The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in strong support of HB576 HD3, Relating to Health Care.

"This measure authorizes advanced practice registered nurses to perform medication or aspiration abortions. Under Hawaii's current abortion law, only physicians can provide medication or aspiration abortion care. In the State of Hawaii, only a few physicians choose to provide these services creating a gap in access to this type of care.

"Aspiration abortions take place in the first trimester. Advanced practice registered nurses already provide similar procedures and this measure can help provide more access to aspiration abortions. These well qualified APRNs working in our state can help provide more access to care if this measure passes.

"This bill is about access to women's healthcare. Many women who reside on neighbor islands must fly to Oahu to receive these services. Due to COVID-19 interisland travel restrictions, many women on the neighbor islands do not have access to a physician that would perform a medication or aspiration abortion. Just to receive this service, women would need to schedule, pay for a flight and risk being exposed to COVID-19. Last year, made it clear that more access is needed.

"Please join me in support of HB576 HD3. Mahalo."

Senator Moriwaki requested that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Moriwaki's remarks read as follows:

"Mr. President, this is a measure that the Legislative Kupuna Caucus introduced in order to help our seniors who are victims of crime by lowering the age at which enhanced penalties apply for crimes against seniors from sixty-two years of age to sixty

years of age and making crimes against a senior's person or property applicable if the perpetrator knows or should know the senior victim's age. Members and stakeholders of the Kupuna Caucus have supported this measure's introduction over the last three sessions along with county level law enforcement agencies and we are pleased to see it has come this far.

"The rate of crimes targeting seniors in the State has increased in recent years. Senior citizens are especially vulnerable to long-term physical, emotional, and financial harm from criminal acts, and there is lack of adequate protection against exploitation of senior citizens under existing law. There is no universally recognized age of a 'senior'; government and non-government entities recognize various ages at which a person becomes a 'senior'. For example, the American Association of Retired Persons considers seniors to be age fifty or above.

"The age of efficacy throughout this measure is consistently set at sixty because it is neither the lowest nor highest commonly recognized age at which a person becomes a senior. The Kupuna Caucus agreed on age sixty for enhanced penalties. Lowering the age from sixty-two to sixty does not diminish the increased vulnerability to crime that older seniors bear as people, generally, become more vulnerable with advancing age. Rather, it is meant to deter perpetrators from targeting seniors because of their vulnerable age and to broaden the class to include more people who may have such age-related vulnerability.

"This measure will serve to protect our seniors as a deterrent to crimes against those sixty years and older and to insure that offenders who target seniors over sixty are prosecuted appropriately."

Senator San Buenaventura rose to speak in support of the measure with reservations as follows:

"When we increase the protected class from 62 to 60, we basically diminish the crimes against seniors, like an 80-year-old who cannot fight against himself, and equate it with a crime against a 60-year-old who can, especially, and for those reasons, I stand with reservations. Thank you."

The motion was put by the Chair and carried, H.B. No. 490, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CRIMES AGAINST SENIORS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25; Ayes with Reservations (Acasio, San Buenaventura). Noes, none.

H.B. No. 1107, H.D. 1, S.D. 1:

On motion by Senator Rhoads, seconded by Senator Keohokalole and carried, H.B. No. 1107, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO COMPUTER CRIME," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:
