**ORDER OF THE DAY**

The Chair re-referred the following House concurrent resolutions that were received:

House Concurrent Resolution	Referred to:
No. 152, H.D. 2	Committee on Health
No. 156, H.D. 1	Committee on Health

**RECONSIDERATION OF ACTIONS TAKEN**

S.B. No. 1362, S.D. 3 (H.D. 2):

Senator Baker moved that the Senate reconsider its action taken on April 15, 2004, in disagreeing to the amendments proposed by the House to S.B. No. 1362, S.D. 3, seconded by Senator Hanabusa and carried.

Senator Baker moved that the Senate agree to the amendments proposed by the House to S.B. No. 1362, S.D. 3, seconded by Senator Hanabusa.

Senator Baker noted:

“Colleagues, this bill relates to mental health. It’s an administration bill. This is a bill that the administration asked us to make some additional amendments to, which we did on the Floor of the Senate prior to crossover.

“What the House did was to make the effective date upon approval, which is of course acceptable to the Senate, and to change the reporting language requested in this bill from 10 days prior to Session to 20 days prior to Session, which is certainly consistent with what is the normal practice. Therefore, I believe we should agree to the House amendments.

“Thank you.”

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 1362, S.D. 3, and S.B. No. 1362, S.D. 3, H.D. 2, entitled: “A BILL FOR AN ACT RELATING TO MENTAL HEALTH,” was placed on the calendar for Final Reading on Thursday, April 22, 2004.

S.B. No. 2897, S.D. 2 (H.D. 2):

Senator Baker moved that the Senate reconsider its action taken on April 15, 2004, in disagreeing to the amendments proposed by the House to S.B. No. 2897, S.D. 2, seconded by Senator Tsutsui and carried.

Senator Baker moved that the Senate agree to the amendments proposed by the House to S.B. No. 2897, S.D. 2, seconded by Senator Tsutsui.

Senator Baker noted:

“This is also an administration bill. It relates to dental examinations.

“What it does is to provide that if the state constructed exam cannot be administered in a public facility available in the state, which is Pearl Harbor, then it authorizes regional or state testing agencies to be used and then be able to license dentists and dental hygienists.

“It also repeals the license eligibility of graduates of foreign dental schools not accredited by the American Dental Association. This will bring the State of Hawaii’s licensure in conformance with all of the other states as of January of this year.

“These were amendments requested by the board of dental examiners. The Senate would have added these but the request came after we had already made a decision, and rather than reconsidering action in Committee, we let them go forward in the House.

So, these amendments are certainly acceptable to both your Committees on Health and Consumer Protection and Housing. I urge my colleagues to vote in favor of these amendments.

“Thank you.”

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No. 2897, S.D. 2, and S.B. Senator Hemmings rose on a point of personal privilege and said:

“Mr. President, I rise on a point of personal privilege.

“Mr. President, your loyal opposition in the Senate Minority is extremely concerned with the volume of the waiving of Rule 21 concerning hearing notices. I believe this Legislature in that it expedited some very significant legislation such as the state omnibus spending bill through the process this year and sent to the Governor many bills of major importance three weeks early, that there is indeed time to do things in such a manner that the public can be notified about it. There seems to be some substantive labor bills that are being expedited without adequate public notice and a number of resolutions that we feel that could have a direct impact on our constituencies.

“I'm hoping that members of the Majority Party will join us in this concern. If the Rule is uniformly waived on a regular basis, the Rule becomes absolutely useless. The intent of the Rule is extremely important – that the public, who sent us here, has adequate notice on bills and resolutions that will dramatically affect their life.

“I believe this effort, once again, is undemocratic in the sense of the word that the public will not have adequate notice to react accordingly to legislation we're considering. In that some of these bills do have the time to be adequately notified, I'm curious as to why it's being done.

“Thank you, Mr. President.”

The President responded:

“Thank you for voicing your concern. We will take that into advisement.”
