"Your Committee on Judiciary and Government Operations heard from Judge Recktenwald and we are convinced that he will serve well in his capacity as an Associate Justice. Testimony received was overwhelmingly in support, including testimony from the Attorney General and the Prosecuting Attorney for the City and County of Honolulu. We also received information from the Hawai'i State Bar Association that Judge Recktenwald is qualified to serve as an Associate Justice. For these reasons, I am asking my colleagues to support the consent of Judge Mark Recktenwald as an Associate Justice of the Supreme Court. Thank you."

Senator Slom rose to speak in support of the measure as follows:

"You know, you can read a lot of things or you can review committee reports about an individual, but it really doesn't tell you about that individual. We had people that came to testify in behalf of Mark Recktenwald that told us about his fairness, about his leadership, about his concern for his family and other people's families as well. We had people from the Public Defender's side of the bar come and talk about how fair he was and how respectful he was to every individual. You know, some of us who have watched Mark's career from the U.S. Attorney's Office to DCCA, right up the spectrum to the Intermediate Court of Appeals have not been surprised by his work ethic, by the accomplishments and by the dedication and loyalty of those that work with him or who have come in contact with him. In short, Mark Recktenwald is the real deal. He possesses all of the qualities that many of us would like to strive for and attain, but he's done it. And we're not surprised, Madam President, that he continues to move on and be recognized for all of those efforts. Our community, our state, and all of our people will be the better for having Mark Recktenwald on the State Supreme Court. Thank you."
