#### ADVISE AND CONSENT

Stand. Com. Rep. No. 1708 (Gov. Msg. No. 516):

Senator Inouye moved that Stand. Com. Rep. No. 1708 be received and placed on file, seconded by Senator Elefante and carried.

Senator Inouye then moved that the Senate advise and consent to the nomination of DAWN CHANG as Chairperson of the Department of Land and Natural Resources, term to expire December 31, 2026, seconded by Senator Elefante.

Senator Inouye rose to speak in strong support of the nominee as follows:

“Dawn Chang has demonstrated extraordinary leadership skills during her brief time as DLNR chairperson. She has shown a willingness to work with others, including the Legislature, other departments, and community stakeholders—even those who do not agree with her positions. Dawn has repeatedly emphasized that her process will always include making sure others are heard.

“Chairperson Chang is highly qualified for the position she has been nominated to. For slightly more than 10 years, Dawn was the principal of her own consulting company, Ku’iwalu, a firm that worked on strategic planning and facilitating culturally sensitive issues for public- and private-sector projects. Dawn was also a ‘seasoned team’ member of Accord3.0, which provided strategic consulting services to ‘engage in complex, multi-party problem-solving’ tackling difficult problems in areas such as partnership development, facilitation, planning, conflict assessment, and management strategies.

“She gained her knowledge and experience by also serving as the state land use commissioner from 2016 to 2022. A graduate of the William S. Richardson School of Law at the University of Hawai’i, she has had numerous opportunities to apply her legal knowledge and experience to her professional résumé through the years. This included her years serving as a deputy attorney general for the State of Hawai’i and a law clerk for the Honorable Judge Walter M. Heen. Today, with her legal background, Dawn is able to use that knowledge when making decisions in both her private- and public-sector occupations.

“Dawn has a passion for working on hard issues. She stated, ‘As a Native Hawaiian woman, lawyer, community organizer, and someone who is working on “hard issues” involving the Native Hawaiian community, the time is right for healing.’

“It has been a privilege to work with Dawn Chang as chair and member of the Water and Land committee over these four months to help improve the state’s natural and cultural resources. Whether it be advocating for the preservation of Hawai’i’s precious marine ecosystems; managing water and land resources; or preserving the island’s fragile forests, fauna, and native wildlife, Dawn is there to listen to and engage with the community and all stakeholders before making decisions that impact the future of our communities and the Hawaiian islands. She is known for engaging with local communities and stakeholders by visiting them at their locations to understand the issues that concern them; whether it be in Hilo, Līhū’e, Maui, or Wai’anae, Dawn is there!

“I look forward to working with Dawn Chang in the coming weeks and months. She is an excellent fit for the Department of Land and Natural Resources as its chair and leader. Mr. President and members, my strong recommendation to the Senate is to support and vote in favor of our nominee, Dawn Chang (G.M. 516) to be the chairperson for the Department of Land and Natural Resources. Thank you, Mr. President. Thank you, colleagues.”

Senator Richards rose to speak in strong support of the nominee as follows:

“I wanted to extend my strong support for Dawn Chang as being the DLNR chair. In the last several months, we’ve been working together, and this is the first time in my business career here within the state I’ve seen a cohesiveness between DLNR and DOA trying to work forward to establish and reestablish and promote agriculture going forward. Because of that and her word given she’ll be working hard to promote this, I’m supporting her. Thank you, Mr. President.”

Senator DeCoite rose to speak in strong support of the nominee as follows:

“I’ve had the opportunity to work with Dawn many years back when she also came into our communities on the restoration of East Maui water and she met with many of our Native Hawaiian communities. I have known her to be upfront and honest and to work diligently on many of the subject matters between agriculture and aquaculture and forestry and environmental issues. I look forward to working with her, and I look forward to her being the first Native Hawaiian woman to serve in this capacity. Thank you, Mr. President.”

Senator Kanuha rose to request that remarks in support of the nominee be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Kanuha’s remarks read as follows:

“I am proud to stand in strong support of Dawn Chang’s nomination to serve as Chairperson of the Department of Land and Natural Resources. Ms. Chang is a Native Hawaiian, born and raised in Hawai’i, that truly understands the unique historical, cultural, and contemporary value of our State’s land and ocean resources. Through her extensive experience, Ms. Chang has proven, time and time again, her ability to empower local communities to steward the preservation of their own communities.

“Throughout this process, I have found Ms. Chang’s tenacity and grit admirable in the face of adversity. Her commitment to expediently facilitate the transfer of non-agricultural park lands from the Department of Land and Natural Resources to the Department of Agriculture, pursuant to Act 90, Session Laws of Hawaii 2003, is especially compelling, as I believe her strong ability to connect with people from all walks of life will greatly improve collaboration between the Department of Land and Natural Resources, the Department of Agriculture, and lessees.

“For these reasons, colleagues, I firmly believe Dawn Chang will be an important asset to the State of Hawai‘i in the coming years, and I urge you to join me in voting for her confirmation to serve as Chairperson of the Department of Land and Natural Resources.”

Senator Awa rose to seek a ruling on a potential conflict of interest as follows:

“Dawn Chang and I are cousins.”

The Chair asked Senator Awa if he had any direct business dealings that would result in any financial benefit, and Senator Awa replied that he did not.

The Chair ruled that there was no conflict. The Chair added that, in the future, any individual situation that may arise would be looked at, but for now, there was no conflict.

Senator Awa continued, speaking in support of the nominee as follows:

“Even in our family, there’s people with reservations. In our communities, people with reservations, but for the past four months, like the other senator said, Dawn’s been nothing but helpful in our community and working with us and our problems. She’s been out couple times to District 23 and we’re getting stuff done, so look forward to what she can do in the role coming up. Mahalo.”

Senator McKelvey rose to speak in support of the nominee as follows:

“I’m rising because I did go with reservations on the committee of the nomination, not because of qualifications of the nominee whatsoever. I am going to stand in support, but it’s important that the record and everybody know that what I brought up in that committee hearing still stands. I’m trusting on her—when she first came into this role, there was a lot of opposition (I think I noted that), and in the time, she’s taken it head on. But there’s more work to be done, and I’m relying on her to reestablish a safe working environment and much-needed change in the different divisions within the DLNR. I’m hopeful that she will continue with her deputy to take these issues head on, but they remain, Mr. President, and so I think I have to note them for the public and for the record, and I’m hopeful that she will continue to do what she did—is doing—and will take this head on and not let the status quo remain. So thank you, and congratulations again.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23; Ayes with Reservations (Ihara, San Buenaventura, Shimabukuro). Noes, 1 (Fukunaga). Excused, 1 (Fevella).

Senator Inouye introduced Chairperson Dawn Chang, the first Native Hawaiian woman to lead the Department of Land and Natural Resources, who was present in the gallery with her daughter Dayna Williams, Dayna’s husband, Kahea, and their children Olivia and Harry; her sons Kaulana Chang and Kaponu Chang, and Kaponu’s wife, Monica; and her assistant Kanani Kealalio. Senator Inouye then acknowledged members of her staff: Tammie Kotani and Brad Knowlton.

Senator Inouye requested that, at the appropriate time, the members visit with the newly confirmed chairperson.

The Chair replied that he did not believe it would be long and that they would greet the new chair after adjournment.

The Chair then recognized supporters of Chairperson Chang from the Department of Land and Natural Resources who were present in the gallery.

Senator Gabbard rose to request that remarks in strong support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Gabbard's remarks read as follows:

"Senator Mike Gabbard's Journal Remarks on HB308 HD1 SD2

"(Sustainable Food Systems Working Group) – June 12, 2023

"Colleagues, we keep complaining ad nauseam about how we import 85-90% of our food at cost of \$3 billion annually, and why aren't we doing more to fix the problem. We know there's plenty of agriculture land available...we know about the importance of supporting local agriculture... and we want to do so in a way that's sustainable.

"But where's the plan? We've got to have a plan.

"In my seven years as Agriculture and Environment Chair, House Bill 308 is the best opportunity I've seen to solve this nagging problem in local agriculture. I'd like to give a strong shout out and mahalo to Dr. Albie Miles for bringing this idea to me and the countless hours of work he's put into it.

"HB308 would establish a sustainable food systems 'working group' within the Department of Agriculture. The purpose of this working group would be to develop an interagency food systems plan linked to the United Nations Sustainable Development Goals for a more sustainable, resilient local food economy that enhances and sustains the environmental, economic, and social health of the community.

"What Is a sustainable food system, you may ask?

"A sustainable food system is defined as one in which producers, retailers, members of the community, non-governmental organizations, and government agencies partner to create a vibrant and resilient local food economy that enhances and sustains the environmental, economic, and social health of the community.

"HB308 would require a working group to come up with and submit a plan with recommendations for implementation,

including any proposed legislation to the legislature. As mentioned, the plan would be aligned with the 2015 United Nations 17 SDGs (Sustainable Development Goals.)

"HB308 would appropriate funds to establish the working group and develop the plan and for an unspecified number of sustainability specialist positions to be employed by the Department of Agriculture, along with \$100K-\$120K /year for a Professional Facilitator to facilitate the group. This bill is my number one priority this session, and I'm asking for your support. Unfortunately, the companion bill, SB420 did not pass. With HB308, we have another opportunity to move local agriculture forward in Hawai'i nei.

"HB308 received strong support from members of the community, along with numerous stakeholders and individuals; including Anna Wiczorek, Interim Dean College of Tropical Agriculture and Human Resources and Michael Bruno, Provost University of Hawai'i at Mānoa, who recognized the value of such a plan. Like other island states, we know Hawai'i is particularly vulnerable to natural and human disasters that stand to seriously threaten our food security. Creating a plan to ensure a more sustainable food system is more important now than ever.

"Please join me in supporting this important bill. Mahalo."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1603 was adopted and H.B. No. 308, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO SUSTAINABLE FOOD SYSTEMS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:
