Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1379 Ways and Means on S.C.R. No. 20

The purpose and intent of this measure is to grant legislative approval to sell the leased fee interest in 41-648 Inoaole Street, Waimanalo, Hawaii.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; Hawaii Housing Finance and Development Corporation; and one concerned individual.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that section 171-64.7, Hawaii Revised Statutes, requires the prior approval of the Legislature by concurrent resolution to sell or gift certain state lands in fee simple, and specifies information that must be included in the resolution and other prerequisites to the sale. Your Committee further finds that the sale of the leased fee interest in 41-648 Inoaole Street, Waimanalo, Hawaii, falls under section 171-64.7, Hawaii Revised Statutes, and that the Hawaii Housing Finance and Development Corporation has met all statutory prerequisites to request approval of the sale of the property.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 20 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1380 Ways and Means on S.C.R. No. 21

The purpose and intent of this measure is to grant legislative approval to sell the leased fee interest in 41-652 Inoaole Street, Waimanalo, Hawaii.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; and Hawaii Housing Finance and Development Corporation.

Your Committee finds that section 171-64.7, Hawaii Revised Statutes, requires the prior approval of the Legislature by concurrent resolution to sell or gift certain state lands in fee simple, and specifies information that must be included in the resolution and other prerequisites to the sale. Your Committee further finds that the sale of the leased fee interest in 41-652 Inoaole Street, Waimanalo, Hawaii, falls under section 171-64.7, Hawaii Revised Statutes, and that the Hawaii Housing Finance and Development Corporation has met all statutory prerequisites to request approval of the sale of the property.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 21 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1381 Ways and Means on S.C.R. No. 22

The purpose and intent of this measure is to grant legislative approval to sell the leased fee interest in 41-659 Inoaole Street, Waimanalo, Hawaii.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; Hawaii Housing Finance and Development Corporation; and one concerned individual.

Your Committee finds that section 171-64.7, Hawaii Revised Statutes, requires the prior approval of the Legislature by concurrent resolution to sell or gift certain state lands in fee simple, and specifies information that must be included in the resolution and other

prerequisites to the sale. Your Committee further finds that the sale of the leased fee interest in 41-659 Inoaole Street, Waimanalo, Hawaii, falls under section 171-64.7, Hawaii Revised Statutes, and that the Hawaii Housing Finance and Development Corporation has met all statutory prerequisites to request approval of the sale of the property.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 22 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1382 Ways and Means on S.C.R. No. 23

The purpose and intent of this measure is to grant legislative approval to sell the leased fee interest in 41-1362 Waikalua Street, Waimanalo, Hawaii.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; Hawaii Housing Finance and Development Corporation; and one individual.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that section 171-64.7, Hawaii Revised Statutes, requires the prior approval of the Legislature by concurrent resolution to sell or gift certain state lands in fee simple, and specifies information that must be included in the resolution and other prerequisites to the sale. Your Committee further finds that the sale of the leased fee interest in 41-1362 Waikalua Street, Waimanalo, Hawaii, falls under section 171-64.7, Hawaii Revised Statutes, and that the Hawaii Housing Finance and Development Corporation has met all statutory prerequisites to request approval of the sale of the property.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 23 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1383 Ways and Means on S.C.R. No. 24

The purpose and intent of this measure is to grant legislative approval to sell the leased fee interest in 95-029 Kuahelani Avenue, No. 128, Mililani, Hawaii.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism and the Hawaii Housing Finance and Development Corporation.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that section 171-64.7, Hawaii Revised Statutes, requires the prior approval of the Legislature by concurrent resolution to sell or gift certain state lands in fee simple, and specifies information that must be included in the resolution and other prerequisites to the sale. Your Committee further finds that the sale of the leased fee interest in 95-029 Kuahelani Avenue, No. 128, Mililani, Hawaii, falls under section 171-64.7, Hawaii Revised Statutes, and that the Hawaii Housing Finance and Development Corporation has met all statutory prerequisites to request approval of the sale of the property.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 24 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1384 Ways and Means on S.C.R. No. 25

The purpose and intent of this measure is to grant legislative approval to sell the leased fee interest in 94-946 Meheula Parkway, No. 264, Mililani, Hawaii.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; Hawaii Housing Finance and Development Corporation; and two individuals.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that section 171-64.7, Hawaii Revised Statutes, requires the prior approval of the Legislature by concurrent resolution to sell or gift certain state lands in fee simple, and specifies information that must be included in the resolution and other prerequisites to the sale. Your Committee further finds that the sale of the leased fee interest in 94-946 Meheula Parkway, No. 264, Mililani, Hawaii, falls under section 171-64.7, Hawaii Revised Statutes, and that the Hawaii Housing Finance and Development Corporation has met all statutory prerequisites to request approval of the sale of the property.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 25 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1385 Ways and Means on S.C.R. No. 26

The purpose and intent of this measure is to grant legislative approval to sell the leased fee interest in 94-946 Meheula Parkway, No. 363, Mililani, Hawaii.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; Hawaii Housing Finance and Development Corporation; and Big Palm Partners, LLC.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that section 171-64.7, Hawaii Revised Statutes, requires the prior approval of the Legislature by concurrent resolution to sell or gift certain state lands in fee simple, and specifies information that must be included in the resolution and other prerequisites to the sale. Your Committee further finds that the sale of the leased fee interest in 94-946 Meheula Parkway, No. 363, Mililani, Hawaii, falls under section 171-64.7, Hawaii Revised Statutes, and that the Hawaii Housing Finance and Development Corporation has met all statutory prerequisites to request approval of the sale of the property.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 26 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1386 Ways and Means on S.C.R. No. 27

The purpose and intent of this measure is to grant legislative approval to sell the leased fee interest in 94-950 Meheula Parkway, No. 367, Mililani, Hawaii.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; Hawaii Housing Finance and Development Corporation; and one individual.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that section 171-64.7, Hawaii Revised Statutes, requires the prior approval of the Legislature by concurrent resolution to sell or gift certain state lands in fee simple, and specifies information that must be included in the resolution and other prerequisites to the sale. Your Committee further finds that the sale of the leased fee interest in 94-950 Meheula Parkway, No. 367, Mililani, Hawaii, falls under section 171-64.7, Hawaii Revised Statutes, and that the Hawaii Housing Finance and Development Corporation has met all statutory prerequisites to request approval of the sale of the property.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 27 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Taniguchi).

SCRep. 1387 Ways and Means on S.C.R. No. 28

The purpose and intent of this measure is to grant legislative approval to sell the leased fee interest in 47-394 Keohapa Place, Kaneohe, Hawaii.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; and the Hawaii Housing Finance and Development Corporation.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that section 171-64.7, Hawaii Revised Statutes, requires the prior approval of the Legislature by concurrent resolution to sell or gift certain state lands in fee simple, and specifies information that must be included in the resolution and other prerequisites to the sale. Your Committee further finds that the sale of the leased fee interest in 47-394 Keohapa Place, Kaneohe, Hawaii, falls under section 171-64.7, Hawaii Revised Statutes, and that the Hawaii Housing Finance and Development Corporation has met all statutory prerequisites to request approval of the sale of the property.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 28 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Taniguchi).

SCRep. 1388 Ways and Means on S.C.R. No. 108

The purpose and intent of this measure is to request the Chief Election Officer to convene an automatic voter registration task force to determine, among other matters, the feasibility, cost savings, and cost impact of implementing an automatic voter registration system in Hawaii.

Your Committee received written comments in support of this measure from the Office of Elections, Common Cause Hawaii, Hawaii Alliance for Progressive Action, the League of Women Voters, and five individuals.

Your Committee finds that the registered voter turnout rate in Hawaii is low and that Hawaii currently ranks among the bottom of all states regarding the percentage of registered voters who turn out to vote. Your Committee further finds that the feasibility of establishing an automatic voter registration system, which may increase the registration rate and voter turnout, should be studied.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 108, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1389 Ways and Means on S.C.R. No. 141

The purpose and intent of this measure is to establish a task force under the State Foundation on Culture and the Arts to plan and coordinate the celebration of the one hundred fiftieth anniversary of the first arrival of Japanese emigrants to Hawaii.

Your Committee received written comments in support of this measure from two concerned individuals.

Your Committee finds that the first Japanese emigrants to Hawaii arrived on June 20, 1868. They numbered one hundred fifty-three men and women, and were recruited from Yokohama to work in the sugar cane fields as laborers.

Your Committee finds that the descendants of those initial arrivals and subsequent waves of emigrants from Japan as well as Okinawa have made Hawaii their home, contributing much to the diversity, economy, and history of Hawaii.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 141 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Inouye).

SCRep. 1390 Ways and Means on S.R. No. 63

The purpose and intent of this measure is to establish a task force under the State Foundation on Culture and the Arts to plan and coordinate the celebration of the one hundred fiftieth anniversary of the first arrival of Japanese emigrants to Hawaii.

Your Committee received written comments in support of this measure from one concerned individual.

Your Committee finds that the first Japanese emigrants to Hawaii arrived on June 20, 1868. They numbered one hundred fifty-three men and women, and were recruited from Yokohama to work in the sugar cane fields as laborers.

Your Committee finds that the descendants of those initial arrivals and subsequent waves of emigrants from Japan as well as Okinawa have made Hawaii their home, contributing much to the diversity, economy, and history of Hawaii.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 63 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Inouye).

SCRep. 1391 Ways and Means on S.C.R. No. 69

The purpose and intent of this measure is to request the Department of Agriculture and Department of Land and Natural Resources to identify the economic, environmental, and regulatory consequences of crop degradation caused by invasive and endangered species in Hawaii.

Your Committee received written comments in support of this measure from the Department of Agriculture, Kauai County Farm Bureau, Hawaii Farm Bureau, and three individuals.

Your Committee received written comments in opposition to this measure from the Conservation Council for Hawaii.

Your Committee received written comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that the substantial damage to Hawaii crops caused by invasive and endangered species is well-known. However, the extent of the damage does not appear to have been quantified. Your Committee further finds that identifying and quantifying the impacts of the damage to agriculture in Hawaii is necessary to facilitate a unified federal, state, and county approach to address the problems caused by invasive and endangered species.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 69, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1392 Ways and Means on S.C.R. No. 74

The purpose and intent of this measure is to authorize the issuance of an easement for state submerged lands.

Specifically, this measure authorizes the Board of Land and Natural Resources to issue a term, non-exclusive easement covering a portion of state submerged lands fronting property located in Lahaina, Maui, for the maintenance and repair of the existing concrete seawall, and for the use, repair, and maintenance of the existing improvements.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has identified portions of a seawall fronting the property identified as Tax Map Key: (2) 4-6-003: seaward of 007, Lahaina, Maui, as encroaching upon state submerged lands. Your Committee further finds that this measure expresses the requisite legislative approval so that an easement may be issued for use of those state submerged lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 74, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1393 Ways and Means on S.C.R. No. 96

The purpose and intent of this measure is to request the Department of Land and Natural Resources, in collaboration with the National Oceanic and Atmospheric Administration, to explore the possibility of using autonomous unmanned surface vessel technology to detect and clean up ocean debris before it reaches Hawaii's reefs and beaches.

Your Committee received written comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that the problem of ocean debris must be addressed. The detrimental effects of ocean debris, particularly debris that does not break down readily, are well-known.

Your Committee further finds that innovative solutions are needed to effectively protect the oceans, reefs, shores, and aquatic life from debris. Your Committee notes that a Kailua inventor has developed an autonomous unmanned surface vessel system that may be capable of cleaning up floating ocean debris. Your Committee finds that using this system to address the ocean debris problem is worthy of further study.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 96, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1394 Ways and Means on S.R. No. 40

The purpose and intent of this measure is to request the Department of Land and Natural Resources, in collaboration with the National Oceanic and Atmospheric Administration, to explore the possibility of using autonomous unmanned surface vessel technology to detect and clean up ocean debris before it reaches Hawaii's reefs and beaches.

Your Committee received written comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that the problem of ocean debris must be addressed. The detrimental effects of ocean debris, particularly debris that does not break down readily, are well-known.

Your Committee further finds that innovative solutions are needed to effectively protect the oceans, reefs, shores, and aquatic life from debris. Your Committee notes that a Kailua inventor has developed an autonomous unmanned surface vessel system that may be capable of cleaning up floating ocean debris. Your Committee finds that using this system to address the ocean debris problem is worthy of further study.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 40, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1395 Ways and Means on S.C.R. No. 46

The purpose and intent of this measure is to authorize the issuance of an easement for state submerged lands.

Specifically, this measure authorizes the Board of Land and Natural Resources to issue a term, non-exclusive easement covering a portion of state submerged lands located in Waimanalo, Koolaulupoko, Oahu, for the maintenance and repair of the existing pier, and for the use, repair, and maintenance of the existing improvements.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has identified a seawall pier located on property identified as Tax Map Key: (1) 4-1-001: seaward of 011, as encroaching upon state submerged lands. The current owner of the abutting property has worked with the Department of Land and Natural Resources to convert the existing pier revocable permit to a long-term easement, as the pier is located on state submerged lands. Your Committee further finds that this measure expresses the requisite legislative approval so that an easement may be issued for the use of those state submerged lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 46, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1396 Ways and Means on S.C.R. No. 120

The purpose and intent of this measure is to authorize the issuance of an easement for state submerged lands.

Specifically, this measure authorizes the Board of Land and Natural Resources to issue an amended term, non-exclusive easement covering a portion of state submerged lands fronting property located in Maunaloa, Honolulu, Oahu, for the maintenance and repair of the existing channel, concrete surge break or breakwater, seawall, step, and filled land, and for the use, repair, and maintenance of the existing improvements constructed thereon.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has identified portions of the channel, concrete surge break or breakwater, seawall, step, and filled land fronting the property identified as Tax Map Key: (1) 3-9-026: seaward of 044, 045, and 048, as encroaching upon state submerged lands. The current owner of the abutting property has previously obtained a long-term easement of a portion of the encroaching area and has worked with the Department of Land and Natural Resources to obtain a similar easement of the additional encroachment area that is also located on state submerged lands. Your Committee further finds that this measure expresses the requisite legislative approval so that an easement may be issued for the use of those state submerged lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 120, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1397 Ways and Means on S.C.R. No. 50

The purpose and intent of this measure is to authorize the issuance of an easement for state submerged lands.

Specifically, this measure authorizes the Board of Land and Natural Resources to issue a term, non-exclusive easement covering a portion of state submerged lands fronting property located in Waikiki, Honolulu, Oahu, for the maintenance and repair of the existing pier and seawall, and for the use, repair, and maintenance of the existing improvements.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has identified a pier and portions of a seawall fronting the property identified as Tax Map Key: (1) 3-6-001:036, as encroaching upon state submerged lands. The current owner of the abutting property has worked with the Department of Land and Natural Resources to convert the existing pier revocable permit to a long-term easement, as the pier and portions of the seawall are located on state submerged lands. Your Committee further finds that this measure expresses the requisite legislative approval so that an easement may be issued for the use of those state submerged lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 50, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1398 Ways and Means on S.C.R. No. 146

The purpose and intent of this measure is to request the University of Hawaii System to establish a student exchange program compact between the University of Hawaii System and the University of Northern Philippines College of Hospitality and Tourism Management and the Ilocos Sur Community College Tourism Management Program.

Your Committee received written comments in support of this measure from the University of Hawaii System.

Your Committee finds that the State of Hawaii and the Province of Ilocos Sur in the Philippines have had a long relationship. The first "sakadas," or plantation workers, from Ilocos Sur arrived in Hawaii on December 20, 1906. Since 1985, Hawaii has had a sister-state relationship with Ilocos Sur.

Your Committee also finds that a student exchange program compact between the University of Hawaii System and the University of Northern Philippines and the Ilocos Sur Community College will benefit students of those institutions and the sister-state relationship between Hawaii and Ilocos Sur. Consequently, your Committee supports this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 146, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1399 Ways and Means on S.R. No. 68

The purpose and intent of this measure is to request the University of Hawaii System to establish a student exchange program compact between the University of Hawaii System and the University of Northern Philippines College of Hospitality and Tourism Management and the Ilocos Sur Community College Tourism Management Program.

Your Committee received written comments in support of this measure from the University of Hawaii System.

Your Committee finds that the State of Hawaii and the Province of Ilocos Sur in the Philippines have had a long relationship. The first "sakadas," or plantation workers, from Ilocos Sur arrived in Hawaii on December 20, 1906. Since 1985, Hawaii has had a sister-state relationship with Ilocos Sur.

Your Committee also finds that a student exchange program compact between the University of Hawaii System and the University of Northern Philippines and the Ilocos Sur Community College will benefit students of those institutions and the sister-state relationship between Hawaii and Ilocos Sur. Consequently, your Committee supports this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 68, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1400 Ways and Means on S.C.R. No. 41

The purpose and intent of this measure is to authorize the issuance of an easement for state submerged lands.

Specifically, this measure authorizes the Board of Land and Natural Resources to issue a term, non-exclusive easement covering a portion of state submerged lands fronting property located in Waiohuli-Keokea (Kihei), Wailuku, Maui, for the maintenance and repair of the existing seawall.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has identified portions of a seawall fronting the property identified as Tax Map Key: (2) 3-9-11:7, as encroaching upon state submerged lands. The previous and current owners of the abutting property have worked with the Department of Land and Natural Resources to obtain a long-term easement, as the seawall is located on state submerged lands. Your Committee further finds that this measure expresses the requisite legislative approval so that an easement may be issued for the use of those state submerged lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 41 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1401 Ways and Means on S.C.R. No. 47

The purpose and intent of this measure is to authorize the amendment of an easement for state submerged lands.

Specifically, this measure authorizes the Board of Land and Natural Resources to amend a term, non-exclusive easement covering a portion of state submerged lands fronting property located in Kailua, Koolaupoko, Oahu, for the maintenance and repair of the existing seawall and boat ramp, and for the use, repair, and maintenance of the existing improvements.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has identified portions of a seawall and boat ramp fronting the property identified as Tax Map Key: (1) 4-3-005: seaward of 094, as encroaching upon state submerged lands. The current owner of the abutting property has worked with the Department of Land and Natural Resources to amend the existing easement to include an additional encroachment area, as a subsequent survey showed that the shoreline boundary to be further mauka. Your Committee further finds that this measure expresses the requisite legislative approval so that an easement may be issued for the use of those state submerged lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 47 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, 4 (English, Kahele, Shimabukuro, Taniguchi).

SCRep. 1402 Ways and Means on S.C.R. No. 140

The purpose and intent of this measure is to urge the Board of Education to restrict any person from applying for the position of Superintendent of Education if that person was a member of the Board of Education while the search and hiring process was developed or initiated.

Your Committee finds that the Superintendent of Education is an officer of paramount importance for public education in Hawaii. To maintain public confidence in the new Superintendent, the appointment process must be impartial and fair, both in actuality and in perception, for all candidates for the office. For this reason, your Committee supports this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 140 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1403 Ways and Means on S.R. No. 61

The purpose and intent of this measure is to urge the Board of Education to restrict any person from applying for the position of Superintendent of Education if that person was a member of the Board of Education while the search and hiring process was developed or initiated.

Your Committee finds that the Superintendent of Education is an officer of paramount importance for public education in Hawaii. To maintain public confidence in the new Superintendent, the appointment process must be impartial and fair, both in actuality and in perception, for all candidates for the office. For this reason, your Committee supports this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 61 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1404 Ways and Means on S.C.R. No. 129

The purpose and intent of this measure is to request the Department of Business, Economic Development, and Tourism to enter into an agreement with certain agencies to develop a master plan for the Hilo International Aerospace and Technology Park.

Your Committee received written comments in support of this measure from one concerned individual.

Your Committee received written comments on this measure from the Department of Business, Economic Development, and Tourism; and High Technology Development Corporation.

Your Committee finds that the Hilo area is appropriate for the development and operation of an international park for aerospace and technology activities. Your Committee further finds that the Department of Business, Economic Development, and Tourism is the appropriate agency to lead the collaborative effort to develop a master plan for the park. Your Committee emphasizes that the Department should be aware that the cost of the park must be affordable to the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 129 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1405 Ways and Means on S.R. No. 53

The purpose and intent of this measure is to request the Department of Business, Economic Development, and Tourism to enter into an agreement with certain agencies to develop a master plan for the Hilo International Aerospace and Technology Park.

Your Committee received written comments in support of this measure from one concerned individual.

Your Committee received written comments on this measure from the Department of Business, Economic Development, and Tourism; and High Technology Development Corporation.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1406 Ways and Means on S.C.R. No. 93

The purpose and intent of this measure is to request the Department of Taxation to upgrade and modernize its communication system.

Your Committee received written comments on this measure from the Department of Taxation.

Your Committee understands that taxpayers have had difficulty reaching the Department of Taxation's employees by telephone. Not only has the situation led to frustration and inconvenience among affected taxpayers, but frontline department employees also face increasing pressure. Your Committee finds that this situation should be rectified.

Your Committee also finds that the communication problem may be the result of the Department of Taxation's inattention to the business side of the tax system modernization project. Your Committee requests the Department to pay more attention to frontline employees who, along with taxpayers, should be regarded as the primary stakeholders in the tax system modernization project.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 93 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1407 Ways and Means on S.R. No. 37

The purpose and intent of this measure is to request the Department of Taxation to upgrade and modernize its communication system.

Your Committee received written comments on this measure from the Department of Taxation.

Your Committee understands that taxpayers have had difficulty reaching the Department of Taxation's employees by telephone. Not only has the situation led to frustration and inconvenience among affected taxpayers, but frontline department employees also face increasing pressure. Your Committee finds that this situation should be rectified.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1408 Ways and Means on S.C.R. No. 171

The purpose and intent of this measure is to request the Department of Education to develop and establish a live, learn, work, and play program in Department schools throughout the State.

The basic purpose of the program is to more closely align workforce readiness education in the public schools with potential future jobs.

Your Committee received written comments in support of this measure from the Department of Education, Hawaii Youth Services Network, Hawaii State Teachers Association, and two concerned individuals.

Your Committee believes that the economy of the future will depend upon a workforce with a variety of skills, educational attainment, knowledge bases, and qualifications. Employees with both academic and vocational qualifications will be necessary. Your Committee finds that the methods proposed under this measure to more closely align public education with workforce readiness deserve consideration by the Department of Education.

Your Committee requests that the Department of Education evaluate the resources necessary for implementation of this program.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 171 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1409 Ways and Means on S.R. No. 85

The purpose and intent of this measure is to request the Department of Education to develop and establish a live, learn, work, and play program in Department schools throughout the State.

The basic purpose of the program is to more closely align workforce readiness education in the public schools with potential future jobs.

Your Committee received written comments in support of this measure from the Hawaii Youth Services Network, Hawaii State Teachers Association, and one concerned individual.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1410 Ways and Means on S.C.R. No. 167

The purpose and intent of this measure is to urge the Department of Education to establish a vocational education out-of-school program for the State's public and charter school students in grades nine through twelve.

Your Committee received written comments in support of this measure from Hawaii Youth Services Network and the Hawaii State Teachers Association.

Your Committee received written comments on this measure from the Department of Education.

Your Committee finds that a vocational education out-of-school program for students in grades nine through twelve will help to address two general issues:

- (1) The need for after-school supervision and structure for students of working parents; and
- (2) The need in the future for more workers with vocational skills.

For these reasons, your Committee finds that the establishment of a vocational education out-of-school program is worthy of further consideration.

Your Committee requests that the Department of Education evaluate the resources necessary for implementation of the request made by this measure and provide this information to the subsequent committee that considers this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 167 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1411 Ways and Means on S.R. No. 81

The purpose and intent of this measure is to urge the Department of Education to establish a vocational education out-of-school program for the State's public and charter school students in grades nine through twelve.

Your Committee received written comments in support of this measure from Hawaii Youth Services Network and the Hawaii State Teachers Association.

Your Committee finds that a vocational education out-of-school program for students in grades nine through twelve will help to address two general issues:

- (1) The need for after-school supervision and structure for students of working parents; and
- (2) The need in the future for more workers with vocational skills.

For these reasons, your Committee finds that the establishment of a vocational education out-of-school program is worthy of further consideration.

Your Committee requests the Department of Education, in its consideration of the request made by this measure, to evaluate the resources necessary for implementation.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 81 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1412 Ways and Means on S.C.R. No. 168

The purpose and intent of this measure is to request the Department of Education to develop and implement a computer science curricula plan statewide for all students from kindergarten through twelfth grade.

Your Committee received written comments in support of this measure from the Department of Education, Microsoft Corporation, Code.org, and Women in Technology (Maui Economic Development Board).

Your Committee received written comments on this measure from the University of Hawaii System.

Your Committee is well aware of the need for skilled information technology employees in this State. In recent years, your Committee has received numerous budget requests from state departments for appropriations to fund information technology positions. Based upon the information supporting those requests, your Committee believes that information technology employees in both the public and private sectors, along with information technology consultants, are well compensated. Your Committee further believes that the information technology field will continue to offer well-compensated jobs and other opportunities in the future for public school graduates.

Your Committee requests the Department of Education to evaluate the resources necessary to effectuate the intent of this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 168 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1413 Ways and Means on S.R. No. 82

The purpose and intent of this measure is to request the Department of Education to develop and implement a computer science curricula plan statewide for all students from kindergarten through twelfth grade.

Your Committee received written comments in support of this measure from the Microsoft Corporation, Code.org, Women in Technology (Maui Economic Development Board), and two individuals.

Your Committee received written comments on this measure from the University of Hawaii System.

Your Committee is well aware of the need for skilled information technology employees in this State. Your Committee further believes that the information technology field will continue to offer well-compensated jobs and other opportunities in the future for public school graduates.

Your Committee requests the Department of Education to evaluate the resources necessary to effectuate the intent of this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 82 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1414 Commerce, Consumer Protection, and Health on S.C.R. No. 157

The purpose and intent of this measure is to request that the Department of Health collaborate with the Department of Education, Hawaii Association of Independent Schools, and University of Hawaii to promote awareness of meningococcal disease and the availability of vaccines to prevent the disease.

Your Committee received testimony in support of this measure from the Department of Education. Your Committee received comments on this measure from the Department of Health.

Your Committee finds that between 800 and 1,500 individuals fall ill from meningococcal disease each year, with infants under one year of age and young adults between the ages of 16 and 23 most commonly impacted by the disease. Your Committee further finds that despite receiving available treatment, many individuals who fall ill from meningococcal disease suffer serious and long-lasting health impairments up to and including death.

Your Committee additionally finds that vaccination provides extremely effective protection from meningococcal disease, and that vaccination information and comprehensive information about the disease are valuable to students and other individuals at increased risk of exposure to meningococcal disease. Your Committee received testimony from the Department of Health indicating that public education efforts should include information on all vaccinations recommended for adolescents, rather than focusing solely on vaccinations for meningococcal disease. The Department of Health's testimony notes that the Advisory Committee on Immunization Practices recommends that children between the ages of 11 and 12 receive an annual influenza vaccine as well as vaccines for human papillomavirus and tetanus, diphtheria, and acellular pertussis.

Accordingly, your Committee has amended this measure by:

- (1) Inserting language to request that the Department of Health's public education materials provide information on all vaccinations recommended for adolescents, rather than solely information on meningococcal disease vaccinations;
- (2) Amending the title accordingly; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 157, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 157, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Ihara, Kidani).

SCRep. 1415 (Joint) Judiciary and Labor and Commerce, Consumer Protection, and Health on S.C.R. No. 80

The purpose and intent of this measure is to urge the Department of Labor and Industrial Relations to prepare a checklist for employers wishing to offer a high deductible health plan for use with a health savings account to facilitate the submission and approval of high deductible health plan and health savings account packages submitted to the Director of Labor and Industrial Relations for approval.

Your Committees received testimony in support of this measure from Alexander & Baldwin, Inc.; Chamber of Commerce Hawaii; and University Health Alliance. Your Committees received testimony in opposition to this measure from the International Longshore and Warehouse Union, Local 142. Your Committees received comments on this measure from the Department of Labor and Industrial Relations.

Your Committees find that employers offering high deductible health plans to their employees enable their employees to receive favorable federal and state tax benefits when they open a health savings account. Pursuant to existing law, an employer subject to the Hawaii Prepaid Health Care Act is required to receive approval from the Director of Labor and Industrial Relations in order to offer its employees a healthcare option, such as a high deductible health plan in tandem with a health savings account, in addition to coverage under a prepaid health care plan. To receive approval of a package containing a high deductible health plan in tandem with a health savings account, the employer must make a certain level of contribution to the health savings account and a certain level of contribution to the cost of the coverage of dependents under the package. By urging the Department of Labor and Industrial Relations to prepare a checklist for employers wishing to offer a high deductible health plan for use with a health savings account, this measure will streamline the process through which employers may obtain approval for these packages to offer to their employees.

Your Committees have amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Commerce, Consumer Protection, and Health that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 80, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 80, S.D. 1.

Signed by the Chairs on behalf of the Committees.
Judiciary and Labor: Ayes, 4. Noes, none. Excused, 1 (Gabbard).
Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1416 Judiciary and Labor on S.C.R. No. 126

The purpose and intent of this measure is to:

- (1) Request the Judiciary to convene a criminal pretrial task force to examine and make recommendations regarding criminal pretrial practices and procedures to maximize public safety, court appearances, and pretrial release; and

- (2) Request the criminal pretrial task force, with the assistance of the Legislative Reference Bureau, to submit a report of its findings and recommendations, including any proposed legislation, to the Legislature prior to the convening of the Regular Session of 2019.

Your Committee received testimony in support of this measure from the Judiciary, Department of Public Safety, and Community Alliance on Prisons. Your Committee received comments on this measure from the Legislative Reference Bureau.

Your Committee finds that in recent years, a growing number of states and localities have reconsidered criminal pretrial release practices and have undergone reforms to increase public safety, court appearances, and pretrial release. By requesting the Judiciary to convene a criminal pretrial task force, this measure will assist in developing proper pretrial release procedures to allow officials to assess flight and danger risks; provide guidance for the proper supervision for different types or levels of risk; and help the State combat the overcrowding in its correctional facilities.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 126, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1417 Judiciary and Labor on S.C.R. No. 131

The purpose and intent of this measure is to urge the Governor, Attorney General, mayors of each county, and various state and county leaders to uphold the constitutions of the United States and Hawaii to preserve and protect civil rights and ensure the safety of immigrants in the State.

Your Committee received testimony in support of this measure from Planned Parenthood Votes Northwest and Hawaii, Rally for Common Ground, and thirteen individuals.

Your Committee finds that protecting and preserving the civil rights of all members of the community are essential to promoting and protecting the public welfare. The guarantees of certain civil rights are enshrined in the federal and state constitutions. Recent actions and statements emanating from the executive branch of the federal government have created uncertainty in the protection of certain individual civil rights, particularly as those protections pertain to immigrant communities. Immigrant communities, especially in this State, make vital social, cultural, and economic contributions to our society. It is therefore critical that government ensures that the rights of immigrants are not illegally infringed upon. To ensure the protection of all citizens' civil rights, and particularly those of immigrants, state and county agencies, and law enforcement officers are urged to uphold the federal and state constitutions and to resist any illegal actions that the federal government might take that would threaten the constitutionally protected rights of all citizens, including immigrants.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 131 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1418 Judiciary and Labor on S.C.R. No. 163

The purpose and intent of this measure is to:

- (1) Request the Auditor to conduct a performance audit of the Vocational Rehabilitation Unit of the Disability Compensation Division of the Department of Labor and Industrial Relations for the calendar years of 2015 and 2016;
- (2) Specify certain areas that are requested to be assessed by the Auditor and included in the performance audit; and
- (3) Request the Auditor to submit a report of any findings and recommendations, including any proposed legislation, to the Legislature prior to the convening of the Regular Session of 2018.

Your Committee did not receive any written testimony on this measure.

Prior to the hearing on this measure, your Committee posted and made available for public review a proposed S.D. 1, which amends this measure by deleting its contents and inserting language that:

- (1) Requests the Judiciary, in cooperation with the police department of each county and prosecutor of each county, to annually compile and report on statistics regarding arrests, charges, and convictions or other dispositions based on the offense of abuse of a family or household member;
- (2) Specifies the types of information and data that the Judiciary is requested to:
 - (A) Obtain from the police department of each county and prosecutor of each county; and
 - (B) Compile and gather for the annual statistical report regarding arrests, charges, and convictions or other dispositions based on the offense of abuse of a family or household member; and
- (3) Requests the Judiciary to submit a written report of its findings and recommendations, including any proposed legislation, to the Legislature prior to the convening of the Regular Sessions of 2018, 2019, and 2020.

Your Committee received testimony in support of the proposed S.D. 1 from the Domestic Violence Action Center, Hawaii State Coalition Against Domestic Violence, and six individuals. Your Committee received testimony in opposition to the proposed S.D. 1 from the Department of the Prosecuting Attorney, County of Maui and Department of the Prosecuting Attorney, City and County of Honolulu. Your Committee received comments on the proposed S.D. 1 from the Judiciary.

Your Committee finds that domestic violence is a serious social issue in Hawaii. Despite a number of state laws that protect victims of domestic violence, aim to prevent future incidents of domestic violence, and penalize and provide assistance to domestic violence offenders, the rates of domestic violence occurring in Hawaii have not decreased. Of greater concern is the number of domestic violence incidents committed by repeat domestic violence offenders. Advocates for stronger domestic violence laws contend that part of the problem is that existing law is being circumvented, resulting in a lack of any real consequences on domestic violence offenders, and consequently, no change in their behavior. By requesting the Judiciary to provide specific data and information on how arrests, charges, and convictions or other dispositions based on or related to the offense of abuse of a family or household member are currently handled by the police, county prosecutors, and courts, this proposed S.D. 1 will assist in the establishment and implementation of more tailored laws that prevent domestic violence.

Your Committee has amended this measure by adopting the proposed S.D. 1 and further amending the measure by:

- (1) Making a technical amendment to its title; and
- (2) Making other technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 163, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 163, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1419 Ways and Means on S.R. No. 26

The purpose and intent of this measure is to request the Department of Agriculture and Department of Land and Natural Resources to identify the economic, environmental, and regulatory consequences of crop degradation caused by invasive and endangered species in Hawaii.

Your Committee received written comments in support of this measure from the Department of Agriculture and Hawaii County Farm Bureau.

Your Committee received written comments in opposition to this measure from the Conservation Council for Hawaii.

Your Committee received written comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that the substantial damage to Hawaii crops caused by invasive and endangered species is well-known. However, the extent of the damage does not appear to have been quantified. Your Committee further finds that identifying and quantifying the impacts of the damage to agriculture in Hawaii is necessary to facilitate a unified federal, state, and county approach to address the problems caused by invasive and endangered species.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 26, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1420 (Joint) Judiciary and Labor and Ways and Means on S.C.R. No. 82

The purpose and intent of this measure is to request that the task force established pursuant to H.C.R. No. 85, H.D. 2, S.D. 1, Regular Session of 2016, submit a report to the Legislature prior to the convening of the Regular Session of 2018 regarding the current status, staffing, resources, curriculum, and levels of staff participation at the Department of Public Safety training academy.

Your Committees received testimony in support of this measure from the Department of Public Safety.

Your Committees find that maintaining a properly trained public safety workforce is vital to protecting the public's health, safety, and well-being. Currently, the Department of Public Safety, which employs approximately two thousand five hundred individuals, operates its Training and Staff Development Branch as its training academy and complies with applicable staff training provisions of contracts negotiated through collective bargaining. This measure will ensure that the Legislature is informed of the current status, staffing, resources, curriculum, and levels of staff participation at the training academy.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 82, S.D. 1, and recommend its adoption.

Signed by the Chairs on behalf of the Committees.
Judiciary and Labor: Ayes, 4. Noes, none. Excused, 1 (Kim).
Ways and Means: Ayes, 7. Noes, none. Excused, 4 (Kahele, Riviere, Taniguchi, Wakai).

SCRep. 1421 (Joint) Judiciary and Labor and Ways and Means on S.C.R. No. 94

The purpose and intent of this measure is to:

- (1) Request the Department of the Attorney General to establish a working group to study forensic laboratories in the State and analyze specific issues; and
- (2) Request the working group to provide an interim report and final report of its findings, recommendations, and proposed legislation, through the Attorney General, to the Legislature prior to the convening of the Regular Sessions of 2018 and 2019, respectively.

Your Committees received testimony in support of this measure from the Department of Transportation. Your Committees received comments on this measure from the Department of the Attorney General and Police Department, City and County of Honolulu.

Your Committees find that supporting the development and expanded use of forensic science by law enforcement is important for protecting the public safety and welfare. Currently, the Honolulu Police Department has the only full-service forensic laboratory in the State, with limited facilities located at other law enforcement agencies. This measure promotes greater public safety by examining ways in which the use of forensic science may be expanded to these other law enforcement agencies in the State.

Your Committees have amended this measure by:

- (1) Adding to the working group one representative of the private criminal defense bar;
- (2) Specifying the chair of the Senate standing committee with primary subject matter jurisdiction over public safety and the chair of the House of Representatives standing committee with primary subject matter jurisdiction over public safety, rather than state legislators, as members of the working group; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 94, S.D. 1, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 94, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 4. Noes, none. Excused, 1 (Kim).

Ways and Means: Ayes, 9. Noes, none. Excused, 2 (Kahele, Taniguchi).

SCRep. 1422 (Joint) Judiciary and Labor and Ways and Means on S.C.R. No. 100

The purpose and intent of this measure is to:

- (1) Urge law enforcement agencies to follow the guidelines developed by the Malama Kakou Project for the testing of sexual assault evidence collection kits;
- (2) Request the appropriate law enforcement agencies to submit a request for testing of sexual assault evidence collection kits that meet the testing guidelines to a laboratory for testing within ninety days after receipt of the kits and follow-up with that laboratory within ninety days of the request; and
- (3) Request an annual report from the Department of the Attorney General on the testing of sexual assault evidence collection kits in the State.

Your Committees received testimony in support of this measure from the Community Alliance on Prisons, Hawaii Women's Coalition, and two individuals. Your Committees received comments on this measure from the Police Department, City and County of Honolulu.

Your Committees find that reducing the incidence of sexual assault and ensuring the rights of sexual assault victims are vital to ensuring public health and safety. A 2016 inventory of all four county police departments showed that barely ten percent of all sexual assault evidence collection kits collected in the State since 1992 had been tested. In response, the Legislature passed Act 207, Session Laws of Hawaii 2016, to establish a working group to develop statewide standards and practices for the testing of sexual assault evidence collection kits. This working group developed the Malama Kakou Project, a state plan to reform the testing of sexual assault evidence collection kits. The Malama Kakou Project established guidelines to determine whether a kit should be tested, a priority order for kits that are to be tested, and a process for police departments to follow in implementing the defined criteria and priorities. This measure urges all law enforcement agencies in the State charged with collecting sexual assault evidence collection kits to follow the guidelines developed by the Malama Kakou Project in order to greatly enhance the process for testing sexual assault evidence collection kits.

Your Committees have amended this measure by:

- (1) Clarifying that in its annual report to the President of the Senate and the Speaker of the House of Representatives, the Department of the Attorney General is requested to provide the total number of sexual assault evidence collection kits collected by other members of the working group established pursuant to Act 207, Session Laws of Hawaii 2016, to reflect that these kits are collected by other parties; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 100, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 100, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 9. Noes, none. Excused, 2 (Kahele, Taniguchi).

SCRep. 1423 (Joint) Judiciary and Labor and Ways and Means on S.R. No. 44

The purpose and intent of this measure is to:

- (1) Urge law enforcement agencies to follow the guidelines developed by the Malama Kakou Project for the testing of sexual assault evidence collection kits;

- (2) Request the appropriate law enforcement agencies to submit a request for testing of sexual assault evidence collection kits that meet the testing guidelines to a laboratory for testing within ninety days after receipt of the kits and follow-up with that laboratory within ninety days of the request; and
- (3) Request an annual report from the Department of the Attorney General on the testing of sexual assault evidence collection kits in the State.

Your Committees received testimony in support of this measure from the Community Alliance on Prisons, Hawaii Women's Coalition, and two individuals. Your Committees received comments on this measure from the Police Department, City and County of Honolulu.

Your Committees find that reducing the incidence of sexual assault and ensuring the rights of sexual assault victims are vital to ensuring public health and safety. A 2016 inventory of all four county police departments showed that barely ten percent of all sexual assault evidence collection kits collected in the State since 1992 had been tested. In response, the Legislature passed Act 207, Session Laws of Hawaii 2016, to establish a working group to develop statewide standards and practices for the testing of sexual assault evidence collection kits. This working group developed the Malama Kakou Project, a state plan to reform the testing of sexual assault evidence collection kits. The Malama Kakou Project established guidelines to determine whether a kit should be tested, a priority order for kits that are to be tested, and a process for police departments to follow in implementing the defined criteria and priorities. This measure urges all law enforcement agencies in the State charged with collecting sexual assault evidence collection kits to follow the guidelines developed by the Malama Kakou Project in order to greatly enhance the process for testing sexual assault evidence collection kits.

Your Committees have amended this measure by:

- (1) Clarifying that in its annual report to the President of the Senate and the Speaker of the House of Representatives, the Department of the Attorney General is requested to provide the total number of sexual assault evidence collection kits collected by other members of the working group established pursuant to Act 207, Session Laws of Hawaii 2016, to reflect that these kits are collected by other parties; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 44, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 44, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 9. Noes, none. Excused, 2 (Kahele, Taniguchi).

SCRep. 1424 (Joint) Judiciary and Labor and Ways and Means on S.C.R. No. 117

The purpose and intent of this measure is to encourage the continuation and expansion of community-based work furlough programs to help female inmates transition back into society.

Your Committees received testimony in support of this measure from the Department of Public Safety, Office of Hawaiian Affairs, Community Alliance on Prisons, Hawaii Women's Coalition, and seven individuals.

Your Committees find that supporting the expanded use of alternatives to incarceration is essential for promoting public welfare and reforming the State's correctional system. The expanded use of alternatives to incarceration is particularly important for the State's population of female inmates. The majority of female inmates are nonviolent offenders who do not pose a threat to the community, are mothers whose incarceration threatens the integrity of the family unit, or are re-incarcerated if they do not receive proper support during their transition back into society.

Your Committees further find that community-based work furlough programs can be an effective means of transitioning inmates back into society, help reduce incarceration costs, reduce recidivism, and create safer communities. This measure helps community-based work furlough programs continue to help female inmates transition back into society and expand program services to more female inmates.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 117 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 9. Noes, none. Excused, 2 (Kahele, Taniguchi).

SCRep. 1425 (Joint) Judiciary and Labor and Ways and Means on S.C.R. No. 130

The purpose and intent of this measure is to urge the State Sheriff to create a working group to develop a course of action and possible operations that could be established and deployed to combat the drug epidemic in the State, and discuss cross jurisdictional issues, if any, among federal, state, and county law enforcement agencies.

Your Committees received comments on this measure from the Department of Public Safety.

Your Committees find that abuse of illicit drugs is an epidemic that threatens the health, safety, and welfare of the people in Hawaii. This measure helps the State explore all reasonable options in combatting illicit drug abuse across the State.

Your Committees have amended this measure by:

- (1) Clarifying that the Department of Public Safety and Department of Transportation jointly, rather than the State Sheriff, convene the working group;
- (2) Adding a representative from the Department of Public Safety to the working group;
- (3) Amending its title to reflect its amended purpose; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 130, S.D. 1, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 130, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 9. Noes, none. Excused, 2 (Kahele, Taniguchi).

SCRep. 1426 Ways and Means on S.C.R. No. 53

The purpose and intent of this measure is to request the Legislative Reference Bureau to conduct a study on the per-pupil funding system to determine whether the system fulfills its statutory purpose of equalizing operational funding among public schools. This measure also requests the stakeholders in the per-pupil funding issues to provide information and assistance to the Legislative Reference Bureau.

Your Committee received written comments in support of this measure from the Hawaii State Public Charter School Commission, the Office of Hawaiian Affairs, the Hawaii Public Charter Schools Network, the Hawaii State Teachers Association, Kamehameha Schools, and one individual.

Your Committee received written comments on this measure from the Department of Education and the Legislative Reference Bureau.

Your Committee finds that the issue of per-pupil funding for state charter schools is one of long-standing controversy. Your Committee hopes that the findings and recommendations of the Legislative Reference Bureau, an objective party, will contribute towards identifying solutions to the problems with the per-pupil funding formula.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 53 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1427 Ways and Means on S.C.R. No. 109

The purpose and intent of this measure is to request the Department of Labor and Industrial Relations to prepare a proposal that delineates how it will increase the reimbursement rate to providers of services for workers' compensation claimants.

Your Committee received written comments in support of this measure from the International Longshore and Warehouse Union Local 142, Hawaii Chapter of the American Physical Therapy Association, two individuals, and a petition signed by seventy-five individuals.

The Department of Labor and Industrial Relations submitted written comments on the measure.

Your Committee understands that the Department of Labor and Industrial Relations is currently engaged in efforts to update the Workers' Compensation Supplemental Medical Fee Schedule effective January 1, 2018. Your Committee finds that this measure is complementary to the Department's ongoing effort.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 109, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1428 Ways and Means on S.C.R. No. 79

The purpose and intent of this measure is to authorize the issuance of a fifty-five year term, non-exclusive easement covering a portion of state submerged lands for seawall repairs.

More specifically, this measure authorizes the issuance of a fifty-five year term, non-exclusive easement covering a portion of state submerged lands fronting the property identified as Tax Map Key: (4) 4-3-009, seaward of 001, Waipouli, Kawaihau, Kauai, for the maintenance and repair of the existing seawall, and for the use, repair, and maintenance of the existing improvements constructed thereon.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that the Board of Land and Natural Resources approved a grant of a fifty-five year, non-exclusive easement for the maintenance and repair of the existing seawall fronting the property identified in this measure. Your Committee concludes that the easement is necessary for the maintenance and repair of the existing seawall, and for the use, repair, and maintenance of the existing improvements thereon.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 79, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1429 Ways and Means on S.C.R. No. 160

The purpose and intent of this measure is to request the University of Hawaii, in collaboration with the Department of Land and Natural Resources, to investigate techniques that can be used to eliminate mosquitoes from Hawaii, the estimated costs of establishing a statewide mosquito eradication program, and the expected environmental impacts of different mosquito eradication techniques.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, Hawaii Pest Control Association, and two concerned individuals.

Your Committee received written comments on this measure from the University of Hawaii System.

Mosquitoes are an alien species to Hawaii. They are vectors of diseases that pose significant risks to the public health and environment. Dengue fever and the zika virus are transmitted by mosquitoes, as is avian malaria, which has decimated the native bird population.

Thus, your Committee finds that mosquito eradication efforts should be explored. Accordingly, your Committee supports this measure.

Your Committee has amended this measure by making a technical nonsubstantive amendment for the purpose of clarity.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 160, S.D. 1, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 160, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1430 Ways and Means on S.C.R. No. 105

The purpose and intent of this measure is to request the Auditor to conduct a “sunrise analysis” of mandating health insurance coverage for medically necessary cognitive rehabilitation therapy for survivors of traumatic brain injury.

Your Committee received written comments in support of this measure from the Disability and Communication Access Board and the Hawaii Disability Rights Center.

Your Committee notes that Senate Bill No. 225, S.D. 1, proposes to mandate health insurance coverage for medically necessary cognitive rehabilitation therapy for survivors of traumatic brain injury.

Furthermore, section 23-52, Hawaii Revised Statutes, requires the Auditor to conduct a “sunrise analysis” of new benefits proposed to be mandated for health insurance coverage. If instructed by an adopted concurrent resolution, the Auditor is required to conduct the analysis on a specific legislative bill.

This measure is the concurrent resolution by which the Legislature requires the Auditor to conduct the “sunrise analysis” of the proposed cognitive therapy benefit proposed to be mandated under S.B. No. 225, S.D. 1.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 105, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1431 Ways and Means on S.C.R. No. 106

The purpose and intent of this measure is to request the MedQUEST Administrator to convene a working group to:

- (1) Evaluate the issue of complex patients who are waitlisted in hospitals because of medical or behavioral health issues; and
- (2) Consider solutions that include incentives or add-on payments to encourage the transfer of waitlisted patients out of hospitals and into more appropriate settings.

Your Committee received written comments in support of this measure from Hawaii Health Systems Corporation, Legacy of Life Hawaii, Healthcare Association of Hawaii, The Queen’s Health Systems, Kaiser Permanente, and AONE Hawaii.

Your Committee received written comments on this measure from the Department of Human Services.

Your Committee is aware of the problem of waitlisted patients with complex medical or behavioral conditions who remain in hospitals. Your Committee supports the convening of a working group to address the problem.

Your Committee requests that the working group, during its deliberations and in formulating its recommendations, be cognizant of the budgetary constraints of the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 106 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1432 Ways and Means on S.C.R. No. 132

The purpose and intent of this measure is to request the Auditor to conduct a comprehensive management audit of the Public Utilities Commission.

In addition, as part of the audit, this measure requests the Auditor to examine the role of the Division of Consumer Advocacy regarding proceedings before the Commission.

Your Committee received written comments in support of this measure from the Public Utilities Commission, Hawaii Government Employees Association, and one individual.

The Division of Consumer Advocacy of the Department of Commerce and Consumer Affairs and the Office of the Auditor submitted written comments on the measure.

Your Committee finds that this measure provides detailed reasons and justifications for a management audit of the Public Utilities Commission. Your Committee agrees with this measure's recitations, and consequently, acts favorably on this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 132, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1433 Ways and Means on S.C.R. No. 137

The purpose and intent of this measure is to request the Board of Education to consider requiring students in grades six, seven, and eight to take courses in physical education and health education.

Your Committee received written comments in support of this measure from the Hawaii Youth Services Network, American Heart Association, Hawaii Public Health Institute, and seventeen individuals.

Your Committee received written comments on this measure from the Department of Education and the Department of Health.

Your Committee finds that physical and health education provide many benefits to students. Direct benefits are the knowledge imparted through instruction and curricula. Research also suggests that students derive indirect benefits, such as increased concentration, improved scores in other subjects, and reduction in disruptive behavior. For these reasons, your Committee supports this measure.

When considering the requirement for physical and health education, your Committee also requests the Board of Education to evaluate the resources necessary for implementation.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 137 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1434 Ways and Means on S.R. No. 58

The purpose and intent of this measure is to request the Board of Education to consider requiring students in grades six, seven, and eight to take courses in physical education and health education.

Your Committee received written comments in support of this measure from the Hawaii Youth Services Network, American Heart Association, Hawaii Public Health Institute, and sixteen individuals.

Your Committee finds that physical and health education provide many benefits to students. Direct benefits are the knowledge imparted through instruction and curricula. Research also suggests that students derive indirect benefits, such as increased concentration, improved scores in other subjects, and reduction in disruptive behavior. For these reasons, your Committee supports this measure.

When considering the requirement for physical and health education, your Committee also requests the Board of Education to evaluate the resources necessary for implementation.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 58 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1435 Ways and Means on S.C.R. No. 138

The purpose and intent of this measure is to request the Department of Education and University of Hawaii System to develop programming and education supports for educational assistants and long-term substitute teachers to earn teaching degrees and become full-time certified teachers.

Your Committee received written comments in support of this measure from the Department of Education, Hawaii State Teachers Association, and two individuals.

The University of Hawaii submitted written comments on the measure.

Your Committee finds that Hawaii has been experiencing a teacher shortage over the last several years. Innovative strategies should be considered to remedy the problem. Your Committee finds that this measure proposes a program that may potentially increase the number of public school teachers in Hawaii.

Your Committee requests that the Department of Education and University of Hawaii, when considering whether to establish the program contemplated by this measure, evaluate the resources necessary for the program.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 138 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1436 Ways and Means on S.R. No. 59

The purpose and intent of this measure is to request the Department of Education and University of Hawaii System to develop programming and education supports for educational assistants and long-term substitute teachers to earn teaching degrees and become full-time certified teachers.

Your Committee received written comments in support of this measure from the Hawaii State Teachers Association.

The University of Hawaii submitted written comments on the measure.

Your Committee finds that Hawaii has been experiencing a teacher shortage over the last several years. Innovative strategies should be considered to remedy the problem. Your Committee finds that this measure proposes a program that may potentially increase the number of public school teachers in Hawaii.

Your Committee requests that the Department of Education and University of Hawaii, when considering whether to establish the program contemplated by this measure, evaluate the resources necessary for the program.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 59 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1437 Ways and Means on S.C.R. No. 169

The purpose and intent of this measure is to request the final report of the task force established pursuant to House Concurrent Resolution No. 85, H.D. 2, S.D. 1, of the Regular Session of 2016, to also identify sites of ten acres or less to reflect the concept that modern correctional facilities can be developed vertically.

Your Committee received written comments in support of this measure from the Launani Valley Community Association and one individual.

Your Committee received written comments on this measure from the Department of Public Safety, the Community Alliance on Prisons, and one individual.

Your Committee notes that the task force established pursuant to House Concurrent Resolution No. 85, H.D. 2, S.D. 1, is engaged in a study on effective incarceration policies to improve Hawaii's correctional system. In a briefing of legislative committees, the task force suggested that the current planning for a new correctional facility may be premature because the task force is considering options to significantly reduce the State's inmate population and create a more cost-effective system focusing on rehabilitation rather than punishment.

Thus, your Committee finds that the task force should be given the opportunity to identify potential correctional facility sites that are consistent with its inmate incarceration recommendations.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 169, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1438 Ways and Means on S.R. No. 83

The purpose and intent of this measure is to request the final report of the task force established pursuant to House Concurrent Resolution No. 85, H.D. 2, S.D. 1, of the Regular Session of 2016, to also identify sites of ten acres or less to reflect the concept that modern correctional facilities can be developed vertically.

Your Committee received written comments in support of this measure from the Launani Valley Community Association.

Your Committee received written comments on this measure from the Department of Public Safety.

Your Committee notes that the task force established pursuant to House Concurrent Resolution No. 85, H.D. 2, S.D. 1, is engaged in a study on effective incarceration policies to improve Hawaii's correctional system. In a briefing of legislative committees, the task force suggested that the current planning for a new correctional facility may be premature because the task force is considering options to significantly reduce the State's inmate population and create a more cost-effective system focusing on rehabilitation rather than punishment.

Thus, your Committee finds that the task force should be given the opportunity to identify potential correctional facility sites that are consistent with its inmate incarceration recommendations.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 83, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1439 Ways and Means on S.C.R. No. 170

The purpose and intent of this measure is to urge the Department of Business, Economic Development, and Tourism to create a plan to develop the West Oahu Creative Lab Media/Film Studio Complex and relocate the Hawaii Film Studio to the Complex.

This measure also urges the University of Hawaii Board of Regents to transfer at least thirty acres, but not more than fifty acres, to the High Technology Development Corporation upon the development of the plan.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism and the High Technology Development Corporation. Your Committee received comments on this measure from the University of Hawaii.

Your Committee finds that West Oahu is a feasible location for a West Oahu Creative Lab/Film Studio Complex. Your Committee further finds that the creation of a plan by the Department of Business, Economic Development, and Tourism before the Complex is established is a logical step.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 170, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1440 Ways and Means on S.R. No. 84

The purpose and intent of this measure is to urge the Department of Business, Economic Development, and Tourism to create a plan to develop the West Oahu Creative Lab Media/Film Studio Complex and relocate the Hawaii Film Studio to the Complex.

This measure also urges the University of Hawaii Board of Regents to transfer at least thirty acres, but not more than fifty acres, to the High Technology Development Corporation upon the development of the plan.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism and the High Technology Development Corporation. Your Committee received comments on this measure from the University of Hawaii.

Your Committee finds that West Oahu is a feasible location for a West Oahu Creative Lab/Film Studio Complex. Your Committee further finds that the creation of a plan by the Department of Business, Economic Development, and Tourism before the Complex is established is a logical step.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 84, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1441 Ways and Means on S.C.R. No. 88

The purpose and intent of this measure is to encourage the United States Army Corps of Engineers and the Department of Land and Natural Resources, along with other designated parties, to work collaboratively to research and develop a plan for increasing water circulation and improving water quality in Pokai Bay on Oahu's Leeward Coast to mitigate environmental and health risks caused by pollution and contaminants in the water.

Your Committee received written comments in support of this measure from the Waianae Coast Comprehensive Health Center and three individuals.

Your Committee received written comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that Pokai Bay usually appears to have crystal blue waters and white sands, making the location attractive to a variety of recreational water users.

However, Pokai Bay may be negatively affected by pollutants from multiple sources, such as runoff, illegal dumping, and user-induced contaminants. The accumulation of pollutants may be mitigated if the circulation of the water in Pokai Bay is improved.

Thus, your Committee supports efforts by the United States Army Corps of Engineers, the Department of Land and Natural Resources, and other parties to improve the water circulation in Pokai Bay.

Your Committee has amended this measure by making a technical, nonsubstantive amendment.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 88, S.D. 1, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 88, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1442 Ways and Means on S.R. No. 34

The purpose and intent of this measure is to encourage the United States Army Corps of Engineers and the Department of Land and Natural Resources, along with other designated parties, to work collaboratively to research and develop a plan for increasing water circulation and improving water quality in Pokai Bay on Oahu's Leeward Coast to mitigate environmental and health risks caused by pollution and contaminants in the water.

Your Committee received written comments in support of this measure from the Waianae Coast Comprehensive Health Center and three individuals.

Your Committee received written comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that Pokai Bay usually appears to have crystal blue waters and white sands, making the location attractive to a variety of recreational water users.

However, Pokai Bay may be negatively affected by pollutants from multiple sources, such as runoff, illegal dumping, and user-induced contaminants. The accumulation of pollutants may be mitigated if the circulation of the water in Pokai Bay is improved.

Thus, your Committee supports efforts by the United States Army Corps of Engineers, the Department of Land and Natural Resources, and other parties to improve the water circulation in Pokai Bay.

Your Committee has amended this measure by making a technical, nonsubstantive amendment.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 34, S.D. 1, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 34, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1443 Ways and Means on S.C.R. No. 121

The purpose and intent of this measure is to urge the significant growth, development, intensification, and expansion of agriculture to incorporate dedicated food and biofuel feedstock growth to achieve the goals of food and fuel sustainability and security through a Hawaii Green Fuels Initiative.

Your Committee received written comments in support of this measure from the Department of Agriculture; University of Hawaii; Clean Energy Solutions; and The Maritime Group, LLC.

Your Committee finds that integrating local renewable fuel production with local food production from the agriculture sector will allow the State's economy, environment, and residents to thrive. This kind of integration is a commonsense approach to promote and achieve a better future for Hawaii and its residents.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 121 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1444 Ways and Means on S.C.R. No. 85

The purpose and intent of this measure is to request the Office of Hawaiian Affairs (OHA) to convene a group of Hawaiian leaders, legal scholars, and Hawaiian community members to:

- (1) Review whether the manner of selecting and seating OHA trustees could be improved through a process by which trustees are appointed rather than elected;
- (2) Consider the appropriate appointing authority; and
- (3) Consider how to develop a list of the best qualified potential trustees for submittal to the appointing authority.

Your Committee received written comments in support of this measure from two individuals.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that this measure provides a mechanism to encourage serious discussion and sober consideration of effective alternatives to the existing governance structure of the Office of Hawaiian Affairs. Your Committee supports the concept of providing opportunities for Hawaiians to discuss the governance structure of the Office of Hawaiian Affairs and believes this measure should continue in the legislative process.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 85 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1445 Ways and Means on S.R. No. 33

The purpose and intent of this measure is to request the Office of Hawaiian Affairs (OHA) to convene a group of Hawaiian leaders, legal scholars, and Hawaiian community members to:

- (1) Review whether the manner of selecting and seating OHA trustees could be improved through a process by which trustees are appointed rather than elected;
- (2) Consider the appropriate appointing authority; and
- (3) Consider how to develop a list of the best qualified potential trustees for submittal to the appointing authority.

Your Committee received written comments in support of this measure from two individuals.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that this measure provides a mechanism to encourage serious discussion and sober consideration of effective alternatives to the existing governance structure of the Office of Hawaiian Affairs. Your Committee supports the concept of providing opportunities for Hawaiians to discuss the governance structure of the Office of Hawaiian Affairs and believes this measure should continue in the legislative process.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 33 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1446 Ways and Means on S.C.R. No. 90

The purpose and intent of this measure is to urge the Office of Planning to study and update the economic objectives and policies for agriculture in the Hawaii State Planning Act.

Your Committee received written comments in support of this measure from the Department of Agriculture and the Office of Planning.

Your Committee finds that the agriculture industry in Hawaii has changed drastically over the years. Sugar and pineapple are no longer predominant, and diversification is increasing. Thus, your Committee finds that the agriculture provisions of the Hawaii State Planning Act should be updated.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 90, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1447 Ways and Means on S.C.R. No. 143

The purpose and intent of this measure is to urge the Hawaii Housing Finance and Development Corporation to work with housing stakeholders and other state and county agencies to evaluate and update its policies and procedures with respect to its administration of the Rental Housing Revolving Fund Program.

The Hawaii Housing Finance and Development Corporation submitted written comments on the measure.

Your Committee is well aware of the need for more housing units for the residents of Hawaii, especially rental units. Projections indicate that Hawaii will need 64,000 new housing units by 2025, approximately 22,000 of which will need to be rental units. In recognition of this need, the Legislature passed, and the Governor signed, a bill that became Act 127, Session Laws of Hawaii 2016. Act 127 sets a goal to build 22,500 affordable rental housing units by 2026 and establishes a special action team on affordable rental housing to provide assistance and advice to achieve that goal.

Within state government, the Hawaii Housing Finance and Development Corporation is the agency with primary responsibility for developing and funding affordable housing projects. As this measure notes, the Corporation has substantial resources available to accomplish its duties. Much of the resources are in or flow through the rental housing revolving fund.

As this measure notes, non-profit and for-profit developers, construction industry stakeholders, and community housing stakeholders have requested "an evaluation of the policies and procedures of the administration of the rental housing revolving fund." Your Committee adds its support for such an evaluation. Your Committee believes that the evaluation is necessary to expedite the development, construction, and occupancy of more rental housing units for the residents of Hawaii.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 143 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1448 Ways and Means on S.R. No. 65

The purpose and intent of this measure is to urge the Hawaii Housing Finance and Development Corporation to work with housing stakeholders and other state and county agencies to evaluate and update its policies and procedures with respect to its administration of the Rental Housing Revolving Fund Program.

The Hawaii Housing Finance and Development Corporation submitted written comments on the measure.

Your Committee is well aware of the need for more housing units for the residents of Hawaii, especially rental units. Projections indicate that Hawaii will need 64,000 new housing units by 2025, approximately 22,000 of which will need to be rental units. In recognition of this need, the Legislature passed, and the Governor signed, a bill that became Act 127, Session Laws of Hawaii 2016. Act 127 sets a goal to build 22,500 affordable rental housing units by 2026 and establishes a special action team on affordable rental housing to provide assistance and advice to achieve that goal.

Within state government, the Hawaii Housing Finance and Development Corporation is the agency with primary responsibility for developing and funding affordable housing projects. As this measure notes, the Corporation has substantial resources available to accomplish its duties. Much of the resources are in or flow through the rental housing revolving fund.

As this measure notes, non-profit and for-profit developers, construction industry stakeholders, and community housing stakeholders have requested "an evaluation of the policies and procedures of the administration of the rental housing revolving fund." Your Committee adds its support for such an evaluation. Your Committee believes that the evaluation is necessary to expedite the development, construction, and occupancy of more rental housing units for the residents of Hawaii.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 65 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1449 Ways and Means on S.C.R. No. 145

The purpose and intent of this measure is to address the development of affordable housing.

More specifically, this measure requests that the Hawaii Housing Finance and Development Corporation:

- (1) Develop a collaborative plan to best leverage the various affordable housing funds of the State and each county to build affordable housing projects;
- (2) Work with the appropriate government agencies to identify and fund the necessary infrastructure improvements needed for the construction of affordable housing projects;
- (3) Work with the Department of Accounting and General Services and the County of Maui to explore the feasibility of transferring a parcel of land in Kahului for development of a mixed-use rental housing project; and
- (4) Examine the potential of a unified affordable housing approval process to streamline the regulatory requirements for building affordable housing projects on all islands of the State.

Your Committee received written comments in support of this measure from the Hawaii Housing Finance and Development Corporation; the Chair of the Maui County Council; the Council member for the Molokai residency area, Maui County Council; the Director of Housing and Human Concerns, County of Maui; Face Maui; Na Hale O Maui; Go Maui, Inc.; and one individual.

Your Committee is well aware of the need for more housing units, especially rental units, for the residents of Hawaii. Projections indicate that by 2025, Hawaii will need 64,000 new housing units, approximately 22,000 of which will need to be rental units.

Your Committee finds that coordinated efforts, such as those identified in this measure, are imperative in order to provide the necessary affordable housing units.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 145, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1450 Ways and Means on S.R. No. 67

The purpose and intent of this measure is to address the development of affordable housing.

More specifically, this measure requests that the Hawaii Housing Finance and Development Corporation:

- (1) Develop a collaborative plan to best leverage the various affordable housing funds of the State and each county to build affordable housing projects;
- (2) Work with the appropriate government agencies to identify and fund the necessary infrastructure improvements needed for the construction of affordable housing projects;
- (3) Work with the Department of Accounting and General Services and the County of Maui to explore the feasibility of transferring a parcel of land in Kahului for development of a mixed-use rental housing project; and
- (4) Examine the potential of a unified affordable housing approval process to streamline the regulatory requirements for building affordable housing projects on all islands of the State.

Your Committee received written comments in support of this measure from the Hawaii Housing Finance and Development Corporation; the Council member for the Molokai residency area, Maui County Council; and Na Hale O Maui.

Your Committee is well aware of the need for more housing units, especially rental units, for the residents of Hawaii. Projections indicate that by 2025, Hawaii will need 64,000 new housing units, approximately 22,000 of which will need to be rental units.

Your Committee finds that coordinated efforts, such as those identified in this measure, are imperative in order to provide the necessary affordable housing units.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 67, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1451 Ways and Means on S.C.R. No. 16

The purpose and intent of this measure is to convene a legislative retirement savings working group to investigate and identify strategies to promote greater retirement savings for private sector employees.

Your Committee received written comments in support of this measure from the Policy Advisory Board for Elder Affairs, Maui County Office on Aging, AARP Hawaii, Hawaii Appleseed Center for Law and Economic Justice, Hawaii Family Caregiver Coalition, ILWU Local 142, and fifteen individuals.

Your Committee received written comments on this measure from the Legislative Reference Bureau, American Council of Life Insurers, and NAIFA Hawaii.

Your Committee finds that there is a looming retirement security crisis in Hawaii because many individuals are not part of an employer-sponsored retirement plan. Approximately fifty per cent of Hawaii's private sector employees work for an employer that does not offer a retirement plan. Also, employees of businesses with fewer than one hundred employees are much less likely to have access to a retirement plan than employees of larger businesses. Individuals without a retirement plan are at a significant risk of not having sufficient retirement income to supplement Social Security income to meet basic expenses during their retirement years. Accordingly, convening a legislative working group to study the feasibility and impact of establishing a retirement savings program for private sector employees who are without an employer-based retirement plan in the State is imperative.

Your Committee has amended this measure by replacing Illinois with Utah as a state that has adopted a private marketplace plan that should be examined by the working group.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 16, S.D. 1, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 16, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1452 Ways and Means on S.C.R. No. 174

The purpose and intent of this measure is to request the Department of Land and Natural Resources to assist the Office of Hawaiian Affairs in providing an easement to the Agribusiness Development Corporation for water irrigation infrastructure on certain property owned by the Office of Hawaiian Affairs.

Your Committee received testimony in support of this measure from the Agribusiness Development Corporation.

Your Committee received testimony in opposition to this measure from the Department of Land and Natural Resources.

Your Committee received comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that this measure is intended to address the irrigation of state-owned agricultural lands in the Central Oahu and North Shore areas. Your Committee further finds that the maximum agricultural use of those prime agricultural lands depends on an adequate supply of irrigation water. Accordingly, your Committee acts favorably on this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 174 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1453 Ways and Means on S.R. No. 88

The purpose and intent of this measure is to request the Department of Land and Natural Resources to assist the Office of Hawaiian Affairs in providing an easement to the Agribusiness Development Corporation for water irrigation infrastructure on certain property owned by the Office of Hawaiian Affairs.

Your Committee received testimony in support of this measure from the Agribusiness Development Corporation.

Your Committee received testimony in opposition to this measure from the Department of Land and Natural Resources.

Your Committee received comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that this measure is intended to address the irrigation of state-owned agricultural lands in the Central Oahu and North Shore areas. Your Committee further finds that the maximum agricultural use of those prime agricultural lands depends on an adequate supply of irrigation water. Accordingly, your Committee acts favorably on this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 88 and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1454 Ways and Means on S.C.R. No. 59

The purpose and intent of this measure is to address state contracts with women-, veteran-, and Native Hawaiian-owned businesses.

More specifically, this measure:

- (1) Urges state departments and agencies to duly consider women-, veteran-, and Native Hawaiian-owned businesses when awarding state contracts; and
- (2) Requests certain state departments to submit to the Legislature, no later than October 1, 2017, a list of its state contracts awarded to women-, veteran-, and Native Hawaiian-owned businesses in the last two years.

Your Committee received written comments in support of this measure from the Department of Transportation; State Procurement Office; Office of Veterans' Services; AMEL Technologies, Inc.; and one individual.

Your Committee finds that this measure represents a reasonable effort to promote the awarding of state contracts to women-, veteran-, and Native Hawaiian-owned businesses. Accordingly, your Committee supports this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 59, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1455 Ways and Means on S.C.R. No. 114

The purpose and intent of this measure is to urge the United States Senate to adopt Senate Resolution 51 (115th Congress) and protect and preserve collective bargaining rights and the civil service system for harmonious labor-management relations.

Your Committee received written comments in support of this measure from ILWU Local 142; Hawaii Government Employees Association; United Public Workers, AFSCME, Local 646, AFL-CIO; and one individual.

On February 6, 2017, United States Senator Mazie Hirono introduced Senate Resolution 51. The Resolution opposes efforts to reduce federal workforce pay and benefits, eliminate civil service employment protections, undermine collective bargaining, and increase the use of non-federal contractors for inherently governmental activities. Senate Resolution 51 is a response to the funding cuts proposed by the current President of the United States.

Your Committee agrees with the sentiments of Senator Hirono and Senate Resolution 51. Accordingly, your Committee supports this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 114, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1456 Commerce, Consumer Protection, and Health on H.B. No. 177

The purpose and intent of this measure is to prohibit associations of apartment owners, boards of directors, managing agents, resident managers, condominium owners, and persons acting on behalf of associations or condominium owners from retaliating or discriminating against a condominium owner, board member, managing agent, resident manager, or association employee who files a complaint; acts in furtherance of a complaint, report, or investigation of an alleged violation of the State's condominium laws or a condominium's governing documents; or exercises or attempts to exercise any right as a condominium owner.

Your Committee received testimony in support of this measure from the Hawaii Council of Associations of Apartment Owners, Associa, and one individual. Your Committee received testimony in opposition to this measure from one individual. Your Committee received comments on this measure from one individual.

Your Committee finds that although many condominium owners are comfortable raising condominium-related complaints or concerns to their association, its board, a managing agent, or a resident manager, this experience is not universal. Furthermore, condominium owners, minority members of a condominium board, or association employees who are not comfortable bringing up complaints or concerns may fail to do so because of a fear of retaliation. Accordingly, this measure strengthens protections by prohibiting condominium associations, boards, managing agents, resident managers, other owners, and persons acting on behalf of an association or condominium owner from retaliating or discriminating against a condominium owner, board member, managing agent, resident manager, or association employee who files a complaint, acts in furtherance of a complaint, report, or investigation of an alleged violation, or exercises or attempts to exercise any right as a condominium owner.

Your Committee has amended this measure by:

- (1) Inserting an effective date of July 1, 2070, to encourage further discussion; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 177, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 177, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, none.

SCRep. 1457 Commerce, Consumer Protection, and Health on H.B. No. 558

The purpose and intent of this measure is to repeal section 325-15, Hawaii Revised Statutes, which requires United States citizens or nationals to submit a medical examination report to the Department of Health within sixty days of returning to the State after five years' residence in any United States territory or possession, or any foreign country, with a high occurrence of infectious and communicable diseases.

Your Committee received testimony in support of this measure from the Department of Health.

Your Committee finds that the current mandatory testing for infectious and communicable diseases for United States citizens and nationals returning from certain areas after absences of five or more years does not help control tuberculosis, is costly to maintain, and is impractical to enforce. Your Committee notes testimony submitted by the Department of Health that indicates the mandatory testing of infectious and communicable diseases has never truly been implemented since its enactment in 1978, and that no other state in the country has legislation similar to Hawaii that requires such testing. Your Committee further finds that knowledge of the epidemiology of tuberculosis has improved significantly since mandatory testing was established in 1978, and that current data indicates very few, if any, contagious tuberculosis cases would be identified through the current mandated testing.

Your Committee has amended this measure by:

- (1) Inserting an effective date of July 1, 2050, to encourage further discussion; and
- (2) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 558, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 558, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, none.

SCRep. 1458 Commerce, Consumer Protection, and Health on H.B. No. 1299

The purpose and intent of this measure is to authorize pharmacies to provide customized patient medication packages to patients of an institutional facility or members of the public under certain conditions.

Your Committee received testimony in support of this measure from the Walgreen Company, Hawaii Pharmacists Association, and six individuals. Your Committee received comments on this measure from the State Council on Developmental Disabilities and Hawaii Medical Service Association.

Your Committee finds that failure to take medication as prescribed may hinder positive patient outcomes. According to testimony submitted by the Hawaii Pharmacists Association, a 2008 Medco Health Solutions report indicated that fifty-one percent of insured patients nationwide take at least one medication for a chronic condition, yet as many as half of patients do not take the medications as prescribed, according to some estimates. Furthermore, the Network for Excellence in Health Innovation reports that poor adherence to prescribed medications is one of the drug related problems that is responsible for up to thirteen percent of healthcare expenditures, or \$290,000,000,000 annually in unnecessary healthcare costs. Your Committee finds that this measure will help address this issue by assisting certain patients with maintaining better compliance with their prescription medication regimen.

Your Committee has amended this measure by inserting an effective date of July 1, 2070, to encourage further discussion.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1299, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1299, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, none.

SCRep. 1459 Judiciary and Labor on H.B. No. 1235

The purpose and intent of this measure is to authorize the use of the Uniform Family Law Arbitration Act to resolve certain family law and child-related disputes.

Your Committee received testimony in support of this measure from the Commission to Promote Uniform Legislation. Your Committee received comments on this measure from the Department of the Attorney General.

Your Committee finds that state laws vary when it comes to arbitrating family law matters and the purpose of the Uniform Family Law Arbitration Act is to lay a foundation for arbitration of family law issues and standardize the arbitration of those matters. This measure adopts the Uniform Family Law Arbitration Act to provide an alternative means to settle or resolve family law disputes outside of court.

Your Committee notes the comments submitted by the Department of the Attorney General regarding a potential conflict between the process established in this measure to modify a confirmed award or judgment and the Department's requirements under federal law to review and modify child support orders for children receiving Temporary Assistance for Needy Families or by request from either parent.

Accordingly, your Committee has amended this measure by:

- (1) Adopting the language suggested by the Department of the Attorney General that clarifies that if a party requests a modification of a confirmed award or judgment, the parties shall proceed under a dispute-resolution method specified in the award of judgment unless otherwise authorized under state or federal law;
- (2) Inserting an effective date of January 7, 2059, to encourage further discussion; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1235, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1235, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1460 Judiciary and Labor on H.B. No. 1516

The purpose and intent of this measure is to:

- (1) Allow any duly incorporated humane society or duly incorporated society for the prevention of cruelty to animals that is holding an impounded pet animal or equine animal to file a petition for forfeiture of that animal prior to the filing of any criminal charge that may arise from the circumstances supporting the impoundment; and
- (2) Require the petitioner to serve a true copy of the petition for forfeiture upon the owner or custodian of the impounded animal, rather than defendant, and the prosecuting attorney.

Your Committee received testimony in support of this measure from the Department of the Prosecuting Attorney, City and County of Honolulu; Hawaiian Humane Society; Hawaii Island Humane Society; and thirty-three individuals. Your Committee received testimony in opposition to this measure from the American Kennel Club, Shetland Sheepdog Club of Hawaii, Obedience Training Club of Hawaii, West Oahu Kennel Club, Pacific Pet Alliance, and thirteen individuals.

Your Committee finds that existing law allows a duly incorporated humane society or duly incorporated society for the prevention of cruelty to animals that is holding an impounded pet animal or equine animal to file a petition for forfeiture of that animal prior to the final disposition of a criminal charge of certain offenses. However, the final disposition of rescued animals can be delayed while preparing for a criminal case, especially when large numbers of animals are involved. This delay can impose extraordinary costs and strains upon the incorporated humane society or incorporated society that is tasked with the care of the animals; postpone the full recovery of the animals that are being held unnecessarily; and prevent the adoption of the rescued animals. This measure allows incorporated humane societies or duly incorporated societies to petition for forfeiture prior to the filing of any criminal charge that may arise from the circumstances supporting the impoundment to expedite the adoption of impounded animals and decrease the costs of caring for these animals.

Your Committee notes that this measure applies only to pet animals and equine animals, which are terms that are defined under section 711-1100, Hawaii Revised Statutes. Your Committee further notes that this measure applies only to pet animals or equine animals that are impounded pursuant to section 711-1109.1, Hawaii Revised Statutes, based on a violation of the offense of cruelty to animals in the first degree, cruelty to animals in the second degree, cruelty to animals by fighting dogs in the first degree, or cruelty to animals by fighting dogs in the second degree. Thus, an incorporated humane society holding an impounded animal pursuant to section 711-1109.1, Hawaii Revised Statutes, is limited by statute to only filing a petition for forfeiture of the animal for circumstances arising from the violation of any of these certain offenses.

Accordingly, your Committee has amended this measure by:

- (1) Adding clarifying language to distinguish between a petition filed for the forfeiture of a pet animal or equine animal before the filing of a specific criminal charge that arises from the impoundment and a forfeiture petition filed prior to the final disposition of a certain criminal charge, and making conforming amendments to section 711-1109.2, Hawaii Revised Statutes, to reflect the clarifying language;
- (2) Adopting the language submitted by the Hawaiian Humane Society that allows a pet animal or equine animal to be destroyed by the petitioner prior to final disposition of certain criminal charges if the pet animal or equine animal is a danger to itself or others;
- (3) Adopting the language submitted by the Department of the Prosecuting Attorney of the City and County of Honolulu that clarifies that an acquittal or dismissal in a criminal proceeding does not preclude civil proceedings under chapter 711, Hawaii Revised Statutes; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1516, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1516, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Kim).

SCRep. 1461 Judiciary and Labor on H.B. No. 459

The purpose and intent of this measure is to:

- (1) Require the Chief of Police to notify certain agencies within twenty-four hours when a firearm permit application is denied because the applicant is prohibited from owning, possessing, receiving, or controlling a firearm under federal or state law;
- (2) Require the Chief of Police to notify the court that issued a protective or restraining order of a firearm permit applicant within twenty-four hours of the denial of the permit because of that order; and
- (3) Require the Department of Public Safety to notify the probation or parole officer of a firearms permit applicant, if applicable, upon notification of a firearms permit denial because of a prior criminal conviction.

Your Committee received testimony in support of this measure from the Police Department, City and County of Honolulu; Every Town for Gun Safety; Moms Demand Action for Gun Sense in America; and seventeen individuals. Your Committee received testimony in opposition to this measure from one individual. Your Committee received comments on this measure from the Judiciary.

Your Committee finds that a robust regulatory framework for firearm ownership is essential to protecting the public health, safety, and welfare. This measure provides a regulatory framework that includes identification of individuals who attempt to apply for and are denied a permit because they are prohibited from owning, possessing, receiving, or controlling a firearm under federal or state law.

Your Committee notes the concerns raised in written testimony submitted by the City and County of Honolulu Police Department that the twenty-four-hour time frame to send notice is not realistic and noted the Department's preference for the time frames under S.B. No. 1037, S.D. 2 (Regular Session of 2017). Furthermore, the Department raised concerns in oral testimony regarding what types of notice are required to be sent when a firearm permit is denied.

Accordingly, your Committee has amended this measure by:

- (1) Clarifying that when a firearm permit application is denied because an applicant is prohibited from owning, possessing, receiving, or controlling firearms under federal or state law, the Chief of Police is required to send notice to certain persons within ten business days from the date of denial, rather than twenty-four hours of the denial;
- (2) Clarifying that if a firearm permit was denied because the applicant is subject to a protective or restraining order, then the Chief of Police is required to send notice to the court that issued the order within three business days from the date of denial, rather than twenty-four hours of the denial;
- (3) Clarifying that the notice regarding the denial of a firearm permit application is a written notice;
- (4) Inserting an effective date of January 7, 2059, to encourage further discussion; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 459, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 459, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Kim).

SCRep. 1462 Ways and Means on H.B. No. 471

The purpose and intent of this measure is to promote the judicious use of moneys in the Emergency and Budget Reserve Fund.

More specifically, the measure prohibits the Legislature from appropriating from the Emergency and Budget Reserve Fund:

- (1) More than fifty percent of the balance of the fund in a single fiscal year;
- (2) Any amount exceeding ten percent of the total discretionary funds appropriated by the Legislature in the same fiscal year for which Emergency and Budget Reserve Fund moneys are appropriated; and
- (3) For a succeeding fiscal year, unless the State has collected or is projected to collect less tax revenue in the current fiscal year compared to the immediately preceding fiscal year.

The Pew Charitable Trusts submitted comments in support of this measure. The Department of Budget and Finance and Tax Foundation of Hawaii submitted comments on this measure.

Your Committee recognizes that while it may be appropriate to use some Emergency and Budget Reserve Fund moneys when a budgetary emergency occurs, care must be taken to ensure that the Emergency and Budget Reserve Fund is not depleted all at once. Accordingly, your Committee believes that when a budgetary emergency occurs, it is as important to take steps to examine expenditures to reduce costs as it is to rely upon rainy day funds to allow for continued expenditures at current levels. Your Committee finds that this measure will provide the means to control the amount of moneys that may be appropriated from the Emergency and Budget Reserve Fund during a budgetary emergency.

Your Committee has amended this measure by:

- (1) Specifying that the Legislature is prohibited from appropriating from the Emergency and Budget Reserve Fund, to expend for discretionary costs in a fiscal year, an amount that exceeds ten percent of the discretionary funds appropriated by the Legislature for the same fiscal year for which Emergency and Budget Reserve Fund moneys are appropriated;
- (2) Amending the definition of the term "discretionary funds" to mean the total amount of general fund moneys appropriated or authorized by the Legislature, less non-discretionary funds;
- (3) Inserting a definition of the term "non-discretionary funds," which means the total amount of general fund moneys appropriated or authorized by the Legislature for expenditure during the fiscal year for:

- (A) Debt service payments for general obligation bonds;
 - (B) Employer contributions for pension and retirement benefits of state government employees;
 - (C) Employer contributions for health insurance benefits of state government employees and state government retirees; and
 - (D) Medicaid service costs; and
- (4) Making technical nonsubstantive amendments for clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 471, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 471, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 8. Noes, none. Excused, 3 (English, Harimoto, Taniguchi).

SCRep. 1463 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 1499

The purpose and intent of this measure is to:

- (1) Clarify that a condominium association does not have to rescind the notice of default and intention to foreclose or restart the foreclosure by filing a new notice of default and intent to foreclose if a unit owner defaults on a payment plan to cure a nonjudicial foreclosure agreed to by the parties;
- (2) Specify that if a unit owner and an association have agreed on a payment plan to prevent a nonjudicial foreclosure from proceeding, any association fines imposed while the payment plan is in effect shall not be deemed a default under the payment plan;
- (3) Clarify the obligations of a unit owner and an association while a unit owner is not otherwise in default under a payment plan;
- (4) Clarify that the pay first, dispute later provisions in Hawaii's condominium law apply only to common expense assessments claimed by an association of apartment owners;
- (5) Specify that a unit or apartment owner who disputes the amount of an assessment may request a written statement about the assessment from the association, including that a unit or apartment owner may demand mediation prior to paying contested charges, other than common expense assessments;
- (6) Specify requirements for mediation on contested charges, except for common expense assessments;
- (7) Expand the scope of the condominium education trust fund to cover voluntary binding arbitration; and
- (8) Amend the conditions that mandate mediation and exceptions to mandatory mediation.

Your Committees received testimony in support of this measure from Associa Hawaii and one individual. Your Committees received testimony in opposition to this measure from the Association of Unit Owners Kipuka at Hoakalei, The Maui Lani Community Association, and twenty-six individuals. Your Committees received comments on this measure from the Real Estate Commission.

Your Committees find that it is important to have clear and effective laws related to association foreclosures against condominium owners, including which actions successfully cure a default. Your Committees further find that a condominium owner and an association agreeing to a payment plan is not sufficient to cure a default; the delinquency must be paid in full to cure a nonjudicial foreclosure on a condominium. Your Committees also find that it is important to preserve the pay first, dispute later provision in existing law, as it applies to common expense assessments, but your Committees support encouraging the use of mediation for all other penalties or fines, late fees, lien filing fees, or other charges in an assessment.

Your Committees have amended this measure by inserting an effective date of January 7, 2059, to encourage further discussion.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1499, H.D. 1, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1499, H.D. 1, S.D. 2.

Signed by the Chairs on behalf of the Committees.
Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.
Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1464 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 1536

The purpose and intent of this measure is to:

- (1) Clarify that the Board of Agriculture has the power to acquire property by eminent domain for the construction and maintenance of water facilities that convey, distribute, and transmit water for agricultural uses that are in addition to irrigation, but not allow eminent domain for purposes of domestic use; and
- (2) Amend the definition of "public utility" in chapter 269, Hawaii Revised Statutes, to exclude:
 - (A) Any person who controls, operates, or manages plants or facilities developed for conveying, distributing, and transmitting non-potable water, and any irrigation project established pursuant to chapter 167, Hawaii Revised Statutes; and
 - (B) Any board of water supply that manages, controls, and operates the waterworks of a county for the purpose of supplying water to the public in that county.

Your Committees received testimony in support of this measure from the Department of Agriculture, City and County of Honolulu Board of Water Supply, County of Kaua'i Department of Water, Land Use Research Foundation of Hawaii, Hawai'i Farm Bureau, Maui Chamber of Commerce, Maui County Farm Bureau, East Kauai Water Users' Cooperative, Kalepa Coalition, Saiva Siddhanta Church, and three individuals. Your Committees received testimony in opposition to this measure from the Sierra Club of Hawai'i and one individual. Your Committees received comments on this measure from the Public Utilities Commission, Department of Commerce and Consumer Affairs Division of Consumer Advocacy, and Office of Hawaiian Affairs.

Your Committees find that there are many non-potable water systems across the State that provide non-potable water for agricultural purposes. There is concern that Public Utilities Commission regulations intended for privately owned utilities may be applied to state-owned agricultural irrigation systems overseen by the State's Commission on Water Resource Management. Your Committees find that this measure clarifies state law in alignment with policies currently followed by the Department of Agriculture and Public Utilities Commission.

Your Committees have amended this measure by:

- (1) Clarifying that any irrigation project operated pursuant to chapter 167, Hawaii Revised Statutes, is excluded from the definition of "public utility";
- (2) Removing proposed language that would have excluded any board of water supply that manages, controls, and operates the waterworks of a county for the purpose of supplying water to the public in that county from the definition of "public utility"; and
- (3) Inserting an effective date of January 7, 2059, to encourage further discussion.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1536, H.D. 2, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1536, H.D. 2, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5; Ayes with Reservations (Thielen). Noes, none. Excused, none.

Ways and Means: Ayes, 8; Ayes with Reservations (Riviere). Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1465 Judiciary and Labor on H.B. No. 606

The purpose and intent of this measure is to authorize the counties, through their employees or authorized agents, to enter private property to control or eradicate invasive species and pests.

Your Committee received testimony in support of this measure from the Department of Agriculture; Department of Land and Natural Resources; Office of the Mayor, County of Hawai'i; Hawai'i Association of REALTORS; Hawai'i Farm Bureau; and nine individuals. Your Committee received comments on this measure from The Humane Society of the United States.

Your Committee finds that invasive species and pests are a persistent and real threat to the State. Invasive species and pests can swiftly and permanently alter the ecosystem of the State if not effectively eradicated. To ensure the rapid and complete removal of such species and pests, it is essential to allow the counties through their employees or authorized agents to have authority to enter onto private property with sufficient notice, similarly to existing law authorizing members of the Department of Agriculture and its agents, to control or eradicate invasive species and pests when it is determined to be necessary.

Your Committee has amended this measure by:

- (1) Clarifying which agents are authorized to enter private property to control or eradicate invasive species for the purpose of consistency; and
- (2) Inserting an effective date of January 7, 2059, to encourage further discussion.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 606, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 606, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Gabbard, Thielen).

SCRep. 1466 Judiciary and Labor on H.B. No. 1027

The purpose and intent of this measure is to amend the nonprofit corporations law to:

- (1) Restore procedures that allow nonprofit corporations to convert into and out of domestic nonprofit corporations;
- (2) Impose a duty of loyalty on directors and officers of nonprofit corporations; and
- (3) Increase the length of time the Attorney General has to review proposed dissolutions of public benefit corporations.

Your Committee received testimony in support of this measure from the Department of the Attorney General, Association of Fundraising Professionals Aloha Chapter, Hawai'i Alliance of Nonprofit Organizations, and one individual.

Your Committee finds that Act 37, Session Laws of Hawaii 2012 (Act 37), repealed a provision in the Hawaii Revised Statutes that allowed a domestic nonprofit corporation to convert to a foreign corporation or any other business entity. In hindsight, Act 37 went too far, as it effectively prevented domestic nonprofit corporations from converting to foreign nonprofit corporations. This measure restores the provision that allows nonprofit corporations to convert into and out of domestic nonprofit corporations, establishes the procedure for conversion, and specifies the effects of a conversion.

Your Committee further finds that although directors of nonprofit corporations have a duty of loyalty at common law, existing statute does not expressly recognize such a duty of loyalty. Accordingly, this measure establishes a duty of loyalty for directors and officers of nonprofit corporations.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1027, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1027, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Gabbard, Thielen).

SCRep. 1467 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 1130

The purpose and intent of this measure is to allow corrections agencies to subject employees or prospective employees to lie detector tests and psychological tests without constituting discriminatory employment practices.

Your Committees received testimony in support of this measure from the Department of Public Safety and one individual.

Your Committees find that the hiring of high-quality employees, particularly in corrections agencies, is vital to protecting the health, safety, and welfare of the public. This measure allows corrections agencies to require employees or prospective employees to submit to a lie detector test or psychological test as a condition of employment or continued employment to increase the quality of employees.

Your Committees have amended this measure by inserting an effective date of January 7, 2059, to encourage further discussion.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1130, H.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1130, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1468 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 1179

The purpose and intent of this measure is to:

- (1) Expand the types of rental housing projects that may be exempt from general excise taxes; and
- (2) Allow the terms of collective bargaining agreements and associated provisions to be deemed the prevailing wages and terms serving as the basis of compliance with chapter 104, Hawaii Revised Statutes, for the construction of certain rental housing projects.

Your Committees received testimony in support of this measure from the Department of Labor and Industrial Relations, Office of the Mayor of the County of Hawai'i, Hawaii Housing Finance and Development Corporation, Land Use Research Foundation of Hawaii, Hawai'i Construction Alliance, and Pacific Resource Partnership. Your Committees received comments on this measure from the Department of Taxation, Hawaii Community Development Authority, General Contractors Association of Hawaii, and Tax Foundation of Hawaii.

Your Committees find that the State is experiencing a critical shortage of affordable housing. Your Committees further find that private sector construction and development entities have taken steps to improve the economics of building and operating rental housing in Hawaii. This measure supports private development entities that provide affordable housing units by expanding the types of projects that may be exempt from general excise taxes.

Your Committees have amended this measure by:

- (1) Replacing "special prevailing wage" with "section 201H-36(a)(5) prevailing wages";
- (2) Specifying that prevailing wages are prevailing wages under contracts pursuant to section 201H-36(a)(5), Hawaii Revised Statutes, ("section 201H-36(a)(5) prevailing wages"), rather than requiring that the terms of the collective bargaining agreement be deemed the prevailing wages;
- (3) Stipulating that the qualified person or firm approved and certified for exemption from general excise taxes has not received other financing from any governmental contracting agency, including the Hawaii Housing Finance and Development Corporation, in order for the terms of the section 201H-36(a)(5) prevailing wages to be deemed the prevailing wages serving as the basis of compliance with chapter 104, Hawaii Revised Statutes, for work on the project;
- (4) Deleting the stipulation that the collective bargaining agreement be properly submitted to the Director of Labor and Industrial Relations under section 104-34, Hawaii Revised Statutes, in order for the terms of the section 201H-36(a)(5) prevailing wages to be deemed the prevailing wages serving as the basis of compliance with chapter 104, Hawaii Revised Statutes, for work on the project; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1179, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1179, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5; Ayes with Reservations (Thielen). Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1469 Ways and Means on H.B. No. 599

The purpose and intent of this measure is to update the Hawaii State Planning Act.

More specifically, this measure amends the Hawaii State Planning Act by:

- (1) Prioritizing affordable rental and for sale housing opportunities available to extremely low-, very low-, lower-, moderate, and above moderate-income residents;
- (2) Requiring each state agency to periodically update the functional plan for the functional area for which it is responsible;
- (3) Requiring a lead state agency, with the concurrence of the Governor, to establish the advisory committee for each functional plan, and making the committee a temporary advisory body; and
- (4) Amending the functional plan advisory committee nomination process.

Your Committee received written comments in support of this measure from the Office of Planning.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs and the Land Use Research Foundation of Hawaii.

Your Committee finds that housing is considered “affordable” when a household spends less than thirty percent of its income on shelter and utilities. Housing costs in Hawaii are among the highest in the nation, and residents, especially low income residents, face a challenge in establishing and remaining in affordable housing. Your Committee believes that the State should continue to focus its efforts on developing, promoting, and stimulating the affordable housing market.

Your Committee has amended this measure by:

- (1) Making the measure effective upon its approval; and
- (2) Making a technical nonsubstantive amendment for the purposes of consistency and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 599, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 599, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1470 Ways and Means on H.B. No. 591

The purpose and intent of this measure is to update the law relating to the capital infrastructure tax credit for taxable years beginning after December 31, 2016.

More specifically, the measure:

- (1) Amends the definition of “capital infrastructure costs” by:
 - (A) Including expenditures for structures, machinery, equipment, and capital assets, which has the effect of including those expenditures among the costs for which a taxpayer may claim the tax credit;
 - (B) Restricting recognized expenditures to those costs relating to a taxpayer’s move of a trade or business within Honolulu Harbor; and
 - (C) Excluding costs for which amounts are received in any form from the State;
- (2) Increases the maximum amount of credit available to each eligible taxpayer from \$1,250,000 to \$2,500,000 per taxable year;
- (3) Provides that if costs exceed the foregoing credit cap for any taxable year, the costs may be carried over to the subsequent years until exhausted, subject to certain limitations;
- (4) Provides that the distribution and share of the tax credit for a partnership may be determined notwithstanding section 706(d) of the Internal Revenue Code;
- (5) Requires the recapture of a credit if the taxpayer fails to relocate within ninety days after the execution of a lease with the Department of Transportation; and
- (6) Requires a taxpayer claiming the credit to timely submit certain information annually to the Department of Taxation, and subjects the taxpayer to a reduction of the credit and monetary penalties for failing to provide the information.

The Chamber of Commerce Hawaii, Navatek, and fourteen individuals submitted comments in support of this measure. The Department of Taxation and the Tax Foundation of Hawaii submitted comments on this measure.

Your Committee finds that Hawaii’s capital infrastructure tax credit law was enacted in 2014 to reduce the financial burden imposed on businesses facing relocation costs as a result of the development of a new overseas container terminal and piers at the lower Kapalama military reservation site. Your Committee believes that the amendments to existing law, as proposed by this measure, will enable businesses to make full use of the credit as originally intended by the Legislature.

Your Committee has amended this measure by:

- (1) Replacing each instance of the term “qualified infrastructure tenant business” with the defined term “qualified infrastructure tenant”;
- (2) Correcting the reference to section 706(d) of the Internal Revenue Code by replacing it with a reference to section 706 of the Internal Revenue Code; and
- (3) Requiring that within thirty days after each fiscal year, moneys shall be transferred from the harbor special fund to the Director of Finance for deposit into the general fund, in an amount equal to the aggregate capital infrastructure tax credits properly claimed by taxpayers during that fiscal year, as calculated by the Director of Taxation.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 591, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 591, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 3 (English, Harimoto, Taniguchi).

SCRep. 1471 Ways and Means on H.B. No. 1402

The purpose and intent of this measure is to provide government employees greater flexibility to donate vacation leave credits to another employee who has, or whose family member has, a serious personal illness or injury.

Specifically, the measure:

- (1) Requires each state government branch to establish a leave sharing program for its employees to donate vacation leave to other state employees and develop program rules;
- (2) Precludes a state government branch from prohibiting leave sharing between different departments or bargaining units because of administrative infeasibility;
- (3) Clarifies that an employee’s designation of beneficiary statement may be filed with the department in which the employee is employed and eliminates the requirement that it be a verified written statement; and
- (4) Authorizes the chief executive of a county to establish a leave sharing program for county employees.

Your Committee received written comments in support of this measure from the Hawaii Government Employees Association and Hawaii State Teachers Association.

Written comments in opposition were received from the Department of Human Resources Development.

Your Committee finds that shared leave programs operated across each branch of state government would significantly expand the pool of eligible leave donors, allow more employees to participate, and promote uniformity and fairness in program implementation.

Your Committee has amended this measure by making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1402, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1402, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1472 (Joint) Ways and Means and Judiciary and Labor on H.B. No. 1382

The purpose and intent of this measure is to assist small businesses in the procurement process.

More specifically, the measure:

- (1) Establishes a three-year small business assistance initiative within the State Procurement Office to facilitate the collection and development of relevant data and information and convene stakeholders for the development of an effective small business program, including the development of rules;
- (2) Establishes, as part of the small business assistance initiative:
 - (A) A small business advisory group, which is responsible for meeting regularly and making relevant recommendations;
 - (B) The position of small business procurement coordinator within the State Procurement Office; and
 - (C) A small business office within the State Procurement Office; and
- (3) Appropriates unspecified sums from the general revenues of State to assist small business.

The State Procurement Office; Small Business Regulatory Review Board; Office of Veterans’ Services, Department of Defense; and Chamber of Commerce Hawaii submitted comments in support of the measure. The American Council of Engineering Companies of Hawaii submitted comments on the measure.

Your Committees find that small businesses are the lifeblood of the State’s economy. Your Committees believe that the State’s economy would benefit from the creation, development, and implementation of strategies to ensure that small businesses, including businesses owned by veterans, native Hawaiians, and women, are able to effectively participate in small business contracting

opportunities. Your Committees also find that the State Procurement Office is able to assist small businesses in obtaining state contracts, a process that may be facilitated by the creation of the small business assistance initiative established by this measure.

Your Committees have amended this measure by:

- (1) Amending its findings and purpose section to conform the citation style to the Hawaii Administrative Rules to recommended drafting conventions and to clarify that multiple relevant rules went into effect in 2007;
- (2) Clarifying that the small business advisory group shall consist of members from agencies, entities and businesses;
- (3) Clarifying how and when the small business advisory group shall submit its recommendations;
- (4) Correcting a reference to section 103D-906, Hawaii Revised Statutes; and
- (5) Making technical nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the records of votes of the members of your Committees on Ways and Means and Judiciary and Labor that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1382, H.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1382, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

SCRep. 1473 (Joint) Ways and Means and Judiciary and Labor on H.B. No. 423

The purpose and intent of this measure is to promote a diversified economy in the State by encouraging film and digital media production.

More specifically, the measure:

- (1) Extends, for an additional five years, the enhanced incentives of the motion picture, digital media, and film production income tax credit that were enacted pursuant to Act 89, Session Laws of Hawaii 2013;
- (2) Clarifies that qualifying production costs are those costs incurred and expended within the State;
- (3) Specifies that taxpayers claiming the tax credit are required to prequalify for the credit, by registering with the Film Office of the Department of Business, Economic Development, and Tourism, and are required to obtain certification from the Film Office;
- (4) Specifies that the Department of Business, Economic Development, and Tourism reporting requirement regarding fiscal impact to the State entails reporting on those film productions receiving the tax credit;
- (5) Specifies that to qualify for the tax credit, a production must provide evidence of recognition, ability to understand, and efforts to respect and comply with cultural and environmental sensitivities in sensitive locations, including employing or contracting for the services of cultural resources or historical, cultural, or language experts to advise the production;
- (6) Specifies that to qualify for the tax credit, a production must agree that if the production claims a credit of more than \$8,000,000, the production will provide an advanced screening of the finished product in the county of the island in which the majority of the production took place; and
- (7) Specifies that a taxpayer's failure to submit a written, sworn statement to the Department of Business, Economic Development, and Tourism regarding the production may constitute a waiver of the right to claim the tax credit.

Your Committees received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; County of Hawaii; Hawaii State AFL-CIO; ILWU Local 142; Island Film Group; SAG-AFTRA Hawaii; I.A.T.S.E. Local 665; American Federation of Musicians' Local 677; Hawaii Teamsters and Allied Workers Local 996; NBC Universal Media, LLC; and one individual.

Your Committees received written comments on this measure from the Department of Taxation; Office of the Auditor; and Tax Foundation of Hawaii.

Your Committees find that the film and television industry is a significant economic driver for the State, both in the numerous high-quality jobs that large productions entail and in the positive media image projected around the globe of Hawaii as a tourist destination. Your Committees recognize that many film and television producers from outside of the State must select filming locations long in advance of production, and consequently, the approaching sunset date of the motion picture, digital media, and film production income tax credit may deter producers from selecting Hawaii as their production location.

Your Committees have amended this measure by establishing an annual aggregate cap of \$30,000,000 on the tax credit and allowing a taxpayer to claim all or part of the credit in a subsequent year if the aggregate cap has been reached in the year for which the taxpayer was eligible to claim the credit.

As affirmed by the records of votes of the members of your Committees on Ways and Means and Judiciary and Labor that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 423, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 423, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

SCRep. 1474 Ways and Means on H.B. No. 588

The purpose and intent of this measure is to support the He'eia estuary in its designation as a National Estuarine Research Reserve.

Specifically, this measure:

- (1) Appropriates \$400,000 from an unspecified special fund for the initial funding of four full-time equivalent positions within the University of Hawaii to develop and manage the He'eia Reserve and its programs; and
- (2) Authorizes the Department of Land and Natural Resources, Attorney General, and Auditor to review and inspect various records of contractors and third parties who receive funds appropriated by the measure.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources; Hawaii Community Development Authority; Office of Planning; University of Hawaii; The Nature Conservancy; Democratic Party of Hawaii; Hawaiian Affairs Caucus; Koolaupoko Hawaiian Civic Club; Ko'olau Foundation; Kamehameha Schools; and twelve individuals.

Your Committee received comments on this measure from the Hawaii Institute of Marine Biology and three individuals.

Your Committee finds that the National Estuarine Research Reserve System partners with states and territories to ensure long-term education, stewardship, and research regarding estuarine habitats. In January 2017, He'eia estuary was designated as the 29th National Estuarine Research Reserve. Your Committee further finds an appropriation of funds for positions to develop and manage He'eia Reserve and its programs will generate scientific information necessary for policy decision-making and increase support for research, education, and restoration in the region.

Your Committee has included a \$240,800 general fund appropriation for 2.64 full-time equivalent permanent positions in both fiscal years of the biennium for He'eia Reserve within the Senate's version of the General Appropriations Act of 2017, H.B. No. 100, H.D. 1, S.D. 1.

Your Committee has amended this measure by:

- (1) Changing the means of financing from an unspecified special fund to the general revenues of the State of Hawaii;
- (2) Changing the appropriation from \$400,000 to an unspecified amount;
- (3) Changing the number of positions established from 4.00 FTE to an unspecified number;
- (4) Deleting language specifically describing the positions to be established; and
- (5) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 588, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 588, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 5 (English, Harimoto, Inouye, Taniguchi, Wakai).

SCRep. 1475 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 1229

The purpose and intent of this measure is to require the listing of joint contractors and subcontractors only for construction contracts with a total minimum value of an unspecified amount; provided that a construction bid that does not comply with this requirement may be accepted if it is in the best interest of the State and the value of the work to be performed by a subcontractor is equal to or less than an unspecified percentage of the total bid amount.

Your Committees received testimony in support of this measure from the Building Industry Association of Hawaii; General Contractors Association of Hawaii; Hawaii Operating Engineers Industry Stabilization Fund; Alan Shintani Inc.; Hawaiian Dredging Construction Company, Inc.; Healy Tibbetts Builders, Inc.; Isemoto Contracting Co., Ltd.; Jayar Construction, Inc.; LYZ, Inc.; Nordic PCL Construction, Inc.; Ralph S. Inouye Co., Ltd.; Royal Contracting Co., Ltd.; and TOMCO Corp. Your Committees received testimony in opposition to this measure from the State Procurement Office; Subcontractors Association of Hawaii; Painting Industry of Hawaii Labor Management Cooperation Trust Fund; Hawaii Tapers Market Recovery Trust Fund; Hawaii Glaziers Architectural Metal Glassworkers Local Union 1889 AFL-CIO Stabilization Trust Fund; Carpet Linoleum and Soft Tile Local Union 1926 Market Recovery Trust Fund; and Plumbing and Mechanical Contractors Association of Hawaii. Your Committees received comments on this measure from the Department of Accounting and General Services and Department of Transportation.

Your Committees find that the execution and completion of public works projects are often delayed due to bid protests by non-lowest bidders challenging technical mistakes in the lowest bidder's proposal, including where a bidder has failed to list a required subcontractor or when a listed subcontractor did not possess the appropriate license and was not qualified to perform the work. Section 103D-302, Hawaii Revised Statutes, requires that all subcontractors and joint contractors to be used on a public works project be listed, along with their scope of work on the bid proposal submitted to any state or county agency subject to the procurement code. Your Committees find that this measure intends to reduce the number of subcontractors that must be listed in a bid proposal, thereby reducing the number of opportunities to challenge bids on the basis of subcontractor listing errors and increasing the efficiency of the bid process.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1229, H.D. 1, S.D. 1, and recommend that it pass Third Reading.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.
 Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1476 Judiciary and Labor on H.B. No. 1028

The purpose and intent of this measure is to:

- (1) Clarify the Attorney General's regulatory authority over charitable organizations and charitable assets;
- (2) Establish procedures for deactivations of registrations for charities no longer operating in Hawaii;
- (3) Clarify requirements for financial reports for solicitation campaigns and charitable organizations' annual reports; and
- (4) Make housekeeping amendments related to exemptions from registration and reporting requirements.

Your Committee received testimony in support of this measure from the Department of the Attorney General, Association of Fundraising Professionals Aloha Chapter, and Hawai'i Alliance of Nonprofit Organizations.

Your Committee finds that, as currently drafted, this measure makes several amendments to the State's law governing charitable organizations and activities, including:

- (1) Adding a definition of "property", as that term relates to the protection of charitable assets;
- (2) Specifying procedures for deactivations of registrations for charitable organizations; and
- (3) Clarifying requirements and procedures for the filing of financial and annual reports.

This measure also assists the Department of the Attorney General in its oversight of charitable organizations and fundraising activities and clarifies regulatory procedures for the nonprofit sector.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1028, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
 Ayes, 3. Noes, none. Excused, 2 (Gabbard, Thielen).

SCRep. 1477 Ways and Means on H.B. No. 918

The purpose and intent of this measure is to increase the efficiency and quality of Hawaii's early intervention services for infants and toddlers with special needs, by appropriating funds for a web-based data system in the Department of Health's Early Intervention Section.

Your Committee received written comments in support of this measure from the Executive Office on Early Learning, State Council on Developmental Disabilities, Special Education Advisory Council, Early Childhood Action Strategy, Hawaii Children's Action Network, and Hawaii Early Intervention Coordinating Council.

Your Committee received written comments on this measure from the Department of Health.

Your Committee finds that the current data system used by the Department of Health's Early Intervention Section is antiquated, lacking the web-based capability for real-time access to data, access from multiple locations, service documentation, report generation, quality assurance, and billing functions. Your Committee further finds that a web-based system will minimize time spent on completing paperwork, provide more efficiency, and most importantly, will enable providers to maximize time spent in providing direct services to clients.

If this bill moves forward into a Committee on Conference, your Committee respectfully requests that the Department of Health determine and recommend the appropriate level of funding required to effectuate this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 918, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
 Ayes, 7. Noes, none. Excused, 4 (English, Harimoto, Inouye, Kahele).

SCRep. 1478 Ways and Means on H.B. No. 937

The purpose and intent of this measure is to appropriate funds for the Executive Office on Early Learning to enter into contracts with third-party providers for family-child interaction learning programs.

Your Committee received written comments in support of this measure from the Executive Office on Early Learning, State Public Charter School Commission, Hui for Excellence in Education, Chamber of Commerce Hawaii, Native Hawaiian Education Council, Kamehameha Schools, Parents and Children Together, Hawaii Children's Action Network, and two individuals.

Your Committee notes that the Executive Office on Early Learning has proposed the following amendments to this measure:

- (1) Amending the purpose section to state that the measure appropriates funds for contracts with third-party providers "for the implementation of services which offer opportunities for family and community engagement as well as parent education and support"; and
- (2) Amending the appropriation section to more generally provide that the funds are for contracts with third-party providers "to develop and implement programs", rather than "for family-child interaction learning programs," that support families to take an active role in the social, emotional, and cognitive development of their young children.

Your Committee further notes that these proposed amendments should be considered if the measure is scheduled for Conference.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 937, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 5 (English, Harimoto, Inouye, Taniguchi, Wakai).

SCRep. 1479 Ways and Means on H.B. No. 942

The purpose and intent of this measure is to authorize the State Foundation on Culture and the Arts to commission an artist to design and build a monument to honor and commemorate Filipino veterans of World War II.

Your Committee received written comments in support of this measure from the State Foundation on Culture and the Arts, Office of Veterans' Services, Hawaii Civil Rights Commission, and one individual.

Your Committee finds that establishing a monument to honor and commemorate Filipino veterans of World War II would show Hawaii's gratitude to these veterans, provide a visual reminder of these veterans' unique place in American and global history, and educate the public on the role that minorities played in the outcome of World War II.

Your Committee notes that the State Foundation on Culture and the Arts has suggested that an Art Advisory Committee for the Filipino Veterans Memorial be created.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 942, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 2 (English, Kahele).

SCRep. 1480 Ways and Means on H.B. No. 655

The purpose and intent of this measure is to appropriate funds to support research on controlling the rose-ringed parakeet on Kauai.

More specifically, this measure appropriates funds to the Department of Land and Natural Resources to provide assistance and supplemental funding to the National Wildlife Research Center of the United States Department of Agriculture to:

- (1) Determine an estimate of the current population size of the rose-ringed parakeet on Kauai;
- (2) Locate and map the roost and rookery locations of rose-ringed parakeets on Kauai;
- (3) Describe and map rose-ringed parakeet habitat uses, daily dispersal patterns, and overall range on Kauai;
- (4) Estimate generally the agricultural, commercial, residential, and natural area damage caused by rose-ringed parakeets on Kauai;
- (5) Determine the types of human and wildlife diseases carried by rose-ringed parakeets on Kauai;
- (6) Conduct trials using different devices and methods that will reduce or deter rose-ringed parakeet populations; and
- (7) Develop and implement the beginning of an effective control plan for reducing the negative impacts of the rose-ringed parakeet on Kauai, with an initial reduction target of five hundred birds or an estimated ten percent of the population.

Your Committee received written comments in support of this measure from the Department of Agriculture, Department of Land and Natural Resources, Hawaii Invasive Species Council, Hawaii Farm Bureau, Kauai County Farm Bureau, Maui County Farm Bureau, Land Use Research Foundation of Hawaii, Kauai Invasive Species Committee, Coordinating Group on Alien Pest Species, Dow Agrosiences, and five individuals.

Your Committee finds that the rose-ringed parakeet is one of the most widespread invasive birds in the world and is a significant agricultural pest of important food crops. In Hawaii, rose-ringed parakeets have been particularly damaging on Kauai. Your Committee further finds that additional research is needed for the development and preliminary implementation of an effective control plan for rose-ringed parakeets on Kauai.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 655, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 2 (English, Kahele).

SCRep. 1481 Ways and Means on H.B. No. 427

The purpose and intent of this measure is to preserve dark night skies in Hawaii by establishing a dark night skies protection advisory committee.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; Department of Land and Natural Resources; Office of Hawaiian Affairs; University of Hawaii; Office of the Mayor, County of Hawaii; Conservation Council for Hawaii; and one individual.

Your Committee received written comments on this measure from the Department of Transportation.

Your Committee finds that dark night skies hold important cultural, scientific, astronomical, natural, landscape, and tourism related value. Your Committee further finds that the preservation of Hawaii's dark night skies is essential to the well-being of the State. Your

Committee believes that a dark night skies protection advisory committee is necessary to develop a statewide coordinated strategy to preserve the State's dark night skies.

Your Committee notes that the advisory committee's dissolution date is June 30, 2027, but that the advisory committee is only required to submit reports to the Legislature until the 2021 Regular Session. This issue may need to be addressed if a Conference Committee is convened for this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 427, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 5 (English, Harimoto, Inouye, Taniguchi, Wakai).

SCRep. 1482 Ways and Means on H.B. No. 632

The purpose and intent of this measure is to expand access to and use of the Hawaii Water Infrastructure Loan Program.

Specifically, the measure:

- (1) Makes water utilities eligible to use the loan program; and
- (2) Allows water tanks to be financed by loan program moneys.

Your Committee received written comments in support of this measure from the Department of Agriculture, City and County of Honolulu Board of Water Supply, Ulupono Initiative, and Hawaii Farm Bureau.

Your Committee finds that expanding the Hawaii Water Infrastructure Loan Program to assist water utilities will provide an additional means of financing for waterworks projects, and the potential cost savings from lower interest rates is expected to help keep water rates affordable for water utility customers.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 632, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 2 (English, Kahele).

SCRep. 1483 (Joint) Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 527

The purpose and intent of this measure is to appropriate funds for establishing, staffing, and operating two mobile clinics to serve the homeless population.

Your Committees received testimony in support of this measure from the Office of the Mayor of the County of Hawai'i, Hawaii Psychological Association, The Queen's Health Systems, Hawai'i Pacific Health, and seven individuals. Your Committees received comments on this measure from the Governor's Coordinator on Homelessness and Department of Human Services.

Your Committees find that homelessness continues to be one of the State's most urgent and challenging social problems. Homeless persons face a myriad of issues, including general health issues, mental illness, and substance abuse. Your Committees further find that mobile clinics are increasing in popularity across the nation as government entities find ways to address the health care needs of the homeless population. In places such as Denver, Colorado; Seattle, Washington; and San Jose, California; mobile clinics offer a variety of free healthcare services for local homeless populations, saving significant costs on emergency room visits. Mobile clinics have the potential to similarly provide timely, non-emergency medical care to homeless individuals in Hawaii. The State can help lessen many homeless individuals' illnesses before they become severe by making basic preventative and primary healthcare services more accessible on a mobile outreach basis. This type of service would also reduce the high demand by the homeless for emergency medical services to treat non-emergency conditions, or emergency conditions that could have been prevented.

Your Committees have amended this measure by:

- (1) Updating the purpose section;
- (2) Inserting language to allow the Department of Human Services to procure the mobile clinic services pursuant to chapter 103F, Hawaii Revised Statutes; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 527, H.D. 1, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 527, H.D. 1, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 5. Noes, none. Excused, 2 (Ihara, Kidani).

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Wakai).

SCRep. 1484 (Joint) Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 615

The purpose and intent of this measure is to improve the health and well-being of Hawaii's kupuna by appropriating funds to the Executive Office on Aging for the Healthy Aging Partnership Program.

Your Committees received testimony in support of this measure from the Executive Office on Aging; Elderly Affairs Division of the City and County of Honolulu; County of Kauai, Agency on Elderly Affairs; AARP Hawaii; Hawaii Family Caregiver Coalition; YMCA of Honolulu; Hawaii Chapter of the American Physical Therapy Association; and fifty-two individuals.

Your Committees find that the Healthy Aging Partnership Program aims to improve the health of older adults and empower them to stay healthy, active, and socially engaged. The program serves as an important link between clinical support for patients and community resources for lifestyle change. Your Committees further find that the program operates two evidence-based intervention programs that have demonstrated that older adults with chronic conditions and their caretakers benefit by focusing on self-management as an integral method to avoiding long term complications from chronic conditions. One program is estimated to save participants an average of \$500 per year in healthcare costs, and supports medical treatment plans by teaching participants the skills to manage their health conditions and interact with healthcare providers. The second program is an ongoing exercise program that is estimated to cut participants' yearly healthcare costs almost in half.

Your Committees also find that the Healthy Aging Partnership Program is a worthwhile investment for the State, as preventing disease and disability is far less expensive than resulting health and social services for persons needing treatment. Nationwide, chronic diseases account for eighty-six percent of healthcare costs, and Hawaii spends an estimated \$470,000,000 annually just on obesity-related medical costs. Your Committees note testimony by the Executive Office on Aging that there is no funding to sustain the Healthy Aging Partnership Program beginning in fiscal year 2017-2018 and, without additional funding, the program will no longer be able to offer the existing programs to Hawaii's seniors.

Your Committees have amended this measure by inserting an effective date of July 1, 2095, to encourage further discussion.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 615, H.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 615, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 5. Noes, none. Excused, 2 (Ihara, Kidani).

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Wakai).

SCRep. 1485 (Joint) Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 674

The purpose and intent of this measure is to require all child care providers subject to regulation by the Department of Human Services to obtain and maintain liability insurance as a condition of licensure, temporary permission, or registration and disclose insurance-related information to certain parents or guardians.

Your Committees received testimony in support of this measure from sixty-seven individuals. Your Committees received comments on this measure from the Department of Human Services.

Your Committees find that through the Department of Human Services, the State regulates and inspects child care facilities to ensure the health and safety of all children in child care. This measure requires child care providers regulated by the Department of Human Services to obtain and maintain liability insurance coverage, which will bring assurance to families who require child care services and allow opportunities for legal recourse for parents whose children are not properly cared for.

Your Committees have amended this measure by:

- (1) Requiring the Department of Human Services to submit a report to the Legislature, no later than twenty days prior to the Regular Session of 2018, on the amount of liability insurance coverage required to be obtained by child care providers, the costs incurred by child care providers and the projected impact these costs may have on the rates charged to consumers, and outreach efforts conducted by the Department to ensure compliance;
- (2) Inserting an effective date of July 1, 2050, to encourage further discussion; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 674, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 674, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Ihara).

Ways and Means: Ayes, 9. Noes, none. Excused, 2 (English, Kahele).

SCRep. 1486 (Joint) Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 672

The purpose and intent of this measure is to:

- (1) Formally establish the Hawaii keiki: healthy and ready to learn program;
- (2) Provide funding to expand and sustain the Hawaii keiki: healthy and ready to learn program; and
- (3) Appropriate funds to establish school health service coordinator positions in the Departments of Education, Health, and Human Services to increase coordination and facilitate departmental and interdepartmental activities related to comprehensive school-based health services.

Your Committees received testimony in support of this measure from the Department of Education, Executive Office on Early Learning, State Public Charter School Commission, Project Vision Hawai'i, Hawaii State Teachers Association, Healthcare Association of Hawaii, Kapiolani Child Protection Center, Hawai'i State Center for Nursing, Hawai'i Pacific Health, Hawaii Association of Professional Nurses, Planned Parenthood Votes Northwest and Hawaii, Hui for Excellence in Education, Hawaii Medical Service Association, American Organization of Nurse Executives Hawaii, IMUAlliance, and seventeen individuals. Your Committees received testimony in opposition to this measure from the Hawaii Chapter of the American Academy of Pediatrics and one individual. Your

Committees received comments on this measure from the Department of Health, Department of Budget and Finance, and Hawaii Primary Care Association.

Your Committees find that non-school factors such as chronic absenteeism, poor health, and delayed or limited access to healthcare and preventive services can impede a student's academic success. Your Committees further find that school-based services such as early eye screenings and oral hygiene services for vulnerable keiki in pre-kindergarten through high school can improve academic outcomes and increase children's opportunities for economic achievement.

Your Committees additionally find that the Hawaii keiki: healthy and ready to learn program has expanded access to health services for many of the State's students. Your Committees note the Department of Education's commitment to interdepartmental collaboration to ensure that this program is reflective of the community's needs. Furthermore, the Department of Education has identified data sharing and funding for sustainability as priority action areas necessary for the program to sustain and expand. Your Committees find that an expanded program will be able to offer services in new areas of healthcare that students have not previously had access to in Hawaii's schools.

Your Committees have amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 672, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 672, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Ihara).

Ways and Means: Ayes, 9. Noes, none. Excused, 2 (English, Kahele).

SCRep. 1487 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 165

The purpose and intent of this measure is to:

- (1) Require boards to make board packets available for public inspection, provide notice, upon request, of the availability of board packets, and to the greatest extent feasible, require boards to accommodate requests for electronic access to the board packet;
- (2) Require boards to allow oral testimony to be presented on each agenda item separately and at the time the item is first brought up for discussion at the meeting;
- (3) Add emergency meetings to the public meeting notice requirements;
- (4) Require the electronic mailing of meeting notices upon request, require the posting of the notice on the State's or appropriate county's electronic calendar, and clarify posting requirements and potential posting disputes; and
- (5) Require that the written summary that accompanies minutes that are posted as a digital or analog recording include any significant actions taken by the board, such as the motions and votes made by the board.

Your Committees received testimony in support of this measure from the Office of Information Practices, Americans for Democratic Action Hawai'i, Animals Rights Hawai'i, The Civil Beat Law Center for the Public Interest, Common Cause Hawaii, Democratic Party of Hawai'i, Hawaii Advocates for Consumer Rights, Kupuna Caucus of the Democratic Party of Hawai'i, League of Women Voters of Hawaii, and six individuals. Your Committees received testimony in opposition to this measure from the Department of Land and Natural Resources and two individuals. Your Committees received comments on this measure from the Hawaii Community Development Authority.

Your Committees find that the public is best served by increased government transparency, understanding, and participation. Modernizing the Sunshine Law to include electronic postings and communication will increase public access to valuable information regarding public agency meetings. This measure increases access to board materials via the accessibility of board packets to allow for more meaningful public testimony at meetings, and further increases the quality of public participation in civic life.

Your Committees note that requiring a board to permit oral testimony at an open meeting for each agenda item may impact the board's ability to maintain meetings in an efficient manner. Your Committees believe that a board should have the ability, but not be required, to provide interested persons an opportunity to present oral testimony on any agenda item when it is first brought up for discussion.

Accordingly, your Committees have amended this measure by:

- (1) Clarifying that a board is not required to mail board packets;
- (2) Allowing, rather than requiring, boards to permit oral testimony at open meetings for each agenda item separately and at the time the item is first brought up for discussion at the meeting;
- (3) Requiring the board to maintain reasonable care of any original or duplicate recordings of minutes that are recorded by digital or analog means;
- (4) Inserting an effective date of July 1, 2017; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 165, H.D. 1, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 165, H.D. 1, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1488 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 306

The purpose and intent of this measure is to:

- (1) Require persons charged with the offense of operating a vehicle under the influence of an intoxicant or habitually operating a vehicle under the influence of an intoxicant to be fitted with a continuous alcohol monitoring device if the person:
 - (A) Is a repeat intoxicated driver; or
 - (B) Is awaiting a criminal investigation or prosecution that is pending for one or more prior charges of operating a vehicle under the influence of an intoxicant or habitually operating a vehicle under the influence of an intoxicant;
- (2) Establish procedures for the use and removal of the continuous alcohol monitoring device; and
- (3) Require that the continuous alcohol monitoring device is fitted, maintained, and monitored by a single vendor statewide and that the vendor provide partial financial relief for the costs of the monitoring devices to certain persons.

Your Committees received testimony in support of this measure from the Department of Transportation; Prosecuting Attorney, City and County of Honolulu; Police Department, City and County of Honolulu; and SCRAM Systems. Your Committees received testimony in opposition to this measure from the Office of the Public Defender, Mothers Against Drunk Driving Hawaii, and Smart Start LLC.

Your Committees find that the National Highway Traffic Safety Administration previously reported that forty-one percent of all traffic fatalities in Hawaii were alcohol related, versus the national average of thirty-one percent. Moreover, between 2008 and 2012, eleven percent of all alcohol-related fatalities in Hawaii involved a driver who was previously convicted of operating a vehicle under the influence of an intoxicant. This measure seeks to decrease alcohol-related fatalities and accidents by requiring repeat offenders to be fitted with a continuous alcohol monitoring device.

Your Committees believe that further discussion is necessary regarding whether this measure should only be limited to post convictions of the offense of operating a vehicle under the influence of an intoxicant or habitually operating a vehicle under the influence of an intoxicant.

Your Committees have amended this measure by:

- (1) Requiring that the single statewide vendor of the continuous alcohol monitoring devices provide financial relief, rather than partial financial relief, for the costs of the monitoring devices to certain persons;
- (2) Inserting language to require the Department of the Prosecuting Attorney of the City and County of Honolulu to submit a written report to the Legislature prior to the Regular Session of 2018 that provides a comparison of the effectiveness of the alcohol monitoring devices and ignition interlock devices; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 306, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 306, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5; Ayes with Reservations (Thielen). Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1489 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 1245

The purpose and intent of this measure is to:

- (1) Limit liability for volunteers and nonprofit organizations, nonprofit corporations, or other entities that provide volunteers, who maintain or repair cemetery grounds; and
- (2) Require the Director of Commerce and Consumer Affairs, in consultation with the Comptroller, to develop strategies for the upkeep, repair, and maintenance of Sunset Memorial Park in Pearl City, Oahu;

Your Committees received testimony in support of this measure from the Department of Commerce and Consumer Affairs, Department of Accounting and General Services, Hawaii Cemetery Research Project, and six individuals. Your Committees received comments on this measure from the Hawaii Association for Justice.

Your Committees find that Sunset Memorial Park in Pearl City, Oahu, has had no registered owner on record since the death of its previous owner, and thus has been neglected for years, creating great concern for the families whose loved ones are buried there and for the surrounding community. Your Committees further find that Sunset Memorial Park volunteers have tried to maintain the cemetery but have reluctantly stopped because of state liability issues. This measure seeks to provide a viable solution to ensure the cemetery is maintained in a manner that is respectful of those buried there and ensures public safety and health.

Your Committees have amended this measure by:

- (1) Clarifying the allowable compensation or reimbursement for individual volunteers;
- (2) Inserting an effective date of January 7, 2059, to encourage further discussion; and

- (3) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1245, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1245, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1490 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 1488

The purpose and intent of this measure is to:

- (1) Amend the definition of “adequate supply” of marijuana to include seven marijuana seedlings;
- (2) Amend the definition of “debilitating medical condition” to include lupus, epilepsy, multiple sclerosis, arthritis, and autism as conditions that qualify for the legal use of medical marijuana;
- (3) Amend the definition of the term “transport” to allow qualified patients and primary caregivers to transport up to one gram of medical marijuana for laboratory testing under certain conditions;
- (4) Amend certain dates and deadlines in existing law to address the delays in implementation;
- (5) Establish new deadlines for the Department of Health to implement the dispensary system, including deadlines for implementation of the Department’s computer software tracking system and laboratory testing program;
- (6) Authorize an alternative means to track marijuana sales during any shutdown of the Department of Health’s computer tracking system and require input from licensees;
- (7) Require retention of video security recordings of production centers and dispensaries for forty-five days; and
- (8) Amend requirements for laboratory standards and testing to ensure product and patient safety at reasonable tolerance levels with reasonable cost implications.

Your Committees received testimony in support of this measure from the Drug Policy Action Group; Hawaii Educational Association for Licensed Therapeutic Healthcare; Maui Wellness Group, DBA Maui Grown Therapies; and seven individuals. Your Committees received testimony in opposition to this measure from the Hawai’i Dispensary Alliance and two individuals. Your Committees received comments on this measure from the Department of Health, Department of the Attorney General, and one individual.

Your Committees find that Act 241, Session Laws of Hawaii 2015, codified as chapter 329D, Hawaii Revised Statutes, established a licensing scheme for a statewide system of medical marijuana dispensaries and Act 230, Session Laws of Hawaii 2016, amended chapter 329D, Hawaii Revised Statutes, and other sections of the Hawaii Revised Statutes to clarify the system’s implementation. Generally, Act 241 required the Department of Health to announce the selection of medical marijuana dispensary licensees by April 15, 2016, and to allow retail dispensing of medical marijuana beginning July 15, 2016; however, implementation of the dispensary system has been delayed and the Department of Health has not indicated when full implementation may occur. This measure seeks to address issues to enable implementation of the medical marijuana dispensary system as envisioned in Acts 241 and 230.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1488, H.D. 1, S.D. 1, and recommend that it pass Third Reading.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1491 Economic Development, Tourism, and Technology on H.B. No. 1041

The purpose and intent of this measure is to:

- (1) Repeal the ongoing reporting requirement by the Greenhouse Gas Emission Reduction Task Force to the Legislature regarding updates to its work plan and proposed regulatory scheme; and
- (2) Direct the University of Hawaii Office of the Vice President for Research and Innovation, rather than the Department of Business, Economic Development, and Tourism, to appoint the panel to conduct an evaluation of energy systems development special fund projects.

Your Committee received testimony in support of this measure from the Department of Business, Economic Development, and Tourism; and University of Hawaii. Your Committee received testimony in opposition to this measure from one individual.

Your Committee finds that the Greenhouse Gas Emissions Reduction Task Force was dissolved in 2010; therefore, reporting every five years is no longer practical or useful. Your Committee further finds that the Hawaii Natural Energy Institute comes under the purview of the University of Hawaii. Thus, the University of Hawaii would be the proper entity to appoint the panel to conduct the evaluation of the energy systems development special fund projects.

As affirmed by the record of votes of the members of your Committee on Economic Development, Tourism, and Technology that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1041, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Baker).

SCRep. 1492 Commerce, Consumer Protection, and Health on H.B. No. 912

The purpose and intent of this measure is to allow advanced practice registered nurses who hold a national certification in a psychiatric specialization to offer care and services to minors and patients in assisted community treatment similar to care and services offered by physicians and other healthcare service providers.

Your Committee received testimony in support of this measure from the Board of Nursing, Department of Health, Hawai'i State Center for Nursing, Hawaii Substance Abuse Coalition, Hawaii Association of Professional Nurses, Mental Health Task Force, and three individuals.

Your Committee finds that advanced practice registered nurses are licensed healthcare practitioners qualified to provide primary medical services to adolescents. Your Committee further finds that advanced practice registered nurses fill an important role in caring for patients' current and future health needs, and can help improve timely access to qualified behavioral health services for individuals most in need of care, such as severely mentally ill patients in assisted community treatment. Your Committee notes that while the State is experiencing a shortage of behavioral health specialists, the number of advanced practice registered nurses has nearly doubled in the years between 2005 and 2015.

Your Committee additionally finds that removing barriers to practice for advanced practice registered nurses will produce better access to safe, timely, quality healthcare for patients in Hawaii. More specifically, advanced practice registered nurses with psychiatric specialties are highly qualified to assess, diagnose, treat, and prescribe to patients with mental health conditions as well as adolescents in need of mental health services.

Your Committee notes that advanced practice registered nurses are required to complete seventy-five continuing education credits every five years in their specialty area and twenty-five of these continuing education credits must be in pharmacotherapy. Although advanced practice registered nurses inherently have ongoing training related to prescriptive knowledge, your Committee finds that it is prudent that the statutory language in this measure be forthright and clear in specifying throughout this measure that the advanced practice registered nurses who are authorized to treat minors and patients in assisted community treatment, as proposed by this measure, are advanced practice registered nurses who hold prescriptive authority and are certified in a psychiatric specialization.

Accordingly, your Committee has amended this measure by:

- (1) Inserting the phrase "advanced practice registered nurse with prescriptive authority and who holds an accredited national certification in an advanced practice registered nurse psychiatric specialization" to replace all references to "advanced practice registered nurse" in the provisions related to assisted community treatment;
- (2) Inserting language to the definition of the term "advanced practice registered nurse" related to assisted community treatment to require that the individual:
 - (A) Holds an accredited national certification in an advanced practice registered nurse psychiatric specialization; and
 - (B) Holds prescriptive authority pursuant to section 457-8.6, Hawaii Revised Statutes;
- (3) Clarifying that an advanced practice registered nurse can be considered a "licensed mental health professional" authorized to provide mental health treatment or counseling services to a minor only if the advanced practice registered nurse holds an accredited national certification in an advanced practice registered nurse psychiatric specialization; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 912, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 912, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1493 Commerce, Consumer Protection, and Health on H.B. No. 223

The purpose and intent of this measure is to:

- (1) Allow a landlord or landlord's agent to charge an application screening fee as part of the applicant screening process for renting residential property;
- (2) Limit the amount that may be charged for an application screening fee;
- (3) Require the landlord or landlord's agent to return any unauthorized fee amounts to an applicant; and
- (4) Require the Department of Commerce and Consumer Affairs to submit a report to the Legislature on the application screening fees charged by landlords and their agents.

Your Committee received testimony in support of this measure from the Office of Hawaiian Affairs, The CHOW Project, Catholic Charities Hawai'i, Partners in Care, and one individual. Your Committee received testimony in opposition to this measure from Young Hawaii Homes, Inc.; Cornerstone Properties; Clark Realty Corporation; Hawai'i Association of REALTORS; Foster Realty, Inc.; National Association of Residential Property Managers, Oahu Chapter; Gustafson Real Estate LLC; Lighthouse Properties; Marie Hansen Properties, Inc.; Locations LLC; Kona Aloha Property Services; and one individual. Your Committee received comments on

this measure from the Governor's Coordinator on Homelessness, Office of Consumer Protection of the Department of Commerce and Consumer Affairs, Consumer Data Industry Association, and three individuals.

Your Committee finds that existing law does not specifically regulate the nature and amount of application fees that landlords may charge prospective tenants. Furthermore, application screening fees may be a significant barrier to housing for low-income residents, including elderly persons and individuals and families who are homeless or on the brink of homelessness. According to testimony from the Office of Consumer Protection, it has received allegations from prospective tenants claiming that the cost of an application fee does not correlate with the cost of background checks. The Office of Consumer Protection also indicated that excessive application fees are particularly egregious in those circumstances when a landlord or the landlord's agent receives numerous applications for one apartment, most of which are not seriously considered. Rather, the landlord or the landlord's agent takes advantage of their bargaining position to create a supplemental source of income merely by screening potential tenants. This measure therefore sets a limit on the amount that could be charged to a prospective tenant, while still enabling landlords to be compensated for the expense associated with credit checks.

Your Committee notes that this measure requires the Department of Commerce and Consumer Affairs to submit a report to the Legislature on the application screening fees charged by a landlord or a landlord's agent. However, the Office of Consumer Protection indicated to your Committee that this reporting requirement is unnecessary, as the Office has already surveyed tenant screening services online that include a credit check and criminal background check and determined that such services cost \$25 or less.

Your Committee has heard the testimony regarding landlords charging an application fee and receiving multiple applications for a single unit. Your Committee notes that, realistically, there are only so many tenant applications that can reasonably be accepted and considered at one time for a single available rental unit. Thus, further discussion may be needed regarding potentially limiting the number of tenant applications for a rental unit that can be received at one time.

Your Committee has amended this measure by:

- (1) Clarifying that only one application screening fee may be charged per application, and specifying that a landlord or the landlord's agent shall not charge an application screening fee for each member of a household;
- (2) Deleting language that would have required the Department of Commerce and Consumer Affairs to submit a report to the Legislature on the application screening fees charged by a landlord or a landlord's agent;
- (3) Inserting an effective date of July 1, 2050, to encourage further discussion;
- (4) Inserting a sunset date of June 30, 2020; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 223, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 223, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Chang).

SCRep. 1494 Commerce, Consumer Protection, and Health on H.B. No. 696

The purpose and intent of this measure is to designate the month of September each year as Suicide Prevention and Awareness Month.

Prior to holding a hearing on this measure, your Committee made available for public review a proposed S.D. 1 of this measure. The proposed S.D. 1 deleted the contents of this measure and inserted provisions that:

- (1) Change the name of the Board of Dental Examiners to the Board of Dentistry and Dental Hygiene and, beginning on July 1, 2018, increase dental hygienist representation on the board and ensure Oahu and neighbor island representation among dental hygienist members;
- (2) Expand the required qualifications that applicants may fulfill as part of the requirements for dental licensure to include passage of any nationally recognized clinical dental examination recommended by the American Dental Association other than the American Board of Dental Examiners (ADEX) examination and dental licensure in another state; provided that the applicant meets specific qualifications; and
- (3) Clarify the allowable and prohibited practices requirements for dental assistants; clarify that rules adopted by the Board of Dental Examiners shall not infringe upon, overlap with, or conflict with the duties and scope of practice for other licensed professionals; and prohibit persons from employing, directing, or ordering a dental assistant or other person to perform services or procedures within the scope of practice of dental hygiene.

Your Committee received testimony in support of the proposed S.D. 1 from the Hawaii Dental Hygienists' Association and fifteen individuals. Your Committee received testimony in opposition to the proposed S.D. 1 from the Board of Dental Examiners, Hawaii Dental Association, University of Hawai'i System, and over one hundred sixty individuals.

Your Committee finds that although the original purpose of the Board of Dental Examiners was to act as a pool of dental examiners, the board's present function has moved beyond merely conducting licensing exams. The board is now more regulatory in nature, as it encompasses the regulation of dentistry, under chapter 448, Hawaii Revised Statutes, and dental hygienists, under chapter 447, Hawaii Revised Statutes. Accordingly, since the board governs two professions, it is logical to modernize the name of the board to the Board of Dentistry and Dental Hygiene (Board), which accurately reflects the professions the board oversees.

Your Committee further finds that although there are currently twelve members on the Board, only two members are dental hygienists. This unequal representation may result in the dental hygienists' views not being reflected in the board's actions. Accordingly, the proposed S.D. 1 amends the Board's composition to add dental hygienist members, including dental hygienist members from the neighbor islands, which will ensure that the unique and valuable perspective of dental hygienists and neighbor island residents are more adequately represented.

Your Committee additionally finds that licensed and registered dentists are permitted under existing law to employ auxiliary personnel, known as dental assistants, to assist a dentist in the dentist's practice. Like dental hygienists, dental assistants are a valuable part of a dental team, and each team member plays a critical role in the execution of outstanding patient care. However, existing law does not require licensure or educational requirements or standardized training for dental assistants. It is therefore not appropriate for dental assistants to be expected or required to perform duties, activities, or functions that, if performed by a dental hygienist, would require licensure. Your Committee notes that the proposed S.D. 1 does not diminish the role of dental assistants, or otherwise affect the functions that dental assistants can already perform. Rather, the proposed S.D. 1 makes certain necessary clarifications to existing law regarding the allowable and prohibited practices requirements for dental assistants.

Furthermore, your Committee notes that it is the Legislature who determines duty and scope of practice for licensed professionals in the State. Therefore, your Committee does not believe it is appropriate for the Board to adopt rules that attempt to circumvent or infringe upon the legislatively-determined parameters regarding duty and scope of practice for other licensed professionals within the Board's purview. Thus, your Committee emphasizes that if the Board desires to change the scope of practice for auxiliary personnel, the Board must approach the Legislature to request such a change.

Finally, your Committee has heard the concerns raised in testimony regarding language in the proposed S.D. 1 that would expand the required qualifications for dental licensure to include passage of any nationally-recognized clinical dental examination recommended by the American Dental Association other than the ADEX examination. However, according to testimony from the Board, the American Dental Association recently announced that it would be developing a national dental examination without the use of live patients. All of the existing regional examinations for dental licensure require a clinical examination with live patients, and your Committee agrees that such a requirement is essential to determine competency for dental licensees. Amendments to the proposed S.D. 1 to remove this language are therefore necessary.

Your Committee has amended this measure by adopting the proposed S.D. 1 and further amending the measure by:

- (1) Deleting language that would have expanded the required qualifications that applicants may fulfill as part of the requirements for dental licensure to include passage of any nationally recognized clinical dental examination recommended by the American Dental Association other than the ADEX examination and dental licensure in another state; provided that the applicant met specific qualifications;
- (2) Inserting an effective date of July 1, 2050, to encourage further discussion; and
- (3) Making technical, nonsubstantive amendments for purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 696, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 696, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Chang).

SCRep. 1495 Judiciary and Labor on H.B. No. 301

The purpose and intent of this measure is to require the Clerk of the Court to grant to a party a single extension of no more than fifteen days for filing with the Supreme Court a response to an application for writ of certiorari upon timely written request of the party; and clarify what constitutes a timely request for an extension.

Your Committee received testimony in support of this measure from the Department of the Prosecuting Attorney, City and County of Honolulu; Office of the Prosecuting Attorney, County of Kaua'i; Office of the Prosecuting Attorney, County of Hawai'i; and Department of the Prosecuting Attorney, County of Maui.

Your Committee finds that this measure ensures that a responding party to an application for writ of certiorari in civil or criminal cases is given equal opportunity to respond to an application.

Your Committee has amended this measure by:

- (1) Replacing references to "opposition" with "response" for purposes of consistency;
- (2) Deleting the savings clause under section 2; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 301, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 301, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1496 Judiciary and Labor on H.B. No. 461

The purpose and intent of this measure is to:

- (1) Establish the offense of resisting arrest in the first degree as a class C felony; and
- (2) Reclassify the existing offense of resisting arrest as the offense of resisting arrest in the second degree, which is a misdemeanor.

Your Committee received testimony in support of this measure from the Department of the Prosecuting Attorney, City and County of Honolulu and Police Department, City and County of Honolulu. Your Committee received testimony in opposition to this measure from the Office of the Public Defender and two individuals. Your Committee received comments on this measure from the Department of the Attorney General.

Your Committee finds that existing law does not adequately address situations where an offender takes or attempts to take a law enforcement officer's firearm. Officers sometimes engage in physical altercation with offenders while trying to make an arrest, placing their firearms in close proximity to the offender's grasp. This can result in a dangerous situation for the law enforcement officer and the offender because a gun in close quarters can discharge and seriously injure or kill the persons involved or bystanders. This measure elevates the offense of resisting arrest to a felony when the offender uses or attempts to use force to remove a law enforcement officer's firearm during the course of an arrest, to provide a greater deterrent as well as create a safer working environment for law enforcement officers.

Your Committee notes the concerns raised in written testimony submitted by the Department of the Attorney General that the language in this measure regarding the offense of resisting arrest in the first degree may pose title concerns because the language only refers to an officer who is acting under color of the law enforcement officer's official authority. Thus, a law enforcement officer could be engaged in any law enforcement activity, not necessarily an arrest.

Accordingly, your Committee has amended this measure by:

- (1) Adopting the language suggested by the Department of the Attorney General that clarifies the language under the offense of resisting arrest in the first degree that the use of force to remove a firearm from a law enforcement officer must be done while the law enforcement officer is effecting an arrest;
- (2) Clarifying that the mens rea required under the offense of resisting arrest in the first degree is only intentionally, rather than intentionally or knowingly;
- (3) Inserting an effective date of January 7, 2059, to encourage further discussion; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 461, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 461, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Kim).

SCRep. 1497 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 1401

The purpose and intent of this measure is to:

- (1) Require all elections to be conducted by mail beginning with the 2020 primary election;
- (2) Establish procedures to conduct elections by mail, including requirements for ballots, replacement ballots, deficient return of ballots, electronic transmission of ballots under certain conditions, ballot counting, and election expenses and responsibilities;
- (3) Establish a limited number of voter service centers to receive personal delivery of mail-in ballots, accommodate voters with special needs, offer same day registration and voting, and provide other election services;
- (4) Allow for additional places of deposit for personal delivery of mail-in ballots;
- (5) Make conforming amendments to existing laws relating to elections to reflect and implement an election by mail system, including the laws relating to voter registration, precinct officials and watchers, election proclamations, postponement of elections due to natural disasters, ballots, voting procedures, ballot counting and election results;
- (6) Make conforming amendments to existing laws relating to absentee voting;
- (7) Appropriate funds for the preparation for and implementation and administration of elections by mail; and
- (8) Require the Office of Elections to submit a report to the Legislature prior to the convening of each Regular Session from 2019 to 2023, regarding the implementation and administration of the election by mail program.

Your Committees received testimony in support of this measure from the Office of Elections; Office of Hawaiian Affairs; Office of the City Clerk, City and County of Honolulu; Office of the County Clerk, County of Hawai'i; Office of the County Clerk, County of Kaua'i; Office of the County Clerk, County of Maui; League of Women Voters of Hawaii; Common Cause Hawaii; Americans for Democratic Action Hawai'i; Planned Parenthood Votes Northwest and Hawaii; and thirty-seven individuals. Your Committees received testimony in opposition to this measure from one individual. Your Committees received comments on this measure from the Disability and Communication Access Board and two individuals.

Your Committees find that the trend in Hawaii has been toward increased mail-in voting and that shifting to elections by mail would significantly reduce the logistical issues related to conducting elections. This measure uniformly implements an election by mail voting system for all elections beginning with the 2020 primary election.

Your Committees note that S.B. No. 334, S.D. 2 (Regular Session of 2017) contains language that is substantially similar to this measure, except for the following provisions of particular note, which:

- (1) Allow any election to be conducted by mail prior to the 2020 primary election, in whole or in part, as determined by the chief election officer or county clerk, as appropriate;
- (2) Clarify that the county clerks are primarily responsible for voting operations at voter service centers and places of deposit;
- (3) Delete references to “precinct” and replace them with “district” or “area”, when appropriate;
- (4) Repeal language that would have had the inadvertent effect of requiring any person registering to vote at a voter service center before or on election day to affirm that the person will not vote in that election;
- (5) Delete references to “precinct official” and replace them with “election official”, when appropriate;
- (6) Delete the section that would have repealed section 15-4, Hawaii Revised Statutes, relating to the request for an absentee ballot; and
- (7) Require the Office of Elections’ reports to the Legislature to include any developments in assistive technology that may be implemented to ensure that persons with disabilities are not, on the whole, disadvantaged by the implementation of the election by mail program, including the costs associated with such technology.

Your Committees further note that this measure includes a blank appropriation for fiscal year 2018-2019, and that part of the sum appropriated is required to be distributed by the Office of Elections to each county for expenditure to begin implementation of voting by mail. To date, however, your Committees have not received detailed estimates or cost breakdowns from the Office of Elections or any of the counties of the amounts these offices will require to begin implementation during that period of time and subsequent years. Your Committees finally note that it is important to receive in advance as much information as possible concerning the associated costs for not only public awareness and education, but also for any new facilities, equipment, processing services, software, and other items that may be necessary. Therefore, your Committees request that the Office of Elections submit estimates and cost breakdowns for the implementation of a vote by mail system as this measure moves through the legislative process.

Accordingly, your Committees have amended this measure by deleting its contents and inserting the contents of S.B. No. 334, S.D. 2 (Regular Session of 2017), and amending the language further by:

- (1) Making technical, nonsubstantive amendments to:
 - (A) Amend section 1 to accurately describe the components of the measure;
 - (B) Clarify that to cast a valid ballot, the voter is required to return the ballot by mail or electronic transmission, under certain circumstances, or by personal delivery to any voter service center no later than the closing hour, rather than closing time, provided in section 11-131, Hawaii Revised Statutes;
 - (C) Clarify the deadlines to cast a voted replacement ballot requested by electronic transmission via electronic transmission, mail, or personal delivery to any place of deposit or voter service center;
 - (D) Make additional conforming amendments regarding references to “precinct” and “polling place”, when appropriate, and to distinguish the duties and responsibilities between the Chief Election Officer and county clerk with respect to proclamations, voter service centers, and watchers, when appropriate;
 - (E) Clarify the hours of voting at voter service centers under section 11-131, Hawaii Revised Statutes;
 - (F) Make a conforming amendment to section 11-152, Hawaii Revised Statutes;
 - (G) Clarify the deadline by which absentee ballots are required to be delivered at a voter service center; and
 - (H) Repeal the definition of “absentee polling place” under section 15-1, Hawaii Revised Statutes, and repeal section 15-8, Hawaii Revised Statutes, relating to absentee ballot boxes, to reflect the amendments that replace absentee polling places with voter service centers;
- (2) Adding language to allow voters with special needs to request a ballot to be forwarded by electronic transmission;
- (3) Inserting an effective date of January 1, 2020, and clarifying that nothing shall preclude the Chief Election Officer and the county clerk of a county from determining that an election may be conducted by mail, in whole or in part, using the procedures and facilities specified in section 2, beginning on January 1, 2018; and
- (4) Making other technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1401, H.D. 1, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 1401, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1498 Judiciary and Labor on H.B. No. 1501

The purpose and intent of this measure is to reclassify drug paraphernalia possession and delivery offenses from felonies to violations subject to a fine of \$100.

Your Committee received testimony in support of this measure from the Office of Hawaiian Affairs, American Civil Liberties Union of Hawai'i, Community Alliance on Prisons, The Drug Policy Forum of Hawai'i, Hawai'i Dispensary Alliance, Kush Bottles Hawaii, African American Lawyers Association, Community Health Outreach Work, The Drug Policy Action Group, and twenty-two individuals. Your Committee received testimony in opposition to this measure from the Department of the Prosecuting Attorney, City and County of Honolulu; Department of the Prosecuting Attorney, County of Maui; Office of the Prosecuting Attorney, County of Hawai'i; and Police Department, County of Hawai'i. Your Committee received comments on this measure from the Department of the Attorney General and Department of Public Safety.

Your Committee finds that drug paraphernalia possession and delivery offenses are nonviolent offenses. By eliminating the criminal penalties for drug paraphernalia possession and delivery offenses, this measure will help to prevent nonviolent individuals from becoming involved with the criminal justice system, eliminate many collateral consequences that stem from drug paraphernalia arrests, and provide for the reinvestment of money into community needs, such as drug treatment programs.

Your Committee has amended this measure by:

- (1) Making technical, nonsubstantive amendments to the preamble under section 1 for purposes of clarity and consistency;
- (2) Clarifying that a person using, or possessing with the intent to use, drug paraphernalia or a person delivering, possessing with intent to deliver, or manufacturing with intent to deliver drug paraphernalia shall be subject to a civil fine of no more than \$500, rather than \$100; and
- (3) Inserting an effective date of January 7, 2059, to encourage further discussion.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1501, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1501, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 4; Ayes with Reservations (Kim). Noes, none. Excused, 1 (Gabbard).

SCRep. 1499 Commerce, Consumer Protection, and Health on H.B. No. 407

The purpose and intent of this measure is to:

- (1) Authorize the issuance of employer-sponsored high deductible health plans, if certain conditions are met;
- (2) Require maintenance of health savings accounts in conjunction with high deductible health plans; and
- (3) Specify that employers and health insurers, mutual benefit societies, and health maintenance organizations that buy or sell high deductible health plans remain subject to the Prepaid Health Care Act.

Your Committee received testimony in support of this measure from the University Health Alliance; Alexander & Baldwin, Inc.; JTB Hawaii, Inc.; Outrigger Hotels & Resorts; and twenty-two individuals. Your Committee received testimony in opposition to this measure from the Hawaii State AFL-CIO and International Longshore and Warehouse Union, Local 142. Your Committee received comments on this measure from the Department of the Attorney General, Department of Labor and Industrial Relations, Hawaii Medical Service Association, and Kaiser Permanente Hawaii.

Your Committee finds that health savings accounts are authorized under federal law and can be used in combination with a high deductible health plan to afford employees and their families a tax-advantaged medical savings account. Health savings accounts offer federal and state tax benefits and the health savings account is portable, meaning unspent balances continue to accumulate over time and follow an employee if the employee changes jobs. Your Committee further finds that health savings accounts are not appropriate for every employee, but for those employees who may be better matched with a health savings account program rather than a group plan, health savings accounts offer significant financial incentives. Accordingly, this measure permits health plans the option of offering a high deductible health plan, in conjunction with a health savings account, as long as another health insurance policy, which is compliant with the Prepaid Health Care Act, is also offered to each eligible employee.

Your Committee additionally finds that it is important for employees to be educated on the potential costs and benefits of any high deductible health plan that may be offered in conjunction with a health savings account. Your Committee notes that it is important that employees who choose a high deductible health plan do so voluntarily, and are not inappropriately steered toward such a plan if it is not in the employees' best interest. Amendments to address these concerns are therefore necessary.

Finally, your Committee notes that this measure contains a five-year sunset date, which gives the Legislature an opportunity to revisit this issue at a later date.

Your Committee has amended this measure by:

- (1) Deleting language that would have required an insurer, mutual benefit society, or health maintenance organization to ensure that employers offer a prepaid health care plan insurance policy that is not a high deductible health plan and a health savings account in conjunction with a high deductible health plan to each eligible insured;
- (2) Specifying that an employer who provides a high deductible health plan in conjunction with a health savings account to a participating employee shall contribute an unspecified percent per pay period into the participating employee's health savings account maintained in conjunction with a high deductible health plan;
- (3) Clarifying that when a high deductible health plan is offered, sold, or renewed to employers, any such package that contains a high deductible health plan offered in conjunction with a health savings account must be approved as a prepaid group health plan pursuant to section 393-7(b), Hawaii Revised Statutes;

- (4) Specifying that each insurer, mutual benefit society, or health maintenance organization that offers, sells, or renews a high deductible health plan in conjunction with a health savings account shall file with the Insurance Commissioner a report containing the insurer's, mutual benefit society's, or health maintenance organization's educational information and marketing materials regarding any such health plan and health savings account that may be offered by the insurer and requiring the Insurance Commissioner to receive any related complaints from employees;
- (5) Clarifying that insurers, mutual benefit societies, and health maintenance organizations are not required to serve as the primary custodian or trustee of a health savings account; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 407, H.D. 3, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 407, H.D. 3, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 6; Ayes with Reservations (Espero, Kidani, Ruderman). Noes, none. Excused, 1 (Chang).

SCRep. 1500 (Majority) Ways and Means on H.B. No. 115

The purpose and intent of this measure is to address issues regarding public roads for which there is a dispute between the State and another party over ownership and jurisdiction.

Specifically, this measure requires each county with a population of five hundred thousand or greater to take ownership and jurisdiction over all disputed public roads under certain circumstances.

Your Committee received written comments in support of this measure from the Department of Transportation, Department of Land and Natural Resources, Managing Director of the City and County of Honolulu, Bank of Hawaii, and Chamber of Commerce Hawaii.

Your Committee finds there are numerous roads throughout the State for which ownership has been disputed and that consequently do not receive proper care and maintenance. These disputes create difficulties for both members of the public and for government agencies when individuals report repair or maintenance issues. Your Committee believes this measure will resolve these issues by requiring the counties to take ownership of and exercise jurisdiction over these disputed roads.

Your Committee notes that the Department of Transportation has requested an amendment to section 4 of Act 194, Session Laws of Hawaii 2016, to change the appropriation date from Fiscal Year 2016-2017 to Fiscal Year 2017-2018, to allow for positions and operating expenditures of the Roads Commission to complete its review of private road ownership disputes as required by that Act.

Your Committee also notes a proposed amendment from the Department of Land and Natural Resources that would ensure that the definition of "disputed roads" includes those roads whose ownership is in dispute between a county and a private landowner. The Department of Land and Natural Resources also requested that, if applicable, language be added to expressly confirm the intent of the Legislature to exempt the surrender of roads to a county under this measure from section 171-64.7, Hawaii Revised Statutes, which requires a supermajority approval of both houses of the Legislature for conveyances of state lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 115, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, 1 (Harimoto). Excused, none.

SCRep. 1501 Ways and Means on H.B. No. 208

The purpose and intent of this measure is to provide the Department of Labor and Industrial Relations with increased authority to enforce labor laws.

Specifically, this measure:

- (1) Requires the Department of Labor and Industrial Relations to issue a stop-work order for employers who fail to procure proper workers' compensation insurance or to provide their employees with information on workers' compensation rights and claims for benefits;
- (2) Requires that employees affected by a stop-work order shall be paid for the time lost, up to ten days;
- (3) Establishes a procedure for an employer to protest a stop-work order; and
- (4) Provides for the issuance of an order of wage payment violation to employers who fail to pay wages and other compensation.

Your Committee received written comments in support of this measure from the Department of Labor and Industrial Relations; Hawaii Construction Alliance; Alan Shintani, Inc.; Hawaii Regional Council of Carpenters; Pacific Resource Partnership; Allied Builders System; and BIA-Hawaii.

Your Committee received written comments on this measure from the General Contractors Association of Hawaii and The Chamber of Commerce Hawaii.

Your Committee finds that some employers continue to ignore Hawaii's workers' compensation insurance requirements because penalties are insufficient to deter the illegal practice. These unscrupulous employers gain an illegal and economic advantage over their competitors at the expense of their employees. Your Committee further finds that requiring the Department of Labor and Industrial

Relations to issue a stop-work order for non-complying employers will incentivize employers to follow the law, which will ultimately provide proper protections for employees.

Your Committee has amended this measure by specifying that a lawsuit to enjoin an employer who is in default of the workers' compensation insurance requirements under section 386-121, Hawaii Revised Statutes, may be filed in the judicial circuit of the employer's principal place of business in the State, in addition to where the violation occurred.

Your Committee requests that the amendments proposed by Pacific Resource Partnership, including authorizing the Department of Labor and Industrial Relations to impose a penalty of \$1,000 per day of violation of a stop-work order; making a technical amendment to delete reference to section 386-99, Hawaii Revised Statutes; and extending the time for the Department of Labor and Industrial Relations to issue a decision following a hearing on a stop-work order, be considered during Conference on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 208, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 208, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1502 Ways and Means on H.B. No. 735

The purpose and intent of this measure is to amend the prorated amount of vehicle license and registration fees and weight taxes that rental car companies may pass on to lessees.

In addition, this measure:

- (1) Requires the motor vehicle rental industry to report to the Legislature prior to the Regular Session of 2019; and
- (2) Defines "vehicle license recovery fee" for the purposes of the report.

Your Committee received written comments in support of this measure from the Department of Transportation, Enterprise Holdings, American Car Rental Association, Avis Budget Group, and the Chamber of Commerce Hawaii.

Your Committee received written comments in opposition to this measure from the Office of Consumer Protection.

Your Committee finds that although current law permits rental car companies to recover from rental car customers certain mandatory government fees paid by the companies to make the rental vehicles road-ready, the prorated formula is calculated over a period of three hundred sixty-five days, which results in a significant portion of the fees going unrecovered. In addition, the categories of government fees that the companies are permitted to collect do not reflect the total fees paid by rental car companies. Rental car companies thus incur a shortfall in collections under the existing law. Your Committee further finds that many states have laws permitting rental car companies to pass on to consumers an amount closer to the full recovery of these mandatory government fees.

Your Committee has amended this measure by:

- (1) Expanding the definition of "vehicle license recovery fees" by changing "fee" to "fees" and including inspection fees and highway beautification fees;
- (2) Codifying the definition of "vehicle license recovery fees" within chapter 437D, Hawaii Revised Statutes; and
- (3) Allowing lessors to pass on to lessees a prorated amount of vehicle license recovery fees, rather than only registration and weight taxes.

Your Committee notes that this measure is a work in progress, and much needs to be done to achieve a workable final conference draft. Specifically, your Committee requests that, if a Committee on Conference is convened to consider this measure, it determine the appropriate amount of pro rated vehicle license recovery fees that lessors may pass on to lessees. Your Committee notes that several rental car companies suggested 1/292 as an appropriate amount. The companies testified that this fraction reflects the average amount of time each year that motor vehicles are actually rented.

Your Committee also requests the Committee on Conference to consider whether amendments should be made to:

- (1) Make the reporting requirement imposed by section 3 of this measure more relevant and reasonable; and
- (2) Clarify exactly which organization is responsible for preparing and submitting the required report to the Legislature.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 735, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 735, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1503 Ways and Means on H.B. No. 733

The purpose and intent of this measure is to provide exemptions from vehicle registration, safety inspection, and driver licensure requirements in relation to tractor trucks, forklifts, and top picks used as marine terminal equipment temporarily moving in or between terminals at Sand Island and along Sand Island Parkway and Sand Island Access Road.

Your Committee received written comments in support of this measure from the Department of Transportation; The Maritime Group, LLC; and Matson.

Your Committee finds that by streamlining the requirements for moving marine equipment between terminals at commercial harbors, this measure allows harbor users to re-allocate resources and promotes operational efficiencies and flexibility, which are needed at terminals at Sand Island and along Sand Island Parkway and Sand Island Access Road.

Your Committee has amended this measure by changing its effective date to July 1, 2017.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 733, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 733, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1504 Ways and Means on H.B. No. 374

The purpose and intent of this measure is to clarify the scope of practice of a dental assistant.

Specifically, the measure:

- (1) Prohibits the Board of Dental Examiners from adopting rules for dental assistants that infringe upon, overlap with, or conflict with the duties and scope of practice for any other licensed professional;
- (2) Prohibits persons from employing dental assistants to perform services or procedures within the scope of practice of dental hygiene, unless the dental assistant is a licensed dental hygienist; and
- (3) Requires the Auditor to conduct a sunrise analysis of Kapiolani Community College's certification program for dental assistants.

Your Committee received written comments in support of this measure from the Hawaii Dental Hygienists' Association and thirteen individuals. Your Committee received written comments in opposition to this measure from the Board of Dental Examiners.

Your Committee believes that increased access to oral health care is of the utmost importance to the State, provided that safety is not compromised. This measure protects the public and promotes dental health by disallowing untrained, unlicensed, and unregulated personnel from performing duties that historically required education, testing, and licensure.

Your Committee has amended this measure by deleting part I, which prohibits the Board of Dental Examiners from adopting rules for dental assistants that infringe upon, overlap with, or conflict with the duties and scope of practice for any other licensed professional and further prohibits persons from employing dental assistants to perform the work of a dental hygienist.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 374, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 374, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 9. Noes, none. Excused, 2 (Galuteria, Inouye).

SCRep. 1505 Ways and Means on H.B. No. 488

The purpose and intent of this measure is to increase the availability of and access to housing stock in the State.

Specifically, this measure:

- (1) Specifies that certain provisions of the Internal Revenue Code related to at-risk rules and deductions and to passive activity losses do not apply with respect to claims from the state low-income housing tax credit;
- (2) Authorizes the issuance of general obligation bonds for rental housing, a mixed-use affordable rental housing and multi-use juvenile services and shelter center, and public housing improvements, renovations, and security upgrades; and
- (3) Appropriates funds for deposit into the dwelling unit revolving fund to support housing development.

Your Committee received written comments in support of this measure from the Hawaii Public Housing Authority; Hawaii Housing Finance and Development Corporation; Hawaii State Judiciary; Hawaii Operating Engineers Industry Stabilization Fund; EAH Housing; InState Partners; Hawaii Construction Alliance; Faith Action for Community Equity; Hawaii Habitat for Humanity Association, Inc.; FACE/Housing Now Coalition; DeBartolo Development; Hawaii Association of Realtors; FACE Maui; Partners in Care; Catholic Charities Hawaii; The Community Health Outreach Work to Prevent AIDS Project; Stanford Carr Development, LLC; Pacific Resource Partnership; IMUAlliance; Michaels Development Company; Chamber of Commerce Hawaii; PHOCUSED; Land Use Research Foundation of Hawaii; and four concerned individuals.

Your Committee received written comments on this measure from the Department of Taxation.

Your Committee finds that increasing access to affordable housing in Hawaii is a priority for the State. Your Committee further finds that current limitations on low-income housing tax credits exclude many individuals and small businesses from participation.

Your Committee is concerned about cash balances in the rental housing revolving fund, the dwelling unit revolving fund, and the Hula Mae fund. Quicker disbursement of funding will promote more housing development and a healthier economy for all Hawaii residents. Affordable housing advocates should be made aware of this issue, and your Committee encourages advocates to undertake efforts to support more expeditious expenditures by the Hawaii Housing Finance and Development Corporation.

Your Committee also believes it is more appropriate to address appropriations for housing projects through the executive budget.

Accordingly, your Committee has amended this measure by:

- (1) Deleting language authorizing the issuance of general obligation bonds for rental housing, a mixed-use affordable rental housing and multi-use juvenile services and shelter center, and public housing improvements, renovations, and security upgrades;
- (2) Deleting language appropriating funds for the dwelling unit revolving fund;
- (3) Providing that the amendments made to the low-income housing tax credit in section 2 of the measure will apply to qualified low-income buildings awarded credits beginning after December 31, 2050, rather than December 31, 2017, to facilitate further discussion on the measure; and
- (4) Making technical, nonsubstantive amendments for clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 488, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 488, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1506 Ways and Means on H.B. No. 916

The purpose and intent of this measure is to appropriate funds to the Department of Health to address the shortage of primary healthcare providers in Hawaii.

More specifically, this measure appropriates funds to support the Hawaii Rural Health Care Provider Loan Repayment Program administered through the John A. Burns School of Medicine to provide loan repayment for physicians, physician assistants, and nurse practitioners who agree to work in a federally-designated health professional shortage area or an area of Hawaii found to be underserved.

Your Committee received written comments in support of this measure from the Department of Health; Department of Labor and Industrial Relations; University of Hawaii; East Hawaii Region of the Hawaii Health Systems Corporation; Office of the Mayor, County of Hawaii; Hawaii Academy of Family Physicians; Healthcare Association of Hawaii; Lanai Community Health Center; Big Island Toyota; Hawaii Pacific Health; Hawaii Medical Service Association; Hawaii Medical Association; Hilo Medical Center Foundation; The Queen's Health Systems; ILWU Local 142; Hawaii Area Health Education Center; and sixteen individuals.

Your Committee finds that Hawaii is facing a shortage of primary health care providers, particularly in rural areas, that threatens individual health and cumulatively affect the State's health care costs. Your Committee further finds that the increasingly high cost of education for health care professionals binds graduates to a career path focused on pursuing an income to repay exorbitant student loans, rather than pursuing general practice on neighbor islands or in rural areas where the need is greatest. Your Committee believes it is important to provide funds to the Hawaii Rural Health Care Provider Loan Repayment Program administered through the John A. Burns School of Medicine to address the need for physicians in underserved areas of the State.

Your Committee has amended this measure by adding an appropriation of an unspecified amount for fiscal year 2018-2019.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 916, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 916, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1507 Ways and Means on H.B. No. 206

The purpose and intent of this measure is to provide funding for wireless enhanced 911 services.

More specifically, the measure:

- (1) Establishes a 1.5 per cent prepaid wireless E911 surcharge at the point of sale of wireless telecommunications services;
- (2) Allows sellers of prepaid wireless telecommunications services to deduct and retain three per cent of all surcharges collected from consumers to offset administrative expenses associated with collecting the surcharge; and
- (3) Requires sellers of prepaid wireless telecommunications services to remit the surcharge balance to the enhanced 911 fund on a specified periodic basis.

Your Committee received written comments in support of this measure from the Department of Accounting and General Services.

Your Committee received written comments in opposition to this measure from JointWireless and Keitai Hawaii LLC.

Your Committee received written comments on this measure from the Enhanced 911 Board of the Department of Accounting and General Services and the Tax Foundation of Hawaii.

Your Committee finds that this measure will create parity between postpaid and prepaid cellular telephone service customers. Although prepaid cellular telephone service customers benefit from the use of enhanced 911 features, they are currently exempt from the 66 cents per month per line surcharge that is paid by postpaid cellular telephone customers, who comprise eighty to ninety per cent of the cellular telephone user market. This means that cellular telephone users who pay the monthly surcharge after receiving their cellular telephone services are effectively subsidizing the prepaid cellular telephone customers' portion of the cost for the acquisition, implementation, and maintenance of hardware and software that provide enhanced 911 functionality.

Your Committee notes that this measure contains liability immunity provisions pertaining to cooperation with law enforcement officers, which are based on National Conference of State Legislatures model legislation. Those provisions are unrelated to the purpose of the bill, which is to impose the enhanced 911 surcharge on prepaid wireless telecommunications services. Your Committee respectfully requests that a Conference Committee that may consider this measure consider how the liability immunity provisions may impact the State and whether the provisions should remain in the measure.

Your Committee further notes that the intent of this measure is not to impose the enhanced 911 surcharge on prepaid calling cards intended to pay for long distance charges.

Your Committee has amended this measure by:

- (1) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure; and
- (2) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 206, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 206, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1508 Ways and Means on H.B. No. 530

The purpose and intent of this measure is to modernize the Downpayment Loan Program under the Hawaii Housing Finance and Development Corporation (HHFDC).

More specifically, the measure provides that:

- (1) HHFDC may establish, revise, charge, and collect fees, premiums, and charges for the Downpayment Loan Program;
- (2) HHFDC may secure the services of nonprofit organizations to originate downpayment loans on behalf of HHFDC in exchange for a fee; and
- (3) A person must successfully complete a homeownership counseling program in order to qualify for a downpayment loan from HHFDC.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; the Hawaii Housing Finance and Development Corporation; and the Hawaii Association of REALTORS.

Your Committee finds that homeownership creates strong communities through economic growth, and that updating HHFDC's Downpayment Loan Program will help make homeownership more affordable for more Hawaii households.

Your Committee has amended this measure by:

- (1) Clarifying that HHFDC shall determine the prevailing loan origination fee amount for purposes of establishing a fee that a nonprofit organization may charge to originate a downpayment loan on behalf of the State; and
- (2) Making conforming amendments consistent with the change in the name of the Downpayment Loan Program to the Downpayment Loan Assistance Program under this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 530, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 530, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, 4 (English, Harimoto, Inouye, Kahele).

SCRep. 1509 Ways and Means on H.B. No. 50

The purpose and intent of this measure is to ensure that Hawaii homebuyers have continued access to mortgage loans by adopting federal standards regarding appraiser independence that are designed to protect the integrity of the mortgage lending process.

More specifically, this measure:

- (1) Establishes an appraisal management company registration program in the Department of Commerce and Consumer Affairs; and
- (2) Appropriates funds out of the Compliance Resolution Fund to implement the appraisal management company registration program.

Your Committee received written comments in support of this measure from the Department of Commerce and Consumer Affairs, Professional and Vocational Licensing Division; Hawaii Association of REALTORS; REVAA - Real Estate Valuation Advocacy Association; Hawaii Financial Services Association; Hawaii Credit Union League; Hawaii Bankers Association; Mortgage Bankers Association of Hawaii; and one individual.

Your Committee received comments on this measure from the Department of Commerce and Consumer Affairs, Regulated Industries Complaints Office.

Your Committee finds that an appraisal management company is an entity that administers networks of independent appraisers to perform real estate appraisals for lenders. An appraisal management company serves as an intermediary to ensure independence of the

appraiser from the loan originator. Additionally, an appraisal management company performs essential functions in many residential real estate transactions, including maintaining a roster of qualified appraisers, coordinating appraisal completion, maintaining appraiser independence by serving as a liaison between the appraiser and the mortgage lender, and performing quality control reviews of the appraisal before sending it to the lender.

Your Committee further finds that the federal rules adopted in 2015 under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 established minimum requirements for states to register appraisal management companies. While the final rules do not require a state to enact those minimum requirements, they specify that if a state fails to enact them by August 10, 2018, appraisal management companies not regulated in a manner that meets the minimum federal requirements will be barred from providing appraisal management services for federally-related real estate transactions in that state.

In response to the federal act and its rules, forty states have so far enacted legislation to regulate appraisal management companies. Not enacting similar legislation in Hawaii could cause a significant disruption to the State's mortgage market. Without such legislation, mortgage lenders would have to find new ways to process appraisals, or might choose not to provide any mortgages in the State. Ultimately, that result could increase consumer costs and limit the availability of mortgage products in Hawaii.

Accordingly, this measure establishes a regulatory structure to meet minimum federal requirements, thereby facilitating continued operation of appraisal management companies in Hawaii.

Your Committee has amended this measure by:

- (1) Changing the fiscal year of the appropriation out of the compliance resolution fund from fiscal year 2018-2019 to fiscal year 2017-2018; and
- (2) Changing the effective date for the appropriation out of the compliance resolution fund to July 1, 2050, to facilitate further discussion.

Your Committee notes that the Department of Commerce and Consumer Affairs, Professional and Vocational Licensing Division, has requested that \$140,000 be appropriated out of the compliance resolution fund for the implementation of the appraisal management company registration program.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 50, H.D. 3, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 50, H.D. 3, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 3 (English, Harimoto, Taniguchi).

SCRep. 1510 Ways and Means on H.B. No. 1396

The purpose and intent of this measure is to authorize the Department of Health to permit any community care foster family home to provide care for up to two private-pay adults, provided certain requirements are met.

The Department of Health, the Department of Human Services, and one individual submitted written comments in support of this measure.

Two individuals submitted written comments in opposition to this measure.

Your Committee finds that there is an ever-increasing need for community care foster family homes, which exclusively serve adults who are at a nursing facility level of care and which provide living accommodations, supervision, personal care, and assistance with daily living activities in a family-like setting.

Your Committee recognizes that under current law, as long as certain requirements are met, a community care foster family home may be certified to provide accommodations and services for up to three adults at any one time. However, at least two of those three adults are required to be Medicaid recipients. Your Committee finds that as the cost of medical care continues to rise, even those adults who are at a nursing facility level of care, but do not rely on Medicaid for their long-term care, cannot afford the cost of private care and thus are left with limited options. Your Committee therefore believes that it would be appropriate to grant the Department of Health the flexibility to authorize, subject to certain conditions, any community care foster family home to provide care and services to two private-pay adults who are at a nursing facility level of care, provided that the home also provides care and services to a third adult who is a Medicaid recipient.

Your Committee has amended this measure by amending the definition of "community care foster family home" to provide that the Department of Health, in consultation with the Department of Human Services, and in its discretion after considering certain enumerated relevant factors, may allow two private-pay adults to be cared for in the same community care foster family home.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1396, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1396, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Harimoto, Inouye, Kahele).

SCRep. 1511 Ways and Means on H.B. No. 89

The purpose and intent of this measure is to preserve access to healthcare for Medicaid recipients by extending the hospital sustainability program for two years.

In addition, this measure:

- (1) Clarifies that the rate of the outpatient hospital sustainability fee shall not exceed three percent of net outpatient hospital service revenue;
- (2) Allows the Department of Human Services (DHS) to exclude any facility from the hospital sustainability fee on outpatient care services if its exclusion is required to meet federal standards of approval; and
- (3) Appropriates funds out of the hospital sustainability program special fund for fiscal years 2017-2018 and 2018-2019.

Your Committee received written comments in support of this measure from the Department of Human Services, Mayor of the County of Hawaii, Hawaii Health Systems Corporation, The Queen's Health Systems, Healthcare Association of Hawaii, Chamber of Commerce Hawaii, and Hawaii Pacific Health.

Your Committee finds that the provider fees collected through the hospital sustainability program have helped the State obtain additional federal funds to increase Medicaid payments to hospitals. Your Committee further finds that the increased payments to hospitals under this program have improved the financial stability of the State's healthcare system.

Your Committee has amended this measure by:

- (1) Appropriating \$65,000,000 annually out of the hospital sustainability program special fund for fiscal years 2017-2018 and 2018-2019;
- (2) Changing its effective date to June 29, 2017, provided section 7 takes effect on July 1, 2017; and
- (3) Making a technical amendment for grammatical purposes.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 89, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 89, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Harimoto, Inouye, Kahele).

SCRep. 1512 Ways and Means on H.B. No. 116

The purpose and intent of this measure is to require the City and County of Honolulu to transfer to the Department of Land and Natural Resources all real property upon which a public school is situated.

This measure also extends, for an additional five years, the pilot program under section 302A-1151.1, Hawaii Revised Statutes, for the lease of public school land.

Your Committee received written comments in support of this measure from the Chamber of Commerce Hawaii.

Your Committee received written comments in opposition to this measure from the Department of Land and Natural Resources and the Office of the Managing Director of the City and County of Honolulu.

Your Committee received written comments on this measure from the Department of the Attorney General and the Department of Education.

Your Committee notes that the Attorney General has requested that the measure be amended to provide that all quitclaim deeds for real property transferred under this measure be reviewed and approved by the Department of the Attorney General prior to execution and recordation.

Your Committee further notes that the Department of Land and Natural Resources has indicated that \$3,600,000 would be required to subdivide the thirty-six parcels noted in section 2(d) of this measure. Alternatively, if the conveyances required by this measure were to be exempted from the subdivision requirement as a cost-saving measure, the Department estimated they would still require at least \$1,100,000 for a surveyed legal metes and bounds description and map.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 116, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 5 (English, Harimoto, Inouye, Taniguchi, Wakai).

SCRep. 1513 Ways and Means on H.B. No. 500

The purpose and intent of this measure is to maintain and expand the public prekindergarten program.

Specifically, this measure:

- (1) Authorizes the State Public Charter School Commission to enter into a memorandum of understanding to administer the charter school prekindergarten classrooms; and
- (2) Appropriates funds for early-childhood education to sustain prekindergarten programs established with a federal grant.

Your Committee received written comments in support of this measure from the Executive Office on Early Learning, the State Public Charter School Commission, Hawaii Public Charter School Network, the Early Learning Advisory Board, the Office of Hawaiian Affairs, Hawaii's Early Childhood Action Strategy, Hawaii State Teachers Association, Kamehameha Schools, Hawaii Children's Action Network, and one individual.

Your Committee finds this measure provides continued support to programs that prepare young children for school.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 500, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 5 (English, Harimoto, Inouye, Taniguchi, Wakai).

SCRep. 1514 Ways and Means on H.B. No. 547

The purpose and intent of this measure is to authorize a tax credit of up to \$400 per month for qualified expenses incurred by a taxpayer for hosting a foreign exchange individual.

Your Committee received written comments in support of this measure from International Hospitality Center and fourteen individuals.

Your Committee received written comments on this measure from the Department of Taxation and Tax Foundation of Hawaii.

Your Committee finds that foreign exchange study programs benefit not only program participants, but also the State. However, volunteer host families may incur significant expenses for participating in the programs, yet receive no financial compensation. Your Committee believes that the tax credit established by this measure may reduce the financial burden for host families, and make participation in foreign exchange programs economically feasible for more Hawaii families.

Your Committee notes that the Department of Taxation estimates that if this measure were to take effect on July 1, 2017, the tax credit in the measure would lead to tax revenue losses, as follows:

<u>Fiscal Year</u>	<u>Tax Revenue Loss</u>
2019	\$2,450,000
2020	\$2,570,000
2021	\$2,700,000
2022	\$2,830,000
2023	\$2,970,000

Your Committee has amended this measure by:

- (1) Changing the maximum monthly amount of the tax credit to an unspecified sum;
- (2) Conforming a reference to the Internal Revenue Code of 1986, as amended, to recommended drafting convention; and
- (3) Making the measure applicable to taxable years beginning after December 31, 2051, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 547, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 547, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 2 (Galuteria, Inouye).

SCRep. 1515 (Majority) Ways and Means on H.B. No. 627

The purpose and intent of this measure is to encourage public-private partnerships in the State.

More specifically, this measure:

- (1) Establishes an Office of Public-Private Partnership within the Department of Business, Economic Development, and Tourism;
- (2) Authorizes the establishment of one permanent state public-private partnership coordinator position within the Department of Business, Economic Development, and Tourism;
- (3) Requires the office to:
 - (A) Create a strategic plan;
 - (B) Coordinate collaboration among state agencies to identify and implement public-private partnerships;
 - (C) Oversee and implement public-private partnerships;
 - (D) Analyze each state public-private partnership project; and
 - (E) Initiate Aloha Stadium redevelopment as its initial project; and
- (4) Appropriates \$10,000,000 in each of fiscal years 2017-2018 and 2018-2019 to:
 - (A) Establish and operate the Office of Public-Private Partnership and initiate Aloha Stadium redevelopment; and
 - (B) Establish and fill the state public-private partnership coordinator position.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; Stadium Authority of the Department of Accounting and General Services; and Chamber of Commerce Hawaii.

Your Committee received written comments on this measure from the Hawaii Public Housing Authority and Hawaii Government Employees Association.

Your Committee finds that utilizing public-private partnerships is an effective way to pursue economic development and revitalization in industries such as tourism, film production, agriculture, clean energy, broadband communications, sports, and technology innovation.

Your Committee believes that establishing an Office of Public-Private Partnership within the Department of Business, Economic Development, and Tourism to facilitate and manage public-private partnerships will encourage and facilitate the development of those partnerships. Your Committee also believes that establishing a permanent state public-private partnership coordinator position within that office, and initiating Aloha Stadium redevelopment through a public-private partnership, will encourage economic development and revitalization that benefits the State.

Your Committee has amended this measure by:

- (1) Expanding the duties of the Office of Public-Private Partnership to also include:
 - (A) Developing and analyzing plans for future public-private partnership projects;
 - (B) Assisting state departments having interests in public-private partnerships;
 - (C) Developing programs to continuously encourage public-private partnership projects to improve infrastructure and government services in the State; and
 - (D) Formulating, and assisting state agencies in formulating, specific program and project proposals to solicit public-private partnerships; and
- (2) Changing the appropriation from \$10,000,000 to an unspecified amount to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 627, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 627, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 9; Ayes with Reservations (Harimoto, Riviere). Noes, 1 (Taniguchi). Excused, 1 (Wakai).

SCRep. 1516 Ways and Means on H.B. No. 884

The purpose and intent of this measure is to exempt the construction of certain affordable residential units and second dwelling units, and the alteration or expansion of existing dwelling units, from school impact fees.

Your Committee received written comments in support of this measure from the Hawaii Public Housing Authority; the Office of Planning; the Department of Planning and Permitting, City and County of Honolulu; Hawaii Association of REALTORS; Hawaii Construction Alliance; Pacific Resource Partnership; Hawaii Rental Housing Coalition; and one individual.

Your Committee received written comments in opposition to this measure from the Department of Education, The Chamber of Commerce Hawaii, Land Use Research Foundation of Hawaii, and the Building Industry Association of Hawaii.

Your Committee received written comments on the measure from the Hawaii Housing Finance and Development Corporation.

Your Committee finds that a lack of affordable housing, compounded by rising home prices and rental costs, is a significant and challenging problem throughout Hawaii. Your Committee further finds that lowering the cost of construction for new affordable housing units, and the alteration or expansion of existing dwelling units, by exempting those units from school impact fees is a vital component in addressing the shortage of housing in Hawaii.

Your Committee has amended this measure by clarifying that an ohana dwelling unit exempted from school impact fees pursuant to this measure may be occupied by persons who are not related to those residing in the first dwelling unit by blood, marriage, or adoption, if the building permit for the ohana dwelling unit was obtained before September 10, 1992.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 884, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 884, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10; Ayes with Reservations (Riviere). Noes, none. Excused, 1 (Wakai).

SCRep. 1517 Ways and Means on H.B. No. 957

The purpose and intent of this measure is to authorize and expedite heat abatement measures at public schools.

Specifically, this measure:

- (1) Authorizes the use of the Hawaii green infrastructure special fund for installation costs for energy-efficient lighting and other energy-efficiency measures related to heat-abatement at public schools;
- (2) Appropriates \$46,400,000 from the special fund to finance those installation costs;
- (3) Authorizes the Department of Education to borrow \$46,400,000 from the Hawaii green infrastructure loan program for those installation costs; and
- (4) Requires the Department of Education to repay the loan using general revenues saved by the reduced utility costs that result from energy-efficient lighting and other energy efficiency measures.

Your Committee received written comments in support of this measure from the Department of Education; Ulupono Initiative; Hawaii State Teachers Association; IMUAlliance; Hawaii Retail Services, LLC; Lumenal Lighting; Energy Management Consulting & Construction, LLC; Hawaii Energy Systems; and Paradise Lighting.

Your Committee received written comments on this measure from the Department of Budget and Finance and the Public Utilities Commission.

Your Committee finds that school classroom air-conditioning is an important but under-appreciated component of effective learning strategies. Your Committee finds, for example, that the percentile gap between students learning in air-conditioned and non-air-conditioned environments can reach as much as seventeen per cent on achievement tests, clearly showing the impact of a comfortable classroom environment on student success. Your Committee also finds that students between the fourth and ninth grades at demographically similar schools showed increased gains in reading vocabulary, total mathematics, problem solving, mathematics procedures, pre-writing, and editing at schools with air conditioning, as compared with their peers from schools without air conditioning. In other words, the longer and more consistently students are exposed to classroom cooling, the better and more stable their performance gains will tend to be.

Your Committee notes that the Public Utilities Commission has recently given approval to the Hawaii Green Infrastructure Authority to deploy up to \$60,000,000 from the Hawaii green infrastructure loan program to the Department of Education for its energy sustainability program. Installation of energy efficiency measures and heat abatement measures could significantly reduce the department's kilowatt load, energy consumption, and costs. Your Committee believes that this measure will provide the necessary statutory framework for the loan transaction.

Your Committee has amended this measure by:

- (1) Changing the appropriation and loan amounts to unspecified amounts; and
- (2) Specifying that the loan from the green infrastructure loan program to the Department of Education will be interest-free.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 957, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 957, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1518 Ways and Means on H.B. No. 1478

The purpose and intent of this measure is to appropriate funds for advocating, promoting, developing, testing, and evaluating unmanned aerial system technologies through the Applied Research Laboratory at the University of Hawaii.

More specifically, this measure appropriates funds to:

- (1) Generate multiple unmanned aerial system products, from operation manuals to integration events, to generate corporate and public awareness of the value of unmanned aerial systems to the State;
- (2) Promote community involvement similar to that engaged through the resilience and disaster preparation fairs; and
- (3) Create pathways towards expedited implementation of unmanned aerial system technologies statewide.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; University of Hawaii; and nine individuals.

Your Committee finds that many Hawaii businesses may be enhanced, expanded, and made more resilient and prepared for the future by the incorporation of unmanned aerial systems into the business structure. Your Committee believes that state and county policies and procedures need to prepare for, embrace, and encourage incorporation of unmanned aerial systems in the full range of Hawaii's business framework.

Your Committee has amended this measure by adding an appropriation of an unspecified amount for fiscal year 2018-2019.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1478, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1478, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Wakai).

SCRep. 1519 (Joint/Majority) Judiciary and Labor and Ways and Means on H.B. No. 83

The purpose and intent of this measure is to:

- (1) Require the Hawaii Interagency Council on Homelessness, in conjunction with and advisement of the Department of Human Services and Department of Land and Natural Resources, to establish a working group to examine and develop recommendations related to the establishment of safe zones for persons experiencing homelessness;
- (2) Require the working group to submit a report of its findings and recommendations, including any proposed legislation, to the Legislature prior to the convening of the Regular Session of 2018; and
- (3) Appropriate an unspecified amount to the Department of Human Services to support the activities of the working group.

Your Committees received testimony in support of this measure from the Department of Land and Natural Resources; Ho'omana Pono, LLC; and four individuals. Your Committees received testimony in opposition to this measure from one individual. Your Committees received comments on this measure from the Governor's Coordinator on Homelessness.

Your Committees find that due to economic constraints, the supply of subsidized housing is, and will continue to be, woefully insufficient for the foreseeable future. Consequently, illegal homeless camps, which are a public health menace, are ubiquitous. The State must therefore explore the establishment of alternative housing options that will ensure that homeless individuals are housed and receive much needed support services. This measure will assist in exploring the feasibility of establishing safe zones for person experiencing homelessness.

Your Committees have amended this measure by:

- (1) Inserting language that requires the working group to consider the potential scope of liability of the State and its employees and agents with regard to the establishment of safe zones; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 83, H.D. 1, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 83, H.D. 1, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 7. Noes, 1 (Harimoto). Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1520 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 463

The purpose and intent of this measure is to:

- (1) Allow any satellite city hall in any county with a population of more than seven hundred thousand persons to issue Hawaii state identification cards beginning on July 1, 2019; and
- (2) Require the Director of Transportation in consultation with the examiner of drivers to submit a report to the Legislature prior to the convening of the Regular Session of 2018 on the progress made and findings and recommendations, including any proposed legislation, funding, and equipment needed for implementation.

Your Committees received testimony in support of this measure from the American Civil Liberties Union of Hawai'i, Community Alliance on Prisons, and three individuals. Your Committees received testimony in opposition to this measure from the Department of Customer Services, City and County of Honolulu.

Your Committees find that many citizens, especially children and the elderly, do not have driver's licenses, yet often need state identification cards. Consequently, it is important to remove barriers that limit citizens' access to obtaining state identification cards. By allowing satellite city halls to issue state identification cards, this measure will provide additional and convenient locations for citizens to obtain needed state identification cards and will reduce travel times, waits, and other stresses that are common at other state identification card issuing locations.

Your Committees have amended this measure by:

- (1) Inserting an effective date of January 7, 2059, to encourage further discussion; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 463, H.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 463, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1521 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 573

The purpose and intent of this measure is to:

- (1) Provide a bidder of a public works construction project with two hours after the closing of bids to clarify and correct certain information regarding subcontractors;
- (2) Provide that bids for construction shall be opened no sooner than two hours after the closing of the invitation for bids;
- (3) Prohibit bid shopping and bid peddling for the competitive sealed bidding process; and
- (4) Afford a means of legal redress to originally listed subcontractors affected by bid shopping and bid peddling practices in public works construction projects.

Your Committees received testimony in support of this measure from Alan Shintani, Inc.; Building Industry Association of Hawaii; General Contractors Association of Hawaii; Hawaiian Dredging Construction Company, Inc.; Healy Tibbitts Builders, Inc.; Heartwood Pacific, LLC; Isemoto Contracting Co., Ltd.; Jayar Construction, Inc.; LYZ, Inc.; Nordic PCL Construction, Inc.; Ralph S. Inouye Co., Ltd.; S & M Sakamoto, Inc.; TOMCO CORP.; and one individual. Your Committees received testimony in opposition to this measure from the State Procurement Office; Painting Industry of Hawaii Labor Management Cooperation Trust Fund; Hawaii Tapers Market Recovery Trust Fund; Hawaii Glaziers; Architectural Metal Glassworkers Local Union 1889 AFL-CIO Stabilization Trust Fund;

Carpet, Linoleum and Soft Tile Local Union 1926 Market Recovery Trust Fund; and Plumbing & Mechanical Contractors Association of Hawaii. Your Committees received comments on this measure from the Department of Accounting and General Services; Regulated Industries Complaints Office, Department of Commerce and Consumer Affairs; Subcontractors Association of Hawaii; and Blazy Construction Inc.

Your Committees find that efforts should be made to deter the unscrupulous practice of bid shopping and bid peddling in the competitive sealed bidding process, and permit injured subcontractor-plaintiffs to recover monetary damages from bidders and substituted subcontractors. This measure accomplishes this goal by prohibiting bid shopping and bid peddling and allowing only limited circumstances under which subcontractors may be substituted for originally listed subcontractors. This measure also provides prime contractors with up to two hours after the closing of bids to ensure the accuracy of subcontractor information included in their bids, thereby reducing the likelihood of bid challenges and subsequent delays in the procurement process.

Your Committees have amended this measure by:

- (1) Inserting a sunset date of July 1, 2019; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 573, H.D. 1, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 573, H.D. 1, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1522 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 845

The purpose and intent of this measure is to:

- (1) Require the Department of Public Safety, in collaboration with various agencies and upon request of the inmates, to issue civil identification cards to inmates and to assist inmates in obtaining the inmates' birth certificate, social security card, and other relevant identification necessary for successful reentry into society; and
- (2) Require the Department of Public Safety to initiate the process of assisting inmates released to work furlough, extended furlough, or community placement programs at least ninety days prior to the inmates' release.

Your Committees received testimony in support of this measure from the Judiciary; Department of Health; Department of Public Safety; Office of Hawaiian Affairs; American Civil Liberties Union of Hawai'i; African American Lawyers Association; Americans for Democratic Action Hawai'i; Community Alliance on Prisons; Ho'omana Pono, LLC; The CHOW Project; YWCA O'ahu; and seventeen individuals.

Your Committees find that helping inmates transition back into everyday life is a vital component of successful inmate rehabilitation. One of the problems inmates encounter is that they are incarcerated for long periods and often lose important government documents pertaining to their identities. Upon release, the lack of necessary government-issued identification documents, such as a social security card, birth certificate, or civil identification card, can prevent a former inmate from being able to successfully transition back into society. Therefore, this measure establishes guidelines that require the Department of Public Safety to work with appropriate federal, state, and county agencies to assist eligible inmates in obtaining important government documents.

Your Committees have amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 845, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 845, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1523 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 1135

The purpose and intent of this measure is to:

- (1) Make permanent certain provisions of Act 139, Session Laws of Hawaii 2012, the Justice Reinvestment Initiative, relating to pretrial risk assessments, parole, and parole hearings;
- (2) Create standards and procedures for income-withholding for purposes of enforcing restitution orders;
- (3) Clarify the priority of income withholding orders;
- (4) Amend the definition of "debt" relating to the recovery of money owed to the State to include court-ordered restitution subject to civil enforcement;
- (5) Require that any bail posted by a defendant be applied toward payment of any court-ordered restitution in the same case; and
- (6) Extend victims' access to adult probation records to include access to payment compliance records.

Your Committees received testimony in support of this measure from the Department of Public Safety. Your Committees received comments on this measure from the Judiciary, Department of the Attorney General, and Office of Hawaiian Affairs.

Your Committees find that Act 139, Session Laws of Hawaii 2012, the Justice Reinvestment Initiative, implemented a data-driven justice reinvestment strategy that mandates use of a pretrial risk assessment, reduces sentences for certain parole violations and drug offenses, expands parole, and enhances community-based treatment and victims' services with the intent to reduce spending on corrections and reinvest savings generated in strategies that increase efficiency, reduce recidivism, and ensure accountability of offenders. Your Committees also find that after only the first year of implementation, justice reinvestment led to a four percent decrease in the State's incarcerated population and saved the State \$2,500,000 in fiscal year 2013. This measure retains effective provisions of the Justice Reinvestment Initiative that are set to repeal and establishes additional mechanisms to increase offender accountability and secure restitution payments to crime victims.

Your Committees have amended this measure by:

- (1) Clarifying the definition of "employer" and specifying that the term includes the defendant and limited liability companies; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1135, H.D. 1, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1135, H.D. 1, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1524 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 1195

The purpose and intent of this measure is to appropriate funds to the Department of Health and Department of Human Services, including the Office of Youth Services, to provide homeless outreach services.

Your Committees received testimony in support of this measure from the Department of Health, Governor's Coordinator on Homelessness, Office of the Mayor of the County of Hawai'i, American Civil Liberties Union of Hawai'i, Catholic Charities Hawai'i, Community Alliance on Prisons, Drug Policy Action Group, The Drug Policy Forum of Hawai'i, Hawaii Youth Services Network, Housing Now Coalition, IMUAlliance, Ku Aloha Ola Mau, Mental Health America of Hawaii, Partners in Care, PHOCUSED, The Salvation Army Addiction Treatment Services and Family Treatment Services, Community Health Outreach Work Project, YWCA O'ahu, Hawaii Children's Action Network, Parents and Children Together, and ten individuals. Your Committees received comments on this measure from the Department of Human Services.

Your Committees find that homelessness continues to increase in Hawaii and Hawaii has the highest rate per capita of homelessness of any state in the nation. Your Committees also find that addressing homelessness requires a variety of approaches, including outreach to specific populations within the homeless community to provide assistance and information regarding services. Those suffering from mental illness or substance abuse and unaccompanied youth are some of the most vulnerable populations within the homeless community. Your Committees find that outreach is critical to direct these individuals to services that address their specific needs and enable alternatives to homelessness.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1195, H.D. 1, S.D. 1, and recommend that it pass Third Reading.

Signed by the Chairs on behalf of the Committees.

Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1525 Ways and Means on H.B. No. 1381

The purpose and intent of this measure is to update the licensing laws for elevator mechanics with regard to examinations, license renewals, scope of work, definitions, meetings, the elevator mechanics licensing board, and qualifications for licensure.

Your Committee received written comments in support of this measure from the International Union of Elevator Constructors. Your Committee received comments on this measure from the Department of Labor and Industrial Relations and the Elevator Mechanics Licensing Board, Department of Commerce and Consumer Affairs.

Your Committee finds that this measure is necessary to resolve existing confusion over interpretations of the current licensing laws with regard to an elevator mechanic's scope of work and other matters.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1381, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 3 (English, Harimoto, Taniguchi).

SCRep. 1526 Ways and Means on H.B. No. 1272

The purpose and intent of this measure is to specify that coverage for telehealth under the State's Medicaid managed care and fee-for-service programs includes psychiatric services delivered via telehealth through a behavioral health care manager who is present in a primary health care provider's office.

Your Committee received written comments in support of this measure from The Queen's Health Systems, Hawaii Psychiatric Medical Association, American Psychiatric Association, and one individual.

The Department of Human Services, Hawaii Medical Service Association, and Hawaii Psychological Association submitted written comments on the measure.

Your Committee finds that this measure will allow more patients to receive the psychiatric care they need in a timely and efficient manner. Your Committee notes, however, the concerns raised by the Hawaii Medical Service Association in its written comments with respect to including “licensed counselor” in the definition of “behavioral health care manager.” Your Committee recommends that the lead committee chair for the Senate address these concerns during conference on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1272, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Harimoto, Inouye, Kahele).

SCRep. 1527 Ways and Means on H.B. No. 1444

The purpose and intent of this measure is to prohibit persons from acting as pharmacy benefit managers without registering with the Insurance Commissioner.

Your Committee received written comments in support of this measure from six individuals. Your Committee received written comments on this measure from the Department of Commerce and Consumer Affairs, Insurance Division; Kaiser Permanente; and CVS Health.

Your Committee finds that pharmacy benefit managers administer drug formularies and determine reimbursements to pharmacies for dispensed medications. Their practice of below-cost reimbursements have a huge financial impact upon small independent pharmacies, who presently have no effective venues in which to bring a grievance or complaint against pharmacy benefit managers. This measure is necessary as a first step to holding pharmacy benefit managers accountable for their actions.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion of the measure.

Should this measure go to Conference, your Committee requests that the Conference Committee consider whether:

- (1) This measure will regulate a previously unregulated profession or vocation, requiring a “sunrise” review by the Auditor under section 26H-6, Hawaii Revised Statutes, before the measure can be enacted; or
- (2) The measure may be enacted with a proviso that explicitly exempts the registration of pharmacy benefit managers from a sunrise analysis.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1444, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1444, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 2 (Galuteria, Inouye).

SCRep. 1528 Ways and Means on H.B. No. 607

The purpose and intent of this measure is to improve the care of elderly persons in the State.

More specifically, this measure:

- (1) Requires the Executive Office on Aging to establish the Kupuna Caregivers Program;
- (2) Makes the establishment of the existing Kupuna Care Program by the Executive Office on Aging mandatory and clarifies the type and scope of kupuna services and supports provided by area agencies on aging within the program; and
- (3) Appropriates moneys for the establishment of the Kupuna Caregivers Program.

Your Committee received written comments in support of this measure from the Executive Office on Aging; AARP Hawaii; Hawaii Family Caregiver Coalition; Hawaii Public Health Association; Policy Advisory Board for Elder Affairs; Catholic Charities Hawaii; Hawaii Section of American Congress of Obstetricians and Gynecologists; Mental Health America of Hawaii; Healthcare Association of Hawaii; Faith Action for Community Equity; Caring Across Generations; Hawaii Appleseed Center for Law and Economic Justice; ILWU Local 142; Key Project; and forty-five individuals.

Your Committee finds that the growth of Hawaii’s aging population continues to accelerate. With the rise in the aging population, the need for long-term care and services for Hawaii’s kupuna has become increasingly widespread. Your Committee further finds that family caregivers often play a vital role in providing long-term care. However, being a caregiver can burden families financially, emotionally, and physically. These burdens can lead to increased stress for caregivers and emotional harm for kupuna who need care, but do not wish to cause stress for their families.

Your Committee has amended this measure by making technical nonsubstantive changes for purposes of clarity, consistency, and style.

Should a Committee on Conference convene on this measure, your Committee respectfully requests that the Committee on Conference consider:

- (1) Amending the language requiring an assessment to be conducted “*if necessary*” (at page 14, lines 16-18), to clarify that “An assessment of the eligible care recipient shall include a statewide, uniform comprehensive in-home assessment, if necessary.” This would eliminate possible contradiction with the language *requiring* an area agency on aging to conduct an intake and

assessment of an individual seeking services and supports to determine whether the individual is eligible for the kupuna care program (at page 14, lines 5-10; and page 15, lines 9-11);

- (2) Specifying that a coach will help with the preparation of a person-centered support plan (at page 14, line 20) to conform that section with the definition of "person-centered support plan" in which a plan is prepared with the help of a coach; and
- (3) Clarifying the difference between paragraphs (4) and (8) in section 349-3.1(j), Hawaii Revised Statutes.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 607, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 607, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 9. Noes, none. Excused, 2 (Galuteria, Inouye).

SCRep. 1529 Ways and Means on H.B. No. 450

The purpose and intent of this measure is to appropriate funds to the University of Hawaii to study the effects of sunscreen products on coral reefs in Hawaii.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources; Office of the Mayor, County of Hawaii; University of Hawaii; The Humane Society of the United States and Humane Society International; Friends of Hanauma Bay; For the Fishes; Ocean Tourism Coalition; and one individual.

Your Committee received written comments in opposition to this measure from one individual.

Your Committee finds that numerous studies conducted across the world have highlighted the detrimental impact of chemicals in sunscreen products on coral health and reproduction. However, your Committee notes that no studies have been conducted to explore the effect of sunscreen products on coral reefs in Hawaii, which are exposed to heavy tourist traffic and high volumes of sunscreen chemicals. Your Committee believes this measure will provide information needed to understand the impact of sunscreen products on coral reefs in Hawaii.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 450, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1530 Ways and Means on H.B. No. 480

The purpose and intent of this measure is to promote the growth of the agriculture industry and foster agricultural learning opportunities on the island of Hawaii.

Specifically, the measure:

- (1) Appropriates funds for the Hawaii Community College and University of Hawaii at Hilo, in collaboration with the Department of Agriculture and the Agribusiness Development Corporation, to study existing agriculture program areas for possible collaborative efforts between the two campuses and new agriculture opportunities on the island of Hawaii, and develop a holistic approach to the growth of agriculture and agricultural learning opportunities on the island of Hawaii; and
- (2) Requires the Hawaii Community College to submit a report to the Legislature before the 2018 legislative session.

Your Committee received written comments in support of this measure from the Department of Agriculture, Agribusiness Development Corporation, University of Hawaii, Office of the Mayor of the County of Hawaii, and Hawaii Farm Bureau.

Your Committee finds that the island of Hawaii has the potential to be a strong agricultural contributor to the State, given its nutrient rich soil, tropical climate, and abundance of affordable land. Your Committee recognizes that investing more fully in the existing agricultural learning opportunities provided by the Hawaii Community College and University of Hawaii at Hilo, while also developing new educational opportunities, will help to strengthen the State's agricultural industry.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 480, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1531 Ways and Means on H.B. No. 633

The purpose and intent of this measure is to include aboveground freshwater storage tanks in the definition of "appurtenant works" so that maintenance and repair of those tanks would be eligible for special purpose revenue bond financing when used for dams and reservoirs.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources and the Land Use Research Foundation of Hawaii.

Your Committee received written comments in opposition to this measure from one individual.

Your Committee finds that special purpose revenue bonds are a cost effective way to finance large-scale public interest projects. Dam and reservoir owners are authorized to obtain financing through the special purpose revenue bond program for work on a dam, reservoir, or appurtenant work that is necessary to maintain or improve the dam, reservoir, or appurtenant work.

Your Committee also finds that aboveground freshwater storage tanks are not currently considered appurtenant works for the purposes of special purpose revenue bond financing. Expanding the type of maintenance and repair work that can be financed through special purpose revenue bonds to include aboveground freshwater storage tanks will allow dam and reservoir owners to maintain and improve their facilities in a manner that is cost effective both for dam owners and water consumers.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 633, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Galuteria, Harimoto, Taniguchi).

SCRep. 1532 Ways and Means on H.B. No. 839

The purpose and intent of this measure is to provide accountability and transparency with respect to certain funds and expenditures of the Department of Land and Natural Resources.

Specifically, the measure:

- (1) Requires the Auditor to:
 - (A) Conduct a performance audit of the Department of Land and Natural Resources' special land and development fund and land conservation fund, and review contracts, grants, and memoranda of understanding involving those funds; and
 - (B) Conduct an accounting of the funds received and expenditures made by the Department of Land and Natural Resources for the purposes of hosting the 2016 International Union for Conservation of Nature World Conservation Congress, including expenditures of funds appropriated to the Department pursuant to Act 62, Session Laws of Hawaii 2016; and
- (2) Appropriates funds to the Auditor for these purposes.

Your Committee received written comments in support of this measure from the Chamber of Commerce Hawaii and two individuals.

The Department of Land and Natural Resources, Office of the Auditor, Maunaloa Fishpond Heritage Center, and The Trust for Public Land submitted written comments on the measure.

Your Committee finds that periodic audits of governmental funds are in the public interest. Your Committee anticipates that the information and recommendations gained from the audits and accounting will help legislative and executive branch decision makers to address concerns raised about efficient and effective use of departmental resources.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 839, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1533 Ways and Means on H.B. No. 849

The purpose and intent of this measure is to restore the University of Hawaii's authority to maintain a separate accounting and financial management system that is compatible with the State's accounting and financial system.

Your Committee received written comments in support of this measure from the Department of Accounting and General Services and the University of Hawaii System.

Your Committee finds that on July 1, 2012, the University of Hawaii updated its accounting system to the Kualii Financial System, which is a comprehensive financial software package developed and supported by a consortium of universities that use an open source and partner enhanced process. Your Committee notes that over twenty other schools have adopted the Kualii Financial System. Furthermore, your Committee finds that because the Kualii Financial System is an open source system, there are no large license fees similar to off-the-shelf vended products.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 849, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 5 (English, Harimoto, Inouye, Taniguchi, Wakai).

SCRep. 1534 Ways and Means on H.B. No. 794

The purpose and intent of this measure is to assist the University of Hawaii System in implementing projects that generate energy cost savings.

Specifically, this measure:

- (1) Establishes the University of Hawaii green special fund to collect revenues realized from energy conservation investments and other sources and use those funds for further investments in energy efficiency, renewable energy, and sustainability projects;
- (2) Requires the University of Hawaii to submit an annual report to the Legislature on the funds deposited into the University of Hawaii green special fund; and
- (3) Appropriates \$10,000,000 for energy efficiency, renewable energy, and sustainability projects and services that may be funded by the University of Hawaii green special fund.

Your Committee received written comments in support of this measure from the University of Hawaii System, Ulupono Initiative, and one individual.

Your Committee received written comments on this measure from the Department of Budget and Finance.

Your Committee finds that at least eighty-five other universities use a similar green fund as part of their sustainability efforts. Your Committee further finds that a green special fund would support the University of Hawaii's financing of energy conservation efforts along with the repayment of debt on those energy projects. Your Committee believes that a green special fund will help to ensure that the money saved from energy conservation efforts is reinvested into further energy conservation efforts throughout the University of Hawaii System.

Your Committee has amended this measure by:

- (1) Changing the amount appropriated from \$10,000,000 to an unspecified amount;
- (2) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure; and
- (3) Making technical nonsubstantive amendments for purposes of style, clarity, and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 794, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 794, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1535 Ways and Means on H.B. No. 1339

The purpose and intent of this measure is to restructure the Hawaii Invasive Species Council as the Hawaii Invasive Species Authority, and to provide the new entity with expanded authority and funding to hire staff and carry out interagency invasive species efforts.

Your Committee received written comments in support of this measure from the Department of Agriculture, Department of Land and Natural Resources, Department of Transportation, Hawaii Invasive Species Council, University of Hawaii, Little Fire Ant HUI, Hawaii Farm Bureau, Conservation Council for Hawaii, The Nature Conservancy, Local Food Coalition, Coordinating Group on Alien Pest Species, Hawaii Green Growth, Big Island Invasive Species Committee, and two individuals.

Your Committee received written comments on this measure from the Mayor of the County of Hawaii.

Your Committee finds that the Hawaii Invasive Species Council was established in 2003 to perform a broad spectrum of policy and coordination duties relating to the management and control of invasive species in the State. However, a lack of staff and resources and the multi-agency organizational structure of the Council prevented the Council from maximizing its efforts to address invasive species in the State. Your Committee further finds that by establishing the Hawaii Invasive Species Authority, this measure will focus the authority and responsibility for management and control of invasive species under a single entity and will provide the Authority with dedicated staff and resources to fulfill its mandate.

Your Committee has amended this measure by:

- (1) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure; and
- (2) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

Your Committee has included a \$4,000,000 appropriation for the Hawaii Invasive Species Council for fiscal year 2017-2018, but no appropriation for fiscal year 2018-2019, in Senate Draft 1 of House Bill No. 100, the General Appropriations Act. Your Committee intends to monitor the progress of this measure and the status of creating the Hawaii Invasive Species Authority before deciding on an appropriation for fiscal year 2018-2019.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1339, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1339, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 2 (English, Kahele).

SCRep. 1536 Ways and Means on H.B. No. 1584

The purpose and intent of this measure is to protect important agricultural lands.

More specifically, the measure:

- (1) With regard to the designation of important agricultural lands:
 - (A) Requires the counties to submit recommendations and maps to the Land Use Commission by June 30, 2019;
 - (B) Provides that if a county fails to submit its recommendations and maps by June 30, 2019, the Land Use Commission shall identify and designate important agricultural lands in that county; and
 - (C) Appropriates an unspecified sum of general funds to the counties for the identification and mapping of important agricultural lands; and
- (2) With regard to the important agricultural land qualified agricultural cost tax credit:

- (A) Establishes a cumulative tax credit limit of \$1,000,000 per taxpayer;
- (B) Provides that for taxable years beginning after December 31, 2017, the taxpayer may only claim the tax credit in the taxable year in which the taxpayer incurred the qualified agricultural costs; and
- (C) Authorizes the Department of Agriculture to certify the tax credit for up to fourteen taxable years.

The Department of Agriculture; Office of Planning; Land Use Commission; Ulupono Initiative; Chamber of Commerce Hawaii; Alexander & Baldwin, Inc.; Sierra Club of Hawaii; Land Use Research Foundation of Hawaii; Hawaii Farm Bureau; and one individual submitted written comments in support of this measure.

The Planning Department of the County of Hawaii submitted written comments in opposition to this measure.

The Department of Taxation and Tax Foundation of Hawaii submitted written comments on this measure.

Your Committee recognizes that Act 183, Session Laws of Hawaii 2005, directed each county to work with government and community stakeholders to identify and map potential important agricultural lands within its jurisdiction and make recommendations to the Land Use Commission for the designation of these lands as important agricultural lands. Once designated, agricultural operations on important agricultural lands would be eligible for a variety of state and county assistance and incentive programs, including grants, other funding assistance, tax incentives, favorable infrastructure and permit requirements, and farm and business education assistance.

Your Committee finds, however, that most counties have not completed their identification and mapping responsibilities under Act 183. Therefore, your Committee believes that it may be appropriate to provide a monetary incentive to the counties for the identification and mapping of important agricultural land. Your Committee also believes that it may be appropriate to extend the availability of the important agricultural land qualified agricultural cost tax credit by ten years, to provide landowners and farmers sufficient time to claim the credit.

Your Committee has amended this measure by:

- (1) Clarifying that if the important agricultural land qualified agricultural cost tax credit is being claimed for qualified agricultural costs incurred during a taxable year beginning before January 1, 2018, the taxpayer may claim the credit in consecutive or inconsecutive taxable years until exhausted;
- (2) Inserting appropriations of unspecified sums of general funds for fiscal years 2017-2018 and 2018-2019 to the Department of Agriculture to hire one full-time equivalent planner V (1.0 FTE) to assist with the certification of important agricultural land qualified agricultural cost tax credits; and
- (3) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

Your Committee notes that it inserted the appropriation for the planner V position based on the Department of Agriculture's representation that the position is necessary for the department to move forward with important agricultural land qualified agricultural cost tax credit certifications. The department estimated that the annual salary range for the position would be \$57,000 to \$81,000, and that with the inclusion of benefits, the position would require an annual appropriation of \$74,000 to \$105,000.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1584, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1584, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 9. Noes, none. Excused, 2 (English, Kahele).

SCRep. 1537 Judiciary and Labor on H.B. No. 425

The purpose and intent of this measure is to:

- (1) Make certain sections of the Code of Ethics inapplicable to technology transfer activities sponsored by the University of Hawaii if the activities comply with the regulatory framework and research compliance program approved by the Board of Regents; and
- (2) Require the Board of Regents to submit written status reports on its regulatory framework and research compliance program and technology transfer activities to the Legislature prior to the convening of each Regular Session.

Your Committee received testimony in support of this measure from the University of Hawai'i System and Chamber of Commerce Hawaii. Your Committee received testimony in opposition to this measure from the Hawaii State Ethics Commission and Common Cause Hawaii.

Your Committee finds that the timely and efficient commercialization of intellectual property created by the University of Hawaii's basic and applied research can make valuable contributions to the economic health and diversification of the State. The Board of Regents of the University of Hawaii has established a regulatory framework and compliance program to balance the unique benefits and ethical issues specific to university research and technology transfer, and that program incorporates long-standing ethical research principles and technology transfer regulations currently used by the federal government. By specifying sections of the State Ethics Code that will be inapplicable to the University's technology transfer activities, this measure will facilitate technology transfer at the University and benefit the State's economy.

Your Committee has amended this measure by inserting an effective date of January 1, 2018.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 425, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 425, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1538 Judiciary and Labor on H.B. No. 437

The purpose and intent of this measure is to:

- (1) Prohibit a waiver of a public hearing for action on a variance application for a shoreline hardening structure that will artificially fix the shoreline, including a seawall, revetment, or groin; and
- (2) Prohibit a variance from being granted for the construction of a shoreline hardening structure unless the applicant can demonstrate that the shoreline hardening structure is necessary to protect an existing legal object, structure, or activity from damage due to shoreline erosion, and the object, structure, or activity cannot reasonably be protected by relocating it outside the shoreline area.

Your Committee received testimony in support of this measure from the Department of Transportation; Office of Hawaiian Affairs; Hawai'i Alliance for Progressive Action; We Are One, Inc.; and fifteen individuals. Your Committee received testimony in opposition to this measure from the Outrigger Enterprises Group, Land Use Research Foundation of Hawaii, and one individual. Your Committee received comments on this measure from the Department of Land and Natural Resources and Office of Planning.

Your Committee finds that the purpose of shoreline setbacks is to locate new structures sufficiently inland from the shoreline to conserve open space, minimize interference with natural shoreline processes, and minimize loss of improvements due to erosion. Shoreline hardening structures are necessary in some instances to protect property and infrastructure; however, poor planning and excess of such structures have resulted in the erosion of beaches and shorelines throughout the State. This measure provides greater oversight and accountability and limits the approval of shoreline hardening structures to those instances where the structure is crucial to protect property and infrastructure.

Your Committee notes the written comments submitted by the Office of Planning that no variance application for a shoreline hardening structure can guarantee an approval even when the applicant demonstrates that the shoreline hardening structure is necessary. Furthermore, the Office of Planning submitted several comments regarding findings that the authority should make in determining whether to grant a variance for a shoreline hardening structure that will artificially fix the shoreline.

Accordingly, your Committee has amended this measure by:

- (1) Adopting the suggestions of the Office of Planning to:
 - (A) Delete language that would have prohibited a variance from being granted for the construction of a shoreline hardening structure unless the applicant could demonstrate that the shoreline hardening structure is necessary; and
 - (B) Insert language that establishes findings that the authority must make in determining whether a variance may be granted for a shoreline hardening structure that will artificially fix the shoreline;
- (2) Deleting references to "objects" under the context of relevant structures or activities affected by shoreline erosion; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 437, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 437, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1539 Judiciary and Labor on H.B. No. 451

The purpose and intent of this measure is to reduce the minimum Hawaiian blood quantum requirement of certain successors to lessees of Hawaiian home lands from one-quarter to one thirty-second.

Your Committee received testimony in support of this measure from the Department of Hawaiian Home Lands, Office of Hawaiian Affairs, Sovereign Councils of Hawaiian Homelands Assembly, and twenty-six individuals.

Your Committee finds that many descendants of lessees of Hawaiian home lands do not qualify as successors because interracial marriages and blended families produce descendants who are less than twenty-five percent Hawaiian. By reducing the minimum Hawaiian blood quantum requirement of certain successors, this measure prevents the disruptions that can create undue hardships of displacement and interference with families' abilities to maintain the equity of their homes and businesses.

Your Committee has amended this measure by inserting an effective date of January 7, 2059, to encourage further discussion.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 451, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 451, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 4; Ayes with Reservations (Thielen). Noes, none. Excused, 1 (Gabbard).

SCRep. 1540 Judiciary and Labor on H.B. No. 554

The purpose and intent of this measure is to:

- (1) Authorize psychiatric treatment by administrative order despite a patient's objection to psychiatric treatment for patients committed to a psychiatric facility for involuntary hospitalization or in the custody of the Director of Health and residing in a psychiatric facility and patients who are pretrial detainees or committed persons in the custody of the Department of Public Safety;
- (2) Establish criteria for the issuance of the court or administrative order; and
- (3) Establish criteria for an administrative authorization process to determine whether the administrative order should be issued.

Your Committee received testimony in support of this measure from the Department of Health; Department of Public Safety; State Council on Mental Health; The Queen's Health Systems; The Institute for Human Services, Inc.; and two individuals. Your Committee received comments on this measure from the Department of the Attorney General and Hawaii Disability Rights Center.

Your Committee finds that patients admitted to the Hawaii State Hospital or in custody of the Department of Public Safety may experience acute mental health symptoms that may place the patient or others at risk for harm. Patients may experience auditory, visual, or sensory hallucinations, paranoia, and irrational thoughts or beliefs, and patients may believe they are not ill and thus refuse treatment. Your Committee also finds that existing law authorizes a judicial hearing to determine whether a patient should receive treatment over the patient's objection; however, judicial hearings may not occur for weeks after the filing of the petition, thereby placing patients at high risk of the effects of long-term active psychosis. This measure establishes procedures that are intended to expedite the process to ensure that mental health patients receive proper medical treatment.

Your Committee further finds that because the new procedure established by this measure is administrative rather than judicial in nature, your Committee is concerned that the Department of Health and Department of Public Safety may not currently have the organizational experience and methodologies necessary to sufficiently protect due process based on their existing rules, particularly with respect to indigent persons. As this measure moves forward in the legislative process, your Committee urges these Departments to examine their capabilities and readiness to implement this measure fairly and effectively.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 554, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 554, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1541 Judiciary and Labor on H.B. No. 727

The purpose and intent of this measure is to allow the operator of a motorcycle or motor scooter to proceed cautiously between stopped lanes of traffic, known as "lane filtering", on certain roadways as determined by the Department of Transportation.

Your Committee received testimony in support of this measure from Street Bikers United Hawaii and ninety-six individuals. Your Committee received comments on this measure from the Department of Transportation.

Your Committee finds that allowing motorcycles and motor scooters to filter through same-bound lanes of stopped traffic, when safe to do so, on main roads, highways, and freeways may reduce the risk of motor vehicle rear-end collisions with motorcycles and motor scooters, lessen overheating problems associated with air-cooled motorcycles and motor scooters, and alleviate traffic congestion.

Your Committee has amended this measure by:

- (1) Allowing shoulders as designated by the Department of Transportation to be used by operators of motorcycles and motor scooters for lane filtering;
- (2) Requiring the Department of Transportation to submit written reports regarding the impact of lane filtering on traffic safety to the Legislature no later than twenty days prior to the convening of the Regular Sessions of 2020 and 2021;
- (3) Inserting a sunset date of June 30, 2021; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 727, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 727, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1542 Judiciary and Labor on H.B. No. 1099

The purpose and intent of this measure is to bring the State in compliance with the Justice for Victims of Trafficking Act of 2015, Public Law 114-22, and the Child Abuse Prevention and Treatment Act of 2010, Public Law 111-320, by:

- (1) Amending the definition of "child abuse or neglect" to ensure that mandated reporters of child abuse and neglect report to the Department of Human Services known or suspected child victims of sex trafficking;
- (2) Ensuring that child abuse and neglect reports that are expunged may be retained by the Department of Human Services for future risk and safety assessment purposes; and
- (3) Replacing references to unsubstantiated reports with not confirmed reports.

Your Committee received testimony in support of this measure from the Department of Human Services, Family Programs Hawaii, and IMUAlliance. Your Committee received testimony in opposition to this measure from the Community Health Outreach Work to Prevent AIDS Project, Harm Reduction Hawaii, Hawaii Family Advocacy Team, National Family Advocacy Team, and one individual. Your Committee received comments on this measure from one individual.

Your Committee finds that to bring the State in compliance with the Justice for Victims of Trafficking Act of 2015, Public Law 114-22, the mandatory reporting of child abuse by certain reporters should be expanded to include reports on known or suspected child victims of sex trafficking. Your Committee also finds that to comply with the Child Abuse Prevention and Treatment Act of 2010, Public Law 111-320, it is necessary to allow the Department of Human Services to retain reports of child abuse and neglect, which are expunged from the State's central registry of reported child abuse and neglect cases, for future risk and safety assessment purposes.

Your Committee has amended this measure by:

- (1) Replacing the definition of "sex trafficking" with the definition of "sex trafficking" in section 712-1202(1)(b), Hawaii Revised Statutes;
- (2) Deleting references to "severe forms of trafficking in persons";
- (3) Requiring mandated reporters of child abuse and neglect to report acts or omissions of any person that have resulted in sex trafficking, rather than acts or omissions of any person that have resulted in a child who is subjected to sex trafficking or severe forms of trafficking in persons;
- (4) Specifying that records and information contained in child abuse and neglect reports that are expunged may be retained by the Department of Human Services solely for future risk and safety assessment purposes;
- (5) Inserting an effective date of January 7, 2059, to encourage further discussion; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1099, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1099, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1543 Judiciary and Labor on H.B. No. 1465

The purpose and intent of this measure is to update statutory language on liquor license application and operating procedures. Specifically, this measure:

- (1) Includes member managed and manager managed limited liability companies under liquor licensing statutes;
- (2) Allows liquor license holders to avoid license transfers upon admission or withdrawal of members or owners of the license holding entity by notifying the liquor commission within a set period of time after a change in membership or ownership of the license holding entity; and
- (3) Clarifies conditions under which publicly-traded companies or entities solely owned by a publicly-traded entity may be disqualified for licensure.

Your Committee received testimony in support of this measure from the Maui Hotel & Lodging Association and two individuals.

Your Committee finds that the efficient and equitable treatment of businesses in any licensing process is essential for cultivating a robust economy that benefits the public. Existing statutes relating to liquor licensing are outdated, do not reflect the current state of business practice in the State, including modern forms of business organization such as limited liability companies, make the licensing process inefficient, and serve as an impediment to business.

Your Committee has amended this measure by:

- (1) Inserting language that allows the liquor commission to issue a temporary license when an applicant, transferor, or transferee is actively challenging a tax matter that prevents the issuance of the appropriate certificate; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1465, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1465, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1544 Judiciary and Labor on H.B. No. 1518

The purpose and intent of this measure is to:

- (1) Allow an agency to seek a declaratory judgment in the appropriate circuit court for a determination that a requester is a vexatious records requester;
- (2) Establish that the agency has the burden of proof to establish that the requester has a clear pattern of making requests that are manifestly excessive or in bad faith and interfere with an agency's responsibilities; and

- (3) Allow the court to grant further relief, subject to certain conditions.

Your Committee received testimony in support of this measure from the Department of Health, University of Hawai'i System, Office of Information Practices, and Hawaii Health Systems Corporation. Your Committee received testimony in opposition to this measure from two individuals. Your Committee received comments on this measure from one individual.

Your Committee finds that the public interest in government affairs is often well served when the public is allowed to scrutinize the records of government agencies, as most record requests that are made under the Uniform Information Practices Act are valid and made in good faith. However, there are requesters who abuse the process, to the detriment of the public, by making repeated and excessive requests in attempts to harass an agency and drain resources. This measure establishes a process by which a requester acting in bad faith may be declared a vexatious records requester to protect and ensure the judicious use of government time and resources.

Your Committee has amended this measure by:

- (1) Clarifying that an agency has the burden of proof to establish by a preponderance of the evidence that the requester has a clear pattern of making records requests that are manifestly excessive or in bad faith and interfere with an agency's responsibilities; and
- (2) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1518, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1518, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1545 Commerce, Consumer Protection, and Health on H.B. No. 347

The purpose and intent of this measure is to:

- (1) Clarify Hawaii's employment security law for independent contractors by requiring the consideration of twenty factors by the Department of Labor and Industrial Relations when determining whether an individual is considered an independent contractor;
- (2) Require the Director of Labor and Industrial Relations (Director) to report to the Legislature prior to the Regular Session of 2018 regarding guidelines developed by the unemployment insurance coverage committee; and
- (3) Require the Director to submit an annual report to the Legislature regarding covered employment determinations.

Your Committee received testimony in support of this measure from the Chamber of Commerce Hawaii; Maui Chamber of Commerce; Envisions Entertainment & Productions, Inc.; DeSilva Meeting Consultants; Society for Human Resource Management, Hawaii Chapter; and two individuals. Your Committee received testimony in opposition to this measure from the Department of Labor and Industrial Relations; Hawaii Regional Council of Carpenters; International Longshore and Warehouse Union, Local 142; Hawaii State AFL-CIO; and Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO.

Your Committee finds that independent contractors are an important part of Hawaii's business community and economy. Your Committee also finds that the existing Hawaii employment security law has been broadly interpreted when determining who qualifies as an independent contractor versus who is an employee of an employer. This measure seeks to provide greater clarity to those individuals choosing to become entrepreneurs and operate as independent contractors by setting forth in greater detail the criteria used to determine independent contractor status.

Your Committee has amended this measure by:

- (1) Clarifying that an individual is an independent contractor regardless of whether the common law relationship of employer and employee exists unless it is shown to the Department of Labor and Industrial Relations that certain conditions are met; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 347, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 347, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, none.

SCRep. 1546 Commerce, Consumer Protection, and Health on H.B. No. 1475

The purpose and intent of this measure is to:

- (1) Permit farmers' markets and food hubs on lands in an agricultural district; and
- (2) Require that value-added products displayed and sold by agricultural-based commercial operations in agricultural districts contain at least fifty percent Hawaii-grown content.

Your Committee received testimony in support of this measure from the Department of Agriculture. Your Committee received testimony in opposition to this measure from one individual. Your Committee received comments on this measure from the Land Use Commission and Hawai'i Farm Bureau.

Your Committee finds that farmers in Hawaii face many challenges in achieving economic sustainability, including the limited availability of reliable markets and food hubs, which are facilities used to secure food and process value-added products. Food hubs, farm stands, and other retail sales opportunities can be significant revenue-enhancing opportunities for the State's farmers and ranchers. This measure therefore permits farmers' markets and food hubs to operate on agricultural lands, which will provide additional marketing opportunities for farmers and ranchers to sell the products they grow.

However, your Committee has heard the concerns regarding the requirement in this measure that value-added products contain at least fifty percent Hawaii-grown content. According to testimony received by your Committee, many value-added products utilize locally-grown products; however, many times the featured locally-grown product is not the main product by percentage. Furthermore, many value-added products made in Hawaii use sugar as a major ingredient, but can no longer include local sugar, due to the recent closing of Hawaiian Commercial & Sugar Co. Thus, there is concern that requiring fifty percent Hawaii-grown content could unintentionally reduce the amount of local value-added products being sold at agricultural-based commercial operations. Your Committee understands these concerns and encourages further discussions on ways to note a value-added product contains Hawaii-grown product, such as listing Hawaii-grown products on the label.

Your Committee has amended this measure by:

- (1) Requiring value-added products displayed and sold by agricultural-based commercial operations in agricultural districts to contain an unspecified percent, rather than fifty percent, of Hawaii-grown content;
- (2) Inserting an effective date of July 1, 2050, to encourage further discussion; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1475, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1475, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, none.

SCRep. 1547 Commerce, Consumer Protection, and Health on H.B. No. 775

The purpose and intent of this measure is to:

- (1) Repeal the requirements that the Department of Agriculture (Department) grant permission prior to the removal of eggs from any dock or landing and certify that eggs contained in a shipment are properly marked;
- (2) Require importation and other documents to be furnished to the Department before imported eggs are offered for sale; and
- (3) Provide that a violation of section 147-75, Hawaii Revised Statutes, relating to required notice of grade and size and designation of origin of imported eggs, shall be considered an unfair method of competition and unfair or deceptive act or practice for which a person may bring an action.

Your Committee received testimony in support of this measure from the Department of Agriculture.

Your Committee finds that to ensure quality, condition, and proper designation of origin, eggs imported into the State from the mainland United States are USDA certified, which requires distributors and mainland egg suppliers to submit the appropriate paperwork and certificates to the Department for all incoming mainland eggs. However, requiring the Department to issue certificates before these eggs can be removed from any dock or landing is redundant and a misallocation of limited Department resources. Your Committee notes that this measure does not affect the Department's authority and ability to enforce laws and rules prohibiting mislabeled or unmarked imported eggs. Rather, this measure enables the Department to better utilize staff resources to monitor the egg industry and strengthens enforcement capabilities against persons who mislabel imported eggs.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 775, H.D. 2, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, none.

SCRep. 1548 Judiciary and Labor on H.B. No. 308

The purpose and intent of this measure is to allow county council members to transmit government records to other county council members under specified conditions.

Your Committee received testimony in support of this measure from the Office of Information Practices and The Civil Beat Law Center for the Public Interest. Your Committee received comments on this measure from the County Council, County of Maui and Hawai'i State Association of Counties.

Your Committee finds that the Hawaii Supreme Court held in *Kanahele v. Maui County Council*, 130 Haw. 228 (2013), that memoranda or transmittals that are subject to the Sunshine Law and circulated among county council members were not permitted interactions under section 92-2.5, Hawaii Revised Statutes (HRS). As a result, county council members are prevented from transmitting government records related to council business to each other. By establishing certain parameters on the information that can be transmitted and conditions under which the transmission may occur, this measure increases government transparency and efficiency.

Your Committee has amended this measure by:

- (1) Clarifying that the transmittal document and government record must be filed in the council's office for public inspection concurrently with, rather than on the same day as, the transmission of the documents between council members;
- (2) Making a conforming amendment to section 279D-9(b), HRS, to reflect the amendments made to section 92-2.5, HRS; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 308, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 308, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1549 (Joint) Judiciary and Labor and Ways and Means on H.B. No. 847

The purpose and intent of this measure is to establish the Innovation and Commercialization Initiative Program to expressly give the University of Hawaii the legal authority to create, finance, and participate in new economic enterprises and expand workforce opportunities based on inventions and discoveries generated by or at the University.

Your Committees received testimony in support of this measure from the University of Hawaii System, The Chamber of Commerce Hawaii, Hawaii Business Roundtable, Hawaii Venture Capital Association, University of Hawaii Professional Assembly, XLR8UH, Sultan Ventures, and one individual. Your Committees received comments on this measure from the State Procurement Office, Hawaii State Ethics Commission, Office of Information Practices, and one individual.

Your Committees find that the Legislature has a history of authorizing and providing funds to support efforts by state agencies to promote entrepreneurial development, support research commercialization, and provide access to startup investment capital. Commercialization contributes to a more diverse workforce in the State and promotes a robust and dynamic economy. The University of Hawaii is a research and teaching institution and is in a valuable position to identify promising innovations and new discoveries arising from university research. In order to remain competitive with its peers, the University of Hawaii must develop its capacity to commercialize its intellectual property. This measure will allow the University to undertake commercialization activity with greater legal certainty and clarity.

Your Committees have amended this measure by:

- (1) Deleting language that exempts any advisory committee appointed by the University of Hawaii in implementing the Innovation and Commercialization Initiative Program from being subject to chapter 92, Hawaii Revised Statutes; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Labor and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 847, H.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 847, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.
Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.
Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).

SCRep. 1550 (Joint) Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 1471

The purpose and intent of this measure is to:

- (1) Allow a transient accommodations broker to register with the Department of Taxation as a tax collection agent on behalf of its operators and plan managers;
- (2) Impose registration, filing, and compliance requirements on operators and plan managers for purposes of collecting general excise tax and transient accommodations tax and compliance with all relevant state and county land use laws; and
- (3) Require the Director of Taxation to transfer to the counties an unspecified percentage of the transient accommodations tax and general excise tax collected, upon the counties' establishment of a process for providing verification of compliance by an operator or plan manager with the applicable county land use laws.

Your Committees received testimony in support of this measure from the Department of Planning and Permitting, City and County of Honolulu; Hawai'i Appleseed Center for Law and Economic Justice; Maui Chamber of Commerce; Hawai'i Lodging & Tourism Association; American Hotel and Lodging Association; UNITE HERE!, Local 5 Hawaii; U.S. Green Building Council, Hawai'i Chapter; Marriott Hotels & Resorts; Hilton Hawaii; Marriott Vacations Worldwide; Trump International Hotel, Waikiki; Airbnb; and three individuals. Your Committees received testimony in opposition to this measure from the Coalition for Equal Taxation; International Longshore and Warehouse Union, Local 142; Rental By Owner Awareness Association; Internet Association; Condominium Rentals Hawaii; Expedia Inc.; and twenty individuals. Your Committees received comments on this measure from the Department of the Attorney General; Department of Budget and Finance; Department of Taxation; Office of Hawaiian Affairs; Hawai'i Tourism Authority; Planning Department, County of Maui; 'Āina Haina Community Association; Tax Foundation of Hawaii; Land Use Research Foundation of Hawaii; Save O'ahu's Neighborhoods; and six individuals.

Your Committees find that permitting transient accommodations brokers to act as tax collection agents, similar to how multi-level marketing organizations may act as tax collection agents on behalf of their direct sellers, eases the burden of reporting and remitting taxes for taxpayers and promotes efficient tax collection by lessening the burden of processing, auditing, and collecting from individual taxpayers.

Your Committees further find that with the popularity of transient accommodations websites, the number of transient vacation rental operators in the State has ballooned. However, according to testimony received by the City and County of Honolulu, Department of Planning and Permitting, an overwhelming majority of units advertised on online sites are believed to be operating without a valid permit. Furthermore, the Department of Planning and Permitting has indicated that it has found it increasingly difficult to keep up with enforcement efforts related to illegal vacation rentals. Accordingly, this measure will assist in enforcement efforts by requiring operators and plan managers to verify compliance with state and county land use and tax laws and providing a percentage of collected general excise and transient accommodation taxes to any county that establishes a process of providing verification of compliance by an operator or plan manager. Your Committees note that the City and County of Honolulu has developed a new platform, Lōkahi, which will make tracking usage of transient vacation rentals much easier. Additionally, the information related to transient vacation rentals required by this measure to be provided to the Director of Taxation will also help the counties in their enforcement efforts by contributing to the preponderance of evidence standard that the counties must meet when proving that certain illegal property use is ongoing.

Your Committees also note that the Departments of the Attorney General and Taxation have offered suggested amendments to help clarify certain aspects of this measure. In particular, your Committees understand the concerns raised in testimony from the Attorney General that certain provisions in this measure may be subject to challenge as being preempted by the federal Communications Decency Act. Amendments to this measure are therefore needed to address these concerns.

Your Committees have amended this measure by:

- (1) Clarifying that the transient accommodations broker tax collection agent (agent) is required to collect, report, and pay the general excise and transient accommodations taxes on behalf of operators and plan managers;
- (2) Clarifying that the agent and the operator or plan manager are jointly and severally liable for the general excise and transient accommodations taxes due by the operator or plan manager, if the agent fails to report or pay taxes on behalf of the operator or plan manager;
- (3) Clarifying the persons who shall be personally liable for general excise and transient accommodations taxes when the agent is an entity;
- (4) Clarifying that the agent is required to disclose certain information contained in required returns or cover sheets when the proper request is made by the Director of Taxation or Mayor of the applicable county and ensuring that the Director of Taxation and county official designated by the Mayor are able to examine and copy the tax returns and cover sheets;
- (5) Clarifying that all agents must inquire with their operators and plan managers to determine whether the transient accommodation is in compliance with all pertinent state and county land use and tax laws;
- (6) Clarifying that operators or plan managers are required to provide verification of compliance with state and county land use laws in the form of a written certification, verification, or permit, as may be applicable, issued by the appropriate county agency;
- (7) Removing language that would have required a transient accommodations broker to remove any advertisement for a transient accommodation where an operator or plan manager has failed to comply with applicable land use, zoning, or tax requirements; and
- (8) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1471, H.D. 3, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1471, H.D. 3, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Kidani).

Ways and Means: Ayes, 10. Noes, none. Excused, 1 (Wakai).

SCRep. 1551 (Joint) Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 637

The purpose and intent of this measure is to:

- (1) Amend the time frame for the review, update, and adoption of the Uniform Plumbing Code, as it related to the Hawaii State Building Codes; and
- (2) Appropriate funds for the State Building Code Council.

Your Committees received testimony in support of this measure from the Board of Water Supply, City and County of Honolulu; Hawai'i Green Growth; The Nature Conservancy of Hawai'i; Hawai'i Fresh Water Initiative; One World One Water, LLC; U.S. Green Building Council, Hawaii Chapter; Sierra Club of Hawai'i; Plumbers and Fitters UA, Local Union 675; and three individuals. Your Committees received testimony in opposition to this measure from the State Building Code Council; General Contractors Association of Hawaii; Hawaii Laborers-Employers Cooperation and Education Trust; Hawaii Laborers Union, Local 368; and Building Industry Association of Hawaii.

Your Committees find that adoption of newer building codes can promote more efficient designs, which take into consideration advances in geological and environmental science. For example, the updated Uniform Plumbing Code includes the adoption of non-potable water plumbing codes for buildings to conserve water resources. Your Committees further find that such conservation efforts are vital to the State's future health. Accordingly, this measure seeks to expedite the review, update, and adoption of the Uniform Plumbing Code as it relates to the Hawaii State Building Codes.

However, your Committees understand the concerns raised in testimony offered by the State Building Code Council, that expediting the time frame for updating the Hawaii State Building Codes is unrealistic, given the Council's staffing issues and inadequate funding. Your Committees recognize these concerns and note that, rather than shortening the time frame in which the Council has to adopt amendments to the Hawaii State Building Codes, an alternative may be to permit the codes to be adopted as interim building codes if no action is taken within the existing statutory time frame.

Accordingly, your Committees have amended this measure by:

- (1) Specifying that the Department of Accounting and General Services (Department) shall adopt rules related to the Hawaii State Building Codes no later than two years after the adoption of the codes by the State Building Code Council;
- (2) Specifying that the Hawaii State Building Codes shall become the interim building codes for the design of all state building construction if the Department fails to adopt rules for the codes, but clarifying that requirements in the interim codes shall not be less stringent than existing code requirements;
- (3) Clarifying that the Hawaii State Building Codes shall become applicable as an interim county building code if a county does not amend the Hawaii State Building Codes within two years or the Department does not adopt rules relating to the building codes;
- (4) Authorizing the receipt and use of private funding during fiscal year 2017-2018 by the State Building Code Council to conduct public hearings and develop administrative rules related to the adoption of amendments to the State Building Code;
- (5) Removing language that would have required the State Building Code Council to review and adopt amendments to the Uniform Plumbing Code within an unspecified time frame after the updated Uniform Plumbing Code is published;
- (6) Removing language that would have required each county to adopt amendments to the Uniform Plumbing Code within an unspecified time frame after the Code was adopted by the State Building Code Council;
- (7) Removing language that would have appropriated an unspecified sum for the State Building Code Council; and
- (8) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committees note that this amended measure expects funding for the State Building Code Council to be provided by private sources during the first year of the current fiscal biennium. Your Committees contemplate that for the second year of the fiscal biennium, the State Building Code Council can request state funding. However, your Committees acknowledge that additional discussion regarding appropriate sources of funding for the State Building Code Council may be warranted as this amended measure moves through the legislative process.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 637, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 637, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Kidani).

Ways and Means: Ayes, 10. Noes, none. Excused, 1 (Wakai).

SCRep. 1552 (Joint) Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 848

The purpose and intent of this measure is to encourage and facilitate the development and use of microgrids by requiring the University of Hawaii to develop a plan for one microgrid demonstration project on university property.

Your Committees received testimony in support of this measure from the University of Hawai'i System, University of Hawai'i at Hilo, University of Hawai'i West Oahu, and one individual. Your Committees received testimony in opposition to this measure from the Chamber of Commerce Hawaii and Land Use Research Foundation of Hawaii. Your Committees received comments on this measure from the Public Utilities Commission and Hawaiian Electric Company, Inc.

Your Committees support the advancement of renewable energy and energy efficiency in Hawaii, and recognize that microgrids are an increasingly utilized technology that can help expand the use of clean energy in the State. Microgrids can facilitate the achievement of Hawaii's clean energy policies by enabling the integration of higher levels of renewable energy and advanced distributed energy resources, including energy storage and demand response.

Your Committees also support the University of Hawaii's objectives of reducing costs and meeting renewable energy goals, including the State's goal of one hundred percent clean energy by 2045. Your Committees find that the University expends substantial amounts each year on electricity costs, and that renewable energy projects have cost savings potential. Your Committees appreciate the need for microgrids and the advancement of energy efficiency efforts at the University of Hawaii, and hope to begin those efforts with a microgrid plan that takes into consideration the complex nature of developing a microgrid in Hawaii.

Your Committees intend for the microgrid plan to help lower energy costs at the University of Hawaii, including monthly savings on the University's facilities energy bill. The University of Hawaii may consider monetizing University of Hawaii West Oahu lands by offering the land as a site for renewable energy development. Your Committees also intend for the microgrid plan to be fair and beneficial to all affected electric customers. The plan should require the University of Hawaii to pay a fair share to access the microgrid and allow the University to receive benefits that it provides to the grid through demand response or other tariffs payment for grid service. At a minimum, the microgrid plan shall complement and provide a positive benefit to the larger energy system to be fair to all customers.

Your Committees further intend for the microgrid plan to ensure that electric service for the University and other customers remains safe and reliable. Finally, your Committees intend for the microgrid plan to measure and ensure progress toward achieving the University's net-zero energy goal. Your Committees expect that the proposals in the microgrid plan will be aligned with the on-going

efforts of the Public Utilities Commission. Your Committees note that this measure does not authorize wheeling due to an open Public Utilities Commission docket and the complex safety and technology requirements involved with Oahu having only one grid that was not originally designed for wheeling.

Your Committees have amended this measure by:

- (1) Requiring that the location of the microgrid project selected by the University of Hawaii be on the Island of Oahu;
- (2) Inserting a provision that requires the University of Hawaii to develop the plan in collaboration with the electric utility that typically provides service to the location selected for the microgrid project;
- (3) Inserting language that provides the following four objectives for the microgrid plan:
 - (A) Lower energy costs to the University of Hawaii;
 - (B) Ensuring the plan is fair and provides benefits to other electric customers;
 - (C) Maintain safety and reliability of the electric service for the University of Hawaii and other electric customers; and
 - (D) Demonstrate progress toward achieving the University of Hawaii's net-zero renewable energy goal;
- (4) Inserting a provision that requires the University of Hawaii, electric utility, and Public Utilities Commission to submit quarterly status reports to the Legislature to ensure that progress is being made on the microgrid plan;
- (5) Requiring the University of Hawaii to report to the Legislature prior to the Regular Session of 2019 instead of the Regular Session of 2018;
- (6) Inserting the United States Department of Energy's definition of the term "microgrid";
- (7) Updating the purpose section; and
- (8) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 848, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 848, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Kidani).

Ways and Means: Ayes, 10. Noes, none. Excused, 1 (Wakai).

SCRep. 1553 Ways and Means on H.B. No. 235

The purpose and intent of this measure is to address the coverage of acupuncture treatments provided under motor vehicle insurance.

More specifically, this measure:

- (1) Clarifies that the authorized benefit for acupuncture treatments allowed under personal injury protection benefits shall be tied to the charges, and subsequent increases in charges, permissible under the Workers' Compensation Supplemental Medical Fee Schedule; and
- (2) Clarifies that the number of acupuncture treatments allowed under personal injury protection benefits may not exceed thirty visits, and that the visits shall be counted separately from naturopathic or chiropractic visits.

Your Committee received written comments in support of this measure from Hawaii Oriental Medicine and Acupuncture Association, Institute of Clinical Acupuncture and Oriental Medicine, Windward Acupuncture, Maui Acupuncture, and six individuals.

Your Committee received written comments in opposition to this measure from State Farm Mutual Automobile Insurance Company, Hawaii Insurers Council, and Property Casualty Insurers Association of America.

Your Committee received written comments on this measure from the Department of Commerce and Consumer Affairs.

Your Committee finds that licensed acupuncturists provide citizens with an important and popular form of treatment. While acupuncture treatments are covered under the personal injury protection benefits of motor vehicle insurance, the reimbursement rate for licensed acupuncturists under this insurance has not increased for nearly two decades. Tying the authorized benefit for acupuncture treatments allowed under personal injury protection benefits to the charges permissible under the Workers' Compensation Supplemental Medical Fee Schedule will result in periodic fee adjustments for licensed acupuncturists.

Your Committee notes the following concerns regarding this measure:

- (1) The Hawaii Revised Statutes currently caps the combined number of naturopathic, chiropractic, and acupuncture treatments allowed under personal injury protection benefits at thirty visits per year. By removing acupuncture treatments from this list but still allowing up to thirty covered acupuncture treatments, the number of total treatments covered by an insurance policy is doubled from thirty to sixty. The State Insurance Commissioner notes that the doubling of allowed visits will likely lead to across-the-board increased costs to all motor vehicle insurance policyholders; and
- (2) Untying the covered number of acupuncture treatments from the combined number of covered naturopathic and chiropractic treatments may set a precedent for covering a specific amount of visits for individual types of treatment rather than bundling the covered treatments.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 235, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1554 Ways and Means on H.B. No. 1244

The purpose and intent of this measure is to facilitate the upgrade, conversion, or sewerage connection of cesspools in the State.

More specifically, the measure:

- (1) Amends the cesspool upgrade, conversion, or connection income tax credit to:
 - (A) Make the tax credit refundable;
 - (B) Expand the criteria for cesspools that qualify for the tax credit; and
 - (c) Extend the sunset date of the law for the credit to December 31, 2022;
- (2) Requires each cesspool to be upgraded or converted to a septic or aerobic treatment unit system, or connected to a sewerage system, by January 1, 2050, unless the property owner obtains an exemption from the Director of Health;
- (3) Establishes a cesspool compliance grant program to help homeowners pay cesspool upgrade, conversion, or connection costs; and
- (4) Appropriates funds to the Department of Health for the purposes of the cesspool upgrade, conversion, or connection mandate and the cesspool compliance grant program.

Your Committee received written comments in support of this measure from the Department of Health; U.S. Green Building Code Council, Hawaii Chapter; The Nature Conservancy; Surfrider Foundation; Sierra Club of Hawaii; and one individual.

Your Committee received written comments in opposition to this measure from the Office of the Mayor, County of Hawaii.

Your Committee received written comments on this measure from the Department of Taxation; Tax Foundation of Hawaii; and one individual.

Your Committee finds that every day, approximately ninety thousand cesspools in the State discharge approximately fifty-five million gallons of untreated sewage into the groundwater, from which comes ninety-five percent of all of Hawaii's drinking water. Because groundwater also flows into streams and the ocean, untreated water from cesspools threatens public health and harms the environment, including beaches and coral reefs. Your Committee believes that the mandate imposed and the monetary grants authorized by this measure will facilitate the phasing out of most cesspools.

Your Committee has amended this measure by:

- (1) Deleting all provisions relating to the cesspool upgrade, conversion, or connection income tax credit;
- (2) Changing its effective date to July 1, 2050, to facilitate further discussion on the measure; and
- (3) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

Your Committee notes that the measure does not place any limit on the amount of funds that a homeowner may receive from the cesspool compliance grant program, nor does it define the term "homeowner" for the purposes of that program. Your Committee also notes that the measure allows a property owner to receive an exemption from the cesspool upgrade, conversion, or sewerage connection mandate based on reasons that are very general and are left to the discretion of the Department of Health.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1244, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1244, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 9. Noes, none. Excused, 2 (Galuteria, Inouye).

SCRep. 1555 Ways and Means on H.B. No. 844

The purpose and intent of this measure is to establish safe places that offer shelter, programs, and support to at-risk youth under the age of eighteen.

Specifically, the measure:

- (1) Requires the Office of Youth Services, in partnership with private organizations, to coordinate a two-year Safe Places for Youth pilot program through which youth can access a network of safe places and obtain advice, guidance, programs, and services; and
- (2) Appropriates funds for a Safe Places for Youth pilot program coordinator position and residential options for the pilot program.

Your Committee received written comments in support of this measure from the Judiciary, Planned Parenthood Votes Northwest and Hawaii, Community Alliance on Prisons, Hawaii Youth Services Network, The CHOW Project, and three individuals.

Your Committee finds that youth homelessness is a serious and prevalent issue in the State, and that the pilot program established by this measure, like other "Safe Place" initiatives throughout the country, aims to provide outreach and prevention services to young people in need of immediate help and safety.

Your Committee has amended this measure by:

- (1) Requiring the Office of Youth Services to report to the Legislature on its findings and recommendations, including any proposed legislation, no later than twenty days before the start of the 2019 Regular Session; and
- (2) Correcting the reference to the “National Runaway Switchboard” to instead reference the “National Runaway Safeline.”

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 844, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 844, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1556 Ways and Means on H.B. No. 1098

The purpose and intent of this measure is to enhance the functioning of the State’s homeless emergency shelters.

Specifically, the measure:

- (1) Amends Act 234, Session Laws of Hawaii 2016, to permit, rather than require, emergency shelters to have partitioned space for homeless persons or families and allows differences in partition specifications among emergency shelters to be determined by the Department of Human Services;
- (2) Delays the requirement that contracts between the Department and emergency or transitional shelter provider agencies comply with Act 234, Session Laws of Hawaii 2016, by one year, so that the requirement applies to contracts that take effect after June 30, 2018; and
- (3) Delays the effective date of Act 234, Session Laws of Hawaii 2016, by one year, to July 1, 2018.

Your Committee received written comments in support of this measure from the Governor’s Coordinator on Homelessness, the Department of Human Services, and Catholic Charities Hawaii.

Your Committee finds that Act 234, Session Laws of Hawaii 2016, established minimum requirements for every homeless emergency shelter operated by a provider agency under contract with the Department of Human Services, in order to make more emergency shelter space available in a cost-effective manner. At the same time, your Committee recognizes that emergency shelters in rural and urban communities have distinct differences and needs. Your Committee finds that the Department of Human Services would benefit by having more time to determine how to bring these shelters with diverse needs into compliance with the requirements of Act 234.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1098, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1557 Ways and Means on H.B. No. 213

The purpose and intent of this measure is to expand employee protections under the State’s family leave law.

Specifically, the measure:

- (1) Permits an employee to take family leave to care for the employee’s sibling with a serious health condition or upon the death of the employee’s child, spouse, reciprocal beneficiary, sibling, or parent; and
- (2) Specifies notice and certification requirements.

Your Committee received written comments in support of this measure from the Hawaii Government Employees Association, Hawaii State Teachers Association, and International Longshore and Warehouse Union Local 142.

Written comments in opposition were received from the Hawaii Restaurant Association, Hawaii Food Industry Association, Hawaii Credit Union League, Maui Chamber of Commerce, Kahala Nui, John Mullen and Company, SHRM Hawaii, and two individuals.

The Department of Labor and Industrial Relations, Policy Advisory Board for Elder Affairs, Healthy Mothers Healthy Babies Coalition of Hawaii, and Hawaii Children’s Action Network submitted written comments on the measure.

Your Committee finds that expanding the scope of coverage under the family leave law recognizes that the concept of “ohana” in Hawaii involves a broader definition of family and family duties. Employees may need time away from work to care for a sibling with a serious health condition or address matters that arise after the death of the employee’s child, spouse, reciprocal beneficiary, sibling, or parent.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 213, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10; Ayes with Reservations (Riviere). Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1558 Ways and Means on H.B. No. 810

The purpose and intent of this measure is to allow public sector collective bargaining parties to use arbitration to resolve impasses related to contributions to the Hawaii Employer-Union Health Benefits Trust Fund.

Your Committee received written comments in support of this measure from the Hawaii Government Employees Association.

Your Committee received written comments in opposition to this measure from the Department of Budget and Finance and the Office of Collective Bargaining.

Your Committee received written comments on this measure from the Department of Human Resources of the City and County of Honolulu and the University of Hawaii Professional Assembly.

Your Committee finds that binding arbitration is a method of resolving disputes between parties that has proven successful and cost effective. Currently, parties that engage in collective bargaining regarding public employees can negotiate over a broad variety of topics relating to employment. However, the Hawaii Revised Statutes relating to public sector collective bargaining prohibit the use of arbitration to resolve collective bargaining impasses over the amount of state and county contributions into the Hawaii Employer-Union Health Benefits Trust Fund. Allowing contributions into the Hawaii Employer-Union Health Benefits Trust Fund to be included in collective bargaining arbitration proceedings gives parties the opportunity to present, review, and accept more comprehensive collective bargaining agreement offers.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 810, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 4 (English, Harimoto, Inouye, Kahele).

SCRep. 1559 Ways and Means on H.B. No. 1031

The purpose and intent of this measure is to facilitate compliance with Internal Revenue Service requirements by authorizing the Child Support Enforcement Agency and the Departments of Taxation, Human Services, and Labor and Industrial Relations to perform criminal history record checks on employees, prospective employees, and contractors who have access to federal tax information.

Your Committee received written comments in support of this measure from the Department of Taxation, Department of Human Services, Department of Labor and Industrial Relations, Department of the Attorney General, and the Mayor of the County of Hawaii.

Your Committee finds that the Internal Revenue Service recently mandated that all agencies that receive federal tax information perform background checks, including a Federal Bureau of Investigation fingerprint search, on all employees who have access to federal tax information. This measure will allow the Child Support Enforcement Agency and the Departments of Taxation, Human Services, and Labor and Industrial Relations to comply with these new federal requirements and continue to perform their core functions.

Your Committee notes that provisions allowing an agency to deny employment to a “contractor” and “employee or agent of the contractor” are not consistent across the four agencies listed in the measure. Specifically, this measure expressly grants certain agencies the authority to deny employment to “an employee or agent of the contractor” while other agencies are not given this express authority. Your Committee further notes that the Mayor of the County of Hawaii requested that this measure be amended to grant the counties authority to conduct criminal history record checks on current and prospective employees and contractors that have or will have access to federal tax information. Your Committee respectfully requests that the Committee on Conference convened for this measure consider the foregoing issues.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1031, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1560 Ways and Means on H.B. No. 1580

The purpose and intent of this measure is to commence the transition to one hundred percent clean ground transportation in Hawaii.

Specifically, this measure:

- (1) Establishes a Hawaii Clean Ground Transportation Initiative that requires the Department of Transportation, in collaboration with the State Energy Office, to identify a plan to establish the goal of eliminating the use of fossil fuels for ground transportation by the year 2045;
- (2) Requires the Hawaii Clean Energy Initiative Program of the Department of Business, Economic Development, and Tourism to design, implement, and administer:
 - (A) A plan to reduce fossil fuel consumption for ground transportation by five percent by the year 2025 and to issue periodic reports establishing additional benchmarks to further reduce fossil fuel consumption for ground transportation; and
 - (B) A plan to achieve the deployment of electric vehicle charging infrastructure by the year 2025; and
- (3) Amends the State Planning Act to conform the planning for state facility systems with the goal of eliminating the use of fossil fuels for ground transportation by the year 2045.

Your Committee received written comments in support of this measure from the Department of Transportation; Office of Economic Development, County of Kauai; Kanehili Cultural Hui; Ulupono Initiative; Avalon Group, LLC; Blue Planet Foundation; Healthy Climate Communities; Citizens’ Climate Lobby, and thirty individuals.

Your Committee received written comments on this measure from the Department of Business, Economic Development, and Tourism; Hawaii Petroleum Marketers Association; Hawaii Transportation Association; Hawaiian Electric Companies; Island Energy Services; Hawaii Energy Policy Forum; Alliance of Automobile Manufacturers; and Hawaii Automobile Dealers Association.

While this measure does not establish a mandate for one hundred percent fossil fuel ground transportation, your Committee finds that unlike the State's 2045 renewable energy goal, the measure does provide planning guidance for state facilities and state facility systems to accommodate a future where the ground transportation sector consists entirely of vehicles powered by renewable energy.

Your Committee further finds that amending the portions of the State Planning Act applicable to state facility systems, including public infrastructure, to enable a fossil fuel-free ground transportation sector by the year 2045 will help to align the State's transportation energy goals with the existing goal of one hundred percent renewable energy by the year 2045. This will enable a more holistic approach to support renewable energy in the State.

Your Committee believes that establishing a 2025 target year for measurable reductions that is separate from, but consistent with, the year 2045 planning goal, will provide a significant intermediate step leading to the ultimate elimination of fossil fuel consumption for ground transportation.

Your Committee has amended this measure by:

- (1) Requiring the Department of Transportation, in soliciting the input of stakeholders regarding the Hawaii Clean Ground Initiative, to obtain input from ground transportation fuel providers;
- (2) Deleting the requirement for the Hawaii Clean Energy Initiative Program to design, implement, and administer a plan to achieve the deployment of electric vehicle charging infrastructure;
- (3) Authorizing the Hawaii Clean Energy Initiative Program to exclude new target benchmarks for the reduction of fossil fuel consumption in ground transportation if the Department of Business, Economic Development, and Tourism determines that the target benchmarks cannot be met in a manner that is beneficial to the economy of Hawaii, or due to technological limitations or other barriers that preclude clean ground transportation alternatives;
- (4) Requiring that the periodic reports by the Hawaii Clean Energy Initiative Program regarding new benchmarks to reduce fossil fuel consumption for ground transportation specifically include a request for an appropriation for analyses to develop new benchmarks for the next report;
- (5) Amending the State Planning Act to require that planning for state facilities with regard to transportation and energy be directed towards eliminating, by the year 2045, Hawaii's dependence on imported fossil fuels for ground transportation and electrical generation; and
- (6) Changing the effective date to July 1, 2020, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1580, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1580, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1561 Commerce, Consumer Protection, and Health on H.B. No. 1418

The purpose and intent of this measure is to amend the county exemptions from building permit and building code requirements to ensure that Hawaii's communities are not suspended from participation in the National Flood Insurance Program.

Your Committee received testimony in support of this measure from the Department of Agriculture; Department of Commerce and Consumer Affairs; Department of Land and Natural Resources; Hawaii Housing Finance and Development Corporation; Hawaii Emergency Management Agency; Department of Emergency Management, City and County of Honolulu; Department of Planning and Permitting, City and County of Honolulu; County of Hawai'i, Office of the Mayor; County of Hawai'i, Department of Public Works; American Council of Engineering Companies of Hawaii; Hawai'i Association of REALTORS; Hawaii Bankers Association; Hawaii Financial Services Association; The Maritime Group, LLC; Building Industry Association of Hawaii; Hawaii Credit Union League; Hawaii Independent Insurance Agents Association; Hawaii Cattleman's Council, Inc.; Hawai'i Farm Bureau; and two individuals.

Your Committee finds that changes made by Act 203, Session Laws of Hawaii 2013, exempted certain agricultural structures from building code and permit requirements. However, these changes inadvertently conflict with state floodplain management requirements that are consistent with the National Flood Insurance Program (NFIP), as administered by the Federal Emergency Management Agency (FEMA). FEMA notified the State in April 2016 that unless the State made certain necessary statutory amendments, new and renewed NFIP policies would be suspended, and NFIP flood insurance would be unavailable to Hawaii's residents.

Your Committee further finds that if NFIP flood policies were not available in Hawaii, all properties located in areas designated by FEMA as high risk for flooding would be required to find another mechanism to satisfy the mandatory flood insurance purchase requirements of the Flood Disaster Protection Act of 1973. Private flood insurance would not be eligible for the current government subsidies provided by the NFIP, and such private flood insurance is anticipated to cost substantially more than current NFIP rates. Furthermore, if Hawaii ceases participation in the NFIP, certain forms of federal disaster assistance may not be available to the government, businesses, and individuals in Hawaii to aid in recovery. Accordingly, this measure makes certain necessary amendments to ensure Hawaii's continued eligibility in the NFIP.

Your Committee notes that the language in this measure has been reviewed and found acceptable by FEMA for the purpose of bringing section 46-88, Hawaii Revised Statutes, into compliance with the minimum standards of the NFIP.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1418, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, none.

SCRep. 1562 Commerce, Consumer Protection, and Health on H.B. No. 1258

The purpose and intent of this measure is to:

- (1) Establish registration requirements and driver's licensing requirements for operation of autocycles; and
- (2) Define "autocycle".

Your Committee received testimony in support of this measure from the Department of Transportation; City and County of Honolulu, Department of Customer Services; and Polaris Industries, Inc.

Your Committee finds that a significant number of states have developed definitions for the treatment of autocycles, a newer type of vehicle composed of three wheels and non-traditional seating that is manufactured to federal motorcycle safety standards. However, existing Hawaii law does not allow for the registration of these unique vehicles. Accordingly, this measure establishes registration requirements and driver's licensing requirements for operation of autocycles and establishes a definition for autocycle.

Your Committee has heard testimony that the American Association of Motor Vehicle Administrators Working Group (AAMVA), a private nonprofit corporation made up of motor vehicle and law enforcement administrators and executives, has developed best practices on registering and licensing autocycles. Amendments to this measure are therefore necessary to incorporate certain consumer protection recommendations based on AAMVA best practices. Your Committee has also heard testimony that most autocycles do not meet the federal Motor Vehicle Safety Standards for passenger motor vehicles. Amendments to this measure are also necessary to incorporate additional consumer protection requirements for the registration and operation of autocycles in Hawaii.

Your Committee has amended this measure by:

- (1) Clarifying that a valid type 3, rather than type 2 or 3, driver's license is required for operation of an autocycle;
- (2) Requiring occupants in an autocycle not equipped with a front windshield to use eye protection;
- (3) Requiring occupants in an autocycle to comply with mandatory seat belt requirements;
- (4) Requiring all dealers, sellers, lessors, and rental agencies to disclose certain information, as applicable, relating to autocycles and the federal Motor Vehicle Safety Standards for passenger motor vehicles;
- (5) Amending the definition of "autocycle";
- (6) Enabling each county's Director of Finance to issue number plates to a registered owner of an autocycle;
- (7) Amending the definition of "motorcycle"; and
- (8) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1258, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1258, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, none.

SCRep. 1563 (Joint) Ways and Means and Economic Development, Tourism, and Technology on H.B. No. 943

The purpose and intent of this measure is to promote job growth in Kapolei.

More specifically, the measure establishes a five-year Kapolei jobs initiative pilot program and a Kapolei jobs initiative tax credit to provide incentives for businesses to establish themselves or open a new location in the Kapolei region.

Your Committees received written comments in support of this measure from the Councilmember for the First District, City and County of Honolulu; Avalon Development Company; Hawaii Construction Alliance; Haseko; Hunt Companies; Chamber of Commerce Hawaii; Kapolei Chamber of Commerce; Pacific Resource Partnership; James Campbell Company, LLC; Land Use Research Foundation of Hawaii; and three individuals.

Your Committees received written comments on this measure from the Department of Taxation; the Department of Business, Economic Development, and Tourism; Tax Foundation of Hawaii; and one individual.

Your Committees find that job growth is a matter of statewide concern. Your Committees also find that in the Kapolei region, households continue to outgrow the number of employment opportunities in the region. Your Committees recognize that state law currently provides for a state enterprise zone program, which is designed to stimulate business and industrial growth. However, the program is currently restrictive, and participation has been relatively low, particularly in the Leeward enterprise zone. Your Committees believe that this measure may encourage greater economic growth, development, and job creation in the Kapolei region.

Your Committees have amended this measure by:

- (1) Amending the titles of two sections within the new statutory chapter to more accurately reflect the content of those sections;
- (2) Clarifying that the submission of a completed required form shall be prima facie evidence of the eligibility of a business for the Kapolei jobs initiative income tax credit; and

- (3) Amending the tax credit carryover provision to provide that excess credit from a taxable year may be used as a tax credit against the taxpayer's net income tax liability in the subsequent taxable year; provided that no excess credit may be used after December 31, 2022.

Your Committees respectfully request that a Committee on Conference that considers this measure address the following drafting issues in the measure that require further clarification:

- (1) Section -3(b) of the new Hawaii Revised Statutes chapter lacks clarity regarding whether the Department of Taxation or the Department of Business, Economic Development, and Tourism shall be responsible to "approve" the Kapolei jobs initiative income tax credit form;
- (2) In subsection (b)(1) of the new section of chapter 235, Hawaii Revised Statutes, the ambiguous use of the word "less", in the phrase "___ per cent less", lacks clarity as to what "less" refers, and thus may lead to confusion regarding how the Kapolei jobs initiative income tax credit is to be calculated for succeeding years;
- (3) Subsection (f) of the new section of chapter 235, Hawaii Revised Statutes, requires a qualified business to prequalify for the Kapolei jobs initiative income tax credit by registering "during the stage of business development" in the designated geographic area. The phrase "stage of business development" may be subject to differing interpretations; and
- (4) Subsection (g) of the new section of chapter 235, Hawaii Revised Statutes, provides that the Department of Business, Economic Development, and Tourism may request additional information necessary to measure the effectiveness of the Kapolei jobs initiative income tax credit. However, the provision does not require a qualified business claiming the tax credit to provide any additional information so requested.

Your Committees also note that the Department of Business, Economic Development, and Tourism stated that it would need \$150,000 annually to implement this measure, which would require a new program, including new reporting and tracking systems and a new and permanent Economic Development Specialist V position.

As affirmed by the records of votes of the members of your Committees on Ways and Means and Economic Development, Tourism, and Technology that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 943, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 943, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Ways and Means: Ayes, 8; Ayes with Reservations (Taniguchi). Noes, none. Excused, 3 (Galuteria, Inouye, Riviere).

Economic Development, Tourism, and Technology: Ayes, 5; Ayes with Reservations (Taniguchi, Thielen). Noes, none. Excused, none.

SCRep. 1564 Ways and Means on H.B. No. 478

The purpose and intent of this measure is to appropriate funds for agricultural management positions and equipment to support prison farming programs.

More specifically, this measure appropriates funds for:

- (1) A full-time agricultural management position and equipment for Kulani Correctional Facility agriculture operations; and
- (2) A full-time agricultural management position and equipment for Waiawa Correctional Facility agriculture operations.

Your Committee received written comments in support of this measure from the Department of Public Safety; Office of the Mayor, County of Hawaii; Community Alliance on Prisons; The CHOW Project; and two individuals.

Your Committee finds that agricultural programs at correctional facilities provide numerous benefits for the correctional system and inmates. Rising prison populations and shrinking correctional budgets have made reducing costs an important focus for correctional facilities. Your Committee finds that prison farm programs can increase food self-sufficiency and reduce correctional costs by allowing facilities to produce food in-house. In addition, prison farm programs promote inmate rehabilitation and provide inmates with the opportunity to learn a variety of technical skills and trades, such as caring for and identifying plants, managing and controlling pests, applying planting and harvesting techniques, performing watering and weeding, and operating and repairing farm machinery.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 478, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1565 Ways and Means on H.B. No. 521

The purpose and intent of this measure is to promote diversification of the State's economy.

More specifically, this measure:

- (1) Establishes the high-growth grant program to provide grants to qualified businesses for specific business development purposes; and
- (2) Establishes the high-growth grant program special fund to receive legislative appropriations and make grants under the program.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; High Technology Development Corporation; Maui Chamber of Commerce; Chamber of Commerce Hawaii; and Maui Gold Pineapple Company.

Your Committee received written comments on this measure from the Department of Budget and Finance.

Your Committee finds that diversifying the State's economy beyond service-related industries is critical to Hawaii's future. The high-growth grant program will provide grants to businesses that export products to expand their operations, improve productivity, and invest in food safety or quality control programs. Your Committee believes that the diversification of the State's economy will assist businesses and the State in becoming competitive globally.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 521, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1566 (Joint) Ways and Means and Judiciary and Labor on H.B. No. 930

The purpose and intent of this measure is to improve child sexual abuse prevention education in the State.

Specifically, the measure:

- (1) Creates an Erin's Law task force to review policies, programs, and curricula for educating public school students about sexual abuse and sex trafficking prevention, and report recommendations for the establishment of a program to educate public school students on sexual abuse prevention through age appropriate curricula; and
- (2) Appropriates funds to support the task force.

Your Committees received written comments in support of this measure from the Hawaii State Commission on the Status of Women, Planned Parenthood Votes Northwest and Hawaii, Hawaii Youth Services Network, Sex Abuse Treatment Center, Hawaii State Teachers Association, IMUAlliance, Hawaii Alliance of Boys and Girls Clubs, Parents and Children Together, and four individuals.

The Department of Education submitted written comments on the measure.

Your Committees find that sexual abuse is a serious and ongoing threat to children and young people in the State, and that a consistent, systemwide approach to preventive education and training is needed. Thus, your Committees find that a task force is needed to oversee the establishment of a program that educates public school students, teachers, and parents on sexual abuse prevention and related topics.

Your Committees note that the Department of Education estimates that an appropriation of \$75,000 in each of fiscal years 2017-2018 and 2018-2019 will be necessary to support the operations of the task force. In addition, your Committees request that the following concerns be addressed if the measure is considered during Conference:

- (1) Whether the August 11, 2017, deadline for convening the task force should be changed, given the role of the Superintendent of Education, or the Superintendent's designee, as the task force's chairperson and the Department of Education's upcoming leadership changes;
- (2) Whether the task force should be convened by the Department of Education rather than the Legislature, given that the primary responsibility for conducting the activities of the task force will rest with the Superintendent and the Department and that the measure's appropriation is to be expended by the Department; and
- (3) Whether the task force's nonprofit after school provider member should be designated by the Superintendent, as proposed by the Department of Education, instead of by the Hawaii Youth Services Network.

Your Committees have amended this measure by:

- (1) Expanding the reference to "Title IX" as "Public Law 92-318, Title IX of the federal Education Amendments of 1972, as amended"; and
- (2) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the records of votes of the members of your Committees on Ways and Means and Judiciary and Labor that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 930, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 930, S.D. 2.

Signed by the Chairs on behalf of the Committees.
Ways and Means: Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Shimabukuro).
Judiciary and Labor: Ayes, 5. Noes, none. Excused, none.

SCRep. 1567 Ways and Means on H.B. No. 1231

The purpose and intent of this measure is to authorize the Department of Education to retain and reallocate funds to offset incurred disaster relief expenses.

Specifically, this measure:

- (1) Authorizes the Department of Education to retain reimbursements for disaster relief expenses until the end of the following fiscal biennium; and
- (2) Credits federal disaster relief reimbursement funds to the Department of Education when the Department expends Department funds for purposes deemed reimbursable by federal moneys, regardless of whether the original appropriation for the Department funds has lapsed.

Your Committee received written comments in support of this measure from the Department of Education.

Your Committee received written comments on this measure from the Department of Budget and Finance.

Your Committee finds that in the past the Department of Education has had to expend Department funds, appropriated for other purposes, to provide disaster relief. When this occurs, the Department attempts to obtain the maximum reimbursement of federal funds allowed. However, presently, federal reimbursement funds cannot be reallocated to an appropriation that has lapsed. This measure will authorize the Department to use federal reimbursement funds to replace the original Department funds and to expend those funds for the originally appropriated purpose.

Your Committee has amended this measure by making a technical amendment for purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1231, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1231, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1568 Ways and Means on H.B. No. 1327

The purpose and intent of this measure is to appropriate funds to the High Technology Development Corporation to support the manufacturing development program.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; High Technology Development Corporation; Hawaii Food Industry Association; Hawaii Venture Capital Association; Chamber of Commerce Hawaii; Maui Chamber of Commerce; Makai Ocean Engineering, Inc.; Oceanit Laboratories, Inc.; Maui Brewing Co.; KYD, Inc.; Aloha Shoyu Company, Ltd.; Kona Brewing Co.; BGS Engineering; Kauai Island Brewing Company; Hawaii Biotech, Inc.; Hawaii Coffee Company; The Tea Chest; Meadow Gold Dairies; Kuehnle AgroSystems, Inc.; Hyperspective Studios, Inc.; First Commercial Kitchen, Inc.; Island Plastic Bags, Inc.; XLR8UH; Sultan Ventures; Hawaiian Crown Plantation & Chocolate Factory; and three individuals.

Your Committee finds that the High Technology Development Corporation is a key state agency that helps to develop and support the State's manufacturing industry. Your Committee further finds that the continuation of the manufacturing development program administered by the High Technology Development Corporation stimulates economic growth, increases development, and creates jobs related to products manufactured in Hawaii.

Your Committee respectfully requests that, if this measure is considered during Conference, consideration should be given to allow the High Technology Development Corporation to use up to ten percent of the appropriation for administrative purposes.

Your Committee has amended this measure by changing the effective date to July 1, 2060, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1327, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1327, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1569 Ways and Means on H.B. No. 1329

The purpose and intent of this measure is to support the development of prototypes from proofs of concept that are created during various application challenges.

Specifically, this measure:

- (1) Requires the High Technology Development Corporation to issue grants to help convert proofs of concept created during the 2017 and 2018 Hawaii Annual Code Challenges, AT&T Hackathons, Reboot the Commute, or other application challenges into prototypes;
- (2) Requires the High Technology Development Corporation to obtain donations of not less than fifty percent of the moneys expended on a project-by-project basis; and
- (3) Appropriates funds for the grants and to support related activities.

Your Committee received written comments in support of this measure from the Office of Enterprise Technology Services, High Technology Development Corporation, Civil Beat Law Center for the Public Interest, Hawaii Open Data, Transform Hawaii Government, and fourteen individuals.

Your Committee finds that one of the goals of hackathons is to begin a process that ultimately leads to the creation of innovative solutions to problems. However, in part due to their short durations, hackathons usually only produce proofs of concept for applications. Your Committee further finds that an appropriation will help to progress those proofs of concept into prototypes and commercial products and provide a means for participants to create startup businesses for their applications.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1329, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1570 Ways and Means on H.B. No. 1559

The purpose and intent of this measure is to ensure the continued viability of the State's sea salt manufacturing industry.

Specifically, the measure appropriates funds for the Department of Business, Economic Development, and Tourism to provide guidance and support regarding the Food and Drug Administration's industry guidelines on the use of color additives, as applied to sea salt products cultivated or produced in Hawaii.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; and the Chamber of Commerce Hawaii.

Your Committee finds that Hawaii-made sea salt products are a well-known product both here in Hawaii and around the world. Your Committee also finds that recent guidelines from the Food and Drug Administration regarding red and black Hawaiian sea salts have caused large financial stress on the industry due to the cost of testing that is required to meet the guidelines. Your Committee further finds that the Department of Business, Economic Development, and Tourism's assistance will relieve local small businesses from bearing the burden of these costs and allow them to continue to focus on growing their businesses.

Your Committee notes that the Department of Business, Economic Development, and Tourism has indicated it would require an appropriation of \$150,000 to undertake the duties specified in this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1559, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1571 Ways and Means on H.B. No. 1578

The purpose and intent of this measure is to establish and appropriate funds for a Carbon Farming Task Force to identify agricultural and aquacultural practices that yield carbon sequestration benefits.

Your Committee received written comments in support of this measure from the Department of Agriculture; Department of Land and Natural Resources; Office of Planning; Ulupono Initiative; Hawaii Island School Garden Network – The Kohala Center; Surfrider Foundation Oahu Chapter; Hawaii Alliance for Progressive Action; Hawaii Center for Food Safety; Styrophobia; Surfrider Foundation; Sierra Club of Hawaii; and thirteen individuals.

Your Committee finds that climate change presents an immediate threat to Hawaii's economy and natural resources. Implementing agricultural practices that promote carbon sequestration can produce multiple environmental and economic benefits, including a reduction in greenhouse gases, an enhanced sustainability of Hawaii's agricultural lands, decreased sedimentation of the marine environment, and the creation of new opportunities for local farmers. Many businesses and farmers would like to implement practices that result in carbon sequestration benefits, but information regarding these practices is not readily available. Your Committee believes that establishing the Carbon Farming Task Force is necessary to identify and promote climate-smart agricultural practices.

Your Committee has amended this measure by:

- (1) Changing one of the Carbon Farming Task Force's objectives from "Identify[ing] ways that ecosystems and agroforestry systems can be used to mitigate carbon content in Hawaii" to "Identify[ing] agroforestry practices that can be used to enhance carbon sequestration in Hawaii";
- (2) Changing the appropriation from \$100,000 to an unspecified amount to facilitate further discussion on the measure; and
- (3) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

Your Committee notes that this measure provides for the mayor of each county to appoint one member to the Carbon Farming Task Force. However, there does not appear to be any restrictions on or qualifications for the persons appointed, such as residency in the same county as the mayor making the appointment or having knowledge about agriculture or carbon sequestration. Your Committee requests that these issues be addressed in Conference on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1578, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1578, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1572 Ways and Means on H.B. No. 453

The purpose and intent of this measure is to establish and fund a grant program to assist farmers and ranchers in paying for costs of complying with various food safety laws and regulations.

Your Committee received written comments in support of this measure from the Department of Agriculture, Maui Chamber of Commerce, Ulupono Initiative, Hawaii Farm Bureau, Hawaii Crop Improvement Association, Land Use Research Foundation of Hawaii, and one individual.

Your Committee finds that local farmers and ranchers are crucial to the State's economy and the pursuit of food security. These farmers and ranchers must comply with a variety of food safety laws and regulations in order to sell their products. Your Committee further finds that the costs associated with food safety law and regulation compliance can be significant and can make it difficult for a

small farmer or rancher to stay in business. Your Committee believes that assisting farmers and ranchers in complying with food safety laws and regulations assists the State's economy and the pursuit of food security.

Should a Committee on Conference decide to convene on this measure, your Committee respectfully requests that it consider providing an appropriation of \$1,000,000 to adequately fund the grant program established by this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 453, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 5 (English, Galuteria, Harimoto, Kahele, Taniguchi).

SCRep. 1573 Ways and Means on H.B. No. 428

The purpose and intent of this measure is to improve physician recruitment and retention in rural and medically underserved areas of the State.

More specifically, the measure would permit the John A. Burns School of Medicine to continue receiving a portion of the physician workforce assessment fee to support physician workforce assessment and planning for the recruitment and retention of physicians.

Your Committee received written comments in support of this measure from the Department of Labor and Industrial Relations, East Hawaii Region of Hawaii Health Systems Corporation, University of Hawaii, County of Hawaii, Hawaii Academy of Family Physicians, Lanai Community Health Center, Big Island Toyota, Hawaii Pacific Health, Hawaii Medical Association, Native Hawaiian Affairs and Clinical Support – The Queen's Health Systems, The Queen's Health Systems, Hilo Medical Center Foundation, International Longshore and Warehouse Union Local 142, Hawaii Area Health Education Center, Kaiser Permanente, and eleven individuals.

Your Committee received written comments on this measure from the Hawaii Medical Board and one individual.

Your Committee finds that there is a critical need to recruit and retain physicians to serve rural and medically underserved areas of the State. The State has the fifth oldest physician workforce of all the states, and more than half of the State's physicians will be over the age of sixty-five within ten years. Your Committee believes that supporting the recruitment and retention of healthcare professionals, especially in rural, remote, and underserved areas, promotes access to quality healthcare.

Your Committee notes that the Hawaii Medical Board has requested that the allocation of a portion of the physician workforce assessment fee to the John A. Burns School of Medicine be extended, rather than be made permanent.

Your Committee has amended this measure by changing the effective date to June 29, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 428, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 428, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1574 Ways and Means on H.B. No. 571

The purpose and intent of this measure is to appropriate funds to the University of Hawaii to improve public education on emergency management and disaster preparedness in Hawaii.

More specifically, this measure appropriates funds for the University of Hawaii Sea Grant College Program to:

- (1) Develop a communication strategy and outreach plan for emergency management and disaster preparedness;
- (2) Update and publish the fourth edition of the *Homeowner's Handbook to Prepare for Natural Hazards*; and
- (3) Conduct a systematic and targeted education and outreach initiative throughout the State for emergency management and disaster preparedness.

Your Committee received written comments in support of this measure from the Hawaii Emergency Management Agency; University of Hawaii; Department of Emergency Management, City and County of Honolulu; Hauula Community Association; and one individual.

Your Committee finds that Hawaii residents require education on emergency and disaster preparedness, as evidenced by public behavior during threatening events. Your Committee further finds that 2014, 2015, and 2016 saw record numbers of hurricane warnings and near misses, and that it is in the public interest to take stronger action to better prepare for potential natural disasters.

Your Committee has amended this measure by changing the effective date to July 1, 2060, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 571, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 571, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, none.

SCRep. 1575 Ways and Means on H.B. No. 598

The purpose and intent of this measure is to authorize the University of Hawaii to participate in and contribute funding for activities related to the development of a Hawaii cyber ecosystem and other related aspects of cybersecurity.

Your Committee received written comments in support of this measure from the Department of Labor and Industrial Relations; Department of Education; University of Hawaii; Referentia Systems, Inc.; Chamber of Commerce Hawaii; and one individual.

Your Committee finds that developing and actively practicing cybersecurity measures is a matter of statewide concern. An immeasurable and constantly increasing amount of daily economic and personal activities involve an online component. Without proper security, these activities can leave people and infrastructure vulnerable to a cyberattack. Your Committee believes that the State should remain proactive and vigilant in its efforts to strengthen and provide education regarding cybersecurity practices.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 598, H.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 598, H.D. 2, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1576 Ways and Means on H.B. No. 620

The purpose and intent of this measure is to support efforts by the Kahoolawe Island Reserve Commission to restore, preserve, and determine the appropriate uses of the Kahoolawe Island Reserve.

Specifically, the measure appropriates funds to the Department of Land and Natural Resources for:

- (1) Nineteen full-time permanent positions for the Commission; and
- (2) The Kahoolawe Island Reserve Commission's general operations and promotion of water sustainability and photovoltaic powered desalinization on the Island Reserve.

Your Committee received written comments in support of this measure from the Kahoolawe Island Reserve Commission, Office of the Mayor of the County of Maui, Protect Kahoolawe Ohana, Hawaiian Affairs Caucus of the Democratic Party of Hawaii, Kalihi Palama Hawaiian Civil Club, Conservation Council for Hawaii, and twenty-nine individuals.

Written comments in opposition were received from the Center for Hawaiian Sovereignty Studies.

Your Committee finds that additional funding will permit the Kahoolawe Island Reserve Commission to continue mitigating ecological damage on Kahoolawe, protecting its endangered and rare flora and fauna, and ensuring that visitors can access the Island Reserve meaningfully and safely.

Your Committee has amended this measure by:

- (1) Changing the number of full-time permanent positions for the Kahoolawe Island Reserve Commission to an unspecified number; and
- (2) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

Your Committee notes that it has added in H.B. No. 100, H.D. 1, S.D. 1, the General Appropriations Act of 2017, 15.00 permanent positions and general fund appropriations of \$1,065,147 in fiscal year 2017-2018 and \$1,097,047 in fiscal year 2018-2019 for the Kahoolawe Island Reserve Commission.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 620, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 620, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 8. Noes, none. Excused, 3 (English, Kahele, Taniguchi).

SCRep. 1577 Ways and Means on H.B. No. 1351

The purpose and intent of this measure is to support the efforts of the counties in collecting electronics for recycling.

Specifically, this measure:

- (1) Authorizes the Director of Health to expend moneys from the electronic device recycling fund to support county electronics collections; and
- (2) Appropriates funds to reimburse the counties of Hawaii, Kauai, and Maui for expenses incurred during 2015 and 2016 related to collection services associated with handling and collecting electronic devices for recycling.

Your Committee received written comments in support of this measure from the Mayor of the County of Maui, Mayor of the County of Hawaii, Department of Environmental Management of the County of Hawaii, Consumer Technology Association, and one concerned individual.

Your Committee received written comments on this measure from the Department of Health.

Your Committee finds that recycling electronic devices helps to prevent toxins from leaching into the environment and harming the environment and human health while also conserving space in landfills and allowing valuable resources contained in electronic devices, such as copper, gold, and aluminum, to be reclaimed for future use. Your Committee also finds that the counties engage in electronic device collection but do not receive moneys from the electronic device recycling fund. This measure allows the Department of Health to provide funding to the counties to ensure the continuation of the electronic device recycling program.

Your Committee has amended this measure by:

- (1) Adding an appropriation of general funds for deposit into the electronic device recycling fund;
- (2) Providing that funds appropriated from the electronic device recycling fund, rather than general funds, be used to reimburse the counties of Hawaii, Kauai, and Maui for collection services associated with handling and collecting electronic devices for recycling;
- (3) Specifically authorizing the Director of Health to make the reimbursements to the counties; and
- (4) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

The amendments described in paragraphs (1) and (2) are intended to make the provisions of this measure comport with its title.

Your Committee respectfully requests the Department of Health to provide guidance to the Conference Committee on this measure with regard to the appropriation amount that would be sufficient for the purposes of this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1351, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1351, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1578 Ways and Means on H.B. No. 850

The purpose and intent of this measure is to repeal requirements that the University of Hawaii prepare and submit annual reports to the Legislature on various University programs.

Your Committee received written comments in support of this measure from the University of Hawaii.

Your Committee finds that the University is currently required to prepare and submit annual reports to the Legislature on the:

- (1) Status of the Hawaii Health Corps Program;
- (2) Status of the Construction Academy;
- (3) Operation of the Nursing Scholars Program; and
- (4) Progress of the Hawaii P-20 Initiative Council.

Your Committee further finds that these required reports no longer provide relevant information or are impractical to prepare because of a lack of resources available to the University. Accordingly, your Committee believes that the reporting requirements should be repealed.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 850, H.D. 2, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 5 (English, Harimoto, Inouye, Taniguchi, Wakai).

SCRep. 1579 Ways and Means on H.B. No. 1594

The purpose and intent of this measure is to provide financial aid to University of Hawaii students who meet certain qualifications.

More specifically, the measure:

- (1) Establishes the Hawaii Promise Program to provide scholarships for the unmet direct cost needs of qualified students enrolled at any University of Hawaii campus, including any community college campus;
- (2) Establishes the Hawaii Promise Program Special Fund, to be administered by the University of Hawaii, to provide financial assistance to qualified students through the Hawaii Promise Program; and
- (3) Makes an unspecified appropriation to establish and implement the Hawaii Promise Program.

Your Committee received written comments in support of this measure from the University of Hawaii, Kamehameha Schools, and three individuals.

Your Committee finds that an educated labor force and engaged citizenry are essential in today's global, knowledge-based economy. The University of Hawaii graduation initiative has a goal of increasing the educational capital of the State by increasing the enrollment and graduation rates of students who are Native Hawaiians, have low incomes, or represent other underserved regions or populations. Further, Hawaii's "55 by '25" goal aspires to increase the percentage of working-age adults with two- or four-year degrees to fifty-five percent by 2025. Your Committee believes that this measure will enable more students to attend a University of Hawaii campus, thus helping the State to meet its 55 by '25 goal.

Your Committee has included in the Senate draft of the executive budget (H.B. No. 100, H.D. 1, S.D. 1) an appropriation of \$1,800,000 for the Hawaii Promise Program.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1594, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1580 Judiciary and Labor on H.B. No. 1534

The purpose and intent of this measure is to allow a waiver of the one-year state residency requirement for certain appointed officers when the officer is employed as the head of a county police department.

Your Committee received testimony in support of this measure from the Department of Labor and Industrial Relations, Hawai'i Civil Rights Commission, and Honolulu Police Commission. Your Committee received testimony in opposition to this measure from the State of Hawaii Organization of Police Officers and one individual. Your Committee received comments on this measure from the Department of the Attorney General.

Your Committee finds that employing the most qualified person willing to serve as head of a county police department is important to the safety and welfare of Hawaii's communities. By allowing a waiver of the one-year state residency requirement for employment as the head of a county police department, this measure will significantly and meaningfully increase the pool of highly qualified individuals willing to provide service in that capacity.

Based on written testimony received from the Department of the Attorney General, your Committee also finds that for persons appointed to serve in government other than as department heads, or deputies or assistants to a department head, it is in the public interest for an appointing authority to be able to consider not only citizens, nationals, and permanent resident aliens of the United States, but also other residents of the State who are eligible under federal law for unrestricted employment.

Accordingly, your Committee has amended this measure by:

- (1) Adopting the language suggested by the Department of the Attorney General to clarify that appointed officers in the service of state or county government, other than the head or deputy or assistant to the head of a state or county department, shall be residents of the State at the time of their appointment and also be:
 - (A) Citizens, nationals, or permanent resident aliens of the United States; or
 - (B) Eligible under federal law for unrestricted employment in the United States; and
- (2) Changing the effective date to upon its approval.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1534, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1534, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Gabbard, Kim).

SCRep. 1581 Commerce, Consumer Protection, and Health on H.B. No. 1009

The purpose and intent of this measure is to exempt residence or occupancy in a structure or on a property directly controlled, owned, and managed by the Hawaii Public Housing Authority (Authority) from the requirements of the residential landlord-tenant code.

Your Committee received testimony in support of this measure from the Hawaii Public Housing Authority. Your Committee received comments on this measure from the Office of Consumer Protection of the Department of Commerce and Consumer Affairs.

Your Committee finds that eighty-six percent of Authority properties are exempt from the landlord-tenant code, as the exemption applies to public housing projects or complexes controlled, owned, or managed by the Authority pursuant to the federal Low Rent Public Housing Program. However, state low-income public housing properties directly controlled, owned, and managed by the Authority are not covered by any exemption. According to testimony received by your Committee, the Authority's requirement to adhere to certain provisions in the landlord-tenant code, relating to removal of a tenant's personal property after a tenant wrongfully quit the property or was given notice to quit, has caused a delay of much-needed units to renters on the waiting list for public housing.

Accordingly, this measure provides an exemption from the landlord-tenant code for the remaining fourteen percent of Authority properties. Your Committee notes that, pursuant to federal rules, the Authority complies with strict requirements when handling tenant issues and evictions, including adherence to board hearings and peer review prior to decision making. This measure therefore allows for greater equality between those in federal and state public housing, while also protecting tenants' rights and ensuring that all tenants in Authority-controlled housing receive the same due process, regardless of the property in which they reside.

Your Committee has amended this measure by:

- (1) Changing its effective date to upon approval, but delaying the effective date for its implementation to July 1, 2018, to allow the Authority time to work with public housing tenants and resident associations in the adoption of administrative rules; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1009, H.D. 3, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1009, H.D. 3, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 7. Noes, none. Excused, none.

SCRep. 1582 (Joint) Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 625

The purpose and intent of this measure is to:

- (1) Establish a collocation permitting, application, review and approval process for telecommunications companies proposing to install broadband infrastructure on state- or county-owned structures, utility poles, light standards, or buildings; and
- (2) Establish the siting process for the installation of broadband infrastructure on state-owned or county-owned structures, utility poles, light standards, or buildings.

Your Committees received testimony in support of this measure from the Department of Business, Economic Development, and Tourism; Office of Planning; Chamber of Commerce Hawaii; Kaua'i Chamber of Commerce; Maui Chamber of Commerce; Hawai'i Lodging & Tourism Association; CTIA; AT&T; Mobilitie, LLC; T-Mobile USA, Inc.; and Verizon. Your Committees received testimony in opposition to this measure from the Department of Education; City and County of Honolulu, Office of the Mayor; County of Hawai'i, Office of the Mayor; Hawaii Council of Mayors; Charter Communications, Inc.; and Airport Concessions Committee. Your Committees received comments on this measure from the Cable Television Division of the Department of Commerce and Consumer Affairs; Hawaiian Electric Company, Inc.; Hawaiian Telecom; and Boingo Wireless, Inc.

Your Committees find that broadband technology is now a critical part of infrastructure and the efficient deployment of broadband infrastructure and technology is vital to ensure the State remains competitive in a global economy. Advanced broadband infrastructure systems offer enhanced educational opportunities, telehealth capacity, safety and civil defense communications, economic competitiveness, consumer privileges, and tourism services. However, to provide all consumers with the benefits of advanced broadband technology, it is important to create a fair and predictable process for the deployment of small wireless facilities and small wireless facilities networks. Accordingly, this measure creates a process for the review and issuance of collocation permit applications for telecommunications companies seeking to install broadband infrastructure on certain state- or county-owned property for the siting of small wireless facilities and wireless facilities networks.

Your Committees further find that the Department of Commerce and Consumer Affairs indicated in testimony before your Committees that the Department has been working with stakeholders, including the Broadband Assistance Advisory Council, to identify, establish, and adopt mechanisms that can support and enhance operation of existing law and rules, as well as the coordination of government and private transportation, utilities, and telecommunications projects, such as the online utilities project notification system being developed by the City and County of Honolulu and an online statewide utility pole notification system that is currently under discussion by the joint pole owners in the State. These systems can improve communication, accountability, and documentation related to use of rights of way and utility pole attachments and increase efficiency and facilitate enforcement of timelines required by existing federal and state laws and pole attachment agreements.

With these considerations in mind, your Committees find that delaying the implementation of this measure by two years is appropriate. This will enable interested stakeholders to continue discussions on the collocation permit application, review, and application process established by this measure and ensure that this measure is consistent with federal law and provides for expedited, non-discriminatory deployment for all telecommunications providers. A delayed implementation date also provides an opportunity for this measure to be amended, if appropriate, during the Regular Session of 2018.

Your Committees have amended this measure by:

- (1) Clarifying that the broadband infrastructure permit process established includes wireless and wireline facilities and wireless and wireline facilities networks and making associated conforming amendments;
- (2) Clarifying that the permitting process is only for those wireless and wireline facilities and facilities networks that will be placed on utility poles and light standards, and removing all associated references to buildings and structures;
- (3) Clarifying that the permitting process applies to solely state-owned or county-owned utility poles and light standards, which excludes any utility poles or light standards that are owned jointly with another joint pole entity;
- (4) Clarifying that the permit application shall include a description of the equipment associated with the facilities in a project area, including the size, weight, and mounting height of the equipment to be installed;
- (5) Clarifying that the required permit application shall also include a description of compliance with a structural loading analysis contemplated in the National Electrical Safety Code;
- (6) Specifying that a written request that contains certain information regarding a potential collocation project shall be deemed an application;
- (7) Clarifying that once a provider has obtained necessary approvals, substantial construction must be commenced within twelve months, rather than twenty-four months, or attachment approvals may be rescinded;
- (8) Clarifying that a provider may submit a collocation request for a structure that is neither a solely state-owned nor solely county-owned utility pole or light standard to a state or county agency with jurisdiction over that structure, but specifying that acceptance, consideration, and granting of such a request shall be solely at the discretion of the state or county agency;
- (9) Exempting state-owned property within the jurisdiction of the Departments of Education, Transportation, and Public Safety, and emergency management siren towers or related telecommunications towers used for emergency first responders from the

prohibition on denial of access to providers to collocate on state-owned property, thereby allowing the State to deny access to providers to collocate on those properties;

- (10) Clarifying that collocation requests shall obtain a special or conditional use permit prior to collocation of small wireless or wireline facilities or small wireless or wireline facilities networks on land within the conservation district;
- (11) Clarifying that the State and counties can accept a consolidated or batched application for a small wireless or wireline facilities network of no more than ten individual facilities;
- (12) Specifying that if the State or county charges a fee for collocation on solely state-owned or solely county-owned utility poles or light standards, the fee shall be \$100 per solely state-owned or solely county-owned utility pole or light standard and removing language that tied permissible fees to the formula adopted by the Federal Communications Commission for pole attachments;
- (13) Clarifying that the reservation period for providers, the State, and the county shall be twenty-four months;
- (14) Specifying that permits may be revoked or rejected, in the State's or county's discretion, to protect contractual rights that have been or will be granted by the State or counties;
- (15) Clarifying that a wireless or wireline provider shall not be required to obtain a permit to maintain, repair, or replace small wireless or wireline facilities with facilities that are substantially the same as, or smaller or lighter than, the existing facilities or install, place, maintain, operate, or replace certain micro wireless or wireline facilities;
- (16) Clarifying that nothing shall be construed to provide access rights to poles or structures owned by a state-regulated public utility or relieve providers from existing requirements attached to state-regulated public utility-owned utility poles, rather than an investor-owned electric utility or telephone utility or private investor-owned utility poles;
- (17) Deleting the definition of "public property";
- (18) Retaining the effective date of May 22, 2050, but specifying that this measure shall apply to permit applications filed with the State or county after January 1, 2019;
- (19) Updating the purpose section; and
- (20) Making technical, nonsubstantive amendments for purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 625, H.D. 3, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 625, H.D. 3, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Kidani).

Ways and Means: Ayes, 10. Noes, none. Excused, 1 (Wakai).

SCRep. 1583 Ways and Means on H.B. No. 1115

The purpose and intent of this measure is to increase the efficiency and lower the costs of the Hawaii Labor Relations Board.

Specifically, this measure:

- (1) Authorizes the Hawaii Labor Relations Board to use a company to issue hearing notices by electronic service, as an alternative to mailing hearing notices by first class mail; and
- (2) Requires a party seeking review of a decision and order of the Hawaii Labor Relations Board to pay the costs of preparing the necessary transcripts, unless otherwise prohibited by law.

Your Committee received written comments in support of this measure from the Hawaii Labor Relations Board.

Your Committee finds that the Hawaii Labor Relations Board currently offers a free, voluntary electronic filing service, which is used by the majority of parties as it saves on time and expense. This measure codifies the current practice of providing electronic notice and will reduce the Hawaii Labor Relations Board's expenses and support the State's paperless goal.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1115, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1584 Ways and Means on H.B. No. 4

The purpose and intent of this measure is to require certain employers to provide a minimum amount of paid sick leave to employees.

Your Committee received written comments in support of this measure from the Hawaii Government Employees Association; Hawaii State AFL-CIO; Democratic Party of Hawaii; International Organization of Masters, Mates, and Pilots; Seafarers International Union; ILWU Local 142; LGBT Caucus of the Democratic Party of Hawaii; Motion Picture Association of America; and five individuals.

Your Committee received written comments in opposition to this measure from the Department of Human Resources Development; Hawaii State Commission on the Status of Women; Condominium Rentals Hawaii; Maui Chamber of Commerce; General Contractors

Association of Hawaii; Hawaii Restaurant Association; Kimo's Restaurant; Keoki's Paradise; Ralph S. Inouye Co., Ltd.; Duke's Beach House Maui; Hula Grill Waikiki; Kilauea Lodge and Restaurant; Duke's Canoe Club Kauai; Il Gelato Hawaii; PVT Land Company; Hula Grill Kaanapali; Gytaku Japanese Restaurants; Tiki's Grill and Bar; Hawaii Food Industry Association; Healy Tibbitts Builders, Inc.; Hawaii Credit Union League; Koa Pancake House; S and M Sakamoto, Inc.; Leilani's on the Beach; Hawaii Dredging Construction Company, Inc.; Highway Inn; Duke's Waikiki; Kahala Nui; Hawaii Children's Action Network; John Mullen and Company; Chamber of Commerce Hawaii; Society for Human Resource Management – Hawaii Chapter; National Federation of Independent Business; Hukilau Lanai Restaurant; Triple F Hawaii; Fair Wind Cruises; Island Princess; and eleven individuals.

Your Committee received written comments on this measure from the Department of Health; Department of Labor and Industrial Relations; Hawaii Pacific Health; The Queen's Health Systems; Healthy Mothers Healthy Babies Coalition of Hawaii; and Policy Advisory Board for Elder Affairs.

Your Committee finds that most workers in the State take some time off work to attend to their personal healthcare needs or the healthcare needs of a family member under their care. However, approximately thirty-six per cent of private industry workers in the United States do not have paid sick leave. In Hawaii, sixty-nine per cent of accommodation and food service workers lack paid sick leave.

Your Committee also finds that a person who is not provided paid sick leave by their employer is one and a half times more likely to work while sick, which can cause coworkers to become ill. A parent whose employer does not provide paid sick leave is twice as likely to send a sick child to school or daycare, which can cause other children to become ill.

Your Committee believes that requiring certain employers to provide paid sick leave will encourage employees to focus on their healthcare needs, and improve the overall health of workplaces, schools, and the community in general.

Nevertheless, your Committee recognizes that various concerns have been raised regarding this measure. The Department of Labor and Industrial Relations notes that:

- (1) The measure does not address how the proposed paid sick leave would affect employers that already have paid time off policies;
- (2) As defined in the measure, "employer" has the same meaning as defined in the Fair Labor Standards Act, title 29 United States Code section 203(d). This definition is very broad, including both private and public employers;
- (3) The relationship between the paid sick leave required by this measure and the benefits provided under various other laws should be clarified; and
- (4) The measure does not provide any mechanism for enforcing its provisions.

Additionally, the Department of Human Resources Development notes that it is unnecessary to include public employees within the scope of the measure because most public sector employees are already afforded generous vacation and sick leave benefits that can be used to care for themselves or a family member who is ill or needs medical care.

Moreover, your Committee notes that, to protect employee privacy, the measure prohibits an employer from requiring an employee to disclose the details of the employee's medical condition as a condition of using paid sick leave. The measure also permits an employee to use paid sick leave for the care of people other than the employee and for preventative care, but does not extend the medical condition privacy protection to the person to whom the employee is providing care. If the privacy protection provision is intended to also apply to the medical conditions of people under the employee's care, or when an employee uses paid sick leave for reasons other than the employee's personal medical condition, your Committee believes that the nondisclosure language should be expanded to effectuate that intent.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 4, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10; Ayes with Reservations (Harimoto, Riviere). Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1585 Ways and Means on H.B. No. 501

The purpose and intent of this measure is to encourage public school faculty to pursue national certification.

Specifically, this measure:

- (1) Renames the Teacher National Board Certification Incentive Program as the National Certification Incentive Program;
- (2) Makes school psychologists certified under the National Association of School Psychologists eligible for the benefits under the National Certification Incentive Program, including a \$5,000 annual bonus for maintaining current national certification, up to \$1,500 for completion of all components of a certification program, reimbursement of certain portions of the certification application fee, and an additional \$5,000 annual bonus for employment at certain schools with a priority designation; and
- (3) Allows certified teachers and school psychologists to continue receiving annual bonuses for remaining at a school that transitions out of a designation that qualified the certified teachers and school psychologists for the annual bonuses.

Your Committee received written comments in support of this measure from the Hawaii Association of School Psychologists, Hawaii Government Employees Association, and two individuals.

Your Committee received written comments on this measure from the Department of Education.

Your Committee finds that national certification practices require professionals to engage in continuous professional development to improve their skills and remain current with best practices. This helps to ensure that certified individuals meet a high standard of

education and training. Your Committee further finds that Hawaii has been experiencing a shortage of highly-qualified professionals over the last several years, in part due to Department of Education salaries being low in comparison to salaries in other states and in light of Hawaii's high cost of living. Your Committee believes that expanding the program to include school psychologists will help to offset some of the difficulties in recruiting and retaining highly-qualified school professionals.

Your Committee has amended this measure by:

- (1) Adding the substantive content of Senate Bill No. 1188, Senate Draft 1, to this measure, to establish and appropriate funds for the Hawaii Teacher Stipend Program, which would provide scholarships for University of Hawaii students who are enrolled in certain teacher education programs and commit to teach at Hawaii public schools for three to five years; and
- (2) Making technical nonsubstantive amendments for purposes of style, clarity, and consistency.

Your Committee notes that the cost of implementing this measure's substantive amendments to the Teacher National Board Certification Incentive Program has been estimated to be between \$440,000 and \$880,000, and the cost of the Hawaii Teacher Stipend Program has been estimated to cost \$400,000.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 501, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 501, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 3 (English, Galuteria, Taniguchi).

SCRep. 1586 Ways and Means on H.B. No. 1129

The purpose and intent of this measure is to require the Department of Public Safety to adopt policies and procedures to govern the performance of special duty by deputy sheriffs and to establish a compensation schedule for law enforcement services provided by deputy sheriffs performing special duty.

Your Committee received written comments in support of this measure from the Department of Taxation, Department of Public Safety, Department of Labor and Industrial Relations, Office of Elections, Stadium Authority, University of Hawaii, Hawaii Government Employees Association, and two individuals.

Your Committee finds that the current informal process for assigning deputy sheriffs to perform special duty may lack appropriate standards of consistency, transparency, and fairness within the Department of Public Safety. This measure represents a positive step in the direction of formally establishing policies and procedures for special duty assignment of deputy sheriffs.

Your Committee has amended this measure by:

- (1) Deleting the new statutory section that would be codified in chapter 353C, Hawaii Revised Statutes, and replacing it with new provisions to be enacted in session laws;
- (2) Requiring the Department of Public Safety to submit a report to the Legislature by February 1, 2018, that, among other things, sets forth:
 - (A) The policies and procedures established pursuant to this measure, including the compensation charged for special duty and the process by which deputy sheriffs are selected for special duty;
 - (B) Amounts paid by state departments and agencies for deputy sheriffs performing special duty; and
 - (C) The compensation received by deputy sheriffs performing special duty;
- (3) Repealing the measure on June 30, 2018; and
- (4) Making technical nonsubstantive amendments for the purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1129, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1129, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 3 (English, Galuteria, Taniguchi).

SCRep. 1587 Ways and Means on H.B. No. 1479

The purpose and intent of this measure is to encourage economic development in East Hawaii.

More specifically, the measure:

- (1) Establishes the Hilo Community Economic District (the District) as a community development district under the Hawaii Community Development Authority (HCDA);
- (2) Establishes guidance policies and lease restrictions for the District;
- (3) Establishes the Hilo community economic revolving fund to collect and expend revenue, income, receipts, and appropriations for the District, except for a portion of revenue, income, and receipts to be transferred to the special land and development fund;
- (4) Requires the Governor to appoint seven voting members to HCDA to represent the District and establishes the HCDA members who may be considered in determining a quorum and majority for matters affecting the District;

- (5) Requires HCDA to engage in discussions with the County of Hawaii to determine the feasibility of the County assuming redevelopment powers and duties over the lands within the District as a redevelopment area or establishing a special improvement district that encompasses the lands within the District; and
- (6) Provides that the measure shall be repealed upon the earliest of June 30, 2037, inclusion of the lands within the District within a redevelopment area, or establishment of a special improvement district that encompasses the lands within the District.

Your Committee received written comments in support of this measure from the East Hawaii Region of Hawaii Health Systems Corporation, the University of Hawaii, the Mayor of the County of Hawaii, the Hilo Health Cooperative, Chamber of Commerce Hawaii, Hawaii Government Employees Association, ILWU Local 142, the Building Industry Association of Hawaii, Takamine Construction, Inc., Kanoelehua Industrial Area Association, HPM Building Supply, and six individuals.

Your Committee received written comments on this measure from the Department of Budget and Finance, Department of Land and Natural Resources, HCDA, and Planning Department of the County of Hawaii.

Your Committee finds that the State is the majority landowner in East Hawaii, and thus has an enormous influence on the economic development and overall future of the East Hawaii community. Your Committee believes that East Hawaii has the potential to grow and that improved housing, infrastructure, parks and public facilities, as well as commercial, industrial, and hotel facilities will become necessary in East Hawaii. Your Committee also believes that establishing the District will help East Hawaii achieve its potential.

Your Committee notes that HCDA has taken the position that any expansion in the number of state development districts should include funding and other resources necessary for their implementation, and has estimated that initial costs for establishing this District would include \$520,000 per year for 4.5 FTE staff positions, \$430,000 per year for operations, and \$100,000 per year for a satellite office in Hilo, along with \$50,000 in start-up costs for that office.

Your Committee also notes that this measure could result in the decrease of approximately \$3,000,000 in annual revenues to the special land and development fund.

Your Committee further notes that the Department of Land and Natural Resources, Mayor of the County of Hawaii, and Planning Department of the County of Hawaii have expressed various concerns about this measure. Finally, it may also be necessary to clarify provisions pertaining to the logistics of administering a repeal date of this measure that may require notification to the Revisor of Statutes of the occurrence of an event that triggers a repeal. Thus, your Committee respectfully requests that a Committee on Conference that may deliberate on this measure consider the concerns that have been noted.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1479, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1479, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 3 (English, Galuteria, Taniguchi).

SCRep. 1588 Ways and Means on H.B. No. 523

The purpose and intent of this measure is to require each state agency serviced by the Department of Accounting and General Services to provide for the collection of recyclable materials.

More specifically, this measure requires the Department of Accounting and General Services to reasonably provide and maintain onsite collection methods at buildings and facilities it manages, maintains, or services for the collection of recyclable materials, including paper, plastics, and deposit beverage containers. This measure also appropriates funds to the Department of Accounting and General Services for this purpose.

Your Committee received written comments in support of this measure from the Conservation Council for Hawaii, American Chemistry Council, Sierra Club of Hawaii, and one individual.

Your Committee received written comments on this measure from the Department of Accounting and General Services.

Your Committee finds that increased access to recycling helps prevent litter and diverts waste from landfills, oceans, and waterways. Your Committee further finds that this measure increases access to recycling by requiring collection services at all state buildings and facilities.

Your Committee notes that the Department of Accounting and General Services estimates that contractor start-up costs for the program for twenty facilities would be \$45,000 and annual contracting costs would be \$625,240. The Department of Accounting and General Services further estimates that in-house start-up costs for the program for twenty facilities would be \$645,000 and annual in-house costs would be \$1,268,700.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 523, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 2 (English, Kahele).

SCRep. 1589 Ways and Means on H.B. No. 636

The purpose and intent of this measure is to conserve fresh water in the State.

More specifically, the measure:

- (1) Establishes within each county water supply department a two-year water conservation financial assistance pilot program to provide financial assistance to county-owned water systems to implement water conservation incentive programs;
- (2) Appropriates funds to support the county water conservation financial assistance pilot programs; and
- (3) Requires each county water supply department to provide funds on a dollar-to-dollar cost share basis to match state funds appropriated for the water conservation financial assistance program.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources; the Mayor's Office of the County of Hawaii; the Honolulu Board of Water Supply; One World One Water, LLC; The Nature Conservancy; Hawaii Fresh Water Initiative; Ulupono Initiative; Sierra Club of Hawaii; U.S. Green Building Code Council Hawaii Chapter; Hawaii Green Growth; and five individuals.

Your Committee finds that Hawaii, as an island state, has limited access to natural fresh water, and believes that providing state financial assistance to county-owned public water systems that implement water conservation measures and practices will reduce water use and waste.

Your Committee notes that questions have been raised regarding the Legislature's potential lack of statutory authority to require the establishment of specific programs within county agencies, or to require county agencies to expend county funds for a pilot program, absent statutory provisions conferring those authorities. Your Committee respectfully requests that those issues be addressed by a Conference Committee that may further consider this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 636, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 9. Noes, none. Excused, 2 (English, Kahele).

SCRep. 1590 Ways and Means on H.B. No. 904

The purpose and intent of this measure is to improve the ability of the Hawaii Invasive Species Council to respond to newly detected invasive species threats.

Specifically, this measure:

- (1) Establishes the invasive species rapid response special fund;
- (2) Authorizes the Hawaii Invasive Species Council to submit a request to the Governor to declare that there is an invasive species emergency;
- (3) Authorizes the Hawaii Invasive Species Council to expend funds from the invasive species rapid response special fund following an invasive species emergency declaration by the Governor; and
- (4) Appropriates general funds to be deposited into the special fund for invasive species rapid response efforts.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, Department of Agriculture, Hawaii Invasive Species Council, Mayor of Hawaii County, Little Fire Ant HUI, Conservation Council for Hawai'i, Big Island Invasive Species Committee, The Nature Conservancy, Coordinating Group on Alien Pest Species, and one individual.

Your Committee received written comments on this measure from the Department of Budget and Finance and State Procurement Office.

Your Committee finds that the State's budget process allocates funding for departmental programs and interagency projects at the beginning of each fiscal year. If an invasive species threat arises after the fiscal year begins, there may not be sufficient funds available to address it. Your Committee further finds that establishing a special fund to provide funding necessary to respond to invasive species threats at the time of detection will permit the State to respond when the likelihood of success is the highest and the cost of eradication is the lowest.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 904, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.
Ayes, 9. Noes, none. Excused, 2 (English, Kahele).

SCRep. 1591 Ways and Means on H.B. No. 1593

The purpose and intent of this measure is to promote clean energy technology.

Specifically, this measure:

- (1) Establishes the Clean Energy Savings Jump Start Program and the Clean Energy Savings Jump Start Fund for the expenditure of moneys on rebate and other programs that rapidly advance state goals of clean energy and energy efficiency, with a focus on serving low- and middle-income residents;
- (2) Establishes the Energy Storage System Rebate Program as a three-year pilot program to incentivize the installation of energy storage systems that are installed concurrently with solar photovoltaic systems and are connected to a utility grid;
- (3) Repeals the requirement that the Hawaii Green Infrastructure Authority must obtain the prior approval of the Public Utilities Commission, in the form of a program order, to use funds in the Green Infrastructure Special Fund;

- (4) Appropriates funds from the Hawaii Green Infrastructure Special Fund or other eligible funds to be deposited into the Clean Energy Savings Jump Start Fund for the purposes of the Clean Energy Savings Jump Start Program; and
- (5) Appropriates funds from the Clean Energy Savings Jump Start Program Fund for the Energy Storage System Rebate Program.

Your Committee received written comments in support of this measure from the Hawaii Green Infrastructure Authority; Distributed Energy Resources Council of Hawaii; Hawaii Energy Connection, LLC; Sun King Inc.; Go Electric; Stem, Inc.; Green Charge; Advanced Microgrid Solutions; R & R Solar Supply; Hawaii Solar Energy Association; Tesla, Inc.; Geli; Alternate Energy, Inc.; Amber Kinetics; Inter-Island Solar Supply; American Electric, LLC; The Alliance for Solar Choice; Vivint Solar; Environmental Caucus; and eight individuals.

Your Committee received written comments in opposition to this measure from the Department of Commerce and Consumer Affairs, Division of Consumer Advocacy; and Hawaii Energy Policy Forum.

Your Committee received written comments on this measure from the Department of Budget and Finance; Department of Taxation; State Procurement Office; Public Utilities Commission; Tax Foundation of Hawaii; REACH; Arion Energy; and Ulupono Initiative.

Your Committee finds that the Hawaii Green Infrastructure Loan Program has failed to achieve its intended purposes of enabling low- to middle-income homeowners, renters, churches, and nonprofit organizations to obtain financing to install clean energy technology. Your Committee also finds that this measure is needed to stimulate a more rapid deployment of loans to assist residents and disadvantaged communities to invest in clean energy and energy efficiency.

Your Committee has amended this measure by:

- (1) Making the procuring of services to assist in administering the Clean Energy Savings Jump Start Program subject to, rather than exempt from, the state procurement code;
- (2) Disqualifying energy storage systems (or portions thereof) from the Energy Storage System Rebate Program within the Clean Energy Savings Jump Start Program if the renewable energy technologies income tax credit is claimed for those energy storage systems (or portions thereof);
- (3) Specifying the cents-per-watt-hour rebate rates under the Energy Storage System Rebate Program;
- (4) Requiring the energy storage system owner who claims a rebate to visibly and actually pass on the savings from the rebate program to the energy system user if the energy storage system owner provides third-party financing to the energy system user;
- (5) Specifying the applicable cap amounts of the rebate for each eligible energy system storage system with regard to single-family residential property, commercial property, and utility-scale energy storage systems;
- (6) Changing from December 31, 2017, to July 31, 2017, the date that determines whether the Energy Storage System Rebate Program is applicable to an eligible energy storage system installed and first placed in service;
- (7) Amending the proposed new definition of “eligible energy storage system” by removing the requirement that the facility, equipment, or apparatus receive electricity generated from a solar photovoltaic system;
- (8) Adding a new section to the measure that amends section 269-166, Hawaii Revised Statutes, to require the Hawaii Green Infrastructure Authority to allocate and transfer repayments of green infrastructure loans in a designated order of priority, if the Public Utilities Commission has authorized the application of the green infrastructure fee towards the reduction of the public benefits fee;
- (9) Specifying that part III, chapter 39, Hawaii Revised Statutes, relating to revenue bonds, will be the prevailing law in case of a conflict between this measure and part III, chapter 39, Hawaii Revised Statutes;
- (10) Providing that a specific program order and a specific financing order of the Public Utilities Commission will remain in effect until superseded or modified by a subsequent act of the Legislature or a decision and order of the Commission;
- (11) Changing the appropriation amount from the Hawaii Green Infrastructure Special Fund to be deposited into the Clean Energy Savings Jump Start Fund to an unspecified amount; and
- (12) Changing the appropriation amount from the Clean Energy Savings Jump Start Fund for the Energy Storage System Rebate Program to an unspecified amount.

Your Committee notes its concern that the beneficiaries of this measure are likely to be higher income earners who are able to afford the expense of an energy storage system as well as the necessary accompanying energy generation system. Your Committee, however, further notes that the Green Energy Market Securitization Program is financially supported by all ratepayers, even the lowest income earners.

Your Committee also notes that the amendment to section 269-166, Hawaii Revised Statutes, is intended to maintain in statute public benefit fee replenishment provisions that are essentially identical to those established by the Green Energy Market Securitization Program Order (Decision and Order No. 32318, September 30, 2014).

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1593, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1593, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Wakai).

SCRep. 1592 Ways and Means on H.B. No. 552

The purpose and intent of this measure is to maintain current levels of health insurance coverage for Hawaii residents.

Specifically, the measure:

- (1) Ensures that the benefits of the federal Patient Protection and Affordable Care Act, particularly those relating to the individual mandate, minimum essential benefit requirements, extended dependent coverage, and prohibitions on preexisting condition exclusions and gender discrimination in premiums and costs, are preserved under state law if the federal act is repealed;
- (2) Establishes a trust fund and procedures to reimburse insurers for the unrecouped costs of providing minimum essential insurance benefits;
- (3) Establishes the medicaid plus program in the Department of Human Services to provide insurance coverage to individuals and qualifying families whose income is between 138.5 per cent and 250 per cent of the federal poverty level for Hawaii; and
- (4) Establishes the affordable health insurance working group to address the complexities of the health care system in Hawaii and the related uncertainty over the future of the federal Patient Protection and Affordable Care Act.

Your Committee received written comments in support of this measure from the Hawaii Civil Rights Commission; Insurance Division, Department of Commerce and Consumer Affairs; Special Education Advisory Council; Healthcare Association of Hawaii; Planned Parenthood Votes Northwest and Hawaii; American Diabetes Association; American Heart Association; March of Dimes; Hawaii Section of the American Congress of Obstetricians and Gynecologists; IMUAlliance; ILWU Local 142; Hawaii Public Health Institute; The Queen's Health Systems; AARP Hawaii; Healthy Mothers Healthy Babies Coalition of Hawaii; and one individual.

Your Committee received written comments in opposition to this measure from the Hawaii Employer-Union Health Benefits Trust Fund (EUTF), and two individuals.

Your Committee received written comments on this measure from the Department of Labor and Industrial Relations; Department of Human Services; Department of Budget and Finance; Department of Taxation; Legislative Reference Bureau; Tax Foundation of Hawaii; Kaiser Permanente; HMSA; and Hawaii Children's Action Network.

Your Committee finds that for over forty years, Hawaii's Prepaid Health Care Act has ensured that Hawaii would have among the lowest levels of uninsured persons in the nation. The federal enactment of the Patient Protection and Affordable Care Act reduced the number of uninsureds even further, providing fifty-five thousand more Hawaii residents with access to affordable care from doctors and hospitals. This achievement is now potentially jeopardized with the possibility of new congressional action, and uncertainty abounds with respect to when and how the federal act will be "repealed and replaced." Your Committee believes that under a worse case scenario, this measure will serve to retain the best elements of the federal act, should the act be repealed.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

Your Committee notes that the EUTF submitted written comments in opposition to this measure, primarily because of the potential impacts upon state and county retirees. Your Committee requests the Conference Committee on this measure to consider the EUTF's concerns.

Your Committee also notes several substantive and technical issues for the Conference Committee's consideration. The substantive issues include the following:

- (1) Section 2 of the measure creates a new Hawaii Revised Statutes section -2, relating to "Management of the fund": The cross-reference to "chapter 37" in the provision requiring the Director of Finance to be liable for the performance of the director's duties, as provided under chapter 37, HRS, seems inapposite because chapter 37, HRS, deals primarily with the executive budget and the allotment system. In contrast, chapter 36, HRS, deals with the management of state funds; and
- (2) Section 2 of the measure creates a new Hawaii Revised Statutes section -4, relating to "Entitlement to premium supplementation": Specifically, section -4 provides that only an "insurer" is entitled to premium supplementation and only for "individual" policies, plans, contracts, and agreements, even though the minimum essential coverage requirements under sections 5 to 7 of the measure are imposed upon mutual benefit societies and health maintenance organizations, as well as insurers, and apply to both *individual* and *group* policies, plans, contracts, and agreements.

The technical issues include the following:

- (1) Section 2 of the measure creates new Hawaii Revised Statutes sections -2, relating to "Management of the fund," and -3, relating to "Disbursements from the fund": State laws are referenced but without specific statutory references. It is therefore unclear which laws are referred to by the phrases "the general depository law of the State" and "provisions of law requiring specific appropriations or other formal release by the state officers of money in their custody";
- (2) Section 2 of the measure creates new Hawaii Revised Statutes section -4, relating to "Entitlement to premium supplementation": Contrary to the language as drafted, it does not appear that proposed new Hawaii Revised Statutes "section 235-A," which is an individual income tax section, requires insurers to provide the minimum essential coverage. Rather, it would appear that this requirement is imposed upon insurers and like entities under the new sections relating to "Essential health care benefits" and "Extension of dependent coverage" that are being added to chapters 431, 432, and 432D, Hawaii Revised Statutes, in sections 5, 6, and 7 of the measure;
- (3) Section 5 of the measure adds four new sections to article 10A, chapter 431, Hawaii Revised Statutes, but does not specify the parts of article 10A to which the sections should be added. Furthermore, three of them, specifically, the sections entitled, "Extension of dependent coverage," "Prohibition of preexisting condition exclusions," and "Prohibited discrimination in

premiums or contributions,” deal with both individual and group policies. Part I of article 10A deals only with individual policies while part II deals only with group policies; and

- (4) Section 7 of the measure adds two new sections relating to “Essential health care benefits” and “Extension of dependent coverage,” respectively, to chapter 432D, Hawaii Revised Statutes, relating to health maintenance organizations. The consistent prior practice for amending required coverages for health maintenance organization policies has been to amend section 432D-23, HRS, to add cross references to the counterpart provisions that are being added to article 10A of chapter 431, HRS.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 552, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 552, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 8. Noes, none. Excused, 3 (Galuteria, Inouye, Riviere).

SCRep. 1593 Ways and Means on H.B. No. 1044

The purpose and intent of this measure is to replace the certification and verification requirements administered by the Department of Business, Economic Development, and Tourism regarding the renewable fuels production tax credit with a requirement that the taxpayer file a third-party certified statement with the Department.

Your Committee received written comments in support of this measure from the Department of Taxation and the Department of Business, Economic Development, and Tourism.

Your Committee received written comments on this measure from the Tax Foundation of Hawaii.

Your Committee finds that the Department of Business, Economic Development, and Tourism is unable to fulfill the duties of certification, verification, and administration relating to the renewable fuels productions tax credit. Specifically, the Department does not have sufficient:

- (1) Expertise in tax accounting;
- (2) Knowledge of fuels production industries necessary to verify the actual renewable fuels production and sale; or
- (3) Resources, including management database, budget, and human resources, to administer the certification and verification requirements of the tax credit.

Your Committee believes that submission of a taxpayer-completed statement, which is certified by a third-party, will relieve the Department of burdensome requirements it cannot adequately perform, while ensuring that the credit is claimed correctly.

Your Committee has amended this measure by:

- (1) Making the measure applicable to taxable years beginning after December 31, 2050, to facilitate further discussion on the measure; and
- (2) Making a technical nonsubstantive change to conform the measure with standard drafting practices.

Your Committee requests the Conference Committee on this measure, especially the Senate conferees, review certain differences between this measure and its companion, Senate Bill No. 910, Senate Draft 2. Specifically, your Committee notes the following issues for consideration:

- (1) Section 235-110.31(c), Hawaii Revised Statutes, as amended by this measure, requires that a taxpayer complete and file an “independent, third-party certified statement.” Whereas, this measure’s companion requires that the taxpayer complete and file “a certified statement”. Furthermore, within subsection (c), this measure requires the taxpayer to provide “[t]he proposed total amount of credit to which the taxpayer is entitled for each calendar year and the cumulative amount of the tax credit the taxpayer received during the credit period.” Whereas, this measure’s companion requires that the taxpayer provide “[t]he proposed total amount of credit to which the taxpayer is entitled”; and
- (2) Section 235-110.31(g), Hawaii Revised Statutes, as amended by this measure, requires the information collected and compiled by the Department of Business, Economic Development, and Tourism under section 235-110.31(c) and (d), Hawaii Revised Statutes, to be made available for public inspection and dissemination pursuant to chapter 92F, Hawaii Revised Statutes (Uniform Information Practices Act). The measure also provides for public inspection and dissemination of: a written notice of a taxpayer’s intention to begin production of renewable fuels under section 235-110.31(i), Hawaii Revised Statutes; and a taxpayer’s written notice provided within 30 days following the start of production under section 235-110.31(j), Hawaii Revised Statutes. In contrast, this measure’s companion is phrased more broadly with regard to the scope of information that would be subject to public inspection and dissemination, requiring “the information compiled by the Department ... [to] be available for public inspection and dissemination”.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1044, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1044, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1594 Ways and Means on H.B. No. 1022

The purpose and intent of this measure is to appropriate moneys to satisfy various claims against the State, its officers, or its employees.

Your Committee received written comments in support of this measure from the Department of the Attorney General and Department of Transportation.

Your Committee finds that the State has a responsibility to promptly satisfy all claims against the State upon the resolution of those claims. Your Committee further finds that since this measure was last amended, the State has resolved three additional claims totaling \$11,030,000.

Your Committee has amended this measure by:

- (1) Inserting an appropriation in the amount of \$875,000 for a settlement in the case of Rooney, et al. v. State of Hawaii, et al., Civil No. 14-0323(2), Second Circuit;
- (2) Inserting an appropriation in the amount of \$75,000 for a settlement in the case of Silva v. State of Hawaii, et al., Civil No. 15-1-269K, Third Circuit;
- (3) Authorizing the amount of \$10,080,000 for a settlement in the case of Helix Electric, Inc. v. DCK Pacific Construction, LLC, et al., Civil No. 16-1-1090-06, First Circuit;
- (4) Changing the appropriation for the settlement in the case of Bridge Aina Le'a, LLC v. State of Hawaii Land Use Commission, Civil No. 11-00414 SOM KJM, USDC, from \$1 to \$1,000,000;
- (5) Making the measure effective upon its approval; and
- (6) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1022, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1022, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.
Ayes, 11. Noes, none. Excused, none.

SCRep. 1595 Ways and Means on H.B. No. 575

The purpose and intent of this measure is to authorize the Board of Land and Natural Resources to extend commercial, hotel, resort, and industrial leases for state lands in the Banyan Drive and Kanoelehua industrial area of Hilo, Hawaii, for lessees to make qualifying substantial improvements to the land.

Your Committee received written comments in support of this measure from the Mayor of the County of Hawaii, the Building Industry Association of Hawaii, Chamber of Commerce Hawaii, Hawaii Association of REALTORS, Hawaii Government Employees Association, Hilo Health Cooperative, HPM Building Supply, the Kanoelehua Industrial Area Association, OceanFront 121 Residential Hotel, Takamine Construction, Inc., and two individuals.

Your Committee received written comments on this measure from the Department of the Attorney General, the Department of Land and Natural Resources, the County of Hawaii Planning Department, and one individual.

Your Committee finds that public land leases are statutorily limited to sixty-five years without the possibility of renewing the terms of the lease, which leaves long-standing lessee businesses with little incentive to make major repairs or improvements to applicable leasehold properties during the last five to fifteen years of the lease. Your Committee believes that creating a mechanism to assist these lessees and encourage economic development on leasehold properties by allowing the lessees to voluntarily request that their leases be offered for bid at a public auction, and allowing the lessees to bid on new leases, is in the public interest.

Your Committee respectfully requests that the Conference Committee on this measure consider the following issues that have been raised:

- (1) Whether, for purposes of clarity, the phrase "notwithstanding any lease provision to the contrary" should be inserted on page 3, lines 19-21, to provide that "unless specifically required to do so by the board, notwithstanding any lease provision to the contrary, a relinquishing lessee shall not be required to remove improvements or restore the land to a vacant condition";
- (2) Whether the "board", rather than the "department", should be designated on page 4, line 15, as the authority for allowing a relinquishing lessee to remain on the land longer than the prescribed period;
- (3) Whether lease terms for a new auctioned lease that require the payment of a premium equal to the residual value of any improvements should be deleted as inconsistent with the State's obligations under the public land trust recognized by Article XII, section 4, of the state constitution;
- (4) Whether a lessee should be compensated for the value of improvements made by the lessee, due to the lessee's voluntary early lease termination; and
- (5) Whether remaining lease rent should be clarified upon a lessee's relinquishing of an original lease term.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 575, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Shimabukuro).

SCRep. 1596 Ways and Means on H.B. No. 498

The purpose and intent of this measure is to facilitate the proliferation of early learning in the State.

Specifically, this measure:

- (1) Broadens the scope of the early learning program to include early childhood development;
- (2) Expands the function of the Early Learning Advisory Board beyond an advisory capacity and amends the composition and powers of some board members; and
- (3) Requires the Early Learning Advisory Board to appoint and evaluate the director of the Executive Office on Early Learning.

Your Committee received written comments in support of this measure from the Executive Office on Early Learning, Hawaii State Public Charter School Commission, Early Learning Advisory Board, Kamehameha Schools, and Hawaii Children's Action Network.

Your Committee received written comments on this measure from the Department of Human Services.

Your Committee notes that the Department of Human Services requested an amendment that would provide for the definitions of "at-risk children" and "underserved children" directly in section 346-181, Hawaii Revised Statutes, rather than referencing existing definitions in section 302L-1, Hawaii Revised Statutes, given that the priority for these children under the Department's Preschool Open Doors Program differs from that of the Public Prekindergarten Program under the measure.

In addition, the Executive Office on Early Learning requested amendments to the definitions of "early learning" and "early learning system" in section 302L-1, Hawaii Revised Statutes, and to section 346-181(b), Hawaii Revised Statutes, to make it clear that the programs of the Executive Office on Early Learning are separate and distinct from the Preschool Open Doors Program.

Your Committee respectfully requests that those issues be addressed by a Conference Committee that may further consider this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 498, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 5 (English, Harimoto, Inouye, Taniguchi, Wakai).

SCRep. 1597 Judiciary and Labor on Jud. Com. No. 5

Recommending that the Senate consent to the nomination of the following:

DISTRICT COURT OF THE FIRST CIRCUIT

J.C. No. 5 BRIAN A. COSTA, for a term to expire in 6 years

Your Committee has reviewed the resume and statements submitted by the appointee and finds Brian A. Costa to possess the requisite qualifications to be considered for appointment to the District Court of the First Circuit.

Testimony in support of the appointment of Judge Costa was submitted by Retired Associate Justice Simeon Acoba, Supreme Court of the State of Hawaii; Retired Judge David W. Lo, District Court of the First Circuit; Afro American Lawyers Association of Hawaii; Mothers Against Drunk Driving Hawaii; and thirty-seven individuals. Comments regarding the appointee were submitted by the Hawaii State Bar Association Board of Directors.

After receiving his Associate in Applied Science degree in Business Administration from Erie Community College, Judge Costa graduated cum laude and obtained his Bachelor of Science degree in Management from Hawaii Pacific University. During his undergraduate studies at Hawaii Pacific University, he was a member of the Delta Mu Delta Honor Society and earned Dean's List honors. He later graduated Magna Cum Laude and received his Doctorate of Jurisprudence from the William S. Richardson School of Law at the University of Hawaii at Manoa. During his tenure in law school, he was the recipient of the Bendet Fidell Sakai & Lee Award for a high grade in Corporations, and the CALI Excellence for the Future Award for a high grade in Corporations and Immigration Law.

Judge Costa is currently an Attorney Member Manager of Costa & DeLacy, L.L.C., where he focuses his practice on criminal defense law, traffic matters, and driving under the influence cases. He has represented hundreds of criminal defendants in the District Court, performed numerous trials in the District Court for criminal and traffic matters, represented hundreds of respondents at the Administrative Driver's License Revocation Office, and represented more than ten clients in appellate matters involving criminal, civil, and family law. Prior to establishing his own private practice, he served as a Law Clerk for (Retired) Associate Justice Simeon Acoba of the Hawaii Supreme Court, a Deputy Prosecuting Attorney for the Department of the Prosecuting Attorney of the City and County of Honolulu, and Law Clerk and later Associate at Goodwill Anderson Quinn & Stifel.

Judge Costa is also serving a second term as a Per Diem District Family Court of the First Circuit. As a Per Diem Judge, he has presided over various matters, including divorce, annulment, paternity, petitions for orders of protection, guardianship, involuntary hospitalization, and adoption.

Judge Costa has extensive service in the legal community. He has served as a Member of the Administration Committee of the Hawaii Access to Justice Commission, Member of the Pro Bono Initiatives Task Force of the Hawaii Access to Justice Commission, and Member of the Hawaii State Trial Judges Association and Hawaii State Bar Association Committee. He previously participated in the Criminal Law Forum, Bench Bar Conference, and Courts in the Community Program and assisted with the Ad Hoc Ignition

Interlock Task Force and Operating a Vehicle while Under the Influence of an Intoxicant (OVUII) Task Force. Also, his work has been published in the Hawaii Bar Journal.

Testimony in support of Judge Costa's appointment commends his experience in the private and public sectors. He has comprehensive knowledge of criminal law due to his years specializing in this area while in private practice and as a Deputy Prosecuting Attorney. As a Per Diem Family Court Judge, he has impressed attorneys who have appeared before him with his judicial temperament and exercise of fairness to both sides. He displays independent judgment, integrity, acute analytical skills, deep awareness of the issues, and compassion. All of these qualities are essential for District Court Judge of the First Circuit.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the appointee, has found the appointee to be qualified for the position to which appointed and recommends that the Senate consent to the appointment.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1598 Judiciary and Labor on Jud. Com. No. 6

Recommending that the Senate consent to the nomination of the following:

DISTRICT COURT OF THE FIRST CIRCUIT

J.C. No. 6 DAROLYN LENDIO HEIM, for a term to expire in 6 years

Your Committee has reviewed the resume and statements submitted by the appointee and finds Darolyn Lendio Heim to possess the requisite qualifications to be considered for appointment to the District Court of the First Circuit.

Testimony in support of the appointment of Ms. Lendio Heim was submitted by Judge Leslie Kobayashi, United States District Court, District of Hawaii; Retired Associate Justice Robert G. Klein, Supreme Court of the State of Hawaii; Retired Associate Justice Simeon Acoba, Supreme Court of the State of Hawaii; Judge David A. Perkins, 36th District Court of the State of Michigan; Filipino-American Advocacy Network; Hawaii Filipino Lawyers Association; Hawaii Friends of Civil Rights; and seventy individuals. Comments regarding the appointee were submitted by the Hawaii State Bar Association Board of Directors.

Ms. Lendio Heim graduated magna cum laude and received her A.B. in Journalism and Political Science from the University of Southern California. During her undergraduate studies, she was a member of Phi Beta Kappa, Phi Kappa Phi, and Mortar Board, and was named an Outstanding Senior. She later obtained her Doctorate of Jurisprudence from Boalt Hall School of Law at the University of California Berkeley. Ms. Lendio Heim is currently a Partner at McCorrison Miller Mukai MacKinnon LLP, where she focuses her practice in the areas of civil and commercial litigation, government and administrative law, employment law, land use, contracts, insurance law, insurance defense, insurance bad faith law, government relations, and higher education law.

Ms. Lendio Heim previously served as the Vice President for Legal Affairs and University General Counsel for the University of Hawaii System, which is a cabinet level position that directly reports to the University of Hawaii Board of Regents. In this capacity, she held supervisory authority over all legal matters in the University of Hawaii System. During her tenure at the University of Hawaii, she also served as the Interim Executive Administrator and Secretary of the University of Hawaii Board of Regents. She also previously served as Director of the Department of the Corporation Counsel of the City and County of Honolulu, an Associate for Goodwill Anderson Quinn & Stifel, and Extern for Associate Justice Yoshimi Hayashi of the Hawaii State Supreme Court.

Ms. Lendio Heim has extensive service in the legal community, including the Judicial Council, Permanent Committee on Rules of Civil Procedure and Circuit Courts, Arbitrator Mentoring Program of the Court Annexed Arbitration Program, Hawaii Filipino Lawyers, and Hawaii Women Lawyers. She has also been previously involved with the Honolulu Charter Commission, Honolulu Board of Water Supply, Honolulu Police Commission, Hawaii State Bar Association, American Bar Association, and Commission on Judicial Conduct. She has also served as a guest speaker or lecturer on numerous occasions to speak on various legal topics and is the published author of *Bad Faith Litigation in Hawaii* (National Business Institute 1993).

Testimony in support of Ms. Lendio Heim indicates that she is an experienced litigator whose caseload included complex cases and issues, which have provided her with experience in understanding complex factual patterns and the application of the appropriate legal principles and law to appropriately resolve such issues and cases. Testifiers comment on her dedication to law, high degree of integrity, and willingness to share her insights on trial strategies and complex legal issues.

Of particular note, testifiers in support of Ms. Lendio Heim praise her contributions to the Filipino community and indicate that Filipinos, especially women, continue to be underrepresented in the legal profession and on the bench. Ms. Lendio Heim's service on the bench will more accurately reflect the diversity of Hawaii.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the appointee, has found the appointee to be qualified for the position to which appointed and recommends that the Senate consent to the appointment.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1599 Judiciary and Labor on Jud. Com. No. 7

Recommending that the Senate consent to the nomination of the following:

DISTRICT COURT OF THE FIRST CIRCUIT

J.C. No. 7 TRISH K. MORIKAWA, for a term to expire in 6 years

Your Committee has reviewed the resume and statements submitted by the appointee and finds Trish K. Morikawa to possess the requisite qualifications to be considered for appointment to the District Court of the First Circuit.

Testimony in support of the appointment of Judge Morikawa was submitted by the Attorney General; Retired Judge Richard K. Perkins, Circuit Court of the First Circuit; and forty individuals. Comments regarding the appointee were submitted by the Hawaii State Bar Association Board of Directors.

Judge Morikawa received her Bachelor of Arts degree from the University of Pennsylvania where she was a team member of the Varsity Volleyball team for four years and a member of the Friars Senior Honor Society. She subsequently obtained her Doctorate of Jurisprudence from the William S. Richardson School of Law at the University of Hawaii at Manoa. She currently serves as an Associate at Gallagher, Kane & Amai, where she represents businesses and individuals in commercial, automobile, and homeowner insurance litigation in state and federal courts, mediation, and arbitration. She also currently serves as a Per Diem District Family Court Judge of the First Circuit, where she presides over temporary restraining order and protective order hearings and trials, petitions for guardianships and adoptions, preliminary hearings, juvenile detention home hearings, juvenile trials and motions, and divorce trials and motions.

Judge Morikawa previously served as a County Housing Coordinator for the Office of Housing of the City and County of Honolulu, where she was responsible for assisting in the Honolulu Affordable Housing Prevention Initiative, working on the Pathways Project, and coordinating many county agencies, departments, and service providers in the enforcement of the stored property ordinance. She also served as a Deputy Prosecuting Attorney at the Department of the Prosecuting Attorney of the City and County of Honolulu. As a Deputy Prosecuting Attorney, she prosecuted misdemeanor and traffic cases in District Court and Family Court, prosecuted felony cases in Circuit Court, and was assigned to the Sexual Assault Unit and Career Criminal Unit. She previously served as a Deputy Attorney General for the Department of the Attorney General, where she was the Lead Prosecutor and Assistant Grant Coordinator for the Internet Crimes Against Children Unit and High Technology Crimes Unit.

Judge Morikawa has extensive community service experience. She currently serves as a member of the Steering Committee of the Alignment Hawaii Initiative, Board member of the Partners in Development Foundation, and member of the Daughters of Hawai'i. She previously served as a Commissioner for the Hawaiian Homes Commission.

Testimony in support of Judge Morikawa's appointment indicate that she is highly regarded for her competence, experience, intelligence, and civility. She understands the importance of working together and using common sense. These qualities, along with her respect for the legal system and her desire to experience all of its aspects, are evidenced by her comprehensive legal experience as an attorney and Per Diem Judge. She has the reputation for being a person of integrity who treats everyone equally and fairly and has the ability to relate to and be respectful toward everyone – attributes that are especially important at the District Court level, where the public is more likely to come into contact with the court system.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the appointee, has found the appointee to be qualified for the position to which appointed and recommends that the Senate consent to the appointment.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1600 Higher Education on Gov. Msg. No. 613

Recommending that the Senate advise and consent to the nomination of the following:

WESTERN INTERSTATE COMMISSION FOR HIGHER EDUCATION

GM. No. 613 CAROL LEE, for a term to expire 06-30-2020

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Carol Lee to possess the requisite qualifications to be nominated for reappointment to the Western Interstate Commission for Higher Education.

Your Committee received testimony in support of the nomination of Carol Lee for reappointment from the University of Hawai'i System.

Ms. Lee currently is the volunteer Chief Operating Officer for ThinkTech Hawaii, a nonprofit with a mission to raise public awareness and promote civic engagement through broadcast media. Your Committee finds that Ms. Lee has a legal, education, and administrative background with experience in teaching, higher education administration, and policymaking. Ms. Lee is a retired Associate Dean of the University of Hawaii William S. Richardson School of Law. After her retirement, Ms. Lee served as an elected member of the Board of Education, where she chaired the Legislation, Public Charter Schools and Public Library Committee, and the Superintendent Search and Selection Committee. She continues to volunteer her time as a member of the Board of Governors of University of California Hastings School of Law.

Your Committee further finds that Ms. Lee has received numerous honors for her work and service over the years, including the Hawaii State Bar Association's 'Ikena Award for Outstanding Service to Legal Education. Your Committee notes that Ms. Lee has served on the Western Interstate Commission for Higher Education (WICHE) since 2012 and during her time on the Commission has helped the University of Hawaii Richardson School of Law join WICHE's Western Regional Graduate Program. Your Committee finds that Ms. Lee's exceptional experience and dedication to public service qualify her for reappointment to the Commission.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

SCRep. 1601 Higher Education on Gov. Msg. No. 598

Recommending that the Senate advise and consent to the nomination of the following:

HAWAI'I MEDICAL EDUCATION COUNCIL

G.M. No. 598 MARK MUGIISHI, for a term to expire 06-30-2019

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Dr. Mark Mugiishi to possess the requisite qualifications to be nominated for appointment to the Hawaii Medical Education Council.

Your Committee received testimony in support of the nomination for the appointment of Dr. Mark Mugiishi from the University of Hawai'i System and Hawaii Medical Service Association.

Dr. Mugiishi currently serves as the Senior Vice President and Chief Medical Officer of the Hawaii Medical Services Association and is a practicing surgeon with Ekahi Health Systems, Central. Your Committee finds that Dr. Mugiishi has valuable experience in the healthcare provider, payer, and academic fields, and is also knowledgeable about the business aspects of healthcare as he served as the Medical Director of Cellular Bioengineering, Inc., and is Co-Founder of the Endoscopy Institute of Hawaii and the Eye Surgery Center of Hawaii.

Your Committee further finds that Dr. Mugiishi is the Associate Chair for the Department of Surgery for the John A. Burns School of Medicine and during his career has held key roles in the education of the next generation of surgeons in Hawaii, including serving as the Director of Surgical Education for the University of Hawaii Residency Program and Deputy Director of the Transitional Residency Program. Dr. Mugiishi's professional career demonstrates his passion for building excellent education programs to ensure that Hawaii builds a sustainable healthcare system, and a testament to this passion is that Dr. Mugiishi was named Teacher of the Year by the John A. Burns School of Medicine. Your Committee notes that Dr. Mugiishi is also an involved community member at Iolani School where he serves as Vice Chair of the Board of Governors and previously as the Varsity Boys' Basketball Coach. Your Committee finds that Dr. Mugiishi's experience and leadership, commitment to the next generation, and dedication to the community will be great assets to the Hawai'i Medical Education Council.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1602 International Affairs and the Arts on Gov. Msg. Nos. 539, 540, and 541

Recommending that the Senate advise and consent to the nominations of the following:

HAWAI'I SISTER STATE COMMITTEE

G.M. No. 539 DEBRA NAKAMA, for a term to expire 06-30-2019;

G.M. No. 540 KAHO'OKELEHOLU HANNAHS, for a term to expire 06-30-2017; and

G.M. No. 541 KAHO'OKELEHOLU HANNAHS, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Ms. Debra Nakama and Mr. Kaho'okeleholu Hannahs to possess the requisite qualifications to be nominated to the Hawai'i Sister State Committee.

DEBRA NAKAMA

Your Committee received testimony in support of the nomination for the appointment of Ms. Nakama from the Department of Business, Economic Development, and Tourism.

Ms. Nakama is currently the Vice Chancellor of Student Affairs at the University of Hawaii Maui College. She received a Doctorate of Philosophy in Education and a Master's degree in Educational Administration from the University of Hawaii at Manoa. Prior to serving as Vice Chancellor, Ms. Nakama was a Principal Investigator under the National Science Foundation Scholarship for Service Capacity Building Grant working to address the need for women and minorities in the field of cyber security. Ms. Nakama has extensive international experience including as a visiting professor at Mariano Marcos State University in the Philippines. She received the prestigious Doctoral Fellowship to the Community College Leadership Development Initiatives at Claremont Graduate University and received the Twenty Outstanding Filipinos Abroad Award in 2008. Your Committee finds that Ms. Nakama's background, knowledge, commitment, and leadership in education and international relations will be assets to the Hawai'i Sister State Committee.

KAHO'OKELEHOLU HANNAHS

Your Committee received testimony in support of the nomination for the appointment and reappointment of Mr. Hannahs from the Department of Business, Economic Development, and Tourism; and two individuals.

Mr. Hannahs is currently the Papakilo Database and Hale Noelo Project Manager at the Office of Hawaiian Affairs. Prior to his service at the Office of Hawaiian Affairs, Mr. Hannahs was a Project Coordinator at the Council for Native Hawaiian Advancement. He has a Bachelor of Arts in Hawaiian Studies with a concentration in history from the University of Hawaii at Manoa. Mr. Hannahs has also been an international ambassador of Hawaiian culture and history through his travels around the world as a professional musician. He has also served the music industry as the Vice President of the Board of Directors of the Hawai'i Academy of Recording Arts and as the current Hawaii representative on the Western Arts Alliance's Indigenous Performance Steering Committee. Your

Committee finds that Mr. Hannahs' professional experience, cultural and historical knowledge, managerial skills, and exquisite talent in music will be assets to the Hawai'i Sister State Committee.

As affirmed by the records of votes of the members of your Committee on International Affairs and the Arts that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (English, Ihara).

SCRep. 1603 Economic Development, Tourism, and Technology on Gov. Msg. No. 534

Recommending that the Senate advise and consent to the nomination of the following:

COMMUNITY-BASED ECONOMIC DEVELOPMENT ADVISORY COUNCIL

G.M. No. 534 JANE HORIKE, for a term to expire 06-30-2018

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Ms. Jane Horike to possess the requisite qualifications to be nominated for appointment to the Community-Based Economic Development Advisory Council.

Your Committee received testimony in support of the nomination for the appointment of Ms. Horike from the Department of Business, Economic Development, and Tourism; County of Hawaii Department of Research and Development; Hawaii County Economic Opportunity Council; and one individual.

Your Committee finds that Ms. Horike has over four decades of experience serving Hawaii's communities in the areas of program administration and technical assistance, including grant writing, funding assessment, and capacity building. Ms. Horike worked as a Program Specialist for the Hawaii County Economic Opportunity Council, a non-profit working to combat poverty, where she prepared grant applications, budgets, reports to funding sources, feasibility studies, and self-sustaining agricultural training projects. She has been a Hawaii County employee since 2000, and currently serves as an Economic Development Specialist in Hawaii County's Research and Development Division where she plans, organizes, researches, and conducts analyses to develop product and industrial expansion programs; and provides grants to non-profits for community economic development. Ms. Horike received a Bachelor of Business Administration, Economics, and Statistics from the University of Hawaii at Manoa.

Your Committee further notes that Ms. Horike has had various community economic development successes in her career, including her work to establish a Food Service Program while at the Hawaii County Economic Opportunity Council. The Food Service Program grosses over \$600,000 annually and feeds an average of 750 people daily. Ms. Horike's experience and in-depth knowledge of community-based economic development will be an invaluable asset to the council.

As affirmed by the record of votes of the members of your Committee on Economic Development, Tourism, and Technology that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Baker, Galuteria).

SCRep. 1604 Economic Development, Tourism, and Technology on Gov. Msg. No. 535

Recommending that the Senate advise and consent to the nomination of the following:

SMALL BUSINESS REGULATORY REVIEW BOARD

G.M. No. 535 ROBERT CUNDIFF, for a term to expire 06-30-2020

Your Committee has reviewed the personal history and resume submitted by the nominee and finds Mr. Robert Cundiff to possess the requisite qualifications to be nominated for appointment to the Small Business Regulatory Review Board.

Your Committee received testimony in support of the nomination for the appointment of Mr. Cundiff from the Department of Business, Economic Development, and Tourism; Small Business Regulatory Review Board; and Chamber of Commerce Hawaii.

Upon review of the testimony, your Committee finds that Mr. Cundiff's professional experience as a small business leader and commitment to public service qualify him for appointment to the Small Business Regulatory Review Board. Your Committee notes that Mr. Cundiff received a Bachelor of Business and Economics from Hawaii Loa College. Mr. Cundiff is currently Senior Vice President of Rengo Packaging, Inc., and past President of Hawaii Box & Packaging, Inc., and previously spent twenty-seven years as a general manager with Weyerhaeuser Company in Hawaii. He is active in many community organizations and serves on the Board of Parks and Recreation for the City and County of Honolulu, on the Board of Ahahui Koa Anuenu, and on the Advisory Board of the June Jones Foundation. Your Committee finds that Mr. Cundiff's strong business acumen and proven leadership will be assets to the Small Business Regulatory Review Board.

As affirmed by the record of votes of the members of your Committee on Economic Development, Tourism, and Technology that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Baker, Galuteria).

SCRep. 1605 Human Services on Gov. Msg. Nos. 544, 545, and 546

Recommending that the Senate advise and consent to the nominations of the following:

COMMISSION ON FATHERHOOD

- G.M. No. 544 DANIEL KITTREDGE, for a term to expire 06-30-2020;
 G.M. No. 545 RICHARD KEBO, for a term to expire 06-30-2019; and
 G.M. No. 546 SHANNON CARRIER, for a term to expire 06-30-2020

Your Committee has reviewed the personal histories and resumes submitted by the nominees and finds Daniel Kittredge, Richard Kebo, and Shannon Carrier to possess the requisite qualifications to be nominated to the Commission on Fatherhood.

DANIEL KITTREDGE

Your Committee received testimony in support of Daniel Kittredge from one individual.

Mr. Kittredge is currently a Supervising Waterworks Inspector III for the Construction Management Division of the Department of Water for the County of Kauai. He has also worked as a Project Manager for the Construction Management Division of the Department of Water for the County of Kauai and Senior Project Manager and Project Manager for Earthworks Pacific, Inc., indicating his leadership abilities and personnel and management skills. He is an active member of a local church and a youth soccer coach and referee. Having previously served on the Commission of Fatherhood, Mr. Kittredge demonstrates his high regard of fatherhood. Therefore, your Committee finds that Mr. Kittredge possesses the qualifications to serve on the Commission on Fatherhood.

RICHARD KEBO

Your Committee received testimony in support of Richard Kebo from nine individuals.

Dr. Kebo is currently a Consultant for the Small Business Development Center in Honolulu, assisting small businesses in strategic planning for the Honolulu Authority for Rapid Transportation Construction Mitigation Initiative, and Instructor at Argosy University, developing curriculum and providing instruction for post-graduate courses in business and leadership. He has also worked as a Consultant and Research Analyst for the Office of Hawaiian Affairs. Upon reviewing the testimony, your Committee finds that Dr. Kebo understands the importance of being a good father and role model to his family and has demonstrated good relationship building skills at the professional and personal level. Therefore, your Committee finds that Dr. Kebo possesses the qualifications to serve on the Commission on Fatherhood.

SHANNON CARRIER

Your Committee received testimony in support of Shannon Carrier from one individual.

Mr. Carrier is currently the Owner, Manager, and Investor at SMC Property Solutions, Inc., a real estate redevelopment and investing company. He has previously worked as a Fatherhood Involvement Team Coordinator and Teen Voices Facilitator at Maui Family Support Services, developing and implementing plans to engage fathers and male caregivers. Mr. Carrier has also been involved in various church leadership roles and has worked with fathers and families for over twenty years. Having previously served on the Commission on Fatherhood, Mr. Carrier demonstrates his understanding of the critical role fathers play in the family and community. Therefore, your Committee finds that Mr. Carrier possesses the qualifications to serve on the Commission on Fatherhood.

As affirmed by the records of votes of the members of your Committee on Human Services that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
 Ayes, 4. Noes, none. Excused, 1 (Tokuda).

SCRep. 1606 Human Services on Gov. Msg. Nos. 547, 548, and 549

Recommending that the Senate advise and consent to the nominations of the following:

STATE REHABILITATION COUNCIL

- G.M. No. 547 GEORGE MASSENGALE, for a term to expire 06-30-2020;
 G.M. No. 548 LANELLE YAMANE, for a term to expire 06-30-2020; and
 G.M. No. 549 MARK TRAVALINO, for a term to expire 06-30-2020

Your Committee has reviewed the personal histories and resumes submitted by the nominees and finds George Massengale, Lanelle Yamane, and Mark Travalino to possess the requisite qualifications to be nominated to the State Rehabilitation Council.

GEORGE MASSENGALE

Your Committee received testimony in support of George Massengale from one individual.

Your Committee finds that Mr. Massengale's background as a health advocate and advocate for individuals with disabilities qualify him to serve on the State Rehabilitation Council. Mr. Massengale is presently the Community Outreach and Advocacy Manager for the Hawaii Habitat for Humanity State Association, overseeing all outreach and advocacy activities in the State of Hawaii and Pacific Territories. Mr. Massengale has also served as the Legislative and Government Relations Director for the American Cancer Society Hawaii Pacific and Policy and Advocacy Director for the Coalition for a Tobacco-Free Hawaii. Your Committee notes that Mr. Massengale is active in the community as a member of the American Cancer Society and Hawaii Audubon Society and Board member

of Housing Hawaii, Inc. Your Committee therefore recommends that Mr. Massengale be appointed to the State Rehabilitation Council based on his background and dedication to serving the community.

LANELLE YAMANE

Your Committee received testimony in support of Lanelle Yamane from one individual.

Your Committee finds Ms. Yamane's professional qualifications and experiences in the field of vocational rehabilitation qualify her to serve on the State Rehabilitation Council. Ms. Yamane is presently a Vocational Rehabilitation Specialist for PACBLU Hawaii, providing, among other things, career counseling assistance to clients and personal, social, adjustment to disability, and vocational adjustment counseling. Ms. Yamane has also served as a Vocational Expert for the Social Security Administration in Hilo, Hawaii, as well as a Vocational Rehabilitation Specialist for the Department of Human Services' Division of Vocational Rehabilitation and Services for the Blind. In addition to being a Certified Rehabilitation Counselor, Ms. Yamane is a Licensed Mental Health Counselor and National Certified Counselor. She has demonstrated her leadership abilities by having served as President-Elect of the Hawaii Rehabilitation Counselor Association from 2014 to 2016. Your Committee therefore recommends that Ms. Yamane be appointed to the State Rehabilitation Council based on her extensive professional background in the field of vocational rehabilitation and leadership skills.

MARK TRAVALINO

Your Committee received testimony in support of Mark Travalino from two individuals.

Your Committee finds that Mr. Travalino's experience in the construction industry and his familiarity with on-site injuries in that occupational setting qualify him to serve on the State Rehabilitation Council. Mr. Travalino has been a Field Representative with Local 368 of the Laborer's International Union of North America for over twenty-five years. He has valuable insight into workplace injuries in the construction industry as he has worked as a General Laborer and Masonry Laborer in the past. Upon review of the testimony, your Committee further finds that Mr. Travalino understands the work environment and workers' compensation system very well, especially at it relates to the rehabilitation of workers in the construction industry. Your Committee therefore recommends that Mr. Travalino be appointed to the State Rehabilitation Council based on his experience in the labor industry and understanding of the difficulty and mental stress workers experience when attempting to re-enter the workforce after an accident.

As affirmed by the records of votes of the members of your Committee on Human Services that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Tokuda).

SCRep. 1607 Agriculture and Environment on Gov. Msg. Nos. 614, 615, 616, 617, 618, and 619

Recommending that the Senate advise and consent to the nominations of the following:

ENVIRONMENTAL COUNCIL

G.M. No. 614 MARY BEGIER, for a term to expire 06-30-2018;

G.M. No. 615 MICHAEL TULANG, for a term to expire 06-30-2020;

G.M. No. 616 PUANANIONAONA THOENE, for a term to expire 06-30-2020;

G.M. No. 617 ROBIN KAYE, for a term to expire 06-30-2020;

G.M. No. 618 STEPHANIE DUNBAR-CO, for a term to expire 06-30-2018; and

G.M. No. 619 THERESITA KINNAMAN, for a term to expire 06-30-2020

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Mary Begier, Michael Tulang, Puananionaona Thoene, Robin Kaye, Stephanie Dunbar-Co, and Theresita Kinnaman to possess the requisite qualifications to be nominated to the Environmental Council.

MARY BEGIER

Your Committee received testimony in support of the nomination for the appointment of Ms. Mary Begier from the Office of Environmental Quality Control, Chamber of Commerce Hawaii, and six individuals.

Upon review of the testimony, your Committee finds that Ms. Begier's professional experience and background in business and real estate qualify her to be nominated for appointment to the Environmental Council. Your Committee notes that Ms. Begier is the Principal Broker and Owner of Mary Begier Realty, serves as a member of the Honolulu Board of REALTORS, and volunteers through the Rotary Club of Hilo Bay, Hawaii Island Chamber of Commerce, and Hawaii Island REALTORS. She served on the Hawaii State Foundation on Culture and the Arts for eight years and has been participating as an interim appointee on the Environmental Council. Based on her knowledge, experience, and commitment to public service, your Committee finds that Ms. Begier will continue to be an asset to the Environmental Council.

MICHAEL TULANG

Your Committee received testimony in support of the nomination for the appointment of Mr. Michael Tulang from the Office of Environmental Quality Control; Ponoholo Ranch, Limited; and Hawaii Cattleman's Council, Inc.

Upon review of the testimony, your Committee finds that Mr. Tulang's professional experience and background in agricultural and environmental fields qualify him to be nominated for appointment to the Environmental Council. Your Committee notes that Mr.

SENATE JOURNAL - STANDING COMMITTEE REPORTS

1554

Tulang has worked for the United States Department of Agriculture Natural Resources Conservation Service as a Watershed Planning Economist and Resource Conservationist and served as Executive Director of the Hawaii Association of Conservation Districts. He is a member of the Hawaii Island Workforce and Economic Development Ohana Board, Boys and Girls Club Board, Phi Sigma Epsilon, and Hawaii Cattlemen's Association, and has been participating as an interim appointee on the Environmental Council. Based on his knowledge, experience, and commitment to public service, your Committee finds that Mr. Tulang will continue to be an asset to the Environmental Council.

PUANANIONAONA THOENE

Your Committee received testimony in support of the nomination for the appointment of Ms. Puananionaona Thoene from the Office of Environmental Quality Control and ten individuals.

Upon review of the testimony, your Committee finds that Ms. Thoene's professional experience and background in land use and environmental law qualify her to be nominated for appointment to the Environmental Council. Your Committee notes that Ms. Thoene practices in the areas of land use law, environmental law, corporate law, administrative law, and real property law. She serves as a member of the Hawaiian Islands Land Trust O'ahu Island Advisory Council and Prince Kuhio Hawaiian Civic Club, volunteers with the Hawai'i Access to Justice Commission, and has been participating as an interim appointee on the Environmental Council. Based on her knowledge, experience, and commitment to public service, your Committee finds that Ms. Thoene will continue to be an asset to the Environmental Council.

ROBIN KAYE

Your Committee received testimony in support of the nomination for the appointment of Mr. Robin Kaye from the Office of Environmental Quality Control, Conservation Council for Hawai'i, Marine and Coastal Zone Advocacy Council, and thirteen individuals.

Upon review of the testimony, your Committee finds that Mr. Kaye's professional experience and background in management consulting and conservation qualify him to be nominated for appointment to the Environmental Council. Your Committee notes that Mr. Kaye serves as the spokesperson for Friends of Lāna'i and provides consulting services to the Lāna'i Youth Center, Lāna'i Culture & Heritage Center, Coalition for a Drug Free Lāna'i, and Lāna'i Community Health Center. He has served on the Marine and Coastal Zone Advocacy Council, Board of the Conservation Council for Hawai'i, and E Alu Pū, and co-founded the Lāna'i Limu Restoration Project. He has been participating as an interim appointee on the Environmental Council. Based on his knowledge, experience, and commitment to public service, your Committee finds that Mr. Kaye will continue to be an asset to the Environmental Council.

STEPHANIE DUNBAR-CO

Your Committee received testimony in support of the nomination for the appointment of Ms. Stephanie Dunbar-Co from the Office of Environmental Quality Control; Ponoholo Ranch, Limited; Hawaii Cattlemen's Council, Inc.; The Nature Conservancy Hawai'i; and two individuals.

Upon review of the testimony, your Committee finds that Ms. Dunbar-Co's professional experience, education, and background in the ecology, evolution, and conservation biology of Hawaiian flora qualify her to be nominated for appointment to the Environmental Council. Your Committee notes that Ms. Dunbar-Co is the East Slope Project Manager with The Nature Conservancy and led the expansion of the East Molokai Watershed Partnership. She serves as the Program Manager of Kainalu Ranch and has been participating as an interim appointee on the Environmental Council. Based on her knowledge, experience, and commitment to public service, your Committee finds that Ms. Dunbar-Co will continue to be an asset to the Environmental Council.

THERESITA KINNAMAN

Your Committee received testimony in support of the nomination for the appointment of Ms. Theresita Kinnaman from the Office of Environmental Quality Control.

Upon review of the testimony, your Committee finds that Ms. Kinnaman's experience and background as an advocate for community needs and conservation qualify her to be nominated for appointment to the Environmental Council. Your Committee notes that Ms. Kinnaman is Secretary of the cultural non-profit organization Hui Malama O Kāneiolouma and has served on the County of Kauai Open Space Commission, National Tropical Botanical Gardens Lāwa'i Kai Resource Advisory Committee, and Koloa Community Association Board of Directors. She has been participating as an interim appointee on the Environmental Council. Based on her knowledge, experience, and commitment to public service, your Committee finds that Ms. Kinnaman will continue to be an asset to the Environmental Council.

As affirmed by the records of votes of the members of your Committee on Agriculture and Environment that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Ruderman).

SCRep. 1608 Judiciary and Labor on Gov. Msg. Nos. 550 and 551

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF REGISTRATION OF THE ISLAND OF HAWAII

G.M. No. 550 ANDREW CHUN, for a term to expire 06-30-2018; and

G.M. No. 551 DAVID YONAN, for a term to expire 06-30-2019

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Andrew Chun and David Yonan to possess the requisite qualifications to be nominated to the Board of Registration of the Island of Hawai'i.

ANDREW CHUN

Your Committee received testimony in support of the nomination for the appointment of Andrew Chun from the Office of Elections.

Mr. Chun currently serves as Senior Vice President of Administrative Services for KTA Super Stores, where he is primarily responsible for the leadership and management of the facility, safety, and security areas of the organization. He is also responsible for enhancing communications between the various administrative departments and store operations.

Mr. Chun has extensive community service involvement, including currently serving as President of the American Red Cross East Hawaii Advisory Board and a Board Member of Big Brothers Big Sisters Hawaii Island. He previously served as President of the Crescent City Lions Club and Chairperson of the Positive Coaching Alliance.

Mr. Chun was appointed on August 11, 2016, on an interim basis and served as a Board of Registration member during the 2016 Primary and General Elections. His business and management background, community service, recent tenure with the Board, and willingness to continue to serve make Mr. Chun an excellent nominee for appointment to the Board of Registration.

DAVID YONAN

Your Committee received testimony in support of the nomination for the appointment of David Yonan from the Office of Elections.

Mr. Yonan is a retiree residing on the Island of Hawaii. He currently serves as the East Hawaii County Chair in charge of the Hawaii Republican Party on the East side of the Island of Hawaii. Prior to his retirement in Hawaii, Mr. Yonan served as a firefighter and paramedic for the Los Angeles County Fire Department. He also served as Fire Captain where he supervised three to ten firefighters and engineers at a fire station, was in charge of all emergency medical and fire scenes, performed fire prevention inspections, and was responsible for personnel training.

Mr. Yonan was appointed on August 11, 2016, on an interim basis and served as a Board of Registration member during the 2016 Primary and General Elections. His public and community service background, recent tenure with the Board, and willingness to continue to serve make Mr. Yonan an excellent nominee for appointment to the Board of Registration.

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Kim).

SCRep. 1609 Judiciary and Labor on Gov. Msg. Nos. 552, 553, and 554

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF REGISTRATION OF THE ISLANDS OF MAUI, MOLOKA'I, LANA'I, AND KAHO'OLAWA

G.M. No. 552 BARBARA BAISA, for a term to expire 06-30-2017;

G.M. No. 553 BARBARA BAISA, for a term to expire 06-30-2021; and

G.M. No. 554 LEO CAIRES, for a term to expire 06-30-2020

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Barbara Baisa and Leo Caires to possess the requisite qualifications to be nominated to the Board of Registration of the Islands of Maui, Moloka'i, Lana'i, and Kaho'olawe.

BARBARA BAISA

Your Committee received testimony in support of the nomination for the appointment and reappointment of Barbara Baisa from the Office of Elections.

Ms. Baisa is a retired homemaker residing in the County of Maui. She was appointed on November 4, 2016, on an interim basis and served as a Board of Registration member during the 2016 General Election. Her recent tenure with the Board and willingness to continue to serve make Ms. Baisa an excellent nominee for appointment and reappointment to the Board of Registration.

LEO CAIRES

Your Committee received testimony in support of the nomination for the appointment of Leo Caires from the Office of Elections.

Mr. Caires is the Co-founder of Gen-X Energy Development LLC, which is a solar and wind developer. He previously served as Director of Business Development for Entegri Wind Systems, Inc., in Boulder, Colorado.

Mr. Caires has extensive community service involvement, including being appointed by the Mayor of the County of Maui to serve as the Vice-Chairperson of the Maui County Cost of Government Commission in 2008-2009; and serving as a member of the Maui Native Hawaiian Chamber of Commerce, volunteer for the Maui 4-H Livestock Association, and First Nations Future Fellow in 2015.

Mr. Caires was appointed on August 11, 2016, on an interim basis and served as a Board of Registration member during the 2016 Primary and General Elections. His corporate management background, community service experience, recent tenure with the Board, and willingness to continue to serve make Mr. Caires an excellent nominee for appointment to the Board of Registration.

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Kim).

SCRep. 1610 Judiciary and Labor on Gov. Msg. No. 555

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF REGISTRATION OF THE ISLANDS OF MAUI, MOLOKA'I, LANA'I, AND KAHO'OLAWA

G.M. No. 555 SHAUN LYONS, for a term to expire 06-30-2020

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Shaun Lyons to possess the requisite qualifications to be nominated to the Board of Registration of the Islands of Maui, Moloka'i, Lana'i, and Kaho'olawe.

Your Committee received testimony in support of the nomination for the appointment of Shaun Lyons from the Office of Elections.

Ms. Lyons is a retired small business owner residing in the County of Maui. She was appointed on August 12, 2016, on an interim basis and served as a Board of Registration member during the 2016 Primary and General Elections. Her business and community service background, recent tenure with the Board, and willingness to continue to serve make Ms. Lyons an excellent nominee for appointment to the Board of Registration.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1611 Judiciary and Labor on Gov. Msg. No. 757

Recommending that the Senate advise and consent to the nomination of the following:

HAWAI'I WORKFORCE DEVELOPMENT COUNCIL

G.M. No. 757 GLADYS MARRONE, for a term to expire 06-30-2020

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Gladys Marrone to possess the requisite qualifications to be nominated to the Hawai'i Workforce Development Council.

Your Committee received testimony in support of the nomination for the appointment of Ms. Gladys Marrone from the Hawai'i Workforce Development Council; Department of Labor and Industrial Relations; Chamber of Commerce Hawaii; Hawai'i Farm Bureau; Pacific Resource Partnership; Hawaii Laborers-Employers Cooperation and Education Trust; Graham Builders, Inc.; RMA Sales; and nine individuals.

Upon review of the testimony, your Committee finds that Ms. Marrone's professional experience, legal education, and background in the construction industry qualify her to be nominated for appointment to the Hawai'i Workforce Development Council. Your Committee notes that Ms. Marrone is the Chief Executive Officer and prior Government Relations Director of the Building Industry Association of Hawaii and serves on the City and County of Honolulu Transportation Commission. She has previously worked as the Director of Research and Legal Affairs of the Land Use Research Foundation of Hawaii and Associate Director of Policy and Planning of the Hawaii Institute for Public Affairs. Ms. Marrone is actively involved in the Construction Training Center of the Pacific and serves on the Sector Strategies and Career Pathways Committee of the Hawai'i Workforce Development Council as an interim appointee. Based on her knowledge, experience, and commitment to public service, your Committee finds that Ms. Marrone will continue to be an asset to the Hawai'i Workforce Development Council.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Thielen).

SCRep. 1612 Commerce, Consumer Protection, and Health on H.C.R. No. 164

The purpose and intent of this measure is to consider the benefits of medication synchronization by requesting the Director of Health to convene a medication synchronization working group to explore and propose legislation.

Your Committee received testimony in support of this measure from the Daniel K. Inouye College of Pharmacy at the University of Hawai'i at Hilo, Hawaii Pharmacists Association, Walgreen Company, CVS Health/Longs Drugs, Times Pharmacy, Kaiser Permanente, and one individual. Your Committee received comments on this measure from the Department of Health.

Your Committee finds that many states across the country are approving medication synchronization for commercial patients. Your Committee further finds that medication synchronization has the potential to improve patient health, reduce costs to insurers, and promote efficient workflow in pharmacies by allowing pharmacists and patients to work together to synchronize a patient's medications for pick-up on the same day each month. Furthermore, studies demonstrate that appointment-based medication

synchronization can significantly improve medication adherence rates. Your Committee notes that medication synchronization also has the potential to simplify therapeutic regimes and improve access to care for patients living in rural areas or patients with limited means of transportation.

Your Committee has amended this measure by:

- (1) Inserting language to add Kaiser Permanente to the working group;
- (2) Making a technical amendment to its title; and
- (3) Making other technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 164, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 164, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Ihara, Kidani, Ruderman).

SCRep. 1613 Commerce, Consumer Protection, and Health on H.C.R. No. 129

The purpose and intent of this measure is to improve the detection and early treatment of colorectal cancer by requesting the Department of Health to convene a working group to develop recommendations to increase colorectal cancer screening rates.

Your Committee received testimony in support of this measure from the Department of Health; University of Hawai'i Cancer Center; Hawaii Primary Care Association; American Cancer Society, Cancer Action Network; and fifteen individuals.

Your Committee finds that increased colorectal cancer screening can save many lives in Hawaii. Nationwide, states and organizations are committing to the "80% by 2018" initiative, which is an effort to eliminate colorectal cancer as a major public health problem by getting eighty percent of adults aged fifty and older screened for colorectal cancer by 2018. Your Committee notes that early detection is critical because survival rates for localized disease are ninety percent, yet between 2009 and 2013 fifty percent of colorectal cancer cases in Hawaii were diagnosed at late stages. Your Committee further finds that colorectal cancer is the second leading cause of cancer deaths in Hawaii, and the mortality rate is highest for Native Hawaiians.

Your Committee additionally finds that colorectal cancer is a cause of considerable suffering among more than one hundred forty thousand adults in the country diagnosed with this cancer each year. In Hawaii, approximately six hundred sixty residents are diagnosed with colorectal cancer each year, and an average of two hundred forty residents die from the disease each year. Your Committee emphasizes that a priority of the Hawaii State Cancer Plan is to increase colorectal screening rates and reduce morbidity and mortality of colorectal cancer through screening and early detection. Your Committee finds that there is work to be done to increase colorectal cancer screening rates in an effort to lessen the physical, emotional, and financial burden that often accompany a cancer diagnosis. Your Committee notes that there are many community partners committed to working together to improve colorectal cancer screenings in Hawaii.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 129, and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Ihara, Kidani, Ruderman).

SCRep. 1614 Higher Education on S.R. No. 89

The purpose and intent of this measure is to urge the University of Hawaii to examine the status of the University's online programs to consider increasing its online accredited courses and degree programs.

Your Committee received testimony in support of this measure from three individuals. Your Committee received comments on this measure from the University of Hawai'i System.

Your Committee finds that online courses and degree programs are increasingly important to provide access to education for as many students as possible. Your Committee further finds that while the University of Hawaii offers many online courses and some online degree and certificate programs, the University could make stronger efforts to expand its online accredited programs. Your Committee notes that the University of Hawaii has the opportunity to offer unique and valuable perspectives to local and out-of-state students on many issues, and to potentially make higher education an option for individuals who are not able to attend courses in person.

Your Committee has amended this measure by:

- (1) Inserting a provision urging the University of Hawaii to examine whether a reduced tuition rate for students of online courses and programs would help incentivize potential students to pursue higher education;
- (2) Requesting that the University of Hawaii Professional Assembly receive a copy; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 89, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 89, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Keith-Agaran, Taniguchi).

SCRep. 1615 Water and Land on H.C.R. No. 106

The purpose and intent of this measure is to request the Auditor to conduct a performance audit of the Department of Land and Natural Resources' Division of Boating and Ocean Recreation.

Your Committee received testimony in support of this measure from the Office of the Prosecuting Attorney of the County of Hawai'i; Li'i Makau, Inc.; and eleven individuals. Your Committee received comments on this measure from the Department of Land and Natural Resources.

Your Committee notes that in recent years there have been numerous concerns raised regarding the Department of Land and Natural Resources' Division of Boating and Ocean Recreation, particularly the Division's perceived lack of effective communication with the boating community, inconsistency in interpreting and enforcing administrative rules, management, and ongoing issues of employee misconduct complaints and ethics violations. Your Committee notes that the Division's jurisdiction encompasses a wide range of boating and ocean activities that significantly impact our local communities. Your Committee finds that the public interest is best served by government transparency and accountability, and finds this measure is necessary to address the public perception of the Division of Boating and Ocean Recreation.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 106, H.D. 1, and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1616 Transportation and Energy on H.C.R. No. 47

The purpose and intent of this measure is to request the Department of Transportation to study the need for and feasibility of establishing a government-subsidized interisland ferry system between the Islands of Molokai and Maui.

Your Committee received testimony in support of this measure from the Department of Transportation and two individuals.

Your Committee finds that Sea Link, which previously operated with state subsidies and was regulated by the Public Utilities Commission, began providing regular ferry service between Kaunakakai, Molokai, and Lahaina, Maui, in 1987, serving as a critical and essential lifeline for Molokai residents. The state-subsidized ferry service served as a convenient way for Molokai residents to travel to and from employment on West Maui and served as an affordable alternative to air travel. However, the State ended subsidies to the ferry service in 1996, and ridership declined in the face of competition from federally subsidized commuter air travel.

Your Committee further finds that a renewed ferry service between the Islands of Molokai and Maui would provide a practical, cost-effective way for residents, visitors, and workers to travel between the two islands, and provide a safe way for those with disabilities to travel interisland.

As affirmed by the record of votes of the members of your Committee on Transportation and Energy that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 47, and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Dela Cruz, English).

SCRep. 1617 Transportation and Energy on H.C.R. No. 67

The purpose and intent of this measure is to request the Department of Transportation to construct a roundabout at the intersection of Kamehameha Highway and Kahekili Highway in Kahalu'u on the Island of Oahu.

Your Committee received testimony in support of this measure from one individual. Your Committee received testimony in opposition to this measure from the Department of Transportation.

Your Committee finds that in its current state, the intersection of Kamehameha Highway and Kahekili Highway poses a danger to drivers and pedestrians. Residents of the windward side of Oahu stretching from Kane'ohe to Kahalu'u and even to La'ie have complained for years about the traffic congestion on Kahekili Highway. Studies have found that a type of intersection known as a roundabout can increase traffic safety, increase traffic capacity of a roadway, and decrease commute times.

As affirmed by the record of votes of the members of your Committee on Transportation and Energy that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 67, and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Dela Cruz, English).

SCRep. 1618 Human Services on H.C.R. No. 65

The purpose and intent of this measure is to urge the Department of Human Services to adopt rules and take all actions necessary, as permitted by federal law, to disregard the Social Security Title II benefit or any increase in that benefit that makes an individual ineligible for supplemental security income and Medicaid.

Your Committee received testimony in support of this measure from the State Council on Developmental Disabilities and The Arc in Hawaii. Your Committee received comments on this measure from the Department of Human Services.

Your Committee finds that many individuals with disabilities who have extremely low income rely on federal supplemental security income (SSI) for living expenses, but SSI alone is grossly insufficient to pay for the cost of the residential and health care services that individuals may need. Although Hawaii law authorizes a state payment supplemental to SSI for residents of certain care facilities, individuals with disabilities who have extremely low income and rely on SSI and a state payment supplemental to SSI also rely on the State's Medicaid program for medical care and home and community based services to maintain a healthy and productive life in the community.

Your Committee further finds that when a Medicaid recipient's total income exceeds the Medicaid income qualification standard, in order to retain eligibility for Medicaid, the individual must spend down all of the recipient's income until the recipient's retained income equals an arbitrary "medically needy" standard, which is the only amount the individual retains for expenses. In some cases, the cause of the individual's income exceeding the Medicaid income qualification standard is the receipt of disabled adult child benefits, which is Social Security disability income under Title II of the Social Security Act on the basis of blindness or disability that began before the individual attained the age of twenty-two. While federal law requires or permits states to disregard Social Security Act Title II benefit amounts or increases thereof to the extent that those amounts result in loss of Medicaid eligibility for four different groups of individuals, urging the Department of Human Services to adopt rules to implement these income disregards for all groups, including the group of recipients of disabled adult child benefits, will ensure that individuals with developmental disabilities who are dependent adult children will not lose support services.

As affirmed by the record of votes of the members of your Committee on Human Services that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 65, and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Tokuda, Wakai).

SCRep. 1619 Human Services on H.C.R. No. 7

The purpose and intent of this measure is to urge the Department of Human Services to examine the application process for the Preschool Open Doors Program to ensure accessibility for all who qualify.

Your Committee received testimony in support of this measure from two individuals. Your Committee received comments on this measure from the Department of Human Services.

Your Committee finds that the Preschool Open Doors Program is a child care subsidy program through the Department of Human Services that provides statewide services to eligible low- and moderate-income families sending their children to licensed preschools prior to kindergarten. Because the application process for the Preschool Open Doors Program does not allow applications to be submitted electronically, some families are unable to apply for the program. Considering paperless or other cost-free application processes for the Preschool Open Doors Program will ensure that accessibility to the program can be reached by all who qualify.

As affirmed by the record of votes of the members of your Committee on Human Services that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 7, H.D. 1, and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Tokuda, Wakai).

SCRep. 1620 (Joint) Human Services and Commerce, Consumer Protection, and Health on H.C.R. No. 161

The purpose and intent of this measure is to request the Med-QUEST Administrator to convene a working group to evaluate the issue of complex patients who are waitlisted in hospitals because of medical or behavioral health issues and to consider solutions that include incentive or add-on payments to encourage their transfer out of hospitals and into more appropriate settings.

Your Committees received testimony in support of this measure from The Queen's Health Systems, Kaiser Permanente Hawaii, Healthcare Association of Hawaii, and Hawai'i Pacific Health. Your Committees received comments on this measure from the Department of Human Services.

Your Committees find that waitlisted patients are hospitalized individuals who have recovered sufficiently to no longer need the acute level of care that a hospital provides but who cannot be transferred to a long-term care facility because of a complex medical or behavioral health need that requires more intensive services. The intensive services needed by these patients are often too costly for long-term care facilities to provide because of the wide gap between cost of care and the reimbursement received from Medicaid, so patients remain in the hospital for many weeks or months after the appropriate date of discharge from an acute-level facility. Since long-term care facilities lack a financial incentive to assume care of individuals with complex medical issues, the reluctance of long-term care facilities to take on these patients after hospital discharge will likely worsen since the level of reimbursement will increasingly fall short of the cost of providing needed services. Therefore, it is critical to further examine this issue by considering incentives or add-on payments to the long-term care Medicaid base rate for patients with complex medical needs.

As affirmed by the records of votes of the members of your Committees on Human Services and Commerce, Consumer Protection, and Health that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 161, and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.
Human Services: Ayes, 3. Noes, none. Excused, 2 (Tokuda, Wakai).
Commerce, Consumer Protection, and Health: Ayes, 4. Noes, none. Excused, 3 (Espero, Ihara, Kidani).

SCRep. 1621 (Joint) Transportation and Energy and Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 197

The purpose and intent of this measure is to urge the Department of Transportation, in conjunction with the Department of Transportation Services, Department of Emergency Management of the City and County of Honolulu, and the Honolulu Police Department, to conduct an analysis of the roads in the Waianae Coast Emergency Access Road System.

Your Committees received testimony in support of this measure from The Maritime Group; Ho‘omana Pono, LLC; and six individuals.

Your Committees find that Farrington Highway has experienced lane closures or complete shutdowns on numerous occasions due to traffic accidents, severe weather, and other emergency conditions. In a coordinated effort between numerous departments and agencies, plans have been put in place to use existing roads as an emergency access and bypass route into the Waianae area during emergency highway closures or other emergency situations.

Your Committees further find that the Waianae Coast Emergency Access Road System consists of gated roads that are under the jurisdiction of the Department of Emergency Management of the City and County of Honolulu and can be opened when it is deemed necessary or when requested by the Honolulu Police Department. However, while use of the Waianae Coast Emergency Access Road System has provided needed relief during recent emergency situations, issues regarding the timely opening of these roads still remain. Your Committees believe that there is a critical need for an alternate route to the Waianae Coast to alleviate traffic congestion, particularly for emergency vehicles.

As affirmed by the records of votes of the members of your Committees on Transportation and Energy and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 197, and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Transportation and Energy: Ayes, 3. Noes, none. Excused, 2 (Dela Cruz, English).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 4. Noes, none. Excused, 1 (Baker).

SCRep. 1622 Economic Development, Tourism, and Technology on Gov. Msg. No. 783

Recommending that the Senate advise and consent to the nomination of the following:

COMMUNITY-BASED ECONOMIC DEVELOPMENT ADVISORY COUNCIL

GM. No. 783 RACHEL JAMES, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Ms. Rachel James to possess the requisite qualifications to be nominated to the Community-Based Economic Development Advisory Council.

Your Committee received testimony in support of the nomination for the appointment of Ms. James from the Department of Business, Economic Development, and Tourism; and three individuals.

Ms. James is the Project Manager for the Hawaii Center for Advanced Transportation Technologies, where she coordinates with community stakeholders to encourage collaborative project development and communicates with contractors to ensure timeliness of project completion, reimbursement, and compliance. Previously, Ms. James served as a member of the District Office team for Congresswoman Tulsi Gabbard. She also worked as a Housing Specialist and Intake Specialist for Catholic Charities Hawaii Supportive Services for Veteran Families Program. Ms. James earned her Juris Doctorate from the William S. Richardson School of Law at the University of Hawaii at Manoa. Ms. James is active in community and civic organizations including as a Board member, Team Lead, and Outreach Coordinator of Kuleana Microlending, and as a member of the Armed Forces Communications and Electronic Association and the Patsy Mink Center for Business and Leadership Advisory Board. Your Committee finds that Ms. James' professional experience and extensive service to the community will be assets to the Community-Based Economic Development Advisory Council.

As affirmed by the record of votes of the members of your Committee on Economic Development, Tourism, and Technology that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Baker, Thielen).

SCRep. 1623 Economic Development, Tourism, and Technology on Gov. Msg. Nos. 763, 764, 765, and 766

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DIRECTORS OF THE HAWAII STRATEGIC DEVELOPMENT CORPORATION

GM. No. 763 MICHAEL O'MALLEY, for a term to expire 06-30-2019;

GM. No. 764 ANN CHUNG, for a term to expire 06-30-2021;

GM. No. 765 CRAIG NAKANISHI, for a term to expire 06-30-2021; and

GM. No. 766 MARK TSUDA, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Mr. Michael O'Malley, Ms. Ann Chung, Mr. Craig Nakanishi, and Mr. Mark Tsuda to possess the requisite qualifications to be nominated to the Board of Directors of the Hawaii Strategic Development Corporation.

MICHAEL O'MALLEY

Your Committee received testimony in support of the nomination for the appointment of Mr. Michael O'Malley from the Hawaii Strategic Development Corporation, SanHi Government Strategies, and one individual.

Mr. O'Malley is an attorney practicing civil litigation at Goodill Anderson Quinn & Stifel. He received a Juris Doctor degree from Harvard Law School and a Bachelor of Arts degree from Claremont-McKenna College. In his legal practice, Mr. O'Malley represents for profit, nonprofit and health care clients in their initial organization and structuring, business dealings, infrastructure, capital and other financings, regulatory compliance, tax planning and proceedings before tax authorities, and addressing issues of corporate governance and fiduciary duty. Mr. O'Malley is also an active member of numerous professional and civic activities including the American Bar Association, American Health Lawyers Association, and Healthcare Association of Hawaii, and is the Chair of the Kapiolani Health Foundation and Hawaii Dental Service. Your Committee finds that Mr. O'Malley's professional background, legal knowledge, and commitment to public engagement, especially his involvement with start-up mentorship through Hawaii Business and Entrepreneur Acceleration Mentors, will be assets to the Hawaii Strategic Development Corporation.

ANN CHUNG

Your Committee received testimony in support of the nomination for the reappointment of Ms. Ann Chung from the High Technology Development Corporation, Hawaii Strategic Development Corporation, Chamber of Commerce Hawaii, Maritime Group, and nine individuals.

Ms. Chung is the Director of Special Projects at Navatek Ltd. She has previously served as the Director of Economic Development with the Office of the Mayor of the City and County of Honolulu. Prior to her service at the Office of the Mayor, she was the Vice President of the Hawaii Science & Technology Council and the Executive Director of the Hawaii Technology Trade Association. Ms. Chung is also an active member on community boards, including serving as a board member of the Honolulu Festival Foundation and Hawaii Medical Service Association Board, as well as a member of the Education Committee of the Chamber of Commerce Hawaii. Ms. Chung has served on the Board of Directors of the Hawaii Strategic Development Corporation since 2015. Your Committee finds that Ms. Chung's leadership experience, government service, and vast community service will greatly contribute to the Hawaii Strategic Development Corporation.

CRAIG NAKANISHI

Your Committee received testimony in support of the nomination for the reappointment of Mr. Craig Nakanishi from the High Technology Development Corporation, Hawaii Strategic Development Corporation, and two individuals.

Mr. Nakanishi is an attorney and partner with Cades Schutte LLP, where he chairs the energy and public utilities practice area. Prior to working at Cades Schutte, he was an attorney and partner for twelve years at Rush Moore LLP, where he concentrated in the areas of energy, public utilities, and business and real property transactions. Mr. Nakanishi is licensed to practice in Hawaii and California and has been named in the annual Best Lawyers in America - Energy since 2008. He is a graduate of the University of Hawaii and holds a Juris Doctorate from the University of California at Davis. Mr. Nakanishi is a current member of the Board of Directors of the Hawaii Strategic Development Corporation and served for nearly eight years on the Board of Directors of the High Technology Development Corporation. Together, these experiences provided Mr. Nakanishi with insights into the programmatic support and capital funding needs for innovation, economic growth, and job creation in Hawaii. Your Committee finds that Mr. Nakanishi's professional experience and prior involvement with innovation and economic growth in Hawaii will be assets to the Hawaii Strategic Development Corporation.

MARK TSUDA

Your Committee received testimony in support of the nomination for the appointment of Mr. Mark Tsuda from the Hawaii Strategic Development Corporation.

Mr. Tsuda is the Chief Executive Officer at Jams World/Surf Line Hawaii Ltd. Previously, he served as the Vice President of Spa Operations at The Blackstone Group, the Regional Vice President of Sales and Marketing at Mandara Spa LLC, and the Area Director of Sales and Marketing at Aston Hotels & Resorts. He received his Bachelors of Business Administration and Travel Industry Management from the University of Hawaii at Manoa. Mr. Tsuda indicates in his personal statement that, as a Board member of the Hawaii Strategic Development Corporation, he would like to help create awareness of opportunities for start-ups and investors within Hawaii and facilitate development of these start-ups in cooperation with private investment. Your Committee finds that Mr. Tsuda's professional and managerial experience will contribute to the Hawaii Strategic Development Corporation.

As affirmed by the records of votes of the members of your Committee on Economic Development, Tourism, and Technology that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Baker, Thielen).

SCRep. 1624 Human Services on Gov. Msg. Nos. 735, 736, 737, 738, and 739

Recommending that the Senate advise and consent to the nominations of the following:

STATE REHABILITATION COUNCIL

- G.M. No. 735 DEBORAH KOBAYAKAWA, for a term to expire 06-30-2019;
 G.M. No. 736 SCOTT NISHIMOTO, for a term to expire 06-30-2021;
 G.M. No. 737 CHRISTINA PASCUA, for a term to expire 06-30-2019;
 G.M. No. 738 DIANE TERADA, for a term to expire 06-30-2020; and
 G.M. No. 739 CHRISTINA TYDEMAN, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and personal statements submitted by the nominees and finds Deborah Kobayakawa, Scott Nishimoto, Christina Pascua, Diane Terada, and Christina Tydeman to possess the requisite qualifications to be nominated to the State Rehabilitation Council.

DEBORAH KOBAYAKAWA

Your Committee received testimony in support of Deborah Kobayakawa from one individual.

Your Committee finds that Ms. Kobayakawa's professional and personal experiences also qualify her to serve on the State Rehabilitation Council. Ms. Kobayakawa is presently employed at Heart to Heart Parent Consulting and Goodwill Industries of Hawaii. She has also been employed at the Learning Disabilities Association of Hawaii, Queen Lili'uokalani School, Heeia Elementary School, and Holualoa Elementary School. Your Committee notes that Ms. Kobayakawa is active in the community as a Parent Volunteer for the Learning Disabilities Association of Hawaii, Member of the Windward Community Children's Council, and Special Olympics Hawaii Windward Area Ohana Task Force Coordinator. Ms. Kobayakawa indicated in her personal statement that, if appointed, she hopes to collaborate with other state agencies that support the disability community to identify some of the obstacles and challenges that individuals with disabilities face when seeking employment. Your Committee therefore recommends that Ms. Kobayakawa be appointed to the State Rehabilitation Council based on her professional experience and willingness to serve the community.

SCOTT NISHIMOTO

Your Committee received testimony in support of Scott Nishimoto from one individual.

Your Committee finds that Mr. Nishimoto's professional experience qualifies him to serve on the State Rehabilitation Council. Mr. Nishimoto is presently the Vice President of Workforce Development and Community Relations for Abilities Unlimited, which focuses on providing community-based services for individuals with disabilities. His duties include managing various programs, engaging the community in supporting individuals with disabilities, and partnering with various for-profit and non-profit organizations. Mr. Nishimoto received a Juris Doctorate from the William S. Richardson School of Law and a Bachelor of Arts in English at the University of Hawaii at Manoa. Upon review of the testimony, Mr. Nishimoto demonstrates his high vested interest in ensuring the betterment of those in the community around him through his involvement in various community service organizations. Your Committee therefore recommends Mr. Nishimoto be appointed to the State Rehabilitation Council based on his professional experience and dedication to public service.

CHRISTINA PASCUA

Your Committee received no testimony on this nominee.

Your Committee finds that Ms. Pascua's professional background in education qualifies her to serve on the State Rehabilitation Council. Ms. Pascua is presently a Care Coordinator at Kapolei High School, where she, among other things, reviews, renews, and creates individualized educational plans and conducts individualized educational plan meetings annually for every student on caseload. In the past, Ms. Pascua served as a Transition Coordinator at Kapolei High School and Employment/Education Counselor and Direct Support Worker for Winners at Work. Ms. Pascua is active in the community as a motivational speaker at various school, company, and organization events. Your Committee therefore recommends Ms. Pascua be appointed to the State Rehabilitation Council based on her passion as an educator and commitment to serving the community.

DIANE TERADA

Your Committee received testimony in support of Diane Terada from Catholic Charities Hawai'i.

Your Committee finds that Ms. Terada's knowledge on the needs and strengths of elders and persons with disabilities also qualify her to serve on the State Rehabilitation Council. Ms. Terada is presently the Division Administrator at Catholic Charities Hawai'i, overseeing the Community and Senior Services Division. She has also served as the Executive Director at Hawaii Meals on Wheels, Inc., and Program Director at Catholic Charities Hawai'i. Ms. Terada earned a Master of Social Work and Bachelor of Science from the University of Hawaii at Manoa, and is a licensed social worker in the State. Ms. Terada is active in the community as she serves on the No Wrong Door Advisory Committee and is a member of the National Association of Social Workers and Academy of Certified Social Workers. Your Committee therefore recommends Ms. Terada be appointed to the State Rehabilitation Council based on her professional expertise, as well as her willingness to serve the community.

CHRISTINA TYDEMAN

Your Committee received no testimony on this nominee.

Your Committee finds that Dr. Tydeman's experience as an educator working with students with a variety of special needs qualifies her to serve on the State Rehabilitation Council. Dr. Tydeman is presently the Director of the Department of Education's Monitoring, Accountability, and Compliance Office, where, among other duties, she serves as the State Director of Special Education. In the past, Dr. Tydeman served as the Associate Dean of Accreditation for the School of Education and Counseling Psychology and Director of the teacher preparation program at Dominican University of California. Dr. Tydeman earned a Doctor of Philosophy in Educational

Psychology from the University of Hawaii, a Master of Science in Curriculum and Instruction from Dominican College, and a Bachelor of Arts in Speech and Drama from California State University, Chino. Your Committee therefore recommends Dr. Tydeman be appointed to the State Rehabilitation Council based on her professional background as an educator, as well as her demonstration of leadership and organizational managements skills.

As affirmed by the records of votes of the members of your Committee on Human Services that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Tokuda, Wakai).

SCRep. 1625 Agriculture and Environment on Gov. Msg. Nos. 767 and 768

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DIRECTORS OF THE AGRIBUSINESS DEVELOPMENT CORPORATION

G.M. No. 767 SANDRA KLUTKE, for a term to expire 06-30-2021; and

G.M. No. 768 DOUGLAS SCHENK, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Sandra Klutke and Douglas Schenk to possess the requisite qualifications to be nominated for reappointment to the Board of Directors of the Agribusiness Development Corporation.

SANDRA KLUTKE

Your Committee received testimony in support of the nomination for the reappointment of Ms. Sandra Klutke from the Department of Agriculture; Agribusiness Development Corporation; Hawaii Agriculture Research Center; Maui County Farm Bureau; Hawaii Crop Improvement Association; Hawaii Cattlemen's Council, Inc.; Hawaii Coffee Association; Hawai'i Farm Bureau; Ponoholo Ranch, Limited; and seventeen individuals.

Upon review of the testimony, your Committee finds that Ms. Klutke's professional experience and background in the hospitality industry and as an agriculture advocate also qualify her to be nominated for reappointment to the Board of Directors of the Agribusiness Development Corporation. Your Committee notes that Ms. Klutke is the owner of Ti Leaf & Taro, which produces specialty agricultural products for sale at the Kauai Farm Bureau Farmers' Markets, and the former General Manager of Aston Islander on the Beach and ResortQuest at Poipu Kai. She serves on the Hawaii Lodging & Tourism Association, Kauai Chamber of Commerce, and Kauai Farm Bureau, and has served on the Board of Directors of the Agribusiness Development Corporation for the past four years. Based on her knowledge, experience, and commitment to public service, your Committee finds that Ms. Klutke will continue to be an asset to the Board of Directors of the Agribusiness Development Corporation.

DOUGLAS SCHENK

Your Committee received testimony in support of the nomination for the reappointment of Mr. Douglas Schenk from the Department of Agriculture; Agribusiness Development Corporation; Hawaii Agriculture Research Center; Hawaii Cattlemen's Council, Inc.; Hawaii Coffee Association; Maui County Farm Bureau; Hawai'i Farm Bureau; Ponoholo Ranch, Limited; and four individuals.

Upon review of the testimony, your Committee finds that Mr. Schenk's professional experience and background in the pineapple industry also qualify him to be nominated for reappointment to the Board of Directors of the Agribusiness Development Corporation. Your Committee notes that Mr. Schenk is a Partner in the Hali'imaile Pineapple Company, Limited and previously worked for Maui Land and Pineapple Company, Inc., for several decades. He serves on the Board of Directors of the Maui Federal Credit Union and has served on the Board of Directors of the Agribusiness Development Corporation for the past four years. Based on his knowledge, experience, and commitment to public service, your Committee finds that Mr. Schenk will continue to be an asset to the Board of Directors of the Agribusiness Development Corporation.

As affirmed by the records of votes of the members of your Committee on Agriculture and Environment that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Nishihara, Ruderman).

SCRep. 1626 Agriculture and Environment on Gov. Msg. Nos. 810, 811, and 812

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF AGRICULTURE

G.M. No. 810 VINCENT MINA, for a term to expire 06-30-2020;

G.M. No. 811 RANDOLPH CABRAL, for a term to expire 06-30-2021; and

G.M. No. 812 GLENN HONG, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Vincent Mina, Randolph Cabral, and Glenn Hong to possess the requisite qualifications to be nominated to the Board of Agriculture.

VINCENT MINA

Your Committee received testimony in support of the nomination for the appointment of Vincent Mina from the Department of Agriculture; National Farmers Union; Hawai'i Farm Bureau; Hawaii Island School Garden Network, The Kohala Center; Ulupono Initiative; Kipahulu Ohana, Inc.; Down to Earth Organic & Natural; TOTUS; Smart Tax Solutions LLC; and five individuals.

Upon review of the testimony, your Committee finds that Mr. Mina's experience and background in commercial farming also qualify him to be nominated for appointment to the Board of Agriculture. Your Committee notes that Mr. Mina is the co-owner and co-founder of Kahanu 'Āina Greens LLC, a small local farm that produces five hundred pounds of baby greens a week, serves as the President of Hawaii Farmers Union United, and chairs the National Farmers Union Committee on Renewable Agriculture and Local Foods. He is experienced in soil remediation techniques and uses a whole-system approach to agriculture. Based on his knowledge, experience, and commitment to public service, your Committee finds that Mr. Mina will be an asset to the Board of Agriculture.

RANDOLPH CABRAL

Your Committee received testimony in support of the nomination for the appointment of Randolph Cabral from the Department of Agriculture; Hawaii Agriculture Research Center; Ulupono Initiative; Hawaii Coffee Association; Hawai'i Farm Bureau; Hawaii Cattlemen's Council, Inc.; Maui County Farm Bureau; Hawaii Crop Improvement Association; PonoHolo Ranch, Limited; and fifty individuals.

Upon review of the testimony, your Committee finds that Mr. Cabral's professional experience and background in orchard and vegetable crop, sugar, and livestock production also qualify him to be nominated for appointment to the Board of Agriculture. Your Committee notes that Mr. Cabral recently retired from the role of Senior Vice-President of Royal Hawaiian Orchards, currently operates a small ranch on the Big Island, and serves as the President of the Hawai'i Farm Bureau. He also serves as a member of the Agricultural Leadership Foundation of Hawai'i, Hawaii Macadamia Nut Association, Hawaii Cattlemen's Association, and is a founding member of Kino'ole Farmers Market. Based on his knowledge, experience, and commitment to public service, your Committee finds that Mr. Cabral will be an asset to the Board of Agriculture.

GLENN HONG

Your Committee received testimony in support of the nomination for the reappointment of Glenn Hong from the Department of Agriculture; Hawaii Agriculture Research Center; Hawaii Cattlemen's Council, Inc.; Hawaii Coffee Association; Hawai'i Farm Bureau; Maui County Farm Bureau; The Maritime Group, LLC; PonoHolo Ranch, Limited; and fourteen individuals.

Upon review of the testimony, your Committee finds that Mr. Hong's professional experience and background in inter-island shipping and transportation also qualify him to be nominated for reappointment to the Board of Agriculture. Your Committee notes that Mr. Hong is the President of Hawaiian Tug & Barge and Young Brothers, Limited, an inter-island cargo common carrier. He serves as Chair of the Hawaii Harbors Users Group, Board Member of the American Red Cross-Hawaii State Chapter, member of the Hawaii Business Roundtable and The 200 Club of Honolulu, and member-at-large on the Board of Agriculture. Based on his knowledge, experience, and commitment to public service, your Committee finds that Mr. Hong will continue to be an asset to the Board of Agriculture.

As affirmed by the records of votes of the members of your Committee on Agriculture and Environment that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Nishihara, Ruderman).

SCRep. 1627 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 689 and 690

Recommending that the Senate advise and consent to the nominations of the following:

STATE BOARD OF PUBLIC ACCOUNTANCY

G.M. No. 689 DARRYL KOMO, for a term to expire 06-30-2021; and

G.M. No. 690 CARLETON WILLIAMS, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Darryl Komo and Carleton Williams to possess the requisite qualifications to be nominated for reappointment to the State Board of Public Accountancy.

DARRYL KOMO

Your Committee received testimony in support of the nomination for the reappointment of Darryl Komo from the Department of Commerce and Consumer Affairs and one individual.

Upon review of the testimony, your Committee finds that Mr. Komo's background, knowledge, and proven leadership on the State Board of Public Accountancy also qualify him to be nominated for reappointment to the State Board of Public Accountancy as a licensed and actively practicing Certified Public Accountant member. Your Committee notes that Mr. Komo has been licensed as a Certified Public Accountant in Hawaii since 1977 and is a Principal at Robert H.Y. Leong & Company, CPAs, Inc., where he has worked for over thirty years. Mr. Komo is also extremely active within his profession and has held various leadership positions in the Hawaii Association of Public Accountants and Hawaii Society of Certified Public Accountants. Your Committee further finds that Mr. Komo has been a member of the State Board of Public Accountancy since September 2013 and currently serves as the Board's Vice-Chairperson, where the insights he has gained from his years of experience in certified public accounting continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Komo be reappointed to the State Board of Public Accountancy based on his experience, knowledge, and commitment to public service.

CARLETON WILLIAMS

Your Committee received testimony in support of the nomination for the reappointment of Carleton Williams from the Department of Commerce and Consumer Affairs, Board of Directors of the Hawaii Society of Certified Public Accountants, The Salvation Army Hawaiian & Pacific Islands Division, Pineapple Tweed Public Relations & Marketing, and three individuals.

Upon review of the testimony, your Committee finds that Mr. Williams' knowledge, background, and proven leadership on the State Board of Public Accountancy also qualify him to be nominated for reappointment to the State Board of Public Accountancy as a licensed and actively practicing Certified Public Accountant member. Your Committee notes that Mr. Williams has been licensed as a Certified Public Accountant in Hawaii since 1977 and is the Founding Partner of CW Associates – A Hawaii Certified Public Accounting Corporation. Mr. Williams also serves as a member of the Accounting Advisory Committees at the University of Hawai'i Shidler College of Business and Kapi'olani Community College and has held leadership positions in a variety of organizations, including the Hawaii Society of Certified Public Accountants, The Pacific Club, and The Salvation Army Honolulu Advisory Board. Your Committee further finds that Mr. Williams has served on the State Board of Public Accountancy since 2013 and his professional expertise continues to be invaluable to the deliberations of the Board. Your Committee therefore recommends that Mr. Williams be reappointed to the State Board of Public Accountancy based on his background, experience, and dedication to serving his community.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1628 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 699 and 700

Recommending that the Senate advise and consent to the nominations of the following:

EMERGENCY MEDICAL SERVICES ADVISORY COMMISSION

- G.M. No. 699 ELIZABETH CHAR, for a term to expire 06-30-2021; and
G.M. No. 700 ALAN KIMURA, for a term to expire 06-30-2020

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Elizabeth Char and Alan Kimura to possess the requisite qualifications to be nominated for reappointment to the Emergency Medical Services Advisory Commission.

ELIZABETH CHAR

Your Committee received testimony in support of the nomination for the reappointment of Elizabeth Char from the Department of Health, American Medical Response, and three individuals.

Dr. Char is currently a physician with The Queen's Health Care Centers, Medical Director for American Medical Response Hawaii, and Medical Director for the Honolulu and Kauai Fire Departments. Your Committee finds that Dr. Char has twenty years of experience as an emergency physician and has focused her career on pre-hospital emergency care. Dr. Char previously served as Director of the Emergency Services Department for the City and County of Honolulu and as the Director of Medical Education for the Emergency Department at The Queen's Medical Center. Your Committee notes that Dr. Char is involved in numerous community activities, serving as Chair of the Oahu Board of Directors of the American Heart Association and as a member of the Hawaii Stroke Task Force and Hawaii Trauma Advisory Committee. Dr. Char is the current Chair of the Emergency Medical Services Advisory Commission and has been a member since 2012. Your Committee finds that Dr. Char's extensive experience in emergency medicine, efforts to make the Commission interactive and collaborative, and deep commitment to public service qualify her for reappointment to the Commission.

ALAN KIMURA

Your Committee received testimony in support of the nomination for the reappointment of Alan Kimura from the Department of Health, American Medical Response, and one individual.

Mr. Kimura previously served the State Health Planning and Development Agency for eight years. In his personal statement, Mr. Kimura indicated that he hopes to educate consumers about changes and new procedures because the medical field is always evolving. Your Committee finds that Mr. Kimura is an active member of his community, serving as a coach for a multitude of sports for ten years. Your Committee notes that Mr. Kimura has served as a member of the Emergency Medical Services Advisory Commission since 2012 and has a thorough understanding of the role and responsibilities of commission members. Your Committee finds that Mr. Kimura's knowledge, experience, and community involvement qualify him for reappointment to the Commission.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1629 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 701 and 702

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF CERTIFICATION OF PUBLIC WATER SYSTEM OPERATORS

G.M. No. 701 MARK PRESCOTT, for a term to expire 06-30-2020; and

G.M. No. 702 JODI YAMAMI, for a term to expire 06-30-2020

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Mark Prescott and Jodi Yamami to possess the requisite qualifications to be nominated for appointment to the Board of Certification of Public Water System Operators.

MARK PRESCOTT

Your Committee received testimony in support of the nomination for the appointment of Mark Prescott from the Department of Health, Pūlama Lānaʻi, and one individual.

Mr. Prescott is presently the owner and operator of the Hawaiian Beaches Water Company's small water system on the Island of Hawaii. Your Committee finds that Mr. Prescott has over eleven years of experience in the drinking water industry and has managed numerous major water system improvements that included a new well installation, meter retrofit program, back-up generator installation, and reservoir replacement. In addition, Mr. Prescott is certified as a Distribution System Operator and Water Treatment Plan Operator and is the Operator in Responsible Charge for two water systems. Your Committee further finds that Mr. Prescott is familiar with the daily operations of water systems at all levels, from basic repairs to compliance sampling. Your Committee notes that Mr. Prescott is active in his community as a volunteer soccer coach for multiple soccer clubs. In his personal statement, Mr. Prescott indicated that he hopes to ensure that only qualified applicants become certified to safely operate public water systems. Your Committee finds that Mr. Prescott's background, professional expertise, and community involvement will be very beneficial to the Board.

JODI YAMAMI

Your Committee received testimony in support of the nomination for the appointment of Jodi Yamami from the Department of Health and two individuals.

Ms. Yamami is currently an Engineer with the Department of Health's Safe Drinking Water Branch, a role in which she is responsible for the implementation and administration of the drinking water treatment plant operator and distribution system operator certification programs. Your Committee finds that Ms. Yamami has over twenty years of professional experience as an engineer and has gained much experience working with operators by renewing certifications, providing technical assistance, developing and conducting training, and many other critical services related to the operation of public water systems. In her personal statement, Ms. Yamami indicated that she hopes to ensure that only capable and responsible operators become certified in Hawaii to safeguard the community's water systems. Your Committee notes that Ms. Yamami has served two previous terms as a member of the Board of Certification of Public Water System Operators and has a thorough understanding of the role and responsibilities of board members. Your Committee finds that Ms. Yamami's professional experience, knowledge, and previous service on the Board will be great assets to the Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1630 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 704 and 706

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF PHARMACY

G.M. No. 704 KENNETH VANDENBUSSCHE, for a term to expire 06-30-2021; and

G.M. No. 706 MARY JO KEEFE, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Kenneth VandenBussche and Mary Jo Keefe to possess the requisite qualifications to be nominated to the Board of Pharmacy.

KENNETH VANDENBUSSCHE

Your Committee received testimony in support of the nomination for the appointment of Kenneth VandenBussche from the Department of Commerce and Consumer Affairs and four individuals.

Upon review of the testimony, your Committee finds that Mr. VandenBussche's knowledge, experience, and commitment to public service qualify him to be nominated for appointment to the Board of Pharmacy as a licensee member representing Kauai County. Your Committee notes that Mr. VandenBussche has been a licensed pharmacist in Hawaii for over twenty years, has managed pharmacy operations for a number of large providers on Kauai, and is currently the Pharmacy Manager for Costco Wholesale's Lihue, Kauai, location. Mr. VandenBussche is also a Board Certified Ambulatory Care Pharmacist with prior experience as a consultant pharmacist and in long-term care and inpatient pharmacy settings. Your Committee further finds that Mr. VandenBussche has a thorough understanding of the role and responsibilities of board members and his professional experience as a large operations manager and customer service leader will be an asset to the workings of the Board of Pharmacy. Your Committee therefore recommends that Mr. VandenBussche be appointed to the Board of Pharmacy based on his experience, background, and dedication to serving his community.

MARY JO KEEFE

Your Committee received testimony in support of the nomination for the reappointment of Mary Jo Keefe from the Department of Commerce and Consumer Affairs and two individuals.

Upon review of the testimony, your Committee finds that Ms. Keefe's background, knowledge, and proven leadership on the Board of Pharmacy qualify her to be nominated for reappointment to the Board of Pharmacy as a licensee member representing Maui County. Your Committee notes that Ms. Keefe has been a registered pharmacist for over forty years and is currently a Staff Pharmacist at PharMerica/Wailuku, a pharmacy that primarily serves long-term care facilities and skilled nursing facilities. Ms. Keefe also has extensive experience in the retail and long-term care pharmacy practice settings and is experienced in sterile and non-sterile pharmacy compounding. Your Committee further finds that Ms. Keefe has been a member of the Board of Pharmacy since July 2013 and represents the Board at various conferences and annual meetings of the National Association of Boards of Pharmacy, and her extensive professional experience continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Ms. Keefe be reappointed to the Board of Pharmacy based on her experience, background, and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1631 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 585, 586, 587, 588, 589, and 590

Recommending that the Senate advise and consent to the nominations of the following:

EMERGENCY MEDICAL SERVICES ADVISORY COMMITTEE

- G.M. No. 585 CODY BONILLA, for a term to expire 06-30-2019;
- G.M. No. 586 ERIC ISHIDA, for a term to expire 06-30-2020;
- G.M. No. 587 GERALD WRIGHT, for a term to expire 06-30-2020;
- G.M. No. 588 JOSEPH HEW, for a term to expire 06-30-2020;
- G.M. No. 589 KARLSON PUNG, for a term to expire 06-30-2019; and
- G.M. No. 590 MICHAEL HAYASHI, for a term to expire 06-30-2020

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Cody Bonilla, Eric Ishida, Gerald Wright, Joseph Hew, Karlson Pung, and Michael Hayashi to possess the requisite qualifications to be nominated to the Emergency Medical Services Advisory Committee.

CODY BONILLA

Your Committee received testimony in support of the nomination of Cody Bonilla for reappointment from the Department of Health and two individuals.

Mr. Bonilla currently serves as a Mobile Intensive Care Technician and Injury Prevention Coordinator for American Medical Response. In his role as a Mobile Intensive Care Technician, Mr. Bonilla provides competent medical attention for the County of Kauai in various situations, including medical emergencies, controlled medical transports, medical standbys, and community events. Your Committee finds that Mr. Bonilla is an active community member and is former Vice President and former President of the Kauai Paramedic Association. Additionally, Mr. Bonilla volunteers with assisting youth sports leagues. Your Committee notes that Mr. Bonilla has served on the Emergency Medical Services Advisory Committee since 2014 and has a thorough understanding of the role and responsibilities of committee members. Your Committee finds that Mr. Bonilla's professional leadership, paramedic experience, and community service qualify him for reappointment to the Committee.

ERIC ISHIDA

Your Committee received testimony in support of the nomination of Eric Ishida for reappointment from the Department of Health and two individuals.

Mr. Ishida currently works for American Medical Response as a Mobile Intensive Care Technician and Ambulance Station Supervisor. Your Committee finds that Mr. Ishida has thirty-two years of experience working as an emergency medical services provider, including roles as an emergency medical technician, paramedic, air ambulance medic, and emergency room registered nurse. In his personal statement, Mr. Ishida indicated that he hopes to expand the use of community paramedicine in Hawaii to help reduce the number of emergency room visits and 911 calls. Your Committee notes that Mr. Ishida has served on the Emergency Medical Services Advisory Committee since 2012 and has a thorough understanding of the role and responsibilities of committee members. Your Committee finds that Mr. Ishida's knowledge, emergency medical services experience, and role as a resident of the County of Kauai qualify him for reappointment to the Committee.

GERALD WRIGHT

Your Committee received testimony in support of the nomination of Gerald Wright for appointment from the Department of Health and two individuals.

Mr. Wright presently works for American Medical Response as a Mobile Intensive Care Technician and Operations Team Leader at the Hana ambulance station. Your Committee finds that Mr. Wright has over twenty-five years of experience with the Maui and Hawaii emergency medical services community, including work with the Hana Medical Center, Hawaii Air Ambulance as a flight medic, and American Medical Response as a county Safety Officer. Your Committee notes that Mr. Wright served as President of the Maui County Paramedics Association for two years and has experience as a contract negotiator and teacher. In his personal statement, Mr. Wright indicated that he hopes to improve aeromedical services and the communications systems that affect emergency medical services, particularly in rural areas. Your Committee finds that Mr. Wright's experience, skills, and familiarity with emergency medical services on Maui will greatly benefit the Committee.

JOSEPH HEW

Your Committee received testimony in support of the nomination of Joseph Hew for appointment from the Department of Health and three individuals.

Dr. Hew is a retired gastroenterologist and long-time resident of Maui. According to testimony, Dr. Hew is very knowledgeable about Hawaii's unique medical needs. Your Committee finds that Dr. Hew has been an active member in the medical community and has served on various committees to address issues including quality of care, fraud and abuse, accreditation, and utilization of hospital resources. Your Committee notes that Dr. Hew was closely involved with improving communications, response time, and gastroenterology emergency services at Maui Memorial Medical Center. In his personal statement, Dr. Hew indicated that he hopes to advance the scope, quality, and accessibility of emergency medical services in Hawaii, particularly in case of a large-scale emergency. Your Committee finds that Dr. Hew's knowledge, leadership experience, and commitment to quality medical care will be assets to the Committee.

KARLSON PUNG

Your Committee received testimony in support of the nomination of Karlson Pung for appointment from the Department of Health and four individuals.

Mr. Pung is currently the Operations Manager for Hawaii County at American Medical Response, where he plays a key role in employee relations and is a liaison between American Medical Response and the Hawaii County Fire Department. Your Committee finds that Mr. Pung has close to twenty-seven years of experience in the emergency medical services industry and has served in a management role for much of that time while still working occasionally in the field as a paramedic. Mr. Pung is an involved community member and has coordinated local disaster response as well as served on the State Health Planning and Development Agency Sub-Area Council Board. Your Committee notes that Mr. Pung was also appointed to the Emergency Medical Services Advisory Committee in 2011 and fully understands the role and responsibilities of committee members. Your Committee finds that Mr. Pung's knowledge of the emergency medical services system in Hawaii, as well as his demonstrated commitment to public service, will be assets to the Committee.

MICHAEL HAYASHI

Your Committee received testimony in support of the nomination of Michael Hayashi for appointment from the Department of Health, Kapi'olani Medical Center for Women and Children, and two individuals.

Dr. Hayashi is the Trauma Medical Director and a Board Certified Surgical Intensivist practicing at The Queen's Medical Center. Your Committee finds that Dr. Hayashi is an established surgeon with experience in acute care, trauma, and critical care. Your Committee notes that Dr. Hayashi serves on the Hawaii Trauma Advisory Council and is actively involved with numerous committees at The Queen's Medical Center as well as the Surgical Residency Program at the University of Hawaii John A. Burns School of Medicine. Dr. Hayashi also volunteers with career programs and health fairs at various local schools, and at the Legislative Health Fair at the Hawaii State Capitol. In his personal statement, Dr. Hayashi indicated that he hopes to provide valuable insight into trauma care and trauma services in Hawaii. Your Committee finds that Dr. Hayashi's medical knowledge, trauma care experience, and dedication to serving the community will be very beneficial to the Committee.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Espero, Ihara, Ruderman).

SCRep. 1632 Commerce, Consumer Protection, and Health on Gov. Msg. No. 639

Recommending that the Senate advise and consent to the nomination of the following:

STATE COUNCIL ON MENTAL HEALTH

G.M. No. 639 BEATRICE MARTINEZ, for a term to expire 06-30-2019

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Beatrice Martinez to possess the requisite qualifications to be nominated to the State Council on Mental Health.

Your Committee received testimony in support of the nomination of Beatrice Martinez from the Department of Health, Hawaii Public Housing Authority, and two individuals.

Ms. Martinez currently serves as a Resident Services Program Specialist for the Hawaii Public Housing Authority and works with the Resident Advisory Board to effect policy changes and advocate for public housing tenants statewide. Your Committee finds that Ms. Martinez has thirteen years of experience working with housing and homeless programs in Hawaii and is familiar with program

development, contract monitoring, and coordinated service delivery. Your Committee notes that Ms. Martinez also worked for many years at the Adult Mental Health Division of the Department of Health and has extensive knowledge of case management and other areas related to the needs of the mental health community. In her personal statement, Ms. Martinez indicated that she hopes to be a voice for individuals with housing challenges, help bridge gaps in mental health services, and have a positive impact on the continuity of care for consumers. Your Committee finds that Ms. Martinez's knowledge, professional experience, and demonstrated commitment to helping underserved communities will be assets to the State Council on Mental Health.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Ihara, Kidani).

SCRep. 1633 Commerce, Consumer Protection, and Health on Gov. Msg. No. 640

Recommending that the Senate advise and consent to the nomination of the following:

HEALTH PLANNING COUNCIL, WINDWARD O'AHU SUBAREA

G.M. No. 640 CHRISTOPHER SIBLEY, for a term to expire 06-30-2020

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Christopher Sibley to possess the requisite qualifications to be nominated for reappointment to the Health Planning Council, Windward Oahu Subarea.

Your Committee received testimony in support of the nomination of Christopher Sibley for reappointment from the State Health Planning and Development Agency and The Queen's Medical Center.

Mr. Sibley currently serves as the Vice President of Alert Alarm Hawaii and has many years of experience in healthcare finance, policy development, market analysis, rate view, underwriting, and other areas of healthcare management. Previously, Mr. Sibley was the President of the Retina Institute Management Inc., Chief Financial Officer for the Retina Institute of Hawaii, and Business Planning Manager for the Hawaii Medical Service Association. Your Committee finds that Mr. Sibley is very actively engaged in the community, serving as chair of the American Cancer Society Relay for Life, past President and Treasurer of Rotary Club of Honolulu Sunrise, and past President of Friends of Lyon Arboretum. In his personal statement, Mr. Sibley indicated that he hopes to assist the Council with updating the Health Services and Facilities Plan as well as an all payer claims database. Your Committee notes that Mr. Sibley has been serving as a member of the Health Planning Council, Windward Oahu Subarea for many years, including as the current Chair, and has a thorough understanding of the role and responsibilities of council members. Your Committee finds that Mr. Sibley's personal background, professional experience, and demonstrated commitment to public service qualify him for reappointment to the Council.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Ihara, Kidani).

SCRep. 1634 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 641 and 642

Recommending that the Senate advise and consent to the nominations of the following:

HEALTH PLANNING COUNCIL, WEST O'AHU SUBAREA

G.M. No. 641 FREDERICK SHAW, for a term to expire 06-30-2021; and

G.M. No. 642 ANDREW ANCHETA, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Frederick Shaw and Andrew Ancheta to possess the requisite qualifications to be nominated for reappointment to the Health Planning Council, West Oahu Subarea.

FREDERICK SHAW

Your Committee received testimony in support of the nomination of Frederick Shaw for reappointment from the State Health Planning and Development Agency, Kaiser Permanente, and three individuals.

Mr. Shaw currently serves as Senior Analyst of Medical Economics at Kaiser Permanente. Mr. Shaw has over thirty years of experience in healthcare finance, administration, and analytics, and previously worked as a Financial Analyst for Kaiser Permanente as well as in information technology and finance positions at AlohaCare, Hawaii Medical Service Association, and Waianae Coast Comprehensive Health Center. Your Committee notes that Mr. Shaw is an active community member and has held leadership positions in many organizations, especially on the Waianae Coast, including the Waianae Coast Community Mental Health Center, Waianae Coast Coalition for Human Services, Native Hawaiian Health Care Act Oahu Planning Committee, and the Statewide Health Coordinating Council. In his personal statement, Mr. Shaw indicated that he hopes to help provide independent evaluation of certificate of need applications and assist with the health services and facilities plan. Your Committee notes that Mr. Shaw has been serving as a member of the Health Planning Council, West Oahu Subarea since 2014 and also served previously. Your Committee

finds that Mr. Shaw's knowledge, leadership experience, and commitment to public service qualify him for reappointment to the Council.

ANDREW ANCHETA

Your Committee received testimony in support of the nomination of Andrew Ancheta for reappointment from the State Health Planning and Development Agency, Department of Health, and four individuals.

Mr. Ancheta serves as Operations Manager of American Medical Response for Oahu County and is an Emergency Medical Technician. Your Committee notes that Mr. Ancheta has over twenty years of experience in emergency medical services and currently is responsible for overseeing the American Medical Response's Communication Center. Mr. Ancheta has additional healthcare experience, including his previous work as a Clinical Research Coordinator for Radiant Research. Your Committee finds that Mr. Ancheta has demonstrated a dedication to public service, as evidenced by his service on the Statewide Health Coordinating Council and Hawaii Stroke Coalition. Your Committee notes that Mr. Ancheta has served on the Health Planning Council, West Oahu Subarea since 2013 and has a thorough understanding of the role and responsibilities of council members. In his personal statement, Mr. Ancheta indicated that he hopes to be part of the solution to decrease rising healthcare costs in the State. Your Committee finds that Mr. Ancheta's background, emergency medical services experience, and clear commitment to the community qualify him for reappointment to the Council.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Ihara, Kidani).

SCRep. 1635 Commerce, Consumer Protection, and Health on Gov. Msg. No. 643

Recommending that the Senate advise and consent to the nomination of the following:

HEALTH PLANNING COUNCIL, TRI-ISLE SUBAREA

G.M. No. 643 KATHLEEN HAGAN, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Kathleen Hagan to possess the requisite qualifications to be nominated for reappointment to the Health Planning Council, Tri-Isle Subarea.

Your Committee received testimony in support of the nomination of Kathleen Hagan for reappointment from the State Health Planning and Development Agency, University of Hawai'i Maui College, and four individuals.

Ms. Hagan is presently an Assistant Professor at the University of Hawaii Maui College, part-time Nurse Practitioner at the University of Hawaii Maui College Campus Health Center, and part-time Nurse for the Tutu & Me Traveling Preschool Program. Ms. Hagan has previous work experience as a Staff Nurse at the Kaiser Permanente Santa Teresa Hospital, Clinical Nurse at the Stanford Hospital, and Senior Consulting Data Analyst at Kaiser Permanente, Division of Research, and was selected as a Ka Ipu Kukui Fellow, an initiative that promotes and develops future leaders through a community-based program to plan for the future of Maui. Your Committee finds that Ms. Hagan is an involved community member, including participation with Health Occupations Students of America, Nurse Residency Program Academic Council, Coalition for a Tobacco Free Hawaii, and Health Center Advisory Board. As indicated in her personal statement, Ms. Hagan hopes to use her experiences as a resident, parent, consumer, educator, and passionate health promoter to improve the healthcare of Hawaii's citizens. Your Committee notes that Ms. Hagan is currently a member of the Health Planning Council, Tri-Isle Subarea and is familiar with the roles and responsibilities of council members. Your Committee finds that Ms. Hagan's professional background, experiences serving individuals at various life stages, and dedication to public service are valuable assets to the Council.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Ihara, Kidani).

SCRep. 1636 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 644, 645, 646, and 647

Recommending that the Senate advise and consent to the nominations of the following:

DISABILITY AND COMMUNICATION ACCESS BOARD

G.M. No. 644 BRYANT YABUI, for a term to expire 06-30-2021;

G.M. No. 645 SUMMER KOZAI, for a term to expire 06-30-2021;

G.M. No. 646 PHYLLIS MEIGHEN, for a term to expire 06-30-2018; and

G.M. No. 647 ROSANNA DANIEL-KANETAKE, for a term to expire 06-30-2018

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Bryant Yabui, Summer Kozai, Phyllis Meighen, and Rosanna Daniel-Kanetake to possess the requisite qualifications to be nominated to the Disability and Communication Access Board.

BRYANT YABUI

Your Committee received testimony in support of the nomination of Bryant Yabui for reappointment from the Disability and Communication Access Board and two individuals.

Mr. Yabui currently works as a Contracting and Procurement Specialist for the Office of Enterprise Technology Services, where he coordinates procurement activities and is involved with program analysis and development of procurement strategies for technical and complex purchases. Your Committee notes that Mr. Yabui was previously an Intake Advocate and Attorney for the Hawaii Disability Rights Center, where he worked with physically, mentally, and developmentally disabled clients. Your Committee finds that Mr. Yabui's past public service includes working with the Volunteer Legal Services of Hawaii, Make-A-Wish Foundation of Hawaii, and Pew Civic Entrepreneur Initiative. In his personal statement, Mr. Yabui indicated that as an individual in a wheelchair, he hopes to improve the disabled parking system in Hawaii. Mr. Yabui is currently an active member of the Disability and Communication Access Board, serving as its Vice Chairperson. Your Committee finds that Mr. Yabui's personal experience, professional history, and commitment to public service qualify him for reappointment to the Board.

SUMMER KOZAI

Your Committee received testimony in support of the nomination of Summer Kozai for reappointment from the Disability and Communication Access Board and four individuals.

Ms. Kozai is presently a Senior Auditor for the United States Department of Defense Contract Audit Agency, a role that requires Ms. Kozai to plan and perform high-dollar and high-risk audits in accordance with federal standards. Your Committee finds that Ms. Kozai previously worked as an Associate at Grant Thornton, LLP, and has experience in leadership as well as public speaking roles. In her personal statement, Ms. Kozai indicated that she hopes to see tangible improvement in access for mobility-challenged persons and increased understanding of the role of service animals in the community. Your Committee notes that Ms. Kozai has served on the Disability and Communication Access Board for the last year and has been providing valuable input on issues relating to service animals. Your Committee finds that Ms. Kozai's experiences as an active member of the community and workforce as a mobility-impaired person with a service animal, as well as her professional background, qualify her for reappointment to the Board.

PHYLLIS MEIGHEN

Your Committee received testimony in support of the nomination of Phyllis Meighen for appointment from the Disability and Communication Access Board.

Dr. Meighen is a Senior Pastor of Lihue United Church on Kauai as well as Director and Clergy for Adult Formation at ReSource for Christian Spirituality. Your Committee finds that Dr. Meighen is the guardian to her disabled brother, who lives in a state adult foster home, and she also has many years of professional experience in the field of disabilities studies. Dr. Meighen founded an organization that improves employment options for individuals with intellectual disabilities, worked for the State Planning Council for Development Disabilities, and taught at the University of Hawaii's Center for Disability Studies. Your Committee notes that Dr. Meighen is dedicated to public service, as evidenced by her membership on the Woman's Board of Missions of the Pacific Islands and Kauai Association UCC, and prior involvement with the Winners at Work Board of Advisors and Family Support 360 Advisory Council at the University of Hawaii's Center for Disability Studies. Your Committee finds that Dr. Meighen's personal and professional experience, as well as her commitment to serving the community, will be valuable assets to the Board.

ROSANNA DANIEL-KANETAKE

Your Committee received testimony in support of the nomination of Rosanna Daniel-Kanetake for appointment from the Disability and Communication Access Board and two individuals.

Ms. Daniel-Kanetake is an Independent Living Service Coordinator for Access to Independence, where she assists consumers with disabilities with becoming independent in the community. Your Committee finds that Ms. Daniel-Kanetake has worked in various human services fields for over twenty years, including the areas of child mental health, homelessness, and child protective services. Your Committee notes that Ms. Daniel-Kanetake is actively involved in the community, as a Board member for Hawaii Fi-Do Service Dogs, participant in Hawaii's Police Department ICE Task Force, member of the Board of Directors for Waimanalo Job Corp, and a certified instructor for crisis prevention and intervention. As an individual with a mobility disability, Ms. Daniel-Kanetake indicated in her personal statement that she hopes to enhance the lives of persons with disabilities who strive to be contributing community members. Your Committee finds that Ms. Daniel-Kanetake's background, human services experience, and commitment to public service will be great assets to the Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Ihara, Kidani).

SCRep. 1637 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 649, 653, and 654

Recommending that the Senate advise and consent to the nominations of the following:

HAWAII ADVISORY COMMISSION ON DRUG ABUSE AND CONTROLLED SUBSTANCES

G.M. No. 649 CARL BERGQUIST, for a term to expire 06-30-2021;

G.M. No. 653 ERIKA VARGAS, for a term to expire 06-30-2017; and

G.M. No. 654 ERIKA VARGAS, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Carl Bergquist and Erika Vargas to possess the requisite qualifications to be nominated to the Hawaii Advisory Commission on Drug Abuse and Controlled Substances.

CARL BERGQUIST

Your Committee received testimony in support of the nomination of Carl Bergquist for reappointment from the Department of Health, Hawai'i Pacific Health, The Drug Policy Action Group, and three individuals.

Mr. Bergquist currently serves as the Executive Director for the Drug Policy Forum of Hawai'i, a role that requires advocating to change Hawaii's drug policies, collaborating with government officials and organizations regarding implementation and action, and publishing educational materials. Your Committee finds that Mr. Bergquist has a comprehensive understanding of the health implications that drugs have on the community and how to effectively promote evidence-based drug policy reform. Mr. Bergquist previously worked for the Coalition for Humane Immigrant Rights of Los Angeles in various policy roles and has indicated an interest in helping the low-income immigrant community in Hawaii as well as expanding work with the Native Hawaiian community. In his personal statement, Mr. Bergquist indicated that he hopes to help expand current drug treatment services, highlight the public health effects of criminalizing drug users, and address Hawaii's crystal methamphetamine epidemic. Your Committee notes that Mr. Bergquist has been serving as a member of the Hawaii Advisory Commission on Drug Abuse and Controlled Substances for the last year and finds that Mr. Bergquist's background, advocacy experience, and commitment to public service qualify him for reappointment to the Commission.

ERIKA VARGAS

Your Committee received testimony in support of the appointment and reappointment of Erika Vargas from the Department of Health, Hawaii Substance Abuse Coalition, Domestic Violence Action Center, Ka Hale Pomaika'i Inc., Kua'āina ulu 'auamo, and six individuals.

Ms. Vargas currently is the Manager of Adult Services at Hina Mauka, where she oversees operations of residential and outpatient services for patients with alcohol and substance use disorders. Your Committee finds that Ms. Vargas is licensed to diagnose mental illness and has prior experience as a clinical team leader, intake coordinator, substance abuse counselor, and child and family therapist. According to testimony, Ms. Vargas has extensive knowledge of substance abuse and mental health treatment using a trauma-informed approach, particularly for individuals with complex co-morbidities. Your Committee notes that Ms. Vargas has a strong interest in community involvement. Ms. Vargas is active with the Aiea Community Association and previously served in a Latino re-entry program, where she provided cultural services to reduce recidivism of offenders in recovery. In her personal statement, Ms. Vargas indicated that she hopes to help strengthen the community response that directs substance abusers to services rather than incarceration. Your Committee finds that Ms. Vargas' knowledge, expertise in substance abuse treatment, and dedication to serving the community will be strong assets to the Hawaii Advisory Commission on Drug Abuse and Controlled Substances.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Ihara, Kidani).

SCRep. 1638 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 650 and 660

Recommending that the Senate advise and consent to the nominations of the following:

STATEWIDE HEALTH COORDINATING COUNCIL

G.M. No. 650 CHRISTOPHER SIBLEY, for a term to expire 06-30-2021; and

G.M. No. 660 WILLIAM BAILEY, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Christopher Sibley and William Bailey to possess the requisite qualifications to be nominated for reappointment to the Statewide Health Coordinating Council.

CHRISTOPHER SIBLEY

Your Committee received testimony in support of the nomination of Christopher Sibley for reappointment from the State Health Planning and Development Agency and The Queen's Medical Center.

Mr. Sibley currently serves as the Vice President of Alert Alarm Hawaii and has many years of experience in healthcare finance, policy development, market analysis, rate view, underwriting, and other areas of healthcare management. Previously, Mr. Sibley was the President of the Retina Institute Management Inc., Chief Financial Officer for the Retina Institute of Hawaii, and Business Planning Manager for the Hawaii Medical Service Association. Your Committee finds that Mr. Sibley is very actively engaged in the community, serving as chair of the Health Planning Council, Windward Oahu Subarea, chair of the American Cancer Society Relay for Life, past President and Treasurer of Rotary Club of Honolulu Sunrise, and past President of Friends of Lyon Arboretum. In his personal statement, Mr. Sibley indicated that he hopes to assist the Council with updating the Health Services and Facilities Plan as well as an all payer claims database. Your Committee notes that Mr. Sibley has been serving as a member of the Statewide Health Coordinating Council for many years and has a thorough understanding of the role and responsibilities of council members. Your Committee finds that Mr. Sibley's personal background, professional experience, and demonstrated commitment to public service qualify him for reappointment to the Council.

WILLIAM BAILEY

Your Committee received testimony in support of the nomination of William Bailey for reappointment from the State Health Planning and Development Agency and three individuals.

Mr. Bailey currently serves as the General Manager for American Medical Response and is responsible for personnel management, business development, public relations, government relations, pre-billing oversight, accounts payable, fleet maintenance, and risk management. Your Committee notes that Mr. Bailey has over forty years of experience in the emergency medical services industry, thirty of which have included management experience. Your Committee finds that Mr. Bailey has demonstrated significant dedication to public service, as evidenced by his service on the boards of the Keiki Injury Prevention Committee, Military Assistance to Safety & Traffic, Hawaii Kids at Work, Inc., and Governor's Injury Prevention Advisory Committee. In his personal statement, Mr. Bailey indicated that he hopes to continue working to improve healthcare access, quality, and cost in Hawaii. Your Committee notes that Mr. Bailey has been serving as a member of the Statewide Health Coordinating Council and has a thorough understanding of the role and responsibilities of council members. Your Committee finds that Mr. Bailey's knowledge, extensive emergency medical services experience, and clear commitment to the community qualify him for reappointment to the Council.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Ihara, Kidani).

SCRep. 1639 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 680 and 681

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DENTAL EXAMINERS

G.M. No. 680 JOY SHIMABUKU, for a term to expire 06-30-2021; and

G.M. No. 681 DENNIS NAGATA, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Joy Shimabuku and Dennis Nagata to possess the requisite qualifications to be nominated for reappointment to the Board of Dental Examiners.

JOY SHIMABUKU

Your Committee received testimony in support of the nomination for the reappointment of Joy Shimabuku from the Department of Commerce and Consumer Affairs and one individual.

Upon review of the testimony, your Committee finds that Ms. Shimabuku's background, dedication to public service, and proven leadership on the Board of Dental Examiners also qualify her to be nominated for reappointment to the Board of Dental Examiners as a public member. Your Committee notes that Ms. Shimabuku is a licensed cosmetologist, licensed cosmetology instructor, and business owner who actively donates her time to the community, including volunteering with the American Cancer Society's "Look Good, Feel Better" program, which provides beauty services to cancer patients. Your Committee further finds that Ms. Shimabuku has been a member of the Board of Dental Examiners since May 2014 and her background as a professional licensee and small business owner continues to bring a valuable public member perspective to the Board. Your Committee therefore recommends that Ms. Shimabuku be reappointed to the Board of Dental Examiners based on her experience, background, and commitment to serving her community.

DENNIS NAGATA

Your Committee received testimony in support of the nomination for the reappointment of Dennis Nagata from the Department of Commerce and Consumer Affairs, Hawaii Dental Association, and two individuals.

Upon review of the testimony, your Committee finds that Dr. Nagata's background, experience, and proven leadership on the Board of Dental Examiners also qualify him to be nominated for reappointment to the Board of Dental Examiners as a dentist member. Your Committee notes that Dr. Nagata has been a licensed dentist since 1979, has been in private practice for over thirty years, and was a Clinical Instructor at LVI Global, a post-graduate dental learning institution, for nearly twenty years. Your Committee further finds that Dr. Nagata has been a member of the Board of Dental Examiners since July 2013 and his experience as an examiner for dental licensure examinations and the valuable insights he has gained throughout his extensive career continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. Nagata be reappointed to the Board of Dental Examiners based on his knowledge, experience, and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1640 Commerce, Consumer Protection, and Health on Gov. Msg. No. 682

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF PHYSICAL THERAPY

G.M. No. 682 RUSSELL CHUNG, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Russell Chung to possess the requisite qualifications to be nominated for reappointment to the Board of Physical Therapy.

Your Committee received testimony in support of the nomination for the reappointment of Russell Chung from the Department of Commerce and Consumer Affairs.

Upon review of the testimony, your Committee finds that Mr. Chung's background, commitment to public service, and proven experience on the Board of Physical Therapy also qualify him to be nominated for reappointment to the Board of Physical Therapy as a public member. Your Committee notes that Mr. Chung is a landscape architect with over thirty-five years of experience in landscape design in California and Hawaii and is the Executive Vice-President of PBR Hawaii & Associates, Inc. Mr. Chung also has over twenty years of experience serving on various state boards, including prior service as a public member on the Motor Vehicle Industry Licensing Board and as a licensee member on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects. Your Committee further finds that Mr. Chung has been a member of the Board of Physical Therapy since April 2014 and his perspective as an experienced board member continues to enhance the effectiveness of the Board of Physical Therapy. Your Committee therefore recommends that Mr. Chung be reappointed to the Board of Physical Therapy based on his knowledge, experience, and dedication to serving his community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1641 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 683, 684, 685, 686, 687, and 688

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DIRECTORS OF THE HAWAII HEALTH SYSTEMS CORPORATION

G.M. No. 683 JULIETTE TULANG, for a term to expire 06-30-2019;

G.M. No. 684 WAYNE KANEMOTO, for a term to expire 06-30-2021;

G.M. No. 685 ANTONETTE TORRES, for a term to expire 06-30-2021;

G.M. No. 686 DANIEL RICK, for a term to expire 06-30-2021;

G.M. No. 687 DONNA LEE MCCLEARY, for a term to expire 06-30-2017; and

G.M. No. 688 DONNA LEE MCCLEARY, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Juliette Tulang, Wayne Kanemoto, Antonette Torres, Daniel Rick, and Donna Lee McCleary to possess the requisite qualifications to be nominated to the Board of Directors of the Hawaii Health Systems Corporation.

JULIETTE TULANG

Your Committee received testimony in support of the nomination of Juliette Tulang for reappointment from the Hawaii Health Systems Corporation, East Hawaii Regional Board of the Hawaii Health Systems Corporation, and three individuals.

Prior to retirement, Ms. Tulang served in a variety of roles including working as the Director of the Department of Parks and Recreation for the County of Hawaii, and Marketing and Development Assistant at the Hawaii Community Foundation's Hawaii Island Office. Your Committee finds that Ms. Tulang has experience working with individuals at various life stages, including her time as a high school teacher and twenty-five years of work with the elderly community. Your Committee notes that Ms. Tulang has served as President and board member of the Hilo Medical Center Foundation and member of the American Cancer Society Board, and is involved with numerous other community organizations and efforts. In her personal statement, Ms. Tulang indicated that she hopes to work toward the provision of accessible, quality healthcare that is patient-centered and cost-effective as well as advocate for healthcare in rural communities. Your Committee notes that Ms. Tulang has served on the Board of Directors of the Hawaii Health Systems Corporation since December 2015 and is familiar with the role and responsibilities of board members. Your Committee finds that Ms. Tulang's knowledge, demonstrated leadership, and commitment to the community qualify her for reappointment to the Board.

WAYNE KANEMOTO

Your Committee received testimony in support of the nomination of Wayne Kanemoto for reappointment from the Hawaii Health Systems Corporation, Hawaii Government Employees Association, and three individuals.

Mr. Kanemoto is currently involved with youth programs at Kanalani Enterprises, LLC, and has a variety of previous work experiences, including a distinguished career in education as a science teacher and as Principal of Laupāhoehoe High and Elementary School. Your Committee finds that Mr. Kanemoto has demonstrated his commitment to improving healthcare throughout the East Hawaii region as Vice Chair and in other roles on the Hawai'i Health Systems Corporation East Hawaii Regional Board. Mr. Kanemoto has also volunteered extensively with the Hawaii Family Literacy Consortium, Hawaii Community School Consortium, and Hawaii County Workforce Investment Board. In his personal statement, Mr. Kanemoto indicated that he hopes to help guide the future of the Hawai'i Health Systems Corporation and relevant policy as the healthcare field changes. Your Committee notes that Mr.

Kanemoto has served on the Board of Directors of the Hawaii Health Systems Corporation since 2016 and is familiar with the role and responsibilities of board members. Your Committee finds that Mr. Kanemoto's background, leadership experience, and commitment to public service qualify him for reappointment to the Board.

ANTONETTE TORRES

Your Committee received testimony in support of the nomination of Antonette Torres for reappointment from the Hawaii Health Systems Corporation and one individual.

Ms. Torres currently serves as the Public Health Nursing Director for the Kauai District Health Office of the Department of Health and is responsible for service delivery in the areas of health and wellness, communicable diseases, school health, and emergency preparedness. Your Committee finds that Ms. Torres has extensive administrative and public health expertise, as well as dedicated involvement in numerous public health fairs and immunization clinics. Your Committee notes that Ms. Torres is very involved in public service including serving as a board member of Kauai Rural Health, member of Kauai Community Alliance, and member of Kauai Community College's Nursing Program Advisory Board. In her personal statement, Ms. Torres indicated that she hopes to contribute the perspective of overall health, concerns of healthcare workers, and community input regarding healthcare services. Your Committee notes that Ms. Torres currently serves as the Secretary and Treasurer for the Board of Directors of the Hawaii Health Systems Corporation and finds that Ms. Torres' professional experience, community involvement, and passion for healthcare qualify her for reappointment to the Board.

DANIEL RICK

Your Committee received testimony in support of the nomination of Daniel Rick for reappointment from the Hawaii Health Systems Corporation and Kona Community Hospital.

Mr. Rick is presently the owner of a physical therapy business in Kailua-Kona and continues to provide direct healthcare as a registered physical therapist. Your Committee finds that Mr. Rick has thirty-three years of experience in the healthcare field as a physical therapist and has a deep understanding of the healthcare needs of the West Hawaii community. Your Committee notes that Mr. Rick served as a member of the Hawai'i Health Systems Corporation West Hawaii Regional Board from 2008 to 2014, where he demonstrated his commitment to his community's healthcare system. In his personal statement, Mr. Rick indicated that he hopes to ensure quality healthcare and a smoother transition as the Hawai'i Health Systems Corporation moves forward into a new system structure of partnerships. Your Committee notes that Mr. Rick is currently serving on the Board of Directors of the Hawaii Health Systems Corporation and is familiar with the role and responsibilities of board members. Your Committee finds that Mr. Rick's professional experience, community involvement, and commitment to quality healthcare qualify him for reappointment to the Board.

DONNA LEE MCCLEARY

Your Committee received testimony in support of the nomination for the appointment and reappointment of Donna McCleary from the Hawaii Health Systems Corporation and four individuals.

Dr. McCleary is a Pediatrician and has been on the medical staff at Maui Memorial Medical Center for over forty years. Your Committee finds that Dr. McCleary has extensive medical practice and healthcare management experience, and has been responsible for numerous system initiatives for the Hawaii Permanente Medical Group to build access and capacity across the State. Your Committee finds that Dr. McCleary has held various leadership positions with Hawaii Permanente Medical Group, including serving as Medical Director for the Kaiser Quest program for over ten years. Your Committee notes that Dr. McCleary has an established history of community involvement, including serving previously on the Maui Region Board of the Hawaii Health Systems Corporation and currently serving on the Maui Hospice Board of Directors and as Chair of the Hale Makua Board. In her personal statement, Dr. McCleary indicated that she hopes to facilitate communication to ensure the continued delivery of high quality hospital and long-term care. Your Committee finds that Dr. McCleary's professional experience, public service, and leadership in the healthcare community will be great assets to the Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1642 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 707 and 708

Recommending that the Senate advise and consent to the nominations of the following:

REAL ESTATE COMMISSION

G.M. No. 707 LAURIE LEE, for a term to expire 06-30-2021; and

G.M. No. 708 ALETA KLEIN, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Laurie Lee and Aleta Klein to possess the requisite qualifications to be nominated for reappointment to the Real Estate Commission.

LAURIE LEE

Your Committee received testimony in support of the nomination for the reappointment of Laurie Lee from the Real Estate Commission; Hawai'i Association of REALTORS; Stanford Carr Development, LLC; and four individuals.

Upon review of the testimony, your Committee finds that Ms. Lee's knowledge, background, and proven leadership on the Real Estate Commission also qualify her to be nominated for reappointment to the Real Estate Commission as a real estate broker member representing the City and County of Honolulu. Your Committee notes that Ms. Lee has been in the real estate industry for over twenty-five years and has been a licensed real estate broker for twenty years. Ms. Lee is currently the Principal Broker of Pacific Island Realty, LLC, and the exclusive Broker for Stanford Carr Development LLC's new home projects. Your Committee further finds that Ms. Lee has been a member of the Real Estate Commission since 2013, currently serves as Chairperson of the Commission's Condominium Review Committee, and has a keen knowledge of the laws and rules that affect the Commission's work. Your Committee therefore recommends that Ms. Lee be reappointed to the Real Estate Commission based on her background, experience, and commitment to public service.

ALETA KLEIN

Your Committee received testimony in support of the nomination for the reappointment of Aleta Klein from the Real Estate Commission, Hawai'i Association of REALTORS, and four individuals.

Upon review of the testimony, your Committee finds that Ms. Klein's background, knowledge, and proven leadership on the Real Estate Commission also qualify her to be nominated for reappointment to the Real Estate Commission as a real estate broker member representing the City and County of Honolulu. Your Committee notes that Ms. Klein has been in the real estate industry for nearly forty years, has been licensed as a real estate broker since 1979, and has been the President and Principal Broker of her company, KleinCo, LLC, since 2002. Ms. Klein is also actively involved with the Hawai'i Association of REALTORS, where she has served in a variety of leadership roles and committee positions. Your Committee further finds that Ms. Klein has served on the Real Estate Commission since July 2014 and has a keen understanding of the issues that come before the Commission. Your Committee therefore recommends that Ms. Klein be reappointed to the Real Estate Commission based on her knowledge, experience, and dedication to serving the public.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1643 Commerce, Consumer Protection, and Health on Gov. Msg. No. 709

Recommending that the Senate advise and consent to the nomination of the following:

STATE BOARD OF CHIROPRACTIC EXAMINERS

G.M. No. 709 KATHLEEN KANG-KAULUPALI, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Kathleen Kang-Kaulupali to possess the requisite qualifications to be nominated for reappointment to the State Board of Chiropractic Examiners.

Your Committee received testimony in support of the nomination for the reappointment of Kathleen Kang-Kaulupali from the Department of Commerce and Consumer Affairs and three individuals.

Upon review of the testimony, your Committee finds that Dr. Kang-Kaulupali's knowledge, background, and proven experience on the State Board of Chiropractic Examiners also qualify her to be nominated for reappointment to the State Board of Chiropractic Examiners as a public member. Your Committee notes that Dr. Kang-Kaulupali is a licensed pharmacist and a Pharmaceutical Consultant and Staff Pharmacist for the Clinical Standards Office in the Department of Human Services' Med-QUEST Division. Dr. Kang-Kaulupali is also the Coordinator for the Med-QUEST Division's Medicaid Drug Utilization Review Board and actively participates in the American Pharmacists Association and Hawaii Pharmacists Association. Your Committee further finds that Dr. Kang-Kaulupali has served on the State Board of Chiropractic Examiners since May 2011 and her background as a health care practitioner and desire to contribute to the community continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. Kang-Kaulupali be reappointed to the State Board of Chiropractic Examiners based on her background, experience, and dedication to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1644 Commerce, Consumer Protection, and Health on Gov. Msg. No. 710

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF ACUPUNCTURE

G.M. No. 710 JAYNE TSUCHIYAMA, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Jayne Tsuchiyama to possess the requisite qualifications to be nominated for reappointment to the Board of Acupuncture.

Your Committee received testimony in support of the nomination for the reappointment of Jayne Tsuchiyama from the Department of Commerce and Consumer Affairs, Institute of Clinical Acupuncture and Oriental Medicine, and one individual.

Upon review of the testimony, your Committee finds that Dr. Tsuchiyama's knowledge, background, and proven leadership on the Board of Acupuncture also qualify her to be nominated for reappointment to the Board of Acupuncture as a licensee member. Your Committee notes that Dr. Tsuchiyama is the first acupuncturist to work in the Queen's Cancer Center, where she has been treating patients since 2008 for the side effects of surgery, radiation, and chemotherapy. Dr. Tsuchiyama also works at the Women's Health Center at The Queen's Medical Center and is also the only research acupuncturist in the State to be involved in a National Clinical Trial conducted by Wake Forest University, MD Anderson Cancer Center, and the University of Hawai'i Cancer Center. Your Committee further finds that Dr. Tsuchiyama has been a member of the Board of Acupuncture since April 2012 and is the current Chair of the Board and her insights into the practice of acupuncture continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. Tsuchiyama be reappointed to the Board of Acupuncture based on her experience, background, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1645 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 711, 712, 713, 714, and 715

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF PROFESSIONAL ENGINEERS, ARCHITECTS, SURVEYORS, AND LANDSCAPE ARCHITECTS

- G.M. No. 711 RICHARD SUZUKI, for a term to expire 06-30-2021;
- G.M. No. 712 ROBERT YUMOL, for a term to expire 06-30-2019;
- G.M. No. 713 DAN HIROTA, for a term to expire 06-30-2021;
- G.M. No. 714 ROBERT EGGLESTON, for a term to expire 06-30-2019; and
- G.M. No. 715 KEN OTA, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Richard Suzuki, Robert Yumol, Dan Hirota, Robert Eggleston, and Ken Ota to possess the requisite qualifications to be nominated to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects.

RICHARD SUZUKI

Your Committee received testimony in support of the nomination for the reappointment of Richard Suzuki from the Department of Commerce and Consumer Affairs and four individuals.

Upon review of the testimony, your Committee finds that Mr. Suzuki's knowledge, background, and proven leadership on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects also qualify him to be nominated for reappointment to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects as a professional engineer member. Your Committee notes that Mr. Suzuki has over forty-seven years of professional experience as a civil engineer, including extensive experience as a design engineer for infrastructure development with a specialty in drainage. Although currently retired, Mr. Suzuki previously held positions of responsibility with the State of Hawaii, City and County of Honolulu, and URS Corporation. Your Committee further finds that Mr. Suzuki has served on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects since July 2013 and through this position is an active participant with the National Council of Examiners for Engineers and Surveyors, the national organization responsible for establishing the licensing standards for professional engineers and surveyors. Your Committee therefore recommends that Mr. Suzuki be reappointed to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects based on his background, extensive experience, and commitment to public service.

ROBERT YUMOL

Your Committee received testimony in support of the nomination of Robert Yumol from the Department of Commerce and Consumer Affairs; Architects Hawaii, Ltd.; and one individual.

Upon review of the testimony, your Committee finds that Mr. Yumol's background, knowledge, and prior experience on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects qualify him to be nominated for appointment to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects as a professional architect member. Your Committee notes that Mr. Yumol has over forty years of experience in the field of architecture and has been involved in the design and management of numerous projects throughout his career, including hotels, condominiums, office buildings, and single family and multi-family homes. Your Committee further finds that Mr. Yumol previously served on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects from July 2007 through June 2015 and represented the Board at most of the regional and national meetings. Mr. Yumol is also the current Chair of the Rules Committee that supports the Board and has indicated a desire to continue assisting the Board in this capacity. Your Committee therefore recommends that Mr. Yumol be appointed to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects based on his extensive experience, knowledge, and dedication to serving the public.

DAN HIROTA

Your Committee received testimony in support of the nomination of Dan Hirota from the Department of Commerce and Consumer Affairs and two individuals.

Upon review of the testimony, your Committee finds that Mr. Hirota's knowledge, background, and prior experience on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects qualify him to be nominated for appointment to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects as a land surveyor member. Your Committee notes that Mr. Hirota has more than twenty years of work experience as a land surveyor, land court surveyor, and civil engineer, and is the third generation of his family to practice his profession in the State. Mr. Hirota previously served as a member of the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects from July 2008 to June 2016, including as past Chair, and was instrumental in representing the Board to finalize an updated definition of "land surveying" in a measure that was eventually enacted as Act 79, Session Laws of Hawaii 2012. Your Committee further finds that Mr. Hirota's experience will be an asset to the Board and therefore recommends that Mr. Hirota be appointed to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects based on his experience, knowledge, and commitment to public service.

ROBERT EGGLESTON

Your Committee received testimony in support of the nomination of Robert Eggleston from the Department of Commerce and Consumer Affairs and two individuals.

Upon review of the testimony, your Committee finds that Mr. Eggleston's background, experience, and commitment to public service qualify him to be nominated for appointment to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects as a public member. Your Committee notes that Mr. Eggleston worked for forty-five years as a teacher and administrator with the Hawaii Department of Education, including serving as Principal of Aliamanu Middle School for over eleven years prior to his recent retirement. Mr. Eggleston also served as a middle school industrial arts teacher for several years at the outset of his career in public education and indicated to your Committee that he continues to have an interest in the practice areas that the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects oversees. Your Committee further finds that Mr. Eggleston has a thorough understanding of the role and responsibilities of board members and his interest and dedication will be a valuable asset to the Board. Your Committee therefore recommends that Mr. Eggleston be appointed to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects based on his knowledge, background, and commitment to public service.

KEN OTA

Your Committee received testimony in support of the nomination for the reappointment of Ken Ota from the Department of Commerce and Consumer Affairs.

Upon review of the testimony, your Committee finds that Mr. Ota's background, experience, and proven leadership on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects also qualify him to be nominated for reappointment to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects as a public member. Your Committee notes that Mr. Ota has twenty-five years of experience in the water supply industry and is a dedicated member of his community, where he serves in numerous leadership roles for a variety of organizations, including his current positions as a board member for the Alexander & Baldwin Sugar Museum and trustee for the Hawaii Section of the American Water Works Association. Mr. Ota has served as a current member of the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects since May 2016 and previously served and held leadership positions on the Board. Your Committee further finds that the expertise Mr. Ota gained during his prior service continues to be an asset to the Board and therefore recommends that Mr. Ota be reappointed to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects based on his knowledge, background, and dedication to public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1646 Commerce, Consumer Protection, and Health on Gov. Msg. No. 716

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF EXAMINERS IN OPTOMETRY

G.M. No. 716 ROBB SHIBAYAMA, for a term to expire 06-30-2019

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Robb Shibayama to possess the requisite qualifications to be nominated to the Board of Examiners in Optometry.

Your Committee received testimony in support of the nomination of Robb Shibayama from the Department of Commerce and Consumer Affairs and two individuals.

Upon review of the testimony, your Committee finds that Dr. Shibayama's knowledge, background, and commitment to public service qualify him to be nominated for appointment to the Board of Examiners in Optometry as a licensed optometrist member. Your Committee notes that Dr. Shibayama has been licensed as an optometrist in Hawaii for seventeen years and is one of the principal optometrists at Hawaii Vision Associates, the largest optometry group in the State. Through his work with Hawaii Vision Associates, Dr. Shibayama has developed a wealth of experience in the practice of optometry and in operating a business that provides eye care services to patients in multiple locations on Oahu. Your Committee further finds that Dr. Shibayama has a thorough understanding of the role and responsibilities of board members and his experience as a practitioner and businessperson will be an asset to the workings

of the Board of Examiners in Optometry. Your Committee therefore recommends that Dr. Shibayama be appointed to the Board of Examiners in Optometry based on his experience, background, and dedication to serving his community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 1 (Ihara).

SCRep. 1647 Commerce, Consumer Protection, and Health on Gov. Msg. No. 755

Recommending that the Senate advise and consent to the nomination of the following:

HAWAI'I MEDICAL BOARD

G.M. No. 755 FRANKLIN DAO, for a term to expire 06-30-2020

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Franklin Dao to possess the requisite qualifications to be nominated to the Hawaii Medical Board.

Your Committee received testimony in support of the nomination of Franklin Dao from the Department of Commerce and Consumer Affairs and one individual.

Upon review of the testimony, your Committee finds that Dr. Dao's background, experience, and commitment to public service qualify him to be nominated for appointment to the Hawaii Medical Board as a physician member. Your Committee notes that Dr. Dao has been a physician for over twenty years and has been board certified in obstetrics and gynecology since 2003. Dr. Dao has considerable professional experience in private practice and as a member of the medical staff for large health care service providers on Oahu, including Kaiser Permanente, and more recently, The Queen's Medical Center. Through The Queen's Medical Center, Dr. Dao serves as a member of the Professional Practice Evaluation Committee, is Chair of the Perinatal Committee in the Department of Obstetrics and Gynecology, and participates in peer review. Your Committee further finds that Dr. Dao has a thorough understanding of the role and responsibilities of board members and therefore recommends that Dr. Dao be appointed to the Hawaii Medical Board based on his knowledge, experience, and desire to contribute to the community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Kidani, Ruderman).

SCRep. 1648 Commerce, Consumer Protection, and Health on Gov. Msg. No. 756

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF SPEECH PATHOLOGY AND AUDIOLOGY

G.M. No. 756 LORNA HU, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Lorna Hu to possess the requisite qualifications to be nominated to the Board of Speech Pathology and Audiology.

Your Committee received testimony in support of the nomination of Lorna Hu from the Department of Commerce and Consumer Affairs and two individuals.

Upon review of the testimony, your Committee finds that Ms. Hu's background, experience, and commitment to public service qualify her to be nominated for appointment to the Board of Speech Pathology and Audiology as a speech pathologist member. Your Committee notes that Ms. Hu has been a licensed speech pathologist in Hawaii for over thirty years and is a Speech and Language Pathologist at Tripler Army Medical Center, where she provides case management, diagnostic, and treatment services for military dependent children, with a specific emphasis on children between 0-3 years of age. Ms. Hu also serves as a mentor and supervisor for the University of Hawai'i and American Speech-Language Hearing Association's mentioning program. Your Committee further finds that Ms. Hu has a thorough understanding of the role and responsibilities of board members by virtue of her prior experience as a member of the Regulated Industries Complaints Office's Speech Pathology and Audiology Advisory Committee and therefore recommends that Ms. Hu be appointed to the Board of Speech Pathology and Audiology based on her knowledge, experience, and dedication to serving her community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Kidani, Ruderman).

SCRep. 1649 Commerce, Consumer Protection, and Health on Gov. Msg. No. 769

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF ELECTRICIANS AND PLUMBERS

G.M. No. 769 RANDAL HIRAKI, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Randal Hiraki to possess the requisite qualifications to be nominated for reappointment to the Board of Electricians and Plumbers.

Your Committee received testimony in support of the nomination for the reappointment of Randal Hiraki from the Department of Commerce and Consumer Affairs and two individuals.

Upon review of the testimony, your Committee finds that Mr. Hiraki's background, knowledge, and proven experience on the Board of Electricians and Plumbers also qualify him to be nominated for reappointment to the Board of Electricians and Plumbers as a plumber member. Your Committee notes that Mr. Hiraki has been in the plumbing industry in Hawaii for over forty years and has been a licensed journey worker plumber since 1980. Mr. Hiraki is the President of Commercial Plumbing, Inc., which he founded in 1985. Mr. Hiraki's company now employs over two hundred people and provides plumbing and fire sprinkler services for commercial and residential owners. Your Committee further finds that Mr. Hiraki has served on the Board of Electricians and Plumbers since July 2013 and his many years of experience in the plumbing industry continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Hiraki be reappointed to the Board of Electricians and Plumbers based on his knowledge, experience, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Kidani, Ruderman).

SCRep. 1650 Commerce, Consumer Protection, and Health on Gov. Msg. No. 771

Recommending that the Senate advise and consent to the nomination of the following:

MOTOR VEHICLE REPAIR INDUSTRY BOARD

G.M. No. 771 STUART LAU, for a term to expire 06-30-2019

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Stuart Lau to possess the requisite qualifications to be nominated to the Motor Vehicle Repair Industry Board.

Your Committee received testimony in support of the nomination of Stuart Lau from the Department of Commerce and Consumer Affairs and two individuals.

Upon review of the testimony, your Committee finds that Mr. Lau's background, experience, and dedication to public service also qualify him to be nominated for appointment to the Motor Vehicle Repair Industry Board as a public member. Your Committee notes that Mr. Lau has a background in property management and is an owner and property manager of a number of properties and a senior project manager for The Queen Emma Land Company. Mr. Lau also has a strong public service background and previously served as a member of the Motor Vehicle Repair Industry Board from 1994 until 2002, including time as Chair, and as a member of the Board of Dental Examiners from 2002 to 2006. Your Committee further finds that Mr. Lau has a thorough understanding of the role and responsibilities of board members and his prior experience serving as a member of two licensing boards will be a beneficial asset to the Board. Your Committee therefore recommends that Mr. Lau be appointed to the Motor Vehicle Repair Industry Board based on his knowledge, experience, and commitment to serving his community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Kidani, Ruderman).

SCRep. 1651 Commerce, Consumer Protection, and Health on Gov. Msg. No. 784

Recommending that the Senate advise and consent to the nomination of the following:

CABLE ADVISORY COMMITTEE

G.M. No. 784 SCOTT WONG, for a term to expire 06-30-2020

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Scott Wong to possess the requisite qualifications to be nominated to the Cable Advisory Committee.

Your Committee received testimony in support of the nomination of Scott Wong from the Department of Commerce and Consumer Affairs, 'Ōlelo Community Media, and one individual.

Upon review of the testimony, your Committee finds that Mr. Wong's background, knowledge, and commitment to serving his community also qualify him to be nominated for appointment to the Cable Advisory Committee. Your Committee notes that Mr. Wong has an entrepreneurial background of business ventures that include video production and media and in emerging areas, like applied robotics. Mr. Wong has also worked in the film and television industry for nearly twenty years, including volunteering for nine years as an 'Ōlelo Community Access Producer and Director and serving for three years on the Board of Directors for 'Ōlelo Community

Media. Your Committee further finds that Mr. Wong has a thorough understanding of the role and responsibilities of board members and his professional background and commitment to bettering his community will be a strong addition to the Cable Advisory Committee. Your Committee therefore recommends that Mr. Wong be appointed to the Cable Advisory Committee based on his experience, background, and dedication to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Kidani, Ruderman).

SCRep. 1652 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 797 and 798

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF EXAMINERS IN OPTOMETRY

G.M. No. 797 DAREK SATO, for a term to expire 06-30-2017; and

G.M. No. 798 DAREK SATO, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Darek Sato to possess the requisite qualifications to be nominated for appointment and reappointment to the Board of Examiners in Optometry.

Your Committee received testimony in support of the nomination for the appointment and reappointment of Darek Sato from the Department of Commerce and Consumer Affairs.

Upon review of the testimony, your Committee finds that Mr. Sato's background and commitment to public service also qualify him to be nominated for appointment and reappointment to the Board of Examiners in Optometry as a public member. Your Committee notes that Mr. Sato's background is in general health care administration, where he currently serves as the Provider Network Operations Manager for MDX Hawaii, a company that provides administrative services for health plans that serve large local employers. Your Committee further finds that Mr. Sato has a thorough understanding of the role and responsibilities of board members and his professional background in health care administration will be a beneficial asset to the discussions of the Board. Your Committee therefore recommends that Mr. Sato be appointed and reappointed to the Board of Examiners in Optometry based on his knowledge, background, and dedication to serving his community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Kidani, Ruderman).

SCRep. 1653 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 799 and 800

Recommending that the Senate advise and consent to the nominations of the following:

EMERGENCY MEDICAL SERVICES ADVISORY COMMITTEE

G.M. No. 799 RONALD KURODA, for a term to expire 06-30-2021; and

G.M. No. 800 RALPH YAWATA, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Ronald Kuroda and Ralph Yawata to possess the requisite qualifications to be nominated for reappointment to the Emergency Medical Services Advisory Committee.

RONALD KURODA

Your Committee received testimony in support of the nomination of Ronald Kuroda for reappointment from the Department of Health and one individual.

Dr. Kuroda is currently an Attending Physician of Emergency Medicine at The Queen's Medical Center and Assistant Clinical Professor for the Department of Surgery at the John A. Burns School of Medicine. Dr. Kuroda is also actively involved in the education and training of students as the Associate Medical Director of the Kapiolani Community College Department of Emergency Medical Services. Your Committee finds that Dr. Kuroda is dedicated to public service, as evidenced by his membership on the Hawaii Medical Board's Emergency Medical Personnel Advisory Committee, The Queen's Medical Center's Professional Practice Evaluation Committee, and the State of Hawaii Emergency Medical Services Morbidity and Mortality Committee. In his personal statement, Dr. Kuroda indicated that he hopes to uphold his fiduciary duty to the public by ensuring that new and costly systems bring true value to the community. Your Committee finds that Dr. Kuroda has served on the Emergency Medical Services Advisory Committee since 2014 and that his experience as an emergency medical technician and physician, as well as his community involvement and commitment to educating future medical professionals, qualify him for reappointment to the Committee.

RALPH YAWATA

Your Committee received testimony in support of the nomination of Ralph Yawata for reappointment from the Department of Health and three individuals.

Prior to retirement, Mr. Yawata worked for the Hawaii County Fire Department, where he served as the Bureau Chief of Emergency Medical Services and later as the Assistant Chief of Support Services overseeing the Hawaii Fire Department's Emergency Medical Services Bureau. Your Committee finds that Mr. Yawata has over thirty years of involvement with various public safety and first responder efforts in Hawaii, including as a paramedic. Your Committee notes that Mr. Yawata has also served as an auxiliary Emergency Medical Services instructor; has taught First Aid, CPR, and AED; and has served as a Safety Officer. In his personal statement, Mr. Yawata indicated that he hopes to use his experience as a service provider and community member to help address local challenges related to emergency medical services. Your Committee finds that Mr. Yawata has served on the Emergency Medical Services Advisory Committee since 2012 and that his knowledge, leadership experience, and expertise on emergency response services qualify him for reappointment to the Committee.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Kidani, Ruderman).

SCRep. 1654 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 805, 806, 807, and 808

Recommending that the Senate advise and consent to the nominations of the following:

CONTRACTORS LICENSE BOARD

- G.M. No. 805 KENNETH SHIMIZU, for a term to expire 06-30-2021;
- G.M. No. 806 ANACLETO ALCANTRA, JR., for a term to expire 06-30-2019 (name amended to ANACLETO ALCANTARA, JR., by GM835);
- G.M. No. 807 NATHAN KONISHI, for a term to expire 06-30-2021; and
- G.M. No. 808 NICHOLAS TEVES, JR., for a term to expire 06-30-2020

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Kenneth Shimizu; Anacleto Alcantara, Jr.; Nathan Konishi; and Nicholas Teves, Jr., to possess the requisite qualifications to be nominated to the Contractors License Board.

KENNETH SHIMIZU

Your Committee received testimony in support of the nomination of Kenneth Shimizu from the Department of Commerce and Consumer Affairs; SSFM International, Inc.; and Central Construction, Inc.

Upon review of the testimony, your Committee finds that Mr. Shimizu's background, experience, and commitment to public service also qualify him to be nominated for appointment to the Contractors License Board as a general contractor member. Your Committee notes that Mr. Shimizu has more than thirty years' experience in the construction industry and has an extensive background on a variety of large construction projects on Maui. Mr. Shimizu also holds general engineering and general building contractor licenses; was the President, General Manager, and Responsible Managing Employee of Shimizu & Sons Construction, Inc.; previously worked as a Project Manager for Central Construction, Inc.; and is currently the Senior Construction Inspector for SSFM International, Inc. Your Committee further finds that Mr. Shimizu has a thorough understanding of the role and responsibilities of board members and his experience and familiarity with the construction industry will be a beneficial asset to the Contractors License Board. Your Committee therefore recommends that Mr. Shimizu be appointed to the Contractors License Board based on his knowledge, experience, and dedication to serving his community.

ANACLETO ALCANTARA, JR.

Your Committee received testimony in support of the nomination for the reappointment of Anacleto Alcantara, Jr., from the Department of Commerce and Consumer Affairs; Laborers' International Union of North America, Local 368 Hawaii; International Union of Painters and Allied Trades, District Council 50; International Union of Painters and Allied Trades, Drywall Tapers, Finishers and Allied Workers, Local Union 1944 Hawaii, AFL-CIO; and First Hawaiian Bank.

Upon review of the testimony, your Committee finds that Mr. Alcantara's background, knowledge, and proven experience on the Contractors License Board also qualify him to be nominated for reappointment to the Contractors License Board as a specialty contractor member. Your Committee notes that Mr. Alcantara has extensive business experience and has been involved in the construction industry for over ten years; has been licensed as a specialty contractor in Hawaii since 2004; and holds specialty contractor classifications in acoustical and insulation, masonry, taping, and plastering. In addition to being involved with several family businesses, Mr. Alcantara is also the principal Responsible Managing Employee, President, and Chief Executive Officer of First Pacific Builders, LLC. Your Committee further finds that Mr. Alcantara has been a member of the Contractors License Board since July 2011 and his business experience and expertise in drywall, plastering, insulation, and masonry work continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Alcantara be reappointed to the Contractors License Board based on his knowledge, experience, and commitment to public service.

NATHAN KONISHI

Your Committee received testimony in support of the nomination for the reappointment of Nathan Konishi from the Department of Commerce and Consumer Affairs, Contractors Association of Kaua'i, and three individuals.

Upon review of the testimony, your Committee finds that Mr. Konishi's knowledge, background, and proven leadership on the Contractors License Board also qualify him to be nominated for reappointment to the Contractors License Board as a general contractor member. Your Committee notes that Mr. Konishi has been in the construction industry for over thirty-four years, has been licensed as a general building contractor in Hawaii since 1995, holds several other specialty license classifications, and is the founder and Responsible Managing Employee of Pacific Blue Construction, LLC, on Kauai, which primarily specializes in commercial building jobs and federal, state, and county public works bids. Your Committee further finds that Mr. Konishi has been a member of the Contractors License Board since January 2013 and has been the Chairperson of the Board's Scope Committee for over two years, and his extensive experience in the construction industry continues to be an asset to the deliberations of the Board. Your Committee therefore recommends that Mr. Konishi be reappointed to the Contractors License Board based on his background, experience, and dedication to public service.

NICHOLAS TEVES, JR.

Your Committee received testimony in support of the nomination of Nicholas Teves, Jr., from the Department of Commerce and Consumer Affairs, Sand Island Business Association, and Pacific Electrical Contractors' Association.

Upon review of the testimony, your Committee finds that Mr. Teves' background, experience, and commitment to public service also qualify him to be nominated for appointment to the Contractors License Board as a specialty contractor member. Your Committee notes that Mr. Teves has more than forty years' experience with electrical work; is licensed as a specialty contractor and as a licensed supervising electrician; and is the President and Responsible Managing Employee for Commercial Electric, Inc., where he has worked for the past forty-three years. Mr. Teves also has a long history of public service and previously served as a member of the Board of Electricians and Plumbers, Contractors License Board, Aloha Tower Commission, and Land Use Commission. Your Committee further finds that Mr. Teves' extensive professional experience as a contractor and supervising electrician and as a member of various boards and commissions will be a beneficial asset to the Contractors License Board and therefore recommends that Mr. Teves be appointed to the Contractors License Board based on his knowledge, experience, and dedication to serving his community.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, 2 (Kidani, Ruderman).

SCRep. 1655 Ways and Means on Gov. Msg. No. 504

Recommending that the Senate advise and consent to the nomination of the following:

DEPUTY DIRECTOR OF THE DEPARTMENT OF BUDGET AND FINANCE

GM. No. 504 LAUREL JOHNSTON, for a term to expire 12-03-2018

Your Committee reviewed the personal statement and resume submitted by the nominee and finds Laurel Johnston to have the necessary qualifications to serve as the Deputy Director of Budget and Finance.

Your Committee received comments in support of the nomination of Ms. Johnston as Deputy Director of Budget and Finance from David Y. Ige, Governor; Wesley Machida, Director of Finance, and two administrators, Department of Budget and Finance; Thomas Williams, Executive Director, Employees' Retirement System, Department of Budget and Finance; Maria Zielinski, Director, Department of Taxation; Roderick Becker, Comptroller, Department of Accounting and General Services; Todd Nacapuy, Chief Information Officer, Office of Enterprise Technology Services, Department of Accounting and General Services; Sarah Allen, Administrator, State Procurement Office, Department of Accounting and General Services; Luis Salaveria, Director, and Mary Alice Evans, Deputy Director, Department of Business, Economic Development, and Tourism; Suzanne D. Case, Chairperson, Board of Land and Natural Resources; Pankaj Bhanot, Director, Department of Human Services; James Nishimoto, Director, Department of Human Resources Development; Jo Ann Uchida Takeuchi, Deputy Director, Department of Commerce and Consumer Affairs; Phyllis Shimabukuro-Geiser, Deputy to the Chairperson, Board of Agriculture; Linda Chu Takayama, Director, Department of Labor and Industrial Relations; Major General Arthur "Joe" Logan, Adjutant General and Director of the Hawaii Emergency Management Agency, Department of Defense; Nolan P. Espinda, Director, Department of Public Safety; Ford Fuchigami, Director, Department of Transportation; Virginia Pressler, Director, Department of Health; Gary Slovin, Mihoko Ito, and Rick Tsujimura, SanHi Government Strategies; and eleven individuals.

Your Committee finds that, consistent with the exemplary comments received on her behalf, Deputy Director Johnston has experience successfully planning, coordinating, and managing large, complex budgets for the University of Hawaii and the Department of Education; has held various leadership positions in state government, including Deputy Chief of Staff for the Office of the Governor; and has also distinguished herself with two decades of pertinent work experience in state government and demonstrated knowledge of budgetary operations and systems.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 6. Noes, none. Excused, 5 (Galuteria, Harimoto, Inouye, Kahele, Shimabukuro).

SCRep. 1656 Ways and Means on Gov. Msg. No. 505

Recommending that the Senate advise and consent to the nomination of the following:

DEPUTY DIRECTOR OF THE DEPARTMENT OF TAXATION

GM. No. 505 DAMIEN ELEFANTE, for a term to expire 12-03-2018

Your Committee reviewed the personal statement and resume submitted by the nominee and finds Damien Elefante to have the necessary qualifications to serve as the Deputy Director of Taxation.

Your Committee received comments in support of the nomination of Mr. Elefante as Deputy Director of Taxation from David Y. Ige, Governor; Maria Zielinski, Director, Department of Taxation; Wesley Machida, Director of Finance, and Laurel Johnston, Deputy Director, Department of Budget and Finance; Roderick Becker, Comptroller, Department of Accounting and General Services; Todd Nacapuy, Chief Information Officer, Office of Enterprise Technology Services, Department of Accounting and General Services; Luis Salaveria, Director, and Mary Alice Evans, Deputy Director, Department of Business, Economic Development, and Tourism; Linda Chu Takayama, Director, Department of Labor and Industrial Relations; Pankaj Bhanot, Director, Department of Human Services; James Nishimoto, Director, Department of Human Resources Development; Suzanne D. Case, Chairperson, Board of Land and Natural Resources; Phyllis Shimabukuro-Geiser, Deputy to the Chairperson, Board of Agriculture; Ford Fuchigami, Director, Department of Transportation; Virginia Pressler, Director, Department of Health; Mihoko Ito, SanHi Government Strategies; and eight individuals. Comments were received from one individual.

Your Committee finds that, consistent with the exemplary comments received on his behalf, Mr. Elefante possesses the knowledge, skills, and abilities necessary to effectively serve as the Deputy Director of Taxation and administer the various improvements to programs and services designed to better serve the taxpayers of Hawaii. He has served as the Deputy Attorney General assigned to the Department of Taxation for the past thirteen years and has a solid understanding of the State's tax laws, tax law enforcement, and the management of tax collections.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 5 (Galuteria, Harimoto, Inouye, Kahele, Shimabukuro).

SCRep. 1657 (Joint) Higher Education and Human Services on H.C.R. No. 35

The purpose and intent of this measure is to request that the University of Hawaii Center on Aging convene a task force to assess existing elder and kupuna care services and the anticipated demand for those services in order to improve services and meet future demand.

Your Committees received testimony in support of this measure from the University of Hawai'i at Mānoa Myron B. Thompson School of Social Work, Lanakila Pacific, and two individuals. Your Committees received comments on this measure from the Executive Office on Aging.

Your Committees find that by 2030, Hawaii residents aged sixty and older are projected to constitute 27.4 percent of the State's population, and that this large aging population will have a significant impact on the organization and delivery of healthcare. Your Committees further find that the kupuna care program is an alternative to traditional long-term care supports and services, and has a goal of enabling older adults to lead independent, meaningful, and dignified lives in their own homes and communities. Kupuna care also strives to provide a safety net of services for all kupuna and their caregivers, including access to affordable and quality home- and community-based services, hot meals, transportation, case management, and personal care assistance. Your Committees note testimony received which explains that currently it is challenging to find appropriately trained service providers for kupuna care services and the importance of building capacity to respond to the needs of Hawaii's current and growing older population.

Your Committees acknowledge the significant undertaking that this measure requests of the task force, and find that this measure is intended to be an initial step in the process of assessing Hawaii's kupuna care services and the demand for such services. Your Committees find that this measure requests that a report be submitted to the Legislature twenty days prior to the convening of the Regular Session of 2018, but that this report may be a preliminary report with a more comprehensive report to be submitted the following year.

Your Committees have amended this measure by:

- (1) Inserting language to request the task force to conduct a complete economic analysis of the cost for primary kupuna care services, adequate training, workforce expansion, service expansion, and financing to improve the current elder and kupuna care services and meet anticipated demand;
- (2) Inserting language to add the Director of Business, Economic Development, and Tourism or the Director's designee to the task force; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Higher Education and Human Services that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 35, H.D. 1, as amended herein, and recommend its adoption in the form attached hereto as H.C.R. No. 35, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Higher Education: Ayes, 3. Noes, none. Excused, 2 (Keith-Agaran, Kidani).

Human Services: Ayes, 3. Noes, none. Excused, 2 (Harimoto, Tokuda).

SCRep. 1658 Water and Land on H.C.R. No. 26

The purpose and intent of this measure is to authorize the amendment of a term, non-exclusive easement for the portion of state submerged lands fronting the property identified as tax map key: (1) 4-3-005: seaward of 094, Kailua, Koolauapoko, Oahu, for the maintenance and repair of the existing seawall and boat ramp, and for the use, repair, and maintenance of the existing improvements constructed thereon, pursuant to section 171-53, Hawaii Revised Statutes.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources (Board) may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that on June 4, 2004, under agenda item D-6, the Board approved a grant of a fifty-five-year non-exclusive easement to resolve the encroachments of the seawall and boat ramp identified in this measure. Since the issuance of the easement, a subsequent survey has shown the shoreline boundary to be further mauka, which resulted in an additional encroachment area of 328 square feet. On May 27, 2016, under agenda item D-13, the Board authorized the amendment of the easement by incorporating the additional encroachment area subject to an additional payment of \$33,584, based on the pro-rated value of the easement. Your Committee concludes that the amendment to the easement is necessary for the maintenance and repair of the existing seawall and boat ramp, and for the use, repair, and maintenance of the existing improvements constructed thereon.

Your Committee has amended this measure by:

- (1) Clarifying that the owner of the property is the Elizabeth Rice Grossman Family Trust;
- (2) Making a technical, nonsubstantive amendment to the title for the purposes of clarity and consistency; and
- (3) Making other technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 26, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as H.C.R. No. 26, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1659 Water and Land on H.C.R. No. 27

The purpose and intent of this measure is to authorize the issuance of a term, non-exclusive easement for a portion of state submerged lands identified as tax map key: (1) 4-1-001: seaward of 011, Waimanalo, Koolauapoko, Oahu, for the maintenance and repair of an existing pier, and for use, repair, and maintenance of the existing improvements constructed thereon, pursuant to section 171-53, Hawaii Revised Statutes.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that on January 13, 2017, under agenda item D-14, the Board of Land and Natural Resources approved a grant of a fifty-five-year non-exclusive easement to resolve the encroachment of the pier identified in this measure, subject to the easement grantee paying the State the fair market value of the easement as determined by an independent appraisal. Your Committee concludes that the easement is necessary for the maintenance and repair of the existing pier and for use, repair, and maintenance of the existing improvements constructed thereon.

Your Committee has amended this measure by:

- (1) Clarifying that Mr. Muller was acting as trustee of the C. Michael Muller Trust when he expressed an interest in converting the revocable permit to a long-term easement; and
- (2) Making a technical, nonsubstantive amendment to the title for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 27, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as H.C.R. No. 27, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1660 Water and Land on H.C.R. No. 60

The purpose and intent of this measure is to authorize the amendment of a term, non-exclusive easement for the portion of state submerged lands fronting the property identified as tax map key: (1) 3-9-026: seaward of 044, 045, and 048, Maunaloa, Honolulu, Oahu, for the maintenance and repair of the existing channel, concrete surge break or breakwater, seawall, step, and filled land, and for use, repair, and maintenance of the existing improvements constructed thereon.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources (Board) may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that on November 16, 2001, under agenda item D-13, the Board approved a grant of a fifty-five-year non-exclusive easement to resolve the encroachments of the channel, concrete surge break or breakwater, seawall, and filled land identified in this measure. On April 25, 2008, under agenda item D-11, the Board approved an amendment to the easement to add

square footage to the easement area, insert "step" as part of the purposes of the easement, and allow the easement to run with the abutting parcels.

Your Committee finds that a subsequent shoreline certification process in 2015 has shown an additional encroachment area of 3,503 square feet, more or less. On May 8, 2015, under agenda item D-14, the Board authorized the amendment of the easement by incorporating the additional encroachment area subject to an additional payment to the State of the fair market value of the easement as determined by an independent appraisal; the appraisal has since been completed, and the fair market value of the easement is \$130,000. Your Committee concludes that the easement is necessary for the maintenance and repair of the existing channel, concrete surge break or breakwater, seawall, step, and filled land, and for use, repair, and maintenance of the existing improvements constructed thereon.

Accordingly, your Committee has amended this measure by:

- (1) Clarifying that on November 16, 2001, the Board approved a grant of a fifty-five-year easement to Evershine VIII, L.P.;
- (2) Clarifying that the easement was issued in October 2003 for a lump sum payment of \$58,000;
- (3) Inserting the Board actions on January 14, 2005, consenting to the assignment of the subject easement from Evershine VIII, L.P. to Evershine II, L.P. and on April 25, 2008, authorizing the amendment of the easement to add square feet to the easement area, insert "step" as part of the purpose of the easement, and allow the easement to run with the land;
- (4) Correcting the additional area of the encroachment to be 3,503 square feet, more or less, pursuant to testimony received from the Department of Land and Natural Resources;
- (5) Inserting the Board action on May 8, 2015, approving an amendment to the easement by incorporating the additional encroachment area subject to payment of an additional consideration assessed at fair market value;
- (6) Amending its title to make a technical, nonsubstantive amendment; and
- (7) Making other technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 60, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as H.C.R. No. 60, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1661 Water and Land on H.C.R. No. 78

The purpose and intent of this measure is to authorize the issuance of a term, non-exclusive easement for the portion of state submerged lands identified as tax map key: (1) 4-5-058:121, Kaneohe, Koolaupoko, Oahu, for the maintenance and repair of the existing pier, and for the use, repair, and maintenance of the existing improvements constructed thereon, pursuant to section 171-53, Hawaii Revised Statutes.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that on December 9, 2016, under agenda item D-20, the Board of Land and Natural Resources approved a grant of a fifty-five-year non-exclusive easement to resolve the encroachment of the pier identified in this measure, subject to the easement grantee paying the State the fair market value of the easement, to be determined by an independent appraisal. Your Committee concludes that the easement is necessary for the maintenance and repair of the existing pier, and for the use, repair, and maintenance of the existing improvements constructed thereon.

Your Committee has amended this measure by:

- (1) Correcting the additional area of the encroachment to be 538 square feet, more or less, pursuant to testimony received from the Department of Land and Natural Resources;
- (2) Amending its title to make a technical, nonsubstantive amendment; and
- (3) Making other technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 78, H.D. 1, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as H.C.R. No. 78, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1662 Water and Land on H.C.R. No. 97

The purpose and intent of this measure is to authorize the issuance of a term, non-exclusive easement for the portion of state submerged lands identified as tax map key: (2) 2-6-012:026 at Kuuu, Makawao, Paia, Maui, for maintenance, repair, replacement, and removal of an existing seawall, rubble rock revetment, stairs, and lawn over, under, and across state-owned land, pursuant to section 171-53, Hawaii Revised Statutes.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that on November 30, 2012, under agenda item D-5, the Board of Land and Natural Resources approved a grant of a fifty-five-year non-exclusive easement to resolve the encroachments identified in this measure. Your Committee notes the value of the easement as determined by an independent appraisal is \$68,300, and such sum has been remitted to the State. Your Committee concludes that the easement is necessary for the maintenance and repairs of the existing rock walls, revetments, stairway, and lawn encroaching on state submerged and reclaimed (filled) lands.

Accordingly, your Committee has amended this measure by:

- (1) Clarifying that the non-conforming encroachments were put into place at an undetermined time;
- (2) Clarifying that the Office of Conservation and Coastal Lands determined that allowing the encroachments to remain through the issuance of an easement would have no discernable effect on beach and recreational resources nor act as a detriment to public access, and recommended that any disposition require that the public land uses remain unimproved and a transit corridor be maintained along the seaward extent of the rock walls and revetments;
- (3) Inserting that an independent appraisal determined the fair market value of the easement at \$68,300, and the Department of Land and Natural Resources has confirmed receipt of payment for the easement;
- (4) Clarifying that the purpose of the easement is for the maintenance and repairs of the existing rock walls, revetments, stairway, and lawn over, under, and across state-owned lands;
- (5) Amending its title to accurately reflect its purpose; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 97, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as H.C.R. No. 97, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1663 Water and Land on H.C.R. No. 152

The purpose and intent of this measure is to authorize the issuance of a term, non-exclusive easement for the portion of state submerged lands fronting the property identified as tax map key: (4) 4-3-009: seaward of 001, Waipouli, Kawaihau, Kauai, for the maintenance and repair of the existing seawall, and for the use, repair, and maintenance of the existing improvements constructed thereon.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that on May 9, 2014, under agenda item D-1, as subsequently amended at a meeting on October 24, 2014, the Board of Land and Natural Resources approved a grant of a fifty-five-year non-exclusive easement to resolve the encroachments of the seawall identified in this measure. Your Committee notes that the fair market value of the easement is \$25,200 as determined by an independent appraisal, and that the current property owner has remitted payment of \$25,255, inclusive of fees, to the State for the grant of easement. Your Committee concludes that the easement is necessary for the maintenance and repair of the existing seawall, and for the use, repair, and maintenance of the existing improvements thereon.

Your Committee has amended this measure by:

- (1) Correcting the date of the meeting of the Board of Land and Natural Resources from May 19, 2014, to May 9, 2014, pursuant to testimony received from the Department of Land and Natural Resources; and
- (2) Amending its title to make a technical, nonsubstantive amendment.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 152, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as H.C.R. No. 152, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1664 Judiciary and Labor on H.C.R. No. 105

The purpose and intent of this measure is to request the Auditor to conduct an audit of the Vocational Rehabilitation Unit (Unit) in the Department of Labor and Industrial Relations (Department), Disability Compensation Division.

Your Committee received testimony in support of this measure from eleven individuals. Your Committee received testimony in opposition to this measure from the Department of Labor and Industrial Relations.

Your Committee finds that the Vocational Rehabilitation Unit in the Department's Disability Compensation Division lacks resources. The Unit consists of one staff member to administer an average of seven hundred sixty claims per month, using a non-digitized system. The Department testified that the Unit's staff was reduced from fourteen positions to one due to a reduction-in-force, and the one position is currently filled by a fairly new staff member. Testimony from vocational rehabilitation counselors indicated that the position was held by one person for the prior twenty years and that the staff member was unable to train her replacement upon

leaving the position two years ago. The Department also testified that it requested an appropriation from the Legislature during the Regular Session of 2017 to modernize the Disability Compensation Division to increase efficiency and that it has assembled the Workers' Compensation Working Group as of 2016, as requested by H.C.R. No. 168, H.D. 2, S.D. 1, Regular Session of 2015, to assess workers' compensation issues, including vocational rehabilitation. The Department additionally stated in oral testimony that it is committed to looking at what it can do administratively, as well as working with vocational rehabilitation stakeholders, to address issues related to the Unit's performance.

In light of the testimony, your Committee finds that an audit is not necessary and believes that at this time it is best that the Department stand by its stated commitment and address issues facing the Unit administratively as well as through the Workers' Compensation Working Group and collaboration with vocational rehabilitation stakeholders.

Accordingly, your Committee has amended this measure by:

- (1) Deleting repetitive findings relating to retaliation against vocational counselors;
- (2) Deleting the request that the Auditor conduct an audit of the Vocational Rehabilitation Unit in the Disability Compensation Division;
- (3) Requesting the Department to report to the Legislature on its efforts to keep its commitment to work with vocational rehabilitation stakeholders and address the issues raised and recommendations made to improve the performance of the Vocational Rehabilitation Unit in its Disability Compensation Division, including any findings and recommendations made by the Workers' Compensation Working Group;
- (4) Amending the title to reflect its amended purpose; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 105, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as H.C.R. No. 105, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Thielen).

SCRep. 1665 Human Services on Gov. Msg. No. 789

Recommending that the Senate advise and consent to the nomination of the following:

STATE REHABILITATION COUNCIL

G.M. No. 789 GWEN KELIHOOMALU, for a term to expire 06-30-2020

Your Committee has reviewed the personal history and resume submitted by the nominee and finds Gwen Kelihoomaluu to possess the requisite qualifications to be nominated for reappointment to the State Rehabilitation Council.

Your Committee received testimony in support of the nomination for the reappointment of Gwen Kelihoomaluu from one individual.

Your Committee finds that Ms. Kelihoomaluu's extensive background in vocational rehabilitation also qualifies her to serve on the State Rehabilitation Council. Ms. Kelihoomaluu is currently a Vocational Rehabilitation Consultant at Kala & Associates, Inc., providing, among other things, services to clients in meeting problems of personal, social, and vocational adjustment. Having worked with individuals with disabilities for over forty years, Ms. Kelihoomaluu has developed expertise working with many types of disabilities. Upon review of the testimony, your Committee finds that Ms. Kelihoomaluu's past experience on the State Rehabilitation Council demonstrates her willingness to serve. Your Committee therefore recommends that Ms. Kelihoomaluu be reappointed to the State Rehabilitation Council based on her professional expertise and dedication to public service.

As affirmed by the record of votes of the members of your Committee on Human Services that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Tokuda, Wakai).

SCRep. 1666 Housing on Gov. Msg. No. 748

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF DIRECTORS OF THE HAWAII HOUSING FINANCE AND DEVELOPMENT CORPORATION

G.M. No. 748 RONA FUKUMOTO, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Rona Fukumoto to possess the requisite qualifications to be nominated for reappointment to the Board of Directors of the Hawaii Housing Finance and Development Corporation.

Your Committee received testimony in support of the nomination for the reappointment of Rona Fukumoto from the Hawaii Housing Finance and Development Corporation, Catholic Charities Hawaii, and two individuals.

Upon review of the testimony, your Committee finds that Ms. Fukumoto's extensive administrative experience, expertise in critical housing issues, and commitment to public service also qualify her to be nominated for reappointment to the Board of Directors of the Hawaii Housing Finance and Development Corporation. Your Committee notes that Ms. Fukumoto is currently Division Administrator

for Catholic Charities Hawaii's Housing Assistance and Referral programs, and is Catholic Charities Hawaii's former Director of Intake, Information, and Referral. She also volunteers as a member of the Catholic Charities Housing Development Corporation and Hawaii State Department of Human Services Financial Assistance Advisory Council, and has strong links to a wide range of community organizations. Your Committee further notes that Ms. Fukumoto has served as a Director of the Hawaii Housing Finance and Development Corporation since 2014. Your Committee finds that Ms. Fukumoto's extensive experience, dedication to public service, and commitment to addressing the crucial housing needs of Hawaii will continue to be valuable assets to the Hawaii Housing Finance and Development Corporation.

As affirmed by the record of votes of the members of your Committee on Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Kahele, Keith-Agaran).

SCRep. 1667 Judiciary and Labor on Gov. Msg. Nos. 558 and 559

Recommending that the Senate advise and consent to the nominations of the following:

CIVIL RIGHTS COMMISSION

G.M. No. 558 JOAN LEWIS, for a term to expire 06-30-2020; and

G.M. No. 559 LIANN EBESUGAWA, for a term to expire 06-30-2020

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Joan Lewis and Liann Ebesugawa to possess the requisite qualifications to be nominated for appointment to the Hawaii Civil Rights Commission.

JOAN LEWIS

Your Committee received testimony in support of the nomination for the appointment of Joan Lewis from the Hawai'i Civil Rights Commission.

Ms. Lewis currently serves as the Head of the English Language Department at Kapolei High School as well as the Lead English Teacher for the Ho'ōla Leadership Academy at Kapolei High School. She is a Kapolei Outstanding Achievement in Education Awardee in recognition of her work in supporting teachers during their first five years of teaching as well as a National Education Association Foundation Hawaii Awardee, California Casualty Award for Teaching Excellence Honoree, and Pearson Foundation Global Learning Fellow.

Ms. Lewis plays an active role with the Hawaii State Teachers' Association (HSTA). As a trainer for HSTA, she provides training to teachers and community members on topics, such as poverty, local culture, traits of adolescents, learning styles, Moena Ha, and working with parents, that impact the relationship between student and teacher, and student success. She previously served as the State Vice President of HSTA as well as the Chapter President for HSTA Leeward Chapter. She has served as a Trustee of the Hawaii Education Association, Trust Chairperson of the HSTA Voluntary Employee Benefits Association, and Board Member of the Education Institute of Hawai'i.

According to written testimony submitted in support of Ms. Lewis' nomination for appointment, she brings a wealth of experience and expertise to the Civil Rights Commission and has a demonstrated commitment to civil rights for the people of Hawaii. Her background in education and unionized labor will add a valuable perspective to the work of the Commission.

LIANN EBESUGAWA

Your Committee received testimony in support of the nomination for the appointment of Liann Ebesugawa from the Hawai'i Civil Rights Commission; Japanese American Citizens League, Honolulu Chapter; and seven individuals.

Ms. Ebesugawa currently serves as the Associate General Counsel for Hawaiian Electric Company, Inc., where she provides legal support to personnel and management from various process areas and advises personnel and management to obtain regulatory approval of various generation and distribution projects. Of her previous positions, she most notably served as the Executive Director of the Hawaii State Board of Education, where she served in legal and administrative capacities for all matters before or involving the Board of Education.

Ms. Ebesugawa has extensive community service experience, including currently serving as the Second Vice President of the Honolulu Chapter of the Japanese American Citizens League's Board of Directors. During her tenure as the League's past Board President, she addressed complex issues related to marriage equality, homelessness, Native Hawaiian self-determination, and many other civil rights issues that face the community. She also currently serves as Vice President and Director for the Board of Directors of the National Asian Pacific American Bar Association and has extensive involvement with Aloha United Way. She has co-authored several academic publications regarding privacy in the workplace, Japanese American redress, and racial discrimination.

According to written testimony submitted in support of Ms. Ebesugawa's nomination for appointment, she brings a wealth of experience and expertise to the Civil Rights Commission and has a demonstrated commitment to civil rights for the people of Hawaii. Her work in the areas of law, business, government service, education, and civil rights advocacy will add valuable perspectives to the work of the Commission.

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Kim).

SCRep. 1668 Judiciary and Labor on Gov. Msg. Nos. 623 and 624

Recommending that the Senate advise and consent to the nominations of the following:

DEFENDER COUNCIL

G.M. No. 623 CRAIG DE COSTA, for a term to expire 06-30-2019; and

G.M. No. 624 STANTON OSHIRO, for a term to expire 06-30-2019

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Craig De Costa and Stanton Oshiro to possess the requisite qualifications to be nominated to the Defender Council.

CRAIG DE COSTA

Your Committee received testimony in support of the nomination for appointment of Craig De Costa from the Office of the Public Defender and three individuals.

Mr. De Costa currently serves as Partner at De Costa Hempey Meyers LLC, where he focuses his practice of law in the areas of criminal defense, landlord-tenant disputes, debt collection, administrative hearings, and other civil litigation matters. He previously served as the elected Prosecuting Attorney for the County of Kauai.

According to testimony submitted in support of Mr. De Costa's nomination for appointment, his background and career experience have given him an extensive understanding of the criminal justice system and the Public Defender's essential role in that system. If appointed to the Defender Council, Mr. De Costa will assist the Office of the Public Defender in fulfilling its mission of zealous and effective representation of indigent persons charged with criminal offenses and will be a valuable asset in representing the County of Kauai on the Defender Council.

STANTON OSHIRO

Your Committee received testimony in support of the nomination for appointment of Stanton Oshiro from the Office of the Public Defender.

Mr. Oshiro is the sole practitioner of his own private law practice that focuses exclusively on criminal defense. He currently serves as a defense bar representative on the Big Island Multi Agency Committee, criminal defense private bar representative on the Big Island Bench Bar Committee, and criminal defense bar representative for the Island of Hawaii on the Statewide Bench-Bar Committee.

According to testimony submitted in support of Mr. Oshiro's nomination for appointment, his decades-long experience in criminal defense work has given him an extensive understanding of the criminal justice system and the Public Defender's essential role in that system. If appointed to the Defender Council, Mr. Oshiro will assist the Office of the Public Defender in fulfilling its mission of zealous and effective representation of indigent persons charged with criminal offenses and will be a valuable asset in representing the County of Hawaii on the Defender Council.

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

For Gov. Msg. No. 623: Ayes, 4. Noes, none. Excused, 1 (Kim).

For Gov. Msg. No. 624: Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1669 Judiciary and Labor on Gov. Msg. Nos. 790 and 791

Recommending that the Senate advise and consent to the nominations of the following:

COMMISSION ON THE STATUS OF WOMEN

G.M. No. 790 MARILYN LEE, for a term to expire 06-30-2021; and

G.M. No. 791 JUDY KERN, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Marilyn Lee and Judy Kern to possess the requisite qualifications to be nominated for reappointment to the Commission on the Status of Women.

MARILYN LEE

Your Committee received testimony in support of the nomination for the reappointment of Marilyn Lee from the Hawaii State Commission on the Status of Women, Crime Victim Compensation Commission, Board of Directors of the Friends of the Missing Child Center, and twelve individuals.

Ms. Lee worked as a nurse for almost forty years. She began her nursing career in the United States Navy where she attained the rank of full Lieutenant. For twenty-five years, she was employed at Wahiawa General Hospital, where she served as the Manager of the Medical Surgical Unit and Nursing Supervisor. In 1995, she wrote and defended a certificate of need to establish the Wahiawa General Hospital Home Health Agency.

Of particular note, Ms. Lee was elected to the Hawaii State House of Representatives in 1996, representing House District 36 for sixteen years. During her tenure at the State House of Representatives, she served in multiple positions, including the Co-Chairperson

of the Women's Legislative Caucus, Co-Chairperson of the Kupuna Caucus, Majority Floor Leader and Whip, Vice-Chairperson of the House Committee on Finance, and a member of several other House standing committees.

Testimony in support of Ms. Lee's nomination for reappointment indicates she has extensive experience in advocating for the women and girls of Hawaii. As a former State House Representative, she tirelessly advocated for policies to benefit Hawaii's women, girls, and working families. If appointed to the Commission on the Status of Women for a second term, her skills as an administrator, educator, and nurse coupled with her strong commitment to advancing the rights of women and girls will continue to help the Commission to fulfill its mandate to strengthen the role of women and promote the interests of girls residing in Hawaii.

JUDY KERN

Your Committee received testimony in support of the nomination for the reappointment of Judy Kern from the Hawaii State Commission on the Status of Women and three individuals.

Ms. Kern currently serves as the Acting Branch Co-Chief and Education and Training Coordinator for the Public Health Preparedness Branch of the Department of Health, where her major responsibilities include the development and implementation of public health preparedness activities to achieve U.S. Centers for Disease Control and Prevention grant performance measures in Community Preparedness and Public Information and Warning. She also coordinates the Department's workforce training in the Incident Command System and compliance with the National Incident Management System. She previously served at the Department of Health as a Public Information Specialist at the Communications Office and Program Specialist at the Executive Office on Aging. Prior to working at the Department of Health, she served as the Deputy Director of Lanakila Meals on Wheels.

Ms. Kern is an active volunteer with various community organizations. She currently serves as a member of the Board of Directors of Mohala Farms. She previously served on the boards of Planned Parenthood of Hawaii and Hawaii People's Fund.

Testimony in support of Ms. Kern's nomination for reappointment indicates that she is passionate about human rights and has a deep understanding of local, national, and global issues related to social justice. If appointed to the Commission on the Status of Women for a second term, her professional skills and experience at the Department of Health and Lanakila Meals on Wheels coupled with her strong commitment to advancing the rights of women and girls will continue to help the Commission to fulfill its mandate to strengthen the role of women and promote the interests of girls residing in Hawaii.

As affirmed by the records of votes of the members of your Committee on Judiciary and Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Thielen).

SCRep. 1670 Education on Gov. Msg. Nos. 728, 729, and 730

Recommending that the Senate advise and consent to the nominations of the following:

HAWAII TEACHERS STANDARDS BOARD

G.M. No. 728 KARIANE PARK-TOYAMA, for a term to expire 06-30-2021;

G.M. No. 729 TRACEY IDICA, for a term to expire 06-30-2021; and

G.M. No. 730 JONATHAN KISSIDA, for a term to expire 06-30-2020

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Kariane Park-Toyama, Tracey Idica, and Jonathan Kissida to possess the requisite qualifications to be nominated to the Hawaii Teacher Standards Board.

KARIANE PARK-TOYAMA

Your Committee received testimony in support of the nomination for the reappointment of Kariane Park-Toyama from the Hawaii Teacher Standards Board.

Upon review of the testimony, your Committee finds that Ms. Park-Toyama's experience as an educator and her dedication to high educational standards also qualify her to be nominated for reappointment to the Hawaii Teacher Standards Board. Your Committee notes that Ms. Park-Toyama has worked in Hawaii's public school system for over fifteen years, and has served in various school and district level leadership positions including Committee Chairperson, Grade Level Chairperson, and Union Chapter Treasurer. Ms. Park-Toyama also currently serves on the Hawaii Teacher Standards Board as a member of the Legislative and Teacher Education Committees. Your Committee finds that Ms. Park-Toyama's experience as a leader and commitment to accountability and excellence in education will continue to be great assets to the Hawaii Teacher Standards Board.

TRACEY IDICA

Your Committee received testimony in support of the nomination of Tracey Idica from the Hawaii Teacher Standards Board.

Upon review of the testimony, your Committee finds that Ms. Idica's extensive experience as an educator and her commitment to providing high quality teaching for Hawaii's students also qualify her to be nominated for appointment to the Hawaii Teacher Standards Board. Your Committee notes that Ms. Idica has been a teacher for thirty-five years, and a teacher in Hawaii public schools for twenty-six years. Ms. Idica has also worked extensively with student teachers and early career teachers, and has taken on numerous education leadership responsibilities throughout her career. Ms. Idica is a longtime National Board for Professional Teaching Standards (NBPTS) teacher and a leader in Hawaii's support network for aspiring NBPTS candidates. She has also been recognized by numerous state and national organizations for excellence in teaching, including the Hawaii State Teachers Association and the National

Education Association Foundation. Your Committee finds that Ms. Idica's experience as an educator and leader in teaching excellence will be great assets to the Hawaii Teacher Standards Board.

JONATHAN KISSIDA

Your Committee received testimony in support of the nomination of Jonathan Kissida from the Hawaii Teacher Standards Board.

Upon review of the testimony, your Committee finds that Mr. Kissida's experience as an educator and administrator qualifies him to be nominated for appointment to the Hawaii Teacher Standards Board. Your Committee notes that Mr. Kissida has worked as an education professional for sixteen years in a variety of roles, including teaching and administrative positions in elementary, intermediate, and high schools, and in schools serving a broad range of socioeconomic communities. Mr. Kissida has also previously served on the Hawaii Teacher Standards Board as Vice Chairperson, and led a sweeping revision of the Board's Administrative Rules to update licensing requirements. Your Committee finds that Mr. Kissida's experience as an education professional and his leadership in teaching excellence will be great assets to the Hawaii Teacher Standards Board.

As affirmed by the records of votes of the members of your Committee on Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1671 Education on Gov. Msg. Nos. 746 and 747

Recommending that the Senate advise and consent to the nominations of the following:

EDUCATION COMMISSION OF THE STATES

G.M. No. 746 ALAN OSHIMA, for a term to expire 06-30-2018; and

G.M. No. 747 JOAN HUSTED, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Alan Oshima and Joan Husted to possess the requisite qualifications to be nominated to the Education Commission of the States.

ALAN OSHIMA

Your Committee received testimony in support of the nomination for the appointment of Alan Oshima from the Hawaii Institute for Public Affairs, Chamber of Commerce Hawaii, and three individuals.

Upon review of the testimony, your Committee finds that Mr. Oshima's experience as an attorney, executive, and administrative professional also qualify him to be nominated for appointment to the Education Commission of the States. Your Committee notes that Mr. Oshima has an extensive history of service with organizations and bodies devoted to the benefit of Hawaii's public schools and public school students, including Hawaii 3R's, Hawaii Institute of Public Affairs, and the Governor's Every Student Succeeds Act Team. Mr. Oshima has also previously served as one of the six Hawaii Commissioners on the Education Commission of the States. Your Committee finds that Mr. Oshima's expertise and commitment to the interests of Hawaii's public school students will be great assets to the Education Commission of the States.

JOAN HUSTED

Your Committee received testimony in support of the nomination for the reappointment of Joan Husted from the Hawaii Institute for Public Affairs.

Your Committee finds that Ms. Husted's experience as an education professional, administrator, and advocate also qualify her to be nominated for reappointment to the Education Commission of the States. Your Committee notes that Ms. Husted's career in education stretched from 1971 to 2007, at which point she retired as the Hawaii State Teacher Association's Executive Director and Chief Negotiator. Ms. Husted served as a negotiator for Hawaii State Teachers Association throughout her career, and was the teacher negotiator for the first statewide teacher collective bargaining agreement in the United States. Ms. Husted has also served on numerous boards and public service bodies throughout her professional career and since her retirement, including the Hawaii State Commission on the Status of Women, Industrial Relations Research Association, and Education Institute of Hawaii. Ms. Husted is also currently serving as a Commissioner on the Education Commission of the States. Your Committee finds that Ms. Husted's extensive expertise in education administration and policy and her commitment to the interests of Hawaii's public school students will continue to be great assets to the Education Commission of the States.

As affirmed by the records of votes of the members of your Committee on Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1672 Education on Gov. Msg. Nos. 772, 773, 774, 775, 776, and 777

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF EDUCATION

G.M. No. 772 BRIAN DE LIMA, for a term to expire 06-30-2017;

G.M. No. 773 BRIAN DE LIMA, for a term to expire 06-30-2020;

- G.M. No. 774 KENNETH UEMURA, for a term to expire 06-30-2019;
G.M. No. 775 CHRISTINE NAMAU‘U, for a term to expire 06-30-2020;
G.M. No. 776 NOLAN KAWANO, for a term to expire 06-30-2017; and
G.M. No. 777 NOLAN KAWANO, for a term to expire 06-30-2020

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Brian De Lima, Kenneth Uemura, Christine Namau‘u, and Nolan Kawano to possess the requisite qualifications to be nominated to the Board of Education.

BRIAN DE LIMA

Your Committee received testimony in support of the nomination for the appointment and reappointment of Brian De Lima from the Ka Haka ‘Ula O Ke‘elikōlani College of Hawaiian Language at the University of Hawai‘i at Hilo, Hui for Excellence in Education, and seven individuals.

Upon review of the testimony, your Committee finds that Mr. De Lima’s extensive legislative and litigation experience, consistent strong advocacy for high-needs students, and history of dedicated service to all of Hawai‘i’s students also qualify him to be nominated for appointment and reappointment to the Board of Education. Your Committee notes that Mr. De Lima has demonstrated a commitment to providing services to those least able to afford services, and that he continues to provide pro bono legal services for family law clients and participates in the Hawaii Lawyers Care family law clinics. Your Committee further notes that Mr. De Lima has served on the Board of Education since 2010, and that the Board has benefitted from his expertise and perspective, as well as his ability to recognize and address problems within the Hawaii public school system, such as chronic absenteeism. Your Committee finds that Mr. De Lima’s expertise and his commitment to the needs of Hawai‘i’s students will continue to be great assets to the Board of Education.

KENNETH UEMURA

Your Committee received testimony in support of the nomination for the reappointment of Kenneth Uemura from the Hawaii Institute for Public Affairs; Hui for Excellence in Education; Continental Mechanical of the Pacific; Benefits International, Inc.; and thirty-two individuals.

Upon review of the testimony, your Committee finds that Mr. Uemura’s extensive leadership experience in Hawai‘i’s business and public service communities also qualify him to be nominated for reappointment to the Board of Education. Your Committee notes that Mr. Uemura has been publicly recognized for excellence throughout his professional career, particularly in his previous role as Vice President and Chief Financial Officer of Hawai‘i Pacific University. Mr. Uemura also has a long history of dedicated service on non-profit boards and community organizations. Your Committee further notes that Mr. Uemura is currently serving on the Board of Education, and that the Board has benefitted from his professional leadership experience. Your Committee finds that Mr. Uemura’s expertise and his commitment to the needs of Hawai‘i’s students will continue to be great assets to the Board of Education.

CHRISTINE NAMAU‘U

Your Committee received testimony in support of the nomination of Christine Namau‘u from the Office of Hawaiian Affairs; Early Childhood Associate Degree Program of the University of Hawaii Maui College; Hui No Ke Ola Pono; ‘Aha Kauleo, Aha Pūnana Leo; Native Hawaiian Education Council; Hui for Excellence in Education; Nā Leo Pūlama o Maui, Inc.; Papa Ola Lokahi; and thirty-four individuals.

Upon review of the testimony, your Committee finds that Ms. Namau‘u’s extensive education and administrative experience also qualify her to be nominated for appointment to the Board of Education. Your Committee notes that Ms. Namau‘u has served for the past twenty-five years as the Director of Pūnana Leo o Maui, one of the preschools in the statewide ‘Aha Pūnana Leo program. Ms. Namau‘u also serves as a member of the National Association for the Education of Young Children, Maui Native Hawaiian Chamber of Commerce, and the community member of the School Community Council for King Kekaulike High School. Your Committee finds that Ms. Namau‘u’s expertise in education and commitment to the needs of Hawai‘i’s students will be great assets to the Board of Education.

NOLAN KAWANO

Your Committee received testimony in support of the nomination for the reappointment of Nolan Kawano from the Chamber of Commerce Hawaii, Hui for Excellence in Education, International Longshore and Warehouse Union Local 142, Center for Tomorrow’s Leaders, and six individuals.

Upon review of the testimony, your Committee finds that Mr. Kawano’s extensive business and educational service experience also qualify him to be nominated for reappointment to the Board of Education. Your Committee notes that Mr. Kawano has been active since 2005 within the Public Schools of Hawaii Foundation, which provides public school teachers in Hawaii with Good Idea Grants for materials and supplies used to engage, excite, and educate students, including serving as the Foundation’s president from 2009 to 2014. Mr. Kawano has also served as Director and Treasurer of Hawaii 3R’s, which works to repair, remodel, and restore public schools in Hawaii, since 2011. Your Committee finds that Mr. Kawano’s expertise and dedication to the needs of Hawai‘i’s students will continue to be great assets to the Board of Education.

As affirmed by the records of votes of the members of your Committee on Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1673 Agriculture and Environment on Gov. Msg. Nos. 731, 825, 826, and 827

Recommending that the Senate advise and consent to the nominations of the following:

ADVISORY COMMITTEE ON PESTICIDES

- G.M. No. 731 TAMMY MURRAY, for a term to expire 06-30-2020;
 G.M. No. 825 CYNTHIA REZENTES, for a term to expire 06-30-2019;
 G.M. No. 826 REGINALD HASEGAWA, for a term to expire 06-30-2021; and
 G.M. No. 827 JASON MISAKI, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Tammy Murray, Cynthia Rezentes, Reginald Hasegawa, and Jason Misaki to possess the requisite qualifications to be nominated to the Advisory Committee on Pesticides.

TAMMY MURRAY

Your Committee received testimony in support of the nomination for the appointment of Ms. Tammy Murray from the Department of Agriculture, Hawaii Pest Control Association, and one individual.

Upon review of the testimony, your Committee finds that Ms. Murray's professional experience and background in the pesticide industry also qualify her to be nominated for appointment to the Advisory Committee on Pesticides. Your Committee notes that Ms. Murray works for Aloha Termite & Pest Control, Inc., and serves as the President of the Hawaii Pest Control Association. She has over fifteen years of experience in the termite and pest control industry, including experience with the use, application, and regulation of pesticides in Hawaii. Based on her knowledge, experience, and commitment to public service, your Committee finds that Ms. Murray will be an asset to the Advisory Committee on Pesticides.

CYNTHIA REZENTES

Your Committee received testimony in support of the nomination for the appointment of Ms. Cynthia Rezentes from the Department of Agriculture and four individuals.

Upon review of the testimony, your Committee finds that Ms. Rezentes's professional experience and background in land conservation and watershed management also qualify her to be nominated for appointment to the Advisory Committee on Pesticides. Your Committee notes that Ms. Rezentes currently serves on the Environmental Protection Agency's National Environmental Justice Advisory Council and previously served on the Advisory Committee on Pesticides, at which time she assisted with updating and revising administrative rules. She serves on the Wai'anae Coast Neighborhood Board No. 24; Nanakuli-Ma'ili Neighborhood Board No. 36; O'ahu Resource, Conservation, and Development Council, Inc.; Hui Malama o Kane'aki; Mohala I Ka Wai; Ka Papa O Kakuhihewa Council; and O'ahu Land Trust/Hawaiian Islands Land Trust. Based on her knowledge, experience, and commitment to public service, your Committee finds that Ms. Rezentes will be an asset to the Advisory Committee on Pesticides.

REGINALD HASEGAWA

Your Committee received testimony in support of the nomination for the appointment of Mr. Reginald Hasegawa from the Department of Agriculture; Hawaii Agriculture Research Center; Hawai'i Farm Bureau; Hawaii Coffee Association; Maui County Farm Bureau; Hawaii Cattlemen's Council, Inc.; Ponoholo Ranch, Limited; and thirty-nine individuals.

Upon review of the testimony, your Committee finds that Mr. Hasegawa's professional experience and background in the agriculture input supply industry also qualify him to be nominated for appointment to the Advisory Committee on Pesticides. Your Committee notes that Mr. Hasegawa is the Location Manager for Crop Production Services, Inc., and has worked in the agricultural industry for several decades. He is a member of the Hawai'i Farm Bureau, Hawaii Tropical Fruit Growers, Hawaii Coffee Association, Hawaii Papaya Industry Association, Hawaii Export Nursery Association, Hawaii Orchid Growers Association, Hawaii Florists' and Shippers' Association, Hawaii Crop Improvement Association, and Hawaii Organic Farmers Association. Based on his knowledge, experience, and commitment to public service, your Committee finds that Mr. Hasegawa will be an asset to the Advisory Committee on Pesticides.

JASON MISAKI

Your Committee received testimony in support of the nomination for the reappointment of Mr. Jason Misaki from the Department of Agriculture and one individual.

Upon review of the testimony, your Committee finds that Mr. Misaki's professional experience and background in wildlife management and biology also qualify him to be nominated for reappointment to the Advisory Committee on Pesticides. Your Committee notes that Mr. Misaki is the Wildlife Program Manager for the Department of Land and Natural Resources Division of Forestry and Wildlife, Oahu Branch, and has over ten years' experience in managing wildlife sanctuaries, forest reserves, game management areas, and seabird sanctuaries. He currently serves on the Advisory Committee on Pesticides. Based on his knowledge, experience, and commitment to public service, your Committee finds that Mr. Misaki will continue to be an asset to the Advisory Committee on Pesticides.

As affirmed by the records of votes of the members of your Committee on Agriculture and Environment that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
 Ayes, 3. Noes, none. Excused, 2 (Nishihara, Ruderman).

SCRep. 1674 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 537

Recommending that the Senate advise and consent to the nomination of the following:

CHAIRPERSON OF THE HAWAII PAROLING AUTHORITY

G.M. No. 537 EDMUND HYUN, for a term to expire 06-30-2020

Your Committee has reviewed the resume and testimony submitted by the nominee and finds Edmund Hyun to possess the requisite qualifications to be nominated as Chairperson of the Hawaii Paroling Authority.

Your Committee received testimony in support of the nomination of Edmund Hyun from the Hawaii Paroling Authority; Department of Public Safety; Ho'omana Pono, LLC; and twenty-four individuals.

Upon review of the testimony, your Committee finds that Mr. Hyun's background, experience, and dedication to public service also qualify him for nomination as Chairperson of the Hawaii Paroling Authority. Your Committee notes that Mr. Hyun has had a long and distinguished career working in Hawaii's criminal justice system dating back to 1972. During his career, Mr. Hyun served as a Youth Correctional Officer, Juvenile Parole Administrator, and Court Unit Supervisor for the State of Hawaii. Following his retirement from the Department of Public Safety in 2013, Mr. Hyun has continued to work in public safety-related positions, including working with the Honolulu Liquor Commission. In addition, since August 2016, Mr. Hyun has served with distinction as the interim Chairperson of the Hawaii Paroling Authority. During that time, Mr. Hyun has overseen approximately 1,900 parole hearings. Moreover, under Mr. Hyun's direction, the Paroling Authority has significantly increased the number of in-person hearings conducted and the scheduling of hearings for inmates previously denied parole. Accordingly, your Committee finds that Mr. Hyun has the necessary experience, leadership skills, and dedication to public service that will make him a great asset as Chairperson of the Hawaii Paroling Authority.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1675 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 760

Recommending that the Senate advise and consent to the nomination of the following:

COMPACT ADMINISTRATOR OF THE STATE COUNCIL FOR THE INTERSTATE COMPACT FOR JUVENILES

G.M. No. 760 NATHAN FOO, for a term to expire 06-30-2018 (Compact Administrator added as a title by GM831)

Your Committee has reviewed the resume submitted by the nominee and finds Nathan Foo to possess the requisite qualifications to be nominated to the position of Compact Administrator for the State Council for the Interstate Compact for Juveniles.

Your Committee received testimony in support of the nomination of Nathan Foo from the Judiciary, State of Hawai'i.

Upon review of the testimony, your Committee finds that Mr. Foo's experience and commitment to public service also qualify him for nomination as Compact Administrator for the State Council for the Interstate Compact for Juveniles. Your Committee notes that Mr. Foo has extensive experience of more than thirty years working as a social services manager, supervisor, court officer, and probation officer for the State's family court. Through that work, Mr. Foo has counseled, managed, and supervised many juveniles processed through the court system. Mr. Foo is currently the Social Services Manager for the Juvenile Client Services Branch of the Family Court of the First Circuit, where he oversees juvenile services. Prior to his work in family court, Mr. Foo was a social worker in the Protective Services Intake Unit of the Department of Human Services' Child Protective Services and Catholic Charities of Hawaii. As a social worker, Mr. Foo provided counseling and support to minors in difficult family situations and those who were the victims of child abuse. Your Committee finds that Mr. Foo's vast experience working with juveniles is a great asset and will make him an excellent nominee for Compact Administrator for the State Council for the Interstate Compact for Juveniles.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1676 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 758

Recommending that the Senate advise and consent to the nomination of the following:

STATE COUNCIL FOR THE INTERSTATE COMPACT FOR ADULTS

G.M. No. 758 DENNIS DUNN, for a term to expire 06-30-2018

Your Committee has reviewed the resume submitted by the nominee and finds Dennis Dunn to possess the requisite qualifications to be nominated to the State Council for the Interstate Compact for Adults.

Your Committee received testimony in support of the nomination of Dennis Dunn from the Prosecuting Attorney of the City and County of Honolulu.

Upon review of the testimony, your Committee finds that Mr. Dunn's experience, background, and commitment to public service and victims' rights and assistance also qualify him for nomination to the State Council for the Interstate Compact for Adults. Your Committee notes that Mr. Dunn is the Director of the Victim Witness Assistance Division of the City and County of Honolulu Department of the Prosecuting Attorney. In addition, Mr. Dunn has an extensive history of community service and has been a long-time advocate for crime victims. Mr. Dunn has served as a member of the Domestic Violence Task Force, Hawaii State Coalition Against Domestic Violence Board, Mothers Against Drunk Driving Advisory Board, Sex Abuse Treatment Center Advisory Board, Hawaii Supreme Court Committee on Certification of Court Interpreters, Missing Child Center Hawaii Advisory Board, and Kailua Neighborhood Board. Your Committee finds that Mr. Dunn's lifelong dedication to public service and community building will be a great asset to the State Council for the Interstate Compact for Adults.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, none.

SCRep. 1677 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 759

Recommending that the Senate advise and consent to the nomination of the following:

STATE COUNCIL FOR THE INTERSTATE COMPACT FOR JUVENILES

G.M. No. 759 DENNIS DUNN, for a term to expire 06-30-2018

Your Committee has reviewed the resume submitted by the nominee and finds Dennis Dunn to possess the requisite qualifications to be nominated to the State Council for the Interstate Compact for Juveniles.

Your Committee received testimony in support of the nomination of Dennis Dunn from the Prosecuting Attorney of the City and County of Honolulu.

Upon review of the testimony, your Committee finds that Mr. Dunn's experience, background, and commitment to public service and victims' rights and assistance also qualify him for nomination to the State Council for the Interstate Compact for Juveniles. Your Committee notes that Mr. Dunn is the Director of the Victim Witness Assistance Division of the City and County of Honolulu Department of the Prosecuting Attorney. In addition, Mr. Dunn has an extensive history of community service and has been a long-time advocate for crime victims. Mr. Dunn has served as a member of the Domestic Violence Task Force, Hawaii State Coalition Against Domestic Violence Board, Mothers Against Drunk Driving Advisory Board, Sex Abuse Treatment Center Advisory Board, Hawaii Supreme Court Committee on Certification of Court Interpreters, Missing Child Center Hawaii Advisory Board, and Kailua Neighborhood Board. Your Committee finds that Mr. Dunn's lifelong dedication to public service and community building will be a great asset to the State Council for the Interstate Compact for Juveniles.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, none.

SCRep. 1678 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 761

Recommending that the Senate advise and consent to the nomination of the following:

CRIME VICTIM COMPENSATION COMMISSION

G.M. No. 761 SANDRA EASTLACK, for a term to expire 06-30-2021

Your Committee has reviewed the resume submitted by the nominee and finds that Sandra Eastlack possesses the requisite qualifications to be nominated to the Crime Victim Compensation Commission.

Your Committee received testimony in support of the nomination of Sandra Eastlack from the Crime Victim Compensation Commission and four individuals.

Upon review of the testimony, your Committee finds that Ms. Eastlack's management skills and commitment to public service also qualify her for nomination to the Crime Victim Compensation Commission. Your Committee notes that Ms. Eastlack has vast managerial and oversight experience as evidenced through her work overseeing large government programs, nonprofit programs, and community care facilities. In addition, Ms. Eastlack has successfully collaborated with others on large fundraising and grant proposals. Moreover, Ms. Eastlack has demonstrated a continuing commitment to public service, as evidenced by her work with the Hawai'i Counselors Association, Hawai'i State Coalition Against Domestic Violence, O'ahu Domestic Violence Task Force, and Student Advocates Against Domestic Violence Community Council. Further, Ms. Eastlack is a former Commissioner of the Crime Victim Compensation Commission and is therefore intimately familiar with the duties and responsibilities of the Commission members. Your Committee finds that Ms. Eastlack's experience and dedication to helping others will be great assets to the Crime Victim Compensation Commission.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee,

has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1679 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. Nos. 536, 620, 621, 693, 694, 695, 696, and 697

Recommending that the Senate advise and consent to the nominations of the following:

HAWAII AEROSPACE ADVISORY COMMITTEE

- G.M. No. 536 MICHAEL JACOBS, for a term to expire 06-30-2019;
- G.M. No. 620 DONALD STRANEY, for a term to expire 06-30-2017;
- G.M. No. 621 DONALD STRANEY, for a term to expire 06-30-2021;
- G.M. No. 693 JACQUELINE HOOVER, for a term to expire 06-30-2021;
- G.M. No. 694 CHRISTINE GAYAGAS, for a term to expire 06-30-2019;
- G.M. No. 695 STEWART BURLEY, for a term to expire 06-30-2021;
- G.M. No. 696 REID NOGUCHI, for a term to expire 06-30-2021; and
- G.M. No. 697 RAYNALD BEDARD, for a term to expire 06-30-2019

Your Committee has reviewed the resumes submitted by the nominees and finds Michael Jacobs, Donald Straney, Jacqueline Hoover, Christine Gayagas, Stewart Burley, Reid Noguchi, and Raynald Bedard to possess the requisite qualifications to be nominated to the Hawaii Aerospace Advisory Committee.

MICHAEL JACOBS

Your Committee received testimony in support of the nomination for the appointment of Michael Jacobs from the Department of Business, Economic Development, and Tourism.

Upon review of the testimony, your Committee finds that Mr. Jacobs' extensive knowledge and experience working on various space launch and technologies programs also qualify him for nomination to the Hawaii Aerospace Advisory Committee. Your Committee notes that Mr. Jacobs serves as the Senior Director of Business Development for the Propulsion Systems Division of Orbital ATK. Previously, Mr. Jacobs served as the Deputy Program Director of Atlas Launch Operations for Lockheed Martin Space Systems Company and as part of the management team for the Crew Exploration Vehicle "Orion". Mr. Jacobs has also held several engineering and project management positions helping to develop technical enhancements for various projects including the Atlas V/Evolved Expendable Launch Vehicle and the Shuttle/Centaur and Titan/Centaur launch vehicles. In addition, Mr. Jacobs has co-published several papers on advanced space launch and unmanned aerial systems. Your Committee finds that Mr. Jacobs' vast experiences and technical expertise will be great assets to the Hawaii Aerospace Advisory Committee.

DONALD STRANEY

Your Committee received testimony in support of the nomination for the appointment and reappointment of Donald Straney from the Department of Business, Economic Development, and Tourism; Hawaii Island Economic Development Board; Pacific International Space Center for Exploration Systems; and two individuals.

Upon review of the testimony, your Committee finds that Mr. Straney's experience and commitment to community growth and progress and position as Chancellor of the University of Hawaii at Hilo also qualify him for consideration for reappointment to the Hawaii Aerospace Advisory Committee. Your Committee notes that Mr. Straney has had a long and distinguished career committed to higher education. Over the past three decades, Mr. Straney has served in a variety of administrative roles for universities across the country, including the University of Hawaii at Hilo where he serves as Chancellor. In addition, Mr. Straney has served on the Board of Directors of the Pacific International Space Center for Exploration Systems, or PISCES, since 2012. Further, your Committee has learned that, throughout his career, Mr. Straney has demonstrated a continuing commitment to serving larger societal and community goals through his service on numerous committees and memberships in numerous professional societies that work to promote the inclusion and advancement of underrepresented groups. Your Committee finds that Mr. Straney's connections, commitment to higher education, and experience will be great assets to the Hawaii Aerospace Advisory Committee.

JACQUELINE HOOVER

Your Committee received testimony in support of the nomination for the reappointment of Jacqueline Hoover from the Department of Business, Economic Development, and Tourism; Pacific International Space Center for Exploration Systems; and six individuals.

Upon review of the testimony, your Committee finds that Ms. Hoover's background, experience, and membership on the Hawaii Economic Development Board also qualify her for consideration for reappointment to the Hawaii Aerospace Advisory Committee. Your Committee notes Ms. Hoover is the former Interim Executive Director of the Natural Energy Laboratory of Hawaii Authority, a state agency attached to the Department of Business, Economic Development, and Tourism that operates an ocean science and technology park. In addition, Ms. Hoover has demonstrated an ongoing commitment to promoting progress in the State as evidenced by her service as Executive Director of the Hawaii Island Economic Development Board and President of the Hawaii Leeward Planning Conference, both of which are organizations committed to furthering balanced economic growth and sound planning. Moreover, during her career, Ms. Hoover has been responsible for helping to manage vast and expensive commercial construction projects, including the Hyatt Regency Waikoloa and all aspects of Kings' Shops, a 50,000 square foot upscale shopping resort. Your

Committee finds that Ms. Hoover's managerial experience and commitment to community progress will continue to be great assets to the Hawaii Aerospace Advisory Committee.

CHRISTINE GAYAGAS

Your Committee received testimony in support of the nomination for the appointment of Christine Gayagas from the Department of Business, Economic Development, and Tourism.

Upon review of the testimony, your Committee finds that Ms. Gayagas' management experience, relationship building skills, proven leadership, and membership on the Oahu Economic Development Board also qualify her for nomination to the Hawaii Aerospace Advisory Committee. Your Committee notes that Ms. Gayagas has an extensive management background. In recent years, Ms. Gayagas has owned and operated several consulting businesses in the State, including Gayagas Enterprises, LLC; First Canoe Strategies and Consulting, LLC; and MGMT Consulting, LLC, which focus on a variety of objectives such as building partnerships between private businesses and the Department of Defense and growing Hawaii's economy by retaining exported dollars and supporting sustainability. Prior to founding her own businesses, Ms. Gayagas was a Deputy Commander, Chief of Staff, and Multi-National Corps – Iraq Deputy C4/Logistics Readiness Center Chief in the United States Army where she supported thousands of troops and was responsible for establishing logistics plans in preparation of the first Iraqi elections following Operation Iraqi Freedom. Your Committee finds that Ms. Gayagas' military service, connections with the Department of Defense, and leadership and managerial skills will be great assets to the Hawaii Aerospace Advisory Committee.

STEWART BURLEY

Your Committee received testimony in support of the nomination for the reappointment of Stewart Burley from the Department of Business, Economic Development, and Tourism.

Upon review of the testimony, your Committee finds that Mr. Burley's extensive aerospace-related experience, commitment to community service, and membership on the Kauai Economic Development Board also qualify him for consideration for reappointment to the Hawaii Aerospace Advisory Committee. Your Committee notes that Mr. Burley is the Associate Director of the Hawaii Space Flight Lab, where he helped to launch CubeSat satellites and establish the first satellite launches out of Hawaii. Moreover, he served as a United States Navy Guided Missileman and later obtained more than one hundred flight hours in the backseat of the F-9 Cougar in Hawaiian airspace. In addition, Mr. Burley has long supported and promoted the State and its communities as demonstrated by his involvement in such organizations as the Kauai Chamber of Commerce, Kauai Economic Development Board, Friends of KCC, and Kauai Historical Society. Further, Mr. Burley currently serves on the Hawaii Aerospace Advisory Committee and is therefore intimately familiar with the responsibilities and duties associated with membership on the Committee. Accordingly, your Committee finds that Mr. Burley's aerospace knowledge and commitment to serving the local community will continue to be great assets to the Hawaii Aerospace Advisory Committee.

REID NOGUCHI

Your Committee received testimony in support of the nomination for the reappointment of Reid Noguchi from the Department of Business, Economic Development, and Tourism.

Upon review of the testimony, your Committee finds that Mr. Noguchi's engineering knowledge and experiences in the aerospace industry also qualify him for consideration for reappointment to the Hawaii Aerospace Advisory Committee. Your Committee notes that Mr. Noguchi attended the prestigious Massachusetts Institute of Technology where he obtained bachelor's and master's degrees in Aeronautical/Astronautical Engineering. Mr. Noguchi also helped design and analyze satellites for on-contract and new commercial space programs for Lockheed Martin. In addition, for much of his career, Mr. Noguchi has worked as a systems engineer and program and general manager for BAE Systems developing and demonstrating airborne intelligence, surveillance, and reconnaissance sensor systems. Further, Mr. Noguchi served on the Hawaii Aerospace Advisory Committee from 2013 to 2015 and is therefore intimately familiar with the responsibilities and duties associated with membership on the Committee. Therefore, your Committee finds that Mr. Noguchi's knowledge and experience will continue to be great assets to the Hawaii Aerospace Advisory Committee.

RAYNALD BEDARD

Your Committee received testimony in support of the nomination for the appointment of Raynald Bedard from the Department of Business, Economic Development, and Tourism.

Upon review of the testimony, your Committee finds that Mr. Bedard's extensive experience and knowledge in aerospace training and technology also qualify him for nomination to the Hawaii Aerospace Advisory Committee. Your Committee notes that Mr. Bedard serves as the President of True Course Simulations, LLC, which specializes in aerospace training and education, online training material development, and flight training missions development. In addition, for nearly fifteen years, Mr. Bedard has served as a college professor at Emory-Riddle Aeronautical University's College of Aviation where, along with winning several teaching awards, he created a minor course of study in Unmanned Aircraft Systems. Mr. Bedard was also a faculty member at the University of Hawaii at Hilo. In addition to his service in higher education, Mr. Bedard has further demonstrated his commitment to public service by acting as founding director of Boys to Men of North Central Arizona, a volunteer organization dedicated to mentoring and supporting boys in their transition into manhood. Accordingly, your Committee finds that Mr. Bedard's vast knowledge and dedication to public service will be great assets to the Hawaii Aerospace Advisory Committee.

As affirmed by the records of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, none.

SCRep. 1680 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 622

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF DIRECTORS OF THE PACIFIC INTERNATIONAL SPACE CENTER FOR EXPLORATION SYSTEMS

G.M. No. 622 LUKE FLYNN, for a term to expire 06-30-2019

Your Committee has reviewed the resume submitted by the nominee and finds Luke Flynn to possess the requisite qualifications to be nominated to the Board of Directors of the Pacific International Space Center for Exploration Systems.

Your Committee received testimony in support of the nomination for the appointment of Luke Flynn from the Pacific International Space Center for Exploration Systems.

Upon review of the testimony, your Committee finds that Dr. Flynn's background and experience also qualify him for appointment to the Board of Directors of the Pacific International Space Center for Exploration Systems. Your Committee notes that Dr. Flynn has extensive experience as a leader in the aerospace industry. Dr. Flynn currently serves as the Director of the Hawaii Space Grant Consortium, Hawaii NASA EPSCoR Program, and Hawaii Space Flight Laboratory and is the principal investigator for the Low-Earth Orbit, Nanosatellite Integrated Defense Autonomous System. Dr. Flynn is also a member of the Executive Committee of the National Space Grant Program and a faculty Specialist and Associate Researcher for the University of Hawaii at Manoa. In his various roles, Dr. Flynn has demonstrated a commitment to enhancing opportunities for Hawaii residents and others to pursue space-related research careers. Dr. Flynn is also the author of forty peer-reviewed journal articles and more than sixty scientific abstracts. Accordingly, your Committee finds that Dr. Flynn's aerospace knowledge and dedication to public service will be great assets to the Board of Directors of the Pacific International Space Center for Exploration Systems.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1681 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 734

Recommending that the Senate advise and consent to the nomination of the following:

ADVISORY BOARD ON VETERANS' SERVICES

G.M. No. 734 BRIDGET KOMINE, for a term to expire 06-30-2021

Your Committee has reviewed the resume submitted by the nominee and finds Bridget Komine to possess the requisite qualifications to be nominated for reappointment to the Advisory Board on Veterans' Services.

Your Committee received testimony in support of the nomination for the reappointment of Bridget Komine from the State Office of Veterans' Affairs, Governor's Advisory Board for Veteran Services, and two individuals.

Upon review of the testimony, your Committee finds that Ms. Komine's experience, background, and commitment to serving veterans also qualify her for consideration for reappointment to the Advisory Board on Veterans' Services. Ms. Komine served in the United States Air Force and Hawaii Air National Guard for more than thirty years, and retired as a Chief Master Sergeant. Currently, she is the Assistant Director of the United States Department of Labor, Veterans Employment and Training Service, for Hawaii and Guam. As Assistant Director, she has helped to develop and sustain the Hawaii Hires Heroes program to ensure that veterans seeking job opportunities are connected with veteran-friendly employers. Additionally, Ms. Komine is a current member of the Advisory Board on Veterans' Services and has been a strong supporter of initiatives for female veterans. Your Committee finds that Ms. Komine's past military service, as well as her continued support of and commitment to serving veterans, will continue to be great assets to the Advisory Board on Veterans' Services.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1682 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. Nos. 732 and 733

Recommending that the Senate advise and consent to the nominations of the following:

HAWAII ADVISORY COUNCIL ON EMERGENCY MANAGEMENT

G.M. No. 732 SHELDON LEHMAN, for a term to expire 06-30-2021; and

G.M. No. 733 WILLIAM ANONSEN, for a term to expire 06-30-2021

Your Committee has reviewed the resumes submitted by the nominees and finds Sheldon Lehman and William Anonsen to possess the requisite qualifications to be nominated for reappointment to the Hawaii Advisory Council on Emergency Management.

SHELDON LEHMAN

Your Committee received testimony in support of the nomination for the reappointment of Sheldon Lehman from the Hawaii Emergency Management Agency and four individuals.

Upon review of the testimony, your Committee finds that Mr. Lehman's broad background in supporting emergency and consequence management efforts in Hawaii also qualify him for consideration for reappointment to the Hawaii Advisory Council on Emergency Management. Your Committee notes from the discussion at the hearing that as the Owner-Operator of Weldin Sheldon & Company, Mr. Lehman worked with Hawaii County Civil Defense to move homes during lava emergencies. Mr. Lehman has served as the Chief of the Hawaii County Volunteer Fire Department for more than twenty-five years and has completed the Hazardous Materials (HAZMAT) and other National Incident Management System (NIMS) courses. In addition, Mr. Lehman has admirably served as a member of the Hawaii Advisory Council on Emergency Management since 2013. Your Committee finds that Mr. Lehman's extensive experience, knowledge, and commitment to public service will continue to be assets to the Hawaii Advisory Council on Emergency Management.

WILLIAM ANONSEN

Your Committee received testimony in support of the nomination for the reappointment of William Anonsen from the Hawaii Emergency Management Agency; Chamber of Commerce Hawaii; Clean Energy Solutions; Group 70 International, Inc.; Hawaiian Electric Company, Inc.; Hawaii Public Charter Schools Network; Hawaii Transportation Association; Hawaii Fire Fighters Association, Local 1463, IAFF, AFL-CIO; Kai Hawaii; Outrigger Enterprises Group; Pacific Shipyards International; Sea Engineering, Inc.; Ulupono Initiative; and Rolf Advertising; and twenty-seven individuals.

Upon review of the testimony, your Committee finds that Mr. Anonsen's extensive working knowledge of all facets of the maritime transportation industry and emergency preparedness also qualify him for consideration for reappointment to the Hawaii Advisory Council on Emergency Management. Your Committee notes that Mr. Anonsen is currently the Managing Partner and Principal of The Maritime Group, LLC, a maritime consultancy firm, where he works with several emergency response, law enforcement, and non-profit organizations and has also served as the Vice Chair to the Maritime Committee of the Chamber of Commerce of Hawaii. Prior to his work with The Maritime Group, LLC, Mr. Anonsen served as the Director of Port Operations for Norwegian Cruise Lines. Mr. Anonsen's previous employment also includes serving as the Maritime Operations Specialist for the Department of Transportation; Vice President of Maritime Affairs and Training at American Classic Voyages Co.; Marine Operations Traffic Manager of Sause Brothers Ocean Towing, Inc.; Marine Operations Assistant of Matson Navigation Company; and Operations Assistant Manager of Theo Davies Marine Agencies, Inc. With forty-two years of business experience and an extensive working knowledge of all facets of the maritime transportation industry and emergency preparedness, Mr. Anonsen understands Hawaii's critical infrastructure and resources. Moreover, as the current chair of the Hawaii Advisory Council on Emergency Management, Mr. Anonsen has helped to ensure that processes and systems are in place to protect lives, as well as Hawaii's finite resources. Therefore, your Committee finds that Mr. Anonsen's continued membership on the Hawaii Advisory Council on Emergency Management will continue to be an asset to the Council.

As affirmed by the records of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1683 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 538

Recommending that the Senate advise and consent to the nomination of the following:

HAWAI'I PAROLING AUTHORITY

G.M. No. 538 FITUINA TUA, for a term to expire 06-30-2020

Your Committee has reviewed the resume submitted by the nominee and finds Fituina Tua to possess the requisite qualifications to be nominated for reappointment to the Hawaii Paroling Authority.

Your Committee received testimony in support of the nomination for the reappointment of Fituina Tua from the Hawai'i Paroling Authority, Department of Public Safety, and two individuals.

Upon review of the testimony, your Committee finds that Mr. Tua's background and experience also qualify him for consideration for reappointment to the Hawaii Paroling Authority. Your Committee notes that Mr. Tua has had a distinguished career working in the criminal justice system. Mr. Tua has previously worked as an officer in the Massachusetts Correctional Institution, where he cared for and supervised over fifty inmates in a medium security unit. Mr. Tua has also served as a juvenile probation officer on two separate occasions and was a Senior United States Probation Officer for the United States District Court of the District of Hawaii. Further, Mr. Tua has dutifully served as a member of the Hawaii Paroling Authority since 2013 and has demonstrated his commitment to the responsibilities of the position. Your Committee finds that Mr. Tua would continue to be a great asset to the Hawaii Paroling Authority.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1684 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. Nos. 802 and 804

Recommending that the Senate advise and consent to the nominations of the following:

CORRECTIONAL INDUSTRIES ADVISORY COMMITTEE

G.M. No. 802 JON MATSUO, for a term to expire 06-30-2021; and

G.M. No. 804 DAVID MATSUURA, for a term to expire 06-30-2021 (term amended to 6-30-2020 by GM834)

Your Committee has reviewed the resumes submitted by the nominees and finds that Jon Matsuo and David Matsuura possess the requisite qualifications to be nominated to the Correctional Industries Advisory Committee.

JON MATSUO

Your Committee received testimony in support of the nomination for the reappointment of Jon Matsuo from the Department of Public Safety.

Upon review of the testimony, your Committee finds that Mr. Matsuo's knowledge and experience in executive coaching and leadership in the private and public sectors also qualify him for consideration for reappointment to the Correctional Industries Advisory Committee. Mr. Matsuo has taken on leadership roles at several professional consulting and coaching firms, including Jon MATSUO, LLC, which he founded and owns as Principal. Your Committee notes that Mr. Matsuo demonstrated, while working at the Department of Transportation, his ability to address challenges and issues with balance, competence, and integrity. Your Committee further finds that Mr. Matsuo's professional planning and project development skills and experience as a current member of the Correctional Industries Advisory Committee will continue to be great assets to the Committee, especially as the Committee begins strategic and organizational planning to become more financially viable.

DAVID MATSUURA

Your Committee received testimony in support of the nomination of David Matsuura from the Department of Public Safety.

Upon review of the testimony, your Committee finds that Mr. Matsuura's experience and commitment to public service also qualify him for nomination for appointment to the Correctional Industries Advisory Committee. Your Committee notes that from 1998 to 2002, Mr. Matsuura served as a Hawaii State Senator and chaired the Committee on Health and Human Services. Mr. Matsuura is from the Island of Hawaii and has considerable business experience in the private sector, particularly in agriculture and nursery operations, which are areas of strategic growth for Hawaii Correctional Industries. In addition, Mr. Matsuura is a past member of the Correctional Industries Advisory Committee and during that time proved valuable to the Committee in evaluating and assessing the correctional industries program in order to make improvements. Accordingly, your Committee finds that Mr. Matsuura's proven record of service and previous experience will make him a great asset to the Correctional Industries Advisory Committee.

As affirmed by the records of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1685 Education on Gov. Msg. Nos. 724, 725, 726, and 727

Recommending that the Senate advise and consent to the nominations of the following:

EARLY LEARNING ADVISORY BOARD

G.M. No. 724 MARI UEHARA, for a term to expire 06-30-2017;

G.M. No. 725 MARI UEHARA, for a term to expire 06-30-2019;

G.M. No. 726 EDELUISA BAGUIO-LARENA, for a term to expire 06-30-2018; and

G.M. No. 727 MAUREEN RAWLINS, for a term to expire 06-30-2018

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Mari Uehara, Edeluisa Baguio-Larena, and Maureen Rawlins to possess the requisite qualifications to be nominated for appointment to the Early Learning Advisory Board.

MARI UEHARA

Your Committee received testimony in support of the nomination for the appointment and reappointment of Mari Uehara from the Early Learning Advisory Board and one individual.

Upon review of the testimony, your Committee finds that Dr. Uehara's experience as a pediatrician and her expertise in child development also qualify her to be nominated for appointment and reappointment to the Early Learning Advisory Board. Your Committee notes that Dr. Uehara has practiced as a pediatrician in Japan and the United States since 1989, and has made significant contributions to the literature of pediatric medicine. Dr. Uehara has been attending meetings of the Early Learning Advisory Board as a member of the public for the past year, and has demonstrated expertise and provided a valuable perspective on the issues considered by the Board. Your Committee finds that Dr. Uehara's experience as a pediatrician and her understanding of children's development from a physical and social context will continue to be great assets to the Early Learning Advisory Board.

EDELUIISA BAGUIO-LARENA

Your Committee received testimony in support of the nomination for the appointment of Edeluisa Baguio-Larena from the Department of Health and one individual.

Upon review of the testimony, your Committee finds that Ms. Baguio-Larena's administrative experience and expertise in child development also qualify her to be nominated for appointment to the Early Learning Advisory Board. Your Committee notes that Ms. Baguio-Larena is the Chief Executive Officer of Maui Family Support Services, Inc., a non-profit agency serving Maui County. In that capacity, she has supervised and supported staff providing home-based services to young children and their families, promoting a nurturing learning environment for children and facilitating healthy child development. Ms. Baguio-Larena has also served Hawaii's vulnerable young children as a social worker, clinical supervisor, and program supervisor for the Maui Family Support Services Early Head Start program. Your Committee finds that Ms. Baguio-Larena's extensive experience and commitment to the well-being of young children in Hawaii will be great assets to the Early Learning Advisory Board.

MAUREEN RAWLINS

Your Committee received testimony in support of the nomination for the reappointment of Maureen Rawlins from the Office of Hawaiian Affairs, Early Learning Advisory Board, 'Aha Pūnana Leo, Ka Haka 'Ula O Ke'elikōlani College of Hawaiian Language at the University of Hawai'i at Hilo, Native Hawaiian Education Council, and six individuals.

Upon review of the testimony, your Committee finds that Ms. Rawlins's extensive range of professional experiences in indigenous education and her dedication to community service also qualify her to be nominated for reappointment to the Early Learning Advisory Board. Your Committee notes that Ms. Rawlins has been involved in the development of preschool to twelfth grade indigenous learning for over thirty years, and is the co-founder and Vice President of the National Coalition of Native American Language Schools and Programs. Ms. Rawlins served as the Executive Director of the 'Aha Pūnana Leo program for eighteen years, and is intimately familiar with the concerns and needs of Hawaiian language medium early learning providers. Your Committee further notes that Ms. Rawlins has served on the Early Learning Advisory Board since 2012, as the representative of Hawaiian Medium Early Learning Providers. Your Committee finds that Ms. Rawlins' comprehensive expertise in indigenous education and commitment to the needs of Hawaii's children will continue to be great assets to the Early Learning Advisory Board.

As affirmed by the records of votes of the members of your Committee on Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, none.

SCRep. 1686 International Affairs and the Arts on Gov. Msg. No. 754

Recommending that the Senate advise and consent to the nomination of the following:

HAWAI'I HISTORIC PLACES REVIEW BOARD

G.M. No. 754 WILLIAM SOUZA, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Mr. William Souza to possess the requisite qualifications to be nominated for appointment to the Hawaii Historic Places Review Board.

Your Committee received testimony in support of the nomination for the appointment of Mr. Souza from the Department of Land and Natural Resources and one individual.

Your Committee finds that Mr. Souza has over forty-five years of experience serving communities throughout Hawaii and working to preserve Hawaiian culture and practices. Mr. Souza earned a Bachelor of Arts degree from Chaminade University of Honolulu. Mr. Souza has a broad array of professional experience including service as an Information Specialist for the Department of Labor and Industrial Relations and as a Media Consultant for the Department of Commerce and Consumer Affairs. Mr. Souza currently serves as the High Chief in the Royal Order of Kamehameha I, Hawaii Chapter 1; and as a member of the Board of Directors for Alu Like, Inc. He previously coordinated a Native Hawaiian program for Hawaiians to take tuition-free Hawaiian language and cultural courses at Leeward Community College. He also formerly served on the Hawaii Advisory Committee on State Office Buildings named for Alii, Hawaii Advisory Committee for the Art in the Leiopapa a Kamehameha building, and Hawaii Advisory Committee on Literacy programs at Leeward Community College. Upon review of the testimony, your Committee finds that Mr. Souza's professional experience and extensive background in the preservation of Hawaiian culture and arts qualify him for appointment to the Hawaii Historic Places Review Board.

As affirmed by the record of votes of the members of your Committee on International Affairs and the Arts that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (English).

SCRep. 1687 Water and Land on Gov. Msg. Nos. 718 and 719

Recommending that the Senate advise and consent to the nominations of the following:

NATURAL AREA RESERVES SYSTEM COMMISSION

G.M. No. 718 GLENN BAUER, for a term to expire 06-30-2021; and

G.M. No. 719 SCOTT ROWLAND, for a term to expire 06-30-2021 (board name amended to Natural Area Reserves System Commission by GM743)

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and find Glenn Bauer and Scott Rowland to possess the requisite qualifications to be nominated to the Natural Area Reserves System Commission.

GLENN BAUER

Your Committee received testimony in support of the nomination for the appointment of Glenn Bauer from the Department of Land and Natural Resources, Sierra Club Of Hawai'i, and one individual.

Glenn Bauer received a Bachelor of Science degree in Geology from the University of Redlands and a Master of Science degree in Geology from the University of Hawaii at Manoa. Mr. Bauer has been self-employed as a Geologist since 2011, and prior to that was a Sr. Geologist at Mink & Yuen, Inc., from 2005 to 2011, Hawaii State Geologist at the Commission on Water Resource Management from 1999 to 2005, Geologist at the Commission on Water Resource Management from 1990 to 1999, and Geologist-Hydrologist at the Honolulu Board of Water Supply from 1970 to 1990. Mr. Bauer holds a Geologist license from Washington State, and is a member of numerous professional organizations.

Your Committee finds that the nominee has extensive experience applicable to serving on the Natural Area Reserves System Commission as a person possessing scientific qualifications as evidenced by an academic degree, as specified in section 195-6, Hawaii Revised Statutes. Testifiers commented on Mr. Bauer's extensive experience with the hydrology of the islands in his work as a Geologist-Hydrologist and participation in relevant boards and committees. The nominee indicated in his personal statement his desire to help Hawaii's natural environment from his perspective as a geologist and a life-long resident of the islands. The nominee also noted his extensive geologic and hydrologic fieldwork experience throughout the Hawaiian Islands and remote locations, and decades of observational experiences relevant to the work of the Commission. Your Committee finds that Mr. Bauer has the education, knowledge, and experience to serve effectively on the Natural Area Reserves System Commission.

SCOTT ROWLAND

Your Committee received testimony in support of the nomination for the appointment of Scott Rowland from the Department of Land and Natural Resources, Sierra Club Of Hawai'i, and four individuals.

Scott Rowland received a Bachelor of Science in Geology from Oregon State University and a Ph.D. in Geology & Geophysics from the University of Hawaii at Manoa. Since 2004, Dr. Rowland has been an Associate Specialist and then Specialist in the Department of Geology & Geophysics at the University of Hawaii at Manoa. Previously, Dr. Rowland was a Geologist for Dames & Moore, Instructor at Windward Community College, Laboratory Technician at United States Geological Survey, Geologist for Smith-Evennden Associates, and Instructor in the Department of Geology & Geophysics at the University of Hawaii. Dr. Rowland has also published numerous academic articles in his field.

Your Committee finds that the nominee has the required membership, experience, and background to serve on the Natural Area Reserves System Commission as an individual possessing membership in a hiking organization organized in the State, pursuant to section 195-6, Hawaii Revised Statutes. Testifiers commented that Dr. Rowland has been a long-time member of the Sierra Club of Hawai'i, and was one of the first leaders of the Hawaii Service Trip Program through the Hawaii Chapter of the Sierra Club, leading university-age students on summer trail building projects around the State. Dr. Rowland indicated in his personal statement that he was previously on the Commission from 2001 to 2009, as the geological representative, and he would once again be proud to serve on the Commission and help in efforts to protect the ecosystem. Dr. Rowland's specific goals while serving on the Commission include increasing the number of hiking trails and campsites in non-natural area reserve state lands to provide more opportunities for people to experience the outdoors and become better stewards of the environment, and working with other members of the Commission to establish one or more geological Natural Area Reserves. Your Committee finds that Dr. Rowland has the experience, knowledge, and background to successfully serve as the hiking organization member on the Natural Area Reserves System Commission.

As affirmed by the records of votes of the members of your Committee on Water and Land that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1688 Water and Land on Gov. Msg. No. 668

Recommending that the Senate advise and consent to the nomination of the following:

LEGACY LAND CONSERVATION COMMISSION

G.M. No. 668 WENDY WILTSE, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Wendy Wiltse to possess the requisite qualifications to be nominated to the Legacy Land Conservation Commission.

Your Committee received testimony in support of the nomination for Wendy Wiltse from the Department of Land and Natural Resources, Maui Nui Marine Resource Council, and two individuals.

Wendy Wiltse received a Bachelor of Arts degree in Biology from Denison University, Master of Science degree in Marine Science from the University of New Hampshire, and Ph.D. in Zoology from the University of Massachusetts, Amherst. Dr. Wiltse recently retired from her position as a Senior Environmental Scientist after thirty-two years of employment with the Environmental Protection Agency (EPA). Prior to her long tenure at the EPA, Dr. Wiltse was an Assistant Professor at William College – Mystic Seaport Maritime Studies Program and a Postdoctoral Researcher at Woods Hole Oceanographic Institute. The nominee has also been a member of various working groups, committees, and organizations, including the Hawaii Coral Reef Working Group; United States

Coral Reef Task Force Steering Committee, Watershed Working Group, Climate Change and Ocean Acidification Working Group, and Injury and Mitigation Working Group; Hawaii Chapter of the Sierra Club; and The Nature Conservancy.

Your Committee finds that Dr. Wiltse has the education, experience, and commitment to land conservation to serve on the Legacy Land Conservation Commission as a member possessing scientific qualifications as evidenced by an academic degree, as specified in section 173A-2.4, Hawaii Revised Statutes. Testifiers commented on Dr. Wiltse's strong professional background at the EPA, where she assisted government agencies and nonprofit organizations with all aspects of resource management and protection, and her keen understanding of the laws, rules, criteria, and priorities that govern the Commission's work as evidenced during her prior years on the Commission. The nominee indicated in her personal statement that her recent service on the Commission as an interim member has been a fulfilling experience, and she believes in the Commission's mission to acquire, protect, and manage private lands for public trust purposes. Additionally, Dr. Wiltse expresses a desire to continue to serve her community in Hawaii after her lengthy career in federal government, and to put her years of knowledge and experience to constructive use. Your Committee finds that with her extensive experience, knowledge, and commitment to public service, Dr. Wiltse is and will continue to be an asset to the Commission.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1689 Judiciary and Labor on H.C.R. No. 153

The purpose and intent of this measure is to recognize April 15 through April 22, 2018, as Volunteer Week in Hawaii.

Your Committee received testimony in support of this measure from five individuals.

Your Committee finds that President Richard Nixon issued Presidential Proclamation 4288 in 1974, designating the first National Volunteer Week to recognize and encourage people to engage in their community through volunteer service. This measure recognizes Volunteer Week in Hawaii in conjunction with the observance of National Volunteer Week.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 153, H.D. 1, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 153, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Kim).

SCRep. 1690 International Affairs and the Arts on H.C.R. No. 25

The purpose and intent of this measure is to strongly urge the Hawaii Community Development Authority to keep, in perpetuity, the Ehime Maru Memorial at its present location at Kakaako Waterfront Park.

Your Committee received testimony in support of this measure from the Wahiawa-Waiialua Hiroshima Kenjin Kai, Ehime Maru Memorial Association, Saint Louis School, Honpa Hongwanji Mission of Hawaii, and four individuals. Your Committee received comments on this measure from Jesse K. Souki, Executive Director of the Hawaii Community Development Authority, in his individual capacity, and one individual.

Your Committee finds that the Ehime Maru Memorial at Kakaako Waterfront Park is a landmark of historical and cultural significance. The memorial is a reminder of the tragedy that occurred on February 9, 2001, when the United States Navy submarine U.S.S. Greenville was demonstrating an emergency surfacing maneuver and collided with the Ehime Maru, a Japanese fishing boat carrying students and teachers. As a result of the incident, the Ehime Maru sank and nine Japanese nationals, including four students and two teachers from the Uwajima Fisheries High School lost their lives. The people of Ehime Prefecture and the State of Hawaii regard the Ehime Maru Memorial as a solemn remembrance of the individuals who died that day. Your Committee further finds that the memorial should be protected from being used for certain permitted activities and maintained in its current location at Kakaako Waterfront Park and that any relocation of the memorial would be an affront to the nine individuals who died, their families, and the people of Japan and Hawaii.

As affirmed by the record of votes of the members of your Committee on International Affairs and the Arts that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 25, H.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (English).

SCRep. 1691 Economic Development, Tourism, and Technology on H.C.R. No. 143

The purpose and intent of this measure is to request the Department of Business, Economic Development, and Tourism to develop a master plan for the Hilo International Aerospace and Technology Park.

Your Committee received testimony in support of this measure from the Pacific International Space Center for Exploration Systems, County of Hawaii Mayor Harry Kim, and four individuals. Your Committee received comments on this measure from the Department of Business, Economic Development, and Tourism and High Technology Development Corporation.

Your Committee finds that the Department of Business, Economic Development, and Tourism, through the High Technology Development Corporation, has established a goal of creating 80,000 new jobs with salaries over \$80,000 in technology and innovation

by 2030. Your Committee also finds that the Hawaii Office of Aerospace Development, in the Department of Business, Economic Development, and Tourism, provides a focal point within the state government to coordinate Hawaii's aerospace, aeronautical, and aviation industries. Your Committee further finds that the collaboration of these agencies, alongside various other technology agencies in the State, to develop a master plan for the Hilo International Aerospace and Technology Park will support the long-term goals of job creation and technology innovation in the State.

As affirmed by the record of votes of the members of your Committee on Economic Development, Tourism, and Technology that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 143 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Baker).

SCRep. 1692 (Joint) Economic Development, Tourism, and Technology and Transportation and Energy on H.C.R. No. 113

The purpose and intent of this measure is to call on the federal government and states to lower costs for consumers, create more jobs, and reduce the impacts of climate change on the economy by replacing fossil fuels with renewable energy.

Your Committees received testimony in support of this measure from the Department of Transportation, Sierra Club of Hawaii, and two individuals. Your Committees received comments on this measure from the Department of Commerce and Consumer Affairs.

Your Committees find that human activity has caused an alarming increase in greenhouse gas emissions, such as carbon dioxide, primarily produced by the use of fossil fuels and recorded in measurements first taken at Mauna Loa, Hawaii, showing an approximate thirty percent increase in atmospheric carbon dioxide between 1958 and 2017. The increase in greenhouses gas emissions have similarly occurred across the country and have resulted in a rapidly warming globe. Progress toward Hawaii's one hundred percent renewable portfolio standard has meant an increase in renewable energy from nine percent of electricity generated in 2007 to twenty-five percent of electricity generated in 2017. The switch to renewable energy sources also results in savings on electricity costs and reduces fuel costs for Hawaii residents. Your Committees find that the federal government and states across the United States should also work to lower costs for consumers, create more jobs, and reduce impacts of climate change by replacing fossil fuels with renewable energy.

Your Committees note the suggestion by the Consumer Advocate to reference cost-effective renewable energy efforts in this measure, as the State would not want to encourage the adoption of renewable energy without also considering the costs.

As affirmed by the records of votes of the members of your Committees on Economic Development, Tourism, and Technology and Transportation and Energy that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 113, H.D. 1 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.
Economic Development, Tourism, and Technology: Ayes, 3. Noes, none. Excused, 2 (Baker, Taniguchi).
Transportation and Energy: Ayes, 3. Noes, none. Excused, 2 (Dela Cruz, English).

SCRep. 1693 (Majority) Judiciary and Labor on H.C.R. No. 125

The purpose and intent of this measure is to:

- (1) Request the State and its political subdivisions to recognize that immigration is a federal function;
- (2) Request local law enforcement agencies to decline to work with federal immigration agencies; and
- (3) Request that the State and its political subdivisions not expend state or county funds by entering into any agreements under section 287(g) of the Immigration and Nationality Act or any similar agreement with the United States Immigration and Customs Enforcement (ICE), or by engaging in any other law enforcement activities that collaborate with ICE or any other federal law enforcement agency in connection with the deportation of undocumented immigrants who have not been convicted of committing a violent crime.

Your Committee received testimony in support of this measure from the Hawai'i Civil Rights Commission; American Civil Liberties Union of Hawai'i; ACLU People Power; Filipino-Americans Advocacy Network; Filipino American Citizens League; Hawai'i Friends of Civil Rights; Hawaii J-20+; IMUAlliance; Japanese American Citizens League, Honolulu Chapter; Nursing Advocates & Mentors, Inc.; People Power; Planned Parenthood Votes Northwest and Hawaii; Muslim Association of Hawaii; African American Lawyers Association of Hawai'i; and forty-six individuals.

Your Committee finds that the traditional Hawaiian value of ho'okipa, or open-hearted hospitality, is customarily observed by the residents of Hawaii. Ho'okipa and the unique spirit of inclusiveness allow Hawaii's diverse population to live in relative harmony. However, allowing a state or local law enforcement agency to enter into a partnership with the Immigration and Customs Enforcement (ICE) division of the Department of Homeland Security to receive delegated authority for immigration enforcement within its respective jurisdiction under section 287(g) of the Immigration and Nationality Act is contrary to the traditional Hawaiian value of ho'okipa.

Your Committee notes the written testimony submitted by the American Civil Liberties Union of Hawai'i that indicates that Hawaii is one of only seven states that fully comply with ICE detainers. Your Committee further notes the concerns raised by the American Civil Liberties Union of Hawai'i that when local law enforcement agencies act as an extension of the immigration system, public trust is corroded, collaboration with federal immigration authorities is expensive, and deportation tears families apart. This measure ensures that the traditional Hawaiian value of ho'okipa is maintained in Hawaii.

Your Committee has amended this measure by:

- (1) Amending its title to also reflect that the purpose of this measure is to request local law enforcement agencies to decline to work with federal immigration authorities;
- (2) Deleting the Chief Justice from the list of recipients of a certified copy; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 125, H.D. 1, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 125, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, 1 (Gabbard). Excused, 1 (Kim).

SCRep. 1694 Judiciary and Labor on H.C.R. No. 56

The purpose and intent of this measure is to:

- (1) Request the Department of the Attorney General to conduct a study on surrogacy and gestational carrier agreements;
- (2) Specify areas for the Department to consider relating to surrogacy and gestational carrier agreements; and
- (3) Request the Department to prepare a report that includes findings and recommendations, including any proposed legislation, and submit the report to the Legislature no later than thirty days prior to the convening of the Regular Session of 2018.

Your Committee received testimony in support of this measure from the Hawaii Association of Health Plans, Hawaii Medical Service Association, University Health Alliance, and one individual.

Your Committee finds that surrogacy is a contractual relationship between two or more consenting adults in which a woman agrees to act as the surrogate or gestational carrier for the child of another person. While surrogacy does occur in Hawaii, it is not regulated and existing laws do not make specific reference to surrogacy or gestational carrier agreements, especially with regard to the legal custody of the child. By requesting the Department of the Attorney General to conduct a study on surrogacy and gestational carrier agreements, this measure will assist in addressing ambiguities that may exist regarding the issue of legal custody in such agreements.

Your Committee has amended this measure by:

- (1) Requesting that the Department of the Attorney General submit its report to the Legislature no later than twenty days, rather than thirty days, prior to the convening of the Regular Session of 2018; and
- (2) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 56, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 56, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Kim).

SCRep. 1695 Judiciary and Labor on H.C.R. No. 148

The purpose and intent of this measure is to:

- (1) Request the Governor's Coordinator on Homelessness to convene a working group to examine and develop recommendations to address the issue of squatting in the State;
- (2) Identify the members of the working group and specify issues related to squatting for which the working group is requested to consider, examine, and develop recommendations and proposed legislation; and
- (3) Request the working group to submit a report of its findings and recommendations, including any proposed legislation, to the Legislature prior to the convening of the Regular Session of 2018.

Your Committee did not receive any testimony on this measure.

Your Committee finds that squatting, or settling on land without title, right, or payment of rent, has become common in certain areas of the State and is a serious nuisance to owners of the property, adjoining landowners, and neighboring residents. Although Act 154, Session Laws of Hawaii 2016 (Act 154), authorizes a person to bring a civil suit for the unlawful occupation of real property to which the person has no title, lease, or other legal claim, this form of relief only addresses an existing nuisance condition and does not provide a means to prevent the nuisance from occurring. By requesting the Governor's Coordinator on Homelessness to convene a working group, this measure will assist in exploring and understanding the causes of squatting and its associated factors in order to effectively address the issue of squatting.

Your Committee has amended this measure by:

- (1) Adding language to clarify that Act 154 amended section 712-1270, Hawaii Revised Statutes, to include unlawful occupation of real property to which the person has no title, lease, or other legal claim as a nuisance subject to civil suit for abatement, prevention, and injunction; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 148, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 148, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Kim).

SCRep. 1696 Judiciary and Labor on H.C.R. No. 104

The purpose and intent of this measure is to express the Legislature's support of the Standing Rock Sioux Tribe and its opposition to any actions, including the construction of the Dakota Access Pipeline, that threaten the Tribe, its access to clean water, the preservation of its sacred and important lands, and the continued existence of its culture, people, and nation.

Your Committee received testimony in support of this measure from the Progressive Democrats of Hawaii and one individual.

Your Committee finds that the Dakota Access Pipeline is a nearly 1,200-mile long pipeline designed to transport 470,000 barrels of crude oil daily across four states, from North Dakota to Illinois, where it links to another pipeline that transports crude oil to terminals and refineries along the Gulf of Mexico. A section of the Pipeline is designed to cross lands claimed by the Standing Rock Sioux Tribe, which contain sacred sites and Lake Oahe, the primary source of clean drinking water for the Standing Rock Sioux Tribe's reservation land. The construction, maintenance, and operation of the Pipeline are projected to have major disruptive effects on the supply of clean water and the preservation and use of lands and sites that are historically and culturally important to indigenous peoples located on or originating from the areas surrounding the Pipeline's route. This measure recognizes the critical importance of access to clean water, for practical and spiritual reasons, which is a value that is shared between the indigenous peoples of the American West and Native Hawaiians.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 104, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 104, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Kim).

SCRep. 1697 (Majority) Judiciary and Labor on H.C.R. No. 50

The purpose and intent of this measure is to urge the United States Congress to convene a convention to propose amendments to the United States Constitution to restore free and fair elections.

Your Committee received testimony in support of this measure from five individuals. Your Committee received testimony in opposition to this measure from the Department of the Attorney General; American Civil Liberties Union of Hawai'i; Americans for Democratic Action Hawai'i; Common Cause Hawaii; Community Alliance on Prisons; Democratic Party of Hawai'i; Hawaii State AFL-CIO; Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO; League of Women Voters of Hawaii; Life of the Land; Progressive Democrats of Hawai'i; Sierra Club of Hawai'i; Wolf-PAC; and twenty-seven individuals. Your Committee received comments on this measure from the Convention of States Project Hawaii.

Your Committee finds that since the United States Supreme Court's decision in *Citizens United v. Federal Election Commission*, 558 U.S. 310 (2010), numerous concerns have been raised regarding free and fair elections. This measure is intended as a continuing application to the United States Congress to convene a convention to propose amendments to the United States Constitution to restore free and fair elections.

Your Committee notes the concerns raised in testimony received in opposition to this measure that holding a constitutional convention under Article V of the United States Constitution could potentially open up each and every provision of the United States Constitution to amendment or repeal, rather than only addressing concerns regarding free and fair elections as a result of *Citizens United v. Federal Election Commission*. The Department of the Attorney General testified that the potential to open the entire federal constitution up for debate has prompted several states to recently rescind their applications calling for a federal constitutional convention.

Accordingly, your Committee has amended this measure by:

- (1) Clarifying that the convention to consider a federal constitutional amendment is a limited-purpose convention to address issues raised as a result of the holding of *Citizens United v. Federal Election Commission*;
- (2) Authorizing the Legislature to retain the ability to restrict or expand the authority of its delegates to the limited-purpose convention under certain conditions by concurrent resolution;
- (3) Authorizing the Legislature to reserve the right to rescind its application by concurrent resolution;
- (4) Changing the title to more accurately reflect its amended purpose; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary and Labor that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 50, H.D. 1, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 50, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, 1 (Thielen). Excused, 1 (Kim).

SCRep. 1698 Water and Land on Gov. Msg. No. 762

Recommending that the Senate advise and consent to the nomination of the following:

KAHO'OLAWE ISLAND RESERVE COMMISSION

G.M. No. 762 HOKULANI HOLT-PADILLA, for a term to expire 06-30-2020

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Hokulani Holt-Padilla to possess the requisite qualifications to be nominated for reappointment to the Kaho'olawe Island Reserve Commission.

Your Committee received testimony in support of the nomination for the reappointment of Hokulani Holt-Padilla from the Office of Hawaiian Affairs, Kaho'olawe Island Reserve Commission, and five individuals.

Ms. Holt-Padilla is currently the Director of Ka Hikina O Ka Lā and Coordinator of Hawai'i Papa O Ke Ao at the University of Hawaii Maui College. Ms. Holt-Padilla is also the Kumu Hula of Pā'ū O Hi'iaka, where she has taught traditional and contemporary hula, as well as Hawaiian history, culture, and language, since 1976. She has also been a Lecturer in Hawaiian language and culture at the University of Hawaii Maui College since 1992. Ms. Holt-Padilla has held a number of other notable positions in the community, including Cultural Programs Director at Maui Arts & Cultural Center from 2001 to 2015, Culture and Education Manager at Kaho'olawe Island Reserve Commission from 1997 to 2001, and Kaho'olawe Island Reserve Commission member since 2013. Ms. Holt-Padilla is involved in numerous community associations, and holds a Bachelor's degree in Liberal Studies and Human Relations in Organizations from the University of Hawaii.

Upon review of the testimony, your Committee finds that Ms. Holt-Padilla's experience, commitment to public service, proven leadership, and expertise in Hawaiian culture also qualify her to be nominated for reappointment to the Kaho'olawe Island Reserve Commission in the seat reserved for a representative recommended by Native Hawaiian organizations. Testifiers commented that the nominee brings to the Commission a great range and depth of experience and that during her time on the Commission, Ms. Holt-Padilla has been a leader on guiding and expanding the cultural use of the Kaho'olawe Island Reserve and has long been involved in the protection and restoration of Kaho'olawe. Testifiers also noted the nominee's immense contributions to the Hawaiian community and the general public throughout her long career. Ms. Holt-Padilla indicated in her personal statement her commitment to Kaho'olawe and belief that Kaho'olawe as a Hawaiian cultural and educational site is critical to the health and welfare of the Hawaiian people. Ms. Holt-Padilla also noted her long involvement in Kaho'olawe since 1980 and her desire to continue to serve on the Commission because she understands there is still much work to do.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Gabbard, Kim).

SCRep. 1699 Water and Land on Gov. Msg. No. 679

Recommending that the Senate advise and consent to the nomination of the following:

KAHO'OLAWE ISLAND RESERVE COMMISSION

G.M. No. 679 CHRISTOPHER BAKER, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Christopher Baker to possess the requisite qualifications to be nominated for reappointment to the Kaho'olawe Island Reserve Commission.

Your Committee received testimony in support of the nomination for the reappointment of Christopher Baker from the Office of Hawaiian Affairs, Kaho'olawe Island Reserve Commission, Protect Kaho'olawe 'Ohana, Ka Haka 'Ula o Ke'elikōlani, and eleven individuals.

Dr. Christopher Baker holds a Bachelor of Arts in Hawaiian Language, Masters of Arts in Linguistics, and Ph.D. in Linguistics from the University of Hawai'i at Manoa, where he has been an Instructor of Hawaiian since 2002, and was a Lecturer in Hawaiian from 1996 to 2002. Additionally, Dr. Baker has served in a number of community positions, including President of the Halele'a Arts Foundation since 2012, member of the Kaho'olawe Island Reserve Commission since 2011, member of Protect Kaho'olawe 'Ohana since 1993, and since 2003 has been the leader of the Makahiki ceremony on Kaho'olawe.

Upon review of the testimony, your Committee finds that Dr. Baker's experience, commitment to public service, and proven leadership underscore his qualifications to be nominated for reappointment to the Kaho'olawe Island Reserve Commission. Testifiers commented that the nominee brings to the Commission an expertise in Hawaiian language and Hawaiian cultural traditions and that during his time on the Commission Dr. Baker has been a leader on guiding and expanding the cultural use of the Kaho'olawe Island Reserve and places great emphasis on ensuring safe and meaningful access to and from Kaho'olawe. Dr. Baker indicates in his personal statement his commitment to the people of Hawaii, Native Hawaiians, and ensuring in his position as Commissioner to act always for the benefit of Kaho'olawe. Dr. Baker also noted his ability to communicate the needs of the Kaho'olawe Island Reserve Commission and Protect Kaho'olawe Ohana. Your Committee further finds that Dr. Baker has been reappointed to the Kaho'olawe Island Reserve Commission to the seat designated for a member of Protect Kaho'olawe Ohana.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1700 Water and Land on Gov. Msg. Nos. 662, 663, and 664

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF LAND AND NATURAL RESOURCES

G.M. No. 662 KEITH DOWNING, for a term to expire 06-30-2021;

G.M. No. 663 SAMUEL GON III, for a term to expire 06-30-2017; and

G.M. No. 664 SAMUEL GON III, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Keith Downing and Samuel Gon III to possess the requisite qualifications to be nominated to the Board of Land and Natural Resources.

KEITH DOWNING

Your Committee received testimony in support of the nomination of Keith Downing from the Department of Land and Natural Resources.

Keith Downing owns and operates Downing Hawaii, reportedly Hawaii's oldest surf shop, and has been a member of Surfing Education Association since 1973. Mr. Downing is the son of big-wave pioneer George Downing and a prize-winning big-wave rider and paddler who has been surfing since the age of five. Mr. Downing has a Bachelor of Arts in Commercial Art from California College of Arts.

Your Committee finds that Mr. Downing has the experience, background, and commitment to Hawaii's resources to qualify for appointment to an at-large seat on the Board of Land and Natural Resources. Testimony received by your Committee indicates that since being nominated to the Board in 2015, Mr. Downing has brought his passion, knowledge, respect for the ocean, and unique perspective based on his specific knowledge and family traditions to the wide-ranging matters that the Board must consider. The nominee indicated in his personal statement that serving on the Board has been a significant life experience and emphasizes the need for more community participation and engagement by the Board. Mr. Downing notes that he brings a distinct perspective to the Board due to his life experiences and sees his role on the Board as that of an educator, listener, and learner. Based on Mr. Downing's knowledge, experience, and commitment to the ocean and natural resources of the State, your Committee finds that Mr. Downing will continue to be an asset to the Board of Land and Natural Resources.

SAMUEL GON III

Your Committee received testimony in support of the nomination for the appointment and reappointment of Samuel Gon from the Department of Land and Natural Resources, The Nature Conservancy, Ocean Tourism Coalition, Sierra Club of Hawai'i, and twenty-two individuals.

Samuel Gon III received a Bachelor of Arts degree in Zoology from the University of Hawaii at Manoa, and a Master of Arts degree in Zoology and a Ph.D. in Animal Behavior from the University of California, Davis. Dr. Gon is the Senior Scientist and Cultural Advisor for The Nature Conservancy in Hawaii and has extensive teaching, research, and administrative experience. Dr. Gon has also published numerous academic articles in his field and is a member of several scientific societies.

Your Committee finds that Dr. Gon has the experience, background, and commitment to public service to qualify for appointment and reappointment to the Board of Land and Natural Resources for the Oahu seat and meets the requirements for an expert in natural resources and Hawaiian traditional and customary practices. Your Committee finds that the nominee previously served two four-year terms on the Board, stepped down in 2014, and is now eligible to serve two additional four-year terms. Testifiers commented that Dr. Gon brings broad knowledge of Hawaiian natural and cultural resources to the Board, extensive experience in Hawaiian ecology, and a demonstrated commitment to the protection of Hawaii's natural heritage. The nominee indicated in his personal statement that he found his prior service on the Board to be personally satisfying and was told by staff that they valued his contributions at the time. Dr. Gon noted that he is a born and raised member of the Third Land District. He also recounted his demonstrated expertise in Hawaiian traditional and customary practices as a kumu and a chanter trained by noted master John Keolamaka'ainana Lake and put through traditional 'uniki hu'e'lepo and as an 'imiloa devoted to life-long learning in Hawaiian language, tradition, and history. Based on Dr. Gon's knowledge, background, and commitment to Hawaiian tradition and culture, your Committee finds that Dr. Gon will continue to be an asset to the Board of Land and Natural Resources for the seat in which he has been nominated.

As affirmed by the records of votes of the members of your Committee on Water and Land that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1701 Government Operations on Gov. Msg. Nos. 542 and 698

Recommending that the Senate advise and consent to the nominations of the following:

ENHANCED 911 BOARD

G.M. No. 542 BENJAMIN MORGAN, for a term to expire 06-30-2020; and

G.M. No. 698 KENNETH BUGADO, JR., for a term to expire 06-30-2020

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Benjamin Morgan and Kenneth Bugado, Jr., to possess the requisite qualifications to be nominated to the Enhanced 911 Board.

BENJAMIN MORGAN

Your Committee received testimony in support of the nomination of Benjamin Morgan from the Department of Accounting and General Services, Enhanced 911 Board, County of Hawai'i Police Department, Maui Police Department, and two individuals.

Upon review of the testimony, your Committee finds that Mr. Morgan's expertise in telecommunications and specialized understanding of operational excellence further qualify him for appointment to the Enhanced 911 Board. Mr. Morgan has nearly fifteen years of experience in telecommunications, and is currently Vice President of Customer Care and Network Reliability at Hawaiian Telecom. In his position at Hawaiian Telecom, the nominee was involved in the project that resulted in the successful migration of all 911 dispatch centers across Hawaii from the legacy 911 call-taking system to the IP-based NG911 platform, which increased system reliability, security, and capabilities. Your Committee notes that Mr. Morgan has substantial relevant experience in telecommunications, proven capability in deploying technology solutions, and a desire and passion to contribute meaningfully to a reliable infrastructure for this critical service for the people of Hawaii. Your Committee further finds that Mr. Morgan has been nominated for appointment to the Enhanced 911 Board as the representative of the public utility that provides telecommunications services and landline enhanced 911 services and his professional experience and specialized understanding of telecommunications operations will be assets to the Board.

KENNETH BUGADO, JR.

Your Committee received testimony in support of the nomination of Kenneth Bugado, Jr., from the Department of Accounting and General Services, Enhanced 911 Board, County of Hawai'i Police Department, Honolulu Police Department, Maui Police Department, and one individual.

Upon review of the testimony, your Committee finds that Mr. Bugado's wealth of experience in law enforcement, emergency response, and criminal intelligence further qualify him for appointment to the Enhanced 911 Board. Your Committee notes that Mr. Bugado has been a police officer for twenty-eight years and during that time he has risen through the ranks to his current position of Deputy Chief. During his long career, the nominee has obtained extensive experience as a patrol officer and first responder and in criminal intelligence and investigations, and substantial administrative experience within the County of Hawai'i Police Department. Mr. Bugado is a graduate of the Federal Bureau of Intelligence National Academy. His expertise in public safety and understanding of emergency response make him an excellent nominee for membership on the Board. Your Committee further finds that Mr. Bugado has been nominated for appointment to the Enhanced 911 Board as the public safety answering point representative for the County of Hawai'i and his experience, knowledge, and commitment to the community and public safety will be assets to the Board.

As affirmed by the records of votes of the members of your Committee on Government Operations that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Tokuda).

SCRep. 1702 Hawaiian Affairs on Gov. Msg. Nos. 600, 601, 602, 603, 604, 605, and 785

Recommending that the Senate advise and consent to the nominations of the following:

ISLAND BURIAL COUNCIL, ISLAND OF HAWAI'I

- G.M. No. 600 JORDAN CALPITO, for a term to expire 06-30-2017;
- G.M. No. 601 JORDAN CALPITO, for a term to expire 06-30-2021;
- G.M. No. 602 MARY MAXINE KAHAULELIO, for a term to expire 06-30-2019;
- G.M. No. 603 NORMAN KAIMULOA, for a term to expire 06-30-2019;
- G.M. No. 604 SCOTT MAHONEY, for a term to expire 06-30-2020;
- G.M. No. 605 TERRI NAPEAHI, for a term to expire 06-30-2018; and
- G.M. No. 785 FRED CACHOLA, JR., for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Jordan Calpito, Mary Maxine Kahaulelio, Norman Kaimulua, Scott Mahoney, Terri Napeahi, and Fred Cachola, Jr., to possess the requisite qualifications to be nominated to the Island Burial Council, Island of Hawai'i.

JORDAN CALPITO

Your Committee received testimony in support of the nomination for appointment and reappointment of Jordan Calpito from the Department of Land and Natural Resources and Office of Hawaiian Affairs.

Mr. Calpito is a resident of Hilo. He has completed several courses in Hawaiian Studies and Anthropology at the University of Hawaii at Hilo and at Manoa. He was previously employed at the Department of Land and Natural Resources, State Historic Preservation Division, as the Maui Burial Sites Specialist. It is in that capacity that he gained knowledge and experience working with native Hawaiian burial sites and the laws and administrative rules guiding the disposition of burial sites, including skeletal remains. Mr. Calpito also received training relevant to the identification, wrapping, and cultural practices in preparation of reintering native Hawaiian skeletal remains. Mr. Calpito has been serving on the Hawai'i Island Burial Council for almost a year.

MARY MAXINE KAHAULELIO

Your Committee received testimony in support of the nomination of Mary Maxine Kahaulelio from the Department of Land and Natural Resources, Office of Hawaiian Affairs, and one individual.

Ms. Kahaulelio is a resident of Waimea, Hawai'i, and an active member of her community. She has previously served as secretary of the Waimea Hawaiian Homestead Association and the Kipu'upu'u Hawaiian Homestead Association. Ms. Kahaulelio is a volunteer with the Queen Lili'uokalani Children's Center. She has previously served as a member of the Hawai'i Island Burial Council for many years. It is in that capacity that she has gained knowledge and experience working with native Hawaiian burial sites and the laws and administrative rules guiding the disposition of burial sites, including skeletal remains. Ms. Kahaulelio has proven to be a valuable participant in that process.

NORMAN KAIMULOA

Your Committee received testimony in support of the nomination Norman Kaimulua from the Department of Land and Natural Resources and Office of Hawaiian Affairs.

Mr. Kaimulua is a resident of Kailua-Kona, Hawai'i, and has family ties to and history in that area since the 1850s. He is a member of the Royal Order of Kamehameha I and caretaker of 'Aha 'Umi and Likelike. Mr. Kaimulua has always had an interest in protecting the iwi of his ancestors, and serving on the Hawai'i Island Burial Council will afford him that opportunity. He previously served on the Hawai'i Island Burial Council and currently serves on an interim basis.

SCOTT MAHONEY

Your Committee received testimony in support of the nomination of Scott Mahoney from the Department of Land and Natural Resources and Office of Hawaiian Affairs.

Mr. Mahoney currently resides at his family's homestead in Waimea, Hawai'i, but traces his Haili 'ohana genealogies to Ka'ū and Kawaihae. Mr. Mahoney is currently retired but has spent the last twenty years assisting with the removal of unexploded ordnance on Hawai'i Island, O'ahu, Moloka'i, and Kaho'olawe. Although he is not an archaeologist by training, Mr. Mahoney has accompanied many archaeologists on investigative assignments as safety support, while they conducted studies on archaeological resources and burial sites in dangerous areas. Through these experiences, he learned much about why and how to mālama iwi and developed a deep connection to the preservation and protection of iwi kūpuna. He brings this knowledge, kuleana, and willingness to continue learning to his candidacy for the Hawai'i Island Burial Council. Additionally, in his free time, Mr. Mahoney remains actively engaged in various cultural and community organizations, including the Royal Order of Kamehameha I, Kua'āina Ulu 'Auamo and its E Alu Pū Network, the Sovereign Councils of the Hawaiian Home Lands Assembly, and Mālama Kōloa, where he assisted with the restoration and protection of the Hapa Trail.

TERRI NAPEAHI

Your Committee received testimony in support of the nomination of Terri Napeahi from the Department of Land and Natural Resources, Office of Hawaiian Affairs, Pana'ewa Hawaiian Home Lands Community Association, and two individuals.

Ms. Napeahi is a resident of Hilo and Mountain View, Hawai'i, and has genealogical ties to the entire island of Hawai'i. She owns her own company, Papa Mu Native Hawaiian LLC, which specializes in the sale of native Hawaiian authentic products, including crafts and traditional and local foods. Ms. Napeahi has been active with groups fostering Hawaiian art and culture, including the Papa Mu Gallery, P.I.H.A. (Perpetuating Indigenous Hawaiian Artists), and Pele Defense Fund for a number of years. She is a founder of the Keaukaha Action Network, Vice President of the Pele Defense Fund, and representative of the Aha Moku o Keawe, Hilo Council.

Ms. Napeahi has served as an archaeological field technician on Hawai'i Island for two years and has been serving on the Hawai'i Island Burial Council on an interim basis. Ms. Napeahi has expressed a deep dedication to her community, culture, and the proper treatment of iwi kupuna.

FRED CACHOLA, JR.

Your Committee received testimony in support of the nomination for the reappointment of Fred Cachola, Jr., from the Department of Land and Natural Resources and Office of Hawaiian Affairs.

Mr. Cachola has genealogical ties to Kohala and is currently a resident of Hāwī, Hawai'i. His past employment includes working at the Kamehameha Schools as its Director of Community/Extension Education Division for twenty-five years. He has extensive experience in planning, implementing, and managing cultural, educational, historical, and preservation programs affecting Native Hawaiians and pioneered historic preservation efforts statewide, serving on the Hawai'i Island Burial Council, State Historic Sites Review Board, State Cultural Advisory Commissions, Native Hawaiian Historic Preservation Council, and Board of Directors for the Hawai'i Natural History Association. Mr. Cachola has been serving on the Hawai'i Island Burial Council since 2014.

Mr. Cachola also assisted with the preservation and restoration of the Kū'iliiloa, Pūnana'ula, and Kamaile Heiau. He has also been a leader in national historic preservation advocacy; he has served on the Native American Advisory Group to the National Advisory Council on Historic Preservation and on two federal commissions establishing National Historic Parks at Kaloko-Honokohau and Kalaupapa.

Mr. Cachola has also assisted with the preservation and restoration of the Kū'iliiloa, Pūnana'ula, and Kamaile Heiau. He has also been a leader in national historic preservation advocacy; he has served on the Native American Advisory Group to the National Advisory Council on Historic Preservation and on two federal commissions establishing National Historic Parks at Kaloko-Honokohau and Kalaupapa.

As affirmed by the records of votes of the members of your Committee on Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, none.

SCRep. 1703 Higher Education on Gov. Msg. Nos. 720, 721, and 722

Recommending that the Senate advise and consent to the nominations of the following:

HAWAII MEDICAL EDUCATION COUNCIL

- G.M. No. 720 KENNETH ROBBINS, for a term to expire 06-30-2021;
G.M. No. 721 PAULA YOSHIOKA, for a term to expire 06-30-2019; and
G.M. No. 722 ALLEN HIXON, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Kenneth Robbins, Paula Yoshioka, and Allen Hixon to possess the requisite qualifications to be nominated for reappointment to the Hawaii Medical Education Council.

KENNETH ROBBINS

Your Committee received testimony in support of the nomination of Kenneth Robbins for reappointment from Hawaii'i Pacific Health.

Dr. Robbins currently serves as the Executive Vice President and Chief Medical Officer of Hawaii Pacific Health. Your Committee finds that prior to his administrative career, Dr. Robbins was a full-time practicing pediatrician at Straub Clinic and Hospital for fifteen years. Dr. Robbins was also previously a Clinical Professor in the Department of Pediatrics at the University of Hawaii John A. Burns School of Medicine. Your Committee notes that Dr. Robbins has been active in physician recruitment activities in Hawaii for the last twelve years. In his position with Hawaii Pacific Health, Dr. Robbins is directly responsible for overseeing the recruitment of physicians for Hawaii Pacific Health's hospitals and medical groups. In his personal statement, Dr. Robbins indicated that he hopes to continue thoroughly studying the physician shortage issue facing the State and recommend practical solutions. Dr. Robbins has served on the Hawaii Medical Education Council since 2012, and your Committee finds that his intimate understanding of Hawaii's physician shortage, clinical and administrative medical experience, and commitment to training the next generation of physicians further qualify Dr. Robbins for reappointment to the Council.

PAULA YOSHIOKA

Your Committee received testimony in support of the nomination of Paula Yoshioka for reappointment from Hawaii'i Pacific Health, Healthcare Association of Hawaii, SanHi Government Strategies, and Chamber of Commerce Hawaii.

Ms. Yoshioka presently serves as the Senior Vice President of Corporate Development for The Queen's Medical Center, where she works with physician residency programs to meet the needs of The Queen's Medical Center and the overall healthcare needs of the State. Your Committee finds that Ms. Yoshioka has over twenty-five years of healthcare experience in the public and private sector managing all facets of administrative organizational functions. Ms. Yoshioka previously served as the Vice Chair of Administrative Services at the University of Hawaii John A. Burns School of Medicine's Department of Psychology, where she had direct involvement in medical education, and she has served in various capacities with the Department of Health, including Deputy Director. In her personal statement, Ms. Yoshioka indicated that she is committed to helping the future workforce find creative and innovative ways to adapt to the changes occurring in healthcare delivery, costs, and coverage in order to continue meeting Hawaii's healthcare needs. Ms. Yoshioka has served on the Hawaii Medical Education Council since 2012, and your Committee finds that her professional experience, leadership in the medical community, and dedication to training new physicians further qualify her for reappointment to the Council.

ALLEN HIXON

Your Committee received testimony in support of the nomination of Allen Hixon for reappointment from the University of Hawaii'i System, Hawaii'i Pacific Health, and one individual.

Dr. Hixon is currently a Professor and Chair of the Department of Family Medicine and Community Health at the University of Hawaii John A. Burns School of Medicine. Your Committee finds that Dr. Hixon has enjoyed a long career as a primary care physician, obtained a wide range of experience working with the various hospital systems in the State, and previously served as the Residency Director of the Family Medicine Residency Program at the University of Hawaii John A. Burns School of Medicine. Your Committee notes that Dr. Hixon has worked with the Legislature to provide funding to develop a statewide healthcare rural training network and to support the local residency program to help address the severe shortage of primary care health providers in the State. In his personal statement, Dr. Hixon indicated that he hopes to develop an actionable statewide strategy for the primary care workforce that considers Hawaii's unique geography and aging population. Dr. Hixon is currently serving on the Hawaii Medical Education Council and your Committee finds that his professional background, committed leadership of graduate medical education programs, and passion for addressing Hawaii's shortage of primary care physicians further qualify him for reappointment to the Council.

As affirmed by the records of votes of the members of your Committee on Higher Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, none.

SCRep. 1704 Hawaiian Affairs on Gov. Msg. Nos. 786, 787, and 788

Recommending that the Senate advise and consent to the nominations of the following:

ISLAND BURIAL COUNCIL, ISLANDS OF MAUI AND LANĀ'I

- G.M. No. 786 SUSAN ANTONIO, for a term to expire 06-30-2020;
 G.M. No. 787 EVALINA WATANABE, for a term to expire 06-30-2021; and
 G.M. No. 788 SCOTT FISHER, for a term to expire 06-30-2018

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Susan Antonio, Evalina Watanabe, and Scott Fisher to possess the requisite qualifications to be nominated to the Island Burial Council, Islands of Maui and Lanā'i.

SUSAN ANTONIO

Your Committee received testimony in support of the nomination for the reappointment of Susan Antonio from the Department of Land and Natural Resources, Office of Hawaiian Affairs, and one individual.

Ms. Antonio has been serving on the Maui and Lanā'i Island Burial Council for the past three years. As the Council Chair, she has exemplified leadership, guiding the Council through complex developments, ensuring close attention is paid to iwi protection. Additionally, she assists in executing cultural protocols, including making kapa for iwi re-interment. She also serves as the Hawaiian Language Translator and Specialist for the Ka Ho'oloina Journal. Ms. Antonio has demonstrated a deep respect for iwi kūpuna, teaching her students to revere iwi as the vessels of our ancestors' mana. Ms. Antonio has lived in Makawao for over fifteen years, and she has indicated her intent to root her family in the Makawao community indefinitely.

EVALINA WATANABE

Your Committee received testimony in support of the nomination for the reappointment of Evalina Watanabe from the Department of Land and Natural Resources and Office of Hawaiian Affairs.

Ms. Watanabe was born and raised on Lanā'i and has genealogical ties to the island. She would like to continue to represent that community on the Maui and Lanā'i Island Burial Council. While she has lived on the island of Maui for the last forty years, she nevertheless maintains a close relationship to her home island of Lanā'i and is committed to protecting her childhood community. Her past networking experiences include the Department of Hawaiian Home Lands, Alu Like, Department of Education's Kupuna Program, Queen Lili'uokalani Children's Center, Office of Hawaiian Affairs, and Kamehameha Schools. Ms. Watanabe has been serving on the Maui and Lanā'i Island Burial Council since 2015.

Ms. Watanabe has also served as a consultant with Castle and Cooke Resorts in historic preservation and has assisted with cultural surveys. She has visited many sacred places through her membership in Hui Mālama Pono o Lanā'i and Lanā'i Archaeological Committee. She has also helped reinter iwi from Lanā'i Hale. Additionally, Ms. Watanabe has served on the Maui County Cultural Resource Commission for six years and has also served as a member of the Office of Hawaiian Affairs' Native Hawaiian Historic Preservation Council.

SCOTT FISHER

Your Committee received testimony in support of the nomination of Scott Fisher from the Department of Land and Natural Resources.

Mr. Fisher is a resident of Kula, Maui. He is currently the Associate Executive Director of Conservation and Maui Island Director of the Hawaiian Islands Land Trust. He has experience teaching in Australia, Indiana, and Colorado. Mr. Fisher developed and implemented an extensive oral history grant for the Maui Historical Society. His community service includes the Maui Historical Society, Maui Conservation Alliance, Maui Nui Marine Resources Council, and Waihee'e Community Association. Mr. Fisher previously served on the Maui and Lanā'i Island Burial Council as its Vice Chair where he earned the respect of his fellow members as well as the general community.

As affirmed by the records of votes of the members of your Committee on Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
 Ayes, 5. Noes, none. Excused, none.

SCRep. 1705 Hawaiian Affairs on Gov. Msg. Nos. 606, 607, and 809

Recommending that the Senate advise and consent to the nominations of the following:

ISLAND BURIAL COUNCIL, ISLANDS OF KAUA'I AND NI'IHAU

- G.M. No. 606 CAROL LOVELL, for a term to expire 06-30-2017;
 G.M. No. 607 CAROL LOVELL, for a term to expire 06-30-2021; and
 G.M. No. 809 LEIANA ROBINSON, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Carol Lovell and Leiana Robinson to possess the requisite qualifications to be nominated to the Island Burial Council, Islands of Kaua'i and Ni'ihau.

CAROL LOVELL

Your Committee received testimony in support of the nomination for the appointment and reappointment of Carol Lovell from the Department of Land and Natural Resources, Office of Hawaiian Affairs, and two individuals.

Ms. Lovell is a resident of Anahola, Kaua'i, and previously served as the Kaua'i Museum Director for fourteen years. In that capacity, she became knowledgeable and gained experience in working with the Native American Grave Repatriation Act. Her responsibilities as director also included attendance at Island Burial Council meetings, where she became familiar with Hawai'i's laws and rules regarding native Hawaiian burials. Ms. Lovell was also fortunate to have been mentored by well-known and respected kūpuna of Kaua'i. Through that mentorship, she learned proper protocol surrounding cultural artifacts and gained a respect for traditional knowledge and cultural resources. Ms. Lovell has been serving on the Council on an interim basis.

LEIANA ROBINSON

Your Committee received testimony in support of Leiana Robinson from the Department of Land and Natural Resources and Office of Hawaiian Affairs.

Ms. Robinson was born and raised on the island of Ni'ihau which gives her a unique perspective to the Council's deliberations since she was reared in a predominately full-blooded native Hawaiian community. In addition, Ms. Robinson's first language and mother tongue is Hawaiian. Ms. Robinson currently serves on the Kaua'i and Ni'ihau Island Burial Council and remains committed to continuing her service to the Hawaiian people.

As affirmed by the records of votes of the members of your Committee on Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, none.

SCRep. 1706 Hawaiian Affairs on Gov. Msg. Nos. 813, 814, 815, and 816

Recommending that the Senate advise and consent to the nominations of the following:

ISLAND BURIAL COUNCIL, ISLAND OF OAHU

- G.M. No. 813 HINALEIMOANA WONG-KALU, for a term to expire 06-30-2020;
- G.M. No. 814 KALI FERMANTEZ, for a term to expire 06-30-2021;
- G.M. No. 815 BEVERLY AMARAL, for a term to expire 06-30-2021; and
- G.M. No. 816 DANNA HOLCK, for a term to expire 06-30-2020

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Hinaleimoana Wong-Kalu, Kali Fermantez, Beverly Amaral, and Danna Holck to possess the requisite qualifications to be nominated to the Island Burial Council, Island of Oahu.

HINALEIMOANA WONG-KALU

Your Committee received testimony in support of the nomination of Hinaleimoana Wong-Kalu from the Department of Land and Natural Resources, Office of Hawaiian Affairs, and three individuals.

Ms. Wong-Kalu was born and raised in the Kona region of O'ahu. Her past employers includes Kula Aupuni Ni'ihau A Kahelelani Aloha School, Kuaokala School, Ke Ola Mamo Native Hawaiian Health Care System, Leeward Community College, Queen Lili'uokalani Children's Center, and the University of Hawai'i. She formerly served as Chair of the O'ahu Island Burial Council, where she earned the respect of her fellow members as well as that of the general Hawai'i community. She is a well-respected kumu hula and speaks Hawaiian, Tahitian, Tongan, and Samoan fluently.

KALI FERMANTEZ

Your Committee received testimony in support of the nomination of Kali Fermantez from the Department of Land and Natural Resources and one individual.

Dr. Fermantez was born and raised and continues to live in the Ko'olauloa region of O'ahu. Dr. Fermantez is currently an Assistant Professor of Hawaiian and Pacific Studies at Brigham Young University-Lā'ie. He is a member of the Ko'olauloa Hawaiian Civic Club and serves as a basketball, baseball, and soccer assistant coach in his community. Dr. Fermantez's strong understanding of the Hawaiian culture brings an assertive, yet fair voice to the proper treatment of native Hawaiian burials.

BEVERLY AMARAL

Your Committee received testimony in support of the nomination of Beverly Amaral from the Department of Land and Natural Resources and one individual.

Ms. Amaral is a resident of Kāne'ohe, O'ahu, and wishes to represent the Ko'olaupoko district, a district that has not been represented on the Council for a very long time. Ms. Amaral has a Certificate of Real Estate/License and attended San Francisco State University. She is also an active member of the Native Hawaiian Chamber of Commerce. Ms. Amaral has been serving on the O'ahu Island Burial Council since 2016.

DANNA HOLCK

Your Committee received testimony in support of the reappointment of Danna Holck from the Department of Land and Natural Resources; Polynesian Cultural Center; Turtle Bay Resort; Ku'iwalu; Kualoa-He'eia Ecumenical Youth Project; N.S.O.G, LLC; TLC PR; Hauula Community Association; and seven individuals.

Ms. Holck was born and raised in Kailua, O'ahu. After pursuing her career on the mainland and in Puerto Rico, Ms. Holck returned to Hawai'i and became employed with Turtle Bay Resort, where she is currently the Vice-President and General Manager. Under her leadership, the hotel has succeeded in introducing a culturally-sensitive environment. Ms. Holck has been an active member of the Hawaiian community and regularly attends O'ahu Island Burial Council meetings. She has dedicated herself to ensuring iwi kupuna is handled in the most respectful and honorable way. She has been serving on the O'ahu Island Burial Council since 2013 and has proven her qualifications by providing fair and sensitive opinions.

As affirmed by the records of votes of the members of your Committee on Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

SCRep. 1707 International Affairs and the Arts on Gov. Msg. Nos. 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 665, and 666

Recommending that the Senate advise and consent to the nominations of the following:

KING KAMEHAMEHA CELEBRATION COMMISSION

- G.M. No. 626 TREVOR DAINES, for a term to expire 06-30-2017;
- G.M. No. 627 TREVOR DAINES, for a term to expire 06-30-2021;
- G.M. No. 628 BEVERLY LEE, for a term to expire 06-30-2019;
- G.M. No. 629 MELE ELENA CORDEIRO, for a term to expire 06-30-2018;
- G.M. No. 630 DARYL FUJIWARA, for a term to expire 06-30-2019;
- G.M. No. 631 DESIREE CRUZ, for a term to expire 06-30-2017;
- G.M. No. 632 DESIREE CRUZ, for a term to expire 06-30-2021;
- G.M. No. 633 KAMAKANAOKEALOHA AQUINO, for a term to expire 06-30-2019;
- G.M. No. 634 LINDA CHOCK, for a term to expire 06-30-2020;
- G.M. No. 635 LU ANN LANKFORD-FAVORITO, for a term to expire 06-30-2020;
- G.M. No. 636 LIONEL WRIGHT, for a term to expire 06-30-2017;
- G.M. No. 637 LIONEL WRIGHT, for a term to expire 06-30-2021;
- G.M. No. 638 MELISSIA SUGAI, for a term to expire 06-30-2018;
- G.M. No. 665 SHELLEY PE'A, for a term to expire 06-30-2020; and
- G.M. No. 666 STACY CLAYTON, for a term to expire 06-30-2019

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Trevor Daines, Beverly Lee, Mele Elena Cordeiro, Daryl Fujiwara, Desiree Cruz, Kamakanaoakealoha Aquino, Linda Chock, Lu Ann Lankford-Faborito, Lionel Wright, Melissa Sugai, Shelley Pe'a, and Stacy Clayton to possess the requisite qualifications to be nominated to the King Kamehameha Celebration Commission.

TREVOR DAINES

Your Committee received testimony in support of the nomination for the appointment and reappointment of Mr. Trevor Daines from the Department of Accounting and General Services and four individuals.

Mr. Daines is the Director of Sales for the Oahu Visitors Bureau and Hawaiian Cultural Advisor of the Hawaii Visitors & Convention Bureau. Mr. Daines is and has served as a member of numerous organizations including the Native Hawaiian Hospitality Association, Hawaii Hospitality Sales & Marketing Association, Hawaii Business Travel Association, Kamehameha Schools Alumni Association, and Kamehameha Alumni Networking Association. Mr. Daines currently serves as Chairperson of the King Kamehameha Celebration Commission. Under the current nomination, Mr. Daines will represent the Royal Order of Kamehameha on the Commission. Mr. Daines' knowledge, leadership experience, value of Hawaiian culture, and strong commitment to public service will continue to benefit the important work of the King Kamehameha Celebration Commission.

BEVERLY LEE

Your Committee received testimony in support of the nomination for the appointment of Ms. Beverly Lee from the Department of Accounting and General Services, Kapahulu Music Club, and three individuals.

Ms. Lee is currently the Management Assistant at Kaiser Permanente in Honolulu. Prior to her service as a Management Assistant, Ms. Lee was the Customer Service Representative at Kaiser Permanente in Honolulu and at Ohana Health Plan in Kapolei. Ms. Lee

also worked as an Administrative Assistant at Central Pacific Bank. She was also employed by Hawaiian Telcom and GTE Hawaiian Tel for thirty-three years in various capacities but most recently as a Business Sales Representative, where she was responsible for managing accounts and projects, including training for major corporate accounts in Hawaii. Ms. Lee has been involved with the King Kamehameha Celebration Commission and the Floral Parade for the past twenty years; first as an equestrian participant, then assisting the previous Arts Program Specialist, and, currently, as the Equestrian Chairperson. Ms. Lee will also represent the Kapahulu Music Club on the Commission. Ms. Lee's extensive community service background and her professional experience will continue to be assets to the important work of the King Kamehameha Celebration Commission.

MELE ELENA CORDEIRO

Your Committee received testimony in support of the nomination for the appointment of Ms. Mele Elena Cordeiro from the Department of Accounting and General Services and four individuals.

Ms. Cordeiro currently serves as an Educational Assistant at Kamaile Academy Public Charter School where she provides classroom support to students on various academic subjects. Since 1991 she has been an active member of the Hale O Na Ali'i O Hawaii, Ahahui Po'o, Halau O Wahiika'ahu'ula, Helu Ekahi, Honolulu Chapter, Number 1. Ms. Cordeiro has also served the Chapter as its Assistant Marshall and Auditor. In her service to the Chapter, she has shown an outstanding ability to motivate members, complete complex tasks, and provide administrative guidance. Ms. Cordeiro will represent Hale O Na Ali'i O Hawaii, Ahahui Po'o on the Commission. Ms. Cordeiro's commitment to community service and her professional experience will provide crucial support to the work of the King Kamehameha Celebration Commission.

DARYL FUJIWARA

Your Committee received testimony in support of the nomination for the appointment of Mr. Daryl Fujiwara from the Department of Accounting and General Services and three individuals.

Mr. Fujiwara is the Owner and Principal Designer of Smythe Fujiwara Design, a graphic design company he founded in 2004 on the Island of Maui. His clients include the County of Maui, Maui County Film Office, Maui Humane Society, and private businesses. He is active in numerous community and civic organizations, including serving as Vice President of the Lahaina Hawaiian Civic Club, as Event Coordinator for Na Kamehameha Commemorative Pa'u Parade and Ho'olaule'a, and as a member of Halau Hula Ka Malama Mahilani. Mr. Fujiwara will represent the Island of Maui on the Commission. Mr. Fujiwara's professional experience, expertise in design, and commitment to service will greatly contribute to the King Kamehameha Celebration Commission.

DESIREE CRUZ

Your Committee received testimony in support of the nomination for the appointment and reappointment of Ms. Desiree Cruz from the Department of Accounting and General Services and three individuals.

Ms. Cruz is the Owner and Director of Desiree Models & Talent, where she provides promotional and management services for entertainers and cultural practitioners in Hawaii. Ms. Cruz has served as a staff member at the East Hawaii District Office in the Department of Hawaiian Home Lands, as a Senior Community Outreach Specialist at the Native Hawaiian Roll Commission, as a Sales Specialist at the Big Island Visitors Bureau, and as the Public Relations Specialist at the County of Hawai'i Mayor's Office. She has also served as a member of the Volcano Art Center Board of Directors, the Program Coordinator of Hula Arts at Kilauea, and as President of the Pauka'a Community Association. Ms. Cruz will represent the Island of Hawaii on the Commission. Ms. Cruz's professional experience, government service, and community involvement will be assets to the King Kamehameha Celebration Commission.

KAMAKANAOKEALOHA AQUINO

Your Committee received testimony in support of the nomination for the appointment of Mr. Kamakanaoakealoha Aquino from the Department of Accounting and General Services, Waimanalo Hawaiian Homes Association, and three individuals.

Mr. Aquino currently serves as the Special Projects Research Analyst in the Research Division of the Office of Hawaiian Affairs. He received his Masters of Education in Educational Administration from the University of Hawaii at Manoa, and holds a Bachelor of Arts in Hawaiian Studies from the University. Mr. Aquino also served as the Assistant Coordinator for the Hulili Summer Bridge Program and as a Graduate Assistant within the Native Hawaiian Student Services at the University of Hawaii at Manoa. He is also the President of and will represent the Waimanalo Hawaiian Homes Association on the Commission. Mr. Aquino's knowledge, professional experience, and commitment to service will contribute greatly to the King Kamehameha Celebration Commission.

LINDA CHOCK

Your Committee received testimony in support of the nomination for the appointment of Ms. Linda Chock from the Department of Accounting and General Services and three individuals.

Ms. Chock is a Supervisor for Holoholo Tour, Travel, and Excursion Guides at Aulani Disney Resort and has over thirty-five years of experience in the visitor and convention industry in Hawaii. She attended the University of Hawaii and is a graduate of the Travel Institute, Wellesley, Massachusetts. Prior to working at Aulani Disney Resort, Ms. Chock was the Director of Sales, Event Planning, and Asia Pacific Marketing at the Bernice Pauahi Bishop Museum. Ms. Chock is an active member of many civic organizations, including state and national chapters of the American Society of Association Executives, Travel and Tourism Research Association, Daughters of Hawaii, and the Benevolent Royal Society of the Ahahui Ka'ahumanu. Ms. Chock will represent Ahahui Ka'ahumanu on the Commission. Ms. Chock's professional experience and immense service to the community will be assets to the King Kamehameha Celebration Commission.

LU ANN LANKFORD-FAVORITO

Your Committee received testimony in support of the nomination for the appointment of Ms. Lu Ann Lankford-Favorito from the Department of Accounting and General Services and four individuals.

Ms. Lankford-Faborito is the Contract Administrator at Latigo Construction, Inc. Ms. Lankford-Faborito is a volunteer with the Hawaii Food Bank and Kawaiahao Church Homeless Outreach Program. She is a member of the Hawaii Women's Rodeo Association, Ho'olehua Hawaiian Civic Club, Pearl Harbor Hawaiian Civic Club, and Makaha Hawaiian Civic Club. Ms. Lankford-Faborito served as the Chairperson of the 2013 Prince Kuhio Commemorative Parade and has participated in or supported the King Kamehameha Festival in various capacities for almost twenty years. Ms. Lankford-Faborito will represent the Island of Molokai on the Commission. Ms. Lankford-Faborito's wealth of experience in community service and professional activities will continue to greatly contribute to the King Kamehameha Celebration Commission.

LIONEL WRIGHT

Your Committee received testimony in support of the nomination for the appointment and reappointment of Mr. Lionel Wright from the Department of Accounting and General Services and two individuals.

Mr. Wright currently serves as the Chief Inspector for the Department of Commerce and Consumer Affairs Mixed Martial Arts Program. Prior to his work for the Department of Commerce and Consumer Affairs, Mr. Wright was an employee of Oahu Transit Services. He is currently the President of and will represent the Papakolea Community Association on the Commission. Mr. Wright's professional experience and commitment to community service will be assets to the King Kamehameha Celebration Commission.

MELISSIA SUGAI

Your Committee received testimony in support of the nomination for the appointment of Ms. Melissa Sugai from the Department of Accounting and General Services and two individuals.

Ms. Sugai currently serves as an Economic Development Specialist for the County of Kauai. Prior to her work with the County of Kauai, Ms. Sugai worked as a Project Administrator with Unlimited Construction Services, Inc., and as a show supervisor at Smith's Tropical Paradise, where she coordinated and oversaw the production of the Ethnic Cultural Show. Ms. Sugai has also previously participated in the King Kamehameha parade as a pa'u rider. She is an active member of the Hale O Na Ali'i, Anahola Hawaiian Homestead Association, and the Tourism Strategic Planning Board. Ms. Sugai will represent the Island of Kauai on the Commission. Ms. Sugai's professional experience and community involvement will help support the important efforts of the King Kamehameha Celebration Commission.

SHELLEY PE'A

Your Committee received testimony in support of the nomination for the appointment of Ms. Shelley Pe'a from the Department of Accounting and General Services, and two individuals.

Ms. Pe'a currently works in the tourism industry at Aulani Disney Resort. She received a Masters of Education from Chaminade University of Honolulu and a Bachelor's degree in Elementary Education from Brigham Young University. Prior to working at Aulani, Ms. Pe'a served as a Cultural Specialist at Kamehameha Schools and as a teacher at Ke Kula 'o Samuel M. Kamakau and at Blanche Pope Elementary. She has also volunteered for over ten years at the King Kamehameha and Aloha Festivals Parades. Ms. Pe'a is a member of and will represent the Association of Hawaiian Civic Clubs on the Commission. Her professional experience, commitment to education, value of Hawaiian culture, and community service will be assets to the King Kamehameha Celebration Commission.

STACY CLAYTON

Your Committee received testimony in support of the nomination for the appointment of Ms. Stacy Clayton from the Department of Accounting and General Services and one individual.

Ms. Clayton currently serves as the Executive Strategy Consultant in the Strategy and Innovation Division at Kamehameha Schools. Previously she worked as the Trust Coordinator to support the Board of Trustees for the Charles Reed Bishop Trust and was the Division Director in Extension Educational Services at Kamehameha Schools. She received a Masters of Education and Bachelor of Arts in Communications from the University of Hawaii at Manoa. Ms. Clayton is actively involved in the quarterly Malama Mauna Ala service projects and is a member of the Prince Kuhio Civic Club. Ms. Clayton is a member of and will represent the Daughters and Sons of Hawaiian Warriors organization on the Commission. Ms. Clayton's professional experience, commitment to community service, and dedication to education will greatly contribute to the King Kamehameha Celebration Commission.

As affirmed by the records of votes of the members of your Committee on International Affairs and the Arts that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (English, Ihara).

SCRep. 1708 Ways and Means on H.C.R. No. 26

The purpose and intent of this measure is to authorize the amendment of an easement for a portion of state submerged lands.

Specifically, this measure authorizes the Board of Land and Natural Resources to amend a term, non-exclusive easement covering a portion of state submerged lands fronting property in Kailua, Koolaupoko, Oahu, for the maintenance and repair of the existing seawall and boat ramp, and for the use, repair, and maintenance of the existing improvements constructed thereon.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has determined the shoreline boundary of a previously issued easement on the property identified as Tax Map Key: (1) 4-3-005: seaward of 094, to be further mauka, which has resulted in an additional encroachment area of three hundred twenty-eight square feet. Your Committee further finds

that this measure expresses the requisite legislative approval so that the existing easement may be amended to include this additional encroachment.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 26, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 8. Noes, none. Excused, 3 (Galuteria, Inouye, Kahele).

SCRep. 1709 Ways and Means on H.C.R. No. 27

The purpose and intent of this measure is to authorize the issuance of an easement for state submerged lands.

Specifically, this measure authorizes the Board of Land and Natural Resources to issue a term, non-exclusive easement covering a portion of state submerged lands fronting property located in Waimanalo, Koolaupoko, Oahu, for the maintenance and repair of an existing pier, and for use, repair, and maintenance of the existing improvements.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has identified an existing pier fronting the property identified as Tax Map Key: (1) 4-1-001: seaward of 011, as encroaching upon state submerged lands. The current owner of the abutting property has worked with the Department of Land and Natural Resources to convert the existing revocable permit for the pier to a long-term easement. Your Committee further finds that this measure expresses the requisite legislative approval so that an easement may be issued for the continued use of those state submerged lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 27, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 8. Noes, none. Excused, 3 (Galuteria, Inouye, Kahele).

SCRep. 1710 Ways and Means on H.C.R. No. 60

The purpose and intent of this measure is to authorize the amendment of an easement for a portion of state submerged lands.

Specifically, this measure authorizes the Board of Land and Natural Resources to amend a term, non-exclusive easement covering a portion of state submerged lands fronting property in Maunaloa, Honolulu, Oahu, for the maintenance and repair of the existing channel, concrete surge break or breakwater, seawall, step, and filled land, and for use, repair, and maintenance of the existing improvements constructed thereon.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has determined that a previously issued easement on the property identified as Tax Map Key: (1) 3-9-026: seaward of 044, 045, and 048, includes an additional encroachment of approximately 3,503 square feet. Your Committee further finds that this measure expresses the requisite legislative approval so that the existing easement may be amended to include this additional encroachment.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 60, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 8. Noes, none. Excused, 3 (Galuteria, Inouye, Kahele).

SCRep. 1711 Ways and Means on H.C.R. No. 78

The purpose and intent of this measure is to authorize the issuance of an easement for state submerged lands.

Specifically, this measure authorizes the Board of Land and Natural Resources to issue a term, non-exclusive easement covering a portion of state submerged lands fronting property located in Kaneohe, Koolaupoko, Oahu, for the maintenance and repair of the existing pier, and for the use, repair, and maintenance of the existing improvements.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has identified portions of a pier fronting the property identified as Tax Map Key: (1) 4-5-058:121, as encroaching upon state submerged lands. The current owner of the abutting property has worked with the Department of Land and Natural Resources to convert the existing pier revocable permit to a long-term easement, as the pier is located on state submerged lands. Your Committee further finds that this measure expresses the requisite legislative approval so that an easement may be issued for the use of those state submerged lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 78, H.D. 1, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 8. Noes, none. Excused, 3 (Galuteria, Inouye, Kahele).

SCRep. 1712 Ways and Means on H.C.R. No. 97

The purpose and intent of this measure is to authorize the issuance of an easement for state submerged and reclaimed (filled) lands.

Specifically, this measure authorizes the Board of Land and Natural Resources to issue a term, non-exclusive easement covering a portion of state submerged and reclaimed (filled) lands fronting property located in Kuau, Makawao, Paia, Maui, for the maintenance and repair of the existing rock walls, the revetments, a stairway, and the lawn.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged and reclaimed lands. The Board has identified portions of a wall and other improvements identified as Tax Map Key: (2) 2-6-012: seaward of 026, as encroaching upon state submerged and reclaimed (filled) lands. Your Committee further finds that the Board of Land and Natural Resources approved a grant of a term, non-exclusive easement for the maintenance and repair of the encroachments. Your Committee further finds that this measure expresses the requisite legislative approval so that an easement may be issued for the use of those state submerged and reclaimed lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 97, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 3 (Galuteria, Inouye, Kahele).

SCRep. 1713 Ways and Means on H.C.R. No. 152

The purpose and intent of this measure is to authorize the issuance of an easement covering a portion of state submerged lands.

More specifically, this measure authorizes the issuance of a fifty-five year term, non-exclusive easement covering a portion of state submerged lands fronting the property identified as Tax Map Key: (4) 4-3-009, seaward of 001, Waipouli, Kawaihau, Kauai, for the maintenance and repair of the existing seawall, and for the use, repair, and maintenance of the existing improvements constructed thereon.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that the Board of Land and Natural Resources approved a grant of a fifty-five year, non-exclusive easement for the maintenance and repair of the existing seawall fronting the property identified in this measure. Your Committee concludes that the easement is necessary for the maintenance and repair of the existing seawall, and for the use, repair, and maintenance of the existing improvements thereon.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 152, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 3 (Galuteria, Inouye, Kahele).

SCRep. 1714 Ways and Means on H.C.R. No. 105

The purpose and intent of this measure is to request the Department of Labor and Industrial Relations to report on its efforts to keep its commitment to work with vocational rehabilitation stakeholders and address the issues raised and recommendations made to improve the performance of the Vocational Rehabilitation Unit in its Disability Compensation Division.

Your Committee received written comments in support of this measure from eight individuals.

Your Committee received written comments on this measure from the Department of Labor and Industrial Relations and nine individuals.

Your Committee finds that concerns have been raised regarding the Vocational Rehabilitation Unit being administered in a different manner than in the previous three and a half decades, contrary to the original intent of the system as expressed in section 386-25(a), Hawaii Revised Statutes. Specifically, concerns have been raised that the Vocational Rehabilitation Unit is administered in a manner that is punitive and retaliatory toward counselors who are advised of the authority of the Department of Labor and Industrial Relations to revoke their certification or registration under section 12-14-19, Hawaii Administrative Rules. Accordingly, your Committee believes that an official report addressing these concerns from the Department of Labor and Industrial Relations will assist in identifying and resolving specific concerns.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 105, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Inouye).

SCRep. 1715 (Joint) Hawaiian Affairs and Water and Land on H.C.R. No. 80

The purpose and intent of this measure is to request the Department of Land and Natural Resources to establish a working group to study the potential transfer of management and maintenance of the Royal Mausoleum at Mauna 'Ala to one or more appropriate nonprofit organizations.

Your Committees received testimony in support of this measure from Kamehameha Schools, Hawai'i Cemetery Research Project, PA'I, and Ho'omana Pono, LLC. Your Committees received testimony in opposition to this measure from the Center for Hawaiian Sovereignty Studies. Your Committees received comments on this measure from the Department of Land and Natural Resources and O'ahu Council of the Association of Hawaiian Civic Clubs.

Your Committees find that the Royal Mausoleum at Mauna 'Ala is currently owned and managed by the Division of State Parks of the Department of Land and Natural Resources of the State of Hawai'i. The Department of Land and Natural Resources, the Kahu of Mauna 'Ala, and the Estate of Bernice Pauahi Bishop, Queen Lili'uokalani Trust, William Charles Lunalilo Trust Estate, Abigail K. Kawānanakoa Foundation, The Queen's Health Systems, and Charles Reed Bishop Trust (collectively, the "Royal Parties") have engaged in a cooperative effort to fund and undertake much needed repairs and renovations at Mauna 'Ala.

Your Committees find that there is a need to transfer the ongoing stewardship and maintenance of Mauna 'Ala to one or more nonprofit organizations with culturally-sensitive property management expertise, sufficient financial resources, and strong genealogical and cultural ties to Mauna 'Ala to assist with the ongoing management and maintenance of Mauna 'Ala for the benefit of the public.

Your Committees have amended this measure by:

- (1) Deleting the language explaining conveyance of ceded lands under the Admission Act;
- (2) Specifying that the working group should include one representative of each of the Hawaiian Royal Societies comprising 'Aha Hipu'u – Royal Order of Kamehameha I, 'Ahahui Ka'ahumanu, Hale O Nā Ali'i O Hawai'i, and Daughters and Sons of Hawaiian Warriors – Māmakakaua – rather than just one representative for 'Aha Hipu'u;
- (3) Adding three members of the general Hawaiian community to the working group, to be selected by the Department of Land and Natural Resources;
- (4) Requesting the working group to consult with the Attorney General for guidance and advice;
- (5) Deleting language that would have requested the working group to determine whether ownership of Mauna 'Ala should be transferred;
- (6) Extending the reporting deadline to twenty days prior to the convening of the Regular Session of 2019; and
- (7) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Although language was removed that would have requested the working group to determine whether ownership of Mauna 'Ala should be transferred, your Committees note that the working group is not prohibited from considering and making recommendations in its report to the Legislature regarding the transfer of ownership of Mauna 'Ala.

As affirmed by the records of votes of the members of your Committees on Hawaiian Affairs and Water and Land that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 80, H.D. 1, as amended herein, and recommend its adoption in the form attached hereto as H.C.R. No. 80, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Hawaiian Affairs: Ayes, 5. Noes, none. Excused, none.

Water and Land: Ayes, 4. Noes, none. Excused, 1 (Gabbard).

SCRep. 1716 (Joint) Hawaiian Affairs and Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 198

The purpose and intent of this measure is request the Office of Hawaiian Affairs to convene stakeholders on capacity building, training, and the perpetuation of hooponopono in order to strengthen integrative public safety programs that can incorporate Native Hawaiian values, practices, families, and communities into public safety and other appropriate state government programming.

Your Committees received testimony in support of this measure from Ho'omana Pono, LLC; and four individuals.

Your Committees find that Native Hawaiians have been overrepresented in the criminal justice system. The Office of Hawaiian Affairs documented this overrepresentation in a 2010 report entitled "The Disparate Treatment of Native Hawaiians in the Criminal Justice System." Your Committees further find that the Native Hawaiian Criminal Justice Task Force recommended, among other things, in its 2012 report that the State recognize and support community efforts to promote indigenous cultural models of restorative justice proven to be effective in rehabilitation. Traditional Native Hawaiian practices such as hooponopono have demonstrated effectiveness in offender rehabilitation, as well as in community education, individual and public health, and family therapy. The Office of Hawaiian Affairs works toward improving the condition of Native Hawaiians through research, direct services, programs, community outreach, education and training, prevention programs and services, and policy recommendations grounded in Native Hawaiian values and beliefs. Therefore, your Committees find it suitable that the Office of Hawaiian Affairs convene cultural organization representatives, integrative service providers, and traditional practitioners alongside state governmental authorities to determine methods of incorporating Native Hawaiian practices and values into public safety and other government programs.

As affirmed by the records of votes of the members of your Committees on Hawaiian Affairs and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 198, and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Hawaiian Affairs: Ayes, 5. Noes, none. Excused, none.

Public Safety, Intergovernmental, and Military Affairs: Ayes, 4. Noes, none. Excused, 1 (Wakai).

SCRep. 1717 Ways and Means on H.C.R. No. 31

The purpose and intent of this measure is to request the Department of Taxation to adopt rules to require that any assessment of penalty or interest on taxes be accompanied by an explanation, including calculations, of how the amount of the penalty or interest was determined.

Your Committee received testimony in support of this measure from one individual.

Your Committee received comments on this measure from the Department of Taxation.

Your Committee finds that pursuant to section 231-39, Hawaii Revised Statutes, the Department of Taxation assesses penalties and interest on taxpayers who fail to file a required return, fail to make required tax payments, or underpay their taxes. Although the department currently provides to each taxpayer who is assessed a penalty or interest a statement that sets out the amount of the penalty or interest, the statement generally does not include any explanatory language or supporting calculations. As a result, the taxpayer is often left with little understanding of how the department determined the amount of the penalty or interest being assessed. Thus, your Committee believes that the Department of Taxation should adopt rules to require that any assessment of penalty or interest on taxes be accompanied by an explanation.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 31, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Kaehele).

SCRep. 1718 Ways and Means on H.C.R. No. 96

The purpose and intent of this measure is to request the Department of Budget and Finance to provide a status report on the establishment and implementation of the Hawaii Achieving a Better Life Experience (ABLE) Savings Program.

Your Committee received written comments in support of this measure from the State Council on Developmental Disabilities, Hawaii Disability Rights Center, and one individual.

Your Committee finds that section 256B-3(a)(9), Hawaii Revised Statutes, requires the Director of Finance to conduct an annual evaluation of the Hawaii ABLE Savings Program, prepare an annual report of the evaluation, and submit that report to the Governor and the Legislature. However, the Department of Budget and Finance has not issued any report since the statute was enacted in 2015. Your Committee believes that proper reporting by the Director of Finance will assist the Governor, Legislature, and public in monitoring the establishment and implementation of the Hawaii ABLE Savings Program and ensuring accountability so that the program is created in a timely manner.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 96, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Kaehele).

SCRep. 1719 Water and Land on Gov. Msg. No. 608

Recommending that the Senate advise and consent to the nomination of the following:

KAHANA VALLEY LIVING PARK PLANNING COUNCIL

G.M. No. 608 SHAUNA KAHIAPO, for a term to expire 06-30-2020

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Shauna Kahiapo to possess the requisite qualifications to be nominated to the Kahana Valley Living Park Planning Council.

Your Committee received testimony in support of the nomination for the appointment of Shauna Kahiapo from the Department of Land and Natural Resources and one individual.

Shauna Kahiapo has a Bachelor of Arts in Public Administration from the University of Hawaii West Oahu, and a Juris Doctorate from the University of Hawaii William S. Richardson School of Law with Certificates in Native Hawaiian Law and Environmental Law. Ms. Kahiapo is a Principal at Shauna L. K. Kahiapo, Attorney at Law. Ms. Kahiapo has extensive community and civic involvement, including serving as co-founder of Kahana Kilo Kai, and volunteer at the Domestic Violence Action Center, Ka Mala Lani, Aloha Dressage Society, Ho'oulu Āina, and Ka Huli 'Ao Native Hawaiian Center for Excellence in Native Hawaiian Law and is a member of the Prince Kūhio Hawaiian Civic Club.

Upon review of the testimony, your Committee finds that Ms. Kahiapo's background, experience, and commitment to public service further qualify her to be nominated for appointment to the Kahana Valley Living Park Planning Council. Testifiers commented that the nominee brings to the Council a variety of real estate experience and noted her extensive community volunteerism. Ms. Kahiapo indicates in her personal statement that Kahana Valley holds a special place in her heart and that she recognizes the challenges and significance of preserving the unique historical and cultural resources in Kahana Valley. Ms. Kahiapo notes that the legal and practical skills she learned in law school and in her other civic positions will be of use in her service on the Council and, along with her education and experience, make her uniquely qualified to serve on the Council.

Your Committee notes that the nominee has an extended family member who currently lives in the Kahana Valley Living Park. After an extensive discussion with the nominee, and consultation with the Ethics Commission, your Committee is confident that the nominee will be able to dutifully serve as the representative of the general public on the Kahana Valley Living Park Planning Council. Your Committee concludes that Ms. Kahiapo's knowledge, experience, and community leadership will be an asset to the Council.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Inouye, Thielen).

SCRep. 1720 Water and Land on Gov. Msg. Nos. 749, 750, and 751

Recommending that the Senate advise and consent to the nominations of the following:

MOLOKA'I IRRIGATION SYSTEM WATER USERS ADVISORY BOARD

- G.M. No. 749 WILMA JOY, for a term to expire 06-30-2017;
- G.M. No. 750 WILMA JOY, for a term to expire 06-30-2021; and
- G.M. No. 751 COLETTE AUGUSTIRO, for a term to expire 06-30-2019

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Wilma Joy and Colette Augustiro to possess the requisite qualifications to be nominated for appointment to the Molokai Irrigation System Water Users Advisory Board.

WILMA JOY

Your Committee received testimony in support of the nomination for the appointment and reappointment of Wilma Joy from the Department of Agriculture and one individual.

Wilma Joy holds an Associate of Arts degree in Liberal Arts from Maui Community College and a Bachelor's of Education in Secondary Education from the University of Hawaii at Manoa. Ms. Joy has extensive experience as a Farmer at Joy Farm in Hoolehua from 1976 to 1995, and 2010 to present. Ms. Joy was a Substitute Teacher from 2003 to 2007. Ms. Joy is a founding and current member of the Hikiola Cooperative Board, and was previously a member of the Department of Hawaiian Home Lands Grant Review Advisory Committee, member and chair of the Molokai Irrigation Water User Advisory Board, member of the Molokai Water Working Group and Molokai Planning Commission, and founding member of the Na Pu'uwai Board.

Upon review of the testimony, your Committee finds that Ms. Joy's experience, commitment to her community, and proven leadership further qualify her to be nominated for appointment and reappointment to the Molokai Irrigation System Water Users Advisory Board representing homestead farmer users. Testifiers commented that as a Hawaiian homestead beneficiary and former member of the Board, Ms. Joy has a keen understanding of the needs of the farmers on Molokai and how the irrigation system contributes to the self-sustainability of Native Hawaiian people. Testifiers noted that the nominee's water system knowledge and familiarity with Hawaiian homelands will be an asset to the Board. Ms. Joy indicated in her personal statement that as a farmer of a homestead parcel owned by the Department of Hawaiian Home Lands and served by the Molokai Irrigation System, she qualifies to fill the homestead farmer position on the Board. Ms. Joy also noted her years of experience serving on boards and commissions and her lengthy background of involvement in water issues on Molokai starting in the 1970s. Your Committee further finds that Ms. Joy will be an asset to the Molokai Irrigation System Water Users Advisory Board based on her background and experience and her ongoing commitment to public service and her community.

COLETTE AUGUSTIRO

Your Committee received testimony in support of the nomination for the appointment of Colette Augustiro from the Department of Agriculture, Hikiola Cooperative, Monsanto Molokai, and three individuals.

Colette Augustiro holds multiple Associate of Science degrees in Agriculture and is currently employed at Monsanto Molokai. Ms. Augustiro is an active member of her community on Molokai, has previously served as Head Coach for the Molokai High School softball team and on the Kulaia Planning Committee, and volunteers at numerous community events and on various committees.

Upon review of the testimony, your Committee finds that Ms. Augustiro's knowledge, experience, and commitment to her community further qualify her to be nominated for appointment to the Molokai Irrigation System Water Users Advisory Board representing nonhomestead farmer users. Testifiers commented on Ms. Augustiro's expertise in agriculture, her leadership skills in many community activities, and her reputation as an honest and respected member of the Molokai community. Testifiers noted that Ms. Augustiro brings dedication, skills, and energy to any task she takes on, and that her commitment to the community will be an asset to the Board. Ms. Augustiro indicated in her personal statement that she is very familiar with the physical assets and operation of the Molokai Irrigation System, and the nonhomestead farmer users are well known to her, as she has enjoyed a direct working relationship with some of the nonhomestead farmers over the years. Ms. Augustiro also noted her numerous, broad-ranging community service activities. Your Committee further finds that the Molokai Irrigation System Water Users Advisory Board will benefit from the knowledge, experience, and extensive community service that Ms. Augustiro will bring to the Board.

As affirmed by the records of votes of the members of your Committee on Water and Land that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Gabbard, Kim).

SCRep. 1721 Water and Land on Gov. Msg. No. 661

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF LAND AND NATURAL RESOURCES

G.M. No. 661 JAMES GOMES, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds James Gomes to possess the requisite qualifications to be nominated for reappointment to the Board of Land and Natural Resources.

Your Committee received testimony in support of the nomination for the reappointment of James Gomes from the Department of Land and Natural Resources; County of Maui Department of Public Works; Hawai'i Farm Bureau; Maui County Farm Bureau; Hawaii Cattlemen's Council, Inc.; Ocean Tourism Coalition; Maui Cattle Company; Haleakala Ranch; Kapapala Ranch; Ponoholo Ranch Limited; Diamond B Ranch; Kaupo Ranch, Ltd.; Kuahiwi Ranch; Kukaiau Ranch, LLC; Palani Ranch Company, Inc.; Puuwai Ranch and Nursery; Haupu Ranch, LLC; Nobriga's Ranch, Inc.; McCandless Land & Cattle Co.; Maui Boardsailing Association; Maui Soda & Ice Works, Ltd.; Quicksilver Charters; and sixteen individuals.

James Gomes is the Operations Manager at Ulupalakua Ranch, and holds a degree in Liberal Arts from Maui Community College. Mr. Gomes serves on numerous community boards, councils, and associations, including as a member of the Maui Cattlemen's Association Board, Central Maui Soil & Water Conservation District Board, and Chair and former Vice-Chair of the County of Maui Liquor Commission. Mr. Gomes has also served on the Board of Land and Natural Resources since 2013.

Upon review of the testimony, your Committee finds that Mr. Gomes' experience, background, and broad community involvement and service further qualify him to be nominated for reappointment to the Board of Land and Natural Resources. Testifiers commented on the nominee's long family history of ranching in Hawaii, and that the Board benefitted from the wealth of knowledge and experience in agriculture and land management that Mr. Gomes brought to the Board during his first term of service. Testifiers also noted the nominee's long-lasting commitment to service and willingness to give back to the community. Mr. Gomes indicated in his personal statement that the strongest attribute he brings to the Board is his commitment to the land of Hawaii, along with the unique first-hand experience he has had working within the rules and procedures of various agencies at the Department of Land and Natural Resources throughout his career. Your Committee further finds that with his extensive experience, knowledge, and commitment to public service, Mr. Gomes is and will continue to be an asset to the Board.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Gabbard, Kim).

SCRep. 1722 Water and Land on Gov. Msg. Nos. 669, 670, and 671

Recommending that the Senate advise and consent to the nominations of the following:

LEGACY LAND CONSERVATION COMMISSION

G.M. No. 669 WILLIAM HAASE, for a term to expire 06-30-2020;

G.M. No. 670 THERESA MENARD, for a term to expire 06-30-2021; and

G.M. No. 671 JACOB TAVARES, for a term to expire 06-30-2019

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds William Haase, Theresa Menard, and Jacob Tavares to possess the requisite qualifications to be nominated to the Legacy Land Conservation Commission.

WILLIAM HAASE

Your Committee received testimony in support of the nomination for the appointment of William Haase from the Department of Land and Natural Resources, The Trust for Public Land, Advance Wildlife Education, and fifty-one individuals. Your Committee received comments on the nomination for the appointment of William Haase from one individual.

William Haase is the founding Executive Director of the Molokai Land Trust and has served on the Board of Directors for Hui Hoolana, a healing and arts retreat center in central Molokai. Mr. Haase holds a Bachelor of Science degree in Environmental Science from Evergreen State College. Mr. Haase has extensive nonprofit administration experience and has been serving as an interim appointee to the Legacy Land Conservation Commission since November 2016.

Your Committee finds that Mr. Haase has the background, experience, and commitment to public service to qualify for appointment to the Legacy Land Conservation Commission as a resident of Moloka'i and possessing membership in a land conservation organization organized in the State, pursuant to section 173A-2.4, Hawaii Revised Statutes. Testifiers commented that from the start of his interim appointment on the Commission, Mr. Haase has been an attentive and insightful participant, and that his experience with land trust operations and financing is an asset to the Commission. Testifiers noted his extensive background and knowledge in matters relevant to the Commission, and that Mr. Haase is respectful of Native Hawaiian culture and concerns and works well with local communities. The nominee indicated in his personal statement that serving on the Commission is a way to give back to the community through involvement in the process of how to best invest limited conservation funds to advance the protection of Hawaii's unique and precious natural resources. Mr. Haase noted that through his professional experience, he has first-hand knowledge of the process of applying for Legacy Land Conservation Program grants and has a strong understanding of successful land management and the tools available for land acquisition and stewardship activities. Your Committee further finds that the Commission will benefit from the skills and experience that Mr. Haase will contribute to the Commission.

THERESA MENARD

Your Committee received testimony in support of the nomination for the reappointment of Theresa Menard from the Department of Land and Natural Resources, The Nature Conservancy, and nine individuals.

Theresa Menard received a Bachelor of Science degree in Biology, with specialization in Ecology, Behavior, and Evolution, from the University of California, San Diego, and a Master of Science degree in Zoology, with specialization in Ecology, Evolution, and Conservation Biology, from the University of Hawaii at Manoa. Ms. Menard has been employed at The Nature Conservancy since 2002, and is currently a Geographic Information Systems Specialist. Ms. Menard has specialized skills in ArcGIS (mapping) and Vortex Population Modeling. Ms. Menard has published numerous academic articles in her field.

Your Committee finds that Ms. Menard has the education, skills, and experience which further qualify her for reappointment to the Legacy Land Conservation Commission as a member possessing scientific qualifications as evidenced by an academic degree, as specified in section 173A-2.4, Hawaii Revised Statutes. Testifiers commented that Ms. Menard is the current Chair of the Commission and has nurtured strong and productive working relationships with the other members of the Commission and the staff at the Department of Land and Natural Resources. Testifiers noted that Ms. Menard's background, expertise, and technical skills in biology, ecology, planning, geospatial analysis, and mapping are a great asset to the work of the Commission. The nominee indicated in her personal statement that serving on the Commission has been a career highlight and that she would like to continue to use the skills and talents she has developed as a conservation professional to assist the Commission in its effective use of state resources. Ms. Menard noted that her educational and professional background in science gives her the ability to evaluate the scientific value of projects that the Commission reviews. Your Committee further finds that the Commission will continue to benefit from the education and specialized skill-set that Ms. Menard will bring to the Commission through her reappointment and continued service.

JACOB TAVARES

Your Committee received testimony in support of the nomination for the appointment of Jacob Tavares from the Department of Land and Natural Resources, Hawaii Cattlemen's Council, Ponoholo Ranch Limited, and one individual.

Mr. Tavares is a Project Manager for Livestock Diversification at Hawaiian Commercial and Sugar Company and the sole proprietor of Anchor T Ranch. Mr. Tavares received a Bachelor of Business Administration from Gonzaga University. Mr. Tavares is an active community participant and is a member of the Hawaii Cattlemen's Council, Maui Cattlemen's Association Board member, Director of the United States Department of Agriculture Natural Resources Conservation Service Soil and Water Conservation Board: Olinda-Kula District, and Committee member of the Maui County Nutrition & Physical Activity Coalition.

Your Committee finds that Mr. Tavares has the background, experience, and commitment to community and public service which further qualify him for appointment to the Legacy Land Conservation Commission as a resident of Maui and possessing membership in a statewide agricultural association, pursuant to section 173A-2.4, Hawaii Revised Statutes. Testifiers commented that Mr. Tavares brings to the Commission the otherwise lacking participation of a dedicated, progressive representative of the agricultural future. Testifiers noted the nominee's extensive knowledge and experience as a sixth-generation Hawaii rancher and contemporary leader in the corporate transition from sugar-planting to diversified agricultural production. The nominee indicated in his personal statement that as a multi-generational resident of Hawaii with a long history of family participation in land and natural resource stewardship, he has a deep-rooted connection to the overall purpose of the Commission. Mr. Tavares noted that his professional background has allowed him to see agricultural and conservation efforts across the State and has given him an understanding of the many similarities and differences each island faces in conserving natural resources. Your Committee further finds that the Commission will benefit from the background and experience that Mr. Tavares will bring to the Commission.

As affirmed by the records of votes of the members of your Committee on Water and Land that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Gabbard, Kim).

SCRep. 1723 Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 55

The purpose and intent of this measure is to request the Attorney General to review gun amnesty programs in other states and their potential applicability in Hawaii.

Your Committee received testimony in support of this measure from one individual.

Your Committee finds that illegal firearms pose a serious danger to the health, safety, and welfare of the public. To combat the proliferation of illegal firearms, some jurisdictions have implemented gun amnesty programs that allow individuals to surrender firearms to police for compensation, without the risk of questioning, arrest, or prosecution. Reports indicate that under these types of gun amnesty programs, the surrendered firearms were often firearms that were illegally obtained or lost by the legal owner. Your Committee finds that a gun amnesty program modeled after programs of other jurisdictions would provide a means of removing illegal and dangerous firearms from the streets.

Accordingly, this measure requests the Attorney General to:

- (1) Review gun amnesty programs in other states and assess their potential applicability in Hawaii;
- (2) Confer with the Chief of Police of each county to identify potential barriers to implementation of a gun amnesty program in the State; and
- (3) Submit a report of any findings and recommendations to the Legislature prior to the convening of the Regular Session of 2018.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 55, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Ihara, Thielen).

SCRep. 1724 Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 133

The purpose and intent of this measure is to:

- (1) Urge law enforcement agencies to follow the guidelines developed by the Malama Kakou Project for the testing of sexual assault evidence collection kits;
- (2) Request the appropriate law enforcement agencies to submit sexual assault evidence collection kits that meet the testing guidelines to a laboratory for testing within ninety days and subsequently follow-up with that laboratory within ninety days of the request; and
- (3) Request an annual report from the Department of the Attorney General on the testing of sexual assault evidence collection kits in the State.

Your Committee received testimony in support of this measure from the Hawaii State Commission on the Status of Women; Community Alliance on Prisons; Planned Parenthood Votes Northwest and Hawaii; Joyful Heart Foundation; and Ho‘omana Pono, LLC.

Your Committee finds that reducing the incidence of sexual assault and ensuring the rights of sexual assault victims are vital to ensuring public health and safety. An inventory of all four county police departments showed that approximately thirteen percent of all sexual assault evidence collection kits collected in the State since 1992 had been tested as of June 30, 2016. In 2016, at the direction of the Legislature, the Attorney General convened a working group to develop statewide standards and practices for the testing of sexual assault evidence collection kits. This working group developed the Malama Kakou Project, a state plan to reform the testing of sexual assault evidence collection kits. The Malama Kakou Project established guidelines to determine whether a kit should be tested, a priority order for kits that are to be tested, and a process for police departments to follow in implementing the defined criteria and priorities. Your Committee finds that the recommendations of the Malama Kakou Project would greatly enhance the process for testing sexual assault evidence collection kits. Therefore, all law enforcement agencies in the State charged with collecting sexual assault evidence collection kits are urged to follow the guidelines developed by the Malama Kakou Project.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 133, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Ihara, Thielen).

SCRep. 1725 Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 134

The purpose and intent of this measure is to request the Judiciary to convene a task force to examine and make recommendations regarding criminal pretrial practices and procedures to maximize public safety, court appearances, and pretrial release.

Your Committee received testimony in support of this measure from the Department of Public Safety; Judiciary, State of Hawaii; American Civil Liberties Union; Community Alliance on Prisons; Ho‘omana Pono, LLC; and one individual.

Your Committee finds that reforming the correctional system to implement effective and efficient pretrial release policies is important for protecting the rights of the public and the accused. Proper pretrial release procedures allow officials to assess flight and danger risks and provide guidance for the proper supervision for different types or levels of risk. In addition, better pretrial procedures would help the State combat the overcrowding in its correctional facilities.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 134, H.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Ihara, Thielen).

SCRep. 1726 Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 158

The purpose and intent of this measure is to encourage the continuation and expansion of community-based work furlough programs to assist female inmates transition back into society.

Your Committee received testimony in support of this measure from the Department of Public Safety; Community Alliance on Prisons; Planned Parenthood Votes Northwest and Hawaii; YWCA O‘ahu; Ho‘omana Pono, LLC; and two individuals.

Your Committee finds that supporting the expanded use of alternatives to incarceration is essential for promoting public welfare and reforming the State’s correctional system. The expanded use of alternatives to incarceration is particularly important for the State’s population of female inmates. The majority of female inmates are nonviolent offenders who do not pose a threat to the community. In addition, many female inmates are the mothers of minor children, and their incarceration threatens the destruction of the family unit. Further, many female offenders are re-incarcerated if they do not receive proper support during their transition back into society. Community-based work furlough programs can be an effective means of transitioning inmates back into society. Moreover, these work furlough programs can help reduce incarceration costs, reduce recidivism, and create safer communities. Accordingly, community-based work furlough programs designed to help female inmates transition back into society should be continued and expanded.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 158, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Ihara, Thielen).

SCRep. 1727 Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 157

The purpose and intent of this measure is to:

- (1) Request that the Correctional Justice Task Force created by House Concurrent Resolution No. 85, S.D. 1 (2016) continue its study of effective incarceration policies to reduce the detainee and inmate population while preserving public safety, lower recidivism, and improve Hawaii's correctional system;
- (2) Request that the Judiciary and the Department of Public Safety provide administrative support to the Correctional Justice Task Force; and
- (3) Request that the Correctional Justice Task Force, with assistance from the Legislative Reference Bureau, submit a report of its continued findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2019.

Your Committee received testimony in support of this measure from the Judiciary, State of Hawai'i; Department of Public Safety; American Civil Liberties Union; Community Alliance on Prisons; Ho'omana Pono, LLC; and two individuals.

Your Committee finds that addressing the State's ever-increasing prison population is essential for maintaining public safety and welfare. Over the past two decades, long prison sentences and increased recidivism have contributed to a spike in the prison population across the country. Increases in the prison population lead to greater funding needs for corrections and corrections facilities at the expense of other necessary government programs. To address inefficiencies and inadequacies in Hawaii's correctional system, the Legislature, through House Concurrent Resolution No. 85, S.D. 1 (2016), created the Correctional Justice Task Force to provide guidance and suggest improvements regarding Hawaii's incarceration policies, correctional system, and the design of future correctional facilities. Since its inception, the Task Force has made valuable contributions aimed at improving the State's correctional operations. However, the Task Force is set to dissolve after 2017. Your Committee finds that the Correctional Judicial Task Force created by House Concurrent Resolution No. 85, S.D. 1 (2016) should continue its study of effective incarceration policies to reduce the detainee and inmate population while preserving public safety, lower recidivism, and improve Hawaii's correctional system.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 157, H.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Ihara, Thielen).

SCRep. 1728 Ways and Means on H.C.R. No. 129

The purpose and intent of this measure is to request the Department of Health to convene a working group, with the assistance of the American Cancer Society Hawaii Pacific and the American Cancer Society Cancer Action Network, to develop recommendations to increase colorectal cancer screening rates in the State.

Your Committee received written comments in support of this measure from the Department of Health, University of Hawaii Cancer Center, American Cancer Society Cancer Action Network, Hawaii Primary Care Association, and sixteen individuals.

Your Committee finds that colorectal cancer is the second leading cause of cancer deaths for men and the third leading cause of cancer deaths for women in the State. Your Committee recognizes that Hawaii currently has a screening rate of seventy percent, with a goal of reaching an eighty percent screening rate by 2020. Your Committee believes that convening a working group to increase colorectal cancer screening rates will help to reduce the burden of colorectal cancer on Hawaii residents through early detection and treatment.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 129, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 8. Noes, none. Excused, 3 (Galuteria, Inouye, Kahele).

SCRep. 1729 Ways and Means on H.C.R. No. 161

The purpose and intent of this measure is to request the MedQUEST Administrator to convene a working group relating to complex patients.

More specifically, the working group is requested to:

- (1) Evaluate the issue of complex patients who are waitlisted in hospitals because of medical or behavioral health issues; and
- (2) Consider solutions that include incentive or add-on payments to encourage the transfer of those patients out of hospitals and into more appropriate settings.

Your Committee received written comments in support of this measure from The Queen's Health Systems, Kaiser Permanente, the Healthcare Association of Hawaii, Hawaii Pacific Health, the American Organization of Nurse Executives Hawaii, and Castle Medical Center.

Your Committee finds that there are hospitalized individuals who have recovered sufficiently to no longer need the acute level of care that a hospital provides, but who still have complex medical or behavioral health needs that require intensive services. These patients remain in hospitals for many weeks or months after the appropriate date of discharge because, due to insufficient reimbursements from Medicaid, necessary intensive services are often too costly for long-term care facilities to provide. Therefore, these patients become “waitlisted” patients. Your Committee also finds that according to a 2014 report, there were 7,055 waitlisted patients in Hawaii hospitals in 2011, who required care at an average cost of \$1,404 per day, which resulted in a loss to hospitals of approximately \$62,700,000 for that year.

Your Committee believes that transferring waitlisted patients to long-term care facilities would make more hospital beds available to patients who actually need acute care services, while also freeing hospitals from the obligation to provide lower-reimbursement, long-term care services. Your Committee therefore finds that it is appropriate to consider possible solutions that would facilitate the transfers.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 161, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 9. Noes, none. Excused, 2 (Inouye, Kahele).

SCRep. 1730 Ways and Means on H.C.R. No. 47

The purpose and intent of this measure is to request the Department of Transportation to study the need for and feasibility of establishing a government-subsidized interisland ferry system between the islands of Molokai and Maui.

Your Committee received written comments in support of this measure from the Department of Transportation and two individuals.

An individual submitted written comments on the measure.

Your Committee recognizes that since the termination of ferry service between Molokai and Maui in 2016, air transportation has been the only commercial option for travel between Molokai and the other major islands. Your Committee believes that a renewed ferry service between Molokai and Maui would provide a practical, cost-effective way for residents, visitors, and workers to travel between these two islands. A study on the need for and feasibility of establishing that service would provide important information for further consideration.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 47, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 9. Noes, none. Excused, 2 (Inouye, Kahele).

SCRep. 1731 Ways and Means on H.C.R. No. 67

The purpose and intent of this measure is to request the Department of Transportation to construct a roundabout at the intersection of Kamehameha Highway and Kahekili Highway on Oahu.

Your Committee received written comments in opposition to this measure from the Department of Transportation.

Your Committee finds that the intersection of Kamehameha Highway and Kahekili Highway on the island of Oahu is dangerous for drivers and pedestrians, and contributes to excessive traffic congestion during rush-hour. Your Committee further finds that roundabout intersections can increase traffic safety, increase traffic capacity of a roadway, and decrease commute times. Accordingly, your Committee believes that construction of a roundabout at the intersection of Kamehameha Highway and Kahekili Highway can lessen the safety and traffic problems caused by the intersection.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 67, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 9. Noes, none. Excused, 2 (Inouye, Kahele).

SCRep. 1732 Ways and Means on H.C.R. No. 113

The purpose and intent of this measure is to call on the federal government and states to lower costs for consumers, create more jobs, and reduce the impacts of climate change on the economy by replacing fossil fuels with renewable energy.

Your Committee received written comments in support of this measure from two individuals.

Your Committee received written comments on this measure from the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs.

Your Committee finds that human activity has caused an alarming increase in greenhouse gases, including carbon dioxide, which is primarily produced by the use of fossil fuels. Between 1958 and 2017, atmospheric carbon dioxide increased by approximately thirty percent, resulting in a rapidly warming planet. Climate change leads to rising sea levels, drought, and natural disasters, which impose great financial costs on federal, state, and local governments and ultimately taxpayers. Accordingly, your Committee believes that residents in all states stand to benefit from a reduction in the carbon pollution that drives climate change.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 113, H.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Inouye).

SCRep. 1733 Ways and Means on H.C.R. No. 143

The purpose and intent of this measure is to request the Department of Business, Economic Development, and Tourism to develop a master plan for the Hilo International Aerospace and Technology Park.

Your Committee received written comments in support of this measure from the Mayor of the County of Hawaii, the Pacific International Space Center for Exploration Systems, and one individual.

Your Committee received written comments on this measure from the Department of Business, Economic Development, and Tourism and the High Technology Development Corporation.

Your Committee finds that the Hilo area is appropriate for the development and operation of an international park for aerospace and technology activities that could generate economic and educational opportunities for the State. Your Committee further finds that the Department of Business, Economic Development, and Tourism is the appropriate agency to lead the collaborative effort to develop a detailed, strategic master plan for the park.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 143, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 1 (Inouye).

SCRep. 1734 Economic Development, Tourism, and Technology on Gov. Msg. Nos. 781 and 782

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF DIRECTORS OF THE HAWAII TOURISM AUTHORITY

G.M. No. 781 KELLY SANDERS, for a term to expire 06-30-2020; and

G.M. No. 782 SHERRY MENOR-MCNAMARA, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Kelly Sanders and Sherry Menor-McNamara to possess the requisite qualifications to be nominated to the Board of Directors of the Hawaii Tourism Authority.

KELLY SANDERS

Your Committee received testimony in support of the nomination for the appointment of Kelly Sanders from the Department of Land and Natural Resources; Waikiki Improvement Association; American Diabetes Association; Adult Friends for Youth; Kyo-ya Management Co., Ltd.; American Heart Association; Diamond Head Theatre; and three individuals.

Ms. Sanders is currently the General Manager and Area General Manager for the Sheraton Waikiki, Royal Hawaiian, Westin Moana Surfrider Resort and Spa, Sheraton Princess Kaiulani, and Sheraton Maui. Prior to her service in the tourism industry in Hawaii, Ms. Sanders was the General Manager at the Sheraton San Diego Hotel & Marina and Hotel Manager for the Westin Gas Lamp in San Diego. She is the recipient of numerous awards recognizing her skill in hotel management, including the Community Empowerment Award by the Council for Native Hawaiian Advancement in 2016. Ms. Sanders is also active in serving the community through membership on the Boy Scouts of America, Diamond Head Theatre, and Gregory House Programs Boards of Directors. Ms. Sanders' leadership, professional experience, and community service experience will serve as assets to the Board of Directors of the Hawaii Tourism Authority.

SHERRY MENOR-MCNAMARA

Your Committee received testimony in support of the nomination for the appointment of Ms. Sherry Menor-McNamara from the Department of Land and Natural Resources, Chamber of Commerce Hawaii, and three individuals.

Ms. Menor-McNamara is the President and Chief Executive Officer of the Chamber of Commerce Hawaii (Chamber). Prior to serving as President and CEO, Ms. Menor-McNamara served as the Chief Operating Officer and Senior Vice President of Government Affairs for the Chamber. She also previously worked as the Event Manager for the Sheraton Hawaii Bowl through M2C, Inc., and ESPN Sports. Ms. Menor-McNamara received a Juris Doctor and Master of Business Administration from the University of Hawaii at Manoa and she has strived to bring those learned skillsets and experiences to each of her endeavors. She is also immersed in civic and community engagement activities, including service as a Trustee of the JAIDS Foundation Board of Trustees and The Queen's Health Systems and Queen's Medical Center Board of Trustees, and as a Director of the Girls Scouts of Hawaii Board of Directors and Move Oahu Forward Board of Directors and Executive Committee. Ms. Menor-McNamara's vast business, tourism, and community service experience will contribute greatly to the Board of Directors of the Hawaii Tourism Authority.

As affirmed by the records of votes of the members of your Committee on Economic Development, Tourism, and Technology that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Vice Chair on behalf of the Committee.

For Gov. Msg. No. 781: Ayes, 3. Noes, none. Excused, 2 (Baker, Thielen).

For Gov. Msg. No. 782: Ayes, 4. Noes, none. Excused, 1 (Wakai).

SCRep. 1735 Government Operations on Gov. Msg. Nos. 792, 793, and 794

Recommending that the Senate advise and consent to the nominations of the following:

PROCUREMENT POLICY BOARD

G.M. No. 792 GARY KUROKAWA, for a term to expire 06-30-2020;

G.M. No. 793 JAMES MASTIN, for a term to expire 06-30-2020; and

G.M. No. 794 LENA CULLISON, for a term to expire 06-30-2019

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Gary Kurokawa, James Mastin, and Lena Cullison to possess the requisite qualifications to be nominated for appointment to the Procurement Policy Board.

GARY KUROKAWA

Your Committee received testimony in support of the nomination for the appointment of Gary Kurokawa from the Department of Accounting and General Services; State Procurement Office; Chamber of Commerce Hawaii; General Contractors Association of Hawaii; Ralph S. Inouye Co. Ltd.; and one individual.

Your Committee finds that Mr. Kurokawa has wide-ranging knowledge and experience in government processes and management, including in areas relevant to service on the Procurement Policy Board such as budgets and fiscal controls and procurement and purchasing. Mr. Kurokawa is currently the Chief of Staff to the Mayor of the City and County of Honolulu, and served for nearly thirty years as Administrator and Deputy Director of Budget and Fiscal Services for the City and County of Honolulu. In his professional career, Mr. Kurokawa has monitored and directed the county procurement and purchasing processes, led all counties in the State to promote legislative initiatives and provide statewide technical expertise in training and operational policies, and implemented large scale software migration to automate internal and external work processes. Your Committee further finds that Mr. Kurokawa's public procurement knowledge and experience, including firsthand understanding of the process and challenges of the procurement code, will be strong assets to the Procurement Policy Board which further qualify him for appointment to the Board as a member who is a county employee with significant high-level procurement experience, as required by section 103D-201, Hawaii Revised Statutes.

JAMES MASTIN

Your Committee received testimony in support of the nomination for the appointment of James Mastin from the Department of Accounting and General Services, State Procurement Office, and one individual.

Your Committee finds that Mr. Mastin has been involved in federal procurement for over thirty years, and is currently a Procurement Analyst in the Expeditionary Contracting Command in the Small Business Office for the Department of Defense. In his current position, Mr. Mastin reviews acquisitions and makes recommendations for all acquisitions over \$10,000, and is the United States Army's only Small Business Professional in the Pacific region. In this role, Mr. Mastin supports the planning and implementation of programs to increase small business opportunities in federal government contract work by implementing policies designed to ensure consistent application of subcontracting requirements with respect to small businesses and providing guidance on socio-economic opportunities and programs affecting various types of small businesses. Your Committee further finds that Mr. Mastin's vast experience in federal procurement, including awareness and knowledge of the challenges facing small businesses in the procurement process, and his commitment to service will be strong assets to the Procurement Policy Board which further qualify him for appointment to the Board as a member who is a full-time employee of the State or any county and who has significant high-level, federal procurement experience, as required by section 103D-201, Hawaii Revised Statutes.

LENA CULLISON

Your Committee received testimony in support of the nomination for the appointment of Lena Cullison from the Department of Accounting and General Services, State Procurement Office, and nine individuals.

Your Committee finds that Ms. Cullison is an Analyst in Strategic Procurement for Hawaiian Airlines, Inc. Ms. Cullison has a wide range of private sector experience including in all aspects of procurement, business planning, and contract drafting and negotiation. Ms. Cullison received a Master of Business Administration from Shidler College of Business and a Juris Doctor from William S. Richardson School of Law. The nominee indicated in her personal statement that she would like to contribute the experience, knowledge, and best practices she has gained from her private sector experience to serve effectively on the Procurement Policy Board and improve efficiencies in the State procurement process and contract administration. Your Committee further finds that Ms. Cullison's professional experience and education, and commitment to service, will be strong assets to the Procurement Policy Board which further qualify her for appointment to the Board as a general member who is not a full-time employee of the State or any county, pursuant to section 103D-201, Hawaii Revised Statutes.

As affirmed by the records of votes of the members of your Committee on Government Operations that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Tokuda).

SCRep. 1736 Education on Gov. Msg. No. 723

Recommending that the Senate advise and consent to the nomination of the following:

EARLY LEARNING ADVISORY BOARD

G.M. No. 723 JIN CHANG, for a term to expire 06-30-2020

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Jin Chang to possess the requisite qualifications to be nominated to the Early Learning Advisory Board.

Your Committee received testimony in support of the nomination for the appointment of Jin Chang from the State Public Charter School Commission, Native Hawaiian Education Council, Hawai'i State Center for Nursing, and seven individuals.

Upon review of the testimony, your Committee finds that Mr. Chang's experience as an education professional and extensive history of public service further qualify him to be nominated for appointment to the Early Learning Advisory Board. Your Committee notes that Mr. Chang has considerable experience as a preschool teacher and preschool administrator. Mr. Chang is currently the Co-Program Manager for the Partners in Development Foundation, a Family Child Interaction Learning (FCIL) program that focuses specifically on the early childhood development and family support/strengthening needs of at-risk and homeless families and children. He has also spent many years advocating for the needs of these families and children at the community, state, and national levels as part of larger FCIL programs. Your Committee finds that Mr. Chang's experience as an educator and his commitment to the needs of Hawaii's students will be great assets to the Early Learning Advisory Board.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Espero, Riviere).

SCRep. 1737 Water and Land on Gov. Msg. Nos. 795 and 796

Recommending that the Senate advise and consent to the nominations of the following:

COMMISSION ON WATER RESOURCE MANAGEMENT

G.M. No. 795 KAMANAMAICALANI BEAMER, for a term to expire 06-30-2021; and

G.M. No. 796 PAUL MEYER, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Kamanamaikalani Beamer and Paul Meyer to possess the requisite qualifications to be nominated for appointment to the Commission on Water Resource Management.

KAMANAMAICALANI BEAMER

Your Committee received testimony in support of the nomination for the reappointment of Kamanamaikalani Beamer from the Department of Land and Natural Resources, Office of Hawaiian Affairs, Sierra Club of Hawai'i, KAHEA: the Hawaiian-Environmental Alliance, Pō'ai Wai Ola: West Kaua'i Watershed Alliance, Commercial Farm, and twenty-eight individuals.

Kamanamaikalani Beamer received an Associate of Arts degree from Marymount College, and a Bachelor of Arts degree in Hawaiian Studies and Philosophy, Master of Arts degree in Geography, and Ph.D. in Geography from the University of Hawaii. Dr. Beamer also earned a Certificate at the First Nations Futures Institute at Stanford University. Since 2012, Dr. Beamer has been an Associate Professor at the University of Hawaii, Hawaiiinuiakea School of Hawaiian Knowledge and William S. Richardson School of Law, Hui'Āina Momona Program. Dr. Beamer has published extensively in his field and is an invited speaker at numerous domestic and international conferences, forums, and media events. Dr. Beamer currently serves on the Commission on Water Resource Management.

Upon review of the testimony, your Committee finds that Dr. Beamer's education, professional experience, and proven leadership further qualify him to be nominated for reappointment to the Commission on Water Resource Management. Testifiers commented that Dr. Beamer's extensive background and knowledge of the State's water resource issues made him a tremendous asset to the Commission during his first term, and contributed to enriching the Commission's discussions and resolutions over the past three years. Testifiers noted that the nominee has a substantial and culturally-grounded understanding of the need to uphold the public trust in Hawaii's water resources. Dr. Beamer indicated in his personal statement that he is committed to the Commission's mission to protect and enhance the water resources of Hawaii through wise and responsible management, and noted that his educational and professional background, including research for his published works, have given him significant experience in the area of water resource management throughout Hawaii. Your Committee further finds that the Commission will continue to benefit from the knowledge and experience that Dr. Beamer brings to the Commission.

PAUL MEYER

Your Committee received testimony in support of the nomination for the appointment of Paul Meyer from the Department of Land and Natural Resources, Hawai'i Farm Bureau, Maui County Farm Bureau, and one individual.

Paul Meyer recently retired as the Deputy Director of the Department of Water Supply of the County of Maui after holding the position since 2010. Mr. Meyer has an extensive background in business and financial consulting, including as Principal at Meyer Associates, LLC; Executive Vice President of Finance at Maui Land & Pineapple Company, Inc.; and Chief Financial Officer, Treasurer, and Secretary at Victoria Station Incorporated. Mr. Meyer holds a Bachelor of Science and Bachelor of Business Administration from Loyola University Chicago, and has completed the requirements for a Master of Business Administration at the University of California Berkeley. Mr. Meyer is involved in numerous community and social organizations, and was honorably discharged as Sergeant from the United States Army Reserve.

Upon review of the testimony, your Committee finds that Mr. Meyer's broad professional experience, proven leadership, and commitment to public service further qualify him to be nominated for appointment to the Commission on Water Resource Management. Testifiers commented that Mr. Meyer has extensive and substantial water resource management experience and

expertise in public and private water supply system management. Testifiers noted that the nominee is a seasoned executive with leadership and financial oversight skills and experience, as well as an expansive range of knowledge in areas relevant to the Commission, including engineering, agriculture, land management, and energy development. Mr. Meyer indicated in his personal statement that he has the background, training, and experience to contribute materially and in a constructive manner to the Commission. The nominee notes that water and the issue of water use are critical to the communities in Hawaii, and he hopes to contribute to the wise, efficient, and effective use of this vital public resource. Your Committee further finds that Mr. Meyer's knowledge and experience will be an asset to the Commission.

As affirmed by the records of votes of the members of your Committee on Water and Land that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Gabbard, Kim).

SCRep. 1738 Education on H.C.R. No. 28

The purpose and intent of this measure is to request additional funding for education from the United States Department of Education.

Your Committee received testimony in support of this measure from the Department of Education, State Public Charter School Commission, and two individuals.

Your Committee finds that funding for education is a vital investment in the State's children and the future of Hawaii. Your Committee further finds that the federal Every Student Succeeds Act provides states with an opportunity to further shape school systems in a way that will best prepare students for the future. Your Committee additionally finds that additional resources from the United States Department of Education will facilitate the continued development of effective public education in Hawaii and throughout the nation.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 28, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 3. Noes, none. Excused, 2 (Espero, Riviere).

SCRep. 1739 Ways and Means on Gov. Msg. No. 609

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF TAXATION REVIEW, 2ND TAXATION DISTRICT (MAUI)

G.M. No. 609 PATRICK ING, for a term to expire 06-30-2018

Your Committee reviewed the resume and personal statement submitted by Patrick Ing for service on the Board of Taxation Review for the 2nd Taxation District (Maui).

Your Committee received testimony in support of the nomination of Patrick Ing from the Department of Taxation.

Upon review of the testimony, your Committee finds that the nominee's many years of service in the areas of taxation, auditing, and accounting, as well as his service on various community boards, qualify him to serve on the Board of Taxation Review for the 2nd Taxation District. Your Committee notes that Mr. Ing received a Master of Accounting degree from the University of Hawaii at Manoa. Mr. Ing is a certified public accountant and has more than twenty-five years of experience, with twenty-two years of experience working in his own accounting practice. Prior to starting his own practice, Mr. Ing worked with Robert H.Y. Leong & Company.

Mr. Ing is a member of several professional and community organizations, including the Hawaii Society of Certified Public Accountants, where he previously served as Director. Mr. Ing also previously served on the Board of Taxation Review for the 2nd Taxation District. Your Committee believes that the nominee's extensive experience and dedication would benefit the Board of Taxation Review, as well as Hawaii taxpayers and the tax community.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Kaele).

SCRep. 1740 Ways and Means on Gov. Msg. No. 610

Recommending that the Senate advise and consent to the nomination of the following:

CHAIRPERSON OF THE BOARD OF TAXATION REVIEW, 2ND TAXATION DISTRICT (MAUI)

G.M. No. 610 RICHARD DRAYSON, for a term to expire 06-30-2018

Your Committee reviewed the resume and personal statement submitted by Richard Drayson for service on the Board of Taxation Review for the 2nd Taxation District (Maui).

Your Committee received testimony in support of the nomination of Richard Drayson from the Department of Taxation.

Upon review of the testimony, your Committee finds that the nominee's many years of service in the areas of tax, auditing, and accounting, as well as his extensive service to the accounting community, qualify him to serve on the Board of Taxation Review for the 2nd Taxation District. Your Committee notes that Mr. Drayson received a Master of Accounting degree from the University of Hawaii at Manoa. Mr. Drayson is a certified public accountant and has over forty years of experience in partnership with various Certified Public Accountants in general practice, as well as work experience with Haskins & Sells, CPAs.

Mr. Drayson served for one term as the Maui Representative on the Board of the Hawaii Society of CPA's. Mr. Drayson also served as President of the Kahului Rotary Club. Your Committee notes that the Hawaii State House of Representatives of the Sixteenth Legislature bestowed upon him the 1992 Accountant Advocate of the Year Award. Your Committee believes that the nominee's extensive experience and dedication would benefit the Board of Taxation Review, as well as Hawaii taxpayers and the tax community.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Kahele).

SCRep. 1741 Ways and Means on Gov. Msg. No. 611

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF TAXATION REVIEW, 2ND TAXATION DISTRICT (MAUI)

G.M. No. 611 WILLIAM CURTIS, for a term to expire 06-30-2017

Your Committee reviewed the resume and personal statement submitted by William Curtis for service as the Vice Chairperson of the Board of Taxation Review for the 2nd Taxation District (Maui).

Your Committee received testimony in support of the nomination of William Curtis from the Department of Taxation.

Upon review of the testimony, your Committee finds that the nominee's many years of business experience qualify him to serve on the Board of Taxation Review for the 2nd Taxation District. Your Committee notes that Mr. Curtis attended Menlo College, School of Business Administration with an emphasis in Accounting. Mr. Curtis has over thirty-four years of work experience with various construction and building companies on Maui as a construction manager, superintendent, estimator, computer systems administrator, and data processing manager. Mr. Curtis is active within his community and has served on the Board of Directors of the Maui Orchid Society.

Your Committee believes that Mr. Curtis' perspective as a business owner and resident taxpayer will be beneficial in resolving tax matters that come before the Board of Taxation Review. Your Committee further believes that Mr. Curtis' extensive business experience and background will benefit the Board of Taxation Review, as well as Hawaii taxpayers and the tax community.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Kahele).

SCRep. 1742 Ways and Means on Gov. Msg. No. 612

Recommending that the Senate advise and consent to the nomination of the following:

VICE CHAIRPERSON OF THE BOARD OF TAXATION REVIEW, 2ND TAXATION DISTRICT (MAUI)

G.M. No. 612 WILLIAM CURTIS, for a term to expire 06-30-2021

Your Committee reviewed the personal statement and resume submitted by William Curtis for service on the Board of Taxation Review for the 2nd Taxation District (Maui).

Your Committee received testimony in support of the nomination of William Curtis from the Department of Taxation.

Upon review of the testimony, your Committee finds that the nominee's many years of business experience and background qualify him to serve on the Board of Taxation Review for the 2nd Taxation District. Mr. Curtis attended the School of Business Administration at Menlo College, with an emphasis in Accounting. As a General Contractor licensee with more than thirty-four years of work experience as a construction manager, superintendent, estimator, computer systems administrator, and data processing manager, your Committee believes Mr. Curtis is suitably qualified to serve on the Board. Your Committee also notes that Mr. Curtis is active in the Maui community and has served on the Board of Directors of the Maui Orchid Society.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Kahele).

SCRep. 1743 Ways and Means on Gov. Msg. No. 676

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF TAXATION REVIEW, 3RD TAXATION DISTRICT (HAWAII)

G.M. No. 676 RICHARD ROVELSTAD, for a term to expire 06-30-2021

Your Committee reviewed the personal statement and resume submitted by Richard Rovelstad for service for a second term on the Board of Taxation Review for the 3rd Taxation District (Hawaii).

Your Committee received testimony in support of the nomination of Richard Rovelstad from the Department of Taxation.

Upon review of the testimony, your Committee finds that the nominee is an exceptionally qualified candidate capable of continued service as a member of the Board of Taxation Review for the 3rd Taxation District. Dr. Rovelstad earned a Doctor of Philosophy in Accounting degree from the University of Alabama, a Masters of Business Administration degree from the University of Minnesota, and a Bachelor of Arts degree from Saint Olaf College. Dr. Rovelstad has been active in academics since 1974 and is an Associate Professor of Business Emeritus. He was formerly an Associate Professor of Business and interim Dean of the Michael E. Stephens College of Business at the University of Montevallo in Alabama. Dr. Rovelstad is also a certified public accountant and a member of the Hawaii Society of Certified Public Accountants, Alabama Society of CPAs, and the American Institute of Certified Public Accountants. Your Committee believes that his knowledge of business, accounting, and taxation offers an academic perspective that is of great assistance to the Board as it fulfills its duty to Hawaii taxpayers and the tax community.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Kaehele).

SCRep. 1744 Ways and Means on Gov. Msg. No. 677

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF TAXATION REVIEW, 1ST TAXATION DISTRICT (O'AHU)

G.M. No. 677 NEIL HIRASUNA, for a term to expire 06-30-2019

Your Committee reviewed the personal statement and resume submitted by Neil Hirasuna for service on the Board of Taxation Review for the 1st Taxation District (Oahu).

Your Committee received testimony in support of the nomination of Neil Hirasuna from the Department of Taxation.

Upon review of the testimony, your Committee finds that the nominee's many years of experience in the areas of tax, auditing, and accounting qualify him to serve on the Board of Taxation Review for the 1st Taxation District. Your Committee notes that Mr. Hirasuna received Bachelor of Science in Accounting and Masters of Accounting degrees from the University of Southern California. Mr. Hirasuna is a certified public accountant and is employed by Deloitte & Touche LLP, Honolulu, as an Audit Senior Manager/Manager. Prior to his employment in the Honolulu office of Deloitte & Touche LLP, Mr. Hirasuna was employed by the Los Angeles office of Deloitte & Touche LLP, as an Audit Associate from 2007-2009. Your Committee believes that Mr. Hirasuna's audit and audit management knowledge will be of great assistance to the Board as it fulfills its duty to Hawaii's taxpayers and the tax community.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Kaehele).

SCRep. 1745 Water and Land on Gov. Msg. Nos. 817, 818, 819, 820, 821, 822, 823, and 824

Recommending that the Senate advise and consent to the nominations of the following:

GAME MANAGEMENT ADVISORY COMMISSION

- G.M. No. 817 ROBERT CREMER, for a term to expire 06-30-2019;
- G.M. No. 818 NANCY TIMKO, for a term to expire 06-30-2020;
- G.M. No. 819 RYAN KOHATSU, for a term to expire 06-30-2020;
- G.M. No. 820 JOSIAH JURY, for a term to expire 06-30-2019;
- G.M. No. 821 LORI BUCHANAN, for a term to expire 06-30-2019;
- G.M. No. 822 JEFFERY DEREGO, for a term to expire 06-30-2020;
- G.M. No. 823 STANLEY RUIDAS, for a term to expire 06-30-2018; and
- G.M. No. 824 JON SABATI, for a term to expire 06-30-2018

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Robert Cremer, Nancy Timko, Ryan Kohatsu, Josiah Jury, Lori Buchanan, Jeffery DeRego, Stanley Ruidas, and Jon Sabati to possess the requisite qualifications to be nominated to the Game Management Advisory Commission.

Your Committee notes that the Game Management Advisory Commission was established pursuant to Act 210, Session Laws of Hawaii 2016, and that the aforementioned individuals represent the inaugural nominees to the Commission. Pursuant to Act 210, codified at section 183D-4.5, Hawaii Revised Statutes, membership on the Commission shall include: one member from the County of Kauai; three members from the County of Maui, with one member from each of the islands of Maui, Lanai, and Molokai; two members from the County of Hawaii, with one member from east Hawaii and one member from west Hawaii; one member from the City and County of Honolulu; one at-large member; and the Chairperson of the Board of Land and Natural Resources or the Chairperson's designated representative. Furthermore, each member, other than the Chairperson of the Board, shall be a hunter licensed in the State and shall have leadership experience in working directly with local hunter or shooting organizations; at least one member shall have knowledge, experience, and expertise in the area of Native Hawaiian cultural practices; and no more than three members shall represent, be employed by, or be under contract to any sector of government. Your Committee finds that the eight nominees below fulfill the statutory qualifications for service on the Commission.

ROBERT CREMER

Your Committee received testimony in support of the nomination for the appointment of Robert Cremer from the Department of Land and Natural Resources, Hawaii Sportsmen's Alliance, Hawaii Hunting Association, Hawaii Crop Improvement Association, and three individuals.

Upon review of the testimony, your Committee finds that Mr. Cremer qualifies for appointment to the Game Management Advisory Commission as a member from the County of Kauai. Mr. Cremer is a licensed hunter and outdoor enthusiast and is a member of the Hawaii Hunting Association and Chair of the Hunting Committee on Kauai with the Hawaii Rifle Association. Mr. Cremer is active in coaching community youth and high school sports and has previously been a member of the Kapaa Pop Warner Association Board and Kapaa Little League Board. Testifiers commented that the nominee cares deeply about the hunting community and culture and is active and respected throughout his island community, and that the nominee's broad civic involvement and ability to work collaboratively with others will be an asset to the Commission. Mr. Cremer indicated in his personal statement that he hopes to effect positive change with the Department of Land and Natural Resources and their partnerships toward a sustainable integrated statewide game management system. Your Committee finds that Mr. Cremer will bring a number of strengths to the Commission and supports his nomination.

NANCY TIMKO

Your Committee received testimony in support of the nomination for the appointment of Nancy Timko from the Department of Land and Natural Resources and two individuals. Your Committee received testimony in opposition to the nomination for the appointment of Nancy Timko from the Hawaii Hunting Association and one individual.

Upon review of the testimony, your Committee finds that Ms. Timko qualifies for appointment to the Game Management Advisory Commission as a member from the City and County of Honolulu or at-large member. Ms. Timko is an active licensed hunter and President of Safari Club International, Hawaii Chapter, where she previously served as Vice-President and member of the Board of Directors. Testifiers commented that the nominee has been an asset to the Hawaii Conservation and Wilderness Project's annual youth camp as a leader in working closely with the Hawaii Hunter Education Program in conducting the camp. The nominee indicated to your Committee her desire to see hunting traditions passed down to youth and made accessible for generations to come, and that while serving on the Commission she would like to see access to public hunting areas opened on all islands if possible and different hunting organizations communicate and work together. Your Committee finds that the Commission will benefit from Ms. Timko's energy and perspectives and supports her nomination.

RYAN KOHATSU

Your Committee received testimony in support of the nomination for the appointment of Ryan Kohatsu from the Department of Land and Natural Resources, Hawaii Hunting Association, Hawaii Sportsmen's Alliance, and four individuals.

Upon review of the testimony, your Committee finds that Mr. Kohatsu qualifies for appointment to the Game Management Advisory Commission as a member from the County of Hawaii from East Hawaii. Mr. Kohatsu is an active licensed hunter with over twenty years of shooting experience. Mr. Kohatsu previously served as a Commissioner with the County of Hawaii Game Management Advisory Commission, currently volunteers as a Hawaii State Hunter Education instructor, and is a certified pistol instructor with the National Rifle Association. Testifiers commented on Mr. Kohatsu's years of experience with hunting issues on the Big Island, that he has the intellect, management skills, and temperament to serve the Commission well, and that Mr. Kohatsu has dedicated extensive time and resources toward the protection, preservation, and promotion of public resources. The nominee indicated in his personal statement that he sees the launch of the Commission as a positive opportunity to better organize public hunting in the State and that he would consider any outcome that preserves or extends opportunities for the public to enjoy nature as a great accomplishment. Your Committee finds that Mr. Kohatsu will be an asset to the Commission and supports his nomination.

JOSIAH JURY

Your Committee received testimony in support of the nomination for the appointment of Josiah Jury from the Department of Land and Natural Resources and one individual.

Upon review of the testimony, your Committee finds that Mr. Jury qualifies for appointment to the Game Management Advisory Commission as a member from the City and County of Honolulu or at-large member. Mr. Jury is an active licensed hunter and is currently Vice-President of the Pig Hunters Association of Oahu (PHAO), where he is engaged in organizing and facilitating the PHAO's efforts to promote goodwill, companionship, and interest in the sport of hunting. Mr. Jury is employed with the Ko'olau Mountains Watershed Partnership, where he manages the volunteer hunting program and serves as a liaison on hunting issues for ungulate management with other managing entities and landowners within the Ko'olau mountain range. Testifiers noted that Mr. Jury's knowledge and experience with hunting will make him an excellent member of the Commission. The nominee indicated in his personal statement that he understands the importance of working together to protect natural resources while also promoting better opportunities for public hunting and noted that his background in hunting and conservation has allowed him to work collaboratively

with a variety of people from the hunting community, government, and private landowners. Your Committee finds that the Commission will benefit from Mr. Jury's broad experience and supports his nomination.

LORI BUCHANAN

Your Committee received testimony in support of the nomination for the appointment of Lori Buchanan from the Department of Land and Natural Resources, Office of Hawaiian Affairs, Hanalei Watershed Hui, Hawaii Sportsmen's Alliance, Hawaii Hunting Association, Kuuhana Ranching and Services, and eight individuals.

Upon review of the testimony, your Committee finds that Ms. Buchanan qualifies for appointment to the Game Management Advisory Commission as a member from the County of Maui from the Island of Molokai and has knowledge, experience, and expertise in the area of Native Hawaiian cultural practices. Ms. Buchanan is a licensed hunter who has been identified as an advocate for the hunting community on Molokai, many of whom are native Hawaiian homesteaders and hunt for subsistence. Ms. Buchanan is the Coordinator of the Molokai/Maui Invasive Species Committee, and testifiers commented on her long, admirable history of public service at the state and local levels of government. Testifiers noted that as a subsistence hunter and cultural practitioner, the nominee possesses a deep and culturally-grounded understanding of the need to accommodate and appropriately balance the subsistence hunting needs of Native Hawaiians with the protection of the State's natural and cultural resources. The nominee indicated in her personal statement that she is a community advocate who works to address all issues affecting her community, that hunting and gathering is one of the issues she is most passionate about, and by serving on the Commission she hopes to contribute to creating wildlife management plans that balance wildlife preservation for hunting and gathering with protecting the natural environment. Your Committee finds that Ms. Buchanan's knowledge and cultural expertise will be an asset to the Commission and supports her nomination.

JEFFERY DEREGO

Your Committee received testimony in support of the nomination for the appointment of Jeffery DeRego from the Department of Land and Natural Resources, Hawaii Hunting Association, and one individual.

Upon review of the testimony, your Committee finds that Mr. DeRego qualifies for appointment to the Game Management Advisory Commission as a member from the County of Maui from the Island of Maui. Mr. DeRego is an active licensed hunter and has served as the President of the Maui Hunters and Sportsman Club for almost thirty years. Mr. DeRego has also served as a volunteer with the Department of Land and Natural Resources for over twenty years with the hunting program for the Ko'olau Forest Reserve. Testifiers commented that Mr. DeRego has been actively working on game management strategies for years and is qualified in every aspect to serve the Commission well as a representative of Maui. The nominee indicated in his personal statement that he hopes to be a voice for the hunting community and the public regarding their concerns about the future of public land for all types of uses for generations to come. Your Committee finds that the Commission will benefit from Mr. DeRego's extensive knowledge, experience, and commitment to public service and supports his nomination.

STANLEY RUIDAS

Your Committee received testimony in support of the nomination for the appointment of Stanley Ruidas from the Department of Land and Natural Resources and Pūlama Lāna'i.

Upon review of the testimony, your Committee finds that Mr. Ruidas qualifies for appointment to the Game Management Advisory Commission as a member from the County of Maui from the Island of Lanai. Mr. Ruidas is an active licensed hunter who serves on the Lanai Hunter's Focus Group, which assists Pūlama Lāna'i and the Department of Land and Natural Resources in the management of the game management area on the island. Mr. Ruidas has also served on the Lanai Community Plan Advisory Committee and the Lanai Planning Commission. Testifiers commented that Mr. Ruidas is active in community events and issues and is known to voice his positions and ask questions in a thoughtful, realistic, and respectful manner. The nominee indicated in his personal statement that he believes the future of sustainable hunting will depend on realistic policies and funding and that he hopes to make a difference through his work on the Commission. Your Committee finds that Mr. Ruidas' extensive experience in community activities and collaboration will be an asset to the Commission and supports his nomination.

JON SABATI

Your Committee received testimony in support of the nomination for the appointment of Jon Sabati from the Department of Land and Natural Resources, Hawaii Sportsmen's Alliance, Hawaii Hunting Association, and one individual.

Upon review of the testimony, your Committee finds that Mr. Sabati qualifies for appointment to the Game Management Advisory Commission as a member from the County of Hawaii from West Hawaii. Mr. Sabati an active licensed hunter and has served as President of the National Wild Turkey Federation, Hawaii State Chapter, for nearly twenty years. Mr. Sabati established the Hawaii Chapter of Pheasants Forever and currently serves as its President. Previously, Mr. Sabati served on the Hawaii Hunting Advisory Commission and as a volunteer Hunter Education instructor with the Department of Land and Natural Resources. Testifiers commented that Mr. Sabati has dedicated much of his life to the preservation, protection, and promotion of public hunting in Hawaii and is an excellent role model for the youth and other hunters in the State. The nominee indicated in his personal statement that by serving on the Commission, he hopes to bring the hunting community together and build a network with the Department of Land and Natural Resources to establish effective game management through mutual understanding and establishment of common goals. Your Committee finds that the Commission will benefit from Mr. Sabati's experience, proven leadership, and dedication to the hunting community and supports his nomination.

As affirmed by the records of votes of the members of your Committee on Water and Land that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 4. Noes, none. Excused, 1 (Kim).

SCRep. 1746 Ways and Means on H.C.R. No. 89

The purpose and intent of this measure is to request that the Department of Labor and Industrial Relations and the Department of Business, Economic Development, and Tourism convene a basic economic security working group.

More specifically, the working group is requested to:

- (1) Address the potential for significant economic disruption in the State and ensure the economic sustainability of individuals and families in light of future automation, innovation, and disruption; and
- (2) Submit a report of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of each Regular Session.

Your Committee received testimony in support of this measure from the University of Hawaii; Chamber of Commerce Hawaii; UNITE HERE Local 5; International Brotherhood of Electrical Workers Local 1260, AFL-CIO; Hawaii Government Employees Association; and Hawaii State AFL-CIO.

Your Committee received comments on this measure from the Department of Business, Economic Development, and Tourism and the Department of Labor and Industrial Relations.

Your Committee finds that although the United States is the wealthiest nation in the world, many families, individuals, and businesses in Hawaii have been struggling to keep pace with the increasing cost of living. Economic inequality has widened the gap between a few top earners and the middle and lower classes, the latter of which consists of people who have seen their overall share of income decline in recent decades. Your Committee therefore believes that it is appropriate to request the formation of a working group that can properly address the issue of basic economic security.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 89, and recommends its adoption.

Signed by the Chair on behalf of the Committee.
Ayes, 10. Noes, none. Excused, 1 (Inouye).

SCRep. 1747* (Majority) Commerce, Consumer Protection, and Health on Gov. Msg. No. 703

Recommending that the Senate not advise and consent to the nomination of the following:

PUBLIC UTILITIES COMMISSION

G.M. No. 703 THOMAS GORAK, for a term to expire 06-30-2022

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee, Thomas Gorak, in consideration of his nomination for appointment to the Public Utilities Commission.

Your Committee received testimony in support of the nomination for the appointment of Thomas Gorak from the Department of Business, Economic Development, and Tourism; Distributed Energy Resource Council of Hawaii; Hawai'i Energy; Hawaii PV Coalition; International Brotherhood of Electrical Workers, Local Union 1260, AFL-CIO; Ulupono Initiative; Earthjustice; Sierra Club of Hawai'i; nineteen individuals and two form letters signed by a total of thirty-two individuals. Your Committee received testimony in opposition to the nomination for the appointment of Thomas Gorak from three individuals.

Your Committee acknowledges the testimony received in support of Mr. Gorak to be a Commissioner on the Public Utilities Commission. Specifically, your Committee notes that Mr. Gorak has a resume that attests to his knowledge and experience working on energy matters and regulatory issues.

Your Committee further appreciates the importance of the Public Utilities Commission and the unique functions that distinguish the Commission from many other state boards and commissions -- specifically, the Commission's far-reaching impact on almost all businesses and individuals throughout the State through the regulation of public utilities, including the approval of rates, tariffs, charges, and fees; limited membership of three individuals who are exempt from chapters 76 and 89, Hawaii Revised Statutes; six-year term of service; and salaried commissioners who are members of the state Employees' Retirement System.

The Senate must also remain cognizant of its vital role as a check and balance of the Governor's exercise of executive power in relation to the powerful Public Utilities Commission. Accordingly, your Committee must carefully consider not only the qualifications and character of any Governor's nominee, but also the constitutional advise and consent process for gubernatorial appointments, and whether the Executive Branch properly exercised its powers in this process.

Your Committee further finds that it must weigh and balance the Senate's advise and consent role, the role of the public in participating in the screening of gubernatorial appointments, and the role of the Governor in the exercise of executive powers in the nomination and appointment of high-level public officers.

Your Committee additionally finds that the practices of Governors and the Senate from Statehood to the present have consistently complied with the constitutional mandate that gubernatorial appointments comply sequentially with a "nominat[ion] and, by and with the advice and consent of the senate", that is then followed by the appointment of the nominee by the Governor. The few exceptions that have occurred in the past, in which a governor avoided this sequential nomination process by appointing a public officer after a session of the Legislature and during the interim, were vigorously objected to by the Senate. Your Committee notes that the sequence of nomination, Senate confirmation, and gubernatorial appointment was properly followed for Mr. Gorak's predecessor; further, that Commissioner was eligible to remain in office as a legitimate holdover who had been approved and qualified by both the executive and legislative branches of government. The sheer timing and circumstances under which Mr. Gorak was appointed as an interim Commissioner, soon before an important decision before the Public Utilities Commission, cast doubt over Mr. Gorak's ability or willingness to make decisions without improper influence from the Governor.

* Amended pursuant to action taken on April 28, 2017.

Your Committee notes that a gubernatorial nomination to public office made during a session of the Legislature provides the Senate the opportunity to perform the Senate's constitutional advise and consent responsibility. Furthermore, the Senate's practice of holding public hearings on all gubernatorial nominees gives the public an opportunity to participate in the screening of each nominee. The nomination process during the legislative session, including the public performance of the Senate's advise and consent responsibilities and public participation, helps to assure the public that each nominee is qualified and endowed with high integrity and unblemished character.

Your Committee recognizes and appreciates the testimony submitted by Hermina Morita, a former chair of the Public Utilities Commission, and is further aware of Ms. Morita's complaint filed in the Circuit Court of the First Circuit and includes a *quo warranto* claim that names Thomas Gorak as one of the defendants in the case. The case is currently pending with the Intermediate Court of Appeals. The lawsuit raises constitutional questions that may impact the Senate's role in gubernatorial nominations of individuals to boards and commissions. Additionally, your Committee is aware of the opinion issued by the Attorney General of Hawaii on the specific issues raised by the Senate President as to the constitutionality of the Governor's interim appointment of Mr. Gorak, and the Attorney General's response that this interim appointment was proper. However, your Committee strongly disagrees and believes that the Senate must vigorously defend the long-standing practice and process and refuse to allow the Senate's advise and consent responsibilities, public participation in the screening of gubernatorial nominees, and the checks and balances of gubernatorial appointment powers to be negated, diminished, or altered in any way by the acts of a governor making interim appointments. Such interim appointments could potentially circumvent, albeit for a temporary period, the Senate advise and consent process.

Although your Committee believes that interim appointments are necessary to fill vacancies, such interim appointments should not be used to remove a member of the Public Utilities Commission who had previously satisfied all of the constitutional requirements of nomination, Senate advise and consent, and appointment.

The totality of the information received on Mr. Gorak's nomination has made a profound impression and influence on the Chair of your Committee to conclude that the adverse information outweighs the balance of testimony received in favor of the nominee. Thus, based on all the information received, your Committee cannot in good conscience recommend to advise and consent to the nomination of Mr. Gorak, an appointment that, if made, would not expire until June 30, 2022. Accordingly, your Committee does not recommend supporting the nomination for the appointment of Mr. Gorak to the Public Utilities Commission.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, recommends that the Senate not advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4, Ayes with Reservations (Espero). Noes, 3 (Chang, Ihara, Ruderman). Excused, none.

SCRep. 1748 Water and Land on Gov. Msg. No. 717

Recommending that the Senate advise and consent to the nomination of the following:

NATURAL AREA RESERVES SYSTEM COMMISSION

G.M. No. 717 NORINE HAYES, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Norine Hayes to possess the requisite qualifications to be nominated to the Natural Area Reserves System Commission.

Your Committee received testimony in support of the nomination for the appointment of Norine Hayes from the Department of Land and Natural Resources, Bishop Museum, Pu'u Kukui Watershed Preserve, and ten individuals.

Norine Hayes received a Bachelor of Science degree in Zoology, Master of Science degree in Zoology with Ecology, Evolution, and Conservation Biology Specialization, and Ph.D. in Zoology with Ecology, Evolution, and Conservation Biology Specialization, from the University of Hawaii at Manoa. Dr. Hayes is a Malacology Researcher and Associate in Science at the Bernice Pauahi Bishop Museum and a Research Collaborator with the Smithsonian Institute at the United States Museum of Natural History. Dr. Hayes has received numerous grants in support of her research, including from the National Science Foundation, United States Departments of Agriculture and Interior, and the United States Army Garrison, Oahu. Dr. Hayes also presents and publishes extensively on topics in her academic field, and is a member of several professional organizations and societies.

Upon review of the testimony, your Committee finds that Dr. Hayes has the education, experience, and commitment to qualify for appointment to the Natural Area Reserves System Commission as a member possessing scientific qualifications as evidenced by an academic degree as specified in section 195-6, Hawaii Revised Statutes. Testifiers commented that Dr. Hayes excels in her field as an evolutionary biologist, researcher and educator, and is committed to preserving biodiversity in Hawaii and in educating the next generation on its importance. Testifiers noted the nominee's outstanding scientific intellect, work ethic and output, dedication, energy, and overall personal character and professionalism. Dr. Hayes indicated in her personal statement that the natural resources and ecosystem functions of Hawaii are critically important to her, and noted her lifelong love and appreciation for the spectacular diversity of Hawaii. Dr. Hayes further noted that she would like to use her professional experience and training and passion for conserving native Hawaiian flora and fauna to inform the best practices, decisions, and actions of the Commission. Your Committee finds that Dr. Hayes' impressive background and dedication will be an asset to the Commission and supports her nomination.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Inouye).

SCRep. 1749 Water and Land on Gov. Msg. Nos. 752 and 753

Recommending that the Senate advise and consent to the nominations of the following:

MOLOKA'I IRRIGATION SYSTEM WATER USERS ADVISORY BOARD

G.M. No. 752 OLIVIO ARIOS, for a term to expire 06-30-2017; and

G.M. No. 753 OLIVIO ARIOS, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Olivio Arios to possess the requisite qualifications to be nominated for appointment and reappointment to the Molokai Irrigation System Water Users Advisory Board.

Your Committee received testimony in support of the nomination for the appointment and reappointment of Olivio Arios from the Department of Agriculture and Molokai Farm Bureau.

Mr. Arios holds a Bachelor of Science degree in Agriculture from the University of the Philippines at Los Banos, Laguna, and a Master's degree in Agriculture from California State University at Chico. Mr. Arios has served as the Field Station Operations Leader for DOW AgroSciences/Mycogen Seeds LLC., at the Molokai Research and Development Field Station since May 2016, and prior to that for DOW AgroSciences/Phytogen Seeds LLC., at the Corcoran Research and Development Field Station from February 2014 to April 2016. From June 2005 to June 2013, Mr. Arios was employed as a Research Associate and Associate Research Scientist at Syngenta Hawaii, LLC. Mr. Arios has also operated a small farming business in an agricultural parks lot in Kahuku for almost twenty years, and served as a United Nations volunteer in Tanzania for over three years doing agricultural development works.

Upon review of the testimony, your Committee finds that Mr. Arios' education, professional experience, and proven leadership further qualify him to be nominated for appointment and reappointment to the Molokai Irrigation System Water Users Advisory Board as the designee of the Molokai County Farm Bureau, pursuant to section 167-23, Hawaii Revised Statutes. Testifiers commented that Mr. Arios has over twenty years of experience in Hawaiian agriculture, is a respected member of the Molokai community, and that his experience and knowledge will be invaluable to the Board. The nominee indicated in his personal statement that his skills, knowledge, expertise, and technical training will guide him in his service on the Board, and he would like to ensure through his service that the Molokai Irrigation System is properly maintained and that water is available and affordable to all users. The nominee noted his first-hand experience in using irrigation water from a state-run irrigation system through his own small farming operation. Your Committee notes that Mr. Arios has sufficiently proven his residency by updating his Hawaii voter registration to his address on Molokai. Your Committee further finds that Mr. Arios will be an asset to the Molokai Irrigation System Water Users Advisory Board based on his background and experience and supports his nomination.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Inouye).

SCRep. 1750 Higher Education on Gov. Msg. Nos. 778, 779, and 780

Recommending that the Senate advise and consent to the nominations of the following:

BOARD OF REGENTS OF THE UNIVERSITY OF HAWAII

G.M. No. 778 SIMEON ACOBA, for a term to expire 06-30-2022;

G.M. No. 779 BENJAMIN KUDO, for a term to expire 06-30-2022; and

G.M. No. 780 NORMA SPARKS, for a term to expire 06-30-2022. (Nominee's name amended to NORMA DOCTOR SPARKS by GM832,

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Simeon Acoba, Benjamin Kudo, and Norma Doctor Sparks to possess the requisite qualifications to be nominated to the Board of Regents of the University of Hawaii.

SIMEON ACOBA

Your Committee received testimony in support of the nomination of Simeon Acoba for reappointment from the Filipino-American Advocacy Network; Nursing Advocates and Mentors, Inc.; Filipino Community Center, Inc.; SanHi Government Strategies; and twenty-one individuals.

Your Committee finds that Justice Acoba earned a Bachelor of Arts degree from the University of Hawaii at Manoa and a Juris Doctor from Northwestern University School of Law. Justice Acoba has additional ties to the University of Hawaii, including serving as a special assistant to the President of the University, an adjunct professor at the William S. Richardson School of Law, and is currently a volunteer lecturer at the law school.

Prior to retirement, Justice Acoba served as an Associate Justice on the Hawaii Supreme Court, an Associate Judge on the Hawaii Intermediate Court of Appeals, Third Division, and a Judge of the Circuit Court of the First Circuit. Your Committee further finds that Justice Acoba is an extremely engaged member of the community and has served in multiple civic organizations in leadership roles, including serving as a Co-Chair of the Hawaii State Bar's Judicial Administration Committee, a Director of the Hawaii Justice Foundation, and a Director of the Mediation Center of the Pacific. Justice Acoba is also the founding and current Chair of the Hawaii Access to Justice Commission which was created to provide legal services to, and make the courts accessible to, low income

individuals appearing before the court. Your Committee notes that Justice Acoba received the Lifetime Achievement Award from the University of Hawaii Alumni Association in 2015 for his contribution to the State, the University, and the Filipino community.

Your Committee finds that Justice Acoba has served as a Regent since 2014, and is familiar with the role and responsibilities of Board members. According to testimony, Justice Acoba is a valued member of the Board of Regents and currently serves on the Intercollegiate Athletics Committee, Academic and Student Affairs Committee, and Budget and Finance Committee. Justice Acoba is also the Director of the Board of the University Clinical Education and Research Associates. In his personal statement, Justice Acoba indicated that he hopes to further the four strategic objectives of the University for 2015-2021 and strive to achieve equal education opportunity for everyone in the State by providing multiple entry points for traditional and non-traditional students. Your Committee finds that Justice Acoba's extensive judicial experience, analytical and leadership skills, and deep commitment to public service further qualify him for reappointment to the Board.

BENJAMIN KUDO

Your Committee received testimony in support of the nomination of Benjamin Kudo for reappointment from Ralph S. Inouye Co., Ltd.; SanHi Government Strategies; Filipino-American Advocacy Network; and seven individuals.

Your Committee finds that Mr. Kudo received a Bachelor's degree in Mechanical Engineering from the University of Washington. Mr. Kudo received a Master of Business Administration and Doctorate of Philosophy in Business from the University of Hawaii Shidler College of Business and later received a Juris Doctorate from Georgetown University.

Mr. Kudo is presently counsel at Ashford and Wriston, LLP, where he specializes in land use, planning, zoning, and real estate development law. Previously, Mr. Kudo was the Chief Financial Officer and Manager of the land use, administrative and environmental law group at the law firm of Imanaka, Kudo, and Fujimoto. Your Committee finds that Mr. Kudo has experience working with the private sector and representing legislative and administrative agencies on legal issues related to land use, environment, and natural resources. In addition to practicing law, Mr. Kudo has served as a lecturer at the University of Hawaii William S. Richardson School of Law and an instructor at the University of Hawaii Shidler College of Business.

Your Committee further finds that Mr. Kudo has demonstrated significant dedication to public service, as evidenced by his participation with the Boy Scouts of America Aloha Council, Boys and Girls Club of Hawaii, Temari-Center for Pacific and Asian Art, and Rehabilitation Hospital of the Pacific. Your Committee notes that Mr. Kudo has served as a Regent since 2012, and is familiar with the role and responsibilities of Board members. According to testimony, during the past five years Mr. Kudo has implemented more financial accountability at the University of Hawaii and played a significant role in complex real estate transactions. In his personal statement, Mr. Kudo indicated that he hopes to find substantial ways to address the deferred maintenance problems at the University and monetize the University's land assets. Your Committee finds that Mr. Kudo's professional background, clear commitment to the community, and experience with the University of Hawaii as a student, teacher, and Regent further qualify him for reappointment to the Board.

NORMA DOCTOR SPARKS

Your Committee received testimony in support of the nomination of Norma Doctor Sparks from the Salvation Army Hawaiian and Pacific Islands Division; Nursing Advocates and Mentors, Inc.; Filipino-American Advocacy Network; Filipino Coalition for Solidarity; Filipino American Citizens League; and eight individuals.

Your Committee finds that Ms. Sparks received a Bachelor's degree in Sociology from the University of Hawaii at Manoa, Master's degree in Social Work from the University of Hawaii Myron B. Thompson School of Social Work, and a Juris Doctorate from the University of Hawaii William S. Richardson School of Law. According to testimony by Ms. Sparks, she comes from a family committed to higher education and her husband and son also earned degrees from the University of Hawaii.

Ms. Sparks lives on Kauai and is the Co-founder and President of Families First Hawaii Services Inc., a consulting firm that advocates for children and families. Previously, Ms. Sparks served as a Deputy Attorney General, Administrator of the Family Crisis Services Branch in the Family Court of the First Circuit, Administrator of the State Child Support Enforcement Agency, and Administrator of Child Welfare Services within the Department of Human Services. Ms. Sparks also served as an adjunct professor for the graduate schools of social work, nursing, psychology, and education for over five years at the University of Hawaii. Your Committee finds that Ms. Sparks has extensive administrative experience with public agencies, and has managed large amounts of personnel, large departmental budgets, and implemented substantial systemic changes that improved services to the public.

Your Committee notes that Ms. Sparks is an active community member and has served on many community boards including Kauai Planning and Action Alliance, Kauai Filipino Chamber of Commerce, and Kauai Filipino Women's Club. In her personal statement, Ms. Sparks indicated that she hopes to increase the number of online degree-related offerings by the University of Hawaii to meet the needs of students, employers, and communities. Your Committee finds that Ms. Sparks' experiences as a student and teacher at the University of Hawaii, in addition to her professional background and dedication to public service, will be strong assets to the Board of Regents of the University of Hawaii.

As affirmed by the records of votes of the members of your Committee on Higher Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.
Ayes, 5. Noes, none. Excused, none.
