed by the records of votes of the members of your Committees on Health and Public Safety that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 57, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 57, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1730 Transportation and International Affairs on Gov. Msg. Nos. 608 and 609

Recommending that the Senate advise and consent to the nominations of the following:

STATE HIGHWAY SAFETY COUNCIL

G.M. No. 608 KRISTI SCHULENBERG, for a term to expire 6-30-2011; and

G.M. No. 609 MARK JOSEPH SCRIBNER, for a term to expire 6-30-2011

Your Committee received testimony in support of Kristi Schulenberg from the Department of Transportation (DOT); Hawai'i Medical Service Association; Kokua Kalihi Valley; Injury Prevention Advisory Committee; Hawai'i Bicycling League; Maui Bicycling Alliance; Kaua'i Path Committee; Sierra Club O'ahu Group; and five individuals.

The nominee is the Executive Director of the Hawai'i Bicycling League. She received a Bachelor of Arts in Religious Studies from the University of Dayton. Ms. Schulenberg has prior experience with Amnesty International USA as Director, National Training Program, and with Catholic Charities USA, as Director, Parish Social Ministry.

Ms. Schulenberg is experienced in all phases of visioning, strategic planning, funding, fiscal responsibility, and program implementation and evaluation. She brings the perspective of the bicycling community to the bicycle programs of the Department of Transportation. Your Committee notes the testimony of the DOT to the effect that the nominee is well qualified to be a valuable member of the State Highway Council.

Ms. Schulenberg states in her personal statement that achieving a safe and usable infrastructure for cyclists is not disconnected from overall transportation planning, design, and implementation. Cyclists are one among many user groups that need safe and desirable transportation options. She would share and advocate the views and needs of cyclists.

Your Committee received testimony in support of Mark Joseph Scribner from the Department of Transportation and Mothers Against Drunk Driving Hawai'i.

The nominee is with the Kaua'i Police Department as a Lieutenant and Traffic Safety Unit Commander. He received an Associate in Arts degree from the University of Hawai'i. Lt. Scribner is experienced in traffic crash reconstruction, which is a valuable contribution to the State Highway Safety Council.

Your Committee notes the testimony of the DOT to the effect that the nominee is well qualified to be a valuable member of the State Highway Council. Lt. Scribner states in his personal statement that traffic safety has been a major part of his police career and will continue to be his top priority even after he leaves the police department. He brings his experience and knowledge to the State Highway Safety Council.

As affirmed by the records of votes of the members of your Committee on Transportation and International Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hooser, Taniguchi, Gabbard).

SCRep. 1731 Transportation and International Affairs on Gov. Msg. No. 657

Recommending that the Senate advise and consent to the nomination of the following:

HAWAII SISTER STATE COMMITTEE

G.M. No. 657 THANH-LO SANANIKONE, for a term to expire 6-30-2008

Your Committee received testimony in support of Thanh-Lo Sananikone from the Department of Business, Economic Development, and Tourism (DBEDT); Vietnamese Chamber of Commerce; East-West Center; and five individuals.

The nominee is an international businessperson and management consultant with over eighteen years of experience. She is the Managing Director of PacMar, Inc., where she is responsible for daily administration and management and is involved with the coordination of international and domestic project activities. Ms. Sananikone received a Master's of Public Health in Environmental Health Management and a Bachelor of Science in Chemistry/Microbiology from the University of Hawai'i at Manoa.

PacMar, Inc., is a Hawai'i-based international management and development consulting company working in the Asia-Pacific regions. PacMar seeks innovative ways to turn project and business concepts into viable enterprises and acts as a catalyst to identify and devise strategies to overcome impediments to business success and socio-economic development in the Asia-Pacific region.

As the Trade Mission Coordinator for the State of Hawai'i, Ms. Sananikone coordinated and led many successful trade missions to Vietnam. She also has extensive involvement in numerous nonprofit community organizations and professional associations concerned with Pacific and Asian affairs.

Your Committee notes the testimony of DBEDT to the effect that the nominee is superbly qualified to be a member of the Hawai'i Sister State Committee. Over the course of a distinguished career, she has served in international leadership positions with a focus on the Asia-Pacific region. These positions include a wide range of responsibilities, from consulting on business opportunities to assisting immigrants and refugees. DBEDT has had the pleasure of working closely with her on trade missions to Vietnam, and finds her to be knowledgeable of the local business investment environment, and energetic and enthusiastic about assisting Hawai'i companies.

As affirmed by the record of votes of the members of your Committee on Transportation and International Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hooser, Taniguchi, Gabbard).

SCRep. 1732 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. No. 292

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF AGRICULTURE

G.M. No. 292 LAURIE KWAI-HOON HO, for a term to expire 6-30-2010

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds Laurie Kwai-Hoon Ho to have the necessary qualifications to be nominated to the Board of Agriculture.

Testimony in support of Laurie Kwai-Hoon Ho's nomination was submitted by the Department of Agriculture; the Agribusiness Development Corporation; the Office of Economic Development, County of Kauai; the Hawaii Farm Bureau Federation; the Kauai County Farm Bureau; the Kaua'i Museum Association, Ltd.; the Lihu'e Business Association; and nine individuals.

Ms. Ho is a graduate of Kamehameha Schools and received her Bachelor of Science in Agricultural Technology from the University of Hawaii at Manoa. She is currently a Coordinator for Garden Island Resources Conservation and Development, which is part of the Natural Resources

Conservation Service of the United States Department of Agriculture. As Coordinator, she assists the Resource Conservation and Development Board of Directors in developing long-range and annual plans of work, builds effective coalitions with government agencies, groups, and individuals, and facilitates meetings for local task forces, steering committees, and advisory groups.

Ms. Ho joined the Board of Agriculture as an interim appointment member representing Kauai in the summer of 2006 and in that time has shown her great ability to serve. She contributes to the Board twenty-nine years experience with the United States Department of Agriculture where she has worked individually and collaboratively with local, national, and international producers and her commitment to reconnecting Kauai consumers with their local agriculturalists. This is an important initiative that the Department of Agriculture recognizes as an invaluable necessary step toward garnering the public support needed to keep agriculture viable in Hawaii. Ms. Ho's demonstrated commitment, motivation, farming background, education, and life experiences will greatly assist the Board of Agriculture with important decisions affecting agriculture in Hawaii.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Hee).

SCRep. 1733 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 289, 290, 291 and 459

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DIRECTORS OF THE AGRIBUSINESS DEVELOPMENT CORPORATION

- G.M. No. 289 DUANE C.K. LAU, for a term to expire 6-30-2010;
- G.M. No. 290 TEENA M. RASMUSSEN, for a term to expire 6-30-2011;
- G.M. No. 291 DAVID G. RIETOW, for a term to expire 6-30-2010; and
- G.M. No. 459 CHRISTINE MARIE DALEIDEN, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Duane C.K. Lau, Teena M. Rasmussen, David G. Rietow, and Christine Marie Daleiden to have the necessary qualifications to be nominated to the Board of Directors of the Agribusiness Development Corporation.

Testimony in support of Duane C.K. Lau's nomination was submitted by the Department of Agriculture, the Agribusiness Development Corporation, and the Hawaii Farm Bureau Federation.

Mr. Lau is a graduate of Saint Louis School and received his Bachelor of Science in Business Economics and Information Systems from the University of San Francisco. Mr. Lau is currently the Vice President of Sales and Marketing for May's Wonder Gardens, a hydroponic lettuce farm, and is in Sales and Marketing with Hawaiian Candies and Nuts, Ltd. He was also a past President of the Hawaii Food Manufacturer's Association, a past Western Region Director of the American Association of Meat Processors, and is a member of the American Meat Institute. Mr. Lau joined the Board of Directors of the Agribusiness Development Corporation as an interim appointed member in the summer 2006 and in that time has shown his great ability to serve on the Board. His insights on the aspects necessary for agribusiness, including production, distribution, marketing, and food safety issues will provide valuable insight for making important decisions regarding Agribusiness Development Corporation projects and the agricultural industry in Hawaii.

Testimony in support of Teena M. Rasmussen's nomination was submitted by the Department of Agriculture, the Agribusiness Development Corporation, the Hawaii Farm Bureau Federation, the Maui County Farm Bureau, the Hawaii Agriculture Research Center, Green Point Nurseries, and six individuals.

Ms. Rasmussen attended Washington State University, California State University at Fullerton, and Chaminade University. She and her husband currently own and operate Paradise Flower Farms, Inc. where they grow and ship fresh cut flowers, roses, leis, and bulbs on their fifty-six acre farm in Kula, Maui. Ms. Rasmussen has tirelessly donated her time by serving on many boards in various capacities, including the Chairperson of the Maui Chamber of Commerce, a member of the Maui Economic Development Board, a member of the Farm Service Agency State Committee, and a member of the Hawaii Tropical Flower Council. She joined the Board of Directors of the Agribusiness Development Corporation in 2003 and was elected as its Chairperson in 2005. This accomplishment is a testament to her effective style of leadership, her motivation and drive to problem-solve, and her commitment to the agricultural industry in Hawaii. Her background as a flower farmer on Maui allows her to bring a unique perspective to the Board of Directors of farming on the neighbor islands. Furthermore, as a tenant on a county agricultural park, she understands land lease issues. As a business person, she also understands foreign competition, water, transportation, and other challenging issues that farmers in Hawaii face. Ms. Rasmussen's demonstrated commitment and extensive experience in the farming and business sectors makes her a valuable asset to the Board of Directors of the Agribusiness Development Corporation for a second term.

Testimony in support of David G. Rietow's nomination was submitted by the Department of Agriculture, the Agribusiness Development Corporation, the Hawaii Farm Bureau Federation, and the Hawaii Agriculture Research Center.

Mr. Rietow is a graduate of Punahou School and received his Bachelor of Science in Agronomy from Arizona State University. He is currently the President and Chief Executive Officer of MacFarms of Hawaii, LLC, the President and Co-Owner of Agro Resources, Inc., and a Consultant and Managing Member of Agricon Hawaii, LLC. He has an impressive thirty-seven-year background in agribusiness development, management, and support. He is also active in many trade and professional organizations in various capacities, including the President of the Hawaii Macadamia Nut Association and the Chairperson of the Board of Directors of the Hawaii Employer's Mutual Insurance Company. He joined the Board of Directors of the Agribusiness Development Corporation as an interim appointed member in the summer 2006 and in that time has shown his great ability to serve on the Board. As global demands on agriculture continue to transform the industry with modern technology and innovations, Mr. Rietow's wealth of experience and knowledge will prove to be an invaluable asset for the Board of Directors of the Agribusiness Development Corporation.

Testimony in support of Christine Marie Daleiden's nomination was submitted by the Department of Agriculture, the Agribusiness Development Corporation, and seven individuals.

Ms. Daleiden received her Bachelor of Science in Justice Studies, Magna Cum Laude, from Arizona State University, and her Doctorate of Jurisprudence from the Santa Clara University School of Law in Santa Clara, California. She is currently an Attorney and Consultant with the Department of Commerce and Consumer Affairs, Division of Financial Institutions and Cemetery and Funeral Trusts Program, and is a Professor at the University of Phoenix in Honolulu. Prior to her current position, Ms. Daleiden was a Deputy Attorney General with the Department of the Attorney General where she represented the Agribusiness Development Corporation in areas of litigation, water law, land use, agribusiness, banking law, and trust law. During this time, she became knowledgeable of the Agribusiness Development Corporation's mission, operations, and board structure. As the Agribusiness Development Corporation continues to take on complex projects relating to irrigation systems and agricultural land, Ms. Daleiden will be an invaluable asset on the Board of Directors.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Hee).

SCRep. 1734 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 442, 443, 444, 468 and 469

Recommending that the Senate advise and consent to the nominations of the following:

ADVISORY COMMITTEE ON PESTICIDES

- G.M. No. 442 JANET CLAIRE ASHMAN, for a term to expire 6-30-2011;
- G.M. No. 443 BARBARA ANN BROOKS, Ph.D., for a term to expire 6-30-2011;
- G.M. No. 444 CYNTHIA K.L. REZENTES, for a term to expire 6-30-2011;
- G.M. No. 468 QING X. LI, Ph.D., for a term to expire 6-30-2011; and
- G.M. No. 469 REBECCA CAROL TAYLOR, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Janet Claire Ashman, Barbara Ann Brooks, Ph.D., Cynthia K.L. Rezentes, Qing X. Li, Ph.D., and Rebecca Carol Taylor to have the necessary qualifications to be nominated to the Advisory Committee on Pesticides.

Testimony in support of Janet Claire Ashman's nomination was submitted by the Department of Agriculture; the Agribusiness Development Corporation; the Hawaii Farm Bureau Federation; the Maui County Farm Bureau; the Hawaii Agriculture Research Center; Alexander and Baldwin, Inc.; Hawaiian Commercial and Sugar Company; Kauai Coffee Company, Inc.; Gay and Robinson, Inc.; and one individual.

Ms. Ashman received her Bachelor of Arts in Zoology at the University of Hawaii at Manoa and her Doctorate of Jurisprudence from the William S. Richardson School of Law at the University of Hawaii at Manoa. She is currently an Environmental Specialist for the Hawaii Agricultural Research Center where she is responsible for coordinating and presenting agricultural industry responses to environmental regulatory and legislative proposals. Nominated for her second term and representing the Hawaii Farm Bureau Federation, Ms. Ashman contributes to the Advisory Committee on Pesticides extensive experience in governmental relations and environmental regulation. She actively participates in discussions of which she is aware of the potential impact of environmental laws and rules, and considers implementation issues during these discussions. Ms. Ashman's demonstrated commitment and extensive experience, education, and intellect to understand the wide range of issues makes her an invaluable asset to the Advisory Committee on Pesticides.

Testimony in support of Barbara Ann Brooks, Ph.D.'s nomination was submitted by the Department of Agriculture and the Department of Health.

Dr. Brooks received her Bachelor of Science in Nutritional Science from the University of Arizona, and her Master in Science in Food Science and her Doctorate in Toxicology from Cornell University. She is currently a State Toxicologist with the Department of Health and the Supervisor of the Hazard Evaluation Section of the Hazard Evaluation and Emergency Response Office. She has over fifteen years of experience as an environmental toxicologist, specializing in human health risk assessments. Dr. Brooks' current focus with the Department of Health is to enhance the environmental public health tracking of diseases related to environmental exposures. She is also a member of the Western Tracking Biomonitoring Collaborative whose goal is to build capacity at the state level to assess the nature and extent of exposure to hazardous substances. Nominated for her second term and representing the Department of Health, Dr. Brooks contributes to the Advisory Committee an extensive risk assessment background that is important to understand health risks of pesticides and how pesticides should be regulated. Her demonstrated commitment and extensive experience, education, and intellect to understand the wide range of issues makes Dr. Brooks an invaluable asset to the Advisory Committee on Pesticides.

Testimony in support of Cynthia K.L. Rezentes' nomination was submitted by the Department of Agriculture and the Hawaii Agriculture Research Center.

Ms. Rezentes is a graduate of Wai'anae High School, received her Bachelor of Science in Electrical Engineering from Gonzaga University, and her Master of Science in Electrical Engineering from the University of New Mexico. She is currently the Chairperson of Ka Papa O Kakuhihewa Council, which receives and manages funds donated by the Hawaiian Electric Company to the Waianae, Makakilo, and Kapolei regions for grants to promote resources conservation through education and hands-on efforts. She is also the Secretary of Mohala I Ka Wai, which is a volunteer organization that works with the Board of Water Supply to investigate the effects of reducing groundwater pumping on surface water flow in Makaha Stream, and is a Director of the O'ahu Resource and Development Council, Inc., which is a nonprofit organization established to provide assistance to local organizations for capacity building, and to do projects within the community that will promote agriculture, the environment, and social and cultural initiatives. Nominated for her second term and representing environmental organizations, Ms. Rezentes contributes to the Advisory Committee an extensive background in environmental community efforts, is able to work well with people on difficult and complex issues, and provides a balanced, well-reasoned, and valuable perspective. Her demonstrated commitment and leadership in numerous environmental stewardship projects makes Ms. Rezentes an invaluable asset to the Advisory Committee on Pesticides.

Testimony in support of Qing X. Li, Ph.D.'s nomination was submitted by the Department of Agriculture, the Dean of the College of Tropical Agriculture and Human Resources at the University of Hawaii, and one individual.

Dr. Li received his Bachelor of Science in Agriculture from the Shandong Agricultural University in Shandong, China and received his Doctorate in Agricultural and Environmental Chemistry from the University of California at Davis. He is currently a Professor with the Department of Molecular Biosciences and Bioengineering and a Director of the Pesticide Residue Research Laboratory at the University of Hawaii at Manoa. As the representative of the College of Tropical Agriculture and Human Resources on the Advisory Committee, Dr. Li will bring to the Advisory Committee on Pesticides his far-ranging expertise in the areas of environmental chemistry and pesticide regulation. As part of the College of Tropical Agriculture and Human Resources Interregional Research Project No. 4 program team, he directs research to evaluate pesticide residue levels on crop tissues so that safe tolerance levels can be established and new pesticides can be registered with the United States Environmental Protection Agency for use by growers in Hawaii. Dr. Li's strong scientific background, ability to identify the risks and benefits of pesticides, and ability to suggest innovative ways to use and regulate pesticides will be invaluable assets for the Advisory Committee on Pesticides.

Testimony in support of Rebecca Carol Taylor's nomination was submitted by the Department of Agriculture and one individual.

Ms. Taylor received her Bachelor of Arts in Mathematics from the University of Arkansas and received her Master in Business Administration from Hawaii Pacific University, where she was a member of the Delta Mu Delta Business Honor Society. She is currently a Realtor Associate with Coldwell Banker Pacific Properties in Honolulu where she concentrates on residential real estate sales and marketing. As a realtor, she is familiar with the problems affecting structural fumigation, which is one of the major uses of hazardous pesticides in Hawaii. Furthermore, Ms. Taylor has twenty-five years of experience as a planning specialist, assisting agencies in developing data management systems in Arkansas. One of her clients was the Arkansas Plant Board, which is the counterpart to the Plant Industry Division of the Department of Agriculture. As a result, she has an understanding of state programs that monitor plant crops. As the citizen's group representative on the Advisory Committee, Ms. Taylor will bring to the Advisory Committee on Pesticides her wealth of knowledge and expertise in the areas of governmental relations and residential pesticide uses.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Hee).

SCRep. 1735 (Joint) Education and Intergovernmental and Military Affairs on S.C.R. No. 57

The purpose of this measure is to request the United States Congress to propose amendments to the No Child Left Behind Act of 2001.

Testimony in support of this measure was submitted by the Department of Education, the Hawaii State Teachers Association, the Hawaii Association of Independent Schools, the College of Education Faculty Senate, and four individuals.

Your Committees find that the Department of Education has been subject to several mandates that have drained resources and taken the focus away from various programs and objectives under the No Child Left Behind Act of 2001. Your Committees further find that the No Child Left Behind Act requires a narrow focus on the basics, which has led to a move away from the implementation of best practices and cutting edge educational research to achieve higher test scores. Your Committees determine that the No Child Left Behind Act also provides unfunded mandates and fails to concentrate efforts on providing a well-rounded, comprehensive education for our students. In 2007, the United States Congress is faced with a decision as to whether to reauthorize the No Child Left Behind Act, allow the law to lapse, or replace it with a new law. Your Committees find that the current provisions of the law should be examined and amended to address the current needs of public schools and public school students to facilitate maximum efficiency and student achievement.

Based on the testimony provided, your Committees believe that further clarification and specification is required and has amended this measure by requesting that, among the issues and amendments the United States Congress should address, are the following:

- (1) Improving teacher quality, preparation, and training;
- (2) Improving assessment measures and systems;
- (3) Improving accountability models, indicators of performance, and consequences;
- (4) Augmenting resources to assist states in efforts to accomplish challenging educational initiatives;
- (5) Supporting innovation, capacity building, and flexibility to address state and local education needs; and
- (6) Returning to original intent and purpose of the *Elementary and Secondary Education Act (ESEA)*.

As affirmed by the records of votes of the members of your Committees on Education and Intergovernmental and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 57, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 57, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 4 (Chun Oakland, Hee, Nishihara, Hemmings).

SCRep. 1736 (Joint) Education and Intergovernmental and Military Affairs on S.R. No. 33

The purpose of this measure is to request the United States Congress to propose amendments to the No Child Left Behind Act of 2001.

Testimony in support of this measure was submitted by the Department of Education, the Hawaii State Teachers Association, the Hawaii Association of Independent Schools, the College of Education Faculty Senate, and four individuals.

Your Committees find that the Department of Education has been subject to several mandates that have drained resources and taken the focus away from various programs and objectives under the No Child Left Behind Act of 2001. Your Committees further find that the No Child Left Behind Act requires a narrow focus on the basics, which has led to a move away from the implementation of best practices and cutting edge educational research to achieve higher test scores. Your Committees determine that the No Child Left Behind Act also provides unfunded mandates and fails to concentrate efforts on providing a well-rounded, comprehensive education for our students. In 2007, the United States

Congress is faced with a decision as to whether to reauthorize the No Child Left Behind Act, allow the law to lapse, or replace it with a new law. Your Committees find that the current provisions of the law should be examined and amended to address the current needs of public schools and public school students to facilitate maximum efficiency and student achievement.

Based on the testimony provided, your Committees believe that further clarification and specification is required and has amended this measure by requesting that, among the issues and amendments the United States Congress should address, are the following:

- (1) Improving teacher quality, preparation, and training;
- (2) Improving assessment measures and systems;
- (3) Improving accountability models, indicators of performance, and consequences;

As affirmed by the records of votes of the members of your Committees on Education and Intergovernmental and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 33, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 33, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 4 (Chun Oakland, Hee, Nishihara, Hemmings).

SCRep. 1737 Education on S.C.R. No. 140

The purpose of this measure is to support the advancement and improvement of the University of Hawaii system by establishing a task force for developing a funding formula for state funds for the system.

Testimony in support of this measure was submitted by the University of Hawaii.

Your Committee finds that the year 2007 marks the one hundredth anniversary for the University of Hawaii. Your Committee further finds that over the past century, the University of Hawaii has grown into a world-renowned institution that supports ten campuses and offers in excess of six hundred twenty degrees and certificates. Moving forward toward the next centennial, efforts must continue to support the expansion, growth, and diversification of the University of Hawaii to ensure that it remains a highly respected and influential institution in the Pacific and throughout the world. To continue with the University's progression and advancement, it is important for the Legislature to ensure that the University is properly funded to maximize its operational efficiency and effectiveness.

This measure seeks to address these issues through the establishment of a task force, composed of interested and knowledgeable individuals, to consider the relationship between the State, the University of Hawaii, and the students and develop objectives and benchmarks for funding appropriate funding to meet those goals.

Accordingly, your Committee has amended this measure by:

- (1) Changing the composition of the task force to include the Hawaii Educational Policy Center and to exclude the Governor, the National Center for Higher Education Management Systems, and the Western Interstate Commission on Higher Education; and
- (2) Specifying that the task force is requested to examine input and perspectives of the National Center for Higher Education and the Western Interstate Commission on Higher Education.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 140, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 140, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hee, Nishihara, Taniguchi).

SCRep. 1738 Education on S.R. No. 94

The purpose of this measure is to support the advancement and improvement of the University of Hawaii system by establishing a task force for developing a funding formula for state funds for the system.

Testimony in support of this measure was submitted by the University of Hawaii.

Your Committee finds that the year 2007 marks the one hundredth anniversary for the University of Hawaii. Your Committee further finds that over the past century, the University of Hawaii has grown into a world-renowned institution that supports ten campuses and offers in excess of six hundred twenty degrees and certificates. Moving forward toward the next centennial, efforts must continue to support the expansion, growth, and diversification of the University of Hawaii to ensure that it remains a highly respected and influential institution in the Pacific and throughout the world. To continue with the University's progression and advancement, it is important for the Legislature to ensure that the University is properly funded to maximize its operational efficiency and effectiveness.

This measure seeks to address these issues through the establishment of a task force, composed of interested and knowledgeable individuals, to consider the relationship between the State, the University of Hawaii, and the students and develop objectives and benchmarks for funding appropriate funding to meet those goals.

Accordingly, your Committee has amended this measure by:

- (1) Changing the composition of the task force to include the Hawaii Educational Policy Center and to exclude the Governor, the National Center for Higher Education Management Systems, and the Western Interstate Commission on Higher Education; and
- (2) Specifying that the task force is requested to examine input and perspectives of the National Center for Higher Education and the Western Interstate Commission on Higher Education.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 94, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 94, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hee, Nishihara, Taniguchi).

SCRep. 1739 Education on S.C.R. No. 179

The purpose of this measure is to provide increased after school activities for students by requesting the Department of Education to develop a plan to increase academic services to students in the After-school Plus Program.

Testimony in opposition of this measure was submitted by the Department of Education.

Your Committee finds that the Department of Education's A+ Program provides affordable after-school child care services for children in public elementary schools whose parents work, attend school, or are in job training programs, so that the high incidence of latchkey children is reduced. Your Committee further finds that the A+ Program provides a safe, secure, and nurturing environment for children after school hours and offers a rich variety of activities for the children. Your Committee believes that the A+ Program plays an important role in helping young students to achieve their educational goals and realize their potential. The expansion of this and other programs to provide increased academic services to young students, including tutoring and training in specific areas, will allow more public school students to strive to greater heights of academic achievement and support a highly qualified future workforce in Hawaii.

Accordingly, your Committee has amended this measure by:

- (1) Specifying that the Department of Education is requested to develop a plan to increase academic and extracurricular services to A+ Program students and students in other on-site programs developed and offered by the A+ Program and other service providers, and making changes to the title and the body of the measure to reflect this objective; and
- (2) Making technical, nonsubstantive changes for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 179, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 179, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hee, Nishihara, Taniguchi).

SCRep. 1740 Education on S.R. No. 115

The purpose of this measure is to provide increased after school activities for students by requesting the Department of Education to develop a plan to increase academic services to students in the After-school Plus Program.

Testimony in opposition of this measure was submitted by the Department of Education.

Your Committee finds that the Department of Education's A+ Program provides affordable after-school child care services for children in public elementary schools whose parents work, attend school, or are in job training programs, so that the high incidence of latchkey children is reduced. Your Committee further finds that the A+ Program provides a safe, secure, and nurturing environment for children after school hours and offers a rich variety of activities for the children. Your Committee believes that the A+ Program plays an important role in helping young students to achieve their educational goals and realize their potential. The expansion of this and other programs to provide increased academic services to young students, including tutoring and training in specific areas, will allow more public school students to strive to greater heights of academic achievement and support a highly qualified future workforce in Hawaii.

Accordingly, your Committee has amended this measure by:

- (1) Specifying that the Department of Education is requested to develop a plan to increase academic and extracurricular services to A+ Program students and students in other on-site programs developed and offered by the A+ Program and other service providers, and making changes to the title and the body of the measure to reflect this objective; and
- (2) Making technical, nonsubstantive changes for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 115, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 115, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hee, Nishihara, Taniguchi).

SCRep. 1741 Economic Development and Taxation on S.C.R. No. 46

The purpose of this measure is to determine how best to protect Hawaii's historic buildings by researching:

- (1) The current status of historic buildings in Hawaii, with special emphasis on those that may be in danger of demolition;
- (2) Existing practices at the state and county levels related to demolition of historic buildings; and
- (3) Model programs from other states and jurisdictions.

Testimony in support of this measure was received from the Department of Land and Natural Resources, Historic Hawai'i Foundation, and the Society for Hawaiian Archaeology.

Your Committee has considered a number of recommended changes to this measure, all of which are intended to enhance protective measures for historic properties throughout the islands.

Your Committee has reviewed the recommendations and amended this measure accordingly, by:

- (1) Deleting the provision that the report include the current status of historic buildings in Hawaii, with special emphasis on those that may be in danger of demolition within the next one, three, five years, and beyond;

- (2) Adding language that the report include existing programs to provide incentives for preservation and rehabilitation of historic buildings; and
- (3) Clarifying that model programs from other states and jurisdictions are related to protection from demolition and incentives for preservation.

As affirmed by the record of votes of the members of your Committee on Economic Development and Taxation that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 46, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 46, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (English).

SCRep. 1742 Economic Development and Taxation on S.R. No. 25

The purpose of this measure is to determine how best to protect Hawaii's historic buildings by researching:

- (1) The current status of historic buildings in Hawaii, with special emphasis on those that may be in danger of demolition;
- (2) Existing practices at the state and county levels related to demolition of historic buildings; and
- (3) Model programs from other states and jurisdictions.

Testimony in support of this measure was received from the Department of Land and Natural Resources, Historic Hawai'i Foundation, and the Society for Hawaiian Archaeology.

Your Committee has considered a number of recommended changes to this measure, all of which are intended to enhance protective measures for historic properties throughout the islands.

Your Committee has reviewed the recommendations and amended this measure accordingly, by:

- (1) Deleting the provision that the report include the current status of historic buildings in Hawaii, with special emphasis on those that may be in danger of demolition within the next one, three, five years, and beyond;
- (2) Adding language that the report include existing programs to provide incentives for preservation and rehabilitation of historic buildings; and
- (3) Clarifying that model programs from other states and jurisdictions are related to protection from demolition and incentives for preservation.

As affirmed by the record of votes of the members of your Committee on Economic Development and Taxation that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 25, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 25, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (English).

SCRep. 1743 (Joint) Public Safety and Education on S.C.R. No. 52

The purpose of this measure is to decrease the recidivism rate to Hawaii correctional facilities.

Specifically, this measure requests the Department of Education to establish:

- (1) Special schooling or programs to encourage and provide opportunities for inmates exiting prison to obtain a general education development diploma to increase an inmate's opportunities to obtain employment in the community;
- (2) A special school or schools at appropriate locations to accomplish the general education development school initiative;
- (3) A permanent, personalized educational and job preparation plan for parolees and other released persons who express a desire for additional education to prepare for gainful employment; and
- (4) A voluntary data tracking system that is developed and maintained in conjunction with the Department of Public Safety to identify successful educational components.

The measure requests the Department of Public Safety to establish:

- (1) Distance learning programs for inmates still incarcerated to facilitate educational opportunities;
- (2) Programs, developed in conjunction with the Department of Education, to assist inmates with the continuation of educational plans and preparation for gainful employment upon release; and
- (3) A voluntary data tracking system that is developed and maintained in conjunction with the department of education to identify successful educational components.

This measure also requires the both departments to report on the establishment of these programs and systems to the Legislature before the 2008 Regular Session.

Testimony in support of this measure was submitted by the Office of Hawaiian Affairs, Community Alliance on Prisons, and four individuals. Testimony supporting the intent of this measure was submitted by the Department of Education. Testimony in opposition to this measure was submitted by the Department of Public Safety.

Your Committees find that there is an unacceptably high rate of recidivism to correctional facilities in Hawaii. Your Committees further find that the recidivism rate is largely due to the many problems former inmates face with reentry into the community upon release. These problems include workplace and housing restrictions as well as societal prejudices.

Your Committees further find that the recidivism rate could be drastically reduced if incarcerated persons are given educational opportunities. Those educational opportunities would be most successful if they are begun during incarceration and continued through the transitional period of reentry.

Your Committees further find that the cost of recidivism is both economically and socially high. Therefore, it is important to the public interest that the Departments of Education and Public Safety work together to establish educational programs that address the needs of the incarcerated persons during their incarceration and reentry periods.

However, your Committees further find that some of the educational programs called for in this measure may already exist, but are not being used to their fullest potential.

This measure has been amended to:

- (1) Include the existing programs at Kulani Correctional Facility as a positive example of continued educational training for former offenders;
- (2) Delete the requirement of establishing separate schooling or programs and special schools;
- (3) Substitute an examination of the feasibility to integrate the existing data bases in the Departments of Education and Public Safety for requesting the establishment of a new system for offender and former offender educational tracking;
- (4) Include the Department of Labor and Industrial Relations and the Adult Mental Health Division of the Department of Health in developing the permanent, personalized educational and job placement plans and to expand such planning to include soon-to-be-released inmates;
- (5) Include the examination of the uses, feasibility, and costs of establishing counseling positions shared between the Department of Public Safety and the Department of Education to assist inmates in their transition to schooling post-release;
- (6) Request a report from the Department of Public Safety on existing educational programs and its needs to improve and expand the programs; and
- (7) Changing the title to reflect these amendments.

As affirmed by the records of votes of the members of your Committees on Public Safety and Education that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 52, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 52, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 4 (Chun Oakland, Hee, Taniguchi, Whalen).

SCRep. 1744 (Joint) Public Safety and Education on S.R. No. 27

The purpose of this measure is to decrease the recidivism rate to Hawaii correctional facilities.

Specifically, this measure requests the Department of Education to establish:

- (1) Special schooling or programs to encourage and provide opportunities for inmates exiting prison to obtain a general education development diploma to increase an inmate's opportunities to obtain employment in the community;
- (2) A special school or schools at appropriate locations to accomplish the general education development school initiative;
- (3) A permanent, personalized educational and job preparation plan for parolees and other released persons who express a desire for additional education to prepare for gainful employment; and
- (4) A voluntary data tracking system that is developed and maintained in conjunction with the Department of Public Safety to identify successful educational components.

The measure requests the Department of Public Safety to establish:

- (1) Distance learning programs for inmates still incarcerated to facilitate educational opportunities;
- (2) Programs, developed in conjunction with the Department of Education, to assist inmates with the continuation of educational plans and preparation for gainful employment upon release; and
- (3) A voluntary data tracking system that is developed and maintained in conjunction with the department of education to identify successful educational components.

This measure also requires the both departments to report on the establishment of these programs and systems to the Legislature before the 2008 Regular Session.

Testimony in support of this measure was submitted by the Office of Hawaiian Affairs, Community Alliance on Prisons, and four individuals. Testimony supporting the intent of this measure was submitted by the Department of Education. Testimony in opposition to this measure was submitted by the Department of Public Safety.

Your Committees find that there is an unacceptably high rate of recidivism to correctional facilities in Hawaii. Your Committees further find that the recidivism rate is largely due to the many problems former inmates face with reentry into the community upon release. These problems include workplace and housing restrictions as well as societal prejudices.

Your Committees further find that the recidivism rate could be drastically reduced if incarcerated persons are given educational opportunities. Those educational opportunities would be most successful if they are begun during incarceration and continued through the transitional period of reentry.

Your Committees further find that the cost of recidivism is both economically and socially high. Therefore, it is important to the public interest that the Departments of Education and Public Safety work together to establish educational programs that address the needs of the incarcerated persons during their incarceration and reentry periods.

However, your Committees further find that some of the educational programs called for in this measure may already exist, but are not being used to their fullest potential.

This measure has been amended to:

- (1) Include the existing programs at Kulani Correctional Facility as a positive example of continued educational training for former offenders;

- (6) Request a report from the Department of Public Safety on existing educational programs and its needs to improve and expand the programs; and
- (7) Changing the title to reflect these amendments.

As affirmed by the records of votes of the members of your Committees on Public Safety and Education that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 27, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 27, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 3 (Hee, Taniguchi, Whalen).

SCRep. 1745 Health on S.C.R. No. 170

The purpose of this measure is to protect individuals from being unnecessarily transferred to out-of-state health care facilities by requesting the Department of Health to develop and adopt policies that ensure notification by all health care facilities and health care providers to the governor-designated protection and advocacy entity or agency prior to transferring any individual out-of-state to a treatment, rehabilitation, or long-term care facility.

Your Committee amended this measure by deleting its title, purpose, and substance, and inserting language to ensure that the residents of Kauai have access to quality health care services by requesting the State Health Planning and Development Agency to immediately investigate and determine whether Hawaii Pacific Health/Wilcox Memorial Hospital/Kauai Medical Clinic has violated the 2001 Certificate of Need agreement and as necessary, impose fines or withdraw the Certificate of Need approval.

Your Committee circulated a proposed S.C.R. No. 170, S.D. 1, that contained these amendments and conducted a hearing on it. Your Committee received testimony in support of the proposed measure from six individuals. The Department of Health and the State Health Planning and Development Agency submitted comments on this measure.

Your Committee finds that the Hawaii Pacific Health merger with Wilcox Memorial Hospital and its Kauai Medical Clinic needs to be reviewed and investigated for possible violations of their Certificate of Need agreement. Although the Department of Health submitted testimony stating that they are in the process of reviewing the implementation of the merger, it is the intent of your Committee to articulate the importance of finding a prompt resolution to this matter.

Upon further consideration, your Committee amended the proposed S.D. 1 by:

- (1) Clarifying that the State Health Planning and Development Agency should investigate and mediate other remedies available, as well as the imposition of fines or the withdrawal of the Certificate of Need approval;
- (2) Including in the investigation of the Certificate of Need agreement, interviews with physicians to investigate alternative solutions to complete revocation; and
- (3) Including in the investigation of the Certificate of Need agreement a minimum of one public hearing on Kauai.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 170, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 170, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1746 Judiciary and Labor on S.C.R. No. 32

The purpose of this measure is to request the Department of the Attorney General to study the impact of cigarette fire safety standards established in other states and Canada.

Testimony in support of this measure was received from the Chair of the State Fire Council (SFC), Fire Chief of the Kaua'i Fire Department (KFD), and the Coalition for a Tobacco Free Hawai'i. The Department of the Attorney General opposed the measure citing that the Department lacks the expertise and resources necessary to conduct the study.

Testifiers in support of this measure requested that the study include the sale of fire-safe cigarettes. Presently, eight states have passed legislation relating to fire-safe cigarettes and twenty-one states have pending legislation including Hawai'i's H.B. No. 637.

Your Committee finds that this measure requests the Attorney General to consult with the Department of Health, the Department of Taxation and the State Fire Council to determine whether Hawai'i could benefit from new safety standards and laws both in the United States and Canada. The expertise which is being sought by this measure from the Department of the Attorney General's is reviewing laws and as a facilitator. Your Committee believes that the Department of Attorney General possesses the expertise called for by this measure.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 32 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1747 Judiciary and Labor on S.R. No. 14

The purpose of this measure is to request the Department of the Attorney General to study the impact of cigarette fire safety standards established in other states and Canada.

Testimony in support of this measure was received from the Chair of the State Fire Council (SFC), Fire Chief of the Kaua'i Fire Department (KFD), and the Coalition for a Tobacco Free Hawai'i. The Attorney General opposed the measure citing that the Department of the Attorney General lacks the expertise and resources necessary to conduct the study.

Testifiers in support of this measure requested that the study include fire-safe cigarettes. Presently, eight states have passed legislation relating to fire-safe cigarettes and twenty-one states have pending legislation including H.B. No. 637.

Your Committee finds that this measure requests the Attorney General to consult with the Department of Health, the Department of Taxation and the State Fire Council to determine whether Hawai'i could benefit from new safety standards and laws both in the United States and Canada. The expertise which is being sought by this measure from the Department of the Attorney General's is reviewing laws and as a facilitator. Your Committee believes that the Department of Attorney General possesses the expertise called for by this measure.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 14 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1748 Judiciary and Labor on S.C.R. No. 175

The purpose of this measure is to require the Judiciary to provide a report to the 2008 Legislature detailing the Judiciary's progress in meeting the requirements of Act 206, Session Laws of Hawaii 1998, which provides that judges assess a mandatory crime victim compensation fee against all convicted criminal offenders who have the ability, now or in the future, to pay the fee.

The resolution requires that the Judiciary provide the following information in the report:

- (1) The actual and estimated fees collected for each fiscal year;
- (2) The total number of eligible cases where the fee was ordered, collected, or waived; and,
- (3) The criteria used by the judges where the fee was waived.

Your Committee finds that since the enactment of the law in 2003, the Judiciary has neglected to order or collect in excess of \$1,000,000. Your Committee also finds that though inmates were able to afford to pay these fees, the judges did not order payments. This is shown by the inmates paying \$500,000 in restitution yet only paying \$40,000 in crime victim fees. Your Committee further finds that the Chief Justice has written a memorandum to the chief judges asking them for their diligence in following the law.

Your Committee received testimony in support of the resolution from the Crime Victim Compensation Commission, the Honolulu Prosecuting Attorney's Office, and the Judiciary.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 175 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1749 Judiciary and Labor on S.R. No. 114

The purpose of this measure is to require the Judiciary to provide a report to the 2008 Legislature detailing the Judiciary's progress in meeting the requirements of Act 206, Session Laws of Hawaii 1998, which provides that judges assess a mandatory crime victim compensation fee against all convicted criminal offenders who have the ability, now or in the future, to pay the fee.

The resolution requires that the Judiciary provide the following information in the report:

- (1) The actual and estimated fees collected for each fiscal year;
- (2) The total number of eligible cases where the fee was ordered, collected, or waived; and,
- (3) The criteria used by the judges where the fee was waived.

Your Committee finds that since the enactment of the law in 2003, the Judiciary has neglected to order or collect in excess of \$1,000,000. Your Committee also finds that though inmates were able to afford to pay these fees, the judges did not order payments. This is shown by the inmates paying \$500,000 in restitution yet only paying \$40,000 in crime victim fees. Your Committee further finds that the Chief Justice has written a memorandum to the chief judges asking them for their diligence in following the law.

Your Committee received testimony in support of the resolution from the Crime Victim Compensation Commission, the Honolulu Prosecuting Attorney's Office, and the Judiciary.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 114 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1750 Judiciary and Labor on S.C.R. No. 7

The purpose of this measure is to request the feasibility of conducting all elections by mail.

Testimony in support of this measure was received from the Interim Chief Election Officer, the City & County of Honolulu City Clerk and the Chair of the Disability and Communication Access Board. No one testified in opposition.

Your Committee finds that Hawaii has the lowest voter turnout rate in the nation with just over forty per cent of eligible voters casting their ballot in the last two elections. In contrast, Oregon enjoys an eighty-four per cent rate of registered voters who voted in 2004. Oregon also has a vote-by-mail system which was approved in 1998.

There are many challenges that our election system faces. For example, finding people willing to work in a polling place is an increasing challenge in each election. A vote-by-mail system may alleviate some challenges and may allow more voters to participate in our election system. Therefore your Committee agrees with the intent of this measure.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 7 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1751 Judiciary and Labor on S.R. No. 7

The purpose of this measure is to request the feasibility of conducting all elections by mail.

Testimony in support of this measure was received from the Interim Chief Election Officer, the City & County of Honolulu City Clerk and the Chair of the Disability and Communication Access Board. No one testified in opposition.

Your Committee finds that Hawaii has the lowest voter turnout rate in the nation with just over forty per cent of eligible voters casting their ballot in the last two elections. In contrast, Oregon enjoys an eighty-four per cent rate of registered voters who voted in 2004. Oregon also has a vote-by-mail system which was approved in 1998.

There are many challenges that our election system faces. For example, finding people willing to work in a polling place is an increasing challenge in each election. A vote-by-mail system may alleviate some challenges and may allow more voters to participate in our election system. Therefore your Committee agrees with the intent of this measure.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 7 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1752 (Joint) Transportation and International Affairs and Human Services and Public Housing on S.C.R. No. 156

The purpose of this measure is to request the Department of Transportation, the Department of Transportation Services of the City and County of Honolulu, and Vanpool Hawaii to work cooperatively to establish a senior vanpool program.

Your Committees received testimony in support of this measure from the Department of Transportation and three individuals.

Senior citizens are most in need of ordinary daily transportation. Many senior citizens cannot drive safely and therefore do not drive themselves. Currently, public transportation is limited to the public bus or the handi-van service. It is this gap group of the population who would benefit from a senior vanpool arrangement with volunteer drivers.

As affirmed by the records of votes of the members of your Committees on Transportation and International Affairs and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 156 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 5 (Inouye, Sakamoto, Taniguchi, Tsutsui, Hemmings).

SCRep. 1753 (Joint/Majority) Tourism and Government Operations and Judiciary and Labor on S.C.R. No. 44

The purpose of this measure is to request the Department of Human Resources Development to conduct a study of workplace flexibility options, including:

- (1) Data on the agencies, departments, and employees that participate in the program;
- (2) Data on the workplace flexibility options chosen by participating employees;
- (3) Effect on employee productivity levels and employee morale;
- (4) Estimates on the amount and cost of gasoline saved and transportation time saved by employees due to participation in the program;
- (5) Other findings, recommendations, including proposed legislation, if any, and pertinent information about the pilot program and its impact, consequences, or benefits on participating departments or agencies; and
- (6) Past experience of departments and agencies with utilizing workplace flexibility options.

Your Committees received testimony in support of this measure from the Disability and Communication Access Board and one individual. Comments were received from the Department of Human Resources Development.

Section 78-1.6, Hawaii Revised Statutes, provides that the offices of the State and counties must be open for the transaction of business as determined by the chief executive. State departments generally have the discretion to set the work hours for its employees. State departments have some operations that serve the public face-to-face, which require normal business hours of 7:45 a.m. to 4:30 p.m., or the normally accepted business.

Your Committees find that, although flex time scheduling is permissible under state law, and certain departments and agencies currently exercise this option, very little statistical and efficacy information is available regarding its use. This measure is the first comprehensive study of various flex time practices in state departments.

As affirmed by the records of votes of the members of your Committees on Tourism and Government Operations and Judiciary and Labor that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 44 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 4. Noes, 1 (Trimble). Excused, 3 (Inouye, Kim, Kokubun).

SCRep. 1754 (Joint/Majority) Tourism and Government Operations and Judiciary and Labor on S.R. No. 23

The purpose of this measure is to request the Department of Human Resources Development to conduct a study of workplace flexibility options, including:

- (1) Data on the agencies, departments, and employees that participate in the program;
- (2) Data on the workplace flexibility options chosen by participating employees;
- (3) Effect on employee productivity levels and employee morale;
- (4) Estimates on the amount and cost of gasoline saved and transportation time saved by employees due to participation in the program;
- (5) Other findings, recommendations, including proposed legislation, if any, and pertinent information about the pilot program and its impact, consequences, or benefits on participating departments or agencies; and
- (6) Past experience of departments and agencies with utilizing workplace flexibility options.

Your Committees received testimony in support of this measure from the Disability and Communication Access Board and one individual. Comments were received from the Department of Human Resources Development.

Section 78-1.6, Hawaii Revised Statutes, provides that the offices of the State and counties must be open for the transaction of business as determined by the chief executive. State departments generally have the discretion to set the work hours for its employees. State departments have some operations that serve the public face-to-face, which require normal business hours of 7:45 a.m. to 4:30 p.m., or the normally accepted business.

Your Committees find that, although flex time scheduling is permissible under state law, and certain departments and agencies currently exercise this option, very little statistical and efficacy information is available regarding its use. This measure is the first comprehensive study of various flex time practices in state departments.

As affirmed by the records of votes of the members of your Committees on Tourism and Government Operations and Judiciary and Labor that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 23 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 4. Noes, 1 (Trimble). Excused, 3 (Inouye, Kim, Kokubun).

SCRep. 1755 (Joint) Water, Land, Agriculture and Hawaiian Affairs and Intergovernmental and Military Affairs on S.C.R. No. 107

The purpose of this measure is to encourage federal, state, and county agencies to make informed decisions about the use and management of Hawaii's ocean and coastal resources by encouraging federal, state, and county agencies to implement the goals and strategic actions in the 2006 Ocean Resources Management Plan.

Testimony in support of this measure was submitted by the Department of Land and Natural Resources; the Department of Agriculture; and the Office of Planning, Department of Business, Economic Development, and Tourism.

After a three-year endeavor, the Office of Planning submitted to the Legislature in December 2006, an updated Ocean Resources Management Plan that provides a framework to address ocean resources issues through a proactive planning process; identifies management goals and strategies; establishes timeframes for implementation, monitoring, and evaluation; and identifies responsibilities for a number of agencies and interest groups. Studies have shown that over the next twenty years, Hawaii's ocean and coastal environment will suffer from or be impacted by a variety of potentially harmful factors, including urbanization, global climate changes, recreational and commercial ocean uses, and invasive species. Your Committees find that the 2006 Ocean Resources Management Plan will provide a framework to address these issues through a proactive planning process that can mitigate these harmful impacts.

Your Committees have amended this measure by requesting that all affected federal, state, and county departments and agencies submit a written report of:

- (1) The current status of the department or agency implementing the goals and strategic actions in the 2006 Ocean Resources Management Plan;
- (2) Any accomplished goals or benchmarks, and any factors attributing to these accomplishments; and
- (3) Any reasons for the department or agency failing to meet these goals or benchmarks, or failure to act;

to the Legislature prior to every Regular Session until the 2012 Regular Session, at which point a final report is requested to be submitted to the Legislature.

As affirmed by the records of votes of the members of your Committees on Water, Land, Agriculture, and Hawaiian Affairs and Intergovernmental and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 107, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 107, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 3 (Hee, Hemmings, Slom).

SCRep. 1756 (Joint) Water, Land, Agriculture and Hawaiian Affairs and Public Safety on S.C.R. No. 182

The purpose of this measure is to reduce recidivism to state correctional facilities.

Specifically, this measure requests the Department of Public Safety to convene a task force to study the feasibility of creating a reciprocal healing program on the island of Kaho'olawe.

Testimony in opposition to this measure was submitted by the Office of Hawaiian Affairs and three individuals. Protect Kaho'olawe 'Ohana submitted comments.

Your Committees find that Native Hawaiian healing programs could be valuable resources for the rehabilitation and reentry into society of ex-offenders and parolees, thereby reducing the recidivism rate. Your Committees further find that Native Hawaiian healing programs that emphasize the traditional practice of conflict resolution, ho'oponopono, and traditional places of refuge and restitution, pu'uhonua, should be offered throughout the State.

Your Committees further find that a reciprocal healing program on Kaho'olawe could be very beneficial to some former inmates, as evidenced by the success of the Drug Court and Girls' Court programs that are already in existence. However, any use of Kaho'olawe must benefit its restoration and fully respect its cultural and spiritual nature.

This measure was amended to:

- (1) Request the task force to study the feasibility of establishing Native Hawaiian healing programs for ex-offenders and parolees throughout the State;
- (2) Establish that the healing programs should emphasize the practice of ho'oponopono and the concept of pu'uhonua;
- (3) Establish that the healing programs should establish a pu'uhonua on each island to facilitate ho'oponopono;
- (4) Clarify that, should a reciprocal healing program be developed at Kaho'olawe, no correctional facility or other structure is to be built and to remove references to Kaho'olawe housing offenders and being a means to reduce overcrowding and bring inmates back to Hawaii from the mainland;
- (5) Make the Kaho'olawe Island Reserve Commission the lead facilitator of the task force with the assistance of the Department of Public Safety;
- (6) Allow other stakeholders to be on the task force;
- (7) Ensure the program is open to all ex-offenders and parolees who show an interest in and an ability to benefit from the physically, mentally, and spiritually challenging program;
- (8) Change the title to "REQUESTING THE ESTABLISHMENT OF A TASK FORCE TO STUDY THE FEASIBILITY OF A NATIVE HAWAIIAN HEALING PROGRAM THAT EMPHASIZES THE PRACTICE OF HO'OPONOPONO AND THE CONCEPT OF PU'UHONUA FOR EX-OFFENDERS AND PAROLEES TO FACILITATE THEIR REHABILITATION AND REENTRY INTO SOCIETY AND TO REDUCE RECIDIVISM," to reflect the amendments to this measure; and
- (9) Make technical, nonsubstantive changes for clarity, consistency, and style.

As affirmed by the records of votes of the members of your Committees on Water, Land, Agriculture, and Hawaiian Affairs and Public Safety that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 182, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 182, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 3 (Hee, Slom, Whalen).

SCRep. 1757 (Joint) Water, Land, Agriculture and Hawaiian Affairs and Public Safety on S.R. No. 118

The purpose of this measure is to reduce recidivism to state correctional facilities.

Specifically, this measure requests the Department of Public Safety to convene a task force to study the feasibility of creating a reciprocal healing program on the island of Kaho'olawe.

Testimony in opposition to this measure was submitted by the Office of Hawaiian Affairs and three individuals. Protect Kaho'olawe 'Ohana submitted comments.

Your Committees find that Native Hawaiian healing programs could be valuable resources for the rehabilitation and reentry into society of ex-offenders and parolees, thereby reducing the recidivism rate. Your Committees further find that Native Hawaiian healing programs that emphasize the traditional practice of conflict resolution, ho'oponopono, and traditional places of refuge and restitution, pu'uhonua, should be offered throughout the State.

Your Committees further find that a reciprocal healing program on Kaho'olawe could be very beneficial to some former inmates, as evidenced by the success of the Drug Court and Girls' Court programs that are already in existence. However, any use of Kaho'olawe must benefit its restoration and fully respect its cultural and spiritual nature.

This measure was amended to:

- (1) Request the task force to study the feasibility of establishing Native Hawaiian healing programs for ex-offenders and parolees throughout the State;
- (2) Establish that the healing programs should emphasize the practice of ho'oponopono and the concept of pu'uhonua;
- (3) Establish that the healing programs should establish a pu'uhonua on each island to facilitate ho'oponopono;
- (4) Clarify that, should a reciprocal healing program be developed at Kaho'olawe, no correctional facility or other structure is to be built and to remove references to Kaho'olawe housing offenders and being a means to reduce overcrowding and bring inmates back to Hawaii from the mainland;

- (5) Make the Kaho'olawe Island Reserve Commission the lead facilitator of the task force with the assistance of the Department of Public Safety;
- (6) Allow other stakeholders to be on the task force;
- (7) Ensure the program is open to all ex-offenders and parolees who show an interest in and an ability to benefit from the physically, mentally, and spiritually challenging program;
- (8) Change the title to "REQUESTING THE ESTABLISHMENT OF A TASK FORCE TO STUDY THE FEASIBILITY OF A NATIVE HAWAIIAN HEALING PROGRAM THAT EMPHASIZES THE PRACTICE OF HO'OPONOPONO AND THE CONCEPT OF PU'UHONUA FOR EX-OFFENDERS AND PAROLEES TO FACILITATE THEIR REHABILITATION AND REENTRY INTO SOCIETY AND TO REDUCE RECIDIVISM," to reflect the amendments to this measure; and
- (9) Make technical, nonsubstantive changes for clarity, consistency, and style.

As affirmed by the records of votes of the members of your Committees on Water, Land, Agriculture, and Hawaiian Affairs and Public Safety that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 118, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 118, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 3 (Hee, Slom, Whalen).

SCRep. 1758 Water, Land, Agriculture and Hawaiian Affairs on S.C.R. No. 193

The purpose of this measure is to protect and ensure the longevity of Hawaii's livestock industry by requesting Hawaii's Congressional delegation to the United State Congress to legislate a reduction in federally regulated shipping or transportation fees for livestock feed, or an exemption from federal statutes relating to livestock feed shipping and transportation costs from the mainland to Hawaii.

Testimony in support of this measure was submitted by the Department of Agriculture; the Hawaii Farm Bureau Federation; the Hawaii Cattlemen's Council, Inc.; the Hawaii Egg Producers Association; and Horizon Lines, LLC. Testimony in opposition to this measure was submitted by the Hawaii Ports Maritime Council, and two individuals. Alexander and Baldwin, Inc. and Matson Navigation Company, Inc. submitted comments.

Your Committee finds that the cost of feeding livestock in Hawaii is significantly higher than on the mainland and this higher cost threatens local livestock producers with closure. Hawaii relies heavily on overseas shipping for a majority of its food and products for food production; thus, if local livestock producers go out of business, the State will become even more dependent on imported foods and will lose the option of buying perishable goods, such as beef, milk, eggs, poultry, and pork, at their freshest. Your Committee believes that requesting Hawaii's Congressional delegation to legislate for a reduction in federally regulated shipping or transportation fees for livestock feed, or an exemption from federal statutes relating to livestock feed shipping and transportation costs will assist in the longevity of a diversified livestock industry in Hawaii.

Your Committee has amended this measure by:

- (1) Deleting any references to the Jones Act throughout the measure; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 193, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 193, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Slom).

SCRep. 1759 Water, Land, Agriculture and Hawaiian Affairs on S.R. No. 123

The purpose of this measure is to protect and ensure the longevity of Hawaii's livestock industry by requesting Hawaii's Congressional delegation to the United State Congress to legislate a reduction in federally regulated shipping or transportation fees for livestock feed, or an exemption from federal statutes relating to livestock feed shipping and transportation costs from the mainland to Hawaii.

Testimony in support of this measure was submitted by the Department of Agriculture; the Hawaii Farm Bureau Federation; the Hawaii Cattlemen's Council, Inc.; the Hawaii Egg Producers Association; and Horizon Lines, LLC. Testimony in opposition to this measure was submitted by the Hawaii Ports Maritime Council, and two individuals. Alexander and Baldwin, Inc. and Matson Navigation Company, Inc. submitted comments.

Your Committee finds that the cost of feeding livestock in Hawaii is significantly higher than on the mainland and this higher cost threatens local livestock producers with closure. Hawaii relies heavily on overseas shipping for a majority of its food and products for food production; thus, if local livestock producers go out of business, the State will become even more dependent on imported foods and will lose the option of buying perishable goods, such as beef, milk, eggs, poultry, and pork, at their freshest. Your Committee believes that requesting Hawaii's Congressional delegation to legislate for a reduction in federally regulated shipping or transportation fees for livestock feed, or an exemption from federal statutes relating to livestock feed shipping and transportation costs will assist in the longevity of a diversified livestock industry in Hawaii.

Your Committee has amended this measure by:

- (1) Deleting any references to the Jones Act throughout the measure; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 123, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 123, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Slom).

SCRep. 1760 Ways and Means on S.C.R. No. 115

The purpose of this measure is to request that the Department of Taxation codify the language of the references to Internal Revenue Code provisions in section 235-110.7, Hawaii Revised Statutes, and to submit the proposed legislation directly to the Legislature for introduction in the Regular Session of 2008.

Written comments in support of this measure were received from the Department of Taxation and one individual.

Your Committee finds that this measure will provide clarity for both tax practitioners and taxpayers, and responds to a recommendation by the 2001-2003 Tax Review Commission.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 115, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Kim).

SCRep. 1761 Ways and Means on S.C.R. No. 74

The purpose of this measure is to request the Auditor to conduct a financial, program, and management audit of the Department of Education's Hawaiian Studies Program.

Comments in support of this measure were submitted by the Department of Education, the Office of Hawaiian Affairs, the Kamakakuokalani Center for Hawaiian Studies at the University of Hawaii at Manoa, the Kualii Native Hawaiian University of Hawaii at Manoa Advisory Council, Ka Lei Papahi o Kakuhihewa, six current and two past kupuna from the Department of Education Hawaiian Studies Program, and several private citizens.

Your Committee finds that the Hawaiian education program was established in the Department of Education pursuant to article X, section 4, of the Constitution of the State of Hawaii, which mandates the study of Hawaiian culture, history, and language in the State's public schools. Your Committee is aware of allegations of the mismanagement of funds allocated for Hawaiian studies programs and underpayment or inappropriate use of kupuna. The kupuna are an invaluable resource in an equally valuable program intended to educate all students about the indigenous people and host culture of Hawaii. Your Committee finds that current financial, program, and management concerns about the Hawaiian studies program need to be clarified and that an audit would provide increased transparency and accountability in the program's operational practices.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 74, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, none. Excused, 3 (English, Kim, Menor).

SCRep. 1762 Ways and Means on S.C.R. No. 81

The purpose of this measure is to request the Auditor to conduct a financial and program audit of the Hawaii Centers for Independent Living.

Comments in support of the measure were received from: the Disability and Communication Access Board, Department of Health; the Deaf and Hard-of-Hearing Advisory Board, Department of Human Services; and a number of private citizens. Comments were received from the Hawaii Centers for Independent Living.

Your Committee finds that the Hawaii Centers for Independent Living receives federal and state funding in order to provide certain core required minimum services to individuals with disabilities. These core services are information and referral, independent living skills training, peer counseling, and advocacy. The services are intended to maximize the independence of these persons and to promote their integration into the mainstream of American society.

Your Committee, however, finds that there appears to be mounting evidence that individuals with disabilities are not receiving the expected and necessary core independent living services. Your Committee is deeply concerned about this situation and finds that this Concurrent Resolution is an important first step toward resolving the issue.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 81 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 8. Noes, none. Excused, 3 (English, Kim, Menor).

SCRep. 1763 Ways and Means on S.C.R. No. 24

The purpose of this measure is to grant the prior authorization by concurrent resolution of the Legislature of a lease to submerged state lands beneath tidal waters at Lahaina, Maui, Hawaii, to Atlantis Submarines Hawaii, LLC.

Your Committee has received comments in support of this Concurrent Resolution from the Department of Land and Natural Resources.

Atlantis proposed to sink the Carthaginian, a replica of a whaling ship that was on display for years in Lahaina Harbor, as a submerged reef. The Carthaginian was deteriorating and determined to be beyond repair. The purpose of the sinking of the Carthaginian was to create an artificial reef that would:

- (1) Alleviate pressure on existing natural reef systems;
- (2) Promote reef and fish biomass for commercial and recreational users; and
- (3) Provide educational opportunities to study biomass increase over time.

Prior to establishing the artificial reef, Atlantis required a lease for the submerged lands that the sunken Carthaginian would occupy. At its scheduled meeting of December 9, 2005, the Board of Land and Natural Resources authorized the direct issuance of a term, non-exclusive easement for the use of the state submerged lands as a dive site for commercial submarine tours, subject to certain conditions. However, because of the rapid disintegration of the Carthaginian and the coming whale season, your Committee notes that Atlantis was permitted to sink the Carthaginian on December 13, 2005.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 24, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Kim).

SCRep. 1764 Ways and Means on S.C.R. No. 25

The purpose of this measure is to grant the prior authorization by concurrent resolution of the Legislature of a lease to submerged lands beneath the tidal water of the State to KBH, Inc., at Kahaluu, North Kona, Hawaii.

Your Committee has received comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that KBH, Inc. seeks to enter into a long-term sixty-five-year lease with Kamehameha Schools for the site and existing improvements of the Keauhou Beach Hotel at Kahaluu, North Kona, Hawaii. However, a portion of the foundation of the hotel improvements was determined by judicial decision to be encroaching upon state submerged lands. Accordingly, KBH, Inc. is seeking a term, non-exclusive surface easement for sixty-five years to the submerged lands upon which the hotel foundation is encroaching to coincide with the Kamehameha Schools lease.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 25, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 2 (English, Kim).

SCRep. 1765 (Joint) Commerce, Consumer Protection and Affordable Housing and Judiciary and Labor on S.C.R. No. 68

The purpose of this measure is to request the Attorney General and the Insurance Commissioner to conduct a study on whether state and county government contracts are being awarded to out-of-state contractors in greater number than to in-state contractors, and whether a major reason for this is the higher workers' compensation premiums paid by in-state contractors.

Your Committees received testimony in support of this measure from the Subcontractors Association of Hawaii and the International Union of Painters and Allied Trades. Testimony in opposition to this measure was submitted by the Department of Accounting and General Services. Comments were submitted by the Department of the Attorney General and the Department of Commerce and Consumer Affairs.

Your Committees find that a recent national study ranked Hawaii third in the nation in workers' compensation premiums and a recent survey conducted noted that seventy-three per cent of local business responded that their number one issue was the soaring costs of workers' compensation.

Your Committees further find that as a general matter, the bidding process under the public procurement code is open to all contractors, regardless of whether they are in-state or out-of-state. Concern has been raised as to whether out-of-state contractors are being awarded contracts based upon their ability to offer lower bids than in-state contractors because in-state contractors must factor the high cost of workers' compensation premiums in the State into their bids.

Your Committees note that there may be other factors, in addition to the high cost of workers' compensation premiums, that may contribute to the negative impact on in-state contractors in bidding for public contracts.

Therefore, your Committees have amended this measure by:

- (1) Replacing the Insurance Commissioner with the Department of Accounting and General Services as one of the parties requested to conduct the study;
- (2) Expanding the scope of the study to include an examination on whether, in addition to workers' compensation premiums, prepaid healthcare coverage plans, Hawaii general excise tax requirements, unemployment insurance premiums, and any other relevant factors negatively impact the competitiveness of in-state contractors in comparison with out-of-state contractors; and
- (3) Making technical, nonsubstantive changes for the purposes of clarity and style.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Affordable Housing and Judiciary and Labor that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 68, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 68, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 7. Noes, none. Excused, 4 (Inouye, Kokubun, Sakamoto, Slom).

SCRep. 1766 (Joint) Commerce, Consumer Protection and Affordable Housing and Judiciary and Labor on S.R. No. 41

The purpose of this measure is to request the Attorney General and the Insurance Commissioner to conduct a study on whether state and county government contracts are being awarded to out-of-state contractors in greater number than to in-state contractors, and whether a major reason for this is the higher workers' compensation premiums paid by in-state contractors.

Your Committees received testimony in support of this measure from the Subcontractors Association of Hawaii and the International Union of Painters and Allied Trades. Testimony in opposition to this measure was submitted by the Department of Accounting and General Services. Comments were submitted by the Department of the Attorney General and the Department of Commerce and Consumer Affairs.

Your Committees find that a recent national study ranked Hawaii third in the nation in workers' compensation premiums and a recent survey conducted noted that seventy-three per cent of local business responded that their number one issue was the soaring costs of workers' compensation.

Your Committees further find that as a general matter, the bidding process under the public procurement code is open to all contractors, regardless of whether they are in-state or out-of-state. Concern has been raised as to whether out-of-state contractors are being awarded contracts based upon their ability to offer lower bids than in-state contractors because in-state contractors must factor the high cost of workers' compensation premiums in the State into their bids.

Your Committees note that there may be other factors, in addition to the high cost of workers' compensation premiums, that may contribute to the negative impact on in-state contractors in bidding for public contracts.

Therefore, your Committees have amended this measure by:

- (1) Replacing the Insurance Commissioner with the Department of Accounting and General Services as one of the parties requested to conduct the study;

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Affordable Housing and Judiciary and Labor that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 41, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 41, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 7. Noes, none. Excused, 4 (Inouye, Kokubun, Sakamoto, Slom).

SCRep. 1767 Education on S.C.R. No. 112

The purpose of this measure is to improve services by requesting the Department of Education to undertake a study to determine the most effective medium between the "one size fits all" and the "to each his own" approaches.

Testimony in support of this measure was submitted by the Hawaii Educational Policy Center and one individual. Comments on the measure were also submitted by the Department of Education, the College of Education of University of Hawaii, the Hawaii Teacher Standards Board, and the Hawaii State Teachers Association.

Your Committee finds that there is a teacher shortage in Hawaii that is often hampered by the current licensing standards imposed by the Hawaii Teacher Standards Board. Your Committee further finds that new or alternative approaches should be considered in order to determine appropriate methods for licensing qualified teachers, while increasing the teacher pool within the State. Under current standards, a "one size fits all" approach may not be ideal, although a "to each his own" approach also may not be entirely appropriate. Your Committee believes that the Department of Education, the Board of Education, and the Hawaii Teacher Standards Board, with input from teachers and other interested parties such as the Hawaii State Teachers Association, should be tasked with developing appropriate policies for addressing teacher licensing issues impacting teacher recruitment and retention, as well as for assessing growth and student achievement and statewide curricula issues. However, these issues may be more adequately addressed individually by the most appropriate body.

Accordingly, your Committee has amended this measure by:

- (1) Changing the title and its contents to include language regarding the need for policies for the Department of Education that address issues raised by the No Child Left Behind Act, current teaching licensing practices and standards, and statewide curricula;
- (2) Changing the purpose to request the Board of Education, the Department of Education, and the Hawaii Teacher Standards Board to each develop policies to address one or more of the aforementioned issues; and
- (3) Making technical, nonsubstantive changes for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 112, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 112, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Hee).

SCRep. 1768 Education on S.R. No. 69

The purpose of this measure is to improve services by requesting the Department of Education to undertake a study to determine the most effective medium between the "one size fits all" and the "to each his own" approaches.

Testimony in support of this measure was submitted by the Hawaii Educational Policy Center and one individual. Comments on the measure were also submitted by the Department of Education, the College of Education of University of Hawaii, the Hawaii Teacher Standards Board, and the Hawaii State Teachers Association.

Your Committee finds that there is a teacher shortage in Hawaii that is often hampered by the current licensing standards imposed by the Hawaii Teacher Standards Board. Your Committee further finds that new or alternative approaches should be considered in order to determine appropriate methods for licensing qualified teachers, while increasing the teacher pool within the State. Under current standards, a "one size fits all" approach may not be ideal, although a "to each his own" approach also may not be entirely appropriate. Your Committee believes that the Department of Education, the Board of Education, and the Hawaii Teacher Standards Board, with input from teachers and other interested parties such as the Hawaii State Teachers Association, should be tasked with developing appropriate policies for addressing teacher licensing issues impacting teacher recruitment and retention, as well as for assessing growth and student achievement and statewide curricula issues. However, these issues may be more adequately addressed individually by the most appropriate body.

Accordingly, your Committee has amended this measure by:

- (1) Changing the title and its contents to include language regarding the need for policies for the Department of Education that address issues raised by the No Child Left Behind Act, current teaching licensing practices and standards, and statewide curricula;
- (2) Changing the purpose to request the Board of Education, the Department of Education, and the Hawaii Teacher Standards Board to each develop policies to address one or more of the aforementioned issues; and
- (3) Making technical, nonsubstantive changes for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 69, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 69, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Hee).

SCRep. 1769 Education on S.C.R. No. 168

The purpose of this measure is to request the Department of Education to develop cost estimates and plans to make extensive renovations to Kapaa, Kauai, and Waimea High School gymnasiums.

Testimony in support of this measure was submitted by the Department of Education, the Hawaii State Teachers Association, the Kauai District Student Council, and twenty-five individuals.

Your Committee finds that the gymnasiums at Kapaa, Kauai, and Waimea High Schools date back to World War II and are currently in disrepair. These gymnasiums fulfill multiple needs of the students, the schools, and the communities, serving as civil defense shelters when necessary. Your Committee believes that the development of cost estimates and plans for the renovations of these gymnasiums are necessary to provide adequate facilities for these schools' students, as well as to provide potential shelters in cases of emergency. This measure requests the necessary analysis and planning and should also ensure that some focus is placed on cost estimates for renovations required to make the gymnasiums appropriate for use as civil defense shelters.

Accordingly, your Committee has amended this measure by:

- (1) Specifying that the Department of Education determine whether the new gymnasiums should accommodate civil defense needs, and, if so, the cost and source of funds to make such accommodations; and
- (2) Removing language requesting the Department of Education to seek the input of individual school administrators, athletic directors, coaches, staff, teachers, and students to come up with an appropriate gymnasium design, plan, and infrastructure.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 168, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 168, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hee, Nishihara, Taniguchi).

SCRep. 1770 Education on S.C.R. No. 134

The purpose of this measure is to support agriculture education by requesting the Department of Education and Manager's Ridge LLC to develop a plan for the continuation of the Kahuku High and Intermediate School agriculture program.

Testimony in support of this measure was submitted by the Department of Agriculture, the Department of Education, the Hawaii State Teachers Association, Kahuku High and Intermediate School, and eight individuals. Comments on the measure were submitted by Manager's Ridge LLC.

Your Committee finds that workforce development is a high priority within the State and must include the development of jobs and education in diverse disciplines including the agriculture industry. Your Committee further finds that at Kahuku High and Intermediate School, the agriculture program of the Koko'ula Natural Resources Academy provides valuable education to increase agricultural awareness, develop technical skills for farming, and promote good character and citizenship within the community. The program is currently in jeopardy and requires careful attention and care to ensure that students in Kahuku will continue to be afforded with the benefits of the agriculture program without interruption.

Testimony provided indicates that the parties are willing to work together; however, the issue of liability remains an immediate concern that should be given priority while working toward a final agreement in a timely manner.

Accordingly, your Committee has amended this measure by:

- (1) Specifying that the Department of Education and Manager's Ridge LLC are requested to enter into an agreement to remove Manager's Ridge LLC from any liability relating to Kahuku High and Intermediate School's use of the property in question until a final agreement can be reached on the matter; and
- (2) Encouraging the parties to take any appropriate action necessary to resolve the issues in a timely manner that will allow Manager's Ridge LLC to proceed with its plans for development.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 134, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 134, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Nishihara, Taniguchi).

SCRep. 1771 (Joint) Education and Human Services and Public Housing on S.C.R. No. 169

The purpose of this measure is to request the Department of Education to review dress code or uniform policies or rules to ensure the full protection of students' civil rights.

Your Committees held a hearing on a proposed S.D. 1 of this measure, which provisions sought to address the current teacher shortage problem by requesting the Department of Education to develop a recruitment and retention program to include a Hawaii Teacher Cadet Program Advisory Council and conduct a study on the status and needs of existing teacher housing.

Testimony in support of this measure was submitted by the Hawaii State Teachers Association. Comments on the measure were submitted by the Department of Education.

Your Committees find that the current teacher shortage problem in the State must be carefully examined and that alternative approaches should be considered to reach resolution. It is important to consider appropriate incentives to ensure a highly-qualified teaching pool in Hawaii. Your Committees find that the Hawaii Teacher Cadet Program is a valuable tool for encouraging and supporting the development of a teaching

workforce in the State from an early age. This program would benefit from further guidance and coordination of efforts to maximize its impact and scope. Additionally, your Committees find that another attractive benefit for teachers is to provide teacher housing or related incentives. First existing teacher housing must be ascertained and examined, as well as the current need for teacher housing and improvements, so that an appropriate plan can be developed for providing the incentive to teachers as a means for addressing the current teacher shortage.

Accordingly, your Committees have amended this measure by removing its contents and replacing it with language that requests the Department of Education to develop a recruitment and retention program to include:

- (1) The establishment of the Hawaii Teacher Cadet Program Advisory Council; and
- (2) The undertaking of a study to determine the status and needs of existing teacher housing.

As affirmed by the records of votes of the members of your Committees on Education and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 169, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 169, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 5 (Hee, Hooser, Nishihara, Taniguchi, Hemmings).

SCRep. 1772 (Joint) Education and Human Services and Public Housing on S.C.R. No. 92

The purpose of this measure is to request the Department of Education to establish a curriculum that includes parenting classes to assist young adults in acquiring parenting skills and understanding parenting responsibilities.

Testimony in support of this measure was submitted by the Department of Education and Oahu VOICES. Comments on the measure were submitted by the Hawaii State Teachers Association.

Your Committees find that Hawaii's children are our most precious resource and their protection and well-being is important to the State's future. Currently, many young adults are embarking on the journey of parenthood at an age when they lack the appropriate knowledge and skills for understanding and executing their parenting responsibilities. Your Committees believe that the Department of Education should provide some guidance and education to assist these young adults in gaining the requisite knowledge of the skills necessary for fulfilling parental responsibilities for their children.

This measure requests the Department of Education to include in its curriculum parenting skills focusing on infant and toddler care. Although the Department currently offers a Graduation Reality Dual Role Skills (GRADS) program for students who are or will imminently become parents, your Committees believe that all students would benefit from a course or a component of a course that addresses parenting issues.

As affirmed by the records of votes of the members of your Committees on Education and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 92 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 4 (Hooser, Nishihara, Taniguchi, Hemmings).

SCRep. 1773 (Joint) Education and Human Services and Public Housing on S.C.R. No. 77

The purpose of this measure is to request the Department of Education to conduct a study to report on the status of and needs for teacher housing.

Your Committees held a hearing on a proposed S.D. 1 of this measure, which provisions sought to address the current needs of individuals from the Freely Associated States residing in Hawaii through the convening of a task force by the Department of Health to ascertain the current Freely Associated States population in Hawaii and the availability of services for that population. The contents of the measure regarding teacher housing have been inserted into another appropriate measure.

Testimony in support of this measure was submitted by the Office of Community Services. Comments on the measure were also submitted by the Department of Human Services.

Your Committees find that as a result of the Compact of Free Association, large populations from the Freely Associated States, which includes individuals from the Federated States of Micronesia, the Republic of Palau, and the Republic of the Marshal Islands, have immigrated to Hawaii. The current number of this population is unclear and the need for and availability of services for them is also unclear. However, what is clear is that they require assistance to assimilate, work, become educated, be healthy, and flourish in the State. This measure requests the convening of a task force to study the current needs of this population and determine what services are available under the current framework of the Compact of Free Association so that we may better serve these individuals and they may become highly contributing members of the community.

Accordingly, your Committees have amended this measure by removing the title and its contents and replacing it with the contents of the proposed S.D. 1 that requests the Department of the Attorney General to convene a task force to:

- (1) Determine the number of Freely Associated States nationals currently residing in Hawaii; and
- (2) Review the infrastructure supports that are available to this population under the Compact of Free Association.

As affirmed by the records of votes of the members of your Committees on Education and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 77, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 77, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 5 (Hee, Hooser, Nishihara, Taniguchi, Hemmings).

SCRep. 1774 (Joint) Education and Human Services and Public Housing on S.C.R. No. 199

The purpose of this measure is to request the University of Hawaii to extend and expand its current lease with Leahi Hospital to facilitate campus-wide master planning and long-term development of geriatric and long-term health care services.

Testimony in support of this measure was submitted by Leahi Hospital and Healthcare Association of Hawaii. Comments on the measure were also submitted by the University of Hawaii.

Your Committees find that Leahi Hospital is a health care facility that supports 178 long-term care and tuberculosis beds and is staffed by over 300 employees providing twenty-four hour-a-day support services. Leahi Hospital is seeking to develop a long-term master plan that encompasses the rebuilding of its campus. Currently, Leahi Hospital leases its land from the University of Hawaii; however, the term of the lease, even with available extensions, does not provide Leahi Hospital with adequate flexibility or assurances for developing and implementing its master plan. Your Committees believe that, although the execution of a seventy-five year lease may not be necessary at this time, an appropriate extension or agreement would be helpful in allowing Leahi Hospital to make plans for the future without the fear of a lease renewal problem.

Accordingly, your Committees have amended this measure by requesting the University of Hawaii to extend and expand the current land lease agreement with Leahi Hospital for a period of time sufficient enough to allow for the development and implementation of a master plan that includes the plan to rebuild the campus.

As affirmed by the records of votes of the members of your Committees on Education and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 199, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 199, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 5 (Hee, Hooser, Nishihara, Taniguchi, Hemmings).

SCRep. 1775 (Joint) Education and Human Services and Public Housing on S.R. No. 128

The purpose of this measure is to request the University of Hawaii to extend and expand its current lease with Leahi Hospital to facilitate campus-wide master planning and long-term development of geriatric and long-term health care services.

Testimony in support of this measure was submitted by Leahi Hospital and Healthcare Association of Hawaii. Comments on the measure were also submitted by the University of Hawaii.

Your Committees find that Leahi Hospital is a health care facility that supports 178 long-term care and tuberculosis beds and is staffed by over 300 employees providing twenty-four hour-a-day support services. Leahi Hospital is seeking to develop a long-term master plan that encompasses the rebuilding of its campus. Currently, Leahi Hospital leases its land from the University of Hawaii; however, the term of the lease, even with available extensions, does not provide Leahi Hospital with adequate flexibility or assurances for developing and implementing its master plan. Your Committees believe that, although the execution of a seventy-five year lease may not be necessary at this time, an appropriate extension or agreement would be helpful in allowing Leahi Hospital to make plans for the future without the fear of a lease renewal problem.

Accordingly, your Committees have amended this measure by requesting the University of Hawaii to extend and expand the current land lease agreement with Leahi Hospital for a period of time sufficient enough to allow for the development and implementation of a master plan that includes the plan to rebuild the campus.

As affirmed by the records of votes of the members of your Committees on Education and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 128, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 128, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 5 (Hee, Hooser, Nishihara, Taniguchi, Hemmings).

SCRep. 1776 (Joint) Human Services and Public Housing and Education on S.C.R. No. 17

The purpose of this measure is to urge the Department of Education to study the educational implications of the special needs of preschool age children with developmental disabilities.

The Hawaii Down Syndrome Congress, the Aloha Place, and twelve individuals submitted testimony in support of this measure. The State Council on Developmental Disabilities submitted testimony in support of the intent of this measure. The Department of Education submitted testimony in opposition to this measure.

Your Committees find that there is a need to improve the coordination of IDEA-mandated special education and related services with respect to the appropriateness of a disabled child's developmental age, not just chronological age, due to a biological risk factor such as Down syndrome or Trisomy 21. This measure urges the Department of Education to study the educational implications of the special needs of preschool age children with developmental disabilities and develop guidelines for the assessment, intervention, and education of this population. The Department of Education is also urged to develop developmental goals and criteria for preschool readiness, including appropriateness for developmental age and chronological age.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Housing and Education that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 17 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 4 (Hooser, Nishihara, Taniguchi, Hemmings).

SCRep. 1777 (Joint) Human Services and Public Housing and Health on S.C.R. No. 33

The purpose of this measure is to request the United States Congress to re-evaluate the Medicare formula for computing payments to doctors or to take other measures to avert future reductions in payments for services.

The Department of Human Services and two individuals submitted testimony in support of this measure.

Your Committees find that the United States Congress recently deferred a proposed cut of 5.1 per cent in Medicare spending for payments for services provided by doctors. However, future payments are unlikely to keep pace with inflation and doctors may face even greater cuts in Medicare spending for payments for services next year. This measure requests the United States Congress to re-evaluate the Medicare formula for computing payments to doctors or to take other measures to avert future reductions in payments for services.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Housing and Health that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 33 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 7. Noes, none. Excused, 3 (Ihara, Menor, Whalen).

SCRep. 1778 (Joint) Human Services and Public Housing and Health on S.R. No. 15

The purpose of this measure is to request the United States Congress to re-evaluate the Medicare formula for computing payments to doctors or to take other measures to avert future reductions in payments for services.

The Department of Human Services and two individuals submitted testimony in support of this measure.

Your Committees find that the United States Congress recently deferred a proposed cut of 5.1 per cent in Medicare spending for payments for services provided by doctors. However, future payments are unlikely to keep pace with inflation and doctors may face even greater cuts in Medicare spending for payments for services next year. This measure requests the United States Congress to re-evaluate the Medicare formula for computing payments to doctors or to take other measures to avert future reductions in payments for services.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Housing and Health that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 15 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 7. Noes, none. Excused, 3 (Ihara, Menor, Whalen).

SCRep. 1779 (Joint) Human Services and Public Housing and Transportation and International Affairs on S.C.R. No. 91

The purpose of this measure is to request the Commission on the Status of Women to convene a network of organizations for the support and development of local and international organizations to address domestic violence and sex assault issues.

Your Committees received testimony in support of this measure from the Sex Abuse Treatment Center, Kapiolani Medical Center; Hawaii State Commission on the Status of Women; and one individual.

Domestic violence and sex assault is an international issue that permeates all levels of society, affecting people regardless of age, income, education, religion, or culture. Organizations in countries around the world look to their counterpart organizations in the United States for leadership and methodologies to treat and prevent the occurrence of domestic violence and sex assault.

Hawaii is the gateway between the United States and its Asian neighbors, making Hawaii-based organizations addressing domestic violence and sex assault natural conduits for international cooperation on this issue.

The network would report to the 2008 Legislature.

Your Committees have amended this measure by:

- (1) Deleting reference to convening a 2007 conference;
- (2) Adding that the network facilitate training opportunities; and
- (3) Clarifying the correct name of a referenced program as the Child and Family Services' Domestic Violence Shelter.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Housing and Transportation and International Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 91, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 91, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 5 (Inouye, Sakamoto, Taniguchi, Tsutsui, Hemmings).

SCRep. 1780 (Joint) Human Services and Public Housing and Transportation and International Affairs on S.R. No. 55

The purpose of this measure is to request the Commission on the Status of Women to convene a network of organizations for the support and development of local and international organizations to address domestic violence and sex assault issues.

Your Committees received testimony in support of this measure from the Sex Abuse Treatment Center, Kapiolani Medical Center; Hawaii State Commission on the Status of Women; and one individual.

Domestic violence and sex assault is an international issue that permeates all levels of society, affecting people regardless of age, income, education, religion, or culture. Organizations in countries around the world look to their counterpart organizations in the United States for leadership and methodologies to treat and prevent the occurrence of domestic violence and sex assault.

Hawaii is the gateway between the United States and its Asian neighbors, making Hawaii-based organizations addressing domestic violence and sex assault natural conduits for international cooperation on this issue.

The network would report to the 2008 Legislature.

Your Committees have amended this measure by:

- (1) Deleting reference to convening a 2007 conference;
- (2) Adding that the network facilitate training opportunities; and
- (3) Clarifying the correct name of a referenced program as the Child and Family Services' Domestic Violence Shelter.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Housing and Transportation and International Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 55, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 55, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 5 (Inouye, Sakamoto, Taniguchi, Tsutsui, Hemmings).

SCRep. 1781 Human Services and Public Housing on S.C.R. No. 122

The purpose of this measure is to promote breastfeeding rights and tolerance.

Specifically, this measure supports the Breastfeeding Mothers' Bill of Rights that is being offered before the New York State Legislature as Senate Bill No. 1674 and Assembly Bill No. 3782.

Testimony in support of this measure was submitted by the Healthy Mothers, Healthy Babies Coalition of Hawai'i. The International Formula Council submitted comments.

Your Committee finds that there are two measures before the New York State Legislature that propose the adoption of a statement of rights, known as the Breastfeeding Mothers' Bill of Rights. The measures provide mothers with basic breastfeeding-related rights before, during, and after the birth of their babies; require that the statement of rights be conspicuously posted in a public place in maternal health care facilities, nurseries, maternity floors, and post-delivery recovery rooms; and require assistance from lactation specialists in the hospital and after discharge.

This measure was amended by amending the first two whereas clauses to more accurately reflect the recommendations of the American Academy of Pediatrics and the scientific data regarding the benefits of breastfeeding.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 122, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 122, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Sakamoto, Hemmings).

SCRep. 1782 Human Services and Public Housing on S.R. No. 78

The purpose of this measure is to promote breastfeeding rights and tolerance.

Specifically, this measure supports the Breastfeeding Mothers' Bill of Rights that is being offered before the New York State Legislature as Senate Bill No. 1674 and Assembly Bill No. 3782.

Testimony in support of this measure was submitted by the Healthy Mothers, Healthy Babies Coalition of Hawai'i. The International Formula Council submitted comments.

Your Committee finds that there are two measures before the New York State Legislature that propose the adoption of a statement of rights, known as the Breastfeeding Mothers' Bill of Rights. The measures provide mothers with basic breastfeeding-related rights before, during, and after the birth of their babies; require that the statement of rights be conspicuously posted in a public place in maternal health care facilities, nurseries, maternity floors, and post-delivery recovery rooms; and require assistance from lactation specialists in the hospital and after discharge.

This measure was amended by amending the first two whereas clauses to more accurately reflect the recommendations of the American Academy of Pediatrics and the scientific data regarding the benefits of breastfeeding.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 78, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 78, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Sakamoto, Hemmings).

SCRep. 1783 Human Services and Public Housing on S.C.R. No. 196

The purpose of this measure is to request the Department of Health to conduct a study of adult residential care homes.

The City Council of the City and County of Honolulu and thirteen individuals submitted testimony in support of this measure. The Department of Health and the Hawaii Coalition of Care Home Administrators submitted testimony in opposition to this measure.

Your Committee finds that the development of adult residential care homes in residential neighborhoods has caused residents to raise concerns regarding attendant traffic, parking, delivery, noise, trash collections, and emergency services response challenges. Further, residents of Manoa, in particular, question the regulation of these facilities in their neighborhoods, including the distance of the facilities from each other and whether there is sufficient opportunity for public notice, review, or comment before permitting. This measure will bring interested stakeholders together as a working group to study these and other related issues.

Your Committee has amended this measure by:

- (1) Changing the purpose of the measure from requesting the Department of Health to conduct a study of adult residential care homes to requesting the Department of Health to convene a working group to study the development of adult residential care homes in residential neighborhoods in Manoa;
- (2) Amending the title of the measure to reflect the change in purpose;
- (3) Amending several of the clauses to reflect current information that was received during testimony and the change in purpose; and
- (4) Making technical, nonsubstantive changes for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 196, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 196, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Hemmings).

SCRep. 1784 Human Services and Public Housing on S.R. No. 125

The purpose of this measure is to request the Department of Health to conduct a study of adult residential care homes.

The City Council of the City and County of Honolulu and thirteen individuals submitted testimony in support of this measure. The Department of Health and the Hawaii Coalition of Care Home Administrators submitted testimony in opposition to this measure.

Your Committee finds that the development of adult residential care homes in residential neighborhoods has caused residents to raise concerns regarding attendant traffic, parking, delivery, noise, trash collections, and emergency services response challenges. Further, residents of Manoa, in particular, question the regulation of these facilities in their neighborhoods, including the distance of the facilities from each other and whether there is sufficient opportunity for public notice, review, or comment before permitting. This measure will bring interested stakeholders together as a working group to study these and other related issues.

Your Committee has amended this measure by:

- (1) Changing the purpose of the measure from requesting the Department of Health to conduct a study of adult residential care homes to requesting the Department of Health to convene a working group to study the development of adult residential care homes in residential neighborhoods in Manoa;
- (2) Amending the title of the measure to reflect the change in purpose;
- (3) Amending several of the clauses to reflect current information that was received during testimony and the change in purpose; and
- (4) Making technical, nonsubstantive changes for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 125, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 125, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Hemmings).

SCRep. 1785 Human Services and Public Housing on S.C.R. No. 220

The purpose of this measure is to request the Department of Human Services to facilitate the provision of social services to non-citizen victims of human trafficking.

No Loio Immigrant Rights and Public Interest Legal Center submitted testimony in support of this measure.

Your Committee finds that, without resources to secure housing, food, medical care, or other basic necessities, non-citizen victims of human trafficking struggle to survive in our community. Victim assistance and services for trafficked persons are constrained by factors such as legal provisions barring undocumented migrants from benefits and victim-related services. Federal law may protect trafficked persons by providing immigration status, permission to work, and possible United States permanent residence once a victim is certified as a severe victim of trafficking. There is a need for victim services from the time that individuals are identified as trafficked persons until they are certified as a severe victim of trafficking by federal law enforcement.

Your Committee has amended this measure by:

- (1) Requesting the Department of Human Services to conduct a statewide needs assessment of non-citizen victims of human trafficking and to:
 - (A) Collaborate with the task force that was established, to determine how Hawaii can best combat and deter human trafficking, pursuant to Act 260, Session Laws of Hawaii 2006;
 - (B) Identify existing obstacles, in statute, rule, or policy, that limit or deny benefits to non-citizen victims of human trafficking; and
 - (C) Identify appropriate social, financial, and other services for victims of human trafficking, in general, including gaps in the services offered by state, county, and private agencies for victims of human trafficking; and
- (2) Making technical, nonsubstantive changes for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 220, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 220, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Hemmings).

SCRep. 1786 Human Services and Public Housing on S.R. No. 144

The purpose of this measure is to request the Department of Human Services to facilitate the provision of social services to non-citizen victims of human trafficking.

No Loio Immigrant Rights and Public Interest Legal Center submitted testimony in support of this measure.

Your Committee finds that, without resources to secure housing, food, medical care, or other basic necessities, non-citizen victims of human trafficking struggle to survive in our community. Victim assistance and services for trafficked persons are constrained by factors such as legal provisions barring undocumented migrants from benefits and victim-related services. Federal law may protect trafficked persons by providing immigration status, permission to work, and possible United States permanent residence once a victim is certified as a severe victim of trafficking. There is a need for victim services from the time that individuals are identified as trafficked persons until they are certified as a severe victim of trafficking by federal law enforcement.

Your Committee has amended this measure by:

- (1) Requesting the Department of Human Services to conduct a statewide needs assessment of non-citizen victims of human trafficking and to:
 - (A) Collaborate with the task force that was established, to determine how Hawaii can best combat and deter human trafficking, pursuant to Act 260, Session Laws of Hawaii 2006;
 - (B) Identify existing obstacles, in statute, rule, or policy, that limit or deny benefits to non-citizen victims of human trafficking; and

(C) Identify appropriate social, financial, and other services for victims of human trafficking, in general, including gaps in the services offered by state, county, and private agencies for victims of human trafficking; and

(2) Making technical, nonsubstantive changes for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 144, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 144, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Hemmings).

SCRep. 1787 (Joint) Human Services and Public Housing and Health on S.C.R. No. 136

The purpose of this measure is to request the University of Hawaii at Manoa College of Social Sciences Public Policy Center to conduct a cost-benefit analysis for a family caregiver tax credit.

The Kokua Council, the National Multiple Sclerosis Society, the Hawaii Aging Advocates Coalition, the Policy Advisory Board for Elder Affairs, Catholic Charities Hawai'i, and two individuals submitted testimony in support of this measure as amended.

Your Committees have amended this measure by:

- (1) Changing the purpose and content of the measure from requesting the University of Hawaii at Manoa College of Social Sciences Public Policy Center to conduct a cost-benefit analysis for a family caregiver tax credit to urging the Governor to appoint an interim director for the Executive Office on Aging until a permanent director is appointed; and
- (2) Amending the title of the measure to reflect the change in purpose and content.

Your Committees find that the Director of the Executive Office on Aging is instrumental in ensuring that Hawaii satisfies its mandated responsibilities to its elderly population pursuant to the federal Older Americans Act. The Governor is responsible for nominating and appointing the Director of the Executive Office on Aging. However, the position has been vacant since December 5, 2006. It is imperative that a qualified individual be appointed to the position as soon as possible to provide stewardship regarding, among other things, services, legislation, policies, and funding.

It is the Committees' intent to urge the Governor to appoint an interim director for the Executive Office on Aging until a permanent director is appointed.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Housing and Health that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 136, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 136, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 4 (Ihara, Menor, Hemmings, Whalen).

SCRep. 1788 (Joint) Health and Human Services and Public Housing on S.C.R. No. 198

The purpose of this measure is to ensure that acute care hospital patients have access to long term care by requesting the Healthcare Association of Hawaii to examine the problem of patients in acute care hospitals being waitlisted for long term care and to propose solutions.

Your Committees received testimony in support of this measure from the Department of Human Services, the Healthcare Association of Hawaii, Kaiser Permanente, Queens Medical Center, Hawaii Disability Rights Center, and Hawaii Long Term Care Association.

Your Committees find that, during the past year, more than two hundred patients in hospitals statewide, who were well enough to be discharged from acute care hospitals but who were in need of long term care, have been waitlisted because long term care facilities were not available. Thus, the current short supply of acute care hospital beds is becoming even scarcer for patients with greater medical needs. Your Committees further find that the Healthcare Association of Hawaii is the appropriate organization to conduct this research and propose solutions to the long term care facility shortage because their membership includes all of Hawaii's hospitals and long term care facilities.

As affirmed by the records of votes of the members of your Committees on Health and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 198 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 4 (Ihara, Menor, Hemmings, Whalen).

SCRep. 1789 (Joint) Health and Human Services and Public Housing on S.R. No. 127

The purpose of this measure is to ensure that acute care hospital patients have access to long term care by requesting the Healthcare Association of Hawaii to examine the problem of patients in acute care hospitals being waitlisted for long term care and to propose solutions.

Your Committees received testimony in support of this measure from the Department of Human Services, the Healthcare Association of Hawaii, Kaiser Permanente, Queens Medical Center, Hawaii Disability Rights Center, and Hawaii Long Term Care Association.

Your Committees find that, during the past year, more than two hundred patients in hospitals statewide, who were well enough to be discharged from acute care hospitals but who were in need of long term care, have been waitlisted because long term care facilities were not available. Thus, the current short supply of acute care hospital beds is becoming even scarcer for patients with greater medical needs. Your Committees further find that the Healthcare Association of Hawaii is the appropriate organization to conduct this research and propose solutions to the long term care facility shortage because their membership includes all of Hawaii's hospitals and long term care facilities.

As affirmed by the records of votes of the members of your Committees on Health and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 127 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 4 (Ihara, Menor, Hemmings, Whalen).

SCRep. 1790 Health on S.C.R. No. 213

The purpose of this measure is to assure low-income women access to screening and early detection of breast and cervical cancer by requesting the Governor to fund breast cancer and cervical cancer screening for low-income women in Hawaii.

Your Committee received testimony in support of this measure from the University of Hawaii Cancer Research Center. The Department of Health submitted testimony supporting the intent of this measure with comments.

Your Committee finds that the Hawaii Breast and Cervical Cancer Control Program, established in 1997, provides access to breast and cervical cancer screening for Native Hawaiian, Filipino, and Pacific Island women. However, your Committee finds that screening for breast and cervical cancers needs to be accessible to all women, particularly those of low-income and who do not have health insurance or whose insurance is insufficient.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 213 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1791 Health on S.R. No. 137

The purpose of this measure is to assure low-income women access to screening and early detection of breast and cervical cancer by requesting the Governor to fund breast cancer and cervical cancer screening for low-income women in Hawaii.

Your Committee received testimony in support of this measure from the University of Hawaii Cancer Research Center. The Department of Health submitted testimony supporting the intent of this measure with comments.

Your Committee finds that the Hawaii Breast and Cervical Cancer Control Program, established in 1997, provides access to breast and cervical cancer screening for Native Hawaiian, Filipino, and Pacific Island women. However, your Committee finds that screening for breast and cervical cancers needs to be accessible to all women, particularly those of low-income and who do not have health insurance or whose insurance is insufficient.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 137 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1792 (Joint) Health and Human Services and Public Housing on S.C.R. No. 218

The purpose of this measure is to ensure that migrants from Freely Associated States have access to quality health care and social services by requesting the Department of Health to convene a task force to investigate and coordinate the provision of medical and social services to migrants from Freely Associated States.

Your Committees received testimony in support of this measure from Micronesians United, the Micronesian Community Network, Hawaii Government Employees Association, and two individuals. The Department of Health, the Department of Human Services, and the Institute for Human Services submitted testimony supporting the intent of this measure with recommendations. The East-West Center submitted comments.

Your Committees find that the increasing migration of individuals from Freely Associated States has affected Hawaii in terms of non-reimbursed health care, education, housing, and social services costs. Therefore, your Committees find that it is imperative to investigate these impacts and to find solutions that will ensure that these valuable public services are accessible to those in need and that migrants from Freely Associated States have access to quality health care and social services.

Your Committees amended this measure by:

- (1) Changing the title to read as follows:

“REQUESTING THE DEPARTMENT OF ATTORNEY GENERAL TO CONVENE A TASK FORCE TO INVESTIGATE AND COORDINATE THE PROVISION OF MEDICAL, EDUCATIONAL, HOUSING, AND SOCIAL SERVICES TO MIGRANTS FROM FREELY ASSOCIATED STATES”;

- (2) Clarifying the need to not only address medical and social services needed, but also educational and housing services needed and the impact the need for the services has on schools;
- (3) By including the following organizations in the task force:
 - (A) The Micronesian Community Network;
 - (B) Micronesians United;
 - (C) The Institute for Human Services; and
 - (D) The University of Hawaii- West Oahu;
- (4) Making the Department of the Attorney General the task force’s convening authority;
- (5) Removing the East-West Center from the task force membership;
- (6) Adding Hawaii’s Congressional delegation to the list of individuals to receive certified copies of this resolution; and
- (7) Making technical, nonsubstantive changes for the purposes of clarity, consistency, and style.

As affirmed by the records of votes of the members of your Committees on Health and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 218, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 218, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 7. Noes, none. Excused, 3 (Ihara, Menor, Whalen).

SCRep. 1793 (Joint) Health and Human Services and Public Housing on S.R. No. 142

The purpose of this measure is to ensure that migrants from Freely Associated States have access to quality health care and social services by requesting the Department of Health to convene a task force to investigate and coordinate the provision of medical and social services to migrants from Freely Associated States.

Your Committees received testimony in support of this measure from Micronesians United, the Micronesian Community Network, Hawaii Government Employees Association, and two individuals. The Department of Health, the Department of Human Services, and the Institute for Human Services submitted testimony supporting the intent of this measure with recommendations. The East-West Center submitted comments.

Your Committees find that the increasing migration of individuals from Freely Associated States has affected Hawaii in terms of non-reimbursed health care, education, housing, and social services costs. Therefore, your Committees find that it is imperative to investigate these impacts and to find solutions that will ensure that these valuable public services are accessible to those in need and that migrants from Freely Associated States have access to quality health care and social services.

Your Committees amended this measure by:

- (1) Changing the title to read as follows:

“REQUESTING THE DEPARTMENT OF ATTORNEY GENERAL TO CONVENE A TASK FORCE TO INVESTIGATE AND COORDINATE THE PROVISION OF MEDICAL, EDUCATIONAL, HOUSING, AND SOCIAL SERVICES TO MIGRANTS FROM FREELY ASSOCIATED STATES”;

- (2) Clarifying the need to not only address medical and social services needed, but also educational and housing services needed and the impact the need for the services has on schools;

- (4) Making the Department of the Attorney General the task force’s convening authority;
- (5) Removing the East-West Center from the task force membership;
- (6) Adding Hawaii’s Congressional delegation to the list of individuals to receive certified copies of this resolution; and
- (7) Making technical, nonsubstantive changes for the purposes of clarity, consistency, and style.

As affirmed by the records of votes of the members of your Committees on Health and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 142, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 142, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 7. Noes, none. Excused, 3 (Ihara, Menor, Whalen).

SCRep. 1794 (Joint) Health and Human Services and Public Housing on S.C.R. No. 219

The purpose of this measure is to assist individuals who have suffered traumatic brain injuries in receiving appropriate health care services by requesting the Departments of Health and Human Services to collaborate and apply for a federal traumatic brain injury waiver.

Your Committees received testimony in support of this measure from the Department of Health, the Hawaii Disability Rights Center, and five individuals. The Department of Human Services submitted comments on this measure.

Your Committees find that individuals who have suffered traumatic brain injuries are in need of direct services, rehabilitation programs, and community support that are effective and affordable. Your Committees further find that a federal traumatic brain injury waiver with the State matching the federal funds would be able to provide these individuals with the appropriate and necessary services.

As affirmed by the records of votes of the members of your Committees on Health and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 219 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 7. Noes, none. Excused, 3 (Ihara, Menor, Whalen).

SCRep. 1795 (Joint) Health and Human Services and Public Housing on S.R. No. 143

The purpose of this measure is to assist individuals who have suffered traumatic brain injuries in receiving appropriate health care services by requesting the Departments of Health and Human Services to collaborate and apply for a federal traumatic brain injury waiver.

Your Committees received testimony in support of this measure from the Department of Health, the Hawaii Disability Rights Center, and five individuals. The Department of Human Services submitted comments on this measure.

Your Committees find that individuals who have suffered traumatic brain injuries are in need of direct services, rehabilitation programs, and community support that are effective and affordable. Your Committees further find that a federal traumatic brain injury waiver with the State matching the federal funds would be able to provide these individuals with the appropriate and necessary services.

As affirmed by the records of votes of the members of your Committees on Health and Human Services and Public Housing that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 143 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 7. Noes, none. Excused, 3 (Ihara, Menor, Whalen).

SCRep. 1796 (Joint) Human Services and Public Housing and Public Safety on S.C.R. No. 19

The purpose of this measure is to protect parent-child relationships of children of incarcerated parents.

Specifically, this measure requests the Department of Public Safety to adopt policies to prevent the transfer of incarcerated parents of minor children to correctional facilities on the mainland.

Testimony in support of this measure was submitted by the Community Alliance on Prisons, Hawaii Youth Services Network, and four individuals. Testimony in opposition to this measure was submitted by the Department of Public Safety.

Your Committees find that an increased focus needs to be placed on the children of incarcerated parents to maintain a parent-child bond. It is estimated that there are approximately 3,163 parents of 6,665 children in Hawaii's prison system. Approximately half of Hawaii's incarcerated felons are sent to private correctional facilities on the mainland making it difficult for them to maintain contact with their families.

According to the testimony, the strengthening of family relationships has a positive effect on recidivism. Studies also indicate that therapeutic involvement with families during incarceration builds better and stronger relationships between the incarcerated parent's children and the incarcerated parent once the parent is released.

Your Committees are also concerned with the practice of triple-bunking inmates in Hawaii correctional facilities due to overcrowding. While your Committees strongly believe that parent-child relationships should be fostered and maintained throughout the parents' incarceration, it is not the intent of your Committees that the policy encouraged by this measure result in an increase in triple bunking in Hawaii facilities.

This measure has been amended to allow flexibility for parents who are incarcerated on the mainland and wish to stay where they are. This measure has also been amended to provide that there should not be additional triple bunking in Hawaii correctional facilities as a result of this measure.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Housing and Public Safety that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 19, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 19, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 3 (Hooser, Hemmings, Whalen).

SCRep. 1797 Judiciary and Labor on S.C.R. No. 153

The purpose of this measure is to request that the Senate Committee on Judiciary and Labor and the House Committee on Labor and Public Employment convene a joint hearing to consider the impacts of the required labor force proposed for the Turtle Bay Resort expansion on Oahu's North Shore communities.

Testimony in support of this measure was submitted by Keep the North Shore Country, UNITE HERE! Local 5, and 30 individuals. Testimony in opposition was submitted by Bob Boyle, General Manager of the Turtle Bay Resort.

Your Committee recognizes that any expansion of a major hotel, such as the Turtle Bay Resort, will with certainty have an impact on area resources such as housing, schools, medical services, and infrastructure to name a few. Your Committee finds that a joint legislative hearing will provide a public forum to obtain necessary information to address the impacts and other issues relating to an additional hundreds or thousands of new employees in a rural area that already has a shortage of affordable housing.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 153 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1798 Judiciary and Labor on S.R. No. 106

The purpose of this resolution is to request that the Senate Committee on Judiciary and Labor and the House Committee on Labor and Public Employment convene a joint hearing to consider the likely impacts on the labor force by the proposed Turtle Bay Resort expansion.

Testimony in support of this measure was submitted by Keep the North Shore Country, UNITE HERE! Local 5, and 30 individuals. Testimony in opposition was submitted by Bob Boyle, General Manager of the Turtle Bay Resort.

Your Committee recognizes that any expansion of a major hotel, such as the Turtle Bay Resort, will with certainty have an impact on area resources such as housing, schools, medical services, and infrastructure to name a few. Your Committee finds that a joint legislative hearing will provide a public forum to obtain necessary information to address the impacts and other issues relating to an additional hundreds or thousands of new employees in a rural area that already has a shortage of affordable housing.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 106 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1799 Ways and Means on S.C.R. No. 160

The purpose of this measure is to request that the Auditor perform a sunrise review of the regulation of entities governed by chapters 514A and 514B, Hawaii Revised Statutes, relating to condominiums, for the purpose of creating a condominium commission.

Your Committee received comments in support of this measure from the Hawaii Independent Condominium and Cooperative Owners.

Your Committee finds that approximately twenty per cent of the population of the State resides in condominiums. The enforcement of the laws, rules, and policies governing the rights and responsibilities of persons owning and residing in condominiums is the responsibility of the Real Estate Commission; however, the commission's historic primary concern and preoccupation has been with the licensing and regulation of realtors.

Your Committee believes that persons owning and residing in condominiums should have a governing body that is exclusively responsible for the governance of condominium laws, rules, and policies. However, section 26H-6, Hawaii Revised Statutes, requires that "[n]ew regulatory

measures being considered for enactment that, if enacted, would subject unregulated professions and vocations to licensing or other regulatory controls shall be referred to the auditor for analysis” prior to the adoption of the new regulatory measures. Accordingly, this Concurrent Resolution requests that the Auditor undertake the required analysis.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 160, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1800 Ways and Means on S.C.R. No. 75

The purpose of this Concurrent Resolution is to request the Auditor to perform a sunrise analysis of the regulation of destination clubs and those who market them.

Your Committee received comments in support of this Concurrent Resolution from the Department of Commerce and Consumer Affairs and the Destination Club Association.

Your Committee finds that destination clubs are a growing part of the travel and tourism industry in Hawaii. Destination clubs offer members access to the club’s portfolio of luxury properties in locations around the world, including Hawaii. Currently, there are no specific regulatory statutes governing destination clubs in Hawaii.

Your Committee finds that in 2006, the Department of Commerce and Consumer Affairs convened a working group that included representatives of the destination club and timeshare industries and the Department, to discuss the creation of a regulatory framework for destination clubs. Further, during the 2007 Regular Session of the Legislature, S.B. No. 697 was introduced, to regulate destination clubs and the marketing of destination clubs. This Concurrent Resolution requests the Auditor to conduct a sunrise review in compliance with section 26H-6, Hawaii Revised Statutes, to determine whether regulation of destination clubs and those who market them is necessary.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 75, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1801 Ways and Means on S.C.R. No. 144

The purpose of this measure is to request the Department of Human Services to report to the Legislature regarding what impact a cash and counseling program would have on medicaid and adult services programs in Hawaii.

This measure also requests the Department of Human Services, in completing its report, to:

- (1) Contact the National Program Office at the Boston College Graduate School of Social Work, which coordinates replications of the program; and
- (2) Consult with the Robert Wood Johnson Foundation, the Office of the Assistant Secretary for Planning and Evaluation at the United States Department of Health and Human Services, and the Administration on Aging.

The Department of Human Services offered comments on this measure.

Your Committee finds that the cash and counseling program allows medicaid recipients to manage their personal care services allowance according to their own specific needs. Recipients receive counseling and may select a family member or friend to assist them instead of an agency worker.

This Concurrent Resolution would provide the necessary information to determine whether the cash and counseling program should be established in the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 144, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1802 Ways and Means on S.R. No. 98

The purpose of this measure is to request the Department of Human Services to report to the Legislature regarding what impact a cash and counseling program would have on medicaid and adult services programs in Hawaii.

This measure also requests the Department of Human Services, in completing its report, to:

- (1) Contact the National Program Office at the Boston College Graduate School of Social Work, which coordinates replications of the program; and
- (2) Consult with the Robert Wood Johnson Foundation, the Office of the Assistant Secretary for Planning and Evaluation at the United States Department of Health and Human Services, and the Administration on Aging.

Your Committee finds that the cash and counseling program allows medicaid recipients to manage their personal care services allowance according to their own specific needs. Recipients receive counseling and may select a family member or friend to assist them instead of an agency worker.

This Resolution would provide the necessary information to determine whether the cash and counseling program should be established in the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 98, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1803 Ways and Means on S.C.R. No. 147

The purpose of this measure is to request the Hawaii Public Housing Authority to report on its project spending.

Your Committee received comments on the measure from the Hawaii Public Housing Authority.

Your Committee finds that the Hawaii Public Housing Authority is responsible for the management of federal and state funds for public housing programs and services.

Your Committee also finds that, because of the recent establishment of the Hawaii Public Housing Authority and the various sources of funds under its control, a report to the Legislature on the Authority's project spending is justified and appropriate to ensure proper and effective use and management of such funds.

Your Committee further finds that, although the Concurrent Resolution has evolved from a financial audit to a report by the Authority to the Legislature, it is intended that the scope of the report should remain broad and comprehensive and include project spending for all projects developed by the Authority, including new and renovation or modernization projects, as well as the new forty-eight unit project at Lanakila Homes in Hilo.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 147, S.D. 1, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 147, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1804 Ways and Means on S.R. No. 100

The purpose of this measure is to request the Hawaii Public Housing Authority to report on its project spending.

Your Committee received comments on the measure from the Hawaii Public Housing Authority.

Your Committee finds that the Hawaii Public Housing Authority is responsible for the management of federal and state funds for public housing programs and services.

Your Committee also finds that, because of the recent establishment of the Hawaii Public Housing Authority and the various sources of funds under its control, a report to the Legislature on the Authority's project spending is justified and appropriate to ensure proper and effective use and management of such funds.

Your Committee further finds that, although the Resolution has evolved from a financial audit to a report by the Authority to the Legislature, it is intended that the scope of the report should remain broad and comprehensive and include project spending for all projects developed by the Authority, including new and renovation or modernization projects, as well as the new forty-eight unit project at Lanakila Homes in Hilo.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 100, S.D. 1, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 100, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1805 Ways and Means on S.C.R. No. 48

The purpose of this Concurrent Resolution is to request the Hawaii Disability Rights Center to provide an analysis of the laws governing its access to patient records and its policies and procedures for conducting investigations.

This Concurrent Resolution also requests the Hawaii Disability Rights Center to submit a report to the Legislature and the Attorney General no later than twenty days prior to the convening of the Regular Session of 2008 to include:

- (1) An outline of the federal authority that grants the Hawaii Disability Rights Center access to:
 - (A) Facilities serving individuals with disabilities;
 - (B) Individuals with disabilities; and
 - (C) The records of the individuals with disabilities;
- (2) With the concurrence of the federal Administration on Developmental Disabilities, an analysis of the inter-relationship between the federal authority and the laws protecting the privacy of individuals and their records; and
- (3) A statement of its policies and procedures regarding the manner in which it conducts investigations of allegations of abuse or neglect of an individual with a disability, including how, when, and under what circumstances, the investigations are undertaken.

The Attorney General is requested to offer comments to the Legislature regarding the report. This Concurrent Resolution also urges the parties to the litigation between the Hawaii Disability Rights Center and the Opportunities for the Retarded, Inc. to amicably settle the pending litigation.

Your Committee received comments in support of this concurrent resolution from The ARC in Hawaii, the Hawaii Disability Rights Center, twenty-one officers, board members, staff, and individual supporters of Opportunities for the Retarded, Inc., and nine individuals.

Your Committee finds that clarification of the relationship between the laws mandating access to the records of an individual with developmental disabilities and mental illness to a protection and advocacy agency and the laws protecting the privacy of that individual is necessary.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 48, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1806 Ways and Means on S.C.R. No. 71

The purpose of this Concurrent Resolution is to establish a legislative interim task force to study and make recommendations regarding the creation of universal children's savings accounts.

Comments in support of this measure were received from 3Point and the Hawaii Alliance for Community-Based Economic Development.

Your Committee finds that an asset building financial system for families would help to create financial security against difficult times, provide economic opportunities, and leave a legacy for future generations. Your Committee also finds that a universal children's savings account would help a family start saving at birth for their child's future and that over time, the asset could be used for education, home ownership, business, retirement, or other stated purposes.

Your Committee finds that the establishment of universal children's savings accounts would not only help provide economic opportunity for more people, particularly for those with no assets, but would also serve as a vehicle for savings and a learning tool for children and parents to learn the value of savings and investments.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 71 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1807 Ways and Means on S.C.R. No. 9

The purpose of this measure is to request the Office of the Auditor to assess the handling of domestic violence matters in the Family Court of the First Judicial Circuit (Family Court).

Specifically, the Office of the Auditor is requested to:

- (1) Examine the Family Court's current policies, procedures, and operations for screening or assessing child custody matters involving domestic violence;
- (2) Examine the Family Court's current policies, procedures, and operations that address child custody matters involving criminal and civil domestic violence cases; and
- (3) Establish findings and develop recommendations on how the Family Court may better serve litigants and children involved in domestic violence related child custody cases.

The Judiciary submitted comments on this measure.

Your Committee finds that domestic abuse protective orders are heard in the Family Court on a separate court docket, pursuant to chapter 586, Hawaii Revised Statutes. However, during interim hearings conducted by the Standing Committees of the Senate and House of Representatives having oversight over Human Services, the need for screening and assessing child custody matters involving domestic violence was identified. The possible establishment of a separate domestic violence court was also proposed.

This measure will help to determine whether Hawaii's state court system is following best practices in the area of child custody matters involving domestic violence and whether the establishment of a separate domestic violence court would better serve the needs of the community.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 9 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1808 Ways and Means on S.C.R. No. 11

The purpose of this measure is to request the Legislative Reference Bureau to conduct a study on custody evaluator models that are applied in other jurisdictions.

Specifically, the Concurrent Resolution requests the Legislative Reference Bureau to review other jurisdictions' qualifications for custody evaluators, custody evaluator training models, and mechanisms for oversight of the custody evaluation process.

The National Association of Social Workers submitted comments in support of this measure. The Legislative Reference Bureau submitted comments.

Pursuant to Senate Concurrent Resolution No. 52, Regular Session of 2006, the Committees on Human Services of the Senate and the House of Representatives convened a task force during the interim following the 2006 Regular Session to examine issues pertaining to the Hawaii Family Court. Due to time constraints, the task force was unable to fully explore the issue of training and oversight of custody evaluators in both the Hawaii Family Court and in other jurisdictions. This measure will assist the task force members to determine whether to recommend action to improve custody evaluation in the Hawaii Family Court.

Your Committee has amended this measure to request that the study to be conducted by the Legislative Reference Bureau also include a review of the process by which custody evaluators are selected in other jurisdictions, whether it is by random selection, from a list, or by request of the client. Your Committee has also amended this measure by placing the four issues to be studied in logical order: qualifications, selection, training, and oversight.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 11, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 11, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1809 Ways and Means on S.C.R. No. 12

The purpose of this Concurrent Resolution is to request the Legislative Reference Bureau to study joint and shared physical and legal custody presumptions in other states.

The Legislative Reference Bureau submitted comments on the measure.

Your Committee finds that the Senate and House Committees on Human Services convened interim hearings on the use of legal interventions available to the Hawaii family court. The task force established during these hearings was unable to resolve all issues and concerns discussed. One of several unresolved issues is whether other states apply the rebuttable presumption that in a divorce proceeding, both parents should equally share in the parenting and thus have joint or shared physical and legal custody of a child.

Your Committee further finds that a study regarding these presumptions would clarify for the task force whether to recommend statutory enactment of such a presumption.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 12, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1810 Ways and Means on S.C.R. No. 209

The purpose of this measure is to request the Auditor to study the social and financial impact of mandatory health insurance coverage for use of the LG1 Intelligent Medical Vigilance System.

The measure further requests the Hawaii Health Systems Corporation to conduct a pilot study to determine the social and financial impact to the system and along with the Auditor, report its findings to the Legislature prior to the 2008 Regular Session.

No comments were received by your Committee on this measure.

Your Committee finds that the LG1 Intelligent Medical Vigilance System provides for continuous non-contact monitoring of a patient's heart and respiratory rate and automatically notifies hospital staff in the event of a life-threatening change. Your Committee further finds that this innovative device has the potential to help alleviate the effects of the current shortage of hospital nurses by ensuring that patients are constantly monitored while hospital staff are free to perform other duties. This will facilitate more efficient use of hospital resources by enabling the nursing staff to be aware of, and respond to, any sudden patient deterioration. As a result, health care costs will be lowered without compromising quality health care and without increasing the workload of overburdened hospital staff.

Your Committee further finds that when mandating health insurance coverage for specific health services, specific diseases, or certain providers of health care services as part of an individual or group health insurance policy, section 23-51, Hawaii Revised Statutes, requires a concurrent resolution to be adopted requesting an Auditor's impact assessment report. Accordingly, your Committee finds that this measure requesting the Auditor to conduct an impact assessment report on the mandatory health insurance coverage of the LG1 Intelligent Medical Vigilance System is appropriate.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 209 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1811 Ways and Means on S.C.R. No. 178

The purpose of this measure is to request the Auditor to conduct a comprehensive study on the results and impact of Voluntary Employees' Beneficiary Association ("VEBA") Trusts on public employees and employers and to provide a basis for the Legislature to decide whether to extend Act 245, Session Laws of Hawaii 2005.

Your Committee received comments in support of the measure from the Department of Budget and Finance and the Hawaii Employer-Union Health Benefits Trust Fund.

Your Committee finds that this measure provides a critical and missing component of Act 245, Session Laws of Hawaii 2005, which established the pilot Voluntary Employees' Beneficiary Association Trusts. An evaluation is needed to determine whether the pilot project has accomplished what its proponents have claimed it has and to determine the cost impact to the Hawaii Employer-Union Health Benefits Trust Fund as a whole and not on only a select group of plan participants.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 178 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1812 Ways and Means on S.C.R. No. 98

The purpose of this measure is to examine the Department of Transportation's traffic safety function to determine how traffic safety may be increased.

Specifically, the measure requests the Auditor to conduct a performance audit of the traffic safety function of the Department of Transportation by determining how traffic safety information is collected and used and to recommend improvements, particularly concerning pedestrian safety.

The Department of Transportation submitted comments on the measure.

Your Committee finds that the State has the obligation to provide for highway and pedestrian safety to the greatest possible extent, and pursuant to section 26-19, Hawaii Revised Statutes, the Department of Transportation is charged with planning, developing, promoting, and coordinating various transportation systems management plans, including traffic safety. Your Committee recognizes that traffic safety, and particularly pedestrian safety, has become an increasingly critical issue due to the recent rise in highly-publicized traffic accidents, often involving fatalities. Your Committee further recognizes that the data relating to traffic safety, including traffic accident location, frequency, and severity; pedestrian accident frequency and location; speed limit violations, and traffic signal timing, is not readily accessible to the public.

Accordingly, your Committee believes that an audit of the Department of Transportation's performance regarding the collection and use of traffic information by the Auditor will provide transparency and accountability and help to improve traffic safety.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 98, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1813 (Majority) Ways and Means on S.C.R. No. 176

The purpose of this measure is to request that the Auditor conduct a financial and management audit of the Department of Agriculture's operation of the Molokai irrigation system.

Your Committee received comments in opposition to this measure by the Department of Agriculture.

Your Committee finds that the Molokai irrigation system is the largest irrigation system operated by the Department of Agriculture and is wholly supported by the revenues that the Department of Agriculture derives from the irrigation system in the way of fees and charges to water users of the irrigation system. However, the water users of the irrigation system are concerned with the possibility that, while the Molokai irrigation system is in need of long overdue maintenance and improvement, some of the revenues generated by the Molokai irrigation system are being diverted to support other irrigation systems or programs within the Department of Agriculture.

Accordingly, it is intended that a financial and management audit of the operation of the Molokai irrigation system produce information that will determine whether the system's users are subsidizing other systems and programs and whether user fees can be reduced while providing needed improvements to the Molokai irrigation system.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 176 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, 1 (Hemmings). Excused, 5 (English, Kim, Menor, Tokuda, Whalen).

SCRep. 1814 (Joint) Energy and Environment and Economic Development and Taxation on S.C.R. No. 164

The purpose of this measure is to request the Department of Business, Economic Development, and Tourism to conduct a study on the feasibility of creating a one-stop permit shop to expedite permit processing for renewable energy projects, to recommend any changes needed to establish this streamlined permit process, and to submit its recommendations and any draft legislation to the Legislature in 2008.

Testimony in support of this measure was submitted by the Department of Business, Economic Development, and Tourism; Hawaii Energy Policy Forum; Castle & Cooke Hawai'i; Hawai'i BioEnergy; UPC Hawaii Wind Partners, LLC; Honolulu Seawater Air Conditioning, LLC; and Puna Geothermal Venture. The Department of Commerce and Consumer Affairs submitted written comments.

Your Committees find that while there may be other models, a one-stop permitting shop that assists both developers and permitting agencies can be an effective way to reduce inefficiencies, redundancies, and time delays. Your Committees have heard that the State of Washington has proceeded along these lines, and find that considering the experiences of other jurisdictions may be beneficial in determining how Hawaii might streamline its permitting for renewable energy projects.

As affirmed by the records of votes of the members of your Committees on Energy and Environment and Economic Development and Taxation that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 164 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 4 (Fukunaga, Ihara, Kokubun, Slom).

SCRep. 1815 Energy and Environment on S.C.R. No. 101

The purpose of this measure is to request that the Department of Land and Natural Resources report to the Legislature on certain aquatic surf resources in the State, including the cost of funding a study on the feasibility of constructing artificial reefs.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that the sport of surfing has increased in popularity extensively over the last century with over one hundred thousand surfers living on Oahu, causing overcrowding and unsafe surfing areas and conditions.

Your Committee further finds that most of the surf that is formed near the shore is caused by waves breaking over fragile coral reefs and that new technological advances may now make the creation of artificial reefs for surfing cost-effective.

Your Committee further finds that, in addition to having the potential to be cost-effective, artificial reefs also provide an ideal habitat for marine life and may promote the health and wellness of the community by providing greater access to the sport of surfing. An additional benefit would be the simultaneous reduction of congestion at popular surf locations.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 101 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Ihara, Kokubun).

SCRep. 1816 Energy and Environment on S.R. No. 61

The purpose of this measure is to request that the Department of Land and Natural Resources report to the Legislature on certain aquatic surf resources in the State, including the cost of funding a study on the feasibility of constructing artificial reefs.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that the sport of surfing has increased in popularity extensively over the last century with over one hundred thousand surfers living on Oahu, causing overcrowding and unsafe surfing areas and conditions.

Your Committee further finds that most of the surf that is formed near the shore is caused by waves breaking over fragile coral reefs and that new technological advances may now make the creation of artificial reefs for surfing cost-effective.

Your Committee further finds that, in addition to having the potential to be cost-effective, artificial reefs also provide an ideal habitat for marine life and may promote the health and wellness of the community by providing greater access to the sport of surfing. An additional benefit would be the simultaneous reduction of congestion at popular surf locations.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 61 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Ihara, Kokubun).

SCRep. 1817 Energy and Environment on S.C.R. No. 114

The purpose of this measure is to request the United States Congress to ensure that the dumping of raw sewage within the boundaries of the Hawaiian Islands Humpback Whale National Marine Sanctuary is prohibited.

Your Committee has circulated a proposed S.D. 1 to this Concurrent Resolution to request the Legislative Reference Bureau to compile a report on genetically modified food crops. The proposed S.D. 1 further requests the Legislative Reference Bureau to include in its report:

- (1) A summary of findings from the literature on the issue, including the Hawaii Farm Bureau Federation's coexistence report;
- (2) A summary of arguments for and against genetically modified food crops, including benefits and drawbacks;
- (3) Information on laws in other states that regulate genetically modified food crops, including the use of moratoria;
- (4) Information on the types of genetically modified food crops that are now being grown in Hawaii and available information on:
 - (A) Revenues generated;
 - (B) Acreage used; and
 - (C) Workers employed;
- (5) Information on which companies are currently growing genetically modified food crops in Hawaii and which islands they are growing them on;
- (6) Information to the extent practical of sites in Hawaii where genetically modified food crops are being field tested or grown;
- (7) Information on what precautions are being taken by growers of genetically modified food crops in Hawaii to prevent or minimize cross-contamination with non-genetically modified food crops;
- (8) A discussion of the risks and consequences of cross-contamination of non-genetically modified food crops; and
- (9) Possible compromises between proponents and opponents of genetically modified food crops.

Your Committee received testimony in support of the proposed S.D. 1 of this Concurrent Resolution from the University of Hawaii, the Hawaii Science and Technology Council, the former coordinator of Hawaii's Interagency Committee on Deliberate Release of Genetically Engineered Organisms and former analyst, U.S. Congressional Office of Technology Assessment Reports, and one individual. The College of Tropical Agriculture and Human Resources of the University of Hawaii, the Green Point Nurseries, and three individuals testified in support and offered suggestions for amendments. The Hawaii Agriculture Research Center supported the intent but expressed concerns. One individual offered support with comments. Testimony in opposition was received from the Board of Agriculture, the Big Island Sustainable Communities Association, and three individuals. One individual testified in opposition and offered suggestions for amendments. The Captain Cook Honey Company and the Big Island Bee Company expressed concerns. The Hawaii Farm Bureau Federation suggested replacing the Concurrent Resolution with an entirely new one. Hawaii Food Industry Association, Kona Coffee, and one individual offered comments. The Respiratory and Environmental Disabilities Association of Hawaii offered comments with suggestions. The past president of the Hawaii Crop Improvement Association and one individual suggested amendments. Two individuals offered suggestions. The Legislative Reference Bureau offered comments with concerns.

Upon further consideration, your Committee has amended this Concurrent Resolution by deleting its contents and inserting the contents of the proposed S.D. 1 that has been circulated for comment. In addition, your Committee has inserted a request for the Legislative Reference Bureau to include in its report information on other states and countries that have instituted restrictions on the importation of genetically modified food crops.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 114, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 114, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Ihara, Kokubun).

SCRep. 1818 Energy and Environment on S.C.R. No. 118

The purpose of this measure is to have proposed legislation prepared by the Director of Business, Economic Development, and Tourism to establish an Office of Energy.

Your Committee amended the measure as a proposed S.D. 1, to request the United States Environmental Protection Agency and the State of Hawaii Department of Health to pursue a global settlement of outstanding wastewater issues with the City and County of Honolulu, and to urge the Environmental Protection Agency to renew the 301(h) waivers for the Honouliuli and Sand Island wastewater treatment plants.

Your Committee received testimony in support of the amended measure from the Mayor of the City and County of Honolulu along with letters of support for the City and County's position from U.S. Senator Daniel K. Inouye and Hawaii's Congressional delegation addressed to the U.S.

Environmental Protection Agency; American Society of Civil Engineers; Coalition of Hawaii Engineering and Architectural Professionals; Hawaii Pacific Engineers, Inc.; Hawaii Water Environment Association; and two individuals.

Your Committee finds that the City and County of Honolulu has committed to almost a billion dollars in sewer work over the past three years, to be funded by sewer fees that have already been increased to finance the force main work. Any mandate by the Environmental Protection Agency requiring immediate compliance for secondary sewage treatment could be unworkable and enormously expensive.

Your Committee has amended this measure to encourage the Environmental Protection Agency, the State Department of Health, and the City and County of Honolulu to:

- (1) Enter into a global settlement to address issues, including but not limited to recognizing the priorities of the City and County of Honolulu with respect to improvements to the wastewater system;
- (2) Establish a reasonable and workable timeframe for compliance with any applicable Environmental Protection Agency-approved settlement relating to the City and County of Honolulu's wastewater system; and
- (3) Identify potential federal and state sources of funds that could be used to supplement city and county funds in order to finance improvements implemented pursuant to an approved settlement.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 118, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 118, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Ihara, Kokubun).

SCRep. 1819 Energy and Environment on S.R. No. 74

The purpose of this measure is to have proposed legislation prepared by the Director of Business, Economic Development, and Tourism to establish an Office of Energy.

Your Committee amended the measure as a proposed S.D. 1, to request the United States Environmental Protection Agency and the State of Hawaii Department of Health to pursue a global settlement of outstanding wastewater issues with the City and County of Honolulu, and to urge the Environmental Protection Agency to renew the 301(h) waivers for the Honouliuli and Sand Island wastewater treatment plants.

Your Committee received testimony in support of the amended measure from the Mayor of the City and County of Honolulu along with letters of support for the City and County's position from U.S. Senator Daniel K. Inouye and Hawaii's Congressional delegation addressed to the U.S. Environmental Protection Agency; American Society of Civil Engineers; Coalition of Hawaii Engineering and Architectural Professionals; Hawaii Pacific Engineers, Inc.; Hawaii Water Environment Association; and two individuals.

Your Committee finds that the City and County of Honolulu has committed to almost a billion dollars in sewer work over the past three years, to be funded by sewer fees that have already been increased to finance the force main work. Any mandate by the Environmental Protection Agency requiring immediate compliance for secondary sewage treatment could be unworkable and enormously expensive.

Your Committee has amended this measure to encourage the Environmental Protection Agency, the State Department of Health, and the City and County of Honolulu to:

- (1) Enter into a global settlement to address issues, including but not limited to recognizing the priorities of the City and County of Honolulu with respect to improvements to the wastewater system;
- (2) Establish a reasonable and workable timeframe for compliance with any applicable Environmental Protection Agency-approved settlement relating to the City and County of Honolulu's wastewater system; and
- (3) Identify potential federal and state sources of funds that could be used to supplement city and county funds in order to finance improvements implemented pursuant to an approved settlement.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 74, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 74, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Ihara, Kokubun).

SCRep. 1820 Judiciary and Labor on Gov. Msg. Nos. 383, 384 and 653

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF REGISTRATION OF THE ISLANDS OF KAUA'I AND NI'HAU

G.M. No. 383 PATRICK JOHNSTON CHILDS, for a term to expire 6-30-2011.;

G.M. No. 384 DANIEL KAWAMURA, for a term to expire 6-30-2010.; and

G.M. No. 653 PAULA A. ZINA, for a term to expire 6-30-2008

Upon review of the application and resume submitted by nominee Patrick J. Childs and the applications submitted by nominees Daniel Kawamura and Paula A. Zina, your Committee notes the following qualifications:

Patrick J. Childs is the current Chair of the Board of Registration of the Islands of Kaua'i and Ni'ihau. He is a member of the Hawaii and Kaua'i Bar Associations and practices primarily in the fields of real estate and construction law. He has been President of the YMCA of Kaua'i from 1989 to the present, and has served as Chair of the COUnty of Kaua'i Police Commission, and has been a Director of the Kaua'i Historical Society, and a member of numerous community organizations, including the Kaua'i Chamber of Commerce and the Kaua'i Jaycees. Mr. Childs previously was a supervisor with the Kaua'i Child Support Enforcement Unit of the Department of Social Service and Housing, and an Associate with the Law Office of James Krueger on Maui. Mr. Childs is a resident of Lihue.

Daniel Kawamura has served as office manager at M. Kawamura Farm Enterprises, Inc., from 2002 to the present. Mr. Kawamura is a resident of Kapaa.

Paula A. Zina is a retired open heart surgical nurse who has lived on Kaua'i for the last fifteen years.

On March 10, 2007, a hearing was held on the nominations of Patrick J. Childs and Daniel Kawamura. Your Committee received no testimony from either the nominee or a supporter. At the end of the hearing, the committee members voted to not recommend the advise and consent of these nominees. Since then, your Committee has received testimony from the nominees and supporting testimony from Senator Hooser. In addition, Mr. Childs received testimony in support from a member of the law firm Reinwald O'Conner & Playdon.

Ms. Zina submitted testimony and testimony in support was received from Mr. Hans Zeevat.

On April 7th, 2007, based upon a review of the testimony received, the members of your Committee filed a motion to reconsider as well as a motion for a new vote to recommend the advise and consent of the nomination of Patrick Johnston Childs and Daniel Kawamura to the Board of Registration of the Islands of Kaua'i and Ni'hau.

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1821 Judiciary and Labor on Gov. Msg. No. 302

Recommending that the Senate advise and consent to the nomination of the following:

CIVIL RIGHTS COMMISSION

G.M. No. 302 CORAL WONG PIETSCH, for a term to expire 6-30-2011

Upon review of the application and resume submitted by nominee Coral Wong Pietsch, your Committee notes the following qualifications:

Coral Wong Pietsch is the Senior Civilian Counsel for the United States Army Pacific Command where she oversees the personnel and labor law practice. She is responsible for the training of staff on equal employment opportunity and affirmative action issues and the development and implementation of affirmative action plans. Ms. Pietsch served for five years as the Labor Counselor for the United States Army Support Command Hawaii where she trained managers and supervisors on Title VII, the Civil Rights Act, the Rehabilitation Act of 1978, and the prevention of sexual harassment. She also served for six years as a Deputy Attorney General for the State of Hawaii. She received a Juris Doctorate from the Columbus School of Law, The Catholic University of America in Washington, D.C. In addition, Ms. Pietsch was a Senior Executive Fellow at the John F. Kennedy School of Government, Harvard University. She has been recognized as the first female General Officer of the U.S. Army Judge Advocate General's Corps, and the first Asian American female to reach the rank of Brigadier General in the Army Reserve. Locally, Ms. Pietsch was honored as the 2002 Woman Lawyer of the Year by the Hawaii Women Lawyers Association and was the 2002 recipient of the Organization of Chinese Americans Pioneer Award.

Your Committee received testimony in support of Ms. Pietsch from the Hawaii Civil Rights Commission, a Commissioner with the Hawaii Civil Rights Commission, the Hawaii Employers Council, the Department of Labor and Industrial Relations, the Hawaii Chapter of the Society for Human Resource Management, and one individual. Testimony in support of Ms. Pietsch focused on her experience and accomplishments as the Chair of the Hawaii Civil Rights Commission.

Your Committee received testimony in opposition to Ms. Pietsch from The African-American Lawyers Association, a member of the law firm Park Park Yu & Remillard, and two individuals. Testimony opposing Ms. Pietsch focused on the Hawaii Civil Rights Commission's recent proposal to make it more difficult for employees to file sexual harassment suits against their employers by changing Hawaii Administrative Rules Sections 12-46-175(d) and 12-46-108(c).

Upon review of all the testimony, your Committee finds that the nominee has the experience and knowledge necessary to effectively serve on the Hawaii Civil Rights Commission.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1822 Judiciary and Labor on Gov. Msg. No. 416

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF TRUSTEES OF THE EMPLOYEES' RETIREMENT SYSTEM (ERS)

G.M. No. 416 COLBERT MATSUMOTO, for a term to expire 6-30-2013

Upon review of the application and resume submitted by nominee, COLBERT MATSUMOTO, your Committee notes the following qualifications:

Colbert Matsumoto currently serves as the President of Island Holdings, Inc., and Chairman and CEO of Island Insurance Company, Ltd. He holds numerous Board positions with Central Pacific Bank, Oahu Publications, Hawaii Institute for Public Affairs, to name a few. He is also involved in many community organizations such as the Japanese Cultural Center of Hawaii. He has served as a member of the Board of Trustees of the Employees' Retirement System since 2001.

Colbert Matsumoto was born and raised on the island of Lana'i and graduated from Lana'i High School. He received his Juris Doctorate degree from the University of California at Berkeley, Boalt Hall and his Bachelor of Science in Sociology, magna cum laude, from the University of San Francisco.

Mr. Matsumoto practiced law in Hawaii for over 20 years as a founder and managing partner of Matsumoto LaFontaine & Chow. Before forming his own law firm, Mr. Matsumoto was a partner in the law firm of Fujiyama Duffy & Fujiyama.

Your Committee received testimony in support of Mr. Matsumoto from the Chair of the Employees Retirement System (ERS), Board of Trustees, Director of Budget and Finance, Vice-Chairman of Bank of Hawaii, four current Trustees of the ERS Board of Trustees and the President of Pahio Resorts, and the ERS Administrator. The testimony described Mr. Matsumoto as dedicated, knowledgeable, diligent, and willing to analyze and tackle the difficult questions. There was no testimony received in opposition.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1823 Judiciary and Labor on Gov. Msg. Nos. 486, 487, 541, 542, 543, 544, 545, 546, 547 and 548

Recommending that the Senate advise and consent to the nominations of the following:

HAWAII WORKFORCE DEVELOPMENT COUNCIL

- G.M. No. 486 SIGNE A. GODFREY, for a term to expire 6-30-2011.;
- G.M. No. 487 ERWIN HUDELIST, for a term to expire 6-30-2011.;
- G.M. No. 541 TODD KALA APO, for a term to expire 6-30-2011.;
- G.M. No. 542 RAYNARD SHAYNE CHUNG, for a term to expire 6-30-2011.;
- G.M. No. 543 CARLA KUROKAWA, for a term to expire 6-30-2010.;
- G.M. No. 544 LESTER MINEO MURAOKA, for a term to expire 6-30-2009.;
- G.M. No. 545 STEVETTE K. SANTIAGO, for a term to expire 6-30-2008.;
- G.M. No. 546 ROBERT J. TOM, for a term to expire 6-30-2011.;
- G.M. No. 547 LANCE KEAWE WILHELM, for a term to expire 6-30-2011.; and
- G.M. No. 548 GREGG T. YAMANAKA, for a term to expire 6-30-2011

Upon review of the testimonies and statements submitted by the nominees, your Committee finds that Signe Godfrey, Edwin Hudelist, Todd Kala Apo, Raynard Shayne Chung, Carla Kurokawa, Lester Mineo Muraoka, Stevette K. Santiago, Robert J. Tom, Lance Keawe Wilhelm, and Gregg T. Yamanaka have the necessary character, experience, and qualifications to serve on the Hawaii Workforce Development Council.

Your Committee received testimony in support of Signe Godfrey from the Director of the Department of Labor and Industrial Relations (DLIR), Chair of the Hawaii Workforce Development Council (HWDC), and CEO of Hina Mauka.

Ms. Godfrey is the owner of Olsten Staffing Services and serves on numerous community boards such as Hina Mauka. She is currently a member of the HWDC.

Your Committee received testimony in support of Edwin Hudelist from the Director of DLIR and the Chair of the HWDC.

Mr. Hudelist is the President of Hagadone Printing and is a current member of the HWDC.

Your Committee received testimony in support of Todd Kala Apo from the Director of DLIR, the Chair of the HWDC, and a current member of the HWDC.

Mr. Apo is Vice-Chair of the City Council and Vice-President-Corporate Operations of the Ko Olina Resort and Marina.

Your Committee received testimony in support of Raynard Shayne Chung from the Director of DLIR, Chair of the HWDC, Carpenters Union Local 745, and the PacificResource Partnership.

Mr. Chung is a Service Representative and Training Coordinator of the Carpenters' Union Local 745 and a member of numerous community service projects with local organizations providing repairs to schools.

Your Committee received testimony in support of Carla Kurokawa from the Director of DLIR, Chair of HWDC, Director of Alu Like's Employment and Training Department and the Hawaii Branch Manager of the Workforce Development Division of DLIR.

Ms. Kurokawa is the Employment and Training Manager of Alu Like Inc. She is also a member of the Workforce Investment Board – Hawaii, Youth Council – Hawaii.

Your Committee received testimony in support of Lester Mineo Muraoka from the Director of DLIR, Chair of the HWDC, Councilmember Charles Djou, Senator Sam Slom, Representatives Lyla Berg, Gene Ward and Barbara Marumoto, and one individual.

Mr. Muraoka is the Senior Project Manager at Kamehameha Schools. He is a member of the Hawaii Kai Neighborhood board (since 2001), Kaimuki-Waiialae YMCA (since 2003), and the Rotary Club of Metropolitan Honolulu,

Your Committee received testimony in support of Stevette K. Santiago from the Director of DLIR, Chair of the HWDC, Executive Director of the Society for Human Resource Management-Hawaii Chapter (SHRM Hawaii), State (Council) Director and State Chapter President of SHRM Hawaii, President of Olsten Staffing Services, Kobayashi Sugita & Goda, Human Resources Director of Na Hoku®.

Ms. Santiago is the Senior Manager Human Resources/Site Leader at Spirent Communications, Inc. She is certified as a Senior Professional in Human Resources (SPHR). She has held numerous work positions in Human Resources and is a member of several community organizations

such as the School Based Community Council of Nu'uuanu Elementary School, Junior Achievement Hawai'i, and Society for Human Resources Educational Foundation.

Your Committee received testimony in support of Robert J. Tom from the Director of DLIR, Chair of HWDC, and the Career Services Manager of the Hawai'i Jobs Corps.

Mr. Tom is a Vocational/Culinary Arts Instructor at Hawai'i Job Corps and Operations and Sales for Kona Paradise Candies. He was the founder and owner of ERT Sales Inc. (a.k.a PriceBusters Hawai'i). He is also a past Director of the Organization of Chinese Americans and past President of Chef De Cuisine-Hawai'i Chapter.

Your Committee received testimony in support of Lance Keawe Wilhelm from the Director of DLIR, Chair of HWDC, President of General Contractors Association of Hawai'i, President of Kamehameha Schools, President of R.M. Towill Corporation, President of YMCA Honolulu, and PacificResource Partnership.

Mr. Wilhelm is the Area Business Manager-Hawai'i Area of Kiewit Pacific Company. He is also a member of the Chamber of Commerce of Hawai'i, Construction Financial Management Association, General Contractor's Association of Hawai'i, Hawai'i Developer's Council, Honolulu Executives Association, University of Hawai'i Alumni Association, Metro Board of Directors-YMCA, Aloha Council Boy Scouts of America, the Honolulu Theatre for Youth and St. Andrews Cathedral.

Your Committee received testimony in support of Gregg T. Yamanaka from the Director of DLIR, President/CEO of Na Hoku®, President/CEO of Enterprise Honolulu, Dean of the UH Manoa College of Tropical Agriculture and Human Resources (CTAHR), Executive Director of the HWDC, and President of CTA Solutions.

Mr. Yamanaka is President of The LearningBiz Group. He is also the Chair of HWDC.

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Record of Votes for Signe A. Godfrey and Erwin Hudelist: Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

Signed by the Chair on behalf of the Committee. Record of Votes for all other nominees: Ayes, 5. Noes, none. Excused, none.

SCRep. 1824 Public Safety on Gov. Msg. No. 683

Recommending that the Senate advise and consent to the nomination of the following:

WIRELESS ENHANCED 911 BOARD

G.M. No. 683 VICTOR K. RAMOS, for a term to expire 6-30-2008

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds Captain Victor K. Ramos to have the necessary qualifications to be nominated to the Wireless Enhanced 911 Board.

Your Committee received testimony in support of Captain Ramos' nomination from the Department of Accounting and General Services, and nine individuals in the Maui Police Department.

Captain Ramos is the Captain of the Moloka'i District of the Maui Police Department, having worked his way up from Police Officer I since he first joined the department in 1988. He was the Most Outstanding Recruit of the 38th Recruit Class and received a Top Cops Award in 2001.

In addition to commanding the activities of major police elements and district operations, Captain Ramos has experience with grant application and management, and coordinating community events such as the Lahaina Halloween celebrations.

Your Committee finds that Captain Ramos has experiences and skills that would be of great value to the Wireless Enhanced 911 Board.

As affirmed by the record of votes of the members of your Committee on Public Safety that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 1 (Whalen).

SCRep. 1825 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. No. 293

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF DIRECTORS OF THE ALOHA TOWER DEVELOPMENT CORPORATION

G.M. No. 293 NEAL MASAHIRO OTANI, for a term to expire 6-30-2011

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds Neal Masahiro Otani to have the necessary qualifications to be nominated to the Board of Directors of the Aloha Tower Development Corporation.

Testimony in support of Neal Masahiro Otani's nomination was submitted by the Department of Business, Economic Development, and Tourism; the Aloha Tower Development Corporation; Horizon Lines, LLC; and six individuals.

Mr. Otani received his Bachelor of Education in Health and Physical Education from the University of Hawaii. He is currently the President and General Manager of Y. Fukunaga Products, Ltd., which is a family-owned and operated business since 1945. His family business has operated in the Kakaako and Ward business districts for fifty years and is now located at the Kapalama Military Reservation. During these years, he has seen the growth and redevelopment of the lands surrounding the Aloha Tower Complex and believes that development is necessary to increase the economic viability of the Aloha Tower area, but development should be done in a manner that is sensitive to the needs and requirements of the residents of and businesses in the area.

Mr. Otani began serving on the Board of Directors in July 2005, and will complete a partial term of a previous board member on June 30, 2007. He is an active participant who has exhibited a strong commitment to serve on the Board. As an owner of an established local business that interfaces with many local businesses, he has an understanding of the local economy and has close interaction with the commercial harbor and airport industries in Hawaii. Mr. Otani's knowledge of the waterfront, his contacts, and his practical approach are invaluable assets for the Board of Directors of Aloha Tower Development Corporation.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Hee).

SCRep. 1826 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. No. 433

Recommending that the Senate advise and consent to the nomination of the following:

MOLOKAI IRRIGATION SYSTEM WATER USERS ADVISORY BOARD

G.M. No. 433 GEORGE WELLINGTON MAIOHO, for a term to expire 6-30-2011

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds George Wellington Maioho to have the necessary qualifications to be nominated to the Molokai Irrigation System Water Users Advisory Board.

Testimony in support of George Wellington Maioho's nomination was submitted by the Department of Hawaiian Home Lands and the Department of Agriculture.

Mr. Maioho is a graduate of Kamehameha Schools and received his Associate in Science degree in Business from Maui Community College. He is certified as a Class II Water System Operator to safely treat and distribute drinking water to consumers, and to maintain and serve a water distribution system. He is currently the District Supervisor for the Department of Hawaiian Home Lands, Molokai District in Kaunakakai. He is responsible for district operations that service the beneficiaries of the Hawaiian Homes Commission Act, 1920, as amended. Prior to joining the Department, he was the President of the Hikiola Agricultural Cooperative. He is an active water user who has raised and trained quarter horses for the past twenty-five years.

Under section 168-4, Hawaii Revised Statutes, Hawaiian homestead lessees have a prior right to two-thirds of the water developed for the Molokai Irrigation System. With his experience and service at the Department of Hawaiian Home Lands, Mr. Maioho, as a member of the Advisory Board, will be better able to ensure that the water rights of the homestead farmers on Molokai are protected. His expertise and experience in agriculture and strong desire to serve his community on Molokai will be invaluable assets to the Molokai Irrigation System Water Users Advisory Board.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Hee).

SCRep. 1827 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 414

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF ACUPUNCTURE

G.M. No. 414 GARY K. SAITO, for a term to expire 6-30-2011

Your Committee has reviewed the resume and statement submitted by the nominee, Gary K. Saito, with regard to his nomination for reappointment as a public member to the Board of Acupuncture.

Testimony in support of the nomination of Gary K. Saito was submitted by the Department of Commerce and Consumer Affairs and two individuals.

Mr. Saito is a chiropractor in private practice. He is currently the vice-chair of the Board of Acupuncture and was first appointed to the Board on July 1, 2003. He is also the executive director of the Hawaii State Chiropractic Association. Prior to becoming a chiropractor, Mr. Saito served as the director of sales and marketing with two local companies. He was also a high school teacher at Mililani High School and his alma mater, Leilehua High School. He also served in the Army Reserves from 1965 to 1971. Mr. Saito has proved himself invaluable to the Board of Acupuncture and his experience will continue to benefit the Board of Acupuncture.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1828 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 295 and 296

Recommending that the Senate advise and consent to the nominations of the following:

STATE BOARD OF BARBERING AND COSMETOLOGY

G.M. No. 295 LANA KAUIPUNA ALAPA, for a term to expire 6-30-2011; and

G.M. No. 296 CHRISTOBAL JUAN QUINTANA, for a term to expire 6-30-2011

Your Committee reviewed the personal histories and statements submitted by the nominees, and finds Lana Kauipuna Alapa and Christobal Juan Quintana to have the necessary qualifications to be appointed to the Board of Barbering and Cosmetology (Board).

Your Committee received testimony in support of Lana Kauipuna Alapa from the Department of Commerce and Consumer Affairs.

As a professional makeup artist, Ms. Alapa currently serves as the official makeup artist for Hawaii Stars Presents, Inc. which produces local television shows such as *Jan Ken Po* and *Hawaii Stars*. She also provides various services for L.A. Image Corporation, which produces major statewide beauty pageants, provides services to the bridal industry, and runs a makeup school and modeling classes. She has also served as a makeup artist to local celebrities for various events. In addition to her career in the beauty industry, Ms. Alapa also is active as a martial arts instructor and participates in karate, kung fu, and iaido. As a current member of the Board, Ms. Alapa brings a wealth of knowledge and commitment to the Board and will continue to serve as a key component to the Board.

Your Committee received testimony in support of Christobal Juan Quintana from the Department of Commerce and Consumer Affairs.

Mr. Quintana has been a barber and hair stylist for forty-seven years. Self-employed as a barber and hair stylist since 1960, Mr. Quintana currently works at Kahala Barbers but considers himself semi-retired. Before starting his career as a barber and hair stylist, Mr. Quintana served four years in the United States Navy. He is currently a member of the Board and his forty-seven years of experience has made him a highly valuable asset. Your Committee finds that Mr. Quintana is highly qualified to be reappointed to the Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1829 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 299 and 300

Recommending that the Senate advise and consent to the nominations of the following:

STATE BOARD OF CHIROPRACTIC EXAMINERS

G.M. No. 299 FRANCIS G. BREWER, DC, CICE, for a term to expire 6-30-2011; and

G.M. No. 300 GINA KIM, DC, DAAPM, for a term to expire 6-30-2010

Your Committee has reviewed the resumes and statements submitted by the nominees, Francis G. Brewer and Gina Kim, with regard to their nominations to the Board of Chiropractic Examiners.

Testimony in support of Francis G. Brewer's nomination was submitted by the Department of Commerce and Consumer Affairs and three individuals.

Dr. Brewer is currently the president of and an independent contractor with Brewer Consulting Services, Inc. He is also the owner of his own chiropractic clinic. Dr. Brewer has been a licensed chiropractor since 1993. Dr. Brewer is a current board member of the Board of Chiropractic Examiners and was first appointed on December 1, 2003. Dr. Brewer's experience and knowledge will continue to serve the needs of the Board of Chiropractic Examiners.

Your Committee received testimony in support of the nomination of Gina Kim to the Board of Chiropractic Examiners from the Department of Commerce and Consumer Affairs and four individuals.

Dr. Kim is a chiropractor at Wilcox Chiropractic in Kahului, Maui. A graduate of the University of California, Los Angeles with a Bachelors of Science Kinesiology and the Los Angeles College of Chiropractic with a Doctorate of Chiropractic, Dr. Kim continues learning and expanding her knowledge in the chiropractic field and other related fields. She has been serving on the Board of Chiropractic Examiners as an interim appointee since August 25, 2006, and her broad knowledge base and wealth of experiences make her a key component to the Board of Chiropractic Examiners.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1830 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 318, 319 and 461

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DENTAL EXAMINERS

G.M. No. 318 JEFFREY K. MIYAZAWA, DDS, for a term to expire 6-30-2011;

G.M. No. 319 MELANIE BILBAENO VALLEJOS, DDS, for a term to expire 6-30-2010; and

G.M. No. 461 MARK A. BAIRD, DDS, for a term to expire 6-30-2011

Your Committee reviewed the personal histories and statements submitted by the nominees, Jeffery K. Miyazawa, Melanie Bilbaeno Vallejos, and Mark A. Baird, with regard to their respective nominations to the Board of Dental Examiners.

Testimony in support of the nomination of Jeffery K. Miyasaki was submitted by the Department of Commerce and Consumer Affairs.

Dr. Miyasaki has been a licensed dentist in Hawaii, Nebraska, and Iowa since 1994. He is the owner of Windward City Family Dentistry and has numerous masterships and certifications in the field of dentistry. He has also published articles in the *Aurum News* and the *Hawaii Dental Journal*. Dr. Miyasaki is a national examiner with the Central Regional Dental Testing Service and the Director of Paradise Global Mission. Dr.

Miyasaki is currently the chair of the Board of Dental Examiners and was first appointed to the Board on July 1, 2003. Dr. Miyasaki's wealth of knowledge and experience will continue to assist the Board of Dental Examiners.

Testimony in support of the nomination Melanie Bilbaeno Vallejos to the Board of Dental Examiners was submitted by the Department of Commerce and Consumer Affairs, the Executive Director of Women Helping Women, the Hawaii Dental Hygienists' Association, and one individual.

Dr. Vallejos has been a licensed dentist since 1993. She is currently in private practice but lends her services through participating with various community groups. She has been actively involved with the nationwide program "Give Back A Smile" and works with Women Helping Women by helping abused and battered women with dental services to help the women regain their self confidence. She has also volunteered her time and services through dental mission trips such as the Belize Mission Project and will participate in the Aloha Dental Mission Project in the Philippines. Dr. Vallejos has been serving on the Board of Dental Examiners in an interim capacity since September 1, 2006. Her experience and dedication to community service make Dr. Vallejos an excellent choice for the Maui County dentist representative to the Board of Dental Examiners.

Your Committee did not receive any testimony as to the nomination of Mark A. Baird to the Board of Dental Examiners, but did receive a written statement from Dr. Baird himself. Dr. Baird has been a general dentist in Kapaa, Kauai, for over twenty-five years. He has served on the Hawaii Dental Association Board of Trustees as Kauai's trustee for over nine years. He also served as the treasurer and secretary of the Hawaii Dental Association. Besides his professional experience, Dr. Baird is also a charter member of the Kappa Rotary Club, serving as its president from 1985 to 1986, and is a member of the Kaiola Canoe Club. Dr. Baird's experience and professional activities will assist him in serving as the Kauai County representative to the Board of Dental Examiners.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1831 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 359 and 360

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF MESSAGE THERAPY

G.M. No. 359 LAURA Y. CHOCK, for a term to expire 6-30-2010; and

G.M. No. 360 WILFRED S. PANG, for a term to expire 6-30-2011

Your Committee reviewed the personal histories and statements submitted by the nominees, Laura Y. Chock and Wilfred S. Pang, with regard to their respective nominations to the Board of Massage Therapy.

Your Committee received testimony in support of the nomination of Laura Y. Chock from the Department of Commerce and Consumer Affairs and two individuals.

Ms. Chock began her career with the Department of Education and retired in 1978 as a beginning teacher supervisor. She has continued to be active with community service and professional organizations. Ms. Chock has been serving on the Board of Massage Therapy as an interim appointee since August 15, 2006. Ms. Chock's participation and background make it clear that she is a very dedicated public servant who is willing to devote her time and energy to fulfill her civic duty.

Testimony in support of the nomination of Wilfred S. Pang was received from the Department of Commerce and Consumer Affairs and one individual.

Mr. Pang is currently a licensed massage therapist in the State and is currently the chair of the Board of Massage Therapy. He was first appointed to the Board of Massage Therapy on July 1, 2003. Mr. Pang is active in numerous organizations, including the International Ki Institute of Health Management & Research, the International Foundation of Bio-Magnetics as a touch healing practitioner, and the Shiatsu Therapeutic Association of America. Mr. Pang also contributes his time and his services to various community organizations. Mr. Pang's wealth of knowledge and experience make him ideal to continue serving on the Board of Massage Therapy.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1832 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 379 and 552

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF PHYSICAL THERAPY

G.M. No. 379 MICHAEL WARREN RUFINO, for a term to expire 6-30-2011; and

G.M. No. 552 MICHAEL WARREN RUFINO, for a term to expire 6-30-2007

Your Committee reviewed the personal history of the nominee, Michael Warren Rufino, with regard to his nominations to fill a vacant position on the Board of Physical Therapy, as well as to serve a full four-year term on the Board of Physical Therapy.

Your Committee received testimony in support of Michael Warren Rufino from the Department of Commerce and Consumer Affairs.

Mr. Rufino is currently the owner and clinical director of Physical Impact Hawaii, which focuses on physical therapy and personal fitness. Besides being a physical therapist, Mr. Rufino also has experience as an athletic trainer, health specialist, and exercise physiologist. He has

developed various health education programs and workshops and has been a clinical educator for entry-level post doctorate physical therapy students. Mr. Rufino's wealth of experience and knowledge will make him an excellent addition to the Board of Physical Therapy.

Your Committee notes that Mr. Rufino's nominations will allow him to fill a vacant position on the Board of Physical Therapy, the term for which expires on June 30, 2007, as well as to serve a full four-year term to expire on June 30, 2011.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Espero, Ige).

SCRep. 1833 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 428, 429, 430, 431 and 432

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF MEDICAL EXAMINERS

G.M. No. 428 RONALD H. KIENITZ, D.O., for a term to expire 6-30-2011;

G.M. No. 429 PETER ARNOLD MATSUURA, M.D., for a term to expire 6-30-2011;

G.M. No. 430 JOHN T. MCDONNELL, M.D., for a term to expire 6-30-2011;

G.M. No. 431 MARIA BRUSCA PATTEN, D.O., for a term to expire 6-30-2011; and

G.M. No. 432 G. MARKUS POLIVKA, for a term to expire 6-30-2011

Your Committee reviewed the personal histories and statements submitted by the nominees, Ronald H. Kienitz, D.O.; Peter Arnold Matsuura, M.D.; John T. McDonnell, M.D.; Maria Brusca Patten, D.O.; and G. Markus Polivka, with regard to their respective nominations to the Board of Medical Examiners.

Testimony in support of the nomination of Dr. Ronald H. Kienitz to the Board of Medical Examiners was submitted by the Department of Commerce and Consumer Affairs and the Hawaii Medical Association.

Dr. Kienitz received his Doctor of Osteopathic Medicine from Michigan State University in 1980. He is currently the medical director for Concentra Medical Centers in Honolulu. He also serves as an expert witness in the state and federal court systems and is a clinical assistant professor with Western University of Health Sciences. He has numerous licenses and certifications and holds professional memberships with various organizations such as the Hawaii Medical Association and the Hawaii Association of Osteopathic Physicians and Surgeons. Dr. Kienitz has been serving as a member of the Board of Medical Examiners since July 1, 2003, and his broad knowledge base and wealth of experience demonstrates that he can continue to serve a beneficial role on the Board.

Your Committee received testimony in support of Dr. Peter Arnold Matsuura from the Department of Commerce and Consumer Affairs, the Hawaii Medical Association, and one individual.

Dr. Matsuura has a plethora of experience in the medical field. He graduated from the University of California at Irvine College of Medicine in 1985 and conducted his internship and residency at the University of California at Irvine. Dr. Matsuura conducted his fellowship in orthopedic surgery at the University of Western Ontario. He has also served in the medical corps of the United States Army Reserve and has completed tours of duty in Afghanistan and Iraq. He is also involved with numerous professional and community organizations. Dr. Matsuura has been serving on the Board of Medical Examiners since July 1, 2003, and the Board would greatly benefit from his continued service.

Testimony in support of Dr. John T. McDonnell's nomination was submitted by the Department of Commerce and Consumer Affairs, the Hawaii Medical Association, and two individuals.

Dr. McDonnell received his Doctor of Medicine from New Jersey College of Medicine & Dentistry in 1971. He went on to conduct his internship and residency at New Jersey College of Medicine & Dentistry and completed a fellowship program in allergy and immunology at the Fitzsimons Army Medical Center. Dr. McDonnell is board certified in pediatrics and board certified in allergy and immunology. He is currently an assistant professor of medicine at the John A. Burns School of Medicine at the University of Hawaii and belongs to numerous professional organizations. Dr. McDonnell also served as the chief of the Allergy-Immunology Department at Tripler Army Medical Center. He has published a number of articles throughout his medical career and has received several accolades, including being named the Hawaii Medical Association Physician of the Year in 1999. He is currently a member of the Board of Medical Examiners, having served since July 1, 2003. Dr. McDonnell's years of experience and abundance of knowledge make him an outstanding nominee for reappointment to the Board of Medical Examiners.

Your Committee received testimony in support of Dr. Maria Brusca Patten from the Department of Commerce and Consumer Affairs, the Hawaii Medical Association, and one individual.

Dr. Patten received her Doctor of Osteopathy from the College of Osteopathic Medicine of the Pacific in 1992. She completed an internship at Highland Green Hospital and her residency at Stanford University Medical Center. From 1995 to 1996, Dr. Patten was the chief resident at Stanford University Hospital's Physical Medicine and Rehabilitation Program. She is currently an osteopathic physician with the Department of Neurosciences at Kaiser Permanente Hawaii and is the vice-chair of the Board of Medical Examiners. She has served on the Board since July 1, 2003. During her current time on the Board, Dr. Patten has shown dedication and has been an active board member. Dr. Patten's unique background and experience will continue to bring diversity to the Board of Medical Examiners.

Testimony in support of G. Markus Polivka was submitted by the Department of Commerce and Consumer Affairs and one individual.

Mr. Polivka is currently the president of Monarch Insurance Services, Inc. He has over thirty years of experience in the insurance industry. Mr. Polivka is also active in the community, serving as the director of the Hawaii Chamber of Commerce, the director of the Hawaiian Humane Society, and a director of the USS Missouri Memorial Association. Mr. Polivka provides a balanced membership to the Board as one of the public members.

Your Committee notes that Mr. Polivka is being nominated for reappointment to the Board of Medical Examiners and that his initial appointment was in 2002 and, pursuant to section 26-34, Hawaii Revised Statutes, he will have served the combined maximum terms of service of eight consecutive years on the Board of Medical Examiners as of July 2010. As such, it is not the intent of your Committee in recommending advise and consent on this nomination that the nominee serve for more than eight consecutive years in the capacity to which nominated.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1834 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 436

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF EXAMINERS IN NATUROPATHY

G.M. No. 436 MICHELE M. IKEDA, for a term to expire 6-30-2011

Your Committee reviewed the personal history and statement submitted by the nominee, Michelle M. Ikeda, with regard to her nomination to the Board of Examiners in Naturopathy.

Testimony in support of the nomination of Michelle M. Ikeda to the Board of Examiners in Naturopathy was submitted by the Department of Commerce and Consumer Affairs and one individual.

Ms. Ikeda is currently an administrative assistant with Townscape, Inc. and she previously served in various positions within the state government. Ms. Ikeda has served as a public member on the Board of Examiners in Naturopathy since July 1, 2006, and provides a balance between naturopathy providers and consumers by offering a different perspective to the Board on issues that are of concern to consumers.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1835 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 376 and 377

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF EXAMINERS IN OPTOMETRY

G.M. No. 376 JERE HU ENG LOO, O.D., for a term to expire 6-30-2011; and

G.M. No. 377 JOY BERNADETTE YUKUKO SHIMABUKU, for a term to expire 6-30-2009

Your Committee reviewed the personal histories and statements submitted by the nominees, Jere Hu Eng Loo, O.D., and Joy Bernadette Yukuko Shimabuku, regarding their respective nominations to the Board of Examiners in Optometry.

Your Committee received testimony in support of Dr. Jere Hu Eng Loo's nomination from the Department of Commerce and Consumer Affairs and the Hawaii Optometric Association.

Dr. Loo has been a licensed optometrist practicing in Lihue, Hawaii, since 1987 and works at Arthur W. H. Loo, O.D., Inc.; the optometry practice founded by his father. Dr. Loo practices primary care optometry with special interests in contact lens care, low vision, and ocular disease. Dr. Loo is a member of the American Optometric Association and the Hawaii Optometric Association. His educational background includes a Bachelor's of Science with Distinction in Biology from the University of Hawaii at Manoa and a Doctorate of Optometry from Southern California College of Optometry. Dr. Loo has served on the Board of Examiners in Optometry for the last four years and was first appointed to the Board on July 1, 2003. Dr. Loo brings a wealth of experience to the Board of Examiners in Optometry and will continue to benefit and assist the Board in carrying out its duties.

Your Committee received testimony in support of Ms. Joy Bernadette Yukuko Shimabuku's nomination from the Department of Commerce and Consumer Affairs.

Ms. Shimabuku holds a degree in cosmetology from Trendsetters Beauty College and has been the owner of Boutique de Joy for the past twenty-one years. She has previously served on the Board of Barbers and Cosmetology from 2001 to 2005. Ms. Shimabuku is a member of the National Cosmetologist Association and has volunteered her time with the American Cancer Association. Ms. Shimabuku has been serving as an interim appointee to the Board of Examiners in Optometry since August 14, 2006. Ms. Shimabuku's dedication to public service makes her an excellent choice to continue serving as a public member of the Board of Examiners in Optometry.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1836 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 483

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF SPEECH PATHOLOGY AND AUDIOLOGY

G.M. No. 483 JOYCE MARY HELEN KEMPSKI ALLEN, for a term to expire 6-30-2010

Your Committee has reviewed the personal history and statement of the nominee, Joyce Mary Helen Kempfski Allen, regarding her nomination to the Board of Speech Pathology and Audiology.

Testimony in support of the nomination of Joyce Mary Helen Kempfski Allen was submitted by the Department of Commerce and Consumer Affairs and one individual. Ms. Allen is currently a litigation paralegal with the firm of Goodsill Anderson Quinn & Stifel. She is the past president of the Autism Society of Hawaii and is passionate about helping those with communication disorders overcome such barriers through education and therapy. Her unique perspective of having personal experience with a family member who needed the services of a licensed speech pathologist and her passion and commitment to the issues surrounding speech and hearing disorders make her an invaluable contributor to the Board of Speech Pathology and Audiology.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1837 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 445

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF PHARMACY

G.M. No. 445 KARL H. MIYAMOTO, for a term to expire 6-30-2011

Your Committee reviewed the personal history and statement submitted by the nominee, Karl H. Miyamoto, regarding his nomination to the Board of Pharmacy.

Testimony in support of Karl H. Miyamoto's nomination was submitted by the Department of Commerce and Consumer Affairs.

Mr. Miyamoto received a Bachelor of Science in Pharmacy from the University of Washington and a Bachelor of Science as a Medical Technologist from the University of Hawaii. He is a licensed pharmacist and currently serves as the pharmacy manager at Safeway Food & Drug. He previously worked as the assistant director of pharmacy and the hospital pharmacy manager for Kuakini Health Systems. He was also the senior hospital pharmacist for Queen's Medical Center and director of pharmacy services for the Straub Clinic and Hospital. Mr. Miyamoto currently serves on the Board of Pharmacy. He was first appointed to the Board of Pharmacy in July 2003. Mr. Miyamoto's more than twenty-five years of professional experience will continue to benefit the Board.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1838 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 378 and 380

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF PHYSICAL THERAPY

G.M. No. 378 GWEN T. CHINN, for a term to expire 6-30-2011;

G.M. No. 380 MICHAEL DEAN TURNER, for a term to expire 6-30-2009

Your Committee reviewed the personal histories and statements submitted by the nominees, Gwen T. Chinn and Michael Dean Turner, regarding their respective nominations to the Board of Physical Therapy.

Testimony in support of the nomination of Gwen T. Chinn was submitted by the Department of Commerce and Consumer Affairs and one individual.

Ms. Chinn received her Bachelors of Science in Nursing from the University of Illinois in 1979. Since that time, she has worked as a registered nurse and a consultant in the medical field. She currently serves on the Board of Physical Therapy and was first appointed in July 2003. Ms. Chinn will continue to be a great asset as the consumer representative to the Board of Physical Therapy.

Testimony in support of the nomination of Michael Dean Turner was submitted by the Department of Commerce and Consumer Affairs the Hawaii Chapter of the American Physical Therapy Association, and three individuals.

Mr. Turner is the clinic coordinator for Prins AquaTherapy, which focuses on aquatic and land based rehabilitation of orthopedic and neurological conditions. Mr. Turner also serves as an adjunct faculty member for the University of St. Augustine in the area of health science. Mr. Turner has also published several articles and research publications in the field of physical therapy. Mr. Turner is currently a member of the Board of Physical Therapy and has been serving as an interim appointee since August 15, 2006. Mr. Turner's continued presence on the Board of Physical Therapy as a board member will greatly benefit both the Board and the public.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1839 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 467

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF PSYCHOLOGY

G.M. No. 467 LAURA ELIZABETH OZAK, JD, for a term to expire 6-30-2011

Your Committee reviewed the personal history and statement submitted by the nominee, Laura Elizabeth Ozak, with regard to her nomination to the Board of Psychology.

Testimony in support of the nomination of Laura Elizabeth Ozak was received from the Department of Commerce and Consumer Affairs and one individual.

Ms. Ozak received a Bachelors of Science in Nursing in 1982 and worked as a Registered Nurse in several hospitals. She then went on to receive her Juris Doctorate in 1994 from Golden Gate University School of Law. Ms. Ozak is currently a medical-legal nurse consultant with the law firm of Cronin, Fried, Sekiya & Fairbanks and is a public member of the Board of Psychologists. She has served on the Board since July 1, 2003. Ms. Ozak's unique and diverse professional background will continue to serve her well as a member of the Board of Psychologists.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1840 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 491 and 492

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF VETERINARY EXAMINERS

G.M. No. 491 JAMIE K. FURUTANI, D.V.M., for a term to expire 6-30-2011; and

G.M. No. 492 ROGER MITSUO KONDO, D.V.M., for a term to expire 6-30-2011

Your Committee reviewed the personal histories and statements submitted by the nominees, Jamie K. Furutani, D.V.M., and Roger Mitsuo Kondo, D.V.M., regarding their respective nominations to the Board of Veterinary Examiners.

Your Committee received testimony in support of Dr. Jamie K. Furutani's nomination from the Department of Commerce and Consumer Affairs.

Dr. Furutani is a graduate of the University of Oregon and Oregon State University. She has nearly ten years of experience as a veterinarian in Hawaii. She is currently a veterinarian with the Mililani Mauka Veterinary Clinic. She is a member of the Hawaii Veterinary Medical Association and the American Veterinary Association. She currently serves on the Board of Veterinary Examiners as its Vice-Chair. Dr. Furutani was first appointed to the Board of Veterinary Examiners in July 2003. Dr. Furutani actively and constructively participates in the Board proceedings and her demonstrated leadership makes her an asset to the Board of Veterinary Examiners.

Your Committee received testimony in support of Dr. Roger Mitsuo Kondo's nomination from the Department of Commerce and Consumer Affairs.

Dr. Kondo is the owner and lead veterinarian of the Honolulu Pet Clinic, where he has practiced for fifteen years. His educational background includes a Bachelor of Science degree from Ohio University, a Masters of Science degree from the University of Hawaii, and a Doctorate of Veterinary Medicine from Washington State University. He is a member of the Hawaii Veterinary Medical Association and the American Animal Hospital Association. He is a Hospital Certified Director with the American Animal Hospital Association. He first served on the Board of Veterinary Examiners in 1992. His current term on the Board began in July 2003. Dr. Kondo's extensive experience and years of service are important assets to the Board. Your Committee notes that because Dr. Kondo's terms on the Board of Veterinary Examiners were not consecutive, his current reappointment would not violate the term limitation requirements of section 26-34(a), Hawaii Revised Statutes.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1841 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 288

Recommending that the Senate advise and consent to the nomination of the following:

STATE BOARD OF PUBLIC ACCOUNTANCY

G.M. No. 288 MARK DUNTON HUNSAKER, for a term to expire 6-30-2011

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds Mark Dunton Hunsaker to have the necessary qualifications to be appointed to the Board of Public Accountancy.

Your Committee received testimony in support of Mark Dunton Hunsaker from the Department of Commerce and Consumer Affairs and thirteen individuals.

Mr. Hunsaker has worked as a Certified Public Accountant (CPA) since 1986 and is licensed as a CPA in Hawaii and the Territory of American Samoa. Mr. Hunsaker is currently a shareholder and director of Bowen Hunsaker Hirai, Certified Public Accountants; and Bowen Hunsaker Hirai Consulting, Inc.

Besides his work as a CPA, Mr. Hunsaker has volunteered his services to better the community through working with his service on the board of directors of Alcohol Rehabilitation Services of Hawaii, d.b.a. Hina Mauka, and Po'ailani, Inc. He also continues to be active with the Civil Air Patrol.

Mr. Hunsaker currently serves on the Board of Public Accountancy and as part of his duties to the Board; he serves as the chair of the CPA Examination Committee and the vice-chair of the Rules and Regulations Committee. He is also currently serving as the Police Commissioner for the City and County of Honolulu.

As the current vice-chair of the Board of Public Accountancy, Mr. Hunsaker brings a wealth of knowledge and experience to the Board of Public Accountancy and will continue to serve as a key component in his role as a board member.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1842 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 297

Recommending that the Senate advise and consent to the nomination of the following:

STATE BOXING COMMISSION OF HAWAII

G.M. No. 297 DELLA K. MARTIN-YOUNG, for a term to expire 6-30-2011

Your Committee reviewed the personal history and statement submitted by the nominee, and finds Della K. Martin-Young to have the necessary qualifications to be appointed to the State Boxing Commission.

Your Committee received testimony in support of Della K. Martin-Young from the Department of Commerce and Consumer Affairs.

Ms. Young has been involved in the sport of boxing since 1985. She currently serves as an official for amateur boxing and has participated in the United States Amateur Boxing Championships, the Golden Gloves Championships, and the Junior Olympics Championships. She also serves as a chief of officials for the Local Boxing Committee and as a judge in professional boxing matches. With her training and experience, Ms. Martin-Young brings a wealth of knowledge and commitment to the issues affecting all aspects of the sport of boxing, making her a key component to the State Boxing Commission.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1843 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 298

Recommending that the Senate advise and consent to the nomination of the following:

CABLE ADVISORY COMMITTEE

G.M. No. 298 CLAYTON YUGAWA, for a term to expire 6-30-2011

Your Committee reviewed the personal history and statement submitted by the nominee, and finds Clayton Yugawa to have the necessary qualifications to be appointed to the State Cable Advisory Committee.

Testimony in support of Clayton Yugawa's nomination was submitted by the Cable Television Division of the Department of Commerce and Consumer Affairs and Hawaii Consumers.

Mr. Yugawa currently serves as the Director of Data Systems for the County of Hawaii and serves on the Cable Advisory Committee on an interim basis. Mr. Yugawa has served diligently on the Cable Advisory Committee and is informed on the issues facing cable television and its regulation given his extensive background in telecommunications. Mr. Yugawa will continue to serve as a key component to the Cable Advisory Committee.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1844 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 310, 311 and 312

Recommending that the Senate advise and consent to the nominations of the following:

CONTRACTORS LICENSE BOARD

G.M. No. 310 F. M. SCOTTY ANDERSON, for a term to expire 6-30-2011;

G.M. No. 311 RIC LYLE CARSON, for a term to expire 6-30-2011; and

G.M. No. 312 RONALD KIYOSHI OSHIRO, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds F. M. Scotty Anderson, Eric Lyle Carson, and Ronald Kiyoshi Oshiro to have the necessary qualifications to be appointed to the Contractors License Board.

Testimony in support of F. M. Scotty Anderson was submitted by the Department of Commerce and Consumer Affairs; the Building Industry Association of Hawaii; the Hawaii Island Contractors' Association; and Hidano Construction, Inc.

Mr. Anderson currently serves as a partner with Scotty Anderson Group LLC and Pacific Rim Partners, LLC. He has thirty years of experience in the building industry and also served in the United States Air Force. Mr. Anderson has also served as a board member of the Building Industry Association of Hawaii, the Honolulu Executives Association, the American Water Works Association, and the General Contractors Association.

He currently serves as the vice chair of the Contractor License Board. Mr. Anderson's extensive experience in the building industry continues to make him a great asset to the Contractors License Board.

Testimony in support of Eric Lyle Carson was submitted by the Department of Commerce and Consumer Affairs, the Building Industry Association of Hawaii, the Hawaii Hispanic Chamber of Commerce, and five individuals.

Mr. Carson currently serves as the president and CEO of Reflections Glass Company. In addition to his strong presence in the business community, Mr. Carson has been involved with the American Institute of Architects, the Construction Specifications Institute, Small Business Hawaii, the Building Industry Association, Associated Building Contractors, the National Kitchen and Bath Association, the American Society of Interior Designers, and the Young Entrepreneurs Organization. Besides his professional commitments, Mr. Carson has also served as the past chair of the United States Hispanic Chamber of Commerce, Region I. He is a current member of the Contractor License Board. Mr. Carson's professional experiences, as well as his leadership abilities, make him a valuable contributor to the Contractor License Board.

Testimony in support of Ronald Kiyoshi Oshiro was submitted by the Department of Commerce and Consumer Affairs; the Building Industry Association of Hawaii; the Hawaii 8(a) Council of the Building Industry Association of Hawaii; the Hawaii Island Contractors' Association; Hidano Construction, Inc.; and the General Contractors Association.

Mr. Oshiro is currently the president of Rons Construction Corp. Mr. Oshiro's experience as a contractor dates back to 1951 when he first became licensed as a general contractor. Mr. Oshiro's professional accolades include being named the Hawaii 8(a) Contractor of the Year (1983), the Region IX Prime Contractor of the Year (1984), the Hawaii 8a Graduate of the Year (1987), and the National 8(a) Graduate of the Year (1998). He currently serves as a member of the Contractors License Board. Mr. Oshiro has done an excellent job serving as a member of the Contractors License Board and brings a wealth of knowledge and commitment to the issues affecting all aspects of the building industry making him an important component of the Contractors License Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1845 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 313

Recommending that the Senate advise and consent to the nomination of the following:

CREDIT UNION ADVISORY BOARD

G.M. No. 313 TIMMY LEE ALBAO, for a term to expire 6-30-2011

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds Timmy Lee Albao to have the necessary qualifications to be appointed to the Credit Union Advisory Board.

Your Committee received testimony in support of Timmy Lee Albao from the Department of Commerce and Consumer Affairs and the Hawaii Credit Union League.

Mr. Albao is currently retired but previously served in the Finance Department of the County of Kauai for thirty years. Prior to that, Mr. Albao worked as a certified public accountant with the firm of Haskin and Sells. Mr. Albao is involved with several professional organizations including the American Institute of Certified Public Accountants, the Hawaii Society of Public Accountants, the Hawaii Association of Public Accountants, and is a past member of the Government Finance Officers Association. In addition to his professional interests, Mr. Albao is currently involved with numerous community service organizations. He also served in the Hawaii Air National Guard from 1965 to 1987 and was awarded various distinctions and decorations, including being recognized as an outstanding first year airman. He is a current member of the Credit Union Advisory Board. Mr. Albao's professional expertise and his life experiences will continue to benefit the Credit Union Advisory Board.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1846 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 330, 331 and 415

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF ELECTRICIANS AND PLUMBERS

G.M. No. 330 NORMAN N. AHU, for a term to expire 6-30-2011;

G.M. No. 331 TYRUS ISAO KAGAWA, for a term to expire 6-30-2011; and

G.M. No. 415 ORLANDO L. MATIAS, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Norman N. Ahu, Tyrus Isao Kagawa, and Orlando L. Matias to have the necessary qualifications to be nominated to the Board of Electricians and Plumbers.

Your Committee received testimony in support of Norman N. Ahu from the Department of Commerce and Consumer Affairs, and three individuals.

Mr. Ahu currently serves as a financial analyst for the Public Utilities Commission. He was previously a manager with Verizon Corporation, where he was responsible for financial, budgetary, and operational functions. Mr. Ahu has a number of years of experience in financial analysis, budgeting, planning, developing innovative process and procedures, and managing projects. Mr. Ahu is also a certified public accountant. He is also very active in community service through participation with such organizations such as United Way of Kauai. He has served as a board

member of the Board of Electricians and Plumbers since 2003. Mr. Ahu's broad-based experience and his strong managerial background continue to make him a key asset to the Board of Electricians and Plumbers.

Your Committee received testimony in support of Tyrus Isao Kagawa from the Department of Commerce and Consumer Affairs.

Mr. Kagawa is a plumbing and air conditioning estimator with Oahu Plumbing & Sheet Metal, Ltd. A graduate of the University of Hawaii with a bachelor of science degree in mechanical engineering, Mr. Kagawa has over twenty-seven years of experience with Oahu Plumbing & Sheet Metal, Ltd. He is also a member of the American Society of Mechanical Engineers; the American Society of Heating, Refrigerating and Air Conditioning Engineers; and the Honolulu Joint Apprenticeship and Training Committee for the Plumbing & Pipefitting Industry. He is also currently a board member of the Board of Electricians and Plumbers. With his years of professional experience in the area of mechanical engineering and refrigeration and air conditioning, Mr. Kagawa brings a wealth of knowledge and commitment to the issues facing all aspects of the electrical and plumbing industries.

Your Committee received testimony in support of Orlando L. Matias from the Department of Commerce and Consumer Affairs.

Mr. Matias is the president of O & E Matias Electrical Service, LLC and oversees and manages the entire operation of his electrical subcontracting business. He has been working in the electrical contracting business since 1979. He was also the head of the engineering department for Elizalde Steel & Company from 1968 to 1971. He currently sits on the State Board of Electricians and Plumbers as well as the City and County of Honolulu Building Board of Appeals. Mr. Matias brings over twenty-seven years of electrical engineering experience to his membership to the Board of Electricians and Plumbers.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1847 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 332

Recommending that the Senate advise and consent to the nomination of the following:

ELEVATOR MECHANICS LICENSING BOARD

G.M. No. 332 STEVE AKIO TSUNEMOTO, for a term to expire 6-30-2011

Your Committee reviewed the personal history and statement submitted by the nominee, and finds Steve Akio Tsunemoto to have the necessary qualifications to be nominated to the Elevator Mechanics Licensing Board.

Your Committee received testimony in support of Steve Akio Tsunemoto's nomination from the Department of Commerce and Consumer Affairs.

Mr. Tsunemoto has nineteen years of experience in the elevator mechanics field and is currently an elevator mechanic with ThyssenKrupp Elevator. Mr. Tsunemoto is also the president of Local 126 of the International Union of Elevator Constructors and co-chairman of the Joint Apprenticeship Committee for the elevator apprenticeship program in Hawaii, and is tasked with the job of administering the joint apprenticeship program, from recruitment to establishing rules, requirements, and training of the apprentices. Mr. Tsunemoto currently serves as a board member of the Elevator Mechanics Licensing Board. Mr. Tsunemoto is a key asset to the Elevator Mechanics Licensing Board and brings a wealth of knowledge and experience to his role as a board member.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1848 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 373 and 551

Recommending that the Senate advise and consent to the nominations of the following:

MOTOR VEHICLE REPAIR INDUSTRY BOARD

G.M. No. 373 STEVEN J.T. CHOW, for a term to expire 6-30-2011; and

G.M. No. 551 STEVEN J.T. CHOW, for a term to expire 6-30-2007

Your Committee reviewed the personal history submitted by the nominee, Steven J.T. Chow, with regard to his nominations to fill a vacant position on the Motor Vehicle Repair Industry Board, as well as to serve a full four-year term on the Motor Vehicle Repair Industry Board.

Your Committee received testimony in support of Steven J.T. Chow from the Department of Commerce and Consumer Affairs and one individual.

Mr. Chow, an attorney, is a partner of The Pacific Law Group, AAL, ALC. Mr. Chow has been practicing law since 1981. He also serves as an arbitrator with the Hawaii Court Annexed Arbitration Program and is a member of Mediation Specialist of Hawaii, Inc. He has taught as an adjunct professor at the William S. Richardson School of Law and served as a coordinator and instructor at the Wahiawa Adult Community School. He is currently a board member of Prevent Child Abuse Hawaii. Mr. Chow's broad experience will make him a key asset to the Motor Vehicle Repair Industry Board.

Your Committee notes that Mr. Chow's nominations will allow him to fill a vacant position on the Motor Vehicle Repair Industry Board, the term for which expires on June 30, 2007, as well as to serve a full four-year term to expire on June 30, 2011.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Espero, Ige).

SCRep. 1849 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 374 and 375

Recommending that the Senate advise and consent to the nominations of the following:

MOTOR VEHICLE REPAIR INDUSTRY BOARD

G.M. No. 374 BILL W. GREEN, for a term to expire 6-30-2011; and

G.M. No. 375 DUANE JIRO OZAKI, for a term to expire 6-30-2010

Your Committee has reviewed the personal histories and statements submitted by the nominees, and finds Bill W. Green and Duane Jiro Ozaki to have the necessary qualifications to be nominated to the Motor Vehicle Repair Industry Board.

Testimony in support of the nomination of Bill W. Green was received from the Department of Commerce and Consumer Affairs.

Mr. Green is currently a consultant for Kahala Shell. From 1980 to 2004, Mr. Green was the owner of Kahala Shell. Prior to that, he served in sales and management positions with Shell Oil Co. He is currently the vice-chair of the Motor Vehicle Repair Industry Board and has proven to be a great asset to the Board.

Testimony in support of the nomination of Duane Jiro Ozaki was submitted by the Department of Commerce and Consumer Affairs and two individuals.

Mr. Ozaki has more than thirteen years of experience in all aspects of the automotive industry, from pumping gas to teaching an automotive course at Honolulu Community College. Currently, Mr. Ozaki is an engine repair instructor at Honolulu Community College and is the technician/shop manager for Roy's Kalihi Automotive Center. He is a State of Hawaii certified mechanic and an ASE master certified automobile technician. Mr. Ozaki's considerable knowledge of the issues and needs of consumers and the automotive industry will make Mr. Ozaki a valuable member of the Motor Vehicle Repair Industry Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1850 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 434

Recommending that the Senate advise and consent to the nomination of the following:

MOTOR VEHICLE INDUSTRY LICENSING BOARD

G.M. No. 434 JERRY WILLIAM JORDAN, for a term to expire 6-30-2011

Your Committee received testimony in support of the nomination of Jerry William Jordan from the Department of Commerce and Consumer Affairs and two individuals.

A graduate of the United States Naval Academy, Mr. Jordan served in the United States Navy from 1963 to 1987 and retired with the rank of Commander. He is a member of the Naval Submarine League and the Military Officers Association of America. He currently serves as a board member of the Motor Vehicle Industry Licensing Board. Mr. Jordan has done an excellent job throughout his term as a board member and brings a wealth of knowledge and life experience, making him an important component of the Motor Vehicle Industry Licensing Board.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1851 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 441

Recommending that the Senate advise and consent to the nomination of the following:

PEST CONTROL BOARD

G.M. No. 441 CARLTON LEIGH AGENA, for a term to expire 6-30-2011

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds Carlton Leigh Agena to have the necessary qualifications to be nominated to the Pest Control Board.

Testimony in support of the nomination of Carlton Leigh Agena was submitted by the Department of Commerce and Consumer Affairs, the Building Industry Association of Hawaii, the Hawaii Pest Control Association, and one individual.

Mr. Agena began his career as a sanitation inspector for the Department of Health in 1971. He then moved into the private sector working as a manager with Xtermco, Inc. Termite & Pest and Hauoli Pest Control, Inc. In 1981, Mr. Agena became the owner of Dynamic Termite & Pest and later sold his business to Terminix International. Mr. Agena is currently a quality assurance and technical specialist with Terminix International. Mr. Agena is the past president of the Hawaii Pest Control Association. Mr. Agena's professional accolades include being awarded lifetime membership to the National Registry of Who's Who of Business Owners, the National Pest Management Association Recognition Award, the State Regulated Industries Complaints Office's Service Award, and the Hawaii Pest Control Association's Distinguished Service Award.

In addition to his professional activities, Mr. Agena is also very involved with the community, participating with the East Manoa Lions Club, the Manoa Youth Baseball League and the Waiialae-Kahala Athletic Club.

Mr. Agena's many years of experience in the pest control industry and his experience as a small business owner, as well as working with big business, make him a great asset to the Pest Control Board.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1852 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 381

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF PRIVATE DETECTIVES AND GUARDS

G.M. No. 381 JANICE T. KEMP, for a term to expire 6-30-2008

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee, and finds Janice T. Kemp to have the necessary qualifications to be nominated to the Board of Private Detectives and Guards.

Your Committee received testimony in support of the nomination of Janice T. Kemp from the Department of Commerce and Consumer Affairs and four individuals. Ms. Kemp is currently the chief human resources officer for the Honolulu Board of Water Supply. Prior to that, Ms. Kemp served as the deputy director of the Department of Human Resources Development. She was a deputy attorney general in various units of the Department of the Attorney General from 1987 to 2003. Ms. Kemp's broad background makes her an excellent addition to the Board of Private Detectives and Guards.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1853 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 464

Recommending that the Senate advise and consent to the nomination of the following:

REAL ESTATE COMMISSION

G.M. No. 464 TRUDY ISABEL NISHIHARA, for a term to expire 6-30-2011

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds Trudy Isabel Nishihara to have the necessary qualifications to be nominated to the Real Estate Commission.

Testimony in support of the nomination of Trudy Isabel Nishihara was submitted by the Department of Commerce and Consumer Affairs, the Real Estate Commission, the Hawaii Association of Realtors, the Hawaii Chapter of the Council of Real Estate Brokerage Managers, and two individuals.

Ms. Nishihara is currently a realtor who manages the administration and sales operations of three affiliate companies: Realty Group Properties, Hawaii Homebids.com, and Realty Group. From 1986 to 2000, Ms. Nishihara was a partner with Prudential Locations LLC. As a member of the Honolulu Board of Realtors, Ms. Nishihara has worked as an instructor for various real estate ethics classes. Ms. Nishihara is also an active member of both the Hawaii Association of Realtors and the National Association of Realtors, serving on various committees in both organizations.

In addition to her work in the real estate industry, Ms. Nishihara was also the first woman to be appointed by the United States Secretary of Commerce to represent Hawaii's sports fishing industry as a member of the Western Pacific Fishery Management Council from 1981 to 1989.

Ms. Nishihara's many years of experience in the real estate industry make her a great asset to the Real Estate Commission.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1854 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 353

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF DIRECTORS OF THE HAWAII HURRICANE RELIEF FUND

G.M. No. 353 THOMAS G. SINGLEHURST, for a term to expire 6-30-2011

Your Committee reviewed the personal history and statement submitted by the nominee, and finds Thomas G. Singlehurst to have the necessary qualifications to be nominated to the Board of Directors of the Hawai'i Hurricane Relief Fund.

Your Committee received testimony in support of Thomas G. Singlehurst's nomination from the Insurance Division of the Department of Commerce and Consumer Affairs and one individual.

Mr. Singlehurst is currently employed with Noguchi & Associates and has a strong background as an insurance producer. Mr. Singlehurst has served on the Board of Directors of the Hawai'i Hurricane Relief Fund for the past four years and has demonstrated an ability to perform the work necessary to be a good board member. Mr. Singlehurst's expertise and market knowledge warrants his continued service on the Hawai'i Hurricane Relief Fund.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Sakamoto).

SCRep. 1855 Human Services and Public Housing on Gov. Msg. No. 275

Recommending that the Senate advise and consent to the nomination of the following:

DIRECTOR OF THE DEPARTMENT OF HUMAN SERVICES

G.M. No. 275 LILLIAN B. KOLLER, for a term to expire 12-6-2010

Your Committee reviewed the personal history, resume, and statements submitted by the nominee, and finds the nominee to have the necessary qualifications to be appointed as the Director of Human Services.

Your Committee received testimony in support of Lillian B. Koller from the State Adjutant General; the Deputy Adjutant General; the Department of Human Resources Development; the Department of Human Services, Child Welfare Services Branch; the Department of Human Services, Vocational Rehabilitation & Services for the Blind Division; the University of Hawaii at Manoa, John A. Burns School of Medicine; the University of Hawaii at Manoa, the William S. Richardson School of Law; the Office of Hawaiian Affairs; the State Rehabilitation Council; the Representative of the 42nd District; the former Representative of the 30th District; a Maui County Council Member; the Maui County Mayor; Maui Community College, Hawaii Child Welfare Continuous Quality Improvement Project; Maui Community College, Human Services & Social Services; Maui Community College, Allied Health and Career Ladder Nursing Program; the State Foundation on Culture and the Arts; Blind InSights; Blueprint for Change; Blind Vendors Ohana, Inc.; Boys and Girls Club of Hawaii; Calvary Episcopal Preschool; the Catalyst Group; Catholic Charities Hawaii'i; Chassman Consulting; the Childcare Business Coalition; the Coalition for a Tobacco Free Hawaii'i; EPIC, Inc. 'Ohana Conferencing; Family Voices of Hawaii'i; Foster Family Programs of Hawaii'i; Goodwill Industries of Hawaii; Hale Kipa; Hawaii'i Coalition for Dads; Hawaii'i Covering Kids; Hawaii Foster Youth Coalition; Hālau Lōkahi Public Charter School; Hale Makua; Hawaii Capital Cultural District; Ka Pa'alana Project; the Hawaii Coalition of Care Home Administrators; the Healthcare Association of Hawaii; the Hawaii Health Systems Corporation; the Hawaii Long Term Care Association; the Hawaii Medical Association; the Hawaii Youth Services Network; the Honolulu Symphony; the Childcare Business Coalition; Foster Family Programs of Hawaii'i; Hope, Inc.; Kanu o ka 'Āina New Century Public Charter School; Kaua'i Academy of Creating Arts; Kōkua Kalihi Valley Comprehensive Family Service; Lana'i Art Center; MW Group, Ltd.; Nā Lei Na 'auao Native Hawaiian Charter School Alliance; Northstar; Parents And Children Together; Read Aloud America; Seagull Schools; the Arc of Kauai; the Maui Dance Council; the Kaua'i Child Welfare Services Advisory Committee; the East Hawaii Cultural Council; the Paxen Group, Inc.; Forward March; the Native Hawaiian Chamber of Commerce; ABEL Case Management, Inc.; the State Foundation on Culture and the Arts; the Pearl Harbor Hawaiian Civic Club; Friends of the Future; Unity School; the Legacy Coalition; Na Kupuna O Wai'anae; Na Kupuna Tribunal; the Alliance of Residential Care Administrators; Heart Gallery Hawaii; the Visitor Aloha Society of Hawaii'i; VSA Arts of Hawaii-Pacific; Hale Lokomaika'i Women Helping Women; and approximately two hundred sixteen individuals. A petition with eighty-two signatures was also submitted in support. The University of Hawaii at Manoa, Center on Disability Studies submitted comments.

Ms. Koller graduated summa cum laude from the University of California at Los Angeles with a Bachelor of Arts in Philosophy. She also earned a Juris Doctorate from the University of California at Davis, School of Law. She worked for several years as an attorney in private practice specializing in areas such as business and real estate litigation and administrative law before serving as Deputy Prosecuting Attorney for the County of Maui in 1992. Her legal career in public service also included serving as Deputy Corporation Counsel for the County of Maui for six years and as a clerk for Judge Boyd P. Mossman with the Second Circuit Court of Hawaii. She later served as the Drug Court Program Coordinator for the Second Circuit Court of Hawaii for four years before being appointed as the Director of the Department of Human Services in 2003. In her capacity as the Drug Court Program Coordinator, Ms. Koller developed the Maui Drug Court into a highly successful, nationally award-winning program.

Ms. Koller's other professional accolades include her receipt of the 2005 Woman of the Year Award from the nonprofit organization, the Women in Need, and the 2006 Torch of Light Award from the Big Island Press Club. Ms. Koller has also been chosen to receive the 2007 Commissioner's Award from the United States Department of Health & Human Services Administration for Children and Families for exceptional contributions to the prevention and treatment of child abuse and neglect in Hawaii.

Ms. Koller testified regarding her qualifications, as well as her vision, priorities, and plan for the next four years for the Department of Human Services. During her consideration for a first term as Director of the Department of Human Services, Ms. Koller assured the Committee that she was willing to adopt new and innovative approaches to provide an adequate safety net of essential services in Hawaii to help families, children, elders, and those who are least able to care for themselves. Ms. Koller testified regarding the initiatives that the Department of Human Services has undertaken during her tenure to meet this earlier commitment.

One of Ms. Koller's most significant accomplishments during her four year tenure has been the amount of federal funds that she has secured for social service programs. Through her leadership, the Department of Human Services has brought in hundreds of millions of previously untapped federal revenue and freed state funds for other purposes. For instance, the Medicaid QUEST waiver renewal that the Department of Human Services negotiated secured in excess of \$100,000,000 in federal funds to cover health care costs for a portion of Hawaii's uninsured adults and children for the next six years. An additional \$40,500,000 in federal funding was secured and distributed to hospitals to defray the cost of providing care to uninsured patients.

During her first term, Ms. Koller also guided the Department of Human Services through an aggressive, two-year Program Improvement Plan for the Child Welfare Services Branch as part of a federal mandate that requires states to reform their child welfare services programs. The Program Improvement Plan is required under the federal Child and Family Services Review to meet benchmarks related to safety, permanency, and well-being in order to maintain federal funding. The Department of Human Services was recently recognized for its success in meeting its program improvement goals.

Ms. Koller's administration also brought more openness and transparency to the Department of Human Services: new rules were adopted to permit the release of confidential documents under certain circumstances in an effort to help locate missing children and to access services for foster children.

As noted by Family Voices of Hawai'i, the QExA Advisory Council was organized by Ms. Koller in response to the community's request for greater consumer input into the implementation of the final phase of QUEST. The work of the QExA Advisory Council prompted the first study of its kind to focus on the information and delivery of information to Medicaid participants to be transitioned into managed care. The findings of that study were published in the Hawai'i Medical Journal and cited in the Health Resource Service Administration Title V Block Grant Review as a strength of Hawaii.

During her testimony, Ms. Koller highlighted some of the more recent initiatives that the Department of Human Services has undertaken to provide services to and enhance the self-sufficiency of vulnerable individuals in Hawaii. She acknowledged that these are not personal achievements, but rather, the result of the collected efforts of the Department of Human Services' hard-working staff, community partners, the Legislature, and the Lingle-Aiona Administration.

These initiatives include SEE Hawaii Work, a welfare-to-work service that expands the concept of apprenticeship into a training-for-hire model with private sector management. In its first year, the program successfully placed more than sixty percent of welfare recipients in on-the-job training programs with a diverse array of private sector companies. According to Ms. Koller's testimony, eighty-eight percent of the individuals who graduated from the training program are now employed in unsubsidized jobs.

In its testimony, Hawai'i Covering Kids highlighted some of the strategies that Ms. Koller's administration implemented to assist Hawaii's children and youths, including a separate Med-QUEST application for households applying only for children or pregnant women that eliminated questions that were barriers for parents and guardians applying for their eligible children, and a passive renewal process for Med-QUEST cases with children that uses computer-generated prepopulated forms. It is estimated that these and other strategies resulted in an additional 17,500 children and youth being enrolled in the QUEST and Medicaid Fee-for-Service programs.

In making its determination, the Committee heard testimony at a duly noticed hearing on April 3, 2007. The Chair also met privately with numerous individuals, including past and present employees of the Department of Human Services and members of community organizations, who expressed concerns, but wished to remain anonymous. The Chair decided not to subpoena these individuals, but rather to summarize their concerns into questions that were presented to Ms. Koller in advance of the hearing. Ms. Koller responded to these concerns, both in writing and orally, at the continuation of the hearing on April 5, 2007.

Among the concerns that were raised is Ms. Koller's use of consultants, such as the American Institute for Full Employment, in her administration of the Department of Human Services. Ms. Koller admitted to receiving policy and program advice from the American Institute for Full Employment and other consultants. She testified that the American Institute for Full Employment is a not-for-profit research and education corporation with nationally-recognized experts in their fields who provide services at no cost. She assured the Committee that the consultants do not set policy or make decisions for the Department of Human Services. She noted that the consultants have knowledge of federal law and policy that she and her staff do not, and as a result are, among other things, assisting with the review of data to determine the extent that state policies and programs are meeting expectations or statutory requirements.

Ms. Koller also admitted using consultants in other strategic areas such as to help identify where the State can save funding through greater efficiency and effectiveness or secure additional federal funding at no cost. For instance, consultants are assisting the Department of Human Services to convert the state-funded Chore Program to Medicaid funding. It is estimated that this initiative will generate in excess of \$12,000,000 over the next four years. Consultants are also working with the Department of Human Services to document expenditures that can be counted as maintenance of effort under the federal Temporary Assistance for Needy Families Program. This will help avoid a penalty and enable funding to be used in a more flexible way. The estimated value of this initiative is \$60,000,000 over the next four years.

Another concern was in regard to Ms. Koller's management style and her relationship with Department of Human Services' personnel. Even some of her supporters indicated that they did not always agree with the manner in which Ms. Koller tackles problems. However, most were quick to acknowledge that Ms. Koller's tenacity has produced noticeable improvements and outcomes at the Department of Human Services. Ms. Koller described herself as a high energy, high extrovert and vocal person who sets high standards. She indicated that some individuals have resisted change and the standards she set. However, she believes that she now enjoys more positive, supportive, team relationships because of the positive outcomes that the Department of Human Services has achieved.

Ms. Koller stated that she wants employees to feel comfortable coming forward with their concerns. She told the Committee that she will address employees' concerns in a fair, supportive, and confidential manner. She indicated a willingness to create an Ombuds Office at the Department of Human Services to mediate and problem-solve with personnel, and to open dialogue with personnel regarding their ideas and why certain policy changes are occurring. Ms. Koller highlighted the fact that she worked to decrease employees' caseloads for the benefit of the employees' and the individuals that they serve, and advocated for pay increases for Child Welfare Services employees.

Ms. Koller outlined some of her plans for the Department of Human Services if she is appointed for another term. One goal is to raise the earning potential of disabled clients and increase the number of these clients that are employed at higher wages or self-employed in their own businesses. Ms. Koller also testified that the Department of Human Services is at a critical stage of negotiation with the federal government regarding a Medicaid waiver that will bring Hawaii's aged and disabled clients into managed healthcare. The goal is to maximize the amount of federal revenue that the State receives for this new QUEST Expanded Access Program so these individuals will receive more services, higher-quality medical treatment, and experience-improved health outcomes. The Department of Human Services is also working on a Medicaid waiver extension for its QUEST health insurance program.

The Department of Human Services' Child Welfare Services Branch will be preparing for the federal Child and Family Services Review of the second Program Improvement Plan to ensure that it has met its goals and maintained the progress that it made over the past few years. One particular area of focus will be improving the stability of children in foster care by reaching out to community partners and increasing recruitment, training, and retention of foster families, especially Native Hawaiian foster families. Ms. Koller testified that other significant challenges for the Department of Human Services over the next four years will be complying with the federal Deficit Reduction Act - she anticipates a need to further maximize federal Temporary Assistance for Needy Families revenue - and preparing for the aging of Hawaii's population.

Your Committee finds that the nominee has adequately responded to the Committee's inquiries and concerns. Ms. Koller provided broad and candid responses to difficult questions regarding not only the initiatives that the Department of Human Services has undertaken during her administration, but also her management style and relationship with personnel. She expressed a willingness to address concerns that were raised and was open to suggestions regarding improvements that can be made. In addition, there was a great deal of testimony from various government

and community representatives, as well as individuals, attesting to the positive outcomes that have been achieved at the Department of Human Services under Ms. Koller's tenure.

Your Committee has very high expectations of Ms. Koller to fairly and respectfully treat the employees, clients, service providers, and community partners of the Department of Human Services. Your Committee also has high expectations that Ms. Koller will fulfill the promises she has made to your Committee throughout the reconfirmation hearings to work more collaboratively with her staff, honoring the experience they have in their fields of expertise, and to welcome employees' suggestions on how to continually improve the Department's service to the public.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Ayes with Reservations, 3 (Hooser, Ihara, Sakamoto). Noes, none. Excused, none.

SCRep. 1856 Transportation and International Affairs on H.C.R. No. 291

The purpose of this measure is to request the World Health Organization to confer "observer status" upon Taiwan in order to permit Taiwan's participation in the World Health Organization's programs and activities.

Your Committee received testimony in support of this measure from two individuals.

The protection of the health and welfare of all peoples of the world depends greatly upon the World Health Organization. Taiwan, although having a population of twenty-three million people, is not a member of the World Health Organization. Taiwan has expressed a desire and willingness to participate in the World Health Organization's programs and activities.

Before Taiwan lost its membership in the World Health Organization in 1972 because of termination of its membership in the United Nations, Taiwan was a valuable contributing member of the World Health Organization. If allowed to participate again, there is no doubt that Taiwan will serve as a productive member of the World Health Organization.

As affirmed by the record of votes of the members of your Committee on Transportation and International Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 291, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hooser, Inouye, Taniguchi).

SCRep. 1857 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 304, 305, 513 and 514

Recommending that the Senate advise and consent to the nominations of the following:

HAWAII COMMUNITY DEVELOPMENT AUTHORITY (HCDA)

G.M. No. 304 GRADY L. CHUN, for a term to expire 6-30-2011;

G.M. No. 305 PAUL KEN KIMURA, for a term to expire 6-30-2011;

G.M. No. 513 CHRISTOPHER TAKAAKI KOBAYASHI, for a term to expire 6-30-2011; and

G.M. No. 514 DEXTER NORIFUMI OKADA, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Grady L. Chun, Paul Ken Kimura, Christopher Takaaki Kobayashi, and Dexter Norifumi Okada to have the necessary qualifications to be nominated to the Hawaii Community Development Authority.

Testimony in support of Grady L. Chun's nomination was submitted by the Department of Business, Economic Development, and Tourism, the Hawaii Community Development Authority, and two individuals.

Mr. Chun received his Bachelor of Arts degree from the University of Hawaii at Manoa, and is a Certified Investment Advisor and a Licensed Insurance Resident Producer. He is currently a Financial Consultant and Advisor for Linsco/Private Ledger and previously worked at AXA Advisors, LLC in Honolulu and San Francisco, California. He serves as a Director of the See Dai Doo Society, a Community Advisor on the Board of Directors for Kawaiahao School, and a member of the Hawaii Chinese Civic Association. Mr. Chun joined the Authority on April 2005 as a City Council nominee when an unexpected vacancy occurred and since that time has shown his great ability to serve on the Authority. His knowledge of financial planning and insurance issues has contributed greatly to the diversity of the Authority. He also serves as a member on a task force established to explore development alternatives for small lot owners. Mr. Grady's demonstrated commitment, professional experience, and interest in improving the Kakaako and Kalaeloa communities make him a valuable asset to the Hawaii Community Development Authority for a full four-year term.

Testimony in support of Paul Ken Kimura's nomination was submitted by the Department of Business, Economic Development, and Tourism, the Hawaii Community Development Authority, the Kewalo Keiki Fish Conservancy, and four individuals.

Mr. Kimura is a graduate of Iolani School and attended the University of Hawaii at Manoa. He is currently the President and third generation owner and operator of City Fender and Body Service Ltd., a small business located in Kakaako that was started in 1941 by his grandfather. He is a charter director and past president of the Kakaako Improvement Association, which is a community-based organization established to identify and address concerns and opportunities within the Kakaako area. He is concerned with all aspects of development in Kakaako, but he has put equal vigor into carrying out his fiduciary responsibilities with regard to Kalaeloa. Mr. Kimura's deep knowledge and care in the interests of small businesses and demonstrated commitment and interest in improving the Kakaako and Kalaeloa communities make him a valuable asset to the Hawaii Community Development Authority for a second term.

Testimony in support of Christopher Takaaki Kobayashi's nomination was submitted by the Department of Business, Economic Development, and Tourism; the Hawaii Community Development Authority; a Council Member, City and County of Honolulu; the Hawaii Building and Construction Trades Council, AFL-CIO; and two individuals.

Mr. Kobayashi received his Bachelor of Science degree in Finance from Santa Clara University in Santa Clara, California, and his Doctorate of Jurisprudence from the Northwestern School of Law at Lewis and Clark College in Portland, Oregon. He is currently a Partner of Kobayashi, Sugita and Goda where he concentrates in areas of corporate, construction, and commercial law. Prior to joining Kobayashi, Sugita and Goda, he served as a foreign associate with the Hashidate Law Office in Tokyo, Japan. He is a member of the Hawaii State Bar Association and the American Bar Association. Mr. Kobayashi engages in extensive community activities, including serving as a Director of the East-West Center Foundation, a member of the Board of Governors of the Japanese-American National Museum, a Director of Ahahui Koa Anuenue, a Director of the Oahu Interscholastic Association Athletic Foundation, and a Director of the Hawaii High School Athletic Association Foundation. He sits on the Advisory Board for Rebuilding Together Hawaii that organizes teams of volunteers from business, labor, and the community to repair and renovate community facilities and the homes of low-income, elderly, and disabled residents of Hawaii.

He was selected by the Governor from a list of four names submitted by the Senate President pursuant to Act 252, Session Laws of Hawaii 2006. Mr. Kobayashi's concentration in the areas of construction matters and commercial leasing concerns will contribute an informative and insightful perspective to the Authority, and his finance background and professional experience overseas will provide further depth to the Hawaii Community Development Authority.

Testimony in support of Dexter Norifumi Okada's nomination was submitted by the Department of Business, Economic Development, and Tourism, the Hawaii Community Development Authority, the Kewalo Keiki Fish Conservancy, the Hawaii Transportation Association, and six individuals.

Mr. Okada is a graduate of Punahou School, received his Bachelor of Arts in Economics from Claremont Mens College, and received his Bachelor in Science and Master in Science in Industrial Engineering from Stanford University. He is currently the President of U. Okada & Co., Ltd., which is a four-generation family company headquartered in Kakaako. Prior to joining his family business, he served in the United States Army, achieving the rank of Second Lieutenant, and received management training at Hawaii National Bank. Mr. Okada serves as a Director of the United Fishing Agency, the President of the Hawaii Transportation Association, and a Director of the Kakaako Improvement Association. He was recently recognized by Small Business Hawaii as the "Small Business Person of the Year" for testifying and challenging "the State, the Lingle Administration, the Hawaii Community Development Authority, and the City and County of Honolulu" as it relates to Improvement District 11.

Mr. Okada was selected by the Governor from a list of names submitted by the Speaker of the House pursuant to Act 252, Session Laws of Hawaii 2006. With deep roots in the Kakaako District and a depth of understanding of the changing dynamics and challenges small businesses face, Mr. Okada is well positioned to contribute to the Hawaii Community Development Authority's legislative mandate of combining the strength of private enterprise with public development and regulation to result in the implementation of improved community development.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Hee).

SCRep. 1858 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 570

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF ACUPUNCTURE

G.M. No. 570 MICHAEL HOWDEN, for a term to expire 6-30-2011

Upon review of the personal history provided by the nominee, Michael Howden, your Committee finds that Mr. Howden is a graduate of John Hopkins University with a Master of Arts. Mr. Howden received his Bachelor of Arts degree from Middlebury College. He has completed a four-year acupuncture tutorial with Dr. Lam Kong, O.M.D., and has also completed classes on Hawaiian healing. Mr. Howden has been an acupuncturist since 1987 and also works as a site inspector for the Accreditation Commission for Acupuncture. He has passed examinations for licensure in Oregon, California, and Hawaii. Mr. Howden currently maintains an office at the Kula Clinic on Maui.

Testimony in support of Mr. Howden was submitted by the Department of Commerce and Consumer Affairs.

Your Committee notes that, while Mr. Howden has previously served on the Board of Acupuncture from 1995 to 2000, his current nomination complies with the term limitations of section 26-34, Hawaii Revised Statutes.

Your Committee finds that Mr. Howden's many years of experience will make him a great asset to the Board of Acupuncture.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Slom).

SCRep. 1859 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 526, 527 and 528

Recommending that the Senate advise and consent to the nominations of the following:

STATE BOARD OF NURSING

G.M. No. 526 NATHANIEL M. APATOV, RN, CRNA, PH.D., for a term to expire 6-30-2010.;

G.M. No. 527 STEPHEN A. KULA, PH.D., for a term to expire 6-30-2010; and

G.M. No. 528 CECILIA P.S. MUKAI, PH.D., for a term to expire 6-30-2010

Upon reviewing the personal histories submitted by the nominees, your Committee finds Nathaniel M. Apatov, RN, CRNA, Ph.D.; Stephen A. Kula, Ph.D.; and Cecilia P.S. Mukai, Ph.D to have the necessary qualifications to be nominated to the State Board of Nursing.

Your Committee received testimony in support of Dr. Nathaniel M. Apatov's nomination from the Department of Commerce and Consumer Affairs.

Dr. Apatov has a Doctorate in Neuroscience and a Master of Science in Nursing from the Uniformed Services University of Health Sciences, a Master of Health Science from Texas Wesleyan University, a Bachelor of Science in Nursing from Pace University, and an Associate Degree in Nursing from Rockland Community College. Dr. Apatov is a Lieutenant Colonel in the United States Army and is currently serving the Director of the Phase II Clinical Anesthesia Program at Tripler Army Medical Center and as an Assistant Professor of Nursing at the University of Texas at Houston and the Uniformed Services University. His prior work experience includes serving as the Assistant Director of Phase II; an Instructor and Assistant Program Director of the Anesthesia Branch of the Academy of Health Sciences; a Staff Nurse Anesthetist at Walter Reed Army Medical Center, DeWitt Army Hospital, and the 21st Evacuation Hospital in Dhahran, Saudi Arabia; and Head Nurse at Keller Army Community Hospital in West Point, New York.

Dr. Apatov is the chair and a former vice chair of the Council on Certification of Anesthetists Nurse, President of the Hawaii Association of Nurse Anesthetists, and a member of the American Association of Nurse Anesthetists, International Anesthesia Research Society, and American Pain Society. Dr. Apatov has received numerous military awards and distinctions. He is widely published and has made presentations on various topics related to pain and anesthesiology.

Dr. Apatov has already proved to be a valued contributor to the Board as evidenced by the Board's solicitation of his opinions and expertise. Given his experience, knowledge, and skills, your Committee finds he is highly qualified to serve on the State Board of Nursing representing registered nurses on Oahu.

Your Committee received testimony in support of Dr. Stephen A. Kula's nomination from the Department of Commerce and Consumer Affairs and the Healthcare Association of Hawaii.

Dr. Kula has a Doctorate in Business Administration from Kennedy Western University; a Master of Science in Production Management, Avian Medicine and a Bachelor of Science in Avian Science from Colorado State University; and an Associate in Arts from Leeward College.

Dr. Kula is a licensed Nursing Home Administrator and is certificated by the Department of Education as Hawaii Professional Staff. He has over twenty-two years of senior-level executive management experience in both nonprofit and private companies and is currently the Director of Long-Term Care for AIG Hawaii Insurance Company, Inc. and an Adjunct Professor in the Department of Business Administration of Hawaii Pacific University. His previous work experience includes the positions of Executive Director for The Arc in Hawaii; President, Chief Executive, Operational, and Financial Officer of Hospice Hawaii, Inc.; Senior Administrative Employee of Sisters of the Sacred Hearts and Sacred Hearts Academy; Owner, Consultant, and Teacher for PersonAll Programmings; and a lobbyist for United Egg Producers.

Dr. Kula is the treasurer of Hawaii Youth Challenge, a facilitator for Holy Trinity Church Pastoral Council, and a member of the National Council of Hospice Professionals. He is a past-president of the Hawaii State Hospice Network and a past-board member of the Hawaii State Board of Nursing, Pacific Health Ministries of Hawaii, and the Healthcare Association of Hawaii, for which he served as the chair of the Home Care and Hospice Division.

Your Committee finds that Dr. Kula's extensive experience is evidence of his qualification to serve as a public member of the State Board of Nursing.

Your Committee received testimony in support of Dr. Cecilia P.S. Mukai's nomination from the Department of Commerce and Consumer Affairs.

Dr. Mukai has a Doctorate of Educational Psychology and a Bachelor of Science in Nursing from the University of Hawaii and a Master of Science in Nursing from Yale University. She is licensed as a Family Nurse Practitioner by the American Nurses Credentialing Center, an Advanced Practice Nurse (APRN) and a Registered Nurse (RN) by the Hawaii State Board of Nursing, and a Professional Cardio Pulmonary Respiration administrator by the American Heart Association.

Dr. Mukai is the Director and Nursing Department Chair of the University of Hawaii at Hilo, where she previously served as an Associate Professor and Instructor of Nursing. She has also taught as an Assistant Professor and Instructor of Nursing at the University of Hawaii at Manoa. Dr. Mukai is also a family nurse practitioner for Dr. Kevin Kurohara in Hilo. She has also worked as a nurse and nurse practitioner, an accreditation site administrator, and an expert witness on nursing.

Dr. Mukai is on the board of directors of Hawaii Island AHEC "Ke Anuenue", the advisory boards of the State AHEC and Public Health Nursing-Hawaii Island Branch, and a member of Sigma Theta Tau Nursing Honor Society and the Lanakila Funlife Program. She has been recognized with awards from a variety of organizations for her accomplishments and has published and presented several articles.

Your Committee finds that Dr. Mukai's training and experience make her highly qualified to fill the APRN position on the State Board of Nursing.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Slom).

SCRep. 1860 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 645 and 646

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF EXAMINERS IN OPTOMETRY

G.M. No. 645 KEVIN K. LUI, O.D., for a term to expire 6-30-2011; and

G.M. No. 646 HENRY LYMAN MAKINI, O.D., for a term to expire 6-30-2011

Upon review of the background information submitted by the nominee, Kevin K. Lui, O.D., your Committee finds that Dr. Lui is the president of Mid Pacific Eyecare, providing primary optometric services. Dr. Lui is licensed as an optometrist in both California and Hawaii. Dr. Lui is

also a member of the American Optometric Association and the Hawaii Optometric Association. Dr. Lui has also served on the Department of Transportation Medical Advisory Board, currently sits on the Regulated Industries Complaints Office Advisory Committee for Optometry, and is a member of the Medicare Carrier Advisory Board.

Your Committee received testimony in support of Dr. Lui from the Department of Commerce and Consumer Affairs, the Hawaii Optometric Association of Hawaii, and two individuals.

Your Committee finds that Dr. Lui's experience will make him an excellent addition to the Board of Examiners in Optometry.

Upon review of the background information submitted by the nominee, Henry Lyman Makini, O.D., your Committee finds that Dr. Makini is the owner and president of Eyes Plus Inc. and has been an optometrist since 1987. He is a member of the American Optometric Association and the Hawaii Optometric Association. Dr. Makini has also been active in numerous community organizations including the Waianae Rotary Club, the Kapolei Rotary Club, and Chapter One Remedial Reading Programs across the Waianae Coast. As part of the Kapolei Rotary Club, Dr. Makini began a public awareness program to assist children who have vision problems from being misdiagnosed as having ADHD or other learning disabilities.

Testimony in support of Dr. Makini was submitted by the Department of Commerce and Consumer Affairs, the Hawaii Optometric Association, and five individuals.

Your Committee finds that Dr. Makini's many years of experience and his dedication to helping the community will serve him as well a member of the Board of Examiners in Optometry.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Slom).

SCRep. 1861 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 650 and 651

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF PHARMACY

G.M. No. 650 PATRICK LEE ADAMS, for a term to expire 6-30-2008; and

G.M. No. 651 STANLEY M. CHOW, for a term to expire 6-30-2011

Upon reviewing the personal information submitted by the nominee, Patrick Lee Adams, your Committee finds that Mr. Adams is a graduate of the Northeast Louisiana University School of Pharmacy. He is currently a pharmacist with Foodland and previously served as a traveling pharmacist in Washington State, providing pharmaceutical services to Indian health centers and hospitals.

Prior to becoming a pharmacist, Mr. Adams worked with United Parcel Service and helped to develop the air system United Parcel Service currently has in place. Mr. Adams was also appointed to the Airport Advisory Board of Albuquerque, New Mexico to assist in the airport's major expansion project.

Throughout his career, Mr. Adams has been active in community service and is always looking for opportunities to promote community health. Mr. Adams is familiar with the operations of the Board, as he regularly attends the Board's meetings.

Testimony in support of Mr. Adams was submitted by the Department of Commerce and Consumer Affairs; the Healthy Mothers, Healthy Babies Coalition of Hawai'i; and one individual.

Your Committee finds that Mr. Adams' broad range of experiences and his leadership abilities will make him a key component of the Board of Pharmacy.

Upon reviewing the personal history submitted by the nominee, Stanley M. Chow, your Committee finds that Mr. Chow is an attorney with the law firm of Char Hamilton Campbell & Thom, specializing in medical malpractice, personal injury, insurance litigation, and collection matters. Prior to going into private practice, Mr. Chow served as a law clerk to the Honorable Robert Won Bae Chang and worked as a deputy prosecuting attorney. He has numerous professional memberships, including being a member of the Association of Trial Lawyers. He also serves as an arbitrator with the Court Annexed Arbitration Program for the State of Hawaii.

Testimony in support of Mr. Chow was submitted by the Department of Commerce and Consumer Affairs and two individuals.

Your Committee finds that Mr. Chow's professional background will provide a unique perspective to the Board of Pharmacy.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Slom).

SCRep. 1862 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 652

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF PHYSICAL THERAPY

G.M. No. 652 ROBERT KISSENBERGER, MSPT, for a term to expire 6-30-2011

Upon review of the background information submitted by the nominee, Robert Kissenberger, MSPT, your Committee finds that Mr. Kissenberger is a physical therapist in private practice and is the director of physical therapy at the Balance Center of the Pacific. Mr. Kissenberger received both his Masters of Science in Physical Therapy and his Bachelor of Science in Sports Injury Management from the

University of Nevada, Las Vegas. He also served in the United States Air Force and the Hawaii Air National Guard. Mr. Kissenberger is a member of the American Physical Therapy Association, the American College of Sports Medicine, and the Golden Key National Honor Society.

Testimony in support of Mr. Kissenberger was submitted by the Department of Commerce and Consumer Affairs.

Your Committee finds that Mr. Kissenberger's extensive knowledge in the field of physical therapy will make him a great asset to the Board of Physical Therapy.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Slom).

SCRep. 1863 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 529

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF PSYCHOLOGY

G.M. No. 529 ELAINE MARIE HEIBY, for a term to expire 6-30-2011

Upon reviewing the personal history submitted by the nominee, Elaine Marie Heiby, your Committee finds that Ms. Heiby received her Bachelor of Arts in Psychology from Case Western Reserve University. Ms. Heiby went on to complete her Masters of Arts in Psychology, as well as her Doctorate in Clinical Psychology, at the University of Illinois at Chicago.

Ms. Heiby is currently a professor in the Department of Psychology at the University of Hawaii and is also a research professor with the Cancer Research Center of Hawaii at the University of Hawaii. In addition, Ms. Heiby has many years of clinical and administrative experience.

Ms. Heiby has published more than forty articles, newsletters, conference proceedings, and public works, and has co-authored two books. Ms. Heiby's writings can also be found in various chapters of over twenty books.

Ms. Heiby continues to be very active in various professional associations and she has received numerous honors throughout her career.

Testimony in support of Ms. Heiby was submitted by the Department of Commerce and Consumer Affairs.

Your Committee finds that Ms. Heiby's extensive experience as both a psychologist and an educator continue to make her a key component of the Board of Psychology.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Slom).

SCRep. 1864 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 708

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF SPEECH PATHOLOGY AND AUDIOLOGY

G.M. No. 708 JENNY C. WELLS, for a term to expire 6-30-2010

Upon review of the background information submitted by the nominee, Jenny C. Wells, your Committee finds that Ms. Wells received her Bachelors of Science in Business Administration from Chapman College. She received both her Masters in Education and her Doctorate of Education from the University of Hawaii. She is currently an assistant professor at the University of Hawaii. She is a member of the Council for Exceptional Children and the Autism Society of Hawaii.

Testimony in support of Ms. Wells was submitted by one individual.

Your Committee finds that Ms. Wells' many years of experience will make her an excellent addition to the Board of Speech Pathology and Audiology.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Slom).

SCRep. 1865 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 660 and 661

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF VETERINARY EXAMINERS

G.M. No. 660 ELWOOD ICHIRO KITA, for a term to expire 6-30-2010; and

G.M. No. 661 REBECCA H. RHOADES, D.V.M., for a term to expire 6-30-2009

Upon review of the background information submitted by the nominee, Elwood Ichiro Kita, your Committee finds that Mr. Kita is a graduate of the University of Hawai'i with a Bachelor of Arts degree in Sociology and a Masters of Social Work. He is currently a social worker in private practice and previously worked as a social worker for the Department of Health in Hilo, Hawai'i. He is active in numerous community organizations, ranging from working with the Hawai'i Island Rural Health Association, Inc., to volunteering with the Peanut Butter Ministry.

Testimony in support of Mr. Kita was submitted by the Department of Commerce and Consumer Affairs and three individuals.

Your Committee finds that Mr. Kita's unique background and dedication to public service will provide a fresh perspective to the Board of Veterinary Examiners.

Upon review of the background information submitted by the nominee, Rebecca H. Rhoades, D.V.M., your Committee finds that Dr. Rhoades is the executive director of the Kaua'i Humane Society. Prior to her work at the Kaua'i Humane Society, Dr. Rhoades was a consultant to the Humane Society of the United States in Washington, D.C. and has numerous years of experience as a veterinarian at other animal care clinics and shelters. Dr. Rhoades is active in various professional associations, including being a board member of the Society of Animal Welfare Administrators and the vice president of the Dog Fanciers of Kaua'i.

Your Committee received testimony in support of Dr. Rhoades from the Department of Commerce and Consumer Affairs, the Chairman of the Kaua'i County Council, and five individuals.

Your Committee finds that Dr. Rhodes' many years of experience and her dedication and commitment to the field of veterinary sciences will make her a key component of the Board of Veterinary Examiners.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ihara, Slom).

SCRep. 1866 Judiciary and Labor on Jud. Com. No. 2

Recommending that the Senate consent to the nomination of the following:

DISTRICT COURT OF THE THIRD CIRCUIT

HARRY P.N.S. FREITAS

Your Committee finds that the nominee graduated from Damien Memorial High School and attended Windward Community College where he received an Associate in Arts Degree in Liberal Arts. He attended Honolulu Community College and West Oahu College while employed by the Honolulu Police Department as an officer and the Honolulu Fire Department as a firefighter. He then attended Hastings College of Law and received his Juris Doctor Degree. He was employed as a deputy District Attorney in the Lake County District Attorney's Office and the Marin County District Attorney's Office. Your Committee finds that the nominee returned to Hawaii and worked as a deputy Prosecuting Attorney in the Honolulu Prosecutor's Office. He then went to Hilo where he worked as a Deputy Prosecuting Attorney, a Deputy Public Defender, a Deputy Corporation Counsel, where he is currently employed.

Your Committee received testimony in support of the nominee from Hawaii County Corporation Counsel's Office and seven individuals. There was no testimony in opposition to the nominee.

In addition, your Committee received information from the Office of Disciplinary Counsel that indicated there were no complaints or grievances filed against the nominee.

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1867 Judiciary and Labor on Gov. Msg. No. 681

Recommending that the Senate advise and consent to the nomination of the following:

CIRCUIT COURT OF THE FIFTH CIRCUIT

G.M. No. 681 RANDAL VALENCIANO, for a term of ten years

Your Committee finds that the nominee graduated from Waimea High School in Kauai and went to college and received a Bachelor of Science degree from the University of Oregon majoring in Political Science. He then attended the University of Washington, School of Law where he received his Juris Doctor degree. The nominee worked in the Office of the Public Defender from 1983-1984. In 1983, the nominee then went to work at the Kauai Prosecuting Attorney's Office until 1987. Since 1987 to present, the nominee engaged in the private practice of law becoming the owner of his own office in 1996. The nominee's practice consisted mostly of criminal and Family Court matters.

Your Committee received information from the Office of Disciplinary Counsel of four complaints on the nominee that were all investigated and dismissed.

Your Committee received testimony in support of the nominee from the Kauai's Prosecuting Attorney's Office, Kauai Filipino Community Council, Diogo Appraisal Services, Inc., Democratic Party of Kauai, Fujiuchi Investigations, Inc., Kodani & Associates, Inc., Noguchi & Associates, Inc., Central Pacific Bank, Nishimura & Associates, Inc., Nina's Tax Services, Hawaii Government Employees' Association, Kauai Island Finance, Inc., Na Pali Riders, Inc., and twenty individuals. There was no testimony in opposition to the nominee.

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1868 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. No. 358

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF LAND AND NATURAL RESOURCES

G.M. No. 358 ROBERT J. PACHECO, for a term to expire 6-30-2010

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds Robert J. Pacheco to have the necessary qualifications to be nominated to the Board of Land and Natural Resources.

Testimony in support of Robert J. Pacheco's nomination was submitted by the Department of Land and Natural Resources; the Sierra Club, Hawaii Chapter; Palani Ranch Company, Inc.; and thirty-two individuals.

Mr. Pacheco attended Chico State University and the University of Colorado where he focused his studies on the Socio-Economics of Natural Resource Management. He is currently the Founder and President of Hawaii Forest and Trail in Kailua-Kona, which operates nature adventure tours and a retail store. He has extensive community involvement, including serving as a Board Member of the Big Island Visitors Bureau, the Chairperson of the Mauna Kea Management Board, a Board Member of Friends of Hawaii Volcanoes National Park, a Board Member of the Paniolo Preservation Society, and the President of T.R.E.E. Center Hawaii. Mr. Pacheco indicated to your Committee that he plans to no longer be part of the Mauna Kea Management Board to avoid any potential conflicts while serving on the Board of Land and Natural Resources. He further indicated that with regard to issues relating to the Na Ala Hele Program, he will seek the advice of Deputy Attorney General assigned to the Board of Land and Natural Resources because Hawaii Forest and Trail holds trail access permits from private landowners for its adventure tours.

Mr. Pacheco currently represents the Island of Hawaii on the Board as an interim member, and is nominated to represent the Big Island for a four-year term. Since his interim appointment, he has demonstrated a strong desire to learn about the issues presented to the Board, and he has the compassion and commitment to protect Hawaii's natural resources. Mr. Pacheco's demonstrated commitment to and professional experience in Hawaii's natural environment and resources will prove to be a valuable asset for the Board of Land and Natural Resources.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Hee).

SCRep. 1869 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. No. 571

Recommending that the Senate advise and consent to the nomination of the following:

HAWAII COMMUNITY DEVELOPMENT AUTHORITY (HCDA)

G.M. No. 571 STANTON K. ENOMOTO, for a term to expire 6-30-2011

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds Stanton K. Enomoto to have the necessary qualifications to be nominated to the Hawaii Community Development Authority.

Testimony in support of Stanton K. Enomoto's nomination was submitted by the Department of Business, Economic Development, and Tourism; the Department of Budget and Finance; the Hawaii Community Development Authority; the Office of Hawaiian Affairs; a Council Member, City and County of Honolulu; and fifteen individuals.

Mr. Enomoto is a graduate of Kamehameha Schools and received his Bachelor of Arts degree with highest honors in Geology and Environmental Studies from Macalester College in St. Paul, Minnesota. He is currently the Special Assistant to the Administrator at the Office of Hawaiian Affairs. Prior to his employment there, he was the Director of Planning and Development for Kalaeloa at the Hawaii Community Development Authority where he was responsible for directing all planning and development activities at Kalaeloa to advance economic growth and attract private-sector investment in a sustainable manner consistent with the interests and needs of the Ewa District. He also spent nine years with the Kaho'olawe Island Reserve Commission where he served as a Remediation Program Manager, a Senior Policy Advisor, and the Acting Executive Director. Mr. Enomoto also serves as the Chairperson of the United States Census Bureau's Race and Ethnic Advisory Committee for Native Hawaiians and Other Pacific Islanders, and is a Trustee of the Historic Hawai'i Foundation.

Mr. Enomoto has an unassailable record of Hawaiian cultural sensitivity and understanding from his extensive experience with the Kaho'olawe Island Reserve Commission to his current position at the Office of Hawaiian Affairs. His professional and cultural backgrounds will assist the Authority in its efforts in moving Kalaeloa forward in the future. Mr. Enomoto brings a strong record of accomplishments and experiences, personal and professional, which makes him well qualified to serve on and an invaluable asset to the Hawaii Community Development Authority.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1870 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 421 and 615

Recommending that the Senate advise and consent to the nominations of the following:

KAHO'OLAWE ISLAND RESERVE COMMISSION

G.M. No. 421 MILTON M. ARAKAWA, for a term to expire 6-30-2011; and

G.M. No. 615 CRAIG A. NEFF, for a term to expire 6-30-2011

Your Committee received testimony in support of Milton M. Arakawa from Munekiyo Hiraga, Inc.; Chair of the Kaho'olawe Island Reserve Commission; one Maui Councilmember; and one individual.

The nominee is the Director of the Department of Public Works and Environmental Management, County of Maui. He has worked for the Hawaii Community Development Authority and the Department of Planning and Economic Development.

Mr. Arakawa received a Bachelor of Arts degree in History and Sociology, a Master of Arts in Sociology degree, and a Master of Urban and Regional Planning from the University of Hawai'i at Manoa. He is a member of the American Planning Association, American Institute of Certified Planners, and Kiwanis Club of Maui.

Your Committee notes the nominee's personal statement to the effect that the Kaho'olawe Island Reserve Commission should act as a steward of the Island of Kaho'olawe. All actions on the island should be done in accord with a master plan. The plan should outline specific achievable steps to maximize and leverage finite resources, as well as maximize efforts in the areas of environmental restoration, enhancement of cultural resources, and development of appropriate infrastructure.

Your Committee received testimony in support of Craig A. Neff from the Office of Hawaiian Affairs; Kaho'olawe Island Reserve Commission; Kohe Malamalama O Kanaloa; and six individuals.

The nominee is the owner of The Hawaiian Force, a retail clothing boutique in Hilo that features his artwork and designs on clothing and other items. He has previous service with the Kaho'olawe Island Reserve Commission from 1994-1999, and 2001-2002. Mr. Neff has been a member since 1981 of the Protect Kaho'olawe 'Ohana. His community service includes protection and repatriation of iwi kupuna on Moloka'i and Kaho'olawe.

Mr. Neff received a Bachelor of Fine Arts degree from the University of Hawai'i at Manoa. Your Committee notes his personal statement to the effect that he has been consistently involved with Kaho'olawe as a member of the Protect Kaho'olawe Ohana for the past twenty-six years. He has walked the island from ili to ili, and has paddled around the island from bay to bay. He served on the Kaho'olawe Island Reserve Commission in its formative years which focused on the development of safety and management policies, plans, and protocols. He has been involved in each and every burial protection and stabilization process conducted on the island. Mr. Neff is trained as a Na'alapa in the protocols to protect and stabilize the religious and cultural sites on Kaho'olawe.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Record of Votes for Milton M. Arakawa: Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Hee).

Signed by the Chair on behalf of the Committee. Record of Votes for Craig A. Neff: Ayes, 5. Noes, none. Excused, none.

SCRep. 1871 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 636 and 637

Recommending that the Senate advise and consent to the nominations of the following:

MOLOKA'I IRRIGATION SYSTEM WATER USERS ADVISORY BOARD

G.M. No. 636 STEVEN L. ARCE, for a term to expire 6-30-2009; and

G.M. No. 637 KATHY M. HANCOCK, for a term to expire 6-30-2011

Your Committee received testimony in support of Steve L. Arce from the Department of Agriculture; Chair of the Molokai Irrigation Systems Water Users Advisory Board; and Molokai Farm Bureau.

The nominee is the owner of Na Hua Ai Farms, which grows, harvests, and sells hay for animals. He is a graduate of Molokai High and Intermediate School.

Your Committee notes from Mr. Arce's personal statement that he wants to serve and protect the interests of the agricultural users and farmers. He has seen first hand some of the problems faced by farmers on Molokai, and wants to assure that the system is properly maintained and provides enough irrigation water for the farming community.

Your Committee received testimony in support of Kathy M. Hancock from the Department of Agriculture; Chair of the Molokai Irrigation Systems Water Users Advisory Board; Molokai Farm Bureau; Hawaii Crop Improvement Association; Monsanto Molokai Foundation; and eight individuals.

The nominee is the Nursery Manager for Monsanto MSP Molokai, where she is responsible for the nursery management operations for approximately 15,000 nursery rows comprising approximately seventy-five acres, including internal seed and material from more than thirty external corporate and university customers. She has also worked for Naiwa Farm & Nursery, Tri-L Construction, Moloka'i Education Center, and the National Park Service.

Ms. Hancock received a Bachelor of Science degree in Marine Biology from Texas A&M University at Galveston, a Master of Science degree in Marine Science from the University of Alabama, and a Doctor of Philosophy degree from the University of Pennsylvania.

Your Committee notes from the nominee's personal statement that she would use her distinguishing qualities such as intelligence, understanding, and foresight in maintaining the irrigation system.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1872 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. No. 682

Recommending that the Senate advise and consent to the nomination of the following:

COMMISSION ON WATER RESOURCE MANAGEMENT

G.M. No. 682 JAMES A. FRAZIER, for a term to expire 6-30-2011

Your Committee reviewed the personal history and personal statement submitted by the nominee, James A. Frazier, and finds him to have the necessary qualifications to be reappointed to the Commission on Water Resource Management.

Your Committee received testimony in support of James A. Frazier from the Department of Land and Natural Resources, Department of Water Supply of the County of Hawai'i, Hawaii Agriculture Research Center, the previous Acting Deputy Director to the Commission on Water Resource Management, and one individual.

Mr. Frazier is a graduate of Punahou School and earned a Bachelor of Science degree from Colorado State University. Presently, Mr. Frazier is retired after working thirty-five years in agribusiness with C. Brewer and Company, where he served in various fields and administrative positions which allowed him to live and work on each of the major Hawaiian islands. During Mr. Frazier's tenure with C. Brewer and Company, he supervised the operations and irrigation ditch systems on West and North Kauai, as well as in Ka'u and Hamakua on the Big Island. He was also indirectly involved with the major ground water supply systems on Oahu and Maui. Mr. Frazier also worked for four years as the Executive Director of the Natural Energy Laboratory of Hawaii where he oversaw the management of both ocean and domestic water resources. Mr. Frazier currently serves on the Commission on Water Resource Management where he has demonstrated a strong commitment by balancing both the supply and the conservation of water. Mr. Frazier's considerable hands-on experience in the field and in the management of ditch systems, and of ground-water supply systems, will provide the Commission on Water Resource Management with a heightened understanding of the competing demands regarding Hawaii's finite water resources in order to ensure that water is available both now, and for future generations.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1873 Judiciary and Labor on Gov. Msg. No. 274

Recommending that the Senate advise and consent to the nomination of the following:

DIRECTOR OF THE DEPARTMENT OF HUMAN RESOURCES DEVELOPMENT

G.M. No. 274 MARIE C. LADERTA, for a term to expire 12-6-2010

Your Committee finds that Marie C. Laderta received her Bachelor of Arts from Marquette University in Milwaukee, Wisconsin, and her JD degree from the John Marshall Law School in Chicago. She attended the East China Institute of Law & Politics in Shanghai, China before practicing law in the private sector. From 1998-2003, Ms. Laderta was the supervisor of the Tort Litigation Division at the Department of the Attorney General, where her performance earned her the Departmental Manager of the Year Award in 2002. Ms. Laderta then went on to serve as the Deputy Director of the Department of Taxation from 2003-August 2005, where she was responsible for all operational matters including personnel administration, implementation of a departmental reorganization, departmental legislative initiatives, fiscal/budgetary planning, negotiation of tax compromises and penalty and interest waivers, community outreach, external and internal training and most notably, served as Project Manager for a \$53 million Integrated Tax Information Management System which revamped the entire computer and information management system for the department.

Your Committee finds that Ms. Laderta was appointed as the Interim Director of the Department of Human Resources Development in August 2005. Some of her notable accomplishments since taking the helm at DHRD include: the Kama'aina Stay Home program which showcases the various State government occupations to youths in high school who may be in the planning stages of deciding their post-secondary education; facilitating the recruitment application process by becoming accessible to the general public 24/7; providing more responsive assistance to departments in problem resolutions; and active involvement in the public workers' collective bargaining negotiations.

Your Committee finds that Ms. Laderta is also the Chairperson of the Board of Trustees for the State of Hawaii Deferred Compensation program, serves on the Board of Trustees of the Hawaii Employer-Union Health Benefits Trust Fund, and is the Governor's Representative on the Honolulu Symphony Board of Directors.

Your Committee received testimony in support of the nomination of Marie C. Laderta from the Deputy Director of DHRD, Hawaii Government Employees Association, Hawaii State Personnel Council, the Director of Human Services for the City and County of Honolulu, the Director of Human Services for the County of Hawaii, the Director of Personnel Services for the County of Maui, the Director of Personnel Services for the County of Kauai, the Human Resources Director for the State Judiciary, Director of the State Office of Planning, the Chief of Labor Relations & Training for the Department of Human Resources, Hawaii Public Housing Authority, State Attorney General, the Department of Education, Hawaii State Teacher's Association, Office of Hawaiian Affairs, Hawaii Health Systems Corporation, Hawaii Fire Fighters Association, United Public Workers, AFSCME, Local 646, AFL-CIO, the Honolulu Symphony Board of Directors, 15 employees at DHRD and numerous other citizens.

Your Committee finds that DHRD staff members indicate that Ms. Laderta possesses the necessary core leadership competencies of respect, fairness, integrity and honesty and consistently demonstrates these values in her day-to-day business actions and decisions.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1874 Education on Gov. Msg. No. 644

Recommending that the Senate advise and consent to the nomination of the following:

CENTER FOR NURSING ADVISORY BOARD

G.M. No. 644 NEIL S. MACNAUGHTON, R.N., PH.D., for a term to expire 6-30-2011

Upon review of background information submitted by the nominee, your Committee finds that Neil S. MacNaughton holds a Bachelor of Science degree in Nursing from Graceland College in Lamoni, Iowa, a Master of Arts degree in Nursing Administration from the University of

Iowa, and a Doctorate in Nursing from the University of Iowa, College of Nursing. Dr. MacNaughton currently serves as an Assistant Professor at the University of Hawaii at Manoa in the School of Nursing and Dental Hygiene and as a part-time nursing supervisor. He is being nominated for appointment to the Center for Nursing Advisory Board to serve his first term as a representative of doctorally prepared nurse researchers. Dr. MacNaughton's prior work experience includes teaching nursing at the university-level, lecturing, and serving as a teaching assistant, staff nurse, research assistant, clinical manager for a psychiatry team, clinical instructor, nurse manager, charge nurse, and volunteer R.N. He has received multiple grants and awards for his research and work in the field of nursing.

Testimony in support of the nominee was submitted by a Hawaii State Representative and two individuals.

Your Committee received responses from the nominee regarding the nominee's desire to serve, perception of the role and responsibilities of membership, qualifications for membership, and goals for the nominee's term of service on the Center for Nursing Advisory Board. Your Committee believes that the nominee adequately responded to the Committee's inquiries and demonstrated adequate knowledge of and a commitment to work towards the goals of the Board, including addressing the current nursing shortage in Hawaii.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hee, Taniguchi, Tokuda).

SCRep. 1875 Education on Gov. Msg. No. 687

Recommending that the Senate advise and consent to the nomination of the following:

EDUCATION COMMISSION OF THE STATES

G.M. No. 687 ROSE Y. TSENG, for a term to expire 6-30-2010

Upon review of background information submitted by the nominee, your Committee finds that Rose Y. Tseng holds a Bachelor of Sciences degree in Chemistry from Kansas State University and a Master of Sciences degree, a Doctorate, and has served as a Post Doctor Research Fellow, in Nutritional Sciences, with minors in Biochemistry and Physiology, from the University of California at Berkeley. She currently serves as the Chancellor of the University of Hawaii at Hilo and is being nominated for appointment to the Education Commission of the States for her first term. Dr. Tseng's prior work experience includes service as a chancellor and Chief Executive Officer of a community college district, a university dean and professor, and an associated dean and professor. She is actively involved with many boards and commissions on education, serves on numerous community boards and organizations, and has received a multitude of awards and honors for both her community service and her professional experience.

Testimony in support of the nominee was submitted by three individuals.

Your Committee received responses from the nominee regarding the nominee's desire to serve, perception of the role and responsibilities of membership, qualifications for membership, and goals for the nominee's term of service on the Education Commission of the States. Your Committee believes that the nominee adequately responded to the Committee's inquiries and demonstrated adequate knowledge of and a commitment to work towards the goals of the Commission, including developing meaningful and effective education policy.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hee, Taniguchi, Tokuda).

SCRep. 1876 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 334 and 591

Recommending that the Senate advise and consent to the nominations of the following:

ENDANGERED SPECIES RECOVERY COMMITTEE

G.M. No. 334 CLIFFORD W. MORDEN, for a term to expire 6-30-2009; and

G.M. No. 591 PATRICK JAMES HART, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Clifford W. Morden and Patrick James Hart to have the necessary qualifications to be appointed to the Endangered Species Recovery Committee.

Your Committee received testimony in support of Clifford W. Morden from the Department of Land and Natural Resources. Dr. Morden earned his Ph.D. from Texas A & M University. Presently, he works as an Associate Professor of Botany and the Center for Conservation Research and Training at the University of Hawaii at Manoa where he teaches courses on the Natural History of Hawaii, Conservation Biology, and Hawaiian Native Plants. Dr. Morden also serves as the Interim Director of the Lyon Arboretum and is the Director of the University of Hawaii's Herbarium. In September of 2006, Dr. Morden was appointed on an interim basis to the Endangered Species Recovery Committee where he has fully participated in efforts that promote the recovery of endangered species. Dr. Morden's vast knowledge and experience in conservation biology, experience with the conservation of endangered plants, and his knowledge of geographic dispersal of native species makes him a valuable component of the Endangered Species Recovery Committee.

Your Committee received testimony in support of Patrick James Hart from the Department of Land and Natural Resources. Dr. Hart earned a Ph.D. in Zoology from the University of Hawaii at Manoa and a B.A. in Aquatic Biology from the University of California at Santa Barbara. Presently, he is an Associate Professor of Biology at the University of Hawaii at Hilo where he teaches courses on the Natural History of Hawaii, Biology, Ecology, and Statistics. His research focuses on the conservation of endangered species and Hawaiian forest birds. Dr. Hart has been active in Hawaiian conservation for the last fifteen years and his work has been instrumental in guiding conservation and endangered species management programs. Dr. Hart's extensive knowledge and experience in conservation biology, endangered birds and plants, and the recovery needs of native species, will provide the Endangered Species Recovery Committee with a heightened understanding of the complex issues involved in the development of programs and policies to foster protection of Hawaii's native ecosystems.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Record of Votes for Clifford W. Morden: Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Hee).

Signed by the Chair on behalf of the Committee. Record of Votes for Patrick James Hart: Ayes, 5. Noes, none. Excused, none.

SCRep. 1877 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 618 and 703

Recommending that the Senate advise and consent to the nominations of the following:

LAND USE COMMISSION

G.M. No. 618 HOWARD H. HAMAMOTO, for a term to expire 6-30-2010; and

G.M. No. 703 VLADIMIR PAUL DEVENS, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Howard H. Hamamoto and Vladimir Paul Devens to have the necessary qualifications to be nominated to the Land Use Commission.

Testimony in opposition to Howard H. Hamamoto's nomination was submitted by the Sierra Club, Hawaii Chapter.

Your Committee notes that the Sierra Club's concerns indicated in its submitted testimony in opposition to Mr. Hamamoto's nomination related to the membership criteria of Land Use Commission, and not Mr. Hamamoto's qualifications. Your Committee notes that under section 205-1, Hawaii Revised Statutes, the only noted membership criteria other than county and at-large appointments is that at least one member shall have substantial experience or expertise in traditional Hawaiian land usage and knowledge of cultural land practices. Your Committee believes that further membership criteria and qualifications, such as the biological sciences, need to be legislatively established to ensure a broader and more qualified representation on the Land Use Commission, and intends to support the introduction of legislation during the 2008 Regular Session when two more member positions will need to be appointed.

Mr. Hamamoto received his Bachelor in Business Administration from the University of Hawaii and served in the United States Air Force, earning the rank of Lieutenant. He has extensive professional experience in real estate development, management, and investment. After nine years at Bank of Hawaii in commercial and real estate lending, he spent twenty years with AmFac Properties where he served as its President. During his tenure at AmFac Properties, he managed the extensive land holdings and carried other responsibilities, including strategic long range planning for the conversion of agricultural zoned lands into urban zoned lands. He also worked with the community and government agencies to obtain the appropriate approvals and permits. His real estate development experience includes residential apartments and condominiums, resort shopping centers, single-family residential subdivisions, light industrial subdivisions, warehouses, golf courses and clubhouses, and office buildings. Currently, Mr. Hamamoto is in real estate development and investment where he is involved in the acquisition of and investment in operating companies.

Mr. Hamamoto also extensively participates in community activities, including serving as the Chairperson of the Crown Prince Akihito Scholarship Foundation, a Director of the Japan-America Society of Hawaii, a Trustee and President of Maunalani Foundation Nursing Center, and a Member of the Distribution Committee of the Frear Eleemosynary Trust. He indicated to your Committee that he is committed to serving the Land Use Commission to the best of his abilities and is looking forward to assisting in and balancing the various issues that come before the Commission. Mr. Hamamoto's wealth of real estate knowledge and professional experience will prove to be an invaluable asset for the Land Use Commission.

Testimony in support of Vladimir Paul Devens' nomination was submitted by the Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO; the State of Hawaii Organization of Police Officers (SHOPO); the Hawaii Fire Fighters Association; and forty-eight individuals.

Mr. Devens received his Bachelor of Arts in Economics and graduated magna cum laude, Phi Beta Kappa from the University of California at Berkeley. He also received his Doctorate of Jurisprudence from the University of California Boalt Hall School of Law where he was the Associate Editor of the Industrial Relations Law Journal. He is currently a Partner at Winer Meheula and Devens, LLP, where he practices in the areas of labor relations, personal injury, products liability, worker's compensation, construction, commercial and insurance litigation, and alternative dispute resolution. He previously served as an Associate at Ikazaki, Devens, Lo, Youth and Nakano and was also a Police Officer with the Honolulu Police Department where he was nominated for Officer of the Year. He is a member of the Hawaii State Bar Association, the American Bar Association, an Arbitrator of the Court Annexed Arbitration Program, and an AYSO Soccer, KAC Baseball, and Girls Softball Coach.

Mr. Devens indicated to your Committee that although his practice of law does not focus on land use, he does possess the knowledge and desire to learn more about land use. He believes that it is good practice to allow parties from each side of an issue an opportunity to be heard in order for the Commission to have a solid and broad understanding of the issue at hand. Furthermore, he believes in balancing the many facets of land use, including sensitivity towards Native Hawaiian rights and the protection of agricultural land pursuant to the State Constitution. Mr. Devens's demonstrated commitment, academic achievements, and professional background will prove to be an invaluable asset for the Land Use Commission.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1878 Energy and Environment on H.C.R. No. 127

The purpose of this measure is to promote effective, long-term management of Hawaii's natural resources by urging the Governor to proclaim the last week in July of each year as "Conservation Week."

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources, the University of Hawaii at Manoa Sustainability Council, the Hawaii Conservation Alliance, the Hawaii Audubon Society, and one individual.

Your Committee finds that for the past fifteen years, the Hawaii Conservation Conference and many local, national, and international leaders, scientists, and conservation managers have convened during the last week in July to discuss the most current and vital conservation issues affecting Hawaii and the Pacific region. Proclaiming the last week in July as "Conservation Week" will help to increase public awareness and involvement in preserving Hawaii's extremely limited and fragile environment.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 127, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kokubun, Trimble).

SCRep. 1879 Energy and Environment on H.C.R. No. 265

The purpose of this measure is to recognize the Papahānaumokuākea Marine National Monument for its natural, cultural, and historic heritage by supporting the nomination and designation of this Northwestern Hawaiian Islands Marine National Monument as a World Heritage Site.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources and the Hawaii Audubon Society.

Your Committee finds that the Papahānaumokuākea Marine National Monument possesses outstanding universal value and fulfills the requirements set forth in the World Heritage Convention for designation as a mixed natural and cultural World Heritage Site. International recognition and preservation of this vast, isolated archipelago is vital in the global campaign to preserve biodiversity.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 265, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kokubun, Trimble).

SCRep. 1880 Energy and Environment on H.C.R. No. 58

The purpose of this measure is to protect the water quality, ocean resources, and marine environment in Hawaii by requesting all branches of the United States government to prohibit dumping of vessel sewage in federal waters in the vicinity of the Hawaiian Islands Humpback Whale National Marine Sanctuary.

Your Committee received testimony in support of this measure from the Whaleman Foundation, the Whalesong Project, the Cetacea Defence Organisation, Snorkel Bob's Hawaii, and twenty-three individuals. The Department of Land and Natural Resources submitted testimony in support of the intent of this measure with comments.

Your Committee finds that the federal Environmental Protection Agency has the authority to designate the waters within the boundaries of the Hawaiian Islands Humpback Whale National Marine Sanctuary as a No-Discharge Zone for vessel sewage. Recognizing the harsh and irreversible impact that raw sewage dumping has on the marine environment, the state of Florida had the federal Environmental Protection Agency designate the state waters within the Florida Keys National Marine Sanctuary as a No-Discharge Zone pursuant to 312(f)(4)(A) of the Clean Water Act, which protects special aquatic habitats or species.

Your Committee further finds that Hawaii's unique ocean resources and special aquatic habitats and species need to be protected from vessel sewage dumping that is contaminating state waters.

Your Committee amended this measure by making technical, nonsubstantive changes for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 58, H.D. 1, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 58, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kokubun, Trimble).

SCRep. 1881 (Joint) Human Services and Public Housing and Transportation and International Affairs on H.C.R. No. 129

The purpose of this measure is to request the U.S. Congress to enact H.R. 4465, the Global Democracy Promotion Act.

Prior to conducting a public hearing on this measure, your Committees circulated a proposed S.D. 1, to request the Center for Pacific Island Studies to convene and lead a task force to identify and address the needs of Pacific Islanders in Hawai'i.

Your Committees received testimony in support of the amended measure from the Center for Pacific Island Studies and the Department of Anthropology of the University of Hawai'i System, and two individuals.

Your Committees believe that there is a need to identify and address the needs of Pacific Islanders in Hawai'i.

The Center for Pacific Island Studies within the School of Hawaiian, Asian, and Pacific Studies at the University of Hawai'i at Manoa is the only congressionally-recognized national resource center for the study of the Pacific Islands. The Center for Pacific Island Studies, with its forty-two core and affiliate faculty members, possesses unparalleled expertise in the field of Pacific Island studies. The Center for Pacific Island Studies serves the Pacific region and its people through its commitment to the dynamic, active, and constructive exchange of knowledge on the Pacific Islands. Consequently, your Committees believe that the Center for Pacific Island Studies is the appropriate choice to convene and lead a task force to identify and address the needs of Pacific Islanders in Hawai'i. The task force would report its findings and recommendations to the 2008 Legislature.

Pursuant to the foregoing, your Committees have amended the title and the substance of this measure to reflect the amendments contained in the proposed S.D. 1.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Housing and Transportation and International Affairs that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 129, as amended herein, and recommend its adoption in the form attached hereto as H.C.R. No. 129, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 8. Noes, none. Excused, 3 (Sakamoto, Taniguchi, Hemmings).

SCRep. 1882 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 418 and 522

Recommending that the Senate advise and consent to the nominations of the following:

ISLAND BURIAL COUNCIL, ISLAND OF HAWAII

G.M. No. 418 DUTCHIE K. SAFFREY, for a term to expire 6-30-2011; and

G.M. No. 522 CYNTHIA S.H. NAZARA, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Dutchie K. Saffrey and Cynthia S.H. Nazara to have the necessary qualifications to be nominated to the Island Burial Council, Island of Hawaii.

Testimony in support of Dutchie K. Saffrey's nomination was submitted by the Department of Land and Natural Resources, Hui Kako'o `Aina Ho'opulapula, and two individuals. Hui Malama I Na Kupuna O Hawaii Nei submitted testimony in opposition to Ms. Saffrey's nomination.

Ms. Saffrey is a graduate of Kamehameha Schools and attended the Southern California School of Floral Design. For ten years, she served as United States Senator Hiram L. Fong, Sr.'s Secretary and Receptionist in Washington D.C. while the Senate was in session and in Honolulu during adjournments. She arranged all formal functions for Senator and Mrs. Fong. She later became a Sales Manager at Makaha Resort and Country Club and then the Princeville Resort before becoming a self-employed floral designer and hula instructor in Waianae for Ho'i Mai Malihini. She currently serves as a Hui Kako'o `Aina Ho'opulapula Board Director representing the Island of Hawaii and is an advocate for the rights of the twenty thousand waitlisted Hawaiian Homestead applicants.

Ms. Saffrey was appointed to serve on the Island Burial Council, Island of Hawaii in 2004, and had been nominated for a second term to serve as the Puna District representative on the Council. She has an exemplary background in Hawaiian culture with knowledge that was learned from respected kupuna. Her familial ties to the Island of Hawaii come from her paternal grandfather, Reverend Samuel Kapukauakahi, and her maternal grandmother, Annie Kanamu Ka'aemoku. Ms. Saffrey's demonstrated commitment and extensive Native Hawaiian knowledge and cultural background makes her an invaluable asset to the Island Burial Council, Island of Hawaii.

Testimony in support of Cynthia S.H. Nazara's nomination was submitted by the Department of Land and Natural Resources.

Ms. Nazara is a graduate of McKinley High School and received her Bachelor of Science in Marketing and Management Leadership from Leeward Community College. She is currently the Cultural Resource Manager at the Four Seasons Hualalai Resort in Kailua-Kona, Hawaii, where she works with a management team in the development plan to build, manage the growth of, and implement all programs established for a cultural center. She provides outstanding service to the residents, resort guests, and visiting schools on Hawaiian culture, and works with several community associations to bring in a binding awareness of the Hualalai Resort. She is a Board Member of the Kona Historical Society, an appointed Advisory Commissioner for Kaloko-Honokohau National Park, a member of the Kona Hawaiian Civic Club, and a member of the Daughters of Hawaii.

Ms. Nazara has been nominated for a second term to serve as the Kona District representative on the Council. She has an exemplary background in Hawaiian culture and comes from a Hawaiian family well known for their weaving skills. As the Cultural Manager for the Four Seasons Hualalai Resort, she had the tremendous responsibility of caring for burial and historical sites, and she has worked closely with cultural experts and archaeologists in identifying and protecting cultural sites. Ms. Nazara's demonstrated commitment and extensive Native Hawaiian knowledge and cultural background makes her an invaluable asset to the Island Burial Council, Island of Hawaii.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Hee).

SCRep. 1883 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 420 and 523

Recommending that the Senate advise and consent to the nominations of the following:

ISLAND BURIAL COUNCIL, ISLANDS OF KAUA'I AND NI'HAU

G.M. No. 420 BARBARA JEAN SAY, for a term to expire 6-30-2011; and

G.M. No. 523 LEIANA P. ROBINSON, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements by the nominees, and finds Barbara Jean Say and Leiana P. Robinson to have the necessary qualifications to be nominated to the Island Burial Council, Islands of Kaua'i and Ni'ihau.

Testimony in support of Barbara Jean Say's nomination was submitted by the Department of Land and Natural Resources and Hui Malama I Na Kupuna O Hawaii Nei.

Ms. Say is retired and has been nominated to serve a second term on the Island Burial Council as the Hanalei District representative. She has lived in Hanalei for most of her life, and as a kanaka maoli, she is very familiar with the Hawaiian cultural practices of the district of Hanalei. Furthermore, she was involved in caring for the kupuna iwi long before the burials program was established. Ms. Say's demonstrated commitment to care for the iwi and wealth of knowledge and experience in Hawaiian culture makes her an invaluable asset to the Island Burial Council, Islands of Kaua'i and Ni'ihau.

Testimony in support of Leiana P. Robinson's nomination was submitted by the Department of Land and Natural Resources.

Ms. Robinson was born in Puuwai, Ni'ihau, and is a graduate of Kamehameha Schools. She is currently employed at Ni'ihau Ranch, LLC, but has previously worked at Ni'ihau Helicopters, Inc.; Ni'ihau Island Community; Ni'ihau Aloha, LLC; and Ni'ihau Island School. She is an active member of the Ni'ihau Island Church. She has been nominated to serve a second term on the Island Burial Council as Ni'ihau's regional representative. Her demonstrated commitment and interest in the activities of the Council and her extensive knowledge of the Ni'ihau culture makes Ms. Robinson an invaluable asset to the Island Burial Council, Islands of Kaua'i and Ni'ihau for a second term.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Hee).

SCRep. 1884 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 422 and 473

Recommending that the Senate advise and consent to the nominations of the following:

ISLAND BURIAL COUNCIL, ISLANDS OF MAUI AND LANAI

G.M. No. 422 CLOTHILDA PUALANI PAOA, for a term to expire 6-30-2011; and

G.M. No. 473 LYNNE HISAE TAKIGUCHI, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Clothilda Pualani Paoa and Lynne Hisae Takiguchi to have the necessary qualifications to be nominated to the Island Burial Council, Islands of Maui and Lanai.

Testimony in support of Clothilda Pualani Paoa's nomination was submitted by the Department of Land and Natural Resources.

Ms. Paoa is a graduate of Farrington High School. Upon graduation, she served three years in the United States Air Force and later attended the University of Hawaii at Manoa. She and her husband later moved to Maui and established a brokerage firm to provide personalized services to clients interested in securing condominium, home, or land contracts. She later moved to Lanai where she has resided for the last several years. She is very involved in the Hawaiian culture and currently serves as a Kupuna Resource Teacher at the Lanai Elementary School to pass to the next generation her knowledge of the Hawaiian culture.

Ms. Paoa has been serving as the Lanai District representative on the Council for the last two years, and during that time, she has gained the respect and admiration of her fellow council members. Her demonstrated commitment and knowledge of the Hawaiian culture makes her a valuable asset to the Island Burial Council, Islands of Maui and Lanai.

Testimony in support of Lynne Hisae Takiguchi's nomination was submitted by the Department of Land and Natural Resources.

Ms. Takiguchi graduated from Baldwin High School in Wailuku, Maui and received her Associate in Arts degree in Hotel Operations from Maui Community College. She is currently an Administrative Assistant for Dowling Company, a real estate development company in Wailuku. Prior to her employment at Dowling Company, she worked at several hotels in Maui, including the Four Seasons Resort Maui, the Maui Prince Hotel, and the Grand Hyatt Wailea in Human Resource Management and Administration. She serves as the Chairperson of the Registration Committee for Baldwin High School Project Graduation and is a proud Baldwin High School Soccer Team Parent. She has also participated in the Habitat for Humanity Build-A-Thon and the American Cancer Society Relay for Life.

Ms. Takiguchi has been nominated to serve as the developer representative on the Council. Her strong professional experience in the hotel industry and experience and insights gained through her employment at Dowling Company will provide her the necessary tools to be a valuable asset to the Island Burial Council, Islands of Maui and Lanai.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Hee).

SCRep. 1885 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. No. 702

Recommending that the Senate advise and consent to the nomination of the following:

ISLAND BURIAL COUNCIL, ISLAND OF OAHU

G.M. No. 702 CY M. BRIDGES, for a term to expire 6-30-2011

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds Cy M. Bridges to have the necessary qualifications to be nominated to the Island Burial Council, Island of Oahu.

Testimony in support of Cy M. Bridges' nomination was submitted by the Department of Land and Natural Resources, the Office of Hawaiian Affairs, and seven individuals.

Mr. Bridges is a graduate of Kahuku High School and attended Church College of Hawaii (now Brigham Young University of Hawaii) and Leeward Community College. He currently serves as the Cultural Director of the Polynesian Cultural Center in Laie where he oversees all aspects of the cultural presentations throughout the Center, and has been with the Polynesian Cultural Center since 1969. Mr. Bridges serves as the President of the Native Hawaiian Hospitality Association, as a Cultural Consultant for the Innovative Development Group, and is a member of the Lanihuli Hawaiian Civic Club. Additionally, he serves on the Ko'olauloa Neighborhood Board, the Hau'ula Community Association, and the Ko'olauloa Vision Team.

Mr. Bridges has been nominated to serve a second term on the Council as the regional representative for the Ko'olauloa District. During his first term with the Council, he was instrumental in wrapping, preparing, and re-interring a large number of iwi from Kualoa to Turtle Bay and in other areas of Oahu. He received an invitation from the Bernice Pauahi Bishop Museum to coordinate the protocol, preparation, and transferring of the iwi kupuna of Aotearoa at the Museum to the staff members of the Te Papa Museum in Tongarewa, Wellington, New Zealand.

Furthermore, he has represented Hawaii at numerous cultural conferences, workshops, seminars, and arts festivals around the world. Most recently, he was a judge at one of Hawaii's most prestigious cultural events, the Merrie Monarch Festival.

Mr. Bridges has been involved with Hawaiian culture and traditions throughout his life and is committed to assisting, teaching, and serving the community. His extensive knowledge of and experience in burial issues, vast knowledge of family genealogical ties, and cultural expertise makes Mr. Bridges an invaluable cultural resource for the Island Burial Council, Island of Oahu.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1886 Economic Development and Taxation on Gov. Msg. No. 572

Recommending that the Senate advise and consent to the nomination of the following:

STATE FOUNDATION ON CULTURE AND THE ARTS COMMISSION

G.M. No. 572 SANDRA AU FONG, for a term to expire 6-30-2011

Upon review of the testimony and statement submitted by the nominee, your Committee finds that Sandra Au Fong has the necessary character, experience, and qualifications to serve on the State Foundation on Culture and the Arts Commission.

Your Committee received testimony in support of Sandra Au Fong from the State Foundation on Culture and the Arts Commission and three individuals.

Sandra Au Fong is Vice President of Leasing and Marketing for Market City Shopping Center, a company she has been associated with for twenty-three years. She has extensive experience in marketing, property management, property negotiations and acquisitions and real estate. In 2002, Mrs. Fong was recognized as a YWCA of Oahu Leader Luncheon Honoree and by the Organization of Women Leaders as the "Outstanding Woman of the Year". In addition to her professional experience, Mrs. Fong has served as a member of a wide range of community organizations and has been instrumental in raising hundreds of thousands of dollars for these organizations.

As affirmed by the record of votes of the members of your Committee on Economic Development and Taxation that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1887 Economic Development and Taxation on Gov. Msg. Nos. 616 and 617

Recommending that the Senate advise and consent to the nominations of the following:

KING KAMEHAMEHA CELEBRATION COMMISSION

G.M. No. 616 ELAINE NICKIE HINES, for a term to expire 6-30-2011; and

G.M. No. 617 JENNIFER L. VIERNES, for a term to expire 6-30-2011

Upon review of the testimonies and statements submitted by the nominees, your Committee finds that Elaine Nickie Hines and Jennifer L. Viernes have the necessary character, experience, and qualifications to serve on the King Kamehameha Celebration Commission.

Your Committee received testimony in support of Elaine Nickie Hines from the Department of Accounting and General Services, the Waimanalo Hawaiian Homes Commission, God's Country Waimanalo, and one individual.

Elaine Nickie Hines is an active member of the Kamehameha Schools Kupuna Resource Program and a singer with the Royal Hawaiian Band. Prior to her retirement in 2000, Mrs. Hines had an extensive and varied career ranging from the hospitality industry to jail matron to governor's receptionist. She has been a musician since the 1940s and has performed with many of Hawaii's best known entertainers. Mrs. Hines represents the Waimanalo Homesteaders' Association and is a reappointment to the Commission, where she has served as Commissioner in charge of the annual parade for two years.

Your Committee received testimony in support of Jennifer L. Viernes from the Department of Accounting and General Services and one individual.

Jennifer L. Viernes is a receptionist at Hawaiian Tel Federal Credit Union, a position she has held for fifteen years. She is originally from Maui and attended Kapiolani Community College after graduating from Farrington High School. She places great value on the work of the Commission in perpetuating the legacy of King Kamehameha through the activities of the Commission and their impact on residents and visitor alike. Ms. Viernes represents Hale O Na Alii O Hawaii Ahahui Poo and is a reappointment to the Commission, where she has played an active role in the annual celebration.

As affirmed by the records of votes of the members of your Committee on Economic Development and Taxation that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1888 Economic Development and Taxation on Gov. Msg. No. 643

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF DIRECTORS OF THE NATURAL ENERGY LABORATORY OF HAWAII AUTHORITY

G.M. No. 643 JASON C.K. IKAIKA HAUANIO, for a term to expire 6-30-2010

Upon review of the testimony and statement submitted by the nominee, your Committee finds that Jason C.K. Ikaika Hauanio has the necessary character, experience, and qualifications to serve on the Board of Directors of the Natural Energy Laboratory of Hawai'i Authority.

Your Committee received testimony in support of Jason C.K. Ikaika Hauanio from the Department of Business, Economic Development and Tourism; the Natural Energy Laboratory of Hawai'i Authority (NELHA); and the Chairman of the NELHA Board.

Jason C.K. Ikaika Hauanio is Assistant Vice President and Senior Financial Advisor with Merrill Lynch, a company he has been associated with since 1996. He currently specializes in financial planning with retirees and small business owners, helping clients manage over \$118,000,000 in assets. Mr. Hauanio has a Bachelor of Arts and a Masters in Business Administration from the University of Hawaii and holds insurance and financial certifications and registrations. He is active in a number of business and community organizations, including the Kona-Kohala Chamber of Commerce and the Rotary Club of Kona-Mauka.

As affirmed by the record of votes of the members of your Committee on Economic Development and Taxation that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1889 Economic Development and Taxation on Gov. Msg. No. 658

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF TAXATION REVIEW, 4TH TAXATION DISTRICT (KAUAI)

G.M. No. 658 JOSE RICARDO DA SILVA DIOGO, for a term to expire 6-30-2009

Upon review of the testimony and statement submitted by the nominee, your Committee finds that Jose Ricardo da Silva Diogo has the necessary character, experience, and qualifications to serve on the Board of Taxation Review, 4th Taxation District (Kauai).

Your Committee received testimony in support of Jose Ricardo da Silva Diogo from the Department of Taxation.

Jose Ricardo da Silva Diogo is the Owner and President of Diogo Appraisal Services, Inc., and has been a State Licensed Appraiser since 1993. Mr. Diogo has an Associate in Arts degree from Kauai Community College, attended the University of Hawaii at Manoa, and has an extensive and impressive list of continuing appraisal education. His appraisal coverage area is the Island of Kauai, and he is approved by nearly a dozen local and national lenders. Mr. Diogo is actively involved in professional and community organizations, and he has previously served on the Board of Taxation Review.

As affirmed by the records of votes of the members of your Committee on Economic Development and Taxation that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1890 Intergovernmental and Military Affairs on H.C.R. No. 190

The purpose of this measure is to request that the United States Congress and the United States President enact legislation relating to Filipino family reunification granting priority issuance of visas to Filipino veterans' children with approved immigration petitions.

Your Committee received testimony in support of this measure from WW II Fil-Am Veterans; United Filipino Council of Hawaii; Asian American Network for Cancer Awareness, Research and Training; Philippine Nurses Association; Nursing Advocates & Mentors, Inc.; Oahu Filipino Community Council; Congress of Visayan Organizations; Filipino Coalition for Solidarity; National Federation of Filipino American Associations; and one individual.

It is the intent of your Committee to recognize the sacrifice and service of Filipino veterans for their contributions to the United States during World War II, by urging the United States Congress and the President of the United States, to grant priority issuance of visas to Filipino veterans' children with approved immigration petitions.

As affirmed by the record of votes of the members of your Committee on Intergovernmental and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 190, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 2. Noes, none. Excused, 1 (Tsutsui).

SCRep. 1891 (Majority) Water, Land, Agriculture and Hawaiian Affairs on H.C.R. No. 82

The purpose of this measure is to proclaim April 30 of every year as "Hawaiian Restoration Day," a day to recognize the historical and educational contributions of President Grover Cleveland's work for Hawaii and his advocacy and support of Queen Lili'uokalani.

Testimony in support of this measure was submitted by the Christian Voice of Hawaii, the Dr. Martin Luther King, Jr. Coalition-Hawaii, the Pacific Justice and Reconciliation Center, and two individuals. One individual submitted testimony in opposition.

Your Committee finds that the overthrow of the Hawaiian Kingdom in 1893 was a tragic moment in Hawaii's history. President Grover Cleveland was known as a man of integrity and a personal friend of Queen Lili'uokalani who tried to take substantive action against the overthrow of the Hawaiian Monarchy and support the restoration of the Queen as Head of the State of the Kingdom of Hawaii. Proclaiming April 30 of every year as "Hawaiian Restoration Day" will recognize the valiant efforts of President Cleveland and pay tribute to his friendship with and support of Queen Lili'uokalani.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 82, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 2. Noes, 1 (Slom). Excused, 2 (Fukunaga, Hee).

SCRep. 1892 (Joint) Water, Land, Agriculture and Hawaiian Affairs and Energy and Environment on H.C.R. No. 231

The purpose of this measure is to protect the State's environment and agricultural industry from the detrimental effects of invasive species entering Hawaii by requesting Hawaii's Congressional delegation to introduce and support federal legislation to address concerns regarding the inspection of plants and products imported to Hawaii from foreign countries.

Testimony in support of this measure was submitted by the Department of Land and Natural Resources, the Department of Agriculture, the Hawaii Agriculture Research Center, the Hawaii Crop Improvement Association, the Hawaii Forest Industry Association, and the Nature Conservancy.

Your Committees find that federal law prohibits Hawaii from controlling, eradicating, or preventing a plant pest from entering the State from any foreign origin. The United States Department of Agriculture's risk-based analysis only targets specific "actionable" pests of national concern, but fails to consider those that are of critical importance to Hawaii and does not address the broad spectrum of pests, which may be hitchhiking on the commodity or packing material imported to the State. Unless federal policies recognize the State's uniqueness and provide substantial protection, Hawaii is left vulnerable to having additional quarantines placed on Hawaii's agricultural products to protect the mainland and other Pacific Island regions, countries, or territories. Requesting Hawaii's Congressional delegation to introduce and support legislation that addresses concerns regarding the inspection of plants and products imported to Hawaii from foreign countries will further aid in the prevention of invasive species and prevent the detrimental effects an invasive species outbreak can have on the State's economy, environment, and quality of life.

As affirmed by the records of votes of the members of your Committees on Water, Land, Agriculture, and Hawaiian Affairs and Energy and Environment that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 231, H.D. 1, and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 4 (Fukunaga, Hee, Ihara, Trimble).

SCRep. 1893 (Joint) Energy and Environment and Water, Land, Agriculture and Hawaiian Affairs on H.C.R. No. 84

The purpose of this measure is to:

- (1) Assert the State of Hawaii's endorsement of the Earth Charter as part of a framework for sustainable planning and development; and
- (2) Urge the Governor, mayors, county councils, and the Hawaii 2050 Sustainability Task Force to adopt and utilize the Earth Charter as part of a framework for sustainable planning.

Testimony in support of this measure was submitted by the United Nations Association of the United States of America, Hawaii Division; the Hawaii Conservation Alliance; the Dr. Martin Luther King, Jr. Coalition-Hawaii; and one individual. One individual submitted testimony in opposition.

Before officially adopting the Earth Charter, your Committees request further opportunity to study the Charter and determine whether its provisions are applicable and appropriate for Hawaii to adopt and use as a framework for sustainable planning and development. Furthermore, your Committees believe that the Hawaii 2050 Sustainability Task Force is already using an appropriate framework to establish the Hawaii 2050 Sustainability Plan.

Thus, your Committees have amended this measure by deleting its title and contents and replacing it with language from H.C.R. No. 199, H.D. 1, which requests the Department of Land and Natural Resources to report to the Legislature on existing marine protected areas. The report is to include:

- (1) An inventory of all marine protected areas in the State where fishing is restricted;
- (2) The stated objectives or goals for each marine protected area;
- (3) A description of the management strategy, baseline data, and controls used in the establishment of each of the current marine protected areas;
- (4) A description of the monitoring, control, and enforcement programs implemented by the respective divisions in support of each marine protected area;
- (5) A descriptive evaluation and summary analysis of the effectiveness of each marine protected area in:
 - (A) Achieving the stated management objectives or goals; and
 - (B) Fulfilling the monitoring, control, and enforcement programs; and
- (6) A summary of public comments and responses on the draft report to the Legislature, to be collected following public meeting in each county.

Your Committees have further amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the records of votes of the members of your Committees on Energy and Environment and Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 84, as amended herein, and recommend its adoption in the form attached hereto as H.C.R. No. 84, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 3 (Fukunaga, Hee, Ihara).

SCRep. 1894 Water, Land, Agriculture and Hawaiian Affairs on H.C.R. No. 170

The purpose of this measure is to ensure the longevity and viability of the livestock industry in Hawaii by requesting the Department of Agriculture to convene a task force to develop long-term solutions to effectively protect the livestock industry.

Specifically, this measure requests that the Department of Agriculture establish a task force to:

- (1) Examine the current policies, procedures, and operations of livestock farms in Hawaii;

- (2) Explore and identify best practices and any other available options to develop long-term solutions to effectively protect the livestock industry in Hawaii; and
- (3) Establish findings, and identify and recommend solutions to issues involving satisfying livestock feed requirements.

Testimony in support of this measure was submitted by the Department of Agriculture; the College of Tropical Agriculture and Human Resources, University of Hawaii; the Hawaii Farm Bureau Federation; the Hawaii Teamsters and Allied Workers Local 996; the Hawaii Egg Producers Association Cooperative; Horizon Lines, LLC; and one individual.

Your Committee finds that the cost of feeding livestock in Hawaii is significantly higher than on the mainland and this higher cost threatens local livestock producers with closure. Hawaii relies heavily on overseas shipping for a majority of its food and products for food production; thus, if local livestock producers go out of business, the State will become even more dependent on imported foods and will lose the option of buying perishable goods, such as beef, milk, eggs, poultry, and pork, at their freshest. Your Committee recognizes that S.B. No. 1307 and H.B. No. 1221, introduced during the 2007 Regular Session, both establish a livestock revitalization program. However, the measures will only provide a short-term solution to one of the many issues that the livestock industry in Hawaii faces. Thus, your Committee believes that the establishment of a task force to develop long-term solutions will assist in ensuring the longevity and viability of the Hawaii's livestock industry.

Your Committee has amended this measure by:

- (1) Adding an additional stakeholder to the task force by including members representing the various sectors of Hawaii's transportation industry to gain a broader perspective and more appropriately address the transportation concerns of livestock feed; and
- (2) Making technical, nonsubstantive amendments for the purposes of style and consistency.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 170, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 170, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Fukunaga, Hee).

SCRep. 1895 (Joint) Water, Land, Agriculture and Hawaiian Affairs and Economic Development and Taxation on H.C.R. No. 292

The purpose of this measure is to pay tribute to the various historic, cultural, and unique sites in the Nuuanu-Liliha area by recognizing the Nuuanu-Liliha Corridor as the Nuuanu-Liliha Historic Corridor.

Testimony in support of this measure was submitted by the Department of Land and Natural Resources, a Representative from the Hawaii State House of Representatives, the Historic Hawaii Foundation, and the Hawai'i Capitol Cultural District.

Your Committees find that there are many historic and cultural sites located within the Nuuanu-Liliha district. These historic sites date from the early days of the Hawaiian Monarchy, to the inflow of immigrants to Chinatown, to the building of many of today's well-known religious institutions. Historic corridors are geographic areas containing buildings, sites, objects, and vistas of natural, historic, geographic, or architectural significance and are associated with persons or events important to understanding the history and culture of area. Recognizing the Nuuanu-Liliha Corridor as a historic corridor will properly pay tribute to the various historic, cultural, and unique sites in the Nuuanu-Liliha area.

Your Committees have amended this measure by:

- (1) Deleting the term "designates" to avoid confusion with an official designation on the State or National Register of Historic Places;
- (2) Clarifying that the recognition is non-regulatory in nature and is for the purposes of fostering civic pride, encouraging good stewardship, and marketing the area's resources to its residents and visitors; and
- (3) Making technical, nonsubstantive amendments for the purposes of style and consistency.

As affirmed by the records of votes of the members of your Committees on Water, Land, Agriculture, and Hawaiian Affairs and Economic Development and Taxation that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 292, as amended herein, and recommend its adoption in the form attached hereto as H.C.R. No. 292, S.D. 1.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 2 (English, Hee).

SCRep. 1896 Judiciary and Labor on Gov. Msg. No. 267

Recommending that the Senate advise and consent to the nomination of the following:

ATTORNEY GENERAL OF THE STATE OF HAWAII

G.M. No. 267 MARK J. BENNETT, for a term to expire 12-6-2010

Upon review of the resume, written statement of the nominee, and testimony, your Committee finds that the nominee holds a B.A. degree in Political Science, summa cum laude, from Union College, and a J.D. degree, magna cum laude, from Cornell Law School. He was a partner at McCarriston Miho Miller Mukai MacKinnon, LLP, and previously served as Assistant United States District Attorney in Hawai'i and as Special Assistant Prosecuting Attorney, City and County of Honolulu. He was a law clerk to the Honorable Samuel P. King, Chief Judge, United States District Court, District of Hawai'i, and an Adjunct Professor of Law at the William S. Richardson School of Law. The nominee has served as the Attorney General for the State of Hawai'i for the last four years.

Your Committee received testimony in support of the nominee from United States District Court Judges Samuel King and David Ezra, United States Senator Daniel Akaka, United States Representative Neil Abercrombie, the Prosecutor's Office of Honolulu, Hawai'i, Maui, and Kaua'i, State of Hawai'i Organization of Police Officers, Hawai'i Government Employees Association, the United Public Workers, the Honolulu Police Department, the Hawai'i County Police Department, Maui County Police Department, The Hawai'i Family Forum, the Sex Abuse Treatment Center, the Hawai'i Medical Association, the Office of Hawaiian Affairs, the Native Hawaiian Bar Association, the Hawai'i State Bar Association, the State Department of Public Safety, the Department of Hawaiian Homes Lands, the Department of Transportation, the Department

of Human Resources, the Department of Education, the Catholic Diocese of Honolulu, and approximately one hundred forty individuals most of whom are lawyers.

Your Committee notes that the testimony in support of the nominee credited him with implementing Megan's Law, passed by the Legislature and the nominee's support and implementation of policies relating to sex offenders, sexual and spousal abusers and his governance of an office of over 700 employees. Furthermore, your Committee received numerous testimonies praising the nominee for his intellect and his ability to simplify complex legal cases quickly and act upon them immediately.

SUBSTITUTE TEACHERS

Your Committee received testimony in opposition to the nominee from approximately eighty individuals, most of whom are substitute teachers who view the nominee as the reason they are owed approximately sixty-five million dollars by their account. The substitute teachers noted that their case has been appealed by the Office of the Attorney General after they prevailed at the Circuit Court before Judge Karen Ahn.

CHILD SUPPORT ENFORCEMENT AGENCY

Your Committee had several concerns about the nominee. Your Committee finds that the Child Support Enforcement Agency is administered by the Attorney General's Office. In 2005, the Office of the Attorney General failed to collect more than \$500 million in delinquency payments for Hawaii's children. Hawaii ranked last in the nation in collecting those delinquent payments. Your Committee finds that the delinquency payments presently exceed \$584 million and Hawaii continues to be ranked last in the nation, behind Puerto Rico, the Virgin Islands and Guam.

Your Committee notes that the nominee indicated that for the population size the State of Hawaii is "ranked where it ought to be". Respectfully, your Committee is disappointed in the response and disagrees. Your Committee believes that Hawaii should exceed any and all measurements regardless of population size or ranking because the 500 million dollars in arrearages severely impacts custodial parents and hampers the well being of the family unit of the parents and children in a state where the cost of living is in the top five in the United States. Your Committee further notes that in 1988 the Legislature authorized automatic paycheck wage deductions because it was concerned about child support payments not being made by the non-custodial parent.

POLITICAL CAMPAIGN ACTIVITIES

Your Committee finds that Chapter 28 of the Hawaii Revised Statutes delineates the authority of the Office of the Attorney General. Although the nominee could not state what section gave him authority to actively and personally campaign against a constitutional amendment passed by the Legislature regarding the mandatory retirement age for judges, the nominee indicated that he was educating the public on the criminal justice system. Your Committee notes that judges' mandatory retirement age does not relate to the criminal justice system because there are judges who are not within the criminal justice system. In addition, your Committee is concerned that there exists an appearance that the nominee's action in personally opposing the constitutional amendment was inappropriate and partisan.

CONFLICTS OF INTEREST

Your Committee finds that as the chief law enforcement and legal officer of the State, the Attorney General must remain nonpartisan. The Attorney General must be free from politics and enforce the laws regardless of political affiliations. Your Committee is concerned about the Attorney General's involvement in the confirmation hearing of Mr. Peter Young for the Chairperson of the Board of Land and Natural Resources (and who acts as the Director of the Department of Land and Natural Resources). Although the nominee's office is presently conducting a criminal investigation of that Department, with Mr. Young being involved as a witness or otherwise, the nominee has submitted written testimony in support of the reconfirmation of Mr. Young. This outright and written endorsement of Mr. Young casts concerns as to whether the criminal investigation presently conducted by the Office of the Attorney General is being or would be impartially done.

PROFESSIONAL STANDARDS OF CONDUCT

Moreover, your Committee finds that the obligation of all lawyers is to maintain the highest standards of ethical conduct. Public confidence in law and lawyers must not be eroded by irresponsible and improper conduct of a lawyer. It has been noted in the past and continues to hold true today that when explicit ethical guidance does not exist, a lawyer should determine his conduct by acting in a manner that promotes public confidence in the integrity, efficacy and efficiency of the legal system and the legal profession. A consequent obligation of lawyers to maintain the highest standards of ethical conduct. Your Committee finds that a lawyer should strive to avoid not only professional impropriety, but as important, also the appearance of impropriety.

APPEARANCE OF IMPROPRIETY

Although Hawaii does not have a nepotism law, the nominee must set a higher standard as the state's chief legal officer. Your committee is concerned that the fact that the nominee's wife works for the nominee casts at minimum the appearance of impropriety regardless that she predated his appointment as the Attorney General. Your Committee notes that since the public hearing was held on April 21, 2007, it has received inquiries regarding the working relationship between the nominee and his wife relating to the appearance of impropriety, the ethical concerns and the potential erosion of public confidence notwithstanding the absence of a Hawaii nepotism statute. Furthermore, your Committee notes that this is not the first time this issue has been brought before the State Senate.

Your Committee finds that it is necessary that these concerns be expressed so the nominee is aware of public inquiries made to the Senate Committee on Judiciary and Labor. Your Committee finds that it is essential that the chief law enforcement officer of the State be nonpartisan, objective and beyond reproach and avoid even the mere appearance of impropriety in dealing with the public, the Hawaii State Legislature, and the Judiciary.

Finally, your Committee notes that because nepotism is an important issue it has proposed in House Bill 1909 SD1 legislation governing legislators. If passed as proposed, spouses of legislators would not be allowed to lobby the legislature or work in their office. The legislative proposal is patterned after the Executive White House standards employed by the United States President and is intended to send a strong signal that the Legislature is concerned about even the appearance of impropriety involving spouses.

HAWAIIAN ISSUES

Your Committee received testimonies in support of the nominee from the Hawaiian Bar Association, the Office of Hawaiian Affairs, and the Department of Hawaiian Home Lands. It wishes to note that in both cases the testimony reflected strong support for the nominee because of his

unrelenting support for Native Hawaiian issues and people. Your Committee is aware that the long-standing settlement discussion with the Office of Hawaiian Affairs (OHA) for past due legal entitlements is still pending after over a decade of on again, off again negotiations between OHA and the Office of the Attorney General on behalf of the State of Hawai'i. Furthermore, your Committee is aware that the Attorney General exercised his prerogative to file an interlocutory appeal after a circuit court found that the plaintiffs had standing to sue in the case regarding a class action lawsuit, *Kalima et al. v. State of Hawaii, et. al.*, Civ. No. 99-4771-12. Moreover, your Committee finds that on June 30, 2006, the Hawai'i Supreme Court ruled for the plaintiffs and remanded the case back to the Circuit Court. Respectfully, your Committee does not agree that the Attorney General has "always supported Hawaiians" or "has won every case for the Department of Hawaiian Home Lands."

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1897 (Majority) Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. No. 276

Recommending that the Senate not advise and consent to the nomination of the following:

CHAIRPERSON OF THE BOARD OF LAND AND NATURAL RESOURCES

G.M. No. 276 PETER T. YOUNG, for a term to expire 12-31-2010

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, Peter T. Young, in consideration of his nomination for the position of Chairperson of the Board of Land and Natural Resources.

INTRODUCTION

In its efforts to maintain a fair, balanced, open, and duly noticed confirmation hearing, your Committee followed a strict and planned agenda, which included the subpoenaing of witnesses, the issuance of subpoena duces tecum to compel the production of specific documents and other items, the opportunity for open testimony, and the opportunity for Mr. Young to provide a statement and testimony before your Committee. Copies of submitted written testimony were also made available to the public for inspection. Furthermore, written testimony was accepted by your Committee throughout the course of the hearing.

The advise and consent process is a constitutionally mandated responsibility that your Committee does not take lightly. Your Committee undertook its responsibility seriously, especially as this process involves the confirming of an individual who will be appointed as the steward of the State's natural resources so that these resources will be preserved and sustained in perpetuity for the benefit of future generations.

There were several concerns that were expressed to your Committee with respect to the qualifications and performance of the nominee during his tenure as the Chairperson of the Board of Land and Natural Resources. The extent of these concerns involved actions and non-actions, accountability, management, communication, and employee morale within the Department of Land and Natural Resources.

Due to a current and ongoing criminal investigation by the Department of the Attorney General and an ethics investigation by the State Ethics Commission, your Committee was requested by the Attorney General and the Executive Director and General Counsel of the State Ethics Commission to convene an executive session to hear testimony from certain subpoenaed witnesses in order to protect and preserve the confidentiality of the ongoing investigations. Although it was the intent of your Committee to maintain an open hearing, your Committee respected the confidential nature of and did not want to jeopardize these investigations. Thus, your Committee, after due consideration, granted the Attorney General's and Executive Director's requests for an executive session. Your Committee emphasizes, however, that redacted transcripts of the executive session will be made available to the public after review from the Attorney General and the Executive Director. Your Committee clarifies that Mr. Young is not the target of the criminal or ethics investigations, but also notes that these investigations were initiated by employees of the Department of Land and Natural Resources, and only formally requested by the Chairperson.

Your Committee emphasizes that ample opportunity was provided for the public to testify, which many individuals took by appearing before your Committee. However, due to time constraints, your Committee needed to close open testimony to also allow ample opportunity for those witnesses that had been subpoenaed to appear before them. It is important to note that although the opportunity for open testimony ended, your Committee still accepted written testimony throughout the course of the hearing.

TESTIMONY

Testimony in support of Mr. Young's nomination was submitted by individuals representing the following government entities: Executive Chambers; the Department of Land and Natural Resources, including the Division of Aquatic Resources, the Commission on Water Resource Management, and the State Historic Preservation Division; the Department of Defense; the Department of Budget and Finance; the Department of Transportation; the Department of the Attorney General; the Hawaii Housing Finance and Development Corporation, Department of Business, Economic Development, and Tourism; the Hawaii Film Office, Department of Business, Economic Development, and Tourism; the Office of Planning, Department of Business, Economic Development, and Tourism; the Agribusiness Development Corporation; the Hawai'i Tourism Authority; the Hawaii Community Development Authority; the Office of Hawaiian Affairs; the Kaho'olawe Island Reserve Commission; the Mayor, County of Hawaii; the Managing Director, County of Hawaii; a Councilmember, City and County of Honolulu; and a Council Member, Maui County.

Testimony in support of Mr. Young's nomination was submitted by individuals representing the following businesses or organizations: the Nature Conservancy; the Trust for Public Land; Snorkel Bob's Hawaii; Title Guaranty of Hawaii, Ltd.; the Waimea Preservation Association; the Ko'olau Foundation; Hui Ho'omalulu i ka 'Aina; Hālaui Kū Māna; the West Hawai'i Fisheries Council; the Hawai'i Racing Association; the Windward Ahupua'a Alliance; 'Ahahui Mālama I Ka Lōkahi; the Hawaii Cattlemen's Council, Inc.; the Kikiaola Land Company; the Hawaii Agriculture Research Center; the Sierra Club, Hawaii Chapter; Kokua Kalihī Valley; the Maui Invasive Species Committee; the Oceanic Institute; the Kalepa Coalition; the East Kauai Water Users' Cooperative; Save Our Seas; the Hawaii Science & Technology Council; the Hawai'i Hotel & Lodging Association; the Kaua'i Visitors Bureau; Mālama Maunaloa; the Conservation Council of Hawai'i; the Historic Hawai'i Foundation; the Activities & Attractions Association of Hawaii; the Sierra Club, Maui Group; UPC Hawaii Wind Partners; the Sugar Cove Association of Apartment Owners; the Ocean Tourism Coalition; the Hawaii Forest Industry Association; the Hawaii Audubon Society; Castle and Cooke Hawaii; the Community Conservation Network; the 'Ilio'ulokalani Coalition; EarthJustice; the Lalamilo Farm Lots Association; the Limahuli

Garden and Preserve of the National Tropical Botanical Garden; the Hawaii Farm Bureau Federation; the Hawaii Aquaculture Association; the Western Pacific Regional Fishery Management Council; the Kona Blue Water Farms; Syngenta Seed, Inc.; Jack's Diving Locker; the Defend Oahu Coalition; the Ka'u Agricultural Water Cooperative District; the Kailua Hawaiian Civic Club; the Ko'olaupoko Hawaiian Civic Club; the Native Hawaiian Hospitality Association; the La'au Ali'i of Moku O Kona of the Royal Order of Kamehameha I; and KAHEA: The Hawaiian-Environmental Alliance.

Testimony in support of Mr. Young's nomination was submitted by four hundred seventy-nine individuals and a petition in support with over one thousand signatures

Testimony in opposition to Mr. Young's nomination was submitted by individuals representing the following businesses or organizations: Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO; the Island Shorecasters; the Keehi Boat Club; the Atlapac Fishing Club; the Waialua Boat Club; the Hawaii Kai Boat Club; the Kakaako Kasting Club; the Society for Hawaiian Archeology; the Ka'u Preservation; the Hawaii Boaters Political Action Association; and Animal Rights Hawai'i. Thirty-three individuals submitted testimony in opposition to Mr. Young's nomination. Comments were submitted by three individuals.

Ten subpoenaed individuals testified in opposition to Mr. Young's nomination. Two subpoenaed persons provided records.

PETER T. YOUNG – BACKGROUND

Mr. Young is a graduate of Hawaii Preparatory Academy and received his Bachelor of Business Administration degree in Real Estate from the University of Hawaii at Manoa. Prior to his appointment as Chairperson of the Board of Land and Natural Resources, he was the Deputy Managing Director for the County of Hawaii. From his station in Kona, he assisted in the supervision of the administrative functions of agencies, departments, and boards and commissions in Hawaii County with particular emphasis on services in West Hawaii. He also has extensive professional experience in real estate services, including appraisal, market analysis, consulting, arbitration, land use planning, project management, and feasibility studies.

Mr. Young has been active in a long list of professional organizations, community organizations, and boards or commissions, including the Natural Energy Laboratory of Hawaii Authority; the American Red Cross, Hawaii State Chapter; the Hawaii Island United Way, the Hawaii Association of Realtors; the Ironman Triathlon; and the Waimea Community Association, to name a few. He has also taught business courses at the University of Hawaii at Manoa as a lecturer, and at Parker High School in science and business math where he also served as the Boys and Girls Soccer Coach and Boys Baseball Coach.

Mr. Young was appointed as the Chairperson of the Board of Land and Natural Resources in 2003. He indicated to your Committee that, due to the enormous amount of duties and areas that the Department of Land and Natural Resources (Department) is responsible for, his learning curve was steep and sometimes arduous. He needed to make the transition from a county deputy, which is a position he considers a messenger role, to the head of a state department, which is a position he considers an implementation role. After his first two years as Chairperson, various environmental organizations and concerned individuals called for his resignation, which resulted in a turning point for Mr. Young. He indicated to your Committee that he learned he needed to inform and better work with the public and to not make assumptions that the public knew what the Department was doing. He also recognized that the Department needed to work together as a team, rather than separate entities under an administrative umbrella.

With respect to informing the public, Mr. Young made greater strides in providing more forums and opportunities for the public to participate in the issues that the Department was handling, such as land acquisitions or sales, environmental initiatives, coastal and ocean resource management plans, and preservation efforts. He also committed himself to being personally available and visible to the public by attending meetings, and speaking with and contacting various interested individuals and organizations. With respect to team building within the Department, Mr. Young instituted weekly staff meetings with Department administrators, department weekly updates that are posted on the Department's intranet and internet, "Brown Bag in the Boardroom with the Boss," monthly Department Neighbor Island Leadership Meetings, and multi-divisional task forces to tackle broader issues the Department is responsible to handle.

PETER T. YOUNG - ACCOMPLISHMENTS

Of the many accomplishments that Mr. Young cited during his tenure at the Department, your Committee notes the following four accomplishments. First, President Bush recently designated the Northwest Hawaiian Islands as a marine national monument, the Papahānaumokuākea Marine National Monument, which will be co-managed by the State of Hawaii and the United States Departments of Commerce and Interior by using an ecosystem-based approach to conserve, protect, and enhance the biodiversity, ecological integrity, and cultural legacy of the Northwest Hawaiian Islands. Your Committee recognizes and appreciates the great importance and precedence this national designation has for Hawaii. Your Committee notes that many individuals who submitted testimony cited the designation as a reason for their support of Mr. Young; however, it is a query for your Committee whether their support is for the nominee or for the federal designation.

Second, Mr. Young cites as an accomplishment during his tenure, the creation of the Hawaii Invasive Species Council in 2003 under chapter 194, Hawaii Revised Statutes. The Council supports an integrated, multi-year program targeted to prevent invasive species from entering Hawaii, to respond and control invasive species already in Hawaii, and to promote further research and public outreach. The creation of the Legacy Land Conservation Commission in 2006 under chapter 173A, Hawaii Revised Statutes, is also cited as an accomplishment. Although both commissions are important steps in protecting and preserving Hawaii's environment and lands, your Committee notes that both are legislative initiatives.

Third, Mr. Young cites as an accomplishment his efforts in initiating further openness, team building, and discussion within the various divisions of the Department, including weekly staff meetings with Department administrators, department weekly updates, "Brown Bag in the Boardroom with the Boss," monthly Department Neighbor Island Leadership Meetings, and multi-divisional task forces. Your Committee encourages further openness within the Department, but is concerned that these opportunities are not open to all employees of the Department. Testimony indicated that some meetings are only open to employees who hold supervisory administrative positions, and opportunities to meet with the Chairperson during weekly brown bag meetings are thwarted by time constraints, cancellations, and the amount of people in attendance.

Finally, Mr. Young cites as an accomplishment the recent enactment of the lay gillnet rules to prevent overfishing and protect fish populations in Hawaii waters. Your Committee notes that these rules are still a source of controversy and are not widely accepted among fishers due to its infringement on their lifestyle, livelihood, and cultural practices.

YOUR COMMITTEE'S OVERALL CONCERNS

During the course of the five-day hearing at which ample opportunity for public input and engagement was provided, and an opportunity for Mr. Young to speak and answer questions, your Committee, after due consideration, has overall concerns with respect to Mr. Young's performance and qualifications during his tenure as Chairperson of the Board of Land and Natural Resources. Your Committee emphasizes that, although the individuals appointed as Chairperson will change over the years, the enormous responsibility of protecting and preserving Hawaii's lands, waters, and resources continues, and it is vital for the right individual to engage department staff to carry out these duties to sustain Hawaii's natural resources for the benefit of future generations.

Your Committee recognizes the overwhelming testimony in support of Mr. Young's nomination from government agencies, businesses and organizations, and individuals. Testimony indicated that, although his first two years as Chairperson were controversial, the last two years of his term have displayed a positive and significant turn around. Various organizations testified that Mr. Young was more approachable, visible, accessible, interested, and determined to develop solutions.

Although your Committee recognizes and notes Mr. Young's improved public outreach and public perception, your Committee is concerned with his performance during his tenure within the Department. It is of great importance that your Committee must take all factors into account in making their determination and must also consider the Chairperson's management and leadership of the Department. Although his public perception has improved, there are problems within the Department, which requires his attention, improvement, and change. Testimony in opposition indicated to your Committee personnel issues, management conflicts, fiscal problems, and the lack of leadership. These problems are very troubling to your Committee, because an ineffective and poorly operated Department has tremendous, potentially adverse consequences on the public, future generations, and on the State's natural resources.

Your Committee was particularly troubled with Mr. Young's response to questions regarding his leadership style and ability to fulfill his responsibilities as Chairperson. Thus, your Committee has the following overall concerns regarding Mr. Young's performance as Chairperson during the last four years: (1) lack of accountability; (2) mismanagement; and (3) the lack of self-initiative to address problems and prevent future problems from occurring. These overall concerns are exemplified within the Department through personnel issues, the Division of Boating and Ocean Recreation (DOBOR), the State Historic Preservation Division (SHPD), the Kaloko Dam tragedy, and the Bureau of Conveyances (BOC).

1. Personnel Issues

The Hawaii Government Employees Association (HGEA) submitted testimony in opposition indicating the low employee morale and ineffective program performance within the Department. HGEA attributed the poor employee morale to Mr. Young's frequent micromanaging of the professional staff of the Department, which prevented them from offering advice for which they were hired, and is counterproductive in properly managing the complex programs of the Department. Furthermore, HGEA cites the adversarial position the Department takes in labor relations matters, which is indicated by a large number of grievances filed during the Chairperson's tenure. HGEA is aware of and understands that there were preexisting personnel issues when Mr. Young was appointed in 2003, but finds that he has had an ample opportunity to correct these problems and create a workplace environment that will prevent future adverse morale issues.

Your Committee is particularly concerned about the prohibitive practice complaints that were filed with the Hawaii Labor Relations Board during Mr. Young's tenure. Testimony indicated that an attempt was made to merge the fiscal office of the Division of Boating and Ocean Recreation with the main fiscal office of the Department without prior union consultation. Testimony also indicated that an attempt was made to merge the Land Court and regular system branches together at the Bureau of Conveyances without prior and proper union consultation. Furthermore, your Committee is gravely concerned about the establishment of the Office of Conservation and Coastal Lands, because testimony and records indicate that the Office was established without legislative approval or approval by the Board of Land and Natural Resources.

2. Division of Boating and Ocean Recreation (DOBOR)

Your Committee is concerned with the situation and controversy that has arisen with respect to the use of the Boating Special Fund under section 200-8, Hawaii Revised Statutes, to pay for the hiring of additional Division of Conservation and Resource Enforcement (DOCARE) officers. The moneys in the Special Fund are intended to be used to support boating programs and the repair and maintenance of boating facilities. However, testimony indicated to your Committee that, in fact, a number of these additional DOCARE positions supported by the Special Fund were still vacant, which created a "ghost employee" situation due to double-billing of officer services. Thus, your Committee is concerned whether the transfer of these funds is an appropriate use of the Boating Special Fund. Mr. Young and the Director of Finance informed your Committee that the use of the Special Fund to pay for additional DOCARE officers is a proper use and is consistent with the Special Fund's legislative intent. However, this concern remains unresolved, which indicates to your Committee a lack of communication between the Chairperson and those who work for DOBOR and a lack of final resolution to the matter.

Testimony indicated that DOBOR experienced a loss in federal grants totaling \$600,000 in law enforcement reimbursement funds from the Federal Recreation Boating Safety Grant because DOBOR could not present proper documentation as prescribed by the United States Coast Guard Recreational Boating Safety program. There was a lack of appropriate enforcement documentation and the 2006 state management audit of the Division of Conservation and Resource Enforcement found that DOCARE could not properly account for their on-the-water law enforcement activity. This lack of accountability resulted in DOBOR not receiving federal reimbursement funds, which the program depends on for its operations and maintenance.

Finally, testimony indicated that the concerns of boaters were not taken in account, especially with respect to harbor improvements and the privatization of small boat harbors. Small boat harbors are currently in desperate need of repairs, but with limited funding, these improvements have not occurred. Furthermore, the feasibility of privatizing the small boat harbors has been discussed by the Department, which is a source of great concern for the boaters. Although boaters have voiced their opposition to the idea, despite this opposition, Mr. Young commented that Hawaii is one of the few states in which the State operates and controls small boat harbors and that the Department is still looking into the feasibility of privatizing these harbors. Your Committee is concerned that the Chairperson is failing to consider the opinions and views of those who are most affected by this type of study, and this failure exemplifies a lack of responsibility.

3. State Historic Preservation Division (SHPD)

Your Committee notes that the State Historic Preservation Division is a source of great concern due to the high rate of employee turnover, large number of vacant positions, and the lack of strong leadership and management of and within the Division. SHPD is responsible for preserving and protecting Hawaii's most precious historical and cultural remnants of the past, and your Committee is concerned that mismanagement and limited resources will lead to the loss of these precious vestiges.

Your Committee was especially concerned with Mr. Young's qualifications as the State Historic Preservation Officer. Mr. Young currently serves in this role because the position has remained vacant for several years. Under section 6E-5, Hawaii Revised Statutes, the State Historic Preservation Officer must possess professional competence and experience in the field of historic preservation. When asked by your Committee on his qualifications and experience in historic preservation, Mr. Young responded that he was qualified due to his four years as Chairperson. He further indicated that when he took office in 2003, a determination was made that he was qualified to hold that position, but he could not recall who requested for, who made, or when this determination occurred. Your Committee is concerned about the ramifications an unqualified State Historic Preservation Officer may have for SHPD.

Testimony indicated severely low employee morale as evidenced by a high turn-over rate. Within the past two years, nineteen out of twenty-seven employees have left SHPD. Former SHPD employees commented that the workload was overwhelming, and their resources and working conditions were extremely limited. Furthermore, they complained about abusive treatment from the Administrator, filed grievances with the union, and felt underappreciated and ignored. Although some SHPD employees made attempts to contact Mr. Young about the conditions of their work environment, they felt that there were no attempts made to rectify or address the problems; thus resulting in many leaving the division. Your Committee believes that the Chairperson's lack of leadership, unexplainable reliance on the capabilities of SHPD's Administrator, and lack of taking responsibility to ensure a proper and healthy work environment for the SHPD employees has left the division understaffed and behind in work.

Finally, your Committee is tremendously concerned with SHPD's handling of the Kii Cave discovery and the Kaloko Heights project. A former SHPD archeologist testified that she determined that the inadvertent discovery of Kii Cave, although considered a non-burial site, was very rare, very sacred, and very special. Despite her professional determination and request that a mitigation plan be developed and Native Hawaiian groups be consulted in order to protect this sacred find, her findings and advice were undermined by the SHPD Administrator and she was instead reprimanded for her handling of the site. Thus, Kii Cave was left unprotected because it was not considered a burial site. When your Committee asked Mr. Young about Kii Cave, he admitted that he did not know much about it, except for what was printed in the newspapers.

Furthermore, with respect to the Kaloko Heights project, the lead archeologist and the head archeologist refused to sign the grading permits because all mitigation plans were not completed and approved. They indicated that, due to their refusal to sign, the permit was signed by the SHPD Administrator without all of the appropriate communications being made or proper plans being set in place. When your Committee questioned Mr. Young about the Kaloko Heights project, he cited reasons of vacancies at the division and the pressure to get the grading work done.

4. Dam Safety

Your Committee is very concerned with regard to the Department's lack of attention in maintaining inspections of Hawaii's dams. State law requires that dams be inspected every five years. Under Mr. Young's tenure, this has not occurred. For example, Kaloko Dam was not inspected during the Chairperson's tenure. In October 23, 2005, the *Honolulu Advertiser* quoted the State's only dam safety engineer commenting, "We've been very fortunate we haven't had any major dam failures here." Unfortunately, it took the tragedy of the dam bursting and lives being lost for change to occur.

Furthermore, your Committee notes the Department's lack of attention and responsibility in ensuring the safety of Hawaii's dams. Despite claims by the Department that resources were limited to fulfill inspection requirements, testimony indicated that instead, resources were not fully used or requested by the Department and Chairperson. This is an indication that dam safety, which has significant public safety ramifications, was not provided its deserved attention by the Department, especially when only one engineer was assigned to dam safety and inspections.

5. Bureau of Conveyances (BOC)

Your Committee recognizes that the Bureau of Conveyances has had longstanding problems prior to Mr. Young's appointment in 2003, but is concerned that these problems remain unresolved or have increased during the course of his tenure. Your Committee emphasizes the great importance of the BOC because it is the repository of information relating to title to land upon which homes and businesses are situated. If the information in this repository is compromised, it could result in potentially enormous legal and economic problems for the public. Thus, your Committee believes that utmost care and attention is necessary to ensure that the BOC is working at its most optimal level.

Your Committee is particularly concerned with the low employee morale within the BOC. Testimony indicated numerous grievances filed by BOC employees because these employees felt that their concerns and opinions were dismissed by their immediate supervisors. Employees testified that they attempted to contact Mr. Young to discuss their concerns, but found that the forums and opportunities provided for them were limited or ineffective. Although contact was finally established with Mr. Young, there has been no evidence of any effective changes being made, despite Mr. Young's assurances that he would look into the matter.

When your Committee asked Mr. Young about the BOC employees' concerns, he responded that their concerns were taken into consideration and it was one of the reasons why he instituted daily meetings with the administrators of the BOC so that open discussion can occur, and he expressed his desire to implement further team building within the division. Your Committee is concerned over the way Mr. Young has chosen to handle this situation. Rather than address the real issue of handling the lack of leadership and management within the BOC, he has instituted the idea of team building, which indicates that Mr. Young views this situation as though the employees, not the administrators, are the problem. Your Committee also notes that more attention was devoted to the BOC after negative reports were published in the *Pacific Business News*.

Your Committee is also greatly concerned with the information sharing that the BOC is involved in with other title companies, and the Department's utter lack of accountability. Mr. Young indicated that BOC information is shared with participating title companies statewide. However, he was unable to show written contract agreements between the BOC and these participating title companies, or show an established fee structure in which these companies are expected to abide by. Furthermore, your Committee questions the absence of current established rules or procedures for information sharing that will provide guidelines and penalties in case of misuse or abuse.

Finally, your Committee is concerned with claims made in submitted testimony that preferential treatment is given by the BOC to certain title companies. This is a cause for great concern because it can lead to abuse and inequality. When your Committee asked Mr. Young about the claims of preferential treatment, he was only aware that there were claims made, but not aware of any actual instances.

CONCLUSION

Your Committee finds that Mr. Young's lack of accountability and mismanagement of the Department of Land and Natural Resources during his tenure as Chairperson has created a high level of disenchantment, low employee morale, fiscal problems, and public safety issues. His lack of

communication with Department employees and his strong reliance on certain administrators who are ineffective conduits of communication or cooperation result in discontent within the Department, and show poor managerial judgment.

Your Committee further finds that there is an established pattern of problems being addressed and effective solutions being developed and implemented only when tragedies, negative press, or public disenchantment is expressed or occurs. Your Committee believes that problems should be proactively addressed and steps should be taken in advance to prevent any future problems or tragedies from occurring.

Although your Committee recognizes Mr. Young's efforts to improve his accessibility to the public and departmental employees over the past two years, given his overall record of weakness in leadership, accountability, and management, your Committee believes that he is not the right individual for the position of Chairperson of the Board of Land and Natural Resources.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee not qualified for the position to which nominated and recommends that the Senate does not advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, 1 (Slom). Excused, none.

SCRep. 1898 Economic Development and Taxation on Gov. Msg. Nos. 709, 710, 711 and 721

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DIRECTORS OF THE HAWAII STRATEGIC DEVELOPMENT CORPORATION

G.M. No. 709 ROLAND VILORIA RESURRECCION, for a term to expire 6-30-2011;

G.M. No. 710 ANNE L. SYLVESTER, for a term to expire 6-30-2009;

G.M. No. 711 EDWARD H. W. YOUNG, for a term to expire 6-30-2011; and

G.M. No. 721 GLENN S. YAMADA, for a term to expire 6-30-2011

Upon review of the testimonies and statements submitted by the nominees, your Committee finds that Roland Viloría Resurreccion, Anne L. Sylvester, Edward H. W. Young, and Glenn S. Yamada have the necessary character, experience, and qualifications to serve on the Board of Directors of the Hawai'i Strategic Development Corporation.

Your Committee received testimony in support of Roland Viloría Resurreccion from the Department of Business, Economic Development, and Tourism; Hawai'i Strategic Development Corporation; the Chair of the Maui County Council; the Mayor and the Assistant Fire Chief, Logistics, of the City of Fort Wayne, Indiana; the President of the Wayne County Board of Commissioners; the Public Safety Academy of Northeast Indiana; and Schenkel Shultz Architecture.

Roland Viloría Resurreccion is with the Pacific Asia Design Group, Inc., and has seventeen years working in the architectural field in Indiana. He received dual Bachelor's Degrees in Architecture and Science in Environmental Design from Ball State University and joined an architectural firm in Fort Wayne shortly after graduation. Mr. Resurreccion has extensive experience as a project manager for a wide range of public buildings, from schools and libraries to fire stations, as well as private buildings. He is focusing on the area of "green" technologies and brings an innovative and entrepreneurial approach to his work.

Your Committee received testimony in support of Anne L. Sylvester from the Department of Business, Economic Development, and Tourism; Hawai'i Strategic Development Corporation; A&B Properties, Inc.; and four individuals.

Anne L. Sylvester is an Associate Attorney at Alston Hunt Floyd & Ing and has considerable experience as a commercial litigation attorney. In addition, she is currently pursuing a Master's Degree in Diplomacy & Military Studies and was a Fellow at the Department of Defense Asia Pacific Center. Ms. Sylvester is a graduate of the University of California at Los Angeles and Hastings Law School in San Francisco. She is active in a broad range of professional and community organizations and is a member of the Hawaii, California, and Federal Bar Associations.

Your Committee received testimony in support of Edward H. W. Young from the Department of Business, Economic Development, and Tourism; Hawai'i Strategic Development Corporation; Enterprise Honolulu; Maui Economic Development Board, Inc.; Hawaii Island Economic Development Board; Hawaii Venture Capital Association; Oceanit; and two individuals.

Edward H. W. Young is the Hawaii Technology Development Venture (HTDV) Project Manager for Enterprise Honolulu, and is responsible for providing business services and technical assistance to HTDV grant recipients and other Hawaii-based technology companies. Prior to this, Mr. Young was Assistant Vice President at City Bank for twelve years and Chief Operating Officer for a Hawaii-based retail business for seven years. He holds a Bachelor of Business Administration in Accounting from the University of Hawaii. Mr. Young is active in many professional and community organizations and brings a financial and entrepreneurial background to his reappointment to the Board.

Your Committee received testimony in support of Glenn S. Yamada from the Department of Business, Economic Development, and Tourism; Hawai'i Strategic Development Corporation; Government Affairs Committee of the Honolulu Japanese Chamber of Commerce; and two individuals.

Glenn S. Yamada is Market Manager at the Pearlridge Branch of American Savings Bank and has been a senior administrator with American Savings Bank since 1986. He holds a Bachelor of Business Administration in Finance from the University of Hawaii and has completed numerous personal and leadership development courses. In addition to his business expertise, Mr. Yamada has over thirty years of experience serving in nonprofit organizations as a leader and board member. He is currently an active member in a wide range of professional and community organizations and is a reappointment to the Corporation's Board.

As affirmed by the records of votes of the members of your Committee on Economic Development and Taxation that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1899 Judiciary and Labor on Gov. Msg. No. 317

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF TRUSTEES OF THE DEFERRED COMPENSATION PLAN

G.M. No. 317 RYAN S. USHIJIMA, for a term to expire 6-30-2011

Your Committee finds that Ryan S. Ushijima has been involved in the investment industry for the past 15 years, both in the private and public sectors. For 5 years, Mr. Ushijima was a financial and operations principal in a broker-dealer that specialized in underwriting municipal bonds. Mr. Ushijima then served for 7 years as the State of Hawaii's Securities Commissioner. In the last 3 years, Mr. Ushijima has been the Chief Compliance Officer for First Hawaiian Bank's Wealth Management Group and its wholly owned investment adviser subsidiary, Bishop Street Capital Management.

Your Committee received testimony in support of the nominee from the Interim Director of the Department of Human Resources Development, who also serves as the Chairperson of the Deferred Compensation Plan Board of Trustees, and the Director of the Department of Budget and Finance.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Kokubun).

SCRep. 1900 Judiciary and Labor on Gov. Msg. No. 685

Recommending that the Senate advise and consent to the nomination of the following:

CIVIL RIGHTS COMMISSION

G.M. No. 685 BRYAN P. ANDAYA, for a term to expire 6-30-2011

Your Committee finds that Bryan P. Andaya is currently an attorney with Imanaka Kudo & Fujimoto where he handles cases relating to labor and employment law, business law, and real estate law. He is the President of the United Filipino Counsel of Hawaii and the Corporate Secretary and Member of the Board of Directors of the Filipino Community Center Inc., a 501(c)(3) non-profit organization. In the past, Mr. Andaya has been the Chairman of the Annual Filipino Fiesta and Parade, President, and later Chairman of the Board of the Honolulu Filipino Junior Chamber of Commerce, a member of the Kalihi-Palama Neighborhood Board, and Treasurer of the Filipino Lawyers Association of Hawaii.

Your Committee received testimony in support of Mr. Andaya from the Hawaii Civil Rights Commission, the Department of Labor and Industrial Relations, the Filipino Coalition for Solidarity, and 17 individuals.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1901 Judiciary and Labor on Gov. Msg. No. 686

Recommending that the Senate advise and consent to the nomination of the following:

CIVIL RIGHTS COMMISSION

G.M. No. 686 MARK G. VALENCIA, for a term to expire 6-30-2009

Your Committee finds that Mark G. Valencia graduated from the University of Hawaii-West Oahu in 1993 and obtained a J.D. from Southern Methodist University School of Law in Dallas. Following graduation he went on to clerk for Judge Walter Kirimitsu in the Hawaii Intermediate Court of Appeals ("ICA"). From 1997-2004, Mr. Valencia practiced law as an attorney with Damon Key Leong Kupchak Hastert. From 2004-2005 he served as a policy analyst for the Office of the Governor. Currently, Mr. Valencia is an adjunct professor at Hawaii Pacific University as well as an attorney with Case Lombardi & Pettit.

Your Committee received testimony in support of the nominee from ICA Chief Judge Mark Recktenwald, retired Judge Sandra Simms, retired Judge Walter Kirimitsu, the Department of Labor and Industrial Relations, 7 attorneys, and 5 individuals.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kokubun, Nishihara).

SCRep. 1902 Judiciary and Labor on Gov. Msg. Nos. 664 and 665

Recommending that the Senate advise and consent to the nominations of the following:

COMMISSION ON THE STATUS OF WOMEN

G.M. No. 664 WENDY M. F. LOH, for a term to expire 6-30-2011.; and

G.M. No. 665 ANNA M. MAYEDA, for a term to expire 6-30-2011

Your Committee finds that Wendy M. F. Loh is the owner of Kona Paradise Candies. She also currently serves on the boards for the American Heart Association, the Organization of Chinese Americans, the River of Life Mission, the Jackie Chan Foundation, Miss Hawaii Development, and Miss Hawaii USA. She is also the Vice President for the Pacific Gateway Center and has volunteered with the Food Bank and the Charlie Wedemeyer Foundation.

Your Committee finds that Anna M. Mayeda attended the University of Hawaii where she received a Bachelor's in Education in 1970 and a Master's in Education in 1971. Ms. Mayeda has served as the President of the Seabury Hall Parent Organization, an Event Planner for Maui Community College, the Development Chair for the Maui Academy of Performing Arts, and a Maui co-chair for the Mother's March of Dimes. She has volunteered with numerous other organizations and was awarded the State of Hawaii First Lady's Outstanding Volunteer award in 1994 and the Outstanding Young Woman of America award in 1985. Since 2002, Ms. Mayeda has worked for the American Cancer Society and is currently the Program Director for the Maui, Molokai, and Lanai office.

Although your Committee did not receive any testimony in support of either of the nominees, your Committee finds that Ms. Loh and Ms. Mayeda have the skills and knowledge necessary to effectively serve on the Commission on the Status of Women.

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Record of Votes for Wendy H. F. Loh: Ayes, 3. Noes, none. Excused, 2 (Kokubun, Nishihara).

Signed by the Chair on behalf of the Committee. Record of Votes for Anna M. Mayeda: Ayes, 5. Noes, none. Excused, none.

SCRep. 1903 Judiciary and Labor on Gov. Msg. No. 707

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF REGISTRATION OF THE ISLAND OF OAHU

G.M. No. 707 VICTORIA A. FRANCO, for a term to expire 6-30-2011

Your Committee received testimony in support of Victoria A. Franco from 20 individuals.

Ms. Franco was born and raised here in Hawaii and worked for Lucent Technologies for 21 years. For the last four years, Ms. Franco has been a Deputy Voter Registrar. She has also been the Site Coordinator for the Goodwill VITA Tax Clinic for the past two years.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1904 Judiciary and Labor on Jud. Com. No. 3

Recommending that the Senate consent to the nomination of the following:

DISTRICT COURT OF THE THIRD CIRCUIT

LLOYD VAN DE CAR

Upon review of the resume, application for judicial office, testimony, and the nominee's submissions, your Committee finds that the nominee graduated from Kamehameha Schools and received his Bachelor of Arts Degree from the University of Hawaii. The nominee received his Juris Doctor Degree from the William S. Richardson School of Law. The nominee was in the second class of graduates, which included many others who distinguished themselves in Hawaii's legal and political fields, from that school. The nominee clerked in the Hawaii Supreme Court and then went to work in the Public Defenders Office. Later, the nominee worked for Legal Aid Society of Hawaii for fifteen years before going to private practice for eight years. The nominee then went back into public service working at the Attorney General's Office in the Family Law Division in Hilo.

Your Committee received and reviewed information from the Office of the Disciplinary Counsel of three complaints on the nominee that were all investigated and dismissed.

Your Committee received testimony in support of the nominee from seventeen individuals, six of whom were attorneys. Your Committee also received testimony in opposition to the nominee from six individuals.

Your Committee heard concerns about the temperament of the nominee from those who opposed the nomination. The fact that the concerns were raised by employees of the Family Court in Hilo was troublesome to your Committee. Your Committee checked with judges who also noted the temperament issue. In reference to the nominee's temperament, your Committee points to one of the testimonies:

"I clearly remember Mr. Van De Car pointing his extended finger so close to one of my witness's face that I saw this witness become more verbally defensive and offensive than I ever seen him become... My other witness, a female professor, also felt unduly badgered by Mr. Van De Car, who, as she saw it, approached her with a street-level confrontational style rather than a manner better suited to Family Court decorum."

Your Committee is also concerned that the nominee may not be able to hear many of the cases in Family Court because of a conflict where his former office would be involved. This may have an impact on the caseload backlog in the court.

However, your Committee is aware of the nominee's years of public service representing the poor and disadvantaged and his candidness in his recognition of the temperament concerns and that his future conduct as a judge will be closely observed. Your Committee also finds that the Judiciary will need to address any conflict issues administratively.

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 0. Noes, none. Excused, none.

SCRep. 1905 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 672

Recommending that the Senate advise and consent to the nomination of the following:

DIRECTOR OF THE DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS

G.M. No. 672 LAWRENCE M. REIFURTH, for a term to expire 12-6-2010

Upon reviewing the personal history provided by the nominee, Lawrence M. Reifurth, your Committee finds that Mr. Reifurth is currently the Deputy Director of the Department of Commerce and Consumer Affairs (DCCA), a position he has held since January 2003. As the Deputy Director, Mr. Reifurth assists the Director in overseeing the operation of the 375-employee department that is responsible for administrative hearings, business registration, consumer advocacy, consumer protection, professional and vocational licensing, regulated industry complaints, regulation of cable television, financial services, and the insurance and securities industries. Mr. Reifurth is also responsible for overseeing the fiscal, budget, personnel, and administrative services function of the DCCA. Mr. Reifurth's primary responsibility with the DCCA is coordinating and implementing the department's legislative efforts and creating the departmental legislative process manual.

Prior to being named the Deputy Director of the DCCA, Mr. Reifurth was an attorney with the law firm of Oshima Chun Fong & Chung, specializing in commercial litigation. During his time with Oshima Chun Fong & Chung, Mr. Reifurth also represented various public utilities, including telecommunication companies and water and wastewater companies.

Mr. Reifurth also served as the State Insurance Commissioner in 1994 and was tasked with regulating the insurance industry in the State and developing state policy on insurance issues.

Mr. Reifurth also worked at the Department of the Attorney General as the Supervising Deputy Attorney General of the Education Unit, as well as serving as a Deputy Attorney General in the Utility Regulation Unit.

Prior to moving to Hawaii, Mr. Reifurth was an associate attorney in California.

Mr. Reifurth is a graduate of Marquette University and received his Masters in Business Administration and his Juris Doctorate from Northwestern University.

Testimony in support of Mr. Reifurth was submitted by the Public Utilities Commission; Hawaii Financial Services Association; Retail Merchants of Hawaii; Hawaiian Electric Company, Inc.; the Building Industry Association of Hawaii; and thirty-one individuals.

Your Committee finds that Mr. Reifurth has played a positive role in the development of the DCCA while serving as the Deputy Director. In addition, his experience working with the DCCA as a deputy attorney general, as the former Insurance Commissioner, and as a counsel to many public utilities while in private practice, will serve him well as the Director of the DCCA.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 2 (Ige, Ihara).

SCRep. 1906 Health on Gov. Msg. No. 273

Recommending that the Senate advise and consent to the nomination of the following:

DIRECTOR OF THE DEPARTMENT OF HEALTH

G.M. No. 273 CHIYOME L. FUKINO, M.D., for a term to expire 12-6-2010

Upon review of the statements submitted by the nominee, your Committee finds that the aforementioned nominee will work with compassion and commitment to assist in administering the government functions related to health. Your Committee further finds that the nominee has been appointed based upon her credentials, integrity, and a desire to make Hawaii better through her position as Director of Health to which she has been nominated.

Your Committee received testimony supporting the confirmation of Dr. Chiyome L. Fukino from United States Senator Daniel Akaka, the University of Hawaii at Manoa Department of Geriatric Medicine, Hawaii Health Systems Corporation, Hawaii Medical Association, Healthcare Association of Hawaii, American Medical Response, Wahiawa General Hospital, Kahuku Hospital, Leahi Hospital, Kauai Veterans Memorial Hospital, Samuel Mahelona Memorial Hospital, Na Pu'uwai, Hawaii Medical Center, Brigham Young University Hawaii, the Polynesian Cultural Center, Hawaii Reserves, Inc., Ironworkers Union Local 625 Stabilization Fund, Hawaiian Marine Enterprises, Wellness Arts Workshops, Goodwill Industries of Hawaii, AARP Hawaii, Hawaii Long Term Care Association, MDX Hawaii, Catholic Charities Hawaii, Office of Hawaiian Affairs, a State Representative, and twenty-five individuals.

Your Committee finds that Dr. Chiyome Fukino is being reappointed to a second term for the position of Director of Health. Dr. Fukino is a graduate of Kamehameha Schools. She also received a B.A. in Psychology from Brandeis University before returning to Hawaii to attend the University of Hawaii. Dr. Fukino received her M.D. from the University of Hawaii John A. Burns School of Medicine in 1979 and then went on to complete her residency in Internal Medicine at the University of Hawaii Integrated Medical Residency Program.

Dr. Fukino has worked as a physician in Hawaii since 1982 and through her dedication, compassion, professionalism, and understanding of the health care issues that face Hawaii, she has gained the respect and admiration of her colleagues, employees, and patients.

Your Committee finds that Dr. Fukino has proven herself to be an effective leader of one of the most complex executive agencies in the State. As Director of Health, she has been responsible for approximately four thousand employees and a \$1 billion budget. She is a true consensus builder with superb decision making skills and a management style that facilitates solutions.

Dr. Fukino has demonstrated her commitment to improving the morbidity and mortality rates throughout the State and on improving the health status and quality of life of all of Hawaii's population. She has actively addressed issues regarding developmental disabilities, environmental health, rural health, behavioral health, emergency medical services, chronic disease prevention, and workforce shortage issues. She has been instrumental in developing a comprehensive state plan to address critical long term care issues and in establishing the State Certified Nurse Aide (CNA) training program. Since Dr. Fukino began as the Director of Health, twenty-two training programs have been established.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Whalen).

SCRep. 1907 (Joint) Economic Development and Taxation and Tourism and Government Operations on Gov. Msg. No. 269

Recommending that the Senate advise and consent to the nomination of the following:

DIRECTOR OF THE DEPARTMENT OF BUSINESS, ECONOMIC DEVELOPMENT AND TOURISM

G.M. No. 269 THEODORE E. LIU, for a term to expire 12-6-2010

Theodore E. Liu has served as Director of Business, Economic Development, and Tourism since 2003, where he is responsible for overseeing the Department of Business, Economic Development, and Tourism (Department) and its seven attached agencies. Prior to this, he was Co-Founder and Partner of PacifiCap Group, LLC from 2000 to 2003, and Managing Director of the Investment Banking Department at Morgan Stanley & Co., Incorporated, from 1996 to 1999. Mr. Liu also spent several years in Beijing, China as Deputy Chief Executive Officer of China International Capital Corporation, in Hong Kong and New York as Senior Associate with Skadden Arps Slate Meagher & Flom, and in Shanghai as Chief Executive Officer with Public International Investments Ltd., First Shanghai Investments Ltd.

Mr. Liu has a J.D. degree from New York University School of Law and a B.G.S degree in Economics and Political Science from the University of Michigan.

Testimony in support of Mr. Liu was received from United States Department of Agriculture Rural Development; U.S. Small Business Administration; Department of Business, Economic Development, and Tourism; and nine of its administrators; Aloha Tower Development Corporation; Hawaii Community Development Authority and the Chairperson of the Authority; Hawaii Housing Finance and Development Corporation and two of its Board members; Hawaii Strategic Development Corporation; three members of the Board of High Technology Development Corporation; Office of Planning; Small Business Regulatory Review Board and a member of the Board; Hawai'i Convention Center; Workforce Development Council; Public Utilities Commission; Department of Transportation; University of Hawai'i System and twenty-nine members of its administration and faculty, and the Office of Hawaiian Affairs.

Testimony in support of the nominee was also received from The Chamber of Commerce of Hawaii; Economic Development Alliance of Hawaii; Enterprise Honolulu; Hawaii Science & Technology Council; HiBEAM; Chinese Chamber of Commerce of Hawaii; Hawaii Chinese Tourism Association; Hawaii Teo Chew Association; Hong Kong Business Association of Hawaii; Government Affairs Committee of the Honolulu Japanese Chamber of Commerce; BIA-Hawaii; Hawai'i Arts Alliance; Hawaii Pacific Export Council; Big Island Fishermen's Association; senior administrators from Chaminade University and Hawaii Pacific University; Catholic Charities Hawai'i; Hawaii Family Forum; Faith Action for Community Equity; Hawaii Global Youth Center; Empower Oahu; Hawai'i Capital Cultural District; and Windward Ahupua'a Alliance.

Supportive testimony was also provided by The Gas Company; Hawaiian Electric Company, Inc.; Hawaii Renewable Energy Alliance; Aloha Petroleum, Ltd.; BlueEarth Biofuels LLC; ClearFuels Technology, Inc.; Energy Industries; HSI Electric; Imperium Renewables Hawaii LLC; Kauai Ethanol LLC; PowerLight Corporation; Puna Geothermal Venture; and Sopyg, Inc.

Additional testimony in support was received from Alexander & Baldwin, Inc.; AIG Hawaii Insurance Company, Inc.; Advantage Capital Partners; AGIS Network; Aloha Island, Inc.; AT Marketing; Avalon Development Company; BAE Systems; Belt Collins Hawaii Ltd.; Bowen Hunsaker Hira Consulting, Inc.; CBL Lending; CMC Consulting Group; CTA Solutions; Castle & Cooke Homes Hawaii, Inc.; Cavanah Associates, Inc.; Cellular Bioengineering, Inc.; Center for Tomorrow's Leaders; Central Pacific Bank; ChipIn, Inc.; City Mill Company, Ltd.; Coldwell Bankers Pacific Properties; DragonBridge Capital Merchant Bank; E Noa Corporation & Waikiki Trolleys; EnviroServices & Training Center, LLC; The Estate of James Campbell; Events International; Ferraro Choi; First Hawaiian Bank; First Insurance Company of Hawaii, Ltd.; Gay & Robinson, Inc.; Global Brain, Inc.; Hamakua Macadamia Nut Company; Hawaii Chinese News; Hawaii Pacific Health; Hawaii Superferry; Hawaiian Airlines; Hawaiian Cement; Hawaiian Dredging; Hawaiian Telcom; Hawaiya Technologies, LLC; Sam O. Hirota, Inc.; Harbor Wing Technologies, Inc.; Ho'ākea Communications; International Finance Group; KUD International; KTA Super Stores; Koa Trading Company; Kolohala Holdings; Kona Brewing Co.; Koyo USA Corp.; L&L Franchise, Inc.; Market City, Limited; NLP Music, Inc.; Oceanic Time Warner Cable; Oceanit; ORMAT Technologies, Inc.; Outrigger Enterprises, Inc.; Panda Group; PacMar Inc.; People Bridge; Quantum Leap Interactive, Inc.; Referentia Systems Incorporated; Roeca, Louie & Hiraoka; SJ Investments, Ltd.; Sanford Murata, Inc.; Sony Hawaii Company; Starwood Hotels & Resorts Worldwide, Inc.; 3Point; TIMCORP International Marketing Co., Ltd.; Thomas J. Mitrano, Inc.; Townsend Capital, LLC; TREX Enterprises; Vantage Counsel LLC; Ventana Capital; Wimberly Allison Tong & Goo; World Journal, and over sixty individuals.

Kipahulu `Ohana and three individuals submitted testimony with reservations or in opposition.

In his statement, Mr. Liu noted that, at his first advice and consent hearing in 2003, he outlined his vision for the Department – “To build a responsive, effective and accountable team with a culture of excellence that provides relevant service, solves problems, facilitates business and provides leadership in innovative ideas that impact a broad sector, all with the objective of promoting broad value creation for and improving the standard of living for Hawaii citizens.”

He stated that he remains committed to that vision through a reorganized Department aligned toward clear strategic goals; greater transparency and accountability; major initiatives, including spearheading the initial focus in 2004 on the State's affordable housing crisis, the Economic Momentum Commission in 2005, the “Energy for Tomorrow” policy and legislation package passed by the Legislature in 2006, and the “Innovation Initiative” in 2007.

Mr. Liu also outlined what he sees as the opportunities and challenges over the next period for Hawaii's economy: bringing about a “soft landing” and sustaining the recent economic growth; evening out the boom-and-bust economic cycles; and creating a more diversified and innovative economy. To meet these economic challenges, the Department is focused on six areas: increasing workforce housing; developing competitive workforce skills; achieving energy sufficiency and security; developing human capital and innovation capacity; increasing exports of goods and services; and improving the business environment.

Members of your Committees had a number of questions for Mr. Liu regarding Department programs and initiatives, including: development plans for Kakaako and Kalaeloa under the Hawaii Community Development Authority; the effectiveness and costs of foreign trade missions; costs, particularly personnel, for the Overseas Offices; funding and expenditures related to the Community Based Economic Development program; expenditures related to the Integrated Development Group (IDG) federal funds; and the status of the U.S. Citizens and Immigration Service related to the EB-5 Immigrant Investors program. Members also questioned Mr. Liu regarding his use of departmental resources, including equipment and staff time, in soliciting letters of support for his confirmation.

Mr. Liu responded both in writing and through further discussion with Committee members on all of the above concerns. He noted that the questions by the Committees have raised a number of issues that he will consider fully in future decisions related to the activities of the Department.

As affirmed by the records of votes of the members of your Committees on Economic Development and Taxation and Tourism and Government Operations that are attached to this report, your Committees, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommend that the Senate advise and consent to the nomination.

Signed by the Chairs on behalf of the Committees. Ayes, 9. Ayes with Reservations, 1 (Kim). Noes, none. Excused, none.

SCRep. 1908 Human Services and Public Housing on Gov. Msg. Nos. 354 and 355

Recommending that the Senate advise and consent to the nominations of the following:

STATEWIDE COUNCIL ON INDEPENDENT LIVING

G.M. No. 354 WAYNETTE KAM YAU CABRAL, for a term to expire 6-30-2010; and

G.M. No. 355 DARA YUKIKO FUKUHARA, for a term to expire 6-30-2010

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds the nominees to have the necessary qualifications to be appointed to the Statewide Council on Independent Living.

Your Committee received testimony in support of WAYNETTE KAM YAU CABRAL, from the Department of Human Services, Family Voices of Hawai'i, the Executive Director of the Statewide Council on Independent Living, and two individuals. Ms. Cabral earned a B.S.W. and an M.S.W. from the University of Hawaii at Manoa. Ms. Cabral has over thirty years of experience in the area of developmental disabilities. She has worked as a Social Work Consultant and as a Program Coordinator with the Special Education Center of Oahu. She has also served as Community and Legislative Liaison and as Program Specialist for the State Council on Developmental Disabilities. She is presently the Executive Administrator of the State Council on Developmental Disabilities. Her professional accolades include the 2004 Professional of the Year Award from the Special Parent Information Network and the 2004 Advocacy Award from the Easter Seals of Hawaii. Ms. Cabral's extensive experience in the area of developmental disabilities make her a great asset to the Statewide Council on Independent Living.

Your Committee received testimony in support of DARA YUKIKO FUKUHARA, from the Department of Human Services, the Executive Director of the Statewide Council on Independent Living, and two individuals. Ms. Fukuhara earned a B.A. in Print Journalism from the University of Hawaii at Manoa. She is the current President of the Statewide Council on Independent Living and is overseeing the State Plan for Independent Living for 2007 to 2010. As an individual with a physical disability, Ms. Fukuhara stated that she is in receipt of some of the State's services and recognizes the needs of a person with a disability. She is also a mentor and advisory board member of Successful Transitions in Diverse Environments Hawai'i, which provides opportunities for select young adults who receive services from Vocational Rehabilitation to move into greater community participation, higher education, and employment. Ms. Fukuhara's personal experiences, as well as her leadership abilities, make her a valuable contributor to the Statewide Council on Independent Living.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 1 (Hemmings).

SCRep. 1909 Human Services and Public Housing on Gov. Msg. Nos. 385, 386, 387, 388 and 389

Recommending that the Senate advise and consent to the nominations of the following:

STATE REHABILITATION COUNCIL

G.M. No. 385 LARRY GELLER, for a term to expire 6-30-2010;

G.M. No. 386 JONATHAN J. CHUN, for a term to expire 6-30-2009;

G.M. No. 387 KATIE KEIM, for a term to expire 6-30-2010;

G.M. No. 388 HOWARD ALAN LESSER, for a term to expire 6-30-2010; and

G.M. No. 389 JULIE KAY SMITH, for a term to expire 6-30-2010

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Larry Geller, Jonathan J. Chun, Katie Keim, Howard Alan Lesser, and Julie Kay Smith to have the necessary qualifications to be nominated to the State Rehabilitation Council.

Your Committee received testimony in support of Larry Geller, from the Department of Human Services, the Chair of the State Rehabilitation Council, Kokua Council, Island Skill Gathering, the National Multiple Sclerosis Society, and one individual. Mr. Geller earned a B.S.E.E. with honors from the Polytechnic Institute of Brooklyn and has completed coursework towards an M.A. in Sociology at the University of Hawaii at Manoa. His prior professional experience includes serving as Public Information Coordinator for the Assistive Technology Resource Centers of Hawaii, as Executive Director of the Hawaii Coalition of Health, and as Administrator with The Clinic, Child and Adolescent Resources for Education. Mr. Geller is the current President of the Kokua Council and a recipient of the 2003 Mental Health Association Annual Award and the

2002 Mental Health Association of Maui Annual Award. His considerable knowledge of the problems and needs of seniors and disabled individuals make Mr. Geller a valuable asset to the State Rehabilitation Council.

Your Committee received testimony in support of Jonathan J. Chun, from the Department of Human Services, the Chair of the State Rehabilitation Council, and the Arc of Kauai. Mr. Chun earned a B.A. from the University of Hawaii at Manoa and graduated cum laude with a J.D. from the Gonzaga School of Law. He is presently an attorney with Belles Graham Proudfoot & Wilson. Mr. Chun's prior professional experience includes serving as a State Senator for the Seventh Senatorial District, as First Deputy County Attorney with the Kauai County Office of the County Attorney, and as Deputy Corporation Counsel with the Honolulu Department of the Corporation Counsel. As noted by the Department of Human Services, Mr. Chun provides the State Rehabilitation Council with the consultation and collaboration required with the State Workforce Development Council, and an invaluable perspective of disability needs and issues on Kauai.

Your Committee received testimony in support of Katie Keim, from the Department of Human Services, the Chair of the State Rehabilitation Council, Ho'Opono, the former Commissioner of the Rehabilitation Services Administration in Washington, D.C., the Director of the Iowa Department for the Blind, and one individual. Ms. Keim is presently a vocational rehabilitation instructor and counselor with the State Department of Human Services Division of Vocational Rehabilitation and Services for the Blind. Her prior professional experience includes consulting and teaching in the areas of independent living, vocational rehabilitation, employment programs, and transitional youth programs. She is the State Secretary of the National Federation of the Blind, and a member of the National Rehabilitation Association and the National Counsel of State Administrators for Blind Services. During her first term on the State Rehabilitation Council, Ms. Keim collaborated with other members to strengthen the partnership with Hawaii's Vocational Rehabilitation Services, to meet federal mandates, and to support the creation of quality employment opportunities for Hawaii's disabled population. Ms. Keim's intimate knowledge of both the challenges and possibilities facing individuals with disabilities make her a valuable contributor to the State Rehabilitation Council.

Your Committee received testimony in support of Howard Alan Lesser, from the Department of Human Services, the Chair of the State Rehabilitation Council, and the Hawaii Disability Rights Center. Mr. Lesser earned a B.A. in Psychology from the University of Cincinnati. He is presently a case advocate with the Hawaii Disability Rights Center. His prior professional experience includes serving as Deputy Director of the Hawaii Centers for Independent Living; as Director of Rehabilitation for Goodwill Industries of Honolulu, Inc.; as a case advocate with Protection and Advocacy Agency of Hawaii, Inc.; as a program specialist with the Hawaii State Planning Council on Developmental Disabilities; and as Executive Director of the Autistic Vocational Education Center. Mr. Lesser is a former Chair of the Hawaii State Mental Health Planning and Advisory Council and a former Board Member of the Honolulu Community Action Program. Mr. Lesser's significant experience and commitment to client advocacy provides the State Rehabilitation Council with a heightening understanding of the advocacy issues facing the vocational rehabilitation program.

Your Committee received testimony in support of Julie Kay Smith, from the Department of Human Services, the Chair of the State Rehabilitation Council, and two individuals. Ms. Smith graduated magna cum laude with a B.A. in Elementary Education and Special Education from the University of Northern Iowa. She also earned an M.A.E. in Special Education from the University of Northern Iowa and a Ph.D. in Special Education from the University of Florida. She presently provides professional development consultation to improve the instruction and facilitate inclusive education within the Waianae Coast schools. Her work enables her to focus on supporting a diverse range of learners in general education classrooms, including students with disabilities. Ms. Smith has an extensive background in special education, having taught as an assistant professor with the Department of Special Education at the University of Hawaii at Manoa over the past six years, and with the Department of Special Education at the University of Northern Iowa before that. In addition, she has several publications to her credit and has been invited to lecture numerous times in the area of special education. Ms. Smith is the current Co-chair of the State Rehabilitation Council's Human Resources Subcommittee, which has met monthly to develop and implement plans to provide educational information regarding disability to the public. Ms. Smith's extensive experience as a teacher educator, specifically in the area of special education, makes her a great asset to the State Rehabilitation Council.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 1 (Hemmings).

SCRep. 1910 Human Services and Public Housing on Gov. Msg. Nos. 530, 531 and 706

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DIRECTORS OF THE HAWAII PUBLIC HOUSING AUTHORITY (PHA)

G.M. No. 530 R. ERIC HO'OLULUKAMAKANI BEAVER, ESQ., for a term to expire 6-30-2010.;

G.M. No. 531 CLARISSA PUANANI HOSINO, for a term to expire 6-30-2009.; and

G.M. No. 706 KAULANA H.R. PARK, for a term to expire 6-30-2009

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds R. Eric Ho'olulukamakani Beaver, Clarissa Puanani Hosino, and Kaulana H.R. Park to have the necessary qualifications to be nominated to the Board of Directors of the Hawaii'i Public Housing Authority.

Your Committee received testimony in support of R. Eric Ho'olulukamakani Beaver's nomination from the Senior Policy Advisor to the Governor; Department of Health; Department of Human Services; Brigham Young University-Hawaii; two individuals representing Hawaii Reserves, Inc.; Kaua'i Economic Development Board, Inc.; and Rosehill & Associates.

Mr. Beaver received his Juris Doctorate from J. Reuben Clark Law School in Provo, Utah and his Bachelor of Science in Business Management from Brigham Young University-Hawaii. He is the President and Chief Executive Officer of Hawaii Reserves, Inc., for which he also served as Chief of Operations and Assistant General Counsel. He has worked as a research assistant, law clerk, instructor of business courses, and corporate trainer. Mr. Beaver is a member of the Oahu Burial Council and has served three terms on Neighborhood Board No. 28 (Koolauloa). He is the president of the Kahuku Hospital Board and president of Laie Hawaii Stake, Church of Jesus Christ of Later-day Saints. He is a founding member of the Kahuku High School Alumni Board, a member of the Koolauloa Ohana Group, Ko'olauloa Educational Alliance

Corp., and a member of the boards of Na Kamalei and BYU-Hawaii Alumni. Mr. Beaver coaches PAL basketball and is a Scouting Coordinator for the Boy Scouts of America.

Testimony from Mr. Beaver's supporters indicates that as interim director, he has already shown to be dedicated and passionate about housing issues and the current challenges facing the PHA. Therefore, based on his experience and training, your Committee finds Mr. Beaver to be qualified to continue to serve on the PHA Board of Directors as an At-Large/Oahu representative.

Your Committee received testimony in support of Ms. Clarissa Puanani Hosino's nomination from the Senior Policy Advisor to the Governor; two individuals representing the Department of Human Services, Hawaii Public Housing Authority; the State of Hawaii Federal Public Housing and Section 8 Resident Advisory Board; Kaua'i Economic Development Board, Inc.; and eleven individuals.

Ms. Hosino is a resident of the Kalanihuiua federal public housing project and has been a resident of various public housing buildings throughout the State for over thirty-two years. She has served as the president of the Kalanihuiua Resident Association, a member of the Hawaii Public Housing Resident Advisory Board, and a volunteer mentor for school children. Ms. Hosino received her General Education Degree from Konowaena High School at the age of thirty-six, having dropped out of school after the eighth grade. She is the mother of seven, foster-mother of thirteen, and a grandmother/great-grandmother of thirty-eight.

Testimony from her supporters indicates that as an interim director, Ms. Hosino has been a strong voice for the public housing tenants and has demonstrated excellent problem solving skills. Based on her experience and training, your Committee finds Ms. Hosino to be qualified to serve on the PHA Board of Directors as a tenant representative.

Your Committee received testimony in support of Mr. Kaulana H.R. Park's nomination from the Senior Policy Advisor to the Governor; Department of Hawaiian Homelands; Department of Human Service, Hawaii Public Housing Authority; and the Department of Human Resources Development.

Mr. Park is the Executive Assistant to the Chairman/Director of the Department of Hawaiian Homelands. His prior work experience includes positions as a Business Loan Manager and Officer at the Office of Hawaiian Affairs, Branch Manager and Assistant Vice President of Bank of America, Assistant Branch Manager of First Hawaiian Bank and a Business Banking Officer at Wells Fargo Bank. Mr. Park holds a Bachelor of Science in Petroleum Engineering from Stanford University and is a graduate of Kamehameha High School. He is a member of the Board of Directors and a former President of the Native Hawaiian Chamber of Commerce, a Hawaii Advisory Committee member of the U.S. Commission on Civil Rights, and a member of the Board Council of Hope Chapel-Olomania Christian Fellowship. He is a member of the 2003 Class of Pacific Century Fellows and a recipient of the Pacific Business News "40 Under 40" in 2001.

Based on his experience and training, your Committee finds Mr. Park to be qualified to serve on the PHA Board of Directors as an Oahu representative.

As affirmed by the records of votes of the members of your Committee on Human Services and Public Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Hooser, Hemmings).

SCRep. 1911 Human Services and Public Housing on Gov. Msg. Nos. 595, 596, 597, 598, 599, 600, 666, 667 and 668

Recommending that the Senate advise and consent to the nominations of the following:

COMMISSION ON FATHERHOOD

- G.M. No. 595 BARRETT KEOKI AWAI, for a term to expire 6-30-2007;
- G.M. No. 596 BERNARD P. CARVALHO, JR., for a term to expire 6-30-2009;
- G.M. No. 597 MICHAEL R. DIAS, for a term to expire 6-30-2007;
- G.M. No. 598 MYRNA B. MURDOCH, for a term to expire 6-30-2007;
- G.M. No. 599 MARIKA RIPKE, PH.D., for a term to expire 6-30-2009;
- G.M. No. 600 SYLVIA H.L. YUEN, PH.D., for a term to expire 6-30-2009;
- G.M. No. 666 BARRETT KEOKI AWAI, for a term to expire 6-30-2009;
- G.M. No. 667 MICHAEL R. DIAS, for a term to expire 6-30-2009; and
- G.M. No. 668 MYRNA B. MURDOCH, for a term to expire 6-30-2009

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Barrett Keoki Awai; Bernard P. Carvalho, Jr.; Myrna B. Murdoch; Marika Ripke, Ph.D.; Sylvia H.L. Yuen, Ph.D.; and Michael R. Dias to have the necessary qualifications to be nominated to the Commission on Fatherhood.

Your Committee received testimony in support of Mr. Barrett Keoki Awai's nomination from the State Commission on Fatherhood. Mr. Awai earned a Bachelor of Arts in Science from Brigham Young University, an Associate of Arts from Arizona Western College and a High School Diploma from Kamehameha Schools. He is the Youth and Young Adult Director of Kawaihāo Church and the owner and president of I Mua Canoe Club. Mr. Awai was formerly employed by the Big Island Steakhouse. His community service experience includes volunteering for the Special Olympics and various beach and shoreline cleanups.

Mr. Awai has served on the Commission since May 2, 2006. Based on his experience and training, your Committee finds Mr. Awai to be qualified to serve on the Commission on Fatherhood representing Oahu and recommends confirmation for his current term to expire on June 30, 2007, and an additional term to expire in 2009.

Your Committee received testimony in support of Mr. Bernard P. Carvalho, Jr.'s nomination from the State Commission on Fatherhood. Mr. Carvalho's professional experience includes serving as the Recreation Program Development Coordinator, Director of Recreation, and Recreation

Leader II for the County of Kauai Parks and Recreation and a substitute teacher for the Department of Education. He earned a Bachelor of Science in Communication and Public Relations from the University of Hawai'i at Manoa and a High School Diploma from Kapaa High School.

Mr. Carvalho has served on several community boards and committees, including Kamehameha Schools Parent Association of Kauai, of which he was president; Kawaihau District Leadership Coalition; Hale Ho'omaluu; Work Force Investment Youth Council; Hawaii Recreation Parks Association; KaAnuenue Connection/Coalition for a Drug Free Hawaii; Kapaa High School Foundation; and St. Catherine's Church Pastoral Council. Mr. Carvalho received the E Ola Pono Award for Community Service in 2002.

Based on his experience and training, your Committee finds Mr. Carvalho, Jr. to be qualified to serve on the Commission on Fatherhood representing Kauai and recommends confirmation for a term to expire in 2009.

Your Committee received testimony in support of Miss Myrna B. Murdoch's nomination from the State Commission on Fatherhood. Miss Murdoch earned a Master of European Language with honors from the University of Hawaii at Manoa and a Bachelor of Arts with honors from the University of Victoria in Canada. She has been employed as a Legislative Assistant for Senator Suzanne Chun-Oakland, English Tutor for Hawaii Pacific University, Associate Vice President of Dean Witter Morgan Stanley, CEO and Founder of Folies Beargeres, stock broker for E.F. Hutton, and a teacher's assistant. Miss Murdoch has been a presenter on Ho'oponopono and is a published author.

Miss Murdoch community service experience includes serving as president and founder of Children's Rights Council of Hawaii and a trustee of the Honolulu Theater for Youth. She is a board member of the YMCA of Honolulu, State of Hawaii Civil Defense Board, and the Children's Rights Council National Board. Miss Murdoch is also a member of the Child and Family Service Board Guild, Junior League of Honolulu, Punahou School Room Parent and Luke Community Service, Association of Family and Conciliatory Courts, Association of Conflict Resolution, National Association for the Council of Children, and Family Mediation Canada.

Miss Murdoch began her service on the Commission on May 2, 2006. Based on her experience and training, your Committee finds Miss Murdoch to be qualified to serve on the Commission on Fatherhood representing Oahu and recommends confirmation for her current term to expire on June 30, 2007, and an additional term to expire in 2009.

Your Committee received testimony in support of Ms. Marika Ripke's nomination from the State Commission on Fatherhood. Ms. Ripke earned a Doctorate in Human Development and Family Studies and a Master of Arts in Child Development and Family Relationships from the University of Texas at Austin. She earned a Bachelor of Science in Psychology from Texas A & M University, graduating Magna Cum Laude.

Ms. Ripke is the Project Director of Kids Count Hawaii at the University of Hawaii Center on the Family (the Center). Prior to her current position, Ms. Ripke was a Co-Project Coordinator and the Center. She has published and presented numerous pieces relating to child psychology and development. She has received numerous awards and grants for her scholarly work. Some of her community service experiences include serving as a researcher and grant writer for The Father's Connection, a child mentor and tutor for Austin Independent School District, a humanitarian aid delegate to Cuba through MADRE International, and a fundraising volunteer for Pathways Community Counseling.

Ms. Ripke served as secretary of the Commission on Fatherhood from 2004-2007. Based on her experience and training, your Committee finds Ms. Ripke to be qualified to serve on the Commission on Fatherhood as a House of Representatives nominee representing Oahu and recommends confirmation for a term to expire in 2009.

Your Committee received testimony in support of Dr. Sylvia H.L. Yuen's nomination from the State Commission on Fatherhood. Dr. Yuen is the Director of the Center on the Family at the University of Hawaii. She earned a Doctorate in Psychology and a Bachelor of Science in Home Economics Education from the University of Hawaii and a Master of Science in Child Development from the University of Illinois. She has published, edited, and reviewed numerous writings on subjects relating to gerontology, psychology, and child development.

Dr. Yuen has received numerous honors, awards, and grants for her scholarly work and community service. Among the most prestigious awards are several Excellence in Teaching Awards, a 1996 commendation for noteworthy achievements from the Hawaii House of Representatives, her 1995 Presidential Selection and a 1981 Gubernatorial appointment to serve on the White House Conference on Aging, the 1983 Robert W. Clopton Award for distinguished community service, and serving on the Advisory Board to assist the United Nations plan for the 1982 World Assembly on Aging.

Based on her experience and training, your Committee finds Dr. Yuen to be qualified to serve on the Commission on Fatherhood and recommends confirmation for her current term to expire on June 30, 2007, and an additional term to expire in 2009.

Your Committee received testimony in support of Mr. Michael R. Dias nomination from the State Commission on Fatherhood and the Lili'uokalani Trust of the Queen Lili'uokalani Children's Center.

Mr. Dias is an Employment Specialist at ALU LIKE, Inc., Hawai'i Island Center and a part-time instructor for the Na Pua No'eau-Ho'omalamalama Program at the University of Hawaii at Hilo. His prior work experience includes serving as the Father Involvement Specialist at ALU LIKE, Inc., Ho'okahua Early Childhood Development in Honolulu and the Hawai'i Island Representative for ALU LIKE, Inc., in Hilo.

Mr. Dias earned a Bachelor of Science in Social Science and English with a Minor in Hawaiian Studies from the University of Hawaii at Hilo. He is a member of the Hawai'i Coalition for Dads, of which he has served as Co-Chair.

Mr. Dias began his service on the Commission on May 2, 2006. Based on his experience and training, your Committee finds Mr. Dias to be qualified to serve on the Commission on Fatherhood representing the island of Hawaii and recommends confirmation for his current term to expire on June 30, 2007, and an additional term to expire in 2009.

As affirmed by the records of votes of the members of your Committee on Human Services and Public Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Hooser, Hemmings).

SCRep. 1912 Human Services and Public Housing on Gov. Msg. Nos. 611, 612, 613, 614, 700 and 701

Recommending that the Senate advise and consent to the nominations of the following:

STATEWIDE COUNCIL ON INDEPENDENT LIVING

- G.M. No. 611 LILLIAN GONZALES BROWN, for a term to expire 6-30-2008;
G.M. No. 612 BRIAN KESSLER, for a term to expire 6-30-2009;
G.M. No. 613 SANDRA K. MEEHAN, for a term to expire 6-30-2008;
G.M. No. 614 MARC ANTOINE MORTIMER, for a term to expire 6-30-2009;
G.M. No. 700 LOUISE R. HORIO, for a term to expire 6-30-2008; and
G.M. No. 701 NATHAN E. SAY, for a term to expire 6-30-2010

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Lillian Gonzales Brown, Brian Kessler, Sandra K. Meehan, Marc Antoine Mortimer, Louise R. Horio, and Nathan E. Say to have the necessary qualifications to be nominated to the Statewide Council on Independent Living (Council).

Your Committee received testimony in support of Lillian Gonzales Brown's nomination from the Department of Human Services and the Statewide Independent Living Council of Hawaii.

Ms. Brown is a freelance disability educator and consultant and the founder of the Institute on Disability Culture. Ms. Brown has conducted training and given presentations on a variety of disability-related topics, staff orientation, and curriculum design and implementation throughout the United States and abroad. Her prior work experience includes the World Institute On Disability, Kaiser Permanente Hospital-Division of Research, Suicide Prevention of Alameda County, Planned Parenthood of Alameda County, Center for Independent Living of Berkeley, and the University of California at San Francisco Sex and Disability Unit.

Ms. Brown is a former member of the Disability Action Committee, Las Cruces, New Mexico; St. Mary's Hospital Community Advisory Board, San Francisco; Oakland Mayor's Commission on the Disabled; Community Advisory Committee for Sex Education for Disabled People, Oakland, California; Alameda County Developmental Disability Case Conference Committee; and the Area Board Advisory Committee. She is a former member of the Board of Directors of Suicide Prevention of Alameda County, and Community Advisory Committee of Planned Parenthood of Alameda County.

Your Committee finds that Ms. Brown has extensive experience in the field of disability studies and independent living as an educator, consultant, lecturer, and trainer. Your Committee finds that the Council will benefit both from her perspective as a person with a disability and as well as her background in the planning and development of services to enable people with disabilities to lead more independent lives. For the foregoing reasons, your Committee finds Ms. Brown to be qualified to serve as an individual with a disability representative on the Council.

Your Committee received testimony in support of Brian Kessler's nomination from the Department of Human Services and one individual.

Mr. Kessler earned a Bachelor of Arts in Political Science from the University of Pittsburgh and is a MBA/MA in Global Leadership Candidate at Hawaii Pacific University. He is a Partner with the Grand Prix Association of Hawaii and a Business Development Consultant for Sales & Marketing Strategies. His prior work experience includes serving as a Business Development Consultant and Founder of Broadbus Technologies in Boston, Vice President of Business Development of Nanosoft Corporation in Chicago, Investment Advisor for International Money Management in Honolulu, an Independent Floor Trader in Sydney, and International Securities Specialist for Dean Witter Reynolds in Boston.

Mr. Kessler has served on numerous Boards of Directors and Committees. He is the Manoa Representative to the Ala Wai Watershed Association; the Land, Planning, and transportation Chair of the Manoa Neighborhood Board; and a Mayoral appointee to the City and County of Honolulu Child Care Advisory Board. He is a former member of various committees of the Honolulu Community Media Council-FCC and of the Hawaii Centers for Independent Living, former Chairman of the Board Development Committee and former Co-Chair of the Golf Committee of the Honolulu Theater for Youth, former Resource Development Committee member of Prevent Child Abuse Hawaii, among many others. He is also a member of numerous professional organizations.

Your Committee finds Mr. Kessler to be an accomplished entrepreneur and businessman who will provide the Council with the business perspective of disability issues and the promotion of independent living for persons with disabilities. Based on his extensive experience and training, your Committee finds Mr. Kessler to be qualified to serve on the Council.

Your Committee received testimony in support of Sandra K. Meehan's nomination from the Department of Human Services, the Statewide Independent Living Council of Hawaii, Hawaii Fi-Do Service and Therapy Dogs, and one individual.

Mrs. Meehan earned an Associate of Arts in Criminal Justice Administration from the University of Hawaii and has participated in several workshops on topics including leadership management, culture diversity, and substance abuse. Mrs. Meehan's work experience includes serving as the Executive Director of the Tri-County Independent Living Center in Utah, Community Advocate for the Association of Independent Living Centers in Utah, and Outreach Coordinator for Hawaii Centers for Independent Living. From 2005 to March 2006, she was a full-time caregiver for her brother.

Mrs. Meehan is the present Program Administrator of Hawaii Fi-Do Service Dogs and Treasurer of Independent Living Hawaii. She is the former president of the Association for Independent Living of Utah, a former representative to the National Council on Independent Living, and a former board member of the Utah State Independent Living Council.

Your Committee finds that Mrs. Meehan has vast experience in independent living and developing independent living outreach services and new centers. It is evident that she has used her personal experience with having a disability to contribute to the advancement of others. Based on her experience and training, your Committee finds Mrs. Meehan to be qualified to serve on the Council.

Your Committee received testimony in support of Marc Antoine Mortimer's nomination from the Department of Human Services; Developmental Disabilities Board Area 10, Life Quality Assessment Project; Special Olympics Hawaii; and three individuals.

Mr. Mortimer has certifications in Help Desk from the Westside Center for Independent Living, Office Assistant from Southern California Regional Occupational Center, and as a Competent Toastmaster from Toastmasters'.

Mr. Mortimer has been employed as a Life Quality Assessment Visitor for Developmental Disabilities Board Area 10 in Glendale, California; a Social Activity Program Instructor for South Bay Vocational Center; a file clerk for a private law firm; an office assistant for the State

Compensation Insurance Fund in Mesa, California; and an Underwriter Support Clerk and Office Support Clerk for an insurance agency. He was a volunteer computer lab tutor for the Long Beach Public Library and a volunteer computer lab assistant for Easter Seals. Mr. Mortimer's advocacy experience includes advocating for community service programs for misdemeanor offenders in lieu of fine or imprisonment, promoting assistive technology, and increasing accessibility and maintaining funding for persons with disabilities. He served as a member of the Social Services Advisory Committee to the Community Services Commission of the City Council of Torrance, California; a member of the Service Employees International Union and United for Quality and Choice; District 49 Toastmasters; Special Olympics Global Messengers Toastmaster Club; and an apprentice member of the Greater Los Angeles Chapter of the National Speakers Association.

Your Committee finds Mr. Mortimer to be a person with a disability who strongly supports an individual's right of self-determination and full participation in the community. Your Committee notes that he has been effective in advocating on his own behalf and contributed to others by volunteering in organizations that serve people with disabilities. For the foregoing reasons, your Committee finds Mr. Mortimer to be qualified to serve as an individual with a disability representative on the Council.

Your Committee received testimony in support of Louise R. Horio's nomination from the Department of Human Services, the Statewide Independent Living Council of Hawaii, and three individuals.

Ms. Horio earned a Bachelor of Education and a Fifth Year Degree (considered a Master in Education, at the time) from the University of Hawaii, and she has a Professional Certificate in Teaching.

Ms. Horio retired from teaching elementary school after nearly thirty years of service. She is the President of the Hui Kupuna VIP, a senior group of visually impaired individuals which meets bi-monthly as a support and social group that volunteers for the Domestic Abuse Shelter. Ms. Horio is also the Chair of Citizens for Fair ADA Ride.

Your Committee finds that Ms. Horio has been a strong advocate for older individuals who are blind. Based on her experience and training, your Committee finds Ms. Horio to be qualified to serve as an individual with a disability representative on the Council.

Your Committee received testimony in support of Nathan E. Say's nomination from the Department of Human Services, the Statewide Independent Living Council of Hawaii, and one individual.

Your Committee finds that Mr. Say is a senior at Brigham Young University Hawaii majoring in History. Your Committee further finds that Mr. Say has been very active in the disability community in Hawaii. He has written and made several presentations to various groups on disability and culture.

Based on his experience and training, your Committee finds Mr. Say to be qualified to serve as an individual with a disability representative on the Council.

As affirmed by the records of votes of the members of your Committee on Human Services and Public Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Hooser, Hemmings).

SCRep. 1913 Human Services and Public Housing on Gov. Msg. Nos. 654, 655 and 656

Recommending that the Senate advise and consent to the nominations of the following:

STATE REHABILITATION COUNCIL

G.M. No. 654 PINA S. LEMUSU, for a term to expire 6-30-2007;

G.M. No. 655 PINA S. LEMUSU, for a term to expire 6-30-2010; and

G.M. No. 656 DONALD THOMSON, for a term to expire 6-30-2010

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Pina S. Lemusu and Donald Thomson to have the necessary qualifications to be nominated to the State Rehabilitation Council.

Your Committee received testimony in support of Miss Pina S. Lemusu's nomination from the Department of Human Services and two individuals from the University of Hawaii at Manoa College of Education.

Miss Lemusu earned a Master of Education specializing in Rehabilitation Counseling from the University of Hawaii at Manoa, a Bachelor of Justice Administration from the University of Hawaii West Oahu, a Liberal Arts degree from Leeward Community College, and her High School Diploma from Faga'itua High School in American Samoa.

Her work experience includes serving as a Youth Program Specialist for Hawaii Centers for Independent Living and a Job Placement Specialist for Lanakila Rehabilitation Center. She has completed training in strategic and Olmstead training and as a mentor-in-training for the Successful Transition In Diverse Environments (STRIDE). She is a member of the National Rehabilitation Association, Statewide Independent Living Council, and the Recruitment Committee of the University of Hawaii at Manoa College of Education Vocational Advisory Board. Miss Lemusu is also serving as the coordinator for the Hawaii portion of the national "Road to Freedom Tour," that aims to promote the awareness and respect of the Americans with Disabilities Act.

Miss Lemusu has served as an interim member of the State Rehabilitation Council since August 2006. Based on her many achievements, it is evident that she is a highly motivated and caring person who finds great satisfaction and self fulfillment in serving others. For these reasons, your Committee finds Miss Lemusu to be qualified to serve on the State Rehabilitation Council representing recipients of vocational rehabilitation services.

Your Committee received testimony in support of Mr. Donald Thomson's nomination from the Department of Human Services and one individual. Mr. Thomson has taught as a Professor of Sociology and American Studies at Leeward Community College for over thirty-six years, serving as the Social Science Division Chair for the last seven. He is a former vice-chair of the Leeward Faculty Senate.

Mr. Thomson has earned both of his Masters in American Studies and Sociology from the University of Hawaii at Manoa. He attended the California School for the Blind and the California Orientation Center for the Blind. He is a member of the Hawaii Association of the Blind of which he is the Legislative Chair and Second Vice President. Mr. Thomson is a former President and former First Vice President of that Association. He has also held the position of Legislative Chair of the University of Hawaii Student Faculty Union and of President of Friends of Jazz Hawaii.

Based on his experience and training, your Committee finds Mr. Thomson to be qualified to serve on the State Rehabilitation Council representing recipients of vocational rehabilitation services.

Your Committee finds both of these nominees to be very accomplished and to be excellent examples of individuals with disabilities who have succeeded and desire to give a voice to others. Your Committee believes they have the background and personal drive needed to give guidance and direction to the State Rehabilitation Council to better meet the needs of its constituents.

As affirmed by the records of votes of the members of your Committee on Human Services and Public Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Hooser, Hemmings).

SCRep. 1914 Public Safety on H.C.R. No. 312

The purpose of this measure is to examine the financial costs of sending Hawaii offenders for incarceration in prisons on the mainland due to the overcrowding in Hawaii correctional facilities.

Specifically, this measure requests a report from the Department of Public Safety on the financial costs of sending Hawaii inmates to out-of-state correctional facilities.

Testimony in support of this measure was submitted by the Department of Public Safety, Community Alliance on Prisons, and one individual.

Your Committee finds that it is important to have an accurate and transparent accounting of the costs associated with imprisoning offenders on the mainland.

As affirmed by the record of votes of the members of your Committee on Public Safety that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 312, H.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 1 (Sakamoto).

SCRep. 1915 Health on S.B. No. 409

The purpose of this short form measure is to amend the law relating to health.

Your Committee has amended this measure by replacing its contents with language that requires a health insurance provider to include in its policies, coverage for medical vigilance services for covered patients who are receiving in-patient health care services at an acute care hospital.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 409, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 409, S.D. 1, and be recommitted to the Committee on Health, for further consideration.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1916 (Majority) Commerce, Consumer Protection and Affordable Housing on H.B. No. 91

The purpose of this measure is to remove private or governmental accounting experience as meeting the required professional experience for a license in public accountancy and to remove the requirement that a candidate have a baccalaureate degree in accounting prior to taking the certified public accountant (CPA) examination.

Your Committee received testimony in support of this measure from the Hawaii Association of Public Accountants; Sharon Courter, CPA, LLC; Deborah Daniells & Associates, CPAs, Inc.; Lloyd Y. Kimura, CPA, Inc.; Kobayashi, Doi & Lum CPAs LLC; Niwao & Roberts Certified Public Accountants, A Professional Corporation; and thirty six individuals. Testimony in opposition to this measure was submitted by the State Auditor, the Board of Public Accountancy, the Department of Taxation, the Hawaii Society of Certified Public Accountants, and one hundred twenty seven individuals.

Your Committee finds that the public is better served when candidates for a CPA license are required to obtain their work experience in public accounting rather than through private or government experience. In addition, your Committee finds that allowing all candidates with a baccalaureate degree other than in accounting to take the CPA exam does not change the CPA licensing requirements, but simply allows those candidates to take the exam at an earlier date. This would open the accounting profession to a larger pool of potential CPAs. This measure will also benefit potential CPA candidates who attended a school that did not offer a baccalaureate degree in accounting, by allowing them to take the exam earlier and encouraging them to stay in the accounting field.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 91, H.D. 1, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Ayes with Reservations, 2 (Ige, Ihara). Noes, 2 (Espero, Slom). Excused, none.

SCRep. 1917 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 521, 610 and 699

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DIRECTORS OF THE HAWAII HOUSING FINANCE AND DEVELOPMENT CORPORATION (HFD)

G.M. No. 521 CHARLES P. WATHEN, for a term to expire 6-30-2008;

G.M. No. 610 ALLAN LOS BANOS, JR., for a term to expire 6-30-2010; and

G.M. No. 699 RICHARD TOLEDO, JR., for a term to expire 6-30-2009

Upon review of the personal history submitted by the nominee, Charles P. Wathen, your Committee finds that Mr. Wathen is the president of Wathen & Associates Limited, a Honolulu and Denver based consulting and development firm. Mr. Wathen is also the president of Pier Management Hawaii LLC, which manages apartment units in the State.

Mr. Wathen has previously organized housing conferences for the Urban Land Institute and has participated in several housing task forces and advisory committees. He is currently a member of the Urban Land Institute, as well as a member of Housing Hawaii, a non-profit housing coalition.

Testimony in support of Mr. Wathen was submitted by the Department of Business, Economic Development & Tourism; the Hawaii Housing Finance and Development Corporation; Catholic Charities of Hawai'i; and two individuals.

Your Committee finds that Mr. Wathen is an advocate for affordable housing and will serve as an asset to the Board of Directors of the Hawaii Housing Finance and Development Corporation.

Upon reviewing the personal history provided by the nominee, Allan Los Banos, Jr., your Committee finds that Mr. Los Banos is currently a safety coordinator and program specialist with the Hawaii Masons & Plasterers Training Program. Mr. Los Banos is also an instructor at Honolulu Community College and with Hawaii Electricians Training. Mr. Los Banos is active in numerous professional and community organizations. He has also been awarded various accolades for his leadership and community service.

Mr. Los Banos has also served as a member of the Hawaii Community Development Authority Board the Housing and Community Development Corporation.

Testimony in support of Mr. Los Banos' nomination was submitted by the Department of Business, Economic Development & Tourism; the Hawaii Housing Finance and Development Corporation; the Building Industry Association of Hawaii; Cement Concrete Products Industry of Hawaii; the Hawaii Building & Construction Trades Council, AFL-CIO; and the Hawaii Laborers-Employers Cooperation and Education Trust Fund.

Your Committee finds that Mr. Los Banos' experiences will provide a unique perspective to the Board of Directors of the Hawaii Housing Finance and Development Corporation.

Upon reviewing the personal history submitted by the nominee, Richard Toledo, Jr., your Committee finds that Mr. Toledo is the owner and operator of Equity Financial Group, a mortgage brokerage firm. Mr. Toledo has also served as a mortgage broker with several other companies and was part-owner and manager of K.K. Ranch, Inc.; a cattle ranch on the island of Hawaii.

Testimony in support of Mr. Toledo was submitted by the Department of Business, Economic Development & Tourism and the Hawaii Housing Finance and Development Corporation.

Your Committee finds that Mr. Toledo's professional experience as a mortgage broker and as a manager will make him a key component of the Board of Directors of the Hawaii Housing Finance and Development Corporation.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1918 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 569 and 684

Recommending that the Senate advise and consent to the nominations of the following:

STATE BOARD OF PUBLIC ACCOUNTANCY

G.M. No. 569 DOREEN LILLY GRIFFITH, for a term to expire 6-30-2011; and

G.M. No. 684 WILLIAM L. WONG, for a term to expire 6-30-2009

Upon review of the background information submitted by the nominee, Doreen Lilly Griffith, your Committee finds that Ms. Griffith is a managing partner with the Honolulu Office of Grant Thornton LLP, a global accounting, tax, and business advisory organization. She is the first female managing partner of a national certified public accountant firm in Honolulu. Prior to joining Grant Thornton LLP, Ms. Griffith was a senior tax manager with PricewaterhouseCoopers LLP in Virginia. Ms. Griffith is active in numerous professional and community organization.

Testimony in support of Ms. Griffith was submitted by the Department of Commerce and Consumer Affairs, the Hawaii Credit Union League, and three individuals. Comments were submitted by the Maui Chapter of the Hawaii Association of Public Accountants and one individual.

Your Committee finds that Ms. Griffith's many years of experience will make her a key component of the Board of Public Accountancy.

Upon review of the background information submitted by the nominee, William L. Wong, your Committee finds that Mr. Wong is the president and sole owner of William L. Wong CPA & Associates, Inc., a financial and tax consulting firm in Kailua-Kona, Hawaii. Mr. Wong graduated from the University of Hawaii with a degree in finance and attended the University of Hawaii's Graduate School of Business. Throughout the years, Mr. Wong has won numerous accolades, including being named the national winner of the U.S. Small Business Administration's Accountant Advocate of the Year for 1999.

Testimony in support of Mr. Wong was submitted by two individuals. Comments were submitted by the Maui Chapter of the Hawaii Association of Public Accountants.

Your Committee finds that Mr. Wong's knowledge and experience will serve him well as a member of the Board of Public Accountancy.

Your Committee would like to note that the comments submitted as to both Ms. Griffith and Mr. Wong did not reflect upon the nominees personally, but raised the issue as to the lack of a Maui representative on the Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1919 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 592, 593 and 594

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF PROFESSIONAL ENGINEERS, ARCHITECTS, SURVEYORS, AND LANDSCAPE ARCHITECTS

G.M. No. 592 RICHARD Y. MITSUMORI, for a term to expire 6-30-2011;

G.M. No. 593 PAUL H. MURRAY, LPLS, for a term to expire 6-30-2011; and

G.M. No. 594 ROBERTO B. YUMOL, AIA, for a term to expire 6-30-2011

Upon review of the background information submitted by the nominee, Richard Y. Mitsumori, your Committee finds that Mr. Mitsumori received his Bachelor of Science in Engineering from the University of Hawaii in 1959. After receiving his degree, Mr. Mitsumori joined the State Department of Transportation. After relocating to the island of Hawaii, Mr. Mitsumori became the head of the Road Maintenance Division of the County of Hawaii's Department of Public Works. Before retiring in 1994, Mr. Mitsumori was the head of the Traffic Division of the Department of Public Works.

Mr. Mitsumori has also served on the Barbers and Cosmetology Licensing Board and is currently serving on the Motor Vehicle Licensing Board for a term that expires on June 30, 2007.

Testimony in support of Mr. Mitsumori was received from the Department of Commerce and Consumer Affairs and one individual.

Your Committee finds that Mr. Mitsumori has demonstrated a commitment to public service and that his membership to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects will allow him to continue his public service as well as to share his wealth of experience in the engineering field.

Upon review of the background information submitted by the nominee, Paul H. Murray, LPLS, your Committee finds that Mr. Murray is a licensed professional land surveyor and is the owner of Paul H. Murray & Associates, LLC. Mr. Murray has been a licensed professional land surveyor since 1992 and a land court surveyor since 1996. Mr. Murray is familiar with all aspects of land surveying from working as a Rodman after high school to working his way up to being the owner of his own company.

Testimony in support of Mr. Murray was submitted by the Department of Commerce and Consumer Affairs.

Your Committee finds that Mr. Murray's broad experiences and knowledge, from being a basic entry Rodman to becoming a licensed professional land surveyor, will provide a unique perspective to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects.

Upon review of the background information submitted by the nominee, Roberto B. Yumol, AIA, your Committee finds that Mr. Yumol is a registered professional architect both in the State of Hawaii and in the Philippines. Mr. Yumol received his Bachelor of Science in Architecture in 1969. Mr. Yumol is currently an associate with the firm of Group 70 International Inc. Prior to that, Mr. Yumol worked for Architects Hawaii Ltd.; AM Partners Inc.; and also had his own firm. Throughout his career, Mr. Yumol has been involved with numerous projects throughout the State.

Mr. Yumol has also been awarded numerous accolades throughout his architectural career. Mr. Yumol is a member of the American Institute of Architects and the Filipino American League of Engineers and Architects. He is also active with various community organizations.

Your Committee received testimony in support of Mr. Yumol from the Department of Commerce and Consumer Affairs; Group 70 International, Inc.; Applied Technology Corporation; and sixteen individuals.

Your Committee finds that Mr. Yumol's many years of experience will make him a great asset to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1920 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. No. 690

Recommending that the Senate advise and consent to the nomination of the following:

ELEVATOR MECHANICS LICENSING BOARD

G.M. No. 690 MARC KEALA MITSUO YAMANE, for a term to expire 6-30-2011

Upon reviewing the personal history submitted by the nominee, Marc Keala Mitsuo Yamane, your Committee finds that Mr. Yamane graduated with honors from DeVry Institute of Technology with a Bachelors of Science in Electronics Engineering. Mr. Yamane has over fifteen years of experience as an elevator mechanic. He is currently with Otis Elevator and is an instructor with the International Union Elevator Constructors (IUEC) National Elevator Industry Educational Program.

Mr. Yamane is active in various professional organizations. He is a member of the Tau Alpha Pi National Honor Society. He is also a past trustee of the IUEC Local 126 and a past member of the executive board of the IUEC Local 126. Mr. Yamane is the current president of the IUEC Local 126.

Testimony in support of Mr. Yamane was received from the Department of Commerce and Consumer Affairs.

Your Committee finds that Mr. Yamane's many years of experience and his concern for the protection and safety of consumers and the public will make him an asset to the State through his service on the Elevator Mechanics Licensing Board.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1921 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 638, 639 and 640

Recommending that the Senate advise and consent to the nominations of the following:

MOTOR VEHICLE INDUSTRY LICENSING BOARD

G.M. No. 638 STANLEY TOSHIYA MASAMITSU, for a term to expire 6-30-2011;

G.M. No. 639 DONALD K. TOUCHI, for a term to expire 6-30-2008; and

G.M. No. 640 WERNER UMBHAU, for a term to expire 6-30-2009

Upon reviewing the personal history submitted by the nominee, Stanley Toshiya Masamitsu, your Committee finds that Mr. Masamitsu is currently the president of the Tony Group car dealership. He has been with the Tony Honda company since 1995. Mr. Masamitsu holds a Bachelor of Science in Business Administration from the University of Southern California with an emphasis in Management and Human Resources. He is also very active in the community serving as a member of the YMCA, the Muscular Dystrophy Association of Hawaii, the Hawaii Automobile Dealers Association, the Honolulu Japanese Chamber of Commerce, and the Honolulu Country Club Foundation.

Your Committee received testimony in support of Mr. Masamitsu from the Honolulu Japanese Chamber of Commerce and the Hawaii Automobile Dealers' Association.

Your Committee finds that Mr. Masamitsu's experience will make him a key component of the Motor Vehicle Industry Licensing Board.

Upon reviewing the personal history submitted by the nominee, Donald K. Touchi, your Committee finds that Mr. Touchi is a graduate of the University of Hawaii with a Bachelors degree in Business Administration. Mr. Touchi began his career in 1968 selling, administering, and maintaining pension plans for Continental Assurance Company. In 1973, Mr. Touchi returned to Hawaii to form Financial Images, Inc. and is currently semi-retired. Mr. Touchi has served on the State Plan Policy Council and has chaired the City Salary Commission. He is also a volunteer at the Institute for Human Services and plays the piano weekly at the St. Francis West Hospices, the V.A. Center for the Aged, and the Pearl City Nursing Home.

Testimony in support of Mr. Touchi was submitted by the Department of Commerce and Consumer Affairs and three individuals.

Your Committee finds that Mr. Touchi has proven a commitment to community service and his unique background will make him an asset to the Motor Vehicle Industry Licensing Board.

Upon reviewing the personal history submitted by the nominee, Werner Umbhau, your Committee finds that Mr. Umbhau is a retired banker, who first worked as a loan officer with First Hawaiian Bank in 1958 and retired in 1994 as a vice president with Bank of Hawaii.

Mr. Umbhau is a member of the Hawaii Automobile Dealer Association and the Car Rental and Leasing Association. He is currently retired from the banking industry, having served as a loan officer, branch manager, and vice president for automobile financing. Mr. Umbhau has volunteered his time, serving on the boards or councils of the St. Augustine Church By the Sea, Meals on Wheels, and the Queen's Gate Community Association.

Testimony in support of Mr. Umbhau was submitted by the Department of Commerce and Consumer Affairs and two individuals.

Your Committee finds that Mr. Umbhau's years of experience and broad knowledge will greatly benefit the Motor Vehicle Industry Licensing Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1922 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 704 and 705

Recommending that the Senate advise and consent to the nominations of the following:

MOTOR VEHICLE REPAIR INDUSTRY BOARD

G.M. No. 704 LEE ROGERS CHAMPION, for a term to expire 6-30-2010; and

G.M. No. 705 MICHELLE W.J. WONG, for a term to expire 6-30-2010

Upon review of the background information submitted by the nominee, Lee Rogers Champion, your Committee finds that Mr. Champion is a graduate of Ball State University, where he received his Master of Arts in History. Mr. Champion received his Bachelor of Arts degree in History and Secondary Education from Parsons College. Since 1991, Mr. Champion has been a customer service representative with Hawaiian Telcom.

Mr. Champion is very active in the community and serves as the current church deacon for Central Union Church, the Current Deputy Post Commander 8616 (Waikiki) for the Veterans of Foreign Wars, and as an election day precinct official.

Testimony in support of Mr. Champion was submitted by the Department of Commerce and Consumer Affairs, the Office of Elections, and three individuals.

Your Committee finds that Mr. Champion will be a great asset to the Motor Vehicle Repair Industry Board.

Upon review of background information submitted by the nominee, Michelle W.J. Wong, your Committee finds that Ms. Wong is currently employed by Realty Group Properties. Prior to this, she worked for various other companies in the real estate/property management arena. Ms. Wong holds a real estate broker license and is a certified property manager. She is also the past president of the Institute of Real Estate Management, Hawaii Chapter.

Your Committee received testimony in support of Ms. Wong from the Department of Commerce and Consumer Affairs and three individuals.

Your Committee finds that Ms. Wong's professional background will bring a fresh perspective to the Motor Vehicle Repair Industry Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1923 Commerce, Consumer Protection and Affordable Housing on Gov. Msg. Nos. 647, 648 and 649

Recommending that the Senate advise and consent to the nominations of the following:

PEST CONTROL BOARD

G.M. No. 647 ALVIN F. FUKUYAMA, for a term to expire 6-30-2009;

G.M. No. 648 ROBERT H. KOIDE, for a term to expire 6-30-2009; and

G.M. No. 649 RONALD S. WEINBERG, for a term to expire 6-30-2011

Upon reviewing the personal history submitted by the nominee, Alvin F. Fukuyama, your Committee finds that Mr. Fukuyama, who grew up working on his father's fruit and vegetable farm, has been working with pesticides all his life. Mr. Fukuyama is the owner of State Termite & Pest Control, Inc. Prior to that, Mr. Fukuyama worked with Osmose Pacific, Island Termite, and Vet's Termite Control. Mr. Fukuyama is the current president of the Hawaii Pest Control Association.

Testimony in support of Mr. Fukuyama was submitted by the Department of Commerce and Consumer Affairs and the Hawaii Pest Control Association.

Your Committee finds that Mr. Fukuyama's many years of experience will make him a key asset to the Pest Control Board.

Upon reviewing the personal history submitted by the nominee, Robert H. Koide, your Committee finds that Mr. Koide is a graduate of Walla Walla College with a Bachelors degree in Business Administration. He has worked with various pest control companies and has been the owner of Environ Control, Inc. since 1986. Mr. Koide is also very involved in both professional and community organizations and previously served two years as the Hawaii Pest Control Association's president.

Testimony in support of Mr. Koide's nomination was submitted by the Department of Commerce and Consumer Affairs, the Hawaii Pest Control Association, and two individuals.

Your Committee finds that with over twenty-five years in the pest control industry, Mr. Koide's knowledge and experience will benefit the Pest Control Board.

Upon reviewing the personal history submitted by the nominee, Ronald S. Weinberg, your Committee finds that Mr. Weinberg received his Bachelor of Science degree in Zoology and Physiology from Long Island University. Mr. Weinberg went on to receive his Masters degree in the radiation studies of insects from the University of Wyoming. Mr. Weinberg served as a scientist with the University of California Lawrence Livermore Laboratory from 1989 until his retirement in 2004. Mr. Weinberg also serves on the Kailua Neighborhood Board.

Your Committee received testimony in support of Mr. Weinberg from the Department of Commerce and Consumer Affairs.

Your Committee finds that Mr. Weinberg's educational and professional background will provide a unique perspective to the Pest Control Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1924 Education on Gov. Msg. Nos. 713, 714, 715, 716 and 718

Recommending that the Senate advise and consent to the nominations of the following:

HAWAII TEACHER STANDARDS BOARD

G.M. No. 713 JONATHAN GILLENLINE, for a term to expire 6-30-2010;

G.M. No. 714 ANNETTE A. NISHIKAWA, for a term to expire 6-30-2010;

G.M. No. 715 ALVIN NAAWAO PARKER, for a term to expire 6-30-2010;

G.M. No. 716 LORILENE ANALEI KARRATTI PEREIRA, for a term to expire 6-30-2009; and

G.M. No. 718 CAROLINE SUE WONG, for a term to expire 6-30-2010

Upon review of background information submitted by the nominee, your Committee finds that Jonathan Gillentine holds a Bachelor of Science degree in Speech Pathology and Audiology, a professional diploma in Elementary Education, a Master of Education in Special Education degree, and a Doctorate in Philosophy in Education from the University of Hawaii at Manoa. He currently serves as a preschool teacher for children with special needs and is being nominated for reappointment to the Hawaii Teacher Standards Board for a second term as a representative of elementary school personnel on Oahu. Dr. Gillentine's prior work experience includes service as a high school teacher in the following areas or capacities, special education, math and science, algebra, and a transition teacher, as well as an elementary school teacher. He is a National Board Certified Teacher who has received numerous grants and awards for his work in education, is a member of many professional and community service organizations, and is deeply involved in professional development as both a presenter and a participant.

Testimony in support of Dr. Gillentine was submitted by the Department of Education, the Hawaii State Teachers Association, and one individual.

Upon review of background information submitted by the nominee, your Committee finds that Annette A. Nishikawa holds a Bachelor of Arts degree in Education from the University of Hawaii, as well as certificates as a teacher in elementary education and as a school administrator. She currently serves as a middle school principal and is being nominated for reappointment to the Hawaii Teacher Standards Board for a second term as a representative of intermediate school administrators on Oahu. Ms. Nishikawa's prior work experience includes service as a vice principal, intermediate school teacher, and elementary school teacher. She is actively involved in numerous community and professional organizations and is the recipient of several awards and professional honors.

Testimony in support of Ms. Nishikawa was submitted by the Department of Education, the Hawaii Government Employees Association, and one individual.

Upon review of background information submitted by the nominee, your Committee finds that Alvin Naawao Parker holds a Bachelor of Humanities degree in History from the University of Hawaii and a Master of Education degree and a certificate in special and regular education from Gonzaga University. He currently serves as a charter school principal and is being nominated for appointment to the Hawaii Teacher Standards Board for his first term as a representative of elementary school personnel on Oahu. Mr. Parker's prior work experience includes service as a special education teacher, a vessel operations superintendent, and a business owner. He is actively involved in numerous community and professional organizations in the State.

Testimony in support of Mr. Parker was submitted by the Council for Native Hawaiian Advancement, the Hawaii Government Employees Association, and the Senate President.

Upon review of background information submitted by the nominee, your Committee finds that Lorilene Analei Karratti Pereira holds a Bachelor of Arts degree in Elementary Education and a professional diploma in Mathematics from the University of Hawaii at Manoa. She currently serves as sixth grade teacher and is being nominated for appointment to the Hawaii Teacher Standards Board for her first term as a representative of private school personnel on Oahu. Ms. Pereira's prior work experience includes service as an elementary school and kindergarten teacher. She is actively involved in her community and is the member of professional organizations.

Testimony in support of Ms. Pereira was submitted by the Hawaii Association of Independent Schools and three individuals.

Upon review of background information submitted by the nominee, your Committee finds that Caroline Sue Wong holds an Atrium Baccalaureus degree, with Honors, in Social Science from Wheaton College in Wheaton Illinois, a Master of Arts degree in Social Science from Michigan State University and a Master of Education degree in Educational Administration from the University of Hawaii. She currently serves as middle school principal and is being nominated for appointment to the Hawaii Teacher Standards Board for her first term as a representative of secondary school administrators on Oahu. Ms. Wong's prior work experience includes service as an educational specialist, a principal, a vice principal, an intermediate school teacher, and a high school teacher. She is actively involved in numerous community and professional organizations, has received multiple awards and honors for her work in education, and has published several articles regarding education.

Testimony in support of Ms. Wong was submitted by the Department of Education, the Hawaii Government Employees Association, two State Senators, and ten individuals.

Your Committee questioned each nominee and received responses regarding the nominee's desire to serve, perception of the role and responsibilities of membership, qualifications for membership, and goals for the nominee's term of service on the Hawaii Teacher Standards Board. Your Committee believes that the nominees adequately responded to the Committee's inquiries and demonstrated adequate knowledge of and a commitment to work towards the goals of the Board, including addressing the teacher shortage problem in Hawaii, specifically the need for licensing and re-licensing more highly qualified teachers.

As affirmed by the records of votes of the members of your Committee on Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Hee, Taniguchi, Tokuda).

SCRep. 1925 Health on Gov. Msg. Nos. 573 and 574

Recommending that the Senate advise and consent to the nominations of the following:

STATE COUNCIL ON DEVELOPMENTAL DISABILITIES

G.M. No. 573 JOE D. CORDOVA, for a term to expire 6-30-2011; and

G.M. No. 574 ROSELANI MANUWAI-ROWE, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Joe D. Cordova and Roselani Manuwai-Rowe to have the necessary qualifications to be nominated to the State Council on Developmental Disabilities.

Your Committee received testimony in support of Mr. Cordova's nomination from the Department of Health, Department of Human Services, State Council on Developmental Disabilities, three individuals from Vocational Rehabilitation Services For the Blind, two individuals representing the State Rehabilitation Council, the University of Hawai'i at Manoa, Family Voices of Hawai'i, Hoopono Services for the Blind, Lanakila Rehabilitation Center, and Hire Abilities-Hawaii.

Mr. Cordova holds a Master of Arts in Guidance and Counseling from the University of New Mexico and a Bachelor of Science in Computer Science from New Mexico State University. He is the administrator of the Vocational Rehabilitation and Services for the Blind Division of the Hawaii Department of Human Services. His past work experience includes serving as a Regional Commissioner for Region V (Kansas City) and VII (Chicago), and the Director of the Division for the Blind and Visually Impaired for the Rehabilitation Services Administration, Office of Special Education and Rehabilitative Services, United States Department of Education; Deputy Director of the New Mexico Commission for the Blind; Special Advisor to the Mayor of the City of Albuquerque, New Mexico, Liaison for Disability Affairs; a mental health counselor; and a computer programmer analyst.

Mr. Cordova's professional organization memberships include the Governor's Committee on Concerns of the Handicapped, for which he served as Chair; Mayor's Commission for the Handicapped (Albuquerque), board member; Advisory Board to Section 504 of the Rehabilitation Act, Albuquerque Public Schools; P.L. 94-142 Advisory Committee, Albuquerque Public Schools; State Independent Living Council, Division of Vocational Rehabilitation; and 504 Self Evaluating Committee, Department of Human Services.

Based on his experience and training, and his position in the Department of Human Services, your Committee finds Mr. Cordova to be qualified to serve as a state agency representative on the State Council on Developmental Disabilities.

Your Committee received testimony in support of Mrs. Manuwai-Rowe's nomination from the State Council on Developmental Disabilities and Family Voices of Hawai'i.

Mrs. Manuwai-Rowe is a licensed pastor with the Northwest International Church of the Foursquare Gospel. She has extensive experience with special education and learning disability issues, most recently as a parent Consultant for the Learning Disabilities Association of Hawaii and as the Po'ohala Family Support Council Project Coordinator for State Planning on Developmental Disabilities Council. Additionally, Mrs. Manuwai-Rowe has first hand experience with caring for individuals with developmental and learning disabilities. Her brother, for whom she provided care for for thirteen years, had Down Syndrome. She also has two daughters with learning disabilities. Mrs. Manuwai-Rowe has been active in their lives, advocating for their needs while navigating through the various state systems.

Based on her personal and professional experiences, your Committee finds Mrs. Manuwai-Rowe to be qualified to serve as a family member representative for Oahu on the State Council on Developmental Disabilities.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Whalen).

SCRep. 1926 Health on Gov. Msg. Nos. 575, 576, 577, 578, 579, 580, 581, 582, 583 and 584

Recommending that the Senate advise and consent to the nominations of the following:

HAWAII ADVISORY COMMISSION ON DRUG ABUSE AND CONTROLLED SUBSTANCES

- G.M. No. 575 MARTIN HO'OLU BENTO, for a term to expire 6-30-2009;
- G.M. No. 576 STEPHEN BRADY, for a term to expire 6-30-2009;
- G.M. No. 577 BART S. HUBER, for a term to expire 6-30-2009;
- G.M. No. 578 JONAH-KUHIO KALANIANA'OLE KA'AUWAI, for a term to expire 6-30-2008;
- G.M. No. 579 DARIN H. KAWAZOE, for a term to expire 6-30-2009;
- G.M. No. 580 BARBARA-ANN KELLER, for a term to expire 6-30-2009;
- G.M. No. 581 PAULA T. MORELLI, PH.D., for a term to expire 6-30-2011;
- G.M. No. 582 TAMAH-LANI S.K. NOH, for a term to expire 6-30-2010;
- G.M. No. 583 JODY SHIROMA PERREIRA, for a term to expire 6-30-2009; and
- G.M. No. 584 BYRON NAOYUKI YOSHINO, for a term to expire 6-30-2009

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Martin Ho'olu Bento, Stephen Brady, Bart S. Huber, Jonah-Kuhio Kalaniana'ole Ka'auwai, Darin H. Kawazoe, Barbara-Ann Keller, Paula T. Morelli, Ph.D., Tamah-lani S.K. Noh, Jody Shiroma Perreira, and Byron Naoyuki Yoshino and finds them to have the necessary qualifications to be appointed to the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances.

Your Committee received testimony in support of Martin Ho'olu Bento from the Department of Health.

Mr. Bento earned a Juris Doctorate and a Masters of Arts in Public Health from the University of Hawaii at Manoa. His prior professional experience includes serving as the Deputy Public Defender, Office of the Public Defender, in Honolulu and as a Judicial Law Clerk and Bailiff for the First Circuit Court for the State of Hawaii. Mr. Bento is currently a courtroom litigator and founding member of the law firm of Bento & Inciong, in Honolulu where he is a criminal and civil trial attorney focusing on Circuit, District, and Family Court criminal and civil matters. His considerable knowledge of the complex issues involved in criminal law make Mr. Bento a valuable asset to the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances.

Your Committee received testimony in support of Stephen Brady from the Department of Health.

Dr. Brady earned an M.D. from the University of Pennsylvania and a Ph.D. in Public Health from the University of Hawaii at Manoa. Dr. Brady is board certified in internal medicine and is a fellow of the American College of Physicians. He was appointed as Vice-Chair of the Department of Native Hawaiian Health at the University of Hawaii, John A. Burns School of Medicine, where he serves as an Associate Professor. His prior professional experience includes over twenty years in the medical field and he has studied substance abuse, both in medical school, and through continuing medical education for the past decade through the Hawai'i Medical Association, and has served as the Chair of the Physicians' Health Committee at Straub Clinic and Hospital for the past six years. Dr. Brady's considerable medical knowledge and expertise will provide the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances with an invaluable perspective on the multitude of issues surrounding drug abuse and controlled substances.

Your Committee received testimony in support of Bart S. Huber from the Department of Health.

Mr. Huber earned a Master of Arts in Public Administration from Central Michigan University and a Bachelor of Arts degree from the University of California at San Diego. Mr. Huber is currently a Metropolitan Police Major with the Honolulu Police Department where he has worked since 1983. He is also a former member of the State Board for Mothers Against Drunk Drivers. Mr. Huber's lengthy experience in the police department will provide the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances with an important perspective in order to address concerns associated with drug abuse and controlled substances.

Your Committee received testimony in support of Jonah-Kuhio Kalaniana'ole Ka'auwai from the Department of Health; Narcotics Enforcement Division; Hope Chapel of West O'ahu; the Business Manager of the Department of Public Safety, Correctional Industries; REMAX Realtors; Chief of Enlisted Force Development, Headquarters Pacific Air Forces; and three individuals.

Mr. Ka'auwai earned a Bachelor of Arts degree in Business and Philosophy from Boston College. He is presently the Division Administrator for the Department of Public Safety Correctional Industries for the State of Hawaii. He is a member of several professional organizations, including the American Correctional Association, National Correctional Industries Association, and the Hawaii Criminal Justice Association where he served as its former president. Mr. Ka'auwai's experience in corrections brings a valuable viewpoint to the Hawai'i's Advisory Commission on Drug Abuse and Controlled Substances.

Your Committee received testimony in support of Darin H. Kawazoe from the Department of Health.

Mr. Kawazoe earned a Master of Arts in Urban and Regional Planning and a B.S.W. from the University of Hawaii at Manoa. He is presently a consultant with the State Department of Public Safety where he develops strategies to work effectively with offenders in the Laumaka Work Release Center and the Oahu Intake Center. His prior professional experience includes serving as a consultant to Child and Family Services, Queen Liliuokalani Children's Center, Office of the Lieutenant Governor in Hawaii, and CARE Hawaii, Inc., which provides community-based intensive outpatient services. Mr. Kawazoe brings a wealth of knowledge to the Hawai'i's Advisory Commission on Drug Abuse and Controlled Substances regarding the development of community-based programs and organizations with an emphasis on education, health, prevention, culturally-relevant, and criminal justice-appropriate treatment services.

Your Committee received testimony in support of Barbara-Ann Keller from the Department of Health.

Ms. Keller earned an M.S.W. from the University of Hawaii at Manoa and a Bachelor of Science in Secondary Education from Oregon State University. She is presently employed by the Judiciary of the State of Hawaii as a Social Worker VI for the Maui Drug Court where she plans and coordinates the Maui Drug Court Program. She is a member of the Coalition for a Tobacco Free Hawaii, the Hawaii Association of Alcohol and Drug Addiction Counselors, Mental Health Association of Maui County, National Association of Alcohol and Drug Addiction Counselors. Ms. Keller's knowledge and experience developing drug court programs provides the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances with an important practical perspective.

Your Committee received testimony in support of Paula T. Morelli, Ph.D. from the Department of Health, Chief Operations Officer at Kalihi-Palama Health Center, Dean of the University of Hawaii, School of Social Work, and two individuals.

Dr. Morelli earned her Ph.D. from the University of Washington and an M.S.W. from the University of Southern California. She is currently the Associate Professor of Social Work at the University of Hawaii at Manoa where she is the Chair of the Ph.D. Program. Her previous professional experience includes serving as the Assistant Professor of Social Work at the University of Hawaii at Manoa and also working for many years as a Clinical Social Worker. Dr. Morelli is also a published author and has made numerous scholarly presentations on a wide variety of topics relating to substance abuse and mental health. Dr. Morelli's reappointment to the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances provides a wealth of knowledge and a heightened understanding of the issues surrounding mental health and drug addiction.

Your Committee received testimony in support of Tamah-lani S.K. Noh from the Department of Health.

Major Noh earned a Master of Arts in Professional Psychology from the American School of Professional Psychology. She is presently the Executive Support Officer and Drug Demand Reduction Administrator for the Counterdrug Support Program where she establishes policy and procedures related to law enforcement and federal and state agencies. Her previous professional experience includes working with the State Drug Control Liaison and worked directly for Lieutenant Governor Aiona. She has also served in the Hawaii Air National Guard since 1985. Major Noh's military background brings a unique and valuable perspective to the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances.

Your Committee received testimony in support of Jody Shiroma Perreira from the Department of Health; Narcotics Enforcement Division; Community Outreach Manager Kauai of HINAMAUKA; Director of Community and Alumni Relations of HINAMAUKA; Sassy/G Magazine; Executive Director, Hawaii State Commission on the Status of Women; President and Chief Professional Officer of Aloha United Way; and four individuals.

Ms. Perreira earned a Bachelor of Arts in Journalism from the University of Hawaii at Manoa. She is presently the Editor-In-Chief of Sassy/G Magazine, which is the number one teen publication in the State of Hawaii that serves to empower island youth through editorials, events, and programs and is also the Marketing and Public Relations Director for Skyward Communications. Ms. Perreira has served as a volunteer for Mothers Against Drunk Driving-Youth in Action, the Lieutenant Governor's Drug Summit Steering Committee and Prevention Ad-Hoc Committee, Honolulu County Coalition for the Prevention of Underage Drinking, and many others. Ms. Perreira's experience working with Hawaii's youth makes her a great asset to the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances.

Your Committee received testimony in support of Byron Naoyuki Yoshino from the Department of Health.

Dr. Yoshino earned a Ph.D. in Pharmacy from the University of the Pacific. He is presently the Owner and Co-Founder of Pharmacy Partners of Hawaii, providing services to long-term care facilities, including nursing homes, care homes, hospice facilities, and assisted living facilities. His prior professional experience includes co-founding Pharmicare in Honolulu, Pharmacy Director for Times Supermarkets, and the Owner and President of Aiea Medical Pharmacy in Aiea. He is a member of several professional associations, including the American Pharmacist's Association, Hawaii Pharmacist's Association, and American Society of Consultant Pharmacists. Dr. Yoshino's extensive experience and knowledge of the pharmaceutical industry will provide the Hawai'i's Advisory Commission on Drug Abuse and Controlled with a heightened understanding and awareness of the issues surrounding drug abuse and controlled substances.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Whalen).

SCRep. 1927 Health on Gov. Msg. Nos. 585, 586, 688 and 689

Recommending that the Senate advise and consent to the nominations of the following:

POLICY ADVISORY BOARD FOR ELDER AFFAIRS

- G.M. No. 585 GAIL ANN CHEW, for a term to expire 6-30-2011;
- G.M. No. 586 BERTHA F.K. LEONG, for a term to expire 6-30-2011;
- G.M. No. 688 EUDICE R. SCHICK, for a term to expire 6-30-2009; and
- G.M. No. 689 MARY ALEY WILKINSON, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Gail Ann Chew, Bertha F.K. Leong, Eudice R. Schick, and Mary Aley Wilkinson to have the necessary qualifications to be nominated to the Policy Advisory Board for Elder Affairs.

Your Committee received testimony in support of Gail Ann Chew's nomination from the Department of Health, Academy of the Pacific, Family Promise of Hawaii, Lanakila Rehabilitation Center, Saint Louis School, and four individuals.

Ms. Chew is a senior executive with over twenty years of experience in brand marketing, communications, and partnership development. She is a graduate of the University of California at Davis with an A.B. in English and an M.A. in Education. Her extensive community experience includes serving on the Board of Trustees of the Academy of the Pacific, the Advisory Board of the Aloha Section PGA, and the Board of Directors of Family Promise of Hawaii. She is also a member of the Oahu Country Club, Chinese Chamber of Commerce, Native Hawaiian Hospitality Association, Hawaii Opera Theater, and an associate member of the Society of American Travel Writers.

Based on her experience and training, your Committee finds Ms. Chew to be qualified to serve as an Oahu representative on the Policy Advisory Board for Elder Affairs.

Your Committee received testimony in support of Bertha F.K. Leong's nomination from the Department of Health, the Hawaii State Representative for the Nineteenth District, and Kuli'ou'ou/Kalani Iki Neighborhood Board #2.

Mrs. Leong is the current president of the Aina Haina Community Association and a life member of Daughters of Hawaii. Mrs. Leong's experience includes representing the 18th District for six years in the House of Representatives of the State of Hawaii, serving on the Kuli'ou'ou/Kalani Iki Neighborhood Board for ten years, and over twenty years with the Department of Education.

Based on her experience, your Committee finds Mrs. Leong to be qualified to serve as an over-sixty Oahu representative on the Policy Advisory Board for Elder Affairs.

Your Committee received testimony in support of Eudice R. Schick's nomination from the Department of Health, the Chair of the Hawai'i County Council, the Arthritis Foundation, and four individuals.

Mrs. Schick holds an Associate Degree in Accounting with highest honors from Burdett College of Business Administration in Boston, Massachusetts. She has over forty years of experience with office management, including financial management and accounting. Mrs. Schick's volunteer experience includes serving as treasurer and president of various religious organizations, treasurer of the Kaimuki Intermediate School Parent Teacher Association, treasurer and president of the Kaimuki Intermediate School Band Boosters, president of Kalani High School Band Boosters, a board member of the Waikoloa Outdoor Circle, volunteer for the Arthritis Foundation, school liaison specialist for the Retired and Senior Volunteer program on Oahu, and fundraising chairperson for the Waikoloa Seniors and Waikoloa Community Development Corporation.

Her personal experience with getting around the island with a disability has made her acutely aware of the support needed for successful independent living. Mrs. Schick successfully lobbied for a handicap access button to be installed in one of Oahu's public buildings.

Based on her experience, your Committee finds Mrs. Schick to be qualified to serve as an over-sixty Oahu representative on the Policy Advisory Board for Elder Affairs.

Your Committee received testimony in support of Mary Aley Wilkinson's nomination from the Department of Health and six individuals, including the Senior Pastor of Hawaii Kai Church.

Ms. Wilkinson has a Master of Arts in Teaching English as a Second Language from the University of Hawaii, a Master of Arts in Teaching from the University of New Mexico, and a Bachelor of Arts from the University of Chicago. She is a retired educator with experience at the Hawaii School for Girls, American Samoa Department of Education, and Chaminade University. Her community service experience includes serving as a recording secretary of the AARP, Chapter 60; director of Mauna Luan Board of Directors, and on the Hawaii Kai Neighborhood Board.

Based on her experience and training, your Committee finds Ms. Wilkinson to be qualified to serve as an over-sixty Oahu representative on the Policy Advisory Board for Elder Affairs.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Whalen).

SCRep. 1928 Health on Gov. Msg. Nos. 605, 669 and 695

Recommending that the Senate advise and consent to the nominations of the following:

HEALTH PLANNING COUNCIL, HONOLULU SUBAREA

- G.M. No. 605 KEITH ALAN LEE, for a term to expire 6-30-2007;
- G.M. No. 669 KEITH ALAN LEE, for a term to expire 6-30-2011; and
- G.M. No. 695 SARAH H. NORDWALL, for a term to expire 6-30-2011

Your Committee received testimony in support of Keith Alan Lee from the Department of Health; King, Nakamura & Chun-Hoon; The Queen's Health Systems; Kaiser Permanente; John Child & Company; Hawaii Women's Legal Foundation; Bank of Hawaii; one State Representative; and three individuals.

Mr. Lee is being appointed to the Health Planning Council, Honolulu Subarea, for a first term to expire on June 30, 2007, and for a second term to expire on June 30, 2011. Mr. Lee is the Vice President of Legal Services/Regional Counsel for Kaiser Foundation Health Plan, Inc. As Kaiser Hawaii's chief legal officer, he advises Kaiser Permanente Hawaii's executive leadership on matters having broad consequences on the health plan's hospital and medical care program's policies, procedures, and practices. He was the Corporate Secretary and General Counsel for The Queen Emma Foundation. Mr. Lee received a Bachelor of Arts degree, magna cum laude, in Political Science and American Studies from the University of Michigan. He also received Juris Doctor and Master of Business Administration degrees from the University of Chicago. He currently serves on the board of the Native Hawaiian Legal Corporation.

Your Committee received testimony in support of Sarah H. Nordwall from the Department of Health; Hawaii Commission on the Status of Women; and four individuals.

Ms. Nordwall was the District Coordinator and is now working part time as a Fashion Consultant for Carlisle Designer Clothes in Hawaii. Ms. Nordwall began Sarah of Hawaii and was a buyer for Liberty House department stores. Her community activities include serving as a board member for Achievement Rewards for College Scientist; the Rotary Club of Honolulu; Hawaii Theatre; and Central Union Church.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1929 Health on Gov. Msg. Nos. 697 and 733

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DIRECTORS OF THE HAWAII HEALTH SYSTEMS CORPORATION

- G.M. No. 697 LORETTA ANNE HELLRUNG, for a term to expire 6-30-2009; and
- G.M. No. 733 FRANCIS L. JUNG, for a term to expire 6-30-2008

Your Committee received the resumes and statements submitted by the nominees, and finds Loretta Anne Hellrung and Francis L. Jung, to have the necessary qualifications to be nominated to the Board of Directors of the Hawai'i Health Systems Corporation.

Your Committee received testimony in support of Loretta Anne Hellrung from Hawai'i Health Systems, the Director of the Mike Carroll Gallery, and one individual.

Ms. Hellrung earned a Master's degree in Elementary Education from Pace University and an undergraduate degree in Economics from Hobart and William Smith Colleges. Ms. Hellrung's prior professional experience includes working on Wall Street where she held a senior position as Vice President in Administration for Goldman, Sachs & Company. She eventually left the business world to complete her teaching degree and subsequently relocated to Lana'i in 2004 where she has worked extensively in the community. For the past several years, Ms. Hellrung has chaired the American Cancer Society's Relay for Life, and will also serve as co-chair for a team that is working diligently to establish an animal shelter on Lana'i. Ms. Hellrung is a compassionate member of society and continues to build and foster strong relationships in the community, making her an important addition to the Board of Directors of the Hawai'i Health Systems Corporation.

Your Committee received testimony in support of Francis L. Jung from Hawai'i Health Systems Corporation, Chair of the Hawai'i State Commission on the Status of Women, Assistant Vice President and Branch Manager of First Hawaiian Bank, Kealahou Branch, and two individuals.

Mr. Jung earned a Juris Doctor from the New England School of Law and an LL.M. from Harvard Law School. Presently, he works as a senior partner in the law firm of Jung & Vassar where he has worked since 1985, specializing in real estate law, civil litigation, corporate, commercial, and international law. Mr. Jung is also the President and Director of TKJ, Inc., a Hawai'i non-profit corporation established to render free legal counseling services to the public. His past professional experience includes serving as a Director of the Housing and Community Development Corporation of Hawai'i, primarily responsible for the maintenance and creation of State assisted housing. Mr. Jung's appointment to the Board of Directors of the Hawai'i Health Systems Corporation will allow him to utilize his considerable legal knowledge and expertise in order to make significant contributions to Hawai'i's multifaceted health care system.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1930 Health on Gov. Msg. No. 627

Recommending that the Senate advise and consent to the nomination of the following:

MEDICAL ADVISORY BOARD

G.M. No. 627 DENNIS M. CROWLEY, M.D., for a term to expire 6-30-2011

Your Committee received the resume and statement submitted by the nominee, and finds Dennis M. Crowley, M.D., to have the necessary qualifications to be nominated to the Medical Advisory Board.

Your Committee received testimony in support of Dennis M. Crowley, M.D. from the Department of Transportation and Hawaii Centers for Independent Living.

Dennis M. Crowley, M.D., earned a medical degree from The Creighton University School of Medicine. Presently, Dr. Crowley is in private practice at Queen's Medical Center and Kapiolani Medical Center and is as an Associate Clinical Professor of Medicine at John A. Burns School of Medicine at the University of Hawaii. Dr. Crowley also serves as the Vice President of the Peer Review Committee of the Medical Executive Committee of the Rehabilitation Hospital of the Pacific.

Your Committee believes that Dr. Crowley's experience as a physician, his active participation in medical associations, and his continued interest in education make him a valuable addition to the Medical Advisory Board.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1931 Health on Gov. Msg. Nos. 662 and 663

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF CERTIFICATION OF PERSONNEL IN WASTEWATER TREATMENT PLANTS

G.M. No. 662 DANA P. RIDDLE, for a term to expire 6-30-2009; and

G.M. No. 663 BERT S. UYENO, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Dana P. Riddle and Bert S. Uyeno to have the necessary qualifications to be nominated to the Board of Certification of Personnel in Wastewater Treatment Plants.

Your Committee received testimony in support of Dana P. Riddle from the Department of Health, Board of Certification of Operating Personnel in Wastewater Treatment Plants, and two individuals.

Mr. Riddle has a longstanding career in wastewater systems with over twenty years of experience, both in Hawaii and on the mainland. Presently, he serves as the Operator for the Kealakehe Wastewater Treatment Plant for the County of Hawaii and is responsible for the operations and maintenance of the Kealakehe Wastewater Treatment Plant, which includes close monitoring of sewage pumping stations using pond technology in order to avoid excessive algal growths and extensive lab work. Mr. Riddle is also the author of the book, *The Captive Reef*, as well as over one hundred twenty magazine and journal articles and has been an invited speaker to various regional and national conferences on captive ecosystems. His considerable knowledge and expertise in the area of wastewater treatment will allow him to make valuable contributions to the Board of Certification of Personnel in Wastewater Treatment Plants.

Your Committee received testimony in support of Bert S. Uyeno from the Department of Health and the Board of Certification of Operating Personnel in Wastewater Treatment Plants.

Mr. Uyeno presently works as a Wastewater Treatment Plant Working Supervisor for the County of Kauai where he has been employed since 1979. He is also a Certified Wastewater Treatment Plant Operator, a Certified Water Treatment Plant Operator, and a registered mechanic. Mr. Uyeno's knowledge of wastewater treatment will provide him with a heightened understanding of the complex wastewater management issues in Hawaii, making him an important component to the Board of Certification of Operating Personnel in Wastewater Treatment Plants.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1932 Health on Gov. Msg. No. 692

Recommending that the Senate advise and consent to the nomination of the following:

TRI-ISLE SUBAREA HEALTH PLANNING COUNCIL

G.M. No. 692 JO-ANN AHUNA, for a term to expire 6-30-2010

Your Committee received testimony in support of Jo-Ann Ahuna from the Department of Health.

Ms. Ahuna is a resident of Hana, Maui. She has served on the Maui County Cultural Resource Commission, Mayor's Hana Advisory Board for Hana, Hana Community Association Board, American Red Cross, and AmeriCorps. She is currently a Parent Co-Chair Volunteer for the Community Children Council for Hana.

Your Committee believes the nominee would make an excellent addition to the Tri-Isle Subarea Health Planning Council, based upon her experience in and knowledge about community affairs.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1933 Health on Gov. Msg. No. 694

Recommending that the Senate advise and consent to the nomination of the following:

HEALTH PLANNING COUNCIL, WEST OAHU SUBAREA

G.M. No. 694 MARK STEVEN MOSES, for a term to expire 6-30-2011

Your Committee received testimony in support of this nominee from the Department of Health and one individual.

Mr. Moses served as a Hawaii State Representative from 1996 to 2006. He served for nearly twenty-five years in the United States Marine Corps.

Mr. Moses received a Bachelor of Science degree in Physics from the University of Texas, Austin. He has been active in a wide variety of community activities and organizations, most notably in the geographical areas of Makakilo/Kapolei/Honokai Hale, Barbers Point, and Ewa. He is a founder and former Vice Chair of the Makakilo/Kapolei/Honokai Hale Neighborhood Board, Policy Committee Member of the Oahu Metropolitan Planning Organization, and Community Representative of the City and County of Honolulu Planning Advisory Group for the Ewa and Central Development Plans.

Your Committee believes that Mr. Moses' commitment to public service makes him an asset to the Health Planning Council, West Oahu Subarea.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1934 Health on Gov. Msg. No. 602

Recommending that the Senate advise and consent to the nomination of the following:

HEALTH PLANNING COUNCIL, WINDWARD OAHU SUBAREA

G.M. No. 602 GAE BERGQUIST-TROMMALD, for a term to expire 6-30-2011

Your Committee received testimony in support of this nominee from Hawaii Medical Association and two individuals.

Mrs. Bergquist-Trommald is the Executive Vice President for Communications Pacific, where she oversees the marketing side of the company. Her primary responsibility is to provide strategic marketing advice to clients, including advertising, marketing, and communications. Mrs. Bergquist-Trommald previously served as Senior Vice President for Outrigger for marketing.

Mrs. Bergquist-Trommald is actively involved in the community, including Commissioner and Chair of the State Foundation on Culture and the Arts; Director (and former Chair) of the Salvation Army, and Washington Place Foundation. She has been active in the campaign for the Hawai'i Theatre Center and in the LeaderLuncheon of the YWCA of Oahu. She is a member (and former Director) of the Rotary Club of Honolulu.

Your Committee believes Mrs. Bergquist-Trommald's experience will be an asset to the Health Planning Council, Windward Oahu Subarea.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1935 Health on Gov. Msg. Nos. 634 and 635

Recommending that the Senate advise and consent to the nominations of the following:

STATE COUNCIL ON MENTAL HEALTH

G.M. No. 634 STEVEN M. SHIRAKI, Ph.D., for a term to expire 6-30-2011; and

G.M. No. 635 AMY C.L.C. TSARK, for a term to expire 6-30-2011

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Dr. Steven M. Shiraki and Mrs. Amy C.L.C. Tsark to have the necessary qualifications to be nominated to the State Council on Mental Health.

Your Committee received testimony in support of Dr. Shiraki's nomination from the Department of Education, Department of Health, and one individual.

Dr. Shiraki received his Ph.D. in Educational Administration and Educational Policy, Master of Education in Educational Administration, and Bachelor of Education in Secondary English from the University of Hawaii at Manoa. He is certified by the Department of Education in Professional School Administration, Initial School Administration, Teaching Endorsement in Special Education, and Teaching Secondary English.

He is an administrator in the Student Support Special Services Branch of the Department of Education and periodically teaches in the Departments of Educational Administration and Educational Foundations at the University of Hawaii at Manoa. He has made numerous scholarly and professional presentations on a variety of topics relating to education. Dr. Shiraki has served on numerous committees and is a member of several professional associations relating to education.

Based on his experience and training, your Committee finds Dr. Shiraki to be qualified to serve as a Department of Education representative to the State Council on Mental Health.

Your Committee received testimony in support of Mrs. Tsark's nomination from the Department of Health, Department of Human Services, Kapi'olani Child Protection Center, and six individuals.

Mrs. Tsark received her Master of Social Work and Bachelor of Arts in Psychology from the University of Hawaii at Manoa. She is the Acting Social Services Administrator with the Department of Human Resources, with which she has held various positions since 1980. She is a licensed social worker. Mrs. Tsark is a member of the National Association of Social Workers and the Academy of Certified Social Workers.

Based on her experience and training, your Committee finds Mrs. Tsark to be qualified to serve as a Department of Human Services representative to the State Council on Mental Health.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Whalen).

SCRep. 1936 Tourism and Government Operations on Gov. Msg. Nos. 533 and 659

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DIRECTORS OF THE HAWAII TOURISM AUTHORITY

G.M. No. 533 CHALENE "CHA" MAE KU'UPUAALA THOMPSON, for a term to expire 6-30-2010; and

G.M. No. 659 STEPHEN K. YAMASHIRO, for a term to expire 6-30-2010

Your Committee received testimony in support of Chalene "Cha" Mae Ku'upuaala Thompson from the Department of Business, Economic Development, and Tourism; Starwood Hotels & Resorts Worldwide, Inc.; Cove Entertainment, Inc.; Kika, Inc.; Native Hawaiian Hospitality Association; Outrigger Enterprises, Inc.; Hawai'i Hotel & Lodging Association; Big Island Visitors Bureau; Aloha Airlines; Tihati Productions, Ltd.; Pacific Marketing Corporation; and one individual.

Mrs. Thompson is the owner and Executive Vice President/Choreographer of Tihati Productions, Ltd. She is Chair of the Honolulu Police Commission, and has served as Vice President of the Institute for Human Services and as President of Native Hawaiian Hospitality Association. She is also a member of the Kaahumanu Society.

Your Committee notes from the testimony that Mrs. Thompson has been a major influence in Hawaii's visitor industry for many years. Her commitment to Hawaii's cultural heritage through music and dance has earned her the respect and appreciation of many people throughout the world. She is a treasure and an ambassador, and her reputation, integrity, and commitment are firm and sincere towards the betterment of tourism in Hawaii.

Your Committee received testimony in support of Stephen K. Yamashiro from the Department of Business, Economic Development, and Tourism, and the Hawaii Tourism Authority.

Mr. Yamashiro was originally appointed to the Board of Directors of the Hawai'i Tourism Authority on May 5, 2002. He is an attorney in private practice and former Mayor of the County of Hawaii. He received a Bachelor of Arts degree from the University of Hawaii at Manoa and a Juris Doctor degree from Willamette University College of Law. His community service includes the Hawaii Island Chamber of Commerce, Japanese Chamber of Commerce, and Portuguese Chamber of Commerce. Mr. Yamashiro also belongs to the Hawaii State Bar Association and American Bar Association.

Your Committee notes from the testimony that Mr. Yamashiro has been an integral member of the Board for the past four years. He has served as the budget and audit committee chair and his dedication and knowledge of the industry and passion for Hawaii are admirable. His continuation as a Board member will be an asset to the Board of Directors.

As affirmed by the records of votes of the members of your Committee on Tourism and Government Operations that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Record of Votes for Chalene "Cha" Mae Ku'upuaala Thompson: Ayes, 3. Noes, none. Excused, 1 (Tsutsui).

Signed by the Chair on behalf of the Committee. Record of Votes for Stephen K. Yamashiro: Ayes, 4. Noes, none. Excused, none.

SCRep. 1937 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. Nos. 619, 620, 621, 622, 623, 625 and 626

Recommending that the Senate advise and consent to the nominations of the following:

LEGACY LAND CONSERVATION COMMISSION

G.M. No. 619 CARL J. BERG, JR., Ph.D., for a term to expire 6-30-2009;

G.M. No. 620 JOAN E. CANFIELD, Ph.D., for a term to expire 6-30-2008;

- G.M. No. 621 CHARLES H. FLETCHER III, Ph.D., for a term to expire 6-30-2011;
G.M. No. 622 HERBERT MONTEGUE RICHARDS, JR., for a term to expire 6-30-2011;
G.M. No. 623 ROBERT J. SHALLENBERGER, Ph.D. for a term to expire 6-30-2010;
G.M. No. 625 WESLEY KAIWI NUI YOON, for a term to expire 6-30-2010; and
G.M. No. 626 KAREN G.S. YOUNG, for a term to expire 6-30-2009

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Carl J. Berg, Jr.; Joan E. Canfield; Charles H. Fletcher III; Herbert Montague Richards, Jr.; Robert J. Shallenberger; Wesley Kaiwi Nui Yoon; and Karen G.S. Young to have the necessary qualifications to be nominated to the Legacy Land Conservation Commission.

This is the inaugural class of nominees to serve on the Legacy Land Conservation Commission, which was established under Act 254, Session Laws of Hawaii 2006, to advise the Department and Board of Land and Natural Resources on any proposal or recommendation for the acquisition of any interest or rights in land having value as a resource to the State, and on any requests for grants from the Land Conservation Fund. Members of the Commission are required to possess scientific qualifications as evidenced by an academic degree in various fields of environmental-related sciences, have membership in an environmental organization, land conservation organization, or statewide agricultural association, or be knowledgeable about Native Hawaiian culture.

Testimony in support of Dr. Carl J. Berg, Jr. was submitted by the Department of Land and Natural Resources and one individual.

Dr. Berg received his Bachelor of Arts degree in Zoology, cum laude, from the University of Connecticut, his Master in Science degree of Marine Science from the University of the Pacific, and his Doctorate in Zoology from the University of Hawaii at Manoa. He is currently the Chief Scientist at the Hanalei Watershed Hui where he was able to secure funding and coordinated a multi-agency program to improve the water quality in the Hanalei Bay ahupua'a on Kaua'i. He is also the owner and guide of Hawaiian Wildlife Tours and is the Senior Scientist for the Hawaii Wildlife Fund. Dr. Berg is a member of Ecological Society of America, the Explorers Club, and the Western Society of Naturalists. He currently serves as a volunteer for the Kilauea Point National Wildlife Refuge, an Officer on the Board of Directors of 1000 Friends of Kauai, and a member of the Hawaiian Monk Seal Team, and has extensive prior community activity involvement.

Dr. Berg has been nominated to serve as the Kaua'i representative and as a member possessing scientific qualifications as evidenced by his academic degrees in Zoology and Marine Science. His background in population ecology and watershed management, along with his extensive academic achievements and professional experience, makes Dr. Berg an invaluable asset to the Legacy Land Conservation Commission as one of its inaugural members.

Testimony in support of Joan E. Canfield, Ph.D. was submitted by the Department of Land and Natural Resources and nine individuals.

Dr. Canfield received her Bachelor of Arts degree in Biology from Oberlin College, her Master of Science in Botany from the University of Washington, and her Doctorate in Botany from the University of Hawaii at Manoa. She is an Affiliate Graduate Faculty member of the Department of Botany at the University of Hawaii at Manoa. She has considerable experience in grant proposal review and broad knowledge of Hawaii's ecological resources. She has carried out research in the Alaka'i Swamp on Kaua'i, on the Big Island's ohia forests, and on endangered Mauna Kea and Mauna Loa silverswords. Dr. Canfield has a particularly strong background in endangered species listing packages and responding to lawsuits on lists and designation of critical habitat for Hawaiian species. She is also very active in Hawaii Public Radio by serving as the station's classical music host and is responsible for the classical music database and used music sale.

Dr. Canfield has been nominated to serve as a Oahu representative and as a member possessing scientific qualifications as evidenced by her academic degrees in Botany. Her broad conservation experience and specialized knowledge of Hawaii's ecological resources across the State, along with her extensive academic achievements and professional experience, makes Dr. Canfield an invaluable asset to the Legacy Land Conservation Commission as one of its inaugural members.

Testimony in support of Charles H. Fletcher III, Ph.D. was submitted by the Department of Land and Natural Resources; the Dean of the School of Ocean and Earth Science and Technology at the University of Hawaii; the Sierra Club, Hawaii Chapter; and three individuals.

Dr. Fletcher received his Bachelor of Science degree in Geological Science and English Literature from Albion College and his Master of Science degree and Doctorate in Coastal Marine Geology from the University of Delaware. He is currently the Department Chairperson of and a tenured Professor at the Department of Geology and Geophysics at the University of Hawaii at Manoa, and serves as the Principal Advisor for three graduate students. His principal research interests include Coastal Sedimentary Geology, Carbonate Reefs, and Coastal Management, and during his last fourteen years at the University, he has secured over \$5,000,000 in extramural research funding. Dr. Fletcher served as a Technical Advisor to the Department of Land and Natural Resources' Office of Conservation and Coastal Lands, and as part of a three-person team that participated in writing Maui County's coastal setback law. He has received several community and public service awards recognizing his dedication as a faculty member and a researcher to the community. Most recently, he was awarded the Hung Wo and Elizabeth Lau Ching Foundation Award for Faculty Service to the Community.

Dr. Fletcher has been nominated to serve as a Oahu representative and as a member possessing scientific qualifications as evidenced by his academic degrees in Geological Sciences. His unique expertise from his academic discipline, his extensive community involvement, and his demonstrated commitment and desire to preserve and sustain Hawaii's natural resources makes Dr. Fletcher an invaluable asset to the Legacy Land Conservation Commission as one of its inaugural members.

Testimony in support of Herbert Montague Richards, Jr. was submitted by the Department of Land and Natural Resources, the Hawaii Agriculture Research Center, the Hawaii Farm Bureau Federation, and two individuals.

Mr. Richards is a graduate of California State Polytechnic College in San Luis Obispo, California, and has been with the Kahua Ranch Limited located in Kamuela, Hawaii since 1953. He is a well-respected Big Island rancher and a member of several agricultural, environmental, and historical organizations within the State. He has served on a long and diverse list of committees, boards, and commissions in Hawaii, and is a Board Member of Parker Ranch, Inc.; the Nature Conservancy; the Agricultural Leadership Foundation of Hawaii; the Lyman House Memorial Museum; and several other foundations and organizations. He has served as a member on the University of Hawaii Board of Regents, the Hawaii County Police Commission, the Governor's Agriculture Coordinating Committee, and the Commission on Water Resource Management.

Mr. Richards has been nominated to serve as a Big Island representative and as a person possessing membership in a statewide agricultural association. His lifetime of agricultural expertise and his extensive experience in commission membership and land use and conservation makes Mr. Richards an invaluable asset to the Legacy Land Conservation Commission as one of its inaugural members.

Testimony in support of Robert J. Shallenberger, Ph.D.'s nomination was submitted by the Department of Land and Natural Resources and two individuals.

Dr. Shallenberger received his Bachelor of Arts degree from Whitman College, and he received his Master and Doctorate degrees in Ornithology and Animal Behavior from the University of California at Los Angeles. He conducted his doctoral research on biology of Hawaii seabirds and has done additional research on Hawaii forest birds, dolphins, monk seals, reef fish, and aquaculture species. He currently serves as the Hawaii Island Conservation Director for the Nature Conservancy of Hawaii where he is responsible for the management of Nature Conservancy lands, the development of watershed partnerships, and the support for marine and coastal conservation projects. He also has extensive wildlife management experience with the United States Fish and Wildlife Service, and has served both locally, as the Manager for the Midway Atoll National Wildlife Refuge, and nationally, as Chief of the United States Fish and Wildlife Service Division of Refuges.

Dr. Shallenberger has been nominated to serve as a Big Island representative and as a member possessing scientific qualifications as evidenced by his academic degrees in Animal Sciences. His unique expertise from his academic discipline, his devotion of most of his thirty-five year career to the assessment, acquisition, and management of important resource lands and waters, and his demonstrated commitment and desire to preserve and sustain Hawaii's natural resources makes Dr. Shallenberger an invaluable asset to the Legacy Land Conservation Commission as one of its inaugural members.

Testimony in support of Wesley Kaiwi Nui Yoon's nomination was submitted by the Department of Land and Natural Resources, the Office of Hawaiian Affairs, the Native Hawaiian Historic Preservation Council at the Office of Hawaiian Affairs, 'Ahahui Malama I Ka Lokahi, and five individuals.

Mr. Yoon graduated magna cum laude from Kamehameha Schools and received his Bachelor of Arts degree in Architecture from the University of Hawaii at Manoa. He currently serves as the Director of Cultural Affairs at the Royal Hawaiian Shopping Center where he oversees all cultural activities, serves as a liaison with the Native Hawaiian community, coordinates marketing, operations, and development plans, and develops and coordinates community outreach. He is formally trained as an architect with emphasis in Native Hawaiian land use and architecture. Prior to his employment at the Royal Hawaiian Shopping Center, Mr. Yoon served as a Project Designer for Architects Hawaii, Ltd. where he was instrumental in the planning of the Office of Hawaiian Affairs's Office and Cultural Center, and the Kamehameha Schools Life Sciences Building in Kakaako. He also has experience in market strategy, and research and business management. He is a member of several Native Hawaiian organizations and of the Kamehameha Schools Alumni Association.

Mr. Yoon has been nominated to serve as an Oahu representative and as a member knowledgeable about Native Hawaiian culture. His strong connection with Native Hawaiian communities and his knowledge of Native Hawaiian culture and practices makes Mr. Yoon an invaluable asset to the Legacy Land Conservation Commission as one of its inaugural members.

Testimony in support of Karen G.S. Young's nomination was submitted by the Department of Land and Natural Resources; a Representative from the Hawaii State House of Representatives; the Sierra Club, Hawaii Chapter; the Wai'anae Community Re-Development Corporation; the Ma'o Community Food Security Initiative, Ma'o Organic Farms; and one individual.

Ms. Young received her Bachelor of Science degree in Nursing from the University of Hawaii at Manoa, her Womens' Health Nurse Practitioner Certificate from the University of California at Los Angeles Harbor General Hospital, her Master of Public Health degree in Maternal Child Health from the University of Hawaii at Manoa, and her Master of Science in Nursing degree as a Nurse Practitioner from the Western University of Health Sciences. She currently serves as a Clinical Preceptor at the Wai'anae Comprehensive Health Center where she supervises nurses, nurse practitioners, and students in other health professions to meet the objectives of their clinical experience at the Health Center. She also serves as the Womens' Health Consultant and Family Nurse Practitioner at the Wai'anae Comprehensive Health Center. She is involved in many innovative local programs, including anti-litter and beautification organizations, a local women's organization, and a community-based self-sufficiency teaching farm. Ms. Young is a member of the Sierra Club and the Hawaiian Trail and Mountain Club.

Ms. Young has been nominated to serve as an Oahu representative and as a person possessing membership in an environmental organization in the State. Her diverse community perspective and viewpoint as well as her strong concern for public health and benefit makes Ms. Young an invaluable asset to the Legacy Land Conservation Commission as one of its inaugural members.

As affirmed by the records of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

SCRep. 1938 Judiciary and Labor on H.C.R. No. 194

The purpose of this concurrent resolution is to request the Senate Committee on Judiciary and Labor and the House of Representatives Committee on Labor and Public Employment to convene a joint hearing to consider the impact that an expanded labor force needed for the proposed expansion of the Turtle Bay Resort will have on the North Shore of Oahu.

Your Committee received testimony in support of this resolution from Keep the North Shore Country, the 'Ilio'ulaokalani Coalition, and 28 concerned individuals. Your Committee also received testimony in opposition from the Vice President & General Manager of Turtle Bay Resort and the North Shore Career Training Corp.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 194, H.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kokubun, Nishihara).

SCRep. 1939 Judiciary and Labor on H.C.R. No. 85

The purpose of this concurrent resolution is to encourage the United States Congress to pass the proposed Employee Free Choice Act that has been introduced in Congress. The Employee Free Choice Act would authorize the National Labor Relations Board to certify a union as the bargaining representative when a majority of employees voluntarily sign authorizations for the union to represent them in negotiations. The act would also provide for arbitration and mediation, and establish penalties for non-compliance with the act.

Your Committee received testimony in support of this resolution from the Hawaii Government Employees Association, Hawaii State AFL-CIO, and the Hawaii State Teachers Association.

Your Committee finds that labor unions are an effective means for employees to negotiate and preserve their rights regarding wages, employment conditions, and other areas related to the workplace. The proposed Employee Free Choice Act will help protect the rights of workers and prevent potential violations of these rights. This concurrent resolution is necessary to provide support in the United States Congress for the passing of the proposed act.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 85, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kokubun, Nishihara).

SCRep. 1940 Education on H.C.R. No. 83

The purpose of this measure is to provide increased after school activities for students by requesting the Department of Education to assess the extent to which supplemental academic services are included in the After-school Plus Program (A+ Program).

Testimony in support of this measure was submitted by the Department of Education.

Your Committee finds that the Department of Education's A+ Program provides affordable after-school child care services for children in public elementary schools whose parents work, attend school, or are in job training programs, so that the high incidence of latchkey children is reduced. Your Committee further finds that the A+ Program provides a safe, secure, and nurturing environment for children after school hours and offers a rich variety of activities for the children. Your Committee believes that the A+ Program plays an important role in helping young students to achieve their educational goals and realize their potential. This measure requests the Department of Education to assess the extent to which supplemental academic activities are included in the A+ Program to examine whether increased academic services can be provided to young students and allow more public school students to strive to greater heights of academic achievement.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 83, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Chun Oakland, Hee).

SCRep. 1941 Education on Gov. Msg. No. 742

Recommending that the Senate advise and consent to the nomination of the following:

HAWAII COMMISSION FOR NATIONAL AND COMMUNITY SERVICE

G.M. No. 742 FLORDELINE B. VILA, for a term to expire 6-30-2010

Upon review of background information submitted by the nominee, your Committee finds that Flordeline B. Vila holds an Associate of Arts Degree in Business Administration from Cannon's Business College in Honolulu, Hawaii and a Hawaii real estate license. She currently serves as a Guest Services Representative for The Lodge at Koele, as well as an associate writer for a monthly real estate and investment publication, and is being nominated for appointment to the Hawaii Commission for National and Community Service for her first term as a representative from a local labor organization. Ms. Vila's prior work experience includes services as a private secretary, an AIDS educator, a legislative aide, an assistant to the controller, and a secretary and accounting clerk. She has been an active member involved in different aspects of her community on Lanai, including membership in the Lanai Filipino Association.

Testimony in support of the nominee was submitted by five individuals.

Your Committee received responses from the nominee regarding the nominee's desire to serve, perception of the role and responsibilities of membership, qualifications for membership, and goals for the nominee's term of service on the Hawaii Commission for National and Community Service. Your Committee believes that the nominee adequately responded to the Committee's inquiries and demonstrated adequate knowledge of and a commitment to work towards the goals of the Hawaii Commission for National and Community Service.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Chun Oakland, Hee).

SCRep. 1942 Health on Gov. Msg. No. 460

Recommending that the Senate advise and consent to the nomination of the following:

DRUG PRODUCT SELECTION BOARD

G.M. No. 460 LELAND TAICHI NOGAWA, for a term to expire 6-30-2011

Upon review of the testimonies and statement submitted by the nominee, your Committee finds that Leland Taichi Nogawa has the necessary character, experience, and qualifications to serve on the Drug Product Selection Board.

Your Committee received testimony in support of Leland Taichi Nogawa from the Department of Health.

Leland Taichi Nogawa is Pharmacy Operations Manager, Pharmerica/Honolulu, where he is responsible for the entire in-house pharmacy operation and supervises a staff of over twenty professionals and six support staff. He has been employed by the company since 2001. Mr.

Nogawa has both a Doctor of Pharmacy degree and Pre-Pharmacy degree from Creighton University, and holds a Hawaii Pharmacist License. In addition to his staff pharmacist positions, Mr. Nogawa has completed clerkships in a number of Hawaii and U.S. mainland pharmacies, hospitals, and long term care facilities.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Menor).

SCRep. 1943 Health on Gov. Msg. Nos. 691, 587, 588, 589 and 590

Recommending that the Senate advise and consent to the nominations of the following:

EMERGENCY MEDICAL SERVICES ADVISORY COMMITTEE

- G.M. No. 691 JAMES ITAMURA, for a term to expire 6-30-2011;
- G.M. No. 587 JAMES HENRY-EDWARD IRELAND, M.D., for a term to expire 6-30-2011;
- G.M. No. 588 MARY L. MARASOVICH, for a term to expire 6-30-2011;
- G.M. No. 589 MILES T. NAKATSU, for a term to expire 6-30-2008; and
- G.M. No. 590 THINH TIEN NGUYEN, M.D., for a term to expire 6-30-2011

Your Committee received the resumes and statements submitted by the nominees, and finds James Itamura, James Henry-Edward Ireland, M.D., Mary L. Marasovich, Miles T. Nakatsu, and Thinh Tien Nguyen, M.D., to have the necessary qualifications to be nominated to the Emergency Medical Services Advisory Committee.

Your Committee received testimony in support of James Itamura from the Department of Health, Kapa`a Family Physicians, General Manager of Princeville Operating Company, LLC, Greg Kamm Planning & Management, and two individuals.

Mr. Itamura is an experienced attorney who currently works in the Kaua`i County Attorney's Office. He also served in the United States Air Force, United States Air Force Reserve, and the Hawai`i Air National Guard, retiring in 2003 as a Lieutenant Colonel. Mr. Itamura is actively involved in his community and currently serves as the Advisory Board Secretary for the Association for Retarded Citizens and is a Board Member and previous President of the Kaua`i Salvation Army Advisory Board. Mr. Itamura's broad legal and military experience will allow him to provide unique insights and make significant contributions to the Emergency Medical Services Advisory Committee.

Your Committee received testimony in support of James Henry-Edward Ireland, M.D., from the Department of Health.

Dr. Ireland earned a medical degree from Ross University and a Bachelors degree in Anthropology from the University of Hawaii. Presently, Dr. Ireland works as a physician in the Emergency Department at Hawaii Medical Center and teaches paramedics as a part-time instructor at Kapiolani Community College. Dr. Ireland's prior professional experience includes performing Emergency Medical Service (EMS) contract work for the State of Hawaii, Department of Transportation, Airports Division assisting with the Airport Medical Services and the Airport Automatic Defibrillator Program. Dr. Ireland's past and current EMS experiences as both an EMS provider and now as an Emergency physician provide him with a heightened understanding regarding the challenges facing EMS and will make him a valuable component of the Emergency Medical Services Advisory Committee.

Your Committee received testimony in support of Mary L. Marasovich from the Department of Health, President of Find Children's Programs Hawaii, and thirteen individuals.

Ms. Marasovich presently works as a speech and language pathologist and is the owner of O`ahu Speech where she contracts with various state agencies for evaluation and treatment of child and adult speech, language and swallowing disorders. She is also a member of several professional organizations including the Cleft Palate Team, Hawaii Speech & Hearing Association, Hawaii Speech and Hearing Association, and she has served on the Board of Directors of the Hawaii Speech & Hearing Association. Ms. Marasovich's appointment to the Emergency Medical Services Advisory Committee will allow her to utilize her considerable knowledge of the issues surrounding speech pathology in order to make important contributions to Hawaii's complex health care system.

Your Committee received testimony in support of Miles T. Nakatsu from the Department of Health.

Mr. Nakatsu earned a Bachelors degree in Pharmacy from Idaho State University and a Bachelors degree in Biology from the University of Hawaii at Hilo. Presently, Mr. Nakatsu works as a Pharmacist and a Certified Diabetes Educator and Diabetes Disease Manager. He is a member of many professional organizations including the American Pharmacists Association, National Community Pharmacists Associations, and the American Association of Diabetes Educators. He is also a member of many community organizations including the Hilo Jaycees, the Hilo Elks Lodge 759, and is currently the Benevolent and Protective Order of Elks Hawaii District Scouting Chairman. Mr. Nakatsu's extensive knowledge and experience in pharmaceuticals and diabetes provide him with a unique perspective of the medical field making him an important component to the Emergency Medical Services Advisory Committee.

Your Committee received testimony in support of Thinh Tien Nguyen, M.D., from the Department of Health, Chairman of the Board of Hawaii Air Ambulance, Director of the Emergency Department at Pali Momi Medical Center, and the Director of Emergency Medicine at The Queen's Medical Center.

Dr. Nguyen earned a medical degree from St. George's University School of Medicine. Presently, Dr. Nguyen works as a physician at several locations, including the Emergency Physicians' Medical Group, Kapiolani Medical Center at Pali Momi, and at the Women's and Children Hospital, Hawaii. He is also the Medical Director of Hawaii Air Ambulance. Dr. Nguyen volunteers with several community organizations including the Outdoor Circle of Hawaii and The Institute for Human Services of Hawaii. Dr. Nguyen's wide-ranging emergency medical experience will allow him to make significant contributions to the Emergency Medical Services Advisory Committee.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1944 Health on Gov. Msg. Nos. 465 and 466

Recommending that the Senate advise and consent to the nominations of the following:

RADIOLOGIC TECHNOLOGY BOARD

G.M. No. 465 MICHAEL J. MEAGHER, M.D., for a term to expire 6-30-2011; and

G.M. No. 466 DANIEL WAYNE RICKENBACHER, for a term to expire 6-30-2011

Upon review of the testimonies and statements submitted by the nominees, your Committee finds that Michael J. Meagher, M.D., and Daniel Wayne Rickenbacher have the necessary character, experience, and qualifications to serve on the Radiologic Technology Board.

Your Committee received testimony in support of Michael J. Meagher, M.D., from the Department of Health.

Michael J. Meagher, M.D., is a Radiologist and Chairman of the Department of Radiology at Queens Medical Center, where he has held a number of professional and senior administrative positions since 1975. Dr. Meagher is a graduate of the University of Rochester, with a Doctor of Medicine Degree from Stanford Medical School. He is active in Continuing Education Fellowship programs and has an extensive and distinguished list of professional presentations throughout the United States. In addition, Dr. Meagher is a member of a number of professional and community organizations. He is being reappointed to the Board and currently serves as the Chairman.

Your Committee received testimony in support of Daniel Wayne Rickenbacher from the Department of Health.

Daniel Wayne Rickenbacher is Chief Technologist/Operations Manager with Hawaii P.E.T. Imaging, where he is responsible for day-to-day clinical operations of the P.E.T. mobile scanning facility. He is licensed both as a radiographer for twenty-six years, and as a nuclear medicine technologist for eight years. Mr. Rickenbacher is a graduate of the Sparks Regional Medical Center School of Radiologic Technology and is active in continuing professional education programs. He is a member of professional organizations both in Hawaii and on the U.S. mainland, as well as a variety of community organization. Mr. Rickenbacher is being reappointed to the Board.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Menor).

SCRep. 1945 Health on Gov. Msg. Nos. 489, 490 and 540

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF CERTIFICATION OF OPERATING PERSONNEL IN WASTEWATER TREATMENT PLANTS

G.M. No. 489 MARSHALL LUM, for a term to expire 6-30-2011;

G.M. No. 490 VICTOR DALE MORELAND, Ph.D., for a term to expire 6-30-2011; and

G.M. No. 540 EASSIE M. MILLER, for a term to expire 6-30-2011

Your Committee received testimony in support of Victor Dale Moreland, Ph.D., from the Department of Health and the Board of Certification of Operating Personnel in Wastewater Treatment Plants.

The nominee has worked in the environmental field for over thirty years. He presently works half-time for the Water Resources Research Center at the University of Hawaii at Manoa. He also conducts environmental engineering consulting on his own. Dr. Moreland is a licensed professional engineer in Hawaii and California, and is a certified wastewater treatment plant operator in Hawaii.

The nominee received a Bachelor of Science degree in civil engineering from California State Polytechnic College, and a Master of Science degree in sanitary engineering and Doctor of Philosophy degree in environmental engineering from the University of Hawaii. He holds a Grade 4 wastewater treatment plant operator certificate.

Your Committee received testimony in support of Marshall Lum from the Department of Health and the Board of Certification of Operating Personnel in Wastewater Treatment Plants. The nominee received a Bachelor of Science degree in civil engineering from the University of Hawaii.

Mr. Lum is a registered professional environmental engineer in the Department of Health. He has over twenty-nine years of experience in engineering and wastewater operation and maintenance work. He is the supervisor of the construction and operations section of the Wastewater Branch, which monitors the construction, operation, and maintenance activities of wastewater facilities throughout the State.

The nominee currently serves on the Board of Certification of Operating Personnel in Wastewater Treatment Plants. He has extensive knowledge about administrative rules concerning wastewater technology.

Your Committee received testimony in support of Eassie M. Miller from the Department of Health and Board of Certification of Operating Personnel in Wastewater Treatment Plants.

The nominee is a registered professional engineer and President of Aqua Engineers, Inc., a private engineering consulting firm that provides operation and maintenance services to wastewater treatment plants throughout the State. He has over thirty years of managerial, engineering, and wastewater experience in various capacities in State, county, and private employment and holds a Grade 4 wastewater treatment plant operator certificate.

Your Committee believes that the nominees possess the knowledge and expertise that will assist the Board of Certification of Operating Personnel in Wastewater Treatment Plants in effectively carrying out its duties.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Menor).

SCRep. 1946 Health on Gov. Msg. Nos. 516 and 517

Recommending that the Senate advise and consent to the nominations of the following:

DISABILITY AND COMMUNICATION ACCESS BOARD

G.M. No. 516 DOROTHY KUULEINANI FIFE, for a term to expire 6-30-2011; and

G.M. No. 517 CORRENA KEHAUNANI PAWN-WHITE, for a term to expire 6-30-2011

Upon review of the testimonies and statements submitted by the nominees, your Committee finds that Dorothy Kuuleinani Fife and Correna Kehaunani Pawn-White have the necessary character, experience, and qualifications to serve on the Disability and Communication Access Board.

Your Committee received testimony in support of Dorothy Kuuleinani Fife from the Disability and Communication Access Board.

Dorothy Kuuleinani Fife is currently a manager at Work Hawaii, an employee of the City and County of Honolulu and a former administrator at the YWCA. She has nearly twenty years of program administration background. Ms. Fife is legally blind and would represent the consumer population, specifically the blind and visually impaired community. In addition to her work, Ms. Fife has been active in the community and currently serves as President for both the National Federation of the Blind and the Eye of the Pacific Guide Dogs and Mobility Services, Inc.

Your Committee received testimony in support of Correna Kehaunani Pawn-White from the Disability and Communication Access Board and four individuals.

Correna Kehaunani Pawn-White is a counselor and instructor at Kapiolani Community College and has worked for approximately twenty years in the disability field, both on the U.S. mainland and in Hawaii. Born and raised on Hawaiian Homestead Land on Molokai, she brings a personal understanding of the need for services in rural areas and for those persons of Hawaiian ancestry with disabilities. Ms. Pawn-White would represent the consumer population, specifically the deaf and hard of hearing community, and her professional experience will augment her personal experience as a deaf person.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Menor).

SCRep. 1947 Health on Gov. Msg. Nos. 320, 321, 322, 323, 324 and 325

Recommending that the Senate advise and consent to the nominations of the following:

STATE COUNCIL ON DEVELOPMENTAL DISABILITIES

G.M. No. 320 MARGARET MARY BAXTER, for a term to expire 6-30-2011;

G.M. No. 321 PAUL K. HIGA, for a term to expire 6-30-2011;

G.M. No. 322 CHARLOTTE HAUNANI LOSA KAMAUOHA, for a term to expire 6-30-2011;

G.M. No. 323 BERNADETTE LUCY KELIAA, for a term to expire 6-30-2011;

G.M. No. 324 DEBORAH JEANE RIVERS, for a term to expire 6-30-2011; and

G.M. No. 325 PAUL S. VARGAS, JR., for a term to expire 6-30-2011

Upon review of the statements submitted by the nominees, your Committee finds that the aforementioned nominees will work with compassion and commitment to assist in administering the government functions related to developmental disabilities. Your Committee further finds that the nominees have been appointed based upon their credentials, integrity, and a desire to make Hawaii better through their participation on the State Council on Developmental Disabilities to which they have been nominated.

Your Committee received testimony supporting the nomination of Margaret Mary Baxter from the State Council on Developmental Disabilities.

Ms. Baxter is being nominated for reappointment to a second term on the State Council on Developmental Disabilities. She is the parent of two sons with developmental disabilities; thus filling a Council membership requirement that sixty per cent of the membership be from individuals with developmental disabilities, their parents, or family members. Ms. Baxter is a graduate of the Council-Sponsored Partners in Policymaking Leadership Academy. She is also very involved with the Special Olympics, Waianae Coast Coalition, Persons with Disabilities Ministry, Persons with Disabilities Advisory Board, and the Special Parent Information Network. Your Committee greatly appreciates Ms. Baxter's service and finds that she will continue to be a valuable asset to the State Council on Developmental Disabilities.

Your Committee received testimony supporting the nomination of Paul K. Higa from the Department of Human Services, the State Council on Developmental Disabilities, and two individuals.

Mr. Higa is currently the Supervisor of the Department of Human Services Med-QUEST Division and has served on the Council since July 9, 2001. His membership on the Council meets the requirements of the federal law to have a representative from the state agency administering funds provided under Title XIX of the Social Security Act.

Your Committee further finds that Mr. Higa's knowledge and extensive experience in developing Medicaid programs, policies, and procedures will continue to assist the State Council on Developmental Disabilities in its advocacy to increase and maximize federal reimbursements for individuals with developmental disabilities in the Home and Community Based Services Waiver Program. Your Committee greatly appreciates Mr. Higa's service and finds that he will continue to be a valuable asset to the State Council on Developmental Disabilities.

Your Committee received testimony supporting the nomination of Charlotte Haunani Losa Kamauoha from the State Council on Developmental Disabilities and the Ko'olauloa Community Childrens' Council.

Ms. Kamauoha is being nominated for reappointment to a second term on the State Council on Developmental Disabilities. Ms. Kamauoha's nomination satisfies the federal requirement, serving as a member on the Council in her capacity as a parent of a son with autism. Her extensive life and employment experiences will enable her to continue to provide the Council with invaluable insight and perspective of the public education system for students in special education. Your Committee greatly appreciates Ms. Kamauoha's service and finds that she will continue to be a valuable asset to the State Council on Developmental Disabilities.

Your Committee received testimony supporting the nomination of Bernadette Lucy Keliiaa from the State Council on Developmental Disabilities and one individual.

Ms. Keliiaa began serving on the State Council on Developmental Disabilities in 2007 and is being nominated for reappointment. She is the parent of a son with a developmental disability and has been an active member of the Council's Community Supports Committee that addresses increasing residential and transportation options, adequate funding for services and supports, and quality assurance. Your Committee greatly appreciates Ms. Keliiaa's service and finds that she will continue to be a valuable asset to the State Council on Developmental Disabilities.

Your Committee received testimony supporting the nomination of Deborah Jeane Rivers from the State Council on Developmental Disabilities and one individual.

Miss Rivers is being nominated for reappointment to a second term on the State Council on Developmental Disabilities. She is a self-advocate and an active member of the disabled community. Miss Rivers served on the Council from 1988 to 1996. She was also Board President of the Mental Health Association from 1999 to 2001. Miss Rivers is a strong advocate for disability rights and will continue to assist the Council in promoting independence and self-sufficiency of individuals with developmental disabilities to live a life of their choice. Your Committee greatly appreciates Miss River's service and finds that she will continue to be a valuable asset to the State Council on Developmental Disabilities.

Your Committee received testimony supporting the nomination of Paul S. Vargas, Jr. from the State Council on Developmental Disabilities, the Maui Service Area Board on Mental Health and Substance Abuse, and Maui County Council Member Michael Victorino.

Mr. Vargas is a self-advocate, resides in Maui, and has served on the State Council on Developmental Disabilities since November 21, 2001. Your Committee finds that Mr. Vargas is being nominated for reappointment to a second full term on the Council, term to expire in 2011. Pursuant to section 26-34, Hawaii Revised Statutes, he will have served the combined maximum terms of service of eight consecutive years on the Council as of 2009. As such, it is not the intent of your Committee to recommend to advise and consent on this nomination beyond the term limits of 2009.

Your Committee further finds that Mr. Vargas' life and employment experiences enable him to effectively advocate for employment opportunities for individuals with developmental disabilities and to set an example for others to achieve self-sufficiency. Your Committee greatly appreciates Mr. Vargas' service and finds that he will continue to be a valuable asset to the State Council on Developmental Disabilities.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1948 Health on Gov. Msg. No. 518

Recommending that the Senate advise and consent to the nomination of the following:

POLICY ADVISORY BOARD FOR ELDER AFFAIRS

G.M. No. 518 ARCHIE HAPAI, III, for a term to expire 6-30-2011

Your Committee reviewed the personal statement submitted by the nominee and finds Archie Hapai, III, to have the necessary qualifications to be nominated to the Policy Advisory Board for Elder Affairs.

Your Committee received testimony in support of Archie Hapai, III, from the Department of Health.

Mr. Hapai earned a Bachelors degree in Political Science from the University of Hawai'i at Manoa. His prior professional experience includes serving in the Hawai'i Army National Guard and serving as a former State Representative. Mr. Hapai was also a member of the Policy Advisory Board for Elder Affairs from 2003-2006, serving as its Chair from 2005-2006. Under his leadership, the Policy Advisory Board for Elder Affairs, was actively involved in advocating legislation for the benefit of older adults and their caregivers. Mr. Hapai's extensive experience and deep understanding regarding the complex challenges that an increasingly elderly population poses to the community, makes him a valuable component to the Policy Advisory Board for Elder Affairs.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Menor).

SCRep. 1949 Health on Gov. Msg. No. 525

Recommending that the Senate advise and consent to the nomination of the following:

MENTAL HEALTH AND SUBSTANCE ABUSE, HAWAII SERVICE AREA BOARD

G.M. No. 525 KU'ULEI A. KILIONA, for a term to expire 6-30-2011

Upon review of the testimonies and statement submitted by the nominee, your Committee finds that Ku'ulei A. Kiliona has the necessary character, experience, and qualifications to serve on the Mental Health and Substance Abuse, Hawaii Service Area Board.

Your Committee received testimony in support of Ku'ulei A. Kiliona from the Department of Health, the Volcano Health Collaborative Board, and seven individuals.

Ku'ulei A. Kiliona is currently a member of the Hawaii Service Area Board and represents the Board on the State Council of Mental Health through dual membership. As Vice President of the Hawaii Service Area Board, Ms. Kiliona takes a proactive role in Board activities. She has a Bachelors degree in Communication Studies and Interpersonal Communications from California State College and has taken graduate courses in law and psychology. Ms. Kiliona has worked in public relations, as a paralegal, in broadcast journalism, and as a mental health advocate for the past sixteen years.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Menor).

SCRep. 1950 Health on Gov. Msg. No. 476

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF DIRECTORS OF THE HAWAII HEALTH SYSTEMS CORPORATION

G.M. No. 476 CLIFFORD L. NAKEA, for a term to expire 6-30-2010

Your Committee received the personal statement and resume submitted by the nominee, and finds Clifford L. Nakea to have the necessary qualifications to be nominated to the Board of Directors of the Hawaii Health Systems Corporation.

Your Committee received testimony in support of Clifford L. Nakea from Hawaii Health Systems Corporation's President and Chief Executive Officer, the Chief Operating Officer and Chief Financial Officer, and the Kauai Region's Chief Executive Officer. Your Committee also received testimony in support of Judge Nakea from three members of the Hawaii Health Systems Board of Directors.

Judge Nakea earned a Juris Doctor from the University of San Francisco School of Law and is a graduate of St. Mary's College. His prior professional experience includes over thirty years in the legal field, beginning in 1971 until his retirement in 2004. Namely, he served as a Circuit Court Judge in Kauai for four years, and prior to that, served as a District Court Judge in Kauai for twenty years. Judge Nakea is also a member of several community organizations and is a member of the County of Kauai Liquor Control Commission, St. Catherine's Church, and serves as a mediator for the State of Hawaii Appellate Court. Additionally, Judge Nakea serves on the Board of Directors of the Kauai Museum and on the Board of Directors of the YMCA. Judge Nakea's extensive legal and judicial expertise and strong community values will provide the Board of Directors of Hawaii Health Systems Corporation with keen insight regarding promoting responsible governance and decision-making to deliver quality health care services to the State's most vulnerable citizens.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Menor).

SCRep. 1951 Health on Gov. Msg. Nos. 628, 629, 630, 631 and 632

Recommending that the Senate advise and consent to the nominations of the following:

MENTAL HEALTH AND SUBSTANCE ABUSE, HAWAII SERVICE AREA BOARD

G.M. No. 628 PATRICIA ELLEN N. RICHARDS, for a term to expire 6-30-2011;

MENTAL HEALTH AND SUBSTANCE ABUSE, KAUAI SERVICE AREA BOARD

G.M. No. 629 KURT KIYOSHI NAGATA, for a term to expire 6-30-2011;

MENTAL HEALTH AND SUBSTANCE ABUSE, OAHU SERVICE AREA BOARD

G.M. No. 630 KURA MOANA MARIE AKAU, for a term to expire 6-30-2010;

G.M. No. 631 ELLEN ALISSA HEID, for a term to expire 6-30-2010; and

G.M. No. 632 THOMAS J. MCCORMACK, for a term to expire 6-30-2009

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Patricia Ellen N. Richards, Kurt Kiyoshi Nagata, Kura Moana Marie Akau, Ellen Alissa Heid, and Thomas J. McCormack to have the necessary qualifications to be nominated to their respective Mental Health and Substance Abuse Area Board.

Your Committee received testimony in support of Ms. Patricia Ellen N. Richards's nomination from the Department of Health, the Membership Chair of the Hawaii Island Mental Health and Substance Abuse Service Area Board, and one individual.

Ms. Richards is employed as a nursery worker at Leilani Foliage in Pahoa. Her former work experience includes computer coder, shipping manager, and cook. She has utilized the services of Care Hawaii and Hale O'lua Clubhouse. Ms. Richards also volunteers her time and services to the Glad Tidings Food Bank in Hilo.

Your Committee finds that Ms. Richards has been actively attending and participating in Hawaii Service Area Board meetings and her appointment to the board would enable her to further facilitate and expand the implementation of the recovery process for those for whom she will be a role model.

Based on her experience and training, your Committee finds Ms. Richards to be qualified to serve as a consumer representative for East Hawaii on the Hawaii Island Mental Health and Substance Abuse Service Area Board.

Your Committee received testimony in support of Mr. Kurt Kiyoshi Nagata's nomination from the Department of Health and two individuals.

Mr. Nagata is currently employed as a groundskeeper for Marriot Hotel. He has also worked as a store room attendant and a yard maintenance worker.

Your Committee finds that Mr. Nagata has a strong, positive interest in serving on the Board and that his willingness to reach out to consumers and share his own experiences while exuding his personal confidence would help them in the recovery process.

Based on his experiences and training, your Committee finds Mr. Nagata to be qualified to serve as a consumer representative on the Mental Health and Substance Abuse Kauai Service Area Board.

Your Committee received testimony in support of Mrs. Kura Moana Marie Akau's nomination from the Department of Health and four individuals.

Mrs. Akau is a Care Hawaii Crisis Specialist, seasonal fundraiser for the Salvation Army, and a Kahi Kokua volunteer for Waikiki Baptist Church. She has worked as an adult home care provider, sales clerk, housekeeper, and an officer in the New Zealand tax department.

Based on her experience and training, your Committee finds Mrs. Akau to be qualified to serve as a consumer representative on the Mental Health and Substance Abuse Oahu Service Area Board.

Your Committee received testimony in support of Ms. Ellen Alissa Heid's nomination from the Department of Health.

Ms. Heid earned a Master of Social Work and Master of Arts in Political Science from the University of Hawaii at Manoa and a Bachelor of Arts in Politics from the University of California in Santa Cruz. Her second year practicum focused on Geriatric Mental Health and Substance Abuse. She is a Certified Peer Specialist by the Department of Health, Adult Mental Health Division.

Ms. Heid has been a volunteer for United Self Help, Helping Hands Hawaii, Mental Health Hawaii, and several other specialized service organizations. She is an Associate Member of the National Association of State Mental Health Program Directors Older Person's Division. She has served on several Adult Mental Health Division Committees over the span of fifteen years.

Based on her education, experience, and training, your Committee finds Ms. Heid to be qualified to serve as a consumer representative on the Mental Health and Substance Abuse Oahu Service Area Board.

Your Committee received testimony in support of Mr. Thomas J. McCormack's nomination from the Department of Health and two individuals. Mr. McCormack earned a Bachelor of Arts from Brown University, where he was nominated for the Untermeyer Fellowship in Poetry. He has worked as an office worker for North Shore Ophthalmology, a cab driver, hospital aide, and a stock handler.

Mr. McCormack's prior community experience includes serving on the Service Area Board (2000-2004) and his legislative advocacy volunteer experience with the National Alliance for the Mentally Ill. He has been a member of the Honolulu Clubhouse for eight years.

Your Committee finds that his insight and resolution would be real assets to the Area Board. Based on his experiences and training, your Committee finds Mr. McCormack to be qualified to serve as a consumer/state council representative on the Mental Health and Substance Abuse, Oahu Service Area Board.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Whalen).

SCRep. 1952 Health on Gov. Msg. Nos. 601, 603, 604, 606, 607, 719 and 720

Recommending that the Senate advise and consent to the nominations of the following:

STATEWIDE HEALTH COORDINATING COUNCIL

G.M. No. 601 GAE BERGQUIST-TROMMALD, for a term to expire 6-30-2011;

G.M. No. 603 CLAYTON D.K. CHONG, for a term to expire 6-30-2007;

G.M. No. 604 CLAYTON D.K. CHONG, for a term to expire 6-30-2011;

G.M. No. 606 KEITH ALAN LEE, for a term to expire 6-30-2008;

G.M. No. 607 BONNIE LEE S. L. PANG, for a term to expire 6-30-2011;

G.M. No. 719 JO-ANN AHUNA, for a term to expire 6-30-2010; and

G.M. No. 720 MARK STEVEN MOSES, for a term to expire 6-30-2011

Your Committee received testimony in support of Jo-Ann Ahuna from the Department of Health.

Ms. Ahuna is a resident of Hana, Maui. She has served on the Maui County Cultural Resource Commission, Mayor's Hana Advisory Board for Hana, Hana Community Association Board, American Red Cross, and Ameri Corp. She is currently a Parent Co-Chair Volunteer for the Community Children Council for Hana.

Your Committee received testimony in support of Keith Alan Lee from the Department of Health; King, Nakamura & Chun-Hoon; The Queen's Health Systems; Kaiser Permanente; John Child & Company; Hawaii Women's Legal Foundation; Bank of Hawaii; one State Representative; and seven individuals.

Mr. Lee is the Vice President of Legal Services/Regional Counsel for Kaiser Foundation Health Plan, Inc. As Kaiser Hawaii's chief legal officer, he advises Kaiser Permanente Hawaii's executive leadership on matters having broad consequences on the health plan's hospital and medical care program's policies, procedures, and practices. He was the Corporate Secretary and General Counsel for The Queen Emma Foundation. Mr. Lee received a Bachelor of Arts degree, magna cum laude, in Political Science and American Studies from the University of Michigan. He also received Juris Doctor and Master of Business Administration degrees from the University of Chicago. He currently serves on the board of the Native Hawaiian Legal Corporation.

Your Committee received testimony in support of Gae Bergquist-Trommald from the Department of Health, Hawaii Medical Association, and two individuals.

The nominee is the Executive Vice President for Communications Pacific, where she oversees the marketing side of the company. Her primary responsibility is to provide strategic marketing advice to clients, including advertising, marketing, and communications. Mrs. Bergquist-Trommald previously served as Senior Vice President for Outrigger Hotels and Resorts for marketing.

The nominee is actively involved in the community, including serving as Commissioner and Chair of the State Foundation on Culture and the Arts, Director (and former Chair) of the Salvation Army, and the Washington Place Foundation. She has been active in the campaign for the Hawai'i Theatre Center and in the LeaderLuncheon of the YWCA of Oahu. She is a member (and former Director) of the Rotary Club of Honolulu.

Your Committee received testimony in support of Clayton D.K. Chong from the Department of Health; Hawaii Medical Center East; Surgical Associates, Inc.; and one individual.

The nominee is being appointed to the Statewide Health Coordinating Council for a first term to expire on June 30, 2007, and for a second term to expire on June 30, 2011. Mr. Chong is an Associate Professor of Medicine in the Department of Native Hawaiian Health at the University of Hawaii, John A. Burns School of Medicine, where he received a Doctor of Medicine degree. He also maintains in private practice, specializing in internal medicine and oncology.

Dr. Chong's community and professional activities include Papa Olakahi, Imi Hale, and Trustee of Queen's Medical Center.

Your Committee received testimony in support of Bonnie Lee S.L. Pang from the Department of Health, Mauna Kea Beach Resort, and two individuals.

The nominee received a Bachelor of Arts degree in International Relations from the University of the Redlands and holds an insurance license in life and health insurance.

Ms. Pang has served on the Windward Sub-Area Committee. She has been the Principal, Market Business Leader for Mercer Health & Benefits; Account Manager for Kaiser Permanente; and Presentation and Communications Coordinator for the Hawaii Medical Service Association. The nominee is a member of the Society of Human Resource Managers and is Past President of the Hawaii Association of Health Underwriters.

Your Committee received testimony in support of Mark Steven Moses from the Department of Health, Hawaii Medical Association, Goodwill Industries of Hawaii, Paradise Lua Inc., YWCA of Honolulu Leeward Branch, Armed Services YMCA, and ten individuals.

Mr. Moses served as a Hawaii State Representative from 1996 to 2006. He also served for nearly twenty-five years in the United States Marine Corps.

The nominee received a Bachelor of Science degree in physics from the University of Texas, Austin. Mr. Moses has been active in a wide variety of community activities and organizations, most notably in the geographical areas of Makakilo/Kapolei/Honokai Hale, Barbers Point, and Ewa. He is a founder and former Vice Chair of the Makakilo/Kapolei/Honokai Hale Neighborhood Board, Policy Committee Member of the Oahu Metropolitan Planning Organization, and Community Representative of the City and County of Honolulu Planning Advisory Group for the Ewa and Central Development Plans.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Menor, Whalen).

SCRep. 1953 Water, Land, Agriculture and Hawaiian Affairs on Gov. Msg. No. 294

Recommending that the Senate advise and consent to the nomination of the following:

KAUA'I AQUATIC LIFE AND WILDLIFE ADVISORY COMMITTEE

G.M. No. 294 EDSON A. MARTIN, for a term to expire 6-30-2011

Your Committee reviewed the personal history, resume, and statement submitted by the nominee, and finds Edson A. Martin to have the necessary qualifications to be nominated to the Kaua'i Aquatic Life and Wildlife Advisory Committee.

Testimony in support of Edson A. Martin's nomination was submitted by the Department of Land and Natural Resources.

Captain Martin attended the University of Hawaii at Manoa and Honolulu Community College where he studied Fire Science. He is currently a Fire Captain for the County of Kaua'i Fire Department for the engine company in Kapa'a, and has been with the Fire Department since 1986. He has a lifelong interest in all types of hunting, fishing, and other outdoor activities.

Being with the Kaua'i Aquatic Life and Wildlife Advisory Committee for the past two years, Captain Martin has a great understanding of the issues facing hunting and fishing in Hawaii. His knowledge in the laws that protect fish and wildlife, and their habitats, and his experience and

interest in fishing, hunting, and other outdoor activities make Captain Martin an invaluable asset for the Kaua'i Aquatic Life and Wildlife Advisory Committee.

As affirmed by the record of votes of the members of your Committee on Water, Land, Agriculture, and Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Hee).

SCRep. 1954 Human Services and Public Housing on Gov. Msg. Nos. 754, 755, 756 and 757

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DIRECTORS OF THE HAWAII PUBLIC HOUSING AUTHORITY (PHA)

G.M. No. 754 CAROL R. IGNACIO, for a term to expire 6-30-2007;

G.M. No. 755 CAROL R. IGNACIO, for a term to expire 6-30-2011;

G.M. No. 756 TRAVIS O. THOMPSON, for a term to expire 6-30-2008; and

G.M. No. 757 MATTIE A. YOSHIOKA, for a term to expire 6-30-2010

Your Committee reviewed the personal histories, resumes, and statements submitted by the nominees, and finds Carol R. Ignacio, Travis O. Thompson, and Mattie A. Yoshioka to have the necessary qualifications to be nominated to the Board of Directors of the Hawai'i Public Housing Authority.

Your Committee received testimony in support of Ms. Carol R. Ignacio's nomination from the Department of Human Services, the Hawai'i Public Housing Authority, and the Economic Development Alliance of Hawaii.

Your Committee finds that Ms. Ignacio has served on the board as an interim appointee since July 1, 2006. Your Committee further finds that she has extensive experience with administering and developing homeless shelters and programs and other social service programs. Based on her experience and training, your Committee finds Ms. Ignacio to be qualified to serve on the Board of Directors of the Hawai'i Public Housing Authority for a term to expire on June 30, 2007, and for a subsequent second term to expire on June 30, 2011.

Your Committee received testimony in support of Mr. Travis O. Thompson's nomination from the Department of Human Services, and the Hawai'i Public Housing Authority.

Your Committee finds that Mr. Thompson has served on the Board since January 1, 2003, and currently chairs the Board's Finance Task Force and serves on the Personnel Task Force. Your Committee further finds that he has proven to be committed to helping the Hawai'i Public Housing Authority overcome its many challenges to better serve its clients. Based on his experience and dedication, your Committee finds Mr. Thompson to be qualified to serve on the Board of Directors of the Hawai'i Public Housing Authority for a term to expire on June 30, 2008.

Your Committee received testimony in support of Ms. Mattie A. Yoshioka's nomination from the Department of Human Services, the Hawai'i Public Housing Authority, the Chair of the Kauai County Council, the Kauai County Office of Economic Development, Kaua'i Community College, Kukui'ula Development Company, Economic Development Alliance of Hawaii, and Trex Hawaii, LLC.

Your Committee finds that Ms. Yoshioka has served on the Board representing Kauai since July 1, 2006. Your Committee further finds that Ms. Yoshioka's experience as the Administrator of the Kauai County Housing Department; her experience with the business and nonprofit communities as Executive Director of the Kauai Economic Development Board; and her service on the County Housing Agency's Community Advisory Committee make her highly qualified to serve on the Board of Directors of the Hawai'i Public Housing Authority.

As affirmed by the records of votes of the members of your Committee on Human Services and Public Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Hooser, Hemmings).

SCRep. 1955 Health on Gov. Msg. No. 696

Recommending that the Senate advise and consent to the nomination of the following:

HEALTH PLANNING COUNCIL, WEST OAHU SUBAREA

G.M. No. 696 ANNE H. ATKINSON, for a term to expire 6-30-2011

Your Committee received testimony in support of the nomination of Anne H. Atkinson to the Health Planning Council, West Oahu Subarea, from the Department of Health, Representative Josh Green, Representative Kymberly Marcos Pine, Family Voices of Hawaii, and one individual.

Ms. Atkinson currently works in Representative Kymberly Pine's office as a legislative aide researching and drafting monthly newsletters and constituent mailings. She has worked as a speech writer for the U.S. Embassy-London and has served as Country Director for the USAID program in Macedonia.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Menor).

SCRep. 1956 Economic Development and Taxation on Gov. Msg. No. 348

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF DIRECTORS OF THE HIGH TECHNOLOGY DEVELOPMENT CORPORATION

G.M. No. 348 BRIAN J. GOLDSTEIN, for a term to expire 6-30-2011

Upon review of the testimonies and statement submitted by the nominee, your Committee finds that Brian J. Goldstein has the necessary character, experience, and qualifications to serve on the Board of Directors of the High Technology Development Corporation.

Your Committee received testimony in support of Brian J. Goldstein from the Department of Business, Economic Development, and Tourism; High Technology Development Corporation; and Hawaii Aquaculture Association.

Brian J. Goldstein is President and CEO of Sunrise Capital, Inc., (dba Kona Bay Marine Resources), a company he brought back from insolvency in sixteen months by raising over \$2,500,000 in financing from private and institutional investors. Prior to this, Mr. Goldstein held senior management positions with California-based software companies Hoana Technologies, Inc.; Vivaldi Networks, Inc.; Brio Technology, Inc.; and Oracle Corporation. He has a Masters in Business Administration in International Management from the Garvin School of International Management (Thunderbird) and a Bachelor of Science in Business Administration from Arizona State University. Mr. Goldstein is a reappointment to the Board, and serves as its Chairman.

Your Committee finds that the High Technology Development Corporation is at a critical juncture, with general fund support declining at the same time the Corporation is being tasked with additional commitments by the Administration. For example, 2007 legislation alone would have the Corporation responsible for a ten-year lease commitment in the proposed technology incubator in Kakaako and an expansion of its role with the proposed digital media hub. This comes at a time when Hawaii's technology sector is expanding, particularly small start-ups and other fledgling entrepreneurial businesses that rely on the Corporation for a variety of services and financial assistance.

Your Committee has questioned the nominee with respect to his perspective on the challenges facing the Corporation and his role in developing solutions to these challenges. As a reappointment and in his role as Chairman, Mr. Goldstein is fully aware of the issues that a public sector agency confronts in assisting what is essentially a private sector and highly evolving industry. In his responses, he noted comparable experiences during his years in California's technology sector and his background as a federal programs manager.

As affirmed by the records of votes of the members of your Committee on Economic Development and Taxation that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (English).

SCRep. 1957 Economic Development and Taxation on Gov. Msg. No. 532

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF TAXATION REVIEW, 4TH TAXATION DISTRICT (KAUA'I)

G.M. No. 532 MATT H. TAKATA, for a term to expire 6-30-2011

Upon review of the testimonies and statement submitted by the nominee, your Committee finds that Matt H. Takata has the necessary character, experience, and qualifications to serve on the Board of Taxation Review, 4th Taxation District (Kaua'i).

Your Committee received testimony in support of Matt H. Takata from the Department of Taxation and two individuals.

Matt H. Takata is a Senior Vice President of Title Guaranty Escrow Services, Inc., a company he has been associated with since 1987. He is responsible for the company's operations on Kaua'i and other Neighbor Islands. Mr. Takata has a Bachelor of Arts in Economics from Pomona College. He is a well-respected businessman and has served as a volunteer on several community boards. Mr. Takata is a reappointment to the Board of Taxation Review and has served as the Chair since 2005.

As affirmed by the record of votes of the members of your Committee on Economic Development and Taxation that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (English).

SCRep. 1958 (Majority) Economic Development and Taxation on Gov. Msg. No. 349

Recommending that the Senate not advise and consent to the nomination of the following:

BOARD OF DIRECTORS OF THE HIGH TECHNOLOGY DEVELOPMENT CORPORATION

G.M. No. 349 ORION KOPELMAN, for a term to expire 6-30-2011

Your Committee received testimony in support of Orion Kopelman from the Department of Business, Economic Development, and Tourism; High Technology Development Corporation (HTDC); Hawaii Small Business Development Center Network, Maui Center; the former Mayor of Maui County; and one individual.

Orion Kopelman is President of Global Brain, Inc., a California-based company he founded in 1991. He previously held senior management positions with Mountain Computer and Cherry Valley Computer Systems in California. He has a Bachelor of Science in Electrical Engineering from Stanford University and is the author of the book, "Projects at Warp-Speed with QRPD". Mr. Kopelman is currently serving as an interim appointment to the Board.

Your Committee finds that the High Technology Development Corporation is at a critical juncture, with general fund support declining at the same time the Corporation is being tasked with additional commitments by the Administration. For example, 2007 legislation alone would have the Corporation responsible for a ten-year lease commitment in the proposed technology incubator in Kakaako and an expansion of its role with the proposed digital media hub. This comes at a time when Hawaii's technology sector is expanding, particularly small start-ups and other fledgling entrepreneurial businesses that rely on the Corporation for a variety of services and financial assistance.

Your Committee has questioned the nominee with respect to his assertion that Silicon Valley can serve as a model for Hawaii, his contributions to the Maui and statewide technology communities, and his assessment of the challenges facing Hawaii's technology businesses.

Mr. Kopelman responded, but his answers focused in large part on the strategies in his book and his personal management experience, and less on the overall concerns of the questions. In addition, his involvement with Hawaii technology companies is somewhat limited, which may be due in part to an extensive consulting and teaching schedule outside of Hawaii. Your Committee finds that while enthusiastic, Mr. Kopelman is not the best candidate to help guide the High Technology Development Corporation in meeting its statutory requirements of facilitating the growth and development of the commercial high technology industry in Hawaii during a period of transition for the Corporation.

As affirmed by the record of votes of the members of your Committee on Economic Development and Taxation that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, recommends that the Senate not advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, 1 (Slom). Excused, 1 (English).

SCRep. 1959 Commerce, Consumer Protection and Affordable Housing on H.B. No. 1307

The purpose of this measure is to clarify the business registration requirements for foreign nonprofit corporations and foreign limited liability companies.

Specifically, the measure deletes the word "initial" in references to initial registered office and initial registered agent in the application for a certificate of authority under the Hawaii Nonprofit Corporations Act, and the Uniform Limited Liability Company Act for foreign limited liability companies.

Your Committee received testimony in support of this measure from the Department of Commerce and Consumer Affairs.

Act 235, Session Laws of Hawaii 2006, streamlined business registration application forms that affect foreign entities. This measure makes similar conforming amendments to the foreign nonprofit corporation law and foreign limited liability company law. In addition, this measure removes the requirement of disclosing the home addresses of a foreign nonprofit corporation's current directors and officers.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Affordable Housing that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1307, H.D. 2, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, none.

SCRep. 1960 Energy and Environment on H.C.R. No. 162

The purpose of this measure is to facilitate the conversion of H-Power ash to reusable materials by requesting the Director of Health to consider waiving the H-Power permit modification requirement for conducting an ash conversion test or to develop alternative methods to conducting a test that do not require permit modification, or expedite the permitting process if neither of the foregoing are feasible.

Testimony in support of this measure was submitted by the City and County of Honolulu and Covanta Energy.

Your Committee finds that, although under the purview of the counties, waste management and disposal is generally regulated by the Department of Health. Currently, within the City and County of Honolulu, waste disposal is diverted to two main facilities, one of which combusts municipal solid waste for the generation of electricity and the other that serves as a disposal site for excess waste and H-Power ash. Your Committee further finds that there is a substantial amount of H-Power ash that is generated, which can be converted into reusable material; however, conversion may be hindered by the need for modification of the H-Power solid waste management facility permit by the Department of Health.

This measure requests the Director of Health to consider waiving the H-Power permit modification requirement or providing some alternative method that would not require permit modification in order to facilitate the conversion of H-Power ash into reusable materials. Furthermore, should the aforementioned methods be impracticable, the Director is requested to consider implementing an expedited process for permit modification that will help the City and County of Honolulu in addressing current and future waste management needs.

As affirmed by the record of votes of the members of your Committee on Energy and Environment that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 162, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Ihara).

SCRep. 1961 (Joint) Human Services and Public Housing and Health on H.C.R. No. 54

The purpose of this measure is to request the Department of Human Services to establish an interim State Maximum Allowable Cost Program Evaluation Task Force (Task Force) to review the state Maximum Allowable Cost (MAC) Program's reimbursement policy and its impact on small, independent, community pharmacies.

Your Committees received testimony in support of this measure from the Department of Human Services and Longs Drugs.

Pharmacists are highly-trained and skilled healthcare professionals who perform various roles to ensure optimal health outcomes for their patients. Many pharmacists are also small-business owners, owning the pharmacy in which they practice. For each prescription that a pharmacy fills under the Medicaid Program, Medicaid pays the pharmacy an amount meant to cover both the cost of acquiring the drug from the manufacturer and the cost of distributing and dispensing.

With the rising cost of healthcare taking a significant toll on federal and state budgets, federal regulations were implemented in 1987 to limit the amount which Medicaid could reimburse for certain generic drugs under the Federal Upper Limit Program. States also limit Medicaid drug reimbursement under the MAC Programs, which generally lists more drugs than the federal program and features lower pricing. Presently, MAC Program prices in Hawaii are set to remain below federal prices to adhere to federal regulations and ensure maximum federal reimbursement for Medicaid expenditures.

According to a recent study by the Government Accountability Office, proposed Medicaid pharmacy reimbursement cuts will force pharmacists to accept Medicaid drug reimbursement that is, on average, thirty six per cent below their acquisition cost. It will be Hawaii's poor, in particular women and children who make up the majority of Medicaid recipients, who will suffer when they can no longer access community pharmacies for the medications they need.

Your Committees believe that more information needs to be collected to better understand how MAC Program prices are set and how to ensure a reasonable reimbursement to small pharmacies within state spending limits and of federal Medicaid restrictions.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Housing and Health that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 54, and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 6. Noes, none. Excused, 4 (Baker, Hooser, Menor, Hemmings).

SCRep. 1962 Human Services and Public Housing on H.C.R. No. 140

The purpose of this measure is request the Department of Human Services to collect data and report statistics related to cases of abuse of vulnerable adults.

Your Committee received testimony in support of this measure from the National Association of Social Workers.

Hawaii's disabled and elderly adults are some of the most vulnerable individuals in the State. This population is highly susceptible to physical abuse and financial and economic exploitation, recently demonstrated in Hawaii, as cases of fraud and abuse have escalated. While many of Hawaii's people may be subject to physical abuse and financial exploitation, the disabled and elderly are often less able to protect themselves.

The Department of Human Services, Adult Protective Services, is responsible for receiving and investigating reports of abuse on adults who are dependent on another person, organization, or facility because of mental or physical impairment.

This measure would pave the way for any necessary improvements in the delivery of adult protective services.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 140, H.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Hooser, Hemmings).

SCRep. 1963 Human Services and Public Housing on H.C.R. No. 344

The purpose of this measure is to urge the Department of Human Services to support Project Cuddle, a nationally recognized nonprofit agency that seeks to prevent baby abandonment, and to assess the feasibility of advertising the project's toll-free number.

Testimony in support of this measure was submitted by the Representative for the 27th District of the House of Representatives of the State of Hawaii and one individual. The Department of Human Services submitted testimony in support of the intent of this measure.

Your Committee finds that baby abandonment is a national problem. Your Committee further finds that alternatives to baby abandonment, such as the services and confidential assistance provided by Project Cuddle, are needed to help prevent abandonment. Your Committee further finds that would-be recipients need to be informed of these services so that they can take advantage of them. Hotlines are a valuable means to make these services available to those who need them.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 344, H.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Sakamoto, Hemmings).

SCRep. 1964 (Joint) Human Services and Public Housing and Intergovernmental and Military Affairs on H.C.R. No. 141

The purpose of this measure is to alleviate drug prices for Medicare beneficiaries by urging the United States Congress to support legislation authorizing the Secretary of Health and Human Services to negotiate lower drug prices.

Your Committees received testimony in support of this measure from AARP Hawaii and the Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO.

Your Committees find that it is important to reduce the cost of prescription drugs for Hawaii's enrolled Medicare beneficiaries. To this end, it is the intent of your Committees to support federal legislation authorizing the Secretary of Health and Human Services to use the Secretary's bargaining power to help make prescription drugs more affordable under Medicare.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Housing and Intergovernmental and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 141, and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 2 (Sakamoto, Hemmings).

SCRep. 1965 (Joint) Human Services and Public Housing and Intergovernmental and Military Affairs on H.C.R. No. 217

The purpose of this measure is to urge the President and the United States Congress to enact legislation to increase, for Social Security beneficiaries, the levels of provisional income, which include Social Security benefits, by an amount equal to the federal cost of living allowance granted to federal employees in Hawaii.

Your Committees received testimony in support of this measure from the Diamond Head/Kapahulu/St. Louis Heights Neighborhood Board No. 5.

Your Committees find that the federal tax on Social Security benefits for retirees living in Hawaii is inequitable because the cost of living in Hawaii is higher than on the United States mainland. The federal government recognizes that Hawaii's cost of living is higher than that of other states due to its provision of a twenty five per cent cost of living allowance to active federal employees. However, no such equitable recognition

or provision is made for Social Security beneficiaries. To this end, it is the intent of your Committees to support legislation requesting that the levels of provisional income be increased for social security recipients by an amount equal to the federal cost of living allowance granted to federal employees in Hawaii.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Housing and Intergovernmental and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 217, and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Ayes, 5. Noes, none. Excused, 2 (Sakamoto, Hemmings).

SCRep. 1966 Human Services and Public Housing on S.R. No. 10

The purpose of this measure is to promote awareness of family caregiving needs in the design of new residences.

Your Committee finds that an issue of great importance facing families in Hawaii is the Family Court system. Your Committee further finds that in 2006, the SCR 52 Task Force was established to look at the legal interventions available to the Family Court. Your Committee further finds that there are still issues and recommendations of the SCR 52 Task Force that need to be further examined. Therefore, your Committee finds that this measure should be amended to continue to study the Family Court system and its available remedies.

Testimony in support of this amended measure was submitted by the Hawaii State Commission on the Status of Women and four individuals. VOICES submitted comments on the amended measure.

This measure was amended to delete the title and contents of Senate Resolution No. 10 and replace it with the contents of Senate Concurrent Resolution No. 16, which:

- (1) Requests the Senate Committee on Human Services and Public Housing to convene a working group to be referred to as the Family Court Legal Interventions Working Group, to further study the outstanding recommendations that came out of the SCR 52 Task Force, including those relating to:
 - (A) Family Court Models;
 - (B) Family Court Sunshine and Accountability;
 - (C) Temporary Restraining Orders; and
 - (D) The Best Interests of the Child;
- (2) Sunsets the existence of the Family Court Legal Interventions Working Group (Working Group) on January 1, 2009;
- (3) Designates the specific organizations to be included in the Working Group; and
- (4) Request the Working Group to submit an interim report to the Legislature prior to the convening of the 2008 Regular Session.

This measure was further amended to:

- (1) Request the assistance of the University of Hawaii Social Sciences Public Policy Center with the facilitation of the Working Group's efforts;
- (2) Request the Working Group to include participation from neighbor islands representatives in the discussions; and
- (3) Include representatives of VOICES and the Commission on the Status of Women in the Working Group.

As affirmed by the record of votes of the members of your Committee on Human Services and Public Housing that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 10, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 10, S.D. 1

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Hooser, Hemmings).
