Senator Hanabusa rose on a point of order as follows:

"Mr. President, I rise to a point of order.

"The point of order I rise to is whether there has been a breach of the Senate Rules. In specific, reference is made to Rules 25 and 45. At issue is the referral of S.B. No. 2029, which is entitled: Proposing an Amendment to Article XVI of the Constitution of the State of Hawaii Relating to Gambling, which is set forth in the referral sheet dated, I believe, Wednesday, January 23. I also note that this morning's referral sheet has a reference to S.B. No. 2326 on page 28, which is relating to a referendum on gaming.

"The breach of the Senate Rules is the referral to ALL. We have been instructed by a memo dated January 23, 2002, by the Clerk that ALL means the Senate Committee of the Whole.

"Mr. President, I believe my illustrious colleagues who are the Majority Leaders did not check our Senate Rules. The Senate Rule which refers to the referral does not permit our illustrious Majority Leaders to refer to the Committee of the Whole. The Committee of the Whole is only a creation of this body. We must, by majority vote, create the Committee of the Whole.

"Therefore, what I'm asking you to do, Mr. President, on this point of order is to determine that the referral is improper and in violation of the Rules, have it referred back to the illustrious Majority Leaders, and have them comply with the Rules of the Senate.

"Thank you, Mr. President."

The President replied:

"We will make that determination."

Senator Hanabusa rose and stated:

"Mr. President, I rise again, I guess, to issue an appeal then. I don't believe that you can make that determination. I think it either has to be made here or I call upon the Body to make that decision - the Body meaning all the Senators here. I am calling a point of order on the Rules and I'm asking that the Body look at the Rules and determine the proper interpretation of our Rules."

At 12:05 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:10 o'clock p.m.

The President then stated:

"If there are no objections from the members, we will be sending these two referenced bills back to the Majority Leaders for re-referral."

Senator Chun then rose and said:

“Mr. President, in light of the re-referral of and discussion with my illustrious colleague here, the referral for those two gaming bills will be as follows: TMG/TIA/JDC, WAM. Anybody else who wants to be on the bill can file an appeal.”

**REFERRAL OF SENATE CONCURRENT RESOLUTION**

The President made the following committee assignment of a concurrent resolution that was offered on Thursday, January 17, 2002:

No. 2029 Jointly to the Committee on Transportation, Military Affairs, and Government Operations, the Committee on Tourism and Intergovernmental Affairs and the Committee on Judiciary, then to Committee on Ways and Means

Senator Slom rose on a point of personal privilege as follows:

“Mr. President, I rise on a point of personal privilege.

“Mr. President, I’m very happy and I want to make sure that the bill cutoff is 6:00 p.m. today because I couldn’t stand to have any more bills like the bills that the Governor has introduced.

“Last week I was very concerned, Mr. President, as you know, because the Governor was going to raise the tax yet again on alcohol – on beer, on wine, and so forth. And now we learn that the Governor, Mr. President, is going to raise the tax on getting married. He wants to raise the marriage license fee from \$50 to \$90. He wants to raise and have a new fee for those providing the sacred and wonderful ceremonies to \$100 a year. And now, after you’re taxed on drinking your beer or champagne and celebrating, now he wants a new proposal for a

\$20 burial fee to bury you. And if you’re still around, like some of our shadows today, and they’re teenagers, there’s a proposal to increase the fee for teenagers taking the state educational driving course from \$10 to \$100.

“Mr. President, I don’t know how this is going to help the families. I don’t know how it’s going to help the economy, but I just hope that we can stop any more of these bills by 6:00 today.

“Thank you very much, Mr. President.”
