“Madam President, I believe we can mitigate the flood risk in the Ala Wai watershed while addressing community concerns. We can preserve and restore the surrounding ecosystem while minimizing adverse impacts to the affected properties. During our Ways and Means Committee hearing on S.B. 77, the State, the City and County, and the Army Corps personnel committed to engaging with the community on project design and to communicating status updates to the public. They committed to consider preserving schools and other public institutions with cultural or historical significance, addressing the concerns of private property owners to minimize adverse impacts of the project, and finding opportunities to preserve and restore the Ala Wai ecosystem. University faculty with expertise in engineering, planning, hydrology, climate change, and landscape architecture have since offered their expertise to work on this project if it is approved.

“Given these commitments and for the long-term safety of our community, I believe we should move S.B. 77 forward at this time.”

ORDER OF THE DAY

ADVISE AND CONSENT

Stand. Com. Rep. No. 1201 (Gov. Msg. No. 577):

Senator Inouye moved that Stand. Com. Rep. No. 1201 be received and placed on file, seconded by Senator English and carried.

Senator Inouye then moved that the Senate advise and consent to the nomination of JADE BUTAY as Director of the Department of Transportation, term to expire at noon on December 5, 2022, seconded by Senator English.

Senator Inouye rose to speak in support of the nominee as follows:

“Once again, colleagues, I am honored to present Mr. Jade Butay as the governor’s nominee for the director of the state Department of Transportation. Like last year, when Jade was first appointed to this post, I’d like to tell you a little of his background. Jade is a Filipino immigrant who came to Hawai’i at age 13 with almost no English-speaking ability. He attended and graduated from Radford High School with honors, and went on to get a bachelor’s degree from the University of Hawai’i at Mānoa in business administration and finance and accounting. He went on to get his master’s of business administration at

Babson College in Massachusetts, one of the most prestigious schools for entrepreneurship in the United States.

“Jade’s long professional career spans the course of 26 years in various positions of increasing responsibility in both the private sector and government. His first stint in government was working for the state Department of Business, Economic Development, and Tourism as a budget analyst and a legislative coordinator. He worked for former U.S. Congressman Neil Abercrombie as a congressional aide before moving on to several construction firms in the private sector. In 2011, Mr. Butay was appointed to the Department of Transportation as the deputy director for administration under the Abercrombie administration before being appointed deputy director for the Department of Labor and Industrial Relations until 2014, when he was reappointed back to the Transportation department as deputy director for administration again in 2014 under the Ige administration. Jade was first appointed as director of the Department of Transportation in 2017, and we confirmed him in the Senate last year. The governor reappointed Jade as the Transportation director for another term; this is a reflection of the governor’s confidence in Jade in continuing the outstanding work he has done since that initial appointment last year. As you know, the Transportation department has had to deal with all kinds of emergencies, ranging from flooding rains on O’ahu, Kaua’i, and the Big Island; the Puna volcano eruption; to the recent landslides along the Pali Highway.

“While Jade is well-versed in the areas of process and technology as applied to each division of the Transportation department, he firmly believes that the people who work for the department are major factors in keeping the processes running well. He stated, ‘The DOT has 2,600 positions. I believe that as with any large department, leading by example, being respectful of others’ opinions, creating a consistent and fair process, listening to others’ feedback, and understanding that one cannot succeed without the support of staff, creates a positive working environment.’ He goes on to state, ‘I will continue to focus on improving communications across the department and up and down the management chain, [and implement] greater recognition of employee contribution to the mission.’ Leadership development and employee training opportunities will continue while preserving teamwork, accountability, excellence, transparency, and communications to make sure employees can carry out the department’s mission on behalf of the state.

“Jade outlined the department’s top priorities for the fiscal biennium from 2019 to 2021 as follows:

- Ensure the safety of the public;
- Improve operational efficiency;
- Improve infrastructures ‘to provide domestic and international travelers a unique destination experience’;
- Airports, harbors, and highways modernization;
- Support commerce in the state through cost-effective maintenance of facilities;
- Promote ‘revenue enhancements’;
- Leverage federal funds with state funds;
- Better communication with the public.

“Members, the accolades for Jade Butay are plentiful. All of the testimony the Transportation committee received was overwhelmingly supportive. Jade is humble but an extremely able public servant who knows how to manage the department and get the job done. I ask for your full support and vote of confidence for Director Butay.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Harimoto, Kouchi).

At this time, Senator Inouye introduced Director Jade Butay, who was present in the gallery with his mother, Raynie Butay; his brother Waldon; his sister Melody; his sister-in-law Jasmine; and staff supporters from the Department of Transportation.

Stand. Com. Rep. No. 1202 (Gov. Msg. No. 578):

Senator Inouye moved that Stand. Com. Rep. No. 1202 be received and placed on file, seconded by Senator English and carried.

Senator Inouye then moved that the Senate advise and consent to the nomination of LYNN A.S. ARAKI-REGAN as Deputy Director of the Department of Transportation, term to expire at noon on December 5, 2022, seconded by Senator English.

Senator Inouye rose to speak in support of the nominee as follows:

“I am honored to present Lynn A.S. Araki-Regan as the governor’s nominee for deputy director of the state Department of Transportation. Lynn has worked in both the private and public sector for many years. Most recently, she was the managing director for the County of Maui. She served in that position from 2018 to this year, when she was tapped for the deputy director’s position for DOT this year. Prior to that, Lynn served as the Maui mayor’s chief of staff from 2017 to 2018. She managed the Communications, Budget, Community Development Block Grant offices and the Office of Economic Development programs. She also assisted the mayor with public relations efforts, and helped facilitate effective decision-making. She coordinated the execution of strategic initiatives and ensured that all staff issues were properly addressed. Lynn’s other public service positions include budget director for the County of Maui, economic development coordinator for the County of Maui as well, and law clerk at the Hawai’i Supreme Court. She is a member of the Hawaii State Bar Association, and has been practicing law since 1996. She has 22 years of experience in litigation, commercial transactions, creditors’ rights, and landlord/tenant law. Her private sector experience includes realtor at Keller Williams Realty on Maui; etiquette instructor at the Hawaii School of Etiquette (do we need all that at DOT?); and faculty instructor at the University of Phoenix, also in Maui.

“Lynn has also been highly engaged in her community, being involved in organizations as diverse as the Maui Chamber of Commerce, Maui Filipino Chamber of Commerce, the Realtors Association of Maui, Boy Scouts of America, Hospice Maui, Caring K9s Maui, the Japanese Cultural Center of Hawai’i, and the H.P. Baldwin High School Foundation.

“Lynn is a graduate of the William S. Richardson School of Law at the University of Hawai’i, where she got her juris doctor in 1995. She got her bachelor of science degree in accounting at Santa Clara University in California and graduated summa cum laude from Baldwin High School on Maui.

“Lynn cites her experience in law and the positions of budget director and the mayor’s chief of staff for the County of Maui as qualifications to this appointment. She stated, ‘I have gained invaluable experience in a variety of areas including overseeing and managing operations, budgeting, public relations, strategic planning, community coalition building, grant writing and monitoring, preparing for emergencies, environmental issues, working in the EOC, and personnel/HR issues—all of which are extremely valuable for the position deputy director responsible for the administrative functions of the department.’ (I don’t think this girl sleeps.) While in her various capacities at Maui County, Lynn also worked closely with the county’s Department of Transportation and the Department of Public Works throughout the annual budget process and addressing transportation-related issues.

"In her position as deputy director of the Hawai'i State Department of Transportation, Lynn's vision for the DOT is 'to enhance the quality of life and the environment of Hawai'i's residents and visitors by creating an integrated transportation system that focuses on safely moving people and goods by offering an efficient and sustainable inter-modal transportation system.' She will emphasize safety, people, integrity and respect in her new position. Some of her goals include filling vacant positions within the department, completing a transportation funding study, and proposing long-term alternatives for funding.

"Members, Lynn Araki-Regan is a highly qualified individual with years of knowledge and experience in both the public and private sectors. This has prepared her for the position of deputy director of DOT. I ask for your full support and vote of confidence to advise and consent. Thank you, Madam President and colleagues."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Harimoto, Kouchi).

At this time, Senator Inouye introduced Deputy Director Lynn Araki-Regan, who was present in the gallery with her husband, Keith Regan; her parents, Ann and Fred Araki; and staff supporters from the Department of Transportation.

Senator Thielen moved that Stand. Com. Rep. No. 1203 be received and placed on file, seconded by Senator Inouye and carried.

Senator Thielen then moved that the Senate advise and consent to the nomination of CURT T. OTAGURO as Comptroller of the Department of Accounting and General Services, term to expire at noon on December 5, 2022, seconded by Senator Inouye.

Senator Thielen rose to speak in support of the nominee as follows:

"Colleagues, we are very fortuitous: Mr. Otaguro was thinking about retiring and moving on from First Hawaiian Bank but knew he wasn't really quite ready for full-time retirement. Due to a chance conversation, he decided to put his name in to apply to be a director with Governor Ige's cabinet, and, fortunately, Governor Ige was smart enough to realize the tremendous opportunity he had in inviting Mr. Otaguro to join the cabinet.

"Prior to his appointment by the governor, Mr. Otaguro worked for First Hawaiian Bank for over 37 years, where he spent most of his career in various positions of increasing responsibility. Most recently, he served as the executive vice president and division manager of the Digital Banking Division of First Hawaiian Bank. He has also served, among other positions, as executive vice president and division manager for the Personal and e-Banking Division; executive vice president and regional manager of the Retail Banking Group; executive vice president and group manager of the Card Services Group; senior vice president and division manager of the Information Management Group and Operations Research and Development Division; and vice president and department manager of the Research and Development Department.

"Mr. Otaguro is a graduate of 'Iolani School and earned his bachelor of science in business management from the University of Redlands in California. His nearly 40 years of private sector management experience will be especially helpful when directing and coordinating the various activities of the Department of Accounting and General Services. His knowledge of the banking and financial services industry will also ensure that the state has the highest standard of financial

reporting and accounting operations, which are central to this department and the position of comptroller for the state Accounting and General Services. So, colleagues, please join me in giving your wholehearted support and confirmation for Mr. Otaguro as comptroller for DAGS."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Senator Thielen then moved that the Senate advise and consent to the nomination of AUDREY HIDANO as Deputy Comptroller of the Department of Accounting and General Services, term to expire at noon on December 5, 2022, seconded by Senator Inouye.

Senator Thielen rose to speak in support of the nominee as follows:

"Many of you will recognize Audrey Hidano; she served as the deputy comptroller for the Department of Accounting and General Services during Governor Ige's first term—actually, since April of 2015. Previously, before that, she served as the deputy director of the Department of Transportation and twice served as the deputy director of the Department of Labor and Industrial Relations. She also has an extensive career in the private sector. She co-founded Hidano Construction, Inc., with her husband in 1974 and helped run the company until its voluntary closure in 2016, and previously served as a co-owner of Rim-Pac, Incorporated. Ms. Hidano has extensive community ties in addition to her public and private sector experience, having served as a board member of the City and County of Honolulu Neighborhood Board No. 12 since 1989—that is 30 years. So, not only is she deeply involved in community issues, she also must have the patience of a saint. And she's serving as a current board member of the Nu'uano YMCA.

"Ms. Hidano's invaluable background in the private and public sectors arm her with a wealth of experience to craft innovative solutions for the department. Her experience in construction gives her a deep understanding of the industry and a wealth of industry context, which will be invaluable to her as she contributes to the leadership of a department charged with overseeing numerous state construction contracts. Members, please join me in supporting and confirming Ms. Audrey Hidano as the deputy comptroller for the State of Hawai'i."

The Chair commented:

"I'd like to interject that in a former life, I worked with Ms. Hidano, back in 1969. I'm not telling you her age; that was a long time ago."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Harimoto, Kouchi).

Senator Thielen introduced Deputy Comptroller Audrey Hidano, who was present in the gallery with her husband, Steven Hidano; her daughters Ruby Fukuji, Wendy Sugihara,

ADJOURNMENT

At 4:30 p.m., the Senate adjourned until 11:30 a.m., Monday, March 11, 2019.

TWENTY-EIGHTH DAY

Monday, March 11, 2019

The Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, convened at 11:40 a.m. with the President in the Chair.

The Roll was called showing all Senators present.

The President announced that he had read and approved the Journal of the Twenty-Seventh Day.

At this time, Senator Moriwaki congratulated Sara King for receiving the 2019 Milken Educator Award, and presented the following remarks:

"Aloha, members. I'm honored and pleased to introduce Sara King, a teacher at Ala Wai Elementary School, recipient of the 2019 Milken Educator Award. Like the Milken Family Foundation, we believe that teachers are key to our future. If they teach, inspire, love, and nurture students, especially so in our Title I schools, their students will become engaged citizens and leaders who will build a better Hawai'i, nation, and world. Sara is one of 33 national awardees receiving the 2019 Milken Educator Award, called the Oscars of the teaching profession. For 30 years, the Milken family has rewarded inspired excellence in education by honoring top educators in the country. In addition to the national recognition comes a \$25,000 unrestricted award; travel to Washington, D.C., to meet and discuss important issues in education; and membership in a network of over 2,700 top teachers, principals, and specialists to strengthen education. The Milken award sends a strong message to teachers: We recognize you; we value you; we thank you.

"Alexander the Great said, 'I am indebted to my father for living, but to my teacher for living well.' And so does Sara for the Ala Wai Elementary students. Her dedication to and love of her students know no bounds. She spent seven years as a first grade teacher at Ala Wai before heading its Title I compliance program. She took on this challenge only on one condition: that she could continue to teach. A believer in project-based learning, Sara taught students to facilitate their own learning through active questioning and research. She has created inclusive environments for English language learners, pioneered student-led conferences, and developed educational tools that the entire school uses. Sara also goes outside the classroom to coach basketball and softball, and organizes school beautification projects. I recently had the pleasure of visiting Ala Wai Elementary's Leadership Day. Pre-K to fifth-grade students led the program, telling how they live Franklin Covey's seven habits as leaders—very impressive; we could all learn from them! Sara's dedication does not end with her students; she goes way above and beyond: mentoring other teachers, serving on the science committee in aligning curriculum with the Next Generation Science Standards, coordinating professional development on literacy, and even helping an international colleague adjust to her new school and her new country.

"We wish to congratulate and thank Sara for her commitment and outstanding contributions to the students at Ala Wai Elementary School, the Department of Education, and the State. Mr. President, members, please join us in congratulating Sara King, our 2019 Milken Educator awardee. Thank you. Mr. President, I would like to now turn the floor over to the senator from Pālolo."

Senator Ihara rose to present the following remarks:

"Mr. President and fellow senators, in the gallery are some of our honoree's supporters. First, I'd like to introduce Sara's husband, Jason King; with him is their three-year-old son, Jake,

and their eight-month-old daughter, Siena. At the school, honoree Sara King certainly is an inspiration to her school community and state. As Sara would say, her accomplishments are not all of her doing and recognition is also deserving for her fellow educators. I'd like to introduce Ala Wai school principal Michelle DeBusca. Principal DeBusca creates a welcoming atmosphere for those who believe in doing what is right and best for children, and collaborates with community partners to support this mission. Ala Wai school librarian Jennifer Moku and English language coordinator Carla Cunningham: both are key supporters of Ala Wai's culturally diverse student body. From the Department of Education, I'd like to introduce district resource teacher Joyce Luka, deputy superintendent Phyllis Unebasami, and our state Education Superintendent Dr. Christina Kishimoto. Thank you all for joining us today in honoring and recognizing Sara King! Thank you. We appreciate all the work you're doing in caring, loving, and educating our children. Thank you, Mr. President. At this time, I'd like to turn the floor back to the senator from Kaka'ako."

Senator Moriwaki then rose to invite the members to a luncheon that afternoon to honor Sara King.

Senator Dela Cruz acknowledged visitors from the University of Hawai'i at Mānoa College of Tropical Agriculture and Human Resources: Dean Nicholas Comerford and Interim Associate Dean for Extension Kelvin Sewake.

At 11:48 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:59 a.m.

TWENTY-NINTH DAY

Tuesday, March 12, 2019

The Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, convened at 11:31 a.m. with the President in the Chair.

The Roll was called showing all Senators present with the exception of Senators Fevella and Ihara who were excused.

The President announced that he had read and approved the Journal of the Twenty-Eighth Day.

At this time, Senator Keohokalole introduced his constituent Bonnie Christensen, who was seated in the gallery with her eleventh- and twelfth-grade students from Punahou School.

Senator Chang acknowledged Ray Sakamoto, who was seated among the students from Punahou School and was serving as an intern in Senator Chang's office.

Senator Chang then congratulated the Maryknoll School boys varsity basketball team, and presented the following remarks:

"In 1984, Ronald Reagan was president, a cell phone looked like a brick, I was two years old, and the Maryknoll School boys basketball team won their last state championship. Today, we are honored to have the 2018–2019 Maryknoll School boys varsity basketball team with us, who, after 35 years, are top dog again in high school boys basketball.

"On February 23, Maryknoll won the HHSAA Boys Basketball State Tournament, defeating Punahou 50–34 in the championships. (As a proud 'Iolani grad, I love saying, 'Defeating Punahou'!) This win comes as no surprise to anyone who knows the school's team. The team put in long hours practicing on the courts and in the gym, all while devoting time to schoolwork. Even with the amount of time they spent practicing and focusing on their academic career, a 30 and 2 record, one of the strongest defenses in the state, and the top seed in the tournament, the road to the championship was still a tough road as they would be making history by ending a 35-year drought. Together with hard work, teamwork, and perseverance, they were able to pull off the victory and win the state championship. Today we are honored to have them with us. Mr. President, with your permission, I yield my time to Senator Taniguchi."

Senator Taniguchi rose to present the following remarks:

"I rise today to introduce our special guests that we have on the floor today. When I call your name, please stand so that you may be recognized. On the floor today we have:

"Ms. Shana Tong: Ms. Tong is a 1982 graduate of Maryknoll School and is currently vice president of academic affairs.

"Mr. Ben Valle: Mr. Valle is a 1984 graduate of Maryknoll School and played under legendary coach Tony Sellitto on Maryknoll's 1984 team, which won the school's first state championship in boys basketball. He currently serves as director of athletics at the school.

"Coach Kelly Grant: Coach Grant is the head coach of the Maryknoll boys basketball team and is a 1984 graduate of Maryknoll School. Coach Grant was a teammate of Mr. Valle and, under coach Tony Sellitto, they were both on that 1984 championship team, and this latest championship continues a history of success that has seen Coach Grant achieve, not only at Maryknoll, but at Kaimuki High School as well in 2007.

"Mr. Liko Soares: Liko is a junior member of the boys basketball team. He scored 13 points and was described as

being almost unstoppable once he touches the ball near the basket.

"Mr. Kalai Akaka: Kalai is a senior member of the Maryknoll basketball team. He is a forward with the team and had nine rebounds, four assists, three steals, and one block.

"Would you all please give them a round of applause? Congratulations. Mr. President, with your permission, I yield back to Senator Chang."

Senator Chang rose and stated:

"I would like to introduce the rest of the Maryknoll School boys varsity basketball team and coaching staff who have joined us in the gallery today: We have assistant coaches AJ De Jesus, Matafaga Loa, David Lum, Kalia McGee, Tyler Reuter, and Devan Uyeda. And we also have team members Payton Grant, Marcus Tobin, Makoto Kamata, Reginald Eiland, Noah Furtado, Irvin Lin, Kahaweoakali'aaloha McGee, Matthew 'Nui' Pila, Nikolas Robben, Sage Tolentino, Tyler Brooke, Logan Dias, and Parker Grant. Let's give them all a round of applause."

The Chair commented:

"I just would briefly say: I shared with the coach that I had the opportunity to get back to Kaula'i in time to watch the whole game and saw earlier games, where Punahou's press created havoc and panic in other teams, and was thoroughly impressed by the composure of the Maryknoll team, and they were great free-throw shooters at the end of the game as they tried to foul to stay in the game. They pulled away as they continued to successfully make the free throws, and it was a team well coached. As a father of two sons myself, I can only imagine the pride of the coach when he had a son who is also a player on that team, and it certainly was a heartwarming human-interest story besides a great sports story, so I'd like to offer my personal congratulations. And, Madam Clerk, if there are no objections from Senator Chang, on his introduction, if you would amend it to include 1984, the birth year of Senator Dru Kanuha."

At 11:39 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:46 a.m.

THIRTY-FIRST DAY

Thursday, March 14, 2019

The Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, convened at 11:40 a.m. with the President in the Chair.

The Roll was called showing all Senators present.

The President announced that he had read and approved the Journal of the Thirtieth Day.

At this time, Senator Taniguchi introduced Brendan Burns, grandson of the Honorable John A. Burns, former Governor of the State of Hawai'i, who was seated in the gallery with his wife, Pat; Emme Tomimbang, wife of the late James Burns; Adam Jansen, State Archivist; and the Honorable Mark E. Recktenwald, Chief Justice of the Supreme Court, State of Hawai'i.

On behalf of Senate President Kouchi, Senator Kidani congratulated the players and coaches of the Honolulu Little League Majors Team, and presented the following remarks:

"The Senate of the State of Hawai'i is pleased to recognize and honor the Honolulu Little League Majors Team for winning the 2018 Little League World Series Championship in South Williamsport, Pennsylvania. Team Honolulu qualified for the Little League World Series by winning the west regionals in San Bernardino, California. Shortly before Team Honolulu won the United States Little League Championship to meet South Korea in the championship game, news broke that Category 5 Hurricane Lane was streaming toward O'ahu. Team Honolulu became a beacon of hope for the State of Hawai'i as their success on a national stage provided a welcome diversion and sense of pride for the people of Hawai'i. With their shutout win against South Korea in the championship game, Team Honolulu became the third team from Hawai'i and the first Honolulu-based team to be crowned Little League World Series champions. Throughout the World Series tournament, Team Honolulu exemplified the aloha spirit with their passion, humility, and sportsmanship on and off the field. Team Honolulu were ambassadors of aloha to their host city of South Williamsport and their peers, both from the United States and abroad, as they were named a co-recipient of the Jack Losch Little League Baseball World Series Team Sportsmanship Award.

"Team Honolulu was led by manager Gerald Oda and coaches Keith Oda (who is not present today) and Willis Kato, and players Sean Yamaguchi (pitcher and second baseman), Jace Souza (outfielder), and Tanner Chun (second baseman, shortstop, and outfielder). And players who could not be here with us today were Ka'olu Holt, Aukai Kea, Chandler Murray, Mana Lau Kong, Zachary Won, Bruce Boucher, Hunter Nishina, Nainoa De La Cruz, Caleb Okada, Kory Chu, and Taylin Oana.

"The Senate of the Thirtieth Legislature of the State of Hawai'i commends and congratulates the players and coaches of Team Honolulu for winning the 2018 Little League World Series Championship and extends its very best wishes in their future endeavors. Congratulations. Mr. President, in the gallery, I wish to introduce the father of Sean Yamaguchi, Mike Yamaguchi; the father of Jace Souza, Alfred Souza III; and the father of Tanner Chun, Michael Chun. Thank you very much."

ORDER OF THE DAY

ADVISE AND CONSENT

Stand. Com. Rep. No. 1211 (Gov. Msg. No. 541):

Senator Baker moved that Stand. Com. Rep. No. 1211 be received and placed on file, seconded by Senator Chang and carried.

Senator Baker then moved that the Senate advise and consent to the nomination of BRUCE S. ANDERSON as Director of the Department of Health, term to expire at noon on December 5, 2022, seconded by Senator Chang.

Senator Baker rose to speak in strong support of the nominee as follows:

"Mr. President and colleagues, Dr. Anderson was born and raised in Hawai'i. He attended Punahou School on O'ahu, graduated from Colorado College, and received a master's degree in public health from Yale University and a PhD in biomedical sciences from the University of Hawai'i. Bruce has previously served as director of Health from 1999 to 2002, as deputy director of environmental health from 1987 to 1998, and, prior to that, he was a state epidemiologist, so he clearly loves the activities of the Department of Health. He also served as president and chief executive officer of the Hawaii Health Systems Corporation, which includes our public hospitals providing inpatient and outpatient services primarily in rural areas across the state. Altogether, Bruce has over 35 years of experience managing health and environmental protection programs in our state.

"The director of Health is the chief health and environmental official in Hawai'i, and oversees more than 100 programs and over 2,700 dedicated staff members whose mission is to protect

and improve the health and environment for all people here in Hawai'i. I believe that Dr. Anderson's leadership abilities, his professional experience, and extensive knowledge will continue to be valuable assets to the Department of Health, and I urge my colleagues to join me to vote in favor of his confirmation. Mahalo."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

At this time, Senator Baker introduced Director Bruce Anderson, who was present in the gallery with his wife, Debbie.

Stand. Com. Rep. No. 1212 (Gov. Msg. No. 542):

Senator Baker rose to speak in strong support of the nominee as follows:

"Cathy has over 18 years of public health service in Hawai'i and previously worked in the Department of Health in various positions related to tobacco prevention, school health and wellness, and nutrition and physical activity promotion. She also served as the department's first performance improvement manager, an experience that gave her a deep understanding of the impact primary prevention can have on large populations, small communities, and individuals, and taught her the importance of addressing health issues within the context of systems. Cathy has a master's degree in both public health and business administration. She has a strong commitment to improving public health outcomes through strengthening administrative operations, growing interdepartmental collaborations, and exploring new ways to engage with service providers. I urge my colleagues to join me in voting to confirm Cathy as deputy director of the Department of Health. Mahalo."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

ADJOURNMENT

At 11:57 a.m., on motion by Senator Kahele, seconded by Senator Fevella and carried, the Senate adjourned until 11:30 a.m., Friday, March 15, 2019.

THIRTY-SECOND DAY

Friday, March 15, 2019

The Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, convened at 11:43 a.m. with the President in the Chair.

The Roll was called showing all Senators present.

The President announced that he had read and approved the Journal of the Thirty-First Day.

At this time, Senator Harimoto introduced his brother Dr. Deane Harimoto, who was visiting from Michigan with his wife, Dawn, and their daughter Stacey, a student at Washington University in St. Louis. Accompanying them in the gallery were Stacey's friend Zoey Orenstein and her mother, Hindy Bogner-Orenstein, from Maryland.

Senator Ihara extended an additional welcome to Dr. Deane Harimoto, noting that they were classmates at Highlands Intermediate School and that he remembered Dr. Harimoto as a "brainiac" with a very strong mind.

Senator Inouye acknowledged Randy Iwase, former chair of the Public Utilities Commission and former State Senator, who was seated in the gallery.

Senator Thielen recognized the Hawai'i State Department of Education School Food Services Branch, and presented the following remarks:

"Colleagues, we'd like to recognize Mr. Albert Scales as the program administrator for the state Department of Education Farm to School Initiative, and we are also pleased to welcome Dexter Kishida, who serves as a program specialist for the DOE Farm to School Initiative. Thank you.

"The Hawai'i State Department of Education, the Hawai'i Department of Agriculture, and the Kohala Center are working collaboratively on the Farm to School Initiative. Across the nation, Farm to School programs are reconnecting students to a better understanding of the food system and where their food comes from. Farm to School programs introduce students to healthier eating habits and help them become familiar with new vegetables and fruits that they and their families will then be more willing to incorporate into their own diets. The goal of the Farm to School Initiative is to address the supply and demand issues surrounding the purchasing of local food for our state school cafeterias. The initiative also aims to systematically increase state purchasing of local food for our school menus as well as connect our keiki with the 'āina through their food using products from the local agricultural community. I know that there'd been some work done in the Senate for many years on trying to increase local food in our school cafeterias, both for the benefit of the farmers and for the health of the keiki, and we were making incremental progress after many years' effort. But a couple years ago, I walked into a meeting with Mr. Albert Scales, where he was doing a presentation, and it really was phenomenal, just the innovation, the breath of fresh air, and the invigorating atmosphere that he was bringing around the issue and the goals that he was setting forth. Since I know this is near and dear to the Senate heart, we wanted to recognize these folks, and I'd like to turn it now over to my colleague from Kapolei to say a few words."

Senator Gabbard rose to present the following remarks:

"Colleagues, actions speak louder than words and tell the truth of one's leadership. Albert Scales serves as the administrator for the Department of Education's School Food Services Branch. He was instrumental in the Farm to School Initiative, designed to address the supply and demand issues

surrounding the purchasing of local food for our state school cafeterias. The initiative also aims to systematically increase state purchasing of local food for our school menus as well as connect our keiki with the 'āina through their food using products from the local agricultural community. I'd now like to yield the floor to my colleague from Hawai'i island to say a few words."

Senator Ruderman rose to present the following remarks:

"Starting in 2017, the Farm to School Initiative has provided thousands of pounds of local produce in our public schools, including local beef, banana, papaya, pineapple, 'ulu, and Okinawan sweet potato, and there are already plans to purchase green papaya and kalo and poi in the year 2019. Albert Scales was instrumental in working with various farming organizations to secure the fresh and local produce. We're pleased to welcome Albert and Dexter to the Senate and to recognize the amazing work they've accomplished in our public schools, and if I can just echo the words of our senator from Kailua, that the difference that such an innovative individual made was like night and day. Thank you very much, and I'd like to turn the floor back over to the senator from Kailua."

Senator Thielen rose and stated:

"Thank you, Mr. President. I do need to make a correction, though: I am the senator from Waimānalo—originally from Kailua, but moved to God's Country about 10 years ago.

"So, like every great leader, Mr. Scales, when we contacted his office and said the Senate wanted to recognize him, immediately said that he could not do this without all the folks in his office, and, unfortunately, they seem to be swept with a flu or bug and some vacation scheduled, so the ones who were going to be here today could not be, but I do want to recognize them on the floor. In addition to Dexter Kishida, the program specialist who's with us today: Iris Fujimoto, Earlyn Worley, Laureen Oda, Lindsay Rodrigues, Curtis Haida, Jayson Watts, and Anna-Lisa Okoye have been instrumental in making these changes.

"One of the comments that we didn't make is, in the presentation that Mr. Scales made to the Legislature that I got a chance to walk into a couple years ago, he voluntarily said they were going to be moving away from the use of Styrofoam trays. Many of us remember being in school and they had those plastic trays; well, they replaced those with Styrofoam a little while ago, so when you think of the number of school students, the number of school lunches and school breakfasts that are being served, and you calculate the cubic feet of Styrofoam trays that are utilized every year, you could easily fill up this room. So it is a phenomenal effort that they are undertaking, not only in bringing local food to our students, promoting farming, but also reducing the waste and trash that's going into our landfill and being much more environmentally sensitive. So, colleagues, please join me in welcoming Albert Scales and Dexter Kishida."

The Chair extended a personal thanks to Senator Ruderman, who spearheaded the legislation and pushed the idea forward back in 2015, and former Lieutenant Governor Shan S. Tsutsui, who had been assigned to the initiative.

At 11:52 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:57 a.m.

Senator Baker recognized former State Senator Suzanne Chun Oakland, who was present in the gallery.

ORDER OF THE DAY**THIRD READING**

H.B. No. 2, H.D. 1, S.D. 1:

Senator Dela Cruz moved that H.B. No. 2, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Keith-Agaran.

Senator Dela Cruz rose to speak in support of the measure as follows:

"I rise in support of H.B. 2. Additionally, please apply my comments in support to the next bill, H.B. 116, as well. Your Committee on Ways and Means, in keeping with the intent of the new budget process established a few months ago, passed out both H.B. 2 and H.B. 116 together to make up the Senate's position on the executive budget. H.B. 116 is supplemental to H.B. 2.

"Before I get into the highlights of the two budget bills, I'd like to thank all of the Senate subject-matter committee chairs for taking up the challenge presented at the beginning of session to really dive into their departments' budgets, scrutinize their requests, and make recommendations to the Ways and Means committee so that we may pass an executive budget that helps hold the state government accountable and live within our means based off of the revenues that we collect. The committee feels it is important to limit the growth of government and reduce duplicative services. Where applicable, departments should be working with each other to provide services to Hawai'i residents. With that in mind, I would also like to thank the subject-matter committee chairs for finding vacancies to cut for new positions that were added to the Senate draft.

"The Senate approached the Senate draft conservatively in the event the Council on Revenues further lowered their general fund revenues forecast. On Tuesday, the Council on Revenues decreased their forecast for fiscal year '19 from 4.2 percent to 3 percent. This amounts to an \$81.6 million decrease in revenues for fiscal year '19 and will cause a compounding decrease of \$103.2 million by fiscal year '25 in the state's financial plan. Council on Revenues kept their forecast flat for fiscal year '20 to '25 at 4 percent growth.

"The Senate put together a responsible budget; we looked at ways to cut costs, reduce spending, and put forward bills to generate revenue that have crossed over to the House. Working with the subject-matter chairs in putting together the Senate draft, we kept in mind our fixed-cost obligations, such as health benefits, Medicaid, pensions, and debt service. These obligations alone account for 51 percent of our budget spending. The Senate draft on the executive budget for the fiscal biennium 2019-2021 puts forth a state budget that is \$31.7 million lower than the executive budget for fiscal year 2020 and \$183.6 million lower for fiscal year '21.

"House Bill 2, S.D. 1, includes the base budget from Act 53, Session Laws of Hawai'i 2018; the addition of previously appropriated collective bargaining amounts that were enacted in a number of bills in 2017 and '18 legislative sessions; the addition of full-year funding amounts for positions established with a six-month delay in hire in Act 53, Session Laws of Hawai'i 2018; the adjustments necessary to fulfill ERS, EUTF debt service, and Medicaid requirements for this biennium; and the reduction of non-recurring amounts identified in 2017 and

'18 executive budget worksheets issued by the Legislature. Also included are approved executive requests for tradeoffs, transfers, changes of means of financing, conversions of positions from temporary to permanent, ceiling increases or decreases, all reductions in new positions that were already authorized by the Legislature in the previous biennium, and additional funding for priority budget requests.

"Your committee amended House Bill 116 to include funding requests above and beyond the base budget adjustments. These adjustments include new positions, new programs, and budget requests from the Senate subject-matter committee chairs. The Senate draft of Senate budget includes funding the following priorities: supporting programs and services for agriculture to implement the Interagency Biosecurity Plan; funding to support grants for local businesses to help expand and diversify our economy; help provide funding for Weighted Student Formula, Early College, and Hawai'i Promise; funding to protect our natural resources, wildfire response, combat critical invasive species, and to help stop Rapid 'Ōhi'a Death; funding for critical programs to address homelessness, state Rent Supplement Program, and other homeless initiatives; and provide funding for the Juvenile Justice Reform. The Senate also determined that the following are priorities that should continue to receive funding; therefore, they are placeholders that have been included in the Senate draft to allow further discussion for Kupuna Care, Kupuna Caregivers Program, Maui Health Systems, and each governor's message that requested to add funding to the executive budget. The governor's messages were submitted late to the Legislature; therefore, a placeholder has been included in the Senate draft and have been inserted into individual Senate bills.

"In closing, I'd like to thank the members of the Ways and Means committee for their hard work, and I would like to acknowledge their efforts, time, and dedication as well as efforts and hard work of the vice chair for putting together the CIP budget. And, lastly, I'd like to thank the Ways and Means budget staff for their hard work and extended hours in helping to shape the Senate draft. In the gallery, we have with us committee clerk Dane Wicker, budget chief Erin Conner, budget analyst Alika Ke-Paloma, Janos Palko, Kaley Vatalaro, RJ Martin, and Zarek Wong, and intern from HPU Yurie Hoshino. I'd also like to acknowledge the vice chair's staff: Susan Wong, Robert Nishimoto, Danielle Evangelista, and Sara Tanigawa, if we can just give them a round of applause. I'd also like to give acknowledgement to Senate leadership for their support in helping the Ways and Means committee draft the budget. Mahalo."

The motion was put by the Chair and carried, H.B. No. 2, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE STATE BUDGET," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

H.B. No. 116, S.D. 1:

On motion by Senator Dela Cruz, seconded by Senator Keith-Agaran and carried, H.B. No. 116, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE STATE BUDGET," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

H.B. No. 1259, S.D. 1:

On motion by Senator Dela Cruz, seconded by Senator Keith-Agaran and carried, H.B. No. 1259, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CAPITAL IMPROVEMENT PROJECTS," having been read throughout,

At this time, Senator Thielen rose to speak on a point of personal privilege as follows:

"I just want to make a quick correction: When I was speaking with Albert Scales, he told me that the DOE is no longer using Styrofoam trays as of **now**. I did some quick calculations. By a conservative estimate, the number of Styrofoam trays we were using in one year would have filled an entire football field four feet deep. Thank you."

Senator Baker announced that the Women's Legislative Caucus would be holding an Easter basket donation drive to benefit the Institute For Human Services and The Salvation Army, and encouraged the members to participate.

Senator Taniguchi invited the members to a reception for the commemoration of the fiftieth anniversary of the State Capitol building in the governor's office that afternoon, which would feature an exhibit about the extraction of the time capsule.

Senator Dela Cruz announced that the Committee on Ways and Means and the House Committee on Finance were scheduled to start conference committee meetings the following week, subject to change.

The Chair then remarked:

“To Senator Taniguchi, on behalf of the rest of the Senate, thank you for your efforts in the fiftieth anniversary of the capitol. I would like to make sure that it is in the Senate Journal that we extend our thanks to all of the members of the task force who worked so diligently to commemorate the fiftieth anniversary, and I couldn’t think of a better way for all of it to tie in today: We had the keiki to kūpuna hula and musical rendition, and then we had operatic-quality presentation, and it shows the diversity of Hawai‘i and staying current with the theme of ‘a welcoming place to come to.’ Congratulations to you, Senator Gabbard, for having such an appropriate guest on this fiftieth anniversary.”

ADJOURNMENT

At 12:09 p.m., on motion by Senator Kahele, seconded by Senator Fevella and carried, the Senate adjourned until 11:30 a.m., Monday, March 18, 2019.

THIRTY-THIRD DAY

Monday, March 18, 2019

The Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, convened at 11:41 a.m. with the President in the Chair.

The Roll was called showing all Senators present with the exception of Senator Harimoto who was excused.

The President announced that he had read and approved the Journal of the Thirty-Second Day.

At this time, Senator Kidani commended the 2019 Prudential Spirit of Community Award recipients, and presented the following remarks:

"Our guests this morning include four high school students who have demonstrated tremendous commitments to their community as the recipients of the 2019 Prudential Spirit of Community Awards. This honor is the largest youth recognition program in the United States, which recognizes middle and high school students based upon their outstanding service to others. To introduce our first honoree, the senator from District 22."

Senator Dela Cruz rose to present the following remarks:

"Aloha. The Prudential Spirit of Community Awards, created in 1995, is the United States' largest youth recognition program, based on exemplary volunteer community service. This prestigious award strives to acknowledge young people across the nation who represent the best of America's youth, who are role models to their peers and their communities. Chelsea Masaki, an eighth grader at Mililani Middle School, was named one of the top two youth volunteers in Hawai'i for 2019 out of 29,000 young people across the country who participated in this year's program. Chelsea works to keep the ocean and beaches of Hawai'i clean by participating in regular cleanups and activities for the past three years, and educates others about the dangers of plastic pollution. In the gallery, we have Chelsea's parents, Sean and Judy Masaki; and if we can just acknowledge Chelsea for all her hard work and her leadership. Congratulations."

Senator Ihara rose to present the following remarks:

"Another of this year's two top student youth volunteers is Ryan Park, who is 18 and a senior at Punahou School. About two years ago, a tumor was found on Ryan's tailbone, and he thought that this might be the end for him. Reflecting on his life, he recalled that one of the things that brought him joy was helping others. After finding out that his tumor was benign, he resolved to make the most of his life, and he organized a club called HOPE, or Helping Oncology Patients Everywhere. He grew his club into a nonprofit organization that aims to improve the lives of people with cancer and their families through hospital volunteering, fundraising, and personal interaction. HOPE is now 150 members strong. Members participate in many activities, including giving monthly music recitals at treatment centers, sharing food and craft with young patients, raising money for gifts, and participating in national cancer-related fundraising drives. Ryan has also designed specialty T-shirts and tote bags to help raise money. Please join me in congratulating Ryan Park for turning a personal challenge into a passion for helping others and being a role model for his peers and our community. Thank you, Ryan Park. Mr. President, Ryan's mother, Imei Sun, is in the gallery this morning, and you've already met his brother, Joshua, who is a member of the 'Iolani LifeSmarts team. Thank you; I now return the floor to the senator from Mililani."

At 11:47 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:49 a.m.

The Chair recognized Ryan Park's brother Joshua, who was seated in the gallery.

Senator Ruderman acknowledged Catherine Chow, the 2019 Prudential Spirit of Community Distinguished Finalist from Kea'au High School, who was not in attendance.

Senator Taniguchi rose to present the following remarks:

"Colleagues, it gives me great pleasure to introduce a 2019 Hawai'i State Distinguished Finalist of the Prudential Spirit of Community Award, Stefani Sakamoto. Ms. Sakamoto is a senior at Punahou School and lives in my district. Through her Girl Scout project, she created a multi-faceted nutrition education program that she named ALOHA (A Life of Healthy Actions). She has reached more than 200 children and families by teaching them about nutrition and healthy eating for sustainability. She designed a website with information about healthy eating, and she also has a blog. Stefani wants to pursue a business management degree in college and hopes that it will provide a solid foundation for her to be a leader for change and a future director or founder of a service-oriented company or organization. Will you please give Stefani another round of applause? Congratulations. Joining us in the gallery are her parents, Steve and Lori Sakamoto. Thank you, Mr. President."

Senator Kidani then congratulated the 'Iolani LifeSmarts team, and presented the following remarks:

"In addition to these student leaders, we would like to acknowledge the student teams from Waipahu High School and 'Iolani School as the recipients of the 2019 Hawai'i LifeSmarts competition. This competition is a consumer-education program which challenges students to showcase their knowledge of the modern marketplace. The program is intended to provide students with invaluable consumer literacy skills in preparation for real-world opportunities. We offer our congratulations to 'Iolani School, the 2019 Hawai'i LifeSmarts state preliminary competition winner, who will be representing Hawai'i in Orlando, Florida, for the national competition next month. To introduce this honoree, the senator from District 10."

Senator Ihara rose to present the following remarks:

"On the floor today, Mr. President, is the team captain of the 'Iolani LifeSmarts team, Jayson Guo. There are team members in the gallery: Scott Okagawa and Joshua Park. Loui Ikei is missing due to illness, and another missing member is Noah Taniguchi, the son of our own Chief Clerk. Noah is traveling this week with the school orchestra, where he plays the viola. I'm told his parents now rely on him for expert consumer advice, and I'm sure this is true for the families and friends of his teammates. Also with us today in the gallery is the 'Iolani LifeSmarts coach, James Rubasch. He devotes so much time supporting and preparing these winning students. Please join me in congratulating the 'Iolani LifeSmarts champions. I would like to also recognize a few team supporters present with us in the gallery. The first is Imei Sun, who is the mother of Joshua Park, and from the Department of Commerce and Consumer Affairs, from the office that coordinates the LifeSmarts program, commissioner Ty Nohara and Theresa Kong Kee—thank you all for your support of our students."

The Chair recognized Senate Chief Clerk Carol Taniguchi, mother of Noah Taniguchi, a member of the 'Iolani LifeSmarts team.

Senator Nishihara acknowledged the Waipahu High School LifeSmarts team and their coach, Cindy Takara, for their impressive performance at the state competition.

Senator Kidani extended additional congratulations to the Waipahu High School LifeSmarts team and coaches.

At 11:57 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:05 p.m.

Senator Taniguchi moved that Stand. Com. Rep. No. 1225 be received and placed on file, seconded by Senator Ihara and carried.

Senator Taniguchi then moved that the Senate advise and consent to the nomination of RYKER WADA as Director of the Department of Human Resources Development, term to expire at noon on December 5, 2022, seconded by Senator Ihara.

Senator Taniguchi rose to speak in support of the nominee as follows:

“Ryker Wada is currently the director of Human Resources Development. Previously, he served as a deputy director of HRD and as personnel regional officer of the Department of Education from February 2015 to January 2017. Mr. Wada earned his bachelor of arts in political science from the University of Washington and a juris doctor from the University of California, Hastings College of the Law. He was admitted to practice law in the State of Hawai‘i in 2003 and has served in a number of positions, both in public service and private practice.

“Testifiers commented on Mr. Wada’s leadership skills, ability to collaborate, approachability, supportive nature, strong commitment to Hawai‘i’s public servants, and passion for public service—qualities that benefit the department as it strives to fulfill its mandates. Your Committee believes that Mr. Wada, with approximately 16 years of experience in human resources, possesses the qualifications to continue to serve as the director of Human Resources Development. Your Committee on Labor, Culture and the Arts finds that Mr. Wada’s experience, leadership, and collaborative nature will continue to serve him well as director of Human Resources Development, and recommends that the Senate advise and consent to his nomination. Thank you, Mr. President.”

THIRTY-FOURTH DAY

Tuesday, March 19, 2019

The Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, convened at 11:44 a.m. with the President in the Chair.

The Roll was called showing all Senators present with the exception of Senators Fevella and Harimoto who were excused.

The President announced that he had read and approved the Journal of the Thirty-Third Day.

On behalf of Senate President Kouchi, Senator Keith-Agaran welcomed visitors from the Department of Education on Kaua'i: Kevin Matsunaga from Chiefess Kamakahelei Middle School, Dawn Taba from Kaua'i High School, Robyn Herbig from Waimea High School, and Jonathan Medeiros from the Department of Education Kaua'i State Office.

Senator Kanuha recognized his legislative assistant Iokepa Command, who was present in the gallery with his mother, Mary Command, from Kona, a former teacher at Konawaena Elementary School and Konawaena High School who now teaches at Kamehameha Schools Preschools.

Senator Kim introduced Department of Education Assistant Superintendent Cynthia Covell, as well as Ryan Mandado, a volunteer, constituent, and neighborhood board chair.

Senator Kahele recognized and honored Beth McLachlin, and presented the following remarks:

"Colleagues, two years ago, we had an opportunity to honor a great member of the Rainbow Wahine volleyball 'ohana when head coach Dave Shoji retired after 42 years at the University of Hawai'i at Mānoa. Today, we get to honor another great Rainbow Wahine as she takes her place in the USA Volleyball Hall of Fame in May of this year, and so it is my honor to recognize Beth McLachlin in the Hawai'i State Senate.

"Colleagues, Beth McLachlin is a name that evokes a feeling of great pride: pride in our state, pride in the University of Hawai'i, pride in the progress that our society has made in the last 50 years, and, for me, personally, great pride in Rainbow athletics. When Beth McLachlin started her career at the University of Hawai'i at Mānoa, she had already been competing with the USA women's Olympic team for six years. Indoor volleyball, only a recognized Olympic sport since 1964, when it made its debut in Tokyo, allowed Beth to establish herself on the international stage with Team USA as an alternate, finishing eighth in the 1968 Summer Olympics in Mexico City, and then earning bronze at the 1969 North, Central America, Caribbean Volleyball Championship, and finally gold at the 1970 World Championship. Yet, at that point in time, even Beth McLachlin as an Olympic athlete and world champion at the age of 20 did not have the same opportunities to compete as her male counterparts did. For example, the first men's athletic team at the University of Hawai'i was founded in 1909. However, the first women's team was not founded until 1972. In the 1970s, the NCAA did not govern women's athletics, and, in fact, the rules at that time allowed Beth to begin her college athletic career at the age of 24. And so, in 1974, Beth joined the Wahine volleyball team in its very first season, and, at that time, no one would have predicted the overwhelming success the Wahine would become. Today, the Rainbow Wahine volleyball program has three national championships, the fifth-most winningest program in NCAA women's volleyball history, and year over year is considered one of the top programs in the country. Beth played for the Wahine for three seasons, and in every one of those seasons, she captained the team to second place finishes at the college

national championships, and in 1976, Beth would reach the pinnacle of her career when she would co-captain the 1976 Olympic team. The very next year, in 1977, Beth began her teaching career at La Pietra – Hawaii School for Girls, where she coached volleyball and served as its athletic director until 2000. She retired from teaching in 2016.

"Volleyball has been an integral part of Beth's life since she began practicing with her sister in the fifth grade. She met her future husband, Chris McLachlin, at a volleyball tournament in April of 1968, and they were married in 1970. Together, they have three children: Parker, Bekka, and Spencer, all of whom have gone on to embrace volleyball and athletics. Parker graduated from UCLA; he has been on the PGA Tour for 15 years. Spencer graduated from Stanford; he is an assistant coach at UCLA for the men's program. And Bekka graduated from the University of Utah and returned home to Hawai'i to be a DOE PE/health teacher and today is at Central Intermediate just up the road.

"And so, with that, the Senate would like to recognize and congratulate Beth McLachlin on her induction into the 2019 USA Volleyball Hall of Fame, and, as a testament to her impact on athletics in Hawai'i, Beth is the first Rainbow Wahine volleyball alumna to receive the Flo Hyman All-Time Great Female Player Award. Colleagues, please join me in honoring a great athlete, a distinguished alumna, and tremendous figure in volleyball history. Here also on the floor is her longtime husband, Chris McLachlin. Not a familiar face to everyone, he is the play-by-play TV commentator at UH athletics for 35 years for KHNL, for K5, for Oceanic, and now for Spectrum. Thank you for joining us, both Beth and Chris. Also in the gallery, colleagues, I'd like to recognize former head coach of the University of Hawai'i Wahine, Dave Shoji; members of the current and former UH Rainbow Wahine volleyball program; members of the UH Athletics Department; members of the booster club and family and friends; and also colleagues from La Pietra. Welcome to your Hawai'i State Senate. Mahalo, Mr. President."

Senator Kidani recognized the Department of Education's Teachers of the Year, and presented the following remarks:

"The State of Hawai'i echoes the sentiments of the Milken Educator Award, which recognizes teachers as the unsung heroes of our state and country. On local and state levels, educators are those tasked with the immense responsibility of cultivating young minds and impressing upon them not only the knowledge necessary to become successful but important values and life skills needed to adapt to the changes of the modern world. Today, we recognize the efforts and accomplishments of Hawai'i's teachers and recognize these exceptional leaders for the impact they have had upon our youth. In celebration of inspiring teachers, we also recognize Ewa Makai Middle School's Cynthia Tong, the recipient of the 2019 Horace Mann Award for Teaching Excellence. To introduce this honoree, the senator from District 23, please."

Senator Riviere rose to present the following remarks:

"Colleagues, guests, I have the privilege today of introducing and speaking a little about Cynthia Tong. Welcome to the Senate. Cynthia is this year's honoree for the 2019 United States National Education Association Horace Mann Award for Teaching Excellence. She's got many years in the field; she's presently teaching at Ewa Makai Middle School. I was pleased to learn that she taught for several years at Waiialua High and Intermediate School, where she taught every grade from seventh through twelfth. At that time, she was focusing on the history program, and we talked a little bit about the love for

history and learning that she was able to instill in the students, and I talked about my son's interest in history and such, so we had a good little conversation there. As I said, she's now with Ewa Makai; she's teaching social studies over there, and she, of course, is the Horace Mann Award winner. She's got a 25-year career; she's got a passion for learning, and her leading goes beyond the community and the classroom to everybody she touches. Cynthia motivates everyone around her to be the best they can be; she inspires others to excel and explore new possibilities and have a zest for learning. Her dedication to her community is outstanding. At this time, ladies and gentlemen, please welcome and congratulate Cynthia Tong. Thank you, and I'd also like to note that Eric Tong, her husband, I believe, is in the audience. Thank you. Thank you, Mr. President, I now yield the floor back to the senator from District 18."

Senator Kidani rose to present the following remarks:

"Mr. President, we would also like to again acknowledge the 2018 Milken Educator Award honoree, Sara King. We had the pleasure of honoring her earlier this month, and though she is not here today, we offer our heartfelt congratulations again to her honor for receiving the highest educators' honor in the nation.

"In addition to these inspiring teachers, we would like to acknowledge the extraordinary educators leading their districts and the education industry. The following recipients are all deserving of thanks and praise for the work they do. To introduce the 2019 Teacher of the Year, Senator Kanuha."

Senator Kanuha rose to present the following remarks:

"Today, we honor and recognize an educator who has demonstrated a remarkable commitment to challenging, inspiring, and fostering the growth of youth on Hawai'i island. Education is an open door to opportunity, and our teachers are the first people to help us walk through it. They teach us to read, write, take tests, and the value of being on time, but I think I can speak on behalf of this entire body when I say they are tasked with so much more. The popular sentiment, 'It takes a village,' is the first thing that comes to my mind, reflecting on my school years in Kona. Within our tight-knit community, it is common knowledge that there are two groups who raise our keiki: our families and our educators.

"It is with great pleasure that I introduce to you Mathieu Williams, a multimedia teacher at Kealakehe Intermediate School in Kailua-Kona. Mathieu is the 2019 Hawaii Teacher of the Year recipient. Over the past 12 years at Kealakehe, Mathieu has developed the reputation of being both firm and widely popular around campus, taking his students to the 2018 Student Television Network's national convention in Nashville, Tennessee. And I heard just today that they're on their way to Seattle this Friday to compete in this year's national convention. The Hawai'i State Senate extends a warm mahalo to Mathieu Williams for his dedication, vision, and commitment to our state's future. Again, congratulations, Mathieu. Now I turn the floor over to the senator from Kaimuki."

Senator Ihara rose to present the following remarks:

"Mr. President, although he's not able to be with us today, I'd like to tell you about this year's Hawai'i Public Charter School Teacher of the Year, Shane Albritton. Shane is a sixth-to-eighth-grade history teacher at the School for Examining Essential Questions of Sustainability, or SEEQS. Mr. A, as his students call him, uses role-playing to help students feel connected to the history they're studying. Students use archival newspapers and other sources to learn about the characters they role-play. Mr. A gives students an historical situation and choices their characters faced. Students are asked what they would do and

feel if they were their character back then. After the role-playing, Mr. A explains what history says actually happened. Sometimes the student's and the history-character's outcomes are the same and sometimes not. Either way, they come to understand history and how historical characters made decisions. Lessons learned through role-playing enable Mr. A's students to see how history can be relevant to their own lives and how individual choices made today can impact the future of each student. For Shane Albritton, success in the classroom is based on the personal connections his students make with history, and their understanding that history is relevant to today's world and their own life. Let's give Mr. Shane Albritton a well-deserved round of applause in absentia. I now yield the floor to the Senator from Kahului."

Senator Keith-Agaran rose to present the following remarks:

"It's my great pleasure to introduce Mr. Brandon Arakawa, the 2019 Maui District Teacher of the Year. Mr. Arakawa has been an incredible role model as a teacher at Kahului Elementary, where he's taught fifth grade for the past four years. In the immediate three years, his students have, through his encouragement and dedication, raised their test scores each year. He's also a committed member of the school's leadership team, where he works directly on behalf of the 980 students on campus. Mr. Arakawa is also a youth baseball coach and also then impacts all the children in our community. Please join me in congratulating 2019 Maui District Teacher of the Year Brandon Arakawa."

Senator Kidani rose to present the following remarks:

"Thank you, Senate President. On your behalf, it is my great pleasure to introduce Sean Doi, a resource teacher for the Kaua'i District Complex Area, as the 2019 Kaua'i District Teacher of the Year. Kaua'i-born and raised, Sean Doi is a proud public school graduate with 21 years of teaching experience. As a certified elementary school teacher, Sean began his teaching career at 'Ele'ele Elementary School on Kaua'i and has since embraced his role as a resource teacher for the Kaua'i District Complex Area. Outside of the classroom, Mr. Doi is passionate about sharing accomplishments of others. Six years ago, he created Kaua'i Shining Stars, an educational program that spotlights great work taking place at Kaua'i district schools. Congratulations, Sean. Thank you very much.

"At this time, Mr. President, we would also like to recognize Sam Hankins as the 2019 Honolulu District Teacher of the Year. Though he is unable to join us here today, we offer our heartfelt congratulations for his exceptional contributions to education. Can we please acknowledge Sam Hankins?

"Up next, we have Gail Izumigawa joining us on the floor. Gail is the 2019 Leeward District Teacher of the Year. As an educator for 32 years, Gail has demonstrated her dedication to Hawai'i's youth. She currently serves as director for career academies at Waipahu High School, where she pioneered the development of its educational program. The impact of her efforts has seen significant strides, with Waipahu High School becoming the first in the state to become nationally certified. Gail oversees six academies covering 24 programs of study for 200 educators and over 2,500 students. She has demonstrated such leadership on both local and national levels by providing opportunities for schools throughout the country to visit Waipahu High School to observe and learn about effective career academy design and how they can best implement such practices into schools nationwide. We are deeply grateful to Gail for her extraordinary contributions to the education industry and for the profound impact her work has had upon the students of Waipahu High School and the State of Hawai'i as well as throughout the country. Thank you, Gail. I now turn the floor over to our senator from District 15."

Senator Wakai rose to present the following remarks:

“Members, it is with great pleasure I introduce you to Mary Ann Kurose. Ms. Kurose is the Central District Teacher of the Year. She teaches strategic writing, reading, AVID, web design, and news writing at Radford High School, where she’s been since 1997. Drawing on her role as a parent, she has employed that teaching philosophy of being the type of teacher she would want for her own children and thus strives to be the best teacher she can be for her students every single day at Radford. She has developed a teaching model that focuses on visual, verbal, and social learning styles combined with Google-based digital tools to ensure her lessons stick with her students beyond the classroom. This award is a testament to her excellence as an educator. Congratulations to Mary Ann Kurose. Mr. President, I’d like to yield the floor to the senator from Waimānalo.”

Senator Thielen rose to present the following remarks:

“I am pleased to recognize Debbie Morrow from Kailua Elementary School as the 2019 Windward District Teacher of the Year. Unfortunately, Ms. Morrow was not able to join us today; she’s in a professional development trip to Finland, where the Finnish people will teach her how their children bike to school in three feet of snow, and she will teach them about how our children go to school in rubber slippers. But she is represented here today by Judy Mailheau, the Windward District preschool SPED coordinator and former Kailua Elementary preschool teacher and colleague of Debbie, so, Judy, if you could please stand to be recognized in honor of Debbie? You can take that applause back to her.

“Debbie is an accomplished educator, where she taught an inclusion class at Head Start for over five years. Her goal is to improve inclusion opportunities for preschoolers with disabilities through partnerships with state-funded preschools on public school campuses. She applied for and was awarded a state-funded preschool classroom for the 2018–19 school year. She’s provided guidance on self-contained classes that serve as a model for autism education, training new or struggling teachers and assistants to work effectively. She maintains an open-door policy for families, and she does home visits, which is really rare in this day and age, and facilitates parent trainings and encourages parent participation in the classroom so that children can succeed both in school and at home. It’s dedicated educators in our community, like Debbie and Judy, who are making a difference every day for our students. Colleagues, can you please join me in wishing Debbie, through her colleague Judy, continued success in her future endeavors?”

At 12:08 p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:24 p.m.

"The Hawaii Elementary and Middle School Administrators Association honors school leaders for education excellence. These educators are those tasked with the immense responsibility of cultivating safe, collaborative, and enthusiastic environments where students and staff can thrive. Their efforts are responsible for supporting teachers as they inspire young minds and impress upon them not only the knowledge necessary to become successful but important values and life skills as well. These principals are inspiring leaders in education and invaluable resources providing the foundation for staff and students to achieve success. Introducing the 2018 Hawaii National Distinguished Principal of the year is the senator from District 11."

Senator Taniguchi rose to present the following remarks:

"At this time, we'd like to congratulate the 2018 National Distinguished Principal of the year, Linell Dilwith. Unfortunately, she is unable to join us here today, but I wanted to personally thank her for navigating the construction of the Stevenson science learning center a few years ago. This has made a big difference at the school. Could we offer our heartfelt congratulations to her for her tremendous leadership and contributions to Robert Louis Stevenson Middle School and to education as a whole by giving her a round of applause?"

Senator Kidani rose to present the following remarks:

"Up next, we have Mrs. Corinne Yogi joining us on the floor with her granddaughter Kamryn. Corinne is our 2018 Central District Hawaii National Distinguished Principal of the year. Principal Yogi has been an educator at Kipapa Elementary for over 24 years, with 8 years serving as principal. She has demonstrated her dedication to Hawai'i's youth by establishing a culture of 'ohana within Kipapa Elementary School, where students, families, and communities are welcomed and provided a foundation for children to thrive. In 2018, she received the Masayuki Tokioka Excellence in School Leadership Award, and has seen tremendous success developing and establishing a new science, technology, engineering, and math studies program as well as after-school enrichment opportunities to improve student achievement and encourage better study habits. We commend Principal Yogi for extraordinary contributions to the education industry and for the profound impact her work has had upon the students of Kipapa Elementary. Thank you very much, Principal Yogi (and Kamryn)! I now yield the floor to the senator from 'Ewa Beach."

"Today, I'm recognizing Debra Hatada as the honoree of the 2018 National Distinguished Principal of the Year. Debra is the principal of Ka'imiloa Elementary School in 'Ewa Beach. "Colleagues, the National Distinguished Principals Program recognizes elementary- and middle-level principals who set high standards for instruction, student achievement, character, and climate for students, families, and the staff in their learning communities. Today, I am privileged to introduce Kāne'ohe Elementary School principal Derek Minakami. Derek is one of six principals across Hawai'i to receive the National Distinguished Principal award for 2018. Among other things, in 1999, Derek became the first public school National Board Certified teacher in science, with an emphasis on adolescence and young adulthood. In 2001, he was named Hawaii Teacher of the Year at Kailua High School, where he taught physics, conceptual physics, advanced physics, Iron Man physics (I just made that one up. I don't know; these are extremely complicated classes—I'm really impressed.), and youth leadership. And, on a personal note, we had a discussion this weekend, Principal Minakami and I, about some of the innovative approaches that he's taken regarding place-based learning and outdoor learning for our students in our schools. You folks all know: Schools really require strong leadership.

He's taken chances and provided the opportunity for his faculty and staff to innovate. I'm so grateful and proud to have him as a principal in our district, so can we please have a round of applause again for Kāne'ohe Elementary School principal Derek Minakami? Mr. President, at this time, I would like to turn the floor over to our senator from District 3-Kona."

Senator Kanuha rose to present the following remarks:

"As you know, administrators play a key role in **fostering an environment conducive** to everyone's success.

"From the big things like preparing us to succeed in school, encouraging us to **follow our passions and talents**, to the little things like making sure we have a way to get home. Most importantly, they shape the institutions that mold us into contributing members of society. They are dynamic, diligent, and influential while at the same time **nurturing and compassionate**. They carry an important responsibility of blending together ideas from different cultural backgrounds and national standards to create an **encouraging, welcoming** learning environment.

"Most of us can probably recall a **school administrator** who positively impacted our learning and our lives. Therefore, it's with great pleasure that I have the honor to present this certificate to a **remarkable administrator from the Big Island: Noreen Kunitomo**.

"Noreen was awarded the **2018 Hawaii National Distinguished Principal** of the year for Hawai'i island on behalf of her service at Honaunau Elementary School in South Kona.

"The Hawai'i State Senate extends a warm mahalo to **Noreen for her commitment** in encouraging our youth to learn and **excel both inside the classroom and beyond it**, so, again, colleagues, can you please extend a warm welcome and **congratulations to Noreen**.

"Now, I would like to turn the floor over to the senator from Hāna."

Senator English rose to present the following remarks:

"Colleagues, today I have the great honor of introducing our next honoree. She's not here today, but her name is Robyn Honda. Last April, Robyn was honored as the 2018 Maui District principal of the year. Robyn served as the principal of Makawao Elementary School from 2010 to 2018 and retired at the end of the school year last May. I know her presence and leadership is missed at Makawao Elementary School, and she is greatly beloved there. Although she is not here today, colleagues, please join me in honoring an outstanding educator and community leader from Upcountry Maui, former principal Robyn Honda. Mr. President, I now yield the floor to the senator from Mililani."

Senator Kidani rose to present the following remarks:

"Joining us on the floor, last but not least, is Ms. Sherry Gonsalves as well as her husband, Dana. Ms. Gonsalves is a principal at Kilauea Elementary School on Kaua'i. Originally from Tennessee, Principal Gonsalves has made Kaua'i her home for the last 15 years, making great contributions to her community through her work as an educator. She received her bachelor of science degree in special education from Bethel College in McKenzie, Tennessee, and her master of education in educational leadership from Trevecca Nazarene University in Nashville. Principal Gonsalves taught special needs students for nine years, sharing with them her passion and enthusiasm for learning. As an administrator on Kaua'i for over a decade, Principal Gonsalves has supported students and teachers, striving to create a nurturing environment in which students can

reach their full potential. As principal of Kilauea Elementary School, Principal Gonsalves has prioritized student development interpersonally and academically. She has also encouraged engagement between the school and parents, working to create as much support as possible for students at school, home, and within the community. Her diligent leadership has established Kilauea Elementary School as a strong foundation from which her students can learn and grow as they matriculate to middle school. On your behalf, Mr. President, and colleagues, please join me in welcoming Principal Sherry Gonsalves to the Hawai'i State Senate. Thank you so much.

"Up next, we would like to recognize the 2019 State Assistant Principal of the Year. Will the senator from Waipahu please introduce our next awardee?"

Senator Nishihara rose to present the following remarks:

"Although Meryl Matsumura is unable to be here today, I want to recognize and congratulate her for being selected from a pool of applicants from each of the 50 states, the District of Columbia, Office of Overseas Schools, and the U.S. Department of Defense Education Activity. The Assistant Principal of the Year recognizes outstanding middle- and high-school assistant principals who have succeeded in providing high-quality learning opportunities for students as well as demonstrating exemplary contributions to the profession. Meryl Matsumura's fine leadership and professional skills allowed her to serve the state in several capacities that developed Waipahu as a community with a civil vitality and capacity to help build a thriving, diverse, and sustainable economy within a safe and nurturing social environment. Meryl Matsumura has dedicated her leadership, patience, and efforts to public and private service in the state, performing admirably and effectively to her role as a leader and assistant principal who helped children feel safe and guided them to the best education possible. She's also active and supports numerous organizations to improve the quality of life for Waipahu students, residents, businesses, employees, and visitors. So I'd like to congratulate Meryl Matsumura, the 2019 State Assistant Principal of the Year, and hope we can just applaud her as well. And now I'd like to turn the floor over to the senator from District 21, Senator Shimabukuro."

Senator Shimabukuro rose to present the following remarks:

"Unfortunately, it looks like Vice Principal Cecile LaMar cannot be here today, but I wanted to just acknowledge that she's a prime example of an educator pursuing her path with passion and commitment. Ms. LaMar hails from northern California but traveled to the University of Hawai'i to obtain a BA in sociology. She then undertook intensive graduate work in public administration while achieving her master's in special education. Thursday, March 21, 2019

The Roll was called showing all Senators present with the exception of Senators Kahele and Keohokalole who were excused.

The President announced that he had read and approved the Journal of the Thirty-Fifth Day.

At this time, Senator Kidani rose and stated:

"A student's success relies not only on the efforts of educators in the classroom but extends to administrators as well. We acknowledge today's honorees for the personal and educational support they provide to students as the students navigate the challenges of their academic careers. Introducing the 2018 Counselor of the Year and 2019 national finalist Counselor of the Year is the senator from Wai'anae."

Senator Shimabukuro recognized Desiré DeSoto of Wai'anae High School, and presented the following remarks:

"Desiré DeSoto has always been a competitor. This beautiful and talented Mākaha native successfully competed for several years as a professional longboard surfer. She was so good at her craft that she was asked to portray the young Rell Sunn in the movie *Heart of the Sea*. She's brought that same competitive spirit and talent to the children of Wai'anae since joining the high school staff there in 1996; for the past 12 years, she has been serving as a school counselor. 'The most rewarding part of my work,' she says, 'is bearing witness to the growth, development, and maturation of my students. There are no words to describe the feeling of witnessing students overcome obstacles and fulfill their post-high school goals and dreams.' And those students are better equipped to overcome those obstacles because of the love, dedication, and skill of a true competitor who teaches and guides them how to be competitors in life. In the gallery to support Desiré, we have photographer and another West Side awesome surfer, wahine, Pākē Salmon. Mahalo for being here. And could you stand, Desiré, to be recognized and honored? Mahalo! I'd now like to yield the floor to the senator from Puna."

"Colleagues, it's my pleasure to introduce Sara Kamibayashi. Sara is the branch manager of Naalehu and Pahala Public Libraries, and, in this capacity, she's continuously demonstrated an outstanding level of dedication and commitment to the Big Island community and to the values of the Hawaii State Public Library System. Originally from Virginia, Sara came to Hawai'i to volunteer at Volcanoes National Park, where she met her husband. In 2008, she earned her master's degree in library and information science from Florida State University and bachelor's in archeology from Oberlin College. After serving as a substitute librarian at Hilo Public Library, she became a full-time librarian in 2013. Colleagues and library patrons have shared that Sara's always warm and welcoming and willing to try new programs to ensure that her small branches are well-used and full of excitement. Congratulations to Sara, and thank you for all that you do. I'd like to turn the floor over to the senator from North Hilo."

THIRTY-SEVENTH DAY

Friday, March 22, 2019

The Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, convened at 11:38 a.m. with the President in the Chair.

The Roll was called showing all Senators present.

The President announced that he had read and approved the Journal of the Thirty-Sixth Day.

At this time, Senator Ihara introduced Toby In, a junior at Kalani High School and a Center for Tomorrow's Leaders Fellow, and Rin Inuzuka, a senior at Sacred Hearts Academy and president of her school's National Honor Society, both of whom were interning in his office.

Senator Keohokalole recognized State Representative Scot Z. Matayoshi and State Representative Lisa Kitagawa, who were seated in the gallery.

Senator Kidani acknowledged Justine Jumalon, a freshman at the University of Hawai'i at Mānoa, who had volunteered during her spring break to help with Education Week, and thanked her for all her work.

Senator Kidani then stated:

"Mr. President, on our final day of Education Week, we would like to recognize other awardees for their commitments to our students and their schools, including the 2019 Global Educator Award, the 2019 Milken Teacher of Promise Award, and the Leilehua High School esports team. At this time, we would like to acknowledge the 2019 Milken Teacher of Promise honoree, Bella Finau-Faumuina. The Kāne'ohe Elementary School special education teacher and head of the Innovation Academy receives this prestigious award in her third year of teaching, demonstrating immense educational excellence. To introduce this honoree, the senator from Kāne'ohe."

Senator Keohokalole commended Bella Finau-Faumuina, and presented the following remarks:

"Colleagues, today I have the privilege of introducing, from Kāne'ohe Elementary School, Bella Finau-Faumuina, as the 2019 Milken Teacher of Promise Award honoree. Bella Finau-Faumuina, referred to as Kumu Bella, has regularly received high praise from students, who have spoken of her caring and effective teaching, as well as from parents, complimenting her ability to instill a love of learning in their children. Her success as an instructor is reflected in her students' increased attendance achievements and decreased problematic behaviors. She has not only shown her abilities in the classroom but has also made presentations to statewide audiences, organized district-wide professional development events, and demonstrated leadership in piloting new initiatives at Kāne'ohe Elementary School. Through her notable achievements in the classroom and outstanding leadership in her profession, Kumu Bella is more than deserving of the prestigious Milken Educators Teacher of Promise Award. Colleagues, please join me again in congratulating Kumu Bella Finau-Faumuina. Also joining us today in the gallery to honor her is her husband, Don Faumuina. Thank you. I now yield the floor to the senator from Hilo."

Senator Kahahele congratulated Joel Wagner-Wright, and presented the following remarks:

"Colleagues, it's my honor to introduce to you Waiākea High School's Joel Wagner-Wright, who is the 2019 Global Educator Award honoree. Welcome, Joel. Colleagues, Joel Wagner-Wright is the chair of Waiākea High School's social studies department and teaches a wide range of subjects, including

global studies, participation in democracy, psychology, sociology, and political science, just to name a few. After the school day ends, Joel dedicates his time to instruct an after-school global studies class and has done so for the past 12 years. He has also led students on educational tours to Japan and Vietnam. Joel discusses the topics that, while difficult to confront, most seriously affect the future of our younger generations. He has taught units on poverty, human trafficking, domestic violence, and the effects of pollution on our oceans. During a unit on poverty, Joel encouraged students to develop a campaign, conduct a march, and volunteer at a local shelter. For a unit on microplastics and ocean pollution, Joel had students teaming up with the University of Hawai'i at Hilo's marine biology program to conduct a beach cleanup and work with university students to study the impact of microplastics on local sea creatures. Ultimately, it is the impact Joel has had on his students that distinguishes him as an educator. He understands that inspiring a love for learning is far more important than any one subject. The lasting effect of his lessons and his understanding of students make Joel a model educator for teachers across this great state.

"Colleagues, seated in the gallery today, Joel is joined by his grandparents Eric and Ruby Kawamoto; his partner, Dennis Ancheta; and representatives from the Pacific and Asian Affairs Council – Ana Reidy Ungureit, Niki Shishido, Jason Shon, Erin Hoshibata. Again, colleagues, it's our honor to recognize Joel Wagner-Wright for his outstanding achievement in receiving the Pacific and Asian Affairs Council's 2019 Global Educator Award, and at this time, I'd like to yield the floor to the senator from Wahiawā."

Senator Dela Cruz recognized the Leilehua High School Library Learning Commons and esports team, and presented the following remarks:

"Today, we congratulate and recognize the Leilehua High School Library Learning Commons on its recent grand opening and the Leilehua esports team on its successful inaugural season. The Library Learning Commons provides students and faculty with the support, tools, and information that they will need to successfully navigate their learning and become self-reliant and knowledgeable to be successful in the twenty-first century and excel in the global society. Esports was made possible through the Library Learning Commons and enabled the Leilehua team to successfully compete in the Hawaii High School Athletic Association's pilot season. The esports team has already acquired the skills necessary to compete nationally, with some of the team being recognized for esports scholarships from many different colleges. Today we have with us team members Enrique Sanchez, Elizen Bumanglag, Nathaniel Jara, Chase Harrison, and Dominic Castillo, and coach Anthony Arneson. In the gallery we have Principal Jason Nakamoto, librarian Jenny Yamamoto, and Leilehua Complex resource manager Grant Toyooka. We also have family members Joshua Harrison, Pedro Kirkpatrick, Judy Sakuoka (who hasn't aged, because she was there when I was in high school—looks like Wahiawā water is very good for you), Allen Sakuoka, and Laverne Arneson. Thank you, Mr. President, and let's give them another round of applause."

Senator Kidani rose to thank the members of the Senate for recognizing educators and students during Education Week.

On behalf of the members of the Senate, the Chair expressed gratitude to Senator Kidani for the outstanding program during Education Week, noting that she and her staff had done a tremendous job and that it was uplifting and rewarding to see the great achievements by students, teachers, and administrators.

At 11:50 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:58 a.m.

THIRTY-EIGHTH DAY

Monday, March 25, 2019

The Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, convened at 11:31 a.m. with the President in the Chair.

The Roll was called showing all Senators present.

The President announced that he had read and approved the Journal of the Thirty-Seventh Day.

At this time, on behalf of Senator Kim and himself, Senator Rhoads welcomed a group of constituents who were touring the State Capitol with State Representative Takashi Ohno: Benjamin Bruch, Dam Bui, Ruby Chan, Richard Chang, Grace Kodama, Selina Kuni, Randall Lum, Dominique Mccier, Noel Murata, Carol Murata, Paul Ogawa-Lerman, Hazel Ogawa-Lerman, Greg Okamura, Alfredo Pasatiempo, Ellen Sato-Lum, Gwen Tamaru, Mike Tamaru, Susan Wagner, and Anne Wheelock.

Senator Wakai congratulated the 19th Annual HVCA awardees, and presented the following remarks:

"Members, last week, we celebrated Education Week; today is Business Hoopla Day. Many of our children who we saw last week who are going to be changing the world in innovation in the future are going to be set with job opportunities and the pathways set forward by some of the luminaries we have here to be recognized this morning. Today, we honor the winners of the 2019 Hawaii Venture Capital Association Entrepreneur and Deal of the Year awards. We have seven of them here with us on the floor of the Senate. The Hawaii Venture Capital Association stands as a nexus for entrepreneurs, capital foundation, and networking opportunities. The association strives to foster entrepreneurship through education and exposure to members of the business community. HVCA's Entrepreneur and Deal of the Year awards are held annually to honor achievements in the local venture community.

"Today's first honoree is Robert Hennessy, who is representing FloWater. FloWater was this year's recipient of the Deal of the Year award. This award recognizes the Startup Paradise company that received the largest financial deal during the year. FloWater is a water refill station company that aims to transform ordinary tap water into advanced hydration. By developing these refill stations in nearly all 50 states amongst hotels, schools, residences, and even here in our State Capitol—you might see them on the third and fourth floors of this building—the company hopes to eliminate single-use plastic bottles and provide the best-tasting water to consumers. To date, FloWater has eliminated more than 100 million plastic bottles and is well on its way to eliminating 1 billion plastic bottles by 2022. Congratulations to Robert and FloWater. Now, Mr. President, I'd like to yield the floor to the senator from Waimānalo."

The Chair wished Senator Thielen a happy birthday.

Senator Thielen then rose to present the following remarks:

"I'd like to introduce today Steve Haumschild, the CEO and founder of Lanikai Brewing Company. Steve was awarded the Entrepreneur of the Year, which is given to an individual who has gone above and beyond the expectations of their company and serves as an example for other entrepreneurs. Since its inception, Lanikai Brewing Company has partnered with company stakeholders and community stakeholders, including farmers and artists, to deliver authentic Hawaiian craft beers and to take care of the environment—good for you, Steve. Farmers give the company fruit while Lanikai Brewing donates

pallets to farmers and artists for fences and works of art. As the company's visionary, Steve has been at the forefront of these efforts and poured his heart and soul into producing high-quality products, even foraging in nature to collect their ingredients. This hard work has paid off as people around the globe have recognized the unique flavors of made-in-Hawai'i beer and traveled all the way to Kailua to taste this one-of-a-kind product. This is only the beginning for Steve and Lanikai Brewing Company, and I want to tell you that my brother is offering to get this special beer for my birthday as well. Congratulations, Steve, and now I'd like to yield the floor to the senator from Hawai'i Kai."

Senator Chang rose to present the following remarks:

"I'd like to recognize Brynn Foster, founder of Voyaging Foods. She is represented today by Meli James. Brynn was honored as the Island Innovator of the Year, which is given to those whose efforts have helped our island state. This award celebrates an innovator who has demonstrated leadership and commitment to tackling a significant problem in the islands. Brynn tackled the issues of sustainability, food security, and health stability, which are certainly problems in the islands. Following the birth of her son, Brynn created allergy-free teething biscuits using homemade taro powder after realizing no sugar-free or gluten-free products existed on the market. This passion to create healthy food for her child grew into a full-fledged business with healthy, gluten-free, and locally grown products offered online, in Whole Foods, and other wholesale retailers. Through Voyaging Foods, Brynn hopes to see the islands become more self-reliant and return to Aloha 'Āina, or love for the land. The company's success is proof that Hawai'i can return to these roots. Congratulations to Brynn and Meli. I'd now like to yield the floor to the senator from Salt Lake."

Senator Wakai rose to present the following remarks:

"On behalf of Senator Harimoto, I'd like to recognize now Rose Wong, founder of Kolohe Ocean Gems and also a triple major in entrepreneurship, marketing, and finance at UH Mānoa. Rose was awarded Student Entrepreneur of the Year, which is given to younger members of the innovative community who have a passion for learning new things, the tenacious spirit of entrepreneurship, and a potential for growth. Entrepreneurship has always been in Rose's blood: Before even graduating from Kaiser High School, she had been designing, crafting, and selling jewelry to friends and family. Realizing she liked being her own boss and working on her own time, 16-year-old Rose set out to create her very own jewelry. Her hard work and determination paid off as her business has since expanded to include fine jewelry, gemstones, and diamonds. Additionally, her products can also be found in upscale retail stores and trade shows as well as online. Congratulations to Rose Wong. Mr. President, I'd now like to yield the floor to the senator from Kāne'ohe."

Senator Keohokalole rose to present the following remarks:

"I'm proud to introduce our next awardee, Josiah 'Ākau, founder and president of Kinai 'Eha. Josiah was named Social Impact Entrepreneur of the Year. This award is given to an individual who has shown leadership, innovation, and commitment to solving our state's toughest problems. Kinai 'Eha is an educational and occupational skills training program that aims to empower non-high school graduates to become leaders and change-makers in their community. The organization renovates homes to make them accessible for the physically challenged while providing training in construction trades and personal development for youth who did not necessarily fit in to traditional schools. Participants in the

program remark that Kinai 'Eha made it possible for them to be anything and everything. Thanks to Josiah, many of these individuals have now found their way. Congratulations, Josiah. Colleagues, also in the gallery, I'd like to take a moment and introduce several of the mentors who have helped Josiah and Kinai 'Eha in their efforts. Up in the gallery, we have Uncle Earl Kawa'a; also, I believe I see Stacy Ferreira and Samson Malani; and then, finally, I have several of their names, but I know there are a number of the young men who have participated in the program, so can I please have all of you folks, young men, please rise and be recognized by the Hawai'i State Senate? Mr. President, I'd now like to yield the floor to the senator from Kapolei."

Senator Gabbard rose to present the following remarks:

"Colleagues and guests, I'd like to introduce Andrew Fowers, founder of the mobile app Shaka Guide, who's also my constituent. Andrew has been named Tech Entrepreneur of the Year, which is given to those whose work has created new technology and innovation to make our lives more efficient, fun, and better. Shaka Guide combines an audio tour with a curated driving route in one mobile app to offer visitors an insider's look into Hawai'i's best routes and sights, complete with entertainment, trivia, and history. Shaka Guide's story began when Andrew was a senior at BYUH; watching tourists miss the best scenic spots around the island inspired him to seek a solution. Andrew and his wife, Rita, researched locals' favorite spots around the island and launched Circle Island Oahu Audio Tour. However, the CD did not sell. Rather than give up, Andrew and Rita persevered and partnered with car rental companies to offer tours in English, Japanese, and Korean. The couple then focused on mobile apps after noticing the shift to mobile apps from GPS and, thus, Shaka Guide was born. The app remains popular, with thousands of five-star reviews, and is only poised to grow bigger and branch out to Japanese and mainland markets. Congratulations, Andrew. And now I'd like to yield the floor to the senator from the North Shore."

Senator Riviere rose to present the following remarks:

"President, colleagues, guests: Today, I have the privilege of introducing to you Karl Fooks. Karl is the president of the Hawaii Strategic Development Corporation, and he's a proud resident of our great North Shore. Karl was named this year's Startup Paradise Champion, and this is an award that recognizes an individual who supports, promotes, and builds a successful startup culture and ecosystem in Hawai'i. Under Karl's leadership, HSDC has invested in private sector venture capital partnerships that support startups, such as Blue Startups, Elemental Excelsator, GVS Transmedia Accelerator, and XLR8UH. From 2010 to 2018, these efforts have directed nearly \$250 million in funding for Hawai'i startups as well as created opportunities for locals and nurtured the business environment throughout the islands. Nearly all companies in Hawai'i have benefited either directly or indirectly from HSDC's investments, and this is due to Karl's hard work as its president. Congratulations, Karl. Mr. President, I now yield the floor back to the senator from Salt Lake."

Senator Wakai rose and stated:

"Congratulations to the honorees on the floor today, but this is just half of the group. There are six more individuals who will be honored in the House gallery, and I'd like to point them out to all of you here this morning. Also honored are: Louis Conato from Carbon Lighthouse, the Agriculture / Clean Tech Entrepreneur of the Year; Dylan Butterbaugh of Mānoa Chocolate, the Consumer Packaged Goods Entrepreneur of the Year; Peter Fukunaga of Hui Car Share, Corporate Intrapreneur of the Year; Keoki Tavares of Aloha Elixir, People's Choice Startup of the Year; Henk Rogers of Blue Startups, Investor of the Year; and a special recognition to Zachary Hester and

Lawrence Hester of FareHarbor. It's due to these individuals as well as those on the floor that Hawai'i's business ecosystem continues to thrive. Congratulations to all of you here today."

THIRTY-NINTH DAY

Wednesday, March 27, 2019

The Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, convened at 11:35 a.m. with the President in the Chair.

The Roll was called showing all Senators present.

The President announced that he had read and approved the Journal of the Thirty-Eighth Day.

At this time, Senator Keohokalole acknowledged representatives of Native Hawaiian advocacy groups who were seated in the gallery: Lualualei Hawaiian Civic Club, Mākaha Hawaiian Civic Club, Wai'anae Hawaiian Civic Club, Hawaiian Civic Club of Honolulu, Prince Kūhiō Hawaiian Civic Club, Kalihi-Pālana Hawaiian Civic Club, King Kamehameha Hawaiian Civic Club, Ali'i Pauahi Hawaiian Civic Club, Sovereign Council of Hawaiian Homestead Associations, Hawaiian Affairs Caucus of the Democratic Party of Hawai'i, Hawaiian Community Assets, Hawai'i Alliance for Progressive Action (HAPA), Hawaii Teamsters Local 996, and Unite Here! Local 5, as well as Dr. Kamana'opono Crabbe of the Office of Hawaiian Affairs, students from Wai'anae High School, Kamehameha Schools, and other individuals who advocate on behalf of the Native Hawaiian community.

Senator Ihara introduced his nephew Zachary Ihara, an eighth-grade student from Boy Scout Troop 82 in Kaimukī, who was attending the Senate floor session to earn his Citizenship in the Community merit badge. Senator Ihara also recognized Zachary's parents, who were seated in the gallery: his father, Percy, publisher of *Generations* magazine; and his mother, Laurie, whose father was the first Chinese-American federal judge.

The Chair extended an additional welcome to Percy Ihara, who was a classmate of his wife, Mrs. Joy Kouchi.

Senator Kidani introduced her sister-in-law Vicky Paresa from Wai'anae, who was seated in the gallery.

Senator Riviere honored and commended the North Shore Community Land Trust, and presented the following remarks:

"Today, I have the great honor of introducing to my colleagues and guests in the gallery the North Shore Community Land Trust. This is an organization that was founded about 22 years ago by a group of community individuals who wanted to be proactive instead of fighting always on our heels to defend the great North Shore. And the North Shore is, by many accounts, a global treasure. It's worth preserving; it's worth giving it our all, and I believe that our community really does step up to do its part to keep it great for the benefit of everybody. We have town, which is great—all the infrastructure—and we've got country, and that balance is something that we're always after. So the North Shore Community Land Trust provides a great tool and advocacy for that. So, today with us, we have the outgoing executive director of the North Shore Community Land Trust, Doug Cole. Thank you, Doug. And also Adam Borrello: Adam is taking over for Doug, and we're going to see great things coming out of him. Thank you.

"Folks, I just want to give you a quick history. This is a group that has fought to save Pūpūkea-Paumalū, which is 1,200 acres of pristine North Shore land above Sunset Beach. You may have heard of the Save Sunset Beach efforts and coalitions. They've been involved in saving Waimea Valley. They've been involved in the Turtle Bay resolution. They are now the guardians and the land stewards up at Kahuku Point: Through

all the settlement, through all the work that we've all been involved with and everything else, they get a grant from Turtle Bay to preserve and enhance the wildlife and outcomes up at Kahuku Point. There are now albatross fledging and coming back, living in that area; there's monk seals; there's turtles. It's a pristine land, and they are actually doing the volunteer work and organizing, and they're open for tours if you guys would like to come out and see the great work that they're doing. Recently, you may have seen in the news that there was an extra acquisition of land out at Ka'ena Point that a family donated. There were some hang-ups in that, but this is the group that helped pull it all together. They work with the Trust for Public Land; they bring people together for voluntary land conservation. They don't go at it in lawsuits and challenges; they work with willing landowners to conserve land, such as the Sunset Ranch up in Pūpūkea. So the list is long; it's getting longer; they are a fantastic organization, and it is a great, great privilege to know them and to get to say a little bit about the great work that they do. Thank you, ladies and gentlemen; please, again, for the North Shore Community Land Trust.

"And if I may, Mr. President, I'd like to acknowledge a few other members of the organization; they're up in the gallery today with my office manager, Margarete Olson: Tim Tybuszewski, Alice Terry, Bob and Agnes Leinau. These are longtime supporters of the group and have been active with it forever: Welcome."

At 11:43 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:47 a.m.

Senator Keohokalole then moved that the Senate advise and consent to the nomination of DOUGLAS G. MURDOCK as Chief Information Officer of the Department of Accounting and General Services, term to expire at noon on December 5, 2022, seconded by Senator English.

Senator Keohokalole rose to speak in support of the nominee as follows:

"I'm honored to make this recommendation because I believe Mr. Murdock to be a highly qualified candidate to serve in this position, the importance of which is ever increasing thanks to the speed at which our state and society adopt and adapt to technology. With that change comes the need for our state government to follow suit, not only in its management of our existing government operations but in its approach to modernizing these systems in a way that is both effective and accountable. Mr. Murdock has the experience and ability to accomplish these critical tasks.

"His experience includes positions he held recently as systems analyst lead for the successful and long overdue state payroll modernization, as vice president for administrative and fiscal affairs for the Hawai'i Tourism Authority, and as the state comptroller and director of the Department of Accounting and General Services. Mr. President, in addition, he also attained the rank of colonel in the United States Air Force, which included 25 years of service as a judge advocate, including roles as the executive officer to the Air Force Judge Advocate General and legal issues chief for the Air Force at the Pentagon.

"In reference to his ability, I was particularly struck by his temperament and outlook on this position, which I think speak directly to his leadership ability. Instead of focusing on the complicated minutia of IT systems management, our first conversation was a discussion about the critical nature of people management when it comes to upgrading our state technology. At the end of the day, he recognizes that this job is about managing people. You can buy the best tech on the market, but you will only implement it successfully if you conduct proper outreach and generate buy-in from the people who are tasked with using it. That is not an easy thing to achieve. I think we can all agree that that was and continues to be a major source of trials and failures for our IT efforts in the past, and I think it demonstrates a profound understanding of the situation he is coming into as CIO and the challenges that lie ahead. Colleagues, I am, again, happy to speak in his favor and urge your support for his confirmation."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25; Ayes with Reservations (Kidani, Kim). Noes, none.

Stand. Com. Rep. No. 1528 (Gov. Msg. No. 602):

Senator Dela Cruz moved that Stand. Com. Rep. No. 1528 be received and placed on file, seconded by Senator Keith-Agaran and carried.

Senator Dela Cruz then moved that the Senate advise and consent to the nomination of LINDA CHU TAKAYAMA as Director, Department of Taxation, term to expire on December 5, 2022, seconded by Senator Keith-Agaran.

Senator Dela Cruz rose to speak in support of the nominee as follows:

"The governor has nominated Linda Chu Takayama for a second term as director of the Department of Taxation. He knows that her appointment to the department has been critical in turning around the Tax System Modernization project as she worked with managers and employees to address all of their concerns. The project is expected to finish on schedule as it moves into its final phases of this multi-year effort. Ms. Takayama has a long history of public service to the people of the State of Hawai'i. As one of the testifiers stated, she has established a record of stellar service to this state, having served in many senior positions. She served as director of Labor and Industrial Relations, deputy director of the state Department of Commerce and Consumer Affairs, and Hawai'i insurance commissioner. Ms. Takayama also served as a director of economic development for the City and County, and chief of staff to the United States Senate Sergeant at Arms in Washington, D.C. And she's also been in private practice throughout the past 20 years.

"Colleagues point out her notable achievements include the creation of the Hawaii Hurricane Relief Fund in her role as insurance commissioner during the aftermath of Hurricane Iniki, stating that her work in crafting the Hawaii Hurricane Relief Fund was stellar. Indeed, it remains one of the most successful insurance catastrophe funds in the nation. Ms. Takayama's long-term commitment to the Hawaii Foodbank has brought that organization from a good organization to a great one. Her leadership there has helped create a robust, well-functioning service helping to feed Hawai'i's people, and she has effected the repair and maintenance budget of DOE schools throughout Hawai'i's 3R's initiatives, a partnership between government and private sector to help repair, remodel, and restore our public schools.

"Her employees have witnessed her professional and management approach in leadership, experiencing how she has worked with managers and employees to improve the department. They note that Ms. Takayama has shown her commitment and determination to work toward establishing and achieving goals for the department. And I just wanted to read from her questionnaire one of the things that I think not just myself but probably many of you here also probably suffer from. In her assessment of strengths and weaknesses, in her weaknesses, she says, 'I'm often impatient with the pace of change, which appears to me to be agonizingly slow. Possibly related to the impatience is the complaint that I can sometimes be demanding.' So I think that's something that we probably can all relate to, and I'm glad that she has those traits. The Committee on Ways and Means has interviewed and reviewed Ms. Takayama's qualifications for this position, and, as stated in the committee's report, we find her to be qualified for the position and recommend that the Senate advise and consent to her nomination."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Deputy Director of the Department of Taxation, term to expire at noon on December 5, 2022, seconded by Senator Keith-Agaran.

Senator Dela Cruz rose to speak in support of the nominee as follows:

“The governor has also nominated Damien Elefante for a second term to be the deputy director of DOTAX, a position he has held since August 2016. He brings to the position more than a decade of experience working on tax issues for the state. He is currently a trustee for EUTF and, as a deputy attorney general for the Department of Taxation, he represented the state’s interest in contested tax-related cases, collecting over \$50 million for the benefit of the state. When he joined the Department of Taxation, he served as the compliance coordinator at DOTAX before being appointed its deputy director. Prior to joining the state, Mr. Elefante worked at Hisaka Stone Goto Yoshida Cosgrove & Ching, and served as a law clerk for Chief Judge James S. Burns at the Intermediate Court of Appeals. Governor Ige knows that Damien’s knowledge, skills, and abilities have helped the director effectively lead the department and administer improvements to programs and services of the department. Among these improvements is the Tax System Modernization, which will provide taxpayers with secured access to their tax accounts as well as allow for paperless payments and filings. The Committee on Ways and Means has interviewed and reviewed Mr. Elefante’s qualifications for this position, and, as stated in the committee’s report, we find him to be qualified for the position and recommend that the Senate advise and consent to his nomination.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

“I’d like to thank my colleagues in the Senate, as well as my counterpart in the House. Our budget discussions were smooth, efficient, and productive.

“As we reviewed budget adjustments line by line, the issues before us encouraged healthy discussions, and our differences and individual priorities were outweighed by our affinity and commitment to delivering what is best for the State of Hawai‘i.

“Together, House and Senate conferees reviewed and discussed the proposals submitted by the Administration in crafting the \$15.5 billion spending plan for the next fiscal biennium. Our goal was to establish priorities, make necessary cuts, and provide funding for programs that can be spent in a responsible and timely manner.

Senator Ruderman rose to speak in opposition to the measure as follows:

"Mr. President, this is an unnecessary bill to address a nonexistent problem, and it creates a bunch of other problems along the way. I notice that all the public testimony, both on the House and Senate side, was in opposition—100 percent, including the Retail Merchants, Hawai'i Restaurant Association, Hawaii Food Industry Association. As a retailer, I share the concerns expressed there, which include: Sometimes a cashier in this non-cash era that we have will not have the exact change to reimburse somebody, and we're putting cashiers and mom-and-pop businesses in an impossible situation, where they're criminals if they don't have \$3.59 on demand. So, as a retailer myself, and as a recovering cashier, I think it's very important that the point of sale flows smoothly and without government interference, so, on behalf of the small-business community, I oppose this bill. I hope that in the future we'll support small businesses. Thank you."

The motion was put by the Chair and carried, H.B. No. 314, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO GIFT CERTIFICATES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

FORTIETH DAY

Thursday, March 28, 2019

The Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, convened at 11:33 a.m. with the President in the Chair.

The Roll was called showing all Senators present.

The President announced that he had read and approved the Journal of the Thirty-Ninth Day.

At this time, Senator Harimoto thanked his office manager, Linda Nunes, for delivering a Moment of Contemplation prior to the Senate's floor session, and introduced office staff Robert Sato and Kess O'Halloran, who were seated in the gallery with members of Linda Nunes's family: her partner, Joneal Altura, and his family from Maui—father Dionisio; mother Nelia; brother John and his girlfriend, Joy; and other friends.

The Chair extended an additional welcome to Linda Nunes's partner, thanked him for his service, and, on behalf of the Senate, offered prayers and best wishes for his deployment.

Senator Thielen introduced members of her office staff: interns Jessie Garbeil and Anna Thielen, session staffer Rudy Gordon, Zachary Espino, Jennifer Barra, and Eliza Wilcox.

Senator Fevella recognized staff member Tristel Tynanes, and wished her a happy birthday.

Senator Gabbard congratulated the Hawai'i Youth Challenge Academy on its 25th anniversary, and presented the following remarks:

"Mr. President, colleagues, and guests in the gallery, we are honored to have with us today the Hawai'i Youth Challenge Academy, which hails from Kalaeloa, formerly known as Barbers Point Naval Air Station, in Senate District 20, also known as God's Country. Yes, we have the Youth Challenge O'ahu campus Class 50; there are 83 cadets in the gallery as well as their staff, including their leadership team, joining us here on the Senate floor. And today, we are recognizing and celebrating the 25th anniversary of this amazing program here in Hawai'i nei. First we'll start off with the leadership team on the floor: the Youth Challenge O'ahu director, Sina Atanoa; operations chief Pasila Taua; program coordinator Brandon Suzuki; Hilo interim director Ku'ulei Kekuewa; mentor coordinator Margaret Tatum; lead counselor Penina McMoore; lead instructor Sesega Sivatia; and the Youth Challenge Class 50 student president, Cadet Fernandez Sauvao. Please give them a hand. Thank you.

"Youth Challenge was founded in 1994 and is administered by the Hawaii Army National Guard. With campuses in Kalaeloa on O'ahu and Hilo on Hawai'i island, Youth Challenge provides 16- to 19-year-old, non-traditional, at-risk youth a second chance to obtain their high school diploma and become productive citizens within our community and state. I'm particularly honored to have Youth Challenge here today because the graduation of Class 50, which will be on Father's Day, June 16th, as I mentioned earlier, marks their 25th anniversary here in Hawai'i. In a rigorous five-and-a-half month live-in program in former Barbers Point Naval Station enlisted soldiers' barracks, Youth Challenge instills discipline and a sense of self-worth by using military training to improve the life skills and employment potential of the young people who are accepted into the program. The program's eight core components focus on the holistic development of the youth and include academic excellence, life-coping skills, job skills, health and hygiene, responsible citizenship, community service, leadership/followership, and physical fitness. Some of their

community service projects, where they're learning about service to others, include Loko Ea fishpond, Wahiawa Hospital, Aloun Farms, Adopt a Highway, Wai'anae Boat Harbor, and fun fair for the surrounding community. In addition, Youth Challenge has a wonderful mentor program of volunteer mentors from the community who meet with their assigned cadets not only during the cycle but for a year after graduation. Some of the graduating cadets choose to join the military; some continue their education; others enter the workforce. For example, Boyd Torricer, a Class 16 graduate in 2002—and he was a keynote speaker for Class 49—has gone on to a successful career as an air traffic controller here at our Honolulu airport.

"As a senator from the district, a former high school English teacher, and a neighbor to Youth Challenge in Kalaeloa, I can't say enough about this wonderful life-changing program for the cadets who graduate. Each cycle, Youth Challenge accepts approximately 225 young people. Roughly 21 percent of those who enter the academy fail to complete the course. About 80 percent graduate and go on to earn their high school diploma. Since its inception, the programs in Hawai'i have graduated over 6,800 students. Over the years, I've worked closely with Youth Challenge leadership and have had the honor of attending several of their functions, from helping cadets serving dinner at a homeless shelter to being the keynote speaker for a couple of their graduating classes. I created a \$500 scholarship for a deserving cadet from each class as a way to encourage and reward these students who go above and beyond during their stay at YCA. Today, I'm honoring these courageous leaders, cadres, and staff to show my appreciation for all they have done and continue to do to help at-risk youth find themselves and become productive members of the community. I suppose you could say I have a unique bond with Youth Challenge Academy. Living just down the street from the barracks, we have the distinct pleasure of hearing their bugle blasting 'Reveille' every morning at 5:00. Today, it was a little early: It was at 4:51 a.m. (I think they got 'em up a little early because they knew they were making a field trip to the State Capitol.) And some mornings, when I hear the cadets marching in that wonderful Kalaeloa air and the birds chirping, I hear this [*Hawai'i Youth Challenge Academy cadence*].

"Now, it may come as a surprise to many of you, but I was an, ahem, an at-risk youth myself, and I give a pep talk to each Youth Challenge class a couple days before graduation, where I divulge some of the sordid details of my rebellious youth and how I turned my life around, and I speak to them about some of the problems that we face here in paradise: the cost of living, affordable housing, homelessness, and how they should get involved in helping solve these problems instead of just complaining about them. I talk to them about the importance of serving others instead of oneself if they want to be truly happy and successful in life. I let the cadets know how much I believe in this program and how proud I am of their commitment to see it through to its end. Hawai'i's Youth Challenge Academy program has been recognized as one of the nation's most effective for at-risk teens, and its value never ceases to amaze me. YCA has been changing the lives of young men and women since 1994, leaving a positive mark on the Hawaiian community that will last for years to come. So, today, the Senate of the Thirtieth Legislature of the State of Hawai'i, hereby honors and commends the Hawai'i Youth Challenge Academy leadership team and staff for having the vision, determination, and commitment to help the young cadets under your care get a second chance at a productive and successful life. We commend you for your efforts over the years to sustain and facilitate a program that nourishes and grows Hawai'i's youth, and we wish

you continued success. Congratulations to Class 50 and to the Youth Challenge Academy staff on your 25th anniversary. Imua!

“Mr. President, in the gallery, I’d like to recognize the following Youth Challenge Academy staff: Larry Sivatia, Philip Ganaban, Isaac Ava, Michelle Small, Maria Miller, Christopher Barrows, Shauna McHugh, Sean Donohue, Donna Yoshimura, Kiarra Bae, Grace Kawamura, Justin Faulkner, Robin Kunishige, Maaele Fonoti, Monique Jackson, Gail Fujimoto, Roger Chavira, Taigaafi Titilii, Stevie Ward, Carol Agbisit, Jerome Bayron, Saifoloi Filisi, and Shanna Von Oelhoffen. Please give them a big hand. And, last but certainly not least, would Class 50 please rise and be recognized? Youth Challenge! Thank you, Mr. President.”

Senator Shimabukuro extended additional congratulations and thanks to the Hawai‘i Youth Challenge Academy, and shared that she had personally seen many lives changed due to their great work.

At 11:46 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:51 a.m.

"Colleagues, today we have the honor of recognizing five special individuals: the finalists for the 2019 Boys & Girls Club of Hawaii state Youth of the Year. The annual Boys & Girls Club's Youth of the Year program offers exceptional teens the opportunity to be recognized for choices and positive behavior that warrants the opportunity to celebrate this. The premier character and leadership program celebrates club members' service to club, community, and family; academic performance; ethical values; life goals; poise and public speaking ability. The program fosters young people's personal growth and leadership qualities.

"Our first Youth of the Year honoree is Kiana Kaneshiro. Kiana is from my district in Hilo, Hawai'i, and has been a member of the Boys & Girls Club for four years. She is an active member of her local clubhouse and actively participates in club programs and activities. Kiana is a high school freshman who maintains a 3.5 grade point average. She is a member of her school's judo and wrestling teams and participates in the Japan club, student council, and as a Special Olympics volunteer. She also volunteers at her church's monthly food drive and spends her summers cooking and serving hot meals to the needy in her community. Kiana, your servant leadership is a shining example for many in our community. Congratulations on your hard work and best of luck representing Hilo and Hawai'i island in the Youth of the Year competition. I would now like to pass the microphone to the senator from Central Maui."

Senator Keith-Agaran rose to present the following remarks:

"I'm pleased to introduce to you the Maui Youth of the Year finalist, Chassen Kosi-Cortez. Chassen is a member of the Boys & Girls Club of Maui – Central Clubhouse and has been

participating in club programs for seven years. At his local clubhouse, he is an active participant in the Keystone Club, Power Hour, and various club sports. Chassen is a sophomore at Maui High School and maintains a 4.0 GPA. He's very active in the community and volunteers regularly with his church and donates his personal time to providing basic needs to those in the community who are less fortunate. Chassen, on behalf of the Maui Senate delegation—Senator English, Senator Baker, and myself—we wish you the best of luck in the competition. I now recognize my colleague from Senate District 12."

Senator Moriwaki rose to present the following remarks:

"I have the distinct pleasure of recognizing another of our Youth of the Year finalists, Anissa Ortiz-Esquivel. She represents the Boys & Girls Club of Hawai'i – Spalding Clubhouse in my district, where she has been a member for five years. Anissa participates in many community service projects through the club's Leaders in Training (LIT) program. She also participated as a junior staff member at the clubhouse, where she assisted in running mentorship programs for youth aged seven to ten. Anissa is a senior at Kaimuki High School and is gaining college credits through the dual credit program at Kapi'olani Community College. Anissa has impressed many with her leadership skills and dedication to service. Through her participation with the LIT program, she has found many ways to give back to the community and impact others through servant leadership. Her advocacy and success will surely inspire all youth who pass through the doors of their local Boys & Girls Club. Anissa, on behalf of my colleagues in the Senate, congratulations on your hard work and for being a finalist in the Youth of the Year competition. Aloha.

"Mr. President, colleagues, on behalf of Senator Kim, who couldn't be here, I also have the honor of introducing Azana Queen, another Youth of the Year finalist. I now turn the mic over to the senator from Salt Lake."

Hannah is a junior who is enrolled in rigorous academic courses, such as advanced placement literature, psychology, and statistics. She also participates in her school's Navy Junior Reserve Officers' Training Corps (JROTC) and has achieved the rank of chief petty officer. Senator Ruderman rose to speak in support of the measure as follows:

“On behalf of the people of lower Puna, we appreciate the help from our state government. These funds will go a long way for long-term recovery for people who’ve lost everything in many cases. I especially want to thank our WAM chair for his strong leadership and firm commitment to helping those in need. Much of what happened in lower Puna last year is not fixable, but we still have great needs to help people get back on their feet, to restore lost economic activity, including farming, tourism, and infrastructure. I’d also like to thank my colleagues, especially my Big Island colleagues, who have had unwavering and unified support for my community in our time of need. Thank you.”

Senator Kahele rose to speak in support of the measure as follows:

“I would also like to enter into the Journal the comments of my colleague from Puna as if they were my own, and I’d also like to add and thank the Senate Ways and Means chair as well as the House Finance chair and the House leadership as well as the members of this chamber who, within a week of the eruption, flew to Hawai’i island at a moment’s notice (to include most of you—I’m including you, Mr. President) to see what was happening in lower Puna. Little did we know of the extent of the damage that would come after that visit, so very, very grateful to the House and Senate, and I know Hawai’i island stands with Senator Ruderman and Puna. Mahalo.”

The Chair remarked

“I’ll just say my opening statement on Opening Day was the relief for the Big Island, so I’m excited that I’ve gotten at least one thing right on Opening Day. So, to the WAM Chair, the Big Island contingent, and the members, thank you for your hard work; as we go through the last 20 days, we’ll see how many other things come to pass.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1651 was adopted and H.B. No. 1180, H.D. 1, entitled: “A BILL FOR AN ACT RELATING TO NATURAL DISASTERS,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Ruderman rose to speak on a point of personal privilege as follows:

“Colleagues, one year ago, our colleague from Pearl City was given one year to live by his doctors. That one-year point passed two days ago and, thankfully, as you can see, he’s still here. I’m sure you all share my gratitude for this miracle, and hope for many more such milestones to pass uneventfully. Thank you.”

ADJOURNMENT

At 11:58 a.m., on motion by Senator Kahele, seconded by Senator English and carried, the Senate adjourned until 11:30 a.m., Monday, April 1, 2019.

FORTY-SECOND DAY

Monday, April 1, 2019

The Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, convened at 11:35 a.m. with the President in the Chair.

The Roll was called showing all Senators present with the exception of Senators Harimoto and Ruderman who were excused.

The President announced that he had read and approved the Journal of the Forty-First Day.

At this time, Senator Wakai recognized the U.S. Small Business Administration's Small Business Award recipients, and presented the following remarks:

"Good morning, everyone, esteemed colleagues. We are here today to honor winners of the 2019 Small Business Administration's Small Business Awards. We have six of them with us here on the Senate floor. SBA, or the Small Business Administration, is a federal agency whose mission is to aid, counsel, and protect small-business concerns, preserve free competitive enterprise, and bolster our economy. *Small businesses* don't necessarily mean *small impact*, however; small businesses are a source of strength for our economy, and it is important that we recognize their significant contributions. I'd like to yield the floor to the senator from Moanalua Gardens to begin our presentations."

Senator Kim rose to present the following remarks:

"I'm very pleased to start off this morning with our introductions, first starting out with Rolf Klein and Alvin Bongolan. They're of Hawaii Energy Systems. These two are this year's recipients of the Small Business Person of the Year award. This award recognizes an individual with the best overall success in business, but, as you can see, this year we're privileged to have two winners. For the past 13 years, Hawaii Energy Systems has served as a leader in the building automation and energy management control systems industry in Hawai'i and the Pacific Rim. With a Small Business Administration 504 Loan, HES built a strong financial foundation and provides quality jobs for nearly 50 skilled employees as well as supports internships to prepare promising workers for Hawai'i's technology industries. The company's work can be seen all over the islands, including office buildings in downtown Honolulu, in O'ahu and Big Island hospitals, hotels across the state, public schools, the University of Hawai'i, military bases, and retail buildings, such as Pearlridge Center. These installations have saved money and increased comfort, productivity, and safety, making the islands one step closer to achieving energy efficiency. Join me, members, in congratulating Rolf and Alvin, Small Business Persons of the Year. Thank you. Mr. President, I now yield the floor to the senator from Hilo."

Senator Kahele rose to present the following remarks:

"I'd like to recognize the Small Business Advocate of the Year, and that would be Mary Begier from Hilo, Hawai'i. Thank you, Mary. Colleagues, Mary is this year's recipient of the Small Business Advocate for Business & Industry, an award which honors individuals who advocate and support small businesses and who understand the critical role of these businesses and how they play in our economy. For over 30 years, Mary has tirelessly advocated and fought for our small-business community. She has dedicated her time and energy to leading efforts to improve the business environment to create a place where mom-and-pop businesses, minority, women-owned, and veteran-owned small businesses could thrive. As a

successful business owner herself, Mary serves on elected boards and appointed task forces, as leadership in chambers, and on appointed boards that are committed to improving the economic outlook and lifestyle for our community. She is a veteran, a real-estate entrepreneur, and a business leader who has broken barriers in business, for women in business, and for veterans. Her involvement has included the Hawai'i Island Chamber, the Rotary, the Honolulu Board of Realtors, the Banyan Drive Redevelopment Authority, and many other organizations. Congratulations, Mary. I'd now like to yield the floor to the senator from Kaka'ako."

Senator Moriwaki rose to present the following remarks:

"I'd like to introduce Max Yoshikawa of McKinley Car Wash and this year's recipient of the SBA Family-Owned Business of the Year award. This award honors a family-owned and operated business with more than a 15-year history and has passed ownership and operational management from one generation to the next. McKinley Car Wash is a full-service car wash, gas station, and convenience store that has served guests from the same location on Kapi'olani Boulevard since 1964. Today, this three-generation family business cleans and fuels more than 550 cars, seven days a week, by a team of 60 full-time employees. One of the founding brothers who is in his 93rd year continues to talk story with his long-time customers while other family members, sons, son-in-law, and grandsons keep the legacy of service alive. Keeping up with the changing times and need for convenience, the Yoshikawas offer fuel, tire, and oil changes, safety checks, as well as car washing. Even in the tight labor market, McKinley retains employees through training and benefits such as paid vacation and 401(k) benefits. The car wash may be the last business of its type on the Kapi'olani corridor, and the high-quality service and family touch keep the customers lining up and, I hope, they will continue for a long time to come. Congratulations to the Yoshikawas. Thank you, and I now yield the floor to the senator from Kane'ohe."

Senator Keohokalole rose to present the following remarks:

"Colleagues and guests, it's my pleasure this morning to introduce Omar Sultan, co-founder of Sultan Ventures and one of this year's recipients of the Small Business Advocates for Innovation award. This award is given to those who have done significant work in fostering an innovation ecosystem. Sultan Ventures is a Hawai'i-based venture firm helping visionary founders build successful, long-lasting businesses by supporting them at every stage of their journey, from idea stage to commercial success. Co-founded by Omar and Tarik Sultan, the two managing partners have built a talented team and expanded resources and assets that continue to stimulate and support Hawai'i's growing innovation ecosystem. The firm provides pivotal resources via their network of experts and investors and the hands-on expertise necessary to accelerate growth. Sultan Ventures founded and manages XLR8UH, an award-winning venture accelerator investing in University of Hawai'i entrepreneurs and technologies. Named by Forbes as one of the top 30 accelerators in the nation, XLR8UH is a four-month startup accelerator program with two sessions each year that are conducted in partnership with the University of Hawai'i. Thanks to their work, Omar and Tarik have made it possible for Hawai'i innovators to compete nationally and internationally. Congratulations. Tarik is up in the audience; can he please stand and be recognized as well? Once again, congratulations, Omar and Tarik, and thank you for all your work. Mr. President, I'd now like to yield the floor to the senator from Wai'anae."

Senator Shimabukuro rose to present the following remarks:

“On behalf of Senator Harimoto, I’d like to introduce Naomi Masuno, vice president and channel sales manager in the retail lending division of Bank of Hawaii. She is this year’s recipient of the Makana Ho’okō no Ke Ola, or the SBA Special Award for Lifetime Legacy. This award is given to those who have truly championed small business throughout their lifetime. For over 25 years, Naomi has constantly demonstrated her true passion for championing the cause of small business and their success. Her commitment to assist small business owners and improve the small business climate in Hawai’i is truly exceptional. As a prominent small business specialist with Bank of Hawaii, she is an enthusiastic organizer, speaker, and promoter for workshops and forums with numerous organizations, including SBA, SCORE, Hawaii Pacific Export Council, Department of Transportation, veteran and Wounded Warrior Project, and more. An ardent advocate for access to capital, she’s been among the top SBA lending officers in the state, connecting small business owners with consulting support, training, and financing tools. She has a keen interest in all things small business, serving on chamber boards, legislative committees, and the leadership of Hawai’i’s Rotary Club organizations. Naomi is more than deserving of this lifetime achievement. Congratulations again, Naomi. I’d now like to yield the floor back to the senator from Salt Lake.”

Senator Wakai rose and stated:

“Members, I’d like to acknowledge the other half of the SBA award-winners, those who are in the gallery. First is Tarik Sultan, Advocate for Innovation. Also joining him is Kurt Yoshikawa of McKinley Car Wash, Family-Owned Business; Noela Napoleon, Small Business Advocate for Veteran Small Businesses; Jay Fidell, Advocate for Media & Journalism; Melanie Martin, Advocate for Minority Small Business; Ken Hirata, Exporter of the Year, who is represented today by colleagues and his nominator; and, finally, Kristal Muhich, Young Entrepreneur of the Year. Congratulations to all of you.”

The Chair extended an additional welcome to Kurt Yoshikawa in the gallery.

At 11:47 a.m., the Senate stood in recess subject to the call of the Chair.

Senator Baker rose to speak on a point of personal privilege as follows:

"Colleagues, you will note that some of your female colleagues today are wearing their pink kitty-cat hats (cleaning it up because I tried to use the title that the project used when they did these, and ETS would not let me go to that site because they said it was pornography). However, not to be deterred ... Today is Equal Pay Day. It symbolizes the gap from the beginning of the year through that it's going to take us to have women earn the same amount that men earned, so it's a floating date. Since 1980, where women earned 60.2 cents for every dollar that men earned, we are now up to 81 cents in Hawai'i, but that just means that we still have a long way to go. So, colleagues, in honor, I suppose, or with sadness for our Equal Pay Day that we still don't have, some of us are wearing our pink hats as a symbol of how women are still treated in the workplace as an object and not a meaningful participant deserving of equal pay with their male colleagues. Mahalo."

Senator Thielen rose to speak on a point of personal privilege as follows:

"Colleagues, I'd like to put a human face on what the meaning is for the difference in pay for women and men. Two years ago, I talked about how the pay gap exists not on average, but in every single profession, in every single age group, in every single ethnic group, in every single education level, there is a pay gap between women and men. It's not just coincidence, and it's not just limited to a few areas. Last year, I talked about some rising stars in Hawai'i, some high school and young college-age women and what it was going to mean to them, over the course of their lifetimes. Today, I'd like to talk a little bit about what it means to the women in the workforce who are reaching retirement age or who are my age, of a "certain age," and going to be retiring.

"We took a look at some trend information, and the one profession that we could find trend information on for the average salary of women and men were elementary school teachers. The average female elementary school teacher in 1960 was paid \$35,000 a year. The average male elementary school teacher in 1960 was paid about \$45,000 a year. Over the lifetime earnings of these two people, the woman would earn \$400,000 less, meaning \$400,000 less saved up for retirement, \$400,000 less to support her family during her working years. In 1980, average pay for a female elementary school teacher was still around \$35,000. Average male elementary school teacher had risen up to about \$55,000. That's 70 cents on the dollar, \$600,000 over the career less that that woman would earn. Today, when we say that we've made progress and there's 80 cents on the dollar for the women, we still have, on average,

female elementary school teachers earning about \$57,000 a year, male elementary school teachers earning about \$71,000 a year, and, over the lifetime, \$560,000 less.

“It’s not a matter of taking money away from men to have equal pay. It’s a matter of bringing more income into family households; more income for those children, for the women’s spouses, for their parents, to be able to help take care of them; more income for them as they age and go into retirement so there’s less of a burden on the state systems and the social welfare systems. Eighty cents on the dollar is nothing to celebrate. It just means that we have to do a lot, lot more to help these women. Thank you.”

The Chair announced that the leadership meeting originally scheduled for 12:00 p.m. that afternoon would be canceled so that members could attend the joint public hearing of the Committee on Water and Land and the Committee on Ways and Means.

ADJOURNMENT

ADVISE AND CONSENT

Stand. Com. Rep. No. 1727 (Gov. Msg. No. 604):

Senator Baker moved that Stand. Com. Rep. No. 1727 be received and placed on file, seconded by Senator Chang and carried.

Senator Baker then moved that the Senate advise and consent to the nomination of LEODOLOFF ASUNCION to the Public Utilities Commission, term to expire June 30, 2020, seconded by Senator Chang.

Senator Baker rose to speak in strong support of the nominee as follows:

"Leo graduated from the University of Hawai'i with his bachelor's degree in political science and then earned a master's degree in urban and regional planning. He also received another

master's degree in business administration from Hawai'i Pacific University, and he's worked at the state Office of Planning since 2011, where he previously served as director. Prior to joining the Office of Planning, Leo worked as a planner for the Hawai'i State Judiciary and the Land Use Commission. He also has experience in the private sector, handling resource planning. Leo is also a member of a number of state and national boards and associations, including the National Board of Directors for the American Planning Association. His extensive planning experience in the public and private sectors has given him a comprehensive understanding of the many complex, interdependent policy issues, including in the energy field, which we believe will be of great benefit to the PUC. His involvement in public policy issues that are important to the state's future will enable him to address the wide array of regulated utilities and regulatory issues that are within the Public Utilities Commission jurisdiction. I ask my colleagues to join me in voting to confirm Leo Asuncion to the Public Utilities Commission. Mr. Asuncion is joining us in the gallery, if he could stand to be recognized. And we also have Office of Planning staff here with him as well, if they could stand to be recognized. Thank you, Mr. President."

Senator Rhoads rose to speak in support of the amendment as follows:

“The bill as currently drafted requires the governor to make a temporary appointment to fill the vacancy in a U.S. House seat until a special election can be held. The temporary-appointment language conflicts with the U.S. Constitution, which does not allow U.S. House members to be appointed even on an interim basis, and thus the language should be removed from the bill.”

Senator Harimoto rose to speak in opposition to the measure as follows:

"I just wanted to briefly explain my reasons for opposing this bill. This bill calls for adding a teacher to the Board of Education and the teacher union will appoint that teacher. So I wanted to say on the record that I really appreciated the teachers' viewpoints on the board. When I served on the Board of Education, we were blessed to have retired teachers on the board. Their perspectives were very valuable—as well as retired principals. But where I have a problem is that this bill proposes to have what is in essence a union representative on the board. I think it's different to have just a teacher on the board, but this bill calls for the union to appoint the teacher who, in essence, becomes a union representative. And while I appreciate and respect the unions, I just think it is a huge conflict to have what is in essence an employee sitting on the management board. And I understand fully it's a non-voting position, but, still, this person would be included in sensitive discussions about things like collective bargaining salaries, personnel matters, and, even if excluded from voting, I think the discussion may be skewed. So, again, I just wanted to briefly explain my opposition. Thank you."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1871 was adopted and H.B. No. 615, H.D. 3, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE BOARD OF EDUCATION," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Fevella rose to request that remarks in opposition to the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella's remarks read as follows:

"NO. Based on recent media reports, the City and County of Honolulu's Office of the Auditor may be initiating a forensic audit of HART and the federal government is also investigating HART. The Legislature should not interfere with a federal investigation."

Senator Thielen rose to speak in support of the measure as follows:

"Colleagues, when we passed Act 1, part of the agreement was that there would be an audit of the rail expenditures and to make sure that the state tax dollars that were flowing to that project, that there would be some cost containment measures. The audit that was conducted by the state auditor was not completed, so what this bill does is it asks for the auditor to complete just that portion of the audit that was not completed under Act 1. The attorney general did help with drafting the language to assure that there would be no interference with any investigation that's being done at the federal level, and I know there's been some folks who have said an audit isn't necessary because the city council has passed a resolution to do an audit. I'd just like to read briefly: The city council resolution asks HART to audit itself. It doesn't conduct an audit on behalf of the city. So I would ask for your support so that we can complete the job that we asked to be done under Act 1. Thank you."

The motion was put by the Chair and carried, H.B. No. 118, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO GOVERNMENT," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

H.B. No. 761, H.D. 2, S.D. 1:

On motion by Senator Baker, seconded by Senator Chang and carried, H.B. No. 761, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CONSUMER PROTECTION," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, 1 (Ruderman).

H.B. No. 452, H.D. 1, S.D. 1:

Senator Baker moved that H.B. No. 452, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Gabbard.

Senator Fevella rose to request that remarks in support of the measure with reservations be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella's remarks read as follows:

"WR. Although I support encouraging local food production, I am voting with reservations. Any revenue lost by the electric utility companies by granting protected agriculture preferential rates will most likely be replaced by a rate increase targeting another segment of Hawai'i electricity users."

The motion was put by the Chair and carried, H.B. No. 452, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO PREFERENTIAL ELECTRICITY RATES FOR PROTECTED AGRICULTURE," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25; Ayes with Reservations (Fevella). Noes, none.

H.B. No. 712, H.D. 1:

Senator Rhoads moved that H.B. No. 712, H.D. 1, having been read throughout, pass Third Reading, seconded by Senator Gabbard.

Senator Keohokalole rose to speak in opposition to the measure as follows:

"I support the state utilizing its sovereign prerogative to set the terms of office for president and for vice president. Where I have a disagreement with the content of this bill and the fact that it has a clean date is extending those requirements down to the governor, the lieutenant governor, and the mayor. Our constituents are not satisfied perennially with the quality of the candidates put forward, and I think this will have a chilling effect on those individuals as we move forward. I think it's a slippery slope, so, respectfully, I oppose this bill."

Senator Kim rose to speak in opposition to the measure as follows:

"Mr. President, this bill requires that candidates for president, vice president, governor, lieutenant governor, or mayor to disclose their federal income tax returns to be listed on a general-election ballot. And while I'm not opposed and would certainly love to see the tax returns, especially of our president, what's troubling me about this measure—and I agree with the previous speaker—is that not only is it a chilling effect, but it makes us all-powerful because what it goes on to say: It prohibits electors from voting for candidates for president, vice president, if those candidates have not disclosed their federal tax returns, including the mayor and the governor, and what it does is it makes us determine who our voters can vote for. We're in essence either saying a candidate will be able to be on the ballot or not, and you, voters, you don't have a choice because they didn't turn in their returns. The voters should make that decision on whether or not they believe that that candidate should get their vote if they do not turn in their returns. For those reasons, I will be voting 'no.'"

Senator Thielen rose to speak in opposition to the measure as follows:

"I just want to have my remarks on the record because I know I'm going to be asked about this bill. Similar to the senator from Kāne'ohe, I do support the state exercising its sovereign rights about who may be placed on the ballot for the

presidential elections, but I do think it is also going too far for the other provisions. But I want to point out that we do have a state law that requires certain ethical and financial standards of our governor, and we have a bill going through this session that would apply higher standards to the governor and also apply those to the mayors for the four counties, so I think we have adequately addressed this issue for our local representation. Thank you."

Senator Fevella rose to speak in opposition to the measure as follows:

"I agree with my previous colleagues who spoke against this bill, and I also have additional comments that I want to insert into the Journal."

The Chair having so ordered, Senator Fevella's remarks read as follows:

"This bill will waste taxpayers' money in trying to keep the names of candidates for U.S. President and Vice President off the Hawai'i ballot if they do not disclose their income tax returns. The State of Hawai'i will be sued immediately for trying to impose a State requirement on a federal election. According to most constitutional law experts, the State would lose the lawsuit because only the U.S. Constitution and the U.S. Congress can impose ballot-qualifications requirements for President and Vice President."

Senator Rhoads rose to speak in support of the measure as follows:

"Section 1 of Article II of the U.S. Constitution says, and I quote, 'Each state shall appoint, in such manner as the legislature thereof may direct, a number of electors.' The U.S. Constitution gives us wide latitude on how we choose the electors or how we instruct them to vote, and I think that we're not overstepping our bounds with this measure. Mahalo."

The motion was put by the Chair and H.B. No. 712, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO ELECTIONS," having been read throughout, failed to pass Third Reading on the following showing of Ayes and Noes:

Ayes, 10; Ayes with Reservations (Ruderman, Taniguchi). Noes, 15 (Chang, Dela Cruz, English, Fevella, Ihara, Inouye, Kanuha, Keohokalole, Kidani, Kim, Moriwaki, Riviere, Shimabukuro, Thielen, Wakai).

H.B. No. 307, S.D. 1:

Senator Wakai moved that H.B. No. 307, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Baker.

Senator Fevella rose to request that remarks in support of the measure with reservations be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella's remarks read as follows:

"WR. By defining renewable energy so broadly, this bill includes windmills as sources eligible for income tax credits. Unfortunately, windmills often ruin the landscape and near shore ocean they are placed in."

Senator Ruderman rose to speak in opposition to the measure as follows:

"When we heard this bill in your joint committee, no one testified in favor of it, and there was no one present to explain the very curious phrase that was the original purpose of this bill, adding a non-specified renewable energy to our list. We passed it anyway. The vague, unexplained portion is still there, and it's essentially been interpreted as giving a renewable tax credit to

Hu Honua to cut down trees and burn them for 30 years. To make a bad bill worse, we also added a part that reduces our renewable energy tax credits. Now, we've been told we have 10 to 12 years to act on climate change and we're going to bring our tax credits to zero in about 5 years. I think that it's magical thinking to think that climate change will be solved by somebody else while we do nothing. It's financially irresponsible to think that \$80 million a year is an expenditure we can't afford as compared to the disaster of climate change. It's been said that renewable tax credits are to jumpstart an industry, and, while that's true, this isn't any old industry. This is an industry that can save our planet. I also think that it's suicidal. Nothing in this bill is needed or helpful. I won't repeat my Greta Thunberg quotes that you folks are probably tired of, but I will remind you of this voice from your future that's saying, 'Mom, Dad, after you knew that burning carbon was killing the planet, did you do everything you could to save it?' So we have one part giving a renewable tax credit, which I liken to being on the *Titanic* and hoisting a 'mission accomplished' banner and standing in front of it and bragging about it. The other part is standing on the deck of the *Titanic*, pointing toward the big white thing in the distance, saying, 'Captain, can you get closer to that as quickly as you can, please?' Thank you."

Senator Wakai rose to speak in support of the measure as follows:

"Members, I'm a huge fan of getting to 100 percent renewable energy; I strongly support creating clean and advanced energy industries and jobs throughout our state. I also strongly believe that solar and wind credits were a good idea to help us catalyze our ambitious goals. Hawai'i is now at nearly 30 percent renewables and climbing, and we have a 35 percent tax credit that has no sunset and absolutely no limit. I believe that the fundamental purpose of tax credits is to subsidize a behavior or technology to a level where customers and consumers choose it over the status quo. Once a technology or behavior is cheap enough to make economic sense on its own merits, I believe there is no longer a need to incent that choice. In fact, continued government subsidies and influence may hamper further innovation. The National Renewable Energy Laboratory statistics on inflation-adjusted costs on solar between 2010 and 2018 show that residential solar costs have decreased by 63 percent. For solar utility, that cost has dropped by 77 percent. Because our electricity prices are highest in the nation, solar installed at businesses and homes pays for itself incredibly fast. Homeowners and business who invest in solar today can already see a system buyback in just a few years. A 2016 study by Makena Coffman and UHERO found that the internal rate of return for solar in a typical household was 16 percent without a tax credit, and a whopping 25 percent with a credit. Solar is already the best investment you can make; no one needs to be incentivized to make that investment. We lost \$86 million in taxes in 2017 to incentivize the installation of distributed solar. The state has been so successful at promoting rooftop solar that the utility is now complaining that there is too much for their grid to handle—it's actually destabilizing the electric power system. A different way of stating this is that *all* taxpayers are paying for *some* taxpayers to get solar, and *all* ratepayers are paying for an upgrade to the grid to support those lucky taxpayers. This is nonsensical.

"H.B. 307 proposes to double the tax credit to \$700 for residents of multi-family homes, which are largely low- and moderate-income families. It leaves the existing tax credit cap and percentages untouched until 2024. We have aligned this timeline to the next round of large procurements that coincide with the retirement of O'ahu's coal plant, thus ensuring the push to 40 percent renewables by 2030 will be on track. From 2024 through 2029, the credit then would step down to 20 percent from the current 35 percent for residential, commercial systems, but not multi-families. All of these tax credits on solar would

expire in 2029. With this proposal, we would be able to more clearly project the revenue lost from the credit and potentially explore leveraging the tax savings to newer, more expensive technologies, like electric vehicles, energy storage; those technologies actually do need some subsidization in the future. The path we are now on is a path with unlimited, unrefundable tax credits that have no sunset for technology that does not need public support. It wastes both taxpayer and ratepayer money; it weakens the competitiveness of our solar industry and is preventing innovation in other advanced grid technologies. Solar is but one of the 100 percent renewable energy future. I urge you to support House Bill 307 and let us all work on promoting the rest of our clean energy portfolio. Thank you, Mr. President."

Senator Gabbard rose to speak in opposition to the measure as follows:

"Mr. President, colleagues, I agree with the senator from Hawai'i island about the 100 percent RPS goal that we have. I'm concerned about capping the renewable energy technology tax credit at \$2,500 in 2024. It's also unclear to me what renewable energy technologies this bill is intending to add to our renewable-energy definition; there were no examples that were given. And, finally, seawater air conditioning is an energy-efficiency measure and not renewable energy in terms of adding that technology to the renewable energy technologies tax credit. Mahalo."

The motion was put by the Chair and carried, H.B. No. 307, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO RENEWABLE ENERGY," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 20; Ayes with Reservations (Fevella, Harimoto, Inouye, Kim, Moriwaki, Nishihara, Riviere, Shimabukuro, Taniguchi, Thielen). Noes, 4 (English, Gabbard, Ihara, Ruderman). Excused, 1 (Chang).

Senator Fevella rose to request that remarks in opposition to the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella's remarks read as follows:

"NO. I am opposed to this measure because I believe a Gun Violence Prevention Center will be inherently biased against Hawai'i's law abiding gun owners who already labor under the most restrictive gun laws in the nation."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1903 was adopted and H.B. No. 1541, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO GUN VIOLENCE PREVENTION," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Fevella rose to request that remarks in opposition to the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella's remarks read as follows:

"NO. I oppose this bill because of my concern that history will repeat itself. The site of the Aloha Stadium was originally public housing, and those people were displaced. This bill does not prevent the same thing from happening again."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1904 was adopted and H.B. No. 1586, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE STRUCTURE OF GOVERNMENT," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

The Chair having so ordered, Senator Fevella's remarks read as follows:

"NO. Our brave men and women who have made the commitment to protect our communities as police officers should have their privacy protected. Publicly disclosing an officer's name adds absolutely nothing to the multi-layered disciplinary procedures and protocols that are already in place which holds each and every officer responsible for his/her actions under the highest scrutiny."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1906 was adopted and H.B. No. 285, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO PUBLIC SAFETY," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

The Chair having so ordered, Senator Fevella's remarks read as follows:

"NO. Public Charter Schools are already enforced and monitored by the Public School Commission at the Legislature's direction. This bill will create unnecessary hardships for charter schools. According to testimony submitted, a requirement for an annual audit would be approximately \$13,000/year."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1913 was adopted and H.B. No. 622, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO PUBLIC CHARTER SCHOOLS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Fevella rose to request that remarks in support of the measure with reservations be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella's remarks read as follows:

"WR. While this bill has good intentions in trying to encourage transparency in advertising in political campaigns, I vote with reservations because the bill also has a chilling effect on groups and individuals opposing a candidate. The bill, by requiring that they identify themselves and also file a public report with the Campaign Spending Commission, discourages them from even doing such advertising at all because of fear of retaliation from the candidate they oppose."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1915 was adopted and H.B. No. 627, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CAMPAIGN FINANCE," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Fevella rose to request that remarks in opposition to the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella's remarks read as follows:

"NO. This bill shows favoritism towards companies such as Lyft and Uber and bias against taxi drivers. Rates and fares can fluctuate greatly within a given day, as opposed to the set fare structure that taxi and PUC regulated operators must follow and must seek approval to increase."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1924 was adopted and H.B. No. 1093, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TRANSPORTATION NETWORK COMPANIES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

The Chair having so ordered, Senator Fevella's remarks read as follows:

"WR. I am worried for the small local businesses that may have trouble paying minimum wage to their employees. I believe pay should be commensurate with experience."

Senator Ruderman rose to speak in support of the measure with reservations as follows:

"I trust this is a conversation still in progress. I don't support the two-tier or, in this case, three-tier structure, and I don't support calling \$12 an hour a reasonable action. I hope we come out with \$15 or \$17 an hour, a minimum wage pure and simple, rising at the rate of a dollar a year. That's what businesses in our society need. Thank you."

Senator Taniguchi rose to request that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Taniguchi's remarks read as follows:

"House Bill 1191, S.D. 2, proposes to (1) increase the minimum wage from the current \$10.10 per hour to \$12.00 per hour beginning January 1, 2020, and to \$15.00 per hour beginning January 1, 2023; (2) establish a nonrefundable income tax credit for qualifying small businesses to offset the increase in the minimum hourly wage that employers must pay their employees; and (3) require the State to pay its full-time employees a wage at the rate of not less than \$17.00 per hour beginning on the effective date of the measure. The last element is an addition to the above Senate position sent to the House of Representatives in Senate Bill 789, S.D. 2 at First Crossover.

"This measure is intended to strike a balance between the interests of employees and employers by increasing the minimum wage in two increments over three years, while providing a tax credit to help qualified small businesses adjust to the increased labor cost. Hawai'i has the lowest average wage in the nation when adjusted for the cost of living. There is a significant difference between the minimum wage and what is needed to afford basic needs in Hawai'i. The Senate has made passage of an increase to the minimum wage a priority for this legislative session.

"The House of Representatives proposes to increase the minimum wage rate annually from January 1, 2020, through January 1, 2024; and provide lower minimum wage rates for employees who receive employer-sponsored health benefits under the Hawaii Prepaid Health Care Act.

"Resolution of these differences, and the consideration of several amendments suggested by the Department of Taxation in its testimony to the Committee on Ways and Means, must be addressed by the Committee on Conference expected to be convened on House Bill 1191.

"I urge my colleagues to support the passage of House Bill 1191, S.D. 2 so that work on the measure may continue in conference committee. Thank you."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1926 was adopted and H.B. No. 1191, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO MINIMUM WAGE," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Fevella rose to request that remarks in support of the measure with reservations be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella's remarks read as follows:

"WR. Although this version of the bill keeps the O'ahu Regional Healthcare Board intact for at least five years, I am voting aye with reservations. The original bill completely incorporated the O'ahu Board into the Hawaii Health Systems Corporation. This version offers O'ahu greater representation, but I remain concerned about the prospects for O'ahu's long-term care facilities, Leahi and Maluhia Hospitals."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1933 was adopted and H.B. No. 1539, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE HAWAII HEALTH SYSTEMS CORPORATION," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Fevella rose to request that remarks in opposition to the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella's remarks read as follows:

"NO. I am opposed to this measure. It is aimed at groups who voluntarily service moorings at Maui's Molokini Islet. However, allowing construction by unregulated groups sets a bad precedent and is opposed by both building industry trade groups and construction unions."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1936 was adopted and H.B. No. 838, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO

Senator Fevella rose to request that remarks in support of the measure with reservations be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella’s remarks read as follows:

“WR. I voted with reservations because this bill about green infrastructure relies on the theory of climate change, which while accepted by many, is still subject to more research and verification.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1945 was adopted and H.B. No. 588, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO GREEN INFRASTRUCTURE,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Riviere rose to speak in opposition to the measure as follows:

“The Supreme Court is not the first court to handle cases in just about every case. A few years ago, we moved that contested cases go directly to the Supreme Court. That was in order to expedite some of the more controversial measures, I believe, but the contested cases build a record that is, I believe, a little different standard than what’s handled in regular courts. The judiciary itself has testified that they would prefer that contested cases be referred to the Environmental Court for first pass for adjudication and that they should not just go straight to the Supreme Court, which is not really a trial court so much as a review, and reviews appellates and other broader questions. So, for those reasons, I am in opposition. Thank you.”

“NO. I have voted ‘No’ to decriminalizing the possession of marijuana of 3 grams or less and making such possession a mere violation—like a traffic ticket. Senator Harimoto rose to speak in opposition to the measure as follows:

“This bill has two parts. Part II is the ALOHA homes, which I have some concerns, but I’m really voting ‘no’ based on my objection to Part I. Part I is where it would mandate that the counties cannot do inclusionary zoning. This really is about county home rule. I think those of us who have served on county councils understand the need for the counties to have a certain amount of flexibility in making their own decisions, so I’m just really concerned that I don’t see a real justification that the state now should step in and tell the counties that they cannot do inclusionary zoning. Some counties may find it an important tool for the counties to have in their toolkit when they look at affordable housing, so I think we should give the counties flexibility to do inclusionary zoning to attack the problem of affordable housing if they so choose. Thank you.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 2053 was adopted and H.B. No. 820, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO HOUSING,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Moriwaki rose to speak in opposition to the measure as follows:

“We all agree our university’s graduate student assistants should not have to experience abusive, discriminatory, or hostile conditions at any time. If this occurs, redress should come from the university administration. The solution is not by forming an employee bargaining unit under Chapter 89 that covers public employees. It is clear that graduate student assistants are students, *not* employees. Graduate students are first and foremost here to learn and earn their degrees. Of approximately 4,100 graduate students, 30 percent are successful in getting a graduate student assistantship. They are learning the craft in teaching, research, or other academic or administrative areas in these positions. The university’s executive policy is clear that graduate student assistants are receiving a form of financial assistance with a stipend and tuition waiver, not wages or salaries earned by employees. While I agree that our graduate student assistants must be treated fairly and provided with adequate stipends and benefits, their complaints must be addressed by the university administration and faculty supervisors. If we pass this bill, we will be intruding into the university’s academic and operational management of its programs. I believe the university administration should address these issues; therefore, I will be voting ‘no’ on this measure. Thank you, Mr. President.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 2058 was adopted and H.B. No. 1274, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO

The Chair having so ordered, Senator Fevella’s remarks read as follows:

“WR. While this bill helps keep much needed nursing facilities in business by allowing these facilities to increase their fees, I am concerned that too much of the increase in fees will be passed along to the individuals who, because of poor health, find that they have no choice but to use these facilities.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 2060 was adopted and H.B. No. 1449, H.D. 1, S.D. 2, entitled: “A BILL FOR AN ACT RELATING TO THE NURSING FACILITY SUSTAINABILITY PROGRAM,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Fevella rose to request that remarks in support of the measure with reservations be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella’s remarks read as follows:

“WR. This bill is grounded in the theory of climate change. While many people believe this theory as indicated by the Paris Agreement on Climate Change, the theory has yet to be proved with more verification.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 2065 was adopted and H.B. No. 1558, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO SUSTAINABILITY,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Baker noted:

“I think this measure, as amended by the House, provides an important framework for regulating the practice of midwifery in our state. As many of you may know, this practice was regulated for many years, and when most folks were not using midwives any more (there were only two still left in the state back in the '70s), the regulation went away because the two midwives practicing were nurses, and they were regulated under the Board of Nursing. This measure provides the bones for our regulation. It requires DCCA to have rules promulgated, which will be through a public process. It does not prohibit healing practices by traditional Hawaiian healers engaged in prenatal, maternal, or child care as recognized by any council of kūpuna convened by the group designated in our constitution to do so. I believe that we are at a point in time where we need these regulations, and I ask my colleagues to agree with me to the good work of the House and move this measure forward. Mahalo.”

ADVISE AND CONSENT

Stand. Com. Rep. No. 2068 (Gov. Msg. No. 605):

Senator Ruderman moved that Stand. Com. Rep. No. 2068 be received and placed on file, seconded by Senator Rhoads and carried.

Senator Ruderman then moved that the Senate advise and consent to the nomination of PANKAJ BHANOT as Director of the Department of Human Services, term to expire at noon on December 5, 2022, seconded by Senator Rhoads.

Senator Ruderman rose to speak in support of the nominee as follows:

“The Department of Human Services in Hawai‘i makes a difference on a daily basis in the lives of one in four residents, including 40 percent of Hawai‘i’s keiki. With over 2,400 employees, running this department is no small feat, and it takes an exceptional person to do so. Luckily, in Hawai‘i, we have such a person. Pankaj Bhanot, our current director, not only has the skills, background, and experience to do the job well but also the dedication and character to earn the respect of his colleagues and employees of the department, and the reputation for going the extra mile for those who have little or no voice.

“Pankaj has a bachelor’s degree in political science from the University of Delhi, a degree with honors in international human rights law from Cornell University, and a juris doctor degree from the University of Delhi. He’s been with the department since 1999, when he started as a food stamp employment and training program specialist; then became the employment and child care program administrator in 2002; benefit, employment and support services administrator in 2007. In 2010, he served as deputy director and in September 2016 became the director of Human Services. This rare transition from an employee to director has given him the advantage of understanding the core of the department. Under his guidance, many innovative programs have been initiated: for example, the ‘Ohana Nui framework, which is a multi-generational approach to human services, as well as a stronger focus on data collection, which has allowed for better understanding of where we are and how our services can be improved. An example of this is the health analytics program with Med-QUEST in order to address the rising cost of health services and maximize benefits.

“In addition to caring for DHS clients, Pankaj also pays close attention to the well-being of DHS staff. The work of the DHS staff is intense and can be tragic—for example, in the social services division when responding to reports of child abuse and neglect. Two pilot programs for staff wellness are moving forward to ensure that no staff member is alone in the struggle, and self-care is promoted.

“Colleagues, I’ve seen some confirmation hearings with some opposition, some with mostly support, and some hearings with unanimous support, such as we have with Pankaj. But I’ve never seen such an outpouring of not only professional support but also testimonials and praise of his personal character and expressions from all sorts of people of what I can only describe as profound love and aloha. Clearly, Pankaj is one of those rare people who has devoted his life to helping others and has done so successfully. Remarkable is the way he has done so, with a commitment to aloha and dignity for all concerned, both staff and clients. We’re lucky indeed to have such a rare person on our team as a public servant. I ask for your support in reconfirming Pankaj Bhanot as director of the Department of Human Services.”

Senator Baker rose to speak in support of the nominee as follows:

“Since I misspoke earlier, I rise in strong support of this nominee and would ask that the words of the chair of Human Services be inserted into the Journal as if they were my own. Mahalo.” (The Chair so ordered, by reference only.)

No. 1378, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TRANSPORTATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 20. Noes, none. Excused, 5 (Chang, Harimoto, Ihara, Kidani, Thielen).

S.B. No. 1033, S.D. 2, H.D. 2:

Senator Baker moved that S.B. No. 1033, S.D. 2, H.D. 2, having been read throughout, pass Final Reading, seconded by Senator Rhoads.

The Clerk stated:

"Mr. President, please note for the record that the House passed, certified, and transmitted this measure to the Senate on April 9, 2019."

Senator Gabbard rose to request that remarks in opposition to the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Gabbard's remarks read as follows:

"Mr. President, I rise in opposition to S.B. 1033, S.D. 2, H.D. 2. Colleagues, childbirth is a normal biological function and not a medical condition or disease. For almost all of human history, childbirth was performed at home and not in a hospital. Midwifery is a beautiful profession that allows a diverse segment of our population of different ethnicities, religions, backgrounds, and cultural practices to have births at home. I have many friends and family members who've chosen this route of childbirth.

"As we saw yesterday with the big group of midwives and their supporters, there's a lot of opposition to this bill and a compromise hasn't been reached. They informed me that they are upset with some misinformation that has been circulated that paints midwifery as being dangerous. While I can see that some form of licensure for midwifery might make sense, this bill is too heavy-handed. This bill would eliminate the apprenticeship model of midwifery which has been in existence for all of human history. And it would mean that all prospective midwives would have to leave our state to get trained. This would mean less midwives in our state and would create great hardship for those who choose this profession. While the bill protects the rights of Native Hawaiian traditional practices which does make sense, it fails to consider the traditional and cultural practices of other groups in our diverse islands. For these reasons, please consider voting 'No' on S.B. 1033, S.D. 2, H.D. 2."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1033, S.D. 2, and S.B. No. 1033, S.D. 2, H.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE LICENSURE OF MIDWIVES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 19; Ayes with Reservations (Kahele, Ruderman). Noes, 2 (Gabbard, Shimabukuro). Excused, 4 (Chang, Harimoto, Ihara, Thielen).

"Colleagues, I just wanted to point out that, earlier this week, an amazing scientific discovery was announced, and it was, for the first time ever in the history of mankind, that a black hole was verified to be of existence. This morning, on CNN—on a major news agency across our country—it acknowledged someone who has been on this Senate floor before and is no stranger to us: That's Larry Kimura, of Ka Haka 'Ula O

Ke'elikōlani, who was given the honor to name that black hole, and it was named Powehi, which is a Hawaiian phrase referring to an embellished dark source of unending creation. I just wanted to take the opportunity to acknowledge Dr. Larry Kimura and Hale'ōlelo at the University of Hawai'i at Hilo and his contributions to science and astronomy. Mahalo, Mr. President."

The Chair then made the following announcement:

"For the duration of the 2019 Conference period, conferees will be named and revised in accordance with the Action Sheets, and said actions will be reflected in the Journal."

The Chair having so ordered, Senator Baker’s remarks read as follows:

“Mr. President, I rise in strong support of S.B. 1025, H.D. 2, relating to the Kupuna Caregivers program.

“The Kupuna Caregivers program was designed to lift some of the burdens placed upon people caring for an elderly family member at home. The program allows qualified caregivers to

receive compensation that can be used for caregiving supplies, to supplement lost wages or to hire additional help.

“Community feedback regarding the program has been overwhelmingly positive. The need for the Kupuna Caregivers program is evident; within a few weeks of its launch, the Executive Office on Aging documented over 500 requests for services. Public interest in the program remains high. The program served 110 caregivers statewide as of the end of December 2018. To continue assisting Hawaii’s kūpuna, we must pass S.B. 1025 which appropriates a necessary \$1,500,000 for this fiscal year to continue this program. The bill also changes the program’s allocation ceiling to allow for more flexibility.

“Family caregivers play a significant role in Hawaii’s healthcare system by providing long-term care to the elderly. According to the AARP, there are 154,000 unpaid family caregivers in Hawai’i, with the average caregiver being a 62-year-old, married woman, who cares for an elderly parent or husband while remaining active in the workforce. Caregiving for an elderly family member takes an emotional, physical, and financial toll on caregivers, and care recipients often worry they will become a burden on family members. The Kupuna Caregivers program is a way to alleviate these tolls. As Hawaii’s aging population continues to grow, caregiver assistance is critical in supporting caregivers’ health as well as the health of Hawaii’s kūpuna.

“I strongly encourage my colleagues to vote yes on this measure and support the Kupuna Caregivers program. Mahalo.”

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1025, S.D. 1, and S.B. No. 1025, S.D. 1, H.D. 2, entitled: “A BILL FOR AN ACT RELATING TO THE KUPUNA CAREGIVERS PROGRAM,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Harimoto).

Senator Kim moved that the Senate reconsider its action taken on April 11, 2019, in disagreeing to the amendments proposed by the House to S.B. No. 316, S.D. 2, seconded by Senator Kahele and carried.

Senator Kim then moved that the Senate agree to the amendments proposed by the House to S.B. No. 316, S.D. 2, seconded by Senator Kahele.

Senator Kim noted:

“Mr. President, Senate Bill 316, House Draft 2, appropriates funds to the University of Hawai’i for additional funding for the Hawai’i Community College Promise Program, and it requires a report to the Legislature. The Senate draft that crossed over had an appropriation of \$800,000; the House changed that amount to \$700,000, and they inserted a clean date, told me that they would give me the extra hundred thousand dollars for my district, so we’re agreeing [laughter]. I will strike that last part. Thank you, Mr. President.”

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 316, S.D. 2, and S.B. No. 316, S.D. 2, H.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE UNIVERSITY OF HAWAII," was placed on the calendar for Final Reading on Wednesday, April 17, 2019.

Senator Kahele noted:

"I'm requesting a waiver for these two measures to ensure concurrence by both bodies of the Legislature in order to meet Thursday's House concurrent resolution deadline. I ask for the waiver so that they may be added to the joint committee hearing scheduled tomorrow at 10:30 in the morning with the Ways and Means committee. This will also allow sufficient time for the drafting agency to complete the reports should the measures be passed by the committees."

The Chair granted the waiver.

Senator Kahele announced that the Committee on Water and Land and the Committee on Ways and Means would be holding a joint public hearing on H.C.R. No. 6 and H.C.R. No. 19 the following morning at 10:30 a.m. in Conference Room 211.

ORDER OF THE DAY

ADVISE AND CONSENT

Stand. Com. Rep. No. 2150 (Gov. Msg. No. 667):

Senator Shimabukuro moved that Stand. Com. Rep. No. 2150 be received and placed on file, seconded by Senator Ihara and carried.

Senator Shimabukuro then moved that the Senate advise and consent to the nomination of WILLIAM J. AILA as Deputy to the Chairperson of the Department of Hawaiian Home Lands, term to expire at noon on December 5, 2022, seconded by Senator Ihara.

Senator Shimabukuro rose to speak in strong support of the nominee as follows:

"I would like to read from the testimony that was submitted by Jobie Masagatani, the chair of DHHL:

Mr. Aila has served as Deputy to the Chairman of DHHL since 2015. As part of the executive leadership team at DHHL during the first Ige Administration, Mr. Aila played an instrumental part in completing the many accomplishments achieved in the first Ige term including: securing the highest level of general funding provided to DHHL for its operating budget in the history of the program and substantial CIP resources in the last two fiscal years; completing over 700 lots of which nearly half have been awarded on Hawaii, Kauai, Maui and Oahu and the remaining lots are planned for award beginning this year; increasing the earnings from available lands; refinancing all debt resulting in a saving of over \$20 million; doubling the balance of loans to make more financing available for other beneficiaries; addressing programmatic reforms through Administrative Rules amendments; and securing approved water reservations for DHHL's foreseeable groundwater needs statewide which are significant for future development on Hawaiian home lands.

In addition, Mr. Aila shepherded through several complex issues during his time as Deputy. Most notable was the historic Mediation Agreement for the Waimea Watershed Area between Po'ai Wai Ola/West Kauai Watershed Alliance, DHHL, Kauai Island Utility Commission, Agribusiness Development Corporation, and Kekaha Agriculture Association regarding the use of water in the Waimea/Kekaha area of Kauai. This agreement and the process followed to reach this agreement provides a tangible model and approach that balances competing public, private, and trust uses for an important trust resource, water.

On the island of Hawaii, Mr. Aila was the lead DHHL senior executive working with Ms. Niniau Simmons [. . .] to respond expeditiously to the advancing lava flow that began in June 2014 that threatened to displace Makuu homesteaders. Procedurally and tactically this was no easy undertaking to set in place a plan to relocate expeditiously existing homesteaders in the event the flow overran Makuu.

Mr. Aila also was the lead senior executive to negotiate the alternative energy land disposition on Maui to select producer NextEra. Although the exit of NextEra out of Hawaii terminated this project, the lack

of opposition to this project when it was brought to the Hawaiian Homes Commission for final approval was a testament to the ground work undertaken by Mr. Aila. Specifically, Mr. Aila, along with DHHL staff, invested several hours in extensive discussions with the beneficiary leaders of the impacted community, Kahikinui, and several hours invested in beneficiary consultations on Maui to identify and mitigate the concerns of the beneficiary community.

Mr. Aila is a life-long resident of Wai'anae, a graduate of Wai'anae High School, and a graduate of the University of Hawaii with a Bachelor of Science degree in General Tropical Agriculture. He has served as Harbor Agent, Wai'anae Boat Harbor, Division of Boating and Ocean Recreation, Department of Land and Natural Resources, and as the Chairperson of the Board of Land and Natural Resources, which governs the department, from 2010-2014.

Mr. Aila resides with his family on a Home Lands residential award to his wife. As such he understands the how, what, and why of living and being, a Home Lands resident. It is frustration, it is gratitude.

His involvement in his community has been life-long. A very few of the groups he has helped are the National Marine Protected Areas Advisory Council, Ka'ena Point Advisory Group, Advisory Group to the US Army Garrison Hawaii, US Army Ordinance Reef Advisory Committee, Leeward Community College Wai'anae Campus- Advisory Board, Hui I Malama I Na Kupuna O Hawaii Nei, Ka Papa O Kakuhihewa, Hawaii Community Development Authority, Wai'anae Weed and Seed Task Force, Mohala I Ka Wai -- just a few. This is his service, as he has been taught by his kupuna.

"And so, members, with that being said, I urge you to support this nominee. Mahalo."

Senator Kahele rose to speak in opposition to the nominee as follows:

"Mr. President, colleagues, this has been a difficult nomination for me and one that I have deliberated on even up to just an hour ago. It's difficult for me, as a Native Hawaiian, to vote against another Native Hawaiian, but I will be voting 'no' on the nomination.

"Mr. President, I represent Hilo in this body and I'm one of four voices on Hawai'i island, where thousands of constituents are homestead families or are on the homestead wait list. I've listened carefully to the testimony; I've read hundreds of emails from my own district and the districts of others and the homestead associations across this state; I've watched over three hours of video testimony on my own, and I've had a chance to meet with the nominee; I've read testimony from across the state, and I could feel the desperation of our people. The Hawaiian Homes Commission Act, a beautiful piece of legislation championed by Prince Kūhiō, is approaching its one hundredth anniversary, and, today, we have almost 45,000 agricultural, pastoral, and residential leases on the wait list, and it grows every day. Native Hawaiians who meet the 50 percent blood quantum are dying every day. My own father, a beneficiary of the trust, passed away on the wait list.

"The nominee, Mr. Aila, is a good man. He's a good Hawaiian. He's knowledgeable and well-known in the management of harbors, of natural resources, of dedication to his community in West O'ahu. I have no problem with Mr. Aila in his field of expertise. He gave the last four years his best, and I truly believe that. But what DHHL needs today is, it needs leadership. It needs to go in a new direction. It needs to have a stronger working relationship with this body, with our body at

the federal government. It needs to know that the reason DHHL exists is to serve the beneficiaries of this state and its homestead associations, not the other way around.

"Colleagues, the well-being of our state is tied directly to the strength and well-being of its host culture, the Native Hawaiian community. Every aspect of our way of life, every arena—the economy, education, health, culture—is tied to the strength of the Native Hawaiian people and their economic and cultural prosperity. And at the center of that is the Hawaiian homes land trust, which gives our Native Hawaiian community the best hope to advance its economic self-sufficiency of Native Hawaiians. Moreover, the economic development potential for Native Hawaiians, if realized, can and will advance the economic prosperity of this state. Why is that? Because when a dollar is invested in infrastructure on Hawaiian home lands, a Hawaiian business is building a road, installing utilities, building homes, creating jobs. When a dollar is spent on the administration and operations of the trust, that's a vital job that is created, a dollar that is going in someone's pocket, food on their table, rent to a landlord, preschool tuition for their keiki, and becomes part of the spending power of the people of Hawai'i and the tax base of this state.

"Mr. President, I want to see DHHL firing on all cylinders: not just one section of the Hawaiian Homes Commission Act, every section. Send me leadership for the next four years that can move section 207, especially mercantile lands on the wait list; section 211 on community pastures; section 213 on the use of trust funds that belong to beneficiaries; section 214 on all types of loan programs we should be providing; section 219 on general assistance of technical resources; section 220 on bonds; section 221 on water reservations; section 222 on transparent reporting. I want all cylinders firing, as Prince Kūhiō intended, together, and I want a level of humanity and customer service that puts beneficiaries in their rightful place, the owners of this amazing land trust. No matter what happens today on the floor with the nominee, I am willing to work with the nominee as we move through the interim if he is confirmed by this body, but make no mistake, we need change at the Department of Hawaiian Home Lands. We need to change its course of direction, and we need to change it now. Mahalo, Mr. President."

Senator Inouye rose to speak in opposition to the nominee as follows:

"I have comments of my opposition on behalf of my homestead constituents in my district and other areas of Hawai'i island I'd like to insert into the Journal."

The Chair having so ordered, Senator Inouye's remarks read as follows:

"Mr. President, I rise to speak in opposition to William Aila's confirmation.

"The Department of Hawaiian Home Lands manages 200,000 acres statewide for the purpose of awarding homestead lots to qualified Native Hawaiians. According to DHHL's website, the Hawaiian Homes Commission Act provides for economic self-sufficiency of the Native Hawaiian people through a government-sponsored homesteading program. However, next year marks a hundred years of the HHCA and according to the DHHL's latest figures, a little over 9,800 beneficiaries currently reside on Hawaiian Home Lands, and nearly 28,000 are still waiting for an award. We have a severe housing shortage and we need to be providing adequate housing much faster than we have in the past. Roughly half a dozen homestead associations opposed the nomination of Mr. Aila in the Hawaiian Affairs Committee, a number of them representing the Big Island. My office continues to receive phone calls and emails from constituents asking me to take a stand on the

reappointment of William Aila, as such, I hereby stand with my constituents in voting no on his reappointment.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

The Chair then stated:

“Madam Clerk, before going to the next item, I know that the presiding officer doesn’t speak during debate to influence the vote. Now that the vote has been taken, I want to say, in a very clear voice, that Senator Kahele was ready to offer comments into the Journal, and I asked him to please speak his mind this morning so that we can send a clear message about what our hopes and aspirations are for the Department of Hawaiian Home Lands. Now that we’ve confirmed the deputy, I would like to ask Senator Shimabukuro, Senator Kahele, who are on the Hawaiian Affairs committee for the Senate, for Senator Keohokalole, who is the chair of the Hawaiian Caucus, to outline some of those goals and that we communicate in a written document what we expect and what we hope to see as we look for that progress that Senator Kahele had talked about and the progress that I believe that the deputy is looking for as well. But we should be on the same page so that we can work together to accomplish these goals, not just for the beneficiaries but, as Senator Kahele so articulately put, all of us in Hawai‘i will benefit from the beneficiaries getting these kinds of improvements, so if you are willing to do that, then I thank you very much.”

DBEDT is at the tip of the spear in creating a better Hawai'i; they need an action-oriented leader who looks to the future. I'm confident, colleagues, that Mr. Tanaka is an individual who can keep the department on track.

"With extensive experience in management and leadership spanning the sectors of airlines, hotels, facilities, safety, and security, Mr. Tanaka brings a breadth and depth of knowledge and expertise to this department. He previously served as the director of facilities at the University of Hawai'i Community Colleges. Previous to that, he was a general manager of the Hawaii Convention Center. In 2016, Mr. Tanaka oversaw the World Conservation Congress, which hosted more than 10,000 delegates from 190 countries. In addition, in 2011, he helped organize the APEC meetings, which brought together 21 countries. Those events put Hawai'i on the international stage and are proof that Mr. Tanaka can collaborate, lead, and position Hawai'i as an economic leader. FINAL READING

S.B. No. 19, S.D. 2, H.D. 1:

Senator Baker moved that S.B. No. 19, S.D. 2, H.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kahele.

Senator Baker rose to request that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in support of S.B. 19, S.D. 2, H.D. 1, Relating to Surplus Lines. This measure amends the calculation of surplus lines insurance premium tax to tax the entirety of the premium using the rate established by state law, regardless of the location of risk. Amending this calculation will reduce regulatory burdens on local surplus lines brokers, simplify compliance procedures, increase nationwide uniformity in surplus lines taxation, and increase premium tax revenue for the State.

"This measure also repeals the authority of the Insurance Commissioner to enter into an interstate compact to collect surplus lines premium taxes. Under current law, the interstate compact, among other things, requires the State to use a method in cooperation with other states in allocating risk and computing taxes due on premiums to each state where properties, risks, or exposures are located. A very small minority of states have signed onto this interstate compact, and it is more beneficial for the State to use a system where surplus lines brokers make direct payments to the Director of Finance. Please join me in voting to support this measure. Mahalo."

Senator Baker moved that S.B. No. 549, S.D. 1, H.D. 2, having been read throughout pass Final Reading, seconded by Senator Kahele.

Senator Riviere rose to speak in opposition to the measure as follows:

"I find myself in a lonely position here, being the only one to stand up and speak against this. We should encourage healthy habits, healthy food consumption, healthy activities. But I think it's not the Legislature's business to identify what is a healthy beverage, and therefore instructing restaurants on what they may or may not sell and which order they may sell it or how they should do it—I just think this is overreach. I don't see an end to this. This is one of those cases where, this year, we say, 'Well, you can only sell eight ounces of the drink that we've

identified as healthy,' and then, next year, we'll say, 'No, in fact, you can't sell those at all.' I don't think people should be drinking sodas and unhealthy beverages, but that's up to their parents to decide; it's up to the restaurant to decide what they want to sell. I could see a day when we start counting french fries and saying, you know, 'You can have 24 french fries but not 25, and don't put too much salt on it.' I just think we get to a point where this is the sort of legislation where, at some point, it becomes too much, and so I'm going to go early on it and say I don't think we should be mandating this. Thank you."

Senator Baker rose to speak in strong support of the measure as follows:

"Colleagues, despite the previous speaker, who, I think, misunderstands the measure, this measure requires that healthy beverages be the **default** option in a children's meal purchased at a restaurant in Hawai'i. Over the past 30 years, Hawai'i has experienced an unprecedented increase in obesity and chronic conditions like type 2 diabetes, heart disease, liver disease, and tooth decay. Numerous scientific studies have identified sweetened, sugary drinks as a major contributor to the obesity epidemic, and the Centers for Disease Control and Prevention recommends decreasing sugar-sweetened beverages to prevent and reduce obesity. Requiring retail food establishments to provide a healthy default beverage as part of a children's meal encourages healthier choices when families eat outside the home. It does not say that you cannot sell them. Please join me in voting to support this important measure. Mahalo."

"Ms. Connors is a strong candidate for attorney general. Her academic background is stellar. From Punahou, she went to Yale for her undergraduate degree and to Harvard for law school, where she was a line editor for the *Journal on Legislation*.

"Since law school, she has had a successful legal career and has significant experience in both criminal and civil matters,

which will prove useful as our attorney general. She clerked for U.S. District Court Judge David Ezra. She was an assistant U.S. attorney for seven years, and she has been a partner in a well-known Honolulu law firm. President Obama nominated her for a position on the U.S. District Court for the District of Hawai'i. She successfully completed the federal background checks and was voted favorably out of the United States Senate's Judiciary committee for a floor vote. Unfortunately, Justice Scalia's death brought the nomination of all federal judges to a halt, and she never got her floor vote.

"Being the state's attorney general also requires managerial ability as the Department of the Attorney General is the largest law firm in the state. Fortunately, Ms. Connors also has significant supervisory experience in an organization much larger than the AG's office. Before she attended law school, Ms. Connors spent several years in management positions in the New York City Parks & Recreation department. Having spent some time in New York City politics myself many years ago, I suspect she will find managing the much smaller Department of the Attorney General no more challenging than the Parks & Rec department in New York City.

"One final aspect of Ms. Connors's confirmation process is worth noting. The committee received no testimony in opposition, and no one that I talked to in the legal community had anything negative to say about her. On the contrary, virtually all the feedback about her was glowing. Mr. President, I support Ms. Connors's nomination to be our next attorney general, and I urge my colleagues to support her as well. Mahalo."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Senator Rhoads introduced Attorney General Clare Connors, who was accompanied in the gallery by her husband, Alex; her children, Fiona and Connor; her mother, Betsy; and her sister Celeste.

Senator Dela Cruz then moved that the Senate advise and consent to the nomination of ROBERT YU as Deputy Director of the Department of Budget and Finance, term to expire at noon on December 5, 2022, seconded by Senator Keith-Agaran.

Senator Dela Cruz rose to speak in support of the nominee as follows:

"Mr. Yu earned a bachelor of science in accounting and a master's in business administration before working with Hawaiian Electric, Grant Thornton, and Chevron USA. Mr. Yu then brought his financial skills to the transportation industry at the City and County of Honolulu, where he worked for 25 years, first at OTS (known as TheBus and Handi-Van) and recently at HART. During his tenure with the OTS, he was vice president of finance & administration and then senior vice president & deputy general manager from 2006 to 2017, working on the daily operations of OTS. In addition, he was the administrator for the OTS deferred compensation plan and was involved in labor union grievances and negotiations, served on the OTS pension plan and investment committee, and was a trustee on the Teamsters health and wellness benefits board.

"Testifiers have described him as hard-working, innovative, honest, straightforward, and that he possesses the highest moral and ethical values. A fellow CPA describes his greatest skill as the ability to think critically and strategically, to appreciate

detail but not to lose sight of the big picture, objectives, and goals. The Committee on Ways and Means reviewed Mr. Yu's qualifications for this position and, as stated in the committee report, we find him to be qualified for the position and recommend that the Senate advise and consent to his nomination. Thank you."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Senator Dela Cruz introduced Deputy Director Robert Yu, who was accompanied in the gallery by his wife, Michelle, his son Michael, and his daughter Rochelle.

“Mr. President, I rise in support of H.B. 330, H.D. 1, S.D. 1, C.D. 1, which funds youth suicide early intervention, prevention, and education initiatives in all counties focusing on youth between the ages of 10 and 24.

“Suicide was the leading cause of injury-related deaths for Hawaii’s youth from 2013 to 2017. Suicide rates are higher than the national average among young people in Hawaii, especially from the neighbor islands and rural communities, and are alarmingly high among Hawaii’s LGBTQ youth.

“It can be difficult to seek help, and even more so if you live in a community that does not have adequate services to support mental health issues. We must continue work in communities to de-stigmatize conversations around mental health, and provide residents in all communities, and especially on neighbor islands and in rural areas, the health support services they need.

“This funding will support efforts to reduce the rates of youth suicide on a statewide level. Please join me in support of H.B. 330, H.D. 1, S.D. 1, C.D. 1. Mahalo.”

MESSAGE FROM THE GOVERNOR

The following message from the Governor (Gov. Msg. No. 1114) was read by the Clerk and was placed on file:

Gov. Msg. No. 1114, dated April 18, 2019, informing the Senate that on April 17, 2019, the Governor allowed the following measure to become law without signature, which reads as follows:

Senate Bill No. 464, S.D. 2 as Act 13, entitled: "RELATING TO PRIVATE PROPERTY."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: SB464 SD2

SB464 SD2, entitled "A BILL FOR AN ACT RELATING TO PRIVATE PROPERTY." will become law without my signature, pursuant to Section 16 of Article III of the State Constitution.

Albizia has become one of Hawai'i's most detrimental invasive plant species and is overtaking our natural ecosystems. Its rapid growth rate produces a large number of trunks and limbs that are structurally weak. Tropical Storm Iselle demonstrated that albizia can cause significant damage to infrastructure and be a threat to human life. To address the increasing concern, Hawai'i Invasive Species Council released the "Strategic Plan for the Control and Management of Albizia in Hawai'i" in 2018. Although the State has been actively addressing the situation, there is no mechanism to control albizia on private property.

The purpose of this bill is to authorize a property owner or agent to enter adjacent vacant privately owned real property with albizia to control the trees before they become hazardous. The property owner or agent must meet the following criteria before proceeding:

1. Consult with a certified arborist to confirm that the albizia trees are creating a condition that could become hazardous, but can be safely addressed.
2. Unsuccessfully make two or more reasonable attempts to contact the owner of the adjacent private property within the previous thirty days via telephone or registered mail
3. Give written notice to the adjacent property owner prior to accessing the adjacent property to prevent the property from mistakenly being determined vacant.

The bill also establishes a defense for the entering property owner or agent to criminal prosecution for criminal trespass and criminal property damage offenses.

Although SB464 SD2 addresses the control of albizia on private property, there are some concerns about its implementation and

enforcement. The bill is adding a new section to the Hawai'i Penal Code in chapter 708, Hawaii Revised Statutes (HRS) that addresses offenses against property rights. However, a law that does not create criminal offenses, but rather allows entry onto private property to control albizia, should not be added to this section of HRS. The provision also creates a rather broad defense for the person entering another's land in regards to criminal property damage offenses. Perhaps the defense should have been limited to the damage of albizia trees instead of general property damage.

Placing this new law into the Hawai'i Penal Code, also places the burden on the prosecutor's office to disprove beyond a reasonable doubt that the property owner or agent entered an adjacent vacant property without fulfilling the prerequisites of this statute. This would result in the owner or agent entering the property not having to prove compliance with the albizia control provisions.

The requirement to consult with a certified arborist could create difficulties. It is unclear how the certified arborist is to legally enter the private property if necessary to make an assessment.

The bill does not require any experience or licensure to fell or remove the targeted tree and lacks disposal requirements. This could result in unintended propagation of albizia in other area of previously unaffected lands.

Finally, the language of SB464 SD2 is very vague. The bill defines "vacant" as "improved or unimproved but having no reasonable indication of use or maintenance for one year or more." The term "vacant" is extremely important to this bill, as the bill is authorizing entry onto another person's private property, provided it is vacant. The definition of "vacant" is unclear and the terms "improved" and "unimproved" are not defined in this section. Also, the phrase "indication of use or maintenance for one year or more" can be interpreted in many ways. The concerns over these terms could lead to unintended circumstances.

Despite the concerns, SB464 SD2 will provide a mechanism to remove hazardous albizia so that landowners can have an option to protect themselves and their infrastructure from damage.

For the foregoing reasons, SB464 SD2 will become law as ACT 013 (19), Session Laws of Hawaii 2019, without my signature.

Sincerely,
/s/David Y. Ige
DAVID Y. IGE
Governor, State of Hawaii"

ADVISE AND CONSENT

Stand. Com. Rep. No. 2218 (Gov. Msg. No. 599):

Senator Nishihara moved that Stand. Com. Rep. No. 2218 be received and placed on file, seconded by Senator Wakai and carried.

Senator Nishihara then moved that the Senate advise and consent to the nomination of ARTHUR J. LOGAN as Adjutant General of the Department of Defense, term to expire at noon on December 5, 2022, seconded by Senator Wakai.

Senator Nishihara rose to speak in strong support of the nominee as follows:

“Appointed as the adjutant general in 2015, not only was General Logan in charge of the training and preparedness of 5,500 soldiers and airmen of the Hawaii National Guard, he also provided direct support to the Office of Veterans’ Services, and the homeland security advisor to the governor as the director of the Hawaii Emergency Management Agency.

“Prior to his appointment, his past positions have deemed him to be a man of action, responsibility, and integrity. Since receiving his officer-commissioned status from the Hawaii Army National Guard in 1984, he was a brigade engineer officer responsible for providing full support to the wide range of engineering duties for the Army like building structures, developing civil works programs, and even providing combat support. As a platoon leader, General Logan not only maintained combat equipment like rifles and explosive mortar weaponry, he also made sure that discipline, training, and the morale of his men were up to par. In a position that engaged military involvement in the war on drugs, General Logan was even a counterdrug coordinator who detected, monitored, and combatted the production, trafficking, and use of illegal drugs. The value of these experiences is memorialized in 19 merit medals, badges, and ribbons, which include the Bronze Star Medal, awarded to members of the U.S. Armed Forces for heroic achievement and for merits of service in a combat zone; the National Defense Service Medal, which recognizes all military members who were on active duty during a declared national emergency; the Global War on Terrorism Expeditionary Medal, which recognizes military service members who have deployed overseas in direct service to the War on Terror; and several Hawaii National Guard medals and ribbons that honor General Logan for his humanitarianism and involvement in Hurricane Iniki. General Logan served several years as commander of field artillery, a combat arms branch that neutralizes the enemy by cannon, rocket, and missile fire. And, most recently, in a mission which ended in 2014, General Logan was also in command in Operation Enduring Freedom, a 13-year combat mission in Kabul, Afghanistan.

“In addition to General Logan’s vast, 36 years of service, he has a bachelor’s degree in justice administration and management from HPU, and a master’s degree in strategic studies from the United States War College, among other exemplary academic accomplishments, all of which have enhanced his expertise in military tactics, techniques, and procedures.

“In 2010, General Logan was the chief of staff for the Hawaii Army National Guard. Truly epitomizing the word *leadership*, this quote by American five-star general Douglas MacArthur applies to our gubernatorial nominee. General MacArthur was chief of staff of the United States Army during the 1930s and played a prominent role in the Pacific Islands during World War II, and I quote: ‘A true leader has the confidence to stand alone, the courage to make tough decisions, and the compassion to listen to the needs of others. He does not set out to be a leader, but becomes one by the quality of his actions and the integrity of his intent. In the end, leaders are much like eagles... they don’t flock, you find them one at a time.’

“So, dear colleagues, General Logan has shown great leadership in maintaining Hawai‘i’s military presence as a force to be reckoned with in the Pacific. I ask for your support in reconfirming him to the status of Adjutant General of Hawai‘i for the State Department of Defense. Thank you.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Fevella).

Senator Nishihara introduced Major General Arthur Logan, Adjutant General of the State of Hawai'i Department of Defense, who was seated in the gallery with his spouse.

The Chair stated:

"Before going on to the next item, Madam Clerk, I am sure I didn't quite hear it correctly, but I know that Senator Nishihara said that he was commanding the men **and** women of the National Guard, so make sure the Journal has that marked appropriately."

Stand. Com. Rep. No. 2219 (Gov. Msg. No. 600):

Senator Nishihara moved that Stand. Com. Rep. No. 2219 be received and placed on file, seconded by Senator Wakai and carried.

Senator Nishihara then moved that the Senate advise and consent to the nomination of KENNETH S. HARA as Deputy Adjutant General of the Department of Defense, term to expire at noon on December 5, 2022, seconded by Senator Wakai.

Senator Nishihara rose to speak in strong support of the nominee as follows:

"Thank you, Mr. President, and thank you for the correction to include men **and** women in our armed forces. I rise in strong support of gubernatorial nominee Brigadier General Kenneth Hara as the deputy adjutant general of the Hawai'i State Department of Defense.

"Prior to General Hara's current assignment as the primary advisor to the adjutant general for the State of Hawai'i, he had been in charge of various units of the Army for almost 30 years, notably as a platoon leader, executive director, deputy commander, and commander in a variety of capacities. Most recently, he served as chief of the joint staff of Joint Force Headquarters, which provides command and control of all National Guard forces within the state for the governor, and provides situational awareness and resource requirements to Department of Defense authorities before and during operations, as in national level or contingency response efforts.

"Early in General Hara's military career, he held positions that have honed his skill set and broadened his repertoire. As an aviation section leader, he was not only in charge of training officers and enlisted men in matters pertaining to military aviation, he also supervised the operation of military aircraft. As a chemical officer, he defended against the specific threats of chemical, biological, radiological, and nuclear warfare, also known as *weapons of mass destruction*. A relatively new frontier of defense for our country, these officers lead an extraordinary unit advising the commander on issues regarding homeland protection. In 2005, General Hara deployed as the commander of the 2nd Battalion, 299th Infantry, to the north of the Persian Gulf—Baghdad, Iraq—in support of Operation Iraqi Freedom, a mission that President Bush authorized to rid Iraq of dictator Saddam Hussein and his weapons of mass destruction. In 2008, General Hara was deployed to the Arab country of Kuwait as the deputy commander of the 29th Infantry Brigade Combat Team, the largest unit in the Hawaii Army National Guard. Since 1995, the brigade has been one of the nation's 15 enhanced readiness brigades. This distinction means that the 29th Infantry Brigade must be trained and equipped to deploy within 90 days of a federal call-up. In 2012, General Hara deployed for a third time to southern Afghanistan to a city called Kandahar as a commander on the Security Forces Assistance Advisory Team. This office provides information daily to the Secretary of Homeland Security, senior leaders, and

the homeland security enterprise to enable decision-making and the continuity of primary mission functions in the event of a degraded or crisis operating environment.

"As international assignments have been a big part of General Hara's military career, he has also served on several local missions, notably as assistant operations officer following Hurricane Iniki, which devastated the island of Kaua'i on September 11, 1992. In 2006, as commander of the Task Force KOA, which was comprised of the Hawaii Army and Air National Guard soldiers, he led the National Guard operations in addressing an earthquake that struck the Big Island on October 15, 2006. And, last year, in support of the Kilauea volcanic eruption and Hurricane Lane natural disasters, he commandeered the joint task force in response operations.

"General Hara has earned 20 medals and badges that represent his feats of success, including the North Atlantic Treaty Organization Medal, which is awarded by the North Atlantic Treaty Organization, or NATO, an intergovernmental military alliance between 29 North American and European countries. General Hara is also the recipient of the Humanitarian Service Medal, which is awarded by the United States Department of Defense to any military personnel who distinguishes himself or herself by meritorious participation in specified military acts or operations of a humanitarian nature, as in cases of natural disaster relief and evacuation of non-combatants from a hostile area. In addition to General Hara's medals, he has a master's degree in strategic studies and a bachelor of arts degree in human services. His accolades include the 2001 Hawaii Army National Guard Outstanding Officer of the Year award as well as the 2011 Hawaii National Guard Field Grade Commander of the Year title.

"He truly epitomizes what it means to be a leader, a trait characterized by the quote from astronaut and former commander of the International Space Station, Chris Hadfield, which I quote: 'Ultimately, leadership is not about glorious crowning acts. It's about keeping your team focused on a goal and motivated to do their best to achieve it, especially when the stakes are high and the consequences really matter. It is about laying the groundwork for others' success, and then standing back and letting them shine.'

"So, colleagues, I urge you to continue your support of this decorated and highly qualified individual, and to reconfirm Brigadier General Kenneth Hara to his position as Deputy Adjutant General of the Hawai'i State Department of Defense. Thank you."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Fevella).

Senator Nishihara introduced Brigadier General Kenneth Hara, Deputy Adjutant General of the State of Hawai'i Department of Defense, who was seated in the gallery with his wife.

Stand. Com. Rep. No. 2220 (Gov. Msg. Nos. 620 and 621):

Senator Kahele moved that Stand. Com. Rep. No. 2220 be received and placed on file, seconded by Senator Keith-Agaran and carried.

Senator Kahele then moved that the Senate advise and consent to the nominations to the Game Management Advisory Commission of the following:

NELSON RAPANOT, term to expire June 30, 2023 (Gov. Msg. No. 620); and

KALANI NAKOA, term to expire June 30, 2020 (Gov. Msg. No. 621),

seconded by Senator Keith-Agaran.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Fevella).

At 11:58 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:59 a.m.

ADVISE AND CONSENT

Stand. Com. Rep. No. 2230 (Gov. Msg. Nos. 570, 571, and 572):

Senator Kim moved that Stand. Com. Rep. No. 2230 be received and placed on file, seconded by Senator Kidani and carried.

Senator Kim then moved that the Senate advise and consent to the nominations to the Board of Regents of the University of Hawai'i of the following:

ROBERT WESTERMAN, term to expire June 30, 2022 (Gov. Msg. No. 570);

ALAPAKI NAHALE-A, term to expire June 30, 2023 (Gov. Msg. No. 571); and

KELLI ACOPAN, term to expire June 30, 2020 (Gov. Msg. No. 572),

seconded by Senator Kidani.

Senator Kim rose to speak in support of the nominees as follows:

"Mr. President, your Committee on Higher Education has reviewed the three nominations and heard from the nominees, and recommends confirmation of Robert Frank Westerman, Sr.; Albert 'Alapaki' Nahale-a; and Kelli Acopan to the Board of Regents. The nominees have been serving since January. Regent Benjamin Kudo testified before the committee and had high praise for the nominees. He attested to the sincerity and seriousness of all three and was impressed with their dedication to learning their responsibilities and the passion for the perspectives they bring to their duties.

"Robert Frank Westerman, Sr., represents Kaua'i, where he was the chief of Kaua'i Fire Department for 13 years. He spent his childhood as a military dependent living all over the mainland, Asia and Southeast Asia, and Hawai'i. He enjoyed a career in the U.S. Air Force and served in Vietnam during the conflict there. Among his degrees and certifications, Mr. Westerman has an MBA from the University of Hawai'i at Mānoa. Chief Westerman desired to become a regent because, as a civic-minded citizen, a UH alumnus, and an employer using the UH System, he wanted to offer his ideas for improvement from those perspectives while holding the school administration accountable to the policies set by the board. At his confirmation hearing, Chief Westerman told our committee that he was looking forward to applying his years of administrative experience to the policies and practices of the university and to ensuring that Kaua'i Community College has a voice and place within a very large and complex education system. (I'm sure, Mr. President, you agree to all of that?)

"Alapaki Nahale-a describes himself as a poor homestead boy who hails from Keaukaha on Hawai'i island. He is the senior director of community engagement and resources for his home island for Kamehameha Schools, his alma mater. Despite his self-described humble upbringing, he's a graduate of the University of Pennsylvania and, since graduation, has returned home to serve the people of Hawai'i in many key leadership capacities. You will recall that he was the director and chairman of the Department of Hawaiian Home Lands and East Hawai'i commissioner. As a dedicated public servant, Mr. Nahale-a recognizes that the regents are individually and collectively responsible for the successes and failures of the University of Hawai'i, and he and his fellow regents must demonstrate the

leadership necessary to ensure the institution upholds its promise to the people of the islands to improve the social and economic and environmental well-being of current and future generations. He contends that the school must regain the people's confidence and trust, and that the regents should be engaged and working hand in hand with the school stakeholders.

"Kelli Acopan is the student representative to the Board of Regents. Ms. Acopan graduated from 'Iolani School and earned her bachelor's degree from the Mānoa campus in December. She is continuing her education by pursuing a graduate degree, again at Mānoa, while continuing to be a wife and mother of three school-aged children. Of all the nominees, Ms. Acopan comes with the most experience with the UH System. Before entering Mānoa, she earned her associate's degree from Windward Community College, where she was the president of the student body for two years. She complements that with work in lower and higher education, where she is a Department of Education substitute teacher, and with Upward Bound with Windward Community College and as a graduate assistant with the UH history department. As a former student leader and current student, Ms. Acopan sees affordability and accessibility as major challenges for the school. She would like to have students be able to graduate on time without worry for course availability or cost of tuition while also enjoying the meaningful experience of college life.

"Mr. President, members of the Senate, we have before us the nominations of three very qualified, capable, and outstanding citizens who are willing to devote themselves to the governance of the University of Hawai'i. These nominees have been approved by your Senate Committee on Higher Education as individuals for their unique perspectives. It is our hope that each of them will reflect their perspective as a member of the Board of Regents, and remember that they will be held accountable for the performance and budget of the university and the performance of the administration. The members of your committee recommend the full Senate join us in confirming their nominations. Thank you."

The Chair thanked Senator Kim and the Committee on Higher Education for their work.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 2231 (Gov. Msg. No. 649):

Senator Rhoads moved that Stand. Com. Rep. No. 2231 be received and placed on file, seconded by Senator Wakai and carried.

Senator Rhoads then moved that the Senate advise and consent to the nomination of WILLIAM PUETTE to the Civil Rights Commission, term to expire June 30, 2021, seconded by Senator Wakai.

Senator Rhoads rose to request that remarks in support of the nominee be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Rhoads's remarks read as follows:

"I am pleased to recommend Dr. William Puette to be appointed to the Hawai'i Civil Rights Commission. Mr. Puette has received the support for this nomination from a wide variety of organizations from the community. Dr. Puette has extensive experience in labor education and workers' rights, expertise in civil rights history, and dedication to public service. He has volunteered for the Hawai'i Civil Rights Commission in the past and is eager to serve again. Based on Mr. Puette's experience with and dedication to social justice, I consider

Mr. Puette to be a great fit to serve on the Hawai'i Civil Rights Commission."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 2232 (Gov. Msg. No. 710):

Senator Rhoads moved that Stand. Com. Rep. No. 2232 be received and placed on file, seconded by Senator Wakai and carried.

Senator Rhoads then moved that the Senate advise and consent to the nomination of TERRI MOTOSUE to the Commission on the Status of Women, term to expire June 30, 2023, seconded by Senator Wakai.

Senator Rhoads rose to request that remarks in support of the nominee be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Rhoads's remarks read as follows:

"I am fortunate to introduce Terri Motosue as the appointee for the Commission on the Status of Women. Ms. Motosue has shown great commitment to the plight of marginalized women in the State of Hawai'i. Ms. Motosue has served on the board of directors of Child and Family Services since 2010 and as a collaborating attorney with the Domestic Violence Action Center to train pro-bono lawyers to represent survivors of domestic violence. Currently she is a partner at Ashford and Wriston, after having been a managing partner at Carlsmith Ball for years. Given Ms. Motosue's dedication to women's concern and her extensive legal experience, I see her as a great asset to the Commission on the Status of Women."

The Chair thanked Senator Rhoads and the Committee on Judiciary for their work.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Senator Rhoads introduced Terri Motosue, newly confirmed member of the Commission on the Status of Women.

Senator Kim introduced Kelli Acopon, newly confirmed member of the Board of Regents of the University of Hawai'i, who was accompanied by her husband, Jared, and their son Zen.

Stand. Com. Rep. No. 2233 (Gov. Msg. No. 608):

Senator Kahele moved that Stand. Com. Rep. No. 2233 be received and placed on file, seconded by Senator Keith-Agaran and carried.

Senator Kahele then moved that the Senate advise and consent to the nomination of SUZANNE D. CASE as Chair of the Department of Land and Natural Resources, term to expire December 31, 2022, seconded by Senator Keith-Agaran.

Senator Kahele rose to speak in strong support of the nominee as follows:

"Colleagues, earlier this year, I had an opportunity to read a book titled *Hawaii Lawyer*, written by James Case (father of the nominee, who has joined us in the gallery today), born in 1920 on a sugar plantation on the island of Kaua'i. Hawai'i was still a young territory; its population was just 250,000 people. It is a fascinating book and, in it, he talks about his life, his wife of now 71 years—also named Suzanne—and four children who were born and raised in these islands, one of them being our nominee. He tells a story about a four-day, three-night family camping trip in 1965 through Haleakalā Crater. The family

would hike all day for hours and rest at Kapalaoa cabin, Palikū cabin, and, finally, Hōlua cabin before making their way out of the crater. Our nominee, who was nine years old on that trip, would get an opportunity to experience the beauty, the environment, the switchbacks, the vastness, the greatness of one of Hawai'i's marvels, Mount Haleakalā, and this is where the fabled one-eyed hokua of Hōlua is born. The young Suzanne, on day three, playing with her brother John, would get hit square in the head by a loose boulder. She almost passed out; she felt dizzy, ill, nauseated, and ultimately suffered a severe concussion. They would remain overnight at Hōlua cabin until she was stabilized. When she woke up in the morning, she had a large black eye where the rock had hit her. They covered her eye with a scarf, and they hiked out of the crater the next day, making it back down to Kahului to see the doctor. It was, I believe, stories and countless experiences like this, the love for our 'āina, our forests, its reefs and oceans, that were instilled in our nominee by her parents at a young age, that helped shape the person she is today. I'm reminded myself of my dad, who did the same thing for me, only on the South Kona coast of Hawai'i island, that helped shape my love and deep respect and appreciation for the environment and natural beauty that is Hawai'i.

"Our nominee would go to school in Hilo, where she attended Waiakea-Kai and Keaukaha Elementary Schools, eventually graduating from Punahou School. After high school, she attended Williams College and then Stanford University. She then received her juris doctorate from the University of California Hastings College of the Law in 1983. After receiving her juris doctorate, she worked in real estate transaction law for four years. From 1987 until 2001, the nominee served as Western and Asia/Pacific regional counsel for The Nature Conservancy, where she ultimately became the program's executive director from 2001 until 2015. In her 28-year career with The Nature Conservancy, our nominee oversaw 16 nature preserves totaling 53,000 acres and an annual operating budget of \$11 million. She gained vast legal experience during this time in forest stewardship, land protection, and marine preservation.

"In 2015, Suzanne Case was appointed by Governor Ige as chair of the Department of Land and Natural Resources, and, as chair, she currently oversees a staff of a thousand and a budget of \$159 million. A key focus of the department under Chair Case has been to fulfill the objectives of Governor Ige's Sustainable Hawai'i Initiative. Those objectives are to protect 30 percent of Hawai'i's priority watersheds by 2030, to effectively manage 30 percent of nearshore ocean waters by 2030, and to implement the Interagency Biosecurity Plan by 2027. Toward these goals, under Chair Case's leadership, the department has protected an additional 40,000 acres of priority watershed forests, produced the first-ever statewide coral bleaching recovery plan, worked with marine scientists to make Hawai'i one of the most data-rich marine areas in the world, initiated the statewide '30 by 30' marine planning process, established a coral nursery for lost or damaged reef, passed coral rules to enable the regulation of impacts to corals from private-sector projects, amended interim instream flow standards across the state, digitized all land conveyance records at the Bureau of Conveyances since 1845, completed Hawai'i's first interagency biosecurity planning process, and, finally, planted a quarter-million trees.

"The Senate Committee on Water and Land unanimously voted to advise and consent to the nomination of Chair Case. We concurred that Chair Case's extensive experience in conservation, land acquisition, and coastal preservation, as well as decades of legal experience, show that she is not only qualified for this position, her particular attributes will continue to be an exceptionally valuable asset to the Department of Land and Natural Resources.

"Mr. President, colleagues, in closing, I also have the utmost confidence that, after this often-contentious legislative session that has elevated the debate over water rights in this state to an entirely new level, the nominee, Suzanne Case, before she leaves office in four years—sooner rather than later, I would encourage—that she will do what no other chair of the Department of Land and Natural Resources has been able to do in its history, and that is to issue long-term water leases with her signature to each and every one of the current revocable permit holders so that we can finally put an end to this issue in our state and this body. Colleagues, I urge you to join me and support the nomination of Suzanne D. Case to continue as chair of the Department of Land and Natural Resources. Mahalo."

The Chair commented:

"Thank you. As my pastor would say in church on Sunday, 'How about an amen there,' Senator Kahele."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Senator Kahele introduced Chair Suzanne Case, who was present in the gallery with her partner, Gigi Able, and her parents, James and Suzanne Case.

Stand. Com. Rep. No. 2234 (Gov. Msg. No. 609):

Senator Kahele moved that Stand. Com. Rep. No. 2234 be received and placed on file, seconded by Senator Keith-Agaran and carried.

Senator Kahele then moved that the Senate advise and consent to the nomination of ROBERT K. MASUDA as Deputy to the Chair of the Department of Land and Natural Resources, term to expire at noon on December 5, 2022, seconded by Senator Keith-Agaran.

Senator Kahele rose to speak in strong support of the nominee as follows:

"Colleagues, Robert K. Masuda holds a bachelor of science in applied behavioral science & group work education from George Williams College and an executive MBA from the University of Hawai'i. He has served for 55 years with the YMCA in a wide variety of administrative roles; his positions have included president and CEO of the Honolulu YMCA, executive director of the YMCA USA's International Division, director of the YMCA USA's International Office for China & the Pacific, and president and CEO of the Island of Hawai'i YMCA.

"For the last 12 years, Mr. Masuda has served as a senior advisor for Special Programs Development at the Institute for Pacific Islands Forestry under the U.S. Forest Service. Working with the U.S. Department of Agriculture, Bob Masuda has helped in initiating the Akaka Foundation for Tropical Forestry, which works with federal and state agencies to restore native tropical forests and eliminate threats that degrade Hawai'i's bio-cultural heritage.

"Mr. Masuda has served, on two separate occasions, as first deputy to the chair of DLNR: once from 2005 to 2007, and again as the current deputy director upon his appointment in 2017. In his current tenure at the department, Mr. Masuda has played a leading role in initiating the Natural Resources Advancement Team and the Honokōhau Small Boat Harbor Working Group, two major projects which exemplify a proactive approach to resource management. Robert Masuda has served as the point person for DLNR's emergency disaster response coordination, acting as the nexus for the department's various functions during emergencies and natural disasters. He has been instrumental in the department's work with the Office

of Hawaiian Affairs, Kamehameha Schools, and various Native Hawaiian groups to begin to rethink how the department manages its lands.

“The Senate Committee on Water and Land voted unanimously to advise and consent to the nomination of Bob Masuda as first deputy to the chair, and I truly believe that his experience at the international, federal, state, and county levels of government affairs and his genuine connection to a variety of communities across the state reiterate the value he brings in facilitating cooperation among different stakeholders. I believe that his multifaceted professional and governmental experience, spanning over five decades, will continue to be crucial to the Department of Land and Natural Resources. So, colleagues, I urge you to join me and support the nomination of Robert K. Masuda to continue as first deputy to the chair of the Department of Land and Natural Resources. Mahalo.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Senator Kahele introduced Deputy Robert Masuda, who was seated in the gallery.

Stand. Com. Rep. No. 2235 (Gov. Msg. No. 543):

At this time, the President made the following observation:

“The recommendation of the Committee on Public Safety, Intergovernmental, and Military Affairs on Governor’s Message No. 543 is that the Senate **not** advise and consent to the nomination. Therefore, the Chair will first entertain a motion to file Standing Committee Report No. 2235, then we will move on to the final vote on this matter.

“Pursuant to Senate Rule 37(3), the final question on nominations made by the governor that require the advice and consent of the Senate must be stated in the affirmative. Therefore, those casting ‘Aye’ votes are voting to confirm, and those casting ‘No’ votes are voting to reject the nomination. So, I’ll simplify it: The motion will be to approve. If you are in favor of the approval, then you would vote yes. If you are not in favor of the approval, you’ll vote no.”

Senator Dela Cruz moved that Stand. Com. Rep. No. 2235 be received and placed on file, seconded by Senator Kidani and carried.

Pursuant to Senate Rule 37(3), Senator Dela Cruz moved that the Senate advise and consent to the nomination of NOLAN P. ESPINDA as Director of the Department of Public Safety, term to expire at noon on December 5, 2022, seconded by Senator Kidani.

Senator Nishihara rose to speak in opposition to the nominee as follows:

“Colleagues, it is not an easy decision to speak against a nominee for an important department of our state. It does not take courage to oppose a person who many here will support. It does take conviction, however, to believe and stand before this most public of places to declare that this nominee does not meet the standards of management required to lead this department.

“The Committee on Public Safety, Intergovernmental, and Military Affairs met and decided not to advise and consent to Director Espinda as the director of Public Safety by a 5–0 vote. The committee took a considerable amount of time and energy to vet this nominee. They considered information, much of it from persons within the department who put their careers in jeopardy by even speaking to us. These are good and honest public servants concerned over what they saw as improprieties, some rising to unethical or possibly criminal behavior by the director or his deputies, down to immediate supervisors. The

committee was hampered by a lack of time and resources, including the inability to use subpoenas to grant whistleblower status to bring witnesses forward to aid in transparency of information. We did the best we could; unfortunately, it may not be enough. The news media reported on a number of disturbing revelations; unfortunately, that, too, may not be enough. I would like to list some of the committee’s findings.

“Number one: Public Safety’s training and staff development administrator, Marte Martinez, lied on her job application regarding her education, naming educational institutions that she did not attend, including overstating her experience in public safety positions at a number of sheriff departments on the mainland. However, she was subsequently promoted by personnel supervisors, including those overseen by Deputy Director Maria Cook (previously, it was Cathy Ross). When confronted with the discrepancies discovered by news reporters, they tried to cover it up. Ms. Martinez is currently tasked with training **all** of Public Safety personnel, including ACOs and sheriffs. The sheriff who shot and killed the homeless individual in the rotunda just above us was trained by this trainer. She has neither the training nor the certification to do this job.

“Director Espinda claims that overtime has been cut. However, by cutting overtime by reducing staffing, he leaves the facility with insufficient personnel, and places both the ACOs and inmates at risk. A case in point was the Maui riot. Director Espinda claims that overcrowding was the cause of the riot; however, overcrowding is prevalent throughout the PSD system, but riots do not occur elsewhere.

“PREA, the Prison Rape Enforcement Act, was put in place throughout the prison system throughout the country and is a federal mandate. This act has been and continues to be violated with the tacit acquiescence of the director by the person put in charge of PREA compliance. It has been reported that the data ensuring compliance is fraudulent or non-existent.

“A law was passed by the Legislature two years ago which required inmate identification. When Director Espinda was asked at one of the hearings regarding the number of inmate IDs completed, he stated that they were working on it and had completed only a handful of the IDs. However, by contrast, the Waikiki Health Center has completed almost 90 percent of the ID requests—1,512 compared to just a handful by PSD.

“CALEA certification: At his first confirmation, Director Espinda told the state that his number one priority as director was to achieve CALEA certification. Three years have gone by. In the interim, he hired Renee Sonobe Hong as deputy director of law enforcement to oversee the CALEA certification. After I contacted the regional program manager for CALEA and learned that PSD had not even **applied** for CALEA program certification and the news media reported that fact, Sonobe Hong called the regional manager, who’s on the mainland, to ask what she needed to do to **start** the program. Let it be noted that the Maui Police Department, the Big Island police department, Kaua’i Police Department, and our own HPD are all CALEA-certified.

“Under the advisement of the attorney general, our committee could not get answers to a number of pressing questions related to the ongoing investigations into the Maui riot, OCCC escape and death of the escapee, and the shooting of the homeless man at our state capitol. All of these investigations are still ongoing as we speak. These investigations and restriction into the possible culpability of the director of our jails comes as we are now considering his reappointment. The governor has even taken an unprecedented and keen interest in his nominee’s reappointment to the degree of having his chief of staff intimately involved in making daily rounds to assure the support from senators.

“There are other instances where leadership was lacking. We have also heard too many stories of intimidation and retaliation from individuals within the department. This type of environment cannot and should not be allowed to continue. We cannot afford a continuation of the same leadership style. What I am saying is that the current director is not the right person for the job of leading and managing this large and complex organization.

“Our own H.C.R. 85 criminal justice reform task force called for moving Hawai‘i into a different direction to improve outcomes and bring costs under control, transitioning from a punitive to a rehabilitative correctional system, one where our inmate population will receive job training, drug treatment, and mental health services that will reduce the recidivism rate and address the overrepresentation of Native Hawaiians. We will not achieve a reduction of overcrowding by building bigger and better jails and prisons; we will do so by reducing numbers of pre-trial detainees. To achieve that goal, we need new leadership that will work towards a new vision, not continue with more incarceration and punishment.

“Within the Department of Public Safety, safety for the public should also include rehabilitation of persons who have done criminal acts and ultimately return them back into society after completion of their punishment and sentences. The department is also called the department of corrections: It is tasked with instituting programs and policies that will lead inmates to correct bad behavior that led to their incarceration. The high recidivism rates of over 40 to 50 percent indicate a failure of programs and leadership.

“The Public Safety department has not been managed well, and it lacks accountability under the current director. Our state and its many departments should expect leadership without favoritism; leadership without fear, intimidation, or retaliation; leadership that will not place people in positions to cover up wrongdoings or misdeeds within the department. It is time to change and time for new leadership within the Public Safety department, with more accountability and a greater adherence to mandates and established policies. So, colleagues, I ask that you weigh these considerations heavily before you take your final vote, and oppose his nomination. Thank you, Mr. President.”

Senator Kahele rose to speak in opposition to the nominee as follows:

“On January 13, 2018, at 8:07 a.m., Vern Miyagi was at home in Hawai‘i Kai, drinking a cup of coffee, ready to start a relaxing weekend. He was not in his office in Diamond Head. He was literally at home, miles away, when one of his employees pushed the button and erroneously sent out a false missile alert that terrified hundreds of thousands of people. Miyagi, a 37-year veteran of the military, a retired major general, is a man of tremendous honor. He was a stellar administrator and leader. That day, as many remember, when everyone else was making excuses, Vern Miyagi stepped forward in front of all the cameras and said, and I quote, ‘This is on me.’ For, while he may not have pressed the button—in fact, he wasn’t even in the building—but as administrator, he was in charge. The missile crisis may not have been his fault, but it was nonetheless his responsibility.

“Like Vern Miyagi, I believe the nominee, Nolan Espinda, is a man of tremendous honor. I think he is a dedicated public servant, a devoted husband, a father, who has been with the Department of Public Safety for over 35 years. He has worked in facilities across the system, from the Hawaii Youth Correctional Facility to OCCC to Halawa and, most recently, as its director. The director of Public Safety is not an easy job. It is a highly visible, largely thankless, position that has admittedly been under-resourced. It is quite possibly one of the most difficult jobs in the state.

“Nolan Espinda was not at OCCC on March 1st when, because of an open door and an open gate, Maurice Arrisgado, Jr. was shot and killed trying to escape, nor was he on Maui on March 11th when 214 inmates breached their cell doors and started a riot that included trying to burn officers alive in their control boxes and when a critical part of the investigation, a SIM card for a camera that could have recorded the event, went mysteriously missing. Nor was he at the Capitol, right here, on the evening of February 18th when a sheriff’s deputy shot and killed a homeless man, Delmar Espejo. He wasn’t on Hawai‘i island on September 15, 2015, when William Carroll, who was arrested for theft and criminal property damage, was inadvertently released, and, since then, since September of 2015, 20 inmates were inadvertently released from the Hawaii Community Correctional Center since he has been at the helm, creating panic throughout Hawai‘i island and resulting in thousands of dollars being expended in manhunts to find these mistakenly released inmates. Director Espinda was not present for **any** of these events. He was not a direct cause of a single one of them, but they were nonetheless, as the director of the Department of Public Safety, his responsibility.

“There are clearly serious systemic problems with the Department of Public Safety, and there have been for years. I have no doubt that the director has inherited many of them and made considerable strides in correcting a number of the department’s problems. And were it not for the very serious breaches that have occurred this year—just last month on the island of Maui—all while the director was seeking reconfirmation, I would be voting for his reconfirmation. But, as an elected official, I simply cannot ignore that there have been two fatal shootings and a prior riot, 20 inadvertent releases since September 2015 on Hawai‘i island. There needs to be accountability, and that accountability needs to be and start at the top.

“It’s a special privilege that this body has to advise and consent to nominations to lead our critically important 18 state departments, and whether the nominee is confirmed or not confirmed by this body, it is important, and I hope that my message sends to **any** director and **any** chair and **any** nominee that we expect no excuses, that we expect you take responsibility, and that accountability starts at the very top. I want to genuinely commend Director Espinda for how he has handled himself throughout this nomination, as well as his family. It has admittedly been challenging, and he has been the epitome of professionalism throughout the entire process. But because of that and what I have outlined and the grave concerns I have, I cannot support the nomination. Thank you, Mr. President.”

Senator Baker rose to speak in strong opposition to the nominee as follows:

“I’d like to have the words of the chair of the Committee on Public Safety, Intergovernmental, and Military Affairs included into the Journal as if they were my own, as well as the eloquent statement by our Majority Floor Leader.” (The Chair so ordered, by reference only.) “And I want to explain why I am planning to vote in opposition to this governor’s message.”

“The Public Safety department is a troubled department, I believe, in large part due to the lack of leadership demonstrated by the current director, who is seeking reappointment. Currently, colleagues, there are four different entities looking into a variety of concerns about operations and other matters at PSD: The U.S. Department of Justice, in response to an ACLU Hawai‘i complaint on unconstitutional prison conditions and overcrowding at Hawaii’s jails and prisons; an FBI complaint regarding PREA violations, submitting false information regarding MCCC PREA audit report, June 1, 2018, and turned over to the white-collar crimes department; the Hawai‘i Department of the Attorney General opened a case, No. 19-

0734, regarding the mispending of public funds and other violations in 2019; and the State Ethics Commission is looking into a complaint filed regarding procurement law and other violations in 2019.

“There are documented deviations from the staffing plan that the auditor needs to review: a claimed shortage of female-deployed staff when there were female staff available, but male staff worked gender-posts for overtime pay. A documented sex assault of an inmate that led to a suicide while Director Espinda was the warden at Halawa. And then there’s the MCCC riot—not a disturbance, colleagues, as PSD characterized it, but a full-blown riot—which, according to people on the ground, had been building for a very long time: high staff turnover, a poorly run facility, drugs that were pervasive inside MCCC, overcrowding, broken AC and phones, and a TA chief of security captain who told the inmates, ‘Go ahead and do what you gotta do,’ and that attitude placed lives of staff and inmates in danger. Here’s what one family member reported to me: There were four phones on the unit, but three were broken. Inmates were allowed to receive mail only once per week, making connection with families difficult. Inmates were, in fact, hurt in the riot, some with serious injuries, like a broken jaw. Inmates and families at MCCC believe no one cares about them or what happens to them. They’re just warehoused.

“Mental illness is rampant in all of our facilities and certainly has not been addressed at MCCC, and the staff is not trained on how to assess or deal with folks with psychosis, mood disorder, substance abuse, or behavioral disorders due to aging. The staff isn’t trained on how to prevent suicides. While the department may have spent considerable dollars on less-than-lethal weapons, the staff is not trained on them, doesn’t have access to them; they’re locked up some place off-site. According to media reports and email that I’ve received from Maui, the staff at MCCC were ‘armed’ only with handcuffs. They did not have training to address the situation that erupted into a riot. In addition, Hawai‘i has no training academy for its corrections personnel. The police do. Personnel who oversee training for corrections staff don’t appear to be qualified trainers, some with questionable credentials.

“All of these deficiencies fall directly at the director’s doorstep. From the conversations I’ve had with staff, law enforcement, corrections, and family of inmates, it appears to me that morale functioning of the department has deteriorated over the past four years while the current director has been director. I find a leadership vacuum at the Department of Public Safety because leadership has to come from the top, and the top is the director. Through his policies and procedures, I believe he has put both staff and inmates at risk. I am voting ‘no’ on Governor’s Message 543 because I find that Mr. Espinda lacks the leadership skills necessary to lead this very difficult department. The Department of Public Safety, in my view, needs to move forward in a **new** direction with a **new** director who has the skill sets and ability to provide leadership to the law enforcement side as well as the corrections side. Mahalo.”

Senator Harimoto rose to speak in opposition to the nominee as follows:

“Thank you, Mr. President. I have never before spoken in this chamber to oppose the confirmation of a nominee. It pains me to do so today. While I do not wish to speak badly of anyone, I believe that it is my responsibility and duty to explain why I cannot support the confirmation of Mr. Espinda as director of the Public Safety department.

“It is clear to me that this is a troubled department in need of new leadership. Mr. Espinda has been at the helm of the department for the last four years. To continue the status quo for another four years is not in the best interest of the public. Granted, this is a difficult department to manage, but that is not

good reason for us to lower our expectations of the director. Many employees and members of the public have lost confidence in the current department leadership. We need a director with clear vision and who will be the champion to lead the charge toward that vision. We need a director who will be a dynamic leader in advocating for needed reforms and usher in new ideas and innovations. We need a director who will command the respect of employees, advocates, legislators, and the public. We should expect nothing less.

“To be clear, some of the problems pre-date Mr. Espinda’s term as director, such as overcrowding and substandard facilities. However, there is much that he can do to address these problems that are within his control. His complacent acceptance of these problems and lack of leadership to address these problems are of serious concern.

“Mr. Espinda touts his success in reducing staff overtime costs, but the results raise concerns about safety. To be clear, the problems in the department are so much more significant and deep-rooted than simply overtime costs, and these problems are but the tip of the iceberg. These deep-rooted problems are not a result of a lack of funding, as some may say; they are the result of poor leadership and poor management.

“So many problems came to light in the past hearings, in the media, and from various sources that we should all be very concerned. The more I delve into these problems, the more concerned I become. Here are just a few of the problems: inmate escapes; releasing inmates by mistake; keeping inmates beyond their release dates; shootings, two of which recently resulted in deaths; inmate suicides; issues with weapons; issues with training; less-than-lethal weapons kept for training only and not deployed; reports of the training official’s questionable qualifications; failure to make progress to obtain national certification for law enforcement officers; the Maui riot; and, just last night, a media report that weapons and ammunitions do not comply with the department’s own policies. It seems like almost every day there are new reports of more problems. Clearly, this is a symptom of poor leadership and management.

“As a member of the Public Safety committee, I’ve heard from numerous current and former employees and others about deep-rooted and pervasive problems in the department. I read through every testimony and every email, and there are many, with emails still coming in. And I personally met with and spoke with employees, advocates, and members of the public. Many current and former employees from all areas of the department—corrections, sheriffs, and administration—bravely came forward to reveal disturbing information about what’s going on in the department, and many more say that they are afraid to speak out. Some people say that employees should just file a formal complaint or union grievance or file a lawsuit. Some say that these are just disgruntled employees. Others say that this complaint or that complaint turned out to be baseless. Perhaps. But it’s really not about any particular complaint or piece of information. As senators, we are not equipped to investigate specific complaints or even get the facts because these may be personnel issues. It is not our responsibility to investigate such complaints, but it is our job to listen and understand the nature of the complaints and to step back to put them into the perspective of legislative oversight. I find much of the information presented to be credible because there are common themes: an environment and culture of fear, intimidation, and retaliation; favoritism and nepotism; questionable procurement issues; lack of or failure to follow policies and procedures; no faith in internal investigations; you’re either for the director or against him. The information presented is certainly disturbing, but, more so, I’m concerned because perceptions of a toxic work environment are similar. This points to employees who have lost faith in and respect for their leadership. Last year, we had a bill calling for an audit of

the department. Mr. Espinda's harsh and accusatory testimony opposing an audit was appalling and totally unacceptable. Was he lashing out because he perceived us to be questioning what's going on? This was not the temperament of a good director, and it should give us personal insight into why employees might be afraid to speak out.

"And, finally, Mr. President, I respect the decision of each senator regarding the confirmation of Mr. Espinda. I only ask that my colleagues give serious consideration to the fact that the subject-matter committee members devoted so much time and energy in sifting through all the information presented, and the committee concluded that this is a troubled department desperately in need of new leadership. The lives of far too many people are literally in the hands of this department for us to allow the status quo to continue for another four years. It is for these reasons that I will be voting 'no.' Thank you."

Senator Chang rose to speak in opposition to the nominee as follows:

"May I have permission to insert the remarks of the Majority Floor Leader into the record as if they were my own?" (The Chair so ordered, by reference only.)

Senator Moriwaki rose to speak in support of the nominee with reservations as follows:

"It has been a troubling decision for me. I heard many of the employees; I read the testimonies; I looked at the documents. I also met with the director and the deputy director a couple of times, the governor's chief of staff, to carefully look at the issues that were troubling for this department: not having the policies and procedures; not having the training; inadequacy of the equipment; and not having good communication with all the employees in the department; and, the biggest, employees' fear of retaliation; not being able to voice their opinion for fear of being moved or suspended without due cause. Those concerns are very troubling. I talked with both the director and the deputy director, and was assured that they will make changes to address the concerns raised by employees. I've been in the cabinet a number of many moons ago, and it was a troubled department then as it is now. It was a very challenging department at that time, and then it only included Corrections. Today, it has the added responsibility of the sheriffs and law enforcement. And there is need for strong leadership among all three divisions, and especially in the Sheriff Division: They have not felt the support of management.

"I have received a number of responses and information from the director that there will be change; that he has heard loudly and clearly the problems in the department, especially the lack of communication, the lack of support of employees, the lack of training, the lack of equipment. Some of that is on our shoulders by not providing the funding and the positions for him to do his job, but I have been reassured, for example, that he will, beginning in May, have quarterly meetings. The deputy for the sheriff's division will be meeting quarterly with the commanders so that issues and concerns can be brought up and addressed and, especially, the policies and procedures that have been sitting for quite some time without adoption. I've also got assurances that the commanders' input on these policies are going to be expedited and submitted to HGEA by May 1st. I also have been assured that the issue that the PSM committee chair mentioned of the training director's background will be addressed; it is going to the internal affairs office to be fully investigated. These are actions the director is taking that I see as a commitment to change, to really hear from employees, hear from those who have been affected and afraid to speak, and I'm being assured that he will, in fact, make these changes. I'd like the record to show that he will, in fact, get the CALEA certification, as he promised, before his term is over should he be confirmed. Thank you, Mr. President."

Senator Inouye rose to speak in support of the nominee as follows:

"Much has been said on Governor's Message 543. However, let me say I firmly believe we have much to do as a whole if Nolan Espinda is confirmed. We have also failed tremendously in providing resources to the needs of the only state-run prison system that's been on request forms for more resources for many years. We have and continue to ask for more dollars to build a new stadium, millions of dollars for hospitals, for the homeless, for housing. Where are the dollars for our prison system?"

"Nolan Espinda is blamed for some of the deficiencies that are downright wrong. He has been slighted in newspapers, in social media, in emails and phone calls. Nolan Espinda, in my mind, is a reformer, and folks who think otherwise don't like it. I look at him as one who, when the going gets tough, the tough get going. There has been no director in the history of Public Safety who has stayed more than seven to ten years. It's a tough job.

"Mr. President, I look for a hero. We need a champion, and I hope there is someone here in this chamber to fight for our neglected facilities on all our islands, to provide more needed resources for personnel, to work with the director to make things right. Colleagues, please join me in confirming Nolan Espinda, Governor's Message 543. Thank you, Mr. President."

Senator Fevella rose to speak in support of the nominee with reservations as follows:

"Good afternoon. I wasn't going to say much this afternoon. In the committee: Yes, it was my fault; I wasn't paying attention. When I went into the committee, I told them in Senator Nishihara's office that I stand firm on my vote as reservations. Never changed from when I left the room; I went from committee to committee and I went to his committee. For whatever reason, I do not know how it was changed or I misled or misunderstood because all the governor's messages were all the same, so I voted the same every single time I went in there. So, when I voted 'with reservations,' I did not know that I was voting against his confirmation. Yes, I went in there to try to correct it. It couldn't be corrected, so, yes, it is five to zero. But I'm correcting it here on the floor that that's not how I wanted to vote. I wanted to vote for Espinda with reservations, and I'm going to tell you guys why.

"Yeah, I was not here four years ago when he got the job, but I feel, as one of the senators here, to keep his feet to the flame, I want to work with him. I think he deserved a chance after all what he went through with the media, every single email and every single one that I had from my community. My community, I think, has one of the most sheriffs, law enforcement, and even prison guards and inmates at OCCC and Halawa. And I had both sides telling me this, and this is the bottom line, from inmates to prison guards to sheriffs: If not Nolan, who? There's nobody who has the backbone. Understandable he's hard, but he's doing the job, from what I learned through my investigation, what the senators want: Cut the budget, overtime, making sure we have no cancellations on the weekends for the families to come and see their families in prison. Far as I see, he did his job.

"Yes, again, we talk about the riots in Maui, and, unfortunately, some people died. But if you guys look at what everything was said and done, even the inmates, some of the inmates, said it wasn't his fault. The prison guards who were treating them like inhuman conditions weren't Nolan's fault because he was not there on a daily basis. This was an eruption that was going to erupt whether Nolan was director or not. Why? Because it's our fault. For the overcrowding, it comes down to us; it's our fault, and it's not just four years ago. It's

been going on for years, overcrowding prisons, years. So he inherited the problem, tried to do the best he can from what I see, but then he's crucified in the media. I'm just really frustrated in a sense that a guy who put his health on the line, goes through all of this—he could've easily just said, 'I'm done. I'm not gonna put my wife, my family, my friends through this.' But he didn't. Every committee meeting, he sat there. Every question, everything that anybody asked him, he had an answer.

“So I interviewed pretty much the same people that my colleagues interviewed, in my district, at the coffee shops. Yes, I listened to them. But I'm going to tell you, fellow colleagues, my investigation and the bottom line is about the money. It is about the overtime; it is about the sick leave; it is. And a lot of you guys said it ain't, but it is. Out of the five people, four said the same thing in a different way. So my conclusion was that I was—and you can ask my wife and my family; I had a hard time—mine was a 'no' for a long time. But I'm going to tell you when the turning point came for me, guys: when Mrs. Espinda came and testified, not on the accomplishments of her husband or the things that he did for the state, but just to talk about her husband. I watched in the room the people who came and testified, in uniform or not, against Mr. Espinda. And my conclusion came when she gave that speech in that room. I looked across the room: If you had somewhat of not being selfish and not being for yourself, just had an open mind and one open heart, you could see your face change, the emotion change, in that room when she was speaking. We weren't looking at Nolan; we were looking at a wife speaking about her husband. And, you know what, the people who came against Nolan, nothing changed, but everybody else in the room, men, women in there, some of them had tears, some of them were crying, emotion, putting their head down. But the guys who came against Nolan in the audience, not a flicker because they did not come for their fellow colleagues who work with them. They came for one thing: I, me, myself, that's it. They weren't scared of repercussions; they weren't scared to lose their jobs; they weren't scared and afraid like they said they were; they weren't shaking, because they had no emotion, but I did. And that time when I was sitting there and I was listening to her and I said, wow. And then how's this one, we didn't take a stand then. We took another day to go vote. Media again got involved, ripping him to shreds. So, my fellow colleagues, on behalf of just justice and a willingness to serve and go through the pain and the suffering that this man went through for his job—none of us should have to go through something like that. Yes, he is the leader; he is at fault. I'm not saying none of the stuff that you guys saying is not true. But to cost a man his job because of a lot of hearsay and a lot of angry and disappointed employees, I think we should think different because that is not a way somebody should be losing their job.

“I am voting with reservations, but I'm going to tell you, since I sit on this committee and all the rest of the committees: If Mr. Espinda does get through this Senate, I guarantee you I'll be working side by side with that man to make sure everything that he said he was going to do, and everything that I'm saying here on the floor that he's going to do, I'm going to work with him. As long as I am the senator of 'Ewa Beach, I'll still be with him. I'll work with him, and I'll tell you why: because I think he's the work guy to do. Yeah, he's not a smiley guy, you know, walking around with big dimples in his face, but he is undoubtedly a strong man to lead. I understand you guys saying that he's not a good leader or he's not a leader, but he is. He is a good leader. I talked to some of his good friends who are prison guards, and they told me the day what I said over there in the committee and even what I'm saying now. Maybe he's not a great boss, yeah? But he is the one stepping up; he's the one to step up and make the change. So, if you guys can find somebody else better than Espinda, then that's a choice you guys make, but I am voting with reservations, and I'm willing

to work with him side by side. And thank you guys for your time. Thank you, Senate President.”

The Chair called for a Roll Call vote, and clarified the voting procedures.

The motion was put by the Chair and, Roll Call vote having been requested, carried on the following showing of Ayes and Noes:

Ayes, 17; Ayes with Reservations (English, Fevella, Gabbard, Ihara, Kanuha, Moriwaki, Shimabukuro). Noes, 8 (Baker, Chang, Harimoto, Kahele, Nishihara, Rhoads, Riviere, Wakai).

Senator Dela Cruz introduced Director Nolan Espinda, who was present in the gallery with his wife, Malia; his daughter Caitlyn and her fiancé, Ryan; and his grandson Royce.

The Chair then stated:

“Before moving on to the next item on the agenda, Senator Nishihara and I have talked at great length about what would be the next step if Director Espinda were confirmed today, much as we did with Deputy Director Aila. While there were concerns raised, the majority of the body felt that we wanted to give an opportunity to serve, but it would be incumbent on us to lay out terms of what we believe should be done and what we expect to see happening going forward. I think Senator Nishihara, both in the hearings and information briefings that he's held and his floor remarks, as well as the floor remarks from Senators Moriwaki, Baker, and Harimoto, have indicated a list. I'm going to ask Senator Nishihara, as the chair of the committee, to put that list together in writing and work with his colleagues so we can have an open line and a clear communication with Director Espinda so that we can achieve the goal of working together to move forward and ensure a better-functioning public safety operation here in the State of Hawai'i.

“Senator Inouye, to your question of the hero, it is not any question to me. In 2015, when I asked Senator Nishihara to chair this committee, he immediately answered to the task, and he has, with great passion and determination and countless hours of research, work, attending conferences to make sure he can do the best job that he can, he has been that champion, I believe, for us already, and I look forward to continuing to work with our champion to ensure that the people of Hawai'i get the best service in the public safety system, so thank you for your tireless efforts, Senator Nishihara.”

ADOPTION OF A RESOLUTION

On motion by Senator Kahele, seconded by Senator Fevella and carried, the report of the Committee was adopted and H.C.R. No. 161, H.D. 1, entitled: “HOUSE CONCURRENT RESOLUTION REQUESTING THE HAWAII COMMUNITY DEVELOPMENT AUTHORITY TO STUDY PROPERTIES IN OR AROUND KAKAAKO TO RECOMMEND APPROPRIATE SITES FOR A NEW FIRE STATION OR, ALTERNATIVELY, TO IDENTIFY EXISTING FIRE STATIONS THAT MAY BE RELOCATED OR EXPANDED TO MORE EFFECTIVELY SERVE THE KAKAAKO COMMUNITY,” was adopted.

FINAL ADOPTION

Senator Kahele moved that S.C.R. No. 38, S.D. 1, H.D. 1 be adopted, seconded by Senator Fevella.

Senator Baker rose to request that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in support of S.C.R. 38, S.D. 1, H.D. 1. A single restaurant in the United States wastes thousands of pounds of food a year. At the same time, food waste is a serious environmental problem and many of Hawaii's food drives need food donations to feed the needy. Lack of knowledge on how to donate food safely and fear of being held liable for any health problems that result from donated food may make some restaurants unwilling to donate. Please join me in voting to adopt this resolution. Mahalo."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.C.R. No. 38, S.D. 1, and S.C.R. MISCELLANEOUS BUSINESS**RECONSIDERATION OF ACTIONS TAKEN**

S.B. No. 1292, S.D. 2 (H.D. 3):

Senator Wakai moved that the Senate reconsider its action taken on April 11, 2019, in disagreeing to the amendments proposed by the House to S.B. No. 1292, S.D. 2, seconded by Senator English and carried.

Senator Wakai then moved that the Senate agree to the amendments proposed by the House to S.B. No. 1292, S.D. 2, seconded by Senator English.

Senator Wakai noted:

"Mr. President, this measure provides us much-needed revenues to deliver much-needed government services."

Senator Thielen rose to speak in opposition to the motion as follows:

"Members, I apologize in advance; it's been an emotional week, but I rise in opposition to this motion. I'd like to read an email that I received today:

Good afternoon, Senator Thielen [spelled incorrectly]. I ask that you please vote 'no' on S.B. 1292, H.D. 3, and here is why. My name is [I'll respect his privacy]. I am a retired battalion chief with the Honolulu Fire Department. I grew up in Kailua and have lived in the Waimānalo Beach lot subdivision for the last 19 years. Over the past 50 years, I've seen the illegal vacation rental industry ruin our island home by replacing local families in our residential communities with tourists. I searched the internet and walked my neighborhood, and this is what I was able to find: According to the City and County of Honolulu's property tax maps, there are 282 residential properties in the Waimānalo Beach lot subdivision. Internet searches of Airbnb, VRBO, and Google Maps showed the following: 68 illegal vacation rentals on 57 properties, 34 transient vacation units (8 of these have more than one rental on the property), 23 shared homes/B&B. Twenty percent of our neighborhood is no longer available for rent to local residents, and this is only the beginning. There are several more properties that are for sale and/or under

construction as we speak. The list price is starting at \$1,200,000—who will buy these? Local residents? I think not. These will also become illegal transient vacation units. There are more that I could not verify. This is an epidemic. If we don't put a stop to this industry, where are our children going to live? Who will rent to locals when they can rent to tourists for three or four times as much? Twenty percent of my neighborhood is already gone. This industry is driving prices up and squeezing the top of the housing market. This pushes residents who are trying to buy or rent a house down a rung, and the poorest kama'āina fall off the bottom and end up homeless or having to move away. Stop this crime so local people can afford to buy and rent here. Let's be a part of the solution, not part of the problem. I have a personal stake in this fight: My own daughter is moving to California in June because she cannot afford to rent an apartment and live her life without working three jobs. Please vote 'no' on S.B. 1292, H.D. 3. Let's not let this illegal industry have any ground to stand on here in Hawai'i.

"Twelve ninety-two started out as a Senate bill. We worked really hard on the Senate position, as we have done every year for the past three years, to have a responsible bill, to make sure that these illegal vacation rental operators could be managed, that they could not hide behind one of the internet platforms and proliferate and crowd out our neighborhoods. This gentleman is writing from Waimānalo. The neighborhood I grew up in Kailua—that was lost years ago. It's moving to Kāne'ohē; it's moving around the corner to Hawai'i Kai, and the locals who are crowded out in the neighborhoods are moving even farther into the next neighborhood and the next. If we don't manage it the way the Senate position has been solidly for the last three years, it's going to get worse and worse. There is an ability for this legislature this session to pass responsible legislation. Sitting here in the Senate is this bill, 1292. We can move to accept it, and it would hold the platforms liable for paying TAT and GET on every vacation rental unit that they book.

"At the same time, sitting in the House is House Bill 419, which the Senate amended to put in the provisions that we have fought to have passed out of this legislature for the last three years that would give the counties the ability to manage these vacation rentals, to make sure that they're operating in conformance with county laws and would stop the platforms from booking the unauthorized vacation rentals. House Bill 419, Senate Draft 2, follows almost exactly the language that was used in an ordinance in Santa Monica, California. Airbnb and HomeAway sued. They said you can't pass these kinds of regulations because we're protected by the federal Communications Decency Act. And that case went on up to the Ninth Circuit, which is the same federal circuit that governs Hawai'i, and the Ninth Circuit appellate court said the Santa Monica ordinance is legal. It is not preempted by federal law.

"So just as we are being asked to move to accept 1292, the House can move to accept House Bill 419. It doesn't have to go through any committee; it's not being governed by any particular chair or individual member. It is a bill that is sitting on the House floor, and the members can move to accept it. I don't know whether we're going to go forward with the move to accept 1292, but I know there are a lot of concerns in the Senate. Do we want to be known as a legislature that's just going to make a tax grab and act as a shield for illegal vacation rentals to continue to proliferate and take over neighborhood after neighborhood? Or do we want to be a legislature that changes the narrative, says we want to do both, making sure that vacation rentals are paying their fair share of the taxes that are due **and** we want to make sure that the counties have the ability to regulate the operations within their counties in a manner that works for the different counties around our state to

make sure that we can protect our communities and our housing for local peoples. I come from a community that would not understand me doing anything but a 'no' vote on this move to accept Senate Bill 1292, but I understand that many people are holding out hope that the House will take similar action on House Bill 419, and I think it's important that we send a very strong message to the House and to everybody who is watching here tonight. Four nineteen, Senate Draft 2, is on the floor of the house. Any member can make the motion to accept the Senate version of that bill. That will assure that our counties have the ability to regulate the vacation rentals in their districts and the platforms that are funneling the over 30,000 different units that are being operated and offered in our state. They may not be in your neighborhood yet, but 'yet' is the operative word. And if you think that this is a fiscal bonanza for the state, we've been getting less revenue per capita from tourists for the last 20 years, but that decline accelerated over the last 10 and even more over the last 5. Why? Because people can rent out a room; they can rent out a unit; they don't have to comply with permitting; they don't have to comply with restrictions, and it's cheap. So do we open the door to less and less revenue from more and more people with less and less housing for more of our residents? Or do we insist that, if we're going to pass something out of this legislature, that it be responsible and support both the counties' and the state's needs on vacation rentals? I ask, if you cannot vote 'no' on this motion, to at least step forward with reservations to send a strong signal to the House that we need them to come to the table so that we can protect our communities, our 'ohana, and our housing. Mahalo."

Senator Fevella rose to speak in opposition to the motion as follows:

"I brought this up before, and I'll bring it up again. We wanted the city and county to take lead. Tuesday, went to the city council: Councilwoman Pine, Councilman Anderson decided to come up with a bill, 89. In the bill, it says to keep the resorts resorts, and if these bed and breakfasts and these people who want to do vacation rentals need to do it in the resort area. I thought was fabulous, awesome. Went down there—sorry to my senators and Senate President; that's the reason why I wasn't in chambers—I went down there on the behalf of my community that's getting slapped, cracks, and everything that you can think of by these vacation rentals. I brought up this example before, and I'll bring it up again. 'Ewa Beach Road, 96706, guys: Please visit. Beautiful place to grow up. Plenty local families, plenty 'ohana, are getting ripped apart by these vacation rentals. Simple country home built in the '40s, maybe early '50s, was made with three bedrooms (very small, now, not like the ones you see now; very country). Fifteen vacation rental adults decide to rent 'em. Person who rented to them did not know that they were going to have 15 people there, 7 cars, bonfire. That's why I talk about making doodoo in my community, and I want it to stop. We have the sewer treatment plant; that is fine. But when you want to do that on my beaches and in my community, I get offended. That's the reason why I went to the city council, and I was so happy to see that they were trying to do something. You know, me and Councilwoman Pine and Ron Menor, sometimes we don't see eye to eye, but when they came up with something like this, I was like, finally! Finally, they're going to do something for our state, which we talked about, that they need to take the lead. And then, here we are: we're going to pass something that's going to chastise their movement. It's going to handcuff the city in doing what they said they were going to do.

"In 'Ewa Beach—I'm not sure about all the rest of the communities—but my community speaks loud to me. They do not want this; they don't want it in our community. We have a house that is being built right now, right now: 15 bedrooms, 7 bathrooms, but they're smart. They hide all the utilities, wait till the city pau pass 'em. Soon as they're gone, they know that

they're not going to get inspected again. So guess what aunty and uncle gotta live next door to; you know goin' have more than 15 people in that house. We want rest for our elderly and our seniors and our local families and our community. They deserve it! They live there all their lives. To have a transformation of a community to be tourism, that is so not native to what we do over there in 'Ewa Beach. There's a place for it, and that's Waikīkī. And that's what the council had, and when I read that, I was so happy, seriously. And then tonight, when I went to the meeting earlier, to one of the committee meetings, and they said, oh, that this was just going to go straight to the Senate floor, something I learned today. And I was very disappointed because I was going to voice myself in the committee and say how I felt about this bill and why. But we're here today, again, debating on something that we shouldn't be debating about because no neighborhood should be subject—not yours, not mine—to something that is not legal. It's not legal for us to have this. It's not something that is easy. I goin' tell you right now, five to six of those houses, Filipino booking agencies. Six of those houses, they don't live in the States. They never came to Hawai'i! They purchased that home online. These are the people that we're dealing with.

"So please, I ask you, my fellow senators, please do not vote for this bill, because it's going to hurt my community and a lot of other communities. Give my community, give my 'Ewa Beach residents, my seniors a rest from this kind of everyday weekend partying. We know it's illegal to burn stuff on the beach; DLNR says that. But they go take pallets and cardboard from the stores, and they burn 'em. 'Kay, fine, but they no clean their mess! We get turtles come over there, monk seals. Our beaches are beautiful, guys. You guys gotta come and see! You can see all of Diamond Head from 'Ewa Beach Road; beautiful, clean ocean. To have this in our community is just a stab in the heart for the people who work hard, plantation; they don't need that. We don't need that, and we're going to send a message tonight; if we vote this down, we'll send a message to them that you gotta get out those neighborhoods. That's not where you belong! Take your action to Waikīkī, the resort areas, like how it said in the council bill—resort areas, not residential. So that's my plea to you guys tonight, and I hope you guys make the decision and vote this thing down. Thank you."

Senator Dela Cruz rose to speak in support of the motion as follows:

"I share the concerns of many of the members. When the bill originally passed the Senate, it had a lot of the language that was referred to that would help with enforcement. However, this bill has \$46 million attached to it, and so the hurt that communities will also receive if we don't pass this bill is tremendous. This bill may determine if Maui Hospital is funded; right now, we've approved \$22.5 million for Maui Hospital. We just passed today a high-tech tax credit with \$5 million; it could affect that. There's \$4 million for UH athletics; there's millions of dollars in collective bargaining; there's at least \$20 million for Aloha Stadium, \$15 million for a tax credit, and there are still a lot of bills out there for education, economic development, public safety, health, and the environment. So I understand people have concerns, but it's also our duty to pass a balanced budget, and so unless members are willing to forego all the bills with the monies attached, I urge my colleagues to at least let the measure move and eventually pass so that we can have a balanced budget and fund these very needed programs. Thank you."

Senator Ruderman rose to speak in support of the motion with reservations as follows:

"I want the tax funding just as much as anybody here, and I respect the Ways and Means chair's desire to be fiscally responsible and I support his concerns. I'll be voting 'with reservations' because this bill, to me, is toxic if H.B. 419 does

not pass, and I just want to state clearly that if 419 does not pass, I'll have to vote 'no' on it tomorrow night. I hope I'm not alone. Thank you."

Senator Riviere rose to speak in opposition to the motion as follows:

"The version that we passed out of this chamber, the Senate, to the House was a well-crafted bill, as previously stated, and it's been our position. It's been our Senate position because it's an honorable bill. It does the right thing: It has enforcement and tax collection. Somewhere along the way in the other chamber, it got changed and it had taken away all the enforcement and the oversight and the mechanisms that made it a balanced bill. I think it's unreasonable that now we are being asked to take a bill that is not our position, nor did the other side even come to negotiate in good faith on the Senate versus the House position. So, to just roll over and to accept the House position, in this case, is unacceptable to me.

"I do believe that the people doing the business should pay the tax, but I do not believe that we should covet that money so much that we lose sight of the bigger picture. The bigger picture is the health and wellness of our communities. As the previous speaker from Ewa Beach mentioned, it's destroying our communities, and it's coming everywhere. It's really wreaking havoc, and it's just unacceptable that we should be so worried about getting what amounts to maybe 2 percent of the budget if this passes or doesn't pass, and if the revenues actually materialize in the amounts that are estimated because, according to most of these vacation rental people, they're already paying their taxes—so they say, the illegal activities that they're doing.

"So I think if you look at the volume of emails that we've received, the passionate opposition to this bill, 1292, there's no question which is the right side to be on if you're looking to serve the people. If your heart is with the people, I don't know we can do this without requiring enforcement and correction. This bill is going to create hardships for the counties. The county of Honolulu is on the verge of finally getting control of their policies, and this bill, I think, is going to make it that much harder for them by providing that shield and that tacit approval for what is an illegal activity, so we are now coveting taxes on illegal activity. That's wrong; we shouldn't be going there. So I think if your values are clear, decision-making is easy, and I think that going for this now, just because we have no choice, I don't think that's clear thinking. Thank you."

The Chair made the following clarification:

"Is there any discussion? If not, we have a motion to approve, and let me be clear to the members and the audience: If the motion passes, this is to put a 24-hour notice for a final vote, possibly tomorrow. Any vote being taken right now is a procedural vote in positioning the bill and not a final approval for the bill."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1292, S.D. 2, and S.B. No. 1292, S.D. 2, H.D. 3, entitled: "A BILL FOR AN ACT RELATING TO TRANSIENT ACCOMMODATIONS," was placed on the calendar for Final Reading on Friday, April 26, 2019, with Senators Chang, Gabbard, Ihara, Inouye, Kanuha, Keohokalole, Kim, Ruderman, Shimabukuro, and Taniguchi voting "Aye with Reservations" and Senators Fevella, Harimoto, Kahele, Moriwaki, Rhoads, Riviere, and Thielen voting "No."

S.B. No. 1271, S.D. 1 (H.D. 1):

Senator Dela Cruz moved that the Senate reconsider its action taken on April 11, 2019, in disagreeing to the amendments proposed by the House to S.B. No. 1271, S.D. 1, seconded by Senator Kahele and carried.

Senator Dela Cruz then moved that the Senate agree to the amendments proposed by the House to S.B. No. 1271, S.D. 1, seconded by Senator Kahele.

Senator Dela Cruz noted:

"S.B. No. 1271, S.D. 1 (H.D. 1) would allow the Department of Accounting and General Services or the Department of Taxation to offset a debt owed to any state agency against a debtor's tax refund. Both departments are also required to notify the debtors and provide certain information to the claimant agencies."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1271, S.D. 1, and S.B. No. 1271, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TAX REFUND OFFSETS," was placed on the calendar for Final Reading on Friday, April 26, 2019.

Senator Riviere rose to speak in opposition to the measure as follows:

"I rise in opposition, and I stand with the communities who are suffering from the overwhelm of vacation rentals. We have a dire crisis in the state right now, especially in areas that I represent—areas that are very popular with visitors, and they're beautiful places and we want to share them with the visitors, but we need a place to live also. We need residents in our residential communities. There is a giant problem before us in this explosion of alternative accommodations.

"This body has taken a pretty good position the last couple of years. We've put together a comprehensive, well-crafted, honorable bill to address the transient accommodation tax collections with appropriate enforcement mechanisms. In each year, the House has failed to act on that. In fact, this year, we passed over a very good bill: this one. When it left here, it was fine; it came back in a form that's absolutely inadequate. I would note that the House did not appoint conferees; they didn't even want to talk about it. I would point out also that there's House Bill 419 that we modified when it was here to put some enforcement mechanisms in there so that there were a couple of vehicles to address this huge societal shift and problem that it's creating: the homelessness, the high price of rentals and living, the lack of availability of housing. So we passed over a bill, House Bill 419, Senate Draft 2, that had enforcement mechanisms built into it. Once again, the House failed to even appoint any conferees. They're not serious about addressing the problem, and if all this is is just a money grab—let's just grab the money and we don't care about the impacts on our societies—I cannot support that. I think it's terrible that there are people doing illegal activity. They should pay the tax: If they're doing the business, they should be paying the tax. But if they're doing illegal activity, we should not then condone that by saying, 'That's okay; just give us the check. Give us the money because we need it.' We have much greater problems with our homelessness and the affordable housing. I mean, we've got 20,000 houses that are now no longer in long-term rentals.

"So I'll leave it there, but the House has failed to act. That is not incumbent upon us to then just cave in and acquiesce to every one of their wishes. We need to be strong; we need to send them a message back; we need to say 'no' to this bill tonight, and then let's pick this up again next year. Thank you."

Senator Wakai rose to speak in support of the measure as follows:

"Colleagues, each of us understands we don't get everything we want during any legislative session, and, for three years, lawmakers have tried to wrap their arms around transient vacation rentals. I agree, the perfect fix involves two elements: taxation and regulation. The House has been resistant to putting

any responsibilities on the TVRs except to mandate they pay taxes. Year after year, the Senate has been working diligently to put hooks into those platforms, empower the counties, mandate reporting, and force them to take down the bad actors. That call to action has been repeated for three years, but the House is not listening. While state lawmakers engaged in hand-to-hand combat, the counties watched from the sidelines. They cheered us on as the Senate did their dirty work. For the last two weeks, I've been working with the senator from Waimānalo on amendments to House Bill 419. We brought the AGs and the mayors into the discussions; the House refuses to budge.

"A Ninth Circuit court decision in March sided with Santa Monica and determined that the platforms can no longer hide behind the Communications Decency Act or the Stored Communications Act. The removal of that shield paves the way for the counties to do what they should have been doing decades ago. Honolulu is close to setting up a permitting process, finally, for these TVRs. Under S.B. 1292, all operators must register with DOTAX and get a TAT as well as a GET number. There are fines for those who fail to register. It mandates that the Airbnbs and Expedias of the world become tax collectors. They must submit reports to DOTAX. That report will include names, address, tax numbers, and amount of taxes paid. Auditors can check on compliance and go after those who are cheating us of our taxes. DOTAX and the gov's office are supportive of this bill in front of you.

"Opponents say the government won't know if an owner is operating a TVR in violation of the zoning code, but the state is not responsible for enforcing county zoning rules. On page 15 of this measure in front of you, we give the counties the authority to put hooks into the platform. It says, 'Nothing . . . shall be construed to preempt or prohibit the authority of any county or political subdivision of the State, to adopt, monitor, and enforce local land use ordinances, rules, or regulations, nor to transfer the authority to monitor and enforce these ordinances, rules, or regulations away from the counties.' That's all that the counties need to finally do their job.

"Colleagues, when it comes to controlling where and how many TVRs exist, that is not our kuleana. Ours is to collect taxes rightfully due to the state. Opponents are demanding the entire loaf of taxation and regulation, and refuse to accept half a loaf. Half a loaf, I tell you, is better than to starve our state coffers for another year. Thank you, Mr. President."

Senator Thielen rose to speak in opposition to the measure as follows:

"Most of us in this room are familiar with Rapid 'Ōhi'a Death, the disease that's decimating our native forests, especially on the Big Island. It's sweeping through our forests and it's killing off our native ecosystem, and when the trees die, the native species that live in them, the flora and fauna, all die. We could try to plant more trees, but it doesn't work. The area gets taken over by invasive species, and that forest is never the same again. We can see the impacts of Rapid 'Ōhi'a Death because it's very visible. What we're experiencing in our communities is a rapid local housing death, but it's not visible because you drive down the street, and the houses are still there. But the difference is, they're no longer homes: The heart and the spirit that lived in those homes, our local families, are being moved out. According to the Honolulu Department of Community Services report in 2015, at 80 percent occupancy, the average Airbnb unit brings in about 3.5 times more revenue than a long-term rental. This is why we've had about a 35 percent increase in illegal vacation units over the last two years. And it's not a coincidence that over that same two-year period, it's the first time in the State of Hawai'i we've had a decline in population.

"Now, I know we've all listened to the many, many good things that we've put in our budget that help our residents, but I want you to think about the human impacts that this disease that's spreading across our state is having. Yesterday, I shared an email from a retired fire battalion chief who's saying that his daughter is going to be moving to the mainland because she can't afford to live here anymore because the community's been taken over by vacation rentals. We passed an excellent bill that increases the amount of funding that's available to our kūpuna and their working adult children so the adult children can have some respite from caregiving and stay in the workforce and care for their kūpuna. How is that going to help this retired fire chief? His adult child is moving to the mainland, and many, many, many other families like that, too. My friend Warren who was in rental housing for 12 years—Chinese nationalist bought the housing, kicked him out. It's an investment property; they can make a lot more money by a vacation rental. He's lucky: He's in his fifties; he can work. Hawai'i has the highest proportion of our residents who are in rental housing than any other state. What's going to happen to them, particularly the kūpuna, who are on fixed income, who get moved out and now have to try and find housing and compete in a market where people can earn 3.5 times the amount of revenue by flipping to a vacation rental than they can from a long-term rental? My husband and I dream about having our adult daughters be able to move back to Hawai'i. I have very strong memories of my oldest, when my parents would take care of her on the weekends so my husband and I could go out for a date night, and watching her one time walk down the street holding both their hands when she was little. And I wish to have that opportunity myself, with a grandchild or grandchildren one day, if I'm so lucky. But I don't know if that's going to happen. It was always a heavy lift to get our kids back from the mainland because the cost of living was high here, and that was before these platforms existed, before it was so easy for people to hide behind the shield of the platform and to rent their apartments or their homes.

"I agree with what the senator from Pearl City said: It's very, very frustrating to sit here and watch the City and County of Honolulu not take action year after year after year. But in the past couple weeks, as the senators here have given me the opportunity to negotiate with the House, I've had a lot of talks with the planning directors and others on the neighbor islands where they are taking action, and they need help. The platforms are not violating any land-use laws. The county ability to enforce its land-use laws—it's irrelevant. The tax department has come to us and said, 'We need new authority to be able to manage these vacation rentals through the platforms because it's not possible to manage them one by one by one.' We have to make sure that the counties have that ability, and we should not be balancing our budget on these illegal operations because then we will become reliant upon those revenues and more resistant next year to giving the counties the authority to regulate.

"I know we're in a terrible position tonight, and, again, I really appreciate the flexibility many of you have given me to try and negotiate and carry the Senate position, and it's not our fault that the House hasn't done this. It is the House's fault. They even stripped out the little bit of language they had in House Draft 2 that required the tax department to share a minimal amount of information with the counties so that they could enforce their land-use laws, and that got stripped out in House Draft 3! It was an insult; it was such a minor give that the counties and the hotels all said, 'We'll take that! We'll take that version because it will put us in a position where at least we have a fighting chance,' and that got taken out in House Draft 3. And what got put in to House Draft 3 is that the information that's given to the tax department is confidential and **cannot be shared**.

“So the choice that we have tonight is, do we go for the money or do we hold firm to our position? And I know it’s a terrible choice that we’ve all been put in, but we’ve been put in it by the House. And I ask you—I know you’re thinking of the good programs that we’re funding in our budgets—but I ask you to think of the real human costs and what’s going to happen to our society as more and more of these homes turn into houses, where they lose their spirit and their heart of our native ‘ohana community system, and what that’s going to mean for our state over the long term. I ask that you join me and vote ‘no.’”

Senator Dela Cruz rose to speak in support of the measure as follows:

“However the body decides to vote, so be it, but I just want to point out some facts. Council on Revenues came in, and that reduced \$80 million from our budget and a hole that we’re going to have to fix in the out-years. Collective bargaining came in, and that’s going to cost us way over \$100 million. I’m not sure what the financial outlook is going to be in the upcoming years, but I just want to point out some of the bills for which the subject-matter committees got WAM/FIN approval which may be impacted if the bill doesn’t pass. I just wish, as I had asked the subject-matter chair last week, to vote on this bill last week Thursday because that would’ve allowed the FIN chair and I to really determine if we can have FIN/WAM approval or not. It would’ve saved a lot of people’s time and effort. So that part, I think, bothers me, is that if we were going to vote this down, we should’ve voted it down last week because it impacts a lot of bills, which I think we’re going to have to look at, at some point, either recommitting or deferring, so I’ll just quickly go over them.

“We approved Filipino American World War II veterans burial grants. We approved State Procurement Office homelessness training procurement; FDA Food Safety Modernization Act; food certification training program appropriation; loan repayment healthcare professionals matching funds; suicide early intervention, prevention, education for Department of Health; Hawai‘i 2050 Sustainability Plan; He‘eia State Park appropriation; DBEDT–DOA study, impact marketing appropriation; UH Hawai‘i Pamantasan Council appropriation; agriculture theft and vandalism pilot project appropriation; culturally competent palliative care pilot program; industrial hemp state plan appropriations; Department of Agriculture aquaculture development program appropriations; Hawaii Public Housing Authority Section 8 vouchers; DHRD employment recruitment, experimental modernization administrative officer position, experimental modernization project; Hawaii Correctional System Oversight Commission; DLNR Rapid ‘Ōhi‘a Death appropriation; Hawai‘i Museum of Natural and Cultural History, appropriation to Bishop Museum; historic preservation rehabilitation tax credit; voting by mail; creative media and film industry special fund appropriation; HTDC appropriation; homelessness, Human Services, housing shelters, ohana zones pilot program; DOA agricultural disaster funds, agriculture loan revolving fund; UH student athletic program; HTDC activities research credit; homelessness, Hawaii Public Housing Authority, Human Services appropriation; motion picture, digital media, and film production income tax credit; Hawai‘i Community Development Authority stadium development district appropriation; Maui Health System appropriation; Cancer Center, liver and bile duct cancer appropriation; and Office of Energy appropriations. And those are just what we passed within the last two days, so there are other bills that are going to be impacted, and it would’ve been good to know that we weren’t going to have that \$46 million last week.

“DOTAX had mentioned that there’s a big difference between this bill and the bill that went to the governor several

years ago. It’s mandatory for platforms to collect GET and TAT using this bill. Platforms will be liable for GET and TAT as well. It also requires platforms to report name, address, property address, TAT, GET, and taxes paid. There are civil penalties. There are consequences for placing an ad without TAT number. There’s also potential violations of federal CDA and SCA laws, which the bill uses definitions now upheld in other jurisdictions. It also allows counties more aggressive actions, and the revenue estimate is \$46 million. Thank you.”

The Chair then called for a Roll Call vote.

The motion was put by the Chair and failed to carry, S.B. No. 1292, S.D. 2, H.D. 3, entitled: “A BILL FOR AN ACT RELATING TO TRANSIENT ACCOMMODATIONS,” having been read throughout, and Roll Call vote having been requested, failed to pass Final Reading on the following showing of Ayes and Noes:

Senator Gabbard requested that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Gabbard's remarks read as follows:

"Mr. President, I rise in support of S.B. 1353, S.D. 3, H.D. 3, C.D. 1. Colleagues, this bill moves us a step forward to seeing the day when Hawai'i becomes a world leader in the production of industrial hemp. You may remember, we've passed four pieces of legislation over the course of the last five years to have UH conduct a hemp research study and also set up a pilot hemp research program. To date, there are 17 licensees across the state who are licensed to grow 117 acres of hemp under the Department of Agriculture's hemp program. I know you've been hearing from some of your constituents, there's huge potential for hemp as an economic driver for our ag industry for years to come. Consider these facts:

- New Frontier Data released a report in February 2019 estimating that U.S. hemp sales in 2018 were \$1 billion and that global hemp sales will reach \$5.7 billion by 2020.
- According to Vote Hemp, there are now 23 states, including Hawai'i, that are growing hemp.
- There are currently 3,546 hemp licensees around the country with a total acreage of 78,176.
- In December, Congress passed the Farm Bill which took hemp off the federal schedule 1 controlled substances list.

"So with S.B. 1353, we're on the cusp of taking advantage of hemp's new legal status and opening the door to a new booming industry for our state. This bill will require our Department of Agriculture to establish a commercial hemp program and submit a plan to the USDA on how our program would roll out. It would allow existing seed inspectors to also do inspections for hemp. It would also create two new hemp positions, so that we would have a total of three people working on this important project. While I would have liked us to pass a bill more closely aligned with the recommendations of the Department of Agriculture and the Attorney General, as we all know we don't always get what we want during the legislative process so we need to do the best with what we have in this bill. I urge you to join me in supporting this important legislation and get this hempening! Mahalo."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 186 was adopted and S.B. No. 1353, S.D. 3, H.D. 3, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO INDUSTRIAL HEMP," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

RECONSIDERATION OF ACTIONS TAKEN

S.B. No. 1292, S.D. 2, H.D. 3:

Pursuant to Senate Rule 66, Senator Chang moved that the Senate reconsider its action taken on S.B. No. 1292, S.D. 2, H.D. 3 on Friday, April 26, 2019, seconded by Senator Baker.

Senator Kim rose on a point of order, stating:

"Mr. President, point of order. We are discussing whether or not the reconsideration—"

The Chair interjected:

"The motion of reconsideration."

Senator Kim continued:

"Not for the measure itself, correct?"

The Chair replied in the affirmative.

The motion was then put by the Chair and carried, with Senators Fevella, Harimoto, Ihara, Kahele, Keohokalole, Kim, Moriwaki, Riviere, Ruderman, and Thielen voting "No."

FINAL READING

S.B. No. 1292, S.D. 2, H.D. 3:

Senator Keith-Agaran moved that S.B. No. 1292, S.D. 2, H.D. 3, having been read throughout, pass Final Reading, seconded by Senator Dela Cruz.

Senator Thielen rose and stated:

"Thank you, Mr. President. I move to amend Senate Bill 1292, House Draft 3, and would ask the Clerk to please pass out the floor amendment."

Senator Riviere rose and stated:

"I second that."

At 10:49 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 10:52 a.m.

At this time, Senator Nishihara welcomed a group of fifth-grade students from August Ahrens Elementary School, who were present in the gallery with their teacher, Ms. Ragmat.

Senator Thielen offered the following amendment (Floor Amendment No. 21) to S.B. No. 1292, S.D. 2, H.D. 3:

SECTION 1. Senate Bill No. 1292, S.D. 2, H.D. 3, is amended by:

- (1) Inserting language in sections 5 and 6, relating to chapters 237 and 237D, Hawaii Revised Statutes, respectively, that requires the director of taxation to provide each county the minimal amount of data necessary to enable each county to provide for meaningful enforcement of its land use ordinances, rules, or regulations; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Senator Thielen rose to speak in support of the amendment as follows:

"Members, we're put into a situation of 'take it or leave it,' but I firmly believe there are always more than two choices. A legislative body sits down at the table, and they work out agreements, and sometimes they're tough agreements. This Senate has tried and tried and tried to work out an agreement with the House. We have said we agree that vacation rentals should be paying transient accommodations tax and GET. We agree it is easier to collect these taxes through the platforms. The one area that we have disagreement is whether this measure should also provide some language that allows the counties to enforce their land use zoning and to restrict vacation rentals from taking over communities.

"We're being told that Senate Bill 1292, House Draft 3, does protect the counties because it requires information about the vacation rental to be posted on the advertisements. The problem is that requirement is placed in the sections of the law that apply to the Department of Taxation. Those requirements cannot be

enforced by the county. They can only be enforced by the Department of Taxation, and, by the way, those requirements have already been in law for three years, and the Department of Taxation has made very clear that they don't really care about whether there is a local contact listed on the advertisement; their job is purely to collect the tax. We cannot rely on the Department of Taxation to enforce those provisions, and I don't blame them because their job is simply to collect the tax. That is why we need a bill that makes it clear that there will be some assistance to the counties because the way that Senate Bill 1292, House Draft 3, is written, the internet platforms will be a shield for the illegal operators and the counties will not be able to get that information to do enforcement.

"And what's happened is, although we've tried and tried and tried to hold the Senate position and the House has said 'no,' we're the ones making the vote. We're the ones who will be blamed for doing the tax grab. And the irony is, I just found out yesterday, one of the House counterparts in my district is apparently telling people, oh, he didn't know! He wouldn't have voted for this if he had known! It's the Senate's choice! This member's in leadership; this member could've stopped this; this member could've insisted that we work on the compromise. We are being set up.

"So I thought about what is, then, a third choice? And I think a third choice would be, the Senate makes one more offer for a compromise. We reinsert into this bill the language that was in House Draft 2. The House voted to support the language in House Draft 2; maybe it just got accidentally stripped out in House Draft 3. But the language requires—very simple—the director of Taxation provide each county the minimal amount of data necessary to enable each county to provide for meaningful enforcement of its land use ordinances, rules, or regulations. Simple. I spoke to the director of Taxation; she said they could work with that. It's not so prescriptive that it violates any federal law, and the Department of Taxation would have to go through rulemaking to lay that out. If the platforms want to challenge it, they would challenge the rules; it would not challenge the underlying law. We would still be able to collect the tax.

"If we make this offer today in an amendment, the ball goes to the House's court. Hey, House: You say you didn't know? You say that you want to help the counties, too? Hey, there you go! Floor amendment—let's pass it! Or do you guys just want to get a tax grab and leave the counties hanging? We can defer one day on the bills that our Ways and Means chairman is saying are necessary, if this measure doesn't pass, to be recommitted, and we can put the ball in the House's court. You want to collect the taxes; you want to make sure the counties have the minimum information needed to be able to enforce their land use laws; you want the 15 bills and the funding that's supportive for them? It is your call, House. It is not the Senate's responsibility; it is **your** responsibility to make this decision because we have tried and tried and tried to protect communities. We should be the last people taking the blame for this. Every person who is in the gallery who is watching us today, they can walk on up to the House. They can jam their phone lines; they can jam their emails; they can go and fill out petitions and walk into the House and tell them, 'Pass this amended bill,' and you know what? If the House tells you you can't: House Concurrent Resolution 232. It was offered by the House on April 22nd. It was adopted by the House on April 22nd. It was transmitted to the Senate on April 22nd. It was received by us from the House on April 22nd. It was adopted by the Senate on April 22nd. It was returned to the House on April 22nd. And it was adopted in final form on April 22nd. You tell me, House: If you can do that, why can't you take a floor amendment and pass it? This is your choice, not ours. If you turn it down, it's your fault, not ours. I ask that you vote with me to support this floor amendment."

The Chair clarified:

"I thought I heard you move to approve the amendment with a second from Senator Riviere. I have been corrected; you stood to offer the amendment. It had to be identified first, so just so we're clear, then, will you please offer the motion to amend."

Senator Thielen stated:

"I offer the motion to amend."

Senator Riviere stated:

"I second that."

Senator Dela Cruz rose on a point of information as follows:

"Is there a House bill?"

The Chair replied:

"There is no House bill to amend, so everything that was said about amending it, sending it over for the House to consider and amend, this was a motion to agree on Friday night, and so there is no companion in the House to be amended, and so that's not technically possible. Is there further discussion?"

Senator Baker rose to speak in opposition to the amendment as follows:

"When we were hearing similar measures last year or the year before, we heard from the City and County of Honolulu that they have a wonderful tech system that they know where every vacation rental is in the City and County of Honolulu. They know how much is being collected in rent for those vacation rentals. They know exactly what the tax map key is; they know how to find them, and they track it. So, this seems to be all about the City and County of Honolulu. We don't need this amendment because they can already enforce their own laws, their own land use laws, with the technology and the commitment that they have, and they shared that with the Senate in previous sessions, so that's why I'm opposing this measure."

Senator Fevella rose to speak in support of the amendment as follows:

"A little clarification: I was very blessed this morning to go to the ceremony for the prayer breakfast, and just so happened the person I was sitting next to was Councilman Ron Menor. We had a little discussion of me not being here on Friday because I had an emergency, and it was possible that this version of this bill might be heard, so we talked. Yesterday, Bill 89, C.D. 2 and Bill 85, C.D. 2 passed in committee, and they're going to be hearing them on Wednesday. So I urge everyone from the Senate who has concerns, really got big concerns, of this amendment or even 1292, to go down there and listen. I talked to him at length, and I asked him three questions that I had. If we passed this version of 1292, would it do anything to these bills? He said yes, because when they go ahead and try to go after the illegal rentals, they going to say they're paying taxes. We're going to legitimize illegal activity. What we're saying down here is not about the legal people that the city can keep track of; I'm not worried about them. I'm worried about the illegals that are popping up—not just in my community, Senator Shimabukuro's community, North Shore, Kailua. If we legitimize this tax collection, which we should figure out, by making them feel that they're legal when enforcement will be a problem: they're going to have a legal problem. So I asked Ron—Ron is also an attorney—that question, and again he reassured me. So it wasn't by chance or by might that I sit by Ron Menor; I believe it was a godsend because this was something that I battled from day one until now—Thursday, when I talked about it, until now. I'm going to tell you why: because, as legislators here, we can be more creative in how we're going to obtain the taxes. Now we're

having a floor amendment that might put a little bit more bite in 'em, giving the city and county a little bit more bite, and not legitimizing the illegal vacation rentals. So now we're worried about housing, homelessness, Hawaiian families not having homes. Well, if we legitimize all these guys, who's going to rent the homes? Not my family, not your family—people who are coming in our community who are only there for vacation when that could be housing one of our family members to rent, lease, live, bring their family up. It's not a temporary solution. Our community is hurting, and I fight for my community, and I'm going to tell you why: Because we're losing this battle. We grumble all this time, since I've been here—all I heard was, 'The city is not doing their job.' Well, guys, here it is: They're doing their job, and then now, we're going to come up with something. I understand that we need the money, fine, but now we have a floor amendment that we can pass to work it out with the city and still collect the money, but for legal rentals, not illegal. And the reason why I have trouble, off and on, and I talk to leadership and I talk to fellow colleagues here about *yes, no*, I don't know. It's confusing.

"Now I remember why I had hurt my feet earlier this past week; ended up in the emergency on Friday. It wasn't by chance that we were in 12–12 deadlock; there was a reason for it, so all this time, I just was thinking that I'll go try to help everybody, make sure I'm there, work with my colleagues. But God was telling me to slow down. That's why I hurt my feet. I was running here and there, to and from, worrying about everything else except one thing that's important—our state. Yeah, my health is important, yes, because I gotta do my job, but our state—by passing this bill, it's going to ruin the State of Hawai'i, whether you believe it or not. I'll go back a little bit: I always talk about my mom, my mom passing. Her birthday was April 28th. Wasn't by chance, and I shared with a few colleagues, a song was given to me, 'If There's a Phone in Heaven,' and I asked Jesus to forward my call to my mom. My mom would want me to vote 'no' on this bill because she started her career, before she got money saved, by working in the hotel industry to be a nurse, a registered nurse, so she'd take care and contribute to the family by being a hotel worker at Waikiki Banyan, where she helped organize and start Local 5. When I prayed—and I prayed hard for this, and it was very conflicting for me—what would my mom want me to do? The betterment for a few people or the State of Hawai'i? And it came down to the conclusion at my mom's birthday—sitting there, talking to her, and fellowshiping with my family—realized, this is not pono. Twelve ninety-two is not right. We can do better as legislators. We could've pressured the House leadership. I didn't know these things until after, that the House had something there and the city would be chastised. I learned this over on the few days and the few times I was there. Yesterday, when I left session after honoring a great governor, I went home and I slept and I prayed—couldn't sleep because of the pain. Standing here, still have the pain, but I think this is very important for our state. I listened to our governor yesterday, said this to us here, if anybody was listening: If a bill is not good for the majority of the state, then we need to vote 'no.' That was from our governor. I've heard that man speak; I was in awe yesterday of a great, especially at his age, and well-spoken man and knowledgeable. I pray to God one day I can have that kind of knowledge. But the thing for me, guys, is that this didn't sit well, so from injuring my feet, ending up in the emergency and 12–12 vote, there was a reason for that. There was a reason only God knows, but I cannot—cannot—vote for (I know it's not on the floor yet) but I cannot for 1292.

"I support this amendment because I feel this is something that we can legitimize and keep the illegal rentals out of our community, because if we don't have this amendment and we go to the city, Councilman Ron Menor told me that, and regardless if somebody goin' say, some people were saying that

they talked to the attorney general, Ron Menor did the same thing. So when I testified a couple weeks ago at the council, and I asked Councilwoman Pine and Councilman Ron Menor before this passed out, is this the best thing going forward for Hawai'i? And he said yeah, but he said if we just take out, we go with 1292, this will have them hard time for the illegal rentals, to bring them to justice, so all I'm here to asking my colleagues today for this floor amendment is justice for the State of Hawai'i. Mahalo."

Senator Riviere rose to speak in support of the amendment as follows:

"We have a unique taxing and powers in this state, where we have so much authority vested in the state and then we've delegated specific powers to the counties. I think, nationally, what we see is a municipality has both taxing authority and property enforcement zoning, and the local authorities have all the tools in the kit to enforce civil order for the betterment of all their community. This disconnect that we have here, where the state collects the TAT and the county is responsible for enforcing zoning and land use, doesn't work. The incentive is for us to collect the tax and we just say, 'You guys go do this.' We do this all the time: We give the county mandates. Meanwhile, we're collecting the TAT from the visitors. So I applaud this amendment because I think it's brilliant. It bridges that disconnect. It simply says the director of taxation shall provide to each county the minimal amount of data necessary to enable each county to provide for meaningful enforcement of its land use ordinances, rules, or regulations. Who can deny the simplicity and the beauty of that? That makes this bill work. We can collect the taxes.

"We heard previously that we have the authority to originate and approve a resolution in one day. We heard yesterday that, as a previous speaker spoke, Governor Ariyoshi spoke clearly about his many times of standing against the powers that wanted something and saying, 'No, I'm going to always try to find what is right.' And what is right is protecting our communities, protecting our least advantaged people, protecting those people who are being driven out of their housing because we can't control this new business. Now, this new business is dynamic and it's there. We cannot kneecap the counties in their enforcement authority. I went down yesterday to testify on Bills 85 and 89, and I was pleased to see that they did, in fact, move them forward, and they're on the verge of approving enforcement mechanisms, but, as previously stated, we are going to be interfering with that. If we want to collect these taxes, let's either work with the counties—let's have that unity and work together—or let's wait until next year. But, either way, this amendment is the way forward. Let's pass this amendment today. Thank you very much."

Senator Wakai rose to speak in opposition to the amendment as follows:

"Members, I agree with the senator from Waimānalo, who said that we've been struggling with this bill and this issue for more than three years now. And it was the senator from Waimānalo, myself, as well as the senator from Maui who, two years ago, went upstairs, talked to the governor, asked him what was his position on how to regulate Airbnbs? We've gotten no response. We were supposed to get stakeholders gathered; that didn't materialize. So we're stuck with the reality that we face today. The House doesn't want to play ball with us. The House refuses to put any hooks into these platforms, and that's where I begin to differ from my colleague from Waimānalo, who believes that, somehow, we have to do the dirty work for the House as well as do the work for the city. And I point out to you, members, that the language in this bill is clear that nothing that is in 1292 is going to preempt the counties from providing any regulations that they want. This bill provides us the ability for taxing authority and collecting the taxes, and I remind my

colleagues that Bill 419 already sits on the House floor. They can go ahead today, Thursday, pass that bill and do everything that this body has been pushing for for three years. It's already there; they don't need to have an amended 1292 to vote on. And that Bill 419 does everything that we want: It mandates reporting; it mandates sharing of that information, and it also mandates that the platforms take down the bad actors when they're found. It does even more than the amendment that is in front of you today. And we cannot continue to hope and throw a Hail Mary at the House. We cannot anticipate wishful thinking as getting us through the day. We need to have strategic thinking. I encourage you, members, not to vote for this proposed amendment."

At 11:16 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:32 a.m.

The Chair remarked:

"Before proceeding, a couple of factual items: Senator Riviere, we certainly have had debates about unfunded mandates; the power of zoning to the counties is not one of them. The power of zoning is granted solely to the counties; through zoning, they issue building permit fees, plan review fees, and, through the process of zoning, create real property value, which they collect, and is not an unfunded mandate that is passed on to the counties. And again, if it wasn't clear, there is no companion bill in the House. A vote for the amendment effectively would kill the bill. Also, a vote for the amendment would require it to go over and the House to agree. A vote against the amendment would then bring us back to a motion to approve. Do we have further discussion? If not, Madam Clerk, can we call for the Roll on the motion to approve the amendment?"

The motion to adopt Floor Amendment No. 21 was put by the Chair and, Roll Call vote having been requested, failed to carry on the following showing of Ayes and Noes:

Ayes, 9. Noes, 16 (Baker, Chang, Dela Cruz, English, Gabbard, Inouye, Kanuha, Keith-Agaran, Kidani, Kim, Kouchi, Nishihara, Rhoads, Shimabukuro, Taniguchi, Wakai).

Senator Ruderman rose to speak in opposition to the measure as follows:

"A lot has been said by others smarter than me about the legal ramifications of this bill and its effect on counties; I'd like to talk just a minute about the long-term effect on our economy and our society. Governor Ariyoshi said just yesterday, do what's right for the society of Hawai'i when you consider a bill. In my business experience, I had fairly humble beginnings and I started a business from scratch that has done very well over the course of 20 years, and to get to this point required taking the long view of financial situations in general. In any given moment, how much money we make this year is not as important as how much money we make over the next five or ten years. Many times, we've had to take money that I could've taken to the bank and reinvest it, and put it into infrastructure and marketing, and understand that the rewards will come in future years. So the tradeoff of money now for less money later or a much worse situation later is not economically smart; it's penny-wise and pound-foolish.

"We also have to, always, look at **both** sides of a ledger. Money coming in, there's benefits and there's costs. Right now, we're looking at only the short-term benefit: \$46 million this year, it has been said. But we have to consider the cost on the other side of the ledger. What is the cost of the loss of a livable society in our state? There are numbers to that; they're not as easy to get to. They'll become real over the next five or ten years if they're not real now. What is the cost of increased

homelessness instead of addressing homelessness? Less affordable housing, which is the direct result of the continued proliferation of vacation rentals. More loss of jobs for hotel workers, who are already having their hours cut and laid off. If they didn't come to your office the last couple weeks, I don't know why. I have sympathy for those people. What's the cost of more poverty in our state? What's the cost of the stress, including the dramatically rising suicide rate in our population from the stresses of society and homelessness? And, of course, what is the cost of more and more of our people leaving our state for the mainland because they can't afford to live here? And I submit to you folks, as someone who has a little bit of experience in long-range business planning, that it's a very bad bargain to take what money you can get now and leave the disaster for future years."

Senator Fevella rose to speak in opposition to the measure as follows:

"I'll keep it short. The problem that we don't foresee in the short term that we're looking at right now is inventory. I don't know about your guys' communities; we're one of the most growing communities out there on the west side. If we don't have enough inventory, supply and demand, prices go up. People cannot afford to live in there; kids are graduating from Campbell High School or future graduates from Campbell High School won't be able to live and afford in their own community like I do. So that's what I'm asking you guys today, when you guys thinking about this bill, think about the inventory, because as soon as they saturate our area, believe you me, they'll go 'Aiea; they'll go Mānoa; they'll go all over. Because why? Accessibility and availability. They'll be able to do it all over. Our area is very much victimized because it's cheap, very cheap. We have the most beautiful beaches, beautiful view of Waikīkī. So they go on the internet and they buy these homes, never step foot here, rent 'em out. Passing this is going to chastise our future residents and future children's residency in 'Ewa Beach.

"Right now, they're building Ho'opili, affordable homes. But what is affordable? Seven hundred thousand? Eight hundred thousand? All the people that I live by, and I live with my dad, my father-in-law, and my wife and my daughter. Now if you ask if I could live by myself, no. Could I buy a house in 'Ewa Beach? The answer is no. So these are the things to think about when you guys are thinking about voting for this bill. It's not just about the money and the tax collection. It's about lives in different communities that we're going to affect for generations—not just today, generations—because these guys are going to come in droves. They're waiting right now; they're watching, listening to us. Once this passes, North Shore won't be the North Shore anymore. They'll be gone. And when they're gone there, they're going to go in every single community: Mililani, Wahiawā; they're going to be there. And believe you me, we not goin' have any place to go.

"My daughter right now is a freshman in high school. By the time she graduates Campbell High School, it's almost a fact, no matter how great her job would be, no matter how minimum wage increases, she's not going to be able to buy her own home, either, because the homes we're talking about today, and by letting these guys come in and victimize, the increasing rates of land tax and rentals—'Ewa Beach went up five times in the last year and a half. A three-bedroom house between \$900 to \$1,200; now it's \$2,500. So imagine now more of these illegal rentals and these things pop up. The city said, keep it in the resort area. I agree. I not trying to tell them they cannot do their business; I'm just asking them politely not to do their business in my neighborhood, because we don't want 'em. I want to still see my aunties and uncles and cousins, not have to go vacation in Vegas to go visit them because it's cheaper and affordable. So

I ask you, my colleagues, today, to please, do not vote for this measure because it will hurt generations to come. Thank you.”

Senator Thielen rose to speak in opposition to the measure as follows:

“I’ll keep my remarks short because I’ve spoken about this at length two times already, but I do want to correct the record because the senator from Lahaina said this is an O’ahu problem: This is not. The mayor and the planning director for the Big Island of Hawai’i are asking for this. They say that they need help. The mayor and the planning director for the County of Maui is asking for the Senate version to go through because they need help. The mayor and the planning director for the County of Kaua’i is asking for the help. This is not an O’ahu problem; this is a statewide problem. Twelve ninety-two as written will allow the internet platforms to be a shield for the vacation rental operators, and all four counties oppose it, say it’s going to make it extremely difficult to impossible for them to enforce their land use and zoning laws, and they need the Senate position to prevail. Thank you.”

Senator Kahele rose to speak in opposition to the measure as follows:

“I’d like to add the comments of the senator from Waimānalo as if they were my own.” (The Chair so ordered, by reference only.)

Senator Kidani rose to speak in support of the measure as follows:

“Colleagues, earlier, I talked about the amendments to Senate Bill 78 and what it meant for our pre-K children. In this bill, there are 18 charter pre-K classrooms that could lose funding because we do not pass this bill. Are you willing to tell those kids, ‘Go home and stay home; we don’t have room for you—we can’t afford it.’? Are they going to wait five years for the counties to get their act together? This is our problem, our issue. There is also funding in Senate Bill 78 for 10 additional pre-K classrooms. A total of probably over 550 children will not be able to go to prekindergarten and start their early education, as we all know is super important because of the brain development at that early age. Colleagues, I urge you to please support this bill.”

Senator Riviere rose to speak in opposition to the measure as follows:

“I just want to point out that \$46 million, \$50 million, is approximately, of the total budget ... We’re passing appropriations in budgets equaling nearly \$16 billion. Last year, the state budget was \$14.5 billion. We’ve gone from an astronomical increase, from \$14.5 billion to nearly \$16 billion, in one year. That is gigantic. We have a lot of priorities. We’ve heard that we’ve got collective bargaining; we’ve got other expenses; we’ve got big bills coming around the corner. Yes, we do, but this bill is not going to plug that hole. We need some discipline; we need some priorities. The amount of money that \$46 million is of the budget is 0.3 percent. It is not going to make or break a balanced budget, yet we have all of the societal costs that we’ve been arguing about, so I just want to point out, although it is a significant sum of money, to depend on this for future generations at the expense of the societal adverse effects, I cannot support this measure. Thank you.”

Senator Dela Cruz rose to speak in support of the measure as follows:

“I just want to reiterate what I had stated earlier. I share the concerns brought forward on enforcement. I just wish this debate happened two weeks ago, when I asked for this debate to occur, before we started funding bills. I had a conversation with the senator from Waimānalo, who asked me to hold off because

she wanted to leverage this bill so that she could get the House to make some movement. We acquiesced and we allowed for several days. This bill wasn’t heard for another week and a half later. Her exact words were, ‘Go ahead: Give WAM/FIN approval; the bill will probably pass and we can fund bills.’ Well, that’s not exactly what happened.

“I think we funded a lot of necessary and needed programs: homelessness, education, higher ed, and the list goes on. There’s 15 bills, and if anybody wants to read it, somehow *Civil Beat* got it, so I don’t think it’s that hard to find. And we’ve had this conversation many times in the caucus that there are two sides to this coin. I wish there was enforcement language; unfortunately, there were unsuccessful efforts to try to leverage the House. In the meantime, we funded bills. And we can’t really go back, open up all those bills, and figure out, okay, how can we adjust all these different bills so that we can make \$46 million disappear. It’s not that easy. The only way we can do it is to actually recommit whole bills with dollar amounts because we’re on the second-to-the-last day of session. So there are going to be consequences.

“I shared with the caucus earlier that, already, by 2021, the estimated in-the-red is \$58.7 million. So \$46 million is \$46 million, but we’re going to be in the red in year 2021. We’re going to have to start to really, really cut programs. As was mentioned, I asked the senator who brought up, ‘Well, we need to prioritize.’ I don’t disagree, but I want to hear from any committee chair who says, ‘You can take my bill off the list. It’s not important. It doesn’t help Hawai’i. You can take my bill off the list.’ I haven’t heard that. If we’re serious about funding these needed programs, then we should have had this vote earlier so that we could’ve prioritized and maybe give a little bit less so that the program could still go forward. But that’s not the case and that’s not possible. I wish it were. I feel frustrated that we’re in this position; I wish that the senator who had made that commitment to hear this bill earlier followed through so that we could have funded things differently and actually fed every single committee chair equally and fair so that we could still move Hawai’i forward. Thank you.”

The Chair then called for a Roll Call vote.

The motion was put by the Chair and carried, S.B. No. 1292, S.D. 2, H.D. 3, entitled: “A BILL FOR AN ACT RELATING TO TRANSIENT ACCOMMODATIONS,” having been read throughout, and Roll Call vote having been requested, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 13; Ayes with Reservations (Gabbard, Shimabukuro). Noes, 12 (Chang, Fevella, Harimoto, Ihara, Kahele, Keohokalole, Kim, Moriwaki, Rhoads, Riviere, Ruderman, Thielen.)

Conf. Com. Rep. No. 16 (H.B. No. 1449, H.D. 1, S.D. 2, C.D. 1):

On motion by Senator Ruderman, seconded by Senator Baker and carried, Conf. Com. Rep. No. 16 was adopted and H.B. No. 1449, H.D. 1, S.D. 2, C.D. 1, entitled: “A BILL FOR AN ACT RELATING TO THE NURSING FACILITY SUSTAINABILITY PROGRAM,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25; Aye with Reservations (Fevella). Noes, none.

Conf. Com. Rep. No. 35 (S.B. No. 767, S.D. 1, H.D. 1, C.D. 1):

Senator Baker moved that Conf. Com. Rep. No. 35 be adopted and S.B. No. 767, S.D. 1, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Keohokalole.

Senator Baker rose to request that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in support of S.B. 767, C.D.1, relating to contractors. Handymen provide a valuable service by providing maintenance services, doing minor jobs, and other projects that are too small for a licensed contractor to take on. This is especially true in rural areas and on the neighbor islands where there is a smaller pool of contractors available.

"Handyman exemption laws in Hawai'i have not been addressed since 1992. Since that time, there has been a tremendous increase in the cost of housing materials, needed for repair and maintenance projects. Our state has also seen a shortage in licensed contractors, who are required to complete any construction work, including materials and project value, that exceeds the amount of \$1,000 or that requires a permit.

"This measure provides a modest increase to the threshold under the contractor's licensing law's handyman exemption from \$1,000 to \$1,500 and makes it applicable to the cost of labor and materials. This honors the value of our handymen's service in completing minor jobs that are too small for a licensed contractor to take on, especially in rural areas where the pool of availability of licensed contractors is small. Please join me in supporting S.B. 767, C.D. 1. Mahalo."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 35 was adopted and S.B. No. 767, S.D. 1, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CONTRACTORS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25; Aye with Reservations (Fevella). Noes, none.

Conf. Com. Rep. No. 40 (H.B. No. 999, H.D. 1, S.D. 1, C.D. 1):

On motion by Senator Thielen, seconded by Senator Taniguchi and carried, Conf. Com. Rep. No. 40 was adopted and H.B. No. 999, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO EXEMPTIONS FROM CIVIL SERVICE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 24; Aye with Reservations (Inouye). Noes, 1 (Rhoads).

Conf. Com. Rep. No. 48 (H.B. No. 407, H.D. 1, S.D. 1, C.D. 1):

On motion by Senator Kidani, seconded by Senator Kanuha and carried, Conf. Com. Rep. No. 48 was adopted and H.B. No. 407, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO EDUCATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 20; Ayes with Reservations (Fevella, Kim). Noes, 5 (Harimoto, Ihara, Moriwaki, Riviere, Thielen).

Conf. Com. Rep. No. 49 (H.B. No. 420, H.D. 1, S.D. 1, C.D. 1):

On motion by Senator Shimabukuro, seconded by Senator Wakai and carried, Conf. Com. Rep. No. 49 was adopted and H.B. No. 420, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO HAWAIIAN CULTURE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 55 (H.B. No. 290, H.D. 1, S.D. 2, C.D. 1):

Senator Baker moved that Conf. Com. Rep. No. 55 be adopted and H.B. No. 290, H.D. 1, S.D. 2, C.D. 1, having been

read throughout, pass Final Reading, seconded by Senator Rhoads.

Senator Baker rose to request that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in strong support of H.B. 290, C.D. 1, Relating to the Uniform Controlled Substances Act. The purpose of this measure is to authorize qualifying patients and qualifying out-of-state patients to transport medical cannabis between islands for their personal medical use. Qualifying patients who travel interisland still need access to their medicine. Making them buy more medical cannabis at each stop is a burden not placed on residents of other states that do not have Hawaii's geographical peculiarities.

"DOT opposes this measure because it violates federal law. Medical cannabis as a concept violates federal law, as cannabis is a Schedule I drug. Hawai'i is out in front of the federal government on its medical cannabis program, a situation with which we are all well-aware.

"Hawai'i policymakers have made the decision to allow qualifying patients to use cannabis as a medicine. This measure will allow qualifying patients to take their medicine with them when travelling within the state, as they could with any other medicine. Please join me in supporting H.B. 290, C.D. 1, Relating to the Uniform Controlled Substances Act. Mahalo."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 55 was adopted and H.B. No. 290, H.D. 1, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE UNIFORM CONTROLLED SUBSTANCES ACT," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, 1 (Harimoto).

Conf. Com. Rep. No. 60 (S.B. No. 770, S.D. 1, H.D. 1, C.D. 1):

Senator Baker moved that Conf. Com. Rep. No. 60 be adopted and S.B. No. 770, S.D. 1, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Chang.

Senator Baker rose to request that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President I rise in support of S.B. 770, S.D. 1, H.D. 1, C.D. 1, Relating to Real Estate Licenses. This measure requires a high school education or its equivalent as a condition for new applicants to obtain a license as a real estate broker or real estate salesperson. Many states currently require a high school education or its equivalent as a condition of licensure for real estate licensees.

"According to testimony from the Real Estate Commission, requiring a high school diploma or its equivalent as a condition for obtaining a license ensures an educated licensee population, which protects consumers in their real estate transactions—one of the most important financial decisions in many people's lives.

"The bill applies only to new applicants who are applying for licensure as a real estate broker or salesperson for the first time on or after the July 1, 2020, effective date and for first license renewal applications commencing in 2020. This is a commonsense measure that will not affect any current licensees. Please join me in support of S.B. 770, C.D. 1. Mahalo."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 60 was adopted and S.B. No. 770, S.D. 1, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO REAL ESTATE LICENSES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22; Ayes with Reservations (Keohokalole, Kim, Moriwaki). Noes, 3 (Ihara, Ruderman, Thielen).

Conf. Com. Rep. No. 64 (S.B. No. 693, S.D. 2, H.D. 1, C.D. 1):

Senator Inouye moved that Conf. Com. Rep. No. 64 be adopted and S.B. No. 693, S.D. 2, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Rhoads.

Senator Inouye rose to request that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Inouye's remarks read as follows:

"Mr. President I rise to speak in support of S.B. 693, C.D. 1, 'Relating to the Statewide Traffic Code'. Existing law regarding pedestrian-control signals was last substantively amended in 1981, and does not reflect the crosswalk countdown timers. This bill will improve the existing laws that need updating in order to provide consistency with the various types of pedestrian-control signals used throughout the state.

"The bill clarifies that 'If the pedestrian-control signal is equipped with a countdown timer, no pedestrian shall start to cross the roadway in the direction of such signal once the countdown begins, but any pedestrian who has partially completed the pedestrian's crossing when the countdown begins shall complete the crossing to a sidewalk or safety island before the countdown timer ends.'

"The Department of Transportation prepared the Statewide Pedestrian Master Plan for the state's highway system in 2013. And the City and County is currently developing an O'ahu Pedestrian Plan, set to be completed this year, that will define the steps needed to make Honolulu a more walkable, livable, and healthy city. Senate Bill 693 is just one of many ways the Legislature can contribute to making Hawai'i streets more pedestrian friendly. For this reason, Mr. President and members, I urge you to vote to pass S.B. 693, S.D. 2, H.D. 1, C.D. 1."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 64 was adopted and S.B. No. 693, S.D. 2, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE STATEWIDE TRAFFIC CODE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Conf. Com. Rep. No. 101 (S.B. No. 991, S.D. 1, H.D. 1, C.D. 1):

Senator Baker moved that Conf. Com. Rep. No. 101 be adopted and S.B. No. 991, S.D. 1, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Chang.

Senator Baker rose to request that remarks in strong support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in support of S.B. 991, C.D. 1, relating to telecommunications. This measure would, in part, amend the existing regulatory framework and alleviate burdens from rules and regulations that limit certain providers' ability to fully compete in a competitive, growing market.

"As the telecommunications industry has become more competitive over the past several decades, regulation of businesses offering telecommunications services in Hawai'i has been significantly reduced through legislative action and Public Utilities Commission orders. The Legislature believes it is in the public's interest to enable robust competition in the market and support a level playing field for all competitors. While doing so, we must also ensure high quality customer service from telecommunications service providers and non-discriminatory access to infrastructure in less-competitive rural markets and on the neighbor islands.

"This bill will reduce the regulatory burden on providers of basic local exchange service, putting them on a more equal footing with providers of voice-over-internet-protocol, which are not subject to the same rules as basic local exchange service. Please join me in supporting S.B. 991. Mahalo."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 101 was adopted and S.B. No. 991, S.D. 1, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TELECOMMUNICATIONS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

No. 1002, S.D. 1, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE ISSUANCE OF SPECIAL PURPOSE REVENUE BONDS TO ASSIST SEAWATER AIR CONDITIONING PROJECTS ON OAHU," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25; Aye with Reservations (Kim). Noes, none.

Conf. Com. Rep. No. 114 (S.B. No. 1530, S.D. 3, H.D. 2, C.D. 1):

Senator Wakai moved that Conf. Com. Rep. No. 114 be adopted and S.B. No. 1530, S.D. 3, H.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Dela Cruz.

Senator Moriwaki rose to speak in support of the measure with reservations as follows:

"I support the eventual transfer of the authority over Kaka'ako Community Development District from the state Hawaii Community Development Authority (HCDA) to the City. However, given the purpose of HCDA, as established by this body to preserve light industrial use, build affordable housing for residents, and to create a quality community with parks and open space in the 600-acre last open shoreline in urban Honolulu, I must raise my concern about this measure's timeline. The job of HCDA in Kaka'ako is still unfinished. HCDA has yet to build a school, a first responder station and other services. It's still developing the public open spaces; storm drain, street, and sewer system upgrades; as well as improving the central district of light industrial and small businesses. I support financing the HCDA staff with general funds rather than the diminishing revolving funds; however, this measure makes the method of funding contingent upon a very accelerated transition timeline. This measure requires a comprehensive plan by year-end and it forces a three-year transition timeline. Because of these deadlines, which appear not to be realistic for sound planning and transition, I vote 'with reservations.' Thank you."

Senator Dela Cruz rose to speak in support of the measure as follows:

"Typically, HCDA staff has been funded by revolving fund, and revenues from those specific development areas funded those positions. Now, HCDA is asking that the general fund fund all 32 positions. If that's the case, HCDA needs to help all of Hawai'i because all of Hawai'i is paying for HCDA. If revenues are being generated from one specific area, paying for its staff that's focused on one specific area, then that's understandable, but now all of Hawai'i is paying for HCDA and that agency shouldn't have one area that they're just going to focus on. Kaka'ako doesn't have exclusive ownership over 30 staff. Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 114 was adopted and S.B. No. 1530, S.D. 3, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE HAWAII COMMUNITY DEVELOPMENT AUTHORITY," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Senator Baker moved that Conf. Com. Rep. No. 153 be adopted and H.B. No. 452, H.D. 1, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Gabbard.

Senator Baker rose to request that remarks in strong support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President I rise in strong support of H.B. 452, relating to preferential electricity rates for protected agriculture. This measure promotes the production of fruits and vegetables for local consumption by authorizing the Public Utility Commission to establish preferential electricity rates for agricultural activities that use protected agriculture to produce fruits or vegetables locally for distribution. When properly managed, protected agriculture allows for more efficient use of water and fertilizer while reducing the need for pesticides and herbicides.

"Protected agriculture aligns with the federal Food and Drug Administration's Food Safety Modernization Act by producing fruits and vegetables in a safe environment. Without a preferential rate for electricity, protected agriculture cannot economically produce the quantities of fruits and vegetables needed to advance Hawaii's sustainability initiatives.

"This measure will require that the protected agriculture include reasonable efforts to incorporate cost-effective renewable energy sources and energy efficiency. It also requires the Public Utilities Commission to ensure that any subsidization being paid by other customers is limited and reasonable, and to periodically review and adjust the rates, if necessary.

“This bill strikes a balance between protecting ratepayers and encouraging local food production. I urge my colleagues to vote in support for H.B. 452. Mahalo.”

The motion was put by the Chair and carried, Conf. Com. Rep. No. 153 was adopted and H.B. No. 452, H.D. 1, S.D. 1, C.D. 1, entitled: “A BILL FOR AN ACT RELATING TO PREFERENTIAL ELECTRICITY RATES FOR PROTECTED AGRICULTURE,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Conf. Com. Rep. No. 165 (S.B. No. 409, S.D. 2, H.D. 1, C.D. 1):

Senator Inouye moved that Conf. Com. Rep. No. 165 be adopted and S.B. No. 409, S.D. 2, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator English.

Senator Ruderman rose to speak in opposition to the measure as follows:

“Firstly, let me say my thanks to our Transportation chair, who worked on this bill and made it as best she could. I really appreciate it.

“This bill is only important if you care about climate change. This is not about my car or whether I own an electric vehicle or not; I’m happy to pay my way. I often vote for things that are not in my financial best interest because I care about our society. This is about what signals do we send and what do we incentivize and disincentivize. Just this same year, we’re passing an incentive for installing electric vehicle charging stations, so, apparently, this legislature supports electric vehicle development. But this bill is a disincentive to buying electric vehicles. In my opinion, it’s the worst bill on our ordinary calendar today. Let me explain two of the reasons why.

“Road damage is only caused by the heaviest vehicle to travel down a road—it’s caused by trucks and buses. Electric vehicles are lighter than SUVs, pickup trucks, or any truck or bus. In fact, my staff and I have done some extensive research on the exact total of all the cumulative road damage done by all privately owned electric vehicles in our state. Let me see if I can find that figure here ... oh, here it is [*holds up sign*]: It’s zero. We’re addressing a problem that doesn’t exist, and we’re penalizing the wrong people.

“You’re tired of me talking about the 10 or 12 years that both the United Nations and our government have said we have to reverse climate change. Forgive me for pounding that drum, but every time a report comes out, the timeline is actually shorter, and we here in our state legislature completely wasted the first year on that list. We didn’t do anything of significance to address climate change, and, yes, it is our kuleana to do our share, just like everyone else in the world. This is a small bill, you might say, but it moves in the wrong direction. It’s a small bill; it’s not enough money to make any difference to the Department of Transportation, but we’re going to disincentivize purchasing emission-free vehicles. This bill sends the strong signal that our heads are firmly and willingly planted in the sand, and we are in denial about climate change.

“This is a small bill, once again, unless you care about climate change, and then it’s important because, as I’ve explained, Hawai‘i has a very unique role to play in the adoption of electric vehicles. Please, if you care about this issue, skip the reservations: Vote ‘no’ and tell the world that Hawai‘i won’t move backward on climate change. Thank you.”

Senator Inouye rose to speak in support of the measure as follows:

“As you know, electric and alternative fuel vehicles are the wave of the future as Hawai‘i moves toward its mandate to be free of fossil fuels by 2045. Electric vehicle sales are on the rise. Last year, 2,296 EVs were sold, up from 1,934 vehicles from the year before. Of the more than 1 million vehicle registrations in Hawai‘i, 7,954 of them are electric vehicles. Hawai‘i is one of the most EV-receptive states in the union. We are the sixth highest state in terms of EV ownership.

“EVs use the same roads as motorists who drive traditional gasoline-powered vehicles, which are subject to registration fees and the gasoline tax. In recent months, due to more fuel-efficient vehicles and the gradual rise of EV ownership, Hawai‘i’s portion of gasoline tax revenues has started to slip. In March 2019, the State of Hawai‘i collected \$11.9 million in gasoline taxes. That was lower than the \$12.99 million collected in February 2019, which was lower than the \$13.12 million collected in January, according to monthly reports from the State Department of Taxation. Gasoline taxes are an important source of revenue for state highways. While EVs play an important role in reducing our carbon footprint in Hawai‘i, the lost revenue needs to be made up. I must add, members, the highways portion of this fund also has been the catalyst for improving all those damages done by our terrible weather.

“Mr. President, it is time that we make a start in addressing the reduced revenue from the gasoline tax. S.B. 409, C.D. 1 is a good place to start. The \$50 surcharge on the annual registration fee is a small price to pay for the privilege of owning an electric or alternative fuel vehicle in the State of Hawai‘i. As with the gasoline taxes, the amount collected from this annual fee will go back into the highway fund for maintenance of our highways. This is a forward-looking bill as Hawai‘i heads into an environmentally friendly and more fuel-efficient future while still having a revenue source from motorists who will pay their fair share for using Hawai‘i’s highways. For this reason, Mr. President and members, I ask for your support in voting in favor of S.B. 409, Conference Draft 1. Mahalo.”

Senator Kim rose to speak in opposition to the measure as follows:

“I ask that the words of the senator from Puna be inserted into the Journal as my own.” (The Chair so ordered, by reference only.)

“I also wanted to add that if I multiply \$50 times 7,954 EV vehicles, it only comes up to \$397,000, and we are giving \$75,000 tax credits already, and, to me, that amount of \$397,000—I don’t know if that even will cover filling up five potholes. Thank you.”

The motion was put by the Chair and carried, Conf. Com. Rep. No. 165 was adopted and S.B. No. 409, S.D. 2, H.D. 1, C.D. 1, entitled: “A BILL FOR AN ACT RELATING TO ELECTRIC VEHICLES,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 21; Ayes with Reservations (Keohokalole, Moriwaki). Noes, 4 (Ihara, Kim, Ruderman, Thielen).

Senator Inouye rose to request that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Inouye's remarks read as follows:

"Mr. President, I rise to speak in favor of this bill. The intention of this measure is to increase public safety. In 2018, 117 people were killed statewide in a number of traffic accidents, 43 of them pedestrians. Photo red light systems are used throughout the world and in the United States. They have proven to be reliable, efficient and effective in identifying and deterring those who run red lights.

"Speeding and the failure to yield the right of way contribute to at least 15 percent of Hawai'i's accident rates behind 'driving under the influence (DUI)'. Speeding and failure to yield the right of way may also include running red lights.

"Testimony from the Department of Transportation indicate the following: Between 2011–2016, there has been 1,616 intersection crashes resulting from red light and other traffic signal violations. These crashes resulted in deaths, numerous injuries and property damage. During calendar years 2011–2018, a total of 13 deaths occurred from a driver disregarding a red light signal. During calendar years 2014–2018, police have issued 17,021 red light violations to motorists who disregarded the traffic signal. Because police have other priorities for calls for services, it is not possible for them to enforce the laws at every intersection. A red light camera system is an attractive alternative to better enforcement of our traffic laws.

"This measure will apply to motorists who 'run red lights' that are in a steady red cycle state before the vehicle enters an intersection. Vehicles that have gone through an intersection when the light is yellow but turns red while still in the intersection should not be subjected to action.

"There has been at least a 15 percent reduction in red-light running incidents reported by the Federal Highway Administration, with some localities reporting up to a 44 percent reduction.

"One of the keys to the program's success will be for acceptance by all stakeholders. This includes government officials, local law enforcement and, most importantly, the public. The counties are going to have to make an effort to differentiate this photo enforcement program from the ill-fated 'van cam' speeding program that was repealed in 2002 after public outcry.

"It will be up to the state and/or county to inform the public that this new program will use automated cameras that are affixed to a stationary location near the intersection like a light or utility pole. It is also to be made clear that the program is not a 'revenue generator' for either the government or the hardware vendor. The counties will be the entity to implement the program.

"Support for the measure has come from the Honolulu Police Department, Hawaii Bicycling League, Mothers Against Drunk Driving (MADD), Peoples Advocacy for Trails Hawaii, Blue Zones Project, and numerous individuals. There were only three testimonies in opposition to the bill.

"For these reasons I urge my colleagues to support this important measure in our effort to increase public safety and save lives."

"Despite the earlier vote, I'm expecting to have a 25-0 on these votes, but I really want to thank those who took a hard vote so that we could fund all these needed programs: \$2 million related to homelessness and ohana zones; \$14.8 million for homeless programs with Department of Human Services and Department of Housing, Rapid 'Ōhi'a Death at \$750,000 to deal with that situation; \$450,000 for Section 8 vouchers; \$50,000 for Filipino veterans burial assistance; \$150,000 for He'eia State Park; \$5 million for high tech tax credits; \$150,000 for ALOHA homes; \$645,472 first year and \$1,146,852 second year for the Hawaii Correctional System Oversight Commission; \$1,030,731 for vote-by-mail; \$195,000 for Hawai'i Pamantasan Council; \$15 million for economic development for a motion picture, digital media, film tax credit; \$350,000 for University of Hawai'i Cancer Center liver and bile duct cancer research; and \$2.4 million for claims against the state.

Senator Baker rose to speak in support of the measure as follows:

"I have some remarks in support of House Bill 654, which relates to health. That's the funding for the research on liver fluke and bile duct cancer, which is a very difficult cancer, and it's prevalent in Hawai'i. Mahalo."

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in support of H.B. 654, S.D. 1, C.D. 1, which provides funds to the University of Hawai'i cancer center to determine the cause of the high incidence of liver and bile duct cancer in Hawai'i.

"Hawai'i is among the states with the highest rates of liver cancer and bile duct cancer in recent years, and rates have increased in recent years while rates of other types of cancer are falling. While some cases of liver cancer in Hawai'i are related to hepatitis, a known cause of this disease, the majority are not, and appear to be related to abnormal accumulation of fat in the liver due to other factors, potentially infectious organisms such as liver flukes, or environmental toxins.

"This appropriation will fund a study at the University of Hawai'i Cancer Center to determine the etiologies of the high incidence of liver and bile duct cancer in the State, which will inform future public health interventions to reduce liver and bile duct cancers. Please join me in support of H.B. 654, S.D. 1, C.D. 1. Mahalo."

Senator Kim rose to speak in support of the measure as follows:

"I agree with our Ways and Means chair that all of these bills are important and will help our people. I think the most important bill on this list, however, is House Bill 654, Relating to Health. As was brought up by our Maui senator, it is for liver and bile duct cancer research, and statistics show that Hawai'i has the highest mortality rate and that this may be linked to watercress. We're not sure what it's linked to, and I think it's very important that we find out because we certainly don't want anyone else suffering from this type of cancer, and if there's any way that we can prevent that, I think this is the start of that. So, of all the bills, I think this is one of the most important bills, so thank you very much."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 192 was adopted and H.B. No. 654, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO

HEALTH,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

On motion by Senator Rhoads, seconded by Senator Keith-Agaran and carried, Conf. Com. Rep. No. 201 was adopted and H.B. Richardson School of Law the following week; legislative assistant Grace Wolff; Linda Menda; Victoria Trotter from the University of Hawai'i – West O'ahu; and Ikaika Mahoe.

Senator Ruderman recognized guests in the gallery, including Bart Dame, June Chin, Josh Frost, and Kimiko LaHaela Walter.

Senator Inouye introduced her intern Hope Duran, who was from Los Angeles and hoped to extend her stay in Hawai'i, and thanked office manager Tommie Suganuma and committee clerk Sydney Hart for doing a wonderful job.

Senator Ihara introduced session staff Tambry Young, Emmanuel Sarahan, and Michele Eliana, and acknowledged longtime office manager Heather Bolan for over 30 years of service.

Senator Inouye also recognized legislative aide Melvin Ah Ching for his help with social media, constituent communication, and photography throughout the legislative session.

Senator Chang thanked members of his staff for their hard work: office manager Adrian Tam; committee clerk Erynn Fernandez; Ian Terayama; interns Daisy Chang, Chloe Huang, Dyson Chee, Ray Sakamoto, and Jacob Heberle; and Dr. Allen Awaya, who had served various legislators for 13 legislative sessions and had recently gotten engaged.

Senator Thielen thanked staff members Jennifer Barra, Eliza Wilcox, and Rudy Gordon, and introduced her lifelong inspiration and mentor—her mother, State Representative Cynthia Thielen.

Senator Kidani introduced and thanked her staff: Danicia Honda, the reigning Miss Chinese Jaycees, Marie Richardson, Jade Snow, session staff Kay Watanabe and Trent Sewell, and committee clerk Scott Fuji, who had recently gotten engaged. Senator Kidani also thanked Napela Shim, committee clerk for State Representative Justin H. Woodson, Chair of the Committee on Lower & Higher Education, and noted that it was her last legislative session as she would be returning to Wisconsin.

Senator Riviere expressed appreciation for his hardworking and loyal staff: office manager Margarete Olson, legislative assistant Mike Dezelle, and session staffer Justin Salisbury.

The Chair acknowledged and thanked Ross Tsukenjo, Rayanne Fujimoto, and other members of his office staff. On behalf of the members of the Senate, the Chair also recognized the hard work of all of the session staff, full-time staff, and support staff, who have a great passion to create a better Hawai'i and work very long hours for modest pay, and expressed appreciation for their efforts.

The Chair then remarked:

"Before proceeding, I was remiss on Tuesday; it marked the retirement of Jon Shimabuku. Jon worked for the state for 30 years; before working at the Senate he was at the Department of Public Safety and also at Taxation. Jon led the Senate IT office through a period of rapid growth in both staffing and responsibility. Under Jon's leadership, the Legislature won the NCSL Online Democracy Award in 2012, created the popular LiveStatus program that transformed the way many of the staff track legislation, and was known for his exceptional ability to train non-technical staff on IT software and hardware, unflappable patience, and level head.

"On a personal note—and I've watched Jon participate in Sergeant-at-Arms Ben Villaflor's after-work boxing classes—his coworkers said he inspired some of them to travel more and to go on hikes. When I told people that he served 30 years, they all said he didn't look old enough to have been here that long, and so they also noted he doesn't look a day older than he did on the first day he started. And he achieved his goal of retiring on time by his tenacity of bringing home-lunch every single day, eating tuna sandwiches or stinking up the office with his salmon patties. But he has been an exemplary employee. I just feel badly that I did not get him onto the floor on Tuesday and, as any good retiree, he's not here today—he's enjoying his retirement, but I certainly wanted to be sure we had his name entered into the Journal and acknowledged his service."

JUDICIARY COMMUNICATION

The following communication from the Judiciary (Jud. Com. No. 20) was read by the Clerk and was placed on file:

Jud. Com. No. 20, dated April 8, 2019, transmitting a Report on New Administratively Established Accounts pursuant to Section 37-52.5(a), HRS.

ORDER OF THE DAY

ADVISE AND CONSENT

Stand. Com. Rep. No. 2242 (Gov. Msg. Nos. 743, 744, 745, 746, 747, 748, 749, and 750):

Senator Chang moved that Stand. Com. Rep. No. 2242 be received and placed on file, seconded by Senator Kanuha and carried.

Senator Chang then moved that the Senate advise and consent to the nominations to the Board of Directors of the Hawai'i Public Housing Authority of the following:

TODD TANIGUCHI, term to expire June 30, 2023 (Gov. Msg. No. 743);

ROY KATSUDA, term to expire June 30, 2022 (Gov. Msg. No. 744);

PONO SHIM, term to expire June 30, 2023 (Gov. Msg. No. 745);

BETTY LARSON, term to expire June 30, 2023 (Gov. Msg. No. 746);

MILO SPINDT, term to expire June 30, 2022 (Gov. Msg. No. 747);

SUSAN KUNZ, term to expire June 30, 2019 (Gov. Msg. No. 748);

SUSAN KUNZ, term to expire June 30, 2023 (Gov. Msg. No. 749); and

ROBERT HALL, term to expire June 30, 2022 (Gov. Msg. No. 750),

seconded by Senator Kanuha.

Senator Chang rose to speak in support of the nominees as follows:

“The Housing committee, having had the opportunity to meet with the nominees transmitted in G.M. 743 through 750, found them to be extremely capable, qualified, and open-minded, and we’re relying on these members to help address the housing shortage that we have here in Hawai‘i, so I urge our colleagues to vote to confirm these nominees. Thank you.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Senator Chang introduced Milo Spindt, newly confirmed member of the Board of Directors of the Hawai‘i Public Housing Authority, who was seated in the gallery.

Stand. Com. Rep. No. 2243 (Gov. Msg. No. 664):

At this time, the Chair announced:

“The Committee on Energy, Economic Development, and Tourism made no recommendation on Governor’s Message No. 664. Therefore, the Chair will first entertain a motion to file Standing Committee Report No. 2243, then we will move on to the final vote on this matter.”

Senator Keohokalole moved that Stand. Com. Rep. No. 2243 be received and placed on file, seconded by Senator Taniguchi and carried.

The Chair then made the following observation:

“Members, pursuant to Senate Rule 37(3), the final question on nominations made by the Governor must be stated in the affirmative. Therefore, those casting ‘Aye’ votes will be voting to advise and consent, and those casting ‘No’ votes will be voting to reject the nomination. The Chair will now entertain a motion to advise and consent to the nomination of Mr. McCartney.”

Senator Keohokalole moved that the Senate advise and consent to the nomination of MIKE MCCARTNEY as Director of the Department of Business, Economic Development and Tourism, term to expire at noon on December 5, 2022, in accordance with Gov. Msg. No. 664, seconded by Senator Taniguchi.

Senator Wakai rose to speak in opposition to the nominee as follows:

“Colleagues, Hawai‘i’s economy stands at a precipice. After years of prosperity, it saw record-high visitor counts, and that was paired with record-low unemployment. We are now staring at the inevitable softening of economic growth. Our population is declining; we can no longer rely on federal funding to bolster our state coffers. It’s more important than ever that we carefully and strategically position our state, economy, and workforce, not only to withstand these near-term headwinds, but to take

advantage of the potential opportunities that are right in front of us.

“The Department of Business, Economic Development, and Tourism is charged with shepherding the state’s economic development engines through good times and bad. Its director is one of the most important positions in our state government. Over the last four months, I’ve sought to engage Mr. McCartney in relevant issues and allow him to show me what he can do, but he has failed to adequately demonstrate an ability to lead. In my questionnaire, I asked for his vision for the department and specific goals he wanted to achieve over the next four years. What I got was a response that was surprisingly meaningless. He cited general goals but absolutely no details. At his hearing on Monday, he delivered this binder to the EET members. His strategic plan really comes down to six slides in this binder. It talks about getting new hires up to speed, connecting legislative priorities to the DBEDT budget, and drafting a plan for economic growth. If Mr. McCartney talked to his own research division, he would have found this document; it was published in December of 2018. It’s called ‘Hawaii’s Targeted & Emerging Industries.’ It outlines for us the great opportunities for growth: film, healthcare, alternative energy. It also identifies industries that are on the decline, such as pharmacies, radio, call centers, and biotech. This document should have at least been the starting point for Mr. McCartney to come up with a clear plan as to where the state is going. Instead, he’s trying to start from zero and reinventing the wheel. We need somebody who’s going to really drive our economy, not on-the-job training.

“I don’t want to revisit the issues brought up at Monday’s confirmation hearing, but it was evident that Mr. McCartney has difficulty communicating and gets involved in issues either too late or never at all. Those who submitted testimony that were in support of Mr. McCartney really talked about him being a collaborator, and over the past four months, I’ve found him to be the complete opposite.

“Mr. McCartney is a very good man. I understand many of you have a personal relationship with him. On Monday, in this very chamber, Governor Ariyoshi shared with all of us the importance of doing good for the people, not for your friends. Those running the state cannot be just nice and kind; they have to be competent; they have to be responsible. If Mr. McCartney is confirmed this morning, Mr. McCartney: I promise you I will work with you, and I will keep that promise. But Mr. McCartney’s mantra is, ‘To go fast, you have to go slow.’ That is **not** how businesses function. Executives have to define goals, chase outcomes, and measure progress on a daily basis. I urge you to vote ‘no’ with me on Mr. McCartney’s confirmation. The public deserves much better.”

Senator Ruderman rose to speak in support of the nominee as follows:

“I can’t help but note that there was no opposing testimony to the nomination and a hundred percent supportive testimony. Mr. McCartney came to Puna to spend the day with me during our crisis last year—not once, but twice—and I observed in him a good, caring person with a good heart and a lot of aloha. In viewing the confirmation hearing, I watched a good man and a friend treated with shocking disrespect. Only once before have I seen such mistreatment of a nominee in our house. No one’s perfect; he’s been criticized for a lack of communication. Communication is a two-way street: If you treat someone with antagonism instead of aloha, it’s hard to expect open communication. I’m more influenced by the testimony provided in public, which can be seen and responded to, and for me that must outweigh whispers, hidden agendas, and personal vendettas. I’ll be voting along with a hundred percent of the testimony we received in support of Mike McCartney. Thank you.”

Senator Kim rose to speak in support of the nominee as follows:

“Mr. President, on Monday of this week, we honored former Governor George Ariyoshi with the Aloha Order of Merit. In his acceptance remarks, the governor recalled a confirmation vote in which he was asked by colleagues to vote down a nominee. He said that, putting aside all politics, he asked a simple question: Is this person worthy of confirmation? I ask the same question today. Is Mike McCartney worthy of confirmation? And as Governor Ariyoshi voted ‘yes’ on the Senate floor many, many years ago, I, too, say ‘yes’ today.

“Mike served with distinction for 10 years as a member of this very body. He has devoted himself to public service. I did not know him personally at the time when he was in the Senate; I was on the city council, but I got to know him when, as Tourism chair, we confirmed his nomination to the Hawai‘i Tourism Authority board in 2004. He served as board chair during a time when the Legislature proposed many major changes to HTA. I worked with him, and he led the HTA board in effectuating those changes, as difficult as it was. Then, in 2009, he was selected by the Hawai‘i Tourism Authority board to serve as president and CEO. He has been the state’s director of Human Resources Development and, most recently, Governor Ige’s chief of staff. Mike also has worked in the private sector as CEO of Hawaii Public Television, director of Hawaii State Teachers Association, and president and cofounder of Hawaii Stars.

“Whether you agree or disagree with his style of leadership, I think it’s undeniable that we’ve appreciated not only his stellar service to the people of Hawai‘i but the integrity and aloha with which he fulfilled his demanding mandates. We all know here in this body that any job in the public eye is difficult: There are competing demands for resources, for money or staff; there are pressures from many constituencies who are often at odds over the direction of public policy; there are many sleepless nights over tough decisions that must be made. Mike McCartney has not only endured these demands but demonstrated an inclusive leadership style in every capacity, always sensitive to Hawai‘i’s culture, bringing people together, and, most importantly, being respectful of everyone’s right to disagree and have a different perspective. He is honest; he is caring, with goals of protecting our state’s fragile environment, our history, and, most important, our most precious resource: our people. He is fully cognizant of his department’s many missions and the differences over how the agency’s goals can be met, which is what he tried to spell out in a binder that he was asked for. And I remind this body, I don’t recall any other director we’ve asked for this kind of binder or goals.

“I have every confidence in his ability to resolve these challenges with integrity, respectfulness, and aloha that has marked his lifelong career in public service and to set a firm course for the future of our state. Approximately 138 testimonies were submitted in support; I could find none that opposed. Is he worthy? Absolutely, and I urge my colleagues to support his nomination for DBEDT director. Mahalo.”

Senator Fevella rose to speak in support of the nominee with reservations as follows:

“In committee, when I was leaving the Capitol that day, I wasn’t going to go to the meeting because I had a previous engagement for my doctor’s appointment that I postponed, and I came back up. I didn’t hear all the testimonies; I didn’t really sit down and listen to everything that was going on but, because, at that time, Mike never came to my office, we never got to talk. I only know him briefly a long time ago when I was previously a Democrat. He came to my office and dropped off a binder, and due to my staff, they put it next to some certificates that I have for the community of ‘Ewa Beach (the kids from Campbell), so

I didn’t see it, so I went on the phone again and I made some calls and I said, ‘You know, this guy never came to see me,’ so that was my response, was that I voted ‘no.’

“Previously, after that, I found that he came. Just so happened, I was talking to Donna about bill ... I no need talk about that bill, but, anyway, we were having deep conversation and emotion and what not and, in conversation, I just said, you know, I voted ‘no’ because I never met the guy. So, as I was leaving her office, who was bending down inside the ice box grabbing a bottle of water? Was Mike. So, I was leaving and then he looked at me, I looked at him, and then I said, ‘You have time? You can talk to me?’ I know he came to see Donna; he didn’t come to see me, but I asked him, ‘Do you have time?’ He said, ‘Sure, sure. I’ll come to your office.’ So he did, and we had a conversation, you know, we kinda, you know, ho‘omalimali little bit, but bottom line is that I got a clue that, yeah, he’s probably going to struggle like any one of us. I struggled when I got here, in doing my job, but all of you guys made it easy for me, each and every one of you. And I feel that, if he’s going to struggle, yeah, I know this is a big position; it does drive our economic force, but if we don’t ... I mean, our lives are surrounded by chances, guys. If nobody ever gave us a chance, none of us would be here today. I had chances; I had numerous chances, so I am here today.

“I’m supporting him with reservations, yes, because I want to see and I want to work closely with him. I want the dialogue to be open, for all of our senators to work closely with him, and that’s what I stressed to him. That’s what I brought up to him about my reason why I voted ‘no,’ because I felt that he wasn’t open to discussing anything to do with his plan for his position. So, like I said, I had talked to him, and he left. I did not make a decision. I didn’t tell him, ‘Hey, way to go, boy,’ whatever—I didn’t say that with him—high five, nothing. We didn’t do none of that, and my staff was there. And when he left, he said, ‘You know, whether you support me or not, we’ll work closely together,’ and I admire that. So I went home; I went to Campbell High School’s event and it was a great event. Listening to people talk about the testimony about this man—I don’t have a personal relationship with him, but I want to give him a chance, and that’s the reason why I’m voting ‘with reservations.’ Thank you.”

The Chair reiterated the voting procedures and called for a Roll Call vote.

The motion was put by the Chair and, Roll Call vote having been requested, carried on the following showing of Ayes and Noes:

Ayes, 15; Ayes with Reservations (Fevella, Moriwaki). Noes, 10 (Baker, Chang, Dela Cruz, Harimoto, Kanuha, Keith-Agaran, Kidani, Nishihara, Shimabukuro, Wakai).

Senator Keohokalole introduced Director Mike McCartney, who was accompanied in the gallery by his wife, Candace, and his sons, Bricen and Jaren. Also acknowledged was his daughter, Lauren, who was not in attendance.

The Chair then remarked:

“This is the third time this session I find myself in this place, with the Senate divided over a nominee from the governor. At the beginning of the session, I said directly to the governor from this rostrum that I’m committed to working with him in spite of the trash that was being out in the media about me holding political ill will and trying to mess him up. I don’t know what stronger statement I can give to you, Governor, than my support of these three nominees, but I also tell you in a clear voice from this rostrum that my committee chairs want to see us go forward and go forward together, and so I expect to work with you and your department heads to ensure that the programs that are being outlined by Chair Wakai, by Chair Nishihara and Chair

Shimabukuro come to fruition. I know that Hawaiian Affairs has already held their informational briefing and laid out their program. I know Senator Nishihara is diligently working on his, and Senator Wakai clearly has a vision of where he believes we need to go and, although I am voting in support of Senator McCartney, I want you to know that I am in full support of the agenda as it's been laid out by Senator Wakai, and he can count on my full support to work with you to try and carry it out."

At 11:55 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:03 p.m.

Conf. Com. Rep. No. 204 (S.B. No. 1197, S.D. 2, H.D. 1, C.D. 1):

On motion by Senator Taniguchi, seconded by Senator Kanuha and carried, Conf. Com. Rep. No. 204 was adopted and S.B. No. 1197, S.D. 2, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO PUBLIC EMPLOYMENT COST ITEMS," passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

S.B. No. 78, S.D. 2, H.D. 2:

On motion by Senator Kidani, seconded by Senator Kahele and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 78, S.D. 2, and S.B. No. 78, S.D. 2, H.D. 2, entitled: "A BILL FOR AN ACT RELATING TO EDUCATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

H.B. No. 1453, H.D. 1, S.D. 1, C.D. 2:

Senator Baker moved that H.B. No. 1453, H.D. 1, S.D. 1, C.D. 2, having been read throughout, pass Final Reading, seconded by Senator Kahele.

Senator Baker requested that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in strong support of H.B. 1453, C.D. 2, Relating to Emergency Medical Services. Currently, 911 emergency medical patients are only transported to facilities designated as hospitals; however, not all patients who receive need emergency treatment need to subsequently be transported to the hospital.

"Emergency medical services (EMS) currently only charge fees when they transport a patient to an emergency room. This incentivizes inappropriate use of transport assets and emergency departments. Many patients that utilize emergency medical services do not require hospitalization, and allowing emergency medical services to work with patients and community partners to develop and employ more customized care plans will provide

more appropriate patient care while reducing the burden on emergency medical services and hospital resources.

"With the cost of healthcare increasing, this measure authorizes the Department of Health to establish reasonable fees for transportation to medical facilities and for provision of emergency medical services that do not include transport and authorizes transportation by ambulance to medical facilities other than hospital emergency departments.

"Also, this measure requires private insurers to provide coverage for statewide community paramedicine services rendered by emergency medical technicians (EMTs) and paramedics. The Community Paramedicine program is a new model that involves using EMTs and Paramedics to provide care to underserved populations.

"Please join me in support of H.B. 1453, H.D. 1, S.D. 1, C.D. 2 and help provide coverage for emergency medical services and creation of efficient programs that are designed to help our most fiscally vulnerable community members. Mahalo."

The motion was put by the Chair and carried, H.B. No. 1453, H.D. 1, S.D. 1, C.D. 2, entitled: "A BILL FOR AN ACT RELATING TO EMERGENCY MEDICAL SERVICES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

S.B. No. 976, S.D. 2, H.D. 1, C.D. 2:

On motion by Senator Kidani, seconded by Senator Dela Cruz and carried, S.B. No. 976, S.D. 2, H.D. 1, C.D. 2, entitled: "A BILL FOR AN ACT RELATING TO PUBLIC LIBRARIES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

H.B. No. 888, H.D. 1, S.D. 2, C.D. 2:

Senator Baker moved that H.B. No. 888, H.D. 1, S.D. 2, C.D. 2, having been read throughout, pass Final Reading, seconded by Senator Kahele.

Senator Baker requested that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in strong support of H.B. 888, C.D. 2, Making Appropriations to the Maui Health System. The purpose of this bill is to appropriate funds to the Maui Health System for fiscal biennium 2019-2020, to continue assisting the organization's operations as it moves toward self-sufficiency.

"The Maui Health System manages several key health care institutions in the County of Maui that are critical to the health and well-being of county residents. These key health care institutions include Maui Memorial Medical Center, Kula Hospital, and Lanai Community Hospital. The Maui Health System took over these facilities from the Hawaii Health Systems Corporation (HHSC), and Maui Memorial Medical Center is currently the only hospital on the neighbor islands that provides cardiac surgery, interventional cardiology, interventional neurosurgery, and neurosurgery.

"In 2019, the Maui Health System will continue on its path toward self-sufficiency by focusing its efforts to resolve union negotiations and identify appropriate staffing levels by managing productivity. Maui Health System also plans to improve revenues by decreasing the outmigration of services from Maui and recruiting physicians specializing in areas

including but not limited to neurosurgery, trauma, oncology surgery, cardiology, nephrology, urology, and primary care. Additionally, for each physician recruited, the Maui Health System can provide their services for the communities of Maui and Lānaʻi on island and generate additional revenue, thus reducing the need for subsidies.

“Please join me in supporting H.B. 888, C.D. 2 to assist the Maui Health System’s operations as it moves toward self-sufficiency and continues to provide invaluable life-saving hospital services in Maui County. Mahalo.”

The motion was put by the Chair and carried, H.B. No. 888, H.D. 1, S.D. 2, C.D. 2, entitled: “A BILL FOR AN ACT MAKING APPROPRIATIONS TO THE MAUI HEALTH SYSTEM,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

S.B. No. 1405, S.D. 2, H.D. 2, C.D. 2:

Senator Baker moved that S.B. No. 1405, S.D. 2, H.D. 2, C.D. 2, having been read throughout, pass Final Reading, seconded by Senator Rhoads.

Senator Baker requested that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker’s remarks read as follows:

“Mr. President I rise in strong support of S.B. 1405, S.D. 2, H.D. 2, C.D. 2, Relating to Electronic Smoking Products. This bill makes it clear that DOE employees are required to confiscate electronic cigarettes from students under 21 year and dispose of forfeited electronic cigarettes in a manner provided for under law. It increases administrative fines for persons under 21 in possession of electronic cigarettes, and creates a Safe Harbor Program whereby students can voluntarily surrender their electronic cigarettes without risking a fine.

“New findings from the 2018 National Youth Tobacco Survey (NYTS) demonstrated a dramatic increase in youth use of ESDs. From 2017 to 2018, there was a 78 percent increase in current e-cigarette use among high school students and a 48 percent increase among middle school students. In a rare advisory in December 2018, the U.S. Surgeon General, Dr. Jerome Adams, officially declared ‘e-cigarette use among youth an epidemic in the United States’. Likewise, Dr. Scott Gottlieb, Commissioner of the U.S. Food and Drug Administration, in his press statements described his shock at the alarming surge in youth uptake of ESD and that youth vaping is an epidemic. Hawaiʻi rates of youth ESD use is higher, with 25 percent of high school students reporting being regular users, and 42 percent had tried them, and rates for neighbor island youth are consistently higher than rates for the entire state.

“Please join me in supporting S.B. 1405, which aims to curb student use of electronic cigarettes. However, I want to emphasize that this is only one part of the fight against the youth vaping epidemic. We should also be taxing e-cigarettes as we do tobacco, and we should ban the sale of flavored e-liquids that appeal to youth. These measures were up for passage this year. Unfortunately, those measures did not pass the House of Representatives. Hopefully in future legislative session, the House will join the Senate in holding vendors and manufacturers to account for their role in the dangerous youth vaping epidemic. Mahalo.”

The motion was put by the Chair and carried, S.B. No. 1405, S.D. 2, H.D. 2, C.D. 2, entitled: “A BILL FOR AN ACT RELATING TO ELECTRONIC SMOKING PRODUCTS,”

having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

SENATE RESOLUTIONS

The following Senate resolutions (S.R. Nos. 176 and 177) were read by the Clerk and were disposed of as follows:

S.R. No. 176 “SENATE RESOLUTION REGARDING COMPLETION OF THE WORK OF THE THIRTIETH LEGISLATURE, REGULAR SESSION OF 2019, SUBSEQUENT TO THE ADJOURNMENT THEREOF.”

Offered by: Senators English, Fevella.

On motion by Senator Kahele, seconded by Senator Fevella and carried, S.R. No. 176 was adopted.

S.R. No. 177 “SENATE RESOLUTION INFORMING THE HOUSE AND GOVERNOR THAT THE SENATE IS READY TO ADJOURN SINE DIE.”

Offered by: Senators English, Fevella.

On motion by Senator Kahele, seconded by Senator Fevella and carried, S.R. No. 177 was adopted.

At this time, Senator Dela Cruz introduced Mrs. Joy Kouchi, wife of Senate President Ronald D. Kouchi, who was seated in the gallery.

Senator Keohokalole invited the members of the Hawaiian Caucus to take a photo in front of the Hawaiian flag immediately following the session’s adjournment.

Senator Ruderman rose to speak on a point of personal privilege as follows:

“I hate to inject a somber note into today’s proceedings, but, just this last Saturday, for the first time, I got to take my daughter to the Children’s Discovery Center in Kaka’ako. I’m sure you all are familiar with it. For someone from the Big Island, it was an eye-opener because we don’t have anything of the sort there. It’s a precious resource, and I think most of you know that they are facing tremendous challenges from an aggressive homeless encampment and very serious security

concerns that might very well force them to close. I think that would be a heartbreaking situation if that happened. Joni Mitchell said, 'You don't know what you've got till it's gone,' and I think this is an example of it. I don't have the answer to what they need, but it's a combination of security, patrolling, and other kinds of support that they don't have right now. There's a turf battle between the sheriffs and the Honolulu Police Department of whose job it is to support this place. There are other issues facing them. I ask you folks, don't let the Children's Discovery Center close. Let's find a way to support them and keep it open. It's a precious resource; it's important for our keiki, and those of you who take it for granted: You don't know how wonderful it is and what you've got. Please find a way to save the Children's Discovery Center. Thank you."

Senator Kim rose to speak on a point of personal privilege as follows:

"Mr. President, as you know, my mom passed away during our conference time, and I just want to thank all of you for all of your kind words of comfort and all of your support for my mom. Thank you."

Senator Kahele rose to inform the members that the number-one ranked University of Hawai'i men's volleyball team would be competing in the 2019 NCAA Men's Collegiate Championship semifinal game later that afternoon, and would undoubtedly compete in the final championship game that weekend, and wished the team good luck.

Senator Moriwaki requested to have the remarks of the senator from Puna entered into the Journal as her own, and also reminded the senators that she would be working with the senator from Puna to ensure that the Children's Discovery Center would continue on and that they would look at ways in which they could work together to support the center.

The Chair then announced:

"Members, at this time we will be taking a short recess to inform the House that the Senate is ready to adjourn Sine Die."

At 12:09 p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:12 p.m.

Senate President Kouchi then addressed the members of the Senate as follows:

"This is normally when I talk about everything we've accomplished, what we hope to see, but today I'm just going to be honest. This has been incredibly difficult, and I've never been a paddler on a canoe team, but you hear so many of our elected leaders use the metaphor. We heard Nainoa Thompson talk the other week about being in the canoe and paddling together, and I now clearly know what it feels like when everybody's paddling in a different direction. But it's because each and every one of you ran to make a difference, to make a better Hawai'i, and you feel an obligation to each and every one of your constituents. I laugh when people tell me, 'It must be easy because you've got all Democrats,' (or now 24 and 1), 'Oh, there must be no debate,' 'Oh, the voices are silent.' The voices here are anything but silent. I'm looking forward to bringing the gavel down, having an opportunity for us to attend educational seminars and conferences, to get back into our districts and take an assessment for next session, but mostly just for some re-creation, recreation, relaxation, and rebuilding my spirit to come back. And, in spite of saying how difficult it's been, I wouldn't trade it for anything else in the world, for the opportunity to work with each and every one of you and the passion you bring to work every day, and I look forward to the

work we're going to put in in the interim and what we're going to be able to accomplish next year."

ADJOURNMENT

Senator Kahele moved that the Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, adjourn Sine Die, seconded by Senator Fevella and carried.

At 12:14 p.m., the President rapped his gavel and declared the Senate of the Thirtieth Legislature of the State of Hawai'i, Regular Session of 2019, adjourned Sine Die.

"EXECUTIVE CHAMBERS

July 9, 2019

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 290

Honorable Members
Thirtieth Legislature
State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, House Bill No. 290, entitled "A Bill for an Act Relating to the Uniform Controlled Substances Act."

The purpose of this bill is to authorize qualifying patients or qualifying out-of-state patients to transport medical cannabis between islands for their personal medical use. It further requires the Departments of Transportation and Public Safety to adopt rules pursuant to chapter 91, Hawaii Revised Statutes, as necessary to carry out this purpose.

This bill is objectionable because of the large number of residents and visitors who may be misled to their detriment by the purported authorization in this bill of the interisland transportation of medical cannabis for personal medical use.

Interisland transport necessarily entails travel outside the jurisdiction of the State of Hawai'i, as the State only has jurisdiction up to three nautical miles offshore. Because Hawaii's laws cannot completely regulate the interisland transport of cannabis, a state statute purporting to allow interisland transport may give false comfort to some that such transport is protected from federal enforcement.

The existing law, section 329-122(f), Hawaii Revised Statutes, defines "transport" for the purposes of interisland transportation as "between a production center or retail dispensing location and a certified laboratory for the sole purpose of laboratory testing." This bill amends that definition of "transport" to include "by a qualifying patient or qualifying out-of-state patient for the patient's personal use," but retains the existing wording, "with the understanding that state law and its protections do not apply outside of the jurisdictional limits of the State." Consequently, I believe that this bill's amendments to section 329-122(f) may result in confusion by residents and visitors as to what protection this bill provides.

In addition, this bill requires the Department of Transportation and the Department of Public Safety to adopt rules "necessary for the purposes of this subsection." It is unclear whether, and if so, how state rules would work for an area that includes federal and international jurisdiction.

For the foregoing reasons, I am returning House Bill No. 290 without my approval.

Respectfully,

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 323

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, House Bill No. 323, entitled "A Bill for an Act Relating to Motor Vehicle Registration."

The purpose of this bill is to classify certain former military vehicles as special interest vehicles and enable owners of former military vehicles to apply for registration of the motor vehicle with the director of finance of the county in which the former military vehicle resides.

This bill is objectionable as it dramatically changes the purpose by circumventing the manufacturer's certification requirement of Section 286-42(a), Hawaii Revised Statutes, which minimizes the number of uncertified vehicles on Hawaii roads.

The special interest vehicle law was implemented to accommodate hobbyists who spend significant amounts of money and time modifying their vehicles. The objective was to make it possible for these hobbyists to show off the products of their labors.

Military vehicles are not the product of hobbyists and they were not manufactured for use on our public roads. The State of Hawaii requires vehicles to be in compliance with all applicable Federal Motor Vehicle Safety Standards as of the date of manufacture. In addition the emissions of these military vehicles do not meet Federal Clean Air Act.

Federal guidance ensures that Hawaii's inventory of registered vehicles meet certain safety standards that help keep our roads safer and environmentally friendly for Hawaii's residents and visitors.

For the foregoing reasons, I am returning House Bill No. 323 without my approval.

Respectfully,

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, House Bill No. 407, entitled "A Bill for an Act Relating to Education."

The purpose of this bill is to require Board of Education approval prior to the termination of a complex area superintendent.

This bill is objectionable because the Board of Education (Board) currently has the authority to act as an appellate body for certain employment actions, including actions to terminate complex area superintendents. This bill now inserts the Board into the termination process and it is unclear how an administrative appeal by a complex area superintendent would be addressed under this law.

For the foregoing reasons, I am returning House Bill No. 407 without my approval.

State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, House Bill No. 629, entitled "A Bill for an Act Relating to Medical Release."

The purpose of this bill is to create a medical release program within the Hawai'i Paroling Authority (HPA) to allow inmates with terminal or debilitating diseases or illnesses to be released from custody before the expiration of their sentence. The Director of Public Safety, an inmate or an inmate's representative may submit a written request for medical release. The bill also sets forth specific requirements for both HPA and the Public Safety Department (PSD) to follow when establishing and implementing the medical release program.

This bill is objectionable because it is unnecessary. A medical release program has been in existence since December 2014 under PSD and HPA policies.

Further, the bill requires PSD and HPA to complete certain tasks within short periods of time but does not provide for necessary resources. For example, the bill allows referrals for medical release from inmates and inmate representatives, who may not be medically trained. PSD's Health Care Division would be required to provide a detailed, comprehensive medical assessment within twenty days of receipt of each referral. The bill does not, however, provide funding for additional healthcare or other staff required to perform the comprehensive assessments.

For the foregoing reasons, I am returning House Bill No. 629 without my approval.

Honorable Members

State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, Senate Draft 1 of House Bill No. 655, entitled "A Bill for an Act Relating to Health."

The purpose of this bill is to add a new section to chapter 8, Hawaii Revised Statutes, to designate September as "Suicide Prevention and Awareness Month."

This bill is objectionable because House Draft 1 of this bill with a delayed effective date became law on April 23, 2019, as Act 36, Session Laws of Hawai'i 2019, without my signature pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i. Therefore, Senate Draft 1 of this bill was subsequently transmitted to me in error.

However, I will issue a proclamation designating September 2019 as "Suicide Prevention and Awareness Month" and will work with the Legislature to amend Act 36 so that it furthers this laudable objective.

For the foregoing reasons, I am returning Senate Draft 1 of House Bill No. 655 without my approval.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, House Bill No. 702, entitled "A Bill for an Act Relating to Satellite Navigation Technology."

The purpose of this bill is to prohibit the sale or offering for sale of location data that is recorded or collected by a satellite navigation technology-equipped device without the explicit consent of the individual who is the primary user of the device.

This bill is objectionable because it attempts to regulate a complex national industry without sufficient and appropriate wording to ensure consistent compliance and enforcement. The lack of clarity in this bill as currently drafted will lead to ambiguity, confusion, and unintended consequences should it become law.

During the interim, the administration will work with the legislature through the task force created in "House Concurrent Resolution 225, Convening a Task Force to Examine and Recommend Laws and Regulations to Update Privacy Law" to provide recommendations to the legislature to ensure that appropriate legislation can be introduced next session to address this important issue.

For the foregoing reasons, I am returning House Bill No. 702 without my approval.

"EXECUTIVE CHAMBERS
HONOLULU
July 9, 2019

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 748

Honorable Members
Thirtieth Legislature
State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, House Bill No. 748, entitled "A Bill for an Act Relating to Property Forfeiture."

The purpose of the bill is to prohibit civil asset forfeiture except when the owner of the asset has been convicted of a felony. The bill also changes the distribution of forfeited property, or sales proceeds from forfeited property, to the state general fund. Presently, forfeited property and/or sales proceeds are distributed to the state and local law enforcement agencies and the forfeiture fund.

At the outset, we note that there are distinctions between criminal and civil forfeiture proceedings. A criminal forfeiture is an *in personam* proceeding against an individual. The individual is charged with crimes that authorize the forfeiture of proceeds, or money or property involved in, or used to facilitate, an offense. The forfeiture becomes a component of the criminal sentence; it is not a separate criminal offense. See Carlisle v. One (1) Boat, 119 Haw. 245, 261 (2008) ("[T]he forfeiture of property is a part, or at least a consequence, of the judgment of conviction.") (citation omitted). A civil forfeiture, by contrast, "is entirely separate from the judgment of conviction," and is not considered punishment for an offense. Id. Rather, the property itself is "primarily considered as the offender[.]" The Court has also explained that such a proceeding "is a proceeding *in rem*," and "not a proceeding against any person." State v. Tuipuapua, 83 Haw. 141, 147 (1996).

This bill is objectionable because it eliminates civil forfeiture as an effective and critically important law enforcement tool. The Hawai'i Supreme Court has explained that the civil forfeiture law serves important non-punitive goals such as "encouragement" of property owners "to take care in managing their property," and that it tends to ensure "they will not permit that property to be used for illegal purposes." State v. Tuipuapua, Id. at 153 (1996) (quoting U.S. v. Usery, 518 U.S. 267, 289 (1996)). See also Carlisle v. \$10,447.00 in U.S. Currency, 104 Haw. 323, 336 (2004) (asset forfeiture statute is "designed to ensure that the economic benefits of committing a crime do not outweigh the consequential criminal penalties; otherwise, without the forfeiture statute, an individual might determine that the money gained from gambling activities outweighs the costs associated with criminal convictions."). While the language of the bill characterizes asset forfeiture as "government-sponsored theft," in reality, civil asset forfeiture is used only when a crime is committed and only for the purposes of stopping ongoing criminal activity and deterring further crimes. Moreover, while the seizure of property and proceeds of a crime can occur at the outset of the related criminal matter, the

sale of any proceeds often does not occur until after a conviction.

In addition to the mischaracterization of the use and purpose of civil asset forfeiture, problems with the bill also include the following:

First, the felony conviction requirement in the bill is problematic because it misunderstands the distinct nature of a civil asset forfeiture proceeding. An asset forfeiture is usually *not* a proceeding against a person (unlike a criminal prosecution) but rather is a civil proceeding *in rem* (i.e., against the property used in the commission of a crime or obtained as proceeds from the commission of a crime). See State v. Tuipuaupua, at 147. Requiring the owner to be convicted of a crime before his or her assets are forfeited misses the point of asset forfeiture, which seeks to prevent *property* from being used in the commission of criminal conduct. Often, the owner of the property is not the defendant in the criminal case. For example, if a landlord knowingly allows his tenant to use a residence to manufacture or sell drugs, the residence may be forfeited, even if the landlord does not commit a criminal offense. To be clear, the law presently applies to property owners who *knowingly* and *blatantly* allow their property to be used in the commission of a crime. To stop ongoing criminal activity, the property of such individuals should continue to be subject to the civil asset forfeiture proceeding.

Second, the bill's requirement of a felony conviction conflicts with other provisions in chapter 712A, Hawaii Revised Statutes (HRS), and the Penal Code of the HRS. For example, section 712A-11(6), HRS, states, "[a]n acquittal or dismissal in a criminal proceeding shall not preclude civil proceedings under this chapter." Thus, even if the defendant who engaged in the criminal conduct using property subject to asset forfeiture is not convicted, the property the defendant used is still subject to the civil forfeiture process, which uses a different standard and has different purpose, i.e., the removal of property from use in criminal activity.

Third, the bill's felony conviction requirement disregards the fact that misdemeanor and petty misdemeanor statutes specifically provide for the forfeiture of assets. Again, this is important because the asset forfeiture proceedings target property that is being used in criminal activity, regardless of a criminal conviction. For example, section 712-1230, HRS, provides for the forfeiture of gambling devices, paraphernalia used on fighting animals, or birds, implements, gambling records, and other property related to gambling. Quite often, the related criminal offense is promoting gambling in the second degree, under section 712-1222, HRS, which is a misdemeanor. Another example is section 199-7, HRS, which allows the forfeiture of property used in the commission of offenses described in chapters 6D (Protection of Caves), 6E (Historic Preservation), and 6K (Kaho'olawe Island Reserve), HRS. The offenses in these chapters are misdemeanors and petty misdemeanors, but the forfeiture of assets in these circumstances serves the same purpose: to stop the use of property in criminal activity and to deter future crimes. While not felonies, these are all serious offenses that negatively impact our society, and this bill would inhibit our ability to encourage property owners to manage their property in a legal manner, regardless of whether they are charged with criminal offenses.

Finally, the concerns referenced in the bill are misleading because they identify abuses that may occur in other jurisdictions but do not happen in Hawai'i, where we presently have significant safeguards against abuse. At the outset, our statute requires that there be a substantial connection between the property seized for forfeiture and the related crime. In the case of a seized car, for example, unless there is evidence that a particular car was used to facilitate or assist in a crime, or was obtained using the proceeds of a crime, a substantial connection

is lacking and the car cannot be forfeited. See Carlisle v. \$10,447.00 in US Currency, 104 Haw. 323, 336 (2004). An interested party also may file a claim for relief in a court proceeding asserting that the interested party's property was used in the commission of a crime without that party's knowledge. This is an "innocent owner" defense to the forfeiture of the property. Additionally, section 712A-5.5, HRS, requires that the amount of the asset forfeiture be proportionate to the owner's conduct. Under section 712A-10(4), HRS, an interested party may file a petition for remission or mitigation for relief in an administrative proceeding.

In short, the existing statutes require proof that property was connected to a crime, give an aggrieved owner the right to show lack of knowledge of the criminal acts, and allow for relief from any excessive forfeiture.

For the foregoing reasons, I am returning House Bill No. 748 without my approval.

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 1032

Honorable Members
Thirtieth Legislature
State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, House Bill No. 1032, entitled "A Bill for an Act Relating to Small Boating Facilities."

The purpose of this bill is to establish a state boating facility lease pilot program to allow the Board of Land and Natural Resources to lease Manele Small Boat Harbor in its entirety, and fast lands and submerged lands within it.

This bill is objectionable because, although DLNR had sought general authorization for public-private partnerships of small boat harbors, this measure designates Manele Small Boat Harbor as a pilot program without public input.

For the foregoing reasons, I am returning House Bill No. 1032 without my approval.

Respectfully,

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 1133

Honorable Members
Thirtieth Legislature
State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, House Bill No. 1133, entitled "A Bill for an Act Relating to Marine Life Conservation Districts."

The purpose of this bill is to limit the number of commercial-use permits in any marine life conservation district (MLCD) not accessible by land to no more than forty, and to limit access to an MLCD not accessible by land to fifty percent of the current number of permit holders at any one time. The bill requires the Department of Land and Natural Resources (DLNR) to initiate rulemaking for management changes to address concerns regarding overcrowding and fish disruption at the Molokini Shoal MLCD.

This bill is objectionable because it is unnecessary. DLNR already limits the number of commercial-use permits in the Molokini Shoal MLCD, which is the only MLCD that is not accessible by land, to forty.

Furthermore, the bill's language limiting access by commercial-use permit holders to fifty percent of the current number of permit holders at any one time in Molokini Shoal MLCD is counterproductive to DLNR's efforts to address concerns regarding overcrowding. DLNR is in the process of working with the commercial-use permit holders to adjust the operating schedules to coordinate access to better manage the impact of commercial activity on this precious natural resource.

For the foregoing reasons, I am returning House Bill No. 1133 without my approval.

Respectfully,

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, House Bill No. 1276, entitled "A Bill for an Act Relating to Education."

The purpose of this bill is to establish a working group to develop best practices for collaborative teacher preparation time and expanded learning time for students in public schools.

This bill is objectionable because, while it is well-intentioned, it would encourage the development of a "one-size-fits-all" approach to schools. Issues involving planning and expanding learning time are best left to the specific schools to address, as these matters must consider the distinct needs of a particular school as well as the unique needs of their students. Furthermore, planning and learning time are matters better left

to the Board of Education, as those matters fall squarely within the Board's statutory authority.

For the foregoing reasons, I am returning House Bill No. 1276 without my approval.

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 92

Honorable Members
Thirtieth Legislature
State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, Senate Bill No. 92, entitled "A Bill for an Act Relating to Police Reports."

The purpose of this bill is to allow surviving immediate family members of murder or manslaughter victims to receive a copy of the closing report prepared by the investigating police department upon the conclusion of all criminal and civil proceedings that arose from the murder or manslaughter offenses

This bill is objectionable because immediate family members of victims of all crimes already have the right to receive closing police reports, which makes this bill unnecessary. Under current law, members of the general public can obtain copies of any police report after the conclusion of criminal proceedings, provided certain conditions are met in accordance with the Uniform Information Practices Act. Furthermore, restricting this right to immediate family members of only murder or manslaughter victims may lead to a narrow interpretation of the law, leaving family members of victims of other crimes without access to closing police reports.

For the foregoing reasons, I am returning Senate Bill No. 92 without my approval.

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 301

Honorable Members
Thirtieth Legislature
State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, Senate Bill No. 301, entitled "A Bill for an Act Relating to Taxation of Real Estate Investment Trusts."

The purpose of this bill is to repeal the deduction for dividends paid taken by a Real Estate Investment Trust ("REIT") that is subject to Hawai'i income taxes.

This bill is objectionable because it could discourage the business community from investing in Hawai'i. Disallowing the dividends paid deduction for REITs could potentially stifle economic development and scare away investment capital to address our aging infrastructure. From an economic development perspective, REITs provide stable economic growth and long-term benefits – including job creation – that will extend the supply chain into rental and commercial properties.

The benefits of continuing with this federally established legislation are clear and quantifiable. REITs are an important investment vehicle for all types of investments in Hawai'i. If the state corporate income tax is imposed on a REIT, there may be negative impacts to the State's economic health and business climate, such as the reduction of general excise, property and state income taxes.

Overall, the unintended consequences of imposing a corporate tax on REITs, are not worth the potential benefits. Hawai'i needs to be a place that is able to attract investment capital in order to create jobs and a sustainable economy.

For the foregoing reasons, I am returning Senate Bill No. 301 without my approval.

"EXECUTIVE CHAMBERS
HONOLULU
July 9, 2019

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 1292

Honorable Members
Thirtieth Legislature
State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, Senate Bill No. 1292, entitled "A Bill for an Act Relating to Transient Accommodations."

The purpose of this bill is to require hosting platforms that collect fees for booking services to register as tax collection agents and to collect general excise and transient accommodation taxes for transient accommodation bookings from operators and plan managers.

This bill is objectionable because the State's taxation of transient accommodations through hosting platforms should complement the counties' regulation of transient accommodations. While requiring the hosting platforms to collect and pay the taxes on illegal transient accommodation uses would not legalize these operations, there is concern that it could be viewed as legitimizing these operations. To ensure effective regulation, state statutes and county ordinances must

be coordinated. Both the federal Internal Revenue Service and the State Department of Tax (DOTAX) are obligated to collect taxes on business activity, whether legal or illegal, as affirmed by the U.S. Constitution (16th Amendment) and a hundred years of court decisions. However, the passage of Bill 89 (2018) by the Honolulu City Council - which Mayor Kirk Caldwell recently signed into law and is an example of a county's enactment of specific enforcement provisions governing transient accommodations and hosting platforms - highlights the concern that a state law not impede or adversely affect county efforts to regulate land use. This bill raises significant issues, including for DOTAX, that were not fully contemplated by the Legislature or DOTAX when the bill was debated and then passed.

Importantly, the State is exercising its enforcement powers to ensure tax compliance by transient accommodations operators and managers. For example, on June 28, 2019, the State filed an application to issue a subpoena to Airbnb. The State looks forward to working with companies such as Airbnb to ensure tax compliance.

For the foregoing reasons, I am returning Senate Bill No. 1292 without my approval.

"EXECUTIVE CHAMBERS

July 9, 2019

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 1353

Honorable Members
Thirtieth Legislature
State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, Senate Bill No. 1353, entitled "A Bill for an Act Relating to Industrial Hemp."

The purpose of this bill is to establish an industrial hemp licensing program in the Hawaii Revised Statutes that allows for the cultivation of industrial hemp in Hawai'i, to require the Department of Agriculture to create a plan based on the licensing program to be submitted for approval to the United States Department of Agriculture (USDA), and to legalize industrial hemp by (1) removing industrial hemp and THC derived from hemp from the definition of marijuana in the Hawai'i Controlled Substances Act; (2) removing criminal penalties for the cultivation, possession and sale of industrial hemp; (3) removing industrial hemp from certain Department of Health statutes; and (4) creating an affirmative defense to certain criminal offenses relating to the cultivation and possession of marijuana.

This bill is objectionable because it legalizes the cultivation of industrial hemp without establishing effective licensing regulations. The bill would make the unauthorized cultivation of hemp, that is, the cultivation of hemp without a license, subject to only an administrative fine. A stronger incentive is necessary to ensure that growers of industrial hemp go through the licensing process, and to ensure the program is adequately enforced. Given the close relationship between industrial hemp

and marijuana, the State should maintain strict control over the cultivation of hemp and a monetary penalty alone is insufficient to ensure proper regulation. Additionally, the Agriculture Improvement Act of 2018 requires USDA approval of a state regulatory program. Without sufficient regulation, there is a concern that the program will not receive approval.

For the foregoing reasons, I am returning Senate Bill No. 1353 without my approval.

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 1405

Honorable Members
Thirtieth Legislature
State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, Senate Bill No. 1405, entitled "A Bill for an Act Relating to Electronic Smoking Products."

The purposes of this bill are to require public school teachers or educators to confiscate e-cigarettes from students; require public schools to coordinate with the Department of Health for proper disposal of the confiscated e-cigarettes; require the Department of Health to create a safe harbor program for the disposal of e-cigarettes; and increase the fines from \$10 to \$100 for any person under age 21 who violates laws related to electronic smoking devices.

This bill is objectionable because there are considerable implementation concerns and unknown costs relating to certain provisions of this bill. This measure does not include a definition for an "electronic cigarette." A definition is necessary to provide teachers, educators, and students with an understanding of what items are subject to confiscation. Furthermore, confiscating and destroying evidence of a crime may hinder prosecution of those individuals responsible for selling or furnishing electronic cigarettes to persons under the age of 21. It should be noted that the costs to plan for and to create a safe harbor program and store and destroy electronic smoking devices, including the hazardous nicotine waste contained in these devices, are unknown and unfunded.

For the foregoing reasons, I am returning Senate Bill No. 1405 without my approval.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, Senate Bill No. 1423, entitled "A Bill for an Act Relating to Payment of Bail."

The purpose of this bill is to permit defendants for whom a monetary amount of bail has been set to pay the bail amount seven-days-a-week on a twenty-four-hour basis and be released from custody upon posting or payment of bail.

This bill is objectionable because it is unnecessary. The purpose of this bill is similar to the bail reform provisions within House Bill No. 1552, entitled "A Bill for an Act Relating to Public Safety," which I approved as Act 179, Session Laws of Hawai'i 2019. Moreover, this bill requires the Department of Public Safety to establish a process to collect bail funds seven-days-a-week on a twenty-four-hour basis without additional funding to staff and support this new mandate.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, Senate Bill No. 1459 entitled "A Bill for an Act Relating to the State Surfing Commission."

This bill establishes a temporary State Commission on Surfing within the Department of Accounting and General Services (DAGS) to promote surfing internationally and within the State.

This bill is objectionable because, while my administration supports the promotion of surfing, the purpose of the commission is clearly outside of DAGS's mission of delivering quality support services in the areas of physical, financial, and technical infrastructure support for state departments and agencies. Additionally, no funds were appropriated for this bill, making it extremely difficult for the commission to operate. Legislation can be introduced next session to establish the commission in a more appropriate department and provide the necessary funding to successfully operate the commission.

 State of Hawai'i

Pursuant to Section 16 of Article III of the Constitution of the State of Hawai'i, I am returning herewith, without my approval, Senate Bill No. 1530, entitled "A Bill for an Act Relating to the Hawaii Community Development Authority."

The purpose of this bill is to make the conversion of the means of financing for the Hawai'i Community Development Authority (HCDA) staff from the HCDA revolving fund to the general fund contingent on the HCDA developing a plan to transfer control of the Kaka'ako Community Development District to the City and County of Honolulu. The plan and proposed legislation to effectuate the transfer of control of the Kaka'ako Community Development District must be submitted to the Legislature prior to the convening of the 2020 regular session. The transfer must be executed by December 31, 2023.

This bill is objectionable because the short timeline to complete the required work to meet the conversion requirements could potentially threaten funding for thirteen HCDA positions in the third quarter of the upcoming fiscal year. Notwithstanding this objection, HCDA is committed to developing a comprehensive transition plan to transfer control of the Kaka'ako Community Development District to the City and County of Honolulu and to submitting proposed enabling legislation for the 2020 regular legislative session.

House Bill No. 1383, H.D. 2, S.D. 1, C.D. 1 as Act 273, entitled: "RELATING TO MARIJUANA."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: HB1383 HD2 SD1 CD1

Pursuant to Section 16 of Article III of the State Constitution, HB1383 HD2 SD1 CD1, entitled "A BILL FOR AN ACT RELATING TO MARIJUANA" became law as ACT 273 on July 10, 2019.

This bill will decriminalize the possession of three grams or less of marijuana and establish that the possession of that amount is a violation punishable by a monetary fine of \$130.00. It also provides that upon motion by a person convicted for the possession of marijuana under section 712-1249, Hawaii Revised Statutes, for an amount of three grams or less, and arising from a set of facts and circumstances that resulted in no other criminal charge, the court shall grant an expungement order pertaining to the conviction for that offense. Finally, it establishes a marijuana evaluation task force to make recommendations on changing marijuana use penalties and outcomes in the State.

There are numerous concerns, including the normalization of marijuana use, clear conflicts with federal law, the inability to refer violators to effective treatment programs, and the ability for the courts to actually collect fines.

While this bill presents serious policy concerns, it also establishes a task force that is charged with thoughtfully considering recommendations on marijuana policy and preparing a report before the convening of the 2021 Regular Session. In connection with its mandate, I expect the task force will take a close look at the concerns raised in connection with this bill and carefully scrutinize and evaluate the effect of decriminalizing the possession of three grams or less of marijuana.

For the foregoing reasons, I allowed HB1383 HD2 SD1 CD1 to become law without my signature.

House Bill No. 1433, H.D. 1, S.D. 1, C.D. 1 as Act 274, entitled: "RELATING TO ADDRESS CONFIDENTIALITY."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: HB1433 HD1 SD1 CD1

Pursuant to Section 16 of Article III of the State Constitution, HB1433 HD1 SD1 CD1, entitled "A BILL FOR AN ACT RELATING TO ADDRESS CONFIDENTIALITY" became law as ACT 274 on July 10, 2019.

This bill amends chapter 801G, Hawaii Revised States, to change the governmental entity responsible for administration of the address confidentiality program from the Department of the Attorney General to the Office of the Lieutenant Governor. The legislature determined that the Office of the Lieutenant Governor is the appropriate governmental entity to administer the program.

The address confidentiality program was signed into law on July 5, 2018. This law provides survivors of domestic abuse, sexual offenses, or stalking with a substitute address to be used by state and local government agencies. The program is intended to prevent a victim's assailant or potential assailant from finding the victim through public records. Chapter 801G prohibits the address of a program participant from being made public or published in state or county governmental records.

Although the bill presents implementation and funding issues, we recognize the need to establish this program and to begin offering program services to victims that fear for their safety because their whereabouts are available through government records.

Attorney General Clare E. Connors fully supports this program and has agreed to assist with the transition of this program from the Department of the Attorney General to the office of the lieutenant governor by sharing program processes, training presentations and forms that were developed during the past year.

Although the bill originated as a funding bill to allow for proper staffing and operational costs related to the administration of the program, funding provisions were not included in the final version of the bill. We hope to have a continued conversion to address the funding issue and to ensure successful implementation and sustained operation of the program.

For the foregoing reasons, I allowed HB1433 HD1 SD1 CD1 to become law without my signature.

Senate Bill No. 33, S.D. 3, H.D. 2, C.D. 1 as Act 275, entitled: "RELATING TO ECONOMIC DEVELOPMENT."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: SB33 SD3 HD2 CD1

Pursuant to Section 16 of Article III of the State Constitution, SB33 SD3 HD2 CD1, entitled "A BILL FOR AN ACT RELATING TO ECONOMIC DEVELOPMENT" became law as ACT 275 on July 10, 2019.

This bill will: (1) increase the annual rolling cap for the motion picture, digital media, and film production income tax credit to \$50,000,000; and (2) require the University of Hawaii, West Oahu (University) and the Hawaii Technology Development Corporation (HTDC) to execute a memorandum of understanding by December 31, 2020, that will commit the parties to enter, by December 31, 2021, a no-cost lease agreement for a thirty-acre parcel of University land that is adjacent to Farrington Highway and Kapolei Golf Course Road. The bill further requires the lease agreement to be for a term of not less than sixty years, and include a provision requiring that

within six years, the title of the parcel will be transferred from the University to the HTDC.

The legislature received testimony from the Department of Business, Economic Development, and Tourism and the private sector in strong support of this bill's increase of the income tax credit for the motion picture, digital media, and film production industries. The increased tax credit was viewed as essential to sustaining and continuing the growth of these industries in Hawaii, which in turn strengthens job creation and continued employment for the people of the State of Hawaii.

However, in addition to the tax credit increase, the bill also requires the University to enter into a memorandum of understanding with the HTDC for the eventual transfer of a parcel of University land to the HTDC. This part of the bill creates challenges, which should be addressed before DBEDT takes any action.

Notwithstanding the requirement for a University-HTDC memorandum of agreement, and the concerns it raises, the income tax credit established by this bill is hugely beneficial to our state. One of the goals of this administration is to create an environment that encourages and supports its citizens to remain and thrive in Hawaii. Accordingly, to that end, this administration is fully committed to strengthening the local economy through job creation and industry support. The motion picture, digital media, and film production industries are strong players in the local economy and must continue to be supported. The increased tax credit provided by this bill will further that purpose.

Since the University-HTDC memorandum of agreement does not need to be executed until December 31, 2020, my administration will be working closely with the legislature next session to reevaluate this requirement and make the necessary changes to restore the university's autonomy.

For the foregoing reasons, I allowed SB33 SD3 HD2 CD1 to become law without my signature.

This bill will authorize the court to release a defendant in custody on unsecured bail.

We understand that this change was intended to provide an alternative to cash bail. Gov. Msg. No. 1399, dated July 10, 2019, informing the Senate that on July 10, 2019, the Governor allowed the following measure to become law without signature, which reads as follows:

Senate Bill No. 385, S.D. 1, H.D. 2, C.D. 1 as Act 279, entitled: "RELATING TO PROFESSIONAL AND VOCATIONAL LICENSING."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: SB385 SD1 HD2 CD1

Pursuant to Section 16 of Article III of the State Constitution, SB385 SD1 HD2 CD1, entitled "A BILL FOR AN ACT RELATING TO PROFESSIONAL AND VOCATIONAL LICENSING" became law as ACT 279 on July 10, 2019.

This bill repeals defaults on student loans, student loan repayment contracts, and scholarship contracts as grounds for sanctioning professional and vocational licensees. In doing so, this bill would align Hawaii with the majority of states that repeal student loan defaults as grounds for a license denial, suspension, or revocation.

However, section 4 of this bill deletes Hawaii Revised Statutes (HRS) section 431:9-235(e), which provides for the right to a hearing and an appeal from an order suspending, revoking, or not renewing any license application by the Insurance Commissioner. The right to a hearing is not limited to defaults of student loans, student loan repayments contracts, and scholarship contracts; rather, this right also applies to violations of HRS chapter 431, article 9 (Licensing of Adjusters and Bill Reviewers). Deleting the right to a hearing under HRS section 431:9-235(e) will make the legislative intent unclear and hinder the Insurance Commissioner's ability to enforce violations of the licensing laws of public adjusters and bill reviewers.

For the foregoing reasons, I allowed SB385 SD1 HD2 CD1 to become law without my signature.

Sincerely,

/s/ David Y. Ige

Gov. Msg. No. 1400, dated July 10, 2019, informing the Senate that on July 10, 2019, the Governor allowed the following measure to become law without signature, which reads as follows:

Senate Bill No. 409, S.D. 2, H.D. 1, C.D. 1 as Act 280, entitled: "RELATING TO ELECTRIC VEHICLES."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: SB409 SD2 HD1 CD1

Pursuant to Section 16 of Article III of the State Constitution, SB409 SD2 HD1 CD1, entitled "A BILL FOR AN ACT RELATING TO ELECTRIC VEHICLES" became law as ACT 280 on July 10, 2019.

This bill establishes a \$50 annual vehicle registration fee for electric and alternative fuel vehicles to be deposited into the State Highway Fund.

Although my administration supports the electrification of Hawai'i's transportation system, the increase in electric vehicles has significantly reduced revenues to our State Highway Fund due to reductions in gas tax collections. The reduction in our

State Highway Fund limits the Hawaii Department of Transportation's ability to capture matching federal funds. Unfortunately, the federal government operates through reimbursements and requires the state to front the money for transportation projects.

Electric vehicles will continue to receive incentives such as tax credits, free parking, and single driver zipper lane benefits. However, these drivers are equally responsible for the wear and tear to our road systems. My administration will continue looking for the appropriate balance between incentives and road usage equity.

For the foregoing reasons, I allowed SB409 SD2 HD1 CD1 to become law without my signature.

Sincerely,
 /s/ David Y. Ige

Gov. Msg. No. 1401, dated July 10, 2019, informing the Senate that on July 10, 2019, the Governor allowed the following measure to become law without signature, which reads as follows:

Senate Bill No. 414, S.D. 1, H.D. 1, C.D. 1 as Act 281, entitled: "RELATING TO CRIMINAL PROCEDURE."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: SB414 SD1 HD1 CD1

Pursuant to Section 16 of Article III of the State Constitution, SB414 SD1 HD1 CD1, entitled "A BILL FOR AN ACT RELATING TO CRIMINAL PROCEDURE" became law as ACT 281 on July 10, 2019.

This bill will require law enforcement agencies to adopt specified procedures when conducting live lineups, photo lineups, and showups for the eyewitness identification of those suspected of committing offenses. It also requires the agencies to include these procedures in their training programs.

We understand that these procedures are intended to result in more accurate eyewitness identifications, and thereby increase the ability of law enforcement agencies to solve crimes and protect the innocent.

In fact, law enforcement agencies already have adopted many of these procedures. However, some of the other procedures have not been adopted because they are unduly burdensome. Some agencies are also concerned that this bill legislates what should be internal policies and procedures regarding the investigation of crimes. Such legislation could eliminate the flexibility and control agencies need to conduct their investigations.

The bill provides for an effective date of June 1, 2020. This delay will give law enforcement agencies time to adopt and implement eyewitness identification procedures. It will also allow them to raise any concerns that arise during the implementation process with the Legislature during the next session.

For the foregoing reasons, I allowed SB414 SD1 HD1 CD1 to become law without my signature.

Sincerely,
 /s/ David Y. Ige

Gov. Msg. No. 1402, dated July 10, 2019, informing the Senate that on July 10, 2019, the Governor allowed the

following measure to become law without signature, which reads as follows:

Senate Bill No. 551, S.D. 1, H.D. 2, C.D. 1 as Act 282, entitled: "RELATING TO CONDOMINIUMS."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: SB551 SD1 HD2 CD1

Pursuant to Section 16 of Article III of the State Constitution, SB551 SD1 HD2 CD1, entitled "A BILL FOR AN ACT RELATING TO CONDOMINIUMS" became law as ACT 282 on July 10, 2019.

This bill will allow condominium associations to conduct nonjudicial foreclosures, regardless of whether the association's governing documents include a provision expressly providing such authority. The bill addresses a recent decision of the Intermediate Court of Appeals interpreting legislative intent in *Sakal v. Association of Apartment Owners of Hawaii Monarch*, 143 Haw. 219 (2018). It also requires the foreclosing association to offer mediation along with any notice of default and intention to foreclose, as well as prescribed procedures when mediation is chosen by the consumer.

While we have concerns because the bill expressly states that it will apply retroactively, we recognize the need for foreclosing associations to have clarity after *Sakal*. Thus, despite the retroactive application, the prospective application of the bill has utility and value.

We hope to have continued conversations next session to address the bill's implementation challenges and to help both foreclosing associations and delinquent homeowners in condominiums achieve the intent of this measure.

For the foregoing reasons, I allowed SB551 SD1 HD2 CD1 to become law without my signature.

Sincerely,
 /s/ David Y. Ige

Gov. Msg. No. 1403, dated July 10, 2019, informing the Senate that on July 10, 2019, the Governor allowed the following measure to become law without signature, which reads as follows:

Senate Bill No. 767, S.D. 1, H.D. 1, C.D. 1 as Act 283, entitled: "RELATING TO CONTRACTORS."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: SB767 SD1 HD1 CD1

Pursuant to Section 16 of Article III of the State Constitution, SB767 SD1 HD1 CD1, entitled "A BILL FOR AN ACT RELATING TO CONTRACTORS" became law as ACT 283, Session Laws of Hawaii 2019, on July 10, 2019.

This bill increases the handyman exemption from \$1,000 to \$1,500 and makes it applicable only to the cost of labor and materials.

The handyman exemption amount has not been increased since 1992. A project that cost \$1,000 in 1992 is estimated to cost more than \$1,800 in 2019 according to Bureau of Labor Statistics consumer price index. This bill will assist landlords and homeowners in reducing the cost of maintaining a home or to make expedient repairs to make rentals more marketable.

Also, rural parts of our state have a shortage of licensed contractors for these types of projects because the work is too small or contractors are unavailable. Some types of repairs required quick action to prevent further damage to the home.

Although there is merit to raising the threshold, increasing the exemption cap leads to potential consumer protection concerns as unlicensed individuals can engage in larger and more complex construction work. Many of these unlicensed individuals have not met the experience, examination, and insurance requirements required of licensed contractors.

For the foregoing reasons, I allowed SB767 SD1 HD1 CD1 to become law without my signature.

Sincerely,
/s/ David Y. Ige

Gov. Msg. No. 1404, dated July 10, 2019, informing the Senate that on July 10, 2019, the Governor allowed the following measure to become law without signature, which reads as follows:

Senate Bill No. 817, S.D. 2, H.D. 1, C.D. 1 as Act 284, entitled: "RELATING TO SELF-SERVICE STORAGE."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: SB817 SD2 HD1 CD1

Pursuant to Section 16 of Article III of the State Constitution, SB817 SD2 HD1 CD1, entitled "A BILL FOR AN ACT RELATING TO SELF-SERVICE STORAGE" became law as ACT 284 on July 10, 2019.

This bill proposes to permit the issuance of a limited lines self-storage insurance license.

Currently, occupants of self-service storage units may purchase property insurance from fully licensed property and casualty producers to insure their belongings. Product availability and access to purchase these products have not been problem issues for consumers.

This bill does not introduce a new product, lower premiums, or create more competition that would presumably result in lower pricing. Rather, this bill will provide the convenience of on-site purchases of insurance by consumers for their stored property by individuals selling property insurance through these limited lines licenses. These individuals will not have the complete knowledge, experience, or background information of insurance products that fully licensed property and casualty producers have.

The creation of the self-service storage limited lines license is reflective of proposals coming from business interests to increase the number of permitted limited lines licenses covering different niche areas. Consequently, with the numerous additions of limited lines licenses permitted (e.g., air travel, vending machines, accident and health or sickness, credit, credit life disability, and motor vehicle rental), the number of non-fully licensed producers selling insurance policies is growing through a patchwork of disjointed regulations. The growth of these types of licenses, while they may be convenient ways to sell insurance, is not the best way to regulate insurance to protect consumers.

For the foregoing reasons, I allowed SB817 SD2 HD1 CD1 to become law without my signature.

Sincerely,
/s/ David Y. Ige

Gov. Msg. No. 1405, dated July 10, 2019, informing the Senate that on July 10, 2019, the Governor allowed the following measure to become law without signature, which reads as follows:

Senate Bill No. 976, S.D. 2, H.D. 1, C.D. 2 as Act 285, entitled: "RELATING TO PUBLIC LIBRARIES."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: SB976 SD2 HD1 CD2

Pursuant to Section 16 of Article III of the State Constitution, SB976 SD2 HD1 CD2, entitled "A BILL FOR AN ACT RELATING TO PUBLIC LIBRARIES" became law as ACT 285, Session Laws of Hawaii 2019, on July 10, 2019.

Although this bill appropriates \$100,000 for a comprehensive planning study to identify public library land sites and facilities for a pilot program to lease public library lands, the public libraries do not have the resources or expertise in land development and management to conduct the pilot program.

For the foregoing reason, I allowed SB976 SD2 HD1 CD2 to become law without my signature.

Gov. Msg. No. 1406, dated July 10, 2019, informing the Senate that on July 10, 2019, the Governor allowed the following measure to become law without signature, which reads as follows:

Senate Bill No. 1058, S.D. 2, H.D. 1, C.D. 1 as Act 286, entitled: "RELATING TO PROPOSED CONSTITUTIONAL AMENDMENTS."

"Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

Re: SB1058 SD2 HD1 CD1

Pursuant to Section 16 of Article III of the State Constitution, SB1058 SD2 HD1 CD1, entitled "A BILL FOR AN ACT RELATING TO PROPOSED CONSTITUTIONAL AMENDMENTS" became law as ACT 286 on July 10, 2019.

This bill requires the Attorney General, in consultation with the Legislative Reference Bureau (LRB), to prepare a statement, in English and Hawaiian, explaining the purpose, limitations, and effects of each constitutional amendment proposed by the Legislature for the voters. The bill also requires the Office of Elections and county clerks to make the statements available to the public at all polling places in the State and on a website operated by the Office of Elections.

While I fully support the preparation of a statement in English and Hawaiian, proposed amendments are the product of the legislators. For this reason, the statements should be prepared by those who work closely with the Legislature and within the legislative branch. This would ensure that the wording of the statements in both languages reflects the intent of the Legislature. The bill requires consultation with the Legislative Reference Bureau (LRB), but the LRB or another legislative entity would be better suited to prepare the actual statements explaining the proposed amendments.

In addition, there was no funding appropriated to prepare the translations.

For the foregoing reasons, I allowed SB1058 SD2 HD1 CD1 to become law without my signature.

Sincerely,

/s/ David Y. Ige

The committee shall be composed of not less than five members, unless otherwise ordered by the Senate, and include a member or members of the minority party. The President shall appoint the committee's vice chair, who may change from time to time, to represent the standing committee having primary jurisdiction over the subject matter referred to the special committee.

Rule 21 Meetings of Committees.

The notice for the first Senate meeting on a measure shall be filed at least 72 hours before the meeting and at least 48 hours before any subsequent meeting. The notice for any meeting to be held on the first work day of the week shall be filed no later than 4:00 p.m. on the last work day of the prior week.

These notice requirements may be waived with the approval of the President upon good cause shown. The 72 hour notice requirement is waived for the initial decision-making meeting for short form bills and informational briefings.

No committee shall sit during the time when the Senate is actually in session without first securing the approval of the President, except Conference Committees that may sit at any time.

As practicable, committees shall schedule their meetings at times and at places as are convenient for attendance by the general public, and in coordination with other committees of the House or Senate, shall endeavor to hold joint meetings and public hearings on matters of mutual interest.

The meetings of a Conference Committee shall be conducted as agreed upon by the members of the Conference Committee. Conference Committee meetings and decision-making sessions shall be public. Public notice of Conference Committee meetings shall be given to the extent practicable.

Rule 22 Decision-Making by Committee.

(1) The chair of a standing committee may commence a decision-making meeting and open discussion on matters referred to the committee without a quorum; provided that the decision-making by the committee on matters that are referred to it shall be conducted with a quorum of the committee present. A quorum shall be a majority of the membership of the committee.

(2) A favorable vote of a majority of the members present at a decision-making meeting duly constituted with a quorum is required to report a matter out of committee. A member voting "with reservations" shall be counted as a favorable vote.

(3) The presence of a quorum and the final vote of each member who is present at the decision-making meeting of a standing committee shall be recorded by the chair or by a member of the committee designated by the chair. This record shall be attached to and shall be a part of the report of the standing committee.

Rule 23 Public Hearings on Bills.

(1) Subject to this rule, the selection and scheduling of a bill for public hearing shall be at the discretion of the chair of the committee having jurisdiction over the bill.

(2) The chair's determination that a bill will have a public hearing shall be final notwithstanding the opposition of a majority of the members of the committee.

(3) At the written request of a majority of the members of the committee, the chair shall schedule a bill for public hearing.

(4) If a bill:

(A) Has been referred to more than one standing committee and at least one committee hearing is required for passage of the bill out of the Senate;

(B) Contains any significant or substantial amendment made by a committee other than the last standing committee to which the bill has been referred; and

(C) The public has not been provided with an opportunity to submit testimony on the significant or substantial amendment;

then, prior to reporting the bill out of the last standing committee, the last standing committee to which the bill was referred shall hold a public hearing to provide the public with the opportunity to testify on the bill.

Rule 24 Committee Reports.

(1) The leadership committees as may be appointed by the President and Standing Committees shall report from time to time upon all matters referred to them.

(2) Special Committees shall report upon matters referred to them within the time permitted in the appointment of the Special Committee unless further time is given by vote of the Senate.

(3) A Conference Committee shall not report upon the matter referred unless a majority of the members of each house appointed by their respective presiding officer have concurred in the report.

Rule 25 Committees: Fact-finding and Content of Reports.

(1) Whenever any matter shall be referred to a committee it shall be the duty of the committee to make diligent inquiry into all of the facts and circumstances connected with the matter. If necessary, witnesses shall be summoned or subpoenaed, and everything shall be done to bring all facts pertaining to the matter before the Senate in accordance with the provisions of Chapter 21 of the Hawai'i Revised Statutes. The President may exercise such powers authorized under Chapter 21, relating to the issuance of subpoenas, and the President, committee chair and other duly delegated members of the Senate may exercise such powers authorized under Chapter 21 aforesaid, relating to the administering of oaths, and the compelling of witnesses who have been subpoenaed to testify. All committee meetings held on matters referred to it by the Senate shall be open to the public unless otherwise ordered by the Senate or otherwise provided by these Rules.

(2) The report of the committee shall state findings of fact and conclusions based thereon, together with a distinct recommendation as to the disposal of that matter. A report recommending a measure for passage shall clearly state the legislative intent and purpose of the measure.

(3) The report shall also include the identity of organizations or titles of individuals representing organizations who submitted testimony on legislation for, against or comments only on the measure. A summary of any individual or individuals who submit testimony as private citizens shall also be provided.

(4) A report upon a bill shall state clearly the amendments, if any, proposed. If a substitute bill for one or more referred to the committee shall be reported, such substitute bill shall agree with the subject of the bill or bills referred to the committee.

(5) The committee shall report whenever a majority of the members present at the decision-making meeting duly constituted with a quorum is in favor of reporting the bill or resolution out of the committee. The report, after being made available, for review by the members of the committee, and after subsequent revisions thereto, if any, shall be the final report of the committee. The final report of the committee shall be attested to by the signature of the chair on behalf of the members of the committee. The action of the committee on the bill or resolution or any amendments thereto, if any, and the final vote of each member of the committee recorded by the chair or the chair's designee at a decision-making meeting shall not be changed in the review of the report, unless the change is made at an open decision-making meeting conducted with a quorum of the committee present. The minority of the members present at any decision-making meeting duly constituted with a quorum may report.

Rule 26 Committee of the Whole.

(1) The Senate from time to time may resolve itself into a Committee of the Whole. Whenever any matter shall be referred to such committee upon the adoption of a motion to that effect, the President shall call some member to take the Chair (unless the Senate shall nominate a chair), which being done, the Senate then shall be in committee.

(2) The Clerk of the Senate shall act as Clerk of the Committee of the Whole without extra compensation, and shall make a careful record of the proceedings, which shall be filed as one of the records of the Senate.

(3) The Committee, on motion, may rise and ask leave to sit at any future time.

(4) When a bill shall be referred to the Committee of the Whole, the bill shall be first read throughout by the Clerk, and then again read and debated by sections, leaving the preamble to be the last. All amendments, noting the page and line, shall be duly entered by the Clerk on a separate paper, as the same shall be agreed to by the committee, and so reported. When a bill is ordered into Committee of the Whole, such order may dispense with the reading of the whole bill before considering it section by section.

(5) In Committee of the Whole, the rules of procedure in the Senate shall be observed except that any member may speak more than once on the same subject, but no person shall speak a second or further time until others desiring to speak shall have had an opportunity, nor shall the motion for the previous question be allowed. A time limit for debate may be fixed by vote.

A smaller number than a quorum may adjourn from day to day and compel the attendance of absent members. For the purpose of compelling the attendance of absent members, a majority of the members present, by resolution, may direct the Sergeant-at-Arms to place the members who are absent under arrest and return them to the Senate. Rule 44 Order of Business: Questions on Priority.

All questions relating to the priority of business to be acted upon shall be decided without debate.

PART V. BILLS

Rule 45 Bills: Introduction.

Any bill may be introduced on the report of the committee or by any member, except appropriation bills subject to the next paragraph, and except short form bills which may only be introduced by the majority leader or the minority leader after appropriate consultation with committee chairs and other members of the Senate.

The Executive Budget, Judiciary Budget, Legislative Budget, General Appropriations Bill, Supplemental Appropriations Bill, Office of Hawaiian Affairs Budget, and bills for criminal injuries compensation, for claims against the State and for funding of collective bargaining agreements may be introduced only by the President. Each member may introduce only one bill appropriating money for capital improvements projects in the member's district. The majority leaders and the minority leader shall develop a policy governing introduction by individual members of bills intended to appropriate money or to authorize the issuance of state bonds.

Bills, which shall carry over from a regular session in an odd-numbered year to the next regular session, shall retain the numbers assigned to them. The Clerk shall keep a record of the status of all bills in possession of the Senate at the end of the odd-numbered year session and shall publish the record of the status of all such bills prior to the convening of the next regular session.

Every bill introduced or reported out of any committee, which amends an existing section or subsection of the Hawai'i Revised Statutes or Session Laws of Hawai'i, shall set forth the section or subsection in full, and the matter to be deleted shall be enclosed in brackets and stricken and any new matter added to the section or subsection shall be underscored. However, a Supplemental Appropriations Bill need not conform to this rule, nor an amending bill where the intent and effect of the amending bill can be clearly identified and understood without repeating the entire section or subsection, in which case only the paragraphs, subparagraphs, clauses or items to be amended need be set forth as the President may allow. The President may allow additional exceptions to this rule.

Rule 46 Bills: Referral to Committee.

- (1) Upon introduction, all bills shall be numbered by the Clerk in numerical sequence, shall bear an identification as a Senate Bill, and shall pass first reading.
- (2) The majority research office shall make recommendations to the majority leadership on the referral of each such bill to appropriate Leadership or Standing Committees.
- (3) Each such bill shall be referred by members of the majority leadership appointed by the President, to one or more appropriate Leadership or Standing Committees for consideration.

(4) Any referral may be reconsidered by the President upon written request of any chair who is aggrieved by the referral made within three working days. The President shall decide the request for reconsideration within a reasonable time, which decision shall be final. No request for reconsideration shall be considered if the timing of the request would have the effect of killing a bill or resolution.

(5) Any proposed senate draft that makes major amendments or wholesale changes that could affect the referral of the bill shall be submitted to the President for review and if the President deems it appropriate, the bill may be re-referred as determined by the President. The President's determination of any proposed re-referral shall be made within twenty-four hours of receipt of the proposed senate draft.

(6) Each Leadership and Standing Committee shall consider the bills and other matters referred to it as expeditiously as may be possible.

Rule 47 Bills: Required Readings.

No bill shall pass the Senate unless it shall have passed three readings in the Senate on separate days. The President shall give notice in each instance whether it be the first, second or third reading.

Rule 48 Bills: First Reading.

(1) The first reading of a bill shall be for information. If opposition be made to it, the question shall be: "Shall this bill be rejected?" which question may be debated. But no one shall speak more than once upon such question, except the introducer of the bill, who may close the debate.

(2) If the question to reject be negative, the bill shall go to its second reading without question.

Rule 49 Bills: Second Reading.

A bill upon its second reading may be read by its title only. It then shall be subject to a motion to commit. If it is not referred to a Leadership Committee, Standing Committee, or Special Committee, but is ordered to be considered in Committee of the Whole, a day for such consideration shall be determined by the chair of such committee. When the bill is reported from committee it shall take its place in the order of business for future consideration.

Rule 50 Bills: Third Reading.

(1) No bill shall pass third or final reading in the Senate unless copies of the bill in the form to be passed have been made available to the members of the Senate for at least 48 hours. Form to be passed means the form in which a bill is to be (a) passed on third reading in the Senate, (b) concurred to by the Senate after amendments have been made by the House, or (c) passed by the Senate after a Conference Committee has agreed upon it.

(2) A bill on its third or final reading may be read by its title only. Upon the final passage of any bill, the Ayes and Noes shall be called. Such passage shall require the affirmative vote of a majority of all the members of the Senate and the Ayes and Noes shall be entered on the Journal.

(3) All bills, except on first reading, shall be identified by title on the Order of the Day before consideration by the members unless waived by the President.

Rule 51 Bills: Property of Senate.

All bills introduced in the Senate shall be deemed the property of the Senate and under its control unless they shall become law, subject however to the right of the House of Representatives to amend or to refuse to agree with the bills.

Any bill pending at the final adjournment of a regular session in an odd-numbered year shall carry over with the same status to the next regular session; provided that if such bill shall have passed third reading in the Senate in an odd-numbered session, it shall pass at least one reading in the Senate in the next regular session upon its return to the Senate from the House.

Rule 52 Bills: Recall from Committee.

Twenty days after a bill has been referred to a committee, the same may be recalled from such committee by the affirmative vote of one-third of the members of the Senate.

Rule 53 Matters Tabled.

When a bill or resolution or other matter has been laid upon the table, it shall not thereafter be taken from the table and be considered or restored to a place upon the calendar of the Senate without the consent of a majority.

Rule 54 Bills: Amendments.

(1) All amendments proposed to any bill shall be in writing, unless otherwise ordered by the Senate, and shall be sent to the Clerk's desk to be filed with the bill.

(2) The fundamental purpose of any amendment to a bill shall be germane to the fundamental purpose of the bill.

(3) The Clerk shall prepare and distribute copies of any proposed floor amendment to each member of the Senate present.

(4) A floor amendment shall be deemed pending only after its proponent has been recognized by the President and its adoption has been properly moved and seconded.

(5) A floor amendment that relates to a different subject, is intended to accomplish a different purpose, incorporates any other bill pending before the Senate, or would alter the nature of the bill as reported, is not germane and shall not be considered by the Senate.

(6) An amendment to a floor amendment that is not germane to both the floor amendment and the bill as reported shall not be considered by the Senate.

Rule 55 Bills: Certification.

When a bill is passed it shall be certified by the Clerk who shall note the day of its passage in the journal along with a record of the ayes and noes.

Rule 56 Bills: Received from House of Representatives.

Whenever a House bill which has passed Third Reading in the House of Representatives shall be certified to the Senate for its action, such bill shall be read three times before final passage, in accordance with the provision of the rules for the passage of bills introduced in the Senate.

Rule 57 Bills: Transmittal to House of Representatives.

When a bill originating in the Senate shall have passed its third reading, or when a bill originating in the House which has been received from the House shall have been amended, or when a carry-over bill from an odd-numbered year originating in the House passes its third reading in the Senate in an even-numbered year session, such bill or such amended bill shall immediately be certified by the President and Clerk and sent to the House of Representatives for its consideration.

Rule 58 Bills: Correction of Errors.

When a bill has passed both the Senate and the House of Representatives and an error in it is discovered prior to its having received the approval of the Governor, the bill may be returned by Concurrent Resolution to the house last considering the bill for proper correction.

Rule 59 Bills: Order of Consideration.

(1) The Clerk shall ensure that bills that have passed first reading are made immediately available. When the bills have been made available to the members of the Senate, the Majority Leadership, appointed by the President, shall refer the bills to the various committees. When the committees have considered the bills and reported on them, the committees shall return the bills to the Clerk, and the Clerk shall place the bills in the Second Reading File. The Senate shall consider the bills in the order in which they appear in the Second Reading File.

(2) The Clerk shall arrange bills that have passed second reading in the order of their passage on second reading, regardless of the date of their reference to committee or the date of the committee report on them. The Clerk shall place them on the Third Reading File in the order in which they passed second reading and the Senate shall consider them on third reading in that same order. However, if the third reading of a bill is set for some particular date, that bill shall be removed from the Third Reading File.

Rule 60 Bills: Special Order of Consideration.

All bills and other matters set for consideration on particular dates, shall be arranged in the order of the several votes making such assignments. A list shall be made of such special orders, and when the time for consideration arrives, such bills and other matters shall be considered in the order of assignment. If an adjournment shall be had before all of such special orders are disposed of, the remainder shall go over and come under the head of unfinished business on the following day, unless otherwise ordered.

PART VI. RESOLUTIONS; MOTIONS

Rule 61 Resolutions and Motions: Form.

All resolutions shall be typewritten, dated and signed by the introducer, otherwise they shall not be considered. The Senate shall not introduce any congratulatory, commemorative or memorial resolution but shall express the sentiment contained in such resolutions by means of a suitable certificate. Motions and amendments may be verbal but shall be reduced to writing if requested by the President, and shall be read from the desk if so ordered.

Rule 62 Motions: Disposition.

After a motion is stated or read by the President, it shall be deemed to be in the possession of the Senate, and shall be disposed of by vote of the Senate; however, it may be withdrawn by the mover at any time before an amendment has been adopted or before the decision on the motion if not amended.

Rule 63 Motions Applicable to Pending Matters.

Whenever any bill or resolution or other matter shall be under discussion, the only motions relative thereto shall be:

- (1) To lay upon the table,

- (2) To postpone to a certain time,
- (3) To postpone indefinitely,
- (4) To commit or recommit, and
- (5) To amend, which motions shall have precedence in the order named.

The first two motions shall be decided without debate and shall be put as soon as made.

A motion to recommit will require a floor vote.

When any of the motions shall be decided in the negative, they shall not be revived the same day relative to the main question under discussion. If all are negative as aforesaid, the only remaining question shall be as to the adoption of the bill, resolution or other main question.

Rule 64 Matters Postponed Indefinitely.

When a question is postponed indefinitely, the question shall not be acted upon again during the session in which it was introduced.

Rule 65 Motion for Previous Question.

The object of the motion for the previous question is to cut off debate. It shall always be in order. It shall require a three-fifths vote to carry it.

Whenever the motion shall be carried, the author of the resolution or introducer of the bill under discussion shall be permitted to close the debate, after which the main question, subject to Rule 63, shall be put. The author or introducer may delegate to another such right to close.

Rule 66 Motion for Reconsideration.

(1) When a motion has been once made and carried in the affirmative or negative, it shall not be in order for any member who voted on the side that did not prevail to move for a reconsideration thereof; but any member who voted on the prevailing side may move to reconsider it on the same or the succeeding day of session, or, with the consent of the Senate, on any subsequent day and such motion shall take precedence of all other questions, except a motion to adjourn.

(2) When a motion for reconsideration has been decided by vote, that vote shall not be reconsidered.

(3) When a bill or resolution or other matter upon which a vote has been taken shall have gone out of the possession of the Senate, and shall have been transmitted to the House of Representatives, a motion to reconsider shall be deemed to include a request to the House to return the same. If not complied with by the House, then the vote on the motion to reconsider shall be set aside. If such motion shall pass, the Clerk shall promptly communicate to the House the request for return of the matter to be reconsidered.

PART VII. PETITIONS AND COMMUNICATIONS

Rule 67 Petitions, Memorials, and Miscellaneous Communications.

(1) Any person may petition the Senate. Petitions and other memorials, except as provided in Rule 61, shall be in writing, signed by the petitioners.

(2) All petitions, memorials and other papers addressed to the Senate or to the President and members shall be presented to the Senate by the Clerk.

(3) A brief statement of the contents of such petitions, memorials or other papers shall be made orally by the Clerk.

(4) Every such petition, memorial or other paper shall be ordered filed or referred to a committee, as of course, by the President, unless such action is objected to by a member at the time such petition, memorial or other paper is presented.

(5) No such petition, memorial or other paper shall be debated on the day it is presented, except with the consent of the Senate.

PART VIII. ORDER; DEBATE; VOTING

Rule 68 Questions of Order.

(1) A question of order may be raised at any stage of the proceedings, except during the calling of the roll when the Ayes and Noes are called for. Unless submitted to the Senate, such questions shall be decided without debate by the presiding officer, subject to an appeal to the Senate. Laying such appeal on the table shall be held as sustaining the ruling of the presiding officer.

(2) Any question of order may be submitted to the Senate for its decision.

Rule 69 Debate: General Limitation.

No member shall speak more than twice, unless such member be the mover of the matter pending, in which case such member shall not be permitted to speak in reply until every member choosing to speak shall have spoken.

Rule 70 Voting: Methods.

There shall be five methods of ascertaining the decision of the Senate upon any matter.

(1) First, by voice; Second, by raising of hands; Third, by rising; Fourth, by call of the roll of the members and a record of the Clerk of the vote of each; and Fifth, by unanimous consent.

(2) Whenever the Senate is ready to vote on any question, the President shall rise, and after stating the question, shall request all those in favor of the affirmative of the question to vote "Aye." The President then shall call upon all voting in the negative of the question to vote "No." The President then shall announce the result to the Senate.

(3) If any member shall doubt the result, as announced, the President again shall state the question and call upon the members to vote either by rising in their places, and they shall remain standing until counted, or by raising their hands and the result again shall be announced.

(4) The President shall, when one-fifth of the members present so request, and may, when one member so requests, allow a roll-call vote. Clerk shall call the roll of the members of the Senate. Each member, when called, shall vote in a clear loud voice, "Aye," if voting in the affirmative, or "No," if voting in the negative. The Clerk shall record each vote and such record shall become a part of the Journal of the Senate. The President shall announce the results as above set forth.

(5) With the unanimous consent of the Senate, the President may direct the Clerk to record an "Aye" vote for each member of the Senate. If there is no objection, the Clerk shall so record the vote. If there is objection, the President shall ask for the names of the members voting "No" and order the Clerk to record no votes for them.

Rule 71 Voting: Rights of Members.

(1) No member, on any account, shall refrain from voting unless excused by the President. A member voting "with reservations" shall be counted as a favorable vote. A member may vote "Kanalua" the first time the member's name is called by the Clerk on any vote, but if the member votes "Kanalua" on the next call of the member's name, the member's vote shall be recorded as "Aye."

(2) The President may excuse a member who has a monetary interest in the question, or whose right to a seat in the Senate will be affected by the question, or whose official conduct is involved in the question. If a member thinks there may be a personal interest in the question, the member shall rise and disclose the interest to the President. The President then shall rule whether the member has a conflict of interest. If so, the member shall be excused from voting.

(3) Whenever the Ayes and Noes are called, no one, without unanimous consent, shall be permitted to explain a vote.

(4) After the announcement by the President of the result, no one shall be allowed to vote or to change a vote.

PART IX. DECORUM; DISCLOSURES; PEER REVIEW; PUNISHMENT**Rule 72 Misconduct; Procedure; Peer Review.**

No member of the Senate shall be subject to a charge for misconduct, disorderly behavior, or neglect of duty unless the person making the charge shall have first given notice of the charge to the President and to the member being charged.

Upon receipt of the charge, the President shall attempt to resolve the matter in an administrative proceeding. If the matter cannot be resolved administratively, the President may appoint a Special Committee to be chaired by the Vice-President or such other member as the President may designate to investigate, hear and report upon the conduct of the member charged for misconduct, disorderly behavior or neglect of duty. Any member so charged shall be informed in writing of the specific charge or charges made against the member and have opportunity to present evidence and be heard in the member's own defense before the Special Committee. Following its investigation and hearing, the Special Committee shall file its report with the President setting forth its findings and recommendations.

If the committee recommends dismissal of the charge or charges, the President may dismiss the charges without further hearing, or the President may present the report of the committee to the Senate for its consideration. The Senate, by a majority vote, may dismiss the charge or charges against the member without a hearing.

If there is no dismissal of the charge or charges, or if the committee recommends censure, suspension or expulsion, the President shall present the report of the committee to the Senate for its consideration and decision. The member who is charged, shall be informed in writing of the presentation of the charge or charges of the committee report to the Senate and be given an opportunity to be heard in the member's own defense. The Senate, by a majority vote, may dismiss the charge or charges without a hearing, or with notice and an opportunity to be heard in the member's own defense, censure a member or, upon a two-thirds vote of all the members of the Senate, suspend or expel a member.

At any stage of the charge against a member, the member shall have a right to be represented by a person or persons of the member's own choosing.

Rule 73 Decorum: Transgression of Rules.

If any member transgresses the rules of the Senate, the President, or any member, may call such member to order, and, when so called to order, the member immediately shall sit down. The President then shall decide the question of order without debate, subject to an appeal to the Senate.

The President may call for the sense of the Senate on any question of order.

Rule 74 Decorum: Address.

When any member is about to speak, such member shall rise from the member's seat and address all remarks to the President. While speaking, the member shall confine all remarks to the question under debate, shall refer to other Senators by title only (e.g., "Senator from the _____ District"; "The Chair of the Committee on _____"; "The Majority Leader,") and not by name and shall avoid personalities.

Rule 75 Decorum: Person Called to Order While Speaking.

Whenever any person shall be called to order while speaking, such person shall be deemed to be in possession of the floor when the question of order is decided and may proceed with the matter under discussion.

Rule 76 Decorum: Presence in Senate.

No person shall sit at the desk of the President or Clerk, except by permission of the President, nor shall any person, other than a member, officer or permitted employee or person, sit in the main Senate floor area during any of the sessions of the Senate.

Rule 77 Decorum: Conduct in Session.

When the President is putting any question or addressing the Senate, no one shall walk out of the room or across the floor. When a member is speaking, no one shall entertain a private discourse, nor shall anyone pass between the member speaking and the Chair.

No one shall cause any annoyance or disturbance on the Senate floor by use of sound-emitting electronic devices such as cell phones or pagers.

Rule 78 Decorum: Disorderly Conduct in Session.

If, during any session of the Senate, any member should behave in a disorderly manner the President shall order the member to be seated and preserve the peace. If such member then shall persist in disorderly conduct, the President shall order the Sergeant-at-Arms to remove the member from the Senate and the member shall not be permitted to take a seat during the remainder of that day's session, except upon satisfactory pledge given to the Senate for future good behavior.

Rule 79 Decorum: Recording of Debate Called to Order.

If any Senator is called to order for words spoken in debate, upon the member's demand or on that of any other Senator, the words objected to shall be taken down in writing and noted by the Clerk, and, if required, shall be read for the information of the Senate.

Rule 80 Decorum: Smoking.

No member or other officer shall smoke anywhere within the capitol.

Rule 81 Standards of Conduct.

(1) Members should conduct themselves in a respectful manner befitting the office with which they as elected officials have been entrusted, respecting and complying with the law and acting at all times in a manner that promotes public confidence in the integrity of the Senate.

(2) Members should not lend the prestige of public office to advance the private interests of themselves or others; nor should members convey or permit others to convey the impression that they are in a special position to unduly influence pending public business before them.

(3) Members should treat their fellow Senate members, staff, and the general public with respect and courtesy, regardless of political or religious beliefs, race, ethnicity, sex, sexual orientation, or physical disability.

(4) The legislative duties of members as prescribed by law and these Rules should take precedence over all of their other business or professional activities. Members should freely and willingly accept certain restrictions on their business activities and professional conduct that might be considered burdensome by an ordinary private citizen, and should perform the duties of elected office impartially and diligently. To the greatest extent reasonably possible, members should:

- (A) Refrain from allowing family, social, business, or other relationships to unduly influence the member's legislative conduct or judgment.
- (B) Refrain from showing bias or prejudice, including but not limited to bias or prejudice based on political or religious beliefs, race, ethnicity, sex, sexual orientation, or physical disability, in the performance of their official duties.
- (C) Exercise patience, tolerance and courtesy to all those with whom they deal with in an official capacity, and require staff and others subject to their direction and control to maintain similar standards of conduct, fidelity, and diligence inherent in public service.
- (D) Exercise the power of appointment impartially and on the basis of merit, refraining from making unnecessary appointments and approving compensation of appointees beyond the fair value of services rendered.
- (E) Afford to every person who wishes to participate in the legislative process the opportunity to be heard according to established procedures.

- (F) Consider at all times whether their conduct would create in reasonable minds the perception that their ability to carry out legislative responsibilities with integrity and independence is either questionable or impaired.
- (G) Refrain from using, or permitting the use of, the privileges and prestige of their public office to derive undue personal, professional, or financial benefits for themselves, members of their families, or others with whom they maintain personal, business, or professional relationships.
- (H) Refrain from engaging in financial and business dealings that involve them in frequent transactions, or continuing business or professional relationships, with those persons likely to derive benefits from public financial matters either pending or already deliberated and voted upon by the Senate, to the extent that such conduct may reasonably be perceived as personal exploitation of their public office.

Rule 82 Decorum: Solicitation Prohibited.

An officer or employee of the Senate shall not solicit subscriptions, for any purpose, from any other officer or employee thereof, nor from any Senator. Nor shall any person be permitted to solicit or receive subscriptions or contributions for any purpose on the floor or in the lobby of the Senate or in any Senate office.

Rule 83 Disclosures.

Each member shall file with the Ethics Commission of the State of Hawai'i, a disclosure of the member's private financial interests, as prescribed by law. Each member shall file with the Ethics Commission any change in such financial interests.

If a legislative matter which affects a member's interests arises before the member has made a disclosure to the Ethics Commission, the member shall disclose orally such interest to the Senate before voting. The member then shall immediately make the written disclosure required by law and the Rules of the Senate.

Any member who has filed a disclosure as required by this Rule need not make a further oral disclosure on the Senate floor of any interest so filed.

Rule 84 Violating Confidence.

If any matter covered in Rule 35 or 36 shall be disclosed by any Senator, the Senator shall be liable to censure, or, by a two-thirds vote, to suspension or expulsion from the Senate. For the purposes of this rule, a "direct financial interest" means that the legislation affects the legislator's personal business, property, or financial interest.

(2) If a member is uncertain as to whether a conflict of interest exists, the member may request a ruling from the President by giving notice and disclosing the direct financial interest to the President prior to voting. When making a determination in cases where a portion of a measure may place a member in a conflict of interest, the President shall give due consideration to the context of that portion as it relates to the overall purpose of the measure. If the President determines that a conflict exists, the President shall excuse the member from voting.

PART X. QUESTIONS TO STATE OFFICERS

Rule 86 Questions to State Officers.

Any member of the Senate may ask any question of any state officer relating to the officer's respective department by reducing such questions to writing, over the member's signature, reading the same before the Senate, and furnishing the officer with a copy of such written question. Any officer questioned shall reply to such question upon the following day, unless the Senate shall grant a definite extension of time for replying.

PART XI. AMENDMENT, SUSPENSION AND INTERPRETATION OF RULES

Rule 87 Amendments; Suspension; Violations.

(1) No rule of the Senate shall be amended or rescinded nor shall any new rule be adopted, without one day's notice of such change. Any such action shall require a majority vote of the members of the Senate.

(2) Any rule may be suspended for a particular purpose upon a majority vote of the members of the Senate.

(3) Any violation of these Rules shall be referred to the President for appropriate action.

Rule 88 Parliamentary Procedure.

Rule 90 Administrative and Financial Manuals.

The Senate shall adopt by majority vote an administrative and financial manual of guides, the purpose of which is to establish uniformity in administrative practices and to ensure compliance with Senate policies.

Rule 91 Decorum; Disrespectful Conduct During Session by Non-member.

If, during any session of the Senate, any non-member should behave in a disrespectful or disorderly manner the non-member shall be subject to arrest and removal from the Senate Chamber by the Sergeant-at-Arms or by any other law enforcement officer of the State, as directed by the Sergeant-at-Arms. Any removal of a non-member by the Sergeant-at-Arms and its personnel shall be restricted to removal of the non-member from the Senate Chamber and through non-physical means, whenever possible. Once a non-member is removed from the Senate Chamber, the Sergeant-at-Arms shall relinquish control of the non-member to the Department of Public Safety or other law enforcement officers of the State.

For the punishment of a non-member, the provisions of Article III, Section 18, of the Hawai'i State Constitution or section 710-1078, Hawai'i Revised Statutes, pursuant to Act 204, Session Laws of Hawaii 2012, shall govern.

The lead committee staff shall post the notice adjacent to the door of the assigned conference room at the time of the meeting.
- c. If agreement is not reached at a duly noticed meeting and the date(s), time(s), and place of future meetings are not publicly announced at that noticed meeting, chairs shall ensure that a written meeting notice, signed by the lead chairs of their respective chamber, is submitted to the Senate Chief Clerk and the House Sergeant-at-Arms for official posting at least 24 hours in advance of the next meeting of the Conference Committee.

6. Attendance at Meetings

- a. To convene the initial conference committee meeting only the lead House and Senate chair must be present. All other conference committee managers, especially any co-chair, should attempt to be present.

 - iii. All other conference committee managers, especially any co-chair, should attempt to be present at the convening of and during each meeting.
- c. For decision-making at a meeting, a quorum must be present. "A quorum shall be a majority of the House Committee managers and a majority of the Senate Committee managers, and shall include the lead House and Senate chair and majority of the chairs of the Conference Committee for their respective chamber." See Section 9.a of the "Procedures." The lead House and Senate chair of the conference committee must be part of this quorum.
- d. For a fiscal measure, the Chair or Co-Chair representing the House Finance Committee and Senate Ways and Means Committee must be present during decision-making and give their approval.

If none of the chairs of one of the Committees are present within 15 minutes of the scheduled meeting time, the chairs of the other Committee shall have the names of the absent chairs paged through the State Capitol public address system.
- c. If none of the absent chairs are present within 30 minutes of the scheduled meeting time, the chairs present shall inform the managers and members of public present that the Conference Committee cannot be convened or reconvened, and that, pursuant to 5c of these Committees on Conference Procedures, a 24-hour advance notice shall be provided for a subsequent meeting of the Conference Committee.

9. Decision-making Meeting

The decision-making meeting of a Conference Committee shall comply with the following open meeting provisions:

- a. A quorum of the Conference Committee shall be present for the decision-making meeting. A quorum shall be a majority of the House Committee managers and a majority of the Senate Committee managers, and shall include the lead House and Senate chair and majority of the chairs of the Conference Committee for their respective chamber.

- c. The lead chair (or the lead chair’s designee) representing their respective chamber shall call the roll and be the recorder of the quorum and the votes on that measure for that chamber. (Sample attached).
- d. If, after naming a Conference Committee on a measure, the Conference Committee managers representing the chamber from which a measure originated agree to the amendments made by the non-originating chamber, only a quorum of those representing the originating chamber shall vote on the agreement at a duly noticed meeting. For example, if after naming a Conference Committee on a House measure, the House managers of the Conference Committee decide to agree to the amendments in the Senate draft (SD) of the measure, then only the House managers of the Conference Committee shall vote on the measure, returning it to the House in its SD form. For such action, only a quorum of the Conference Committee managers representing the chamber from which the measure originated need to be present. The “Record of Votes of a Conference Committee” sheet detailing the votes of the managers of the originating chamber shall be filed with the appropriate chamber without a Conference Committee Report.

10. Conference Committee Reports

- a. A majority of the House and Senate chairs, respectively, of a Conference Committee shall attest to the action of the Conference Committee by signing the Conference Committee Report on behalf of their respective managers; provided that no Conference Committee Report concerning a measure with fiscal implications shall be reported out of a Conference Committee without the signature of the chair (or the chair’s designee) of each fiscal committee to which the measure is referred. The “Record of Votes of a Conference Committee” sheet detailing the votes of the managers of the Conference Committee shall be attached to the report as a part thereof.
- b. All House measures reported out of Conference Committee shall be filed with the House Chief Clerk, and likewise all Senate measures shall be filed with the Senate Chief Clerk. A document filed in the originating chamber shall be deemed simultaneously filed in the other chamber. Only the original Conference Committee Report, with the attached Record of Votes, and the Conference Draft of the measure shall be required for filing.
- c. If the Conference Committee votes to report the measure out, the Committee must file a Conference Committee Report and Conference Draft with the appropriate chamber’s Chief Clerk.

11. Decision-making Deadlines

On the deadline nights for Final Decking of both non-fiscal and fiscal bills:

- a. Conference Committees shall conclude their negotiations by **6:00 p.m.** to allow adequate time for final preparation of the bills and Conference Committee Reports.

- c. All Conference Committee Reports and Conference Drafts of measures shall be filed with the respective Chief Clerk by **11:30 p.m.**

12. Electronic Transfer

Should a Conference Committee for which the vehicle is a Senate bill decide to use a proposal drafted by the House, the House chair shall have the House proposal electronically transferred to the appropriate Senate office so that the Conference Draft can be prepared. The converse shall apply to House bills with proposals drafted by the Senate that the Conference Committee agrees to.

13. Exceptions to these Deadlines and Procedures

Exceptions to these deadlines and other procedures may be made only with the advance written approval of both the Senate President and the House Speaker.
