FINAL ADOPTION

S.C.R. No. 121, S.D. 1, H.D. 1:

Senator Wakai moved that S.C.R. No. 121, S.D. 1, H.D. 1 be adopted, seconded by Senator DeCorte.

Senator Moriwaki rose to request that remarks in opposition to the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Moriwaki's remarks read as follows:

"Mr. President, I rise in opposition.

"SCRHD1 requests the department of business, economic development and tourism (DBEDT) to convene a tourism and gaming working group. It is, on its surface, fair to those who see gambling as a significant revenue generator. This resolution provides for the department to convene an 18-member working group to research legalized gambling in other states and include not only revenues generated but also the costs of administration, preventive education, gambling counseling and treatment, regulation, and enforcement. However, its end goal appears to be legalizing gambling – it goes beyond the sports gambling proposed in HB1308 to cover all gambling under the guise of its 'tourism gaming policy framework.'

"But note: testimonies from gaming organizations and various other organizations focused on revenue generation but are countered by many residents, including those who have experienced first-hand the hardships and heartaches of broken families, the addicted; and research on the social and financial damage resulting from problem gambling. One Hawaii study in 2016 estimated these costs at \$26.3 million. Contrast that with the department of taxation's estimate of sports gambling revenues of only \$5.3 million in 2026 and, at most, \$6.3 million in 2031.

"Knowing the problems, the question for the working group should be whether we should legalize gambling or not. What are the revenues to be generated and the costs to regulate, enforce, and treat those hurt by gambling addiction. Instead of how to 'develop a comprehensive tourism gaming policy framework,' we should call for an objective study of gambling's costs and benefits for Hawaii.

“The working group includes agencies to address the costs of legalized gambling—the Attorney General, Departments of Law Enforcement, Human Services and Health and the University of Hawaii—to study gambling costs and benefits. But it’s missing input from the residents—those who would be affected most by legalized gambling. The President of the Aiea Community Association requested a seat for residents’ perspectives since one of the working group members—Aloha Halawa District Partners of the New Aloha Stadium Entertainment District—affects residents directly.

“And the Hawaii Good Neighbor Group told us,

‘Gambling exists here. Yes, local residents fly to Vegas... But that doesn’t mean our state leaders should welcome (gambling) into our homes, communities and state. People don’t choose Hawaii because we’re just like everywhere else...’ They choose Hawaii because we’re unique. Let’s do better.

“Colleagues, listen to our constituents, consider the problems of other jurisdictions, and the concerns raised by departments charged with dealing with the costs of legalized gambling. Mahalo.”

Senator Fevella rose to speak in opposition to the measure as follows:

“At this time, I don’t think Hawai’i’s ready. We have other things that we should be taking care of, and, right now, we’re not taking care of it in the department that this is supposed to be designed to go to because there’s a lot of things that is falling apart, like our movie industry and our tourist industry. So we need to figure this thing out and as our economic development moving forward. Thank you.”

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.C.R. No. 121, S.D. 1, and S.C.R. No. 121, S.D. 1, H.D. 1, entitled: “SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF BUSINESS, ECONOMIC DEVELOPMENT, AND TOURISM TO CONVENE A TOURISM AND GAMING WORKING GROUP,” was Finally Adopted, with Senators Gabbard and Kim voting “Aye with Reservations” and Senators Awa, DeCorte, Fevella, Ihara, Inouye, and Moriwaki voting “No.”
