ORDER OF THE DAY

ADVISE AND CONSENT

Stand. Com. Rep. No. 1024 (Gov. Msg. No. 159):

Senator Matsuura moved that Stand. Com. Rep. No. 1024 be received and placed on file, seconded by Senator Buen and carried.

Senator Matsuura then moved that the Senate advise and consent to the nomination of BOBBIE ONZUKA-ANDERSON to the Policy Advisory Board for Elder Affairs, term to expire June 30, 2004, seconded by Senator Buen.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Chumbley, Sakamoto).

Stand. Com. Rep. No. 1025 (Gov. Msg. No. 166):

Senator Matsuura moved that Stand. Com. Rep. No. 1025 be received and placed on file, seconded by Senator Buen and carried.

Senator Matsuura then moved that the Senate advise and consent to the nominations to the Board of Health of the following:

ROBYN S. KAUFMAN, terms to expire June 30, 2001, and June 30, 2005; and

JOHN MARSH, term to expire June 30, 2004,

seconded by Senator Buen.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Chumbley, Sakamoto).

Stand. Com. Rep. No. 1026 (Jud. Com. No. 1):

Senator Kanno moved that Stand. Com. Rep. No. 1026 be received and placed on file, seconded by Senator Matsuura and carried.

Senator Kanno then moved that the Senate consent to the nomination of REINETTE W. COOPER as Judge of the District Court of the Second Circuit, for a term of six years, in accordance with the provisions of Article VI, Section 3, of the Hawaii State Constitution, seconded by Senator Matsuura.

Senator Kanno rose in support of the nominee and said:

“Mr. President, I rise to speak in support of the nominee.

“Mr. President, your Committee on Judiciary held a hearing on March 12, 2001, to consider the nomination of Reinette W. Cooper to the District Court of the Second Circuit.

“Your Committee received testimony unanimously supporting Ms. Cooper from the Lieutenant Governor, Public Defender, Maui Prosecuting Attorney, Hawaii State Bar Association, and 23 private individuals.

“Ms. Cooper’s credentials are impressive. She received her law degree from the Southwestern University School of Law, a BA from the Loyola Marymount University, and an AA from Leeward Community College.

“Ms. Cooper’s legal experience is comprehensive and diverse. She is an experienced trial attorney with a thriving solo practice that includes family law litigation, including divorce, custody, child abuse, adoption, guardianships, family reunification, and child protective services, as well as criminal defense of felony and misdemeanor cases. Moreover, in addition to currently being a per diem Family Court Judge in the Second Circuit, Ms. Cooper has been a Deputy Prosecutor, Deputy Public Defender, and grand jury counsel. Additionally, Ms. Cooper has been a guest lecturer at the University of Hawaii’s Richardson School of Law, and Leeward Community College.

“It is with great pleasure that your Committee finds Ms. Cooper to be qualified and extremely well suited for the position with the District Court of the Second Circuit and wholeheartedly recommends that the Senate consents to the nomination.

“Thank you.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Chumbley, Sakamoto).

Stand. Com. Rep. No. 1027 (Jud. Com. No. 2):

Senator Kanno moved that Stand. Com. Rep. No. 1027 be received and placed on file, seconded by Senator Matsuura and carried.

Senator Kanno then moved that the Senate consent to the nomination of TRUDY K. SENDA as Judge of the District Court of the Fifth Circuit, for a term of six years, in accordance with the provisions of Article VI, Section 3, of the Hawaii State Constitution, seconded by Senator Matsuura.

Senator Kanno rose to speak in support of the nominee as follows:

“Mr. President, I rise to speak in support of the nominee.

“Mr. President, your Committee on Judiciary held a hearing on March 12, 2001, to consider the nomination of Trudy K. Senda to the District Court of the Fifth Circuit.

“This nominee received testimony from a wide cross section of the community. The Circuit and District Courts of the Fifth Circuit as well as the Lieutenant Governor are only a few of the many distinguished testifiers in support of the nominee.

“The nominee is a product of the state’s public educational system. She received her high school diploma from Kauai High and Intermediate School then went on to earn a BA and a JD from the University of Hawaii.

“The Hawaii State Bar Association reviewed, evaluated, and rated the nominee on her qualifications for a judicial appointment. The review examines numerous facets of a nominee’s profile including integrity, legal knowledge and ability, professional experience, judicial temperament, diligence, financial responsibility, public service, collegiality, and writing ability. Upon completion of the review process, the State Bar Association gave the nominee its highest endorsement.

“The nominee has been in private practice and has extensive experience in general litigation, including personal injury, workers’ compensation, criminal law, construction contracts, commercial disputes, foreclosure proceedings, family law, real estate development and financing, and land use law.

“The nominee has been an arbitrator for the Fifth Circuit Court and a Master Mediator for the Court Annexed Arbitration Program.

“Your Committee was impressed with the nominee’s statement in her written testimony that she will strive to dispense justice, fairness, objectivity, reason, respect, and due process within the bounds of the law, striving to arrive at a fair and lawful solution. She states that she will practice pragmatism while not allowing a pragmatic approach to deprive a litigant of constitutional rights, and that she will do what is right as a jurist rather than what is popular in the community.

“It is with great pleasure that I recommend that the Senate confirm the nominee as a District Court Judge in the Fifth Circuit Court of Hawaii.

“Thank you.”

Senator Chun rose in support of the nominee and stated:

“Mr. President, I also stand in support of the nominee.

“Mr. President, I’ve known Ms. Senda since childhood when we were both growing up on Kauai. I’ve always known her to be a person with great integrity, honesty, and intelligence – all essential factors to being a successful judge. Mr. President, the Bar of Kauai will miss Ms. Senda’s skill as an advocate, but I feel they will gain much from her service on the bench.

“Mr. President, on a personal note, I will miss Ms. Senda’s services as an advocate as part of the Bar, because now we’ll have to find another attorney to refer cases to when I have conflicts. So I think I will have to check with her other partner over there to see if I can do referrals on Family Court or other real estate related matters. I think her service on the bench will far, far outweigh the loss of her on the Bar.

“Thank you, Mr. President.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Chumbley, Sakamoto).

At 12:09 o’clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:15 o’clock p.m.

No. 40 Committee on Economic Development and Technology, then to the Committee on Ways and Means

RE-REFERRAL OF SENATE RESOLUTIONS

The Chair re-referred the following resolutions that were offered:

Senate
Resolution

Referred to:

No. 30 Jointly to the Committee on Education and the Committee on Economic Development and Technology

No. 31 Committee on Economic Development and Technology, then to the Committee on Ways and Means

Senator Chun, for the Committee on Hawaiian Affairs, requested a waiver of the notice requirement pursuant to Senate Rule 20 for H.B. Nos. 144 and 159, and the Chair granted the waiver.

Senator Slom rose on a point of personal privilege as follows:

“Mr. President, I rise on a point of personal privilege.

“I just wanted to give my personal point of view on this \$10,000 ad that appeared in this morning’s paper from the Governor. I think it’s wholly inappropriate of the use of public funds for involvement in this collective bargaining process.

“But you know, the interesting thing is that the Governor’s got a magazine that the public also pays for – Imiloa. The Governor has press conferences and press releases almost every day, so I don’t think the Governor has much trouble getting press coverage. I think, however, that maybe he would like to use some of his money for the Minority Caucus so that we can get our points as succinctly across and maybe we can go in on a joint ad with him.

“One of the things that was in the ad I’d like to call attention to my colleagues, because I know sometimes people get a little concerned that for five years now I have voted against every additional special fund. And people have said, ‘Now Sam, it’s a good cause and it’s a good reason’ and all that. My argument has always been twofold: (1) it is not good budgetary accounting procedures to have special funds; and (2) we always steal the special funds and they are not so special after all.

“I’m very happy to see that in this \$10,000 ad, the Governor says in the third paragraph, ‘three years ago we raided special funds and cut services to give teachers a 14 percent pay increase.’ Whether that percentage figure is correct or not, the fact is that that’s what we do – we create these special funds; we hide them from the general public; and then we allow them to be raided for purposes other than which they’re intended. That’s why, Mr. President, I will continue to vote against special funds. They’re BAD policy.

“Thank you.”

ADJOURNMENT

At 12:21 o'clock p.m., on motion by Senator English, seconded by Senator Hemmings and carried, the Senate adjourned until 11:30 o'clock a.m., Thursday, March 15, 2001.

Respectfully submitted,

Clerk of the Senate

Approved:

President of the Senate

THIRTY-THIRD DAY

Thursday, March 15, 2001

The Senate of the Twenty-First Legislature of the State of Hawaii, Regular Session of 2001, convened at 11:42 o'clock a.m. with the President in the Chair.

The Divine Blessing was invoked by Pastor Bob Chin, Kaimuki Evangelical Church, after which the Roll was called showing all Senators present with the exception of Senator Matsuura who was excused.

The President announced that he had read and approved the Journal of the Thirty-Second Day.

Senator Fukunaga recognized and introduced internationally renowned Taiko Master, Kenny Endo for his 25+ years of elevating taiko into an international performance art. Accompanying Mr. Endo was his wife, Chizuko, and sons, Myles and Zenya.

At this time, Mr. Endo demonstrated his artistry with a brief performance for the members of the Senate.

At 11:57 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:05 o'clock p.m.

ORDER OF THE DAY

RE-REFERRAL OF HOUSE BILLS

The Chair re-referred the following House bills that were received:

House Bill	Referred to:
------------	--------------

No. 168, H.D. 1	Committee on Judiciary, then to the Committee on Ways and Means
-----------------	---

No. 170, H.D. 1	Jointly to the Committee on Judiciary, the Committee on Tourism and Intergovernmental Affairs and the Committee on Transportation, Military Affairs, and Government Operations
-----------------	--

No. 543	Committee on Health and Human Services, then to the Committee on Commerce, Consumer Protection and Housing, then to the Committee on Ways and Means
---------	---

No. 698	Jointly to the Committee on Water, Land, Energy, and Environment and the Committee on Economic Development and Technology, then to the Committee on Ways and Means
---------	--

No. 699	Committee on Health and Human Services, then to the Committee on Judiciary
---------	--

At this time, the Chair made the following announcement:

“If there are no objections from the members, the following changes to Standing Committee assignments will be made:

Senator Slom is added as a member of the Committee on Ways and Means; and

Senators Kanno and Taniguchi are removed as members of the Committee on Health and Human Services.

“The Clerk is ordered to place the memorandum of Committee changes into the Journal.”

The Chair having so ordered, the memorandum of Committee assignment changes is identified as ATTACHMENT “A” to the Journal of this day.

Senator Hemmings rose on a point of personal privilege as follows:

“Mr. President, I rise on a point of personal privilege.

“I just want to correct an error or misrepresentation in the morning Advertiser that says, apparently, Republicans are unaware that Gary Rodrigues had stepped down before we introduced our resolutions. For the record, our resolutions were introduced in advance of Gary Rodrigues making that announcement publicly.

“Secondly, I’m extremely proud that your Minority took a stand on this issue for what is ethical and right in the judicial selection process.

“I must say, in all honesty, I also want to thank Gary Rodrigues for doing what is right in this situation and he deserves our recognition of that.

“Thank you, Mr. President.”

Senator Slom rose on a point of personal privilege and said:

“Mr. President, I rise on a point of personal privilege.

“Yesterday, the teacher’s union took a strike vote – a very decisive and overwhelming strike vote – and I think that our community is in turmoil about the possibility of a teacher’s walkout. It would certainly have economic considerations that would be devastating. It would be divisive.

“I think that a strike against the educational system is really a strike against state-sponsored education, and it’s a strike against those of us that want to resolve this situation and this problem. I think we should keep in mind, however, that this is not an idea of trying to resolve problems with the HSTA or with the teachers or with the Governor or with the State, as much as it is to try to keep the focus on the solution for our children.

“We remember what happened the last time, Mr. President, when we went to the early hours of the morning on the day of the strike for a settlement, last ditch settlement. I think it’s incumbent upon us to try to reach a settlement prior to that time and I have every belief that there is enough creativity in this room alone, Mr. President – as evidenced by bills that have been introduced, by discussions that have been held, by comments and beliefs by my colleagues, both sides of the political aisle – that we can in fact get involved in this issue at this time in a proactive way to try to offer not only our support, but also solutions that go beyond the mere addition of monetary or compensation wages to look at and offer up a solution that will include systemic changes, changes that will involve also merit incentives and will be long term in nature, rather than short term. Otherwise, we’re going to go through this again in another couple of years.

“So, Mr. President, I would like to formally request that you, with your good offices, form a bipartisan Senate committee, one in which is not here to take sides, but one which is to offer real life solutions to this problem so that we can resolve it now, rather than waiting till the morning of April 5.

“Thank you, Mr. President.”

The Chair responded:

“The Majority is willing to work with the Minority on some of the solutions.”

ADJOURNMENT

At 12:12 o’clock p.m., on motion by Senator English, seconded by Senator Hemmings and carried, the Senate adjourned until 11:30 o’clock a.m., Friday, March 16, 2001.

Respectfully submitted,

Clerk of the Senate

House Bill	Referred to:
------------	--------------

No. 524, H.D. 1	Committee on Commerce, Consumer Protection and Housing, then jointly to the Committee on Judiciary and the Committee on Ways and Means
-----------------	--

Senator Slom rose on a point of personal privilege as follows:

"Mr. President, I rise on a point of personal privilege.

"We have just lost someone who was very active and dedicated in our community, Mr. Adam A. 'Bud' Smyser of the Honolulu Star Bulletin. Mr. Smyser epitomized leadership in this community and dedication to many different activities. He had a long and distinguished 55-year career with the newspaper. During that period of time, he served as a reporter, city editor, managing editor, editor in chief, editorial page editor, and most recently as contributing editor, writing his column 'Hawaii's World' twice a week.

“He came originally from York, Pennsylvania. He was in the United States Navy, and he was recruited and offered a job by the late editor of the Honolulu Star Bulletin and he started his career in 1946. He served on many committees in his community, and he was a very active advocate for Statehood for Hawaii.

“He was a gentle man. He was a good reporter, a good writer, and he was a good friend. I think we’re all going to be less without Bud Smyser in our community.

“Thank you, Mr. President.”

At this time, Senator Chun Oakland, on behalf of the Senate, extended happy birthday wishes to Senator Chumbley.

Senator Chumbley rose on a point of personal privilege as follows:

“Mr. President, I rise on a point of personal privilege.

“I won’t disclose my age today, but you can tell by the gray hair and the frowns in my forehead that life is getting challenging these days.

“Mr. President, I’d also like to request a rising vote of adjournment and a moment of silence for Bud Smyser.

“Thank you, Mr. President.”

ADJOURNMENT

At 12:12 o’clock p.m., on motion by Senator English, seconded by Senator Hemmings and carried, the Senate adjourned until 11:30 o’clock a.m., Tuesday, March 20, 2001, on a rising vote, observing a moment of silence in memory of the late Adam A. “Bud” Smyser.

Respectfully submitted,

Clerk of the Senate

Approved:

President of the Senate

ORDER OF THE DAY

THIRD READING

H.B. No. 692:

On motion by Senator Inouye, seconded by Senator Chun Oakland and carried, H.B. No. 692, entitled: "A BILL FOR AN ACT RELATING TO SECTION 13 OF ACT 380, SESSION LAWS OF HAWAII 1997," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, none. Excused, 3 (Menor, Sakamoto, Tam).

RE-REFERRAL OF HOUSE BILLS

The Chair re-referred the following House bills that were received:

House Bill Referred to:

No. 177, H.D. 1 Jointly to the Committee on Transportation, Military Affairs, and Government Operations and the Committee on Labor, then jointly to the Committee on Judiciary and the Committee on Ways and Means

No. 1127 Committee on Commerce, Consumer Protection and Housing, then to the Committee on Ways and Means

No. 1335, H.D. 1 Committee on Economic Development and Technology, then jointly to the Committee on Commerce, Consumer Protection and Housing and the Committee on Ways and Means

Senator Matsunaga, for the Committee on Commerce, Consumer Protection and Housing, requested a waiver of the notice requirement pursuant to Senate Rule 20 for H.B. No. 1256, and the Chair granted the waiver.

Senator Slom rose on a point of personal privilege as follows:

"Mr. President, I rise on a point of personal privilege.

"Yesterday in the Senate Labor Committee, there was an action that was taken that at the very least was scurrilous, dishonest, fraudulent, immoral, and unethical. Besides that, it was poor sportsmanship.

"We have had in this Session probably more attempts to reconsider bills than in any other Session that I can remember. Now, sometimes there's a good reason to reconsider a bill – if someone who had voted against the bill, and the bill was killed, has changed his or her mind; if there is new evidence that comes before the group; if we voted because we were all doing drug rehab and didn't understand what the bill was about, then there's a reason to reconsider if we were to follow procedures that are understandable and recognized not only by the public, but also by the Senate and its Rules.

"But that's not what happened yesterday. What happened yesterday was a blatant and naked abuse of power. A bill had been voted upon fairly and squarely last Friday. After hours of testimony, after the public had left, a vote was taken and the bill was defeated. Believe me, Mr. President, I know about being on the wrong end of a bill and how the votes go, but what was done yesterday was a clear message of disrespect for the people that came forward to testify, a disrespect for the integrity and the position that the Senate had already taken on a particular issue, and a bald-faced attempt to try to buy a change in the vote by making a promise that will not be kept.

"I'm very disheartened, Mr. President, because we did not follow the letter or the spirit of either the Senate Rules or either our procedures in Mason's. Maybe, Mr. President, we should call for a reconsideration of the Senate Rules since some people do not know how to apply them equally and at all times.

"I think it is really unfortunate also that when we take a vote and Senators spend their time and they listen to the testimony that's given and they ask questions, and then their vote is taken away because at the end a phantom majority comes in, a phantom quorum – people who have not been in the hearing, who have not heard the testimony, who did not listen to the pleas made by the people testifying on whatever the issue was – they come in and they just vote aye, aye, aye, aye, aye – not questioning, not listening, and not adhering to the Rules. And that's what we did yesterday.

"The fact that a statement was made that we will add a tip credit to minimum wage, when the people making the statement are opposed to and have removed and have broken promises in the past about this tip credit, makes this all the more outrageous. By all means, let's debate the issues – whatever the issue may be – in full and open hearings, and then let's take a vote, but then let's live by that vote. Let's not fool the people into thinking that they have witnessed the process, only to have somebody reconsider merely because the vote did not go their way – no new evidence, nothing new to offer, and no person who had voted against that provision asking to reconsider.

"As I say, Mr. President, I'm very disheartened. At the very least, it sends a message of bad precedent.

"We have teachers coming down here lobbying everyday. We have students in our halls. They look to us for moral and ethical leadership. And what do we show them? We show them that our promises are not worth anything, that we will manipulate and do anything we can to get the vote to come out the way we want it. I think that's unfortunate, and I'm sorry, Mr. President.

"Thank you for your consideration."

Senator Nakata rose on a point of personal privilege and said:

"Mr. President, I rise on a point of personal privilege.

"The Senator from Hawaii Kai has made his point. As the Labor Chair, after the original vote I did consult with members of my Committee, as I think is fairly normal in terms of looking at reconsideration. One of those members who had voted against the bill on the first go-around said that if I put the tip credit back in, he would change his vote. I think that's proper and all that was required, so I asked for the reconsideration. Reconsideration, under the Rules of the Senate is something that can happen in Committee under those circumstances, and I asked the Committee to reconsider and vote for the bill with the amended recommendation and that was passed.

"Thank you."

Senator Hemmings rose on a point of personal privilege and stated:

"Mr. President, I rise on a point of personal privilege.

"I'd like to make the prediction, in spite of the commitment from the Senator from Koolauloa, the previous speaker, that the tip credit will indeed be removed and that the change in vote was just a buy-off, as the good Senator from Hawaii Kai has so clearly enunciated.

"I do want to laud, though, the Majority Party for one thing – for their consistency. They're quite in step with their colleagues in Florida who consistently want to recount until they get the results they want.

"Thank you, Mr. President."

Senator Kawamoto rose on a point of personal privilege and said:

"Mr. President, I rise on a point of personal privilege.

"I was there at the meeting and the Chair had announced that he received a ruling from the Senate legal office. The ruling was that he could have done what he did, and diligently he went and did that.

"I give the Chair credit for reviewing and going to the legal office or attorney to make a decision or to get an opinion on what the Chair of Labor did. So, we got the decision. It was in light of that that we proceeded with the vote.

"Thank you."

Senator Slom rose again on a point of personal privilege and said:

"Mr. President, a point of personal privilege and brief rebuttal.

"First of all, on the matter of the legal opinion from the attorney, let's make sure that we understand this was a Majority Attorney – a member of the same party of the Chair and Majority members of the Committee. At no time was this ruling or decision shared with anyone else. At no time did anyone have an opportunity to question the Majority Attorney about his interpretation, and that's what it is, an interpretation.

"And finally, we know we can talk about things being legal and yet they're not right. And we know that this action taken yesterday violates the very spirit, the very core of what it is that we've pledged to do and how we represent the people here.

"And this idea . . . I will give credit to the good Senator from God's country, Waipahu. He voted with reservations because he said that's not our position; we don't believe in the tip credit; we don't want the tip credit. That was the position; that was the bill that we passed out of this body. And for somebody to say, 'Oh, I'll support it now,' knowing full well that somebody down the line has the ability to change it and to kill it because that is the position of this body, is hypocritical.

"Again, we have to talk about the spirit of things, and we've butchered the spirit yesterday! Thank you, Mr. President."

At 11:57 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:01 o'clock p.m.

ADJOURNMENT

At 12:02 o'clock p.m., on motion by Senator English, seconded by Senator Hemmings and carried, the Senate adjourned until 11:30 o'clock a.m., Friday, March 23, 2001.

Respectfully submitted,

H.B. No. 1547, H.D. 1:

Senator Kawamoto moved that H.B. No. 1547, H.D. 1, having been read throughout, pass Third Reading, seconded by Senator Fukunaga.

Senator Hemmings rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of H.B. No. 1547, H.D. 1, with reservations.

"Briefly and to the point, this is just another fee heaped on the people of Hawaii which adds to the total cost and burden of living in Hawaii, albeit some people may find it rationalized by the modest increase in the fees. Nevertheless, the proponents of this bill never did explain to the Committee at the hearing, to my satisfaction, that it was necessary. Hence, I will be voting for it, with reservations, in the hope that we can moderate fee increases such as this in the future.

"Thank you."

Senators Slom and Hogue requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, H.B. No. 1547, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TOWING," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 1 (Kanno). Excused, 2 (Kim, Matsuura).

H.B. No. 986, H.D. 1, S.D. 1:

On motion by Senator Kanno, seconded by Senator Chun and carried, H.B. No. 986, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO IDENTIFICATION DOCUMENTS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Kim, Matsuura).

H.B. No. 1001:

On motion by Senator Kanno, seconded by Senator Chun and carried, H.B. No. 1001, entitled: "A BILL FOR AN ACT RELATING TO GARNISHMENT," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Kim, Matsuura).

H.B. No. 1004, H.D. 1:

By unanimous consent H.B. No. 1004, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO ORIGINAL JURISDICTION OF THE HAWAII SUPREME COURT," was recommitted to the Committee on Judiciary.

Ayes, 23. Noes, none. Excused, 2 (Kim, Matsuura).

H.B. No. 645, H.D. 1, S.D. 1:

On motion by Senator Kanno, seconded by Senator Chun and carried, H.B. No. 645, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO ENDANGERING THE WELFARE OF INCOMPETENT PERSONS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Kim, Matsuura).

ADVISE AND CONSENT

Stand. Com. Rep. No. 1293 (Gov. Msg. No. 161):

Senator Inouye moved that Stand. Com. Rep. No. 1293 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Inouye then moved that the Senate advise and consent to the nomination of JOBRIATH L. ROHRER to the Endangered Species Recovery Committee, terms to expire June 30, 2001, and June 30, 2005, seconded by Senator Chun Oakland.

Senator Inouye requested the following remarks be inserted into the Journal:

“Mr. President and members, your Committee on Water, Land, Energy, and Environment would like your support for the confirmation of Jobriath L. Rohrer, gubernatorial nominee to the Endangered Species Recovery Committee, for a term to expire June 30, 2001, and for a reappointment to expire June 30, 2005.

“Mr. Rohrer has worked in the army ecosystem management program on Oahu for the past five years in the areas of conservation, management, and restoration of threatened and endangered species and native ecosystems. His work with the army has concentrated on management and restoration of army training lands and has provided him with valuable experience in field applications of conservation techniques.

“Mr. Rohrer has field experience in an integrated program of predator, weed, and feral ungulate control, combined with active reforestation and outplanting programs of native and endangered plants in the restoration of native ecosystems on army lands.

“He is also a member of, and worked closely with, resource agency and community members of the Hawaii Rare Plant Restoration Group, the Toxicant Working Group, Oahu Invasive Species Committee, and the Waianae Feral Goat Management Team.

“Mr. Rohrer is a graduate of the University of Hawaii at Manoa, with a Bachelor’s Degree in Zoology.

“After full consideration of the background, character, experience, and qualifications of the nominee, the Committee has found the nominee to be qualified for the position to which he has been nominated and recommends that the Senate support the nomination.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Kim, Matsuura).

Stand. Com. Rep. No. 1294 (Gov. Msg. No. 162):

Senator Inouye moved that Stand. Com. Rep. No. 1294 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Inouye then moved that the Senate advise and consent to the nomination of PUANANI ROGERS to the Environmental Council, term to expire June 30, 2004, seconded by Senator Chun Oakland.

Senator Inouye requested the following remarks be inserted into the Journal:

“Mr. President and members, your Committee on Water, Land, Energy, and Environment would like your support for the confirmation of Puanani Rogers, gubernatorial nominee to the Environmental Council, for a term to expire June 30, 2004.

“Ms. Rogers is active in numerous community organizations, including Ho’okipa Network, which she co-founded, Kauai Historical Society, Ka Lahui Hawaii, Ahupua’a Action Alliance, and Kauai Makihana Festival.

“A graduate of Kamehameha Schools, Ms. Rogers attended Kauai Community College, and has worked as a receptionist, real estate agent, and a musician. Her extensive community contacts and knowledge of environmental and cultural issues will be an asset to the Environmental Council.

“After full consideration of the background, character, experience, and qualifications of the nominee, the Committee has found the nominee to be qualified for the position to which she has been nominated and recommends that the Senate support the nomination.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Kim, Matsuura).

Stand. Com. Rep. No. 1295 (Gov. Msg. No. 163):

Senator Inouye moved that Stand. Com. Rep. No. 1295 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Inouye then moved that the Senate advise and consent to the nomination of CHRISTINE H.H. CAMP to the Hawai’i Community Development Authority, term to expire June 30, 2003, seconded by Senator Chun Oakland.

Senator Inouye requested the following remarks be inserted into the Journal:

“Mr. President and members, Ms. Camp brings more than 15 years experience in real estate development to the authority. Prior to founding Avalon Development Company in 1999, Ms. Camp served as vice president of development for Alexander & Baldwin’s property development subsidiary.

“Ms. Camp is active in several professional and community organizations and is president of the Hawaii Developers Council, Vice Chair of the Small Business Council, and a member of the board of the Chamber of Commerce of Hawaii.

“After full consideration of the background, character, experience, and qualifications of the nominee, the Committee has found the nominee to be qualified for the position to which she has been nominated and recommends that the Senate support the nomination.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Kim, Matsuura).

Stand. Com. Rep. No. 1296 (Gov. Msg. No. 168):

Senator Inouye moved that Stand. Com. Rep. No. 1296 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Inouye then moved that the Senate advise and consent to the nominations of JOHN MORGAN and JOHN MYRDAL to the Kaneohe Bay Regional Council, terms to expire June 30, 2004, seconded by Senator Chun Oakland.

Senator Inouye requested the following remarks be inserted into the Journal:

“Mr. President and members, your Committee on Water, Land, Energy, and Environment would like your support for the confirmation of John Myrdal, gubernatorial nominee to the Kaneohe Bay Regional Council, for a term to expire June 30, 2004.

“Mr. Myrdal was selected for appointment to the position as the recreational boating representative to the Kaneohe Bay Regional Council through procedures adopted by the Council for this purpose. Previously, no clear or impartial mechanism had been available for identifying and selecting recreational boaters for membership to the council. Upon the council’s recommendation, the Governor appointed Mr. Myrdal to serve as recreational boating representative upon the expiration of the term of the previous incumbent. Mr. Myrdal has been serving in an interim capacity, pending approval by the Legislature.

“After full consideration of the background, character, experience, and qualifications of the nominee, the Committee has found the nominee to be qualified for the position to which he has been nominated and recommends that the Senate support the nomination.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Kim, Matsuura).

Stand. Com. Rep. No. 1297 (Gov. Msg. No. 170):

Senator Inouye moved that Stand. Com. Rep. No. 1297 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Inouye then moved that the Senate advise and consent to the nomination of FRED C. HOLSCHUH, M.D., to the Board of Land and Natural Resources, term to expire June 30, 2002, seconded by Senator Chun Oakland.

Senator Inouye requested the following remarks be inserted into the Journal:

“Mr. President and members, your Committee on Water, Land, Energy, and Environment would like your support for the confirmation of Dr. Fred C. Holschuh, gubernatorial nominee to the Board of Land and Natural Resources, for a term to expire June 30, 2002.

“Dr. Holschuh began his career as an emergency physician in 1971, a profession he practiced until his recent retirement. He served as chief of staff of the Hilo Medical Center from 1990-1993, and was honored as the Physician of the Year in 1997 by the Hawaii Medical Association.

“Dr. Holschuh is active in a number of professional and community organizations, including the Domestic Violence Inter-Agency Team, Madd Education Committee, Hamakua Lions Club, and Ahualoa Community Association.

“As an acting member of the Board of Land and Natural Resources, he has shown a willingness to listen to all points of

view and has demonstrated his commitment to a full understanding of the issues before reaching a decision.

“After full consideration of the background, character, experience, and qualifications of the nominee, the Committee has found the nominee to be qualified for the position to which he has been nominated and recommends that the Senate support the nomination.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Kim, Matsuura).

Stand. Com. Rep. No. 1298 (Gov. Msg. No. 116):

Senator Inouye moved that Stand. Com. Rep. No. 1298 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Inouye then moved that the Senate advise and consent to the nomination of GILBERT S. COLOMA-AGARAN as Chairperson, Board of Land and Natural Resources, term to expire December 31, 2002, seconded by Senator Chun Oakland.

Senator Inouye rose in support of the nominee and said:

“Mr. President, I speak on behalf of Gov. Msg. No. 116 and the appointment of Gilbert S. Coloma-Agaran.

“Mr. President and members, your Committee on Water, Land, Energy, and Environment, on behalf of the recommendation of myself and Vice-Chair Chun Oakland, would like your support for the confirmation of Gilbert S. Coloma-Agaran, gubernatorial nominee as Chairperson of the Board of Land and Natural Resources, for a term to expire December 31, 2002.

“For the four months preceding his current appointment, Mr. Agaran served as Director of Labor and Industrial Relations. He has also served as Deputy Director of the Department of Commerce and Consumer Affairs and as the First Deputy to the Chairperson of the Board of Land and Natural Resources.

“Before joining the Cayetano Administration, Mr. Agaran practiced law with Carlsmith Ball LLP. Mr. Agaran graduated with a law degree from Boalt Hall School Of Law at the University Of California at Berkeley and is admitted to practice before the Hawaii and California Bars, the Ninth Circuit Court of Appeals, and the Federal District Court for the District of Hawaii.

“Mr. Agaran currently serves on the boards of the National Asian Pacific Bar Association-Hawaii Chapter and the Yale Club of Hawaii. He is a member of the Hawaii Institute for Public Affairs, the Filipino Chamber of Commerce of Hawaii, the Hawaii State Bar Association, Kahului Filipino Community Association, Pinili-Badoc Maui Association, and Saranay Maui.

“Your Committee finds that Mr. Agaran has stated his commitment to working closely with other natural resource agencies and in partnership with communities, individuals, and private agencies interested in protecting Hawaii’s natural resources.

“After full consideration of the background, character, experience, and qualifications of the nominee, the Committee has found the nominee to be qualified for the position to which he has been nominated and recommends that the Senate support the nomination.

"Thank you, Mr. President, and thank you members."

On motion by Senator English, seconded by Senator Hemmings and carried, the report of the Committee was adopted and S.R. No. 71, entitled: "SENATE RESOLUTION SUPPORTING ACCELERATION OF THE DEVELOPMENT OF THE KAPALAMA CONTAINER TERMINAL FACILITY," was adopted.

Senator Kanno, Chair of the Committee on Judiciary, requested a waiver of the notice requirement pursuant to Senate Rule 20 for the following bills and resolutions:

H.B. No. 451;
H.B. No. 1003;
H.B. No. 1004;
H.B. No. 1016;
H.B. No. 1115;
H.B. No. 1211;
S.C.R. No. 54;
S.C.R. No. 148;
S.C.R. No. 160; and

S.R. No. 40,

and the Chair granted the waiver.

Senator Matsuura, Chair of the Committee on Health and Human Services, requested a waiver of the notice requirement pursuant to Senate Rule 20 for the following resolutions:

S.C.R. No. 24;
S.C.R. No. 133;
S.C.R. No. 150; and
S.R. No. 19,

and the Chair granted the waiver.

Senator Tam, Chair of the Committee on Economic Development and Technology, requested a waiver of the notice requirement pursuant to Senate Rule 20 for the following bill and resolutions:

H.B. No. 697
S.C.R. No. 103;
S.C.R. No. 140; and
S.R. No. 100,

and the Chair granted the waiver.

Senator Kim, Chair of the Committee on Tourism and Intergovernmental Affairs, requested a waiver of the notice requirement pursuant to Senate Rule 20 for S.C.R. No. 42 and S.R. No. 33, and the Chair granted the waiver.

Senator Hemmings rose on a point of personal privilege as follows:

“Mr. President, I rise on a point of personal privilege.

“Mr. President and colleagues, the looming teacher’s strike is symptomatic of a much larger problem – that is the meltdown of the state budget. We’ve been dealing with it all Session long.

“Contributing another alarming problem is the Council on Revenues’ projections of a 5.5 percent increase in growth for the coming fiscal year, and a larger growth for the following fiscal years. Under the current projected spending and union demands, according to the Tax Foundation, the State is headed towards a \$100 million deficit at the end of next fiscal year 2002, and a whopping \$509 million budget deficit by 2003. I’m challenging the Council on Revenues’ projections, and therefore, warning Majority Party Legislators that we may be spending money that we may never see.

“What is particularly perplexing to me, Mr. President, is that no one from the Majority Party has challenged the Council on Revenues on their questionable projections. I speak from experience. I was here in the ’80s when the State was spending like a drunken sailor on leave. At that time, the Council on Revenues projected huge economic growth that facilitated dramatic spending increases and the growth of government beyond our means to pay for it. The Tax Foundation’s conservative outlook, which I supported then, proved to be accurate. Unfortunately, at that time the State Legislature chose to accept the Council on Revenues’ inaccurate projections to justify the continuation of reckless spending.

“Relying upon experience and past legislative inaction, I believe the Council on Revenues should review and reassess their projections and present them to this Legislature. Unfortunately, the Council on Revenues is not expected to meet again until May 24 – which may be too late for the Legislature to do anything to amend our spending plans.

“I’m asking my fellow Legislators to exercise our power, which is spelled out very clearly in the Hawaii Revised Statutes Section 37-111, to call the Council on Revenues back into action to see if they need to amend their revenue projections in view of the obvious slowdown both in the national and international economies. This is the prudent thing to do.

“I was in Ways and Means this morning. Your Ways and Means Chairman from Manoa is wrestling with a very, very serious dilemma – a lot of bills and not enough money to pay for it all. I don’t believe the Council on Revenues’ projections are accurate. We better deal with more accurate information. Therefore, I’m calling this body to please call the Council on Revenues to reassess their projections.

“Thank you, Mr. President.”

Senator Slom rose on a point of personal privilege also, and said:

“Mr. President, I rise on a point of personal privilege.

“Last night in the news, I happened to see your smiling face seated next to the Speaker of the House, and both of you said that you were optimistic in terms of the looming educational strike. Do you have some positive news for us at this time?”

President Bunda answered:

“We’re still optimistic at this juncture.”

Senator Slom replied:

“Thank you, Mr. President.”

ADJOURNMENT

At 12:09 o’clock p.m., on motion by Senator English, seconded by Senator Hemmings and carried, the Senate adjourned until 11:30 o’clock a.m., Thursday, April 5, 2001.

Respectfully submitted,

Clerk of the Senate

H.B. No. 1662,

and the Chair granted the waiver.

Senator Hemmings rose on a point of personal privilege and said:

"Mr. President, I rise on a point of personal privilege.

"I wanted to inform you, Mr. President, formally, and my colleagues who do not serve on the Ways and Means Committee, that we've been having ongoing frank and honest discussions about the Senate budget. We worked very diligently over the weekend on the Senate budget worksheets and now that the Senate budget is a property of the Senate as S.D. 1 has passed, we feel it's appropriate to request the Senate Ways and Means Chairman to release the worksheets for public discernment.

"This is something that has been discussed in years past. I believe the time has now come in the history of this State that we can all afford to have the public know what's going on. Now that we've made the formal request, we will anxiously await the Chairman's decision tomorrow.

"Thank you, Mr. President."

The President then said:

"We'll consider your request and the Chair will confer with the Chairman of the Ways and Means Committee."

Senator Slom rose on a point of personal privilege and said:

"Mr. President, I rise on a point of personal privilege.

"Yesterday, we were talking about your optimism in averting the strike, which is now upon us. Despite that optimism, despite the hopes that all of us had, we are now in that strike situation. I think it is a real black eye for the State and it shows a failure all around, on all sides that were involved in this situation.

"Quite frankly, Mr. President, the State is broken! This State government has demonstrated that it does not know how to solve the simplest and most basic of problems. It still does not know how to prioritize, does not do what everyone else is called upon to do.

"You may recall a couple of weeks ago, I asked that the Senate, particularly, become involved, since all we get to do is sit back and be reactive after everything is done, to see if we can come up with the money to pay for this. Then we pass that burden along to the taxpayers because they wind up paying for everything anyway.

"I think it's a real shame that we spend so much time talking about the new economy, the new technology, and yet we still have the same old boys and old government and the same problems because we approach them from the same way. It's shown up in our budgetary process; it's shown up in the ways that we've done things.

"We talked boldly in January about thinking out of the box, and yet we haven't done any thinking out of the box. We've done the same thing. We talk about being concerned about our children, but the only thing that we've done with our children is make them economic hostages in this battle over who's right, who's got more power, and who can stay the longest.

"We need, as the Minority Floor Leader has said on a number of occasions, systemic changes and reforms, and yet we have not even approached these. We've not listened to different voices. We've not made any attempt to try to make these changes.

"Well, the good news is that, as bad as things are right now . . . and again we always like to be number one; we couldn't be number one at the NCAA, but we're now the first State in the Union ever to have a statewide bottom-to-top strike of all their educational instructors. The good news is that we are going to have changes and we are going to learn how to do things differently. We are going to have more openness, and we're going to start in terms of looking at options that we should have looked at before.

"There is no reason that we should have this strike right now. There is no reason that we have to go right up until hours before, so that parents don't know what to do with their children. We don't have enough resources for alternate providers. We should have set a time limit. We should have done this early in the Session. We should have set a time limit

as to if certain things didn't happen by that day, at least we knew that we could advise the parents and the taxpayers in this community as to what to expect.

"We have compulsory schools in this State. We have compulsory unionization in this State. We have basically a one party monopoly state that has not looked at things differently. But I'm saying that a new day has started and we're going to write this down, April 5, 2001. It is going to be the start of doing things differently, and the voters and the taxpayers are going to help us do it. Because if they believe that we can't do it ourselves with the same kind of lineup that we have, they will make the necessary changes. We can no longer afford to hide behind things that we've done in the past. We must make changes and we must listen to different voices.

"So I'm optimistic, Mr. President, that your optimism, at least long term, will be reassured. But it requires that all of us try to heal the wounds in this community, try to keep the divisiveness at a minimum, and try to deal with the economic realities as they are and that everyone knows about so that we're all talking from the same page and so that we make meaningful and long lasting reforms not based just on money, but on leadership and management.

"Thank you, Mr. President."

Senator Sakamoto rose on a point of personal privilege and said:

"Mr. President, a point of personal privilege and comments partly in response to the previous speaker's remarks.

"Certainly, no one is happy with the situation we're in with the strikes, but I can say that looking at education from the perspective of a Senator, and all of us, we've done things to improve the system. We've done things for systemic change. We've done things that are out-of-the-box thinking and some things remain undone, no question. But I don't think it's a correct statement to say we've done nothing. And I don't believe it's a correct statement to say we've sat back and done nothing.

"I believe, as individuals, and certainly not based on a vote in this body, but as individuals, many of us have tried to talk to both parties or people representing both parties to help matters come to a resolution. We hope they still will.

"I am happy that the rhetoric has subsided. I hope the rhetoric will continue to be in the back seat and working to resolution will be in the front seat, Mr. President.

"Thank you."

ADJOURNMENT

RE-REFERRAL OF SENATE RESOLUTION

The Chair re-referred the following resolution that was offered:

Senate Resolution	Referred to:
----------------------	--------------

No. 54	Jointly to the Committee on Hawaiian Affairs and the Committee on Education
--------	---

At 12:26 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:27 o'clock p.m.

Senator Hemmings rose on a point of personal privilege and said:

"Mr. President, I rise on a point of personal privilege.

"Mr. President, on behalf of your Minority Caucus, we'd like to thank the Majority Party for recognizing the need to make the worksheets in the Senate Ways and Means Committee public. We understand there's a possibility, in order to make them more accessible for us to step into the technological era, of putting them on the Internet. Hopefully, this step will be taken.

"On another subject, Mr. President, I'm rising to defend this Senate, to defend the Ways and Means Committee, and most importantly, to defend my colleague from Manoa, the Chairman of the Ways and Means Committee, for doing something I thought everybody in this community wanted done. We got sent a budget from the House of Representatives and from the Governor of the State of Hawaii that had zero funds in it for paying collective bargaining obligations that we all know are going to happen. It was an irresponsible move on the part of the Governor.

"We got sent, from the House of Representatives, a budget with zero funding for collective bargaining. Once again, when, how, and where would we pay for what we know is coming? Obviously, we had to get our sharpened pencils out and make the adjustments to build into the process the necessary funds to accommodate this dire need. That's exactly what the Chairman of the Senate Ways and Means Committee did with the help of his Committee members and his able staff.

"I find it incredulous that one of the newspapers, the Honolulu Advertiser, had an editorial on March 15, three short weeks ago, that said things like, 'teachers deserve substantial pay raise'; headline, 'Hawaii teachers are underpaid and the state's offer falls short not only for decent wage but for fulfilling the public policy needed to make a commitment to the teaching process.' The editorial goes on and on and on saying how the responsible thing to do is to accommodate giving the teachers a fair pay raise. It says things like, 'It is unfair to blame the state's fiscal bind on the teachers. Their need is not relative to other budget considerations, but absolute.' Sounds like a pretty absolute statement on the part of the editors of the Advertiser. The editorial ends with, 'all our teachers are essential and their time has come.'

"I was quite stunned this morning when I read the newspaper and find that the editors of the Advertiser are taking us and, most especially, the good Senator from Manoa to task for doing just what they asked for. We didn't put into the budget any specific collective bargaining amounts. We didn't even designate where money could go. We just said we're being prudent and wise by putting aside money that we know we're going to have to spend to accommodate a future need. That's good planning.

"What's irresponsible, and what the editors of the Advertiser should be editorializing against, is NOT doing it! And for them to come out this morning with these statements, the issue isn't how much we value our teachers, but how much we can afford to pay them. They close by saying, 'but,' and it's a big but, I might agree, 'it may backfire by extending rather than resolving a labor dispute that has brought our public education system to a stand still.'

"Mr. President, it's time that we do what the taxpayers of this State asked us to do – to put together a realistic budget that I think can be conservative and accommodate priorities. It is a priority that we're going to have to pay adequate pay raises through the collective bargaining process, and I'm proud of the

good Senator from Manoa and the Senate Ways and Means Committee for putting the money aside to start us down that road so we can resolve this thing, rather than have our teachers out on the picket line and have our State at a standstill.

"Thank you, Mr. President."

Senator Nakata rose on a point of personal privilege as follows:

"Mr. President, I rise on a point of personal privilege.

"I would like to second at least some of the comments of my colleague from Kailua and Waimanalo. Yes, I think we need to put a bipartisan spin on this. I think my colleague from Manoa might be a little embarrassed if only the other party supported him. (Laughter.)

"I would also like to voice my strong support for the action of the Ways and Means Chair and the Ways and Means Committee. I think it makes a strong statement that the Senate does care strongly about education and the future economy of this State.

"So again, thank you and congratulations."

Senator Hogue rose on a point of personal privilege and said:

"Mr. President, I also rise on a point of personal privilege.

"I know that these are trying times before all of us and we have a lot of matters of concern. There was a little episode yesterday at a hearing that I believe merits further attention, at least looking at and awareness of. This was a matter of the resolution of bringing the possibility of a study for gaming into the State of Hawaii.

"When we entered the hearing there, we noticed that there were a number of senior citizens in T-shirts. All of these senior citizens had come in and they were wearing T-shirts that said 'Gaming for Education.' And there were a number of them there. I thought, well, this is interesting, a real show of support for this very interesting study there.

"Well, about a half-hour into the hearing, suddenly some of them got up to leave, then there was a wave of exit, as a matter of fact, as they all left in mass. And I thought perhaps that the bus had come. I wasn't sure why they all had to leave. Well, I found out just a few moments later that in fact they were there under false pretenses. They had all been brought in from a senior citizen's home and told that they were coming to the Capitol for the teachers, for education. No one told them they were there for a measure on gambling.

"This was very, very underhanded. In fact, Mr. President, this was downright dirty. And if the proponents of this particular resolution stoop to these kinds of tactics, I don't think that the measure deserves going forward. I just don't think that we should have these kinds of things going on in our State Capitol.

"Thank you."

ADVISE AND CONSENT

Stand. Com. Rep. No. 1452 (Gov. Msg. No. 181):

Senator Nakata moved that Stand. Com. Rep. No. 1452 be received and placed on file, seconded by Senator Ihara and carried.

Senator Nakata then moved that the Senate advise and consent to the nomination of WAYNE L. CHU to the Board of Trustees, Deferred Compensation Plan, term to expire June 30, 2005, seconded by Senator Ihara.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

THIRD READING

Stand. Com. Rep. No. 1405 (H.B. No. 830, H.D. 2, S.D. 1):

Senator Kawamoto moved that Stand. Com. Rep. No. 1405 be received and placed on file, seconded by Senator Kanno and carried.

Senator Kanno then moved that H.B. No. 830, H.D. 2, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsuura.

Senator Kawamoto then offered the following amendment (Floor Amendment No. 6) to H.B. No. 830, H.D. 2, S.D. 1:

SECTION 1. House Bill No. 830, H.D. 2, S.D. 1, is amended by adding a new Section 2 to read as follows:

"SECTION 2. The amendments made by Act 175, Session Laws of Hawaii 1999, to section 286-108(b), Hawaii Revised Statutes, relating to the requirement that the examiner of drivers require proof from every applicant under the age of eighteen that the applicant has completed a driver education program and a behind-the-wheel driver training course certified by the director of transportation, shall be suspended upon the effective date of this Act and reactivated on January 1, 2003."

SECTION 2. House Bill No. 830, H.D. 2, S.D. 1, is amended by renumbering and amending Section 2 to read as follows:

"SECTION 3. Statutory material to be repealed is bracketed and stricken. New statutory material is underscored."

SECTION 3. House Bill No. 830, H.D. 2, S.D. 1, is amended by renumbering and amending Section 3 to read as follows:

"SECTION 4. This Act shall take effect on January 1, 2002; provided that section 2 shall take effect upon approval."

Senator Kawamoto moved that Floor Amendment No. 6 be adopted, seconded by Senator Kanno.

Senator Kawamoto rose in support of the motion and said:

"Mr. President, we passed a bill last year requiring the driver's age to be raised to 16. Along with that, we had an intensive driver education program that would consist of hands-on activity and intensive night driving explanation and instructions. We found this year that on the neighbor islands and in some of our rural areas that our lack of facilities and lack

of instructors caught the DOE and the DOT in a quandary whether they could meet these requirements or not.

"This amendment calls for a two-year suspension of the required education program until 2003, at which time the facilities and the instructors will be available to provide the education necessary for these driver's licenses."

Senator Sakamoto rose to speak in support with reservations as follows:

"I rise to speak in support with reservations, Mr. President.

"When the bill was heard in this Chamber and in hearings, concerns were raised about the availability of appropriate training, about the requirement for so many hours for training, about public schools being able to facilitate the training. Assurances were given, apparently not carried out. But, Mr. President, I believe individuals, instructors, businesses have geared up to comply with the law, Mr. President. To roll back the date two years doesn't seem to be the right remedy.

"Certainly there are concerns and we should have remedies when there are concerns, but perhaps lowering the amount of required hours behind the wheel or doing some other adjustment that would make sense, still insuring safety, still assuring the children or the youngsters looking to get licenses at a young age do get appropriate training, might be a better mechanism.

"So, I would ask the Chair and those who are involved to look at other ways than just moving a date back. We still need safety, but perhaps lowering some of the requirements so that more people can comply with the law and can get trained properly.

"Thank you, Mr. President."

Senator Chun rose in support with reservations and said:

"Mr. President, I stand in support of the amendment with reservations.

"Mr. President, I echo the concerns of the Senator from Moanalua. Personally, I know two people on my island who have gone through the process of purchasing equipment and materials necessary to provide for this training of school children. They've been hampered in the process by not being able to get certified by the Department of Transportation or the Department of Education.

"I see the situation, really, as our state departments trying to act as a roadblock to legislation which was enacted by this body last year. I don't think we should continue to protect our agencies from not doing the work that they're supposed to be doing. Also, I don't believe that we should penalize the people who have invested their hard-earned money and efforts into complying with the law and trying to become the provider of these services that the state wants them to become.

"I am concerned, just like the Senator from Moanalua, about the impact that this amendment will have on their finances and their family and their life. Basically, I'm concerned that if we're going to extend it for two years they can't pay their loans. They're going to default on that. They're going to have to lose jobs and find some other ways to pay for the monies that they had to borrow to purchase the cars, to purchase the equipment, to purchase the materials. That is of a concern to me and I believe that hopefully as this goes down to Conference, that those concerns can be met.

"We should address the real problem, and the real problem is that departments are not doing their job. Thank you, Mr. President."

Senator Chumbley rose in support with reservations and said:

"Mr. President, I, too, rise in support with reservations and would ask that the Clerk insert into the Journal the words of the two previous speakers as if they were my own."

"Mr. President, in addition, when passed, this measure was given 18 months for implementation. If we do in fact agree to this roll forward, that could be in excess of 42 months of time for the department to get these procedures and processes into place. That's just too long of a time, Mr. President."

"I just want to urge caution to my colleagues on this. Thank you."

The motion to adopt Floor Amendment No. 6 was put by the Chair and carried.

By unanimous consent, H.B. No. 830, H.D. 2, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO DRIVER LICENSING," was placed on the calendar for Third Reading on Thursday, April 12, 2001.

Stand. Com. Rep. No. 1455 (H.B. No. 862, H.D. 2, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1455 be adopted and H.B. No. 862, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Taniguchi rose and said:

"Mr. President, with regard to Stand. Com. Rep. No. 1455 and H.B. No. 862, there was a typographical error in the designation of the House draft of this bill. It reads 'H.B. No. 862, H.D. 2, S.D. 2,' but it should have read 'H.D. 1, S.D. 2.' To ensure that the bill is in its proper form before it passes Third Reading in the Senate, I'm requesting that this error be corrected and that copies of H.B. No. 862, H.D. 1, S.D. 2, be distributed to the members."

The President then said:

"If there are not objections from the members, the Clerk is directed to make the necessary typographical corrections to H.B. No. 862 and Stand. Com. Rep. No. 1455."

At 10:26 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 10:27 o'clock a.m.

The President inquired:

"Mr. Clerk, have the corrections to H.B. No. 862 and Stand. Com. Rep. No. 1455 been made?"

The Clerk responded:

"Yes, Mr. President. The typographical errors have been corrected and copies of H.B. No. 862, H.D. 1, S.D. 2, have been distributed to the members."

By unanimous consent, action on Stand. Com. Rep. No. 1455 and H.B. No. 862, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT MAKING AN APPROPRIATION FOR THE

ESTABLISHMENT OF SOCIAL WORKER POSITIONS," was deferred until Thursday, April 12, 2001.

Senator Hogue rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of this bill with reservations.

"I just wanted to note the alarming increase in autistic cases across the nation and in Hawaii. Currently, we are spending in Hawaii nearly \$9 million a year to cover the cost of autistic children. According to the National Institute of Health, the number of children diagnosed with autism has risen from 1 per 10,000 children in 1990, to 67 per 10,000 this year and they really aren't sure why. In Hawaii, the number of children with autism has more than doubled in just the last two years. And these are children who have been diagnosed with autism.

"Now, the average cost of autistic children with treatment raises between \$500,000 to \$3 million. In other words, over a lifetime, it will cost, with treatment, between \$500,000 to \$3 million just to treat a child with autism through their lifetime. If they are untreated, that cost (by numbers recognized by the National Institution of Health) raises to between \$6 million and \$11 million over their lifetime. These numbers are courtesy of the Loveland Academy, an outstanding center for students which is located in Honolulu, and several Legislators had an opportunity to visit and see the results of this outstanding center just this past week. Currently, due to a change in DOH policy, the survival of this institution is in jeopardy.

"Mr. President, I ask the question, Why the Legislature would want to essentially switch the study of autism to the University of Hawaii, which isn't even sure that it wants it in the first place, when we already have a place where both study and impressive results are already working?

"Thank you very much."

Senator Slom rose in support of the measure with reservations and stated:

"Mr. President, I, too, rise in support of the measure with reservations.

"As the good Senator from Kaneohe said, we have a growing problem of autism in our community and nationwide, but I don't think that this bill is going to do the job. The Dean of the UH Medical School has urged that the funding be directed directly at autism itself, rather than starting another institution within the University. He has said that the medical school does

not have the funds for this program. The University said it does not have the funds for this program.

"This bill appropriates a blank zero amount for funds for this program. And if it is a question of autonomy and what the University can do, the University already has the autonomy right now that it can develop its own programs or its own institution if it wants to allocate funds. So I think that we're misdirecting the problem here and we want to find a solution, but we're looking at some of the causes and we're not really looking at the solution. And as was said, there are ample opportunities in the private sector right now to get the job done.

"Thank you, Mr. President."

Senator Hemmings requested his vote be cast "aye, with reservations," and the Chair so ordered.

Senator Chun Oakland rose to speak in support of the measure as follows:

"Mr. President, I stand in support of this measure.

"This particular initiative was a joint venture with the private and public sector, and in fact one of the University's faculty, Dr. Serrano, is instrumental in this particular measure going forward. I do hope, as in the past, the Senate as well as the House supports this initiative. And with schools like Loveland Academy, which we were fortunate enough to visit, I believe that there is great promise not only for the children here in Hawaii to get services who are identified autistic, but also there is a great potential to service children from elsewhere because other countries as well as our United States are looking for very good solutions to help children with autism.

"So, thank you very much for your support."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1343 was adopted and H.B. No. 100, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO AUTISM," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1347 (H.B. No. 301, H.D. 2, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1347 be adopted and H.B. No. 301, H.D. 2, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Chumbley rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this measure.

"Mr. President, this measure sets bad public policy and it makes the simple purchasing and setting off of a single aerial the same penalty – a class C felony – as those individuals who

would import tens of thousands of pounds of aerals. It seems, Mr. President, that an individual who sets off or purchases a single firework shouldn't be held to that same serious crime as a class C felony. These people are truly not felons.

"Class C felons include things like money laundering, habitual driving under the influence of liquor or drugs, promoting detrimental drugs, gambling aboard ships, promoting the pornography of minors, and promoting prostitution. Those are felons, Mr. President. Those individuals who purchase and ignite a single aerial are not of this category.

"The other question is the impact that this measure will have on the county police departments. Will they have the resources to enforce it? I don't think so. If there are subsequent convictions, the bill calls for a minimum \$5,000 fine and a mandatory 2-year sentence. Our prisons don't have the room for that kind of additional overload.

"In addition, the bill takes away all of the discretionary authority of the Hawaii Paroling Authority to decide what is the minimum or maximum terms of these convicted defendants. This bill just simply goes too far, Mr. President.

"Thank you."

Senator Matsunaga rose in support of the measure with reservations and stated:

"Mr. President, I rise in support of this measure with reservations.

"Mr. President, while I appreciate the intent of this measure and the intent of the Chair, I would ask that the manager of this measure in Conference Committee strongly consider more reasonable penalties for those violators of this law. As the previous speaker mentioned, it is a class C felony for someone in possession of one single aerial common firework. That could be one flying pig, Mr. President.

"Mr. President, we have to keep a consistent standard in our penal code. If you look at some of the crimes that are considered misdemeanors and not felons, we have abandonment of a child, abuse of a corpse, assault against a police officer. These are all misdemeanors. And we're saying now, with this bill, that somebody in possession of one flying pig is guilty of a worse crime than these.

"So, Mr. President, it seems like we're trying to kill cockroaches with a shotgun, and I think we should be a little more reasonable. Thank you, Mr. President."

Senator Kawamoto rose to speak in support of the measure as follows:

"Mr. President, I rise to speak in favor of this bill.

"Mr. President, one firework or one aerial firework killed a lady in a house that burned down – ONE! Mr. President, we're trying to get to the people who sell these illegal fireworks.

"The person in Pearl City who had about 180 pounds of illegal fireworks, the prosecutor tells us he's going to be charged \$2,000 at the most. Mr. President, if this had gone off, two or three houses around this individual house would have blown up. The same way with the Mililani 400 pounds of illegal fireworks. Imagine if you were the next-door neighbor realizing this would happen or could have happened.

"These are the kinds of things we're looking at. These are the kinds of things we are concerned about. And that's not

killing a cockroach. It's killing families, possibly destroying of homes, and these are the things that we need to curtail. We didn't do this at the spur of the moment. It was looked at and recommended by people that need to enforce the rules that we set up to be enforced. So if we're going to do the things we need to do, we need to enforce our rules and ensure that the rules are followed.

"Thank you."

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to the bill.

"I don't know about cockroaches and flying pigs, but I know in a pig's eye we have spent an awful lot of time on this. If we would have spent 1/10 the amount of time on other issues, there wouldn't be teachers on strike today.

"We have a problem in this bill with penalties. I think the intent is really good, but it's not going to do what the sponsors and the originators wanted it to do. We found that out over the years. I think the penalties are harsh. The definition of cultural use is vague, and I think we've got some additional legal problems with the bill.

"Thank you."

Senators Ihara, Kim and Kokubun requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1347 was adopted and H.B. No. 301, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO PUBLIC DISPLAY," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Senator Taniguchi moved that Stand. Com. Rep. No. 1349 be adopted and H.B. No. 1048, H.D. 2, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Hogue rose in support of the measure with reservations and stated:

"Mr. President, first of all, I rise to speak in support of this bill with reservations.

"I recognize the intent of this body to give the Board of Education fiscal responsibility over the Department of Education and its budgetary priorities. However, I implore everyone here to use their best judgment in providing any increase in salaries to educational officers or administrators, which the librarian is, while we are currently in such dire straits and while we have members of the teaching profession looking down upon us.

"Essentially, this bill creates the possibility, the possibility, of up to a 50 percent raise for the state librarian. Perhaps she's worth it, but certainly not now. Thank you."

Senators Slom and Hemmings requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1349 was adopted and H.B. No. 1048, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE STATE LIBRARIAN," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1350 (H.B. No. 1111, H.D. 1, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1350 be adopted and H.B. No. 1111, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Hemmings rose to speak in favor of the measure with reservations and stated:

"Mr. President, I rise to speak in favor of the bill with reservations.

"Mr. President, as noted when the Senate bill left this Chambers, this is a dramatic increase and really reveals some poor planning and budgeting on the part of the recipient of this privilege of having special revenue bonds.

"Thank you, Mr. President."

Senators Slom and Hogue requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1350 was adopted and H.B. No. 1111, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO SPECIAL PURPOSE REVENUE BONDS FOR AN INTERGENERATIONAL CARE CENTER AT EWA VILLAGES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

H.B. No. 498, H.D. 1, S.D. 1:

Senator Kanno moved that H.B. No. 498, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsuura.

Senator Chumbley rose in support of the measure with reservations and stated:

"Mr. President, I rise in support of the measure with strong reservations.

"This bill allows the family court and circuit court probation officers to release certain information about the defendant to the victim. I want to urge caution as the Chairs of this measure move forward. It appears, as drafted, that it's very vague and doesn't have any trigger as to what would suffice for the release of that information. Is it simply a phone call? Is it a casual discussion? Is it a written request? Does it have to go before the court? I think that this needs to be thought through a little bit more.

"The broad category that this would allow in the release of information could be problematic in a sense that there may be a technical violation of the probationer's term and those types of situations should not be looked at in the same way.

"The last thing, Mr. President, is this goes on to grant immunity. As I have in the past before, I have very strong reservations against granting immunity to individuals because it does set bad public policy. Immunity is something that should be looked at very carefully and cautiously. So I'd just like to urge the Chairs to think through this measure as it goes into Conference.

"Thank you."

Senator Hogue requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, H.B. No. 498, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO DOMESTIC VIOLENCE," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

H.B. No. 523:

Senator Kanno moved that H.B. No. 523, having been read throughout, pass Third Reading, seconded by Senator Matsuura.

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, I rise to speak against this bill.

"In the committee report for H.B. No. 523 it says, 'your Committee finds that the unauthorized practice of law is a very serious problem in Hawaii.' Mr. President, that's questionable. I would submit that maybe in Hawaii the real serious problem is the authorized practice of law. So, for this reason and others, I'll be voting 'no.'

"Thank you."

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I, too, rise in opposition to the bill.

"I think my good colleague from Kailua/Waimanalo hit the nail on the head. I think we could re-title this bill the 'lawyer protection act.' While we have become a litigious society, nowhere is the action of lawsuits more prevalent than in Hawaii on a per capita basis.

"I think that the bill is vague. While we certainly don't want anybody to fraudulently try to represent or misrepresent anyone, the bill as it stands now I think would preclude a lot of people, well-meaning people and people with common sense, for giving

common sense advice and consent in terms of trying to help people with the growing amount of legal problems.

“Thank you.”

The motion was put by the Chair and carried, H.B. No. 523, entitled: “A BILL FOR AN ACT RELATING TO THE UNAUTHORIZED PRACTICE OF LAW,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Stand. Com. Rep. No. 1358 (H.B. No. 186, S.D. 1):

On motion by Senator Taniguchi, seconded by Senator Hanabusa and carried, Stand. Com. Rep. No. 1358 was adopted and H.B. No. 186, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO THE PUBLIC LAND TRUST,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1359 (H.B. No. 212, H.D. 2, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1359 be adopted and H.B. No. 212, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Hemmings requested his vote be cast “aye, with reservations,” and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1359 was adopted and H.B. No. 212, H.D. 2, S.D. 2, entitled: “A BILL FOR AN ACT RELATING TO THE STATE WATER CODE,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1361 (H.B. No. 502, H.D. 2, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1361 be adopted and H.B. No. 502, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Sakamoto rose in support of the measure with reservations and stated:

“Mr. President, I rise in support with strong reservations.

“I fully support the portion of this measure that eliminates the unfair taxation of professional employment organizations and businesses that contract out payroll related services. However, I have very serious concerns about the section of the bill that would make professional employment organizations responsible for the existing employer’s obligations. It is a threat to the structure of businesses in Hawaii, Mr. President.

“When this body deems that it’s acceptable to hold one company responsible for legal obligations of another company simply because they have contracted with that company for professional services, holding one company responsible for another company based on contracting for professional services, Mr. President, and we’re going to hold them responsible? This State guarantees that employees will receive their due benefits regardless. This bill, however, tries to create some sort of dual employer status. Certainly we don’t need to do that. That

section of the bill is unnecessary and, frankly, may set a precedent that would undermine businesses in Hawaii.

“So, as the bill goes forward, Mr. President, I hope that portion of the bill is changed to not create dual employers for a single employee.”

Senator Slom rose in support of the measure with reservations and stated:

“Mr. President, I rise in support of the measure with reservations.

“The good Senator from Moanalua has made an excellent point. Here was a bill that actually has been bouncing around the Legislature for a number of years. It was a very simple bill. All it has to do is to correct the tax and equity and to help organizations within this State and also small businesses. We’ve tacked on an additional burden and we also have given it a defective date. So until we can resolve this, I’ll be with reservations.

“Thank you.”

Senator Hemmings rose to speak in favor of the measure with reservations as follows:

“Mr. President, I rise to speak in favor of the bill with reservations also.

“The good Senator from Moanalua clearly enunciated my concerns with this bill, and I would like to have his remarks inserted into the Journal as my own.

“Thank you, Mr. President.”

The Chair so ordered.

Senators Hogue, Ige and Senator Chun Oakland requested their votes be cast “aye, with reservations,” and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1361 was adopted and H.B. No. 502, H.D. 2, S.D. 2, entitled: “A BILL FOR AN ACT RELATING TO PROFESSIONAL EMPLOYMENT ORGANIZATIONS,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Menor).

Stand. Com. Rep. No. 1362 (H.B. No. 511, H.D. 1, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1362 be adopted and H.B. No. 511, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Chumbley rose in support of the measure with reservations and stated:

“Mr. President, I rise to speak in support of this measure with reservations.

“Mr. President and colleagues, submitting a bid is sometimes a very cumbersome and detailed process, and I think that we should have legitimate concerns about those who protest the award of a bid on a frivolous situation. This bill attempts to go at those individuals who continually protest the award of a bid just because they are a sore loser and didn’t win that bid.

"What I am concerned about is that, as drafted, this bill may go too far. That individual who files a protest on a legitimate problem, if determined by the procurement board under rules that they've adopted, could lose their bond. The bill does not identify what the bond amount should be or could be. I guess that's to be left up to the adoption of rules. It also allows the protester to file a cash deposit. That individual then, on the determination that it was in someone's belief a wrongfully filed protest, could lose that bond or that cash. In addition, the bill allows for sanctions to be implied.

"I think, Mr. President, that in addressing this problem, it just goes too far, and I would hope that the managers of this try to narrow it down and focus on the issues to solve the problem. But I believe as drafted, the bill is going to create additional problems.

"Thank you."

Senator Hogue rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this bill.

"As the good Senator from Maui already noted, this bill will have a chilling effect and discourage appeals or challenges to the state procurement decisions because of the requirement to post a bond or pay an administrative fee. Eliminating or curtailing protest in connection with the use of public monies may be unconstitutional according to one testifier at the hearing. In fact, he may be right.

"This bill also does not distinguish between frivolous appeals and appeals made in good faith. Also, in an administrative appeal, it's decided on a technicality rather than substantively, the person appealing would lose his protest bond cost. This would be patently unfair.

"Lastly, this bill will discourage protest even when there is a legitimate basis for protest. The building industry says that this bill will discourage contractors from bidding on jobs, thus reducing the options and raising costs of procurement. The protest process is an important part of the process because it encourages checks and balances. This bill will eliminate accountability.

"I vote 'no.' Thank you."

Senator Sakamoto rose in support of the measure with reservations as follows:

"Mr. President, I also rise to speak in support with reservations similar to the two previous speakers, some of their same remarks.

"Ultimately, the bill does not differentiate between frivolous protest and good faith protest. Sometimes it's unclear or ambiguous specifications that lead to good faith protests, and a good faith protester can still lose, although done in good faith, and be out his bond, out his deposit, etc. So we really need to look further into how to limit it to just the frivolous part, Mr. President.

"Hopefully there will be a lot more work on this measure if indeed it does go forward. Thank you."

Senator Chun rose in favor of the measure with reservations and stated:

"Mr. President, I rise in favor of this bill with reservations.

"Mr. President, I agree with the comments of the previous speakers. We need to cut a very delicate balance between discouraging frivolous bid contests, which I agree is necessary, but at the same time keeping the integrity and openness of the procurement process so that we will avoid any kinds of charges or concerns of insider influences or undue type of actions that would go to awarding our bids. I believe as worded right now, we are protecting the government processes as opposed to opening the process up to the public for scrutiny.

"I believe what we could probably do is focus on the real problem. The real problem is frivolous bid contests. I believe we should try to amend this bill as it goes to Conference to focus on that problem and not try to discourage valid bid protests through this bill.

"Thank you, Mr. President."

Senator Matsunaga rose to speak with reservations on the measure and said:

"Mr. President, please instruct the Clerk to record an 'aye vote with reservations' for the reasons stated by the previous speakers. Thank you."

The Chair so ordered.

Senators Ige, Kim, Hemmings, Chun Oakland and Matsuura requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1362 was adopted and H.B. No. 511, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO REMEDIES OF PART VII, CHAPTER 103D, HAWAII REVISED STATUTES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hogue, Slom).

Stand. Com. Rep. No. 1363 (H.B. No. 516, H.D. 1, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1363 be adopted and H.B. No. 516, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to the bill.

"This bill is flawed in many ways. The first of which, of course, it creates two new special funds. I continue to vote against all creation of new special funds because they're only going to be used to be diverted later on.

"In addition, one has to ask whether or not this bill is actually even enforceable. It has nothing to do with smoking. It has a lot to do with bureaucracy and there are a lot of questions raised here in terms of the transfer of monies. But because there's not even any general fund direct appropriation, we don't even know how much the start up or the operational costs are going to be for this program.

"Thank you."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1363 was adopted and H.B. No. 516, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO

TOBACCO,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Stand. Com. Rep. No. 1364 (H.B. No. 584, H.D. 2, S.D. 2):

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1374 (H.B. No. 596, H.D. 2, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1374 be adopted and H.B. No. 596, H.D. 2, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Hogue rose in favor of the measure with reservations and said:

“Mr. President, I rise to speak in favor of this bill with reservations.

“The problem, colleagues, is this bill doesn’t go far enough. Much of the money accumulated in the Hawaii Hurricane Relief Fund was collected through things called SMRFs or special mortgage recording fees. Here’s how it worked – if you bought a house and it had a mortgage on it, the hurricane fund charged you 1/10 of a percent of the loan amount as a fee. For example, if the bank loaned you \$300,000 to buy a house, you paid a \$300 fee to the hurricane fund on your closing statement. You got nothing in return for this money – no hurricane coverage, no benefits, nada.

“In all fairness, this tax should never have been collected from home buyers in the first place. The fund should have been built up through the premiums charged on the policies issued by the fund. Now there is nearly \$200 million socked away in this fund and these fees make even less sense. Believe it or not, we are still collecting these SMRFs.

“So what’s the problem with the bill? Well, it only suspends collecting these SMRFs for six more months (from July 1 to December 31 of this year). After that, we automatically start collecting again, unless the directors of the hurricane fund temporarily decide to quit collecting them. Plus, this bill gives those directors the right to resume collecting the fees, to permanently remove the authority to collect what really is an unjustified tax, and refund these fees going back to the beginning of the fund.

“We should let homeowners mail in copies of their closing statements or give them tax credits so we can send them a refund and also politely apologize to them for the injustice we have foisted on them in the first place.

“Thank you, Mr. President.”

Senators Ihara, Ige and Fukunaga requested their votes be cast “aye, with reservations,” and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1374 was adopted and H.B. No. 596, H.D. 2, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO THE HAWAII HURRICANE RELIEF FUND,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Matsunaga, Slom).

Stand. Com. Rep. No. 1376 (H.B. No. 946, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1376 be adopted and H.B. No. 946, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Chumbley rose in support of the measure with reservations and stated:

“Mr. President, I rise to speak in support of this bill with reservations.

“The Chair of the Committee will be glad to know that while in Committee I did vote no, I have reconsidered and want to make sure that I do get to participate as this measure goes forward, Mr. President. Therefore, that’s the reason for the switch in my vote from ‘no’ to ‘with reservations.’

“I have concerns that, as drafted, this bill sets up a review panel which then is composed of seven members. I think we

have an elected Board of Education that is capable of handling the discussions and debates surrounding charter school implementation and the awarding of those charters. I believe that with some fine tuning to the existing law, that the Board of Education will have the clarity that it now feels it does not have in the statute and will see that light and will actively work at the implementation of many of these plans.

"Therefore, I am encouraged to work with the Chair of the Committee, as this moves forward, in drafting something that will work for these charter schools and something that will make the Board of Education's job much easier.

"Thank you."

Senator Sakamoto rose to speak in support of the measure as follows:

"Mr. President, I rise in support of the measure and I welcome the remarks of the Senator from Maui. We need to work together.

"Certainly, charter schools have been problematic in several different ways and this bill is an attempt to improve the situation. The Board of Education supports the measure and the Association of Charter Schools submitted testimony to the House specifically requesting some of the changes in the language that need to be addressed in Conference as this bill goes forward. Some of the charter schools complained about the current process being protracted in unclear review and approval requirements and expressed frustrations with having being stuck in a process that continually requires re-submittal to address ever-changing conditions. And while their charters have not been denied, many feel that there has been no real progress over what some say has been a two-year process and possibly longer.

"This measure does provide a submittal process and a timeline to address concerns. Some of the charter schools have asked that instead of 30 days, they be allowed 60 days to respond to some of those concerns. But it does help to set a timeline certain.

"The measure also includes a provision for approval of charters to address the catch-22 situation where they're unable to secure a lease, for example, because they don't have their charter and they aren't able to get their charter because they aren't able to secure a facility. So, some of those issues need to be addressed and this bill attempts to address them.

"Additionally, the measure addresses the charter schools community in how do we get an appeals process with the Board of Education to assure compliance with state laws in having members that are familiar with charter schools be part of the review in actually approving new charters.

"Finally, Mr. President, this bill helps to deal with the cost concerns and it sets a per pupil allocation based on schools of 320 or less as the amount that charter schools would be allocated. So, there are several different parts of this measure, and as the bill goes forward, we hope to refine it and bring clarity to the charter school issue.

"Thank you, Mr. President."

Senators Ige and Matsunaga requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1376 was adopted and H.B. No. 946, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO EDUCATION,"

having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1377 (H.B. No. 1028, H.D. 1, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1377 be adopted and H.B. No. 1028, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to the bill.

"This, I think, is a good lesson for our teachers and students that are in the audience. Here's a bill that proposes to create a program within the school system on the island of Hawaii only. There is no dollar amount for what the program is going to cost. It is a program, Model United Nations, that has been going on voluntarily over long periods of time. Even when I was in school here 100 years ago, we had Model United Nations programs.

"The bill seeks to appropriate funds to pay for a Model United Nations program coordinator, a new position, but the amount of that salary is not disclosed in the bill. Then the bill goes on to say that eventually it wants to establish the program throughout all of the schools, throughout all of the islands. But again, there's no dollar impact.

"We cannot keep on passing bills that have blank amounts when no one knows what the total cost is going to be because then you cannot evaluate whether or not that program is worthwhile and whether or not that should be held up as a priority in place of other educational items. So, I'll be voting 'no,' Mr. President."

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, I rise to speak against this bill.

"It's a luxury we can't afford. We are living in austere times. We're having difficulty paying for the basics that our government should be providing our people – like a decent working wage for our teachers – and adding bills like this to the cost of state government makes little sense in light of the demands being made in the system for legitimate educational needs. Therefore, I will be voting no, and I am hoping that our colleagues will consider measures like this as being counterproductive to the financial needs of this State.

"Thank you, Mr. President."

Senator Sakamoto rose to speak in support of the measure as follows:

"Mr. President, I rise in support of the measure.

"There are no dollar amounts in the measure, no question. Why not? Because we need to resolve the issues at hand. I pray that our Governor and the various unions come to the table and continue to talk and resolve the issues, and if indeed there is no more money for anything else, so be it – measures like this don't move ahead.

"But, Mr. President, our 'Aloha State,' center of the Pacific, we can change the world. I believe our aloha spirit has changed

the world. Now, how do we transmit some of the values that we hold dear, to other generations? This program would hope to transmit it through our Department of Education, through our good teachers after resolution of the current dispute. We cannot say everything should be one way or another. So, certainly if there is not enough money, there's not enough money. But if there is enough money, what better way to use the money than to share what's special in Hawaii and to enrich our students with an opportunity to look globally.

"Thank you, Mr. President."

Senator Hogue rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition of this bill.

"In light of the good words of the Senator from Moanalua, I believe that we can change the world by first funding education, through first funding our teachers, and not funding United Nations' program. I think that should be the priority.

"Thank you."

Senator Ihara rose to speak with reservations on the measure and said:

"Mr. President, I have reservations on this bill.

"The reason basically is that I believe the appropriation bill should disclose the amounts that are being contemplated."

Senator Chun rose to speak in support of the measure as follows:

"Mr. President, I stand in support of this measure.

"Mr. President, the issue really is not whether we're going to pay for teacher raises or other public employees. That statement has been made in WAM. That statement will be made later on today. What passage of this bill does, and the other bills that are going to be before this body that have zero amounts or a minimum amount, is to clearly show not only to the teachers, not only to the public workers, but to the public what are the policy decisions that we have to make.

"It's not only a question of money. It's a question of what are we giving up. That's why these bills are passing. We want everybody to know very clearly what are the public policy decisions that we have to make. When it comes down to it, yes, some of these will not be funded, but our people need to know what sacrifices are being made.

"This bill might be a sacrifice because we need to pay our employees well. But at the same time, we need to show people exactly what is going on here, what decisions need to be made. That's why I stand before this bill. I think we should continue these discussions as much as we can and to see in the end how much money we have left.

"Thank you, Mr. President."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1377 was adopted and H.B. Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Stand. Com. Rep. No. 1379 (H.B. No. 1668, H.D. 1, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1379 be adopted and H.B. No. 1668, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Hemmings rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this measure.

"I voted no on the companion measure, S.B. No. 1215, S.D. 2, when it was before this body for Third Reading. I'd like to echo my previous concerns that we are paying these teachers twice by allowing them to continue receiving their retirement benefits while drawing a paycheck to return to serve in our classrooms.

"I understand the need for creative methods for teacher recruitment and retention. Possibly the best way to do that is to create a fertile economic environment for the economy here in Hawaii and to also pay the teachers a decent living wage so they can afford to live here. Maybe that would afford us to get the teachers when they enter the profession, not try to retain them as they're trying to retire and enjoy their lives.

"I'd like also to point out to this body that the Senate Education Committee passed three House measures addressing needs spawned by the Felix consent decree. Our research points out that this is the only one of those three measures that the Committee on Ways and Means has passed. The Senate Judiciary Committee gutted the liability measure and inserted language similar to this Felix limited liability S.B. No. 823, S.D. 1, H.D. 1, which has stalled in the House Judiciary and Hawaiian Affairs Committee.

"It is a sad realization that even with all the noise and recognition the Legislature has voiced over the past months regarding Felix, this body is moving no measure that brings standards and accountability to the special education needs in our State. Until we do so, we're going to continue to suffer spending huge amounts of money on the Felix consent decree problem without addressing the overall funding problems of education in its entirety.

"Thank you, Mr. President."

Senator Sakamoto rose to speak in support of the measure as follows:

"Mr. President, I rise in support of the measure.

"At this time, Mr. President, I won't address all of the other issues that the Senator from Waimanalo brought up, but pertain my comments to this measure, Mr. President. I strongly solicit my colleagues support in passing this measure because of two very critical reasons: first, it will help alleviate a severe teacher shortage problem in our schools; second, it would allow retired teachers to serve as mentors for beginning teachers or as part-time teachers immediately upon requirement.

"It's a known fact that there presently exists a teacher shortage. This is especially true in Hawaii where only 55 percent of our newly hired teachers graduate from our local universities. Therefore, our Department of Education has had to use out-of-state recruitment to entice teachers. As you know, outside recruitment was not successful for various reasons, but the lack of incentives for new hires was a contributing factor.

Certainly, hopefully these negotiations will help change some of that.

"This bill would allow teachers who have retired and hopefully have become revitalized to re-enter the classroom as full-time teachers and at the same rate of pay as when they left the classroom. I sincerely believe that this measure would provide necessary incentives to alleviate some of the teacher shortage problem at least at the same time allowing the Department of Education discretionary authority to safeguard against abuse to the system. The bill would require teachers to be retired for two calendar years before they can qualify for full-time retirement. It allows the retired teacher to qualify for mentoring or part-time teaching immediately upon retirement and must comply with collective bargaining agreements.

"As I indicated earlier, the purpose of this measure is to entice retired professional educators to return to the classrooms especially in critical shortage areas. As full-time teachers, they would be paid at that rate. The mentor teachers or part-time teachers would be paid at the daily rate or entry level pay as determined by the Department and the Board of Education.

"Thank you for helping to clarify some of the concerns of the measure, Mr. President."

Senator Slom requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1379 was adopted and H.B. No. 1668, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO REHIRING RETIRED TEACHERS IN THE DEPARTMENT OF EDUCATION," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Ige).

Stand. Com. Rep. No. 1380 (H.B. No. 636, H.D. 1, S.D. 1):

By unanimous consent, action on Stand. Com. Rep. No. 1380 and H.B. No. 636, H.D. 1, S.D. 1, was deferred to the end of the calendar.

Stand. Com. Rep. No. 1381 (H.B. No. 702, H.D. 2, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1381 be adopted and H.B. No. 702, H.D. 2, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senators Hemmings and Slom requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1381 was adopted and H.B. No. 702, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CORRECTIONAL HEALTH CARE," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1383 (H.B. No. 568, H.D. 2, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1383 be adopted and H.B. No. 568, H.D. 2, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Menor rose in opposition and said:

"Mr. President, could you have the Clerk cast a 'no' vote for me.

"Basically, I will be voting 'no' because of the potential negative impact of this measure on the various union health plans. Thank you."

Senator Kanno requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1383 was adopted and H.B. No. 568, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO PUBLIC EMPLOYEE HEALTH BENEFITS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Menor, Slom).

Stand. Com. Rep. No. 1384 (H.B. No. 576, H.D. 2, S.D. 1):

On motion by Senator Taniguchi, seconded by Senator Hanabusa and carried, Stand. Com. Rep. No. 1384 was adopted and H.B. No. 576, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE EMPLOYEES' RETIREMENT SYSTEM," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

On motion by Senator Taniguchi, seconded by Senator Hanabusa and carried, Stand. Com. Rep. No. 1386 was adopted and H.B. No. 1595, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO PUBLIC EMPLOYEES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Stand. Com. Rep. No. 1387 (H.B. No. 728, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1387 be adopted and H.B. No. 728, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator English rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this bill.

"Mr. President, while we're trying to help with the build out of our airports and infrastructure in the State of Hawaii, I cannot support when a bill such as this allows for the overriding of local authority. That is overriding the county ordinances, county zoning, and SMA permits and therefore I oppose this bill.

"Thank you, Mr. President."

Senator Chumbley rose to speak in opposition to the measure as follows:

"Mr. President, I rise to speak in opposition to this measure.

"Members, I'm a little confused by this bill. I think it's a known fact by all of us that the state does not have to get building permits and does not have to go through certain procedures. In fact, colleagues, HRS Section 262-7 gives the Department of Transportation the authority to issue permits before any new structure is constructed, planned, or even established. They already have the exemption.

"This bill (page 3, lines 1 and 2) talks about not withstanding any other provision to the contrary which, colleagues, is in direct conflict with HRS Section 46-4, which allows the counties the power to designate zoning requirements. So I'm not sure what this bill is really trying to do. I think that some of the things that the Department of Transportation's Airports Division may want to do are already in place.

"We all know that if the state moves forward with occupying a building before the county gives the certificate of occupancy, public health and safety is really what is at risk. This bill goes on then to exempt all of the state activities from the SMA requirements. That, I think, is the most egregious part of this proposal because it is those SMA requirements that allow the citizens of your county to step forward and file a contested case hearing on any kind of permit that's going forward.

"Colleagues, this is simply giving the Department of Transportation something that it does not deserve. Thank you."

Senator Kawamoto rose to speak in favor of the measure and said:

"Mr. President, I rise to speak in favor of this bill.

"Mr. President, the Department of Transportation is just trying to eliminate duplication of efforts here. The public does have input in the EIS process and EAS process. If we look at this bill, all the CIPs that we have on the docket in this budget, you can add one or two years and maybe more to complete this project.

"So all we're doing is at a time for need of economic advancement and this bill would provide that as far as duplication of effort. Time is money, Mr. President."

Senator Chun rose in support of the measure with reservations and stated:

"Mr. President, I rise in support of this measure with severe reservations.

"Mr. President, I agree with the comments made by the honorable Senators from East Maui and from Kahului and Wailuku. However, I believe some of the concerns raised by the Honorable Chair of the Transportation Committee are legitimate. There are things that can be done to expedite this process. However, I don't believe we can expedite these processes without sacrificing the SMA process, county regulations and rules.

"Mr. President, let there be no doubt about this, all airports are within the SMA area. This bill would allow the construction, not only on airports but airport related facilities such as fuel storage tanks for oil and gas, to go on without any

kind of approval or hearing process in the counties in which these facilities are to be built.

"Especially what's egregious, I agree, is the fact that the SMA, which is a state mandated, state mandated permit, requires evaluations of the environmental impact and mitigation of those impacts through the local administering agencies. The SMA law was enacted because it was felt that the local agencies were the best agencies to look at these specific environmental concerns, as opposed to a statewide agency. For us to go back on that policy and now say, well, especially for airport facilities we think the state agencies can better handle this, I haven't seen any evidence that they are willing to. I haven't seen evidence that they are able to.

"However, there are concerns I think the Honorable Chair from the Transportation Committee should work on, and as this matter goes to Conference, we can take a look at those and try to make sure that we can accomplish both goals without sacrificing the environmental protections as contained in the SMA.

"Thank you, Mr. President."

Senators Inouye and Kim requested their votes be cast "aye, with reservations," and the Chair so ordered.

Senator Kokubun rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to the bill.

"I would like to echo the comments made earlier about the stepping on the regulatory framework that the counties have in place. I think the SMA permit and the special management area are very special considerations for the counties, and the Department of Transportation should not be allowed to exempt themselves from that.

"Thank you."

Senators Nakata, Buen, Tam and Matsunaga requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1387 was adopted and H.B. No. 728, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO INCREASING DEVELOPMENT FLEXIBILITY OF PUBLIC LANDS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 19. Noes, 6 (Chumbley, English, Hogue, Ige, Ihara, Kokubun).

Stand. Com. Rep. No. 1389 (H.B. No. 1589, H.D. 1, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1389 be adopted and H.B. No. 1589, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition this bill.

"Well, what can we say, Mr. President? When we look at the economy, let's see . . . how many areas are doing well? Well, let's see, there's tourism, there's tourism, and I guess there's tourism. So what do we do, Mr. President? We say, because

they're doing well, let's tax them even more and put more burdens upon them.

"The interesting history about this bill, however, goes even further than that because it rises out of a labor dispute on the beautiful island of Maui. It was because one labor union was unhappy with the status of a wholesale company. They went to the tax department. They initiated this legislation. The tax department never found that there was any loss of revenue. The tax department never found that there was any loophole. The tax department never came forward and said, 'we really want to sock-it to the tour wholesalers.' But in fact, that's what we try to do.

"As this bill progressed, it started out with a percentage increase. The tax department came and testified and they said that that was unenforceable and they didn't know how to go about it. The industry said that the people that are trying to tax this particular activity don't know the industry because they were basing their figures on the so-called rack rates and hopefully most people don't get to pay the rack rates.

"There were so many questions that were involved in this bill, and now we have a flat additional tax that's put on. The cry always comes out, 'Well, it's for the tourists. The tourists will pay for everything. The tourists will pay for our education. The tourists will pay for all of our improvements.' But, Mr. President, when you and I go to Maui, or Kauai, or to Hawaii, or to Molokai, or to Lanai, guess what? We're the tourists. We get to be taxed. We get to pay that \$3.00 a day additional tax per motor vehicle that we rent. We get to pay that transient accommodations tax in hotels. We are the tourists in our own home.

"Then there's one other little matter. It must be the good Senator from Palolo's flying pig or maybe it's a goose. We've already stolen the golden eggs, now we want to skewer the goose. We see it sitting there and we say tax it some more as if that goose will continue to sit and lay eggs and as if wholesalers and other tour operators have no other place to send their clients than Hawaii . . . as if they have no other choices . . . as if there are no other problems brewing on the Mainland and Asia.

"As we know, visitor arrivals and tourism are part of discretionary income. Take away that discretionary income with two and three and four hundred drops in the Dow, and you reduce the travel component altogether, and then people look around for even more comfortable and affordable locations. If you are going to continue to go against our primary industry, in terms of taxes and regulations, in hopes that they'll always be there and always pay the freight, we're going to wake up one morning and find that they're not.

"We should be trying to diversify our economy, but in so doing, we don't do that by penalizing the one vibrant part of the economy we have. I urge a 'no' vote on this bill.

"Thank you."

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, I rise to speak against this measure.

"This bill is punitive and it's very vindictive, as enunciated by the good Senator from Hawaii Kai. I'd like the record to reflect, also, that it may result in decreased revenues to the state. Adam Smith, the noted economist and political writer, 230 years ago noted very clearly that in punitive tax environments such as Hawaii, when you add taxes, you end up with less taxes collected. On the positive note, the good President John F.

Kennedy and President Ronald Reagan, when they cut taxes, revenue increased to government.

"Hawaii's tax environment is extremely punitive. That's why our children are going to the Mainland to get jobs, because business cannot flourish here. This may have just the opposite effect. Yes, we may collect for the short term a few more dollars in this wholesale tax, but over the long haul, it's going to erode the industry that's supplying most of our economy, and that's the travel industry. The wise thing to do would be to find ways and incentives to bring wholesale tour operators here, not drive them away with increased taxation.

"I hope that the Majority Party Legislators that are pushing this will reconsider before the end of the Legislature and kill this bill. It's going to hurt the economy.

"Thank you, Mr. President."

Senator Kim rose to speak in favor of the measure and stated:

"Mr. President, the intent of H.B. No. 1589 is to close a loophole and require wholesalers to follow the same rules as hotels, timeshares, and other transient accommodations. As such, the measure would create a significant source of additional income without creating any new taxes or raising current tax rates.

"Your Committee believed, however, that this measure, as we received it from the House, was not the practical solution. Thus, we considered a number of options and found that a tax should be levied on the sandwich activity that is going on, and that perhaps a flat rate would be the best way to do this.

"Now, in looking at the flat rate we are talking about \$7.25. Currently, these wholesalers are already paying the tax on what they're buying the wholesale room for, and we found that the average they're buying the room for is about \$50.00 to \$60.00. So they're already paying half of the \$7.25.

"I agree that the language in the bill is confusing. It was not intended to be in addition to what they're already paying. It was meant to be in lieu of so that they would be paying the difference of what they're paying up to \$7.25. So we're not talking about killing the 'golden goose' or the 'golden eggs.' They've said time and time again, if we're going to charge a TAT that people are not going to come, and they've come and we've added and increased the tax and they've continued to come.

"All we're talking about is making sure that these wholesalers are paying their fair share. We have an extreme problem with a wholesaler who owns or operates their own hotel and therefore can dictate what their wholesale rate will be and therefore not pay any of the TAT. I agree that we also need to look at and consider a sliding scale, perhaps, to consider those properties that have higher end rooms, and I will pledge that we will do this should this measure go to Conference.

"Thank you."

Senator Menor rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of this measure but with some reservations.

"First of all, I would like to say how much I appreciate all of the work that the Chairs of the Senate Tourism Committee and Ways and Means Committee have devoted to this bill. Moreover, Mr. President, I recognize the relationship of these

bills to the financial plans of the respective House and Senate money committees as they engage in the difficult task of trying to balance our state budget. However, I believe that this bill raises several concerns, which I believe that we need to carefully assess before any final decision is made on this measure.

"First of all, as noted by several of the previous speakers, I am concerned about the potential negative impact that this kind of measure could have on Hawaii's number one economic generator – our tourism industry – at a time when economists are forecasting a slowdown in tourism and in our local economy. I'm especially concerned about the potential impact of this bill on visitor arrivals from Asia and particularly from Japan, which has been an extremely important segment of our tourism market. For example, the Japan Hawaii Travel Association, which represents 30 Japanese tour operators who are responsible for all of the Japanese tour package sales to Hawaii, has indicated that their members have already encountered a drop in sales of their future Hawaii package tours as a result of the weakening yen and a drop in Japanese stock prices. I am concerned that the imposition of this additional surcharge tax could negatively impact an already weak visitor market from Asia.

"It should also be noted that in the past, Hawaii could count on Mainland visitor arrivals to offset a weak Asian tourism market. However, I do not believe that we should rely on this trend because of the decline in the stock market, rising unemployment, and an overall weakening in the US economy.

"Furthermore, those who support this measure assume that the imposition of a surcharge tax on all transient accommodations furnished under a tour package will generate additional revenues for the state treasury. However, I am concerned that any increase in revenues to the state, as a result of the imposition of the surcharge, may be offset by a decline in revenues if there is, in fact, a substantial decrease in the number of visitors who come to Hawaii on tour packages. That could mean a reduction in general excise tax revenues to the state and in the transient accommodations tax revenues, a substantial portion of which we earmark to the counties to cover important county programs and services.

"In addition, Mr. President, Legislators have been informed time and again that we cannot take the viability and successes of our tourism industry for granted to the extent that Hawaii is in competition with other attractive and less expensive tourist destinations. If we pass a bill such as this, which is going to add to the cost of tour packages to Hawaii, I'm concerned that tour operators may find it easier to sell more reasonably priced tours to other destinations such as Las Vegas, Guam, Bali, and Europe and focus their marketing efforts on these destinations instead of Hawaii.

"In closing, again I appreciate the work of the subject matter Chairs, but I would respectfully request that we proceed on this measure cautiously as it moves its way through the process. Nevertheless, I recognize that final action on this bill cannot occur until the end of Session and that this measure definitely raises important issues that merit further discussion. Accordingly, I urge my colleagues to vote in favor of this measure, but I do have reservations.

"Thank you."

Senator Fukunaga rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to H.B. No. 1589, H.D. 1, S.D. 1.

"At a time when Hawaii's fragile economy has struggled towards recovery, H.B. No. 1589, S.D. 1, will do the following:

- As mentioned by the prior speaker, it will very seriously impact our Asian Market. It will impose an additional \$32.62 on the average 4½-night stay of Japanese visitors to Hawaii that will make Hawaii a far less attractive destination in these difficult economic times. As Japanese visitors choose alternative vacation destinations, any revenues gained from the tax increase will pale in comparison to the revenues lost by the decline in visitors.
- Tours from Japan to Las Vegas and Europe now cost the same as a trip to Hawaii. With this new surcharge, the Japan Hawaii Travel Association has estimated that we could lose up to 25 percent of the Japanese market.
- 1.85 million Japanese visited Hawaii last year. They each spent about \$270.00 per day while here. A 25 percent reduction in these arrivals would mean a loss of \$499.5 million in spending, or \$20 million in lost general excise taxes and \$13.8 million in lost TAT taxes below last year's revenues.
- A decline of anywhere near 25 percent in visitors from Japan would be devastating for the travel and tour businesses that focus on Japanese visitors.
- Further, visitor industry experts have estimated that wholesale tour packages account for roughly 40 percent of Hawaii's annual visitor counts. These are often first-time visitors whose selections are increasingly price-sensitive.
- As far as we can tell, there is no other destination in the world that collects a surcharge on hotel rooms from tour operators.

"We are concerned that all of these kinds of changes in a very weak economic market would cause more damage than the benefits it could generate. For the foregoing reasons, I urge my colleagues to vote 'no' on this bill."

Senator Inouye then requested her vote be cast "aye, with reservations," and the Chair so ordered

Senator Taniguchi rose to speak in favor of the measure and stated:

"Mr. President, I rise to speak in favor of the bill.

"Mr. President, I just wanted to applaud the work of the Senator from Salt Lake in trying to close this loophole. I'd also like to note that this helps us find the money especially for our teacher pay raises and it's part of our financial plan.

"Thank you."

Senator Chumbley rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this measure.

"Mr. President, April 5th Honolulu Advertiser article:

'2001 tourism growth recalculated: It's zero.

In a dramatic turnaround that signaled growing pessimism about the months ahead, the Hawaii Tourism Authority yesterday slashed its growth targets to virtually zero

The board's primary target of visitor spending – set just five months ago at 10.3 percent growth for 2001 – was ratcheted back to 0.4 percent’

And for those colleagues who have not received the details of that, I've got a copy and I'd be happy to circulate it. There's some outstanding forecasts and information in this.

“Outrigger Wailea Resort Hotel wrote a letter to me, Mr. President. It says, ‘Our major sources of business on the Mainland, as well as in Asia, are experiencing difficult economic times. We cannot add to the cost of coming to Hawaii without it resulting in losses of business from this important area.’

“National Tour Association, Ed Dressle – ‘There is little doubt that the tour operators and travel agents will sell fewer packages to Hawaii. There is not a lack of destinations for tour operators and agents to sell.’

“The Westin Maui, a very lengthy letter from Ed Sours. The most relevant paragraph is, Mr. President, ‘There are a number of other reasons why this does not make economic sense for us, especially in the face of a weak yen, weakening US economy, an energy crisis in our top inbound state, California, and a tanking stock market. The visitor and visitor industry has been an easy target time and time again. We are nearing the point that we must be aware that one more straw may be the one that breaks the camel's back.’

“Japan Hawaii Travel Association (JHTA) – the good Senator previously spoke of some of the statistics. JHTA currently handles 70 percent of all the Japanese business into the State of Hawaii – that's 1.8 million visitors. They estimate a 25 percent loss in business. Now, I think that may be an overstatement, but if they are correct, that means 450,000 fewer visitors to the State of Hawaii as a result of this additional surcharge. That would represent a loss of \$450 million in spending. The JHTA employs about 6,000 individuals. Statewide, we have 185,000 people employed in the travel industry.

“This bill, Mr. President, discriminates against the budget hotels in the sense that, as the good Chairwoman of the Committee indicated, it may not have been her intention to make this in addition to, but as drafted, this bill is clearly, without a doubt, in addition to on top of the existing 7¼ percent TAT rate. For example, if you sell a room for \$100, your existing TAT is \$7.25. This new proposed flat fee in addition to that existing TAT is an additional \$7.25. The general excise tax on that is \$4.16 – \$118.66 . . . \$18.66 of which is tax. That's 19 percent! The Grand Wailea in my district may sell a room for \$800, which is very common, and would only pay, proportionately, 12 percent – not 19 percent, 12 percent. This is in direct discrimination against those lower budget hotels.

“Those are the type of hotels that the travel wholesalers book into, the budget hotels. Forty-eight percent of the people who come to Hawaii use a travel package. Almost half of those are first-time visitors. Will they continue to come if we pass this? It's not clear. They may or they may not. Do we want to risk it? I don't think it's worth it.

“The changes that we're talking about here are not the only way to solve our fiscal situation, and I take exception that this is the only way that we can fund raises for teachers – by implementing this additional surcharge. That's simply not fair. I think that this is a penny-wise and a pound-foolish measure that will result in significant harm to our number one industry in this State, the visitor industry.

“I want to encourage the Chair of the Tourism Committee to look at this very closely, and if in fact, as she indicated, that it was not intentioned to make this ‘in addition’ but to make it ‘in lieu of,’ there are still problems with ‘in lieu of.’ So I urge all my colleagues to vote ‘no’ on this measure.

“Thank you.”

Senator Kim rose in rebuttal and said:

“Mr. President, I rise in rebuttal. I don't intend to belabor this, but I need to make these points in that I've already said that we need to take a further look at that and there are a number of issues that we would consider.

“When this measure came over from the House, I felt that it was not a workable solution and we were taxing the profits. I'd also like to make a note that this is not the only way we're going to find money to pay our teachers. I believe that we on the Ways and Means Committee with our Chair are looking at every single way, every way that we can get monies out of all of the funds so we can put it together so that we can pay our teachers.

“Let's talk about discrimination. I wasn't here when this body discriminated against timeshares, when the owners, real estate owners, of timeshares were levied with the TAT. Now, I don't see anywhere in the law that says timeshares and owners of timeshares, owners of real estate have to pay the TAT, and yet this body did that. So if we're going to talk about discrimination, let's talk about it across the board.

“What we're trying to do here is to close the loophole. And if in fact there is a loophole, then we need to take a look at it and be realistic about what we're doing. And that's what this Committee tried to do – to take a look at this loophole and see if in fact that we can do this. Now, the people that are yelling the loudest seem to be the hotels – the very same people who levied the tax on timeshares. Nobody said people are not going to come with timeshares. In fact, after we did that, we see Marriott and we see Hilton and all of these other hotels putting up timeshares where a number of travelers, and more and more are growing, are coming via timeshares.

“There are a number of things that we all don't agree with and don't feel that it's the best bill, but let's also talk about statistics. I can go and pull out statistics and show you that every year the hotels have raised their hotel room rates. Nobody talks about that – that people are not going to come here because the hotel room rates are growing higher. If we don't do it, if government doesn't do it, then believe me, go look at the statistics and you will see every year, including the economy hotels, have raised their hotel rates at least \$10.00 a year, and tell me that the people are not going to come.

“So it's a partnership, and I think we need to work together on this. Thank you.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1389 was adopted and H.B. No. 1589, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO TRANSIENT ACCOMMODATIONS TAX,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 17. Noes, 8 (Chumbley, Fukunaga, Hemmings, Hogue, Ige, Ihara, Matsunaga, Slom).

H.B. No. 1400, S.D. 1:

Senator Taniguchi moved that H.B. No. 1400, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of the measure with reservations.

"Here we are faced again with state indebtedness and general obligation bonds particularly. The law requires that we state clearly that we're not exceeding the state bond limit either in the current fiscal period or the fiscal periods that will be impacted.

"If we look through the bill again we find pages and pages of blank sheets. There are no numbers in here. We understand that we need to issue bonds for long-term expenditures and CIP growth, but we also need to realize that we are between the fourth and sixth highest debt state in the nation on a per capita basis and that everything that we do has to be carefully measured and we should know these figures in advance.

"Thank you."

The motion was put by the Chair and carried, H.B. No. 1400, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO STATE BONDS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Buen).

H.B. No. 200, H.D. 1, S.D. 1:

Senator Taniguchi moved that H.B. No. 200, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Taniguchi rose to speak in support of the measure as follows:

"Mr. President, I rise to speak in favor of this measure.

"Before I begin to comment on this bill, I want to ask for your indulgence to acknowledge those individuals who helped to make it happen. I want to first thank all my Senate colleagues for entrusting me with this very important Chairmanship, the Chairmanship of the Ways and Means Committee. While I certainly didn't expect this journey to be a smooth ride, I also didn't expect it to be this enjoyable. It's been a good experience for me, Mr. President. Yes, there have been plenty of challenges, but there also has been no shortage of support. I want to thank my staff and all the members of the Ways and Means Committee – from both sides of the aisle – for their support and diligence. Committee members have done an outstanding job of sitting through long hearings, asking tough questions, and providing much appreciated input in shaping this bill and all the other bills that constitute our financial plan. I want to especially thank my Vice-Chair for her unwavering support and guidance and her agreement to take responsibility for all the bad parts of this bill. Last but not least, I also want to acknowledge the support and guidance of my family, especially my wife Jan.

"Mr. President and members, before you is H.B. No. 200, my first version of the executive budget bill as your Ways and Means Chair. Since December, when the Governor submitted his budget proposal, I knew that we would be faced with some tough decisions. By not making any room in his budget for collective bargaining agreements, the Governor essentially

DARED the Legislature to find the money to fund essential services AND fund the pay raises, especially for teachers.

"Our choices to accomplish this, as I saw them, were to raise revenue, cut current costs, or deny new requests. As all of you know, I have placed a variety of proposals before you that spanned those options. This budget bill before us is the last major piece of our financial plan.

"Mr. President, I am happy to report to you that we have met the Governor's challenge and proved that we can balance our budget. We provided new funding for new initiatives and mandated costs. We continued funding for existing programs. And last but not least, we made room for government worker pay raises.

"I want to clarify my recent statements to the media about making room in the financial plan for pay raises. I am not in any way trying to undermine the Governor's ability to negotiate by my actions. I am merely doing the responsible thing and ANTICIPATING costs for negotiated settlements for both HSTA and UHPA. That's it -- no games, no one-upmanship. Our legislative timetable dictates that I was to have our budget and our financial plan in place by last Friday. I submitted this budget with the belief that our plan should reflect anticipated costs for such settlements.

"And while on the surface it may seem like this bill merely carries the burden of budget cuts, it also provides funding for some very important areas – namely education, social welfare, and public safety. To highlight just a few of the areas that I am especially proud of, I would like to comment quickly on funding for education.

"At the beginning of the Session, my colleagues set out collectively to 'fix the schools.' This budget provides for much needed funding that will go directly to classrooms. It provides for school repair and maintenance, new textbooks, new computers, more teachers and more clerical staff in our schools. It also provides for full implementation of the Hawaii Content and Performance Standards. In total, funding for lower education accounts for more than \$1.2 billion in general funds for each year of the biennium – over 34 percent of the entire state's general fund budget.

"For the University of Hawaii, while we acknowledge that autonomy should bring self-reliance, we provide \$10 million in a lump-sum appropriation for the University to use as it sees fit. We also provide \$56 million in G.O. bonds to allow the University to construct a world-class biomedical research facility. Not only do I see this as an educational endeavor, but an economic development one too. I believe that this project, if fully supported, has the potential to infuse millions of new dollars into our economy.

"Finally, I believe I would be remiss if I did not speak briefly on what I call the major cost drivers of our budget. Gone are the days when our budget was low on mandates and high on options. Today, as I quickly realized, a large portion of our budget is driven by factors just beyond our control. I am speaking, of course, about our fixed and mandated costs.

"First, I am truly worried about the future trend of our fixed costs. While we are able to accommodate for these increases within our six-year budget plan, I am concerned that this trend needs to be addressed immediately. For that reason, I chose NOT to fully implement the Governor's billion-dollar CIP budget. I simply do not think we can afford that additional burden at this time.

"As for mandated costs, we are all well aware of the Felix consent decree. And while I believe that we did an excellent job in scrutinizing the Departments of Education and Health's projected costs for Felix, we can only hope that these agencies strive to contain these costs and provide our children with the services they need and deserve. Unfortunately, Felix is but one of the court or federal government mandates that are driving our budget decisions. Let me remind this body that ADA compliance, the Makin settlement, the State Hospital/Department of Justice Agreement are huge costs looming in our near future. Let's also not forget that we are not out of the woods yet with our prison overcrowding issue.

"But again, I wish to reiterate to my fellow colleagues that this budget before you, as an important part of our financial plan, succeeds in providing for the most crucial needs of our state. It is also a work in progress that is a starting point for our discussions with our counterparts in the House. Please stand behind me as I take this strong Senate position into Conference Committee.

"Again, thank you to all of you for your support thus far. I urge you to support this measure."

Senator Hemmings rose in support of the measure with reservations and stated:

"Mr. President, I rise to speak in favor of the budget with reservations.

"It's important for me to state on this Floor that the good Chairman of the Senate Ways and Means Committee, the Senator from Manoa, has done an excellent job. As I enunciated last week on this floor, it was unconscionable for both the Governor and the House of Representatives to send over a budget that did not accommodate the needs to fund collective bargaining. It's coming; we know it; it must be paid for.

"In addressing this budget, I do want to reiterate the fact that this budget and the system does nothing to address the underlying problem – that is that the taxpayers have been extremely generous with state government. That's not my opinion, it's statistics. We pay more on a per person basis than most any other state in the nation for state government.

"When I left the Legislature in 1990, funding for education was approximately \$550 million a year. Now it's over \$1.2 billion and that does not include the hidden costs of Felix. Have things gotten twice as good in the last 10 years? Ask the teachers that are sitting here and don't have a pay raise about how much has improved.

"There is a way to fix the system, Mr. President. The Majority Party, sooner or later, is going to have to come to the reality that the system is indeed broke – broke in the way it functions and broke financially. We have made suggestions. We think we can decentralize public education and put the resources back in the classroom where the children are.

"I have to make an unfortunate prediction here on the floor today, and that is we are facing a looming legal challenge by the 85 to 90 percent of the children in our public education system who are being denied equal access to a good education because a tremendous amount of our resources are going into the Felix consent decree mandates, thus denying a safe educational environment, denying our children from having books. We hear all the time, when we visit our schools, about teachers having to buy their own supplies. The system is broke.

"We have to change the way DAGS acquires goods and services, most especially improvements in our schools. Yes, we can throw hundreds of millions of dollars at the schools, but wouldn't it be better to let the private sector participate unfettered by the procurement laws of this state? We can privatize many services that could be done cheaper and better by the private sector. We can reduce the state workforce through attrition without one essential job being denied. We can provide for civil service reform that would allow all these things to happen.

"I think the good Chairman of the Ways and Means Committee brought up another point that needs to be addressed, and that is fixed costs, Mr. President. We have to change the way we budget for the state. We cannot, year in and year out, assume that the baseline for the budget is the prior budget, because it's flawed and we have been passing on, for 30 years or more, mistakes, and that's because we have these fixed costs that we never re-examine.

"I would suggest, if we're really interested in reforming the way we do our business, that we go to a zero-based budgeting process where every four years we start from zero and have the departments justify their programs and start anew. It's done successfully in other states and, I might add, many, many of the most successful businesses in the world do not go on and on and on with programs simply because they're in the budget.

"So, with these reservations, I will be voting in favor of the bill, but I hope that we can take a long and serious look at the way we do business. I want to ask all of you a rhetorical question, Why has Hawaii been in the economic doldrums for ten years now?

"In closing, Mr. President, I believe there's a better way to spend taxpayer's money, and we better start finding it. Thank you, Mr. President."

Senator Sakamoto rose to speak in support of the measure as follows:

"Mr. President, I rise in support of the measure.

"I thank the Chair for certainly supporting education and the other good things, but I'd like to address some of the comments from the previous speaker, one in relation to the Felix consent decree. Certainly, many of the new dollars to education are going to support the children with mental health disabilities, Mr. President. This is not a law that we created; it's a law that Congress created. It's a law that we have to comply with, and even if there were no law, Mr. President, we need to help the children learn whatever their capabilities allow them to. Even when the consent decree is gone, Mr. President, we'll continue to need to help the children the best we can.

"Certainly, I'm not going to defend some of the inefficiencies that we hear about. Your colleagues to the left and right of you, Sir, are in the effort to work together to resolve some of the issues that are before us. We'll have a resolution coming forth later on, not today but another day, to help deal with some of those concerns.

"I think we can work together to resolve some of the concerns about Felix and spending the money more wisely. Many of those issues are not a tomorrow solution, Mr. President, so I'm glad that in this body we are looking at some of those issues. Certainly we don't want another consent decree of any type. We want to do our best with the resources at hand and accomplish what we can, Mr. President.

"Thank you."

Senator Hogue rose in support of the measure with reservations and stated:

"Mr. President, I rise in support of this measure with reservations.

"I'm glad that the good Senator from Moanalua brought up Felix because there certainly are some tremendous concerns there regarding Felix. As I bring several of these people into my office, I hear over and over again about how the Departments of Education and Health really don't talk to each other and there are tremendous communication breakdowns. So, we need to encourage these departments to begin to communicate with each other and certainly work more efficiently.

"I'm glad to see in this budget that there is as much as \$1.2 billion going towards education, 34 percent of the budget. I think that's great because we should be funding education first and foremost. However, I really believe that this state needs systemic reform, and I agree with the good Senator from Waimanalo and Kailua that we must look at how we budget. We must look beyond what the Governor puts forward and go back to the beginning. When they open the budget worksheets, it really only starts from what the Governor has put forward. Sometimes you've got to go back and see why the money was put there in the first place.

"We need privatization, we need decentralization, and we need civil service and procurement reform to bring dollars back into the system more appropriately. We need tax relief to encourage more monies to come into the business sector. If we get more money into our economy, that will bring on the revenues that we can pay the teachers.

"So I really encourage systemic reform and I think we need to look at it when we look at this budget. Thank you, Mr. President."

Senator Kawamoto rose to speak in favor of the measure and stated:

"Mr. President, I rise to speak in favor of the bill.

"Mr. President, most important, I believe, is that the good Chair, the Vice Chair, and the Committee kept focused. We lived up to our promises in the opening day speeches by both the Minority Leader and you, Mr. President. We kept our side of the promise and we kept focused.

"Thank you very much."

Senator Chun rose to speak in favor of the measure and stated:

"Mr. President, I rise to speak in favor.

"I'm encouraged by the words from the Senators of the Minority Party. Yes, we do agree that we need systemic changes. We need to go forward and look at how we are going to improve this state to make it a better place in the future. Mr. President, that's why this Majority Party is going forward to try to improve this system. We are having a bill that supports privatization and we'll be voting on that soon. We also have a bill concerning improving the arbitration process. The intent is to have the parties negotiate rather than have it go to arbitration. This is a better process that will improve the system.

"We've also had bills to look at Felix. We want to make sure that the money that we are spending on Felix is spent

wisely and that's why we are going to support the Auditor to look into those books. Mr. President, we are moving in that direction and we want to look forward.

"Another bill that's important to this plan is looking at our health fund. Mr. President, as you well know, the Auditor came back two years ago and determined that we're losing – yes, we are losing – money in our current health system. One of the big problems is the porting of money from that health system to the individual union plans. Mr. President, the Auditor has come back and the administration has come back through a study to show that we are losing easily \$80 million in taxpayer's funds because of this process. That's why just recently, Mr. President, we have proposed going to a unified health fund to stop that kind of waste and save the state money. I'm glad that we had support from the Minority Party, or at least most of them, on that bill.

"Mr. President, we are looking at making systemic changes. We are firm in our resolve to make sure that we can not only survive this budget year, but other budget years to come. We are also, Mr. President, firm in our resolve that we will support education because that is our future, and we support it with dollars. Even though it is hard decisions to make, we will make those decisions. I thank the budget Chair for basically looking at the budget from that perspective and supporting education fully, not only with his words, but also with his deeds.

"Thank you."

Senator Slom rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of the measure with reservations.

"This budget bill before us is 312 pages. It's got a lot of things in it. It's got some very good things in it; it's got some mediocre things in it; it's got some negative things in it. I think that's part of the problem. Certainly we support what the Chairman has done and recognize the Chair and members of the Committee and the staff for their hard work and their intent and the focus, but you know, last month when we had our last Third Reading bill, the Co-Majority Leader stood up and said, 'You know it's frustrating sometimes. What is it that we can do? What can we do as Legislators to change the process?' And you know, we keep talking about that, What can we do? What can we do? As a result, we basically do nothing.

"We are passing a bill and a budget that is going to be a double-digit increase at a time when this community still has not resolved the economic turmoil that it has suffered through alone out of the 50 states for more than a decade. We have done nothing in the budget or in other legislation to meaningfully turn around our economy to make it better for everyone. Yes, we have passed some tax breaks, and some subsidies, and some streamlining and fast tracking for certain areas of the economy, but not for everyone. We certainly have not done things to turn around the entire economy or to increase a person's standard of living to make people more comfortable here in what they do, even though they have to be forced to work two and three jobs.

"As my colleagues have said, we have not really grappled with the systemic or the basic ideas of change. We talk about them all the time, but we don't do them. When are we going to start doing them? Our time is not unlimited. As we continue to pass greater and greater expenditures of money, what we are doing is putting encumbrances on our children and on their children in the future without doing the things to build a vibrant economy.

"We hold hearings. We have people come in here and they tell us – based on their experience, based on their ability to take the risks themselves, based on their ability to take their own hands, reach in their own pockets – what we need to do. And we thank them very much and generally ignore them and vote for bills that are going to be more of the same – more spending, more taxation, more debt. So, we have to take a look at these things as a whole, and I don't feel that we have done this adequately.

"If you look at the comparison of the bills and the budget figures, certainly we are less than the governor's original budget, we're more than the House's estimate, but still when we look at who's going to pay for all this, it's going to be our citizens, our taxpayers who are already overburdened, over-regulated, and overtaxed. We're asking a tremendous burden.

"We have to get focused more on the idea of creating wealth and creating more opportunities for everyone within our community rather than carving our just small shares. So, I will support the budget process with reservations and hope that in discussions and in Conference we can hammer out even a better document.

"Thank you, Mr. President."

Senator Kanno rose to speak in support of the measure as follows:

"Mr. President, I rise to speak in support of the measure.

"I'd like to commend the Chair of the Ways and Means Committee and his team for a job well done, and I urge my colleagues to support the measure.

"Thank you."

Senator Chun Oakland rose to speak in support of the measure as follows:

"Mr. President, I also speak in support of this budget.

"I would also like to commend the Chair of the Ways and Means Committee and the members of the Committee and staff. I believe that in this budget we have included a number of initiatives that will speak to the prevention and early intervention services that are necessary in actually reducing government costs over time. I also want to commend the body, as a whole, for the support for education and to have included monies for the collective bargaining agreements either anticipated or already settled.

"I would also like to acknowledge the effort to support some of the areas that are very large cost-drivers like the child and adolescent and adult mental health services. In the past, we have not done so. That's why now we are seeing the costs burgeoning for government. I do hope that as we finance these kinds of services, we will see a reduction in the very large costs that we are experiencing now.

"This budget also, I believe, still acknowledges the law that we passed two years ago which de-pyramids the GET, as well as reduces the personal income tax for the next second and third year. So, in terms of the tax burden on both businesses and residents, I believe this budget reflects that.

"Thank you, Mr. President."

The motion was put by the Chair and carried, H.B. No. 200, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING

TO THE STATE BUDGET," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

At 12:15 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 1:10 o'clock p.m.

Stand. Com. Rep. No. 1392 (H.B. No. 1000, H.D. 1, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1392 be adopted and H.B. No. 1000, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Taniguchi rose to speak in favor of the measure and stated:

"Mr. President, I rise to speak in favor of this bill.

"I would just like to note for the record that in the bill there is a CIP appropriation for the Kapolei judiciary complex that was incorrectly listed. We believe that this was a glitch in the printing of the bill. The amounts appropriated for this error were not reflected in the bottom line totals. We had considered amending the bill, however, I believe we can amend the bill in Conference.

"Thank you, Mr. President."

Senator Hemmings rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of the bill with reservations.

"We are in austere times. The judiciary is planning on spending their money renting commercial space in a building next to the judiciary. There are alternatives. We have a very beautiful and luxurious office building that was built and refurbished, and it's now being planned to house a very expensive art collection. Maybe we could use the space to put some needed judiciary services in it, thus, saving the taxpayers a lot of money.

"Thank you, Mr. President."

Senators Slom and Hogue requested their votes be cast "aye, with reservations," and the Chair so ordered.

Senator Chun Oakland rose to speak in support of the measure as follows:

"Mr. President, I stand in support of this measure.

"I would like to note that part of the appropriations does include statewide drug courts, and I believe that's a very good direction to go in since we do have a very large drug problem here in Hawaii.

"Thank you, Mr. President."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1392 was adopted and H.B. No. 1000, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE JUDICIARY," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1393 (H.B. No. 1100, H.D. 1, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1393 be adopted and H.B. No. 1100, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Hemmings rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of the bill with reservations.

"The OHA representatives were unable to give the Committees that this bill was heard on an adequate accounting of their existing resources. We heard everything from \$393 million down to \$300 million. They gave vague answers on how they are spending their appropriations. They're spending quite a lot on public relations I've noticed, but I don't notice, specifically, how they're spending it to benefit the Native Hawaiians. OHA could not come up with an accounting of what kind of dividends in interest they're receiving on their very large corpus that they have invested.

"So, for those reasons, I think we should proceed very slowly with continued funding of taxpayer's money for OHA. The time will come when OHA should stand on its own as a private institution, completely severed from feeding at the government trough in such a way that it can determine its own destiny.

"Thank you, Mr. President."

Senator Slom requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1393 was adopted and H.B. No. 1100, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE BUDGET OF THE OFFICE OF HAWAIIAN AFFAIRS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1394 (H.B. No. 236, H.D. 1, S.D. 1):

Senator Kanno moved that Stand. Com. Rep. No. 1394 be adopted and H.B. No. 236, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsuura.

Senator Slom rose in support of the measure with reservations and stated:

"Mr. President, I rise to speak in support of the bill with reservations.

"We wrestled a long time with this bill and I think the message we're sending is still not a clear message. We still are not protecting young women from sexual predators. We argued about the changing of the age 14, the lowest in the nation. The House version was 16 and we are at 15. I think we need a stronger bill.

"Thank you."

Senators Hogue and Hemmings requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1394 was adopted and H.B. No. 236, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO SEXUAL ASSAULT," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1395 (H.B. No. 321, H.D. 1, S.D. 2):

Senator Kanno moved that Stand. Com. Rep. No. 1395 be adopted and H.B. No. 321, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Matsuura.

Senator Chumbley rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this measure.

"This measure makes substantive changes to a law that has been in effect for only three months, colleagues. It would negatively impact the seriously disabled people who might otherwise qualify for the program. It unfairly discriminates against people who may have a debilitating disease or condition that could benefit from the use of medical marijuana.

"This bill just goes too far, and I think that the law in place needs to be given a chance to see if it's effective or not. Thank you."

Senator Hogue requested his vote be cast "aye, with reservations," and the Chair so ordered.

Senator Ige rose and said:

"Mr. President, I would just like to note my reservations on this measure."

Senators Kokubun and Nakata then requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1395 was adopted and H.B. No. 321, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO CONTROLLED SUBSTANCES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 17. Noes, 8 (Chumbley, Chun Oakland, English, Fukunaga, Hemmings, Ihara, Matsunaga, Slom).

Stand. Com. Rep. No. 1399 (H.B. No. 600, H.D. 1, S.D. 1):

Senator Kanno moved that Stand. Com. Rep. No. 1399 be adopted and H.B. No. 600, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsuura.

Senator Slom rose to speak in favor of the measure and stated:

"Mr. President, I rise to speak in favor of the bill with reservations.

"I think the bill goes a long way to streamlining the business registration process, however, along with the streamlining are several fee increases. They have not been justified in terms of the increases, so I support the idea of streamlining and making it easier to register the business, but not additional costs associated.

"Thank you."

Senator Hemmings requested his vote be cast “aye, with reservations,” and the Chair so ordered.

Senator Hogue rose with reservations and said:

“Mr. President, could you put the words of the esteemed Senator from Hawaii Kai down as my words, and I will vote with reservations.

“Thank you.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1399 was adopted and H.B. No. 600, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO BUSINESS REGISTRATION,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Menor).

Stand. Com. Rep. No. 1400 (H.B. No. 384, H.D. 1, S.D. 1):

Senator Kanno moved that Stand. Com. Rep. No. 1400 be adopted and H.B. No. 384, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsuura.

Senator Chumbley rose to speak in opposition to the measure and stated:

“Mr. President, I rise to speak in opposition to this measure.

“I’m not really sure this bill is necessary, colleagues. The existing law gives teachers and other individuals entrusted with the care or supervision of children the right to use force if necessary to maintain reasonable discipline in a school or classroom setting. While this bill does amend and allow for that same right to be used at school related activities off of the campus, I think that the existing law as written, the teacher or persons otherwise entrusted, would include principals or other individuals who would have close involvement with those children.

“I think that as this measure goes forward, I would ask the Chairs of the two Committees responsible for this to proceed very cautiously on this. While the use of force may be necessary in a very limited situation, I think this is a wrong approach.

“Thank you.”

Senator Sakamoto rose to speak in support of the measure as follows:

“Mr. President, I rise to speak in support of this measure.

“Mr. President, Hawaii Revised Statutes Section 703-309 defines how the use of force on another person is justified under certain circumstances. This legislation would add the principal and the principal’s agent – such as vice-principal, acting principal, or manager – to the list of persons already authorized to use force. Additionally, as previously mentioned, the amendment would recognize the use of force during department sponsored activities off campus.

“The Honolulu Police Department testified that the measure is necessary to ensure that school personnel are authorized to take appropriate and timely action when confronted with potentially dangerous situations. Mr. President, it’s imperative for school personnel, including the principal, to be given necessary legal tools to cope with these conditions without fear of being sued or prosecuted when using their best judgment and

intervening or preventing a dangerous or serious situation from happening.

“Mr. President, we don’t want violent situations. I guess Santana High School on the mainland was one of those situations. Possibly the interpretation of the previous speaker was that these people are already included, but making it clearer will certainly help.

“I urge everyone to vote in favor, Mr. President.”

Senator Hogue rose in support of the measure with reservations and stated:

“Mr. President, I rise to speak in support of this measure with reservations.

“With all due respect to the esteemed Senator from Moanalua, I don’t know what the Santana High School really has to do with this particular measure.

“I would say that since current law already authorizes use of reasonable force by teachers or those entrusted with supervision, it seems only appropriate that it should be extended to principals and principal’s agents. However, this bill is troubling because it expands the use of force to off campus activities. So, at what point, I ask, is the principal or principal’s agent out of his authority? At the stadium, the stadium parking lot, or when the violence perhaps spills into the neighborhood? I think this opens up a lot of questions, so I look to this body to look at this measure with caution.

“Thank you.”

Senator Chumbley rose in rebuttal as follows:

“Mr. President, point of rebuttal please.

“The previous speaker said that this was necessary to prevent lawsuits. Well, this bill does nothing – does nothing – to prevent an individual from bringing a lawsuit against the department or against the individual as the actor, as it’s so-called in the bill. While that person may be acting in their scope of responsibility and would be indemnified, I’m surprised that the members didn’t provide immunity in this bill also. So, you may want to consider that.”

Senator Sakamoto rose to respond as follows:

“Mr. President, a brief response.

“Certainly the bill doesn’t prevent any lawsuit, I agree. The hope would be that it would clarify and eliminate the fear of some of the people who are responsible for the student’s conduct, as well as others, whether it’s on or off campus. If something happens on campus, certainly that’s within the control. If it’s off campus at the school event, certainly that should be under their control.

“I think some of the issues we can’t debate here, but as the measure goes forward, hopefully we can address some of the concerns raised. Thank you.”

Senators Slom, Ihara, Fukunaga and Hemmings then requested their votes be cast “aye, with reservations,” and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1400 was adopted and H.B. No. 384, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO THE

PENAL CODE,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, 1 (Chumbley).

Stand. Com. Rep. No. 1404 (H.B. No. 828, H.D. 1, S.D. 1):

Senator Kanno moved that Stand. Com. Rep. No. 1404 be adopted and H.B. No. 828, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsuura.

Senator Hemmings rose to speak in favor of the measure with reservations as follows:

“I rise to speak in favor of the bill with reservations, Mr. President.

“This bill simply eliminates many peers from the jury pool which could lead to problems down the road, and it is unfair for those who are not eliminated.

“Thank you, Mr. President.”

Senator Kawamoto rose to speak in favor of the measure and stated:

“Mr. President, I’m in favor of this bill.

“We didn’t eliminate anybody. This came from the judiciary and they were concerned about a lot of people being exempt. So in essence, what we did was we took out many of the exemptions so there’s more in the pool. We left physicians, dentists, fire and police, but everybody else is back in the pool for jury duty.

“Thank you.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1404 was adopted and H.B. No. 828, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO COURTS,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Menor).

Stand. Com. Rep. No. 1406 (H.B. No. 1405, H.D. 1, S.D. 1):

On motion by Senator Kanno, seconded by Senator Matsuura and carried, Stand. Com. Rep. No. 1406 was adopted and H.B. No. 1405, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO USE OF INTOXICANTS,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Menor).

Stand. Com. Rep. No. 1457 (H.B. No. 336, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1457 be adopted and H.B. No. 336, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senators Slom and Hemmings requested their votes be cast “aye, with reservations,” and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1457 was adopted and H.B. No. 336, S.D. 2, entitled: “A BILL FOR AN ACT RELATING TO INDIVIDUAL DEVELOPMENT ACCOUNT CONTRIBUTION TAX CREDIT,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 1 (Hogue). Excused, 1 (Menor).

Stand. Com. Rep. No. 1458 (H.B. No. 1234, H.D. 1, S.D. 2):

On motion by Senator Taniguchi, seconded by Senator Hanabusa and carried, Stand. Com. Rep. No. 1458 was adopted and H.B. No. 1234, H.D. 1, S.D. 2, entitled: “A BILL FOR AN ACT RELATING TO QUEST,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Menor).

Stand. Com. Rep. No. 1461 (H.B. No. 1041, H.D. 2, S.D. 2):

On motion by Senator Taniguchi, seconded by Senator Hanabusa and carried, Stand. Com. Rep. No. 1461 was adopted and H.B. No. 1041, H.D. 2, S.D. 2, entitled: “A BILL FOR AN ACT RELATING TO TEACHER COMPENSATION,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Menor).

Stand. Com. Rep. No. 1462 (H.B. No. 1156, H.D. 2, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1462 be adopted and H.B. No. 1156, H.D. 2, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Hogue rose to speak in opposition to the measure and stated:

“Mr. President, I rise to speak in opposition to this bill.

“I’ve already stood on this floor and told you what I would do with the hurricane relief money. I just don’t believe that we are setting up the right policy here. According to fund personnel, they tell us that it will cost approximately \$50 million to \$100 million to start up an insurance fund in case there was a hurricane, up or beyond that the feds would step in. So the question is, Why are we trying to up the amount of money in this fund if not for the purpose of raiding it?

“We have already seen that special funds are raided all too often. Who here in this body doesn’t believe that there are not going to be bills set forward in future legislative sessions that will ask to raid the Hawaii Hurricane Relief Fund? For these reasons, and for reasons cited before that I believe that much of the fund should be given back to the property owners, I will vote ‘no.’

“Thank you.”

Senators Matsunaga and Ige requested their votes be cast “aye, with reservations,” and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1462 was adopted and H.B. No. 1156, H.D. 2, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO THE HAWAII HURRICANE RELIEF FUND,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Stand. Com. Rep. No. 1463 (H.B. No. 1586, H.D. 1, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1463 be adopted and H.B. No. 1586, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"I rise in opposition to the bill, Mr. President.

"This bill would extend unemployment compensation benefits to dislocated employees of AmFac Sugar on Kauai for an additional six months. Originally it was going to be for a year. The Department of Labor had expressed its concerns with doing this. We are taking one group of employees, one segment, and we're extending the law just partially. It is bad precedent and I think there are other ways to help these employees.

"We've talked a great deal about training and rehabilitation and that's what we need rather than changing the unemployment compensation laws. Thank you."

Senator Hogue then requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1463 was adopted and H.B. No. 1586, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO UNEMPLOYMENT," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Slom).

Stand. Com. Rep. No. 1467 (H.B. No. 462, H.D. 1, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1467 be adopted and H.B. No. 462, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to the bill.

"Again, this is one of these measures where we seek to streamline and take a bill and pass it with model legislation. However, as the hearings have shown and the number of drafts, we still have a lot of problems with this bill. I think we should really go back to square one and get a proper grounding as to what we're trying to do with the bill before we try to pass one.

"Thank you."

Senators Hemmings, Hogue and Fukunaga requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1467 was adopted and H.B. No. 462, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE UNIFORM ARBITRATION ACT," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, 1 (Slom).

Stand. Com. Rep. No. 1469 (H.B. No. 503, H.D. 2, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1469 be adopted and H.B. No. 503, H.D. 2, S.D. 2, having been read

throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak against the measure as follows:

"Mr. President, I rise to speak against this bill.

"It gives a great deal of power to DLNR in terms of extending new leases to certain agricultural, aquacultural, and other lessees. I think that the bill, which was changed completely and gutted, now provides that any lease extended or issued shall not be less than 10 years or longer than 20 years in duration. I think we need to look at the whole state lease program itself.

"Thank you."

Senator Ihara then requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1469 was adopted and H.B. No. 503, H.D. 2, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO STATE LEASES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Slom).

At 1:30 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 1:35 o'clock p.m.

Stand. Com. Rep. No. 1471 (H.B. No. 620, H.D. 2, S.D. 2):

By unanimous consent, action on Stand. Com. Rep. No. 1471 and H.B. No. 620, H.D. 2, S.D. 2, was deferred to the end of the calendar.

Stand. Com. Rep. No. 1472 (H.B. No. 860, H.D. 1, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1472 be adopted and H.B. No. 860, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Kawamoto rose to speak in support of the measure as follows:

"Mr. President, I rise in support of this bill.

"Mr. President, I'd just like to thank the Maui delegation for making us aware of this concern. It really is for everybody that retired before 1989. This benefit for former retirees that have veteran credits was long overdue and we're not passing this bill. We thank the Ways and Means Committee for passing it out.

"This bill is a feel-good bill. I think many of us should take credit for this. Again, I thank the Maui delegation of Senators that brought this item into light this year.

"Thank you."

Senator Hemmings rose to speak in favor of the measure and stated:

"Mr. President, I rise to speak in favor of the bill.

"I share the sentiments of the prior speaker in my support of this bill. Thank you."

Senator Buen rose to speak in support of the measure as follows:

"Mr. President, this bill will let the many veterans who are in their late 70s and 80s now be able to have the few remaining years of their lives to enjoy the \$36.00 a month for each year of credited military service. These veterans for years have come to the Legislature asking the Legislature to pass this bill.

"Thank you to the Ways and Means Committee and also the Transportation, Military Affairs, and Government Operations Committee Chair for working so hard in supporting this measure."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1472 was adopted and H.B. No. 860, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE EMPLOYEES' RETIREMENT SYSTEM," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1481 (H.B. No. 123, H.D. 1, S.D. 1):

Senator Kanno moved that Stand. Com. Rep. No. 1481 be adopted and H.B. No. 123, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsuura.

Senator Chumbley rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this measure.

"The intent behind this bill is a good one and that is to protect the safety and welfare of our children. However, this is not a very well thought out bill. This bill will have a detrimental impact upon the already overburdened and traffic-congested streets and highways throughout our state. Under the provisions of this bill, any person driving within a school zone must drive at 15 miles per hour. A school zone is defined as every street and public property within 1,000 feet of the boundaries of any school.

"Here are a few examples of schools within 1,000 feet of just major highways and I'll cite just a few examples on the island of Oahu where there is in excess of over 150 public schools: Waipahu High School (Kamehameha Highway), 15 miles an hour; Nanaikapono (Farrington Highway), 15 miles an hour; Kahuwela Elementary School (Vineyard Boulevard and H-1 Freeway), 15 miles an hour; Puuhale Elementary (Nimitz Highway), 15 miles an hour; Royal Elementary (Punchbowl Street and H-1 Freeway), 15 miles an hour; Kuhio Elementary (King Street), 15 miles an hour; Kalani High School (Kalaniana'ole Highway), 15 miles an hour; Central Intermediate (Alakea, Bishop and Vineyard Streets), 15 miles an hour; McKinley High School (King Street, Kapiolani Boulevard and Pensacola Street), 15 miles an hour; Farrington High School (King Street, Kalihi Street, H-1 Freeway), 15 miles an hour. I think you get the point.

"Now, if you don't get the point and you get a ticket, the first time is \$400. The second time is \$600. The third time is \$1,000. I would suspect in the future, if passed, it might be a class C felony. So I urge all my colleagues to vote 'no' on this measure."

Senator Kawamoto rose to speak in favor of the measure and stated:

"Mr. President, I rise to speak in favor of this bill.

"Mr. President, unfortunately, all the pedestrian bills have died. I realize that the motion to go 45 degrees or 180 degrees is a manner in which people can laugh at, but the bottom line, Mr. President, is that we bang about two pedestrians a day. Some of them die. Some of them get seriously hurt . . . two pedestrians a day.

"In the last 14 years, we have hit 9,573 pedestrians and we have not, in the last 14 years, really addressed that concern. Even my family laughed at us and said that's just as bad as another bill we laughed about last year, so they said why not. If we lived in Las Vegas, the Las Vegas speed limit in school zones is 15 miles an hour.

"So, we're concerned about pedestrians around schools. We're trying to save school children. Maybe in Conference we can discuss interstate highways as an exemption or those streets that are heavily traveled and somehow protect our young people from crossing these streets. But the concern is, bottom line, let our children grow up.

"To drop the speed limit from 25 to 15 is not a thing that we can't live with. So, Mr. President, I urge all my colleagues to vote 'aye' on this bill."

Senator Matsunaga rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this measure.

"Mr. President, I don't know anything about banging two pedestrians per day, but I do know that this bill, as currently drafted, unfortunately is unworkable, unmanageable, and unenforceable. For the reasons stated by the Senator from Maui, I will be voting 'no.'

"Mr. President, please don't mistake my intentions, I'm all for driving safely and arriving alive, however, this bill, as drafted, would make you drive so slowly, I don't think you'd ever arrive.

"Thank you, Mr. President."

Senator Hogue rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this bill.

"Thank you to the Senator from God's country for noting that Hawaii is not Las Vegas and thankfully it will never be so.

"I also want to say that the importance of this particular law, or at least the intent, is to save lives. Just think of the problems that would happen on all the aforementioned highways the Senator from Maui talked about when people just hit their breaks real hard on the highway to get down to 15 miles an hour and how many rear-enders and chain reaction accidents that could be caused. This is the law of unintended consequences.

"If we want public safety, let's at least make laws wisely. Vote 'no.' Thank you."

Senator Kanno rose to speak in support of the measure as follows:

"Mr. President, I rise to speak in support of the motion.

"I'd like to read from page two of the bill, for the benefits of my colleagues, to correct one of the previous speakers. It reads, 'Any person who violates this section shall be fined: (1) Not

more than \$400 for a first offense; (2) Not more than \$600 for a second offense committed within one year of a first offense; and (3) Not more than \$1,000 for a third or subsequent offense committed within one year of a first offense.'

"To state that the first offense charge is \$400 is misleading and untrue. Thank you."

Senator Fukunaga rose and said:

"Mr. President, please note my reservations on this bill. Thank you."

The Chair so ordered.

Senator English rose to speak in opposition to the measure and stated:

"Mr. President, I speak in opposition to this bill.

"In considering the impacts that this would have in my district, in Kahului especially, where I have a number of schools close to each other and then the main arteries go right through town, we're already at a standstill in Kahului, and in Wailuku, and in Upcountry. If we do this, the law of unintended returns will come in and I will be the first to hear of this. I'm sure the Maui delegation together will have tons of e-mails, phone calls, and faxes saying, 'What on earth possessed you guys to do this?'"

"So, we want to protect our children, Mr. President. I also believe in their ability to discern common sense not to go in the streets, and I trust in their parents and in their teachers to teach them not to do this. So, based on this, Mr. President, I will be voting 'no.'

"Thank you."

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I, too, rise in opposition to the bill.

"Certainly the safety of pedestrians and our children is not a laughing matter, but the kinds of legislation that we often propose creates more problems. When we talk about school zones, as the good Senator from the canoe district of Kauai, Maui, Niihau and all places west pointed out, we are in a situation where everything is so close together it makes an extreme problem.

"As far as construction zones, I think right now that all of the City and County of Honolulu is one big construction zone. So, I think we need to find other ways of protecting our children and the pedestrians. Thank you."

Senator Chun rose in support of the measure with reservations and stated:

"Mr. President, I rise in support of this bill with reservations.

"My reservations are not based on the fact that Kauai has no freeways, nor is there any school zone on Niihau, but for the fact that I think school safety is important. I believe that we need to do a better job of protecting our children as they make their way to and from school.

"I understand that there are legitimate concerns regarding applicability of this bill to freeways. I don't believe any school-aged child in his right mind would cross a freeway. I think the Senator from Waipahu has already acknowledged the fact that

this bill goes a little bit too far in addressing those concerns, and I would assume that he will act reasonably and prudently as this bill goes to Conference.

"Thank you, Mr. President."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1481 was adopted and H.B. No. 123, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO SPEEDING," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 13. Noes, 11 (Chumbley, Chun Oakland, English, Hemmings, Hogue, Ige, Ihara, Inouye, Kim, Matsunaga, Slom). Excused, 1 (Taniguchi).

Stand. Com. Rep. No. 1487 (H.B. No. 1679, H.D. 1, S.D. 1):

On motion by Senator Chun, seconded by Senator Kokubun and carried, Stand. Com. Rep. No. 1487 was adopted and H.B. No. 1679, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO DILLINGHAM AIRFIELD," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

On motion by Senator Menor, seconded by Senator Matsunaga and carried, Stand. Com. Rep. No. 1490 was adopted and H.B. No. 1552, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TIME SHARING," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Taniguchi).

Stand. Com. Rep. No. 1491 (H.B. No. 118, H.D. 3, S.D. 2):

On motion by Senator Menor, seconded by Senator Matsunaga and carried, Stand. Com. Rep. No. 1491 was adopted and H.B. No. 118, H.D. 3, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO FAMILY CHILD CARE," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Taniguchi).

Stand. Com. Rep. No. 1494 (H.B. No. 646, H.D. 1, S.D. 2):

Senator Menor moved that Stand. Com. Rep. No. 1494 be adopted and H.B. No. 646, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Matsunaga.

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, I rise to speak against this bill, Stand. Com. Rep. No. 1494, H.B. No. 646, 'Relating to the Sale of Sterile Syringes for the Prevention of Disease.'

"I recognize fully that we want to fight the spread of AIDS. I recognize that the medical and social services are doing just that, but I cannot, in good conscience, favor giving needles to addicts. Contradictory messages are sent to our children – drugs are illegal, but here is your needle.

"There's no convincing evidence that it works. Free needles subsidize drug-related crimes and social problems. Why is the

state helping to continue them? Why do we have drug control programs while we're giving drug addicts needles? Why do police arrest drug peddlers when the state is making available needles over the counter for sale to drug addicts?

"There are alternatives. Drugs are a problem, but there are other ways to address it rather than giving drug addicts needles and dealing with the problems that result. Therefore, I urge my colleagues to reconsider this bill and vote 'no.'"

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1494 was adopted and H.B. No. 646, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE SALE OF STERILE SYRINGES FOR THE PREVENTION OF DISEASE," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 2 (Hemmings, Slom). Excused, 1 (Taniguchi).

Stand. Com. Rep. No. 1496 (H.B. No. 761, H.D. 1):

Senator Menor moved that Stand. Com. Rep. No. 1496 be adopted and H.B. No. 761, H.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsunaga.

Senators Slom, Hogue, Chun Oakland, Ige, Fukunaga and Hemmings requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1496 was adopted and H.B. No. 761, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO UNACCREDITED DEGREE GRANTING INSTITUTIONS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Taniguchi).

H.B. No. 204, H.D. 1, S.D. 1:

On motion by Senator Menor, seconded by Senator Matsunaga and carried, H.B. No. 204, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO PLANNED COMMUNITY ASSOCIATIONS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Taniguchi).

H.B. No. 590, H.D. 1, S.D. 1:

Senator Menor moved that H.B. No. 590, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsunaga.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I'm voting in opposition to this bill.

"The bill would impose a higher standard of financial responsibility and add new net-worth requirements for HMOs and mutual benefit societies. I think we've tightened up on regulations in the past, and those organizations that fulfill those requirements have caused no problems to the state. What this does is to penalize good businesses that are following the law.

"Thank you."

Senator Hogue requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, H.B. No. 590, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO INSURANCE," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 2 (Hemmings, Slom). Excused, 1 (Taniguchi).

H.B. No. 1134, H.D. 1:

On motion by Senator Menor, seconded by Senator Matsunaga and carried, H.B. No. 1134, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO COLLECTION AGENCIES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Taniguchi).

H.B. No. 1231, H.D. 1, S.D. 1:

On motion by Senator Menor, seconded by Senator Matsunaga and carried, H.B. No. 1231, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CONDOMINIUMS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Taniguchi).

Stand. Com. Rep. No. 1507 (H.B. No. 514, H.D. 1):

Senator Kanno moved that Stand. Com. Rep. No. 1507 be adopted and H.B. No. 514, H.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to the bill.

"There are over 130 deputy attorney generals in the State of Hawaii. Forty-three percent of them are funded by special funds, which means that they are specified to do a particular kind of litigation or involvement, legal services for a particular type of agency or activity.

"What this bill seeks to do is to continue taking this special funding but to give the Attorney General the ability to move these deputies into any activity whatsoever, again further separating the specialness of the special fund, so I'm voting 'no.'

"Thank you."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1507 was adopted and H.B. No. 514, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO DEPUTY ATTORNEYS GENERAL," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 2 (Hemmings, Slom). Excused, 1 (Taniguchi).

Stand. Com. Rep. No. 1510 (H.B. No. 650, H.D. 2, S.D. 2):

On motion by Senator Kanno, seconded by Senator Matsunaga and carried, Stand. Com. Rep. No. 1510 was adopted and H.B.

No. 650, H.D. 2, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO ADVANCE DIRECTIVES FOR PSYCHIATRIC CARE," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Taniguchi).

Stand. Com. Rep. No. 1512 (H.B. No. 1587):

Senator Menor moved that Stand. Com. Rep. No. 1512 be adopted and H.B. No. 1587, having been read throughout, pass Third Reading, seconded by Senator Matsunaga.

Senator Sлом rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this bill.

"I think one of the problems that we've had over the last decade or so, in terms of making Hawaii truly the wellness state and having affordable healthcare, has been the state agency SHPDA. SHPDA has been involved in decisions in terms of allocation of health resources and also the building and use of materials in the healthcare field. To continue this state requirement and this state oversight, I think, is going to create more problems in the decades ahead.

"Thank you."

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, I rise to speak against this bill.

"Back in the '80s, SHPDA was a very popular process that many states signed on to. It has since been abated in many states and many states have completely eliminated the CON process (the certificate of need process), which has done two things in the last 20 years. It's eliminated free and open competition in the medical industry's marketplace, thus driving down resources and driving up costs. Secondly, it's now provided protection for large institutions that hide behind SHPDA in the CON process to protect their semi-monopolies. So, both ways the consumer gets hurt.

"We wonder why the medical care industry in the United States is so expensive and out of control. It's because of acts like this that continue to regulate the industry and make bureaucrats and politicians in charge of the healthcare industry rather than healthcare professionals. Therefore, I will be voting 'no,' Mr. President.

"Thank you."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1512 was adopted and H.B. No. 1587, entitled: "A BILL FOR AN ACT RELATING TO ACQUISITION OF HOSPITALS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 2 (Hemmings, Sлом). Excused, 2 (Kawamoto, Taniguchi).

H.B. No. 451, H.D. 1, S.D. 1:

Senator Kanno moved that H.B. No. 451, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsuura.

Senator Chumbley rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this measure.

"Mr. President, while the Committee has made some marked improvements to this bill from when we passed it out last time, including the recommendations made by the Attorney General's office to clarify that this is an indemnity and they moved away from the immunity portion of the bill, I'm still curious as to why we only extend this additional protections of indemnity to the educational officers and the teachers associated with the Felix consent decree services. What about the educational assistants in the classroom? What about the department of health employees? What about the department of human service employees?

"It just seems to me as though we're approaching this from a piecemeal basis because someone has cried wolf, and I think that this is bad public policy. Thank you."

Senator Hogue rose to speak with reservations on the measure and said:

"Mr. President, I rise to speak with reservations on this particular matter.

"Not only does it go the way of the slippery slope that the Senator from Maui noted, but it's also discriminatory. On page 2 of the bill it talks about emotionally disturbed children and exceptional children. I know that we've received many calls in our office talking about emotionally disturbed children or adolescents or exceptional children. Imagine if you will, if these terms were African-American, or Part-Hawaiian. I know there would be lots of screams about discrimination here.

"So I think that this bill needs a lot of work. Thank you."

Senator Sakamoto rose to speak in support of the measure as follows:

"Mr. President, I rise to speak in support of the measure – first addressing what the measure does and then hopefully addressing some of the concerns.

"This bill seeks to support all educators and those specific educational officers and teachers who provide services to children pursuant to the Felix/Cayetano consent decree. The risk management program will benefit students, parents, and teachers by establishing a system that will prevent problems from occurring or escalating into a dangerous or litigious confrontation.

"Additionally, the measure seeks to provide our special education staff with a greater measure of security and reduce their fear of personal liability when litigation does occur. Special education has become a very litigious area and teachers are unaccustomed to the threat of suit in their daily work. They're unfamiliar with the process and feel that their personal welfare and welfare of their families are threatened when they are individually named in a lawsuit.

"Additionally, the current process of obtaining representation from the state, though explainable, does not provide a comfort level that educators would like. In fact, it is not until the final adjudication that a teacher can be absolutely sure that he or she will not be held personally liable. Some of the comments, I guess in regards to who this addresses, the teachers and educational officers are the primary ones who make the decisions in the IEP process and are charged with implementing such, so therefore they're named in this measure and they're the ones often named in suits.

"If the language needs adjusting, certainly we've worked with the Senator on other bills and we can work on the language to make it less discriminatory or less negative or whatever to address your concerns. Thank you."

Senator Slom rose in support of the measure with reservations and stated:

"Mr. President, I rise to support the bill with reservations.

"First of all, this bill, H.B. No. 451 as originally authored and started out, had to do with premise liability and cases involving public accommodations, particularly restaurants. It was a needed bill and we've punted on this aspect of it. We took S.B. No. 823 and put it in this bill.

"If in fact the Department of the Attorney General would have been doing its proper functions all along, we wouldn't have to be talking about this immunity for the teachers. That's what it's really about. It's about requiring that our agencies that we fund quite handsomely, do the things that they're supposed to do rather than us going out and having to create more laws, hire additional attorneys, and worry about the litigiousness.

"So I welcome the Senator's remarks, the Senator from Moanalua, that he's going to work on the language and so forth. But again, it gets back to the basic point that we're not requiring our agencies to do the things that they are constituted for and that they're funded for.

"Thank you."

Senator Chun rose to speak in favor of the measure and stated:

"Mr. President, I stand in favor of this bill.

"Mr. President, this is not a fictitious situation. At the Committee hearing, I clearly stated that I know of at least two special education teachers who have been sued because of their work with special education students, and the Department of the Attorney General refused – refused, Mr. President – to represent them. This is not an uncommon situation. Our teachers should be free to teach and not be fearful of being sued. The more we continue to have them work under fear, the less they can accomplish for our students.

"Mr. President, this bill is needed. It is not a fictitious situation. It is real, it is happening, and we need to free up our teachers to teach. Thank you, Mr. President."

Senator Ihara then requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, H.B. No. 451, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO LIABILITY," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 1 (Chumbley). Excused, 1 (Taniguchi).

H.B. No. 978, H.D. 1, S.D. 1:

Senator Kanno moved that H.B. No. 978, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsuura.

Senator Slom rose in support of the measure with reservations and stated:

"Mr. President, I rise in support of the measure with reservations.

"Again, this is another one of those bills where we've taken a hind quarter and a snout and put it together. The basis of the legislation was the sexual exploitation bill, something that I think that we were all in favor of. However, the hearings showed opposition from the police department and from the office of the prosecutor in terms of some of the problems of vagueness, enforceability, and the fact that, for example, in this bill there is created a class B felony for one who patronizes a minor in an exotic club and yet a person who patronizes a prostitute is guilty of a petty misdemeanor.

"We have problems throughout our laws now, as the good Senator from Maui has pointed out, in terms of the penalties, and they just don't match the actions. So, while I support the aim to end sexual exploitation, this bill I think is going to create more problems and will be challenged.

"Thank you."

The motion was put by the Chair and carried, H.B. No. 978, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE PENAL CODE," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 1 (Inouye). Excused, 1 (Taniguchi).

Stand. Com. Rep. No. 1522 (H.B. No. 469, H.D. 2, S.D. 1):

On motion by Senator Hanabusa, seconded by Senator Buen and carried, Stand. Com. Rep. No. 1522 was adopted and H.B. No. 469, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO SCHOOL PERSONNEL," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Taniguchi).

Stand. Com. Rep. No. 1523 (H.B. No. 733, H.D. 2, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1523 be adopted and H.B. No. 733, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose in support of the measure with reservations and stated:

"Mr. President, I rise in support of the measure with reservations.

"How can one talk, in any way, in opposition to renaming the UH Rainbow baseball stadium after Les Murakami? Well certainly that's not my purpose to speak against that. My purpose is to show that we have a problem here. We have something that really does not have to be done by legislation or a special bill. We also have a state law that says that public facilities are named after people that have been dead for at least five years, and I think we're sending a very sad message to someone who is very much alive and making a comeback. Thirdly, we have a situation where the University of Hawaii . . . we keep talking about autonomy but we keep putting our fingers into the autonomy. The University should be free to do what it wants to do with its facilities on campus.

"So while I certainly applaud all the things that Coach Les has done, the achievements of the University of Hawaii baseball team, I think we should allow that decision to be made by the University and not by this Legislature. Thank you."

Senator Sakamoto rose to speak in support of the measure as follows:

“Mr. President, I rise in support of the measure.

“Yes, the Legislature moved the measure last Session, or prior, to allow the voters to vote on autonomy, and certainly we were in support of that.

“This measure does not try to undermine that. However, a provision in the Board of Regents’ provisions says, ‘buildings, other facilities, roads, and programs will not be named for living individuals and ordinarily not within five years of a person’s death, except as specifically provided by law.’ It says, ‘except as specifically provided by law.’ So by that, if this passes, should we come to the end of Session and the board of regents does not take independent action to change the name or at least move in that direction, this bill would be a measure that would permit ‘except as specifically provided by law.’

“So by those very words, this mechanism is in their own very words. Hopefully, the University Board of Regents in their wisdom will not require us to pass this measure come the end of Session, but they will entertain the issue and respond positively to a name change so we don’t have to pass this particular measure, Mr. President.”

Senator English rose to speak in support of the measure as follows:

“Mr. President, I rise in support of the measure.

“You know, Mr. President, I shared the same concerns as our good Senator from Hawaii Kai. What I did was I called Mrs. Murakami and asked her about this because I agree that usually when we name something, we’re naming it after someone who has passed on, and I didn’t want the wrong message to be received by their family. So I called Mrs. Murakami and I explained to her and said, ‘Do you know there’s a resolution and now a bill moving that would rename the stadium after your husband?’ I know that in our local custom we’re very, very cognizant of the fact that we don’t want to send the wrong message. In speaking with her, she was very humble, Mr. President, very grateful for us taking this action, and she said, ‘No, Senator, we do not read this in the wrong way and we’re very, very grateful to the Legislature for taking this action.’ That’s what allowed me to support this.

“I just want it to be very clear for the public and for the record that the family is not reading this in the wrong way and they consider this a great honor. Thank you, Mr. President.”

Senator Ihara rose to speak with reservations on the measure and said:

“Mr. President, I have reservations on this bill mainly because there is no acknowledgment of the University’s constitutional autonomy. If this bill moves forward then I would like to request that in the bill or the committee report there be an acknowledgment and statement that this is of statewide concern, and a justification for that.”

Senator Kim rose to speak in support of the measure as follows:

“Mr. President, I rise to speak in support and just to make a note that the Richardson Law School is named after Richardson, and he is still very much alive. So the University has already set precedence of naming buildings or schools after people that are still living.

“Thank you.”

Senator Hogue rose to speak in support of the measure as follows:

“Mr. President, I rise to speak in support of this measure because it absolutely is the right thing to do – to put Les Murakami’s name on the stadium that is his stadium.

“Les Murakami was there at the very, very beginning, literally moving the rocks around the quarry. He was down here at the Legislature doing what needed to be done to get the funds for this very important stadium. His name deserves to be on the outside of that stadium and it deserves to be there right now before the end of this season, which would have been his final season as the head coach of the University of Hawaii baseball team.

“I encourage everyone in this body to send a message to the Board of Regents that we are doing the right thing in naming Rainbow Stadium for Les Murakami because it is very much his stadium.

“Thank you, Mr. President.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1523 was adopted and H.B. No. 733, H.D. 2, S.D. 2, entitled: “A BILL FOR AN ACT RELATING TO THE UNIVERSITY OF HAWAII,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1525 (H.B. No. 1216, H.D. 1, S.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1525 be adopted and H.B. No. 1216, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Hemmings rose to speak in favor of the measure with reservations as follows:

“Mr. President, I rise to speak in favor of the bill with reservations.

“This is a very difficult situation. We are in a severe economic downturn as far as the state budget goes. We have many obligations in the public education system. I don’t think we can afford to bow to the needs of celebrations of this nature when we have more pressing things.

“Of course the easy thing to do would be to sit back and just say yes to everything and hope that the Majority Party comes out with proper solutions at the end of this long Session. Unfortunately, I’m not going to do that. I think this is one of the expenditures we can allow the private sector to assume.

“Thank you, Mr. President.”

Senator Kim rose to speak in favor of the measure and stated:

“Mr. President, I rise to speak in favor.

“Mr. President, this amount of money that’s being asked for is a very small amount of money and we talked earlier about our fragile tourism and our economy. This is a nation to nation celebration, and I have visited with these individuals that are spearheading this up and they are looking at raising \$6 million. So

the matching in this bill is really no problem at all. They expect to bring in hundreds if not thousands of people into our economy as tourists for this celebration.

"We have set precedent where we have given more monies to other nationalities and other ethnic groups throughout the years for such celebrations, and I've always said that we need to be consistent. I've always been one to scrutinize our budget, so if we're going to say no, we should say no to all of them. But if we've said yes, then I believe we need to scrutinize them, and as I said earlier, this is not a large sum and I think the rewards we'll get will be more than beneficial to the money that we will be spending.

"Thank you."

Senator Hemmings rose in rebuttal as follows:

"Mr. President, I rise in a short rebuttal of the previous remarks from the good Senator from Kalihi.

"There is an easy solution to this, Mr. President. I would suggest to the good Chairman of the Tourism Committee that the money be used from the Hawaii Tourism fund, which gets a tremendous amount of money from the hotel room tax. This may be a fine expenditure for them to make so that we can leave this small amount along with the hundreds of millions of other small amount dollars that add up in our budget because of expenditures like this. The positive alternative is to get the money from the Hawaii Tourism Authority and reap the benefits of having the Korean Centennial Celebration conduct their business here in Hawaii to the benefit of everyone.

"Thank you, Mr. President."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1525 was adopted and H.B. No. 1216, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE KOREAN CENTENNIAL CELEBRATION COMMISSION," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Ige).

Stand. Com. Rep. No. 1526 (H.B. No. 1391, H.D. 1, S.D. 2):

On motion by Senator Taniguchi, seconded by Senator Hanabusa and carried, Stand. Com. Rep. No. 1526 was adopted and H.B. No. 1391, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE ARTS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Ige).

H.B. No. 1233, H.D. 1, S.D. 2:

Senator Taniguchi moved that H.B. No. 1233, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Nakata rose and said:

"Mr. President, I have a conflict of interest on this. The agency that I work for receives funding from the Office of Youth Services and this bill contains an appropriation to that agency, so I will be stepping off the floor. Thank you."

At 2:14 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 2:17 o'clock p.m.

The motion was put by the Chair and carried, H.B. No. 1233, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO YOUTH SERVICES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Ihara, Nakata).

H.B. No. 171, H.D. 1, S.D. 2:

On motion by Senator Taniguchi, seconded by Senator Hanabusa and carried, H.B. No. 171, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO PUBLIC EMPLOYMENT," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Ihara).

Stand. Com. Rep. No. 1532 (H.B. No. 432, H.D. 2, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1532 be adopted and H.B. No. 432, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, I would just want the record to record I'll be voting 'no' on this appropriation.

"I think the private sector needs enticements, not being underwritten. Thank you."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1532 was adopted and H.B. No. 432, H.D. 2, S.D. 2, entitled: "A BILL FOR AN ACT MAKING AN APPROPRIATION FOR THE MILLENNIUM WORKFORCE DEVELOPMENT PROGRAM," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 3 (Hemmings, Hogue, Sлом). Excused, 1 (Ihara).

Stand. Com. Rep. No. 1534 (H.B. No. 269, H.D. 1, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1534 be adopted and H.B. No. 269, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Chumbley rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this measure.

"Mr. President and colleagues, while I agree with the majority of the provisions of this bill, I think that there is a poison pill to be found on page 25, section 11. This section repeals 201B, HRS, which is the authorizing statute for the Hawaii Tourism Authority, effective on June 30, 2003.

"I think that this significantly undermines the attempts of HTA in troubling times where they've already said that the tourism forecast for our state is going to be down. To have this hanging over their head and to go out into the marketplace and work with travel agents and publications and others who market as partners with the HTA, knowing that if this passes there is this provision that will mysteriously sunset them in two years, I

think that creates bad faith on our behalf, the HTA's behalf, and puts a poison pill into this state's number one visitor industry issues.

"Thank you."

Senator Kim rose to speak on the measure and said:

"Mr. President, I don't believe this is a poison pill. I look at it more as a diuretic to clean it out and make sure that we start fresh and new. Thank you."

Senator Slom requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1534 was adopted and H.B. No. 269, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO TOURISM," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 17. Noes, 8 (Chumbley, Chun Oakland, Fukunaga, Hogue, Ige, Ihara, Inouye, Matsunaga).

Stand. Com. Rep. No. 1535 (H.B. No. 695, H.D. 1, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1535 be adopted and H.B. No. 695, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to the bill.

"This is a bill that has to do with the small business lessees at Kapalama and the proposed move from one business in Kakaako. Everything in this bill raises questions and the questions have not been answered satisfactorily. The whole bill is premised on the Governor's getting his fish tank and other construction in Kakaako, and that may or may not happen. It probably will not happen, in which case, we don't have to displace the 17 businesses in Kapalama that are presently there on month-to-month tenancies.

"The Department of Transportation, HCDA, and DLNR, all of which were supposed to be working with the tenants to help them relocate, have not until very recently made any attempt whatsoever to do that. I understand that even if the bill does not pass, they still are in jeopardy because of a month-to-month tenancy.

"I think we ought to take a hard look as to the proper use of state lands and to the proper treatment of those people that are lessees. The argument was made that they knew what they were getting into, the small business lessees, and that they were paying less than what could be gotten for the land. Well that's not true, because the state was not able to get anybody to go into that land and to use it. Some of these lessees have made improvements and they should at least be given the right to have help in terms of relocating.

"We've done an abysmal job, particularly the HCDA, in the past of trying to relocate displaced businesses, so I'm registering my objections on this bill.

"Thank you."

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, I rise to speak against this bill.

"The prior speaker, the good Senator from Hawaii Kai, mentioned the state mismanaging state lands. I think a point that needs to bear consideration is that this shouldn't even be state lands. Back in the '80s, President Reagan was divesting remnant lands from federal ownership and this land was up for grabs. The private sector wanted to come in and acquire it for maritime use in and about the harbor area, but the state stepped in and paid, in my opinion, an inflated price for it, acquired the land, has been misusing it since, and it has become a liability. Not only is it a liability for the 17 potential displaced lessees, but it's also a liability for all the taxpayers who have been underwriting the mismanagement of this land when the private sector could have easily stepped in and turned what is now land liability into an asset.

"Secondly, regarding what is the real intent of this effort, it's political, I believe, to replace 17 hard working small businesses with one favored business because that business is being moved out of Kakaako to the benefit of what could be a foolhardy project there.

"So, Mr. President and colleagues, one mistake followed by another leads to a liability for everybody, most especially the taxpayers who are underwriting this and the small lessees of this particular area who are going to be left with no place to hold their business and they'll lose many thousands of dollars in capital improvements they've put into their small businesses. This is bad legislation that hurts the economy.

"Thank you, Mr. President."

Senator Chun rose in support of the measure with reservations and stated:

"Mr. President, I stand in support of this bill with reservations.

"Mr. President, both in the Water, Land Committee and also in Ways and Means, my concerns were focused on one thing and one thing only – and that is, Why are we treating the month-to-month tenants differently than we're treating the other lessees? I asked for a public policy as to what was the public policy behind that determination that they, meaning the state, want to force upon us, the legislators. I got no answer. I didn't get any answer in Water, Land. I didn't get any answer in Ways and Means.

"What they're trying to do is they're trying to place the blame of their inability of finding replacement leases for these month-to-month tenants and put the blame of their inability on us, the legislators. And without a valid public policy of why we should do that, I will not, and cannot support that.

"The other parts of the bill, I think, are valid and should go forward, but until that question is answered, we need to be very concerned about having a public policy statement made to protect the administration and their inability to provide services and relocation assistance.

"Thank you, Mr. President."

Senator English rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this measure.

"Mr. President, you know the law of unintended returns is all around us. This particular bill, if you go to page 7, section 5,

line 4, talks about dislocated lessees. In describing this it says, 'Dislocated lessee means any lessee engaged in commercial industrial uses who has been or will be displaced.' Then it strikes out some language, 'By the State or any County by the power of eminent domain, or threat thereof, from property which is being acquired or already owned by the State or any County.'

"Now, this would apply universally, and if this does, then let's take the county of Kauai that may have some land that it's leasing out and it needs to use it for something. Suddenly, this law would kick into effect. So the unintended returns of this affects the counties and other state leases. And you know, Mr. President, the bottom line is that if you have a month-to-month lease, it means simply that. That you're renting a piece of property for thirty days and the owner of the property can ask you to leave anytime.

"So, to be fair, I cannot support this because it creates a very special exception for one group of properties. Thank you, Mr. President."

Senator Matsunaga requested his vote be cast "aye, with reservations," and the Chair so ordered

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1535 was adopted and H.B. No. 695, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO DISPLACED LESSEES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 20. Noes, 4 (English, Hemmings, Hogue, Slom). Excused, 1 (Ige).

At 2:28 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 2:33 o'clock p.m.

Stand. Com. Rep. No. 1539 (H.B. No. 1662, H.D. 1, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1539 be adopted and H.B. No. 1662, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this bill.

"A month ago, we all received copies of a report from the Legislative Auditor that talked about the growing power of the executive branch in our state government. The executive branch in the State of Hawaii government is more powerful than any of the other 49 states. One of the reasons for that is because it seems that the Legislature keeps punting or deferring its responsibilities to the executive branch, and the executive branch is very happy to take it over.

"Everybody is now bowing at the altar of high technology in the State, so we have a high technology guru and head who so far has given us the worm virus. What this bill would do is to quantify even more power in the office of the Governor in terms of selectivity for certain high tech companies, the issuance of bonds, and so forth. I think that it is going to reduce accountability and responsibility from the legislative body and that's why I oppose it.

"Thank you."

Senator Tam rose to speak in support of the measure as follows:

"Mr. President, I'm in support of this bill.

"Basically, the bill does two things:

1. Appropriates funds for technology marketing and promotion, bio-technology development, and high technology capital improvements; and
2. This bill also clarifies that the Legislature's approval is required before the issuance of any special facility revenue bonds.

"Thank you."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1539 was adopted and H.B. No. 1662, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE HIGH TECHNOLOGY DEVELOPMENT CORPORATION," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Stand. Com. Rep. No. 1542 (H.B. No. 87, H.D. 2, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1542 be adopted and H.B. No. 87, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, I rise to speak against this bill.

"Government is driving both parents out of the home and into the workplace, thus creating a need to take care of our children. Unfortunately, government does not make a good parent. I'm voting against this bill in hopes that we in the future can return control of our family's destinies and welfare to families and not to government agencies and programs.

"Thank you, Mr. President."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1542 was adopted and H.B. No. 87, H.D. 2, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO FAMILY SUPPORT CENTERS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Stand. Com. Rep. No. 1543 (H.B. No. 632, H.D. 3, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1543 be adopted and H.B. No. 632, H.D. 3, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this bill.

"This is a bill that has to do with the licensure of home and community based care and management agencies with the Department of Human Services.

"The Department of Human Services has indicated or has shown in the past its inability to work with these care home operators. Right up until the hearing that we had just the other day, there was still dissension and, from my standpoint, an inability for this department to work with these small businesses, so I'm casting a 'no' vote.

"Thank you."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1543 was adopted and H.B. No. 632, H.D. 3, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO HUMAN SERVICES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 4 (Hemmings, Hogue, Menor, Slom).

Stand. Com. Rep. No. 1545 (H.B. No. 513, H.D. 1, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1545 be adopted and H.B. No. 513, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senators Slom, Hemmings and Hogue requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1545 was adopted and H.B. No. 513, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE RELIEF OF CERTAIN PERSONS' CLAIMS AGAINST THE STATE AND PROVIDING APPROPRIATIONS THEREFOR," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

At 2:37 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 2:38 o'clock p.m.

Stand. Com. Rep. No. 1546 (H.B. No. 143, H.D. 1):

Senator Taniguchi moved that Stand. Com. Rep. No. 1546 be adopted and H.B. No. 143, H.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of the measure with reservations.

"This is one of those bills that will increase the cost to the taxpayers and increase the cost to the Legislature. It is, however, specific to per diem, which our neighbor island Legislators receive.

"The increase is from \$80 to \$120 per day for food and lodging, air travel, car expenses, and registration fees if applicable or handled separately. Certainly, we are in a unique situation here where it is a hardship for neighbor island Legislators and there should be a fair and reasonable per diem. But I think again when we're looking at the overall picture of costs and everything else, that we should be prudent in how we raise those rates and maybe this is not the appropriate amount to raise it.

"Thank you."

Senator Hogue rose in support of the measure with reservations and stated:

"Mr. President, I also rise in support of this measure with reservations.

"I don't live on the neighbor islands so I really can't speak to that particular issue, but I want to talk about the fact that air travel, car expenses, etc., for out-of-state travel will be rising from \$130 to \$195 a day.

"Essentially, it appears, at least to the taxpayers, that we're giving ourselves a raise for out-of-state travel. I don't think this is the type of message that we want to send. If that means that we have to stay in budget hotels, then so be it.

"Thank you."

Senator Hemmings requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1546 was adopted and H.B. No. 143, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE LEGISLATURE," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1550 (H.B. No. 1256, H.D. 2, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1550 be adopted and H.B. No. 1256, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Inouye rose to speak in support of the measure as follows:

"Mr. President, I speak in strong support of H.B. No. 1256, S.D. 1, Relating to Beverage Container Deposit Systems.

"The purpose of this measure is to institute a beverage container fee program to promote recycling of glass, aluminum, and plastic beverage containers by placing a refundable fee on all non-dairy beverage containers.

"Litter is a problem in Hawaii and is an eyesore for residents and visitors alike. Litter spoils our scenic vistas and degrades our quality of life. Switching to refundable bottles is one strategy that has been effective in other states in limiting the number of beverage containers that are casually discarded on the ground instead of being properly disposed of.

"Sometime ago, Hawaii state law established a goal to recycle 50 percent of the waste stream by the year 2000. Today, the current statewide recycling rate is 24 percent and falls far short of that objective.

"Without the benefit of a container deposit system, it is estimated that existing drop-off systems in the state are already capturing 20 percent of available recyclable materials. In contrast, container deposit systems operative in 10 states around the country achieve 80 percent recovery on average.

"The Hawaii program most closely resembles the Alberta, Canada system that has a redemption rate of 80 percent for the last few years. At an 80 to 90 percent return on the containers, the state should have sufficient funds to cover its costs.

"Besides enhancing recycling, a container deposit program will significantly reduce litter as beverage containers currently account for 40 to 60 percent of our community's litter.

"Container deposit systems create jobs, and help to reduce the costs of disposal, recycling, and litter cleanup, which is currently being paid for by local government and taxpayers.

"Also, Hawaii's tourist industry would benefit from an improved environmental image with cleaner roads, parks, beaches, and visible demonstration of our local commitment to keep Hawaii a paradise.

"Though this bill has a defective date and a blank refundable fee, this bill should go forward for further discussions in Conference, and I urge my colleagues to please support passage of this bill and keep Hawaii's environment clean.

"Thank you."

Senator Hemmings rose to speak on the measure and said:

"Mr. President, this bill supports a concept that I think we all sympathize with and it's working effectively, the concept, in other states. However, those states do not have a punitive economic environment like Hawaii's.

"I believe there is a way to have the best of both worlds – to have a meaningful bottle clean-up bill that would keep the environment clean from this pollution without putting additional strain on the small businesses. I'm hoping that leadership and the committees concerned will amend this bill to do just that.

"Thank you, Mr. President."

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to the bill.

"While I certainly support and practice recycling, and do not oppose the idea of a bottle bill per se, this is certainly more than that. This is a bill that is extremely broad, and will negatively impact businesses, particularly small businesses.

"I think one of the things that really creates a problem for me is, in addition to the deposit fee, there is the two cent fee which goes to the state. That two cent fee, which is a tax, it's a new tax, is held at two cents only for the first five years, and then we would see that perhaps that would rise to four cents, six cents, whatever.

"There are also requirements in there for the creation of redemption centers and additional costs and paperwork for businesses. One has to ask the question, What happens with little leagues and schools and other activities where they sell containers? Do they become involved as a dealer and do they, too, have to have redemptions? There are a lot of questions that are unanswered in this bill and it goes far beyond the scope of just recycling.

"As to the problem of litter, we have had this problem for quite some time. We have laws against littering. Many people have shown that the laws in fact are not enforced. This is not the way to go – to penalize everyone, the consumers and small businesses, to try to get that problem and to encourage recycling. In fact, we've had hearings over the years. People that have been in the recycling business in glass, in cans, and bottles, have come in and told us what they need, and what they

basically need is an improvement in this business climate, not additional costs and a new tax.

"Thank you."

Senator Tam rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to vote in favor with reservations.

"I'm in favor in terms of litter control, fellow colleagues, but my only concern is that by giving incentives in terms of a dollar return basis would not encourage people to dispose of litter properly.

"What is needed in addition to this bill is an educational emphasis in terms of conservation. Our litter programs in the schools only work because there's education involved where the students believe in the litter program. The dollar figure does not really account for in terms of people disposing of litter properly.

"Thank you."

Senator Chun rose to speak in favor of the measure and stated:

"Mr. President, I rise in favor of the bill.

"Mr. President, I am in favor of recycling. I am favor of this bottle bill. However, I am concerned that we need to look at the bigger picture of recycling – and that is, What do we do with the end product? Once we have the bottles, once we have the cans in the recycling centers, what do we do with them? Where do we deposit them? How do we dispose of them?

"It is true that the recycling centers or redemption centers will have to be licensed by the Department of Health as solid waste facilities. However, that doesn't answer the question, Where does it go? The only benefit, Mr. President, of recycling is (1) either we can reuse the things that we want to recycle; or (2) we can dispose of them without landfilling, which is another environmental problem. We have not addressed that question. I think as we go on and discuss this issue, we need to look at what the end use of this product will be.

"This is not the end but it is a beginning, and that's why I support the bill, Mr. President."

Senator Buen rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor with reservations on this bill.

"I do support recycling and supporting the environment in keeping it clean. I am happy to see that there is a blank amount in the bill with a defective date. However, I am concerned about the economic negative impact to the businesses, and so I'm supporting it with reservations."

Senator Ige then requested his vote be cast "aye, with reservations," and the Chair so ordered.

Senator Hogue rose to speak in support of the measure as follows:

"Mr. President, I rise in support of this measure.

"I just wanted to bring this up in front of this body . . . I've lived in other states where they had similar measures like this. I

have seen it work, and I have seen areas really cleaned up. I have seen that those economies there can advance themselves.

"Yes, there are some flaws in this particular bill, but we don't need to reinvent the wheel. We can look to other states that have similar measures and can find out how they've been able to put this in place.

"I think there is a stronger statement that could be made here – and that is, I believe that this body, this Senate, can send a strong statement to the entire State of Hawaii that we must do more to clean up our state, to make it a beautiful place, to clean up our environment. We can do that through public relations, through education. We have a beautiful place in which we live. We need to take care of it much, much better.

"Thank you very much, Mr. President."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1550 was adopted and H.B. No. 1256, H.D. 2, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO SOLID WASTE MANAGEMENT," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Slom).

Stand. Com. Rep. No. 1551 (H.B. No. 135, H.D. 2, S.D. 1):

Senator Kanno moved that Stand. Com. Rep. No. 1551 be adopted and H.B. No. 135, H.D. 2, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Chun.

Senator Hogue rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this bill.

"As a parent of four children I think I already told you this the last time we talked about this measure. It just puts too much of a strain on any parent, I believe, who would try to put all of his kids in child restraint seats in a car and get anywhere.

"I wanted to advance that discussion, if I could just a little bit, because I have seen what has happened to child restraint seats after a couple of years. It's amazing the things children will do to these child restraint seats -- they get filthy, they're disgusting, they smell, they fall apart, they are horrible. I'm not talking about children now; I'm talking about the child restraint seats.

"So unless this measure would add a provision to check the safety and viability of car seats, it certainly would not go far enough. The only thing this bill is good for is the child car seat industry, and I will vote 'no.'

"Thank you."

Senators Kim and Hemmings requested their votes be cast "aye, with reservations," and the Chair so ordered.

Senator Chumbley rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition of this measure.

"It's difficult to stand here and oppose something that, on the surface of it, seems to make a lot of sense – and that's protecting our children. However, the way this bill is drafted, it's going to be very problematic and there are tremendous concerns with this.

"For those of you colleagues who haven't been here through some of the years of debates surrounding this issue, when children age three were required to be in a child's safety seat, it was a very contentious and difficult debate to raise it to age four, one year. You can compare this, if you want, to something like age of consent as we're talking about 14, 15, 16, and what's the right age.

"All of a sudden, in this bill, we're doubling it from age four to age eight. Is that capricious or arbitrary? How do we come up with age eight? I'm sure that the safety council and the good Chairman of the Committee can cite numerous studies that say maybe age eight works, maybe age seven works, maybe age four is the right age, maybe it should stay the way it is.

"I think that what we're doing here is taking some of the responsibility away from parents. If you have a young couple with three or four children, and a small car, how are they going to put all of these child safety seats and these booster seats into a car? It's going to be extremely difficult. But shouldn't that parent take the responsibility if they feel that's the right thing to do? Here we go, government telling them that if you're under 80 pounds and you're 7¾, you've got to be in that safety seat, or the booster seat. I don't think that's appropriate.

"The second part of this bill, which we have failed to bring up to this point, is that in the last committee under jurisdiction of this bill, it was amended. The child age limits of riding in the back of a pickup truck, which has been age 12 (so if you're 13 and above, you can ride in the back of a pickup truck), was amended to say now it's 17 years and above. So you've got to be age 18 to ride in the back of a pickup truck. When we had this debate, we went through the same contentious, difficult discussions and it took years to even implement it at that age of 12. Maybe there were some deaths during that time and those deaths should have been avoided by personal responsibility. But by raising it to age 17, it's going to have a negative effect to families who can't afford a second car, who only have a truck for their vehicle, who on the neighbor islands don't have public transportation. This is something that just goes too far and I want to urge everyone's caution as you look at this.

"Opposing this bill doesn't mean that you're opposed to safety. But there's got to be some balance in what we do and some thought to it, and I think both of those are lacking in this bill. Thank you."

Senator Kawamoto rose to speak in favor of the measure and stated:

"Mr. President, I rise in favor of this bill.

"Mr. President, again, as the previous speaker said, this is a concern of safety. I don't stay up at nights thinking of all these bills as many of you may think I do. (Laughter.) They come from people that are really sincerely concerned about the safety of our young people. This came from KIPC. As far as the booster seat, it's not seatbelts, it's a booster seat for young people because they say the seatbelts are dangerous in itself for a younger child.

"As far as the pickup trucks, we had one death this year, a 16-year-old. But my concern to this one was that, as we held signs out for candidates that were running for election this past year . . . Waipahu now has the soccer mecca of the State. We have a stadium. We're going to get 30 soccer fields with young people from Hawaii Kai, Waimanalo, and Waianae. Nine times out of ten, the cars that go down Waipio Access Road are full of young people behind the pickup trucks. Let me tell you, Waipahu Access Road is not the best road in the world and only

a slight bump could eject two or three of the six that are riding in the back of the pickup trucks.

"I'm not saying Texas has the best laws in the world, but in Texas, it's a violation to have a dog in the back of the pickup truck.

"Ladies and gentlemen, when we started the pickup trucks a while ago as the Senator from the Maui and Kauai canoe district has indicated, we went into a lot of discussion on the age, and we finally came up to 12. This year, the opportunity arose that we could again look at the age. We feel as though raising it up to 17 is the proper thing to do, so I urge my colleagues to vote 'aye' on this bill.

"Thank you."

Senator Matsunaga rose to speak in opposition to the measure and stated:

"Mr. President, I request a ruling on a potential conflict. Mr. President, I have a daughter age 7 and a daughter age 4 who'd be directly affected by this measure. (Laughter.)

"Mr. President, I rise in opposition to this measure.

"Mr. President, first let me state that I commend the Chair of the Transportation Committee. I have no reason to doubt his statement that he does not stay up nights thinking about these measures. What I do have some concerns with is the overreaching and broadness of this bill.

"I think this bill would have a chilling effect on reasonable carpooling as we know it now in our State. As the father of a 7-year-old, and many of you have young children too, I realize that my daughters are going to many different events. Whether it's the girl scouts, whether it's martial arts, soccer practice, hula lessons, or the very young Democrats meeting, they're carpooling. Mr. President, I know you can sympathize with me because you and I drive the same type of car – a four-door sedan where we could only fit two booster seats in the back. We can't put any children in the front seat because of airbags, so if I have my two daughters in the back seat, I would not be able to take any of their friends to the very young Democrats meeting.

"Mr. President, as a result, what you're going to have is you're going to have more cars on the road, you're going to have more traffic, you're going to have more exhaust in our environment. Mr. President, I would urge all my colleagues to vote 'no.'

"I would like to add one thing to the statement made by our good center of the Senate basketball team. He stated that there's nothing more disgusting than a child car seat, but I would propose that there is something more disgusting, and that's underneath the seat when you take the seat out.

"Thank you, Mr. President."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1551 was adopted and H.B. No. 135, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CHILD PASSENGER SAFETY," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 16. Noes, 9 (Chumbley, Hemmings, Hogue, Ige, Ihara, Matsunaga, Matsuura, Menor, Slom).

At 2:59 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 3:02 o'clock p.m.

At this time, Senator Slom rose on a point of personal privilege and said:

"Mr. President, I rise on a point of personal privilege.

"During the recess, I did huddle with my colleagues here and I wanted to assure the good Senator from Palolo that we have enough automobile power here to pick up all the little children and take them to the not-so-young Republican meetings so that they will be safe and sound and they will get a proper grounding on the overreach of government. So, you can see us after the Session, Senator.

"Thank you, Mr. President." (Laughter.)

Senator Hemmings then rose on a point of personal privilege as follows:

"I rise on a point of personal privilege, Mr. President.

"I'd like to clarify my vote on Stand. Com. Rep. No. 1550, H.B. No. 1256 and Stand. Com. Rep. No. 1551, H.B. No. 135. Mr. President, when I spoke, I spoke with reservations with the intent of voting 'no.' I wish the clerk to record my intent, which was 'no' votes on those measures. Thank you, Mr. President."

The Chair so ordered.

Stand. Com. Rep. No. 1552 (H.B. No. 1016):

On motion by Senator Kanno, seconded by Senator Matsuura and carried, Stand. Com. Rep. No. 1552 was adopted and H.B. No. 1016, entitled: "A BILL FOR AN ACT RELATING TO THE MEMBERS OF THE BOARD OF EDUCATION," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

H.B. No. 771, H.D. 1, S.D. 1:

On motion by Senator Kanno, seconded by Senator Matsuura and carried, H.B. No. 771, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CRIME," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

H.B. No. 1211, H.D. 1, S.D. 1:

On motion by Senator Kanno, seconded by Senator Matsuura and carried, H.B. No. 1211, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO FIREARMS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, 1 (Slom).

H.B. No. 1245, H.D. 1, S.D. 1:

Senator Taniguchi moved that H.B. No. 1245, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this bill.

"This bill of course was the classic bill of raiding of special funds. While the purpose is noble and we certainly want to stand with the Ways and Means Chairman to appropriate funds for the resolution, the successful resolution of the teachers strike and so forth, we cannot keep doing this. We cannot keep creating special funds that are not special and are not earmarked and not guaranteed and then dumping them when we please and put them in the general fund. That's what this bill does.

"When we have testimony before Committees saying, for example, that we have to fix our parks and then we raid the money from the parks fund and then we try to raid money from the transient accommodations fund or the tourism fund to pay for parks, it just doesn't make sense and it shows that we do not have a coherent budgetary or fiscal policy. We've got to stop doing this. It's got to stop somewhere, Mr. President, and that's why I'm voting 'no,' not because I'm opposed to the objective of the bill or the beneficiaries of some of the actions of the bill.

"Thank you."

Senator Sakamoto rose to speak on the measure as follows:

"Mr. President, sometimes you're very quick at the trigger and I was going to make a comment to the previous speaker's remark.

"To the comment on special funds, Senator, I would rather have special funds than have each of the proponents and opponents of every single good thing that is listed in special funds to come before us each year and to have measures flying back and forth in this body saying we need two cents for that and eighteen cents for that, and blank amounts for that.

"Special funds were set up for a purpose. Unfortunately, some of the amounts in the special funds, either when the funds were first set up or as the funds moved along, are not the appropriate amount. Using some of the excesses is a good, fiscally responsible thing. If you set aside money for car seats, for your Democratic Party rallies, or for Republican old folk homes, and there's too much money in the reserve account, you change it and use it for a better purpose.

"So, I applaud the Chair for using the money for a better purpose such as education and meeting the current obligations of our State."

Senator Slom rose to respond as follows:

"Mr. President, I rise to respond to the good Senator from Moanalua who made his remarks not in the Journal but on this Senate Floor, Mr. President.

"With all due respect to the good Senator, first of all, in this bill . . . I didn't even have a chance because I wanted to be brief. I wanted us to be out of here for dinner or late evening. It also raided the rainy day fund, the emergency fund. The whole purpose of that fund was to talk about emergencies, and now we redefined what emergencies are. We're redefining what the purposes of the special funds are.

"Those special funds that we create in this Legislature are for a specific purpose, and we're told because we need to allocate the money and earmark the money to do that, and then we know full well we're not going to do that. That's dishonest. It is not good accounting. It is not good fiscal procedures. It's not just my opinion. We can look at the tax foundation. We can look at other people that have looked at this procedure. It is a way of

hiding funds and disguising it from the public. And would I like to have everybody come in and ask for their two cents here and fifty cents there? You bet I would, because what we need is more of an open process.

"We do too many things behind closed doors and we lump everything together, and legislators and the public cannot find out exactly what we're doing. That's part of the problem right now. So if we're going to be fiscally responsible, we've got to first of all be fiscally honest. And if we're saying that we're putting funds away, and then we find out that we have too many funds, that means that we've overtaxed and over-regulated the people to get those funds there in the first place.

"Let's keep it clear, and simple, and open, and let's discuss it on that basis. Thank you, Mr. President."

Senator Sakamoto rose and said:

"A short follow-up, please.

"Mr. President, when I left my home this morning, it was raining on me and the teachers, Mr. President."

The motion was put by the Chair and carried, H.B. No. 1245, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE STATE BUDGET," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Stand. Com. Rep. No. 1558 (H.B. No. 407, H.D. 1, S.D. 1):

On motion by Senator Taniguchi, seconded by Senator Hanabusa and carried, Stand. Com. Rep. No. 1558 was adopted and H.B. No. 407, H.D. 1, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE GENERAL EXCISE TAX," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1560 (H.B. No. 554, H.D. 2, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1560 be adopted and H.B. No. 554, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this bill.

"This bill gives the Hawaii Community Development Authority the ability to issue special facility revenue bonds for what they deem to be eligible projects. Again, we have seen that the Legislature, I think, is not taking full responsibility for the accountability of fiscal measures and I oppose this.

"Thank you."

Senator Tam rose to speak in favor of the measure and stated:

"Mr. President, I stand in favor of H.B. No. 554, H.D. 2, S.D. 2.

"The bill provides for special facility revenue bonds for an ocean science center, a multi-cultural village and ocean park in the Kakaako Community Development District.

"This bill embraces the development of a community involving state land for local community family usage.

"I thank the various community groups at the public hearings on their visions beyond that of Governor Cayetano's limited vision.

"Thank you."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1560 was adopted and H.B. No. 554, H.D. 2, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE HAWAII COMMUNITY DEVELOPMENT AUTHORITY," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

H.B. No. 815, H.D. 2, S.D. 1:

On motion by Senator Menor, seconded by Senator Matsunaga and carried, H.B. No. 815, H.D. 2, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO GASOLINE DEALERS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1563 (H.B. No. 173, H.D. 2, S.D. 2):

Senator Menor moved that Stand. Com. Rep. No. 1563 be adopted and H.B. No. 173, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Matsunaga.

Senator Inouye rose to speak in support of the measure as follows:

"Mr. President, I am in support of H.B. No. 173, S.D. 2, Relating to Renewable Energy Resources.

"This bill establishes goals for electric utility companies to implement renewable portfolio standards, which include a minimum percentage of renewable energy resources or energy efficiency programs within their overall resource portfolio. It also provides net energy metering for eligible customer generators.

"Mr. President, production of energy from locally available sources has long been a state objective, and instituting a renewable portfolio standard has been identified as the single most effective means of accomplishing that and Hawaii's other energy objectives.

"The recently completed analysis have confirmed that a standard of 10.5 percent by the end of 2010 would be reasonable and cost effective. Analysis also shows that such a standard is not likely to result in increased costs and could very well reduce costs to taxpayers through decreased reliance on imported oil.

"Though I'd like to see the stronger language in S.D. 1, this measure should move to Conference for further discussion. H.B. No. 173 also contains language on net energy metering. Net energy metering would support Hawaii's energy objectives by encouraging the use of renewable energy through the diversification of our net energy sources, reduction of the need

for imported oil, support of local businesses, and reduction of pollution and greenhouse gas emissions. To date, net energy metering legislation has been enacted in 30 other states.

"Mr. President and members, I urge everyone to support this measure. Mahalo."

Senator Hemmings rose to speak in favor of the measure and stated:

"Mr. President, I rise to speak in favor of this bill.

"Mr. President, someday I think we'll realize that this bill's time has come and this will be a real sleeper for the future well-being of this state. I want to recognize the good efforts of the Chairman of the Water, Land, Energy, and Environment Committee in her bipartisan effort to have our state be weaned from fossil fuel energies.

"If nothing else, Mr. President, we saw, from the visitor we had in your caucus room this afternoon for lunch, the vivid illustration of the energy problems our country is facing by being over-dependent on fossil fuels and not managing our energy resources correctly. The State of Hawaii should have been, many years ago, the petri dish for energy diversification and the scientific development of other ways to power our day-to-day lives.

"We have the tremendous blessings of nature that could help diversify our energy sources. We have on the Big Island, everything from wind to solar energy and of course the geothermal wells at Puna. We have tremendous technologies developing with fuel cells. Someday, we may have houses and cars totally independent of outside fossil fuel needs by being independent with fuel cells.

"This bill is a small step in the right direction. I regret it's so late in coming, but it is a step in the right direction. I applaud the Committee Chair who has been at the forefront of developing this process. If anything this Legislature could be proud of this Session, it would be taking a step towards energy self-sufficiency, and this bill is a step in that direction.

"Thank you, Mr. President."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1563 was adopted and H.B. No. 173, H.D. 2, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO RENEWABLE ENERGY RESOURCES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1565 (H.B. No. 202, H.D. 1, S.D. 2):

Senator Menor moved that Stand. Com. Rep. No. 1565 be adopted and H.B. No. 202, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Kanno.

Senator Hogue rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of this bill with reservations.

"It's a two part bill. The first part has to do with clean claims. I really don't have a big problem with the clean claims provision. However, there was a rather interesting quote from HMSA in this bill. When it was talking about this bill in Committee, HMSA has received 'no complaints from

participating providers with respect to this law.’ So I’m not sure if it’s needed.

“Then later, there was an amendment, and this part two is where the problem is because it was tacked on after the bill crossed over. This part attempts to add another well-intentioned, mandated health insurance benefit. And that could drive up costs exponentially to businesses. Besides that, it goes beyond the spirit of the law, if not the letter of the law, because it would enact new mandated benefits without first getting the approval of the legislative auditor.

“I certainly hope that we will look at this second provision before it goes any further, and that’s why I’m voting with reservations. Thank you.”

Senator Slom rose to speak against the measure as follows:

“Mr. President, I will be voting ‘no’ on this bill, precisely because it is another mandate and precisely because it does extend existing benefits.

“Certainly we should have mental health parity and we should have parity for all of the other health provisions as well, but this bill does not really do that. The mandates are going to be costly, and they are not going to be fair to all concerned.

“Thank you.”

Senator Chumbley rose in support of the measure with reservations and stated:

“Mr. President, I rise to speak in support of the measure with reservations.

“During the Committee hearing, we had a very spirited debate. Towards the end of the hearing when the Chairs made their recommendations, the good Senator from Kauai had brought up a point about the drafting of the bill and the potential conflict that it does not address and exempt out those Felix services as the parties had intended. I do want to continue the discussion on this measure, but I do have very serious concerns about the mandate on business to expand this coverage and also the drafting of the bill.

“Thank you.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1565 was adopted and H.B. No. 202, H.D. 1, S.D. 2, entitled: “A BILL FOR AN ACT RELATING TO HEALTH INSURANCE,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Slom).

Stand. Com. Rep. No. 1568 (H.B. No. 271, H.D. 1, S.D. 1):

Senator Menor moved that Stand. Com. Rep. No. 1568 be adopted and H.B. No. 271, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator English.

Senator Hogue rose to speak in opposition to the measure and stated:

“Mr. President, I rise to speak in opposition to this bill, and also I will rise in support of the good Senator from Maui, who I’m going to read some of his testimony.

“Currently, we prohibit paying car rental agency employees any compensation for so-called collision damage waivers or CDWs when they go to the car rental agency. We enacted the

current law because, as the good Senator from Kahului, Maui so eloquently and passionately pointed out in our CPH Committee, these companies practice abusive, hard sell tactics with these highly profitable add-ons.

“The normally soft-spoken Senator told us, if you tried to refuse the CDW, the employees wouldn’t take no for an answer. They keep on asking you again and again. If you persisted in declining, they’d walk you out to the car and make you stand there as they slowly inspected the rental car for every single ding and scratch on it. And then sometimes they still wouldn’t take no because they would put it in anyway and hope you wouldn’t notice.

“The rental car companies would have you to believe that those bad old days are gone and they’d only evaluate their employees ‘indirectly, rather than directly, for the profits brought in by CDWs.’ Well, it really doesn’t matter whether they evaluate their employees directly or indirectly. If the employees get paid for these add-ons, they will push the poor Senator from Maui beyond reproach.

“So therefore, Mr. President and colleagues, because the CPH Committee not only stands for commerce but consumer protection, I urge you to follow the strong, passionate words of the Senator from Maui and vote this measure down.

“Thank you.”

Senator English rose in support of the measure with reservations and stated:

“Mr. President, I have to say . . . Mr. President, this is a very difficult one for me because I will support this measure with extreme, extreme reservations and here is why.

“This is something that is very distasteful to me, and I do not like the way that the industry does this. But, in our jobs as Legislators, we have to sometimes look at the merits of things, despite our own personal dislike for it. And that’s what I did here. I looked at this very carefully, and I have an extreme – extreme – reservation about voting. It’s almost no. The ‘n’ is being formed . . . NNNNN . . . yes, all right. But I see enough movement, Mr. President, between the DCCA and Catrala, the industry’s lobby group, that I think this can be worked out.

“Now, I can tell you that the lobby group went so far as to have a couple hundred faxes sent to me from workers saying that they’re being paid minimum wage and that this will give them more money, which then leads me back to the original argument. Because if they were being indirectly compensated for this and it’s not a direct commission, then why are these people who are being paid minimum wage, which hopefully we will raise, so passionate about this commission, unless they will be paid directly?

“So, the lobbyist Catrala maybe did such a good job that maybe I may step over the line. Nonetheless, I’ll support the Chair on this because I think they’ve made enough of a good faith effort to move it forward. But I thank the Senator from Kaneohe for so eloquently quoting me in Committee.

“Thank you.”

Senator Chumbley rose to speak in opposition to the measure and stated:

“Mr. President, I feel compelled to rise to speak in opposition to this measure.

"The good Senator from Kahului, if he only used his American Express card, would not have to worry about it, because when you use the American Express card to rent a car, you're covered with CDW. So now everyone knows the secret.

"Mr. President, I, too, received a flush of faxes over the weekend and late yesterday too – all from employees, all a form letter, all signed by employees – saying how they were being evaluated against their mainland counterparts, and that if this law was to pass, they would be able to be paid indirect commissions and earn a little bit more money. The rental car companies can already pay them more money. If they really want to do it, they can do it. They don't need the law to say that only if we make more money through CDWs, through pressure tactics to the consumer, that I'll pay you more money.

"So I think that the companies really need to think about how they're treating their employees and the hammer that they're holding over their head in comparing them to their mainland counterparts. Remember, use the card."

Senator Matsunaga rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this measure.

"Mr. President, I, too, have struggled with my decision on this measure like the normally soft-spoken Senator from Maui. But based on the convincing arguments from the not normally soft-spoken Senator from Kaneohe, and the not normally soft-spoken Senator from East Maui, I think I will vote 'no' on this measure.

"My concern is the impact upon our golden goose – and that's tourism – and the goslings, which are tourists. Mr. President, I'm concerned that the first impact that our tourists might have upon arriving in Hawaii would be, first they would be leid and then they would be skewered (I said skewered) by the rental car company.

"So I will vote 'no,' Mr. President. Thank you."

Senator Sakamoto rose in support of the measure with reservations and stated:

"Mr. President, I rise in support with reservations.

"I don't know about cooked goose, but I do know that yourself and our colleagues as well as other tourists do not only come here. They travel to many locations. And if the way of doing business here, if we feel we have to protect everybody more than we protect them somewhere else, I think we have a problem. I do believe we shouldn't get to the point where we take advantage or car rental companies take advantage of people, but I think the Chair understands some of the concerns, and I've expressed some suggestions. Hopefully the measure will be improved if it goes forward, Mr. President."

Senator Menor rose to speak in favor of the measure and stated:

"Mr. President, I rise to speak in favor of this measure.

"I wholeheartedly agree that my esteemed colleague from Kahului is a very wise individual because he has made a decision out of his wisdom to support the Chair, and he sees definitely the merits of this bill. So, for reasons that are maybe not quite the same as the Senator from Waimanalo, I do thank the Senator from Kahului for his support of this measure, understanding, however, his reservations.

"I did have several responses to the concerns that have been raised about this bill, which I think are important to note because they help to clarify this measure. First of all, when the Legislature passed the current law in 1990, barring the payment of any commissions based on collision damage waivers, it was because of the abuses that were taking place. These abuses were in large part due to the fact that the sales were based on the payment of direct commissions to employees for such sales. However, it should be emphasized that this measure that's before us would not allow direct commissions. It would still prohibit direct commissions based on the sale of CDWs.

"The passage of this bill will only allow consideration of such sales on an indirect basis, or in other words, the sales would be one of many factors and not the sole factor in determining an employee's overall performance or compensation. In other words, one of the key protections in the current law that has had the effect of reducing or minimizing these abuses from occurring, the prohibition on direct commissions, this bill would not eliminate that.

"In addition, there are other protections in the current law, pro-consumer protections in the current law, that were adopted in 1990 to prevent these abuses that would still be retained under the measure that's before us. For example, under the current law, which would not be changed by this bill, any company or employee who pays direct commissions in violation of this law, or who would engage in hard pressure sales tactics to mislead car renters, would be subject to harsh penalties of Section 480-2 of the Hawaii Revised Statutes, allowing consumers treble damages and payment of attorney's fees and costs by all violators. In other words, Section 437D-15 of the present law provides a very strong deterrent to any violators who seek to abuse the provisions of the law.

"It should also be emphasized that Hawaii is the only state which does not allow a company to consider either directly or indirectly, the sales of collision damage waivers in evaluating or paying compensation to an employee. In this regard, I believe that Hawaii companies and their employees could benefit from a change in the law, since they are often at a disadvantage when compared to their mainland counterparts.

"Finally, I would like to reiterate to my colleagues the practical effect of our decision to move this bill out to Conference Committee, which is that if we pass this bill out, what we're doing is basically keeping the measure alive for further discussion so that the important issues and concerns that have been raised about this bill can be further dialogued between the Conferees. This bill would still have to come back to this body for final action before it could be sent to the Governor for his signature. I would also like to indicate that I recognize that there are concerns about this bill, but I would respectfully ask my colleagues to give your House and Senate managers an opportunity to be able to resolve these concerns in the course of discussing the measure in Conference Committee.

"Another important point that needs to be raised is the fact that the various parties who have testified on this bill – the representatives of the Office of Consumer Protection and the rental car companies – have expressed the willingness to dialogue further about this bill.

"One of the issues that I think we need to take a look at is the fact that it is very overly broad. The current law is overly broad to the extent that it prevents the consideration of the sales of CDWs even in those cases where employees are not going to be paid monetary compensation but where such sales might be considered for the purposes of evaluating the overall job performance of the employees. In fact, the Director of the Office of Consumer Protection and their representatives have

indicated that there may in fact be limited instances or cases where considerations of such sales may be appropriate in the right circumstances.

“So I think it’s clear that this measure really is entitled to further dialogue. For the sake of keeping this measure alive, not enacting it into law at this point, but to keep it alive for further discussion, I’d respectfully request my colleagues to allow this measure to move into Conference Committee.

“Thank you.”

Senator Hemmings rose to speak in favor of the measure with reservations as follows:

“Mr. President, I rise to speak in favor of the bill with reservations.

“I’ve heard a lot about the consumer throughout the discussion on this bill. The consumer does have one ultimate protection on being exploited by collision insurance salespeople . . . it’s simple – say no. I would also like to add that there are some other exploitations of the consumer where he doesn’t have the luxury of saying no, because when he rents a car, he’s going to have to pay \$3 a day in the form of a fee or tax to the state government. He has to pay 4 percent excise tax and he has to pay 53 cents on every gallon of gas that car consumes while it’s being driven. There’s no choice there.

“So if we’re really interested in helping the consumers, maybe there’s other areas we can help them make Hawaii affordable again. Thank you, Mr. President.”

Senator Taniguchi rose to speak with reservations on the measure and said:

“Mr. President, based on the comments of the Chair, I’d like to just note my reservations with this bill.”

Senators Hanabusa, Kanno, Nakata and Kim requested their votes be cast “aye, with reservations,” and the Chair so ordered.

Senator Taniguchi rose and said:

“Mr. President, I forgot to note that I had planned to vote ‘no,’ but I will be voting up with reservations.”

The Chair so ordered.

Senator Hemmings rose and said:

“Mr. President, I rose to speak in favor with reservations, but after the wonderful oratory of the Good Senator from Manoa, I change my vote to ‘no.’ Thank you.”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1568 was adopted and H.B. No. 271, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO MOTOR VEHICLE RENTAL INDUSTRY,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 18. Noes, 7 (Chumbley, Fukunaga, Hemmings, Hogue, Ige, Ihara, Matsunaga).

H.B. No. 595, H.D. 1, S.D. 1:

Senator Menor moved that H.B. No. 595, H.D. 1, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Matsunaga.

Senator Chumbley rose in support of the measure with reservations and stated:

“Mr. President, I rise to speak in support of this measure with reservations.

“While I did vote ‘no’ on this measure as it passed out of the Senate with a Senate version, during the Committee hearings we had a commitment from the Chair of the Committee, the advocates, and the proponents for this, that upon the receipt of the actuarial study from Marty Simons, the State Actuary, that if there is any impact to insurance rates, this measure will be withdrawn at that time.

“So with that commitment, I’m willing to continue the discussion and debate on it. Thank you.”

Senator English rose in support of the measure with reservations and stated:

“Mr. President, I stand to support this measure with reservations.

“Like the Senator from Kauai just stated, we have the assurances of the Chair of the Committee that there will be an actuary study coming forward within the next week regarding this and its impact on insurance rates. We’re hopeful that this will not have a negative impact to insurance rates or, to put that into plain English, it will not raise insurance rates to the customer.

“So with that, I will be supporting this with reservations. Thank you.”

Senator Hogue rose and stated:

“Mr. President, I just want to note that we already have some of the highest auto insurance rates in the nation. I appreciate the assurances from the Chair of the CPH Committee, but this bill could make insurance even more expensive. So I’d like to say, why don’t we just preempt it now and vote ‘no.’

“Thank you.”

Senators Matsunaga, Fukunaga, Sakamoto and Ihara then requested their votes be cast “aye, with reservations,” and the Chair so ordered.

The motion was put by the Chair and carried, H.B. No. 595, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO INSURANCE,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 4 (Hemmings, Hogue, Ige, Slom).

At 3:34 o’clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 3:38 o’clock p.m.

THIRD READING

MATTERS DEFERRED FROM EARLIER ON THE CALENDAR

Stand. Com. Rep. No. 1380 (H.B. No. 636, H.D. 1, S.D. 1):

By unanimous consent, Stand. Com. Rep. No. 1380 and H.B. No. 636, H.D. 1, S.D. 1, entitled: “A BILL FOR AN ACT RELATING TO REIMBURSEMENT FOR NONINSTITUTIONAL PROVIDERS OF MEDICAL CARE

FOR SERVICES,” were recommitted to the Committee on Ways and Means.

Stand. Com. Rep. No. 1471 (H.B. No. 620, H.D. 2, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1471 be adopted and H.B. No. 620, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Kawamoto rose to speak on the measure as follows:

“Mr. President, I realize that there’s some concern on this bill. We have two bills in this bill: (1) privatization; and (2) concern about procurement on state resident and the jobs that we have let go to the mainland contractors.

“Mr. President, we have two bills, and the merits of both of these bills was discussed earlier in this Session and they’re on the other side in the House. With this bill, I’m trying to do my job as lead of the TMG Committee of both bills. We want to be sure that we can at least go to Conference.

“A long time ago when I first started in the Senate, I learned a lesson – a lesson that you cannot pass a perfect bill across. You need the buy-in of many people. And one of the tactics we’ve allowed to the Chairman of the Committees that we chair today is to ensure that we can get good ideas across.

“Even our colleagues from the Minority Party have indicated earlier that we need to reform privatization, and we need to reform some of the procurement laws that we have out there. The current procurement laws, again, allow companies that have no state resident to continue to receive state contracts and get the preference. As late as today, when we were talking about the PIPs program, that is a concern of DAGS, and that’s why they support this bill.

“I ask you to let me take our management team across to work to ensure that these bills go into Conference and we can discuss this with the managers of the House to do the right things for the good of the State, which we believe we are doing. So therefore, I ask all my colleagues to give me that chance.

“Thank you.”

At this time, Senator Chun moved that action on Stand. Com. Rep. No. 1471 and H.B. No. 620, H.D. 2, S.D. 2, be deferred until Thursday, April 12, 2001, seconded by Senator Chumbley.

At 3:42 o’clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 3:49 o’clock p.m.

Senator Kawamoto rose and said:

“Would the maker of the motion yield to a question?”

The President posed the question to Senator Chun, and Senator Chun having replied in the affirmative, Senator Kawamoto asked:

“I’d like ask the maker of the motion the purpose of this deferment?”

Senator Chun replied:

“Mr. President, the motion is made because there is a House vehicle on privatization that is moving in the House. They are not scheduled to act on that bill until later on today.

“The purpose of the motion is to see exactly what happens in the House, and if the House is successful on that bill in front of them, then any kind of discussion on our bill, H.B. No. 620, at this point in time would be moot. So I’m asking for a deferral until we know for sure what the House will be doing on their bill.”

Senator Kawamoto then said:

“My question then, Mr. Chairman, is that we’re waiting just for one bill? We have two bills here. My question is: Do we wait further or do we kill both bills? Or are we concerned with the question of procurement on the state resident bill, which we had passed over to the House in a different bill? I don’t see the rationale in waiting until Thursday when we can take action and say whether we approve of both bills, which we did previously.”

President Bunda then stated:

“Deferment will not kill this particular bill. It’s still alive until Thursday.”

The motion was put by the Chair and carried, action on Stand. Com. Rep. No. 1471 and H.B. No. 620, H.D. 2, S.D. 2, entitled: “A BILL FOR AN ACT RELATING TO GOVERNMENT,” was deferred until Thursday, April 12, 2001.

At 3:50 o’clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 3:52 o’clock p.m.

RE-REFERRAL OF SENATE CONCURRENT RESOLUTION

The Chair re-referred the following concurrent resolution that was offered:

Senate Concurrent Resolution	Referred to:

On motion by Senator English, seconded by Senator Slom and carried, the joint report of the Committees was adopted and S.R. No. 97, S.D. 1, entitled: "SENATE RESOLUTION SUPPORTING THE FUTURE PRESERVATION OF MAHA'ULEPU," was adopted.

Stand. Com. Rep. No. 1593 (S.C.R. No. 34, S.D. 1):

On motion by Senator English, seconded by Senator Slom and carried, the report of the Committee was adopted and S.C.R. No. 34, S.D. 1, entitled: "SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF HEALTH TO KEEP THE WAIMANO HOME CRISIS SHELTER OPEN AND OPERATING UNTIL AN ADEQUATE PUBLIC OR PRIVATE FACILITY IS ABLE TO OFFER THE SAME SERVICES," was adopted.

Stand. Com. Rep. No. 1594 (S.R. No. 28, S.D. 1):

On motion by Senator English, seconded by Senator Slom and carried, the report of the Committee was adopted and S.R. No. 28, S.D. 1, entitled: "SENATE RESOLUTION REQUESTING THE DEPARTMENT OF HEALTH TO KEEP THE WAIMANO HOME CRISIS SHELTER OPEN AND OPERATING UNTIL AN ADEQUATE PUBLIC OR PRIVATE FACILITY IS ABLE TO OFFER THE SAME SERVICES," was adopted.

THIRD READING

MATTERS DEFERRED FROM TUESDAY, APRIL 10, 2001

Stand. Com. Rep. No. 1455 (H.B. No. 862, H.D. 1, S.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1455 be adopted and H.B. No. 862, H.D. 1, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Hemmings rose to speak against the measure and said:

"Mr. President, I rise to speak against this legislation.

"We have, by every statistic available, one of the largest state workforces in the nation. I suggest, in my ongoing efforts for systemic reform, that we look at ways to amend our civil service laws to allow more flexibility in how we deploy our state workers, rather than hiring new ones while other ones could probably do the job.

"So, Mr. President, I will be voting 'no' on this legislation."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1455 was adopted and H.B. No. 862, H.D. 1, S.D. 2, entitled: "A BILL FOR AN ACT MAKING AN APPROPRIATION FOR THE ESTABLISHMENT OF SOCIAL WORKER POSITIONS," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 2 (Hemmings, Slom). Excused, 2 (Ihara, Matsuura).

Stand. Com. Rep. No. 1471 (H.B. No. 620, H.D. 2, S.D. 2):

Senator Chun moved that Stand. Com. Rep. No. 1471 and H.B. No. 620, H.D. 2, S.D. 2, be recommitted to the Committee on Ways and Means, seconded by Senator Chumbley.

At 12:05 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:08 o'clock p.m.

Senator Kawamoto rose to speak against the motion and said:

"Mr. President, I oppose the motion to recommit.

"Mr. President, we had moved a bill called 749, Relating to State Residents, insuring that we could correct the procurement code that's currently flawed. We are allowing people with non-state residents on their payroll to qualify for Department of Public Works jobs plus the 7 percent preference."

Senator Chun interjected:

"Mr. President, point of order.

"Mr. President, the motion is to recommit, not on the merits of the bill."

Senator Kawamoto responded:

"Mr. President, if you recommit this bill, the House has already killed 749 by recommitting that bill that we've passed from this body. All I'm asking – all I'm asking – is to let me do my job by not recommitting this bill. If you recommit this bill, it's going to take another year to correct the flaws in the procurement code.

"I, as Chair of TMG, am responsible for that. You are taking the tools from my hands to do my job as you appointed me to do. By recommitting this bill, you have now, in essence, taken all the tools that I have to correct the procurement law and process.

"I ask my fellow colleagues to vote 'no' on this deferment. If you have problems with it, then let's vote on it. Let's find out who doesn't want to work to resolve the procurement code and reform it. If we defer again, that opportunity is going to be lost for another year.

"Thank you, Mr. President."

At 12:11 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:14 o'clock p.m.

Senator Chun rose in support of the motion and said:

"Mr. President, I stand in support of the motion.

"Mr. President, as we stated on Tuesday, we had this bill deferred until we were sure that a vehicle for privatization passed the House. That bill passed – S.B. No. 1096 passed the House on Tuesday night. When we talk about vehicles, the vehicle that is important to the majority of this Senate is to ensure that we have a valid privatization bill to reform our civil service system. That bill has passed. That vehicle is there.

"The problem that we have with this bill, and the Majority and the Committee members really clearly stated in their votes in WAM and in the different Committees, was that there was included another provision not related to privatization, not related to the civil service system, but related to procurement that the Honorable Senator from Waipahu is speaking about. The Majority is uncomfortable about that and we should go with a clean, unadulterated version of the bill that has passed, which is a Senate bill.

"I think, at this point in time, this House bill is not needed and we should continue on. Thank you, Mr. President."

Senator Kawamoto rose again and said:

"Mr. President, I beg to differ with the number two Majority Leader, the junior Majority Leader. (Laughter.)

"I'd just like to say that this body passed a procurement bill. The title of this bill is called 'Relating to Government.' Procurement is related to government. It has the title, has the opportunity, and we've done this before. Everybody has done this.

"All we're asking of you is to get a fair hearing on the other side so we can discuss the matter with the House. Yes, we have 1096 over in the House for privatization, but we do not have a 749. It was previously pre-arranged for that bill to be killed after we pass it from the Senate. This is the opportunity that we have to provide this bill to go across and have a normal life. By political maneuvering, we have now created a situation where this bill would be killed – not because we voted down on the bill, but because of the fact that we have collectively done something pre-arranged to kill the bill.

"That's unfortunate because, like I've always said, I've been here eight years and I've learned something every year, and this is something new. We've never done this before – pre-arranging what bills should be passed and not passed and not letting the body vote on it. This is just another political maneuver to kill the bill that's going to address the concerns over our procurement laws.

"Mr. President, I ask for a Roll Call vote."

Senator Matsunaga rose in opposition to the motion and said:

"Mr. President, I rise in opposition to this motion.

"Mr. President, whether one agrees with the senior Co-Majority Leader or not on this issue, I think the most important

point we're missing here is that the public has a right to know where we stand on this issue.

"I think a re-committal would deprive the Chair a chance to do his job, as he stated. I think a re-committal would deprive members of a chance to vote up or down on this issue. But most importantly, Mr. President, I believe a re-committal would deprive the public of the right to know where we stand.

"Thank you, Mr. President."

Senator Hogue rose in opposition to the motion as follows:

"Mr. President, I rise in opposition.

"I also believe that we should be open. We have a lot of people looking down on us today. They're wondering about how we're going to react to different measures.

"I understand that this motion was put forward basically to 'save face.' It's not important whether we save face today; it is important that we do it out in the open, and so I will vote 'no' to this motion.

"Thank you."

Senator Kawamoto rose and said: "I . . .

Senator Chun interjected:

"Point of order, Mr. President. Senate Rules state that no Senator should speak more than two times on a single motion."

The President recognized Senator Kawamoto, and Senator Kawamoto said:

"Mr. President, a rebuttal. A rebuttal for the fact that the public . . .

Senator Chun interjected again:

"Point of order, Mr. President."

At 12:19 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:21 o'clock p.m.

Senator Chun rose and said:

"Mr. President, I move to withdraw the motion to recommit.

"Mr. President, I would disagree with the Honorable Senator that this motion would stop public debate. If the Senator will remember, if you recommit, it goes back to the hearings in Committees and the purpose of hearings in the Committees is to hold a public hearing and to have valid discussion. Public hearings are not held in this open session here and I find it confusing that he would not want to have a public hearing on these matters.

"Be that as it may, if the membership wants to vote on the merits of this motion, I'm open to that. I thought this would be a nice way to do it gently without harming the reputation of the Chairs and making fun of the bills that were passed by the Committees, but if the Committee wants to do that, I am open to that."

Senator Chumbley rose and said:

"Mr. President, I rise to second the motion, and I'm happy to be voting on this bill."

On motion by Senator Chun, seconded by Senator Chumbley and carried, the Senate withdrew its motion to recommit Stand. Com. Rep. No. 1471 and H.B. No. 620, H.D. 2, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO GOVERNMENT."

Senator Taniguchi then moved that Stand. Com. Rep. No. 1471 be adopted and H.B. No. 620, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Kawamoto.

Senator Slom rose to speak against the measure and said:

"Mr. President, I rise to speak against the bill.

"I think as the Co-Majority Leader had pointed out, the sense of the Senate, not just the Majority of the Senate but the sense of the Senate, has been to support a very strong and clear privatization measure. No less an expert than Mr. Gary Rodrigues had come before our Committees and said, 'When is the Senate going to take a position? Are you for or against privatization? You talk story. You talk both ends of the conversation, but you don't take a position.'

"I'm very happy this year that the Senate has taken a position. The position is strong in favor of privatization, not as an end all to our problems, not as a panacea to solve everything, but as an option which can be utilized by government to solve or to help solve many of the problems that we have. It is part and parcel a major part of civil service and collective bargaining reform, and as such, we need to have a very strong and clear bill. Unfortunately, with the amendment to this bill it does not do that.

"I certainly agree with and salute the tenacity of the Senator from God's country, Waipahu, also known as the 'opihi,' and I know that his intentions are good in terms of securing improvements to the procurement code. This bill, like so many other bills, was debated. It was voted upon. It was passed by this body. It was not passed by the other body. Lord knows, Mr. President, I've been on the losing end of bill, after bill, after bill, after bill, but that's the process – we discuss it, and sometimes it prevails, and sometimes it doesn't.

"In this case, the ideas embodied in the amendment are not only to define state resident, which the good Senator from Waipahu and I agree we should have a definition, but also to change the rules in procurement, and with that definition, instead of trying to be inclusive, to be exclusive. For example: under the rules of this amendment, the contractor from Maui that was able to do such a tremendous job of building an emergency road out on the North Shore would not be considered a State of Hawaii resident and would not be qualified for that state work even though, as we know, they came in with a good bid, they came in under budget, and they came in under time. There are other examples of local family-owned businesses that because of the economic problems recently, they've had to sell the business and change the actual ownership while the resident population workers still remained. Under this amendment, they would be excluded from bidding for state projects as well. I do not think that's fair.

"Finally, this bill would raise the preference for state resident contractors from 7 to 13 percent. Now, we all know and we agree that in the past, local contractors have been at a disadvantage because a number of times mainland and foreign contractors have put in bids that did not reflect the cost of our general excise gross income tax, the cost of workers' compensation, temporary disability, liability, and all of the

other mandates that Hawaii businesses are forced to endure and to pay. But to pick a number – 13 percent – is not only not fair to the contractors, saying that they are not able to compete on their own, but more importantly, Mr. President, it is not fair to the taxpayers, because it ensures and guarantees that we will have even higher costs in the future.

"So, for these reasons, I urge my colleagues who believe in strong privatization to vote this bill down and to support the bill that's coming to us from the House with which we can make modifications.

"Thank you, Mr. President."

Senator Kawamoto rose to speak in favor of the measure and said:

"Mr. President, I rise in favor of this bill.

"Mr. President, truly we had an opportunity, both the House and the Senate, to pass bills. We had an opportunity in which we had hearings on bills. This amendment to H.B. No. 620 was heard subject matter in TMG and LBR and was passed to WAM. The bill passed. We had a hearing. It was over on the other side. Then we had this 620 and we put the bill across with the bill as an amendment. This bill also had a hearing. So, to say that it did not have a proper hearing is false, because we were there and we supported the bill.

"Going back to the good Senator from Hawaii Kai, we had in 1996 a preference bill of 15 percent and it was law. The next year somehow through Conference, it was knocked down to 7 percent. But we had a bill that had a 15 percent preference because we felt by research that that was proper. This year we felt that the opportunity to revisit this state resident and preference was needed, so we went up to 13 percent – 2 percent less than what was in the bill in 1996.

"The concern the Senator from Hawaii Kai had about families not going into business, this is one of the reasons why the procurement bill currently is in error. Currently, any project that is \$5 million or less, all you need is a track record of two years of operating here in Hawaii. Almost all contractors doing business in Hawaii fit the definition in this bill, even the mainland contractors that come down here. But what it does not do is allow the family members, like the Senator from Hawaii Kai said, to go out and break with the family and start a new business and try to get the preference and be considered a state contractor – you do not qualify. Therefore, with this bill we're requesting that we have 85 percent of the state contractors to be state residents as defined in the state tax code. This will help those who reside in the state using state money.

"So, what we're trying to do is fix a bill to give the breaks and the opportunities for the people that live in Hawaii to use the money that is collected from Hawaii people by state taxes. That's all we're trying to do. We're trying to provide what's good for the residents of the State of Hawaii and provide them with the jobs that we generate.

"Mr. President, last year we passed a state residents for federal jobs. I'm not saying that we did it all, but I think the movement towards this idea has increased the construction industry from minus 10 percent to this year's plus 10 percent – a 20 percent swing for the construction business for the State of Hawaii. That's because we've always insured and made known to our friends in the military to help us with our concerns with the economy of our state and especially the economy of our local contractors.

"We need this bill because the bill for state resident and state contractors was recommitted by the House two nights ago. So we're asking that my colleagues again give me a chance to address this concern.

"Thank you very much."

Senator Hanabusa rose in opposition to the measure and said:

"Mr. President, I rise to speak in opposition to H.B. No. 620, H.D. 2, S.D. 1.

"Mr. President, I rise in opposition to this bill because part 2 of H.B. No. 620 is not as it is represented to be. Let me explain – we have a concern that's been evidenced by many of the e-mails that we received of late about the public's interest and open discussion. We are going to go forward into Conference, which means the public does not have input in Conference. We are supposed to be fine-tuning and finalizing the bills. Fine-tuning and finalizing means that you cannot have a bill that is inherently flawed, at this stage, moving forward, and that is what part 2 is.

"Let us really look at part 2 of the bill. Mr. President, it begins in Section 4 with this statement, 'Beginning with Section 8078 of the United States Defense Appropriations Act of 1986, all subsequent Defense Appropriations Acts.' This is a defense appropriation act. Now, it should sound familiar to my colleagues who were here last year, because what is now Act 286 begins with, 'Beginning with part 8078 of the United States Defense Appropriations Act of 1986, all subsequent Defense Appropriations Act.' Sound familiar? Because it's already part of the law that we passed to define for the federal government what a 'state resident' is.

"Now, to have that as Section 4 is stating our purpose, this Legislature's purpose in enacting this bill. Now what's the significance of the so-called purpose clause? It is because we are talking about a residency durational requirement. Colleagues, that means that we are talking about the 14th amendment. We are talking about interference with a person's rights, interference with the classic concept of the right to travel. And in order for us to do that, we must show compelling state interest. That is what DAGS said in their testimony in opposition – that durational residency requirements must withstand scrutiny.

"Our preamble to this section refers to the United States Defense Appropriations Act. This is not the United States Defense Appropriations Act; this is the State of Hawaii's residency requirement for procurement. This will not withstand Constitutional challenge. That's my first problem with the bill.

"My second problem with the bill is with the definition of 'state contractor,' which we are trying to help. I don't think there's anyone in this body who does not want to help the state contractors, our state guys, but let us look as to how we have defined them. We have the usual verbiage about being registered here, being licensed here, that's fine. Then we have this interesting one saying that a person is a state contractor if, 'employs more than 85 percent of its employees who are "state residents."' What does this mean? It means that a lot of your 'larger contractors' who may have been successful in Hawaii – who are doing projects, say, in Saipan, Guam, maybe Australia, maybe New Zealand, maybe the continental United States – at any given time will not have 85 percent of its employees being state residents because they have jobs all over the place, which we would like to see our contractors become successful and do. They will not qualify.

"But that's not the problem. The problem is in 'state resident.' Look at how we have defined 'state resident' in this bill. We are requiring a 'state resident' to be an individual . . . now, remember, 85 percent of your workforce must be state residents. We are requiring that individual to submit an affidavit to the procuring officer and say, 'I've been here 200 some odd days,' and not only that, 'I have filed my state tax return and I am current,' not that I filed and I have some way of paying, 'I am current. I have paid my taxes.' If I don't do that, I am not a state resident. And that's what we are saying by this bill. That is the definition of a state resident. I have problems with that – one, the privacy issue. For my boss to be able to file as a state contractor, I have to give up my privacy and say to somebody that I have filed my tax return and I am current. What if I'm not? That means I don't count in the 85 percent.

"Then this bill goes on. Now, we are here to try and help our contractors. Do you know why DAGS took the position that they are willing – willing – to support this bill? Because we have inserted (this is our S.D. now), we have inserted a provision in there that if a contractor fails to comply with any provision of this law, we are going to debar him for five years. Do you know what that will do to a contractor, debarring him for five years? He can't bid on any state contract for five years because it may be that one of his employees was a little embarrassed and said 'I'm current,' and in fact he's not current. That is also part of this bill.

"Now, another concern is those who are sitting in education, I'm sure you've heard of the PIPS program. This is DAGS new way of issuing contracts and it's supposed to be a very good way. The PIPS system is one that says it isn't going to be a low bid; it is going to be on the most qualified bidder. These are words that we like to hear, most qualified. Most qualified means of course that either your product is certified, your workmanship has been certified, so we're not supposed to have problems. And they've done it in education, particularly with roofs. And they say it works. So they're really hot on this. And they're asking for support on this.

"What this bill says is that any contract \$10 million or less and you have two state contractors, it goes to the lowest bidder. So what happens to the concept of most qualified? It's out the window. And we say that we want to reform procurement? We can't reform procurement by having different provisions of the law fight each other. And in this case, this will prevail. This is going to be law. PIPS is not law; it is just a methodology that DAGS wants to employ.

"These are very serious concerns. At this stage, you want to have reformation to procurement. You want to have an open process so when the public comes to see us, they know that we're listening to them. How are you going to, at this stage of the proceeding, make these changes so that it meets (1) constitutional challenge; (2) addresses the privacy rights of individuals that we're requiring them to submit affidavits in order to be a state resident; and (3) five-year debarment? I doubt, I doubt that state contractors realize what a five-year debarment will do.

"I cannot support 620 with part 2 attached to it, because I do not believe, at this stage of where we are in this Legislative Session, that we have enough time to make the necessary changes to make this bill right. We don't want to recommit it because we want to have an open process. Now, this is why I'm asking you, my colleagues, that you cannot, you cannot possibly vote in favor of H.B. No. 620 as it now stands because it's going to deprive those who this bill is supposed to be helping, possibly their livelihood – five years debarment and the privacy of those 'state residents,' those employees that we are trying to help.

"There comes a time when we have to admit our good intentions are not going to work, and this is one of them. Thank you, Mr. President."

Senator Chumbley rose in opposition to the measure and said:

"Mr. President, I rise also to speak in opposition to this measure.

"Mr. President and colleagues, I first would like to ask the Clerk to enter the words of the previous speaker into the Journal as if they were my own. I wish that she had so eloquently stood up with me opposing this bill in 1996, 1997, 1998, 1999, 2000, and now again in 2001. It keeps coming back, and it is still a bad bill. It is a bill that we don't need.

"There are two points that I'd like to add because the previous speaker has covered virtually everything that's wrong with this bill. These are two areas that I think I'd like to bring some additional light to. One of the provisions in the bill if passed would disallow a state contractor to enter into a joint venture. It puts the same additional obligations on the people who would be, say, an investor with a state contractor under this law from being prohibited to participate in these bids because if that individual is not a state resident but yet he is an investor into the company, they wouldn't qualify under this law. That's another flaw with this.

"The other bigger flaw that I see is that, if this were to be adopted into law, there will be games played by contractors who may choose not to become a domestic corporation in the State of Hawaii. They would simply create a shell company and put a few thousands of dollars into that shell, and in the event there was a default and in the event there was a lawsuit against that contractor, because of that shell that was created by the contractor to comply with this law, we have no or little recourse to the assets of that contractor. I see that as a significant problem.

"The definition of state resident, as the previous speaker had identified in section 4 of this bill, tries to deal with the federal issue. This bill goes way beyond what we did, even under my objections of that definition of state resident, to a situation that is totally unworkable. This bill will hurt people. This bill will harm companies. This is something that we don't need at this time.

"Thank you."

Senator Chun rose in opposition to the measure and said:

"Mr. President, I stand in opposition to this bill.

"Mr. President, I agree with the statements of the Honorable Senator from East Maui and the Senator from Waianae. Mr. President, we have to ask a bottom line question – What does this bill mean to the small contractors, to the mom and pop guys that are the backbone of our society?

"Let's look at this situation over here. We have a typical mom and pop operation. The father runs the business. He has two sons or maybe a son and a daughter working with him side by side. One of the children decides to go and advance himself and goes to college to get a degree or to do something else with his life. That mom and pop operation, as long as that one child is away for school, cannot bid for any state contracts. No matter if the father has been there for his entire life; no matter if their oldest child or youngest child, the one remaining, has been there their entire life; no matter if they've been paying taxes for

their entire life; no matter that they're losing money and that they can't get any support. They cannot bid as long as that child is deciding to advance his education and go to school. Yes, the bill provides that if the child comes back, the business can qualify as a state resident again, but, Mr. President, that's too late. So you're going to have a child come back and not complete his education because the father and mother can't make a go of it because we disqualified them from bidding on state contracts. It doesn't make sense, Mr. President.

"Mr. President, the other point is that it's unconstitutional. I totally agree that this is an unconstitutional provision. There are serious constitutional problems and that's one reason why I wanted to have it recommitted. Mr. President, the procedure for this bill, if there's a serious constitutional provision, a legal problem with the bill is, it referred to the honorable Committee on Judiciary. That's where we should talk about our legal problems. That's where we should solve whether or not something is constitutional or not.

"Mr. President, this provision, this part adding an unconstitutional provision was added at the last minute and avoided Judiciary because no referral was made. That's an underhanded way of avoiding the legal issues – stick it in at the end, make sure that Judiciary doesn't have a chance to look at it. That's why I wanted the bill recommitted. I wanted it to go back to Committee and give Judiciary a chance to look at the tough, hard legal questions. That's not done. Instead, we're faced to argue with the bill, which is obviously unconstitutional right now, and vote on it.

"I wanted to give the Honorable Senator from Waipahu a chance to amend it to meet the constitutional requirements in Committee. He doesn't want to do it. He wants to vote on it now. So be it. It is unconstitutional. It's going to hurt our families. It's going to hurt our state residents.

"Thank you, Mr. President."

Senator Hemmings rose to speak against the measure and said:

"Mr. President, I rise to speak against the bill.

"We've heard a lot of discussion on what's wrong with this bill. I'd like to ask the question, Why are local contributors, local businessmen, local contractors, local businesses less competitive in their own state than people that can fly here from the mainland and compete against them?

"I would like to suggest the answers are quite obvious, and I'd like to propose a solution for the good Senator from Waipahu. If we really want to help the local people, especially the contractors and all the businesses for that matter, what we have to do is create a more fertile environment for those businesses here in Hawaii where our people are competitive. Maybe if we became competitive with mainland businesses, our people could even go to the mainland and do business. Isn't that better?

"We ultimately want to save the taxpayers the cost of paying excessive prices to have things done here in Hawaii. One of the reasons we don't have the money to pay for some of the basics in our public system is because we're paying excessive prices for acquisition of goods, properties, and construction.

"So the real solution is not to penalize mainland competition for coming to Hawaii, but to make Hawaii contractors more competitive! The real solution is to cut the taxes that make local contractors uncompetitive, to cut the regulations that make local contractors uncompetitive, to cut the politics that requires

a tremendous amount of time and money to get in a favorable approval to get something done in this state. We have to cut the cost of living, cut the cost of land, and cut all those other costs that do indeed make our local businesses less competitive than their mainland counterparts.

"So you see, Mr. President and the good Senator from Waipahu, there is a solution to the lack of competitiveness of the local businesses – and that is to make them competitive by getting the yoke of high taxation and big government off their back so they indeed can compete with their mainland counterparts so that we can become a place where business can prosper and spread economic benefit around this state.

"Thank you, Mr. President."

Senator Kim also rose in opposition to the measure and said:

"Mr. President, I rise to speak in opposition.

"First, Mr. President, I really want to commend the Chairman of TMG and our Senator from Waipahu. He, as the Chairman, really believes in this issue and has worked hard to try and find measures and ways in which he could keep the measure alive, being that it died over in the House. But at the same time, I think those of us the measure was referred to jointly, the three Committees, I think all of us tried to support the Chair and support his efforts in keeping the measure alive and working this measure out.

"I believe I made it very clear that I was concerned that if this portion of the bill was going to jeopardize the entire privatization bill, that I could not be in favor of it. I did relay that concern to the Chairman, and as this bill moved forward I had hoped that he would be able to work it so that this would be agreeable. I understand that the Governor has said that he may veto the bill if this measure was included into it, as well as it may not pass the House.

"So, based on those reasons, I will not be able to support the bill at this juncture. Thank you."

Senator English rose in opposition and said:

"Mr. President, I rise in opposition to this bill.

"Mr. President, often times we're faced with very hard decisions and we're faced with dilemmas where a bill has a good part and a bad part. A lot of times that's a technique that's used where you know that there's a lot of support for one part of the bill and you add on something else that there's not that much support for, and then we're forced, Mr. President, to weigh our distaste and displeasure for one part and our wish to see another part become law.

"In this particular instance, the bad part outweighed the good part, section 2 of this bill, and a lot has been said about that. I will not reiterate that. But that's where my opposition comes from – I like one part of this bill; I do not like another part of this bill. If you follow this bill throughout the Committees, you'll find that there was more reservation votes than votes in support. That was a clear message that there were a lot of people, a lot of Senators, a lot of people in the public that did not like the second part of this bill.

"So here we are, Mr. President, looking at a bill that has a good part and a bad part, and unfortunately the bad part has outweighed the good part. That's why I'm voting 'no' on this bill.

"Thank you, Mr. President."

Senator Kawamoto rose to speak in favor of the measure as follows:

"Mr. President, all I can say is look at all the testifiers that came when this bill came through. Not one 'no' vote. Even one, that was Kiewit, is now not considered a state contractor, but said given time, he would consider and he would turn and become a state contractor.

"Mr. President, the testifiers came by, even the procurement officer, even DAGS came by and testified in favor of this bill, not because of the one point that was mentioned, but because they realized that the procurement law currently is flawed.

"I'd also like to address the fact that we didn't underhandedly put that legal thing in as the Majority Leader said. The Judiciary Chair sits on transportation in our Committee and when we put that amendment in we again had an opportunity for discussion on this matter. Therefore, we're not dealing underhandedly. We were up-front, and people that know me know I'm always up-front. We're always in front. We always provide the opportunity for people to discuss the things that we want to put in the bill, even the entire public. And the people that do and work in this business came out and testified on this bill. I'd say about 95 percent of the contractors that are out there have either written or testified on this concept in the last three or four years in favor of this bill.

"Thank you very much."

At 12:53 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:56 o'clock p.m.

Senator Sakamoto rose to speak in support of the measure with reservations and said:

"Mr. President, I rise in support with reservations.

"Certainly I support the first part of the bill. Certainly there are many valid concerns with the second part of the bill, not just this year, but over many years. I do support the intention to help local contractors. And when it says local contractor, many of us think of building or contractors of that type, but there are many different types of state contractors.

"I believe the process of going to Conference Committee could easily undo what we've taken a long time to do. To go along with the process, I'll support going forward with an 'aye,' but with reservations and in agreement with many of the concerns raised. The bill does have a severability clause so that if one part of the bill is unconstitutional that part dies. So with that, thank you, Mr. President."

Senator Slom rose and said:

"Mr. President, Roll Call vote, please."

Senators Kanno, Ihara, Ige, Tam, Menor and Matsunaga then requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was then put by the Chair, Stand. Com. Rep. No. 1471 failed to be adopted and H.B. No. 620, H.D. 2, S.D. 2, entitled: "A BILL FOR AN ACT RELATING TO GOVERNMENT," having been read throughout, and Roll Call Vote having been requested, failed to pass Third Reading on the following showing of Ayes and Noes:

Ayes, 11. Noes, 13 (Buen, Chumbley, Chun, Chun Oakland, English, Hanabusa, Hemmings, Hogue, Inouye, Kim, Kokubun, Nakata, Slom). Excused, 1 (Matsuura).

H.B. No. 830, H.D. 2, S.D. 2

Senator Kanno moved that H.B. No. 830, H.D. 2, S.D. 2, having been read throughout, pass Third Reading, seconded by Senator Kawamoto.

Senator Hogue rose in opposition to the measure and said:

“Mr. President, I rise in opposition to this particular bill.

“In our last discussion, we talked about good points and bad points and this bill does have some good points in it. It’s about public safety and making our roads safer. But there are so many nonsensical points when our bills that are supposed to go forward and are supposed to make common sense requires licensed drivers under 18 years of age to be accompanied in a motor vehicle by a licensed driver over the age of 21 between the hours of 11:00 p.m. and 5:00 in the morning.

“I think all of us can think of stories in which this bill would be rather ridiculous. It’s discriminatory towards teenagers. It’s restrictive of rights of people who have reached the age of majority. And it is most likely unenforceable. I can’t imagine a police officer pulling somebody over to check out whether or not they’ve got a note from a business owner or a parent, or to make sure that everybody in the car is over 18 or has somebody in there that is 21. It’s really well intended, but poorly written.

“I think the public is looking for common sense, not nonsense, and I will vote ‘no.’ Thank you.”

Senator Kawamoto rose to speak in favor of the measure and said:

“Mr. President, I rise in favor of this bill.

“Mr. President, we know in the last few years that night driving is a concern for our young people. Our insurance goes up because of the fact that young people are driving and driving at night without the proper training and experience.

“The concern, again, is our young people driving at night and not knowing the realistic task it is to drive at night. We do have a curfew on the books where we require young people to be at home from 10:00 at night to 4:00 in the morning.

“In our efforts to require an education program, our intentions were, again, safety. Our intention is to again address the concerns we have of our young people either getting killed or killing other people because they’re driving at night without the proper training and experience. We had hoped that the education would provide the incentive to be more cognizant of the dangers of night driving. That’s the reason why we had the education part of our driving requirements provided as a law last year.

“Unfortunately, our desires for safety could not keep up, or the process could not keep up with the amount of driver teachers or instructors, and facilities to accommodate this new law. We have been requested to look again at providing some time where we could get the facilities and get this law on the road, so we have amended this bill to suspend our rules or our law for two years to allow this to happen. In the meantime, our hopes of providing the education in this new requirement to educate our drivers will not be there because we have suspended the rules or the law. Therefore, this bill is out there

for discussion purposes again to address the concerns of safety and to address the concerns that we are unable at this time to provide the education that’s necessary on this requirement.

“Thank you.”

Senator Slom rose to speak against the measure and stated:

“Mr. President, I rise in opposition to the bill.

“As we were reminded, last year we passed a defective bill – defective in that while the intent was for safety, we did not take into consideration the hardships that were going to be caused by requiring all of the additional driver education, defective because we did not first look into what resources were available, defective because we didn’t look into what the costs were going to be for families and individuals to comply with this law, defective because we didn’t understand what burdens would be placed upon those businesses that needed to buy new equipment and other things to comply with the law to be able to provide services for the law.

“So, in this part now with this amendment, now we’re saying, after people have done all of those things, spent the money, provided the resources, geared up to meet the law, now we’re saying okay, let’s make it not effective until January 1, 2003.

“Then in the second part, we’re going to penalize drivers 18 years of age. And as the good Senator from Kaneohe said, we’re using a blanket brush to assume that all teenagers are irresponsible. We can’t do that if we’re talking about responsibility and accountability.

“We continue to send mixed messages in this state. We continue to pass flawed legislation. It’s absolutely ludicrous that in this state with the lowest age of sexual consent at 14, we can say that our teenagers can have sex but they can’t drive a car past 11:00.

“Thank you, Mr. President.”

At 1:06 o’clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 1:10 o’clock p.m.

Senator Chumbley rose to speak in opposition and said:

“Mr. President, I rise to speak in opposition to this measure. As I have done in the past, colleagues, I will continue to oppose these measures.

“I think that this is poorly drafted, unenforceable, and unfair to those teenagers who are in fact responsible. I also have some concerns about applying a two-year moratorium on the obligations that we previously passed, I believe it was two years ago, and gave the Department of Transportation 18 months to put into place these provisions. I think that this moratorium, if adopted as written, will have a negative financial impact on some individuals in this state and I think that’s unfair.

“For those reasons, I’ll be voting ‘no.’”

Senators Matsunaga, Chun, English, Chun Oakland, Kokubun, Nakata and Taniguchi requested their votes be cast “aye, with reservations,” and the Chair so ordered.

The motion was put by the Chair and carried, H.B. No. 830, H.D. 2, S.D. 2, entitled: “A BILL FOR AN ACT RELATING TO DRIVER LICENSING,” having been read throughout,

passed Third Reading on the following showing of Ayes and Noes:

Ayes, 14. Noes, 9 (Chumbley, Hanabusa, Hemmings, Hogue, Ige, Ihara, Menor, Slom, Tam). Excused 2 (Kim, Matsuura).

ADVISE AND CONSENT

Stand. Com. Rep. No. 1575 (Gov. Msg. No. 114):

By unanimous consent, action on Stand. Com. Rep. No. 1575 and Gov. Msg. No. 114 was deferred until Friday, April 20, 2001.

Senator Kanno, Chair of the Committee on Judiciary, requested a waiver of the notice requirement pursuant to Senate Rule 20 for S.C.R. No. 90 and S.R. No. 68, and the Chair granted the waiver.

At this time, Senator Hogue, on behalf of the Senate, extended happy birthday wishes to Senator Slom.

At 1:15 o'clock p.m., on motion by Senator English, seconded by Senator Hemmings and carried, the Senate stood in recess until 4:00 o'clock p.m.

AFTERNOON SESSION

The Senate reconvened at 4:31 o'clock p.m.

ORDER OF THE DAY

ADVISE AND CONSENT

Stand. Com. Rep. No. 1596 (Gov. Msg. No. 177):

Senator Buen moved that Stand. Com. Rep. No. 1596 be received and placed on file, seconded by Senator Chun and carried.

Senator Buen then moved that the Senate advise and consent to the nominations of SUMNER PARDEE ERDMAN and SUSAN MATSUSHIMA to the Board of Agriculture, terms to expire June 30, 2005, seconded by Senator Chun.

Senator Buen rose in support of the nominees and said:

“Mr. President, I rise to speak in favor of the nominations of Susan Matsushima and Sumner Pardee Erdman to the Board of Agriculture.

“Both nominees are current members of the Board of Agriculture and have served since 1997 with distinction.

“Ms. Matsushima brings a wealth of experience to the Board of Agriculture. She has a history of business success in the nursery industry. She’s a very knowledgeable agriculture professional, innovative businessperson, and forward thinking leader. Ms. Matsushima is also very active in promoting and supporting Hawaii’s agriculture industry. Among her community activities – she initiated programs at several high schools that encourage students to cultivate agricultural products and sell them to raise funds for their student organizations. In addition, she has held leadership positions in the Hawaii Farm Bureau Federation, Commodity Advisory Group, Sustainable Agricultural Network, and Western Sustainable Agricultural Research and Education.

“Mr. Erdman is a rancher on Maui and brings a different and valuable perspective to the Board of Agriculture. He has served as President of the Hawaii Cattlemen’s Association and Maui Cattlemen’s Association and Director of the Central Maui Soil and Water Conservation District. Mr. Erdman also has committed a significant amount of his time to promoting Hawaii’s agriculture industry by hosting the famous Maui Ag Day at Ulupalakua Ranch and contributing to other events. He’s also a recognized leader in promoting conservation efforts.

“As Chair of the Agriculture Committee, it’s my duty to take actions that are in the best interest of Hawaii’s agriculture industry. As such, I recommend the confirmation of the

nominations of Sumner Pardee Erdman and Susan Matsushima to the Board of Agriculture and I ask for all of your support for them.

“Thank you, Mr. President.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 20. Noes, none. Excused, 5 (Chumbley, Ige, Ihara, Tam, Taniguchi).

Stand. Com. Rep. No. 1607 (Gov. Msg. No. 156):

Senator Sakamoto moved that Stand. Com. Rep. No. 1607 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Sakamoto then moved that the Senate advise and consent to the nomination of ORRIN A. HAWORTH, AIA, to the State Foundation on Culture and the Arts Commission, terms to expire June 30, 2001, and June 30, 2005, seconded by Senator Chun Oakland.

Senator Sakamoto rose to speak in favor of the nominee as follows:

“Mr. President, I have brief remarks on this report. Our Committee on Education has reviewed them and Mr. Haworth is the interim director of the State Foundation on Culture and the Arts and also an architect with Kober/Hanssen/Mitchell Architects. He is not here this morning.

“We recommend him for approval, Mr. President, and I have additional remarks to be inserted into the Journal.”

The Chair having so ordered, Senator Sakamoto’s additional comments read as follows:

“I rise in support of Mr. Orrin A. Haworth’s gubernatorial nomination to the State Foundation on Culture and the Arts.

“Mr. Haworth has served as an interim commissioner for the State Foundation on Culture and the Arts (SFCA) since September 2000. He has volunteered his expertise and his time to attend each of the Commission’s meetings to assist with the planning for the State Art Museum and Capitol District Visitor Information Center to be built in the No. 1 Capitol District Building and to chair the Art In Public Places Committee.

“Mr. Haworth is an architect with Next Design LLC. In addition to his vast experience in architectural design in the state, he was most recently a principal of Kober/Hanssen/Mitchell Architects in Honolulu and Manager and Principal in-charge of KHMA California in San Francisco.

“I join with SFCA’s recommendation for the approval of Orrin A. Haworth, gubernatorial nominee to the State Foundation on Culture and the Arts Commission for a term expiring on June 30, 2005.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 20. Noes, none. Excused, 5 (Chumbley, Ige, Ihara, Tam, Taniguchi).

Stand. Com. Rep. No. 1608 (Gov. Msg. No. 186):

Senator Sakamoto moved that Stand. Com. Rep. No. 1608 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Sakamoto then moved that the Senate advise and consent to the nomination of CAPSUN M. POE to the Board of Regents, University of Hawai'i, term to expire June 30, 2003, seconded by Senator Chun Oakland.

Senator Sakamoto rose in support of the nominee and said:

"Mr. Capsun Poe is here this morning. He's a student that has been involved with the University of Hawaii student government and has knowledge of the community college. He's to be appointed to the Board of Regents as a student member. I'd like to recognize Capsun. (Mr. Poe, who was seated in the gallery, rose to be recognized.)

"We recommend his approval, Mr. President, and I have additional remarks to be inserted into the Journal."

The Chair having so ordered, Senator Sakamoto's remarks read as follows:

"Mr. President, I rise in support of the nomination of Capsun Poe to the University of Hawaii Board of Regents. Capsun Poe's extensive involvement in the University of Hawaii school system and community service attest to his commitment to serve his fellow students and the people of Hawaii. His educational background both at a local community college and the University of Hawaii at Manoa gives him the necessary experience and knowledge to represent the students at all of Hawaii's university campuses.

"Therefore, your Committee on Education is confident that Capsun Poe will be an asset to the University of Hawaii Board of Regents and offers him their full support."

Senator Inouye rose to speak in support of the nominee as follows:

"Mr. President, I speak in support of Gov. Msg. No. 186.

"Mr. President and members, I would like to express my strong support for Capsun Poe's confirmation to the University of Hawaii Board of Regents. As some of you know, Capsun has been an intern for my office since January of this year.

"He has demonstrated a willingness to work hard and a definite ability to take initiative. For example, after coming back at 11:30 p.m. from a week long student government trip to Canada, he came to work here at 5:30 a.m. the next morning to complete a project, and this is after telling him to take the day off. I have other examples of his work but I would need the entire afternoon.

"Besides being hardworking, I have also found him to be an open-minded, intelligent, and articulate person. Furthermore, he possesses great knowledge of the political and educational system and he is our computer wiz.

"I believe he will be an excellent leader and a real student's representative and I urge all of your support for Capsun Poe. Thank you."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 20. Noes, none. Excused, 5 (Chumbley, Ige, Ihara, Tam, Taniguchi).

Stand. Com. Rep. No. 1609 (Gov. Msg. No. 187):

Senator Sakamoto moved that Stand. Com. Rep. No. 1609 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Sakamoto then moved that the Senate advise and consent to the nominations of LYNN C. KINNEY and EUGENE N. TIWANAK to the Board of Directors, Research Corporation of the University of Hawai'i, terms to expire June 30, 2005, seconded by Senator Chun Oakland.

Senator Sakamoto rose in support of the nominees and said:

"Mr. President, for the Board of Directors for the Research Corporation of the University of Hawaii, two people were nominated. One was Mr. Kinney who's with the International Brotherhood of Painters in Allied Trades. He was here earlier, but not able to stay. However, with us this morning is Mr. Eugene Tiwanak who is the Chief Executive of St. Francis Healthcare Foundation of Hawaii and involved with many other activities. If he could rise. (Mr. Tiwanak rose to be recognized.)

"We recommend both of them for approval, Mr. President, and I have additional remarks to be inserted into the Journal."

The Chair having so ordered, Senator Sakamoto's additional remarks read as follows:

"Mr. President, I rise in support for the nominee Mr. Lynn Kinney to the Board of Directors-Research Corporation of the University of Hawaii.

"Mr. Kinney is well qualified for this auspicious office. He has held the position of Business Manager/Financial Secretary to Local 1791, The International Brotherhood of Painters in Allied Trades. In his position as local 1791 and District Counsel 50, he has been involved in complex and complicated financial and administrative functions. Mr. Kinney's experience both in his career and high visibility in the community will serve him well as a Director for the Research Corporation of the University of Hawaii.

"I therefore solicit my colleagues' support for the approval of Mr. Kinney for this position.

"Mr. President, I also speak in support for the nomination of Mr. Eugene N. Tiwanak to the Board of Directors of the Research Corporation of the University of Hawaii.

"Mr. Tiwanak is highly regarded as a community leader and a professional in the business community. He served as a commissioned U.S. Army Officer, and President and Chief Executive of St. Francis Healthcare Foundation of Hawaii, a not-for-profit corporation charged with the responsibility to secure funds and other assets. He is also a trustee for the King William Charles Lunalilo Trust Estate and member of many community organizations over the years, including the Catholic Diocese of Honolulu, the Filipino Community Center, the Augustine Educational Foundation, City and County Neighborhood Commission and others.

"Thank you, Mr. President. I request your members' support for the nomination of Mr. Eugene N. Tiwanak to the high office of Board of Directors, Research Corporation of the University of Hawaii."

Senator Kawamoto rose to support the nominees as follows:

"Mr. President, I'd like to speak in favor of Stand. Com. Rep. No. 1609.

"I'd like to speak first on Lynn Kinney. He was instrumental in working towards having the military and the island contractors working together and breaking down some walls that we needed in the past four or five years. I credit him for his efforts and his knowledge on the construction business.

"I'd also like to speak on Eugene Tiwanak, another individual from our community who really brought St. Francis West out to the Leeward side. If it wasn't for him, I don't think we would have a 24-hour emergency as we do now. That was one of our major concerns and we appreciate Gene for all his efforts. He was one of the few potential politicians out there and he chose the life of the private sector and did a great job for the community. I appreciate your help, Gene.

"Thank you."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 20. Noes, none. Excused, 5 (Chumbley, Ige, Ihara, Tam, Taniguchi).

Stand. Com. Rep. No. 1610 (Gov. Msg. No. 188):

Senator Sakamoto moved that Stand. Com. Rep. No. 1610 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Sakamoto then moved that the Senate advise and consent to the nomination of RAYMOND S. ONO to the Western Interstate Commission for Higher Education (WICHE), term to expire June 30, 2005, seconded by Senator Chun Oakland.

Senator Sakamoto rose to support the nominee and said:

"Mr. President, Mr. Ono, who's a Senior Vice President for First Hawaiian Bank, has been nominated to the Western Interstate Commission for Higher Education. We recommend him for approval, Mr. President, and I have additional remarks to be inserted into the Journal."

The Chair having so ordered, Senator Sakamoto's additional comments read as follows:

"Mr. President, I also rise in support of Gov. Msg. No. 188 nominating Raymond S. Ono to the Western Interstate Commission for Higher Education. Mr. Ono has been in the banking industry for over 25 years and is presently a Senior Vice President at First Hawaiian Bank. He is an active member of our community, providing service through the University of Hawaii Foundation, the Building Industry Association, numerous Chambers of Commerce and numerous Maui-based organizations.

"Your Committee found that Mr. Ono's understanding of the educational needs of today's youths and the interaction between education and professional development would make him a valuable asset for administering Western Interstate Commission for Higher Education programs."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 20. Noes, none. Excused, 5 (Chumbley, Ige, Ihara, Tam, Taniguchi).

FIFTY-FIRST DAY

Wednesday, April 18, 2001

The Senate of the Twenty-First Legislature of the State of Hawaii, Regular Session of 2001, convened at 11:40 o'clock a.m. with the President in the Chair.

The Divine Blessing was invoked by the Waipahu Neighborhood Place, after which the Roll was called showing all Senators present with the exception of Senators Fukunaga and Kim who were excused.

The President announced that he had read and approved the Journal of the Fiftieth Day.

At this time, the following introductions were made to the members of the Senate:

Senator Tam recognized the Friends of Iolani Palace for 35 years of outstanding service to the community and introduced the following individuals: Major General Edward V. Richardson, Retired; Agnes C. Conrad; Jean B. Stevens; Wilmer C. Morris; and Bruce Keppler.

Senator Taniguchi then commended and congratulated Hawaii Pacific University's Lady Sea Warriors on their second NCAA Division II National Volleyball Championship title and introduced the following members of the team: Andrea Wean, Kealani Wong, Summer Castillo, Susy Garbelotti and Nia Tuitele. Accompanying the young women were head coach, Reydan "Tita" Ahuna; assistant coach, Russell Kinningham; and manager, Lisa Farias.

Senator Kanno, with the assistance of Senators Menor, Matsunaga and Hogue, introduced and congratulated the Queen of the 49th Annual Cherry Blossom Festival, Catherine Toth, and her court: First Princess Jaslyn Hanamura, Princess Luana Ogawa and Princess Lezlie Yamauchi. Accompanying the young ladies were Sharene Urakami and Michael Inouye, co-general chairs of the Cherry Blossom Festival. Also recognized were Princess Jeanette Knutson and Miss Popularity Paula-Lynne Nakano who were unable to attend.

At 12:04 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:15 o'clock p.m.

Gov. Msg. No. 301, dated April 16, 2001, transmitting his statement of objections to Senate Bill No. 207 which he has returned to the Senate without his approval and which reads as follows:

"EXECUTIVE CHAMBERS
HONOLULU

April 16, 2001

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 207

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 207, entitled 'A Bill for an Act Relating to Interisland Vehicle Transfers.'

The purpose of this bill is to eliminate the requirement that the registered owner of a vehicle being shipped between islands obtain the written consent of the vehicle's legal owner, when the registered owner is not the legal owner, before shipping the vehicle.

The statute requiring proof of ownership and of authorization to ship before a vehicle may be legally shipped to another island has been very effective in reducing the interisland shipment of stolen vehicles. The administrative convenience provided to a few individuals by this bill does not offset the potential impairment of the effectiveness of these statutes in preventing the interisland shipment of stolen vehicles.

For the foregoing reason, I am returning Senate Bill No. 207 without my approval.

Respectfully,

/s/ Benjamin J. Cayetano
BENJAMIN J. CAYETANO
Governor of Hawaii,"

was placed on file.

Gov. Msg. No. 302, submitting for consideration and confirmation to the Contractors License Board, the nominations of: R.P. BUCK SCHIPA, term to expire June 30, 2004; and TADY T. ARISUMI, AUDREY E.J. and the Chair granted the waiver.

RECONSIDERATION OF ACTION TAKEN

S.B. No. 1104, S.D. 1 (H.D. 1):

Senator Matsuura moved that the Senate reconsider its action taken on April 4, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1104, S.D. 1, seconded by Senator Kanno and carried.

Senator Matsuura moved that the Senate agree to the amendments proposed by the House to S.B. No. 1104, S.D. 1, seconded by Senator Kanno.

Senator Matsuura then noted:

"Mr. President, this measure relates to the foster parents to provide consent for foster children's educational/recreational needs. Both parties were in agreement."

At 12:11 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:14 o'clock p.m.

Senator Ihara rose and said:

"Mr. President, I'd like to ask what we're agreeing to when we make this vote."

The President responded:

"We are reconsidering previous action in disagreeing to the amendments made by the House to S.B. No. 1104, S.D. 1."

Senator Ihara continued:

"I understand that we're also voting to agree to certain unknown amendments, so I'd like to find out what those amendments are."

At 12:15 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:16 o'clock p.m.

Senator Matsuura then rose and said:

“Mr. President, according to this measure, the changes are technical and nonsubstantive.”

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1104, S.D. 1, and S.B. No. 1104, S.D. 1, H.D. 1, entitled: “A BILL FOR AN ACT RELATING TO AUTHORITY OF FOSTER PARENTS TO PROVIDE CONSENTS FOR THE FOSTER CHILD’S EDUCATIONAL AND RECREATIONAL NEEDS,” was placed on the calendar for Final Reading on Friday, April 20, 2001.

Senator Hemmings rose on a point of personal privilege as follows:

“Mr. President, I rise on a point of personal privilege.

“It was earlier in the Session that I stood on this Floor and called for the resignation of a union leader that was on the Judicial Selection Commission, and that union leader, much to his credit, did the honorable thing. Well I think it’s time to call for the resignation of another union leader and that’s the leader of the HSTA. Over the last week this State is in a state of crisis because of the educational strike.

“Union rank and file have done a really wonderful job of coming to our offices in pleading their case for their position regarding this issue and I think the Senate is ready to respond in kind with adequate funding of their request, but there’s tremendous hypocrisy in union leadership. In the last election, union leadership chose to ignore the express wishes of rank and file, according to their representatives that have been to my office, who wanted to endorse another candidate, and union leadership endorsed the status quo. I find it quite hypocritical at this point for that same leadership to be at the bargaining table allegedly as an adversary of the person who they overrode rank and file’s vote for to endorse. This is the type of duplicity and partisanship that has led this State to this condition we’re in today.

“So I would think the honorable thing for Karen Ginoza to do is to walk away from the bargaining table and let others in a leadership position in the union assume the role of leadership and hopefully the union will do what’s best for the students, for the rank and file, and for the people of Hawaii, not one political interest. Therefore, Mr. President, I hope this will seriously be considered and I think it would go a long way in bringing back credibility to union leadership. I think the rank and file, quite frankly, have been betrayed in ’98 and once again in negotiations in this terrible, terrible strike we’re suffering through.

“Thank you, Mr. President.”

Senator Sakamoto also rose on a point of personal privilege and stated:

“Mr. President, I rise on a point of personal privilege.

“In response to some of the previous remarks, Mr. President, during negotiations between any parties, both sides use tools, use strategies, use words to advocate a position. I personally feel that Karen Ginoza is strongly advocating her position. I think she sincerely feels she’s doing what is right for the teachers and for the students.

“Unfortunately, sometimes the media picks certain phrases or certain parts of people’s comments and seemingly creates controversy or creates feelings that people are doing things for

other reasons. But I sincerely believe in this effort to return our teachers and our students back to school. Both parties, administration and the teachers, as well as others, should cease from inflaming, cease from giving ammunition to our well-respected media, and work toward calming the waters so we can indeed come to a resolution and get students back in school.”

Senator Hemmings rose again on a point of personal privilege.

“Mr. President, I rise on a point of personal privilege in rebuttal.

“I did not intend to belabor and make a floor debate out of this issue, especially with the good Senator from Moanalua who’s been working so hard to resolve some of these issues.

“To blame the media for reporting on inflammatory comments regarding this situation I think is not quite fair. The facts are, and the teachers know it, they have been betrayed. They’ve been betrayed by the State, administration, and they’ve been betrayed, quite frankly, by their union leader who did everything in her power to support that leader of the State in the last election, including using labor union funds and resources to support the candidacy of the incumbent governor who they are now in an adversarial position with. This quite frankly hurts the teachers, and I think the teachers know it.

“So if we’re going to be enlightened and take some bold new leadership for the future, let’s put aside this partisanship. Let’s put aside this union endorsement of certain political figures at the expense of the entire State of Hawaii, and most especially the rank and file they’re supposed to be serving. The company store is now the State and the lunas are labor union leaders. Rank and file has had it and this is a situation I think should be addressed and addressed immediately because it is part and parcel of what we’re trying to do here.

“Thank you, Mr. President.”

Senator English also rose on a point of personal privilege and said:

“Mr. President, I rise on a point of personal privilege in rebuttal.

“Mr. President, this is nothing more than sour grapes. I have to say that Karen Ginoza is a person of her word; is a person who has been forthright with me and with many of us in here, but more to the point, Mr. President, what the good Senator from Kailua is pointing out is really what we’d say is ‘water under the bridge.’ Yes, there was an endorsement in the last election. Yes, many of the people . . . many of the teachers did vote for another party. Many of them voted independently, and that’s what we hope in a society that is a free society and a democratic society – one that values democratic principles.

“Now, Mr. President, when we throw kerosene like this on the fire, it explodes. Comments such as this really have very little to bear on the fact of the matter now. What we have now, Mr. President, is a union leadership, a union, rank and file that frankly, from what I’ve seen from all the people visiting my office, are working very closely together in concert with each other – leadership and rank and file. The message is pretty clear. And be it as it may in the past that they endorsed the current Governor in the last election, Mr. President, they’re sitting down on the opposite side of the negotiating table from him now.

“There was a movie once, ‘That Was Then And This Is Now.’ We’re dealing with the now, and the more we look back

on the past and what happened with allegations such as these about endorsements, what have you, it has nothing to do with the present situation – which is: we’re dealing with a strike, we’re dealing with different impassioned points of views on the value of teachers, what they should be doing, how we grade them, so to speak, and how our society values them. That’s what’s at stake.

“So I rebut the comments made by the previous speaker, the Senator from Kailua, and hope that we can move forward to a fair settlement for the teachers and for the children of Hawaii.

“Thank you, Mr. President.”

Senator Menor then rose and said:

“Mr. President, I want the words of the Senator from Wailuku and Kahului in support of Karen Ginoza to be inserted into the Journal as though they were my own.”

The Chair so ordered.

Senator Menor, Chair of the Committee on Commerce, Consumer Protection and Housing, requested a waiver of the notice requirement pursuant to Senate Rule 20 for H.C.R. No. 71, and the Chair granted the waiver.

At 12:26 o’clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:27 o’clock p.m.

At this time, Senator Matsunaga extended happy birthday wishes to Senator Ihara on behalf of the Senate.

ADJOURNMENT

At 12:30 o’clock p.m., on motion by Senator English, seconded by Senator Hemmings and carried, the Senate adjourned until 11:30 o’clock a.m., Friday, April 20, 2001.

Respectfully submitted,

Clerk of the Senate

Approved:

President of the Senate

FIFTY-THIRD DAY

Friday, April 20, 2001

The Senate of the Twenty-First Legislature of the State of Hawaii, Regular Session of 2001, convened at 11:39 o'clock a.m. with the President in the Chair.

The Divine Blessing was invoked by Father Michael Crosby, Co-Cathedral of St. Theresa, after which the Roll was called showing all Senators present with the exception of Senator Menor who was excused.

The President announced that he had read and approved the Journal of the Fifty-Second Day.

At this time, the following introductions were made to the members of the Senate:

Senator Kawamoto introduced Judge Walter Heen and commended him for his lifelong dedication to public service and for the integrity and loyalty he brings to all aspects of his commitment to the people of Hawaii.

Senator Ige congratulated the University of Hawaii Rainbow Wahine Basketball Team on their victory in the National Women's Invitation Tournament and their very first Final Four appearance and introduced the following representatives of the team: Christa Brossman, guard; Dainora Puida, center; Jade Abel, redshirt freshman; Head Coach Vince Goo; Assistant Coaches Da Houl, Serenda Valdez, and Jon Newlee; and Sports Information Director Neal Iwamoto.

At 11:47 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:54 o'clock a.m.

MESSAGES FROM THE GOVERNOR

The following messages from the Governor (Gov. Msg. Nos. 313 to 315) were read by the Clerk and were placed on file:

Gov. Msg. No. 313, dated April 12, 2001, transmitting the 2000 Hawaii Coastal Zone Management Annual Report prepared by the Department of Business, Economic Development and Tourism, Office of Planning, pursuant to Section 205A-3, HRS.

Gov. Msg. No. 314, informing the Senate that on April 19, 2001, he signed the following bills into law:

House Bill No. 415 as Act 9, entitled: "RELATING TO HARBORS";

House Bill No. 688 as Act 10, entitled: "RELATING TO THE EFFECTIVE DATE OF EXISTING USES UNDER THE WATER CODE";

House Bill No. 1257 as Act 11, entitled: "RELATING TO LEI DAY";

House Bill No. 1473 as Act 12, entitled: "RELATING TO MOTOR VEHICLES";

Senate Bill No. 1078 as Act 16, entitled: "RELATING TO THE UNIFORM SECURITIES ACT."

Gov. Msg. No. 315, dated April 20, 2001, transmitting his statement of objections to House Bill No. 824 which he has returned to the House without his approval and which reads as follows:

"EXECUTIVE CHAMBERS
HONOLULU

April 20, 2001

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 824

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 824, entitled 'A Bill for an Act Relating to Motorcycle Operator Education.'

The purpose of this bill is to amend section 286-108.4, Hawaii Revised Statutes, to provide that any motorcycle operator education program operated in Hawaii by any branch of the United States Armed Services shall be deemed approved and certified by the State Director of Transportation if the program (1) meets Motorcycle Safety Foundation standards and (2) is certified by the respective armed forces' installation commander.

This bill is objectionable because it is unnecessary and may result in undesirable inconsistencies with current efforts of the State Department of Transportation in this area. The department recently received recommendations of a blue ribbon panel of mainland experts on motorcycle operator education. To implement the panel's recommendations, the Director of Transportation is forming a task force to assist in drafting administrative rules to establish statewide requirements and a fair, equitable, and consistent procedure for certification of motorcycle operator education programs in Hawaii.

For the foregoing reasons, I am returning House Bill No. 824 without my approval.

Respectfully,

/s/ Benjamin J. Cayetano
BENJAMIN J. CAYETANO
Governor of Hawaii"

Stand. Com. Rep. No. 1676 (Gov. Msg. No. 216):

Senator Kanno moved that Stand. Com. Rep. No. 1676 be received and placed on file, seconded by Senator Matsuura and carried.

Senator Kanno then moved that the Senate advise and consent to the nomination of STEVEN S. ALM to the office of Judge, 2nd Division, Circuit Court of the First Circuit, in accordance with the provisions of Article VI, Section 3, of the

Hawaii State Constitution, for a term of ten years, seconded by Senator Matsuura.

Senator Kanno rose in support of the nominee and said:

“Mr. President, I rise in support of the nominee

“Mr. President, your Judiciary Committee received overwhelming testimony in support of the nominee, including support from a number of the chiefs of police and prosecutors from across the state, as well as the public defender and the dean of the William S. Richardson School of Law. The Hawaii State Bar Association subjected the nominee to rigorous review and evaluation before rating the nominee as ‘highly qualified’ for the position. That rating is the highest endorsement given by the HSBA for judicial appointment recommendations.

“The nominee received a Bachelor of Arts degree from the University of Hawaii, a Masters of Education degree from the University of Oregon, and a law degree from the McGeorge School of Law. He has been licensed to practice law in Hawaii since 1985. He has been an adjunct professor of law at the Richardson School of Law and a Deputy Prosecuting Attorney for the City and County of Honolulu. He is presently the United States Attorney for the District of Hawaii.

“Your Committee was impressed with the nominee’s involvement in the community, including his critical role with the Weed and Seed Program and the National Guard’s Youth Challenge Program.

“Mr. President, I urge my colleagues to support the nominee. Thank you.”

Senator Hanabusa rose to support the nomination as follows:

“Mr. President, I rise to speak in favor of this nomination.

“Mr. President, before I even contemplated running for office, being a politician, there was one politician that I would always stop to listen to – that was Mario Cuomo. I felt that he was probably one of the greatest orators of our time. After he left his governorship of New York, he wrote a book called The New York Idea: An Experiment in Democracy. This book was published in 1994 and it left an impression because Mario Cuomo was probably known for building the most prisons of any other governor. After he left his office, he contemplated and felt that may not have been the right thing to do.

“There’s a portion of that book that reminds me of Mr. Alm. It talks about, and this is quoting it, ‘The vast gap between federal and state responsibilities in the drug war has created a huge law enforcement problem at the state and local level. Where are you going to put all these people you’ve arrested? How do you cope with overcrowding? What is the best way to deal with them so that they won’t be re-arrested again for a similar drug crime? Until the federal government becomes a more active partner, New York, like other states, must cope on its own. A crucial strategy is to keep the infection of drugs from spreading into new territory.’

“What we have in Mr. Alm is someone who has filled this gap. I don’t believe we’ve had a U.S. Attorney who has taken such an active role or has invested in our community. The proof of that is the Weed and Seed Program.

“Mario Cuomo goes on in his book to say that there is yet another step, and that step is that once they become or they’re potentially incarcerated, how do we handle them? How do we stop this vicious cycle of drug addiction? How do we keep those who may be addicted, but not violent, from becoming

violent? We are fortunate because Mr. Alm, if he is confirmed by this body today, will go to the court. I believe that unlike many of his colleagues, Mr. Alm will not simply wear that black robe and, for those of us who may appear before him, sit high on the dais and look down upon us, but actually participate and be a voice in taking it to the next step. He will be able to address the concerns that Mario Cuomo raised to stop this vicious cycle.

“I think that we are very fortunate, and sometimes I wonder whether we should wonder why someone like Steve Alm would give up the opportunity to make the big bucks in private practice and do public service. But that’s to our benefit. And to have someone who has shown the independence and the ability to think of the community, to think about Weed and Seed, and now to serve in the next phase – the Judiciary – we are a very fortunate state.

“For that reason, I ask that my colleagues support this nomination. Thank you, Mr. President.”

Senator Kawamoto rose to speak in favor of the nominee and stated:

“Mr. President, I rise to speak in favor of this nominee.

“I’d be remiss not to acknowledge the fact that he chose God’s country to come and help us with our programs and ideas. He really did make a difference and we really appreciate the effort that is still being done on his behalf in God’s country.”

“I urge all my colleagues to vote ‘aye.’ Thank you.”

Senator Hemmings rose to support the nominee and said:

“Mr. President, I rise to speak in favor of the nominee.

“I did not read Mario Cuomo’s book, but in conversations with the nominee, I’m 100 percent convinced that he knows that sitting on the dais of a state court is that his job is going to be to administer the law in the fairest and most just manner possible. He demonstrated that as a prosecutor and in his public service years, and that’s the most we can ask out of a judge.

“I know that Steve Alm is going to be, above all, fair, nonpartisan, and impartial in making sure that justice is blind. And in doing it, I also know that he is not going to try to rewrite laws from the bench. He knows there is a separation of power and that responsibility is vested here on the Floors of these Chambers – the House and the Senate. Therefore, it is with great pleasure that I highly endorse his nomination to the First Circuit Court for a ten-year term.

“Thank you, Mr. President.”

Senator Slom rose to speak in favor of the nominee with reservations as follows:

“Mr. President, I rise to speak in favor of the nomination with reservations.

“I admire and respect Mr. Alm for many of the things that he has done. I think he has unquestioned integrity and a very strong work ethic. I think his community involvement is very diversified and very laudable. The Weed and Seed Program has been an excellent example and an excellent model for all of us, and I think Mr. Alm has represented the drug dealer’s worst nightmare in Hawaii. Those are all positive things.

"I did ask the nominee a number of questions in the Judiciary hearing the other day. I think the only problems and the only lingering doubts that I have, have to do with areas of corruption – white collar and government corruption in Hawaii – and a number of incidences that have been brought up where people in this state had gone to the state courts, the state judiciary, and felt that because it was so cozy, since many of the state judiciary people came from this very chamber or from another chamber across the hall, that they could not get an adequate hearing. So they sought relief from the federal government and from the U.S. Attorney's Office, and specifically in the area of government corruption, in the area of government self-dealing by public officials in this state, and in the area of voter irregularities and voter fraud. It didn't seem that anything was actually done and none of the cases were actually moved forward, even though there was an effort to jointly work together between the U.S. Attorney's Office and the Federal Bureau of Investigation.

"So, for these reasons, I do have lingering reservations. They are not severe or strong, as some of my colleagues have had on other bills. And, as I say, generally speaking, I think that Mr. Alm has done an excellent job and that he will make an excellent judge. So I give my support on those grounds.

"Thank you, Mr. President."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Menor).

At this time, Senator Kanno introduced Judge Alm to the members of the Senate. (Judge Alm, who was seated in the gallery, rose to be recognized.)

At 12:06 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:09 o'clock p.m.

FINAL READING

S.B. No. 1104, S.D. 1, H.D. 1:

On motion by Senator Matsuura, seconded by Senator Kanno and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1104, S.D. 1, and S.B. No. 1104, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO AUTHORITY OF FOSTER PARENTS TO PROVIDE CONSENTS FOR THE FOSTER CHILD'S EDUCATIONAL AND RECREATIONAL NEEDS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Menor).

RE-REFERRAL OF GOVERNOR'S MESSAGE

The Chair re-referred the following governor's message that was received:

Governor's
Message Referred to:

No. 295 Jointly to the Committee on Economic Development and Technology and the Committee on Tourism and Intergovernmental Affairs

Senator Ihara rose on a point of personal privilege as follows:

"Mr. President, I rise for a point of personal privilege.

"Mr. President, there was a piece today in this morning's Advertiser by five of our newest Senators on budget worksheets. First of all, I'd like to acknowledge and thank the Senate leadership and the WAM Chair for finally publishing the worksheets on the Internet. I wanted to say that I agree with your sentiment that the worksheets should have been made public in 1999 when . . . I'm not sure if they sought that back then, but . . . and while I was Majority Leader, we should have done it back then and we didn't. I'm glad that the leadership has done it finally. I applaud the five Senators for their efforts back in 1999 for opening up the legislative process.

"Finally, I want to encourage these Senators and leadership to continue their good work in pro-democracy efforts to reform the legislative process – for example, in putting the public hearing testimony on the Internet as well as webcasting all of our legislative proceedings from our capitol conference rooms on the Internet, which is a very easy matter to do. Maybe in the future that can be done.

"Thank you again for the leadership and WAM Chair."

Senator Kim, Chair of the Committee on Tourism and Intergovernmental Affairs, requested a waiver of the notice requirement pursuant to Senate Rule 20 for H.C.R. No. 50, and the Chair granted the waiver.

Senator Chun Oakland rose on a point of personal privilege and said:

"Mr. President, I rise on a point of personal privilege.

"I also wanted to acknowledge and celebrate the openness of the budget worksheets. I believe, along with Senator Ihara and many of the Senators who also were House members, we've been very strong advocates of this. I just wanted to acknowledge my colleague from Kaimuki who has been advocating for this for many years.

"Thank you."

RECONSIDERATION OF ACTIONS TAKEN

S.B. No. 982 (H.D. 1):

Senator Taniguchi moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the

amendments proposed by the House to S.B. No. 982, seconded by Senator Hanabusa and carried.

Senator Taniguchi moved that the Senate agree to the amendments proposed by the House to S.B. No. 982, seconded by Senator Hanabusa.

Senator Taniguchi noted:

"Mr. President, this is an emergency appropriation request that was requested by the Governor and relates to the state irrigation program."

Senator Slom rose to speak with reservations and said:

"Mr. President, please permit me to make a statement on this in support with reservations of these bills.

"We've been told that we have emergency appropriations all the time and my definition of an emergency is something that has come up that reasonable people could not have anticipated. All of these things that we're discussing today and we're reconsidering today we have talked about before, we have considered them before. And while some of them may be very worthy, to call them emergency and to continue to budget this way and to pass legislation with emergency shows a lack of planning, it shows a lack of fiscal restraint.

"In addition to that, we have a problem because our State Constitution has an expenditure level. I noticed that in the change for the House drafts, the language referring to the exceeding of the state expenditure level has been removed. It is not discussed in these bills.

"In addition to that, all of the measures are required to disclose what the emergency conditions are and what the urgency is that requires us to act in an emergency fashion and none of these bills really do that. So we're asked again to spend millions upon millions of dollars when the real emergency that we can see is up in the gallery and outside in the front and we don't settle that.

"So, Mr. President, I will be voting for these bills with reservations because I know that many of them are Felix related. But even here again, for the first time we have questioned how the expenditures are being monitored and accounted for under Felix. We need to do a much better job and that really is the basis for whether or not we have money for other priorities.

"Thank you."

At 12:17 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:18 o'clock p.m.

Senator Taniguchi rose in rebuttal as follows:

"Mr. President, just a short rebuttal.

"I think the Senator from Hawaii Kai is aware or he should be aware that when we talk about emergency, emergency is a term that means that the monies that we're appropriating will be used in the current biennia, not in the future one. Therefore, that's the term and it has to come from the Governor. That's why it's an emergency.

"Thank you."

The motion was put by the Chair and carried.

Senator Taniguchi then moved that S.B. No. 982, H.D. 1, having been read throughout, pass Final Reading, seconded by Senator Hanabusa.

Senator Slom requested his vote be cast "aye, with reservations," and the Chair so ordered.

Senator Hemmings rose with reservations and said:

Senator Hogue rose with reservations as follows:

"Mr. President, I also rise in support with reservations.

"I think I understand the volatility of the issue right now before us regarding emergency appropriations for Felix but there are so many concerns out there regarding reporting, accountability, and communication between the departments. I applaud the Legislature's efforts to set up some sort of investigative task force on this particular issue, but we are not there yet. The numbers have changed too many times throughout this Session and we need to look at the process.

"Therefore, I will be voting with reservations. Thank you."

Senator Hemmings then requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1084, S.D. 2, and S.B. No. 1084, S.D. 2, H.D. 1, entitled: "A BILL FOR AN ACT MAKING AN EMERGENCY APPROPRIATION FOR EDUCATION," having been read

ORDER OF THE DAY

ADOPTION OF RESOLUTION

MATTER DEFERRED FROM MONDAY, APRIL 23, 2001

S.R. No. 104:

Senator Ihara moved that S.R. No. 104 be adopted, seconded by Senator Chun Oakland.

Senator Ihara rose in support of the measure and said:

"Mr. President, I rise in support of S.R. No. 104.

"Mr. President, S.R. No. 104 seeks to amend the Rules of the Senate. If adopted, it would nullify any Conference procedure that adds or detracts from Senate Rule 23 (3), which requires only a majority vote to report a bill from a Conference Committee. Adoption of this resolution would, in effect, repeal the Conference procedures amendment of April 12 that gives a single Chair veto power over legislation even when all other Committee members support the bill.

"Why is it important to repeal the new Conference Chair veto rule? Because this Chair veto power is two giant steps backwards from the open legislative reforms instituted in recent Sessions. Giant step backward number one is the return to the decades-old political chieftain system that existed before 1997 almost exclusively in the Senate. In this system, Majority Senators acted as king or queen of the committee they chaired. Each chair had single and ultimate authority in their committee jurisdictions because all the chairs agreed and benefited from this set up. But the 'chair is god' system, along with bizarre public behavior ended abruptly in 1997 when a power sharing system of co-chairs was installed. This power sharing system worked best when chairs collaborated because no longer could a single chair act alone. The new conference chair veto power rule or procedure, as it's called, would reverse this direction. Rather than power sharing politics, it would return chairs to the

exalted status of having life or death super powers over legislation. This we should not do.

"Giant step backwards number two is a giant step backwards from the pro-democracy reforms achieved only last Session in Conference Committees and only after a fight to make it happen. This was in the 2000 Legislative Session. Incredibly, it took 15 years for the State House to conduct its committee decision-making in public while the Senate started even later in 1995 finally bringing the Legislature in compliance with a 1978 adopted open voting requirement in our Hawaii State Constitution. Last Session, after four months of public outcry and a lawsuit, Conference Committees were finally required to vote in public – 22 years late.

"I believe that legislative leaders last Session opposed open voting in Conference Committees because it increased the risk of chairs being outvoted by their committees, which they had to do for the first time last Session. For example, last Session, the Senator from Palolo chaired a Conference Committee on S.B. No. 2311, the 'Tanya bill,' and was outvoted in public by his Senate conferees. The bill decked, was adopted on the Senate Floor, and we all accepted this return to democracy.

"Two years prior in 1998, however, Conference Committees made decisions in secret, casting their votes by signing a committee report, never voting in public. Back then, which is recent past, the Chair could simply hold the committee report, not circulate it, and therefore single-handedly kill a bill – not so anymore with last year's reforms . . . or so we thought.

"The recent procedural amendment restores the veto power that Conference Chairs once had before the recent reforms. This reversal could lead to situations, for example, in a ten member Conference Committee (five House and five Senate conferees), with all five House members voting aye along with four of the five Senate conferees, with a lone Senate Chair voting no, after the vote on such a measure, an announcement would then have to be made to the public that the measure had failed. Mr. President, I don't think this qualifies for democracy.

"Mr. President and Senators, please don't let this retreat from democracy be what the public remembers us for having accomplished this Session. I urge all my colleagues to vote in favor of this resolution.

"Thank you."

Senator Chun Oakland rose in support of the resolution and said:

"Mr. President, I also stand in support of this resolution.

"The present rule in question is one of a series of legislative reforms successfully implemented over the past decade to create a more open accountable government in Hawaii – one that fosters sharing of power and responsibility among members of the Senate and House of Representatives. Even with the tremendous resistance, we patiently but vigilantly have made progress over the years and there is still much to be done.

"I've been in the Legislature for now almost 11 years, so I'm speaking from that perspective. There were many barriers back then that made it very difficult for the public to meaningfully participate in the legislative process. In the 1980s as a legislative staff member and a person in the public, it was very frustrating to have been a part of many democratic processes in public and in the community, only to view firsthand a very closed state legislative process.

"I have had a deep commitment, personally, to support and make changes that would make the legislative process more public friendly. In the past, bills that the public wanted heard could be held by the Chair without a hearing, with no recourse. We now have adopted, in 1993 in the House and in the Senate, a rule where a majority of Committee members can formally request a Chairperson to schedule a bill and that the bill must be scheduled for hearing. In 1993 and 1995 we also adopted a rule in the House and Senate respectively that requires a quorum of Committee members to be present at any decision-making on a bill or resolution so that the public would be able to know firsthand how their elected Senators and Representatives vote on various issues.

"There have been discussions in the past to even require a majority of Committee members present at public hearings, since too often the public sees very few Legislators at these Committees when they have taken time off to be present. But there is still a lot of resistance, at least in the past, and it is due in part to some practical realities of our four-month Legislative Session.

"Another area of concern was having ample public notice for hearings so that people would meaningfully participate in the hearing process. From a required 48-hour notice, we have increased it to 72-hours or 3-days notice – still probably too little for the public to meaningfully participate, but we also had to acknowledge and compromise on this by balancing the time constraints of the Legislature to do the people's business. The Committee hearing notices, which once only had the bill or resolution number and title, now (by rules adopted in '93 in the House and I believe it was '97 in the Senate) require a short description of the bill so that people in the public would have some idea of what the bills are about.

"It seems pretty simple, but it makes a whole difference to the public. We still have much to do. I think even the Order of the Day is still not user-friendly for the public, but that will be for another day.

"In the past decade, we have also attempted to increase the opportunities for the public to know what is going on in the Legislature, especially since many people work during times when we have public hearings. We've done this through the public access room, which is well utilized now; cable coverage of many but not all legislative hearings and briefings; and facsimile machines that allow people to get notices in a more timely manner as well as be able to provide testimony for hearings and briefings when they are not able to come to the Legislature at the State Capitol.

"Most recently, this year opening up the budget worksheets to the public has been a phenomenal accomplishment. I, many Legislators, and the public are very happy to finally achieve this after, at least for myself, a decade-long effort to make things more public and understandable. I need to thank the Senate leadership as well as the House leadership for this.

"Finally, in 2000 the agreement was reached between the House and Senate to adopt rules that required open voting at Conference meetings and a majority of Conference Committee members to vote in the affirmative to pass out a measure. Again, the reason for the change was to work towards a more open and accountable legislative process – one that shared power among all of us. The agreement recently made between the Senate President and House Speaker, whether intended or not, basically brings us back to the pre-2000 period where one Conference Chair could basically override the wishes of the majority of conferees and kill bills where the managers of the Conference and other Chair's votes would not matter again.

"There are other loopholes that need to be addressed to better assure that one Chair cannot override the majority and our efforts have to continue to encourage responsibility among all of us. Please do not eliminate one reform that has taken almost a decade to put in place.

"I urge all of you to keep up the momentum of positive legislative reform and to support this resolution. Mr. President, thank you for the time. I do hope that we have a Roll Call vote on this matter. Thank you."

Senator Matsunaga rose in support of the measure and said:

"Mr. President, I rise in support of S.R. No. 104.

"First, may I ask that the eloquent words of the Senators from Kaimuki and Liliha be entered into the Journal as if they were my own.

"Mr. President, as a member of this august body for the past nine years, I'm very, very proud of the pro-democracy strides that we have made. We have evolved from the 'chair is god' system to the system that we had last year – a system where Conference Committees voted openly in public and where Conference Committee votes actually had some meaning.

"This new amendment of April 12th that the Senator from Kaimuki spoke of is not a moment we in this body should be proud of. It is a step backwards, limiting participation from committee members. Rather than allowing members to give input stimulating discussion on content, it is mimicking a tyrannical style of governing that is simply inconsistent with the openness and democracy that we have sought to achieve here in the Senate.

"So why are we doing this? This seems to be one of those unanswerable questions that we ponder – like, why don't you ever see the headline 'Psychic wins lottery?' Or why is it necessary to nail down the lid on a coffin? Or why is lemon juice made with artificial flavor and dish washing liquid made with real lemons? I don't think we have the answer to any of those questions today, Mr. President. But, Mr. President, we should at least be honest with ourselves, honest in our rules, and change the name of the Conference Committee Chair to Conference Committee Czar, because that is basically what it is.

"Mr. President, finally, to change the rules in the middle of this game is simply unfair, unjust, and unnecessary, and I urge all my colleagues to vote 'yes' on this resolution.

"Thank you, Mr. President."

Senator Chun rose in opposition to the resolution and said:

"Mr. President, I rise in opposition to the resolution.

"Mr. President, I agree with a lot of the eloquent words of my fellow colleagues over here but today is not the day that we're going to talk about open meeting. This resolution has nothing to do with open meeting. There is still going to be open meetings and we support that wholeheartedly. There will be open voting and we support that wholeheartedly.

"There is a requirement that a Chair cannot veto a Conference Committee by not signing the report, and that has not changed by the President's statements or the conference committee report.

"What we're talking about here, members, is the prior concurrence rule. We're talking about, really, form over substance. By this resolution, we're elevating form over the

real substance of what we're talking about. Because, Mr. President and members, the real substance of what we're talking about is the fact – Does a Chair have the opportunity or the authority, depending on which side you stand on, to stop a bill at any time? That provision, though, Mr. President, is not contained in Rule 23 because Rule 23 just talks about the physical act of signing a report. That, Mr. Chair, is talked about in Rule 17, which is a written rule adopted by this body this year in the beginning of our Session. That, as we all know, is called the prior concurrence rule and that is contained in Rule 17 (2).

"By adopting that prior concurrence rule, we're stating in writing that a Chair of basically any subsequent committee, Conference Committee included, cannot override or change a bill without the prior concurrence of the prior Chair. What the Conference Committee recognizes in that, and through your agreement, is the fact that the Conference Committee cannot override or change a bill that a prior Chair has done. That, in essence of whether you call it a veto, or call it a change, or call it any kind of magical czar doesn't alter the fact that we do have a rule there.

"That's the rule, Mr. President, we should talk about, not about signing a report under Rule 23. We should talk about do we want prior concurrence? Yes or no? Do we want to do away with prior concurrence and just let the last Chair make any changes they want? If that's the case, then we'll just get rid of subject matter Chairs and just have WAM or Judiciary or CPH. But we're not talking about that.

"We now, at this point in time, have recognized prior concurrence in our Rules. For us to change that in Conference would basically ignore all the work of your subject matter Chairs in the previous years. Two-thirds of the work that we've done is completed by the subject matter Chairs. This resolution would say we forget about all that and a Conference Committee can overrule all the work you've done. Do we really want that? I don't think so.

"I think those are very good issues that we should talk about, but let's talk about it in terms of the whole system and not just the Conference Committee. Because if we're going to change prior concurrence, we shouldn't change it just in Conference. We should change it also from the beginning of Session so everybody knows what the rules are from day 1 to day 90. We shouldn't be changing our rules in the middle of the game. I agree with the statement made by the Honorable Senator that we should not be changing the rules. This resolution would do that.

"We need to elevate substance, not form. We need to be consistent with our rules both during the Session and in Conference, and we need to work on these rules just like we worked on, Mr. Chair, in caucus in the beginning of this Session. We worked on these rules. These rules were not dictated solely by the President or by leadership. These rules were worked on by all the members of the Majority. We made some changes based upon some of the comments by the members of the Majority. Also, I believe some of the members of the Minority had some comments in there too. We worked on these hard. For the first time, these rules were openly discussed and not handed down. These rules were amended to take care of some of the discussions.

"We anticipate that we will have other discussions and other changes to these rules, but we shouldn't do it in the middle of the game. We're open to doing it next year before the beginning of Session. I welcome that because we welcome the real substance of prior concurrence. We need to talk about that, but it needs to be talked about from the very beginning in

regards to the entire set of our rules, not just in Conference but the entire Session.

"So, Mr. President, based upon those grounds, I respectfully would vote 'no' against this resolution not because I don't think it has merit, but I think the timing is wrong. I believe it would be changing our rules in the middle of the stream, and I think it would be setting a dangerous precedent by basically cutting out all the work that has been done by our prior chairs in favor of the Conference Committees. I don't believe that has been done and I don't believe we want to do that now.

"Thank you, Mr. President."

Senator Ige rose to speak in support of the resolution and said:

"Mr. President, I rise to speak in support of the resolution.

"Mr. President, I just wanted to respond to the previous speaker. Our rule on prior concurrence reads as such: 'On bills that have been referred to more than one committee, unless otherwise ordered by the Senate, the subsequent referral committee shall make no substantive change, except changes which affect the subject matter over which the subsequent referral committee has primary jurisdiction, without prior written approval of the preceding referral committee chair having primary jurisdiction over the subject matter affected by the change.'

"Prior concurrence only refers to a veto authority within the jurisdiction of the committee. It does not allow previous Chairs to have veto authority over the entire substance of a measure. This rule proposal that is contained in S.R. No. 104 is totally consistent with the existing language on prior concurrence, and prior concurrence in Rule 17 (2) has a provision where the majority of the Senate can overrule the wishes of any of the committees involved.

"So I strongly urge all of my colleagues to vote in support of this resolution."

Senator Hanabusa rose in opposition to the measure and said:

"Mr. President, I rise in opposition to the resolution.

"Mr. President and colleagues, like my good Senator from Kauai, this is really more an issue of a matter of time and open discussion as to what our procedures are going to be.

"I rise in opposition to the resolution itself and the assumptions that are made therein. Arguably, one may say that it really may be more in the nature of a point of order. But to have raised a point of order at this point in time would have been viewed as silencing debate, which is not what this body is about or what this leadership is about. Leadership has always encouraged open debate, and this debate is a good debate.

"However, let's look at what the Senate resolution is premised upon. The whereas admits that the House and Senate leadership traditionally and as a matter of practice have agreed to joint written procedures which is at issue here. These are joint written procedures that govern our present situation, which is the conferencing. But what does that tell us? That tells us that it is a written procedure that comes at this stage of the whole process. It does not tell us that it is a Senate Rule.

"The concern over the openness that we've heard, the concern over the retreat from democracy, per se, these are issues that should have been incorporated in our Senate Rules because we know that at this stage of the proceedings we have

traditionally, and as a matter of practice, entered into the kinds of written procedures that we have. We also know these written procedures have been left to various persons in leadership. In the past, they have been the Majority Leader. This year it was the President and the Speaker of the House.

"Let's also look at the other premise that this resolution is based on. It is that there is a conflict of Senate Rule 23 (3) with the procedure. What that means, Mr. President and my colleagues, is that we must first make a decision as to whether there is a conflict. Rule 23, subsection 3, basically states, as in the second page of this resolution, that 'A Conference Committee shall not report upon the matter referred unless a majority of the members appointed by the President have concurred in the report.' That's what it says. It doesn't say that it is only the majority. It doesn't say that it can't be modified in any way to say that Conference Chairs must not be required to agree. It doesn't say any of that. It simply says that in order for a report to come out, you must have the majority.

"So, for us to vote on this resolution, this is what we must concur with. We must concur first that there is a conflict. Mr. President, I don't see that conflict. I don't see that conflict in the rules. Therefore, this resolution, which is based upon that, I believe, should fail. Because for us, what we would have to do first is to find that conflict. I would impress upon you, Mr. President, as well as my colleagues, that it does not exist.

"The issues that are raised, the arguments that we've heard today are very important. It may be the next steps that we would have to consider in terms of incorporating it into the Senate Rules now that we've had this issue raised. But this is in the middle of the game. We have all conferenced. We have almost . . . my good Chair of WAM from Manoa keeps telling us 'We may close tonight. We may close tonight.' How much closer can we be? But to now say that what the Senate President and the Speaker of the House have agreed to is in violation of a rule, what does that do to us procedurally? Do we go into extended Session to undo everything if we have this situation? Is there something wrong with the decisions that the Chairs may or may not have made?

"Remember, this is just one aspect. There are other ways that matters may not come before us. For example, there may not be conferees named, which means that bill will not be conferenced. Chairs can still not agree to conference. That's still permissible. Or they can agree not to show up. Or they can just not show up and then what happens to the bill? This is just one of the problems that we may be faced with, but those are not before us today.

"Mr. President, what is before us is this resolution based upon the assumptions that I've said. It concedes that it has been the tradition and practice for the leadership to determine what will happen. If that is not what we wish, then colleagues, we have to amend the rules to prevent that. But the rule that is being sought to be amended here is only 23, subsection 3, and that I do not see a conflict with. That is something that I cannot agree with this resolution about because this resolution is based on that premise.

"Thank you, Mr. President."

Senator Chumbley rose in support of the resolution and said:

"Mr. President, I rise to speak in support of this resolution.

"The previous speaker very eloquently talked about some of the issues of form over substance in the actual writing of this proposed amendment. I want to concentrate on the principles of what is going on if this resolution is not adopted.

"Recently, a Legislator held a meeting, and in that public meeting the Legislator was heard to say that under the Rules of the Senate or the House, the Conference Committee needs his or her signature on the bill for it to pass. He or she wasn't going to sign off unless the bill included the stuff he or she wanted. That's the principle that we're talking about.

"What we're talking about is that the fundamental principle of the majority rules is being abused with this change in the policy. This resolution, if adopted, would help resolve that issue. If it's not adopted, why have committees? Why have Conference at all? Just have the czar, the chair czar that makes all the decisions. I don't think any of us want to be in that position.

"Those of you who are Chairs this year, you've got a lot of power. Those of you who are not, who have been Chairs in the past, we're just bench players – we fill space, that's all we do. I don't think that's what the public sent us here to do.

"I encourage all of you to support this resolution. Thank you."

At 12:15 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:25 o'clock p.m.

Senator Ihara rose again in support of the resolution and said:

"Mr. President, I have some final remarks in support of this resolution.

"One of the previous speakers mentioned the prior concurrence rule, rule 17. I know some would want it, and wish it, and might even will it, but this rule does not apply to Conference Committees. I should note that Conference procedures have been adopted in the past which handled administrative and logistical procedures for Conference Committees because there is no authority in the Senate Rules that gives the President authority to adopt Conference procedures.

"In the past, Conference procedures were consistent with both Mason's and Senate Rules. I object to the use of Conference procedures to alter the power relationships amongst the Senators. I believe that if this is done, it should have been done in a rule.

"The only reason this vote is being taken today is because it was just a few short days ago that for the first time in the history of the Senate there is an attempt to put in a rule, or the effect of a rule. This is not an advisory matter; this is a binding matter. For the first time in the history of the Senate, at least in the last two decades, there is an attempt to make as a rule to give the power of the Chair, making the Chair czar.

"In the past, a rule was not necessary. It was done because the 'Senate Club' could maintain its internal control. But because we are in a climate where the public has higher expectations, as we discussed previously, many, many reforms have taken place in the last few years, and this type of power concentration is no longer acceptable. I believe that we should not let today be the first time that we let this happen.

"Thank you."

Senator Chun rose in response and said:

"Mr. President, I rise in response to the comments made by the Honorable Senator from Kaimuki.

"Mr. President, first, there is nothing in Rule 17 which limits its applicability. Rule 17 regards subsequent referrals and makes it clear that it's included in all subsequent referral committees including Conference Committees. There is no limiting language in that rule.

"Secondly, it's interesting to note the resolution itself states that it is a prior practice of the Senate Chair and the Senate President and the House Speaker to do these rules, yet there is a statement in there also or has here today that these rules are unlawful under Senate Rules. However, I want to expressly note that the Senate Rules, specifically Rule 86, mentions that prior usage and custom is adopted as stated in Mason's Manual of Legislative Procedure. Rule 86 says Mason's Manual of Legislative Procedure, 2000 edition, which was an amendment made by the Honorable Senator from Maui and Kauai, is adopted when the rules are silent. Mason's Manual, specifically in sections 38 and 39, specifically adopts prior usage and custom.

"So I would say, by our own actions and by our own rules, if it was a prior custom and usage of the Senate President and the House Speaker to adopt Conference Committee procedures and rules, we need to honor that because that's recognized in our own Senate Rules.

"But I don't even want to belabor that point because the bottom line question is what I said before – let's not elevate form over substance. The form is whatever rule we're talking about. The substance is the question, Do we allow any Chairman to veto a bill in Conference whether they veto it by voting no, whether they veto it by not showing up, whether they veto it by not signing the committee report? There are many ways that we've been told that a committee Chair can kill the bill. By this resolution, we're only adopting one – the vote. What's going to happen? If we talk about open government, if we really want open government, this will do the opposite, because what happens if you're going to say, 'Well, you're going to have to vote out there.' The committee Chairs are going to say, 'Well, I'm going to use the other alternative – I'm not going to sign the committee report or I'm not going to show up.' That effectively kills the bill. Is that going to help the public understand what's going on? No.

"That's why I think what we should do is address the main issue and how that issue applies to all our rules, not just one. This matter doesn't do that. This should be taken up at a later time and let's continue with our business, Mr. President.

"Thank you."

Senator Hemmings rose to speak against the measure and stated:

"Mr. President, I rise to speak against the resolution.

"Mr. President, being a member of the Minority Party, this resolution presents a tremendous paradox. On one hand we, for years, have been advocating more openness in government, more decision making with the Majority Party, but this is really a battle between perception and substance. I think the promise I made myself years ago when I got involved in this wonderful world of politics is I would not let myself succumb to perception at the expense of substance – that is not to try to look good while doing something without substance or validity.

"I don't know what is happening in the House concerning for instance an issue such as budget worksheets, but I do know

what's happened in the Senate. I do know that under your leadership and under the leadership of the Senate Ways and Means Committee for the first time I think in the State of Hawaii, I, as a Committee member, regardless of my political affiliation, could walk out of the Finance Committee meeting with the budget worksheets. It's been a tremendous help to me and to my constituents in the Koolaupoko district.

"This is substance, Mr. President, my colleagues. This is something that has made a difference in my constituents' lives because now they know what's not getting funded, but it's information, Mr. President. So I could easily fall into the trap of going with the perception of what's going on, but in speaking against this resolution, I'm speaking in favor of substance. Quite frankly, putting aside the partisan labels, I'm proud of what this Senate has been doing this Session and I think we're continuing down the path of open government and open decision making. If I was to side with what appears to be politically convenient, I might go along with the perception.

"I'm asking members of this body to please examine your conscience and ask what you're really doing here. Are you playing into the hands of perception or are you going with substance? Mr. President, I'm going to stick with substance and I'm voting 'no' against this resolution. I believe what the Co-Majority Leader has said regarding ways that bills can be killed is very true and that this effort is more a matter of perception than substance.

"Thank you, Mr. President."

The motion was put by the Chair and, Roll Call vote having been requested, S.R. No. 104, entitled: "SENATE RESOLUTION AMENDING THE RULES OF THE SENATE OF THE TWENTY-FIRST LEGISLATURE OF THE STATE OF HAWAII, 2001-2002," failed to be adopted on the following showing of Ayes and Noes:

Ayes, 7. Noes, 18 (Buen, Bunda, Chun, English, Hanabusa, Hemmings, Inouye, Kanno, Kawamoto, Kim, Kokubun, Matsuura, Menor, Nakata, Sakamoto, Slom, Tam, Taniguchi).

ADVISE AND CONSENT

Senator Chun moved that Stand. Com. Rep. No. 1722 be received and placed on file, seconded by Senator Kokubun and carried.

Senator Chun then moved that the Senate advise and consent to the nominations of COLETTE P. MACHADO and CRAIG NEFF to the Kaho'olawe Island Reserve Commission, terms to expire June 30, 2005, seconded by Senator Kokubun.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

RECONSIDERATION OF ACTIONS TAKEN

S.B. No. 1050, S.D. 1 (H.D. 1):

Senator Hanabusa moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1050, S.D. 1, seconded by Senator Chun and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives,

the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 1050, S.D. 1, on the following showing of Ayes and Noes:

Ayes, 3 (Hanabusa, Buen, Chun). Noes, none. Excused, 2 (Kim, Hemmings).

Senator Hanabusa moved that the Senate agree to the amendments proposed by the House to S.B. No. 1050, S.D. 1, seconded by Senator Chun.

Senator Hanabusa noted:

"Mr. President, S.B. No. 1050, S.D. 1, is the drop dead provision for special purpose revenue bonds. Originally when the Governor sent his bill down, he asked for three years. The Senate version was seven and the House is five. We're asking that the Senate agree to the five and that's why we're asking to reconsider our action."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1050, S.D. 1, and S.B. No. 1050, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE AUTHORIZATION OF SPECIAL PURPOSE REVENUE BONDS," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 64, S.D. 1 (H.D. 1):

Senator Kanno moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 64, S.D. 1, seconded by Senator Matsuura and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 64, S.D. 1, on the following showing of Ayes and Noes:

Ayes, 3 (Kanno, Matsuura, Slom). Noes, none. Excused, 1, (Ihara).

Senator Kanno moved that the Senate agree to the amendments proposed by the House to S.B. No. 64, S.D. 1, seconded by Senator Matsuura.

Senator Kanno noted:

"Mr. President, S.B. No. 64 creates the offense of interference with the reporting of an emergency or a crime. The House amendments include changing the offense from preventing to interfering with the reporting of an emergency or crime, deleting attempts to prevent as an element of the offense, and changes the offense to a petty misdemeanor from a misdemeanor."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 64, S.D. 1, and S.B. No. 64, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CRIME," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 65 (H.D. 1):

Senator Kanno moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 65, seconded by Senator Matsuura and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 65 on the following showing of Ayes and Noes:

Ayes, 3 (Kanno, Matsuura, Slom). Noes, none. Excused, none.

Senator Kanno moved that the Senate agree to the amendments proposed by the House to S.B. No. 65, seconded by Senator Matsuura.

Senator Kanno noted:

"Mr. President, S.B. No. 65 was a gut and replace on the House side. The Senate version was not agreed to. The House version, which we are agreeing to, requires persons to whom penal summonses have been issued for a criminal offense and who have been convicted, granted a deferred plea, or granted a conditional discharge to undergo identification processing for criminal history records."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 65 and S.B. No. 65, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CRIMINAL PROCEDURE," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 67, S.D. 1 (H.D. 1):

Senator Kanno moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 67, S.D. 1, seconded by Senator Matsuura and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 67, S.D. 1, on the following showing of Ayes and Noes:

Ayes, 3 (Kanno, Matsuura, Slom). Noes, none. Excused, 1 (Ihara).

Senator Kanno moved that the Senate agree to the amendments proposed by the House to S.B. No. 67, S.D. 1, seconded by Senator Matsuura.

Senator Kanno noted:

"Mr. President, S.B. No. 67 allows the court to deny without a hearing motions to dismiss or to modify terms of existing protective orders. The Conference Committee agreed with the House amendments requiring allegations of a material change rather than a significant change in circumstances for a hearing on a motion to dismiss or to modify the terms of an order of protection."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 67, S.D. 1, and S.B. No. 67, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO DOMESTIC ABUSE PROTECTIVE ORDERS," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 69, S.D. 1 (H.D. 1):

Senator Kanno moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments

proposed by the House to S.B. No. 69, S.D. 1, seconded by Senator Matsuura and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 69, S.D. 1, on the following showing of Ayes and Noes:

Ayes, 3 (Kanno, Matsuura, Slom). Noes, none. Excused, none.

Senator Kanno moved that the Senate agree to the amendments proposed by the House to S.B. No. 69, S.D. 1, seconded by Senator Matsuura.

Senator Kanno noted:

"Mr. President, S.B. No. 69 repeals a three-year time limit of protective orders. The Senate is agreeing to the House language which requires that the initial time period and extensions must be of reasonable lengths."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 69, S.D. 1, and S.B. No. 69, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO PROTECTIVE ORDER," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 98 on the following showing of Ayes and Noes:

Ayes, 3 (Kanno, Hanabusa, Hemmings). Noes, none. Excused, 1 (Ihara).

Senator Kanno moved that the Senate agree to the amendments proposed by the House to S.B. No. 98, seconded by Senator Matsuura.

Senator Kanno noted:

"Mr. President, S.B. No. 98 repeals the sunset date of June 30, 2002, in the legal services for the indigent act. The differences that we are agreeing to in the House version are technical and nonsubstantive."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 98 and S.B. No. 98, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO LEGAL SERVICES FOR THE INDIGENT," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 423, S.D. 1 (H.D. 1):

Senator Kanno moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 423, S.D. 1, seconded by Senator Matsuura and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 423, S.D. 1, on the following showing of Ayes and Noes:

Ayes, 3 (Kanno, Matsuura, Slom). Noes, none. Excused, 1 (Ihara).

Senator Kanno moved that the Senate agree to the amendments proposed by the House to S.B. No. 423, S.D. 1, seconded by Senator Matsuura.

Senator Kanno noted:

"Mr. President, S.B. No. 423 provides that a party may seek to extend the term of a domestic judgment decree by filing either a non-hearing or hearing motion. The Senate is agreeing to the House version which deleted the portions of the measure that authorizes the garnishment of government vendors as government beneficiaries."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 423, S.D. 1, and S.B. No. 423, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CIVIL PROCEEDINGS," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

Senator Kanno noted:

"Mr. President, S.B. No. 951 is the hate crime legislation. The amendments that the House made that the Senate is agreeing to revises the bias categories to conform with those currently used by the U.S. Attorney General and the FBI pursuant to the hate crimes statistics act of 1990 and changes the effective date to effective upon its approval."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 951, S.D. 1, and S.B. No. 951, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO HATE CRIMES," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 640, S.D. 1 (H.D. 1):

Senator Buen moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 640, S.D. 1, seconded by Senator Kanno and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives,

the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 640, S.D. 1, on the following showing of Ayes and Noes:

Ayes, 4 (Buen, Kanno, Chumbley, Matsuura). Noes, none. Excused, 2 (Kokubun, Hogue).

Senator Buen moved that the Senate agree to the amendments proposed by the House to S.B. No. 640, S.D. 1, seconded by Senator Kanno.

Senator Buen noted:

"Mr. President, S.B. No. 640, S.D. 1, relates to agricultural theft. The purpose of S.D. 1 is to criminalize and to create civil liability for the destruction of crops. S.B. No. 640, S.D. 1, H.D. 1, imposes civil liability upon persons who damage or destroy silvicultural or agricultural commodities that are known to be intended for personal or commercial purposes, or for research and development purposes, and establishes damages at twice the market value of the crop or commodity destroyed and the costs associated with production, research, testing, and replacement.

"Support by the industry was very supportive of H.D. 1, and for this reason, your Committee on Agriculture recommends that the Senate move to agree on this measure."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 640, S.D. 1, and S.B. No. 640, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO AGRICULTURE," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

Senator Sakamoto moved that the Senate agree to the amendments proposed by the House to S.B. No. 1082, S.D. 1, seconded by Senator Nakata.

Senator Sakamoto noted:

"Mr. President, this bill changed the school-to-work terminology related to workers' comp coverage. There are different parts of it, but in essence, changed to a school-approved work based learning to be covered by the state for students."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1082, S.D. 1, and S.B. No. 1082, S.D. 1, H.D. 2, entitled: "A BILL FOR AN ACT RELATING TO EDUCATION," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 1067, S.D. 1 (H.D. 1):

Senator Menor moved that the Senate reconsider its action taken on April 5, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1067, S.D. 1, seconded by Senator Matsunaga and carried.

Senator Menor moved that the Senate agree to the amendments proposed by the House to S.B. No. 1067, S.D. 1, seconded by Senator Matsunaga.

Senator Menor noted:

"Mr. President, the purpose of this measure is to reduce the potential for residential hurricane insurance solvency in the event of a hurricane by requiring the insurance commissioner to use an actuarial analysis to evaluate a residential hurricane insurer's ability to pay claims. The House amendments would implement a compromise reached between the insurance division and various parties who had expressed concerns about the original version of this bill."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1067, S.D. 1, and S.B. No. 1067, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO LIMITING HURRICANE PROPERTY INSURANCE RISK," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 1062, S.D. 1 (H.D. 1):

Senator Menor moved that the Senate reconsider its action taken on April 3, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1062, S.D. 1, seconded by Senator English and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 1062, S.D. 1, on the following showing of Ayes and Noes:

Ayes, 3 (Menor, Kim, Hogue). Noes, none. Excused, 1 (English).

Senator Menor moved that the Senate agree to the amendments proposed by the House to S.B. No. 1062, S.D. 1, seconded by Senator English.

Senator Menor noted:

"Mr. President, S.B. No. 1062 would authorize the conversion of professional and vocational licenses when the licensee changes its form of business. The House amendments would make technical, non-substantive amendments and the House version is technically correct."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1062, S.D. 1, and S.B. No. 1062, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE CONVERSION OF PROFESSIONAL AND VOCATIONAL LICENSES," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 1065 (H.D. 1):

Senator Menor moved that the Senate reconsider its action taken on April 5, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1065, seconded by Senator English and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 1065 on the following showing of Ayes and Noes:

Ayes, 3 (Menor, Kim, Hogue). Noes, none. Excused, 1 (English).

Senator Menor moved that the Senate agree to the amendments proposed by the House to S.B. No. 1065, seconded by Senator English.

Senator Menor noted:

"Mr. President, S.B. No. 1065 would clarify requirements for the licensure of architects consistent with administrative rules and current standards of professional training by colleges and universities. The House amendments would make technical, non-substantive amendments and the House version is technically correct."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1065 and S.B. No. 1065, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO ARCHITECTS," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 1069, S.D. 1 (H.D. 1):

Senator Menor moved that the Senate reconsider its action taken on April 5, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1069, S.D. 1, seconded by Senator English and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 1069, S.D. 1, on the following showing of Ayes and Noes:

Ayes, 3 (Menor, English, Hogue). Noes, none. Excused, 1 (Chumbley).

Senator Menor moved that the Senate agree to the amendments proposed by the House to S.B. No. 1069, S.D. 1, seconded by Senator English.

Senator Menor noted:

"Mr. President, S.B. No. 1069, S.D. 1, would correct erroneous statutory cross references and inconsistent dates in the state insurance law. The House amendments would make technical, nonsubstantive amendments and the House version is technically correct."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1069, S.D. 1, and S.B. No. 1069, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO INSURANCE," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

Senator Matsuura, Chair of the Committee on Health and Human Services, requested a waiver of the notice requirement pursuant to Senate Rule 20 for Gov. Msg. No. 300, and the Chair granted the waiver.

Senator Slom rose on a point of personal privilege as follows:

"Mr. President, I rise on a point of personal privilege.

"I think we're all relieved that the teacher's strike has apparently been settled. It's kind of like the situation, though, after you've finished your Christmas or holiday shopping and then a couple months later you wait until the bills and the charge statements come in. But I think that the whole community suffered. I think that we still have to press for meaningful educational reforms and changes because if we do

not, we're going to face the same situation again in a couple of years.

"We must have been doing something right, however, Mr. President, because the Governor blamed us for problems with the negotiations. The Honolulu Advertiser blamed us for problems with the settlement. The Department of Health Chairman, who has his own problems and can't do what he's supposed to do with the State Hospital, blamed us, basically, and others as well. So we must have done something in terms of trying to resolve this early or to avoid it and try to anticipate.

"I would just say finally, Mr. President, I did enjoy the lively and spirited debate this afternoon on the issues of rules and procedures. I only wish that my colleagues would be as passionate and spirited when it came time to debating, oh I don't know, special funds, emergency appropriations, tax increases, more government regulation, things of that nature, Mr. President. But I'm optimistic and I'm hopeful, and so I'm sure that will come too in the future.

"Thank you, Mr. President, for the time."

APPOINTMENT OF CONFEREES

ORDER OF THE DAY

ADVISE AND CONSENT

MATTER DEFERRED FROM FRIDAY, APRIL 20, 2001

Stand. Com. Rep. No. 1575 (Gov. Msg. No. 114):

Senator Nakata moved that Stand. Com. Rep. No. 1575 be received and placed on file, seconded by Senator Ihara and carried.

Senator Nakata then moved that the Senate advise and consent to the nomination of DAVIS YOGI as the Director of Human Resources Development, term to expire December 2, 2002, seconded by Senator Ihara.

Senator Nakata rose to speak in support of the nominee as follows:

"Mr. President, I rise to speak in favor of this governor's message.

"We have the privilege this morning of acting on the confirmation of Davis Yogi as the Director of the Department of Human Resources Development.

"We need to congratulate him on his other role as the chief negotiator for the state in successfully bringing to a conclusion the negotiations with public employee unions. I think we need to thank him for that work. The success of especially the HSTA negotiations, I think difficult as they were, are going to be of benefit to the state. They were difficult. Teachers went through a lot of hardship. The administration bargained hard. And in that process, I think we had a crucible in which relationships were built, empowerment took place, and I hope that very respectful relationships have been formed which will really be of great importance to our public education. The difficulties of the negotiations, now that they have been successfully concluded, I believe will really prove to have been that kind of crucible which produces stronger people and stronger relationships. To his credit, I think Mr. Yogi has helped in that process.

"But we're here not to confirm him to that role as chief negotiator but as Director of the Department of Human Resources Development. In speaking with him, he spoke of his management style – that he wants to see those who work for him empowered to do the jobs that they have been hired to do. I have seen evidence of that at work. I have seen his staff move with the freedom that he has given them, freedom and authority he has given them. They are putting in great work in implementing the civil service reform that we put in place a year ago. We have allowed them two years to put that in place and they are doing good work to bring that to a conclusion under his able leadership.

"I think this is what has enabled him. His style has enabled him to continue to be the chief negotiator while also acting as Director of DHRD. We had questions about that in Committee. I think that's something that still needs to be addressed – that dual role. But as far as Mr. Yogi is concerned, I believe he has successfully been carrying out both responsibilities.

"The fact that almost his entire top level staff is here with him attests to the success of that management style. Again, in speaking with him, I have this sense of a staff that is empowered to do the work and therefore the burden is not so heavy.

"In conclusion, I would urge my colleagues to vote for the confirmation of Mr. Davis Yogi to be the Director of the Department of Human Resources Development. Thank you."

Senator Chun also rose in support of the nominee and said:

"Mr. President, I rise in favor of the nominee.

"Mr. President, it is with pleasure that I also add my words to the words of the Honorable Senator from Kahaluu in support of Mr. Yogi.

"Mr. Yogi has in depth and detailed knowledge not only in the public, working in the civil service side as a member of the administration in the Office of Collective Bargaining, but he also has significant experience in the private sector and how the labor negotiations should be conducted in those kinds of sectors. I think with his combined knowledge in both public and private sector labor laws and his knowledge of the civil service system along with collective bargaining, he adds a great deal of perspective and knowledge to the position, which will be a great help to this state.

"So I stand fully in support of the nominee, Mr. President."

Senator Sakamoto rose to speak in support of the nominee and stated:

"Mr. President, I rise in support of the nominee.

"I would like to add to the comments made by the speakers from Kahaluu and Kauai, Mr. President. Over the last few weeks we saw the pressure Mr. Yogi has been under. As Education Chair, I understand that some of the measures before us increased the difficulty of the negotiations. Though not so difficult for this body, I commend his incorporating these good measures into the negotiations to help the teachers – such as their career ladder in the increments issue, such as dealing with performance for teachers and incentivising national certificated teachers – I applaud him and the efforts to improve quality teaching. These are the types of things that we've pushed as well. Certainly his ability to incorporate these good ideas serves us well and I support his nomination and hope we all do as well.

"Thank you."

Senator Slom rose to support the nominee as follows:

"Mr. President, I rise in support of the nominee. I'd like to add my words of congratulations also to Mr. Yogi and to support his nomination for Director of Human Resources Development.

"I would like to follow up on the comments made by the good Senator from Kahaluu because I think it's extremely important that we examine whether or not one individual should have the dual responsibility of heading up this department and also being the state's chief negotiator. It is, I think, very fortunate that we've had a conclusion to this devastating strike. Of course, now we'll never know whether it was the prodding of the federal judge, or whether it was because of state athletic tournaments, or whether it was because of the deadline to get the confirmation of Mr. Yogi, or anything else that we had a successful conclusion to this event, or the fact that the teachers if they would have gone another day would have had to extend the school year and then we would have worried about who got paid for that.

"In any event, I think that we have to look at our whole process of negotiating because I think it failed us. I think the state has failed us. I think that as we look closer at some of the details of those negotiating arrangements that were made, we're going to find out that some of the educational reforms that we were asking for and the changes that we were asking for are not in that crucible and maybe we should take a closer look at the crucible.

"So as I say, Mr. President, I support the nominee because I know he worked hard, however, the question remains as to whether or not one individual should be charged with this responsibility. I did notice, after coming from the Labor hearing, we had a great deal of testimony – we had testimony

from the business community, we had testimony in favor from most of the public labor unions. It was the UHPA that did question the duplicative role of this position, but I think we should also take note that the HSTA submitted no testimony whatsoever on this nominee.

"Thank you, Mr. President."

Senator Hemmings rose to speak in favor of the nominee and said:

"Mr. President, I rise to speak in favor of the nominee.

"I'm hoping that Mr. Yogi, who comes well recommended from almost everybody in the process, addresses the larger issues that we're facing as government. One particular issue will affect future negotiations. It seems the State of Hawaii has one of the largest work forces on a per capita basis of any state in the nation and yet we face disaster after disaster regarding implementation of many of the programs that state employees are designated to do.

"It seems obvious that we definitely need civil service reform and we need other reforms that Mr. Yogi can help actuate to make things happen on behalf of the taxpayers. Our state government is very large and in many areas it's very ineffective by every measure of the standard. Mr. Yogi will have a responsibility to manage this work source and our human resources in such a manner that in the future we don't face the trying times we've just faced with the recent strike. I'm hoping that he'll be successful in his efforts there.

"Thank you, Mr. President."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Matsuura, Menor).

At this time, Senator Nakata introduced Mr. Yogi to the members of the Senate. (Mr. Yogi, who was seated in the gallery with members of his staff, rose to be recognized.)

At 11:55 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:06 o'clock p.m.

RECONSIDERATION OF ACTIONS TAKEN

S.B. No. 1101 (H.D. 1):

Senator Chun moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments

proposed by the House to S.B. No. 1101, seconded by Senator Kanno and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 1101 on the following showing of Ayes and Noes:

Ayes, 3 (Chun, Kanno, Kokubun). Noes, none. Excused, 1 (Slom).

Senator Chun moved that the Senate agree to the amendments proposed by the House to S.B. No. 1101, seconded by Senator Kanno.

Senator Chun noted:

"Mr. President, the House included in S.B. No. 1101 a severability clause. That was the only difference between our bill and the House version. In discussions with the Judiciary Chair, we felt that the severability clause does not add or subtract anything. In fact, it probably is a good idea to add such a clause into the bill, so we have agreed to the House amendments."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1101 and S.B. No. 1101, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE HAWAIIAN HOMES COMMISSION ACT, 1920, AS AMENDED," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 28 (H.D. 1):

Senator Nakata moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 28, seconded by Senator Hanabusa and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 28 on the following showing of Ayes and Noes:

Ayes, 4 (Nakata, Hanabusa, Buen, Chun). Noes, none. Excused, none.

Senator Nakata moved that the Senate agree to the amendments proposed by the House to S.B. No. 28, seconded by Senator Hanabusa.

Senator Nakata noted:

"Mr. President, this bill is in regards to notifications for plant closings. The federal requirement is for a 60-day notice and this is what we are agreeing to. Thank you."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 28 and S.B. No. 28, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO DISLOCATED WORKERS," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

Senator Hanabusa moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 716, S.D. 2, seconded by Senator Matsuura and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 716, S.D. 2, on the following showing of Ayes and Noes:

Ayes, 2 (Hanabusa, Matsuura). Noes, none. Excused, 1 (Hemmings).

Senator Hanabusa moved that the Senate agree to the amendments proposed by the House to S.B. No. 716, S.D. 2, seconded by Senator Matsuura.

Senator Hanabusa noted:

"Mr. President, S.B. No. 716 is a special purpose revenue bond for the Kahala living facility. There are no substantive differences between the bills. There's an agreement as to the amount of this special purpose revenue bond. The only major difference may have been the day that the bond lapsed, but the Senate has agreed to that date change."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 716, S.D. 2, and S.B. No. 716, S.D. 2, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE ISSUANCE OF SPECIAL PURPOSE REVENUE BONDS TO ASSIST NOT-FOR-PROFIT CORPORATIONS THAT PROVIDE HEALTH CARE FACILITIES," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 1164, S.D. 1 (H.D. 1):

Senator Inouye moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1164, S.D. 1, seconded by Senator Kokubun and carried.

Ayes, 3 (Inouye, Chun Oakland, Kokubun). Noes, none. Excused, 2 (Taniguchi, Hemmings).

At 12:13 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:14 o'clock p.m.

Senator Inouye moved that the Senate agree to the amendments proposed by the House to S.B. No. 1164, S.D. 1, seconded by Senator Kokubun.

Senator Inouye noted:

"Mr. President, for S.B. No. 1164, H.D. 1, the purpose is to protect Hawaii's natural resources and support their management. It authorized conveyance tax funds to be expended to administer the Forest Stewardship Program. Your Committee decided to agree to H.D. 1 because the House made only technical and nonsubstantive changes."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1164, S.D. 1, and S.B. No. 1164, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE FOREST

STEWARDSHIP PROGRAM,” was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 1165, S.D. 1 (H.D. 2):

Senator Inouye moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1165, S.D. 1, seconded by Senator Kokubun and carried.

Ayes, 4 (Inouye, Kanno, Chun Oakland, Kokubun). Noes, none. Excused, none.

Senator Inouye moved that the Senate agree to the amendments proposed by the House to S.B. No. 1165, S.D. 1, seconded by Senator Kokubun.

Senator Inouye noted:

“Mr. President, S.B. No. 1165, H.D. 2, is to protect Hawaii’s natural resources by establishing administrative fines for violations relating to the Natural Area Reserves System or NARS, as we know it, and the state Endangered Species Act or ESA. It also removes the maximum ceiling provisions for violations of the ESA. Further, it increased fines for intentionally, knowingly, or recklessly killing a threatened or endangered species.

“Your Committee decided to agree to the House changes because the amendments were technical and nonsubstantive amendments.”

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1165, S.D. 1, and S.B. No. 1165, S.D. 1, H.D. 2, entitled: “A BILL FOR AN ACT RELATING TO PENALTIES FOR NATURAL RESOURCES,” was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.B. No. 1262 (H.D. 1):

Senator Inouye moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1262, seconded by Senator Kokubun and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 1262 on the following showing of Ayes and Noes:

Ayes, 4 (Inouye, Taniguchi, Chun Oakland, Hemmings). Noes, none. Excused, 1 (Ihara).

Senator Inouye moved that the Senate agree to the amendments proposed by the House to S.B. No. 1262, seconded by Senator Kokubun.

Senator Inouye noted:

“Mr. President, S.B. No. 1262, H.D. 1, amends Act 208, Session Laws of Hawaii 2000. The purpose of this bill is to increase the amount of the special purpose revenue bonds to be issued for the establishment of an expanded chilled water

cooling system in downtown Honolulu. It amends the lapsing date. The House amended the bill by extending the lapsing date to June 30, 2005, and making technical and nonsubstantive amendments.

“Your Conference Committee decided to go along with H.D. 1 because the supporters of the bill were satisfied with the changes. Thank you.”

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1262 and S.B. No. 1262, H.D. 1, entitled: “A BILL FOR AN ACT RELATING TO SPECIAL PURPOSE REVENUE BONDS,” was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

and the Chair granted the waiver.

At this time, Senator Kim, on behalf of the members of the Senate, extended happy birthday wishes to President Bunda.

Senator Hogue rose on a point of personal privilege as follows:

“Mr. President, I rise on a point of personal privilege.

“I think that many of us over the past 24 to 48 hours have been very pleased that the teacher’s strike is over. Unfortunately, there might be some casualties that have come out of that. One of them might be those who participate in the world of sports.

“Now I think all of us have recognized how important sports and sports-related activities are in our lives. There are Legislators here on the Floor who participated in sports very actively in Hawaii. The esteemed Senator from Kauai was a track star at Kauai High School. I don’t know how fast he ran that 100-yard dash, but by golly, they may still be timing him. (Laughter.) The Senator from Kalihi Valley, as a matter of fact, was a great swimmer at Farrington High School, and I understand she’s still selling her posters from when she was a song girl. (Laughter.) The Senator from Waimanalo, besides being a world champion surfer, was also an all-star football player. He played lineman, one of the smallest linemen in Punahou history. And the birthday boy, Mr. President, was an outstanding basketball and baseball player at Leilehua High School.

“So I think that we can all see that there are some very good things that happen because we have this great experience in the world of sports.

“There are some youngsters today who may not be able to realize their full potential and their full dream in the world of sports if something goes forward that was talked about yesterday. Our Superintendent of schools, Dr. Paul LeMahieu, first issued a statement because he was concerned about missed class time that would pull the public school participation in the state athletic tournaments. After a huge public outcry led by members of the board of education and others, he reconsidered.

“I have talked to Dr. LeMahieu personally and he says as long as there is not missed class time, we will go forward with these state tournaments, but we must come up with some creative solutions and it’s very important.

“So I ask you, please, in your busy schedules, if you’ve got some ideas, to make sure that some of these future legislators get an opportunity to participate in these very important tournaments, that you perhaps drop them by my office because the kids really deserve this opportunity.

“There will be a meeting tomorrow, as a matter of fact, at the Department of Education to talk about potential solutions. I applaud the Superintendent’s reconsideration to move forward on this.

“Mr. President, we need to save the state tournaments. We need to let the kids realize their dreams. These kids have been victims once; they don’t deserve to be victims again.

“Thank you very much.”

ADJOURNMENT

At 12:29 o'clock p.m., on motion by Senator English, seconded by Senator Hemmings and carried, the Senate adjourned until 6:30 o'clock p.m., Thursday, April 26, 2001.

Respectfully submitted,

RECONSIDERATION OF ACTIONS TAKEN

S.B. No. 1264, S.D. 2 (H.D. 2):

Senator Buen moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1264, S.D. 2, seconded by Senator Chun and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 1264, S.D. 2, on the following showing of Ayes and Noes:

Ayes, 3 (Buen, Chun, Taniguchi). Noes, none. Excused, 1 (Hogue).

Senator Buen moved that the Senate agree to the amendments proposed by the House to S.B. No. 1264, S.D. 2, seconded by Senator Chun.

Senator Buen noted:

"Mr. President, the purpose of this measure is to fairly apply the wholesale general excise tax to Hawaii aquaculture producers. S.B. No. 1264, S.D. 2, H.D. 2, seeks to provide that sales of aquaculture products and seed stock for producing agricultural and aquacultural products to a licensed producer or cooperative association are considered wholesale sales for purposes of the general excise tax.

"The S.D. 2 and H.D. 2 of this measure contain differing language on this subject. However, at Conference we came to the understanding that the H.D. 2 satisfies the concerns of both the Department of Taxation and the aquaculture industry. The S.D. 2 had additional provisions that included an appropriation. At Conference, the appropriation concerns were addressed in other measures.

"Therefore, as Senate Chair of the Conference Committee on this measure, I recommend that the Senate agree to S.B. No. 1264, S.D. 2, H.D. 2. Thank you, Mr. President."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1264, S.D. 2, and S.B. No. 1264, S.D. 2, H.D. 2, entitled: "A BILL FOR AN ACT RELATING TO AQUACULTURE," was placed on the calendar for Final Reading on Tuesday, May 1, 2001.

S.C.R. No. 85 (H.D. 1):

Senator Chun moved that the Senate reconsider its action taken on April 23, 2001, in disagreeing to the amendments proposed by the House to S.C.R. No. 85, seconded by Senator Inouye and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.C.R. No. 85, on the following showing of Ayes and Noes:

Ayes, 3 (Chun, Inouye, Chumbley). Noes, none. Excused, 2 (Kokubun, Hemmings).

Senator Chun moved that the Senate agree to the amendments proposed by the House to S.C.R. No. 85, seconded by Senator Inouye.

Senator Chun noted:

"Mr. President, this concurrent resolution sets up an advisory group to study the issues of Hawaii cave laws or the laws regarding Hawaii caves and how we can handle them.

"The House made some minor changes to the composition of the advisory group and in discussion with the Department of Land and Natural Resources, which will oversee the advisory

group, they had no oppositions or concerns regarding the changes. So we recommend that the changes be accepted by the Senate.”

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.C.R. No. 85 and S.C.R. No. 85, H.D. 1, entitled: “SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF LAND AND NATURAL RESOURCES TO ESTABLISH A TASK FORCE TO GATHER PUBLIC INPUT AND RECOMMEND STATUTORY CAVE LAW,” was placed on the calendar for Final Adoption on Tuesday, May 1, 2001.

Gov. Msg. No. 323, informing the Senate that on April 30, 2001, he signed into law House Bill No. 925 as Act 78, entitled: "RELATING TO LOANS."

Gov. Msg. No. 324, dated April 30, 2001, transmitting his statement of objections to House Bill No. 143 which he has returned to the House without his approval and which reads as follows:

"EXECUTIVE CHAMBERS
HONOLULU

April 30, 2001

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 143

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 143, entitled 'A Bill for an Act Relating to the Legislature.'

The purpose of this bill is to increase the travel per diem allowance for legislators by requiring the allowance amount to be based on the federal General Services Administration rates for federal government travel. The federal government travel per diem rate varies by location.

The travel per diem allowances are intended to reimburse public officers and employees who travel on official government business for lodging, meal, and incidental expenses. When the cost of lodging at a travel destination is higher than the amount allocated in the travel per diem allowance, a state public officer or employee may submit a claim for an excess lodging allowance. Consequently, the per diem allowance for lodging, meal, and incidental expenses incurred by state officers and employees for state government travel appears to be adequate as currently established and there does not appear to be a need to revise the travel per diem allowance amount.

Even if there were a need to revise the travel per diem allowance amount, the revision should be made fairly for all public officers and employees. The increase of the travel per diem allowance only for one group of state officers does not appear to be justified.

For the foregoing reasons, I am returning House Bill No. 143 without my approval.

Respectfully,

/s/ Benjamin J. Cayetano
BENJAMIN J. CAYETANO
Governor of Hawaii"

Gov. Msg. No. 325, dated April 30, 2001, transmitting his statement of objections to Senate Bill No. 1377 which he has returned to the Senate without his approval and which reads as follows:

"EXECUTIVE CHAMBERS
HONOLULU

April 30, 2001

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 1377

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 1377, entitled 'A Bill for an Act Relating to Civil Service.'

The purpose of this bill is to convert temporary employees of the support services office, program development staff, and the nursing home without walls program within the Social Services Division of the Department of Human Services to civil service status.

This bill is objectionable because the incumbents will be grandfathered into the civil service system at their current compensation levels, which may or may not be appropriate for their place in the classification system. In addition, the bill does not identify the individual positions that are affected.

It is acknowledged that the incumbent employees have provided important service over the past years, many of them for ten years and more, and that they are deserving of some recognition of their service. Fortunately, Act 253, last year's civil service reform act, provides a mechanism for identification as well as conversion of positions to civil service in a systematic way. This mechanism takes into account merit principles, including meeting minimum qualification requirements, and a method for setting the compensation of the incumbents that is fair and equitable and in accordance with the applicable collective bargaining agreement.

For the foregoing reasons, I am returning Senate Bill No. 1377 without my approval.

Respectfully,

/s/ Benjamin J. Cayetano
BENJAMIN J. CAYETANO
Governor of Hawaii"

ORDER OF THE DAY

FINAL READING

Conf. Com. Rep. No. 151 (H.B. No. 200, H.D. 1, S.D. 1, C.D. 1):

Senator Taniguchi moved that Conf. Com. Rep. No. 151 be adopted and H.B. No. 200, H.D. 1, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Hanabusa.

Senator Taniguchi rose to speak in support of the measure and said:

"Mr. President, I rise to speak at length in favor of this measure.

"Mr. President, before I begin, I would again like to thank all those involved who helped make my first year as your Ways and Means Chair a productive and I believe a successful one.

"First, I would like to thank my counterpart in the House, the Chair of the Committee on Finance, for the graciousness and generosity that he extended to me from day one. I believe one of the key ingredients to our overall success this year was the Finance Chair's willingness to work in a truly collaborative manner. While we did have some contentious moments in our deliberations, the Finance Chair managed to keep his cool and bring all parties back to the table to resolve matters in a positive manner. Because of his efforts, not only did we get out a good work product, but we also got our work done early. Not only did both Finance and Ways and Means staff appreciate this, but it also helped our subject matter Chairs resolve matters on all their appropriation bills early and avoid the last minute scramble we've become so accustomed to. Once again, I would

like to send a big thank you to my counterpart in the House, Representative Takamine.

"Next, I would like to thank you, Mr. President, and the rest of the members of the Senate for all of your support and encouragement this Session. I want to especially thank the members of the Ways and Means Committee for all their hard work and diligence. I'm grateful for the trust all of you have put in me to mold this bill, as well as other measures that comprise our financial plan.

"Third, I want to again thank my Vice-Chair, the Senator from Waianae, first for taking credit for all the bad things I've done this year, but more importantly, for her hard work in shepherding numerous conference measures.

"And last but not least, I want to thank my family for enduring one of the most time-consuming and grueling Sessions of my career. I want to especially thank my wife Jan for her patience, understanding, and guidance.

"Mr. President, the budget bill you have before you is a culmination of over four months of work by both the House and Senate Chambers. We began the year with good news that revenue projections were strong. However, that good news was quickly dampened by the sobering realization that even those revenue levels could be short of all our projected needs.

"We learned that several major cost categories – including fixed costs such as debt service, health fund payments, and ERS contributions – were driving expenditures higher. Pay increases for our public employees, most notably for our public school teachers, loomed large over our heads the entire Session. Quite frankly, these costs drove much of our debate when it came to shaping our financial package and, as we all know, the lengthy HSTA and UHPA negotiations and strike crisscrossed our legislative timetable and forced us to formulate a financial plan that found the money for teachers' pay raises.

"At the time, we had to make cuts to many of the Governor's requests, including some mandated costs that caused much concern in the executive chambers. While I would prefer not to take such action again in the future, I believe my colleagues will readily admit that we did the right thing; we did the responsible thing and we were not trying to undermine the Governor.

"In the end, the HSTA and UHPA contracts came in under our projections and in time for the Conference Committee to adjust some of its previous reductions. We were therefore able to restore funding for Felix costs for the Department of Education, bringing them up to a full funding level of \$43 million a year; Felix costs for the Child and Adolescent Mental Health Division of the Department of Health; contributions to the public employees' health fund; substance abuse programs in the Departments of Health and Public Safety; and state hospital and developmentally disabled allocations for the Department of Health.

"As for the Felix consent decree, I have this to say to our members – this is only the beginning. While I know most of us have kept a keen eye on this for the past seven years, this year will prove to be a major crossroads for the Legislature and the State as a whole. I think everyone in this room knows of our situation. The federal court is promising to take action by June 30 of this year if it is not satisfied with the Legislature's efforts to provide adequate funding to the Departments of Education and Health.

"However, as I've stated before, this body should not be pressured into making decisions by the court, nor should it

make hasty ones based on a lack of information or a lack of cooperation by any state agency. This body, I believe, is responsible not only to see that the State complies with the decree, but also that taxpayer money is being spent in the most prudent and efficient manner.

"Make no mistake, this budget reflects reductions to the Felix allocations as requested by the Department of Health, but for the record, Mr. President, these reductions are not arbitrary; they are not punitive; they are responsible and I stand behind each one of them. To the best of our ability, both House and Senate fiscal committees tried to work with the department to justify its request. However, after months of frustration, we both determined that the Department of Health cannot justify its request for additional taxpayer money to comply with the Felix consent decree.

"I strongly believe that the Department of Health has much work to do. In my humble opinion, the department must urgently get its house in order and improve on managing its affairs. While it may believe that it has the court on its side, the department must realize that no level of funding will bring the state into compliance with the type of performance that it is currently demonstrating.

"Fellow members, I encourage all of you to stand behind the strong position that your Conferees have taken in regards to funding for Felix compliance. Our state agencies must realize that the Legislature has a legitimate role in scrutinizing costs and will do so ardently and without fear. If we fail to do this, I predict that this may be the first of many programs to escape our control and we will relinquish our constitutional role. Let's not let that happen.

"Mr. President, my message on this budget is not all doom and gloom. In fact, I'm quite proud to point out that despite the tight fiscal parameters that we are forced to work within, your Conference Committee was able to provide funding to improve on the provision of essential services. While I would like to list them all (I only have a few more minutes), I'll confine my comments to one very important area – our schools.

"Like I stated before, Mr. President, our budget priorities this year embraced the public demand to fix our schools. Within this budget, and coupled with many other important measures, I believe that this Legislature will be able to confidently say that we have provided much needed resources to our public schools from top to bottom. Not only did we support pay increases to attract and retain teachers, but also within this budget we have provided for the repair and maintenance of schools and libraries statewide. We have implemented the Hawaii content and performance standards, and we addressed the shortages of school administrators and clerical support. More importantly, this budget refrains from legislative meddling and instead provides funding over and above the Governor's request only in areas considered Board of Education priorities.

"Mr. President, I want to wrap up my comments by once again thanking you and everyone else involved in the making of my first year as your Ways and Means Chair a big success. I've enjoyed my work immensely. I ask my colleagues for one more show of support and to vote in favor of this budget.

"Thank you."

Senator Hemmings rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of the budget with reservations.

"It's a difficult position for me to be in – speaking to the budget with reservations – for two very divergent reasons. Reason number one is, in my tenure in the House of Representatives in the '80s, I had the distinction of voting 'no' against the budgets. My prediction was that they would cause economic malaise and problems down the road with the tremendous explosion in the size and the cost of government. Time and circumstances may have proved that to be the problem.

"The other reason why I have a difficult time speaking in favor of this budget with reservations is because of the leadership you and the Chairman of the Senate Ways and Means Committee have provided. You really opened the door to more bipartisan participation in the process, and for that I applaud you. So, in speaking with reservations in favor of this budget, I don't speak against the process by which we arrived at it. In fact, I have a tremendous amount of affection and want to heap on the Majority Party leadership, especially the good Senator from Manoa, my praise for the means by which we arrived at this budget.

"But nevertheless, this is a continuation of a failed formula of government. It's incredible, with the revenue projected to possibly slow down because of the economic problems of the country and of the Pacific basin, that we're going to be spending up to 12 percent more money over the next two years—\$800 million. It is something that we cannot count on – that is the tax receipts coming in to pay the bills.

"I could give long dissertations on various areas where we could make systemic reform to the way we hire, employ, and pay our people, but we definitely need civil service reform so that we can afford to have less employees with better benefits. I think even rank and file is starting to get that message – that the total number of employees is going to break the bank and we need to maybe readdress that problem. Nevertheless, this budget hires more people. We don't have the ability to transfer people from one department to the other to have the flexibility as the private sector does to better use our people power.

"Monopolies . . . there is a huge article in the latest Honolulu Magazine. It talks about a monopoly – the monopoly of not public education, but the monopoly of government education. And proof is in the performance. It is extremely expensive. On a per capita or per student basis it's as expensive as most any other state in the nation to educate our children, but it's not working – it's failing. We are a state at risk.

"Our centralized command and control where everything from state hospitals to even poor teachers picking up the phone and asking to get some paper and pencils in their classroom takes six months because of the failure of the bureaucracy to move in a fast and expeditious manner. This budget doesn't do anything to change that.

"The Felix consent decree is a concern. Can you imagine we have a public education system that probably in total is costing over \$1.5 billion a year to run and we might have the federal judge take it over? This really doesn't change the structure of education, it just simply says that we'll pay the bills and hope that the problem will get better.

"Mr. President and colleagues, I could go on and on. I'm hoping that next year we'll come back and we'll start doing the real work that needs to be done – and that is to cut the budget and return decision-making and power in the form of economic decisions to the people in the marketplace. The consumer must be the chief regulator of a free economy by resisting monopolies, both public and private. The government

monopoly of the economy in Hawaii has proved to be disastrous.

"In closing, I'd like to offer this – what we're doing with the state budget is akin to doing plastic surgery on a patient that needs an open heart transplant. Thank you, Mr. President."

Senator Hogue rose to speak in favor of the measure with reservations and said:

"Mr. President, I rise to speak in favor of this budget bill with reservations.

"First, I want to say that I appreciate the effort of this body during the recent teacher's strike. The Senate took a firm stand to support the teachers, and for that I applaud them for their efforts. It was harshly criticized by the Governor, but I think that the Ways and Means Chair and others really did absolutely the right thing.

"I also recognize that this budget confronts the problems that we have with the Felix consent decree and certainly we are strapped and we really must question what is going on with a federal judge.

"But those points aside, I think we need to address the question of why the size of government and the budget continues to grow – up 12 percent. We can get the answers to those questions by supporting zero-based budgeting. Only then can we find out exactly how all the monies we fund are being spent and whether these monies are being spent wisely or foolishly.

"I know we worked towards opening up the budget worksheets this year. That was good. The next step is to open up the entire budget. Please support zero-based budgeting. It's good government and the right thing to do.

"Thank you."

Senator Slom rose in favor of the measure with reservations and said:

"Mr. President, I, too, rise to speak in favor of the budget with reservations.

"Again, I would like to add my congratulations to the Ways and Means Chair and to the staff and to everyone that worked on this. I think it was a far more open and deliberative process than in the past. The fact that the worksheets were finally made available, finally put online, I think is a very good step. But as the good Senator from Kaneohe just said, we really have to reform the entire system.

"What good is it if you have worksheets that just basically build upon an original budget that's been submitted when you don't know what the original estimates were, what the options were, what the considerations were before you even got those figures. We have to learn to use that clear button that we have on our computers and on adding machines and everything else so that we can start fresh and start from there. It's a good exercise and something that we have to do.

"Mr. President, a 12 percent increase in this budget, followed by what amounts to a 17 percent increase the second year compared to the current year spending, to me is not a success. To me, what it does is set up the scenario for future greater expenditures, more of a budget bloat, and Mr. President, I awoke to read the comments of yourself and the Speaker of the House who said, 'my goodness, we may be looking at tax increases in the next year or two or three.'

"Well, what drives those tax increases? Bigger budgets – make no mistake, a bigger budget, particularly one of 12 percent. When our GSP (gross state product) is only growing, in a good year, in less than 4 percent, you're setting up the possibility of the demands for revenue enhancement, which is the euphemism for more taxes. There are only so many of us who can pay that because we're not doing the things that we need to do to improve the economy, to expand business, to bring in new business at a rate that we should be competitive not only as a state, but also with the other states and areas around the country and around the world.

"So, Mr. President, we have made a good start on this budget, but to talk about it in terms of it being a success or that it meets all of our needs I think is missing the boat. We need to make change. All of us pledged ourselves to making change, and these kinds of increases – 12 percent and 17 percent – do not represent change.

"One final comment, and that has to do with Felix. I wish I were as certain as the Ways and Means Chair that we have kept a keen eye on Felix for seven years. I think maybe that eye was a little blinded, because if we had kept an eye on it, if we would have listened to some of the alerts and warnings years ago, we would have been able to head off or at least mitigate the kinds of costs that we're faced with now. And the question really before us is, How much is adequate spending for Felix? How much is enough? We don't know, and we're still faced with the situation where no one individual in this state is responsible for the delivery of these services and also responsible for the accountability to the Legislature and to the taxpayers.

"So, while we have made good strides, we still have a long way to go and it basically means that we have to change things.

"Final comments on Felix have to do with the fact that as we learn from the two consultants from the University of Pennsylvania, who were here at the behest of the Legislative Auditor, we still don't have an adequate definition for what constitutes Felix services. And without a definition, you can never have financial control. Secondly, we have not had and still do not have a business plan for this, a growing major part of our budgetary expenditures.

"So we can pat ourselves on the back and say that we worked very hard, that we were more open than ever before, that we were deliberative, but we still have a long way to go. Thank you, Mr. President."

Senator Sakamoto rose in support of the measure and said:

"Mr. President, I rise in support with comments on some of the remarks made.

"I agree with Chair Taniguchi that the partnership he created with Chair Takamine helped the process, and I applaud him and the Committee for that.

"In response to some of the comments about the increases in the budget, we, the Legislative body, have been criticized on both sides of the aisle for claiming education was our number one priority. Certainly in this budget, Mr. President, we're advancing education on many fronts. Much of the cost increase has been to support education with 200-plus positions in clerical, which the schools are crying out for and is included in the budget, and 200-plus positions for teachers. On one hand we can't say, 'well the budget is going up,' and on the other hand say, 'but don't increase education.' But if we do say, 'increase education,' then we do need to support increases.

"In other areas such as Felix, certainly more needs to be done. I would ask the members on both sides of the aisle, since we passed a measure to further investigate this on the Legislature's behalf, House and Senate, let's not just complain that it's a problem, let's not just look at what we could have or should have done or didn't do. Let's look at what we can do. I asked each person here to talk to people and ask them if there's a problem with our Felix system – be it the health delivery system, be it the educational system, be it any part of it – to write down what they think in terms of how we can improve the system.

"Many members in this body are looking at issues of how we can improve the system and this body in its wisdom has agreed with the House to move forward on investigating Felix. Certainly we're here today, Mr. President, and let it be a year from now that we can say we have a plan to go beyond the consent decree, to go beyond Judge Ezra and to really say we have a plan – we can quantify our costs, we can use early intervention funds to catch problems early, we can use prevention funds to prevent problems from growing, and we can indeed have a picture of what it takes to care for our mentally disabled children of this State, Mr. President."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 151 was adopted and H.B. No. 200, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE STATE BUDGET," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

At 10:46 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 10:53 o'clock a.m.

Senator Menor moved that Stand. Com. Rep. No. 1804 be received and placed on file, seconded by Senator Matsunaga and carried.

Senator Menor then moved that the Senate advise and consent to the nominations of MITCHELL A. IMANAKA and JOHN OHAMA to the Real Estate Commission, terms to expire June 30, 2005, seconded by Senator Matsunaga.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1805 (Gov. Msg. No. 272):

Senator Menor moved that Stand. Com. Rep. No. 1805 be received and placed on file, seconded by Senator Matsunaga and carried.

Senator Menor then moved that the Senate advise and consent to the nomination of DAVID M. MORIHARA to the Public Utilities Commission, term to expire June 30, 2002, seconded by Senator Matsunaga.

At 10:54 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 10:55 o'clock a.m.

Senator Menor rose to speak in favor of the nominee and said:

"Mr. President, I rise to speak in favor of Gov. Msg. No. 272.

"Mr. President, this governor's message relates to David Morihara who is the Governor's nominee to the Public Utilities Commission.

"Mr. President, I cannot think of a person who is more eminently qualified than David Morihara to serve as Commissioner on the Public Utilities Commission. I had the privilege of serving with Dave in the State House for several years where he earned the respect of his colleagues for his

intelligence, competence, and integrity. As we all know, Dave accomplished a great deal during his terms of office as a State Representative, including his leadership in obtaining the passage of high technology legislation, which represented one of the most significant pieces of legislation in the area of economic development that the Legislature has adopted in recent years.

"Mr. President, when Dave announced his decision not to seek reelection two years ago, I felt that his departure from the Legislature would be a major loss for this body. Fortunately, Dave decided to continue his involvement in public service when he agreed to serve as the Governor's executive assistant for technology, marketing and development for our State. I'm especially pleased that the Governor has decided to utilize Dave's talents and qualifications further by appointing him as one of three commissioners on the important Public Utilities Commission. I'm sure that he will do an exceptional job in that capacity.

"For these reasons, I'm glad to recommend the confirmation of David Morihara to the Public Utilities Commission and would ask my colleagues to support his confirmation. I believe that Representative Morihara is seated in the gallery, so could he please stand up to be recognized. (Mr. Morihara rose to be recognized.) Best wishes to Dave in his future endeavors.

"Thank you very much."

Senator Chumbley rose in support of the nominee and stated:

"Mr. President, I, too, rise to speak in support of Gov. Msg. No. 272.

"David Morihara epitomizes a public employee. He is a well-respected individual of our island home of Maui County and an individual that has given a tremendous amount of his life to serving the public. I was also disappointed when David made the announcement that he would be retiring from the Legislature but I was heartened when the Governor asked him to continue on, and I was more heartened when the Governor chose him to be on the PUC.

"This is the kind of individual that I think we all want to aspire to be and I want to encourage all of my colleagues to please support David. But on a side note, and maybe a note of humor, David often takes many Legislators on hikes and I've got to tell you he's a little bit lazy because he wants everyone else to carry his pack. That may not be quite all true, but we have to have a little humor in what we're doing this morning.

"I encourage all of you to please support David. Thank you."

Senator Slom rose in support of the nominee and said:

"Mr. President, I, too, rise in support of Gov. Msg. No. 272.

"Republicans, of course, are always used to carrying Democrat packs. (Laughter.) But just to show you that this is bipartisan, David Morihara was an excellent Legislator. He's an outstanding individual. He's got the experience; he's got the talent; and he's got the knowledge. He comes from a small business background and he will be a much-needed addition to our State.

"So I'm very happy to support him. Thank you."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1806 (Gov. Msg. No. 311):

Senator Kanno moved that Stand. Com. Rep. No. 1806 be received and placed on file, seconded by Senator Matsuura and carried.

Senator Kanno then moved that the Senate advise and consent to the nomination of ALFRED K. BEAVER, SR., as the Chairperson, Hawai'i Paroling Authority, term to expire June 30, 2004, seconded by Senator Matsuura.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1807 (Gov. Msg. No. 295):

Senator Tam moved that Stand. Com. Rep. No. 1807 be received and placed on file, seconded by Senator Kim and carried.

Senator Tam then moved that the Senate advise and consent to the nominations of ANTHONY R. GUERRERO, JR., and CAROLE KAI ONOUE to the Stadium Authority, terms to expire June 30, 2005, seconded by Senator Kim.

Senator Slom requested his vote for Carole Kai Onouye be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1810 (Gov. Msg. No. 178):

By unanimous consent, action on Stand. Com. Rep. No. 1810 and Gov. Msg. No. 178 was deferred to the end of the calendar.

Stand. Com. Rep. No. 1811 (Gov. Msg. No. 259):

Senator Menor moved that Stand. Com. Rep. No. 1811 be received and placed on file, seconded by Senator Matsunaga and carried.

Senator Menor then moved that the Senate advise and consent to the nomination of H. ROGER NETZER, M.D., to the Board of Medical Examiners, term to expire June 30, 2005, seconded by Senator Matsunaga.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1812 (Gov. Msg. No. 262):

Senator Menor moved that Stand. Com. Rep. No. 1812 be received and placed on file, seconded by Senator Matsunaga and carried.

Senator Menor then moved that the Senate advise and consent to the nominations of WAYNE K. DE LUZ and ERNIE K. SEIBOLD to the Motor Vehicle Industry Licensing Board, terms to expire June 30, 2005, seconded by Senator Matsunaga.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1813 (Gov. Msg. No. 279):

Senator Menor moved that Stand. Com. Rep. No. 1813 be received and placed on file, seconded by Senator Matsunaga and carried.

Senator Menor then moved that the Senate advise and consent to the nominations of RUSSELL Y.J. CHUNG, WALLACE T. OKI and KEN OTA to the State Board of Professional Engineers, Architects, Surveyors, and Landscape Architects, terms to expire June 30, 2005, seconded by Senator Matsunaga.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1814 (Gov. Msg. No. 300):

Senator Matsuura moved that Stand. Com. Rep. No. 1814 be received and placed on file, seconded by Senator Buen and carried.

Senator Matsuura then moved that the Senate advise and consent to the nominations of PINA LEMUSU, MARGERY SAUVE and GARRETT TOGUCHI to the Statewide Independent Living Council, terms to expire June 30, 2004, seconded by Senator Buen.

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Stand. Com. Rep. No. 1815 (Gov. Msg. No. 290):

Senator Menor moved that Stand. Com. Rep. No. 1815 be received and placed on file, seconded by Senator Matsunaga and carried.

Senator Menor then moved that the Senate advise and consent to the nomination of PAUL C. AKEO to the Board of Private Detectives and Guards, term to expire June 30, 2005, seconded by Senator Matsunaga.

throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, 1 (Ihara).

Conf. Com. Rep. No. 15 (S.B. No. 1385, H.D. 1, C.D. 1):

Senator Sakamoto moved that Conf. Com. Rep. No. 15 be adopted and S.B. No. 1385, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Nakata.

Senator Sakamoto rose in support of the measure and said:

“Mr. President, I rise to speak in support of S.B. No. 1385.

“This measure implements certain recommendations of the Auditor relating to inequities in the salary structure of educational officers. It would require the department in collaboration with the University of Hawaii Office of Human Resources to conduct a formal comprehensive salary survey, implement the formal job evaluation methodology, and to report its findings to the Legislature no later than 20 days before the 2002 Regular Session.

“Mr. President, the audit revealed significant inequities in salary compensation as well as job classifications in the Department of Education. It was found that the salaries of some department personnel were substantially higher than comparable jobs in the private and some public sectors. Therefore, Mr. President, this measure would seek to correct these compensation and classification inequities.

“Mr. President, in this regard, public education in this State is a big business. As mentioned before, it’s a \$1.5 billion a year business. Because of this magnitude of operations, your Committee on Education has endeavored to initiate and facilitate legislation that would be the foundation and the impetus from which our young people, hard-working teachers, administrators, and parents could more effectively use these limited resources.

“Mr. President, education is a priority of the Senate and we have passed a significant number of educational initiatives this Session. These initiatives include correcting major maintenance deficiencies and creating an omnibus school repair and maintenance program, establishing public/private partnership for repair and maintenance, and increasing school-level minor repair funding. For parents and community, we initiated measures to assist and increase efforts in the parent community network, which gets parents involved with schools. For athletic coaches who are teachers, as well as non-teachers, we’ve provided appropriate funding that would increase their compensation for their skills and for their efforts. For students, we have measures to formally establish the Hawaii State Student Council.

“Another major initiative is infusion of substantial appropriation of resources into the Felix consent decree program. Teachers will be substantially improved with the establishment of the Hawaii Teacher’s Standards Board and professional development programs. And similarly, another major initiative is the recruitment and retention of principals and vice principals.

“Mr. President, the DOE lacks sufficient support staff for the total environment, but this budget adds 200 teachers, 200 clerical personnel, 9 business managers, and 42 business assistants. The focus has been to provide appropriate staff and tools so we can work smarter and use our resources more efficiently. So the goal is to keep qualified teachers in the classroom as well as supporting them.

“Finally, Mr. President, just as important, measures such as this will provide other measures related to textbooks, after-school activities, charter schools, art in the schools. We’ve attempted, in measures like this, to use the dollars more efficiently and with the efforts of your Education Committee and all of us here in the Senate, we hopefully can continue in the future to bear the fruits of our labor.

“Thank you, Mr. President.”

Senator Hogue rose to speak on the measure with reservations and said:

“Mr. President, I rise to speak on this bill with some reservations.

“This measure, as the good Senator from Salt Lake mentioned, seeks to address inequities between the salaries of educational officers and comparable positions in other state agencies. The intent is definitely a step in the right direction as the Senate Education Chair already mentioned, but the measure really doesn’t go far enough.

“This measure directs the Department of Education to conduct a classification study and a survey to assess positions, allocations, salaries, and classifications within the department. The department is then directed to implement a formal job evaluation methodology that is consistent with the class structure already adopted. However, the Department of Education, in accordance with and working with the University of Hawaii, is really not the appropriate agency to perform a study, survey, and evaluation on itself, which essentially is what happens in this bill.

“The Auditor’s report upon which the bill was originally based cited specific inequities and specific solutions. I don’t think that this is what they had in mind.

“We must hold our public school system accountable, not just halfheartedly. Thank you.”

Senator Slom then requested his vote be cast “aye, with reservations,” and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 15 was adopted and S.B. No. 1385, H.D. 1, C.D. 1, entitled: “A BILL FOR AN ACT RELATING TO THE SALARY STRUCTURE OF EDUCATIONAL OFFICERS IN THE DEPARTMENT OF EDUCATION,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 23 (S.B. No. 1512, H.D. 1, C.D. 1):

Senator Kanno moved that Conf. Com. Rep. No. 23 be adopted and S.B. No. 1512, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Matsuura.

Senator Hemmings rose to speak in favor of the measure and said:

“Mr. President, I rise to speak in favor of this bill.

“In short, Mr. President, as reiterated in the conference draft of this bill, this bill may be a real dog and pony show. Thank you.”

The motion was put by the Chair and carried, Conf. Com. Rep. No. 23 was adopted and S.B. No. 1512, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE PENAL CODE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Chun).

Conf. Com. Rep. No. 27 (S.B. No. 1066, S.D. 1, H.D. 1, C.D. 1):

Senator Menor moved that Conf. Com. Rep. No. 27 be adopted and S.B. No. 1066, S.D. 1, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kim.

Senator Slom rose in opposition of the measure and stated:

"Mr. President, I rise to speak in opposition to the bill.

"The bill seeks to enhance consumer protection by putting a further burden on mutual benefit societies and health maintenance organizations. As we're going to be discussing this morning and into this afternoon probably, health maintenance and health costs are going to be a major part of our cost decisions. What this bill does is to mandate that the current net worth minimum requirement of \$1.5 million be increased to \$2 million.

"I don't think it's going to provide additional consumer protection because we already have the laws and we have the regulations in effect. I think it will be more of a burden on the health delivery systems, which in turn will pass these burdens on to the consumers.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 27 was adopted and S.B. No. 1066, S.D. 1, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO INSURANCE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 3 (Hemmings, Hogue, Slom). Excused, 1 (Chun).

Conf. Com. Rep. No. 28 (S.B. No. 1071, H.D. 1, C.D. 1):

Senator Menor moved that Conf. Com. Rep. No. 28 be adopted and S.B. No. 1071, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Chumbley.

Senator Slom rose in opposition to the measure as follows:

"Mr. President, I rise to speak in opposition to the bill.

"Again, the measure changes the bonding requirements right now as well as liability insurance errors and omissions insurance specifically. It would require additional coverages for managing general agents and reinsurance intermediary managers.

"It is not necessary. It will not provide additional consumer protection, and it will again increase the cost of insurance to consumers.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 28 was adopted and S.B. No. 1071, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO

INSURANCE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 3 (Hemmings, Hogue, Slom). Excused, 1 (Chun).

Conf. Com. Rep. No. 31 (S.B. No. 1550, S.D. 2, H.D. 1, C.D. 1):

On motion by Senator Menor, seconded by Senator Kanno and carried, Conf. Com. Rep. No. 31 was adopted and S.B. No. 1550, S.D. 2, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO INSURANCE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 32 (S.B. No. 643, S.D. 2, H.D. 1, C.D. 1):

Senator Buen moved that Conf. Com. Rep. No. 32 be adopted and S.B. No. 643, S.D. 2, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kanno.

Senator Slom rose to support the measure and said:

"Mr. President, I rise in support of this measure.

"It's about time that we have taken care of the vicious dogs, both in and out of the Legislature. I think that this is something that's been long overdue. I guess the only question left, Mr. President, is 'Who let the dogs out?'" (Laughter.)

Senator Matsunaga rose to speak in support of the measure and stated:

"Mr. President, I rise in support of this measure.

"Mr. President, I realize it has been only a couple of years since my last dog speech but, Mr. President, please remember that's 14 dog years.

"First let me commend the good Senator from Maui for her dogged efforts in bringing this bill to the Floor. I understand that this bill almost didn't make it. I understand that negotiations got very 'ruff,' but the good Senator from Maui refused to 'rollover,' and was able to successfully negotiate this bill.

"What this bill does is it authorizes and legalizes the Honolulu County ordinance which was passed earlier and it addresses a very real and specific problem – and that is dangerous dogs.

"So, Mr. President, with the passage of this measure we will no longer have the 'tail wagging the dog' and this bill will actually put some 'teeth' into our laws.

"Mr. President, I urge all my colleagues to 'bark' aye. Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 32 was adopted and S.B. No. 643, S.D. 2, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO DOGS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 33 (S.B. No. 185, S.D. 1, H.D. 1, C.D. 1):

On motion by Senator Kawamoto, seconded by Senator Chun and carried, Conf. Com. Rep. No. 33 was adopted and S.B. No. 185, S.D. 1, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO FISHING," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 36 (S.B. No. 589, S.D. 1, H.D. 1, C.D. 1):

Senator Menor moved that Conf. Com. Rep. No. 36 be adopted and S.B. No. 589, S.D. 1, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Matsuura.

Senator Hogue rose in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this bill.

"I should tell you first of all, colleagues, that this bill was set up so that the Insurance Commissioner could look into what is going on with one particular dental insurance provider. There apparently are some concerns about this provider and the Insurance Commissioner wants to go in and take a look at it.

"However, it gives the Insurance Commissioner extraordinary powers and essentially opens the door for him to go in and look at the books of every single dental insurance provider. I'm not sure that that's what this body wants to happen.

"We are creating a slippery slope here by really going over the top and extending too much power to the Insurance Commissioner, perhaps even giving him the chance for an abuse of power. So I encourage all of you to vote 'no.'

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 36 was adopted and S.B. No. 589, S.D. 1, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO DENTAL INSURANCE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Conf. Com. Rep. No. 51 (H.B. No. 1339, H.D. 1, S.D. 1, C.D. 1):

Senator Inouye moved that Conf. Com. Rep. No. 51 be adopted and H.B. No. 1339, H.D. 1, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator English.

Senator Hemmings rose to speak in favor of the measure with reservations and said:

"Mr. President, I rise to speak in favor of the bill with reservations.

"This is not smart growth, Mr. President. It allows the county boards to impose and collect impact fees and then put it into their general fund, which may be a good idea but not in light of the fact that the water decisions first have to be made in the shadow of the statewide water code, thus, forcing any major changes in water use at the county level to go through the state system first. These two hoops, oftentimes fraught with perils such as politics, impose tremendous impacts on the cost, ultimately, of housing and development in our communities.

"I do believe the counties should have the power, and this would be good legislation in unto itself if it wasn't superseded by the statewide water board and all its politics and machinations. Hence my reservations.

"Thank you, Mr. President."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 51 was adopted and H.B. No. 1339, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO WATER SUPPLY BOARDS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 52 (H.B. No. 118, H.D. 3, S.D. 2, C.D. 1):

On motion by Senator Matsuura, seconded by Senator Menor and carried, Conf. Com. Rep. No. 52 was adopted and H.B. No. 118, H.D. 3, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO FAMILY CHILD CARE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 53 (H.B. No. 646, H.D. 1, S.D. 2, C.D. 1):

Senator Matsuura moved that Conf. Com. Rep. No. 53 be adopted and H.B. No. 646, H.D. 1, S.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Menor.

Senator Hemmings rose to speak against the measure and stated:

"Mr. President, I rise to speak against this legislation.

"I have one question to ask the people that are proponents of this bill: If we're selling needles to drug addicts, where do they get the drugs?

"There was a time when giving out drug paraphernalia was a crime also. The State is simply authorizing individual drug stores or people that sell sterile syringes to be enablers. This is not the path to solving the problem; it's a path to more drug consumption and more illegal activity that's related with obtaining the drugs.

"Thank you, Mr. President."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 53 was adopted and H.B. No. 646, H.D. 1, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE SALE OF STERILE SYRINGES FOR THE PREVENTION OF DISEASE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Slom).

Conf. Com. Rep. No. 55 (H.B. No. 503, H.D. 2, S.D. 2, C.D. 1):

Senator Buen moved that Conf. Com. Rep. No. 55 be adopted and H.B. No. 503, H.D. 2, S.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Inouye.

Senator Slom rose to speak in opposition to the measure as follows:

"Mr. President, I rise to speak in opposition to the bill.

"This bill actually circumvents the current lease auction process. What it does further is to place no limit on the number of lease extensions that could conceivably allow continuous extension forever, essentially removing the lands from the public land trust. So I think the public loses an opportunity to take an active part in land use.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 55 was adopted and H.B. No. 503, H.D. 2, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO STATE LEASES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Conf. Com. Rep. No. 66 (H.B. No. 236, H.D. 1, S.D. 1, C.D. 1):

Senator Matsuura moved that Conf. Com. Rep. No. 66 be adopted and H.B. No. 236, H.D. 1, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kanno.

Senator Fukunaga rose and said:

"Mr. President, please record a reservation for me on this vote."

The Chair so ordered.

Senator Slom rose in support of the measure and said:

"Mr. President, I rise in support of this measure.

"The public has asked very little of its public officials but one of the things it has asked over the years is why did Hawaii have the lowest age of consent in the nation? Why was it okay for young women 14 years of age to have sexual relations particularly with older men whether it was consensual or not consensual? They asked us to do something about it in the last couple of years and we didn't do it.

"This year we tried to amend the bill and change the bill and argue about the bill and I think this is one of the successes of this Session – that both the House and the Senate got together and finally reached a position that is more in line of what the public has wanted to do and has asked us, no, demanded for us to do. So I'm very happy to support this bill.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 66 was adopted and H.B. No. 236, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO SEXUAL ASSAULT," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 67 (H.B. No. 123, H.D. 1, S.D. 1, C.D. 1):

Senator Kawamoto moved that Conf. Com. Rep. No. 67 be adopted and H.B. No. 123, H.D. 1, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kanno.

Senator Chumbley rose to speak in opposition of the measure and stated:

"Mr. President, I rise to speak in opposition to this measure.

"Well colleagues, I won't go through my top ten list of the reasons to vote against this bill because you're all too familiar with it. I want to say that I am supportive of reducing speeding in school zones. I don't think that any of us would stand up here today and argue against that. In fact, Mr. President and colleagues, I don't even have a problem with the \$250 fine . . . let's make it \$300; let's really put some teeth into it. That's not the issue.

"Section 1 of the bill, page 2, lines 16 through 19, sets out to define what is a school zone and it reads: "'School zone' means every street and all public property in the vicinity' – in the vicinity – 'of a school as designated by the department of transportation and the counties, in their respective jurisdictions.'" While the good Chairman from Waipahu did make a good faith effort to improve this bill, I would suggest to you that the bill is even more flawed now than it was before. Because before, it was 1,000 feet, now it is the vicinity. That's a very subjective term.

"What is the vicinity? Is it 100 feet? Is it 500 feet? Is that really what we want to do? Do you want the Department of Transportation . . . and it doesn't say who in the Department of Transportation makes that decision. Is it the director? Is it the deputy director? Is it one of the civil service employees down at the lowest level? It doesn't say who in the counties makes that decision.

"So I would suggest to you that this bill is just as poorly drafted and poorly thought out in that aspect. I think we all want to make our school zones safe. This is not going to do it. This is just going to cause heartburn and pocket problems.

"Thank you."

Senators Hemmings and Slom then requested their votes be cast "aye, with reservations," and the Chair so ordered.

Senator Kawamoto rose to speak in support of the measure as follows:

"Mr. President, I rise to speak in favor of this bill.

"Someday I hope that we and the Senator from Maui and Kauai get our signals straightened out. We have to make two fingers, one finger, three fingers, but someday I hope that in the near future we'll get the signals correct.

"When this bill came out previously, passing through this body, the complaints were about my insertion of the 15-mile speed limit because our concern was for pedestrians. Eventually the House decided that 15 miles was not a good idea, so I took that out.

"So, in the mood of facilitating this bill to go through, I accepted the House definition of allowing the DOT to designate the distance and the streets to be used as school zones. They know safety as I know safety, so we allowed them to do that.

"So I urge my colleagues to vote 'aye.' Someday, maybe next year, we're going to get together.

"Thank you very much."

Senator English rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this bill.

"I have to say that it's gotten better in some areas and not so much better in others. Yes, I think the Senator from Waipahu understands which finger is coming. (Laughter.)

"Mr. President, I can tell you one thing – in my particular district, with this it is very unclear if the Director of Transportation will designate, the County Council will designate, the Mayor will designate, the engineer for the Department of Transportation on Maui. The potential for this to turn the entire Kahului/Wailuku area into a school zone is very great because you have so many schools in there.

"I cannot support it because it does that and because, Mr. President, I think that there are other ways to deal with speeding issues and deal with the protection of pedestrians than this. So I cannot support the measure.

"Thank you, Mr. President."

Senator Matsunaga rose to speak in support of the measure with reservations as follows:

"Mr. President, I rise in support of this measure with reservations.

"Mr. President, I share some of the concerns expressed by the previous speakers. I would like to point out though that on page 2, lines 20 through 21, there is a provision that allows the director to adopt rules pursuant to this chapter, which hopefully should clarify the intent that the authors had intended.

"Thank you, Mr. President."

Senators Hogue, Menor, Ige, Ihara and Kim then requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 67 was adopted and H.B. No. 123, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO SPEEDING," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Chumbley, English).

Conf. Com. Rep. No. 68 (H.B. No. 135, H.D. 2, S.D. 1, C.D. 1):

Senator Kawamoto moved that Conf. Com. Rep. No. 68 be adopted and H.B. No. 135, H.D. 2, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kanno.

Senator Hogue rose in opposition to the measure and said:

"Mr. President, I rise to speak in opposition to this bill.

"I've spoken on it before as this thing has passed through. I think it's well intended and I'm sure all of us want our children to be very safe. We've heard about tragic accidents; there's no doubt about that. But just like the laws that would have us put our hands at 45-degree angles or put our children in helmets as they ride their scooters around the neighborhood, I think this one is really way over the top.

"First off, it puts difficult restrictions on parents. What do parents who have small cars and several youngsters do just to get around? And what do parents who drive a truck and live in the country or on the neighbor islands do? A better idea would

be to trust parents – to trust them to make the best decisions for their children and to make them be safe.

"That's what I would do as the parent of four children, and that's why I'm voting 'no.' Thank you."

Senator Matsunaga rose in opposition and said:

"Mr. President, I rise in opposition to this measure.

"Mr. President, I would like the words of the previous speaker inserted into the Journal as my own. I would like to point out that it was just a few years ago we raised the age for booster seats to age four and now we're doubling it to age eight. I'm concerned about this trend, Mr. President. I fear by the year 2011 we'll have up to age 18 in booster seats. (Laughter.)

"So I urge my colleagues to vote 'no.' Thank you, Mr. President."

Senator English rose to speak in opposition to the measure and said:

"Mr. President, I rise in opposition to this measure.

"The words of the Senator from Kaneohe are very apropos to this measure. Mr. President, I have nieces and nephews and this is in the country in Maui so understand that we feed them very well with all that poi. But they're eight years old and way over 80 pounds, so how can I possibly fit these poor kids in a safety seat?

"Mr. President, this measure is not fair to those in the rural areas, in the country, those that have to transport children, often many children, and it simply doesn't work for the outer islands and the outer districts. So I have to vote 'no' on this.

"Thank you."

Senator Kawamoto rose to speak in favor of this measure and said:

"I rise to speak in favor of this bill, Mr. President.

"As the previous speaker spoke, you know we like those people that are bigger and heavier so that they can be on the UH football team. But this bill does not address them – it's 60 pounds and below. So if they're 80 pounds and above, they're okay to ride without a booster seat.

"Some of us sometimes listen to the news and fortunately we had a newscast the other day about four parents who were having their children put into booster seats and all four of them had positive remarks about this bill. So if we're going to do the people's business and we are concerned about safety, KIPC has said this is important to them because it's a safety item.

"So I urge all my colleagues to vote 'aye.' We even took out the pickup truck provision in this bill. So, for those who were concerned about that, we listened to you and we addressed that in Conference.

"Thank you."

Senator Kim rose to speak against the measure and stated:

"Mr. President, I rise to speak in opposition of this measure.

"I want it to be known that I support keeping our children safe. As a mother it was very important that my child, when he was small, that we put him in a car seat and a booster seat.

"However, I believe that this measure goes too far. I believe that this is a hardship or will be a hardship on many families, especially those who have more than two children. It will also be a hardship on those who carpool, trying to take kids to and from games, to and from school. We're trying to encourage people to carpool, and with this I think it's going to be very difficult for other families to be able to pick up children and not have these booster seats.

"I think we need to rethink this. Perhaps the age needs to be changed so that we can make sure that our children are kept safe. I want to commend those parents who are putting their kids in booster seats. They don't need a law to do this. The smart ones will do it and if they're able to do it.

"For those reasons, I'll be voting 'no.' Thank you."

Senator Slom rose to speak in opposition as follows:

"Mr. President, I, too, rise in opposition to this bill.

"As the good Senator just said, you don't have to force people to do what is right. Those of us that are parents and have taken care of our children, and other children as well, will always look for safety number one.

"You know, first we required seat belts for all children, and then we required airbags and then we found out that airbags kill children, then we found out that the seat belts don't work. Now we're talking about the child booster seats up till age eight or up to 80 pounds, and whose scale are we going to use, and who's going to measure the 80 pounds. I think we discriminated against those that are more sturdy children and likely to be linebackers than those that are in the backfield.

"Taking a cue from Senator Matsunaga, I am very concerned that ultimately what we're going to do is we're all going to have to carry our car seats around with us regardless of age, weight, color, sexual orientation, or condition. I think it's time that if we want to talk about the kids and we want to talk about the parents in our community, we stop passing legislation that raises their taxes and their expenditures and help them that way, and then we'll all be healthier.

"Thank you, Mr. President."

Senator Chumbley rose to speak in opposition and said:

"Mr. President, I rise to speak in opposition to this measure.

"Colleagues, while I don't have the same kinds of props that my good friend in front of me does, I do have a little bit of humor for you. Some of you have told me that I've been acting like a juvenile this year but you haven't told me how old I am. Therefore, I'm concerned that you're going to now ask me to put a booster seat in my chair here on the Floor.

"I think the good Senator from Kalihi hit it on the head – this is a parental responsibility issue. This is not for government to tell parents what to do. The good Senator from Waipahu was talking about the parents on TV who were applauding about those who put their children in booster seats. They don't need this law to do it. They're already doing it. This is parental responsibility. This is not for government to decide.

"I urge you to vote 'no.'"

The motion was put by the Chair and carried, Conf. Com. Rep. No. 68 was adopted and H.B. No. 135, H.D. 2, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO

CHILD PASSENGER SAFETY," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 13. Noes, 12 (Chumbley, English, Hemmings, Hogue, Ige, Ihara, Inouye, Kim, Matsunaga, Matsuura, Menor, Slom).

Conf. Com. Rep. No. 70 (H.B. No. 1685, H.D. 1, S.D. 1, C.D. 1):

On motion by Senator Kawamoto, seconded by Senator Fukunaga and carried, Conf. Com. Rep. No. 70 was adopted and H.B. No. 1685, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TAXATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 75 (H.B. No. 1668, H.D. 1, S.D. 1, C.D. 1):

Senator Sakamoto moved that Conf. Com. Rep. No. 75 be adopted and H.B. No. 1668, H.D. 1, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Nakata.

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, I rise to speak against this legislation.

"Mr. President and colleagues, this is exactly what's wrong with the public education system – we're fixing the problem from the back end. We should be providing every incentive possible for new teachers to come into the system, not rehiring retired teachers who will be collecting retirement while also simultaneously, in many cases, be collecting inflated salaries to do a job that should be given to someone coming out of college and into the teaching profession. This does not solve the problem over the long term and it only delays it further.

"Hence it is legislation that adds to the problem, not solves it. Thank you, Mr. President.

Senator Sakamoto rose to support the measure and stated:

"Mr. President, I rise in support of the measure.

"In response to the previous speaker's comments, Mr. President, this bill does not hire the teachers. This bill makes it permissive for the department to hire teachers that have been retired two years. In light of the shortage, Mr. President, in light of those who read the newspaper talking about our department needing 1,400 teachers this year, and in light of the fact that our local school system puts out less than half of that, we need teachers wherever we can find them at this point in time, Mr. President.

"If retired teachers have retired out of our system and may be working as a teacher somewhere else or taking care of the keiki at home, and if indeed they're a qualified and excellent teacher, Mr. President, we're equipping the department with an ability to hire teachers without the barrier of them having previously retired from our system."

Senator Hemmings rose in rebuttal and said:

"Mr. President, I rise on a point of rebuttal.

"In response to the designated hitter, the good Senator from Moanalua, I don't want to get into semantic jousting about this. This bill does exactly what I spoke about. It rehires retired teachers.

"If the Majority Party and the good Chairman of the Education Committee wanted to really address the problem with the teacher shortage, what they'd do is solve Hawaii's economic problems so young people could afford to live in Hawaii, not go to the mainland and go to college and then stay on the mainland because they cannot afford to come home. What we'd do is we'd provide more economic incentives in the teaching profession to make it rewarding to be a teacher in Hawaii.

"I stand by my comments. They're exactly right. We're trying to pull teachers out of retirement at the end of their career rather than providing incentives for young people to come in and build for a future by providing a healthy economy where young people can work and thrive. Too many of our children and grandchildren are living on the mainland because they can't afford to work here. In the meantime, the State of Hawaii is going to rehire retired teachers to collect twice for a job that should be done by a young person.

"Thank you, Mr. President."

Senators Hogue, Slom and Ige then requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 75 was adopted and H.B. No. 1668, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO REHIRING RETIRED TEACHERS IN THE DEPARTMENT OF EDUCATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 1 (Hemmings). Excused, 2 (Fukunaga, Ihara).

Conf. Com. Rep. No. 77 (H.B. No. 1211, H.D. 1, S.D. 1, C.D. 1):

Senator Kanno moved that Conf. Com. Rep. No. 77 be adopted and H.B. No. 1211, H.D. 1, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Buen.

Senator Slom rose to speak in opposition to the measure and said:

"Mr. President, I rise in opposition to this bill.

"This bill tries to do several things, most of which I think are very positive in dealing with certain kinds of firearms and electric guns. However, there's one major stumbling block and for me that's enough to vote 'no' and that has to do with constitutional infringement on privacy.

"As has been testified by the Hawaii Medical Association and others, the acquisition of medical records by county police departments may afford many opportunities for that breach of confidentiality of these records. A breach of medical privacy can have far-reaching implications and obtaining these records can force a severe obligation on the police departments to make sure that privacy is handled properly.

"Medical records which are part of this would contain information dealing with marital problems, sexual orientation, HIV status, and other considerations all of which could be construed as affecting mental stability. There's no certainty in

here that the police departments are taking adequate steps to take care and protect that privacy.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 77 was adopted and H.B. No. 1211, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO FIREARMS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 20. Noes, 2 (Hemmings, Slom). Excused, 3 (Fukunaga, Ige, Ihara).

Conf. Com. Rep. No. 80 (H.B. No. 600, H.D. 1, S.D. 1, C.D. 1):

Senator Menor moved that Conf. Com. Rep. No. 80 be adopted and H.B. No. 600, H.D. 1, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kanno.

Senator Hogue rose in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this bill.

"As you probably have noted, this bill is monstrously thick. As a matter of fact, it is over 140 pages. I don't know how many of you actually sat down and went through it page by page, but as you do so, you may have noted that there is a huge section here about fee increases. It's the worst part of this bill.

"DCCA says they're only trying to simplify their fee structure. I'm not sure it's a total coincident, but when they talk about simplifying, in the end they get more revenues. We found 23 separate fee increases buried throughout this bill - higher fees for: general partnerships, limited liability partnerships, foreign LLPs, special handling of certificates, making certified copies of documents, affixing seals, notarizing certificates, making statements of change, good standing certificates, whatever those things are. The list goes on and on. Yes, DCCA did drop some fees along the way, but they admitted the net effect is more money for them.

"Fee increases like this are part of the reason why business is not flourishing here in the State of Hawaii, and it's the biggest reason why I'm voting against this bill.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 80 was adopted and H.B. No. 600, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO BUSINESS REGISTRATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 19. Noes, 3 (Hemmings, Hogue, Slom). Excused, 3 (Fukunaga, Ige, Ihara).

Conf. Com. Rep. No. 85 (H.B. No. 271, H.D. 1, S.D. 1, C.D. 1):

Senator Kawamoto moved that Conf. Com. Rep. No. 85 be adopted and H.B. No. 271, H.D. 1, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Menor.

Senators Kim and Taniguchi requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 85 was adopted and H.B. No. 271, H.D. 1, S.D. 1,

C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO MOTOR VEHICLE RENTAL INDUSTRY," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 19. Noes, 6 (Chumbley, English, Hogue, Ige, Ihara, Matsunaga).

Conf. Com. Rep. No. 87 (H.B. No. 469, H.D. 2, S.D. 1, C.D. 1):

Senator Sakamoto moved that Conf. Com. Rep. No. 87 be adopted and H.B. No. 469, H.D. 2, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Nakata.

Senator Hogue rose in support of the measure with reservations and stated:

"Mr. President, I rise to speak in support of this bill with reservations.

"First of all, I want to say that this bill is actually the step in the right direction because it recognizes that principals are essentially managers of their respective schools. It recognizes that principals need vice principals with managerial or administrative experience, even if that experience is outside the education system.

"However, Mr. President, there are a couple of flaws. First it requires all principals to have at least three years experience in the classroom. That's down from the current law of five years experience. Now, I understand that principals need to know what's going on in the classroom, however, I don't believe that managerial experience is necessarily tied to skills acquired in the classroom. For example, if I can use the world of sports, there are a number of stories about great coaches or managers who never played the game.

"The second flaw is a bigger one. As you know, we are facing a potential shortage of principals here in the very near future. In fact, many might be retiring. Thus we need more vice principals to train in the system. This allows VP candidates to be hired with appropriate managerial or administrative experiences. Now that's a good idea but there is really a 'catch-22' here. Once they're in, under this bill they can't be promoted to principal because they don't have the required three years in the classroom.

"For these reasons, I'll be voting with reservations. Thank you."

Senator Hemmings then requested his vote be cast "aye, with reservations," and the Chair so ordered.

Senator Sakamoto rose to speak in support of the measure and said:

"Mr. President, I rise in support of H.B. No. 469.

"Mr. President, the purpose of this measure is to provide the Department of Education more flexibility in hiring principals and vice principals. It no longer requires principals and vice principals to serve as a teacher for no less than five years. As mentioned, it requires principals to have served five years in appropriate school level experience, three of which must have been as a teacher. It requires vice principals to have appropriate school level experience as determined by the department, and allows the department to waive certification and experience requirements on a case-by-case basis.

"Mr. President, this measure does provide extraordinary and unusual flexibility in the hiring of principals and vice principals to the Department of Education. However, we're facing a critical shortage in these extraordinary times, and because of the shortage of school administrators as pointed out by the Senator from Kaneohe, we feel that situations will become more acute in the immediate future because of the retirements and turnover of personnel.

"Mr. President, being a public school principal today is one of the most challenging, complex, and difficult jobs in America. An effective principal must not only be an educator, but also be among other things, a business manager, community leader, disciplinarian, facilities manager, special education expert, and above all, a skilled facilitator able to conduct with vocal and conflicting demands of students, teachers, parents, bureaucrats and everyday critics. In addition, principals are facing litigation. It's no wonder that we're having increased difficulty in finding well-qualified candidates and at the same time finding increasing short tenures for those who do become principals.

"Mr. President, the flexibility proposed will enable the department to have management tools for recruitment of school administrators because of their experience, skills, and characteristics that would make them more successful school leaders. It is not meant to denigrate the value of prior teaching experience for administrators, but rather a recognition that because of today's complex nature of the job, candidates should not be limited to those coming from the ranks of classroom teachers.

"The hope, as previously commented, in the future is that if some of these vice principal candidates are brought into the system and are successful, future legislators may indeed look at changing these requirements in the future. But at this time, Mr. President, we feel this is a big step forward to enable the department, again, to have more tools to address our school system as it exists today."

Senator Slom then requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 87 was adopted and H.B. No. 469, H.D. 2, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO SCHOOL PERSONNEL," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, 1 (Ige).

At 11:45 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:00 o'clock noon.

Conf. Com. Rep. No. 89 (H.B. No. 526, H.D. 1, S.D. 1, C.D. 1):

Senator Kanno moved that Conf. Com. Rep. No. 89 be adopted and H.B. No. 526, H.D. 1, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Matsuura.

Senator Slom rose in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to this bill.

"First of all, let me say that I am absolutely supportive of very strong child support enforcement laws and administration. I think, however though, that when we look at agencies of government, the Child Support Enforcement Agency has done a

terrible job in the past. People that have made payments correctly were not credited with those payments. Single moms did not get payments either in a timely manner or at all, in some cases.

"Now what this bill would do is to allow them to skirt judicial review to, on their own, issue liens and other court documents that should be reserved for the judiciary and which is not. It's giving them a great deal of power without them having demonstrated that they have the responsibility or the accountability.

"So as I say, I'm firmly supportive of enforcement. I think, in fact, we've lost much money for both the State and for individuals who are deserving of it. I want to see this agency do a better job before we think about giving them any additional power.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 89 was adopted and H.B. No. 526, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CHILD SUPPORT ENFORCEMENT," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 3 (Hemmings, Hogue, Slom). Excused, 1 (Fukunaga).

Senator Matsuura moved that Conf. Com. Rep. No. 93 be adopted and H.B. No. 1234, H.D. 1, S.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Hanabusa.

Senators Hogue, Hemmings and Slom requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 93 was adopted and H.B. No. 1234, H.D. 1, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO QUEST," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 107 (H.B. No. 175, H.D. 2, S.D. 2, C.D. 1):

Senator Tam moved that Conf. Com. Rep. No. 107 be adopted and H.B. No. 175, H.D. 2, S.D. 2, C.D. 1, having been

read throughout, pass Final Reading, seconded by Senator Taniguchi.

Senator Tam rose to support the measure and remarked:

"Mr. President, I rise to speak in support of H.B. No. 175, C.D. 1.

"In previous Sessions, the Legislature offered a package of incentives to encourage continued growth and development of high technology industries in Hawaii. This has helped position Hawaii for the new economy. Now it is time to clearly announce that Hawaii is a tech-friendly place to do business.

"H.B. No. 175, C.D. 1, moves to add further tax incentives for the high technology industry with the following incentives:

1. Technology infrastructure renovation tax credit;
2. Exemption for public Internet data centers;
3. Exemption for the sale of net operating loss by qualified high technology business;
4. Royalties derived from patents, copyrights, or trade secrets excluded from gross income;
5. Stock options from qualified high technology businesses excluded from taxation;
6. High technology business investment tax credit; and
7. Tax credits for research activities.

"This is a bill whereby the private sector and government work together. Thank you."

Senator Slom rose in support of the measure with reservations and stated:

"Mr. President, I rise to speak in favor of the bill with reservations.

"It is certainly true that the Legislature in 1999 and 2000 passed landmark legislation to help spur on high technology. It is also true, however, that high technology still represents less than 3 percent of our State's economy. Many of the businesses that are still struggling in our State do not get the benefit of tax exemptions, tax credits, carryover of their losses, fast tracking, or any of the other major inclusions in the bills over the last three years, including this one.

"There also is a problem, I think, with this bill in that providing additional favorable tax treatment in conjunction with the capitalization benefits and the sale of these carryover losses is highly speculative in terms of what we've seen in the last year with technology in general, both nationally and locally.

"In addition to that, I call your attention to page 9, lines 1 to 7. The language seems vague and confusing and may be interpreted that the State rather than the federal government is determining that the internal revenue code does not apply to expenses related to royalties.

"So I think it's a good idea that we help this industry. I would like us to help additional industries as well. Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 107 was adopted and H.B. No. 175, H.D. 2, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TAXATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Conf. Com. Rep. No. 128 (S.B. No. 1113, H.D. 1, C.D. 1):

On motion by Senator Kawamoto, seconded by Senator Menor and carried, Conf. Com. Rep. No. 128 was adopted and S.B. No. 1113, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO PUBLIC ASSISTANCE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 129 (S.B. No. 755, S.D. 2, H.D. 1, C.D. 1):

Senator Kawamoto moved that Conf. Com. Rep. No. 129 be adopted and S.B. No. 755, S.D. 2, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Taniguchi.

Senator Kawamoto rose to speak in favor of the measure and stated:

"Mr. President, I rise to speak in favor of this bill.

"Mr. President, for those of you on the neighbor islands and for those of us who have piers and harbors in our districts, we urge you all to vote 'aye' on this bill because this is the only way in which we're going to get some of these things done. Our special funds are about \$30 million a year and it can go only so far. We have a backlog of about \$66 million worth of harbor improvements and we need this opportunity – a way in which we can get some of these improvements done.

"Basically, we're again calling for \$2 million of capital advancement to be made by the private sector and be paid back by fees owed to the State at future dates.

"This bill had some problems with the Attorney General's Office. We tried to fix this and we fixed as much as we could with the Attorney General's Office. The concern was the fact that because a fee is not going into the special fund, there's some concerns from budget and finance about bond ratings.

"The game plan on this bill is that it may be taking out some special funds a little at a time every year, but our game plan is to address the up and coming economic capability of our wharves and piers, and that is the cruise ships. We've seen in the horizon many, many cruise ships coming in – not double or triple, but ten times the amount of cruise ships that are presently coming in.

"So we hope this special fund will grow not only \$30 million, but someday it could be \$60 million or someday it

could be \$90 million, and the problem with fixing the harbors and piers would not be a problem as far as the physical concern being there.

"We're asking you to send a message to the Governor that this bill is a bipartisan bill, a concern of the economy, a concern of the harbors on the neighbor islands and also in our area in Honolulu that we need some way to fix the piers or some of these foreign ships may sail away and not have the opportunity to see the islands of Hawaii.

"So I urge you all to vote 'aye' on this bill. Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 129 was adopted and S.B. No. 755, S.D. 2, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO HARBORS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Senator Menor moved that Conf. Com. Rep. No. 130 be adopted and S.B. No. 1060, S.D. 1, H.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Chumbley.

Senator Hogue rose in opposition to the measure and said:

"Mr. President, I rise to speak in opposition to this bill.

"I spoke earlier about DCCA wanting to raise some fees. Well, they're at it again in this bill. In this bill, if the DCCA decides to audit a realtor's escrow depositories, they'll force the realtor to cough up \$40 an hour per examiner, plus travel expenses, per diem, mileage, and all other reasonable, and perhaps unreasonable, expenses as well.

"This isn't a service that the realtors are clamoring for. Just ask yourself this question – If the IRS were going to audit you, would you give them the privilege of also foisting a fee upon you? I don't think so.

"The DCCA is supposed to be self-sufficient, but why do they always appear as if they are giving themselves a raise?

"I'll be voting 'no.' Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 130 was adopted and S.B. No. 1060, S.D. 1, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO ESCROW DEPOSITORIES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Senators Taniguchi and Matsunaga requested their votes be cast "aye, with reservations," and the Chair so ordered.

Senator Menor rose for a conflict ruling as follows:

"Mr. President, before you officially record a 'no' vote on this measure together with other measures pertaining to the public employees' health fund, I wanted a ruling in regards to a potential conflict. My wife is a public school teacher and both she and my family are covered under a union health plan."

The President ruled that Senator Menor was not in conflict.

Senator Chun also rose for a conflict ruling and stated:

"Mr. President, I also would like to ask for a ruling on a conflict. I am a member of a union health plan."

The President ruled that Senator Chun was not in conflict.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 139 was adopted and S.B. No. 1046, S.D. 1, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE PUBLIC EMPLOYEES HEALTH FUND," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Kanno, Kawamoto, Menor).

Conf. Com. Rep. No. 148 (S.B. No. 1144, S.D. 2, H.D. 2, C.D. 1):

Senator Nakata moved that Conf. Com. Rep. No. 148 be adopted and S.B. No. 1144, S.D. 2, H.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Hanabusa.

Senator Sakamoto rose to speak in opposition to the measure and said:

"Mr. President, I rise in opposition to this measure.

"Mr. President, no amount of wishful thinking or compassion by this Legislature will change the basic laws of supply and demand. If we raise the minimum wage, the laws of supply and demand indicate that employers are forced to pay an inflated wage or higher wage and will reduce the demand for inexperienced and unskilled workers. That will result in higher unemployment of the very people we are trying to help.

"This is not just the rhetoric of small business . . . I'm a small businessperson. Noted economists and Federal Reserve Chairman Alan Greenspan have stated that that is an economic reality. Past experience around the nation shows us that while the minimum wage increase does lift some families out of poverty, it inevitably pushes more families into poverty.

"So if we raise the minimum wage, we will force the 90 percent or so of small employers in Hawaii to control costs possibly by eliminating jobs, possibly displacing lower skilled workers for more productive workers, and possibly shaving work schedules.

"We cannot legislate wealth. We cannot force Hawaii's employers to higher wages. This measure will do more harm than good in the long run, Mr. President.

"This measure also doesn't address the tip credit. Many of the minimum wage workers work for restaurants. My son works for a restaurant. I go and check his counter and his paychecks are sitting on the counter. Why? Because it's not the minimum wage, he's got the tips . . . dollars in his pocket. Restaurateurs have come before us saying, 'Yes, there are many minimum wage earners that don't pick up their paychecks because their tips are so high.' We needed to have addressed the tip credit not by 25 cents, but a higher amount. If we do something, let's do it right.

"We can't legislate doing things like this to help us. We talk about inflation. We talk about Hawaii's cost of living. We, as government, raise the minimum wage of \$5.25 to \$5.75. Now what does that do to the worker who is currently earning \$5.75? Do we then push him or her up to \$6.25? And what does that do with the worker who's earning \$6.25? Do we push him or her up to \$6.75? And so on, and so forth . . . \$10.75 to \$11.25; \$14.25 to \$14.75. Who's generating a cost of living increase and who's generating inflation?

"Measures like this, without commensurate increase in productivity, are pushing everybody's wages up and it's not the correct way to do it. Employers gladly pay more for workers and gladly pay more for the skills produced."

Senator Nakata rose to speak in favor of the measure and said:

"Mr. President, I rise to speak in favor of this bill.

"There are reasons for doing this – reasons of compassion. The minimum wage has not been raised now for eight years. The buying power of that wage has been reduced significantly.

"Welfare reform is coming to a critical point later in this year . . . the five year point when those who have been on welfare for that long will be dropped off those roles. There are many that already have gone off the roles. This measure is intended to help such persons and such families, because there are family wage earners who earn the minimum wage.

"Many in business admit that the time has come for a minimum wage increase. Reports vary as to the impacts of the minimum wage on the economy, but the erosion of the buying power is something that we need to address.

"This is a measure that also helps at a time when social programming has been cut back. We need to give hope to people who are on such assistance or who have been cut off.

"For that reason, I urge my colleagues to support this bill. Thank you."

Senator Hemmings rose to speak against the measure and stated:

"Mr. President, I rise to speak against this legislation.

"With all due respect for the Senator from Kahaluu, this has nothing to do with compassion, in fact, just the opposite. This is going to probably cut entry-level jobs for the people that need them the most. This is probably going to eliminate training jobs for the people that want to enter into an occupation and build a career.

"This is certainly going to hurt the restaurant industry. I'm a consultant for a restaurant that has been struggling fiscally for a number of years right now. The tip credit proviso in this bill is almost insulting. It's subtle and meaningless. It's going to hurt the restaurant industry.

"I hear often about compassion and it's amazing how different people have a different perspective on life. I would think if we really wanted to be compassionate for the truly needy in our society – the sick, the hungry, and the infirmed – we wouldn't charge them tax for being that.

"Thank you, Mr. President."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 148 was adopted and S.B. No. 1144, S.D. 2, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO MINIMUM WAGE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 20. Noes, 5 (Hemmings, Hogue, Kim, Sakamoto, Slom).

Conf. Com. Rep. No. 155 (H.B. No. 407, H.D. 1, S.D. 1, C.D. 1):

On motion by Senator Kawamoto, seconded by Senator Taniguchi and carried, Conf. Com. Rep. No. 155 was adopted and H.B. No. 407, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE GENERAL EXCISE TAX," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Hogue).

Conf. Com. Rep. No. 157 (H.B. No. 946, S.D. 2, C.D. 1):

Senator Sakamoto moved that Conf. Com. Rep. No. 157 be adopted and H.B. No. 946, S.D. 2, C.D. 1, having been read

throughout, pass Final Reading, seconded by Senator Kawamoto.

Senator Chumbley rose in opposition to the measure and said:

"Mr. President, I rise to speak in opposition to this measure.

"Members, this is not the way to address some of the issues that are concerning the Board of Education, the Department of Education, and the public in general about charter schools. While I do acknowledge that the Chair of the Committee has put forth a good-faith effort, I feel that this bill, as drafted, falls significantly short and in fact leaves out opportunities for charter schools to continue.

"Under this bill, if a detailed implementation plan is submitted by a group seeking a charter, and for whatever reason it's tuned down twice because they want them to go back and amend it to make some changes to it, that group would never again have the opportunity to submit for a charter. This is a 'two strikes and you're out' component.

"In addition, preference is given to existing schools and public school programs, as opposed to some of the conversions or some of the start-up programs. If you look at what's happened in the charter movement, the majority of them are start-ups, particularly on the Big Island and those on Maui. The two main schools that have followed the charter program were conversions, so why should they have a preference? Maybe they do have facilities, maybe they do have things in place already, and I give them credit for that, but what's wrong with a start-up?

"The next component is that it could eliminate the small school subsidy, which is very important. Now, the language in the bill is permissive – 'it may eliminate it' versus 'it shall provide it.' So there's a chance that they'll lose that.

"Next, it creates a new review panel. This is what I find to be the most troublesome because I think it's another obscure process that will take away from the initiatives in our community and those groups that really want to work outside of the bureaucracy of the Department of Education. This review panel will be made up of seven people. Five of the seven people are associated with the department or the board. It has four board members and the superintendent or his or her designee. So that's five people who are already, under the existing law, involved in the review of those charters. The bill does allow for two people who are part of the charter school process to be involved in that. That was the token given to them in their hopes of getting more insight over the process.

"This review panel simply makes a recommendation to the Board of Education which already has, under existing statute, the power to make those decisions. So why do we need to go through another convoluted process?

"It appears that this bill has everything that the Board of Education wants, which has shown its cards in opposition to issuing implementation plans for charter schools and nothing for communities or those who want to start up a charter school.

"I urge you to think hard about this, because this clearly is moving in the wrong direction and I would suspect that this is a prime bill for veto by the Governor.

"Thank you."

Senator Hogue also rose to speak in opposition to the measure and said:

"Mr. President, I rise in opposition to this bill as well.

"This legislation is a direct threat to Hawaii's charter schools and is also clearly undermining the fundamental principles by which the charter schools were founded in this public education system.

"First, if a detailed implementation plan by a group seeking a charter is turned down twice, the group will never again be considered a charter. Also, preference is given to existing public schools and public school programs. Thus, these two areas are extremely dangerous as they are directed against those trying to implement significant systemic change.

"I urge you to vote 'no.' This is a bad bill. Thank you."

Senator Sakamoto rose to speak in support of the measure and stated:

"Mr. President, I rise in support of the measure.

"H.B. No. 946 seeks to address many of the concerns raised by charter school advocates, the Board of Education, the Department of Education, and concerned citizens.

"Mr. President, your Committees heard extensive testimony from both sides of the issue, met with representatives of stakeholder groups, and at this point, while this measure obviously cannot completely satisfy all parties, we believe it does clarify a number of issues that creates a fairer process for charter schools.

"One of the major concerns of the parties was funding for charter schools. Some felt that the schools were getting too much money to the detriment of regular public schools. Many charter schools felt they were not being fairly funded and that the lack of funding was an effort to destroy charter schools.

"To create clarity and fairness, this measure establishes the charter school per-pupil allocation at the average per-pupil funding for the public schools in this State. It provides for fiscal responsibility and flexibility in allowing, rather than mandating, that a small school subsidy be given to charter schools.

"Charter school applicants also complained that the current process is protracted, an unclear review and approval requirements. Many expressed frustrations that they've been stuck in a process that continues to require re-submittal to address ever-changing concerns. While their charters have not been denied, many felt they have made no real progress toward obtaining a charter over what some say has been a two year period.

"This measure provides a submittal process and a timeline that addresses this problem. It also provides for the denial of an application which will end the never-ending submittal process and allow an appeals process. The appeals process was one of the major requests of the proponents of charter schools.

"Additionally, this measure allows for provisional approval of charter schools. This was necessary to remedy a catch-22 situation where an approval requires evidence that a school has selected a site and most properties are unwilling to execute an agreement without a charter. So, your Committee and your Education Chair has worked to the best of our abilities with the charter school community, the Department of Education, and the Board of Education to address some of these issues.

"On the issue relating to the review panel, some charter school proponents wanted approval only by charter school people. Now, this is a public school. The Board of Education is at the top of that pyramid. We hoped that by adding charter school people in the review process, it would improve the process.

"The comments about two strikes and you're out, that certainly wasn't my intention. I'm not clear where that is in the measure, but if indeed that's what the measure says, that wasn't my intention or at least that wasn't your Chair's intention on two strikes and you're out. Certainly the intention was to make the process more definitive to enable people to move forward.

"On the point about conversion schools, the first two charter schools were existing public schools and it's been shown that conversion schools and existing schools can more successfully become charter schools. I'm in favor of supporting those efforts. Certainly others are in the process. There's no question that they don't need to be conversion schools or existing schools, but I believe many people in our system have felt trapped and as charters being a way out. So that's why that provision is there.

"So Mr. President, on balance, I feel we've worked hard with the House and members of the different constituencies to put provisions in this bill to move matters forward. So I urge members to vote 'aye' on this measure.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 157 was adopted and H.B. No. 946, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO EDUCATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 16. Noes, 9 (Chumbley, Chun Oakland, Fukunaga, Hemmings, Hogue, Ige, Ihara, Matsunaga, Slom).

Conf. Com. Rep. No. 159 (S.B. No. 1096, S.D. 1, H.D. 1, C.D. 1):

Senator Hanabusa moved that Conf. Com. Rep. No. 159 be adopted and S.B. No. 1096, S.D. 1, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Nakata.

Senator Nakata rose to speak in favor of the measure and said:

"Mr. President, I rise to speak in favor of this bill.

"This is a bill that has historic implications for this State. It has not been an easy bill to bring forward. It has major implications for the way state government does business. What it does is moves us into privatization with the option to the Governor as gatekeeper of going to managed competition. The administration's responsibility is then to develop that process. The third component of it is a return to the right to strike for some of the unions.

"All parts of this are not easy for all of us to work with, but we do have a responsibility to the citizens of this State. There has been a cry for government reform, civil service reform. This is part of the response to that cry.

"I would urge my colleagues to support this bill. I would expect that in the future these issues will still be contentious before us. We need to be open to those who are in opposition to this bill to make adjustments as we go, if they are justified.

"Further comments on the right to strike – the teacher's strike is one of the things that moved me to support the return to the right to strike, something I was very ambivalent about. But the bonding and empowerment that I saw going on on those picket lines encourages me that I think those teachers with that empowerment, with the relationships that were built, because in their work environment they don't get too much of a chance to talk to their colleagues. Their introduction to the political system . . . we saw them all here. I believe that they will be better teachers, better educators, really, for our children, in terms especially of their participation in the governmental processes of this State.

"So again, I would urge you, my colleagues, to support this bill. Thank you."

Senator Slom rose in support of the measure and said:

"Mr. President, I rise in support of this measure.

"I agree with the previous speaker that this is a historic event and juncture in our time but it's taken four years to get here. Ever since the Hawaii Supreme Court decision in Hawaii County v. Konno back in 1997, we were told that we don't have the legislative machinery in place to allow privatization as a tool or an option. Now we have it if we pass this bill.

"Privatization is nothing to be feared. Privatization is not a panacea. Privatization does not work in all cases. But privatization is one of those options, one of those fiscal options that government needs to exercise in order to make existing public employees, existing public agencies and private agencies more responsive, more effective, and more cost responsive to the taxpayers who ultimately pay all of the bills. It is no guarantee that because we have the legislation that people will lose jobs or that there will be a wholesale shift to privatization. But there is a guarantee that at least we will meet the court mandate four years late to allow that option by the state and by counties as well.

"I don't want to see us take a government monopoly and make it a private monopoly. So we've got room to yet improve this legislation but this is an important step and it's going to be beneficial to all of us within Hawaii.

"Thank you."

Senator Hemmings rose to speak in favor of the measure and said:

"Mr. President, I rise to speak in favor of this bill.

"This is a breath of fresh air and has been a long time coming. The magic of the marketplace is the hidden hand of a healthy economy. There was once a great economist in the '60s who said, 'we must maintain the consumer as a chief regulator and beneficiary of a free economy by resisting monopolies, both public and private.' You've probably heard it before. Too often in Hawaii, government maintains a public monopoly, thus denying the magic of the competition of the marketplace.

"This is a step in the right direction by returning choice, opportunity and economic development to the marketplace to provide at a better cost and oftentimes better service, products that government should be providing the people of Hawaii. I do want to recognize the good Chairman of the Labor Committee for his open-mindedness on this effort, and I hope that this is just the step – a small step – in the right direction of liberating Hawaii's economy so that really we can achieve our destiny in the twenty-first century.

"Thank you, Mr. President."

Senator Menor rose and said:

"Mr. President, could you have the Clerk record an 'aye vote with reservations' please."

The Chair so ordered.

Senator Chumbley rose in support of the measure with reservations and stated:

"Mr. President, I rise to speak in support of the bill with reservations.

"While I think that the issue of modernization of government services is one that we definitely need to embrace, I'm not as uncomfortable as some of my colleagues may be with the privatization aspect of this bill because it does have a drop dead provision within, I think, six years from this point and I further believe that the managed competition component of this bill is the right thing to do also. As an advocate of that managed competition process, last year we attempted to do a private prison with managed competition. Unfortunately, the Governor did not like the crafting of that bill last year and vetoed it.

"I think what I have my reservations about is the flip-flopping of the right to strike for the binding arbitration process. I believe that as we look at the modernization of government and we look at collective bargaining issues, this does move us forward in trying to establish a little bit of clarity to the bright line process. But I still believe that this process may not be in the interest of the employees or more broadly in the interest of the public because it could result in a disruption of services throughout our community. It's for that reason I have reservations.

"Thank you."

Senator Ige rose with reservations and said:

"Mr. President, I would like to note my reservations as well and ask that the Clerk insert the words from the Senator from Maui as if they were my own."

The Chair so ordered.

Senator Chun rose to speak in favor of the measure and said:

"Mr. President, I rise in favor of the bill.

"Four years ago in 1997, the Supreme Court issued a ruling which really has had lasting impression upon how the government does business here in Hawaii. That decision was known as the Konno decision and basically stopped government from contracting out much needed resources, much needed services. That has caused a huge ripple effect within our government services. It has slowed down services to the public. It has cost the government more money than what it should have and really has created a lot of confusion, Mr. President. Confusion in terms of what could or could not be done under our civil service laws.

"Mr. President, the Committee worked hard and diligently on this bill and they should be commended for their work. It is not a perfect bill. It's a bill that combines many different things, which ideally should have been separated. But, Mr. President, they worked hard jointly with the House, both Democrats and Republicans, and they came up with a bill that answers the

court's question – should government be able to contract out when it is necessary?

"I think the bill provides the necessary protections to make sure that it is not abused, that this right is not abused. It creates a necessary reporting system in terms of requiring the government to come back and say how these contracts were operating, and that is very commendable. In addition, Mr. President, it has a drop-dead clause, which allows the government to take a look at this situation again, if it need be, depending on how the reports come out.

"Mr. President, there are a few things in this bill, which I would agree with the Senator from Maui, that causes me concern, particularly the question about taking out the essential worker provisions. I believe that it has the potential – potential, Mr. President – of having a huge disruptive effect upon the public's health and welfare.

"I believe, Mr. President, the intent of the Committee is well thought of – and that is we want to encourage both parties to negotiate. I think both parties when they take a look at this bill, both employer and the unions, and say 'my goodness, if the only thing we're going to have to do is strike,' with no essential workers to protect the public good, both sides, employer and union, will have some huge incentive to try to sit down and negotiate a fair and equitable settlement. I am concerned, of course, though, if reasonable minds do not prevail in that kind of situation, the public good could be harmed. But I would hope in the future that we have reasonable minds on both sides of the bargaining table.

"On that basis, Mr. President, I do support the bill. Thank you."

Senator English requested his vote be cast "aye, with reservations," and the Chair so ordered.

Senator Matsunaga rose and said:

"Mr. President, please instruct the Clerk to record an 'aye vote with reservations' for the reasons so eloquently stated by the juvenile Senator from Kauai and Maui. Thank you."

The Chair so ordered.

Senator Fukunaga rose and said:

"Mr. President, I'd like to also direct the Clerk to cast a vote with reservations for me, also adopting the words of the Senator from Maui as though they were my own."

The Chair so ordered.

Senator Ihara rose and said:

"Mr. President, reservations for me, noting the imperfections that are referenced by the Senator from Kauai."

The Chair so ordered.

Senator Chun Oakland rose and stated:

"Mr. President, could the Clerk please record an 'aye, with reservations' also for the reasons stated by the Senators from Kauai and Maui."

The Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 159 was adopted and S.B. No. 1096, S.D. 1, H.D. 1,

C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO GOVERNMENT," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Kanno, Taniguchi).

Conf. Com. Rep. No. 166 (S.B. No. 1460, S.D. 1, H.D. 2, C.D. 1):

Senator Kanno moved that Conf. Com. Rep. No. 166 be adopted and S.B. No. 1460, S.D. 1, H.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Hanabusa.

Senator Hemmings rose to speak against the measure and said:

"Mr. President, I rise to speak against this bill.

"Mr. President, if it ain't broke, don't fix it. There's no reason for this bill.

"Thank you."

Senator Slom rose to speak against the measure and said:

"Mr. President, I also rise in opposition to the bill.

"The bill actually adds two additional intermediate appellate court judges for a total of five, at a time when we're talking about taking people out of the judiciary system and putting them through training or rehabilitation and all of that, at a time when we're talking about more arbitration, at a time when we're talking about mediation and alternative dispute resolution, at a time when we're talking about trying to save money.

"What the passage of this bill will do is guarantee that we'll continue to increase the judiciary budget. So at a point in time when we're looking for alternative methods, we should be looking elsewhere and supporting other less costly means.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 166 was adopted and S.B. No. 1460, S.D. 1, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE INTERMEDIATE APPELLATE COURT," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 3 (Hemmings, Hogue, Slom). Excused, 1 (Taniguchi).

Conf. Com. Rep. No. 168 (S.B. No. 204, S.D. 2, H.D. 2, C.D. 1):

Senator Kawamoto moved that Conf. Com. Rep. No. 168 be adopted and S.B. No. 204, S.D. 2, H.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Buen.

Senator Kawamoto rose to speak in favor of the measure and said:

"Mr. President, I rise to speak in favor of this bill.

"Mr. President, this animal quarantine was the number one priority for Admiral Blair. His concern was his troops. Unfortunately, this year we could not provide any general funds and we excused some fees so the credit this year would go from

\$220 to \$175 for the enlisted E-1 to the E-6s. The E-7s to the junior captains would go from \$120 to \$45.

"Hopefully this will help them out a little bit and it won't be the number one moral and welfare problem. Thank you very much."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 168 was adopted and S.B. No. 204, S.D. 2, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO ANIMAL QUARANTINE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 169 (H.B. No. 173, H.D. 2, S.D. 2, C.D. 1):

Senator Inouye moved that Conf. Com. Rep. No. 169 be adopted and H.B. No. 173, H.D. 2, S.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Menor.

Senator Menor rose to speak in favor of the measure and said:

"Mr. President, I rise to briefly speak in favor of this measure.

"Mr. President, when this bill was passed into Conference Committee, as one of the Senate Chairs for the Senate conferees, I made a commitment to you and to the Senate leadership that your conferees would work on the development of a bill that would represent fair and balanced legislation that would also effectively protect our environment. Mr. President, I believe that your conferees have achieved that objective.

"This measure provides a balance between the interest of our consumers with the need to protect our environment. Most importantly, I believe that this bill represents an important piece of legislation from the environmental protection standpoint.

"I'm sure that all of my colleagues would agree that the goals of greater energy self-sufficiency, reducing our State's reliance on imported oil by promoting more renewable energy development, and protecting our environment from global warming are important goals that our State needs to continue aggressively pursuing in the future.

"This bill would move us significantly in achieving those objectives by establishing renewable portfolio standards, which our electric utilities would be encouraged to comply with and to implement in terms of electricity from renewable energy resources. Moreover, the net energy metering provisions of this bill would encourage greater use of renewable energy systems by homeowners and businesses in the future.

"Mr. President, this bill would not have been possible had it not been for the hard work and effort of all of the House and Senate conferees, especially the lead Chair of the Senate Conference Committee, Senator Lorraine Inouye, and the House Chairs, Representatives Hermina Morita and Ken Hiraki. They are responsible for making this, what I consider to be landmark legislation, possible from the environmental standpoint.

"For all of these reasons, I believe that we have a very pro-environment bill, and I urge my colleagues to vote in favor of this particular measure. Thank you."

Senator Inouye rose to support the measure and said:

"Mr. President, I rise in support of this measure. Thank you to my colleague from Mililani and Waipahu. I, too, Mr. President, urge my colleagues to support this measure.

"We've come a long way, Mr. President and colleagues, in setting the stage for Hawaii and being at the cutting edge of renewable energy.

"I'd like to, at this time, have the Clerk read into the Journal the words of my colleague from Mililani as well. I personally would like to thank members of the Water, Land, Energy, and Environment Committee for being supportive and seeing this measure move forward to Conference.

"Again, Mr. President, I urge my colleagues to support this bill. Thank you very much."

Senator English also rose to support the measure and said:

"Mr. President, I rise in support of this measure.

"Mr. President, from my days on the Maui County Council, I've worked very, very hard for clean energy legislation. The net metering portion of this bill is landmark, as is the renewable portfolio standards.

"Mr. President, I think that this gives us a good basis to begin looking at our dependency on fossil fuels for our energy in Hawaii. Many people talk about protection of the environment, but really this is an economic development bill because everything that we do in business depends on clean and reliable, or what they call firm, power, Mr. President. The lights here, the energy that runs the microphones, the energy that runs the computers, we rely on this as a basis of our economy.

"As we move towards clean energy, reliable energy, and firm energy, we will reap the benefits in the return in the form of protected and clean environment and a strong economic environment for our businesses to grow.

"So this is a win-win bill for all sides. It is the jewel in the crown of our environmental legislation and I'm very grateful to the Chairs who moved this forward.

"Thank you, Mr. President.

Senator Hogue rose to speak in support of the measure and said:

"Mr. President, I also rise in support of this particular bill. I think it is a jewel in the crown of this body. However, I wish it was a five-carat diamond instead of a three-carat, if you will.

"I think we made some landmark changes here in regards to net metering. However, I just want to point out one little minor problem and I certainly hope that we can raise these standards. There is a portion of this bill which asks for goals to be set forward by the end of 2003 that we actually reach 7 percent in renewables in the portfolios. Well, we're already at 7½ percent so we'd have to go backwards by 2003. We certainly don't want to do that. We want to go forward.

"So let's give a challenge, if we can, to everybody to actually move forward from this and protect the environment. Thank you, Mr. President."

Senator Hemmings rose to speak in favor of the measure and said:

"Mr. President, I rise to speak in favor of this legislation.

"I would like to add my thank you to my Committee Chair, the good Senator from the Big Island, for all the work she's done on this effort.

"I do want to point out to this honorable body and echo the comments offered by the good Senator from Kaneohe that this is a small step and not the big bold step that this State so desperately needs. The facts are that we're as dependent on fossil fuel and crude oil as much as we were in 1974 when we had the terrible fuel crisis with the gas lines.

"The State of Hawaii should veritably be the Petrie dish of experimentation and development of alternate fuel energy. We have solar possibilities that are probably better than any other state in the nation. Our wind capabilities are predominant. Geothermal is a reality.

"We do have a problem and I've talked about this problem in the public sector, but it applies to the private sector too. We have a monopoly. What we have to do is provide the large electric companies, Hawaiian Electric most specifically, with incentives to get on this bandwagon. Because right now, Mr. President, they have huge vested money in burning fossil fuel to generate energy, and these are capital investments. It would be very hard for them to rationalize divesting themselves from that dependency. They're the ones that are dependent on fossil fuel, and they're the ones that have a monopoly, and they're the ones that go to the PUC and get a guaranteed return on investment, therefore they have a tremendous conflict of interest with what we're trying to do here.

"Maybe the next thing we should do is provide incentives for the electric companies to diversify their energy portfolios and expedite this process, because behind the scenes I believe they've been fighting these efforts. They've been successful for 25 years, because we're still dependent. Right now they're building a fossil fuel burning facility on the Big Island and there is an abundance of geothermal energy just waiting to be tapped, plus wind energy and other opportunities.

"So Mr. President, this is a step in the right direction. I'm hoping that next year and the subsequent years we can be a little more bold and find ways to bring the big utility company monopolies to the table in hopes that they can join in this effort to really make some meaningful reform to our over-dependence on fossil fuel.

"Thank you, Mr. President."

Senator Chun rose to speak in favor of the measure and stated:

"Mr. President, I stand in favor of the measure.

"Mr. President, I believe this is a landmark decision. It does begin to recognize the need for the State of Hawaii to stop this dependence on oil.

"Even though I have respect and admit that there are questions in here regarding the standards and questions regarding the failure of the bill to have a mandatory fine, which was a controversial point of the bill this year and last year, I believe this bill takes a step in the right direction. Because, Mr. President, in the long run, it is not only the utility companies and the PUC that have to take a look at this issue. It is an issue of land use. It is an issue of landowners wanting or allowing these kinds of renewable energy systems to be placed on their land.

"A good example, Mr. President, is on Kauai. Kauai Electric/Citizens' Utility has entered into a contract to purchase eight megawatts of wind power from a private producer of renewable energy. The problem is that this contractor is not able to get the proper permits and has not been able to get the landowner to allow him to put his windows there, and that project has been stalled. To have the PUC penalize a utility for failures that are entirely out of their hands would be unfair. But at the same time, setting standards so that everybody knows where our targets are going to be and where we need to move is a good idea. I would encourage the Senate and the House to continue to work towards this direction.

"I applaud the Chairs of the Committee on Water, Land, Energy, and Environment and the Committee on Commerce, Consumer Protection and Housing for working so hard and diligently in ensuring that a bill comes out.

"Thank you, Mr. President."

Senator Ihara rose in support of the measure with reservations and stated:

"Mr. President, I rise to speak in support of this bill with serious reservations.

"Mr. President, I acknowledge the good work of our Chairs, including the Chair of our Committee on Commerce, Consumer Protection and Housing, for doing a good job on the good part of the bill which allows net metering for .5 percent of peak utility demand. However, the second part of the bill deals with renewable portfolio goals that do little or nothing to further Hawaii's energy goals of reliability and energy self-sufficiency.

"I guess what I'm doing is smudging the jewel a bit in hopes that it will be polished next Session. This morning's Advertiser noted that on this bill it said that the bill would require local electric utilities to gradually increase the percentage of power they draw from renewable sources. This statement is incorrect – it's no requirement, but this bill does set voluntary goals.

"The Department of Business and Economic Development did a study and said that a 10.5 percent renewable energy mandate by the year 2010 would result in hundreds of millions of dollars saved in the next 20 years even if the price of oil drops. This bill contains a strong wish for not 10.5 percent, but half way to that goal.

"For these reasons, Mr. President, I have serious reservations about this bill and I hope that we'll cure it next Session."

Senator Slom rose in support of the measure with reservations and stated:

"Mr. President, I rise in support of the measure with reservations. I don't know how serious my reservations are in comparison to the good Senator from Kaimuki, but I just want to make a couple of points.

"First of all, the word mandate keeps coming up and for several years now we've debated this measure or like measures. The whole idea and the proponents would like us to have mandates. They want to require, force the energy companies to produce the kinds of alternatives in the ratios and percentages that they have deemed to be the correct percentages. That leads to a problem, because most of these folks are not in the business, they don't produce anything themselves, and it's kind of interesting for us to sit around in meeting rooms and determine what other people should do without taking the risk or reaching in our own pockets and making the investment.

"The example of wind energy was brought up by the good Senator from Kauai and the problems with permitting and regulations. That's a government function. We haven't solved that problem.

"My colleague from Kailua has mentioned geothermal, and it is certainly true that we've got untapped resources of geothermal, but look what's happened over the history of geothermal energy on the Big Island. It has been met with court challenges, protests, and prohibitions about trying to use geothermal.

"Solar – we passed a bill last year to have a pilot project for schools to have solar panels. You would think that schools and institutional governmental buildings would take the lead if everybody is in favor of renewable energy. The bill passed, the Governor vetoed the bill, and in the veto message he said the reason he's vetoing it is because in examining what the costs would be, the cost alternative for solar was too great and would be hampering the educational budget.

"So we've got things that we have to look at. The energy companies are already involved in alternative energy, maybe not fast enough for most of us, maybe not in the right direction for some of us, but the fact of the matter is that they are responding to the market and they're making changes.

"If you really want to have alternative energy, however, there's something that's not in this bill. It's something that's not being discussed – and that is to provide additional incentives for those people that think they have the ideas and are willing to take the risks. The way you do that is deregulation. You don't allow the monopoly to continue, you encourage other energy sources to start, you make it voluntary, and you provide incentives – you don't keep mandating, and forcing, and making things compulsory in this State.

"Thank you."

Senator Chun Oakland rose in support of the measure and said:

"Mr. President, I stand in support of this measure.

"I also wanted to add my congratulations to the Chair of the Committee on Water, Land, Energy, and Environment and thank also the Chair of the Committee on Commerce, Consumer Protection and Housing.

"I really look forward to the work that we can do during the interim and next Session to further this effort along. Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 169 was adopted and H.B. No. 173, H.D. 2, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO RENEWABLE ENERGY RESOURCES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 170 (H.B. No. 1586, H.D. 1, S.D. 2, C.D. 1):

Senator Nakata moved that Conf. Com. Rep. No. 170 be adopted and H.B. No. 1586, H.D. 1, S.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition and said:

"Mr. President, I rise in opposition to this bill. It seems like I've spoken against this bill about twelve times so far during this Session. It keeps coming back.

"This bill would allow additional unemployment compensation benefits to one group of employees from one business on one island – the beautiful Garden Island of Kauai. It is for the displaced sugar workers who have already received unemployment compensation benefits and who have already received training from our taxpayer-supported sources.

"The interesting thing about this bill is that even the Department of Labor testified in opposition to granting this extension. Originally, the extension sought was 12 months. The later draft and the final conference draft make it six months, but it's bad precedent to change the law for just one group of employees, for one company, in one circumstance.

"If we want to extend unemployment compensation benefits, then let's be honest and let's talk about extending it for all those on unemployment compensation.

"Thank you."

Senator Chun rose to speak in favor of the measure and said:

"Mr. President, I rise in favor of the measure.

"Mr. President, the closing of a sugar plantation, in fact the closing of an entire industry is not an easy thing for us to see. It started back in the '70s, is continuing today, and will continue for another few more years. Luckily, we still have a few more sugar plantations left on these islands.

"However, like I said, it is not an easy thing. It is not a precedent-setting matter. We have done similar measures when other sugar plantations have closed.

"Mr. President, retraining employees to do another job is not an easy task. It's made even more difficult by the fact of the isolation of the workers on Kauai. Most of the training programs that are available are here on Oahu. So what is a person to do? For them to qualify for training, to qualify for extended benefits, they'll have to spend their own money and fly to Oahu for that training. Mr. President, that's the catch-22 that the sugar workers on Kauai were faced with.

"Mr. President, it is true that the Department of Labor and Industrial Relations did oppose the bill, but their opposition was mostly focused on the fact that the bill, as originally drafted, did not adequately address the training requirements as contained not in the state law but also in the federal law. This conference draft addressed those concerns, and we made that an express part of receiving additional benefits – that they have to actually be attending training.

"Mr. President, it is a difficult thing to have a sugar plantation close. It is a difficult thing to see hundreds of workers lose their jobs and their dependents and their children. It is a difficult thing for us to look out and to see whether or not we have enough jobs out there, but Mr. President, it is the responsibility of government to try to ease that kind of situation.

"Mr. President, we're going to have another bill out there today that addresses the situation in terms of wanting to make things better to hopefully avoid this kind of situation so that another family does not have to go through unemployment because of a sugar plantation closing . . . another family doesn't

have to go through looking for jobs. That is the bill that we're going to be talking about after this one. I'll be addressing those concerns by the Honorable Senators of the Minority Party if they have any.

"Mr. President, this is a good bill. It is not precedent setting. We have done it before. It is much needed, and I ask all my colleagues to support it.

"Thank you."

Senator Slom rose again and stated:

"Mr. President, just a quick point of information and rebuttal just so there is no confusion.

"Unemployment compensation is not a gift to the government. Unemployment compensation is a tax. It is paid for by employers, not by employees. If in fact the business has gone out of business and does not have anymore unemployment compensation in its account, then the unemployment compensation benefits and the taxes come from other businesses who are then forced to pay for those workers.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 170 was adopted and H.B. No. 1586, H.D. 1, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO UNEMPLOYMENT," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 3 (Hemmings, Hogue, Slom). Excused, 1 (Fukunaga).

S.B. No. 28, H.D. 1:

Senator Nakata moved that S.B. No. 28, H.D. 1, having been read throughout, pass Final Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and said:

"Mr. President, I rise in opposition to the bill.

"I oppose this bill because the current law requires that any business that is going to have a partial closing or relocation must give 45 days notice to its employees and to the public. This is already a burden because what happens is, if there are problems and the business is not certain as to what its course of action may be and what its options are, under the state law it is required to give that notice, which may give undue burdens to the very employees that the business is trying to protect. It certainly will give problems to the vendors and the creditors that are holding notes from that business as it struggles to try to right itself.

"In this State which led the nation for three years in a row in bankruptcies and business failures, we should be doing everything possible to try to lift that burden rather than to add to the burden. Again, this is a bill in which the Department of Labor, which is charged with the responsibility of carrying out the aspects of the legislation, was opposed to and testified in opposition to the bill.

"It's a bad bill. It should be defeated. Thank you."

Senator Chun rose to support the measure as follows:

"Mr. President, I stand in support of the measure. I always enjoy speaking after the Honorable Senator from Hawaii Kai because it's always age before beauty. (Laughter.)

"Mr. President, the bottom line of this bill is that it requires employers of 55 employees or more to notify the government of their intent to close. Why is this such an important matter to me? Because, Mr. President, we have seen the impact of a failure to have adequate time to notify the government that we have a substantial number of employees that are going to hit the unemployment market.

"Mr. President, to have families go through this kind of situation as we had with AmFac and still be trying to get training out there is not in the best interest of the State.

"Mr. President, the point of this bill really is that by increasing the amount of time government has to set up training programs to look for jobs for people and basically to encourage other private sectors to hire people who will be displaced upon the closing of a plant, it will limit the amount of money the employers need to pay in unemployment. We've heard arguments before on the previous bill that, hey, this is a tax and this is a cost to the employers. Mr. President, bills like this will help to reduce that because the faster we can find training programs and the faster we can find jobs for these people, the less unemployment that they will be drawing from.

"Yes, it might be a burden upon employers, but Mr. President, to be totally honest, employers like AmFac know months, months ahead of time that they will close. For them to hold that decision in secret and to deny the government the ability to look for jobs for these employees to basically formulate training programs for them is unconscionable, Mr. President.

"It's a good bill and I ask all my colleagues to support it. Thank you."

Senator Sakamoto rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to the measure.

"The Senator from Kauai intimated that businesses hold closure as a secret. If you worked for any company, it's no secret when you see a company struggling. It's no secret when you wonder if you're going to get your paycheck on Friday. It's no secret when you find your colleagues getting their last paycheck.

"Companies do not want to close, Mr. President, companies want to stay open. In the previous bill, the discussion I heard was that companies like AmFac hoped to have another season and give their employees the hope for another season. It was no secret that they were in trouble.

"I believe employers want to stay open and fight to the last day to stay open. Every day that you say you'll announce your closure sooner is a quicker death nail to the workers, Mr. President. This goes in the wrong direction."

Senator Chumbley rose to speak in opposition to the measure also and said:

"Mr. President, I rise to speak in opposition to this measure. A couple of the previous speakers talked about beauty and age, well I would represent that now it's ageless beauty speaking. (Laughter.)

"Mr. President, when this bill passed out of the Senate, many of you realized that the version that we adopted was a 90-day notice and I rose and spoke against that measure at that time. The bill that we have now before us is not even a conference draft, it's a House draft and it was a 60-day provision. I think the point that I wanted to make, Mr. President, is that there was some discussion that the 60-day period matches the federal closure notification. However, the federal closure notification has a different number of employees and I believe that number is somewhere upwards of 100. Our law represents 55 employees.

"So if we are going to in fact try to do something similar to what the federal government is doing, then we've only done half of it in looking at just the days of notification as opposed to the notification of the total number of employees.

"Another component of this bill that's disturbing is that it deals with partial closings or relocations. If this was simply just a closing notification, one could argue that a little bit more time would be beneficial. But I do take exception that it's unconscionable to businesses to not give their employees notification.

"There was a previous speaker who did, very succinctly and on point, identify that when a business is in trouble, people are aware of it, things are happening, and what's going on can be seen. Adding an additional 15 days is not going to be the total adequate time to look for jobs and training programs. This just gets to be an additional burden on businesses that is not going to be necessarily in the best interest of the employees.

"So I would urge all of you to consider this seriously and reject the additional 15 days."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 28 and S.B. No. 28, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO DISLOCATED WORKERS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 16. Noes, 8 (Chumbley, Hemmings, Hogue, Ige, Kim, Matsunaga, Sakamoto, Slom). Excused, 1 (English).

S.B. No. 65, H.D. 1:

Senator Kanno moved that S.B. No. 65, H.D. 1, having been read throughout, pass Final Reading, seconded by Senator Matsuura.

Senator Slom requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 65 and S.B. No. 65, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CRIMINAL PROCEDURE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (English).

S.B. No. 423, S.D. 1, H.D. 1:

Senator Kanno moved that S.B. No. 423, S.D. 1, H.D. 1, having been read throughout, pass Final Reading, seconded by Senator Matsuura.

Senator Hogue requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 423, S.D. 1, and S.B. No. 423, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CIVIL PROCEEDINGS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

S.B. No. 535, S.D. 2, H.D. 1:

Senator Sakamoto moved that S.B. No. 535, S.D. 2, H.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kanno.

Senator Slom rose in support of the measure with reservations and stated:

"Mr. President, I rise in support of the measure with reservations.

"This bill has to deal with the Department of Education's after school and weekend programs for child care and recreational purposes. It's interesting that it's an immunity bill trying to protect the immunity of those that are working in these programs. The bill seeks to declare that these in fact are not educational efforts and that in fact there is no connection with the State.

"I'm afraid that this bill is going to fail because the attorneys are going to find that there is a direct connection since we're using Department of Education facilities, oftentimes Department of Education personnel, and that there will be a connection made between educational and recreational purposes.

"Thank you."

Senators Hemmings and Hogue then requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 535, S.D. 2, and S.B. No. 535, S.D. 2, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO EDUCATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

S.B. No. 699, H.D. 1:

Senator Hanabusa moved that S.B. No. 699, H.D. 1, having been read throughout, pass Final Reading, seconded by Senator Chun.

Senator Slom rose to support the measure and said:

"Mr. President, I'm so grateful to be able to stand up to support this bill which magnanimously will send a buck back to every taxpayer here.

"Everybody was talking about how good the economy was last year and how much improvement we've made and the constitution states that when we have several successive periods of increase that there should be a refund made to the taxpayers of this State. The minimum is \$1 and that's what we're going to get – one buck per person.

"So, everybody that's in the gallery and elsewhere, I know that with this new found wealth they can go out and buy a new car or condo or something else today.

"Thank you, Mr. President."

Senator Hemmings rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of this bill with reservations.

"Back in 1986, the Council of Revenues, I believe it was in December, announced that for the end of the fiscal year '87, the State of Hawaii was going to have a \$700 million surplus. I believe, Mr. President, you were in the House of Representatives with me at the time. That surplus came from excessive taxation on the people of Hawaii.

"Of course, the compassionate and caring Majority Party members immediately rose to the challenge to find ways to spend the money to help the people of Hawaii. There were those of us who believed that giving the money back to the taxpayers could probably help the people the most where they would have the freedom of choice to choose how they want to spend their money.

"What happened was, that tax year each individual taxpayer got back \$125, rather than \$1. A family of four got a \$500 tax credit. If they didn't pay taxes that year, they got back \$500 – a meaningful, meaningful refund.

"What's happened in the ensuing years? Have taxes gone down so that we no longer have a surplus? No. What's happened is that government has grown exponentially. All of the money that is collected from the working men and women of Hawaii, and we are amongst the highest tax in the nation, has been consumed. So now, all we're able to give back to the poor beleaguered taxpayers is \$1.

"I'm hoping that we can turn this monolithic engine of government around so that in the future we can give back real tax refunds and eventually cut taxes. I firmly believe, Mr. President, that the individual taxpayer can do a better job of spending their money than politicians.

"Thank you."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 699 and S.B. No. 699, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TAXATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

S.B. No. 758, S.D. 1, H.D. 2:

Senator Kawamoto moved that S.B. No. 758, S.D. 1, H.D. 2, having been read throughout, pass Final Reading, seconded by Senator Kim.

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, I rise to speak against this bill.

"I'm not going to give my speech in Portuguese, Mr. President, but I do want to note that we did have a discussion on this bill the last time it left this chamber and we talked about the

biblical interpretation of what happened with the Tower of Babel. I will tell you that someone more qualified to talk about that issue had a rebuttal to my comments. I must tell you that God, in his infinite wisdom, when he wanted to disperse people, no matter what your interpretation of the Bible or reason was, he made them all talk different languages.

"This bill doesn't really help to unite our people, and there's another reason to vote against this bill – it's not going to be cost effective requiring or making the opportunity for driver's licenses to be issued in different languages. Who's going to pay for it? Are we next going to say that being a driver with some foreign language is a right and that maybe we should start changing signs on the side of the road? Since I got my license in whatever, maybe we should make the signs in that language. It's discriminating against me because the signs aren't in Portuguese.

"The point is, what unites us in our culture is our language. It unites people in other nations. You don't have this type of political correct nonsense going on in other countries. They have a national language and they all speak it. If you want to go live there, you comply with the laws as they're written in their language, by their country.

"Our language happens to be English, and so should our driver's licenses. Thank you, Mr. President."

Senator English rose to support the measure and stated:

"Mr. President, I rise in support of this measure. I really could give this whole speech in Hawaiian or in Mandarin, but I won't.

"Mr. President, I just have to say that this is something that celebrates the diversity of our peoples in Hawaii and it is something that recognizes the fact that the signs on our roads are really moving towards international symbols and international signs. Many people throughout the world understand and read English, yes, and also take their exams in English, but also there's a loss for, let's say, the use of the official language in Hawaii, Hawaiian, to be used in official transactions.

"Now, there's a little bit of ambiguity here where it says the Department of Transportation will decide which languages. I know that the Senator from Waimanalo has put in his request for Portuguese and I'll put in my request, with the constitution backing this, for Hawaiian.

"Mr. President, this celebrates the diversity of our peoples. It celebrates the differences that we have. We all must speak English as the lingua francas, the language to get by, but there are so many different languages here. It is not discriminatory. In fact it recognizes the vast differences that we have and allows for that to be celebrated here.

"Thank you, Mr. President."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 758, S.D. 1, and S.B. No. 758, S.D. 1, H.D. 2, entitled: "A BILL FOR AN ACT RELATING TO DRIVER'S LICENSES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

S.B. No. 805, S.D. 1, H.D. 1:

On motion by Senator Kanno, seconded by Senator Matsuura and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 805, S.D. 1, and S.B. No. 805, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CONTROLLED SUBSTANCES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

S.B. No. 951, S.D. 1, H.D. 1:

Senator Kanno moved that S.B. No. 951, S.D. 1, H.D. 1, having been read throughout, pass Final Reading, seconded by Senator Matsuura.

Senator Sakamoto rose to speak in opposition to the measure and said:

"Mr. President, I again rise in opposition to this measure. Some of these remarks I've said before, but I feel it's worth repeating.

"I fully support prosecution and punishment of all crimes, including those that this measure labels as 'hate crimes.' However, this measure is simply redundant. The crimes of assault, murder, vandalism, an incitement that this bill seeks to address, are already punishable under State laws.

"Are we now saying that the violent crimes committed upon one person is somehow not as bad as a violent crime committed on another simply because of what the attacker was supposedly thinking or who the victim was?

"What this bill does is make the thought process behind these crimes illegal. This legislation seeks to penalize what is in the heart and the mind, and that is a dangerous precedent for us to be setting. The message that this body would be sending is that your individual worth is less, depending on who you are and more dependent upon the group that you are identified with. That assumption simply is not the case.

"The speaker from Maui talked about celebrating diversity. Hawaii certainly is a multiethnic society being forced to adopt the American standard of politically acceptable behavior and language. We live in a community where most of us widely accept common everyday language, including racial slurs – not that I approve, but that's common language here. Hate does not exist in those cases. It's often attributed as a joke. Often, the user himself uses those.

"This measure allows for that same kind of language, but could be misrepresented. On this very Floor, comments about age, beauty, location of where you live – Waimanalo, Manoa, Kauai – these can be based on this bill. The defendant intentionally selected a victim in the case of a property crime or the property was the object of a crime because of hostility toward the actual or perceived race, religion, disability, ethnicity, national origin, or sexual orientation – not good . . . actual or perceived, thoughts in their mind.

"Our State already covers all of these crimes. If laws need to be strengthened, indeed let's strengthen them. We live under the premise that all are equal – equal – under this law, our laws. To pass this legislation would say we are not equal. No violent crime is worse than another no matter what the motive – theft is theft, murder is murder. Any violation to one citizen should be no more, or less, offensive because of a perceived motivation or perceived thought, especially in our multiethnic community.

"This will lead to the law of unintended consequences, possibly not good, Mr. President. I urge my colleagues to vote 'no.'"

Senator Slom rose to speak in opposition also and said:

"Mr. President, I, too, rise in opposition to the bill. I, too, like the good Senator from Moanalua, have made remarks before and arguments before.

"This is of course the ultimate in political correctness legislation. We are not really looking at punishing the crime; we are looking at creating divisions between and among people. But as a practical matter and as a legal matter, proving that any kind of crime of this nature actually existed would rest on intent. In order to prove intent – you'll have a very difficult time doing that – one of the tenets for looking at intent is past action or trend or the kinds of activities or character that a person exhibits. In court cases, as it has been seen up to this point, including this kind of legislation should it pass, we would find that there would be attempts to block any previous introduction of evidence that show what kind of a person or what kind of actions the person had.

"This is not to condone hate crimes in any way. This is not to lessen the importance of the actions that are brutal and that are horrific and that we hear about all too frequently. What it is saying, as the good Senator from Moanalua said, is that we are differentiating between the value of life and between the value of different kinds of persons. By all means, let's strengthen laws that we have now, let's make sure that they're enforceable, and if we need to increase the penalties, let's do so, but let's not embark on this hate-crimes legislation.

"Thank you."

Senator Hemmings rose to speak against the measure and said:

"Mr. President, I rise to speak against this measure.

"This is politically correct extremism and I would like to have the Clerk enter into the Journal the very astute observations and articulate presentation of the good Senator from Moanalua as my own.

"Thank you, Mr. President."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 951, S.D. 1, and S.B. No. 951, S.D. 1, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO HATE CRIMES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

RECONSIDERATION OF ACTIONS TAKEN EARLIER ON THE CALENDAR

Conf. Com. Rep. No. 70 (H.B. No. 1685, H.D. 1, S.D. 1, C.D. 1):

Senator Taniguchi moved that the Senate reconsider its action taken earlier on the calendar in adopting Conf. Com. Rep. No. 70 and passing H.B. No. 1685, H.D. 1, S.D. 1, C.D. 1, on Final Reading, seconded by Senator Hanabusa.

Senator Taniguchi explained:

"Mr. President, H.B. No. 1685 is a bill relating to taxation. We are requesting this action because this bill may be considered to have fiscal implications. Under the constitution, we must pass the budget bill prior to any appropriations bill. At the time we voted 25/0 to pass H.B. No. 1685, C.D. 1, the House had not yet voted to approve the budget bill."

The motion was put by the Chair and carried.

FINAL READING

Conf. Com. Rep. No. 70 (H.B. No. 1685, H.D. 1, S.D. 1, C.D. 1):

On motion by Senator Kawamoto, seconded by Senator Fukunaga and carried, Conf. Com. Rep. No. 70 was adopted and H.B. No. 1685, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TAXATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

There being no objections, the Senate took the following action out of order from the sequence printed on the Order of the Day.

Conf. Com. Rep. No. 124 (S.B. No. 1044, S.D. 1, H.D. 1, C.D. 1):

Senator Hanabusa moved that Conf. Com. Rep. No. 124 be adopted and S.B. No. 1044, S.D. 1, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kim.

Senator Nakata rose to speak in favor of the measure and said:

“Mr. President, I rise to speak in favor of this bill.

“Mr. President, we are all aware that the cost of healthcare has been rising. A recent auditor’s report talks of costs to the State of over \$1 billion in the year 2013. We are struggling with the issues around that – issues of what kinds of benefits would be available to our current employees and retirees. The impact of those numbers are very difficult to deal with. This bill is one of a series to help us address that.

“I believe that the bill, as it stands, moves us in the right direction – a single employer union trust, setting up a board of trustees to work out details of the plan. Coverage for current employees and the current retirees is covered in this bill. I know that is an item of great concern to those persons, but there are problems within the system, problems that need to be addressed. There has been a leakage of state dollars out of the system, so we are addressing that problem. Going to a single trust will help us to address that problem.

“It is difficult, very difficult, because it means changes in benefits and, in the future, changes that many will not find helpful. But I believe that the bill we have presented to you is a responsible bill. It will help to preserve the benefits that our employees have won over the years with some changes, of course, because of the funding situation. I believe that if we do not address this problem now, we will find it more difficult to deal with it in the near future and then when we get to three or four years from today, we will face the necessity for tax increases and reductions in services to the people of our State.

“So I would urge my colleagues to support this bill. Thank you.”

Senator Hemmings rose to speak against the measure as follows:

“Mr. President, I rise to speak against this bill.

“This has been quite an interesting exercise in politics, Mr. President, and speaking against it, I want to clearly outline some points that I think are salient to the argument against passage of this bill.

“First and foremost, this isn’t historic reform; this is reactionary legislation – reactionary to year-in and year-out problems created by the collective bargaining process and the people that were negotiating those contracts and the people oftentimes that are rubber-stamping the costs here at the Legislature. So this is a reaction to a deep hole that was dug by the people in power, and now they’re saying, ‘Guess what? We’re going bankrupt, so we’re going to implement this reactionary piece of legislation.’

“We heard in the course of lobbying that we had to change the system because certain unions were ‘cherry picking’

benefits and only funding or participating in those areas of healthcare that were to their economic benefit while leaving the rest to the State. I’d like to ask the proponents of this legislation who want to drastically alter it now, Who is handing out the cherries?

“This bill eliminates competition. I don’t believe one size fits all, and the one-size package that’s being advocated by this bill for healthcare benefits for everybody across the board does not meet the specific needs of different labor groups that are employed by the State of Hawaii. It will not lead to a more competitive open environment where people have choices in the marketplace of healthcare to meet their specific needs.

“We suffer from another problem. Because of the unholy oligopoly that seems to be running this State, we have a monopoly, and the monopoly is a private sector monopoly and it’s a very expensive one. It comes in the form of HMSA. I would say if this was several years ago when we had several other healthcare insurance providers in the marketplace, maybe this might make sense, but we have absolutely zero negotiating power since the only game in town is HMSA and ultimately you’re not going to be able to negotiate that much.

“Now, those who are proponents for this measure will say, ‘well, maybe we’ll self insure.’ Well, I’d like to get to that point with my next general point, and that’s about a State monopoly. We’re going to be putting all our eggs and all our money for benefits into the State monopoly basket where the State is going to run the entire program.

“I want to ask you some questions – Are you happy with the way the State runs the education system? How about the Felix consent decree . . . Has the State done a good job there? How about care for the mentally needy and the mental healthcare system that’s been on a consent decree also for a number of years? So I guess the State’s going to step in and do a wonderful job managing the healthcare system for all these diverging interest groups.

“No, this is a reactionary measure. I’ve been looking over the collective bargaining laws in our State and I believe the State has the right, but more importantly, the Legislature ultimately has the responsibility and the buck stops here. We don’t have to knee-jerk react to this crisis that’s facing us by passing this law right now. We can come back next year and put together a package that’s comprehensive, that solves the problem across the board with all employee benefit packages, that solves the problem for everybody and not just singles out at this last moment a few reactionary situations.

“In speaking against this legislation, I’d also like to preempt the spin – the spin that’s probably going to come against me by the proponents of this legislation and probably by the press, because I’m not a member of the Majority Party – I’m a member of the loyal opposition. People have said to me, ‘Oh, you’re going to kowtow to the teachers and to the labor unions to curry favor with them.’ Well, I think you can remember I was the Senator that stood on the Floor several weeks ago in the heat of the negotiations with the teachers and asked a certain leader to resign. That’s not kowtowing. To that leader’s credit, she came to my office and we had long and detailed discussions on this issue, and quite frankly I had to agree with the points she made. I want to preempt the spin right now – we, as the Minority Party, go issue by issue and try to make informed wise decisions, not for what is politically convenient now, but what is prudent and wise for the long term. Yes, I think the proponents of this legislation could say that it’s going to save money. But is it going to solve the larger problem we have with collective bargaining and the whole process? No, it’s not. Do

we face larger problems down the road with the State budget and how we collect and spend taxpayer's money? Yes, we do.

"So I'm asking my colleagues to take a long hard look at this. I think most of the votes are pretty well locked in. I tried to keep an open mind as much as possible on this. This should rise above politics and it should be prudent, reasoned thinking that goes into how you vote. The reasoned, prudent thing to do is to come back next year and put together a package of legislation that is going to address all the issues concerning collective bargaining, including healthcare, and rewrite the way we do business with unions on behalf of the taxpayers of this State so that everybody is treated fairly and equally and we don't have to limp from year to year with knee-jerk legislation such as this.

"I'm urging my colleagues who might be undecided on this to listen closely to the ensuing debate on this issue and don't vote what is convenient now, but vote what is prudent for the future.

"Thank you, Mr. President."

Senator Inouye rose to speak in favor of the measure and stated:

"Mr. President, I speak in favor of this measure, S.B. No. 1044.

"Mr. President, I concur with the sentiments of my colleague from Kahaluu. This measure, if it passes, will place all of our questions that we ask, and our concerns, as well as the concerns that I'd like to convey to my constituents as well as to my colleagues, that if we don't do anything, we need to take care of our financial implications in the future and the years to come. We'll be hard pressed to find monies for collective bargaining increases in the years 2002-2003 and the succeeding years and paying for health benefits in the future.

"This bill will not take away benefits for our retirees presently in the system, and we assure them that we will continue to take care of those in the future as well. Some adjustments need to be addressed and I'm convinced that some of my concerns have been addressed as well.

"The public unions have five members, as I understand, that's in the bill and addressed by our kind Senator from Kahaluu in the new board of directors structure, plus one for a retiree. The employers will have five on that board. There is a perception out there that our employees will lose a lot of the health benefits they enjoy now, and I think not, Mr. President. I am sure their representatives on the board will fight for those same benefits in the future.

"Mr. President, also a perception out there is that all benefits will end now upon approval of this bill. That is not true. As written, this bill takes effect this year but all changes take effect in the year 2003. It will give time for all parties to come to the table and iron out all the many concerns that the public unions have. Mr. President and my colleagues, we need to be fiscally responsible for the budget and for future expenditures as well. By working together, all of us will benefit by our actions today.

"Finally, Mr. President, last night I received a fax from the Mayor of Hawaii County. The Mayor expresses his concerns and asks for our support in passing S.B. No. 1044, and I can relate to the Mayor's concerns, fiscally for now and in the future years. The bottom line is that he will have to raise taxes on our island if we fail to address this problem.

"I urge my colleagues to support this bill. Thank you, Mr. President."

Senator Slom rose to speak in support of the measure as follows:

"Mr. President, I rise in support of the measure.

"This is a very difficult issue. It's one that I've tried to keep an open mind to. I appreciate all the people that came to visit me, that called me, that e-mailed me. I read all of the material that I got from the HSTA and from the State, and from the UPW, and from the HGEA – all of the material; I read it all. And when teachers came and others came to see me and they expressed their concerns about this issue during the strike over the last two weeks, I discussed it with them, and I asked them, and I found out that most of the teachers really didn't know anything about the issue itself, had not read it, but they were told that this is the position that they should urge – urge a no vote.

"I think all of us have a better understanding of what the issue is about right now, but it's really interesting that this issue has clearly cut across all kinds of lines – clearly Republican/Democrat; union conservative and liberal conservative; union/non-union. People have attempted to try to pick a winner or a good guy or good gal. Is it the Governor that's good or evil? Is it the head of the HSTA union that's good or evil? From my standpoint, there's no truly good guys or evil people. There are people that are very concerned. And caught in the middle are the employees and the retirees – caught, as my colleague has said, my colleague from Kailua, caught in the system that's been perpetuated over several decades that made promises that could not be kept fiscally, that did not address issues in the past until we finally got sober to the fact that we don't have unlimited supplies of money and we can't keep promising everything to everyone. And that's where we are now.

"The issue is what do we do? Well, if it were a clear determination and one side was clearly predominant, we probably would not be spending this much time and there wouldn't be that much interest. And if, as has been said, this is only a band-aid approach, then the galleries would not be filled because people would not be that concerned about a band-aid. We understand, I think, that this is in fact a turning point. It is the part where we've come to the fork in the road and we have to make a decision one way or the other. And it's a tough decision. It's tough because, as I say, we have different points of view and many of us have debated this with our friends and our colleagues for quite some time now, before even the teachers came in to see us and others.

"What it comes down to is this – Do we have confidence that a single trust system is going to be in fact cost saving, is going to make the changes, and is going to be taken care of efficiently by those in charge? Ah, there's the rub – those in charge. Those in charge now are the ones that have been in charge for quite some time.

"I think I'm one of the few people that stand in this body that has negotiated annually for more than 18 years with all of the major medical carriers in this State on behalf of private small business employers, their employees, and their dependents. I know what it's like. I know what the costs are. I know what the giveaways are. I know how difficult it is. My feeling is that it's particularly difficult because we are the only state, after 27 years, to still have the monopolistic prepaid healthcare act. It is an act that cries out to support monopolies. It is an act that discourages expansion of business. It is an act that throws up barriers of entry for new businesses and more competition so

that all of us – private sector, public sector – have more healthcare choices.

“I know, based on the negotiating that I’ve been involved with, with a very small group of under 3,000, that the State has had ample opportunity to do a much better job than it has in the past, and it hasn’t done that. It has not done a good job of negotiating, and it’s had a far larger group – 40,000 or more. And yet it was willing to take basically what was handed off the shelf rather than true negotiating. Why? Because the economy was generally good, because promises had been made, and we weren’t thinking about that. But some people were, and some people raised this issue years ago and said that we have to address it and we have to make a change.

“The Governor came with his collective bargaining reform in ’95, and ’99, and 2000, and part of it was a change in benefits and the idea that we need to bargain for those benefits and not have the Legislature approve them, and do it unilaterally. I certainly agree that one size does not fit all, and yet one size has brought us to the brink of financial chaos.

“Finally, Democrats and Republicans realize that something has to be done and has to be done now – not next year – NOW! This bill, which takes effect in two years after – after – the current medical contract expires, gives us an opportunity in which to make changes, in which to fine tune or refine, in which to get additional information. But it puts something in place, something for us to say we are determined this time to make a change; we are going to go in a new direction. If we wait till next year, were only fooling ourselves. There will be more lobbying, there’ll be more pressure. And guess what? All 25 Senators and all 51 members of the House are up for re-election and some people, I’ve been told, actually vote depending on where they’re concerned about where their endorsements are coming from.

“This issue has made us focus on what the alternatives and what the options really are, and here’s what they are: Those people that argue that if we adopt this bill that they will lose benefits or that they will face higher costs in the future are right – they will face higher costs in the future, because everyone else is facing higher costs in the present. Many of your friends who are not public employees, in the private sector, whether they’re in business or whether they’re individuals, have had an increasingly difficult time to get affordable medical coverage, and yet our emphasis this entire Legislature was on the roughly 20 percent of the labor force that is unionized. And we did a good job for the teachers because we all agreed that teachers need better compensation and they need better working conditions, but we kept being asked for more and more and more. And there is a point in which you say you can’t give more, particularly when 80 percent of the population in the market for medical coverage is having a very difficult time getting any kind of coverage whatsoever. They would be ecstatic to have the kind of coverage that you have enjoyed as public employees and that you will continue to enjoy maybe at a higher price, but coverage that they in the private sector cannot get at almost any price.

“Now what do we do in the future? Do we rely on the government to solve the problems? It’s not going to happen, as was said. But we know this – if we do nothing today, if we do not make a change, if we don’t say, as a body, that this is important enough that we have to all work on it together, we know exactly what’s going to happen – the costs are going to continue to escalate and there’s going to be more uncertainty. And there will come a time – there will come a time – in the future when we absolutely not only cannot take care of any new beneficiaries, cannot take care of the retirees which were promised certain benefits, but that we can’t even continue at a

reasonable level the kinds of benefits that employees are enjoying today.

“This all goes hand-in-hand with improving the delivery of services of government and keeping the expenditures down, but we have to prioritize what’s most important and we can’t do everything. So it means that we have to decide what it is that we’re going to change. And if we’re going to change privatization, and we’re going to change collective bargaining, and we’re going to move in a new direction as this Legislature said two years ago and last year, then it means that you have to do it all the way. And it means that some of the people that are in charge now are not going to be here after next year’s election. Some of the people that have made the mistakes in the past are going to be changed. But without the process, without the legislation, it would be the same thing as what we’ve gone through for four years without privatization legislation under *Konno v. County of Hawaii*.

“So, as for me, it’s not a question of picking whether the Governor is right, although I think he is right on a number of issues involving collective bargaining reform, or choosing HSTA and saying that they’re right, because they, too, are right. Their books have been open. They have run a very good plan. But the point is affordability and what do we do in the future. So, if I have to choose anyone at all, I’ll choose the Legislative Auditor, which everybody says time and time again – she’s got the utmost integrity, she does the best research, she’s the most honest person we’ve got in government – and I’d come down on her side. And her side is a single health trust and how we administer that trust. And the changes we make will be up to the trustees and they will be up to the voters.

“I, for one, think that there is a possibility for self insurance. But if we continue to have people that don’t have business experience running the show, we’re going to continue to have problems. This gives us breathing space but yet a signal that in two years we’re going to make substantial changes. It tells the unions that you’ve got an opportunity in two years to bargain for the kinds of plan and the kinds of benefits that you want. We have to go from a defined benefit to a defined contribution system. That’s the way the world works. That’s the true economics of what it is unless we had improved our economy so much that we had so much money pouring in and so much business expanding, but we don’t have that luxury so we have to make tough choices. And it is a tough choice.

“I would like to see those retirees, particularly those that are vested, to be protected and grandfathered so that they don’t have to worry about benefits that they relied upon. And that’s a possibility, because the decisions will be made by this ten-member board as was pointed out, five union members and five from the state government.

“It’s not a question of destroying the future. It is a question of trying to prepare for the future. And the future will come and change will come whether we want it or not, whether we like it or not. What we have to do is try to be as proactive as we can and try to help to form that future and those changes, because if we don’t, other people will, and we probably won’t like the direction that they’re going in.

“This bill, while far from perfect, gives us at least an opportunity to start, and so I urge its passage. Thank you.”

Senator Kawamoto rose to speak in opposition to the measure and stated:

“Mr. President, I rise in opposition to this bill.

"This is the first bill through this whole Session I've opposed. Primarily it's because of the fact that as a Senator and as Majority Leader I also feel what my obligations are. I've come to this body supporting the working men and women of this State. My concern is that we're basing our facts on things that will happen or could happen, facts that even as late as an hour ago we had a chart which budget and finance gave to us a day ago and came in and said they misled us on this concept. We had to bring in somebody from HSTA and somebody from Kaiser to show that this chart was misleading.

"Some of us have been here for some time. It's kind of hard to believe. Eight years is a long time, but we've been here eight years and we seem to be the guys who are the senior members of this body. Eight years ago, the administration came by and used the same language – high costs – and they proposed managed care and proposed QUEST. We wanted managed care to be the first in the nation, and we pushed, the body pushed, and we finally got QUEST and we finally got managed care. We realized, all of a sudden, this played havoc with the plans, played havoc with the medical specialists, and played havoc with the research as we were told by the people that were working on the problem.

"Today, our cost is still up. They didn't find the answer then. The question to my colleagues is, Do we sacrifice the support that we've got on something that somebody's been telling us is going to happen? What figures do we believe? Figures are different from both the unions and the administration. So, do we sacrifice our political career for that? We want to come back and fight another day, and that is our concern that we have. To me, that's asking too much.

"I ask for a Roll Call vote. I ask that we vote up or down on this bill."

Senator Tam rose to speak in opposition to the measure and stated:

"Mr. President, I rise to register my 'no' vote, Relating to Public Employment Health Benefits, for the record.

"This bill seeks to address the issue of increasing costs for public employee health benefits and rising healthcare costs by reducing benefits to public employees hired after June 30, 2001, and by creating an employer union trust fund that would serve as a single health benefit delivery system for all state and county employees, retirees, and their dependents.

"This is a very difficult decision for me because I think this issue has become very emotional. I hope to God, basically, that people's feelings are not hurt, but I have to do what I have to do in my own conscience.

"While the bill's intention is good and while it may or may not actually reduce the cost to the State of our public employee health benefits, I believe more work needs to be done on this issue before we decide to affect the lives of tens of thousands of active employees and retirees. I am not sure that eliminating the current union offered health plans, which have served our employees well, and offering only one state mandated plan is the answer to cost containment and better health services.

"Government has shown us time and time again that it is not the most efficient system when it comes to managing our public's hard-earned dollars. I would be very worried about once again putting it in charge of something so important as selecting the absolute best health services for all our public employees and retirees.

"Before I can agree to support a bill such as this, I need to be satisfied with the following things:

1. That the State provide a detailed plan as to how it will implement a single health benefit delivery system with goals and objectives, a timetable for implementation, and specific calculations on how and where cost savings will be attained.

These are tough questions to ask, but I have to ask them because of my background as a budget analyst.

2. The State should conduct public hearings throughout the State for affected employees and retirees to address their concerns.
3. The Legislative Auditor has found that improved health benefit administration is necessary to reduce costs but did not show how creating an even larger health trust fund will reduce administrative costs or make it even more efficient or reduce costs.
4. The State should study alternative plans to address the needs of current retirees on fixed incomes who may in the future be charged for the portion of their health benefits that the State does not fund.
5. The State needs to negotiate for better benefits so employees do not leave the state fund for their union funds.
6. If this is truly an employer/union trust fund then the board members of the employee union side should not be appointed by the Governor, but by the unions or employee organizations.
7. As a strong advocate for open government and people calling me Mr. Sunshine, which I'm proud of being, the board must also be required to adopt rules consistent with Chapter 91 requiring open public meetings. Currently, the bill proposal waives Chapter 91. Only in this way will the public employees be assured that their interests are being fairly addressed.

"I cannot at this time vote 'yes' on a bill that leaves questions in my mind. Thank you."

Senator Chun rose in support of the measure and stated:

"Mr. President, I rise in support of the measure.

"Mr. President, the comments made by the Senator from Hawaii Kai are well taken. This is not a Democrat/Republican matter. This is a bipartisan effort. And the reason why it's bipartisan, Mr. President, is that everybody recognizes that the system is broke. This is not a new issue. This is not something that just came up this year. This is something that arose, I would say, at least since 1998 when people were talking about the fact that our rising health costs were going out of control. In fact, I just heard a Representative in the House speak on how long he's been working on this issue and the headway that he has made over the years in trying to improve the health fund.

"Mr. President, we all know the system is broke. The Auditor's report in 1999 didn't tell us any new things, but it did highlight to us some of the huge amounts of money that we were losing because the system was broke. What it boils down to, Mr. President, is a question of money. It's a question of money and who controls it. The unions want to keep their health fund because they want to control the money. They don't want to give up certain things because they want to

control their money. They're willing to have audits because they want to control the money. They want to take retirees, when right now they're not, because they want to control the money. Mr. President, it's all about money.

"How much money are we talking about, Mr. President? There are a number of figures going around. The administration estimates that \$65 million a year is being wasted, wasted, Mr. President, because that's the kind of money we're throwing out when we allow the unions to port out their employees – \$65 million a year, Mr. President. That's a lot of money. Who gets it? Who gets it? It's about money.

"The Auditor's report looked at that same issue and the Auditor came back because nobody seems to disagree that the Auditor is an honest person, the Auditor does her job. But what did the Auditor say? The Auditor estimated on just one union plan alone, UPW's and HGEA's CHAMP plan, just that plan alone, that we're losing approximately \$7.8 million per 1,000 employees – \$7.8 million just from that one plan per 1,000 employees. If we have 2,000 employees on that, which is a very reasonable . . . that's \$12.3 million a year – a year, Mr. President. And that's just on one plan. Who's controlling that money, Mr. President?

"What we want to do is make it fair to everybody. These funds should be used for the benefit of everyone, not just any individual union, not just for the employer, but everyone. That's why, Mr. President, the Auditor in her report, in coming to her conclusions, made these recommendations: Her first recommendation – the health fund program and all of the union programs should be combined into one overall program. That's what we're doing. Another thing the Auditor said – the health fund should be given more authority and flexibility to deal with the dynamics of the healthcare marketplace. That's exactly what we're doing. Another thing – consideration should be given to restructuring a board to oversee a single program approach for the Hawaii public employees health benefits program. That's exactly what we're doing here in this bill. Lastly, carriers should be encouraged to participate in their program. The requirement of statewide service capabilities should be removed to allow qualified regional plans to participate in their service regions. This will create competition among health plans and result in more competitive rates. This bill allows them to do it.

"Mr. President, we have been criticized. The Legislature has been criticized with having report, after report, after report, and then not doing anything about it. And that's what bothers me about some of the positions that have been taken by my colleagues today – we should study this issue; we should wait; we should get more information. Mr. President, we've been doing that for years. That's the hallmark of the Legislature – to take a study, shelf it, and then say we've done a great job. Mr. President, I was not elected to do that. I was elected to take a look at the information we have here, to make changes when it is needed, and to have a good reason why I'm doing it. Nobody questions that this is not a good reason and we're losing money over here.

"Another question, Mr. President, that has really bothered me on this, and the Auditor again brought that out, is why are we arguing about this? Is there some kind of hidden thing that we don't know about? Is there some kind of benefit that somebody is getting and somebody is not? I think there is.

"Mr. President, what really disturbs me about the current situation over here is that the employer, the State, is paying more money than it should. The Auditor found that. For example, the Auditor in her report, and I won't read it for you but you can read it yourselves, the Auditor in her report

determined that for that one plan we're talking about, the CHAMP plan, the State is paying more money to the union for these plans than it actually costs. Yes, we negotiate a 60/40 split, but when it comes down to porting, we pay more. And that's fine. That's a quirk in the system. But what's really more disturbing is even though the State pays more than what the actual cost is, the unions go ahead and still charge their members more money. They charge it on top of what the State is paying them that covers the entire cost, and that money is in there. That's one reason why the Auditor was saying we need to audit these things. We need to know whether our money is being spent wisely and whether the money being collected by the members are spent wisely. That is really disturbing.

"Again, I go back to what I said before, Mr. President, it's all about money – who's taking what money and using it for what purpose. We need to get a greater control of these costs. We need to make sure that the employees are treated fairly by everyone. We need to make sure that this system lasts beyond this year, beyond this budget year and lasts for another 10, 15, 20 years. Because, Mr. President, unless we get a handle on these costs, the Auditor has clearly indicated and the facts do show that if we don't do anything about it, the cost of employer contributions to run the health system is \$1 billion by the year 2013 – \$1 billion. Our total State budget this year is only \$7.1 billion. And if in 2013 that's just to run the health system, \$1 billion, Mr. President, the system cannot survive.

"There's been some concern raised by the retirees that this bill will take away benefits. I don't believe it will. The committee reports and the people working on it specifically state that is not the intent, to take away benefits. What will happen, Mr. President, is not a question of what benefits will be offered. I believe it's going to result in the question of who will offer these benefits. The benefits will remain the same. The way those benefits will be given might change. But, Mr. President, I rather have a situation of changing the way benefits are offered as opposed to not offering those benefits, because, Mr. President, if we don't change the system, it will go bankrupt and then we'll be forced to make an even harder decision to cut those benefits. That is a decision I do not want to make and that's a decision I do not support. I will do everything in my power to make sure that we don't have to make those decisions to make sure this system will continue and that everyone will benefit.

"Mr. President, I liken this situation to the social security situation. The social security system, because of the rising costs and the rising age of the population, is slowly going bankrupt. Mr. President, the United States government is grappling with that decision – either we fix this system or it's going to go bankrupt and everybody hurts. It's the same thing with this health fund – our costs are rising, money is being spent unwisely, and we need to fix this system. If we don't fix this system, everyone will hurt, including the retirees.

"So, Mr. President, it is a hard pill. It's a hard decision but we need to make the hard decisions, not study them. Mr. President, I urge all my colleagues to vote 'yes.'"

Senator Menor rose to speak against the measure as follows:

"Mr. President, I rise to speak against this measure.

"Mr. President, as the previous speakers have indicated, this bill raises difficult and complex issues. I would also agree with the previous speaker that we are faced with a very difficult vote today, not only because the issues that are being raised by this bill are of critical importance to the people of Hawaii, but also because the proponents, several of my colleagues in this body

and members of the administration, are individuals whom we have come to respect throughout the years.

"I also recognize that we are going to have to come to grips eventually with the rising health fund costs for the State. However, after carefully considering the matter, Mr. President, I am not convinced at this time that this bill is the answer to that problem, and I take that position for several reasons. First of all, I believe that there are genuine uncertainties as to whether the passage of this bill will cause health plan premiums to increase for active employees and retirees alike, and whether this bill will negatively impact the quality of their health coverage. Moreover, those who support this proposal have asserted that the creation of a single employer/union health trust fund will significantly reduce costs of the fund for the State. I think that we need to seriously question the validity of this argument, given the fact that before the Legislature passed the law in 1994 allowing public employee unions the ability to establish their own separate health plans, the state health fund had already been experiencing significant cost increases.

"In addition, the proponents of this measure have argued that the pooling of employer/employee contributions into a single health fund will provide the fund with greater leverage or negotiating power for the State to be able to negotiate better health plans with insurance carriers. This argument needs to be carefully evaluated since, as we all know, effective competition among health insurance carriers in Hawaii is almost nonexistent.

"Finally, proponents of this measure have argued that this bill addresses issues such as excessive porting and the financial accountability of the various union health plans. However, I think that we need to evaluate whether these issues could be addressed through less drastic means than what this bill calls for.

"I would like to clarify that I remain open to the proposal that is contained in this bill. However, I believe that further dialogue among all of the affected parties is necessary before we enact this measure into law. The issues relating to the health fund should also be addressed comprehensively and not on a piecemeal basis. I believe that we also need to recognize that there may be other factors driving increases in the health fund costs that have nothing to do with the organization of the health fund, such as rising healthcare costs in general which have negatively impacted other government healthcare programs such as Medicare and other programs.

"Accordingly, I believe that this measure should be deferred for this Session, and therefore I will be voting 'no' on this bill.

"Thank you."

Senator Fukunaga rose in opposition to the measure and said:

"Mr. President, I rise to speak in opposition to this bill.

"What this bill does is propose to solve the problem of burgeoning healthcare costs by shifting public employees back into a single health plan without answering the question: How will the single plan deliver comparable benefits at lower costs?

"What is most troubling about us taking a vote on this very big policy change is the fact that this bill was constructed in a manner which totally defies the dictates of good drafting and good public policy debate. We have heard numerous complaints from a number of participants, all of who have an active and legitimate stake in the outcome of this legislation that they were denied the ability to participate in the process.

"I am troubled by the fact that HSTA representatives have said that they were denied the opportunity to actively participate in proposing recommendations on this bill. Teachers who a few short years ago struck for better pay and working conditions are now facing the elimination of their health plan, which is cheaper and provides better benefits than the state health fund does.

"I am equally troubled by the fact that representatives of retiree organizations have not been involved in the shaping of the conference draft of this bill, particularly with respect to public sector retirees who have already ended their public service and who planned for retirement according to the rules in effect when they were working. I think we at least owe them the respect of being a full stakeholder participant on changes to their benefits.

"Finally, I am deeply troubled by the fact that a core reason for S.B. No. 1044's proponents to urge its passage – which is that of spiraling health costs resulting from older, less healthy members of the health fund – appears based on flawed information.

"Today we learned from Kaiser Permanente that some of the information presented to us by the Department of Budget and Finance yesterday was not accurately represented. In their own comparisons, HSTA's health plan consultant showed that the average ages in the Kaiser health plan are essentially the same for active employees, which does not support the representation made by proponents that the porting formula creates a biased or adverse selection.

"The points that I have outlined above are certainly things that have made me very troubled about whether or not it is appropriate for us to take action on this major piece of legislation at this time. I think these are things that all consumers of state and public union health plans have the right to participate in. I would rather take the time to craft a better solution than the one before us today.

"For these reasons, I'm voting 'no.' Thank you."

Senator Hanabusa rose to speak in favor of the measure and said:

"Mr. President, I rise to speak in favor of this measure.

"Mr. President, we all come to this point for a variety of reasons and we all take the positions we've taken today for a variety of reasons. The good Senator from Waipahu was honest; he's concerned about his reelection. We all have differing views on this. Whatever our position may be, we, as a collective body, owe the public, our employees, our retirees, our constituents the taxpayers an apology because this is a mess.

"When six of us were originally elected in 1998 and took office in 1999, I remember then, sitting in the CPN Committee. As a matter of fact, the good Senator from Hawaii Kai was on that Committee with me and we were looking at confirmations of healthcare/health fund members and we couldn't figure out what was going on and why there seemed to be an inherent conflict with who was being appointed. Mr. President, you were part of that Committee as well. As we discussed it we said, 'hey, something's not right.' Then towards the close of that Session is when the Legislative Auditor came out with her report and we were all shocked.

"She talked about the collection of about \$295 million with costs, meaning monies out to the health funds of the health insurers of 205. And she raised the issue – Where's the money? And none of us knew. She went on to say in her report that the

unions would not permit her to audit; they did not cooperate with her; and she was estopped from getting the information that she needed.

"We must apologize, because this is a mess. It's never good at any point to start to say, 'Okay, what do we do? How do we stop the bleeding? How do we get control?' But we have to do this.

"Like I said earlier, we all come to this point for a variety of reasons, and I come contrary to what many may believe because of my concern over the retirees. As many of you know, I am a labor lawyer. One of the most disheartening things that I have had to endure in negotiations is to watch the tug-of-war between retiree benefits, fully paid medical benefits, versus the actives and their needs. I have seen plans say we cannot do it anymore because for every dollar we put away for an active's medical plan, we must put away another dollar for the retirees. After a while, the active says, 'I have a family. I've got to feed them. I need those raises.' So what happens? It's that silent group, the retirees, who sacrifice probably more than anyone else to get the young guys to the point where they were earning those wages. They are the ones who are caused to suffer.

"I received one call that stopped me cold, but it was from my Aunt Jojo – not a real aunt, a hanai aunt – who left me this message, 'Aunt Jojo's planning to retire. Vote against 1044 because I'm not going to have healthcare benefits.' And you know? I became even more determined as to why S.B. No. 1044 has to go through.

"What we must tell the public . . . and the public has a right to know the true story of healthcare and what it costs. When the original versions of these bills came down, what the retirees should know is that yes, they wanted to change your Medicare reimbursement back to \$45.50 or whatever it was, but we knew that there was a motion made and passed among the health fund that you would get your \$50.00 per month. What the public doesn't know is that because retirees are now required to take the Medicare part B that the Legislature said, and the health fund has gone along with it, that you will be reimbursed that portion that is deducted from yours' and your wife's social security check. What this means is that each and every one of you who qualify should be receiving a check. I think it's paid to you in a lump sum of \$1,200 a year to reimburse both husband and wife. That is in the bill and that is to continue.

"The other thing that people are not aware of, and I don't even believe the retirees are aware of this, is how much the benefits cost. There was a concern raised when we went over these figures as to whether or not the amounts that we have set forth in this bill that if this bill passes, and if the new health fund takes place, the one thing they must do is they must cover the retiree benefits at the amounts that we have set forth. What the public does not know and many of the retirees may not know is what those numbers are. If you are under 65 years of age and in a family plan – you, your wife, and some people, maybe police or firemen, may retire earlier and they may have smaller children – it's \$928 a month. If you are single, it's \$342 a month. If you are enrolled in a supplemental medical or Medicare family plan, it's \$671 a month. If you are a single enrolled, it's \$218 a month. We put those figures in the bill because we wanted to ensure that the retirees will not be forgotten in this process.

"One of my colleagues raised a very important issue. She said, 'What if that's not enough money?' I said, 'That's two years out, two years from now. If we cannot cover a family plan at almost \$1,000 a month, we are in major problems.' Imagine what the rest of this State will be paying if we cannot cover this. And remember, this is all 100 percent subsidized by

the State – by the State. This is the continuing commitment to retirees. I do not ever want to endure going to negotiations or having any of you feel what it's like when that choice must be made. As you all know, retirees are covered only by the state health plan – no union covers retirees.

"You can have promises made to you now, but the fact remains – S.B. No. 1044 is the answer to the existing Chapter 87. Let's not compare apples and oranges; let's compare what we are looking at. We are looking at the change to the existing structure.

"Someone raised the question, 'Gee, I don't know what figures to believe. We're getting all these different figures. How do we know whom to believe?' Mr. President, I know what I believe. I believe my good colleague from Manoa. I believe WAM's figures. I know what the cost increases are going to be.

"If we went with the administration's proposal, which was really the perpetuation of all of this, we are looking at healthcare increases to the base of 11 percent next year, a cumulative 11 percent which means 11 percent plus 11 percent in the second year of the biennium. That's a 22 percent increase. And the third year out, which is where these figures come out that I just said that we are committed to the retirees on, it's 11 percent, 11 percent, plus 15 percent. That's the skyrocketing cost. Almost 40 percent increase from where we start today, that is the cost.

"What WAM did was say, 'That's too much.' But you know what? We're not that much better off. It's 11 percent for next year. It's 11 percent, plus 7 percent for the following year. And we're hoping that in the third year out, it will be 11 percent, plus 7 percent, plus 7 percent. This is what we are contending with. This is the cost.

"We've heard the magical number of 400 million. My good colleagues who have taken strong positions on Felix have all said, 'The Felix expenses are ridiculous. We must audit. We should have a Legislative Investigative Committee on it.' You know what that figure is? Just about 400 million. Do you know what our figures are going to be altogether, including our employees' monies? It's going to be 408 million in fiscal year '02 and 436 million in fiscal year '03 – 400 million. Our biennium budget is 7.1 or 2 million, but the year budget is 3.7. This is more than 10 percent of our budget – more than 10 percent.

"Now, what does it mean, what does the health fund mean in terms of numbers? People must know. There are about 81,000 participants in the health fund – 49,000 are actives and 31,000 are retirees. Of the 31,000 who are retired, about 22,000 of them participate in Medicare. That means the differential is one that we fund 100 percent somewhere in that arena. Now what you should know is that as it now stands for this year, if you were to retire without Medicare you would have about \$810 to your benefit, and if you were a Medicare family, you would be \$586 and that's for this upcoming year. That's what we've appropriated. If you're active, the estimates are \$645.92, and if you're single it's \$223. What your unions receive if it's ported is \$134 for an individual and \$387 for a family.

"Now, this family thing is really an interesting point. People have said or you've heard other speakers say, 'You know, I don't see any evidence of why it's so detrimental, the porting, or how we can be treated negatively, or the state fund is somehow discriminated against.' This is the benefit plans, Hawaii public employees' health fund. Let me share with you one page . . . some of you may have had this nice poster that tells you what the costs are. For example, if you go to what

most people do, HMSA, if you're a member of the state health plan you will pay \$63.20 and the employer will contribute \$94.80. That's our share because that's a 60/40 issue. If you're in a certain one of these bargaining units, you pay \$22.90, and the employer pays \$135.10. Now that's not fabricated figures; that's what people are making their decisions on.

"As you know, the way porting works is that 60 percent of the most utilized plan is what determines the amount, not the most cost efficient plan, not the plan that meets all of these criteria, it's the most utilized plan, and that amount is ported out. We wonder why is it that the health fund premiums are so large. This is one section of this plan and it's very interesting, because you take the various amounts and they will tell you what your monthly contributions will be and they compare it to the health fund, and then they tell you whether it's beneficial for you to stay in their plan or to go to the health fund.

"This particular union trust has a scale of single, two-party, three-party, family of four-plus, and do you know that when you get to be a family of four-plus, there's a negative savings if you go into the union plan. So where would you go? You go to the state plan, which means the state plan then picks up all of these people. So their family plan really becomes utilized. If you're a two-party, you will save \$1,200 a year – \$100 a month if you go into this plan.

"All of these plans have it clearly laid out for you and, for most places, if you're a two-party, single two-party, you may save. In this particular plan you'll save \$849. A family of more than two will only save \$275.76 a month, then you're going to look at what the other provisions are. These are not numbers that we wonder what the credibility of them are because these are what we give our employees to make the decision.

"This concept of porting is a very interesting thing. It's a philosophical decision that we as a Legislature must make. The reason it's a philosophical decision is because the issue is when we decided on the 60/40, did we decide that it was 60/40 only for those employees who stay in the state health plan? Because they have to pay 40 percent. But it doesn't apply if you're in a union trust. If you're in a union trust, hey, it's whatever and wherever you fall, because they take the total amount and you then cherry pick the plan that you want. And if you don't use up all the money, guess what? It stays in the plan. It does not come back to the State. The real issue should be, is that what was intended or was this an issue of collective bargaining where if we said 60/40, was it intended that each and every one of our employees would be treated the same and they would pay the same amount for their health plan so that you're not penalized somehow if you're stuck in the state and you've got to buy from the state? That is the decision that we must make.

"How much money is ported? Let me tell you . . . one union gets 36.5 million, another gets 27.6 million, a third gets 10.7 million, a fourth 4.2 million – a total of \$80 million if ported every year for the health funds. That doesn't include the employee's part. And you know, Mr. President, that's another thing that bothers me – the employee's contribution. The employees may be upset with us, but the bottom line is they deserve the same kind of accountability that we want. We want to know what the money is used for. We want to know when the money goes out if it isn't used for that particular person, that money is returned so it can be used again. We want to know those things and I'm sure those employees want to know too. I'm sure they could use that extra money if they didn't have to pay 20 percent or 10 percent of the plan. I'm sure they're interested in that, but that information is not available to us.

"Mr. President, the estimate, and it may not be an estimate that everyone in here may want to rely on, but the estimate is,

and this is a single trust based primarily on a variety of factors, is about \$65 million that they anticipate saving. It could be more, it could be less, but that's savings that we would see with a single trust.

"We must look and we cannot ignore that Legislative Auditor's report that you've heard so much about, because she is our Auditor. We asked her to do that study and her recommendations were as set forth by the good Senator from Kauai, and we should pay heed to that.

"There were some points that were raised by previous speakers that I believe cannot go unanswered. One is a statement from the Senator from Nuuanu who said, 'You know, if you're going to have union representation, then the Governor shouldn't pick.' The reason why the Governor picks from a list of three names provided by the unions of the five union trustees is because it's constitutionally required. The Governor is the appointing agency. But we made it very clear that those are three names per position that the Governor must select from and he must replace those trustees by the same method.

"The other thing is that we have heard that the retirees are not part of this process. That is why one of the union trustees must be a retiree, because the retiree must have representation in making these decisions.

"The good Senator from Waimanalo is correct. He feels that this may not address all the problems the system has. He believes it's almost a systemic problem dating back to 1988 or whenever he was here before. Maybe he's right. But you know, that's no reason why we say now that we can't do anything about it, or because you believe it's a systemic problem, that nothing can happen. We must do something, and this is the first step in the changes that we must make.

"I am comfortable that the retirees will be protected, and I believe that the reason why we must move to this type of a fund is because if we don't, there may be no funds in the future. The costs are crazy. And those costs are not fabricated. They are estimates that my good Senator from Manoa has come up with and the Ways and Means staff have come up with. And if they're good enough to come up with the figures we need to estimate what it costs to run all of state government, then you know what, they're good enough to estimate what it costs to run the state health fund.

"Mr. President, it is for these reasons that I urge my colleagues to vote in favor of this measure. It is not a vote to take away. It is not a vote to diminish rights. It is not a vote that, as some people feel, threatens the retirees. It is quite to the contrary. It is our effort to preserve – preserve what we have promised the retirees into the future, preserve the health fund benefits – and we must do, we must do what is right and we must address this problem. We cannot stick our heads in the sand any longer and hope that it will go away. We just can't afford to do that.

"Thank you, Mr. President."

Senator Kanno rose to speak against the measure and said:

"Mr. President, I rise to speak against the measure.

"I'd like to focus on the concern about the retirees. I think if you put yourself in the shoes of a retiree, some of these individuals made the decision to work as a public employee with the expectation, and what they thought was a promise, that 100 percent of their retiree health benefits would be paid for by their employer. With this bill, for the very first time we are changing that.

"On page 25 of the bill, for the very first time the Legislature is putting a cash dollar limit on the amount that they're going to be contributing to retirees' health coverage plan. When asked how did these exact dollar figures get calculated, the director of budget and finance said that they took one figure and they inflated it 7 percent and they did it one more time, and that's how these figures were arrived at. It's really a guess of what the health fund costs will be in the year 2003 for retirees.

"Now, if you can imagine, these retirees believe that we had a commitment and we had a deal and they had the protection that their health fund benefits were going to be covered. The lawyers, however, tell us that there is no such commitment and the Legislature is free to change whatever they please. I, for one, will not support that kind of change and upset with the retirees' health fund plan.

"With the dollar figures provided, it very well may mean that a retiree who has a relationship with their physician will be told that 'you will no longer be able to see your doctor unless you pay an additional cost of what could be several hundred dollars a month.' What we've been told in our work with the health fund and working with individuals and people we know is that it's very upsetting for people to go through a change like this. It's very disruptive. People have a history with their physician.

"We are aware that the whole healthcare industry is changing to managed care and to these plans. People, in many cases, have the opportunity to choose into a plan like that for possible cost savings. For these retirees, for their entire lives when they were members of the health fund, they were given a choice of their physician, and for the very first time, from this legislation, they will be told otherwise – that for you, if you want to insist upon your physician, if your physician doesn't elect to become a part of a limited list plan, you could be forced to pay what could be several hundred dollars per month in order to remain with your physician, and all of the expectations that you had about your coverage, what you thought was a commitment from your employer for what could have been a career of 30 years or more with the State of Hawaii, is no longer valid.

"There is also no guarantee in the bill that these figures will be increased appropriately to cover increases in coming years. It does say that there are going to be adjustments made, but no one in this body can make a promise to retirees that these prices will be adjusted in future years to cover the cost. The expectation is that the figures here will cover the least expensive plan that someone can say that we're providing a basic plan to an individual, to a retiree. Where these individuals felt that they had a promise that they were going to have 100 percent of their health benefits covered, for the very first time the Legislature is saying, 'I'm sorry, there was no deal. There was no commitment. The lawyers are saying that there is no promise.' Where you thought there was a promise, where you may have dedicated your entire life of service to the State or the County, you're being told for the first time that what you thought was a deal was not really a deal.

"I'm not advocating for the status quo. There are many things that need to be corrected about our system. One thing that I would like to see in future discussions about the health fund is individuals, these retirees, that they have someone who's looking out for their interest, that they have someone who is able to stand up for them. In this process, this vote that is being taken today, the retirees didn't have someone here. They didn't have someone who had a draft ahead of time who could provide comments.

"None of the previous drafts had these dollar figures in it. Earlier this Session when the Senate passed this measure, all of

these figures were blanked out. If a retiree were to have called my office and say, 'How much money is going to be filled into the blank? How much money is going to be given to cover my health benefits? Isn't the State supposed to be covering 100 percent of my health fund costs?' I, myself, was a Conferee and I didn't see the draft until the final Conference meeting on Friday when we, for the very first time, saw these dollar figures. For all of Session, if a retiree were to ask or were to have called and asked, What would these figures have been? Nobody would have been able to have given them an answer. For the very first time, we saw these figures on Friday.

"For me, this is my major concern about the bill – that for the very first time there may be a retiree who may be 80 years old and that individual may have worked for the State of Hawaii for over 30 years, and for those 30 years they may have believed that there was a promise, a commitment, that upon retirement that their health fund benefits would be paid by their employer. At that time, way back then, some employees looked at this choice of whether they should work for the State or not and said, 'Well, maybe I will take this job and stay with this job even though the pay is less because there is this promise that I'm going to get my health fund benefits covered.' And now, that promise is no longer good.

"The lawyers basically say that there was really no promise. I guess if there were a lawyer there, the lawyer probably would have said there was never a promise made. But if you talk to the retirees out there, they really believe that there was a promise. They committed their lives to service for the State and the Counties with the understanding – the honest understanding – that they were going to have their health plans paid for upon retirement 100 percent. That was the practice up until this very day and it depends on this vote, and I urge my colleagues to vote 'no.'"

Senator Hogue rose in opposition to the measure as follows:

"Mr. President, I'm very impressed with all the speeches today. Obviously it's a very, very difficult decision that has to be made. I rise to speak in opposition to this bill.

"First off, I strongly support system reform, fiscal responsibility, the Legislative Auditor, and very tough choices. Yes, the union health funds need to be more open. All the unions need to follow the lead set admirably by the HSTA. All of them should be openly audited on a regular basis so that we may get answers to our many questions. Yes, I agree with keeping costs down. We must, to do that, have open competition and choice, and we must avoid a state-run monopoly.

"This bill puts a band-aid for some, a big bandage for others, on a wound that has festered here in the State of Hawaii for 40 years. The wound or problem is managing the collective bargaining process, and that's what got us here in the first place. We must do a better job governing.

"We must also look at the figures. Do we believe the Governor's figures? Do we believe the union reps? Do we believe the good Senator from Manoa? Do we believe the different insurance providers? We must get the right answers.

"The Senator from Kauai said it so eloquently – it is about the money. Healthcare costs are rising. Felix costs are rising. Budget costs are rising. Yes, the entire system is broken. However, I truly doubt that combining all the trusts into one huge state-run fund would fix this broken system. Let's face it, the State has had a very, very rough time proving that it can run anything well. Let's see . . . the Department of Education gave us Felix. The Department of Health gave us the

State Hospital. The Department of Public Safety gave us the prison. Do I have to give anymore examples?

"Mr. President, we need reform, systemic reform, porting reform. We also need openness. And we need a good audit. And we need answers – the right answers. But we also need choice. We need autonomy. We need decentralization, not centralization, and I will be voting 'no.'

"Thank you."

Senator Chun Oakland rose to speak in opposition to the measure and said:

"Mr. President, I also rise in opposition to this measure.

"There have been efforts to modify the state health fund over the years to give greater flexibility to the trustees to negotiate and design plans that would allow more health insurers to successfully compete to service the state health fund, and therefore increase the probability of lower bids and lower premiums. To date, those efforts have been stymied.

"In 1994, the public unions were given the opportunity and have taken it upon themselves to establish health funds that have met and are responsive to the needs of their members, provide a broader array of benefits to their members than the state health fund does with funds that are available, and achieve the lowest health insurance premium costs possible. The bill before us does not capitalize on some of these union health fund models that have been cost efficient and responsive to their members.

"I believe that we should look at an option that will value what is working well. The unions have come forward saying that they would like the responsibility to administer health funds for both active employees and retirees and are open to be accountable to their members and the State. I believe that we should work with all these parties who are willing to be active partners in coming up with a viable solution to address this issue.

"Thank you very much."

At 4:49 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 4:58 o'clock p.m.

Senator Taniguchi rose and said:

"Mr. President, would you have the Clerk note my strong reservations with this bill."

The Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 124 was adopted and S.B. No. 1044, S.D. 1, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO PUBLIC EMPLOYEE HEALTH BENEFITS," having been read throughout, and Roll Call vote having been requested, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 13. Noes, 12 (Chumbley, Chun Oakland, Fukunaga, Hemmings, Hogue, Ige, Ihara, Kanno, Kawamoto, Matsunaga, Menor, Tam).

At 5:00 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 5:02 o'clock p.m.

At this time, the President made the following announcement:

"Members, we are on page 29 of the ordinary fiscal calendar. With the exception of S.B. No. 1044, all remaining measures will be deferred until Thursday, May 3, 2001."

At 5:03 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 5:08 o'clock p.m.

The President then made the following declaration:

"Since the members have so much energy, we will commence with our ordinary fiscal calendar on page 29."

Senator Hogue rose and said:

“Mr. President, I would like some comments I have inserted into the Journal, and I will vote with reservations. Thank you.”

“The Chair having so ordered, Senator Hogue’s remarks read as follows:

“Mr. President, I rise to speak with reservations.

“The intentions of this measure are commendable – privatize school repair and maintenance, reduce the paperwork and bureaucracy in the procurement process, circumvent the procurement process of DAGS and the DOE . . . and tax credits! Very nice tax credits for businesses.

“But, once we get past all that hoopla, there are a few surprises in this measure. A new fund is created. What kind of fund? We’re not really sure about that. It is, ‘a separate fund of Helping Hands Hawaii.’ The measure specifies that the fund, ‘shall not be placed in the state treasure, the state shall not administer the fund, nor shall the state be liable for the operation or solvency of the fund, Helping Hands Hawaii, or Hawaii 3Rs.’

“Okay. Then why does the measure enact scrupulous and comprehensive criteria, regulation, process, and reporting requirements for both the fund and the new program that it supports?

“Is the hand of the Legislature in this fund and program or not? Are we really trying to allow private contributions to the school repair and maintenance problem in as easy a manner as possible? No . . . the unintended consequence of this measure is to set up more bureaucracy . . . Mr. President, we need less bureaucracy, not more.

“NO! The unintended consequence of this measure is the creation of more bureaucracy for a school repair and maintenance system that needs streamlining.”

Senators Hemmings and Slom requested their votes be cast “aye, with reservations,” and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 45 was adopted and S.B. No. 493, S.D. 2, H.D. 2, C.D. 1, entitled: “A BILL FOR AN ACT RELATING TO PUBLIC SCHOOLS,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 46 (S.B. No. 1209, H.D. 1, C.D. 1):

Senator Sakamoto moved that Conf. Com. Rep. No. 46 be adopted and S.B. No. 1209, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Taniguchi.

Senator Hemmings rose to speak against the measure and said:

“Mr. President, I rise to speak against this bill.

“The University of Hawaii wants autonomy and to determine their own future but they still want us to pay the bills when they screw up. Thank you.”

Senator Hogue rose in opposition and said:

“Mr. President, I also rise very quickly in opposition of this bill and have some comments that I would like inserted into the Journal which also echo the good Senator from Waimanalo. Thank you.”

The Chair having so ordered, Senator Hogue’s remarks read as follows:

“Mr. President, I speak in opposition to this measure.

“The title of this bill is ‘Claims Against the University of Hawaii.’ More appropriately, it should be called: ‘we love autonomy, but we hate paying the bills.’

“First off, I agree with the concept of autonomy, but this bill begs the question as to whether or not the university truly is in charge of itself. We need to establish that the university has to be accountable for the issues that arise in its domain, and we need to do whatever is in our power to support that.

“Then, and only then, will we have a truly autonomous and truly great university.”

The motion was put by the Chair and carried, Conf. Com. Rep. No. 46 was adopted and S.B. No. 1209, H.D. 1, C.D. 1, entitled: “A BILL FOR AN ACT RELATING TO CLAIMS

Senator Slom rose in opposition to the measure and said:

"I'm voting 'no' on the bill, Mr. President.

"The bill really does not differentiate between the union and the standards board, and I think that we need standards but we need a clearer definition of who's going to be in charge and making the evaluations.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 48 was adopted and S.B. No. 1212, S.D. 1, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO EDUCATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Slom).

Conf. Com. Rep. No. 50 (S.B. No. 1362, S.D. 2, H.D. 1, C.D. 1):

Senator Sakamoto moved that Conf. Com. Rep. No. 50 be adopted and S.B. No. 1362, S.D. 2, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Taniguchi.

Senator Hogue rose to support the measure and said:

"Mr. President, I enthusiastically support this bill. I'm so glad it is passing. Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 50 was adopted and S.B. No. 1362, S.D. 2, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO COACHES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Senator Matsuura moved that Conf. Com. Rep. No. 63 be adopted and H.B. No. 1111, H.D. 1, S.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Hanabusa.

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, I rise to speak against this.

"According to our investigation, the total cost of this project divided by the number of potential 28 elderly or 28 medically fragile infants and children pencils out to about \$510,000 per person. Therefore I'll be voting 'no.'

"Thank you."

Senator Hogue rose and said:

"Mr. President, please have the comments from the Senator from Waimanalo inserted as if they were mine. I will also be voting 'no.' Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 63 was adopted and H.B. No. 1111, H.D. 1, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO SPECIAL PURPOSE REVENUE BONDS FOR AN INTERGENERATIONAL CARE CENTER AT EWA VILLAGES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Conf. Com. Rep. No. 64 (H.B. No. 77, H.D. 1, S.D. 1, C.D. 1):

Senator Hemmings rose to speak against the measure and stated:

"Mr. President, I rise to speak against this bill.

"It employs more employees into the public system. We should have more autonomy and more ability to shift our

resources around. The public healthcare system has a negative cash flow and this is one of the reasons.

“Thank you, Mr. President.”

The motion was put by the Chair and carried, Conf. Com. Rep. No. 94 was adopted and H.B. No. 284, H.D. 1, S.D. 2, C.D. 1, entitled: “A BILL FOR AN ACT RELATING TO HEALTH,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Senator Slom rose in support of the measure with reservations and stated:

“Mr. President, I support this bill with reservations.

“We have of course supported the concept of business specialists for the schools. We think they’re needed. But also included are additional business specialist positions included in S.B. No. 1577. In this bill here we are putting the business specialist into a union which doesn’t make sense at all.

“If you want a business specialist, they should be doing business and not union work. Thank you.”

Senator Hemmings requested his vote be cast “aye, with reservations,” and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 104 was adopted and H.B. No. 480, H.D. 1, S.D. 2, C.D. 1, entitled: “A BILL FOR AN ACT MAKING AN APPROPRIATION FOR BUSINESS SPECIALIST POSITIONS,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Senator Slom rose in opposition to the measure as follows:

“Mr. President, I rise to speak in opposition to the bill.

“It’s been estimated by the Auditor that it’s going to cost \$18.5 million to complete a system to find out how many lands the State controls and at what cost. I think it’s a tremendous

cost to find out what we have. We don't even know how many employees we have; now we don't know how much land we control.

"Thank you."

Senator Hemmings then requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 111 was adopted and H.B. No. 186, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE PUBLIC LAND TRUST," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Senator Kawamoto rose and said:

"Mr. President, first of all I'd like to apologize to the Senator from Waimanalo. We were trying to get a meeting of the Conference Committee and he was told by the House of Representatives that the bill was dead."

The President interjected:

"Senator Kawamoto, for what purpose do you rise?"

Senator Kawamoto replied and continued:

"I rise to speak in favor of this bill.

"He then left and he was a diligent member of this Committee. Every time we had a meeting he was there. I knew he wanted to vote 'aye' on this bill but somehow he left and went home. Thanks to you, we resurrected this bill, we got the Speaker to sign the waiver, and we came back. The Senator from Waimanalo, I'm sorry you couldn't vote, but I'm sure you can vote now. This is a bipartisan bill.

"We questioned the unfunded liability at the 90 percent factor and they dropped it to 55 percent. We questioned that and finally we decided that we're not going to fund unfunded liability from the general fund. We just passed the bill and we hope the Governor will do the right thing and pass this bill on.

"I urge all my colleagues to vote 'aye' on this bill. Thank you."

Senator Hemmings rose to speak in favor of the measure also and said:

"Mr. President, I rise to speak in favor of this bill.

"Thank you, Mr. President, for making this possible by amending the Rules to allow us to have a late Conference on it. Thank you to the Chairman of the Committee for working in a bipartisan manner.

"This has a lot more to do with than money, it has to do with justice. I'm sure out of the \$9.3 billion in the RS system they can take care of the needs of a dying breed of Americans.

"Thank you, Mr. President."

Senator Buen rose to speak in favor of the measure and said:

"Mr. President, I rise in favor of this bill.

"I want to thank the Chair of the Committee. The Senator from Waipahu worked so hard on this measure. On behalf of all the veterans from Maui who came over and sat at all the Conference Committees, and called every one of you everyday, on behalf of all of them, thank you for bringing this bill this far.

"I ask all of you to vote in favor of this bill. Thank you."

Senator English rose to speak in favor of the measure also and said:

"Mr. President, I rise in favor of this bill.

"Mr. President, I really have to commend the Chair of this Committee and also the veterans, especially from Maui, because we had some people who came from Maui and really lobbied hard. I can say lobbied the old fashioned way – they came in, they sat down with you and explained their situation, and asked for you to make the right choice on it.

"So members, I'm very grateful on behalf of the veterans of Maui and all the veterans of the State of Hawaii for your help in correcting this and creating equality for them. So with that, Mr. President, I urge everyone to vote in support of this measure.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 112 was adopted and H.B. No. 860, H.D. 1, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE EMPLOYEES' RETIREMENT SYSTEM," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Senator Slom rose to speak against the measure as follows:

"Mr. President, we've got to vote 'no' on this bill.

"For goodness sakes, we've been trying to get an automatic recount bill for years and years and years. We started out with an automatic recount in this bill and now all we've got is a taskforce. So when the Senator from Maui/Kauai/Nihau is only 60 votes apart, he can't have an automatic recount but he can call for the taskforce.

"Vote 'no,' \$100,000 for a taskforce – NO!"

The motion was put by the Chair and carried, Conf. Com. Rep. No. 118 was adopted and H.B. No. 168, H.D. 1, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO ELECTIONS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

The motion was put by the Chair and carried, Conf. Com. Rep. No. 119 was adopted and H.B. No. 513, H.D. 1, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE RELIEF OF CERTAIN PERSONS' CLAIMS AGAINST THE STATE AND PROVIDING APPROPRIATIONS THEREFOR," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 120 (H.B. No. 596, H.D. 2, S.D. 1, C.D. 1):

Senator Menor moved that Conf. Com. Rep. No. 120 be adopted and H.B. No. 596, H.D. 2, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Taniguchi.

Senator Hogue rose to speak in opposition to the measure and said:

"Mr. President, I rise to speak in opposition to this bill, the Hawaii Hurricane Relief Fund.

"I've checked it out and don't understand why it is that we are just continuing to build it up, build it up, build it up, build it up, if not for the purpose of eventually raiding the fund. Because if you talk to the folks at HHRF they will tell you that we really only need between \$50 million to \$100 million to restart the fund in case of a hurricane. Federal dollars will kick in after that, so why are we building it up? I think you know the answer.

"I'll be voting 'no.' Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 120 was adopted and H.B. No. 596, H.D. 2, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE HAWAII HURRICANE RELIEF FUND," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Conf. Com. Rep. No. 121 (S.B. No. 1577, S.D. 2, H.D. 2, C.D. 1):

Senator Sakamoto moved that Conf. Com. Rep. No. 121 be adopted and S.B. No. 1577, S.D. 2, H.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Taniguchi.

Senator Slom rose to speak against the measure as follows:

"Mr. President, I rise to speak against this bill.

"I am all for the school facilities. I am all for the repairs and maintenance. It looks like, Mr. President, I've finally made it – I joined the ranks of Frank Fasi who had a legislative bill passed for him. Because now this bill, which started out talking about a special fund, has removed all references to the special fund and now we call it a special account. So it's a 'special account.' But a special account, you know Mr. President, is still the same as a special fund and I vote 'no'!

"Thank you, Mr. President."

Senator Hemmings also rose to speak against the measure as follows:

"Mr. President, I rise to speak against the bill.

"I don't know if I can be as eloquent as the previous speaker in speaking against this bill, Mr. President, but I believe that what we really need is to change our procurement laws, and most especially change the way DAGS does business.

"This is just building bureaucracy and starting new funds when we really need systemic reform for the way DAGS conducts business. We all know the teachers and the principals in the individual schools can get the work done twice as fast at half the cost, and this doesn't address that issue at all. It just adds another layer of bureaucracy and foot-dragging and special funds to the process.

"Therefore, I'm voting 'no.' Thank you."

Senator Sakamoto rose in support of the measure and said:

"Mr. President, I rise in support of the measure.

"I have some comments I want to insert in the Journal but let me clarify some of the issues.

"Certainly this bill is a follow-up from the previous WAM Chair's good effort last year and the Education Chair's effort last year on how do we help fix the schools. So this measure doesn't add another layer, but does indeed reduce bureaucracy.

"This measure helps for projects under \$100,000 not to have to go through all of the formalities done under the existing system but certainly would fix the schools faster for those size projects. This does enable the principals and vice principals to have assistance of the business and fiscal officers and help fix the schools. This bill does do a lot to help fix the schools with other bills.

"Not to belabor the point, Mr. President, this is a product of several years of hard work and indeed these will help fix the schools faster. I applaud everybody for their effort in this measure."

The Chair having so ordered, Senator Sakamoto's additional remarks read as follows:

"Mr. President, I rise in support of this measure. It provides the framework to fulfill our commitment to address the \$600 million backlog of public school repairs.

"Your Committees have worked to develop a system that assures appropriate allocation of these funds, a fair and equitable system of prioritization of projects and an ongoing maintenance program that assures timely repairs to prevent secondary damage and wholesale deterioration of our school facilities . . . facilities that represent an investment of over \$1.7 billion.

"During the 2000 Legislative Session, DAGS and the DOE estimated that Hawaii faced a \$240 million backlog in public school repair and maintenance. After a thorough review over the interim, the revised estimate exceeded \$600 million.

"In response to the growing backlog, the Senate Education and Ways and Means Committees established the WAM/EDU working group to work with industry stakeholders to develop long range solutions. The group met with DAGS and DOE staff, school staff, parents, students, industry and trade organizations, reviewed current and proposed policies and procedures and researched past studies and reports.

"These efforts have resulted in S.B. No. 1577, S.B. No. 493, and S.B. No. 1211. Together these bills provide a comprehensive approach to school R&M and emphasize systemic improvements that require planned long-term funding. It assures that the backlog will be eliminated over a ten-year period and funds ongoing maintenance to prevent future backlogs.

"These measures, which were strongly supported by the stakeholders, provide opportunities for the community to contribute to and become a part of the process. I ask for your support as well."

Senator Kawamoto rose to speak in favor of the measure and said:

"Mr. President, I rise to speak in favor of this bill.

"Mr. President, sticking to one subject for a long time has been my forte. I'd like to say that after 6 years of addressing the fiscal manager or business manager as we may call it, this bill creates a token of fiscal managers. We hope someday that we can get them in all the high schools.

"We appreciate the Chair of Education for plugging in and helping us with this bill. Thank you very much."

Senator Hogue rose in support of the measure with reservations and stated:

"Mr. President, I rise to speak in favor of this bill with some reservations.

"First of all, some of the items that we had in our Minority Caucus education draft at the beginning of this Session are in this bill. We wanted to address the \$630 million backlog of repair and maintenance. We wanted to get some fiscal managers in there.

"But we must go much further. We really need some procurement reform, systemic reform. We must give autonomy to the principals. We must go further.

"This is a step, a tiny step, in the right direction. Thank you."

Senator Sakamoto rose again and said:

"Mr. President, I think I need some clarification.

"On getting more money to the principals, currently the law limits that to \$8,000 per school. This measure lifts that limit, not saying funding it fully, but lifts that limit to \$25,000 per school. So, some of the objections we have attempted to correct.

"Certainly raising the limit to \$100,000 to avoid some of the procurement hassle goes a long way. Most of the projects are under \$100,000 for repair and maintenance. I think some of those comments may indeed be comments, but the bill does address those concerns."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 121 was adopted and S.B. No. 1577, S.D. 2, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO SCHOOL FACILITIES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Slom).

Conf. Com. Rep. No. 125 (S.B. No. 1535, S.D. 2, H.D. 1, C.D. 1):

Senator Matsuura moved that Conf. Com. Rep. No. 125 be adopted and S.B. No. 1535, S.D. 2, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Hanabusa.

Senator Slom rose in opposition to the measure and said:

"Mr. President, I rise in opposition to the bill.

"The bill is about volunteerism. Volunteerism does not need government programs or government organization, yet this bill creates the Hawaii Commission for National and Community Service within the Department of Labor and Industrial Relations. If that's not bad enough, we already have an office of volunteerism within the Office of the Governor of the State of Hawaii.

"We don't need more offices and we don't need more staff. Volunteers are great because they volunteer and they do things on their own.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 125 was adopted and S.B. No. 1535, S.D. 2, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO HAWAII COMMISSION FOR NATIONAL AND COMMUNITY SERVICE," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Slom).

Conf. Com. Rep. No. 132 (S.B. No. 1030, S.D. 2, H.D. 2, C.D. 1):

Senator Inouye moved that Conf. Com. Rep. No. 132 be adopted and S.B. No. 1030, S.D. 2, H.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Tam.

Senator Slom rose in opposition to the measure and said:

"Mr. President, a 'no' vote for me. It creates another special fund.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 132 was adopted and S.B. No. 1030, S.D. 2, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE HAWAII COMMUNITY DEVELOPMENT AUTHORITY," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Slom).

Clerk of the Senate

Approved:

President of the Senate

SIXTIETH DAY

Thursday, May 3, 2001

The Senate of the Twenty-First Legislature of the State of Hawaii, Regular Session of 2001, convened at 10:20 o'clock a.m. with the President in the Chair.

The Divine Blessing was invoked by Pastor Ron Arnold, Kaimuki Christian Church, after which the Roll was called showing all Senators present.

The President announced that he had read and approved the Journal of the Fifty-Ninth Day.

At this time, the following introductions were made to the members of the Senate:

Senator Kawamoto introduced Nancy Miyashiro as follows:

"Mr. President and colleagues, I'd like to first recognize and congratulate Nancy Miyashiro on her retirement. Nancy is in the gallery watching her last Session. Nancy, please rise. (Mrs. Miyashiro rose to be recognized.)

"Nancy is from Waipahu, God's country, and is retiring after working over 30 years in the State Legislature. She has worked in the Senate accounting office since 1990. Thank you for being so pleasant, efficient, and always delivering our checks promptly, with a smile. That's why she got a big hand, because she handles our money. Nancy, thank you very much. Aloha, mahalo, and happy retirement."

Senator Hemmings then rose and said:

"Mr. President, may I be permitted to add accolades to Nancy and her retirement.

"Nancy, on behalf of the Senate Minority, we're very pleased with your tenure and we're going to sorely miss you and we really feel that you don't have a partisan bone in your body. Our checks arrived just as quickly as everybody else's, and for that, we're immensely grateful, although it seems that the Senator's checks are oftentimes smaller than most others are.

"I would also like to enter into the record the fact that, of the three branches of government, Nancy, I believe that this is the most efficient branch. People here come to work because they like to come to work, and they get the job done no matter how long or how hard the work is. I think when you cost out the effectiveness of the three branches of government, the Legislature is by far and away the most cost effective, and it's people like you that make it so, Nancy.

"Thank you so much for all you've done for us. Aloha."

Senator Ige then made the following introduction and said:

"Mr. President, if I might be permitted an introduction also.

"I just wanted to introduce Marilyn J. Chinen. Marilyn first joined the staff of Representative Joe Kuroda in the Regular Session of 1971 and little did she know that temporary job would last, or how much a part of her life the Legislature would become.

"Marilyn has gone on to serve in 31 Sessions, and she is about to retire. Marilyn was also very, very active in her community, serving as President of the Pearl City Community Association.

"I just wanted to extend my heartfelt aloha to Marilyn Chinen on her retirement. Marilyn could you rise to be recognized. (Mrs. Chinen rose to be recognized.)

"I would just like to add, for any of you Senators who ever happened to stop by the Majority Office on deadline night, in the chaos of all the staff members working, Marilyn could always be counted on to be calm and in control of everything that was happening. So I just wanted to thank her again."

Senator Kawamoto then congratulated the 2001 University of Hawaii Warriors Men's Volleyball Team on their outstanding season and introduced the following individuals: Head Coach Mike Wilton, Assistant Coach Tino Reyes, Assistant Coach Aaron Wilton, Team Captain Torry Tukuafu, Brenton Davis, Dejan Miladinovic, Eyal Zimet, Vernon Podlewski, Kimo Tuyay, Costas Theocharidis, Geronimo Chala, Kyle Denitz, Rob Drew, Maulia LaBarre, Jake Muise, Scott Panaro, Daniel Rasay, Marvin Yamada, and trainers Marlo Torres and Renee Shigemaru.

At 10:34 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 10:58 o'clock a.m.

MESSAGE FROM THE GOVERNOR

Gov. Msg. No. 326, informing the Senate that on May 2, 2001, he signed into law Senate Bill No. 483 as Act 79, entitled: "RELATING TO RESTRAINT OF TRADE," was read by the Clerk and was placed on file.

ORDER OF THE DAY

ADVISE AND CONSENT

MATTER DEFERRED FROM TUESDAY, MAY 1, 2001

Stand. Com. Rep. No. 1810 (Gov. Msg. No. 178):

Senator English moved that Stand. Com. Rep. No. 1810 be received and placed on file, seconded by Senator Hemmings and carried.

Senator Chumbley then moved that the Senate advise and consent to the nomination of DAVID M. LOUIE to the Board of Directors, Aloha Tower Development Corporation, term to expire June 30, 2005, seconded by Senator English.

Senator Tam rose to speak against the nominee and said:

"Mr. President, I rise to not confirm the nominee.

"Mr. President and fellow colleagues, as a Chairman of the Committee on Economic Development and Technology, which according to the Rules of the Senate has jurisdiction of the program overseeing State parks and beaches, I rise in opposition to the confirmation of Mr. David M. Loui as the Director of the Aloha Tower Development Corporation during this Legislative Session.

"Your Committee, upon the two confirmation hearings of Mr. Loui, which he did not attend respectively, recommended that the Senate not advise and consent to the nomination of Mr. Loui for a second term as Director.

"The recommendation of negative confirmation for Mr. Loui is centered on his opposition to the required preservation of the historic State park called Irwin Memorial Park under the administrative care of the Aloha Tower Development Corporation, an agency of the State of Hawaii.

"The first specific reason for the Committee's recommendation for denial of confirmation for Mr. Loui is that, as a current board member of the Aloha Tower Development Corporation, Mr. Loui voted in the board meeting on November 20, 2000, to question the retention and preservation of the historic memorial park by petitioning the land court of the State of Hawaii to remove the restrictions that are present in the certificate of title number 6983.

"The correspondence that Mr. Loui sent us yesterday about Mrs. Helen Irwin Fagan waiving the provisions in the deed dated November 7, 1930, on January 31, 1952, is questionable as to the bona fide signature of Mrs. Fagan, as questioned by Mr. John Hoshibata of the law firm of Bronster Crabtree & Hoshibata in my conversation with him yesterday.

"He also sent me a copy of a handwritten letter from Mrs. Fagan to the former Governor John Burns that she made no comments to the existing street level parking now there. As I recall, Governor Burns, at that time in 1952, was not Governor.

"In fact, as the Chairman of the Board of the Aloha Tower Development Corporation, Mr. Loui stated, per the November 20, 2000, minutes, that Irwin Memorial Park is still a viable site for a parking structure to be built, instead of a historic park.

"Fellow Senators and general public, as background historic information, I wish to submit to you the following information about the historic Irwin Memorial Park:

1. Mrs. Helen Irwin Fagan deeded the historic Irwin Memorial Park to the Territory of Hawaii based on restrictive deeds of 1930 and 1939 to reserve the land for park use.
2. There was acceptance of the Irwin Memorial Park land for park usage by Governor's Executive Order No. 472 in March of 1931.
3. Section 206J-6(c), Hawaii Revised Statutes, reserves the preservation of the historic Irwin Memorial Park.
4. The historic Irwin Memorial Park was officially registered in the Hawaii State Register of Historic Places in December of 1999.
5. The Irwin Memorial Park is subject the National Historic Preservation Laws and Guidelines, including the National Historic Preservation Act of 1966.

"The second reason in opposition to the nominee is that on Monday, April 23, before the confirmation, Mr. Loui came to my office and we talked story and he stated to me that he would compromise – compromise on retaining half of the existing Irwin Memorial Park and using the other half of the park for a parking structure. I asked him what his future plans were for the park and he stated outright that, 'I did not state in terms of what my preference was at that time.' By stating his comments or his desire, he would destroy the historic State owned Irwin Memorial Park.

"Also, Mr. Loui stated that he represents Hawaiian Electric Company and would object to removing the nearby power plant close to Aloha Tower Marketplace in place of building a parking structure. Former Governor John Waihee wanted to

remove the power plant and build a parking structure. In fact, in the previous minutes of the authority meetings, he stated that he opposes building any parking structure at the power plant.

"Thirdly, Mr. Loui is defying the adoption of H.B. No. 1028 from the Legislative Session of 1999 which protects and preserves the historic Irwin Memorial Park. Governor Cayetano signed H.B. No. 1028 into law.

"Fourthly, Mr. President and fellow Senators, this Legislative Session we adopted S.R. No. 41, S.D. 1, requesting the development of a comprehensive massive plan for state parks, whereby stating very strongly that we want to preserve the historic State owned Irwin Memorial Park.

"My recommendation to you, my fellow colleagues, is to not confirm David Loui due to the above stated deficiencies in order to protect the preservation of State parks and our precious environment.

"Thank you."

Senator Chun rose to speak in favor of the nominee and said:

"Mr. President, I stand in favor of the nominee.

"Mr. President, in all due respect to the Honorable Chair of the Committee which the nomination was referred to, I understand his concerns. Those have been his concerns for a very long time. He's been extremely consistent in keeping Irwin Park as a park and not turning it into a parking lot. That is very admirable and that has been his position all along.

"However, we must go beyond that position and re-look at the qualifications of Mr. Loui and the positions he has taken. I have been afforded a copy of the November 20 ATDC board meeting in which Mr. Loui supposedly took some actions to force the Attorney General to petition to remove the restrictions that are contained in the deed.

"In reviewing the board's minutes though, Mr. President, Mr. Loui first of all did not make the motion, he did not second the motion, and the motion passed the entire board with only one person voting against it. In fact the board minutes also specifically stated that Mr. Loui, in response to a question by Mr. Hoshibata, specifically stated that the board does not have any firm plans for the development of a parking lot on Irwin Park and that there is no time frame for such.

"So I don't feel, after reading the formal minutes, that Mr. Loui has taken a position that definitely includes a parking lot on Irwin Park. I also don't feel that Mr. Loui has acted improperly in these matters. In fact, if there is a question of whether or not a deed restriction contained in the deed requiring that property be kept as a park in perpetuity, the proper way to question that is the actions that were taken by the board and that is to petition the land court for instructions whether or not the restriction is there or not. I do not fault the board, nor do I fault Mr. Loui for taking such a proper action.

"On that basis, Mr. President, I don't feel that I have any legitimate basis to vote against Mr. Loui. On top of that, I happen to know Mr. Loui in my other profession as an attorney. I've been on a case with him personally, and I have always known Mr. Loui to be a person who is upright, honest, and will follow the law diligently. I believe that he can and he will do the same if serving on the board of the ATDC.

"Finally, Mr. President, there was one comment made about Mr. Loui's representation of Hawaiian Electric. I don't know whether or not he represents Hawaiian Electric or not, but I do

know, Mr. President, that if any potential, even potential conflict arises between his representation of Hawaiian Electric and his duties as president or as a member of the ATDC board, Mr. Loui will do the right thing and he will not participate in those actions.

"So Mr. President, it is with a sad heart that I will have to vote against the Chair on this even though I do respect his position that Irwin Park is an important piece of property that we should seriously consider before we take any action of putting a parking lot on that. I don't fault Mr. Loui for any kind of action that the board took in regards to that park.

"So Mr. President, I stand in support of the nomination."

Senator Slom rose to speak against the nominee and said:

"Mr. President, I rise in opposition to the nomination.

"It's very unusual when a Committee sends down a notice of a negative comment to advise and consent. In fact, every year we go through hundreds of nominees, and as you know, all but a few go through and usually those that don't go through have been withdrawn by the Governor or for personal reasons.

"I was present at both confirmation hearings. I listened to material that was brought forth and certainly there has been, since that time, conflicting testimony as to what has taken place or what the various positions are. Let me make it clear that my actions have nothing to do with either support or non-support of the Chair itself or in opposition to Mr. Loui personally. I'm sure that the good Senator from Kauai is quite right, that there's no question of integrity or his abilities in other fields.

"However, as members of this Committee, we were charged with looking at the specific responsibilities of Directors of the Aloha Tower Development Corporation. Just as we were responsible for looking at the people involved with the Hawaii Tourism Authority, for example. I think for the first time this year that Senators were looking at the actions as it related to the responsibilities and duties to that position more directly and more specifically. It certainly is true that over the last several years we have debated the fate of Irwin Park and were it not for a number of individual citizens, relatives of the estate, and environmentalists, I have no doubt in my mind that we would see a parking lot, a multi-level parking lot right now, because that has been the intent all along.

"As the good Senator from Nuuanu had said, this Legislature had gone on record in preserving Irwin Park as a park, had gone on record again in terms of making it a historic location, and with this year's resolution, further reinforce that, in looking at the park's redevelopment and plans statewide.

"In addition to that, I'm very concerned about what we do to people's estates, their wills, and their very clear objectives, particularly when they are donating property or possessions to the state or county governments. There can be no question as to why that land was given. It was given for the people of Honolulu, the people of Hawaii, as a park, an open park.

"That brings us back to the Aloha Tower Development. I am very pro business, I am very pro development, but I'm also very pro in terms of listening to the wishes of people that are directly involved. And part of the problem has been that that project from the very outset, from the State's involvement, was a project that was doomed to very difficult times because there was a lack of parking. And the State made representations to a number of individuals, investors, and business people, business owners, and business merchants that the State would provide the adequate and necessary parking for that development aside

from and separate from Irwin Park. And when the State did not do that, and when problems continued with that development, as they will in any area where there's not adequate parking, then the position changed and shifted and it became an idea of let's take the park and let's have a little bit of parking or semi-covered parking or other parking. In other words, to thwart the wishes of the estate and the decedents of the estate.

"So, really it goes back to a problem that has been discussed in this Legislature, a problem that goes far beyond this individual. However, when you serve on a board or a commission, you have responsibility and accountability. When you are, particularly, the chairman, you help determine where the policies are going to be. And as I say, there is a clear and honest difference as to where some of those policies are right now. But in that November meeting of last year, the chairman did not make it specifically clear that his or the board's position was to honor the sanctity of that estate, the will, and to keep that parcel as a park.

"And so, because Mr. Loui did not attend personally and did not give answers to these questions, I am left with the difficulty in trying to support a nominee that, as I say, has not taken a very clear and decisive position from an environmental standpoint, from a contractual standpoint, and from a standpoint of the will. So I will be voting 'no.'

"Thank you."

Senator Chumbley rose to speak in support of the nominee and said:

"Mr. President, I rise to speak in support of the nomination.

"Mr. President and colleagues, I also respect the work that the good Senator from that area has done to preserve the Aloha Tower Marketplace area, and I commend him and encourage him to continue that effort.

"I am willing to support this nominee because I believe that there is a process in place. The board, which has the governance over that area, cannot act as individuals and unilaterally by themselves. I trust that process, and I believe that process is one that we should all respect also.

"In addition, Mr. President, I have some lengthy comments both in opposition from individuals to this nominee and some rebuttals in support of the nominee, and I'd also like to have those submitted into the Journal for the record.

"Thank you."

The Chair having so ordered, Senator Chumbley's documents are identified as ATTACHMENT "A" to the Journal of this day.

Senator Kim rose in opposition to the nominee and said:

"Mr. President, I rise to speak in opposition as well.

"This is not in opposition to Mr. Loui himself. I think it's in opposition to the so-called process that was just mentioned.

"We seem to have a process of confirming individuals, and I am surprised that we don't insist that they appear before us. I have made this comment to you that I believe that all nominees should come before us if they want to serve. We've been lax, and certainly, people from the outer islands have had difficulty, and I've been lenient as well. But when you have a nominee that is of question and of controversy, then they need to come

before us. We need to be able to ask these people questions and shouldn't just be rubber-stamped and allowed to proceed.

"As a newcomer, I have never met Mr. Loui. He has never contacted me. I've never had the opportunity to talk to him. And so for those reasons, I will be supporting the Chair and opposing the nomination.

"Thank you."

At 11:18 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:22 o'clock a.m.

Senator Menor then requested his vote be cast "aye, with reservations," and the Chair so ordered.

Senator Slom rose and said:

"Mr. President, a Roll Call vote, please."

The motion was put by the Chair and, Roll Call vote having been requested, carried on the following showing of Ayes and Noes:

Ayes, 16. Noes, 9 (Bunda, Hemmings, Hogue, Ihara, Kanno, Kawamoto, Kim, Slom, Tam).

At this time, Senator Tam rose and said:

"Mr. President, I have a few remarks.

"This has been a very trying morning, if I may, and I want to say this . . . I don't blame anybody. I just had to express myself in terms of the desires for the State of Hawaii. To restate what I said earlier, it's for our State parks' protection and also the environment. I hold no bounds against anybody for their vote and I will continue to work with my colleagues in the best interest of our State.

"Thank you."

FINAL READING

MATTERS DEFERRED FROM TUESDAY, MAY 1, 2001

Conf. Com. Rep. No. 99 (H.B. No. 1667, H.D. 2, S.D. 1, C.D. 1):

On motion by Senator Sakamoto, seconded by Senator Ige and carried, Conf. Com. Rep. No. 99 was adopted and H.B. No. 1667, H.D. 2, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO STUDENT LOANS FOR TEACHERS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 134 (S.B. No. 530, S.D. 2, H.D. 2, C.D. 1):

Senator Sakamoto moved that Conf. Com. Rep. No. 134 be adopted and S.B. No. 530, S.D. 2, H.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Nakata.

Senator Hogue rose in support of the measure with reservations and said:

"Mr. President, I rise in support of this measure with reservations.

"I want to point out that on page 1 of this bill, which I think is very well-intended, it says we will 'keep exemplary principals and vice-principals at the school level, and encourage exemplary principals and vice-principals to accept long-term assignments to hard-to-staff schools, special needs schools, and schools with high teacher turnover.' But if you turn to page 4, it says that 'principals shall meet the department's certification requirements and shall have not less than 5 years of appropriate school-level experience of which at least 3 have been as a teacher, while vice-principals shall meet the department's certification requirement and shall have appropriate school-level experience as determined by the department.' In other words, they don't have to be a teacher.

"In other words, vice-principals will be encouraged to be 'exemplary,' but the catch-22 is they will not be allowed to be principals unless they've spent 3 years in the classroom. So for that, I'll vote with reservations.

"Thank you."

Senators Slom, Hemmings, Ige, Fukunaga, Chumbley and Ihara then requested their votes be cast "aye, with reservations," and the Chair so ordered.

Senator Sakamoto rose to speak in support of the measure and said:

"Mr. President, with all the reservations, I guess I should say something in support.

"We've addressed this in a similar measure before. Let me reiterate that principals are the curriculum leaders or should be. Unfortunately, due to all of these other issues before them, before the principals and vice-principals, many are hampered with non-curriculum type issues. I believe that due to the current shortage and future shortage of qualified school administrators, we need to adjust the requirements to allow people who are experts in some of the paper shuffling, that the principals and vice-principals don't feel is their job, to do things like facilities management, to do things like procurement, do many of the things that all businesses do, that the military does, and many other institutions do. If these burdens can be lifted from our current curriculum leaders, they can focus on their primary job and let other people do these other tasks.

"Mr. President, this is an aim to support the principals and support them as curriculum leaders and allow some of those tasks to be done by others."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 134 was adopted and S.B. No. 530, S.D. 2, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO SCHOOL ADMINISTRATORS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 138 (S.B. No. 704, S.D. 1, H.D. 2, C.D. 1):

Senator Kanno moved that Conf. Com. Rep. No. 138 be adopted and S.B. No. 704, S.D. 1, H.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this bill.

"While I certainly support the process of compensation for crime victims, this bill actually is a bureaucratic bill to establish executive director and staff for the Crime Victims Compensation Commission.

"If my memory serves me correctly, in 1999 there was passage of legislation which allowed fees and so forth to guarantee that this would be a self-sufficient process. However, in this bill now, S.B. No. 704, C.D. 1, we are now making an appropriation out of the general funds of \$450,000 for this fund that was supposed to be self-financing. Also in the conference draft, we're deleting the repeal date of Section 4 of Act 278 of 1999, which we're also repealing the temporary requirement that not more than 30 percent of funds deposited into the fund be used for operating expenses and salaries.

"So the question remains, How much is going to go to crime victims and how much is going to go to new bureaucrats in salaries? I think it's a question that we should have spent more time on. I don't like the way the bill has been handled, and I'll vote 'no' on it.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 138 was adopted and S.B. No. 704, S.D. 1, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CRIME VICTIM COMPENSATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Conf. Com. Rep. No. 140 (S.B. No. 1058, S.D. 1, H.D. 1, C.D. 1):

By unanimous consent, Conf. Com. Rep. No. 140 and S.B. No. 1058, S.D. 1, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE PUBLIC EMPLOYEES HEALTH FUND," were recommitted to the Committee on Conference.

Conf. Com. Rep. No. 141 (S.B. No. 992, S.D. 2, H.D. 2, C.D. 1):

Senator Matsuura moved that Conf. Com. Rep. No. 141 be adopted and S.B. No. 992, S.D. 2, H.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kanno.

Senator Slom rose in opposition to the measure and said:

"Mr. President, I rise to speak in opposition to the bill.

"Again, this bill creates two special funds. Since I'm in opposition to all special funds, I'm voting 'no.'

"Thank you."

Senator Hogue then requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 141 was adopted and S.B. No. 992, S.D. 2, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TOBACCO," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Slom).

Conf. Com. Rep. No. 146 (S.B. No. 1382, H.D. 1, C.D. 1):

Senator Nakata moved that Conf. Com. Rep. No. 146 be adopted and S.B. No. 1382, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Taniguchi.

Senator Slom rose to speak in support of the measure with reservations and said:

"Mr. President, I rise to speak in support of the bill with reservations.

"What this bill seeks to do is to provide salary adjustments, which of course we know means salary increases and greater costs to the taxpayers, for the Office of the Auditor, Ethics Commission, Office of the Legislative Reference Bureau, and Office of the Ombudsman.

"What stands out from this bill is that the Ethics Commission really is not a part of all of the legislative staff agencies and yet the Ethics Commission Executive Director who tried to get a salary increase last year and was denied, is now being lumped together in this bill.

"I'm forced to support it because the other agencies, particularly the Legislative Reference Bureau, which was recognized last year as the top reference bureau in the United States, has done a great job. I don't think, however, that either the Executive Director of the Ethics Commission deserves a salary increase, or that this is the purview of the State Legislature. We probably should have a separate salary commission.

"With those reservations, I'll vote for the bill. Thank you."

Senator Hogue requested his vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 146 was adopted and S.B. No. 1382, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO STATE OFFICERS AND EMPLOYEES EXCLUDED FROM COLLECTIVE BARGAINING AND MAKING APPROPRIATIONS AND OTHER ADJUSTMENTS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 147 (S.B. No. 1115, S.D. 1, H.D. 1, C.D. 1):

Senator Nakata moved that Conf. Com. Rep. No. 147 be adopted and S.B. No. 1115, S.D. 1, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Taniguchi.

Senator Slom rose to speak in opposition to the measure and stated:

"Mr. President, I rise in opposition to this bill also.

"It appropriates \$600,000 from the Human Resources Development Special Fund and creates yet another special fund.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 147 was adopted and S.B. No. 1115, S.D. 1, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO HUMAN RESOURCES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hemmings, Slom).

Conf. Com. Rep. No. 150 (S.B. No. 838, S.D. 2, H.D. 1, C.D. 1):

Senator Menor moved that Conf. Com. Rep. No. 150 be adopted and S.B. No. 838, S.D. 2, H.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Taniguchi.

Senator Hogue rose to speak in opposition to the measure and said:

"Mr. President, I rise in opposition to this measure.

"While I am not totally against the idea of setting aside some monies to protect our homes from potential hurricanes, I still am in total opposition to this hurricane fund being set up to what is now approximately \$200 million dollars and not some relief given to the people who have paid in to this particular fund.

"For that reason, I will vote 'no.' Thank you."

Senator Slom rose to speak against the measure and said:

"Mr. President, I also vote 'no' on this bill not only for what the good Senator from Kaneohe has said – we really owe the taxpayers and specifically the premium holders a refund and reimbursement for money that they had spent – but in addition, as we have seen and has been well documented, the fund is still collecting monies even though no new policies have been issued since November of last year.

"During the period of November 2000 to July 2001, the fund will have accumulated an additional \$2 million dollars. This is absurd, this is outrageous, we should not allow this to continue, and again, the taxpayers are being denied money that they have paid into a fund, not into an insurance program.

"Thank you."

Senator Hemmings rose to speak against the measure and said:

"Mr. President, I rise to speak against this legislation.

"We might remember why this hurricane relief fund was instituted in the first place, and part of the reason was because the state agency in charge of regulating insurance companies failed to do an adequate job of insuring the interest of the policyholders. One particular company doing business on Kauai went bankrupt and left all the insured holding the bag. Therefore, this hurricane relief fund came about because of the failures of the State.

"To continue to have this fund does not make sense, therefore I urge my colleagues to join us in doing the responsible thing in giving the money back to the people who paid it."

Senator Kim then requested her vote be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 150 was adopted and S.B. No. 838, S.D. 2, H.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO HAWAII HURRICANE RELIEF FUND," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Sлом).

At 11:35 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 11:44 o'clock a.m.

Conf. Com. Rep. No. 152 (H.B. No. 1000, H.D. 1, S.D. 2, C.D. 1):

Senator Taniguchi moved that Conf. Com. Rep. No. 152 be adopted and H.B. No. 1000, H.D. 1, S.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kanno.

Senator Sлом rose to speak in support of the measure with reservations and stated:

"Mr. President, I rise in support of the bill with reservations.

"I think there are many good things in this judiciary budget. There are a number of good programs that have taken off and that are going to be expanded and several new other programs.

"I'm very concerned, however, about the judiciary's construction binge that they're going on and development of new facilities and the expenditures thereon, and particularly certain projects like Kaikoo Mall on the Big Island where small businesses are being displaced. There was a great concern in the community, but there was not, I feel, adequate debate and public input in terms of location.

"We've also heard in Ways and Means, when the judiciary came there, that they have a tendency of getting very high priced buildings and facilities when everybody else is being told to cut back. So these are my reservations. As I say, the programs themselves, I think, are doing quite well and need to be supported.

"Thank you."

Senators Hemmings and Hogue then requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 152 was adopted and H.B. No. 1000, H.D. 1, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE JUDICIARY," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Menor).

Conf. Com. Rep. No. 153 (H.B. No. 1100, H.D. 1, S.D. 1, C.D. 1):

Senator Taniguchi moved that Conf. Com. Rep. No. 153 be adopted and H.B. No. 1100, H.D. 1, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Hanabusa.

Senator Hemmings rose to speak in favor of the measure with reservations and said:

"Mr. President, I rise to speak in favor of this bill with reservations.

"There is a big cry from the more extreme elements in the Hawaiian community for total autonomy from the State of Hawaii. It should be noted the State of Hawaii is continuing to underwrite the budget of OHA in spite of the fact of them having somewhere between \$393 million and \$300 million.

"We in the Hawaiian Affairs Committee could never get a clear handle on exactly what their assets are, or more importantly, how much of that huge vested interest they have in cash and investments is being used to benefit the Hawaiians. It has not been clearly delineated.

"Second to that, there was an audit of OHA showing that there are many shortcomings in the management of their resources. Therefore, I think it's incumbent upon this body to proceed very judiciously in handing out the taxpayer's money to the Office of Hawaiian Affairs.

"Thank you, Mr. President."

Senators Hogue and Sлом requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 153 was adopted and H.B. No. 1100, H.D. 1, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE BUDGET OF THE OFFICE OF HAWAIIAN AFFAIRS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 154 (H.B. No. 1400, S.D. 1, C.D. 1):

Senator Taniguchi moved that Conf. Com. Rep. No. 154 be adopted and H.B. No. 1400, S.D. 1, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Buen.

Senator Sлом rose to speak in favor of the measure with reservations as follows:

"Mr. President, I rise to speak in favor of the bill with strong reservations.

"This bill will authorize state bonds, general obligation bonds, in the amount of \$697,458,000. Debt service is becoming an increasingly large and important part of our budget. It is handcuffing us in terms of other things that we want to do, and I notice that the debt limit for the year 2001 was \$598,604,967.

"So we continue to raise the amount, this time by nearly \$100 million. And let's not fool ourselves – when we're talking about bonds, they may be out of sight but they're not out of mind, because eventually we have to pay them and it can come from increased taxes.

"Also, we are the sixth highest debtor state in terms of per capita outstanding state and county debt as reported by the tax foundation.

"Thank you."

Senators Hogue and Hemmings then requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 154 was adopted and H.B. No. 1400, S.D. 1, C.D. 1,

entitled: "A BILL FOR AN ACT RELATING TO STATE BONDS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 158 (H.B. No. 1561, H.D. 2, S.D. 1, C.D. 1):

On motion by Senator Sakamoto, seconded by Senator Nakata and carried, Conf. Com. Rep. No. 158 was adopted and H.B. No. 1561, H.D. 2, S.D. 1, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO EDUCATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 161 (H.B. No. 432, H.D. 2, S.D. 2, C.D. 1):

On motion by Senator Nakata, seconded by Senator Tam and carried, Conf. Com. Rep. No. 161 was adopted and H.B. No. 432, H.D. 2, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT MAKING AN APPROPRIATION FOR THE MILLENNIUM WORKFORCE DEVELOPMENT PROGRAM," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

Conf. Com. Rep. No. 162 (H.B. No. 1662, H.D. 1, S.D. 2, C.D. 1):

Senator Tam moved that Conf. Com. Rep. No. 162 be adopted and H.B. No. 1662, H.D. 1, S.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Taniguchi.

Senator Tam rose to speak in favor of the measure and said:

"Mr. President and fellow colleagues, I wish to speak in favor of this bill.

"I want to first of all thank all of you for supporting technology, not just high technology, but technology in general, because how do we define high technology? It's very questionable.

"This bill is in reference to the High Technology Development Corporation, an agency of the State of Hawaii. Though the amount may sound small, \$150,000, it goes a long way. With this amount, we got commitments from the private sector to add in for marketing of the technology industry here in Hawaii.

"This bill represents part of the package for technology legislation this year. The other is what we passed two days ago – that is tax incentives for the technology industry.

"Thank you."

Senator Slom rose to support the measure with reservations and said:

"Mr. President, I rise in support of the measure with reservations.

"The bill has come a long way and I think it's a better bill thanks to the House and Senate conferees, and I can support it, but I still have reservations. One of them is that the High

Technology Development Corporation is allowed to enter into special facility leases and issue SPRBs. It does now require, however, that the Legislature give approval.

"So my message to my colleagues is that we will have to be vigilant in the future in terms of looking at these individual projects.

"In addition to that, the \$150,000 appropriation for marketing, I thought that's already what the State Department of Planning and Economic Development and Tourism is supposed to be doing – marketing all aspects of business and all aspects of technology.

"So I think at a very near juncture, either in Special Session this year or in next year's Session, we should be looking very closely at how those funds are actually being utilized for marketing purposes.

"Thank you."

Senators Hemmings and Hogue requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was put by the Chair and carried, Conf. Com. Rep. No. 162 was adopted and H.B. No. 1662, H.D. 1, S.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE HIGH TECHNOLOGY DEVELOPMENT CORPORATION," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

Conf. Com. Rep. No. 173 (S.B. No. 1028, S.D. 2, H.D. 2, C.D. 1):

Senator Tam moved that Conf. Com. Rep. No. 173 be adopted and S.B. No. 1028, S.D. 2, H.D. 2, C.D. 1, having been read throughout, pass Final Reading, seconded by Senator Inouye.

Senator Tam rose to speak in favor of the measure and said:

"Mr. President, I stand to speak in favor of this bill.

"This bill is a very favorable bill. It takes hold of the Barber's Point Community, which has been given over to the State of Hawaii from the federal government.

"Now that the Barber's Point Commission is coming to an end, by June 30th of this year it will be integrated with the Hawaii Community Development Authority.

"I'm not all in favor of the Hawaii Community Development Authority. I think we gave too much power to them. We need to oversee them more carefully, because they're not having enough public hearings to address the needs of our community and State.

"But this bill goes one step further, to protect those in the community of Barber's Point. There is a mandate that the HCDA will have to do. That mandate is a good mandate. It states that HCDA, when they speak about the Barber's Point community, they will have to have community forums. That also means that if the community has their input or desires as to what they would like to see within their backyard, they have the right to do so. Right now, HCDA is not doing that, even within my community. Therefore, I strongly support this bill.

"Thank you."

The motion was put by the Chair and carried, Conf. Com. Rep. No. 173 was adopted and S.B. No. 1028, S.D. 2, H.D. 2, C.D. 1, entitled: "A BILL FOR AN ACT RELATING TO COMMUNITY DEVELOPMENT DISTRICTS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

S.B. No. 716, S.D. 2, H.D. 1:

Senator Hanabusa moved that S.B. No. 716, S.D. 2, H.D. 1, having been read throughout, pass Final Reading, seconded by Senator Matsuura.

Senator Slom rose to speak in opposition to the measure and said:

"Mr. President, I rise in opposition to this bill.

"While I generally support the purposes of projects for healthcare particularly, and using the special purpose revenue bond mechanism, this particular project has a checkered past and one in which I think that the Legislature has gone down the wrong path before, and I'm very concerned about it going down the same path again.

"Some of my colleagues may recall that originally this was a project by the Episcopal Housing or Community Living Corporation that resulted in the loss of funds to many investors, a fraud upon the Episcopal Church in this State. People did not get millions of dollars back that was invested. It created a number of problems all in the name of providing senior living.

"We can all support senior living, we can all support healthcare facilities, but I'm very concerned that the Legislature gets involved in these projects and does not know the full extent of what may in fact be their liability presently or in the future.

"I'm also very concerned because the amount of money has been increased to upwards of \$142 million. For these and other reasons, I'm going to vote 'no' on this project at this time.

"Thank you."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 716, S.D. 2, and S.B. No. 716, S.D. 2, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO THE ISSUANCE OF SPECIAL PURPOSE REVENUE BONDS TO ASSIST NOT-FOR-PROFIT CORPORATIONS THAT PROVIDE HEALTH CARE FACILITIES," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 22. Noes, 3 (Hemmings, Hogue, Slom).

S.B. No. 1473, S.D. 2, H.D. 1:

Senator Inouye moved that S.B. No. 1473, S.D. 2, H.D. 1, having been read throughout, pass Final Reading, seconded by Senator Kokubun.

Senator Hemmings rose to speak against the measure as follows:

"Mr. President, there's something not so smart about this particular bill. And that is, Mr. President . . ."

Senator Chumbley interjected:

"Mr. President, is the speaker for or against the measure?"

Senator Hemmings replied:

"I'm speaking against the legislation since it's not smart.

"This bill attempts to address the problem of growth here in the State of Hawaii where informed people get together and plan where and how we're going to grow. But it doesn't address the real problem, and that is the excessive explosion of population worldwide and the need for housing, the need for jobs, the need for more development to accommodate the people of this State.

"Unfortunately, because of the population explosion, really what we're doing with smart growth initiatives is moving the problem out of one NIMBY's yard into another NIMBY's yard and the NIMBY, of course, is the 'not in my back yard' mentality. No one is addressing the underlying problem of the need for continued growth.

"There is another pitfall to downsizing growth on this island, because everything is subject to the forces of the supply and demand market. When you restrict the number of homes on an island, in a state, in a place, you drive up the demand, and therefore you drive up the prices. I dare say one of the reasons why small lots of 4,000 square feet with a very small house in my district can range in price from \$500,000 to \$700,000 – the supply is just not there.

"Really, smart growth should be concerning itself with how to stabilize population growth, because otherwise, growth is absolutely necessary.

"Thank you, Mr. President."

Senator English rose in support of the measure with reservations and said:

"Mr. President, I rise to speak in support with reservations.

"Mr. President, this is one of those bills that sounds good and looks good, but when you start looking at it, there's some problems. The problem is that it really almost overrides some of the counties' authority with land use issues. It creates a special advisor for smart growth, special advisor to the Governor. What is our land board, Mr. President? What is the county land use mechanisms?

"On page 2, line 7, it says 'lack of coordination between state and county capital improvement programs.' I think it should be lack of coordination between state and counties.

"So, Mr. President, I think the idea is okay. I think that perhaps we should look at empowering the counties more, instead of creating a top-down management land use in Hawaii.

"So I'll support this, but with reservations, Mr. President. Thank you."

Senator Slom rose in opposition to the measure and stated:

"Mr. President, I rise to speak in opposition to the bill.

"I value the comments of my colleague from the beautiful island of Maui, but I don't think that this bill is okay. I think it is flawed from the beginning. If we look across the country at this so-called smart growth movement, we can see very specifically what's happened. If we look in Maryland, which has been used and cited here as a good reason for this, and we look in Portland, Oregon, and other places, we find that what's happened is that there has been a great deal of down-zoning,

which has raised the cost of residential properties and the cost to homeowners in terms of additional fees and taxes. It has also impacted businesses and has basically taken the place of the marketplace with governmental planners in terms of what should go where, who should do what, and how much they should be paid.

"The interesting thing that my colleague from Kailua/Waimanalo brought out is that we talk about it being smart growth but we're using some of the dumb principles and individuals that we've used for years, because the new position of special advisor for smart growth really is going to be the existing director of planning. And if we're saying that we've had a problem with planning all along, then why would we want that same person in that same office to be involved in this? We're now going to have an additional council that's going to help us with this, but that too is going to be made up of the same kinds of people that have made the planning policies that have created additional costs and density problems within our State.

"The point about the State usurping county, regional, and local zoning and other decisions I think is a considerable point and one in which we should be very concerned about. As we know, this State is the only state in a number of activities where it is the state and not the counties, not the cities that have responsibility. So if we really want to move away from that, then we should say so. If we keep talking about home rule and autonomy and decentralization, this is not the plan, this is not the bill to do this.

"In addition, smart growth policies have taken advantage of down-zoning property owners, whether they be commercial or residential, in terms of what they can do with their own property. Now the Supreme Court has held, particularly in the constitutional amendment, the Fifth Amendment, that you can't do that without providing payment. The only problem is that the court cases that have come up have already said that it is a question of how much the law says then. And in a case where you've only lost some of your property and some of your revenue and some of your choices, the courts have held that the government has a right to do this.

"The government may have a right to do it, but is it right? Is it morally right? Is it ethically right? And I would advocate that it is not.

"Finally, Mr. President, this bill has a blank amount for appropriations. We're given a new program, which we know is going to continue to grow and expand because that's what's happened in the so-called smart growth areas all across the country, and yet we don't know what the bill and the cost is going to be.

"For these and other reasons, I would urge my colleagues, if they really believe in zoning and planned development and the ability of people at the local level to do this, to vote 'no' on this bill.

"Thank you."

At 12:02 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:04 o'clock p.m.

Senator Kokubun rose to support the measure and said:

"Mr. President, I rise in support of this measure.

"Mr. President, I would urge my colleagues to support this measure. For one thing, this is an advisory committee. This is not going to be run by one individual, although at this point in time he will chair the advisory committee.

"The very good thing about this bill is that this advisory committee is created to have a forum for the county planning directors and the state planning efforts to be coordinated, and I think everyone would support that. It seems to me that at this point if you look at the planning efforts within our State, it's going at two different levels and there is hardly ever an opportunity for that to be integrated. A prime example of that is the capital improvement projects that are developed both at the county level and at the state level – there is no coordination. So I think this would provide that opportunity to do that.

"There is also a repeal date with respect to this measure. It's going to run for 12 years. So I don't think there's going to be any kind of need to be concerned about how this is going to hamper development. In fact I think it will actually help that scenario here.

"The other point I think I want to make is that this is normally in our planning efforts, and I speak from a county perspective. It's primarily reactionary, and that is where you get into the situation where people don't want it in their backyards and there's inadequate infrastructure to address that. I think what this will do is provide the opportunity to be proactive in our visioning for the State and have that kind of land use planning with a future growth in mind.

"With respect to the funding – yes this bill, as amended by the House, did have a blank in the appropriation. But my understanding in discussion with the Office of Planning is that they have adequate funding to begin to address this issue to administer this council and that there are also grants that they're looking at that they can leverage this money to gain more funding to run this program.

"So again, I think this is a very positive step for planning efforts in this State and I would urge my colleagues to vote in support.

"Thank you."

Senator Chun rose to support the measure and said:

"Mr. President, I rise in support of the measure.

"Mr. President, I understand the concerns of my colleagues regarding the growth of government and the need for another commission, another advisory committee. Mr. President, that's not the intent of this bill. This advisory committee is there to begin the process of finding out how we can incorporate smart growth principles within the way we do business today. There is nobody here right now in our state government doing that.

"We need to get on the bandwagon and find out how we're going to comprehensively develop our property and to preserve what is Hawaii both on the state level and the county level. If there's anything that I want to say in support of this bill, it's that I've been one of the very staunch advocates of home rule and a staunch advocate of making sure that the counties' development plans are not thwarted by the efforts of the State.

"This bill does that. If there's anything worthwhile of preserving in this bill, this bill begins the process of requiring everybody to sit down and require the state departments to work with their county counterparts to make sure that the State is not going in one direction with their infrastructure developments and the counties going in another. That is one of the hallmarks

of smart growth – that both state and county, in fact all government levels, work together to make sure that they are on the same page when it comes to what can be developed and what shouldn't be developed.

"Yes, this is not a perfect bill. This is the beginning, though, of having a bill before us to firmly and fully incorporate smart growth strategies within our state government. This is an advisory committee to look at how we do business here and what needs to be changed. I anticipate that when this committee finishes its work, we will have a formal recommendation as to what the Legislature can do to enact laws to make sure that this concept is incorporated in everything we do.

"Yes, there is a concern about money, but I have also talked with our Office of State Planning and they have indicated that they have funds and they will try to do the best they can, given that there are no additional funds being appropriated.

"I appreciate the concerns by the Minority Party. I think they are correct in some respect that this should not be – should not be – a sign that government will be growing by adding a new layer of bureaucracy. If that was what this bill is going to do, I would also vote against it. However, it is my intent in supporting this bill to start the process and, if it goes beyond what it's intended to do, yes, to come back and reel the advisory committee in.

"I have confidence that the people appointed to this advisory committee will do their job correctly, will look at the problems of coordination between state and county, and will make solid recommendations of how to correct that.

"Thank you, Mr. President."

Senator Hogue rose in support of the measure with reservations and said:

"Mr. President, I rise in support of this measure with reservations.

"I note the concerns about home rule and levels of bureaucracy, but one of the things that I used to say so much when I'd be driving in the car and listening to the things that are going on in our State is, Why doesn't anybody ever talk to the folks across the aisle? Why don't we ever talk to each other? Why doesn't the State know what the city and county is doing and vice versa?

"So this at least sets in motion some discussion, and maybe one hand will actually know what the other hand is doing. I think that smart growth, if it actually means smart growth, can lead us to the right conclusions in relations to planning, hopefully, also our highways and transportation system, our park system, and others as well.

"We just need to know what everybody's thinking and doing out there. So this at least starts that process. Thank you."

Senator Kim rose to speak in favor of the measure with reservations and stated:

"Mr. President, I rise to speak in favor with reservations.

"Mr. President, it boggles my mind as to why this can't be done without this legislation. If this concern is so prevalent, then why isn't the planning director getting together with the counties?

"We do talk about home rule, and coming from the counties, we've always said that the counties should be responsible for the growth and for land use policies.

"If I read this correctly, it says here that this advisory council will be 'assisting the governor, the legislature, and special advisor in monitoring progress in the achievement of the State's smart growth objectives' and 'advising the governor, the legislature, the special advisor, and state agencies on matters relating to smart growth.' What about the counties? There's nothing in there about the counties. The counties are the ones that are supposed to be doing most of the land use issues and the growth issues, and yet, for some reason, they're left out of that.

"So maybe we need to go back to the drawing boards to rethink what we're doing in this matter.

"Thank you."

Senator Chumbley rose to speak in support of the measure with reservations and said:

"Mr. President, I rise to speak in support of the measure with some reservations.

"Colleagues, maybe the first thing we should have done was try to localize this a little by calling it the 'akamai' growth as opposed to 'smart' growth. Maybe in Maryland they do it one way but I think we could do it a little bit better here.

"I do have concerns that this will add another of layer of review to the already extremely burdensome land use process, thus resulting in a potential increase to the cost of government.

"There have been comments about why we even need this measure and I think that those are accurate, because this is duplicative. The Governor can already designate the Director of the Office of State Planning as the akamai growth advisor. In fact, the goals that are listed in this bill are already contained in HRS 225 and 226.

"Smart growth, right now, can mean anything to everybody. It could mean anti-growth or it could mean pro-growth, depending on your own views. I think that as we move forward with this, we have to look at where the counties are and where we are with home rule. Because while this statewide akamai growth panel may recommend something for the state of Honolulu, I can assure you that on the neighbor islands, and I can speak specifically for Maui and Kauai, we may not want to do exactly what this organization is doing.

"Thank you."

Senator Sakamoto rose to support the measure with reservations and said:

"Mr. President, I also rise in support with reservations.

"I agree with the previous two speakers about why we need this. I do have concerns when I read the committee report on the people in favor – the Office of Planning, Hawaii's Thousand Friends, People for the Environment and Community Health. I'm concerned that people like the Hawaii Association of Realtors are in opposition. The Hawaii Leeward Planning Conference is in opposition. The Land Use Research Foundation of Hawaii is in opposition.

"I do have concerns if this is a mechanism to stop balanced growth, if this is a mechanism that will raise the cost of housing. I don't dispute the facts of many of the things they're

saying, and I think all parties would agree we need improvement. But I am concerned that this is going to be a Trojan horse, Mr. President.

"For those reasons, I have reservations."

Senator Slom rose again and said:

"Mr. President, a brief rebuttal.

"If you took all of the remarks that have just been made in the last 10 minutes and put them together in terms of reservations, you'd say, How could anybody vote for this bill? Because all of those reservations everybody agrees with are correct. Of course they're correct. We don't need the legislation except for one reason – one reason – if you look at where so-called smart growth has gone in the past . . . and by the way, you can use the term if it makes you feel good. In fact I have a pacifier for the junior Co-Majority Leader from Kauai which I'll give him later on so he will feel better.

"You can substitute the term social engineering because that's what it's all about. We're not talking about smart growth. In fact in most of these areas you're talking about limited, restricted, or prohibited growth. And instead of allowing people to make those decisions themselves, we're allowing the government planners to do that. Again, we are taking the same planners that have misplanned this State thus far and we're going to put them in those positions.

"So if you really say that you believe in local home rule, then get the State out of this process and put the responsibility and accountability on the counties where it belongs, so that people have direct input.

"We talk about getting on the bandwagon. It's really interesting. We don't get on the bandwagon for tax cuts. We don't get on the bandwagon for regulatory reform. We don't get on the bandwagon for economic growth. We just get on the bandwagon when it comes to adding more people on the government payroll. And when we say we have to have a bill to get people to talk, hey, these people and these positions already are getting paid to talk and to listen, and they haven't been doing it. So we're going to give them their salaries. We're going to anoint them and say we're going to include additional ways in which they can do it.

"If you have these serious reservations, then vote 'no' on this bill. Let's come back and let's look at the whole process honestly and objectively.

"Thank you."

Senator Tam rose to speak in favor of the measure with reservations and said:

"Mr. President, I speak in favor of this bill with reservations.

"Looking at this bill, Mr. President, the concept is good, but what worries me, like I've always said in the past, is the Governor appoints all the members. Is it true representation? Why not have each county respectively choose their own representatives?

"In the Chinese culture, historically, the parents choose the bride and the groom, matchmakers. Today, that no longer happens. Why? Because everybody wants to choose their own mate. So why can't we do it here? Basically have the counties choose their own.

"My recommendation to the counties is to be bold. Select your representation, tell the Governor that these are your selections, and force him to appoint these representatives on a technical basis. Otherwise, quite frankly, this bill will accomplish nothing.

"I'm waiting to see what it can accomplish on the positive side. But I'm most concerned about why we should have the Governor name the representatives for the counties. Will they really represent the counties or will they be the 'yes' people for the Governor?

"One other point, it's good to bring ideas together, but there's no map for the plan of action. Talk is cheap. Thank you."

Senator Kim rose and said:

"Mr. President, our good Senator from Hawaii Kai moved me. I'll be voting 'no' on this measure.

"Thank you."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1473, S.D. 2, and S.B. No. 1473, S.D. 2, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO PLANNING," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, 4 (Hemmings, Hogue, Kim, Slom).

THIRD READING

MATTERS DEFERRED FROM TUESDAY, MAY 1, 2001

Stand. Com. Rep. No. 1736 (H.B. No. 647, H.D. 2):

Senator Taniguchi moved that Stand. Com. Rep. No. 1736 be adopted and H.B. No. 647, H.D. 2, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose in opposition to the measure and stated:

"Mr. President, again I rise to vote in opposition to a bill.

"I'm forced to vote 'no' on the bill. I have nothing against the Disability and Communications Access Board, the new name that we've chosen for this agency. I'm all for the things that they do, but I continue to be opposed to the creation of a special fund.

"Thank you."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1736 was adopted and H.B. No. 647, H.D. 2, entitled: "A BILL FOR AN ACT RELATING TO THE DISABILITY AND COMMUNICATION ACCESS BOARD," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, 1 (Slom).

Stand. Com. Rep. No. 1739 (H.B. No. 708):

Senator Taniguchi moved that Stand. Com. Rep. No. 1739 be adopted and H.B. No. 708, having been read throughout, pass Third Reading, seconded by Senator Hanabusa.

Senator Slom rose to speak against the measure as follows:

“Mr. President, we’re coming to the end of the calendar and I regret this looks like the last special fund bill I can vote against.

“Unfortunately, H.B. No. 708 creates a special fund for revenue enhancement. It is the federal reimbursement maximization special fund . . . I vote ‘no.’”

The motion was put by the Chair and carried, Stand. Com. Rep. No. 1739 was adopted and H.B. No. 708, entitled: “A BILL FOR AN ACT RELATING TO PUBLIC SAFETY,” having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 24. Noes, 1 (Slom).

At 12:19 o’clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:47 o’clock p.m.

MOTION TO OVERRIDE VETO

S.B. No. 207:

In accordance with Article III, Section 17, of the Hawaii State Constitution, Senator Hemmings moved that the Senate override the veto of S.B. No. 207, as contained in Gov. Msg. No. 301, seconded by Senator Hogue.

Senator Hemmings rose to speak in favor of the motion and said:

“Mr. President, I rise to speak in favor of the motion.”

Senator Chun interjected:

“Mr. President, point of order.

“I appreciate the motion being made, but in light of the fact that the House has already voted on and denied that motion, any action by the Senate on this is totally moot.

“It would not make any sense to continue this. On that basis, I would like to make a motion to table.”

Senator Chun then moved that the motion to override the veto of S.B. No. 207 be laid on the table, seconded by Senator English.

At 12:48 o’clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:50 o’clock p.m.

At this time, Senator Chun withdrew his motion to lay the motion to override the veto of S.B. No. 207 on the table, and Senator English then withdrew his second.

Senator Hemmings rose in favor of the motion to override and said:

“Mr. President, I appreciate the opportunity to speak to this motion which I think is historic, number one; and number two, long overdue.

“I’m rising to ask the Senate body to override the veto of a fairly simple piece of legislation and certainly by no means a hallmark piece of legislation, but the timing and opportunity is perfect to do so.

“This legislation is designed basically to eliminate the requirement that the registered owner of a vehicle being shipped between islands obtain the written consent of the vehicles legal owner when the registered owner is not the legal owner, before shipping the vehicle.

“The Governor chose to veto this and of course he has his reasons, but nevertheless, both Chambers of the Legislature passed this bill unanimously.

“For well over 40 years, the State of Hawaii has had a monolithic government and, unfortunately, the Legislature has been lost in the process. The will of the people oftentimes has been overruled by the dictatorial power of one person, the Governor.

“It’s in the Constitution – the effectiveness of our government depends on the checks and balances between the three branches of government, and I don’t think we want to acquiesce our power and our constitutional responsibility.

“There’s another benefit to overriding the veto of this bill, and that is that this Legislature and your Committee Chairmen have worked tremendously hard on the legislation we’ve passed this Session.

“We in the Minority Party are not Chairs. We don’t have to put the time and the hours into crafting the legislation, hearing and scheduling all the different interest groups to participate in the process.

“To have all your work go upstairs and simply be vetoed with one stroke of the pen, when its overwhelmingly supported by the people you represent, is quite frankly undemocratic. I think our people and this Legislature deserves better.

“Now, I do have to address the issue of it being mute. Yes, on April 26 I sent you a letter requesting this matter be brought to the Floor, and Mr. President, you have been open enough and, I might add, bold enough to address these issues. It’s unprecedented. But as far as the issue being moot, it’s mute in the House. Obviously, the initiative is dead, but we’re not mute. Vote . . . send a message to the Governor that we worked hard on legislation, and in the future if he chooses to veto something that we send up there, we can easily reconvene and override his veto and do what we were sent here to do.

“I wasn’t elected to be a rubber stamp to the Governor of the State of Hawaii. We’re the only state in the nation that consistently lays down and plays dead at the Legislative level to the Executive branch of government. It’s time it changed.

“This has been a hallmark year in the history of the Legislature, and I am so proud, Mr. President, under your leadership and the leadership of your Committee Chairmen, that the process has become more open and that I’m afforded the opportunity in a democratic manner to discuss this issue. Therefore, I would want you to vote not for any party or political entity, but vote for the integrity of this organization – vote for the integrity of the people you represent, and help make the process more democratic.

“I request a Roll Call vote, Mr. President.”

Senator Chumbley rose to speak against the motion and said:

“Mr. President, I rise to speak against this motion.

“Mr. President, I want to say that the good Senator from Waimanalo raises some very valid points. However, when I

took the oath of office to become a Senator, I took that oath very seriously. And now to take this action to support the motion, I think, would politicize my constituent responsibility and my obligations to be serious about a veto.

"We all know that the House voted on this earlier and it failed. That obligation I have under the Constitution and that right that we all have under the Constitution is one that I take very seriously. And to now vote for this motion would be a hollow vote and I feel one that would be politicized.

"Therefore, I urge all of my colleagues to vote 'no.' Thank you."

The motion was put by the Chair and, Roll Call vote having been requested, the veto of S.B. No. 207, entitled: "A BILL FOR AN ACT RELATING TO INTERISLAND VEHICLE TRANSFERS," failed to be overridden by not less than two-thirds vote of all members to which the Senate is entitled, on the following showing of Ayes and Noes:

Ayes, 4. Noes, 21 (Buen, Bunda, Chumbley, Chun, Chun Oakland, English, Fukunaga, Hanabusa, Ige, Ihara, Inouye, Kanno, Kawamoto, Kim, Kokubun, Matsunaga, Matsuura, Menor, Nakata, Sakamoto, Taniguchi).

Senator Hemmings rose on a point of personal privilege and remarked:

"Mr. President, I rise on a point of personal privilege.

"I'm very proud that in spite of the close vote on this issue, that I was able to unite the dissidents with your leadership. Thank you, Mr. President." (Laughter.)

Senator Tam rose on a point of personal privilege and said:

"Mr. President, I rise on a point of personal privilege to explain my vote. I think there's a need for clarification.

"People are wondering why I voted yes. Although people have said that the House adjourned already, I say, well, we're separate bodies, respectively, the House and the Senate.

"I take the Constitution of the State of Hawaii very seriously, and that's why I think I had the right to vote my conscience on the merits of the bill – not in terms of whether we're going to override the Governor's veto message or not, but in terms of what is the right measure before us. I'm here to do a job. I can only speak for myself.

"Once again, I do not condemn anybody in terms of how they vote, but you must understand that I vote my conscience, and that's me.

"Thank you."

RECONSIDERATION OF ACTIONS TAKEN

S.B. No. 591, S.D. 2, H.D. 1:

Senator Menor moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 591, S.D. 2, seconded by Senator Matsuura and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 591, S.D. 2, on the following showing of Ayes and Noes:

Ayes, 3 (Menor, Matsuura, Hogue). Noes, none. Excused, 1 (Taniguchi).

Senator Menor moved that the Senate agree to the amendments proposed by the House to S.B. No. 591, S.D. 2, seconded by Senator Matsuura.

Senator Menor noted:

"Mr. President, this bill would make some amendments to the law with respect to the occupational therapy practice law. Basically, the Senate version contains technical differences with the House version.

"DCCA expressed its support for the House version and recommended that we adopt the House amendments."

The motion was then put by the Chair and carried.

On motion by Senator Menor, seconded by Senator Matsuura and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 591, S.D. 2, and S.B. No. 591, S.D. 2, H.D. 1, entitled: "A BILL FOR AN ACT RELATING TO OCCUPATIONAL THERAPISTS," having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

At 1:00 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 1:01 o'clock p.m.

S.B. No. 1013, S.D. 3, H.D. 1:

Senator Kawamoto moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1013, S.D. 3, seconded by Senator Inouye and carried.

In accordance with the Conference Committee Procedures agreed upon by the Senate and the House of Representatives, the managers on the part of the Senate recommended that the Senate agree to the amendments proposed by the House to S.B. No. 1013, S.D. 3, on the following showing of Ayes and Noes:

Ayes, 3 (Kawamoto, Inouye, Taniguchi). Noes, none. Excused, 1 (Hemmings).

Senator Kawamoto moved that the Senate agree to the amendments proposed by the House to S.B. No. 1013, S.D. 3, seconded by Senator Inouye.

Senator Kawamoto noted:

"Mr. President, the purpose of the bill is to increase HCDA revenue bonds authorization.

"The House amended the bill to insert the dollar amount of \$150 million."

Senators Hemmings and Slom requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was then put by the Chair and carried.

Senator Kawamoto moved that S.B. No. 1013, S.D. 3, H.D. 1, having been read throughout, pass Final Reading, seconded by Senator Inouye.

Senator Slom rose to speak against the measure and said:

“Mr. President, I rise to speak against the bill.

“The problem that I have with his bill is a continuing problem I’ve had with the Hawaii Community Development Authority and also with the Kakaako projects.

“I noticed that the original amount that we were discussing for this infrastructure was \$35 million and the amount in the final version of the bill, the H.D. 1, is \$150 million.

“We talk about it just being basically for parking structures and infrastructure, but as we’ve seen, Kakaako is going to be used for all kinds of things including fish tanks and other facilities and everything else. I think that we have not taken a long and hard look. We have not had public input on both the use of funds and also the impact to our residents on this fund, so I’m going to be voting ‘no.’

“Thank you.”

Senator Hemmings then said:

“In spite of the previous speakers adroit move, I’m still with reservations, Mr. President.”

Senator Tam rose with reservations and said:

“Mr. President, I wish to register my vote of ‘yes, with reservations.’

“To explain why, basically it’s because at this time there is no massive plan for Kakaako at all. There are bits and pieces coming together in terms of creating the overall picture, but nothing concrete.

“Thank you.”

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1013, S.D. 3, and S.B. No. 1013, S.D. 3, H.D. 1, entitled: “A BILL FOR AN ACT RELATING TO THE HAWAII COMMUNITY DEVELOPMENT AUTHORITY,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 23. Noes, 2 (Hogue, Slom).

At 1:04 o’clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 1:05 o’clock p.m.

DISCHARGE OF CONFEREES

S.B. No. 1054, S.D. 2 (H.D. 1):

The President discharged the managers who were appointed on the part of the Senate at the conference to be held for the consideration of amendments proposed by the House to S.B. No. 1054, S.D. 2.

S.C.R. No. 90, S.D. 1 (H.D. 1):

The President discharged the managers who were appointed on the part of the Senate at the conference to be held for the consideration of amendments proposed by the House to S.C.R. No. 90, S.D. 1.

RECONSIDERATION OF ACTIONS TAKEN

S.B. No. 1054, S.D. 2, H.D. 1:

Senator Kawamoto moved that the Senate reconsider its action taken on April 12, 2001, in disagreeing to the amendments proposed by the House to S.B. No. 1054, S.D. 2, seconded by Senator Taniguchi and carried.

Senator Kawamoto moved that the Senate agree to the amendments proposed by the House to S.B. No. 1054, S.D. 2, seconded by Senator Taniguchi.

Senator Kawamoto noted:

“Mr. President, on S.B. No. 1054 the House made technical, non-substantive amendments.”

The motion was then put by the Chair and carried.

On motion by Senator Kawamoto, seconded by Senator Taniguchi and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1054, S.D. 2, and S.B. No. 1054, S.D. 2, H.D. 1, entitled: “A BILL FOR AN ACT RELATING TO THE MANAGEMENT OF FINANCING AGREEMENTS,” having been read throughout, passed Final Reading on the following showing of Ayes and Noes:

Ayes, 25. Noes, none.

S.C.R. No. 90, S.D. 1, H.D. 1:

Senator Kawamoto moved that the Senate reconsider its action taken on April 24, 2001, in disagreeing to the amendments proposed by the House to S.C.R. No. 90, S.D. 1, seconded by Senator Taniguchi and carried.

Senator Kawamoto moved that the Senate agree to the amendments proposed by the House to S.C.R. No. 90, S.D. 1, seconded by Senator Taniguchi.

Senator Kawamoto noted:

“Mr. President, on S.C.R. No. 90 the House included additional issues to explore the law enforcement and public safety efficiency task force.”

The motion was then put by the Chair and carried.

On motion by Senator Kawamoto, seconded by Senator Taniguchi and carried, the Senate agreed to the amendments proposed by the House to S.C.R. No. 90, S.D. 1, and S.C.R. No. 90, S.D. 1, H.D. 1, entitled: “SENATE CONCURRENT RESOLUTION ESTABLISHING A TASK FORCE TO IMPROVE THE EFFICIENCY OF LAW ENFORCEMENT AND PUBLIC SAFETY AGENCIES,” was Finally Adopted.

S.C.R. No. 45, H.D. 1:

Senator Buen moved that the Senate reconsider its action taken on April 24, 2001, in disagreeing to the amendments proposed by the House to S.C.R. No. 45, seconded by Senator Chun and carried.

Senator Buen moved that the Senate agree to the amendments proposed by the House to S.C.R. No. 45, seconded by Senator Chun.

Senator Buen noted:

"Mr. President, the introduction of alien species to Hawaii, such as brown tree snakes, Caribbean tree frogs, biting sand flies, and fruit flies, and many, many others, is the single greatest threat to Hawaii's economy, environment, and lifestyle. They cause millions of dollars in crop losses and destroy native species and ecosystems.

"Through S.C.R. No. 45 and S.B. No. 622, we attempted to address what the alien species action plan identified as the single greatest obstacle to improving the effectiveness of alien pest programs – the lack of leadership and coordination among participating groups and agencies.

"S.B. No. 622 failed to pass and S.C.R. No. 45 has been amended to its present form. Although S.C.R. No. 45 calls for yet another study, perhaps it will focus on this lack of leadership and finally provide for the establishment of a strong leader to direct and coordinate alien pest programs.

"Thank you, Mr. President."

The motion was then put by the Chair and carried.

At 1:09 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 1:10 o'clock p.m.

On motion by Senator Buen, seconded by Senator Chun and carried, the Senate agreed to the amendments proposed by the House to S.C.R. No. 45 and S.C.R. No. 45, H.D. 1, entitled: "SENATE CONCURRENT RESOLUTION REQUESTING THE LEGISLATIVE REFERENCE BUREAU TO STUDY POLICY RECOMMENDATIONS AND FUNDING OPTIONS FOR A COMPREHENSIVE INVASIVE SPECIES PROTECTION AND CONTROL PROGRAM FOR THE STATE OF HAWAII," was Finally Adopted.

S.C.R. No. 62, S.D. 1, H.D. 1:

Senator Kanno moved that the Senate reconsider its action taken on April 24, 2001, in disagreeing to the amendments proposed by the House to S.C.R. No. 62, S.D. 1, seconded by Senator Matsuura and carried.

Senator Kanno moved that the Senate agree to the amendments proposed by the House to S.C.R. No. 62, S.D. 1, seconded by Senator Matsuura.

Senator Kanno noted:

"Mr. President, the resolution requests the Department of Public Safety, in consultation with a number of agencies and private groups, to implement programs of restorative justice and establish wellness centers.

"The House amendments include adding to the list of entities to be consulted: the Judiciary, the Office of the Public Defender, and the Office of Youth Services.

"The resolution also made a number of clarifying changes."

The motion was then put by the Chair and carried.

On motion by Senator Kanno, seconded by Senator Matsuura and carried, the Senate agreed to the amendments proposed by the House to S.C.R. No. 62, S.D. 1, and S.C.R. No. 62, S.D. 1, H.D. 1, entitled: "SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF PUBLIC SAFETY, IN CONSULTATION WITH THE DEPARTMENT OF THE ATTORNEY GENERAL, THE PROSECUTING ATTORNEY

OF EACH COUNTY, THE POLICE DEPARTMENT OF EACH COUNTY, THE JUDICIARY, THE OFFICE OF THE PUBLIC DEFENDER, THE OFFICE OF YOUTH SERVICES, AND PRIVATE GROUPS SUCH AS THE OHANA HO'OPAKELE, TO IMPLEMENT PROGRAMS OF RESTORATIVE JUSTICE AND ESTABLISH WELLNESS CENTERS TO REDUCE THE RATE OF INCARCERATION AND INCREASE OPPORTUNITIES FOR INMATE REHABILITATION, PARTICULARLY AMONG NATIVE HAWAIIANS," was Finally Adopted.

HOUSE COMMUNICATION

Hse. Com. No. 679, transmitting H.R. No. 202, entitled: "HOUSE RESOLUTION INFORMING THE SENATE AND THE GOVERNOR THAT THE HOUSE OF REPRESENTATIVES IS READY TO ADJOURN SINE DIE," which was adopted in the House of Representatives on May 3, 2001, was read by the Clerk and was placed on file.

No. 112 "SENATE RESOLUTION INFORMING THE HOUSE AND GOVERNOR THAT THE SENATE IS READY TO ADJOURN SINE DIE."

Offered by: Senators Chun, Kawamoto, Slom.

On motion by Senator English, seconded by Senator Hemmings and carried, S.R. No. 112 was adopted.

Senator Ihara rose on a point of personal privilege and stated:

"Mr. President, I rise on a point of personal privilege.

"Mr. President, I want to express a concern I have about our adopting legislation (three bills today) without giving any public notice. This is about the last three bills we passed – S.B. No. 591, H.D. 1; S.B. No. 1013, H.D. 1; and S.B. No. 1054, H.D. 1. We passed these bills and they are going to the Governor contrary to the Constitution. The Constitution requires open, public decision-making. In that constitutional requirement, there is implied public notice, because without public notice, the public doesn't know that we're going to vote in public.

"It is like having a committee. Luckily we have some people and the media here, but if they weren't here, we could have taken up anything and, in effect, taken action, and there would not have been public notice.

"We did not give public notice for those three bills, and I'm concerned that we're getting awfully close to violating the State Constitution. I guess I do mean to smudge a little bit of the shine of this Legislature, but more my point is so that next year we don't let this happen.

"I should also note that the House has been doing this today for all the House bills that the Senate amended that they agreed to and voted on. They did not give notice either.

"I'm making a point of it today so that we don't have to hopefully bring it up again.

"Thank you, Mr. President."

President Bunda responded:

"Your concerns are noted. We'll try to strive to open up the process a little more."

Senator Tam rose on a point of personal privilege as follows:

"Mr. President, I rise on a point of personal privilege.

"I wish to enter into the Senate Journal a message in regards to S.B. No. 1169. First of all, I'd like to thank all the parties, namely the Department of Land and Natural Resources, the environmentalists, the general public, and so forth for their interest in this bill, S.B. No. 1169, entitled, 'A Bill for an Act Relating to State Parks.'

"Basically, what it's for is to add funds for the maintenance of our parks. At this time, it's unfortunate that we cannot accept the House version, and let me put into the record as to why. Basically it's because the House version has included, in the interest of tourism, money. And with due respect to the Committee members on the Tourism Committee in the Senate, this bill did not go through that Committee.

"Although I was put in charge as the lead of this bill, leadership, by error, forgot to send it to the Committee on Tourism.

"Also, we should send a message to the Governor. This message to the Governor is please do not restrict the money for the Department of Land and Natural Resources. Our state parks need as many dollars as possible. Any restrictions of the dollars will badly influence the repairs and maintenance of our parks statewide.

"Lastly, I will be calling upon all interested parties to work with me through the Committee on Economic Development and Technology on S.R. No. 41, relating to state parks, to come up with a detailed plan on the maintenance of our parks statewide so all dollars are accountable.

"Thank you very much."

Senator Hogue rose on a point of personal privilege and said:

"Mr. President, I rise on point of personal privilege.

"Fellow colleagues, I'm rising here today just to say thank you very much. I have to be very honest with you, as I sat as a member of the media and as just a citizen for the past several years, I will admit that I had a relatively low opinion of this particular body.

"It wasn't until I got in here that I realized that there were so many good people working very, very hard with many divergent opinions. We've passed a lot of good measures. Unfortunately, I think we passed some that weren't so good, but people put their input in and there was openness here, and I appreciate all the hard work, all the kind words, the help, and your professionalism. You are very, very good people. I now have a very high opinion of all of you.

"Thank you all from the bottom of my heart. Mr. President, if I could be so bold after I give this point of appreciation, could I please ask you all to put your hands together and applaud yourselves, because I think you did a very good job.

"Thank you."

Senator English also rose on a point of personal privilege as follows:

"Mr. President, a point of personal privilege, please.

"Likewise, in my first Session here I would like to say thank you and mahalo to all of the members for a very steep learning curve (what can I say?) and for a very, very good, productive Session. But, Mr. President, I would be remiss if I didn't recognize a number of people that helped me to make some very wise decisions.

"Very quickly, Mr. President, I'd just like to acknowledge my Chief of Staff, Mele Carroll; my Deputy Chief of Staff, Alan Ibrao; my advisors: Julie Hugo, David Kraul, and Ola Souza; my other staff members: Oren Yakovee, Megan Lytle, and Rebekah Hoyt. Without these people, the tons and tons of information that we've gotten would not have been processed and digested down so that I could understand it and make the right decisions.

"So Mr. President, I say mahalo to my loyal staff and also to all of you for teaching me some of the ins and outs of this place, but also for giving me the respect and the opportunity to work equally with all of you. Mahalo.

"Thank you, Mr. President."

Senator Kim also rose on a point of personal privilege and remarked:

Mr. President, I, too, rise for a point of personal privilege. I'm not sure of the procedure on this last day, but I might not be as brief as my other colleagues.

"As I conclude my first Legislative Session as the Senator from Kalihi, Moanalua, and Aiea, I'd like to take this opportunity, colleagues, to share some of the thoughts from one who is new to this Chamber but not necessarily new to the Legislature.

"In fact, all four of us in this year's Democratic freshman class, Senators Menor, Kokubun, English, and myself, have all had experience in previous elective office and collectively we bring 18 years of State government experience and 34 years of county government experience here to this Chamber. I don't know if this is good or bad, Mr. President.

"Having returned to the Capitol following 14 years on the Honolulu City Council, I've had to adjust to a much different pace and way of doing business. I'm sure you will all probably agree that a year-round legislative calendar gives greater opportunity for thoughtful deliberation on complex issues. It's a real luxury compared to the frantic, hurried environment of this legislative body. Because of this pace, it is important that we as a body find ways to further improve the process.

"During the past election, as I went door to door, I learned that people were desperate for change. I believe it was on that basis that I was elected. That's why I've been troubled many times because oftentimes when suggestions were made, they have been resisted for no other reason than, 'We've always done it this way.' It is my hope that we work to implement several new policies or practices over the interim.

"The first that should be adopted is that of a year-round professional staff. It's a proposal I've been advocating from the beginning of my term, and one that I know you, Mr. President, and others in this Chamber have supported. But support is one thing, implementing it is another. It was very effective at the Council in ensuring the smooth management of legislative matters and easier access to information. The retention of trained staff would provide this ever changing body with continuity and the retention of historical data that will allow us to better address the concerns of our constituents. This need

may become more apparent as we're forced to consider larger and more complex issues and budgets, tackle difficult social and economic problems, and better represent our diverse constituencies in the years ahead.

"We urgently need the resources and support to ensure that we effectively represent our constituents – and I know the benefits will far outweigh the additional costs.

"The next proposal involves committee structures and scheduling. It amazes me that we are able to pass meaningful legislation when so few of us are able to attend all the necessary hearings because of scheduling conflicts. I served on committees that met concurrently, a situation I found frustrating, if not disturbing, because the conflicting meeting times did not permit me to participate in important decision-making. I'm sure we could minimize some of these conflicts by more judicious scheduling if we, especially the committee chairs, really tried hard.

"I would also like to see more committee chairs and members engaged in legislative oversight by questioning officials of state agencies not just on bills that are before us but the effects of past legislation on how they are spending tax dollars and then holding them accountable.

"I commend you, Mr. President, for doing your part to institute curbs in the Senate spending by setting limits in individual's printing, postage and travel expenditures. We must set an example to state agencies and the public that we, too, can follow in all aspects of prudent spending.

"But at the same time, Mr. President, I hope we will not scrimp on the necessary expenditures that will further streamline our legislative information system and maintain a professional working environment for members and the general public.

"As one example, when I moved into my office on the second floor, I was appalled at the condition of the office furniture. The desks and bookshelves are made of expensive koa, but lack of upkeep has left them in a deplorable condition – a real waste, considering the amount of money that was originally spent to purchase them. I implore you, Mr. President, to adopt a two-year plan to have the Sergeant-at-Arms refurbish and maintain this very expensive furniture so future Legislators can also enjoy them.

"I might add that our elevators are the mechanical equivalent of clogged arteries. I've asked that our elevator be repaired on numerous occasions, and months later it continues to malfunction. The worst part is that my colleagues tell me it's been that way for years. In fact, the Senator from Pearl City has promised me a lunch if the elevators ever get fixed. I hope complacency has not resulted in neglect of the State Capitol. That would be a waste of taxpayer's monies.

"I'm not sure what goes on during the interim, but certainly the maintenance and repair of Senate equipment should be at the top of the list.

"I join the Senator from Palama and ask the Senate Clerk that the Order of the Day be made more user-friendly. It's absurd that it cannot be fashioned in a way that we and the public can follow easily. I challenge our hard-working Clerk to put aside old practices and suggest ways on how we can improve it.

"The purpose of all legislative staff, Mr. President, is to support this body and be proactive in helping us to better serve the public. With their years of experience, I challenge them to devise an agenda that is less challenging.

"Finally, I thank you, Mr. President, and my colleagues for the privilege of serving as the Chair of the Tourism and Intergovernmental Affairs Committee. I believe our major achievement was putting the Hawaii Tourism Authority on notice that the Senate will be expecting much greater accountability and oversight on its part for the expenditure of \$61 million. Committee members spent many hours questioning HTA officials and scrutinizing the HTA's many programs and contracts, only to discover that the authority had failed to deliver on their stated mission and to exercise the controls needed to ensure that tax dollars were spent prudently.

"I praise this body for approving a number of tourism-related measures, particularly those that would have streamlined and improved, and even sunsetted, the HTA. A concurrent resolution calling for the Legislative Auditor to conduct a full audit of the agency did pass both houses, and its findings should prove to be enlightening.

"Regrettably, the House killed all of the other measures we passed, including one to create a tourist registry that might have provided an economical means of working with residents to promote Hawaii on their overseas trips. However, I know that actions by the Senate sent a clear message to the HTA that we will be monitoring them carefully. I'm happy that our work has not escaped the attention of the news media or the public. Just this week, our actions were hailed by the Honolulu Advertiser. Additionally, I plan to attend HTA meetings during the interim and invite all of you to join me.

"One controversial tourism measure that was deferred was the tax on tour wholesalers. I also will be examining this issue very closely during the interim to determine if there really is a problem with the tax and its true impact on the visitor industry. I call upon HTA to take a proactive approach on this issue and others like it. This is another example of the kinds of tasks that HTA should be taking a leadership role on.

"I hope those of you with oversight on other key boards and commissions will scrutinize their performance and the nature of their deliberations as yardsticks for Senate confirmations, if not the continued existence of those entities.

"While the Session was not without its frustrations and disappointments, Mr. President, I think our accomplishments, most notably our support of our teachers and education, will set the stage for further progress during the next Session.

"I extend my mahalo to you, Mr. President, my hard-working staff, the members of the Tourism and Intergovernmental Affairs Committee, and to my Senate colleagues for your boldness and support. While we may not always agree on every issue, I believe we all share the common goal of wanting to represent those who have placed their trust and confidence in us. I look forward to continuing to cooperate with all of you on matters that affect the future of Hawaii and our people.

"Thank you."

Senator Slom then rose on a point of personal privilege and stated:

"Mr. President, I rise on a point of personal privilege.

"On January 17, when we started our 2001 Legislative Session, I stood here and asked that we think out of the box, that we look to change, and that we try to re-earn the respect, the confidence, and the trust of the people that send us here, pay our bills, and pay for everything that we do.

"I'm happy to say that at the end of this Session, I think that we can all share in a feeling that we have worked hard and that we have done things differently. Changes were made. It may be an overworked expression, but this will be remembered as a historic Legislative Session.

"In many ways, thanks to you, Mr. President, and the leadership, this year will erase some of the hard memories of the 1996 Senate and some of the years that occurred after that, where people lost faith and confidence in this body as being truly independent. I think that we have reestablished our independence and openness in debate.

"Mr. President, you and the leadership have shown us in the Minority, the emerging Majority, a great deal of courtesy and openness. Those among us who are counted by the media and others as dissidents have had full and open discussion. We have not dodged issues. We have confronted them and discussed them openly.

"We face, as Legislators and as Senators, a wide array of issues every year, and people expect us to know all the answers. The simple truth is – we don't know all the answers. We're not experts. And depending on our background and our experience or lack of experience, we approach problems and issues differently. But I think the hallmark of this Session was that we were more willing to listen to people, to be inclusive, and to try to reach answers after understanding what the various segments of the population really thought, knowing that in very few cases are there really black and white issues.

"I'm also encouraged and enthused that we are on the track to really establishing priorities. I think we demonstrated this. We did put our money where our mouth was, in talking about education being our number one priority and taking care of our teachers adequately and making the first steps towards true educational reform.

"A couple of decades ago, many of us saw originally, and since then some of the younger members saw either from Blockbuster or somewhere else, the classic science fiction movie 2001, Arthur C. Clark. Well here we are, this is 2001. But you remember the central theme of that movie. The central theme was that monolithic, faceless block that appeared in one part of the universe and then was transformed to another part. And people debated then, and they debate today, what that monolithic structure represents.

"The nice thing about the 2001 Session in the Senate is that we are not monoliths. We have had independence, we have had discussions, we have taken positions, and we've given face to the issues. We don't have a block of Republican votes or dissident votes or Majority votes. We have carefully considered and debated openly those issues.

"Am I satisfied? No, I'm not satisfied with what we've done, but I don't think any of us really are. I think that the pace could have been different. I think that we could have achieved even more, but I am really enthused from the standpoint that we tackled and did not duck these issues.

"And to my colleagues, and particularly the newer and younger, well some are newer and not younger, colleagues, I salute your independence and the fact that you were open to discussion. And we've done it. We've had some really good debates here. We've had more debates outside on this Floor than we have inside in those rooms, or upstairs, or anywhere else, and that's good and it should be encouraged. And those people that have led the effort to make it even more open, to bring the sunshine here, are to be encouraged and to be thanked for the contributions they have made.

"Finally, Mr. President, I think that it was under your leadership and your willingness to bring people together, to bend over backwards, to allow them to discuss their issues and their concerns, that has set us on a track so that we can look forward to next year's Session, making it even better. So a thank you to all those people, staff of all of the Legislators, and those staff that don't get credit for making us look good sometimes and doing all the things that they do. We thank you for a good Session and a profitable one at that.

"Thank you, Mr. President."

Senator Tam rose on a point of personal privilege and said:

"Mr. President, I just want to say a few words of appreciation to all my colleagues.

"This has been a very trying Session. I've been here now 19 years, and I think this has been the most difficult Session. Why, because we have a challenging future for Hawaii.

"When I asked for this Committee on Economic Development and Technology, it was a challenging committee and it still is, and I appreciate this opportunity. In the past, I had other committees on education, environmental protection and those were committees where basically I just asked for dollars. Now it's more challenging to find those dollars for the future, and I thank you for the opportunity.

"This year we had a good start in Economic Development and Technology. We took bold steps in coming out with positive legislation, but next year will be even better. I look forward to working with all of you during the interim because you helped pass two main resolutions that will be embraced next year and will give us an action plan. One is to have a task force on economic development.

"Many of you have heard me say that the parties involved should choose their own representative. Well, you have embraced this and I thank you very much. Each respectable professional group that works or participates in our economic development will choose their own representative. It's something that's fairly new, but I think we are taking a bold step whereby we will gather more information and more communication.

"We're going to have a direction for the future of our economy. Bring in the dollars and hopefully we'll reduce our worries about the dollars of the future and how we're going to budget for education, human services, health, and other public needs.

"You also helped move and adopt a resolution to have a task force on technology. I have explored this area, and yes, I have learned a lot. In fact, thanks to many of you, you have educated me and I welcome more education on this. I have also learned a great deal from the business community. I found out, unfortunately, if I may state for record, that we do not have a direction for technology and it's sad.

"Technology can be a great industry for us. In fact, with the informational age, in my travels to China and Taiwan, they want Hawaii to be the partner for technology, to provide the service. They will provide the manufacturing; we provide the service. Why, because we are international here in Hawaii. We have the multi-cultures. People have laughed at me about this, but seriously, we are the focus of the world. We are the melting pot of the world. We will bring people together through the age of technology.

"We'll have a task force on technology, whereby the parties will have their own representative. We will devise an action plan for the future. Right now, everybody goes in their own direction, but we need to bring together all in one in partnership.

"I thank you very much."

At this time, President Bunda delivered his closing remarks as follows:

"As we wrap up the people's business, we're no doubt reflecting on our own individual and collective accomplishments, but it's also a time to express aloha and thanks to those who have helped to make those accomplishments possible, and I'd like to acknowledge them now.

"Vice President Colleen Hanabusa, thank you. Majority Leaders Cal Kawamoto and Jonathan Chun, thank you. Majority Floor Leader J. Kalani English, thank you very much.

"As to the leadership team and to the committee chairs, I extend my deepest appreciation for your strong and decisive leadership, your energy, and unwavering commitment to this body and to the people we were elected to serve.

"Of course, where would we be without the support of those who ensure this process that runs efficiently. I speak of Chief Clerk Paul Kawaguchi and his immediate staff, along with the employees in Accounting, Data Systems, and the Print Shop.

"Valuable too are our Sergeant-at-Arms Ben Villafior and his crew, as well as the Senate Majority and Minority Offices, who together form the cornerstones of this institution. To all of you, mahalo for a job well done.

"I would be remiss if I didn't single out Ways and Means Chair Brian Taniguchi and his dedicated staff, who labored long and hard to craft the biennium budget under the very trying circumstances.

"I believe the accomplishments of the 2001 Legislature can be best described in several broad themes.

"Regarding public education, we have really succeeded in providing our school system with the funding it really needed to give our young people the knowledge and the tools they need to become very responsible citizens. Chief among them is the \$115 million in pay raises for the public school teachers. We are also providing over \$170 million in additional funding for the Felix Consent Decree, the total cost of which will approach \$700 million over the biennium.

"Colleagues, in my opening day speech I asked you to join me in a pledge to the people of this State – that I would leave no doubt of our commitment to our children's education.

"We appropriated more than \$150 million for improvements to school facilities. Millions more were added to the budget for special education teachers, school administrators, and other personnel requested by the DOE. And almost \$5 million was set aside for performance standards and \$3 million for the leadership academy. Additionally, a loan program has been established to encourage college students to seek careers in teaching here at home.

"We've provided for a long awaited pay raise for the faculty at the University of Hawaii and appropriated \$6 million to foster greater autonomy and self-sufficiency.

"These measures should have a significant impact on the quality of education in our State.

"Our Legislative accomplishments did not come at the expense of those less fortunate. The raising of the minimum wage will offer some hope to those who are at the lower rungs of the economic ladder, including those who are joining the workforce as a result of welfare reform.

"We appropriated \$2.5 million for homeless shelters and \$37.8 million in rental subsidies to help families who cannot afford Hawaii's high cost of housing, and \$2.4 million for more drug prevention in public housing. To that, we added more than \$14 million to help people on welfare return to work.

"While these measures will not solve all of our problems, they do meet pressing needs in our community, and together with other funding measures and existing programs, demonstrate the Legislators compassion for those struggling to cope with social and economic forces beyond their control.

"Another theme of this Session was the need for government reform. The Senate was an early and strong advocate of funding the \$300 million in arbitrated and potential pay raises and possible settlements for public employees and teachers. But balancing the rising cost of government against our limited financial resources led to monumental legislation – the first, authorizing Governor and Mayors to privatize public services; and the second, reforming the Health Fund to ensure its solvency in the years to come. I believe these systemic changes will stimulate innovation in government and reduce the cost of public services.

"As we sought to make government more economical and efficient, we were still mindful of the need for continued economic growth. Toward that end, we approved measures granting tax credits to high technology companies for their investments in Hawaii. We also appropriated money to market Hawaii as a business destination, which, in combination with new construction in the form of repairs to our schools, should provide a meaningful stimulus to our economy and much needed tax revenues.

"Another important theme is change, which I said in my opening day remarks would be a major force during the Session. For the first time in legislative history, we posted budget worksheets on the Internet while negotiations were still in progress. With the support of Chair Taniguchi and the House leadership, we opened the budgetary process, stripping away much of the mystery that has kept these deliberations hidden for so many years.

"Increased public accessibility is the vehicle by which the Legislature will regain public confidence and the respect.

"The Rule change on Conference Committee deliberations was very productive, confounding critics who claimed the process would stifle debate. In fact, this change worked very well by motivating conferees to press the issue with their colleagues and engage in productive dialog on key issues. Thank you, Senator Slom.

"The success we enjoyed in opening the process can only lead to more change, specifically and further opening the process to all Legislators and the public at large.

"I would be really remiss if I didn't recognize Speaker of the House Calvin Say, who was instrumental in bridging the distance between our two Houses. To him, I extend my gratitude for his support.

"Our capacity for change has clearly been demonstrated. More work lies ahead of us as we continue to build our accomplishments and create a better Legislature and a better Hawaii.

"I salute each and every one of you for your contributions to this landmark Session of tough choices and hard decisions. We set out to change things for the better and we did it. Mahalo and aloha."

ADJOURNMENT

Senator English moved that the Senate of the Twenty-First Legislature of the State of Hawaii, Regular Session of 2001, adjourn Sine Die, seconded by Senator Hemmings and carried.

Gentlemen:

I would be pleased to accept the gubernatorial appointment for another term to the Board of Directors of the Aloha Tower Development Corporation (for a term to expire 06-30-2005). I am currently serving as Chairman of the Board of Directors and am very familiar with the issues confronting the Board. My resume is enclosed for your consideration.

I will be unable to attend the hearing in person and submit my testimony in writing. Should you have any questions or require additional information and/or documentation, please do not hesitate to contact me.

Very truly yours,

**SUBJECT: David M. Louie, Gubernatorial Nominee to the Board of Directors,
Aloha Tower Development Corporation, Term to Expire 06-30-2005**

Honorable Senators:

It has come to our attention that a communication dated April 27, 2001, has been received from David M. Louie in response to public concerns pertaining to his nomination to the Aloha Tower Development Corporation's Board of Directors. We are pleased that Mr. Louie has taken the time to respond to this matter, but find that we must again offer the following concerns for your continued consideration:

Mr. Louie responds with general assurance that as an attorney he upholds the law, and certainly, there should be no question of this. However in his written response, Mr. Louie unfortunately makes no attempt to address the public concern of record as delivered in testimony to this Committee. Such concern centers on whether Mr. Louie intends to uphold the legally-binding protective measures respecting Irwin Memorial Park, a dedicated park held in Public Trust within the Aloha Tower complex.

As provided in previous testimony, the legally binding protective instruments and enactments of record that have progressively and increasingly protected Irwin Memorial Park, both as a gift to the people of Hawaii as a public park legacy, and as the historic landscaped compliment to Aloha Tower and the Honolulu Waterfront are as follows:

Deeds of 1930 and 1939, with reservations and conditions by and between Helene Irwin Fagan and the Territory of Hawaii

Governor's Executive Order No. 472, March 1931

Aloha Tower Environmental Impact Statement, December, 1990

Section 206J-6(c), Hawaii Revised Statutes, 1991

Listing on the Hawaii State Register of Historic Places, December, 1999

Scenic Hawaii, Inc. and the descendant family of Helene Irwin Fagan are concerned that the ATDC Board of Directors, chaired by Mr. David Louie, have been attempting to circumvent these laws and protective measures. It is a matter of record that Mr. Louie has presided over and guided actions that continue to reserve Irwin Memorial Park for redevelopment, and continue to specifically foster consideration of redevelopment of Irwin Memorial Park into a parking garage, although several other alternatives have been proposed.

Moreover, it is a matter of record that during the ATDC Board meeting of December 1, 2001, Mr. Louie stated unequivocally that he has authorized the Attorney General's Office and the Executive Director "to go forward on all" of the following matters:

- A. Challenge the reversionary clause and title in the Deed of 1930;
- B. Attempt to withdraw the historic designation of the site from the State Register of Historic Places; and
- C. Move to expunge the statutory section protecting Irwin Park according to the terms of the Deed of Helene Irwin Fagan.

We believe that these three actions constitute an affront to the Public Trust and circumvention of the Law, including Governor's Executive Order, Environmental Impact Statement, State Statute, and State and National Historic Preservation laws.

At this Committee's hearing of this matter on April 24, public testimony asked that, prior to any further ATDC confirmations taking place, the Senate receive a commitment from Mr. Louie, and all other members of the ATDC Board of Directors and the Executive Director, that Mr. Louie and the ATDC will uphold the laws, reservations and conditions to retain, protect and preserve Irwin Memorial Park

Regrettably, Mr. Louie was absent from the hearing of April 24, and to date no commitment to uphold the protection and preservation of Irwin Park in accordance with the above laws and measures has been received. We find it significant that Mr. Louie's April 27, 2001, letter failed to address these important issues concerning Irwin Park. Therefore, there is no alternative but to again respectfully request denial of confirmation of the nomination of David M. Louie to the Board of Directors of the Aloha Tower Development Corporation.

Re: Aloha Tower Development Corporation
Nomination of David M. Louie for Board of Directors

Dear Senator Tam:

I am informed that the Senate Committee on Economic Development and Technology has voted not to confirm my nomination by Governor Benjamin J. Cayetano for the Board of Directors of the Aloha Tower Development Corporation ("ATDC"). I do not know the specific reasons for this vote. The Senate certainly has the power to confirm or not confirm my nomination. However, I am informed that you may believe that I have other more important commitments and do not care whether I serve on this Board. I am also informed that one of your constituents, Michelle Spaulding Matson, has publicly written to the Senate Committee claiming that I have been attempting to "circumvent the law" with respect to the ATDC and Irwin Memorial Park. Since these unfounded accusations may form the basis of a vote by the Senate, I take exception to such claims and feel compelled to set the record straight.

First, I believe very strongly that there is no more important work that can be done than work for the public good for the people of Hawaii. I have served as Chair of the Board for the past two years, and have worked diligently to serve in this capacity. Although I have many other important commitments, I care deeply about the future of the State and the contribution that I can make to enhance the Aloha Tower complex. On April 16, 2001, I sent you a letter indicating that I would be pleased to accept the gubernatorial appointment for another term to the Board. A copy of that letter is attached for your information.

Second, this year it has been my privilege and honor to serve as the President of the Hawaii State Bar Association, representing all of the lawyers of Hawaii. I have been practicing law in Hawaii since 1978. As the President of the Bar, and as a lawyer, I have taken oaths to uphold the law, and I am sworn to do so. I do not take lightly the accusation that I have attempted to circumvent the law. A copy of my resume is enclosed for your information. As an officer of the court and as a member of various organizations, I have consistently upheld the law

April 30, 2001
Page 2

throughout my career. I certainly intend to do so in the future for all matters, and especially with regard to any matters relating to ATDC.

Third, as a member of the ATDC Board for the past three years, it has been my privilege to work closely with the various Deputies Attorney General who have provided advice and counsel to the Board. Rather than try to circumvent the law, I and the other Board members have consistently worked with the Attorney General's office to foster and enhance the Aloha Tower complex, pursuant to the statutory authority of Hawaii Revised Statutes 206J. I do not believe that the Attorney General's office could be so easily persuaded to circumvent the law as Ms. Matson claims.

Fourth, Ms. Matson claims that I personally authorized the Attorney General's office and the Executive Director of ATDC to take certain actions to: 1) challenge the Deed of 1930 by and between Helene Irwin Fagan and the Territory of Hawaii; 2) withdraw the historic designation of Irwin Memorial Park from the State Register of Historic Places; and 3) move to expunge the statutory section regarding Irwin Park. These claims are simply untrue. I do not have such individual authority, even as the Chair of the Board, to order that any particular actions be taken by the Attorney General or the Executive Director. Rather, the Board has the power and authority to take steps as necessary to carry out the purposes of H.R.S. 206J. All actions which have been taken to protect and enhance the Aloha Tower complex have been the result of a vote by the Board, not my individual direction. Moreover, the Board has not taken any steps to expunge the statutory section regarding Irwin Park and would be unable to do so on its authority, since that is within the authority of the Legislature, not the Board.

Fifth, Ms. Matson appears to claim that I or any other person should not be confirmed unless I commit to uphold the laws, reservations and conditions relating to Irwin Park as she interprets them. This really seems to be the heart of the matter. Ms. Matson wishes for me and all other nominees to undergo a litmus test on her views of Irwin Park as a condition of confirmation. In other words, Ms. Matson's objections to my nomination are based solely upon ideological and political considerations, not upon my qualifications, experience or service to the community. If that is to be the basis for the Senate's confirmation vote, then it should be clearly stated.

Sixth, Ms. Matson's claims that certain reservations and conditions contained in the Deed dated November 7, 1930 regarding Irwin Park are inviolate and cast in stone are simply wrong. Helene Irwin Fagan waived and released all such conditions on January 31, 1952. A copy of the document signed by Mrs. Fagan withdrawing and canceling the conditions contained in the Deed is attached for your information. A copy of a letter from Mrs. Fagan's lawyer agreeing with this interpretation is also attached. It is my understanding that the Attorney General's office has filed a proceeding to have a court of law rule upon the legal effect of this document. I do not believe that the actions of the Attorney General's office can be construed as "circumventing the law." Instead, it is the law itself that is being upheld.

April 30, 2001

Page 3

Seventh, I do wish to apologize for not being able to attend the Senate Committee hearings on April 19 and 24, 2001. Unfortunately, prior commitments to my clients and a trip out of state made it impossible for me to attend the scheduled hearings. Although I was not able to attend, I did meet with you at your request in your chambers for a half hour on April 23, 2001, to discuss ATDC. I am somewhat puzzled whether Irwin Park is the basis for your vote in this matter, since you never mentioned your views on Irwin Park or indicated that this issue was a litmus test for confirmation.

Finally, thank you for the opportunity to set the record straight.

Very truly yours,

ROECA LOUIE & HIRAOKA

Re: Aloha Tower Development Corporation (ATDC)
Nomination of David M. Louie for Board of Directors

Dear Senator Tam:

I am informed that I have been accused of individually authorizing the Attorney General's office to file a Petition with the Land Court relating to the Transfer Certificate of Title of Irwin Park. I understand that I have been accused of acting without the Board's authority in such this matter. These accusations are untrue.

On November 20, 2000, this issue came before the ATDC Board of Directors. Upon a proper motion, the Board itself voted to authorize the Attorney General's office to file such a petition with the Land Court. A copy of the Minutes of the Meeting of November 20, 2000 are attached for your information. Please see Page 5 for a discussion of this matter.

Thank you for the opportunity to set the record straight.

4th Floor Conference Room
Honolulu, Hawaii 96813

Thursday, November 20, 2000
9:00 a.m.

MEMBERS PRESENT

David Louie, Sharon Narimatsu (representing Seiji Naya), Janet Kawelo (representing Timothy Johns), Brian Minaai (representing Kazu Hayashida), Carol Takahashi (representing Mayor Harris), Peter Kim, and Jim Lyon.

OTHERS PRESENT

Ronald Hirano, ATDC Executive Director; Anne Lo-Shimazu, ATDC Program Specialist; John Chang, Deputy Attorney General; Andrew Beaman, ATDC Legal Counsel; Owen Matsunaga, Hoshida, Bento & Matsunaga; Scott McCormack, Aloha Tower L.P.; Ken Marcus, Starn O-Toole Marcus & Fisher; John Waihee, Verner, Liipfert, Bernhard, McPherson and Hand; John Hoshibata, Cynthia Marie and Michelle Matson, Scenic Hawaii.

APPROVAL OF MINUTES

Chair Louie called the meeting to order 9:06 a.m. and asked for any discussion on the minutes of November 9, 2000. Ms. Narimatsu requested a correction on page 5, last paragraph, to delete the words "for another 2 years;" her inquiry was to ask about the legal ramifications and had not put any timeframe to the extension. Ms. Kawelo made a motion to approve the minutes as amended. Director Lyon seconded the motion and with unanimous approval, the motion was carried.

DISCUSSION/ACTION REGARDING PARKING PROPOSAL BY ALOHA TOWER L.P.

Mr. McCormack addressed some of the concerns raised at the last Board meeting. The concept of utilizing parking across the street and building a pedestrian overpass was attempted 1991 when the original lessee had discussions with the Department of Transportation (DOT). There were two critical factors as to why it wouldn't work: 1) it was cost prohibitive (several million) to build a covered bridge

ATDC Board Meeting
November 20, 2000
Page 2

across Nimitz Highway and 2) DOT expressed opposition to the idea. He said that the traffic on Nimitz Highway is definitely a barrier to pedestrians. People were not willing to park at Harbor Court and walk across Nimitz Highway. Currently, they are supplementing their parking needs with the valet program. On Thursday, Friday and Saturday nights, they may have 14-20 valet attendants. As they look toward drawing more traffic, they would like to satisfy the parking requirements.

In response to City concerns regarding the view plane, Mr. McCormack said there are plans for development of Piers 5/6 so view to the ocean would be lost anyway and the only view it would be blocking would be the HECO power plant. The parking structure would also allow for the staging of development for significant projects, as some supplemental parking would be required during future construction.

Mr. McCormack said ATDC had been working with the previous lessee on a proposal for a parking structure on the same sight. The crew that currently has the lease under the marketplace lease bought their interest in November 1997 and Mr. McCormack said they have been actively working on this from spring of 1998. They have looked at all alternatives, including going to the Legislature to get parking built on Irwin Park. This ran into a lot of opposition. A lot of money and resources has been spent exploring all possible solutions including Pier 10/11. Mr. McCormack feels this current proposal is the most feasible and economical for all concerned.

Director Lyon asked if they will be looking into the concerns regarding Graelic's comments on the proposal. Mr. McCormack introduced Rob Iopa of Architects Hawaii who has been involved with the project since early 1998. Mr. Iopa said that the design they propose is a split-level system and does have interior columns. This structure has been used quite often in Hawaii, such as in the Marin Tower parking structure and Ward Center. They have looked at other types of parking schemes and are trying to incorporate some of those ideas. Mr. McCormack agreed that they are willing to consider and take into account the comments from Graelic and try to improve the proposal. He said one of their goals is to present an attractive 4-5 story structure.

In response to Ms. Takahashi's inquiry, Mr. McCormack said that the current parking fee is \$1 for self-park and \$3 for valet parking. He agreed that they could look into subsidizing the \$4 parking fee at Amfac; however, surveys have shown that people in Hawaii are just not willing to walk across the street.

Mr. McCormack said that parking at Harbor Court is self-park and that during peak times, about one-third of their customers self park while 2/3 use the valet service. Currently, valets park along Irwin Park and at Piers 10/11 shed, unless there is a cruise ship. There are also 252 stalls at Piers 5/6, some of which are used for valet if needed. There are also courtesy carts to shuttle people to and from the Marketplace and parking

ATDC Board Meeting

area. This costly service is currently being paid for by the landlord. He said they have been working very hard to take the common area expenses down; it used to be \$2.56 per square foot per month and presently it is down to \$2.00 per square foot. He said that one-third of their tenants has been struggling so they have been renegotiating and adjusting to assist the tenants. Roughly, retail businesses can afford to pay between 8-15 per cent for rental. Some tenants had been paying 30-40 percent of their gross sales.

Mr. Minaai asked if the proximity from the mini-park is not the same as parking across the street. Mr. McCormack said the distance is about 200 yards, which would be about the same with the mini-park. Mr. Minaai said that he has walked by the power plant at night and he feels there is a psychological barrier there as well. Mr. McCormack said they have designed a receiving area in front of the structure and plan to run a jitney. They are also trying to create an interesting walk by covering the walkway and adding interesting plaques and perhaps carts and kiosks along there. Director Kim asked about any dedicated shuttle service from the proposed parking and the Marketplace such as they have at Pearlridge. Mr. McCormack said depending on cost and frequency, this is something that they would consider. He said ATM has 160,000 square feet, compared to Pearlridge at 1.5 million square feet and that maintaining and storing extra shuttle carts can be very costly but they are willing to look into the possibility depending on the magnitude.

Director Lyon made a motion to enter into executive session to consult with the Board's attorneys on questions and issues pertaining to the Board's power, duties, privileges, immunities and liabilities regarding Item 3 and Item 4 of the agenda. Ms. Kawelo seconded the motion. With unanimous approval, the meeting was recessed at 9:31 a.m.

Chair Louie reconvened the regular meeting at 10:48 a.m. and entertained a motion to approve the parking proposal by Trinity subject to conditions which would be negotiated and agreed to by Trinity and ATDC. Conditional approval would allow them to proceed with the development of the mini-park site, subject to ATDC's possibly proposing an alternative site that could be made available within a certain timeframe to Trinity, at which time we could have Trinity go forward to developing a parking structure at an alternative site, as opposed to the mini-park site. The Board would also want certain conditions by ATDC including amendment of ATDC Ground Lease and satisfactory completion of the requirements of Chapter 343 of the Hawaii Revised Statutes pertaining to the facility; conditional approval so that the final design will take into account suggestions by ATDC parking consultants; review of all pertinent title documents; comply with any/all applicable regulatory requirements at the federal, state, and county levels; if the parking structure is at mini-park, written conditions in the lease to include jitney or other transportation so that getting to and from the

ATDC Board Meeting
November 20, 2000
Page 4

Marketplace is made easier for the patrons. ATDC will provide authority to the Board's attorneys, Mr. Beaman, and Mr. Hirano to enter into negotiations with Trinity to reach an agreement subject to ratification by the Board within 30 days from today and if those negotiations fail to reach an agreement within the timeframe, the application would be rejected.

Mr. Hirano asked if the approval would allow ATDC to enter into negotiations with Trinity and re-negotiate their letter of this morning. Chair Louie said yes and said that there is a requirement by the master lease that the Board needs to approve or disapprove within 45 days. Chair Louie proposes giving conditional approval subject to final ratification by the Board, specifically, discussions would include the effect of ultimately curing the parking default; specific dollar amount cap on construction (the Board is willing to look at some kind of process on determining a reasonable dollar amount as there was insufficient information provided for the Board to make a determination at this time); setting of a timetable where they could go forward with the project. Also, the Board would like to see architectural plans on the Irwin Park site as well as the mini-park site so that the alternatives can fully be considered. Fees for renderings, specifications and plans would be left to their discretion.

Director Lyon made a clarification that they would negotiate on the Board's behalf and meet 30 days from today to make a decision to accept negotiated items. Chair Louie said yes, under the terms of the master-lease, there appears to be a 45-day approval/disapproval requirement. Given the complexity of the issues and dollar amounts, the Board felt that there was insufficient time to make a decision with that 45-day period which would end November 22nd. The Board would give Mr. Beaman and Mr. Hirano the authority to go ahead and negotiate, subject to ratification of this Board within 30 days, which would allow Trinity and ATDC to reach agreement on a some complex issues without the two-day deadline. In the event that this is unacceptable to reach an agreement within a reasonable period of time, then the Board will reject the proposal. Mr. Hirano said if negotiations are completed earlier, we could call another meeting.

Mr. Beaman clarified the motion to read: approval of the proposal of the Ala Moana mini-park structure subject to a set of conditions to be approved by ATDC and Trinity and ratified by the ATDC Board by December 21 and that if there is no agreement and ratification by that date, then application for approval of a parking structure at the mini-park is deemed to be rejected.

Mr. Marcus stated that they appreciate the opportunity for further discussions; however, they are uncomfortable with the 30-day time extension, given the amount of time and effort expended to get to this point. They would prefer a shorter period of time of perhaps two weeks.

ATDC Board Meeting
November 20, 2000
Page 5

Chair Louie said it is the intent to come to a conclusion in as short a period of time as possible. Mr. Beaman and Mr. Hirano are authorized to go forward for further discussions beyond the two-day period. Mr. Beaman suggested scheduling a Board meeting within the 2-week timeframe in the hope that we would be able to work something out in that shorter period. After some discussion, the next Board meeting was scheduled for December 1st at 9:00 a.m.

Mr. Hirano noted that the motion by Director Lyon would be amended by changing the date of the next meeting. Ms. Kawelo seconded the motion. With one nay vote cast by Ms. Takahashi, the motion was carried.

**DISCUSSION/ACTION REGARDING POTENTIAL LAND COURT PETITION
FOR AMENDMENT OF TRANSFER CERTIFICATE OF TITLE NO. 6983**

Director Lyon made a motion to authorize the Attorney General's office to file a petition to the Land Court of the State of Hawaii for the purpose of removal of restrictions that are presently noted on Certificate of Title No. 6983. Ms. Kawelo seconded the motion. With one opposition, the motion was carried.

Mr. Hoshibata asked the reason behind seeking a petition to revise the terms of the Transfer Certificate of Title to Irwin Park. Mr. Beaman stated on the present Certificate of Title, there are notations of encumbrances which ATDC believes to have been waived in 1952. The petition would seek to the approval of the Land Court necessary to cause those restrictions to be removed. Mr. Hoshibata asked the reason for removing the encumbrance. Mr. Beaman replied that the restrictions had been waived and therefore the encumbrance ought to be removed. In response to Mr. Hoshibata's inquiry, Chair Louie said there are no specific development plans for Irwin Park. There was a previous proposal by Trinity to develop a combination park and parking lot but there are no specific plans or timeframe before the Board currently. Chair Louie said, in his view, Irwin Park is still a viable site for development.

ADJOURNMENT

There was no other business, and Chair Louie adjourned the meeting at 11:11 a.m.

"EXECUTIVE CHAMBERS
HONOLULU

June 12, 2001

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 505

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 505, entitled 'A Bill for an Act Relating to Public Lands.'

The purpose of this bill is to provide that any transfer of the Ala Wai Golf Course by executive order be subject to disapproval by a majority of both houses of the Legislature or two-thirds vote of either house.

This bill is unnecessary and redundant. The existing state law, section 171-11, Hawaii Revised Statutes, clearly spells out the procedure for the Governor to issue executive orders to set aside or withdraw public lands and for the Legislature to disapprove them. I have made it clear from the onset that the Ala Wai Golf Course executive order would follow this procedure. I can see no useful purpose in signing into law a bill that simply reiterates an already existing law.

For the foregoing reasons, I am returning House Bill No. 505 without my approval.

Respectfully,

/s/ Benjamin J. Cayetano
BENJAMIN J. CAYETANO
Governor of Hawaii"

"EXECUTIVE CHAMBERS
HONOLULU

June 18, 2001

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 236

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 236, entitled 'A Bill for an Act Relating to Sexual Assault.'

Then primary purpose of House Bill No. 236 is to address the age of consent for consensual sexual activity. The bill criminalizes consensual sexual penetration and contact with a minor, who is between the ages of 14 and 16, if the actor is more than five years older than the minor and not married to the minor.

Hawaii currently has some of the strictest statutes in the nation concerning sexual assaults. Under these statutes, it is a crime for anyone to engage in acts of sexual penetration or contact without the consent of the other person regardless of the victim's age. This bill creates crimes that only apply to consensual sexual activity and that are defined by the relative ages of the individuals involved. The legislative history of this bill reflects opposition to this approach by the Hawaii Commission on the Status of Women, the Honolulu Police Department, the Sex Abuse Treatment Center, the Coalition for the Prevention of Sexual Assault, and the Honolulu Prosecuting Attorney. These crimes that are created by this bill are overly broad and in some situations may inappropriately bring teenagers and young adults, as both victims and defendants, into the State's criminal justice system. In these cases, neither society's interests relating to criminal law enforcement nor the well-being of these teenagers and young adults will be advanced by this approach.

The legislative history of this bill demonstrates that the age of sexual consent issue involves complex social issues that are surrounded by very strong opinions within our community. At the present time, there has not been any comprehensive study as to the best way to address this issue. The need for such a comprehensive study by a broad range of community members and experts is recognized by the provision in this bill that creates an extensive task force to study the bill's impact. Such a comprehensive study should precede, not follow, the enactment of legislation in this area. Hawaii's Coalition for the Prevention of Sexual Assault is already embarked upon the process of such a study that would provide the Legislature with factual information, expert opinions, and information regarding the experience of other states that have legislated in this area. The Coalition's study can be accomplished without this bill and will provide recommendations for the best way to develop public policy in this area.

Finally, the language of this bill that creates offenses defined by the relative ages of the individuals involved can create undesirable results. For example, a 19-year-old person who exercises poor judgment and engages in consensual sexual activity with a 14-year-old person could be prosecuted and branded as a sex offender for life under this bill. Additionally, the 'not less than five years older than the minor' language that is employed in the bill is vague and can result in unexpected behavioral windows of criminal activity by teenagers. For example, an 18-year-old person who is having a consensual sexual relationship with a 14-year-old minor will become a sex offender at his or her nineteenth birthday when the 'not less than five years older' period is exceeded. Once the minor has a birthday, the relationship between the two would again become legal.

For the foregoing reasons, I am returning House Bill No. 236 without my approval.

Respectfully,

/s/ Benjamin J. Cayetano
BENJAMIN J. CAYETANO
Governor of Hawaii"

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 271

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 271, entitled 'A Bill for an Act Relating to Motor Vehicle Rental Industry.'

The purpose of this bill is to allow car rental companies to take the sale of collision damage waivers (CDW) into consideration when compensating their employees.

This bill is objectionable because it would overturn an important consumer protection law and would create interpretation and enforcement problems. Currently, the law prohibits any commissions arising from sales of CDW. This ban has been very effective in reducing hard sales or scare tactics to pressure renters into buying CDW. Because many of those who rent cars are tourists, it is likely that the problems associated with sales of CDW are underreported and more tourists than we know of are still being subjected to aggressive sales practices. By allowing employers to consider sales of CDW in calculating compensation, this bill would encourage these aggressive sales tactics. Moreover, this bill would create enforcement problems because it continues the prohibition on 'direct' commissions but allows 'indirect' commissions on CDW sales without defining what is permitted and what is not.

For the foregoing reasons, I am returning House Bill No. 271 without my approval.

Respectfully,

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 282

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 282, entitled 'A Bill for an Act Relating to the State Council on Developmental Disabilities.'

The purpose of House Bill No. 282 is to amend terminology in chapter 333E, Hawaii Revised Statutes, to comply with recent changes to the federal developmental disabilities law.

A substantially similar bill, Senate Bill No. 597, was also passed by the Legislature. However, Senate Bill No. 597 also amends sections 333F-2, 333F-18, 348-8, and 560:5-610, Hawaii Revised Statutes, to conform to the changes made to chapter 333E. Because I intend to approve Senate Bill No. 597, which will accomplish the purpose of House Bill No. 282, there is no necessity to also approve this bill.

For the foregoing reasons, I am returning House Bill No. 282 without my approval.

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 444

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 444, entitled 'A Bill for an Act Relating to Burial Sites.'

The purpose of this bill is to allow the Department of Land and Natural Resources (DLNR) State Historic Preservation Division (SHPD) to provide archaeological services for a fee for consultation and removal of human skeletal remains on private property.

Currently, if human skeletal remains are found on private property, DLNR's SHPD staff is sent to investigate whether the human remains are over fifty years old and to take appropriate action to preserve and protect the human remains. There are instances in which the SHPD staff will permit the removal of the inadvertently discovered human skeletal remains when there is imminent harm to the human remains (e.g., when the ocean has eroded the remains from the shoreline). In all other cases, the landowner, developer, or permittee is advised to contract with a consulting archaeologist to remove the remains. There are about fifteen archaeological companies that provide this service.

This bill is objectionable for two primary reasons. First, there is no need for the State to compete with private archaeological firms to provide this service. There is no

evidence that SHPD's rates will be more affordable than the prevailing rates of private archaeologists. Second, there is no need for SHPD to expand its program to provide this additional service.

For the foregoing reasons, I am returning House Bill No. 444 without my approval.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 480, entitled 'A Bill for an Act Making an Appropriation for Business Specialist Positions.'

The purpose of this bill is to appropriate funds to hire three business specialists – one for each of the school districts of Hawaii, Kauai, and Maui.

This bill is objectionable because the Department of Education already has the means to provide additional business services to the targeted school districts. In the general

appropriations bill, the Legislature appropriated funds for 42.00 temporary business support assistant positions. These business support assistants will be providing the same services as the business specialists and the Department of Education will be free to assign these business support assistants to any of its school districts.

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 503

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 503, entitled 'A Bill for an Act Relating to State Leases.'

The purpose of House Bill No. 503 is to provide a solution to the uncertainty faced by agricultural lessees whose state leases are nearing expiration. This bill allows the Board of Land and Natural Resources (BLNR), without public auction, to enter into a lease extension or a new agricultural lease with the existing

lessee if: (1) the lease has expired or will expire within five years; (2) there are no other qualified bidders for a leased property, or there are other comparable lands available to other potential lessees; (3) the land is being actively and productively used for the purposes stated in the lease; (4) the current lessee is not otherwise in default under the terms of the lease or permit; and (5) the BLNR has not determined that the public interest dictates that the land should be converted to other uses.

This bill is not necessary because lease extensions are already authorized under the current statutes. Presently, to qualify for an extension, a loan to fund leasehold improvements is required. This assures that the State will be obtaining value in return for the additional lease period. Under this bill, there is no requirement for a loan; the lease is extended without the State's obtaining some value in return for the additional lease period. Furthermore, the public interest may not be served because there are no limits on the number of times a lease can be extended, which may result in the properties subject to extended leases being essentially privatized.

This bill authorizes the BLNR to negotiate an extended lease if it is determined that there are other comparable lands available in the same area that are of similar size and suitable for similar purposes. The determination of what property is substantially comparable is subjective because, unlike parcels in a subdivision, state lands are of different sizes and contain different geographical features. Suitability would be difficult to determine. Moreover, this bill may result in increased time, effort, and costs in preparing advertising and solicitation notices for these extended leases, because, in cases where the proposed lease extension is advertised and other interested parties qualify to bid on the lease, the BLNR is required to conduct the process of advertising and qualifying bidders a second time.

For the foregoing reasons, I am returning House Bill No. 503 without my approval.

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 638

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 638, entitled 'A Bill for an Act Relating to Public Assistance.'

The purpose of this bill is to amend section 346-29.5, Hawaii Revised Statutes, to delete the requirement that the Department of Human Services annually file updated liens with the Bureau of Conveyances and clarify that the Department's annual update of home property liens is an internal departmental accounting measure. The bill also removes the prohibition from initiating probate proceedings to enforce its liens and provides that the recording and tracking procedures apply to each type of lien provided in section 346-29.5.

This bill amends section 346-29.5(b) to change the numbering and alignment of the paragraphs and subparagraphs in a manner that result in internal ambiguities. The companion bill, Senate Bill No. 1113, was also passed by the Legislature and does not contain the internal ambiguities. Because I intend to approve Senate Bill No. 1113, there is no necessity to also approve this bill.

For the foregoing reasons, I am returning House Bill No. 638 without my approval.

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 645

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 645, entitled 'A Bill for an Act Relating to Endangering the Welfare of Incompetent Persons.'

The purpose of House Bill No. 645 is to expand the legal protections for the elderly and dependent adult populations by creating first and second degree penal sanctions against persons who intentionally or recklessly act in a manner likely to be injurious to the physical or mental welfare of these vulnerable adults. However, this bill actually reduces the legal protections for these adults and fails to carry out its intended purpose.

House Bill No. 645 contains the elements of the crime of Endangering the Welfare of an Incompetent Person in the Second Degree ('Endangering 2nd') which are nearly the same as the elements of the crime of Assault in the Third Degree. Both make it a crime to 'recklessly cause bodily injury to another person' and are misdemeanors. Importantly, however, it would be more difficult to prosecute a perpetrator under Endangering 2nd because it would require the prosecution to prove the additional element that the victim is an 'incompetent' or 'dependent' adult. Thus, Endangering 2nd does nothing to protect these vulnerable adults.

Both Endangering the Welfare of an Incompetent Person in the First Degree ('Endangering 1st') and Endangering 2nd contain the element of 'bodily injury,' which in turn requires proof of 'physical pain.' In many instances, victims of elderly or dependent adult abuse simply cannot testify at court because of their disabilities. Therefore, it would be difficult to prove beyond a reasonable doubt that those victims suffered pain as the bill requires. Additionally, many victims cannot testify with regard to their pain because they are insensate or are unable to feel pain. The unfortunate result is that otherwise egregious conduct would go without prosecution.

Finally, both Endangering 1st and 2nd fail to address the frequently occurring problem of patient or resident neglect. The original language of the bill addressed the neglect cases by allowing for the prosecution under circumstances that rose to the level where injury to the physical or mental welfare of that person occurred or was very likely to occur. Cases of neglect, which should be prosecuted, would not be prosecuted at all under this bill.

For the foregoing reasons, I am returning House Bill No. 645 without my approval.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 868, entitled 'A Bill for an Act Relating to the Board of Education.'

The purpose of this bill is to clarify that the military liaison to the Board of Education shall be seated with board members during meetings and participate fully on board matters, except those matters discussed in executive session.

Section 302A-1101(c), Hawaii Revised Statutes, which authorizes the Board of Education to invite the senior military commander in Hawaii to appoint a nonvoting military representative to the board, already permits the military liaison to participate in Board of Education meetings. Furthermore, every Board of Education meeting agenda has a standing agenda item specifically for the military representative to

provide input and advice. There is no necessity to statutorily require the military representative to be seated with the board members and to statutorily require the military representative to participate in all discussions of the board.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 1234, entitled 'A Bill for an Act Relating to QUEST.'

The purpose of House Bill No. 1234 is to accomplish the following: (1) to require the Department of Human Services (DHS) to incorporate a new risk adjustment for child births if there is a substantial disparity in the number of child births among QUEST health plans; (2) to define enabling services in accordance with federally qualified health center (FQHC)

services; and (3) to increase eligibility for Med-QUEST assistance for children by including families whose income level is up to three hundred percent of the federal poverty level.

This bill is partially unnecessary, because recently enacted federal legislation requires reimbursement of enabling services to FQHCs and DHS is currently coordinating with FQHCs to identify enabling services. Furthermore, the increase in eligibility for Med-QUEST assistance for children is conditioned on 'the resources available,' but no appropriation of funds is made to provide Med-QUEST services for children whose families' income level is up to three hundred percent of the federal poverty level.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 1586, entitled 'A Bill for an Act Relating to Unemployment.'

The purpose of this bill is to extend unemployment insurance benefits for an additional six months to displaced employees of Amfac Sugar Kauai who are enrolled in and attending an approved vocational training or education program.

If all of the displaced Amfac Sugar Kauai employees utilize this program, it is estimated that the cost to the Unemployment Trust Fund may be \$5,000,000. The reduction in the Unemployment Trust Fund may result in a higher unemployment tax to all employers.

In addition, extending unemployment benefits for only former Amfac Sugar Kauai employees creates a special group of unemployed workers. The Employment Security Law should be implemented fairly for all unemployed workers. Moreover, the intent of the unemployment program is to provide economic assistance to all eligible unemployed workers on a short-term, temporary basis, and is distinguished from the traditional welfare program that is based on need.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 549, entitled 'A Bill for an Act Making an Appropriation for the Establishment of Manufacturing Extension Programs.'

The purpose of this bill is to appropriate \$300,000 for each of the fiscal years 2001-2002 and 2002-2003 from the employment and training fund (ETF) to the Hawaii Manufacturing Extension Partnership to match federal funds to improve performance of manufacturing enterprises in Hawaii.

The ETF is a special fund that is funded by an employer tax assessment. The expenditure of ETF funds must comply with the statutory requirements of section 383-128, Hawaii Revised Statutes. Therefore, ETF funds may only be used to offer employment-related training. This bill, however, authorizes an inappropriate use of ETF funds for such services as commercializing new manufacturing and high technology products and assisting firms to adopt new techniques and practices.

In addition, the ETF assessment rates have been reduced from 0.05 percent to 0.03 percent in 2001, and will be further reduced to 0.01 percent in 2002. ETF assessments will also sunset on December 31, 2003. Thus, ETF funds may not be available to continue the manufacturing extension programs.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 670, entitled 'A Bill for an Act Relating to the Hawaii State Student Council.'

The purpose of this bill is to formally establish the Hawaii State Student Council in the Hawaii Revised Statutes. The bill provides for a council composed of twenty-three student representatives and the student member of the Board of Education, which will convene an annual student conference from grades 7 through 12 to discuss education and youth issues, and to prepare a report for the Governor, the Legislature, and the Board of Education. The bill also authorizes the council to establish its policies and procedures, select the student member of the Board of Education, and invite student representatives from the Hawaii Association of Independent Schools to participate in the annual student conference.

This bill is objectionable because it is not necessary to statutorily establish the council. Furthermore, increasing the membership of the council will add an unnecessary expenditure when the council, in its current form, has been successfully performing its functions without specific statutory authority. The Hawaii State Student Council has been operating since 1970 without statutory authority as a student organization under the purview of the Board of Education. In its current form seven students, one from each school district representing grades 7 through 12, meet once a month with a student adviser. The present Hawaii State Student Council already assists with planning the annual student conference, pursuant to chapter 317, Hawaii Revised Statutes, and with the selection of the Board of Education student member, as prescribed in the bill.

This bill increases the number of Hawaii State Student Council members to twenty-four students, which will require additional funds to finance the travel and other expenses for the expanded membership. Additionally, a staff member is presently assigned to the Hawaii State Student Council, concurrently with other student activities responsibilities. Enactment of this bill may require the Department of Education to assign a position solely to assist the larger Hawaii State Student Council, and to staff the conference planning committee.

For the foregoing reasons, I am returning Senate Bill No. 670 without my approval.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 758, entitled 'A Bill for an Act Relating to Driver's Licenses.'

The purpose of this bill is to amend section 286-108, Hawaii Revised Statutes, to require the examiner of drivers to provide written driver's license examinations in foreign languages as determined by the department of transportation.

This bill is objectionable because it is unnecessary. Chapter 19-122 of the Hawaii Administrative Rules provides for an applicant for a driver license to be examined in a foreign language if the applicant has difficulty understanding the English language. Therefore, Hawaii's driver licensing rules already provide the means for the examiner of drivers to give written examination in a foreign language.

For the foregoing reason, I am returning Senate Bill No. 758 without my approval.

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 927

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 927, entitled 'A Bill for an Act Relating to Adult Day Health Care Centers.'

The purpose of this bill is to appropriate \$300,000 in general funds each year for fiscal year 2001-2002 and 2002-2003, to allow the Research Corporation of the University of Hawaii (RCUH) to negotiate for the development of a program to provide for the development of adult day health care centers for the frail and elderly and for physically and mentally disabled adults. The bill will also require that a research center be included to collect data, research equipment, and test material.

While the need for health care centers is unquestioned, it is the Department of Health, not the RCUH, that should be undertaking such responsibility with the considerable funds that are already appropriated to the Department of Health. In 1991, the Legislature provided about \$2,000,000 to establish a program for all-inclusive care for the elderly (PACE) demonstration project at Maluhia Hospital, which now has

about ninety participants who are served by an interdisciplinary team of professionals. The PACE budget is currently about \$2,200,000 and is self-sufficient. Revenues come from a monthly fee of about \$2,100 per participant. Of the \$2,200,000 in revenues, about \$1,980,000 is from Medicaid payments and the balance from private paying individuals and Medicare payments. Statistical data is collected that can be shared with researchers. Because there already are successful programs in existence, there is no need to attempt to develop a program to provide for the development of adult day health care centers.

For the foregoing reasons, I am returning Senate Bill No. 927 without my approval.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 1028, entitled 'A Bill for an Act Relating to Community Development Districts.'

The purpose of this bill is to transition the duties and responsibilities of the Barbers Point Naval Air Station Redevelopment Commission (Commission) to the Hawaii Community Development Authority (HCDA).

This bill is objectionable because there is a duplication of duties and responsibilities and an uncertainty as to final decision-making authority between the Commission and the HCDA. The five new members added to the HCDA board are authorized to decide all matters that relate to the HCDA, not just matters relating to the Kalaeloa Community Development District. In addition, the quorum needed by the HCDA board for decision-making increases from six to nine, regardless of whether the five new members are actually appointed by the Governor. Finally, the boundaries of the Kalaeloa Community Development District are not defined as required by chapter 206E, Hawaii Revised Statutes.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 1473, entitled 'A Bill for an Act Relating to Planning.'

The purpose of this bill is to establish a special advisor for smart growth and a smart growth advisory council to assist the Governor, the Legislature, and state agencies to ensure state investments and state actions support smart growth objectives, thereby establishing a smart growth program.

This bill is unnecessary, because existing laws already allow the office of planning to develop growth objectives and strategies and advise the Governor and Legislature on planning matters. Although this bill will establish a "special advisor for smart growth," the bill specifies that the Director of Planning shall serve in that capacity. Furthermore, there is no need to statutorily establish a temporary advisory council with no appropriation of funds to operate. If the Office of Planning desires to have advice, it can obtain the advice through other means, including the establishment of temporary advisory boards or committees through executive orders.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 1535, entitled 'A Bill for an Act Relating to Hawaii Commission for National and Community Service.'

The purposes of this bill are to statutorily establish the Hawaii Commission for National and Community Service and to appropriate \$150,000, or so much as necessary, for fiscal year 2001-2002 in order to secure additional federal funds.

This bill is unnecessary. A nearly identical temporary commission was created by Executive Order No. 94-01 pursuant to section 26-41, Hawaii Revised Statutes, in order to receive certain federal grants-in-aid. That commission continues to exist and it continues to receive federal funds for grants awarded to the commission when it was first established. The Department of Labor and Industrial Relations has provided and can continue to provide administrative support to the commission; therefore, it is also not necessary to fund a new and separate administrative staff.

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 119

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 119, entitled 'A Bill for an Act Relating to Corrections.'

The purpose of Senate Bill No. 119 is to require the Department of Public Safety (PSD) and the Office of Youth

Services (OYS) to provide female offenders with a range and quality of programming substantially equivalent to the range and quality offered to males. These programs must be based upon the 'psychosocial developmental needs of female offenders.' This bill also requires PSD to create a model gender-responsive program and to award grants for the program, requires OYS to collaborate with several other agencies to develop a 'comprehensive continuum of care to address the gender responsive needs of juvenile female offenders,' and requires both PSD and OYS to prepare an implementation plan and a request for funds for the next legislative session.

The bill is objectionable because it is unnecessary, provides no funding to accomplish its purpose, and creates an ambiguous mandate that invites litigation for the purpose of changing funding priorities through the judicial rather than the legislative system. Under the current system, PSD and OYS can provide a range and quality of programming for female adult and juvenile offenders substantially equivalent to male inmates. In fact, PSD initiated meetings with various service providers over a year ago to accomplish this and will be strengthening its efforts to achieve greater parity.

If there is any obstacle to the establishment of such programs, it is funding. This bill, however, does not appropriate any moneys to establish gender-responsive programs. Furthermore, this bill uses terms that will likely result in litigation. People will differ as to whether a program is 'substantially equivalent' or whether a program is based upon the 'psychosocial developmental needs of female offenders.'

For the foregoing reasons, I am returning Senate Bill No. 119 without my approval.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 204, entitled 'A Bill for an Act Relating to Animal Quarantine.'

The purpose of this bill is to reduce animal quarantine user fees during fiscal year 2001-2002. The reduction is to be funded by exempting the animal quarantine special fund from central service assessments under section 36-27, Hawaii Revised Statutes, and by exempting the fund from reimbursing the Department of Budget and Finance for any administrative expenses under section 36-30, Hawaii Revised Statutes, for fiscal year 2001-2002. Only active duty military personnel in military grades E-1 to E-6 will qualify for the greatest fee reduction.

This bill is objectionable because it is inappropriate to provide general fund support for a special-funded program that is supposed to be self-sufficient. Furthermore, this bill may be impermissibly discriminatory, because it favors active duty military personnel of certain grades and does not accord the same benefit to civilians of equivalent income levels.

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 838

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 838, entitled 'A Bill for an Act Relating to Hawaii Hurricane Relief Fund.'

The purpose of this bill is to require the Hawaii Hurricane Relief Fund (HHRF) to develop and implement a two-year pilot program to provide grants to residential property owners for the installation of HHRF-approved wind damage mitigation devices that lessen the probability of property loss from strong winds. The grants are to be awarded on a dollar-for-dollar matching funds basis, up to a maximum of \$3,500 per insured location. The bill will appropriate \$5,000,000 for fiscal year 2001-2002 and \$5,000,000 for fiscal year 2002-2003 out of the Hurricane Relief Trust Fund to develop and implement the pilot program.

By way of a brief background, the HHRF was created in 1993 to insure against hurricane losses in Hawaii in the aftermath of the devastation caused by Hurricane Iniki and the worldwide insurance crisis. Without hurricane coverage, the orderly growth and development of the State would have been severely impeded. Presently, the homeowners insurance market is showing signs of stabilization, as several insurers are again offering hurricane coverage. In light of this, the HHRF has stopped writing new policies and stopped renewing existing policies and plans to run-off all policies by December 1, 2001.

The grant pilot program proposed by the bill would be limited to current and former policyholders of the HHRF. If grants are to be awarded, all homeowners should be eligible, as there does not appear to be a logical reason to limit the grants to HHRF policyholders. HHRF policyholders have already benefited from paying their HHRF premiums as they received the coverage they paid for. Also, premiums are not the only source of revenue for the HHRF. The HHRF also receives moneys from the special mortgage recording fee and from assessments on property and casualty insurers.

Moreover, the HHRF is currently awaiting the results of a study on the issue of hazard mitigation, pursuant to Act 153, Session Laws of Hawaii 2000. That act directed the advisory committee of the HHRF to study a mitigation plan as outlined in the act. In addition, the study is to contain proposed legislation, if necessary, and a recommendation as to which hazard mitigation program will provide the most benefit to residential homeowners. Further, should the study find that it is feasible to implement a grant program, the study is to set forth that the pros of the grant program outweigh the cons and further

set forth specific details on the implementation of the grant program. This study has not yet been completed.

Furthermore, Act 153, Session Laws of Hawaii 2000, recognized the need for a detailed implementation plan of any mitigation grant program, something that is missing from this bill. Such issues as the types and kinds of wind damage mitigation devices that would be eligible for the grants, procedures to file for the grant, and supporting documentation requirements for the grant application are all undefined. The grant application process would also appear to require various levels of expertise to advise the HHRF, including perspectives from the fields of construction and engineering. All these issues are in fact under consideration and being sorted through as part of the study described above. Consequently, it would be premature to institute a grant program as called for by this bill until this comprehensive and valuable study is completed.

For the foregoing reasons, I am returning Senate Bill No. 838 without my approval.

STATEMENT OF OBJECTIONS TO SENATE BILL NO.
1207

Honorable Members
Twenty-First Legislature

State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 1207, entitled 'A Bill for an Act Relating to the University of Hawaii.'

The purpose of this bill is to confirm that the University autonomy legislation did not abrogate the Eleventh Amendment immunity enjoyed by the University of Hawaii. This bill declares that any liability incurred by the University in litigation shall be a liability of the State.

There is agreement among the legislators, the executive branch, and the University that the University is still an entity of the State for purposes of the Eleventh Amendment of the Unified [sic] States Constitution. Even though the University was given greater autonomy over its affairs, the autonomy measures enacted in the past few years were not intended to affect the University's protection from suit under the Eleventh Amendment.

My objections to this bill are not based on policy differences with the Legislature over the University's Eleventh Amendment status, but are based only on the method by which the status is being confirmed. To achieve the purpose of this bill, the Legislature need only expressly reaffirm that the University's Eleventh Amendment immunity was never intended to be abrogated by University autonomy legislation. Chapter 304, Hawaii Revised Statutes, should be amended to include a provision stating, 'Nothing in this chapter is intended to abrogate the Eleventh Amendment immunity of the University.' It is unnecessary for the State to assume all of the University's liabilities in order to assure the University's immunity under the Eleventh Amendment. Such assumption of liability by the State is contrary to the University's goal of autonomy and accountability for its actions.

For the foregoing reasons, I am returning Senate Bill No. 1207 without my approval.

Respectfully,

/s/ Benjamin J. Cayetano

Gov. Msg. No. 352, dated June 22, 2001, transmitting his statement of objections to House Bill Nos. 135, 1000 and 1400 which he has returned to the House of Representatives without his approval and which reads as follows:

"EXECUTIVE CHAMBERS
HONOLULU

June 22, 2001

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 135

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 135, entitled 'A Bill for an Act Relating to Child Passenger Safety.'

The purpose of House Bill No. 135 is to clarify the child passenger restraint and seat belt laws with respect to children between 4 and 14 years of age. The bill requires that passengers who are 4 to 8 years of age, and under 80 pounds, be placed in a child safety seat or booster seat. Children over 60 pounds are exempt from this requirement if the vehicle is equipped with only lap belts in the rear seat, without shoulder straps. The bill also requires children between the ages of 8 and 14 years of age to use seat belts.

Currently, the law does not specify a weight requirement for children to be placed in child passenger restraint systems. National safety standards recommend booster seats for children ages 4 to 8 years of age and under 80 pounds in weight. Because seat belts are not designed to fit young children, the belts can ride up onto the abdomen, putting children at risk for intestinal, liver, spleen, and spinal cord injury in a crash. Presently, there are several models of approved booster seats available that are designed for children up to 60 pounds and that can be installed using only a lap belt.

While this measure is an acknowledgment that children between the ages of 4 and 8 years old and under 80 pounds should be restrained in a safety seat for assured protection, the practical effect of this bill is to place an additional financial burden on parents. Under this bill, children who are 7 years of age and as heavy as 79 pounds must be restrained by a specially designed seat purchased by their parents. Many parents, as well as caretakers of children, will find this to be a hardship, not only because they must purchase the safety seat, but because many parents with children do not own vehicles that will accommodate multiple safety seats and children in the passenger area. Further, this bill may be an unnecessary restraint on many parents to determine the degree of safety that is required for their own child.

For the foregoing reason, I am returning House Bill No. 135 without my approval.

Respectfully,

/s/ Benjamin J. Cayetano
BENJAMIN J. CAYETANO
Governor of Hawaii"

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 1000

Honorable Members
Twenty-First Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 1000, entitled 'A Bill for an Act Relating to the Judiciary.'

The purpose of this bill is to appropriate funds to meet the needs of the operations of the Judiciary for fiscal years 2001-2002 and 2002-2003.

A clerical procedural error caused uncertainty as to the validity of the passage of this bill during the regular session of 2001. To eliminate the uncertainty as to the validity of the passage of the Judiciary's budget appropriations, the Legislature convened in special session and passed a replacement bill, House Bill No. 1. Because I approved House Bill No. 1 as Act 1 of the special session, the purpose of this bill will be achieved and this bill is no longer needed.

For the foregoing reasons, I am returning House Bill No. 1000 without my approval.

Respectfully,

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 1400, entitled 'A Bill for an Act Relating to State Bonds.'

The purpose of this bill is to authorize the issuance of general obligation bonds by the State. In addition, this bill declares the Legislature's findings with respect to these bond authorizations as required by Section 13 of Article VII of the Constitution of the State of Hawaii.

The provisions of this bill are substantially the same as the provisions contained in Senate Bill No. 3, which was passed by the Legislature at its special session of 2001 to update and replace this bill. Since I intend to approve Senate Bill No. 3, there is no necessity to also approve this bill.

For the foregoing reason, I am returning House Bill No. 1400 without my approval.

RULES OF THE SENATE
of the
TWENTY-FIRST LEGISLATURE OF THE STATE OF HAWAII

PREAMBLE

The members of the Senate do hereby reaffirm the Senate's dedication to upholding the Constitutions of the United States and the State of Hawaii, to providing for openness and fairness in all of its proceedings, and to promoting collaboration and consultation in its committee work.

The Senate stands as a people-oriented institution that serves all of the people, whatever their background or persuasion. The Senate works for the public good and strives to give every person an equal opportunity to realize his or her highest potential. The Senate is an open public forum for organized debate and deliberative consideration of issues.

RULES OF THE SENATE

The following Rules shall be the Rules of the Senate of the Twenty-first Legislature of the State of Hawaii.

PART I. ORGANIZATION, OFFICERS AND EMPLOYEES

Rule 1. Organization

(1) When the Senate convenes in the first Regular Session of each Legislature, the member from the First Senatorial District shall act as temporary chair, call the Senate to order, appoint a temporary Clerk, and a Committee of three whose duty it shall be to immediately examine the credentials of the members-elect of the Senate. If from the report of the Committee, it shall appear that a majority of the credentials are in order, the temporary Clerk shall call the roll.

(2) The temporary Chair shall then appoint a Committee of three to wait upon a justice of the Supreme Court, an Intermediate Appellate Court Judge or a Circuit Court judge to administer the oath of office required by the Constitution. After the oath has been duly administered, the Senate shall organize.

(3) When the Senate convenes in any succeeding Sessions of the Legislature, the President or the Vice-President in the absence of the President, shall call the Senate to order.

Rule 2. Officers and Employees

(1) The officers of the Senate shall consist of a President, Vice-President, Clerk, Assistant Clerk, Sergeant-at-Arms, and Assistant Sergeant-at-Arms, each of whom shall be elected by a majority vote of the members of the Senate.

(2) The President and Vice-President shall hold their respective offices in accordance with Title 3, Hawaii Revised Statutes. Other officers and employees shall hold their respective offices and positions at the pleasure of the Senate, but a majority vote of the members of the Senate shall be required to terminate the office held by any officer of the Senate.

(3) The Senate, by a majority vote, may authorize positions from time to time as may be deemed necessary.

Rule 3. The President

It shall be the duty of the President:

- (1) To open the meetings of the Senate by taking the Chair and calling for the invocation.
- (2) When a quorum is present, to call for the reading of the Journal of the preceding day.
- (3) To maintain order in the Senate Chamber and to require proper decorum on the part of the members.
- (4) To announce the business before the Senate in the order prescribed by the Rules.
- (5) To receive and submit all matters properly brought before the Senate by the members, call for votes upon the same and announce the results.
- (6) To receive all communications, present them to the Senate and, unless otherwise provided in these Rules, refer these and other matters to the appropriate standing committees.

(7) To appoint all members of committees upon consultation and agreement with the Majority and Minority Leaders unless otherwise determined by the Senate.

(8) To authenticate by signature, all acts and doings of the Senate which require authentication.

(9) To make known rules of order when so requested and, subject to an appeal to the Senate, to decide all questions of order.

(10) To issue warrants and when so directed by the Senate, to carry into effect its orders in the arrest of offenders, the summoning of witnesses, or other orders of the Senate.

(11) To decide and announce the result of any vote taken.

(12) To do and perform such other duties as are required by law or by these rules or such as may properly pertain to such office.

(13) To clear the Senate Chamber of all persons, except its members and designated persons if there is a disturbance or disorderly conduct, or on motion duly adopted.

(14) To control and have direction of the rooms, desks, passages, stairways, corridors, and balconies, in and about the building set apart for the use of the Senate, and all public property of the Senate. The President shall see that all officers of the Senate perform their respective duties, and may assign places to visitors and reporters. The President may admit stenographers or other reporters, wishing to take down the debates, and assign them such places to effect their object as shall not interfere with the convenience of the Senate.

(15) To establish final dates for action on legislation, including, though not limited to the final date for introducing bills, the dates for the mandatory recess pursuant to Article III, Section 10, of the Constitution, the final date for third reading of Senate Bills, the final date for third reading of House Bills, the final date for approving Conference Committee agreements and drafts of bills, the final date for final reading of the General Appropriations Bill, and the final date for final reading of the Supplemental Appropriations Bill. The President shall coordinate the date for introducing bills and may coordinate with the Speaker of the House to establish the other final dates.

(16) To promulgate, for adoption by the Senate, an administrative and financial manual of guides, the purpose of which is to establish uniformity in administrative practices and to ensure compliance with Senate policies.

(17) To mediate and resolve differences between two or more standing committees on the same bill.

Rule 4. The Vice-President

(1) The Vice-President and the President shall prepare and administer a budget for the Senate.

(2) In the absence of the President, the Vice-President shall exercise all the duties and powers of the President.

Rule 5. President Pro Tempore

(1) In case the President and Vice-President shall be absent at the hour to which the Senate had adjourned, the member of the majority party having the longest tenure in the Senate shall preside until a President pro tempore is chosen. If two or more members are equally qualified to preside, the eldest qualified member shall preside.

(2) The President pro tempore shall be invested with all of the powers and shall perform all the duties of the President. Whenever the President pro tempore is required to sign a bill or other instrument, the Clerk shall attach to such bill or instrument a certificate stating that such President pro tempore was duly elected and is authorized to so sign.

Rule 6. The Clerk

It shall be the duty of the Clerk:

(1) To have charge of all records of the Senate and be responsible for the same. At no time shall the Clerk permit original documents to be withdrawn from the Clerk's keeping unless ordered by the Senate.

(2) To make a concise and complete memorandum of all petitions, motions, resolutions, amendments and other matters brought before the Senate. Such memoranda shall state the nature of the matter and the name of the introducer, and the date and day of the session on which the Senate considered the matter. The memoranda, together with other matters ordered to be placed therein, shall constitute the Journal, a copy of which shall be made available for inspection to any member upon request as soon as practicable. The Journal of each day shall be read the following day, immediately after the invocation. When such Journal is approved by vote of the Senate, it shall be entered by the Clerk in a book entitled "Journal of the Senate. Session of . " (Giving the Year).

(3) Unless otherwise directed by the Senate, to read all bills, resolutions and other matters (if so required) to the Senate.

- (4) To forward at once all letters, messages, communications and other matters to the proper parties.
- (5) To immediately deliver to the Chair of the appropriate committee all petitions, resolutions, bills or other matters duly referred to such committee.
- (6) To see that all bills and resolutions are properly engrossed and are correct and true as finally acted upon by the Senate.
- (7) To draw on the state general fund for expenses of the session as shall be authorized by the Senate and approved by the President.
- (8) To pay all bills and accounts as shall be approved by the President or the President's designees, or ordered by the Senate, and no others.
- (9) To be responsible for the acquisition and distribution of all of the property of the Senate.
- (10) To note all questions of order with the decision thereon, collect the same, and append them to the Senate Journal at the close of the session.
- (11) To perform all other clerical duties and functions pertaining to the Office of the Clerk and as the Senate from time to time shall direct. The Clerk shall post the order of business in writing in a conspicuous place each day.

Rule 7. Assistant Clerk

The Assistant Clerk shall assist the Clerk in the performance of all duties and attend to such other duties as may be required when so directed by the President. In the absence of the Clerk, the Assistant Clerk shall perform all duties of the Clerk.

Rule 8. Invocation

Each day's sitting of the Senate shall open with an invocation.

Rule 9. Sergeant-at-Arms

It shall be the duty of the Sergeant-at-Arms to attend the Senate on every day of meeting; to maintain order among those present as spectators; to give notice to the Presiding Officer of the attendance of any person with communications or otherwise; to supervise the distribution of incidentals which require distribution among the members; to supervise, subject to the control of the President, the Senate Messengers; to attend upon committees if so requested; to serve all orders or process as directed by the President or Senate; to make all required arrests of members or other persons, and to retain the same in custody; to have the charge and responsibility for the postal requirements of the Senate; and generally to execute all of the requirements of the President of the Senate.

Rule 10. Assistant Sergeant-at-Arms

The Assistant Sergeant-at-Arms shall assist the Sergeant-at-Arms in the performance of all duties and attend to such duties as may be required when so directed by the President. In the absence of the Sergeant-at-Arms, the Assistant Sergeant-at-Arms shall perform all duties of the Sergeant-at-Arms.

Rule 11. Majority and Minority Party Organization and Staff

- (1) Members of the majority and minority parties may adopt rules of procedure and administration for their respective caucuses. The rules shall not be inconsistent with the Rules of the Senate, and any such rule of procedure for the caucus shall not be enforceable on the floor of the Senate.
- (2) Members of the majority party may establish a majority staff office consisting of a director and chief attorney to be appointed and serve as the members of the majority party shall determine. Members of the minority party may establish a minority staff office consisting of an attorney to be appointed and serve as the members of the minority party shall determine.
- (3) The establishment and staffing of the majority and minority staff offices shall be subject to budgetary constraints in the budget for the Senate that is prepared and administered under Rule 4.

Rule 12. Pay of Members, Officers and Employees

- (1) Each member of the Senate, upon being elected or appointed to office, shall receive as compensation such salary as prescribed pursuant to Article III, Section 9, of the State Constitution.

(2) The officers, except the President and Vice-President, and the employees shall receive compensation as the Senate shall fix.

PART II. COMMITTEES

Rule 13. Committees: Types and Composition

(1) Standing Committees: The membership of each Standing Committee, upon consultation and agreement with the Majority and Minority Leaders, shall be appointed by the President subject to action by the Senate. The respective Chairs and Vice Chairs of each Standing Committee, upon consultation and agreement with the Majority Leaders, shall be appointed by the President, subject to action by the Senate. The majority and minority parties shall to the extent practicable be represented on all Standing Committees on a proportional basis or on such basis as may be prescribed by the Senate.

(2) Leadership Committees shall include majority and minority members drawn from the ranks of the Senate leadership.

(3) Special Committees shall consist of not less than three members each, unless otherwise ordered by the Senate, include a member or members of the minority party, and upon consultation and agreement with the Majority and Minority Leaders, shall be appointed by the President from time to time as occasion requires, to serve until discharged or finally reporting the specific matter referred. The Senate may establish investigative committees pursuant to Chapter 21, Hawaii Revised Statutes; such committees shall have such powers and be bound by such conditions as may be provided by law or by these Rules.

(4) Conference Committees shall consist of not less than three members each and be managed by the Chair of the Standing Committee having primary responsibility of the subject matter to be resolved, unless otherwise ordered by the Senate. The members of the Conference Committee, as nominated by the Majority and Minority Leaders from their respective memberships, shall be appointed by the President from time to time as occasion requires, to serve until discharged or finally reporting the matter referred. The President may discharge a Conference Committee only upon concurrence with the Majority Leaders.

(5) The Committee of the Whole Senate.

Rule 14. Committee Chairs

The first person named on the committee shall be the Chair, and the second member named shall be Vice-Chair. The Chair of committees shall call meetings and preside.

Rule 15. Committees: Control and Excuse from Membership

Committees shall be under the control of and subject to the orders of the Senate, and shall faithfully carry out such orders. Any member may be excused from serving on any committee at the time of appointment, if already a member of four other committees.

Rule 16. Standing Committees

Standing Committees shall be appointed for major subject matter areas at the opening of the session, or as soon thereafter as possible. The Standing Committees and their areas of jurisdiction shall be as follows:

(1) Committee on Agriculture. The purview of this committee includes those programs relating to agriculture and aquaculture, including mariculture.

(2) Committee on Commerce, Consumer Protection and Housing. The purview of this committee includes those programs relating to business regulation, occupational licensing, consumer protection, financial institutions, insurance regulation; public utility regulation; and telecommunications; housing development, the landlord tenant code, condominium property regimes, and leaseholds.

(3) Committee on Economic Development and Technology. The purview of this committee includes those programs relating to economic development, and other new industry development; financial and technical assistance to business; recreation, sports and athletics, state parks and beaches, recreational boating, and Aloha Stadium; and use of information storage, transmission, processing, and telecommunications technologies by public agencies and institutions.

(4) Committee on Education. The purview of this committee includes those programs relating to early education, public schools, continuing education, and the public libraries; the University of Hawaii and community college system; and culture, historic preservation, and the arts.

(5) Committee on Hawaiian Affairs. The purview of this committee includes those programs relating to Hawaiian affairs, including the Office of Hawaiian Affairs, sovereignty, and Hawaiian homestead lands.

(6) Committee on Health and Human Services. The purview of this committee includes those programs relating to general health, maternal and child care, communicable diseases, dental health, medical and hospital services, mental health, mental retardation, and hospitals; public assistance, Medquest, youth services, early childhood education and care programs under the Department of

Human Services, and vocational rehabilitation; programs relating to the promotion of the general well-being of Hawaii's youth, families, and elderly population.

(7) Committee on Judiciary. The purview of this committee includes those programs relating to courts; crime prevention and control, including juvenile justice matters; criminal code revision; statutory revision; campaign spending and elections; constitutional matters; programs of the Attorney General, Public Defender and Judiciary; government records and information practices; individual rights and civil liberties; and programs relating to public safety and corrections.

(8) Committee on Labor. The purview of this committee includes programs relating to public officers and employees, labor, employment opportunities and training, labor-management relations, collective bargaining; the public employees retirement system and the Hawaii public employees health fund.

(9) Committee on Tourism and Intergovernmental Affairs. The purview of this committee includes those programs relating to tourism, including the Hawaii Convention Center, Hawaii Visitors and Convention Bureau, and the Hawaii Tourism Authority; and county, federal, and foreign relations; and matters of concern to the counties.

(10) Committee on Transportation, Military Affairs, and Government Operations. The purview of this committee includes those programs relating to air, water, and surface transportation; civil defense; military and veteran's affairs; and state government operations policy, including procurement and government efficiency.

(11) Committee on Water, Land, Energy, and Environment. The purview of this committee includes those programs relating to state planning, urban renewal, community development, land and water use, coastal zone management, land reclamation, fisheries and ocean resources; energy resources, and population; environmental quality control and protection, including litter control, recycling, wastewater treatment, endangered species, and hazardous waste.

(12) Committee on Ways and Means. The purview of this committee includes those programs relating to overall state financing policies, including taxation and other revenues, cash and debt management, and statewide implementation of planning, programming, budgeting, and evaluation; government structure and finance.

Rule 17. Standing Committees: General Responsibility

(1) General Responsibility. On the bills referred to it, the committee shall determine objectives, make program recommendations and, where appropriate, make expenditure recommendations. For those bills which require appropriations, the committee shall make expenditure recommendations consistent with the expenditure allocations established for the bills by the Committee on Ways and Means, which shall make the final recommendation to the Senate.

(2) Subsequent referral committees. On bills that have been referred to more than one committee, unless otherwise ordered by the Senate, the subsequent referral committee shall make no substantive change, except changes which affect the subject matter over which the subsequent referral committee has primary jurisdiction, without prior written approval of the preceding referral committee chair having primary jurisdiction over the subject matter affected by the change.

Rule 18. Committee on Ways and Means: Special Responsibility

It shall be the duty of the Committee on Ways and Means, in considering the General Appropriations Bill or the Supplemental Appropriations Bill, to determine for each fiscal year of the biennium the appropriate level of total expenditures and the level of expenditures for program areas.

To the extent practicable, the Committee on Ways and Means shall make available to members of the Senate the contents of the General Appropriations Bill or the Supplemental Appropriations Bill during the 48-hour period prior to the passage of such bills on third and final reading.

Concerning all other bills requiring appropriations, it shall be the duty of the Committee on Ways and Means to inform the Standing Committee responsible for the program area to which the appropriation relates of the amount and type of financial resources available, and it shall review the expenditure recommendation of the Standing Committee to determine that the recommendation is consistent with the resources available.

In determining the amount and type of resources available for a bill requiring an appropriation and in reviewing the expenditure recommendation of the Standing Committee, the Committee on Ways and Means shall invite the recommendation of the chair of the Standing Committee responsible for the program area to which the appropriation relates.

Rule 19. Leadership Committees

Leadership Committees, upon consultation and agreement with the Majority and Minority Leaders, shall be appointed by the President at the opening of the session, or as soon thereafter as possible. A leadership Committee on Legislative Management, upon consultation and agreement with the Majority and Minority Leaders, shall be appointed by the President to perform the duties and responsibilities of the Committee as may be provided by law, or to make recommendations to the President on issues of Senate policy. Because Leadership Committees have jurisdiction over issues of organizational and institutional interest to the Senate, their

membership shall include members drawn from the ranks of the Senate Leadership, thus assuring high-level consideration of these issues.

Rule 20. Meetings of Committees

Meetings, including decision-making sessions, of leadership committees appointed by the President, and Standing Committees shall be public provided that meetings in executive session may be allowed in such exceptional circumstances when committee discussion could unfairly damage the reputation of individuals or where there is a legal question concerning a bill.

Notice of meetings and decision-making sessions shall include the number and title of the bills or resolutions, and brief descriptions and committee referrals of each of the subject matters to be covered, and shall be publicly posted by first referral committees at least 72 hours before their meetings and by subsequent referral committees at least 48 hours before their meetings, provided that these notice requirements may be waived with the approval of the President upon good cause shown.

No committee shall sit during the time when the Senate is actually in session without first securing the approval of the President, except Conference Committees that may sit at any time.

As practicable, committees shall schedule their meetings at times and at places as are convenient for attendance by the general public, and in coordination with other committees of the House or Senate, shall endeavor to hold joint meetings and public hearings on matters of mutual interest.

The meetings of a Conference Committee shall be conducted as agreed upon by the members of the Conference Committee. Conference Committee meetings and decision-making sessions shall be public. Public notice of Conference Committee meetings shall be given to the extent practicable.

Rule 21. Decision-Making by Committee

(1) The chair of a standing committee may commence a decision-making meeting and open discussion on matters referred to the committee without a quorum; provided that the decision-making by the committee on matters that are referred to it shall be conducted with a quorum of the committee present. A quorum shall be a majority of the membership of the committee.

(2) A favorable vote of a majority of the members present at a decision-making meeting duly constituted with a quorum is required to report a matter out of committee. A member voting "with reservations" shall be counted as a favorable vote.

(3) The presence of a quorum and the final vote of each member who is present at the decision-making meeting of a standing committee shall be recorded by the chair or by a member of the committee designated by the chair. This record shall be attached to and shall be a part of the report of the standing committee.

Rule 22. Public Hearings on Bills

(1) Subject to this rule, the selection and scheduling of a bill for public hearing shall be at the discretion of the chair of the committee having jurisdiction over the bill.

(2) The chair's determination that a bill will have a public hearing shall be final notwithstanding the opposition of a majority of the members of the committee.

(3) At the written request of a majority of the members of the committee, the chair shall schedule a bill for public hearing.

Rule 23. Committee Reports

(1) The leadership committees as may be appointed by the President and Standing Committees shall report from time to time upon all matters referred to them.

(2) Special Committees shall report upon matters referred to them within the time permitted in the appointment of the Special Committee unless further time is given by vote of the Senate.

(3) A Conference Committee shall not report upon the matter referred unless a majority of the members appointed by the President have concurred in the report.

Rule 24. Committees: Factfinding and Content of Reports

(1) Whenever any matter shall be referred to a committee it shall be the duty of the committee to make diligent inquiry into all of the facts and circumstances connected with the matter. If necessary, witnesses shall be summoned or subpoenaed, and everything shall be done to bring all facts pertaining to the matter before the Senate in accordance with the provisions of Chapter 21 of the Hawaii Revised Statutes. The President may exercise such powers authorized under Chapter 21, relating to the issuance of subpoenas, and the President, committee chair and other duly delegated members of the Senate may exercise such powers authorized

under Chapter 21 aforesaid, relating to the administering of oaths, and the compelling of witnesses who have been subpoenaed to testify. All committee meetings held on matters referred to it by the Senate shall be open to the public unless otherwise ordered by the Senate or otherwise provided by these Rules.

(2) The report of the committee shall state findings of fact and conclusions based thereon, together with a distinct recommendation as to the disposal of that matter.

(3) A report upon a bill shall state clearly the amendments, if any, proposed. If a substitute bill for one or more referred to the committee shall be reported, such substitute bill shall agree with the subject of the bill or bills referred to the committee.

(4) The committee shall report whenever a majority of the members present at the decision-making meeting duly constituted with a quorum is in favor of reporting the bill or resolution out of the committee. The report, after being made available, for review by the members of the committee, and after subsequent revisions thereto, if any, shall be the final report of the committee. The final report of the committee shall be attested to by the signature of the chair on behalf of the members of the committee. The action of the committee on the bill or resolution or any amendments thereto, if any, and the final vote of each member of the committee recorded by the chair or the chair's designee at a decision-making meeting shall not be changed in the review of the report, unless the change is made at an open decision-making meeting conducted with a quorum of the committee present. The minority of the members present at any decision-making meeting duly constituted with a quorum may report.

Rule 25. Committee of the Whole

(1) The Senate from time to time may resolve itself into a Committee of the Whole. Whenever any matter shall be referred to such committee upon the adoption of a motion to that effect, the President shall call some member to take the Chair (unless the Senate shall nominate a chair), which being done, the Senate then shall be in committee.

(2) The Clerk of the Senate shall act as Clerk of the Committee of the Whole without extra compensation, and shall make a careful record of the proceedings, which shall be filed as one of the records of the Senate.

(3) The committee, on motion, may rise and ask leave to sit at any future time.

(4) When a bill shall be referred to the Committee of the Whole, the bill shall be first read throughout by the Clerk, and then again read and debated by sections, leaving the preamble to be the last. All amendments, noting the page and line, shall be duly entered by the Clerk on a separate paper, as the same shall be agreed to by the committee, and so reported. When a bill is ordered into Committee of the Whole, such order may dispense with the reading of the whole bill before considering it section by section.

(5) In Committee of the Whole, the rules of procedure in the Senate shall be observed except that any member may speak more than once on the same subject, but no person shall speak a second or further time until others desiring to speak shall have had an opportunity, nor shall the motion for the previous question be allowed. A time limit for debate may be fixed by vote.

PART III. SESSIONS; ATTENDANCE; NOMINATIONS

Rule 26. Meetings

(1) The Senate shall meet for the transaction of public business every day, except Saturdays, Sundays, legal holidays and such other days as the Senate shall designate by motion or resolution duly adopted and entered in the Journal.

(2) The regular hour of meetings of the Senate is established at eleven-thirty o'clock a.m. but the hour of meeting, recess and adjournment for any day may be such as the Senate, by motion, shall decide from time to time.

Rule 27. Attendance

No member shall be absent from the sessions of the Senate unless given leave by the President or unless the member is sick and unable to attend.

Rule 28. Extension of Session

Two-thirds of the members to which the Senate is entitled, two-thirds of the House of Representatives concurring, may petition the President of the Senate and the Speaker of the House to extend any session of the Legislature. The petition shall read:

"To the President of the Senate and the Speaker of the House of Representatives

Your petitioners, members of the Senate and of the _____ Legislature of the State of Hawaii, respectfully request an extension of _____ days of the _____ session of _____ of the _____ Legislature of the State of Hawaii."

The petition shall be in writing, above the signatures of the members.

When the President of the Senate receives such a petition, and it is properly signed by two-thirds of the members to which each house is entitled, the President and the Speaker of the House of Representatives shall jointly issue a proclamation extending the session for the number of days sought in the petition.

Rule 29. Recessed Session

Any session of the Legislature may be recessed by concurrent resolution adopted by a majority of the members to which each house is entitled. Each regular session shall be recessed pursuant to Article III, Section 10, of the Constitution for not less than five days at some period between the twentieth and fortieth days of the regular session.

Rule 30. Special Sessions

(1) Two-thirds of the members to which the Senate is entitled, two-thirds of the House of Representatives concurring, may petition the President of the Senate and the Speaker of the House to call a special session of the Legislature. The petition shall read:

"To the President of the Senate and the Speaker of the House of Representatives

Your petitioners, members of the Senate and of the House of Representatives of the _____ Legislature of the State of Hawaii, respectfully request that a special session of the _____ Legislature of the State of Hawaii be convened at _____."

The petition shall be in writing, above the signatures of the members.

When the President of the Senate receives such a petition, and it is properly signed by two-thirds of the members to which each house is entitled, the President of the Senate and the Speaker of the House of Representatives shall jointly issue a proclamation convening the Legislature in special session at the time and place sought in the petition.

(2) Two-thirds of the members to which the Senate is entitled may petition the President of the Senate to call a special session of the Senate for the purpose of carrying out the Senate's responsibilities under Article VI, Section 3, of the Constitution. The petition shall read:

"To the President of the Senate

Your petitioners, members of the Senate of the _____ Legislature of the State of Hawaii, respectfully request that a special session of the Senate of the State of Hawaii be convened at _____."

The petition shall be in writing, above the signatures of the members.

When the President of the Senate receives such a petition, and it is properly signed by two-thirds of the members to which the Senate is entitled, the President of the Senate shall issue a proclamation convening the Senate in special session at the time and place sought in the petition.

Rule 31. Adjournments

Meetings may be adjourned at any time. Unless otherwise specified in the motion, every adjournment shall be considered as being to the established hour of meeting on the following business day; but no adjournment shall be for more than three days, or sine die, without the consent of the House of Representatives.

Rule 32. Motion to Adjourn

A motion to adjourn is always in order, and shall be decided without debate. One motion to adjourn shall not follow another without intervening business.

Rule 33. Quorum

For the transaction of business, a majority of the number of members to which the Senate is entitled shall constitute a quorum, of which quorum a majority vote shall suffice, but the final passage of a bill shall require the vote of the majority of the members of the Senate. A smaller number than a quorum may adjourn from day to day and compel the attendance of absent members. For the purpose of compelling the attendance of absent members, a majority of the members present, by resolution, may direct the Sergeant-at-Arms to place the members who are absent under arrest and return them to the Senate. Any warrant pursuant to such a resolution shall be issued in the name of the Senate and shall be signed by the member then presiding. For the purpose of ascertaining whether there is a quorum present, the President shall count the members present.

Rule 34. Executive Session

(1) If the Senate considers it necessary to act confidentially upon any communication from the Governor or upon any nomination or other matter, it may go into executive session.

(2) When any member desires to make known any matter to the Senate which the member deems should be confidential and private, the member shall communicate that desire to the President who shall decide whether the Senate shall go into executive session. The Senate may decide whether the matter communicated shall be kept secret.

Rule 35. Clearing of the Senate

(1) When acting upon confidential business in executive session, the Senate Chambers shall be cleared of all persons except the members of the Senate and such other persons as the presiding officer with the consent of the Senate shall deem necessary.

(2) The members, officers and employees shall keep the secrets of the Senate and any other person whose presence is permitted in executive session shall be sworn to secrecy.

(3) All confidential communications made to the Senate, and remarks, votes and proceedings thereon, shall be kept strictly secret by the members, officers and employees, as well as by such other persons as have been detained or permitted to attend upon the consideration of such matters, until the Senate, by resolution, takes off such seal of secrecy, or unless such matter be later considered in open session.

Rule 36. Nominations; Appointments

(1) Nominations made by the Governor and removal of the chief legal officer of the State which require the advice and consent of the Senate, and appointments which require the confirmation or consent of the Senate shall be referred to the standing committee having jurisdiction within five legislative days of receipt of the nomination or appointment. The standing committee to which a nomination, removal of the chief legal officer or appointment is referred, shall report to the Senate with a recommendation to advise and consent, confirm, or reject on or before the fifty-ninth day of the session.

(2) Except for the appointment of a justice or judge, a nomination or appointment made by the Governor which is received by the Senate after the fifty-first day of the session of the Legislature shall be returned to the Governor without action, unless a confirmation or consent is required to further a public purpose which cannot be satisfied by an interim appointment. Notice of this rule shall be given to the Governor not later than the twentieth day of the session of the Legislature.

(3) The final question on nominations made by the Governor shall be: "Will the Senate advise and consent to this nomination?"

(4) The final question on the removal of the chief legal officer of the State shall be: "Will the Senate advise and consent to the removal of the chief legal officer of the State?"

(5) The final question on appointments made by the Governor which require the confirmation or consent of the Senate shall be: "Will the Senate confirm (or consent) to this appointment?"

(6) The final question on nominations, removal of the chief legal officer or on appointments shall not be put sooner than twenty-four hours from the time when the nomination or appointment is received, nor on the day in which it may be reported by a committee, unless by unanimous consent.

(7) Public hearings shall be held for all nominees, for the removal of the chief legal officer of the State, and for all appointees prior to confirmation or consent by the Senate.

(8) Consent to the appointment of justices and judges shall be pursuant to Article VI, Section 3, of the State Constitution.

Rule 37. Meeting at Place Other than Capitol

Whenever, for any reason, the Governor shall convene the Senate at any place other than the Capitol, it shall attend together with all of its officers at the time and place ordered.

PART IV. ORDER OF BUSINESS

Rule 38. Order of Business: General

After invocation, roll call and the reading of the Journal, the President shall call for business in the following order:

- (1) Messages from the Governor.
- (2) Reports and communications from the state officers.

- (3) Communications, bills, resolutions and other matters from the House of Representatives.
- (4) Concurrent and senate resolutions and introduction of bills.
- (5) Reports of Conference and Joint Committees.
- (6) Reports of the Leadership Committee on Legislative Management.
- (7) Reports of Standing Committees.
- (8) Reports of other Leadership Committees.
- (9) Unfinished business, upon which the Senate was engaged at the time of its last adjournment.
- (10) The Order of the Day.
- (11) Petitions, memorials and miscellaneous communications.
- (12) Any miscellaneous business on the President's table.

Rule 39. Order of Business: Special

The Senate, by previous motion, may direct that any matter named shall be made a special order of business and that such special order shall take precedence of all business after the fourth order, or that it shall take any other position lower down on the calendar.

Rule 40. Order of Business: Committee Reports and Gubernatorial Messages

Reports from Conference or Joint Committees, and from Leadership Committee on Legislative Management, shall be in order at all times after the second order of business, and, upon motion, messages from the Governor or from the House of Representatives may be received at any time. Without unanimous consent, however, such messages or reports shall not be in order for discussion when received, but shall be placed on the calendar as unfinished business.

Rule 41. Order of Business: Order of the Day

After the first seven orders of business set forth in Rule 38, it shall be in order, pending consideration thereof, to move that the Senate proceed to dispose of the unfinished business or to the Order of the Day. If such motion be decided in the affirmative, such consideration shall immediately be taken up.

Rule 42. Order of Business: Unfinished Business

The unfinished business in which the Senate was engaged at the time of the last adjournment shall have the preference in the Order of the Day. Until the former is disposed of, no motion for any other business shall be received without special leave of the Senate.

Rule 43. Order of Business: Questions on Priority

All questions relating to the priority of business to be acted upon shall be decided without debate.

PART V. BILLS; RESOLUTIONS

Rule 44. Bills: Introduction

Any bill may be introduced on the report of the committee or by any member, except appropriation bills subject to the next paragraph and except short form bills which may only be introduced by the majority leaders or the minority leader after appropriate consultation with committee chairs and other members of the Senate.

The Executive Budget, Judiciary Budget, Legislative Budget, General Appropriations Bill, Supplemental Appropriations Bill, Office of Hawaiian Affairs Budget, and bills for criminal injuries compensation, for claims against the State and for funding of collective bargaining agreements may be introduced only by the President. Each member may introduce only one bill appropriating money for capital improvements projects in the member's district. The majority leaders and the minority leader shall develop a policy governing introduction by individual members of bills intended to appropriate money or to authorize the issuance of state bonds.

All bills shall be introduced under the order of resolutions.

Bills which shall carry over from a regular session in an odd-numbered year to the next regular session shall retain the numbers assigned to them. The Clerk shall keep a record of the status of all bills in possession of the Senate at the end of the odd-numbered year session and shall publish the record of the status of all such bills prior to the convening of the next regular session.

Every bill introduced or reported out of any committee, which amends an existing section or subsection of the Hawaii Revised Statutes or Session Laws of Hawaii, shall set forth the section or subsection in full, and the matter to be deleted shall be enclosed in brackets and stricken and any new matter added to the section or subsection shall be underscored. However, a Supplemental Appropriations Bill need not conform to this rule, nor an amending bill where the intent and effect of the amending bill can be clearly identified and understood without repeating the entire section or subsection, in which case only the paragraphs, subparagraphs, clauses or items to be amended need be set forth as the President may allow. The President may allow additional exceptions to this rule.

Rule 45. Bills: Referral to Committee

(1) Upon introduction all bills shall be numbered by the Clerk in numerical sequence, shall bear an identification as a Senate Bill, and shall pass first reading.

(2) Each such bill shall be referred by the Majority Leaders to one or more appropriate Leadership or Standing Committees for consideration.

(3) Any referral may be reconsidered by the President, Vice-President and Majority Floor Leader upon written request of any chair who is aggrieved by the referral made within forty-eight hours of the referral. The President, Vice-President and Majority Floor Leader shall decide the request for reconsideration within a reasonable time, which decision shall be final. No request for reconsideration shall be considered if the timing of the request would have the effect of killing a bill or resolution.

(4) Each Leadership and Standing Committee shall consider the bills and other matters referred to it as expeditiously as may be possible.

Rule 46. Bills: Required Readings

No bill shall pass the Senate unless it shall have passed three readings in the Senate on separate days. The President shall give notice in each instance whether it be the first, second or third reading.

Rule 47. Bills: First Reading

(1) The first reading of a bill shall be for information. If opposition be made to it, the question shall be: "Shall this bill be rejected?" which question may be debated. But no one shall speak more than once upon such question, except the introducer of the bill, who may close the debate.

(2) If the question to reject be negative, the bill shall go to its second reading without question.

Rule 48. Bills: Second Reading

A bill upon its second reading may be read by its title only. It then shall be subject to a motion to commit. If it is not referred to a Leadership Committee, Standing Committee, or Special Committee, but is ordered to be considered in Committee of the Whole, a day for such consideration shall be determined by the chair of such committee. When the bill is reported from committee it shall take its place in the order of business for future consideration.

Rule 49. Bills: Third Reading

(1) No bill shall pass third or final reading in the Senate unless printed copies of the bill in the form to be passed have been made available to the members of the Senate for at least 48 hours. Form to be passed means the form in which a bill is to be (a) passed on third reading in the Senate, (b) concurred to by the Senate after amendments have been made by the House, or (c) passed by the Senate after a Conference Committee has agreed upon it.

(2) A bill on its third or final reading may be read by its title only, and the President then shall ask the Senate: "Shall this bill pass its third reading?" or "Shall this bill pass its final reading?" as the case may be. Upon the final passage of any bill, the Ayes and Noes shall be called. Such passage shall require the affirmative vote of a majority of all the members of the Senate and the Ayes and Noes shall be entered on the Journal.

Rule 50. Bills: Property of Senate

All bills introduced in the Senate shall be deemed the property of the Senate and under its control unless they shall become law, subject however to the right of the House of Representatives to amend or to refuse to agree with the bills.

Any bill pending at the final adjournment of a regular session in an odd-numbered year shall carry over with the same status to the next regular session; provided that if such bill shall have passed third reading in the Senate in an odd-numbered session, it shall pass at least one reading in the Senate in the next regular session upon its return to the Senate from the House.

Rule 51. Bills: Recall from Committee

Twenty days after a bill has been referred to a committee, the same may be recalled from such committee by the affirmative vote of one-third of the members of the Senate.

Rule 52. Matters Tabled

When a bill or resolution or other matter has been laid upon the table, it shall not thereafter be taken from the table and be considered or restored to a place upon the calendar of the Senate without the consent of a majority.

Rule 53. Bills: Amendments

(1) All amendments proposed to any bill shall be in writing, unless otherwise ordered by the Senate, and shall be sent to the Clerk's desk to be filed with the bill.

(2) No floor amendment to a bill shall be voted upon unless a copy of the amendment, together with a copy of the complete bill in a form that incorporates the floor amendment, shall have been presented to the Clerk no later than 9:00 o'clock a.m. on the day of the session at which the amendment is to be offered. The Clerk shall prepare and distribute copies of the floor amendment to each member of the Senate present.

(3) A floor amendment shall be deemed pending only after its proponent has been recognized by the President and its adoption has been properly moved and seconded.

(4) A floor amendment that relates to a different subject, is intended to accomplish a different purpose, incorporates any other bill pending before the Senate, or would alter the nature of the bill as reported, is not germane and shall not be considered by the Senate.

(5) An amendment to a floor amendment that is not germane to both the floor amendment and the bill as reported shall not be considered by the Senate.

Rule 54. Bills: Certification

When a bill is passed it shall be certified by the Clerk who shall note the day of its passage at the bottom of the last page of the bill.

Rule 55. Bills: Received from House of Representatives

Whenever a bill which has finally passed the House of Representatives shall be certified to the Senate for its action, such bill shall be read three times before final passage, in accordance with the provision of the rules for the passage of bills introduced in the Senate.

Rule 56. Bills: Transmittal to House of Representatives

When a bill originating in the Senate shall have passed its third reading, or when a bill originating in the House which has been received from the House shall have been amended, or when a carry-over bill from an odd-numbered year originating in the House passes its third reading in the Senate in an even-numbered year session, such bill or such amended bill shall immediately be certified by the President and Clerk and sent to the House of Representatives for its consideration.

Rule 57. Bills: Correction of Errors

When a bill has passed both the Senate and the House of Representatives and an error in it is discovered prior to its having received the approval of the Governor, the bill may be returned by Concurrent Resolution to the house last considering the bill for proper correction.

Rule 58. Bills: Order of Consideration

(1) The Clerk shall send bills that have passed first reading to be printed immediately. When they have been printed and circulated to the members of the Senate, the Majority Leadership shall refer them to the various committees. When the committees

have considered them and reported on them, the committees shall return them to the Clerk, and the Clerk shall place them in the Second Reading File. The Senate shall consider them in the order in which they appear in the Second Reading File.

(2) The Clerk shall arrange bills that have passed second reading in the order of their passage on second reading, regardless of the date of their reference to committee or the date of the committee report on them. The Clerk shall place them on the Third Reading File in the order in which they passed second reading and the Senate shall consider them on third reading in that same order. However, if the third reading of a bill is set for some particular date, that bill shall be removed from the Third Reading File.

Rule 59. Bills: Special Order of Consideration

All bills and other matters set for consideration on particular dates, shall be arranged in the order of the several votes making such assignments. A list shall be made of such special orders, and when the time for consideration arrives, such bills and other matters shall be considered in the order of assignment. If an adjournment shall be had before all of such special orders are disposed of, the remainder shall go over and come under the head of unfinished business on the following day, unless otherwise ordered.

PART VI. RESOLUTIONS; MOTIONS

Rule 60. Resolutions and Motions: Form

All resolutions shall be typewritten, dated and signed by the introducer, otherwise they shall not be considered. The Senate shall not introduce any congratulatory, commemorative or memorial resolution but shall express the sentiment contained in such resolutions by means of a suitable certificate. Motions and amendments may be verbal but shall be reduced to writing if requested by the President, and shall be read from the desk if so ordered.

Rule 61. Motions: Second Required

No motion shall be received and considered by the Senate until the motion is seconded.

Rule 62. Motions: Disposition

After a motion is stated or read by the President, it shall be deemed to be in the possession of the Senate, and shall be disposed of by vote of the Senate; however, it may be withdrawn by the movant at any time before an amendment has been adopted or before the decision on the motion if not amended.

Rule 63. Motions Applicable to Pending Matters

Whenever any bill or resolution or other matter shall be under discussion, the only motions relative thereto shall be:

- (1) To lay upon the table,
- (2) To postpone to a certain time,
- (3) To postpone indefinitely,
- (4) To commit, and
- (5) To amend, which motions shall have precedence in the order named.

The first two motions shall be decided without debate and shall be put as soon as made.

When any of the motions shall be decided in the negative, they shall not be revived the same day relative to the main question under discussion. If all are negative as aforesaid, the only remaining question shall be as to the adoption of the bill, resolution or other main question.

Rule 64. Matters Postponed Indefinitely

When a question is postponed indefinitely, the question shall not be acted upon again during the session in which it was introduced.

Rule 65. Motion for Previous Question

The object of the motion for the previous question is to cut off debate. It shall always be in order. It shall require a three-fifths vote to carry it.

Whenever the motion shall be carried, the author of the resolution or introducer of the bill under discussion shall be permitted to close the debate, after which the main question, subject to Rule 63, shall be put. The author or introducer may delegate to another such right to close.

Rule 66. Motion for Reconsideration

(1) When a motion has been once made and carried in the affirmative or negative, it shall not be in order for any member who voted in the minority to move for a reconsideration thereof; but any member who voted with the majority may move to reconsider it on the same or the succeeding day of session, or, with the consent of the Senate, on any subsequent day and such motion shall take precedence of all other questions, except a motion to adjourn.

(2) When a motion for reconsideration has been decided by vote, that vote shall not be reconsidered.

(3) When a bill or resolution or other matter upon which a vote has been taken shall have gone out of the possession of the Senate, and shall have been transmitted to the House of Representatives, a motion to reconsider shall be deemed to include a request to the House to return the same. If not complied with by the House, then the vote on the motion to reconsider shall be set aside. If such motion shall pass, the Clerk shall promptly communicate to the House the request for return of the matter to be reconsidered.

PART VII. PETITIONS AND COMMUNICATIONS

Rule 67. Petitions, Memorials, and Miscellaneous Communications

(1) Any person may petition the Senate. Petitions and other memorials, except as provided in Rule 60, shall be in writing, signed by the petitioners.

(2) All petitions, memorials and other papers addressed to the Senate or to the President and members shall be presented to the Senate by the Clerk.

(3) A brief statement of the contents of such petitions, memorials or other papers shall be made orally by the Clerk.

(4) Every such petition, memorial or other paper shall be ordered filed or referred to a committee, as of course, by the President, unless such action is objected to by a member at the time such petition, memorial or other paper is presented.

(5) No such petition, memorial or other paper shall be debated on the day it is presented, except with the consent of the Senate.

PART VIII. ORDER; DEBATE; VOTING

Rule 68. Questions of Order

(1) A question of order may be raised at any stage of the proceedings, except during the calling of the roll when the Ayes and Noes are called for. Unless submitted to the Senate, such questions shall be decided without debate by the presiding officer, subject to an appeal to the Senate. Laying such appeal on the table shall be held as sustaining the ruling of the presiding officer.

(2) Any question of order may be submitted to the Senate for its decision.

Rule 69. Debate: General Limitation

No member shall speak more than twice, unless such member be the movant of the matter pending, in which case such member shall not be permitted to speak in reply until every member choosing to speak shall have spoken.

Rule 70. Voting: Methods

There shall be five methods of ascertaining the decision of the Senate upon any matter.

(1) First, by voice or raising of hands; Second, by rising; Third, by ballot; Fourth, by call of the roll of the members and a record of the Clerk of the vote of each; and Fifth, by unanimous consent.

(2) Whenever the Senate is ready to vote on any question, the President shall rise, and after stating the question, shall request all those in favor of the affirmative of the question to vote "Aye." The President then shall call upon all voting in the negative of the question to vote "No." The President then shall announce the result to the Senate.

(3) If any member shall doubt the result, as announced, the President again shall state the question and call upon the members to vote by rising in their places, and they shall remain standing until counted, and the result again shall be announced.

(4) The method of voting by ballot shall be as customary. The President shall appoint one or more tellers, or direct the Messengers to collect the ballots, which shall be counted by the Clerk. On motion, the Senate may vote upon any question by ballot.

(5) Whenever one-fifth of the members present shall request, the Clerk shall call the roll of the members of the Senate. Each member, when called, shall vote in a clear loud voice, "Aye," if voting in the affirmative, or "No," if voting in the negative. The Clerk shall record each vote and such record shall become a part of the Journal of the Senate. The President shall announce the results as above set forth.

(6) With the unanimous consent of the Senate, the President may direct the Clerk to record an "Aye" vote for each member of the Senate. If there is no objection, the Clerk shall so record the vote. If there is objection, the President shall ask for the names of the members voting "No" and order the Clerk to record no votes for them.

Rule 71. Voting: Rights of Members

(1) No member, on any account, shall refrain from voting unless excused by the President. A member may vote "Kanalua" the first time the member's name is called by the Clerk on any vote, but if the member votes "Kanalua" on the next call of the member's name, the member's vote shall be recorded as "Aye."

(2) The President may excuse a member who has a monetary interest in the question, or whose right to a seat in the Senate will be affected by the question, or whose official conduct is involved in the question. If a member thinks there may be a personal interest in the question, the member shall rise and disclose the interest to the President. The President then shall Rule whether the member has a conflict of interest. If so, the member shall be excused from voting.

(3) Whenever the Ayes and Noes are called, no one, without unanimous consent, shall be permitted to explain a vote.

(4) After the announcement by the President of the result, no one shall be allowed to vote or to change a vote.

PART IX. DECORUM; DISCLOSURES; PEER REVIEW; PUNISHMENT

Rule 72. Misconduct; Procedure; Peer Review

No member of the Senate shall be subject to a charge for misconduct, disorderly behavior, or neglect of duty unless the person making the charge shall have first given notice of the charge to the President and to the member being charged.

Upon receipt of the charge, the President shall attempt to resolve the matter in an administrative proceeding. If the matter cannot be resolved administratively, the President may appoint a Special Committee to be chaired by the Vice-President or such other member as the President may designate to investigate, hear and report upon the conduct of the member charged for misconduct, disorderly behavior or neglect of duty. Any member so charged shall be informed in writing of the specific charge or charges made against the member and have opportunity to present evidence and be heard in the member's own defense before the Special Committee. Following its investigation and hearing, the Special Committee shall file its report with the President setting forth its findings and recommendations.

If the committee recommends dismissal of the charge or charges, the President may dismiss the charges without further hearing, or the President may present the report of the committee to the Senate for its consideration. The Senate, by a majority vote, may dismiss the charge or charges against the member without a hearing.

If there is no dismissal of the charge or charges, or if the committee recommends censure, suspension or expulsion, the President shall present the report of the committee to the Senate for its consideration and decision. The member who is charged, shall be informed in writing of the presentation of the charge or charges of the committee report to the Senate and be given an opportunity to be heard in the member's own defense. The Senate, by a majority vote, may dismiss the charge or charges without a hearing, or with notice and an opportunity to be heard in the member's own defense, censure a member or, upon a two-thirds vote of all the members of the Senate, suspend or expel a member.

At any stage of the charge against a member, the member shall have a right to be represented by a person or persons of the member's own choosing.

Rule 73. Decorum: Transgression of Rules

If any member transgresses the rules of the Senate, the President, or any member, may call such member to order, and, when so called to order, the member immediately shall sit down. The President then shall decide the question of order without debate, subject to an appeal to the Senate.

The President may call for the sense of the Senate on any question of order.

Rule 74. Decorum: Address

When any member is about to speak, such member shall rise from the member's seat and address all remarks to the President. While speaking, the member shall confine all remarks to the question under debate, shall refer to other Senators by title only (e.g., "Senator from the _____ District"; "The Chair of the Committee on _____"; "The Majority Leader,") and not by name and shall avoid personalities.

Rule 75. Decorum: Person Called to Order While Speaking

Whenever any person shall be called to order while speaking, such person shall be deemed to be in possession of the floor when the question of order is decided and may proceed with the matter under discussion.

Rule 76. Decorum: Presence in Senate

No person shall sit at the desk of the President or Clerk, except by permission of the President, nor shall any person, other than a member, officer or permitted employee or person, sit in the main Senate floor area during any of the sessions of the Senate.

Rule 77. Decorum: Conduct in Session

When the President is putting any question or addressing the Senate, no one shall walk out of the room or across the floor. When a member is speaking, no one shall entertain a private discourse, nor shall anyone pass between the member speaking and the Chair.

Rule 78. Decorum: Disorderly Conduct in Session

If, during any session of the Senate, any member should behave in a disorderly manner the President shall order the member to be seated and preserve the peace. If such member then shall persist in disorderly conduct, the President shall order the Sergeant-at-Arms to remove the member from the Senate and the member shall not be permitted to take a seat during the remainder of that day's session, except upon satisfactory pledge given to the Senate for future good behavior.

For the punishment of any person not a member, the provisions of Article III, Section 18 of the Constitution shall govern.

Rule 79. Decorum: Recording of Debate Called to Order

If any Senator is called to order for words spoken in debate, upon the member's demand or on that of any other Senator, the words objected to shall be taken down in writing and noted by the Clerk, and, if required, shall be read for the information of the Senate.

Rule 80. Decorum: Smoking

No member or other officer shall smoke within the Senate Chamber during any of the meetings of the Senate.

Rule 81. Decorum: Solicitation Prohibited

An officer or employee of the Senate shall not solicit subscriptions, for any purpose, from any other officer or employee thereof, nor from any Senator. Nor shall any person be permitted to solicit or receive subscriptions or contributions for any purpose on the floor or in the lobby of the Senate or in any Senate office.

Rule 82. Disclosures

Each member shall file with the Ethics Commission of the State of Hawaii, a disclosure of the member's private financial interests, as prescribed by law. Each member shall file with the Ethics Commission any change in such financial interests.

If a legislative matter which affects a member's interests arises before the member has made a disclosure to the Ethics Commission, the member shall disclose orally such interest to the Senate before voting. The member then shall immediately make the written disclosure required by law and the Rules of the Senate.

Any member who has filed a disclosure as required by this Rule need not make a further oral disclosure on the Senate floor of any interest so filed.

Rule 83. Violating Confidence

If any matter covered in Rule 35 or 36 shall be disclosed by any Senator, the Senator shall be liable to censure, or, by a two-thirds vote, to suspension or expulsion from the Senate. If an officer or other person authorized to hear such matter shall disclose the matter, such officer shall be dismissed and such other person shall be liable to punishment for contempt comparable to the punishment provided for by Article III, Section 18 of the Constitution and in the manner as therein prescribed.

PART X. QUESTIONS TO STATE OFFICERS**Rule 84. Questions to State Officers**

Any member of the Senate may ask any question of any state officer relating to the officer's respective department by reducing such questions to writing, over the member's signature, reading the same before the Senate, and furnishing the officer with a copy of such written question. Any officer questioned shall reply to such question upon the following day, unless the Senate shall grant a definite extension of time for replying.

PART XI. AMENDMENT, SUSPENSION AND INTERPRETATION OF RULES**Rule 85. Amendments; Suspension; Violations**

(1) No rule of the Senate shall be amended or rescinded nor shall any new rule be adopted, without one day's notice of such change. Any such action shall require a majority vote of the members of the Senate.

(2) Any rule may be suspended for a particular purpose upon a majority vote of the members of the Senate.

(3) Any violation of these Rules shall be referred to the President for appropriate action.

Rule 86. Parliamentary Procedure

Mason's Manual of Legislative Procedures, 2000 edition, where not inconsistent with the Rules and practices of the Senate, shall govern.

**21st STATE LEGISLATURE
JOINT SENATE-HOUSE
2001 COMMITTEES ON CONFERENCE PROCEDURES**

The Senate and the House have agreed to the following special procedures for all 2001 Regular Session Committees on Conference meetings. Within these procedures:

"Chairs" refer to all of the designated co-chairs of a Conference Committee;

"Conference Committee" refers to the conference of the House Committee and the Senate Committee assigned by their respective chamber to resolve the differences between the House and the Senate over a particular bill or resolution; and

"Managers" refer to all members of the House and Senate assigned to a Conference Committee.

1. **Conference Committee Scope and Amendments**

The authority of the Conference Committee shall be limited to resolving differences between the Senate and House drafts of a bill or resolution. Accordingly:

- a. With the exception of the Executive Budget and the Judiciary Budget, a Conference Committee shall not amend a bill or resolution by inserting into the bill or resolution any unrelated or new subject matter.
- b. To assure the integrity of individual bills, the merging of two or more distinct but related bills into one encompassing bill shall not be allowed.

2. Conference Committee Meeting Times

Conference Committee deliberations shall take place only between the hours of 8:00 a.m. and 12:00 midnight.

3. Initial Public Meeting Notice

The signatures of the Conference Committee chairs of both the House and Senate shall be obtained before the notice of an initial meeting is posted or distributed. Prior to offering the initial meeting notice for signatures, the chairs shall consult with one another on the information to be included in the notice.

Conference Committee chairs shall provide at least 24 hours public notice of the first meeting of the Conference Committee, and are strongly encouraged to provide more than 24 hours notice if at all possible.

4. Notice of Subsequent Meetings

- a. If agreement is not reached at a duly noticed meeting, but the chairs agree to meet again before midnight on the same day, the chairs should announce the time at which the Conference Committee will reconvene. Written notice of the reconvening of the Conference Committee on the same day is not required to be distributed. However, written notice containing information on the subsequent meeting must be provided to the Chief Clerks of both houses and posted, as soon as possible, adjacent to the door of the assigned conference room.
- b. If agreement is not reached at a duly noticed meeting and the chairs agree to meet on another day, the chairs shall publicly announce the date(s) and time(s) of the subsequent meeting(s), post written notice, signed by the Conference Committee chairs, adjacent to the door of the assigned conference room, and submit copies of the written notice to the Chief Clerks of both houses.
- c. If agreement is not reached at a duly noticed meeting and the date(s) and time(s) of future meetings are not publicly announced at that noticed meeting, then chairs must ensure that written notice, signed by the chairs, are posted and distributed at least 24 hours in advance of the next meeting of the Conference Committee.

5. Conference Room Notice

Notices of Conference Committee meetings shall be posted adjacent to the door of the assigned conference room and updated periodically to advise the public of the items for which the Conference Committee has concluded its work and those items still remaining in conference.

6. Conference Discussion

Except as authorized by the respective Conference Committee chairs, only the respective Conference Committee chairs may speak during conference. All other managers or other authorized persons must be recognized by their respective chairs before speaking on any issue.

7. Decorum in Conference Committee Meetings and Courtesy to the Public and to the Managers

- a. Conference Committee managers shall respect the differing views of other managers and conduct themselves in a courteous manner.
- b. Conference Committee chairs shall ensure that meetings convene and reconvene at scheduled times. If none of the chairs of one of the Committees are present within 15 minutes of the scheduled meeting time, the chairs of the other Committee in Conference shall have the names of the absent chairs paged through the State Capitol public address system. If none of the absent chairs are present within 30 minutes of the scheduled meeting time, the chairs present shall inform the members of the public present that the Conference Committee cannot be reconvened, and that, pursuant to 4c of these Conference Committee Procedures, 24-hour notification will be provided for a subsequent meeting of the Conference Committee.

8. Decision-making Meetings

The decision-making meeting of a Conference Committee shall comply with the following open meeting provisions:

- a. A quorum of the Conference Committee shall be present for the decision-making meeting. A quorum shall be a majority of the House Committee managers and a majority of the Senate Committee managers and shall include the chairs of the Conference Committee.

- b. To report a measure out of Conference Committee in amended form (CD), all chairs and a majority of the quorum of House Committee managers and a majority of the quorum of Senate Committee managers must vote in favor of the proposed amendments.
- c. The lead chair (or the lead chair's designee) representing their respective chamber shall call the roll and be the recorder of the quorum and the votes on that measure for that chamber. (Draft sample attached).
- d. If, after naming a Conference Committee on a measure, the Conference Committee managers representing the chamber from which a measure originated agrees to the amendments made by the non-initiating chamber, only a quorum of those representing the originating chamber shall vote on the agreement at a duly noticed meeting. For example, if after naming a Conference Committee on a House measure, the House managers of the Conference Committee decide to agree to the amendments in the Senate draft (SD) of the measure, then only the House managers of the Conference Committee will vote on the measure, returning it to the House in its SD form. The "Record of Votes of a Conference Committee" sheet detailing the votes of the managers of the originating chamber shall be filed with the appropriate chamber without a Conference Committee Report.

9. Conference Committee Reports

- a. The House and Senate chairs of a Conference Committee shall attest to the action of the Conference Committee by signing the Conference Committee report on behalf of their respective managers. The "Record of Votes of a Conference Committee" sheet detailing the votes of the managers of the Conference Committee shall be attached to the report as a part thereof.
- b. All House measures reported out of Conference Committee shall be filed with the House Clerk and likewise all Senate measures shall be filed with the Senate Clerk. A document filed in the originating chamber shall be deemed simultaneously filed in the other chamber. Only one original and one copy shall be required for filing of Conference Committee reports.

10. Decision-making Deadlines

On the deadline nights for Final Decking of both non-fiscal and fiscal bills:

- a. Conference Committees shall conclude their negotiations by 6:00 p.m. to allow adequate time for final preparation of the bills and committee reports.
- b. To provide all Conference Committee chairs with ample opportunity to review and sign the Committee reports before filing, all Conference Committee reports shall be available for review and signature by 9:00 p.m.
- c. All Conference Committee reports shall be filed with the respective Clerk's office by 11:30 p.m.

11. Electronic Transfer

Should a Conference Committee for which the vehicle is a Senate bill decide to use a proposal drafted by the House, the House Chair shall have the House proposal electronically transferred to the appropriate Senate office so that the Conference Draft can be prepared. The converse shall apply to House bills with proposals drafted by the Senate that the Conference Committee agrees to.

12. Exceptions to these Procedures

Exceptions to these deadlines and other procedures may be made only with the advance written approval of both the Senate President and the House Speaker.
