

## FORTY-NINTH DAY

Thursday, April 15, 1999

The Senate of the Twentieth Legislature of the State of Hawaii, Regular Session of 1999, convened at 11:39 o'clock a.m. with the President in the Chair.

The Divine Blessing was invoked by Pastor David Yamashiro, Christ's Church at Kapolei, after which the Roll was called showing all Senators present with the exception of Senators Bunda, Iwase and Kawamoto who were excused.

The President announced that he had read and approved the Journal of the Forty-Ninth Day.

At this time, the following introductions were made to the members of the Senate:

Senator Tam congratulated McKinley High School's Electric Car Team on capturing first place at the Fourth Annual Electron Marathon and introduced the following members of the team: Richard Duong, William Wong, Aaron Iwasaki, David Baker and Andrea Lee.

Senator Chun Oakland introduced Jordan Salis and commended him on being an outstanding role model for youth and for being selected as one of twenty Hawaii representatives to tour Europe this summer as a "People to People Ambassador." Accompanying Jordan was his father, Derek Salis; sisters, Dayna and Lindsey; brother, Dane; and Gary Aki, president of the Kamehameha Homes Tenant Association.

Senator Sakamoto introduced and congratulated Colonel Ann M. Testa, Commander of the 15th Air Base Wing, Hickam Air Force Base, Hawaii, in recognition of Hickam Air Force Base as the winner of the Commander-In-Chief's Annual Award for Installation Excellence. Accompanying Colonel Testa were June Takekawa, president of the Friends of Hickam, and Chief Master Sergeant Earl W. Brewster, Command Chief Master Sergeant for Hickam AFB.

At this time, the Chair appointed Senators Sakamoto, Anderson and Ihara to escort Colonel Ann Testa to the podium to address the members of the Senate.

Colonel Testa addressed the members of the Senate and their guests as follows:

"Mr. President, other members of the Senate, guests -- I've decided I want to recruit the McKinley High School folks who built that electric car. We could use their expertise at Hickam Air Force Base.

"Thank you very much for this honor. I proudly and humbly accept this certificate on behalf of the men and women of Hickam Air Force Base. The installation excellence award competition, in my mind, is much like the superbowl of the Air Force. It takes a dedicated team of people to earn this award. And I say earn, as opposed to win, because we all work very hard, each and every day -- the base personnel and the off-base community working together -- to make this happen.

"I'd like to stress the important role the community played and ask June Takekawa to be recognized as the past president of the Friends of Hickam and a key player on our base's team. Our Friends of Hickam are truly, truly a unique group. This is a group that you don't see in other installations and affiliated with other installations around the world. Never has such a small but dedicated group of local business leaders given so much aloha, ensuring our military personnel and their families feel welcomed to this beautiful island.

"This close bond with our off-base community is particularly important during these trying times when our military men and

women are deployed around the world into potentially life-threatening and definitely hostile situations. The families left behind in Hawaii are made to feel cared for and safe, and that's a big burden off the shoulders of their loved ones, our military deployed overseas. Because of this aloha, our military members are better able to concentrate on their jobs at hand -- and that is protecting the American interests around the world.

"Please accept my deep appreciation to the people of this State for their help in making us the best Air Force installation in the world. Mahalo."

At 12:05 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:17 o'clock p.m.
