On motion by Senator Green, seconded by Senator English and carried, the report of the Committee was adopted and H.C.R. RE-REFERRAL OF A HOUSE CONCURRENT RESOLUTION

The Chair re-referred the following House concurrent resolution that was received:

H.C.R. No.: Re-referred to:

H.C.R. No. 10 Committee on Human Services

At this time, Senator Dela Cruz announced that architectural renderings and displays prepared by students in the University of Hawai'i's Doctor of Architecture program and AIA Honolulu members were on display in the Chamber level of the State Capitol for the public to enjoy. Senator Dela Cruz remarked that efficiently utilized state lands provide better recreational and educational facilities for the greater public good, and that the proposals on display could be launched in the districts represented by the members. Senator Dela Cruz offered the example of a hawker center in a community park: a food center comprised of a number of small stalls that sell fresh produce, drinks, and cooked food that would become a relic of the community by bolstering community resilience and creating platforms for open engagement with neighbors, friends, and families. Senator Dela Cruz noted that in one of the proposals, Pu'u O Hulu Community Park and Ala Wai Community Park would be used as pilot sites for these hawker centers, with facility functions including recreational, educational, and dining options, reinforcing the safety of the park and creating opportunities to diversify leisure activities. Senator Dela Cruz informed the members that the School of Architecture and its students were willing to work on design ideas for facilities in the senators' districts, and invited them to view the proposals on display.

Senator Gabbard rose to speak on a point of personal privilege as follows:

"I would like to announce the very auspicious occasion today of one of our colleague's birthday: It's his sixty-fifth birthday, and that would be Senator Les Ihara. Please give him a hand."
