SENATE CONCURRENT RESOLUTION

The following concurrent resolution (S.C.R. No. 1) was read by the Clerk and was disposed of as follows:

S.C.R. No. 1 "SENATE CONCURRENT RESOLUTION URGING CONGRESS TO SUPPORT THE PRESIDENT'S PROPOSED ECONOMIC STIMULUS INITIATIVE INCREASING FEDERAL SUPPORT FOR THE MEDICAID PROGRAM."

Offered by: Senators Hanabusa, Baker, Chun Oakland, English, Espero, Fukunaga, Gabbard, Galuteria, Green, Hooser, Ige, Ihara, Kidani, Kokubun, Nishihara, Sakamoto, Tokuda, Tsutsui, Bunda, Hee, Kim, Takamine, Taniguchi.

Senator Sakamoto moved that S.C.R. No. 1 be adopted, seconded by Senator Slom.

Senator Hemmings rose in opposition to the measure and said:

"The resolution sounds innocuous. It sounds like something we all want—Medicaid, federal support for funding of the Medicaid program, which is in dire straits nationally. But I think it's important to note that hidden within the confines of this resolution is general support for the President's economic stimulus initiative, which needs to be gone over quite extensively before we sign on to it. There are a lot of contradictory elements in that economic stimulus package, like, for one, calling a 230 million—billion dollars, excuse me, (it's a lot of money)—an economic stimulus, part of it being called tax cuts when really it is giving money to people who did not pay taxes. So, before we sign on to supporting the entire stimulus package, we'd better examine through our congressional delegation and through better, doing better work, here in Hawai'i exactly what we signing on to. It sounds nice to vote in favor of supporting a resolution for Medicaid program, but this is a lot more than that and I would urge my colleagues to be careful when we make broad, sweeping resolutions like this because they do have an impact on others and others' perceptions. Thank you, Madam President."

Senator Slom requested that a 'no' vote be entered into the Journal.

Senator Baker rose in support of the measure and said:

"Madam President, this is one of the areas that we're hoping Congress will favorably act because it will help all of the states, because it improves a program known as the FMAP which is the percentage of reimbursement that the federal government will provide to the states to improve our services to those most needy in our community.

"An increase in the FMAP allows us to expand and make sure that everybody that's on Medicaid receives the services that they need because it allows the federal government to increase their share so it doesn't come from strapped states' budgets. And, as the Senate President noted so eloquently on Opening Day, 'we cannot print money'. The federal economic stimulus will help us and all of the other states, all of our sister states, to make sure that we will—our burdened states' coffers—will be able to reach out and assist those most needy in

our community with health care and with other important services. So I encourage all of my colleagues to vote in favor of this resolution. Thank you."

Senator Slom rose in opposition to the measure and said:

"I must rise now at this time to give some remarks about my opposition to this resolution. I think the Minority leader expressed it quite well. We have no problem whatsoever with supporting the increased funding for Medicaid. It's the right thing to do, and we want to make sure that Hawai'i gets its equitable funds.

"I think the problem, however, is that so many bills and resolutions that we debate in this chamber have something else embedded within them. If this had been solely about Medicaid, there would have been no problem and you would have had unanimous support. But because you're calling on us to blindly support the so-called economic stimulus package which will separate taxpayers from their money, and with little oversight by objective outside sources, we now see that we're over a trillion dollars in this amount of money, heading toward two trillion dollars. The money all comes from the same source, and that's the people, the taxpayers, who are suffering so much right now with unemployment and other problems. So we just urge you, in the future, if you're going to do bills and resolutions that call for Hawai'i to get its equitable share, then let's stick to that particular subject and then we can all join together in support. Thank you, Madam President."

Senator Hooser rose in support of the measure and said:

"I would just like to state for the record that my support is for the entire stimulus package, as well as the FMAP. You know, our country, our state, is going through very difficult times. There's no question that Congress is going to be passing the stimulus package. And, yes, we will not know those details of that package until it's passed, but I for one want to see Hawai'i get its fair share of support from the federal government to help rebuild our schools, our highways, our hospitals, and to help those most in need, and I encourage the members to vote enthusiastically in support. Thank you."

The motion was put by the Chair and carried, S.C.R. No. 1, entitled: "SENATE CONCURRENT RESOLUTION URGING CONGRESS TO SUPPORT THE PRESIDENT'S PROPOSED ECONOMIC STIMULUS INITIATIVE INCREASING FEDERAL SUPPORT FOR THE MEDICAID PROGRAM," was adopted with Senators Hemmings and Slom voting "No."

ORDER OF THE DAY

ADVISE AND CONSENT

Stand. Com. Rep. No. 1 (Gov. Msg. No. 167):

Senator Taniguchi moved that Stand. Com. Rep. No. 1 be received and placed on file, seconded by Senator Takamine and carried.

Senator Taniguchi then moved that the Senate consent to the nomination of ROM A. TRADER to the office of Judge, Circuit Court of the First Circuit, for a term of ten years, in accordance with the provisions of Article VI, Section 3, of the Hawai'i State Constitution, seconded by Senator Takamine.

Senator Taniguchi rose in support of the nominee and said:

"Madam President, your Committee on Judiciary and Government Operations heard from Mr. Trader, and we are convinced that he will serve well in his capacity as a circuit court judge.

"The testimony received was overwhelmingly in support of Mr. Trader, including the offices of the Attorney General, the Prosecuting Attorney for the City & County of Honolulu, and

several criminal defense attorneys, including the Public Defender. We also received information regarding Mr. Trader's experience as a prosecutor, and we believe that his work experience will provide him with a solid foundation to begin his public service on the bench.

"For these reasons, I'm asking my colleagues to support the nomination of Rom Trader as circuit court judge for the first circuit. Thank you."

Senator Slom rose in support of the nominee and said:

"Thank you. On behalf of your Minority, here is a good example where you're going to see unanimous support.

"Mr. Trader is an outstanding individual. There were some questions before the hearing about why another prosecutor? What about the defense attorneys and so forth? I think it is a tribute to Mr. Trader as an individual, to Mr. Trader's experience and background, that we did have a unanimous support in testimony. There was not anyone who testified in opposition or even raised a question. And more importantly, the defense attorneys, who are on the other side with him, came and they supported him enthusiastically saying, 'The number one word about Rom Trader is his fairness.' His abilities, his experiences are well known but it was his fairness. And we did check with his wife about his temperament, and she said he's got a good temper, so that was good, too.

"We were a little reluctant though, at the end when we had to take a vote. We almost held him back because he has done so much for this office in the prosecuting attorney, in that department, particularly for domestic violence and for those issues which very few people stand up and volunteer for. And he has been a leader in this community in protecting women and children, and taking some of the most horrendous cases. He is going to be a very difficult person indeed to have his shoes filled, but we are buoyed by the knowledge that he is going to be an outstanding judge. And so we lend our support, and we're very, very happy to endorse Mr. Rom Trader. Thank you, Madam President."

The motion was then put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Hee).

At this time, Senator Taniguchi introduced Judge Trader and his family to the members of the Senate.

At 12:04 p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:11 p.m.

At this time the Chair made the following announcements:

"The deadline to submit bills to the Clerk's office for introduction is 6:00 p.m. tonight. Please remember that after today, bill limits will be in effect for the duration of the bill introduction period. You may file up to five bills each on Monday, Tuesday, and Wednesday of next week.

"The Senate session on Monday, January 26th will convene at 9:00 a.m., after which we will meet in joint session with the House to receive the Governor's State of the State address at 10:00 a.m. in the House Chamber.

"Referrals are made in accordance with the referrals that will be listed on a supplemental Order of the Day and distributed to your offices later today."
