"G.M. 683, Aimee Barnes, is currently a member of the Board who was appointed on January 1st. She fills the seat for the island of O'ahu, and Ms. Barnes has an extensive résumé of professional experience, having worked in different positions and locations throughout her career.

"I also support G.M. 684, Doreen Canto. Doreen Canto—and she's known as Doreen 'Pua' Canto—has been serving on the Board since July 2021, with her term expiring in 2025 as well. She has extensive community experience, having served on the Maui Charter Commission, Kula Community Association, Maui Native Hawaiian Chamber of Commerce, the Hawaiian Homes Commission, among others as well.

She brings great experience with government affairs committee member on Kaua'i's Board of Realtors and a great community member—always active on Kaua'i island.

comments, Mr. President, I'd like to insert into the Journal. Thank you."

The Chair having so ordered, Senator Inouye's additional remarks read as follows:

"**Aimee Barnes**, is a current member of the board who was appointed on January 1. She fills the seat for the City and County of Honolulu, island of Oahu. Miss Barnes has an extensive resume of professional experience, having worked in different positions and locations throughout her career. She is currently with Hua Nani Partners and serves as an advisor to major policy, non-profit and philanthropic organizations on climate change since 2019. When asked about why she wished to become a BLNR member, she stated 'I see Hawaii as a beacon of climate and sustainability leadership for the world.... I am deeply concerned about the climate crisis and its current and future impacts on Hawaii's natural resources and economy.'

"**Doreen Canto** has been serving on the board since July 2021, with her term expiring in 2025 pending our confirmation. Doreen has extensive community experience having served on the Maui Charter Commission, Kula Community Association, Maui Native Hawaiian Chamber of Commerce, Hawaiian Homes Commission among others. She is presently with Pelekana Permitting & Planning, LLC. She was previously employed at the Kula Hospital and Hawaiian Telcom. As a BLNR appointee, Ms. Canto sees herself as 'being open minded and honest in decision making that are supported by facts, while being respectful at all times.'

"**Riley Smith**, the designated appointee for the county of Hawaii, is President and Chief Executive Officer of Lanihau Properties, LLC. He has extensive professional experience having held positions at Parker Ranch, the County of Hawaii Dept. of Public Works and Bedford Properties among others. Mr. Yoon is Vice President of Operations, Planning and Program Management with Bishop Museum. He previously was with the State Historic Preservation Division. One of the reasons why he wants to continue with the BLNR is 'to be part of effectuating positive and meaningful change for issues surrounding our fleeting and fragile cultural and natural resources'.

"**Karen Ono** is a life-long resident with strong ties to her community on the County of Kauai. She has been with the Kauai Board of Realtors from 1979 to her retirement in 2021. She was also a Government Affairs Committee Member on the Kauai Board of Realtors. When asked why she wanted to be a member of the Board of Land and Natural Resources, Karen responded, 'I believe it is my duty as a member and resident, to protect the cultural and historical resources that we had growing up in the best interest of the public for our future generations and residents.'"

Stand. Com. Rep. No. 3742 (Gov. Msg. Nos. 684, 685, and 687):

Senator Inouye moved that Stand. Com. Rep. No. 3742 be received and placed on file, seconded by Senator Keith-Agaran and carried.

Senator Inouye then moved that the Senate advise and consent to the nominations to the Board of Land and Natural Resources of the following:

KAREN ONO, term to expire June 30, 2024 (Gov. Msg. No. 687),

seconded by Senator Keith-Agaran.

Senator Acasio spoke in support of Gov. Msg. No. 685 with reservations as follows:

"While G.M. 685 comes to the Senate floor with notable support, I feel obligated to give voice to a portion of my constituency and members of the public who have raised serious concerns about two aspects directly related to the duties that come with this very important appointment to the Land Board.

"The first concern is a track record that shows G.M. 685 takes positions against conservation in favor of development. After my interview with said G.M., I remain highly concerned with his lack of knowledge of the precautionary principle and, more importantly, the public trust doctrine, which is a constitutional priority that this position is entrusted to uphold and to dutifully apply.

"Secondly, I want to give voice to individuals who have reached out to me directly expressing their concerns and sharing their personal experiences but aren't at liberty to be public with these concerns. The words they used to describe the experience of working with the nominee were, 'silencing of opposing viewpoints,' 'bullying,' 'aggressive behavior,' and even 'harassment.' In addition to the workplace safety issue these concerns raise, we must ask ourselves how such tendencies would impact the Board's productivity.

"The nominee's likely confirmation today leaves me hoping, now that these concerns have been voiced, that G.M. 685 will take them to heart as he engages with fellow colleagues and the public to fulfill the important fiduciary responsibilities of this position. Mahalo."

Senator Fevella requested that remarks in support of Gov. Msg. No. 685 with reservations be inserted into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Fevella's remarks read as follows:

"I agree with the remarks of the senator from Hilo and request that her remarks be entered into the Journal as my own."

H.B. No. 1147;
H.B. No. 1179, H.D. 1; and
H.B. No. 1488, H.D. 1, S.D. 1.

Senator Dela Cruz noted:

"Your Committee is requesting a waiver on these measures to meet the Second Decking deadline."

The Chair granted the waiver.

Senator Dela Cruz announced that the Committee on Ways and Means would be holding a decision-making meeting on H.B. No. 1147 that afternoon at 1:00 p.m. in Conference Room 211 and a decision-making meeting on H.B. No. 1179, H.D. 1 and H.B. No. 1488, H.D. 1, S.D. 1 the following morning at 10:40 a.m. in Conference Room 211 and via videoconference.

Senator Baker thanked the members for putting together their Easter baskets. Senator Baker then announced that the baskets would be assembled in the rotunda area of the basement in front of the Auditorium from after the adjournment of the House of Representatives session until 2:00 p.m. Senator Baker noted that they would be privileged to have not only the Easter bunny joining them but an Easter duckling as well, and that there would be photo opportunities with each of the costumed individuals. Senator Baker invited the members to join them, and extended a mahalo for their participation.

The Senate reconvened at 12:19 p.m.

The Chair made the following announcements:
