RE: H.B. No. 3190

Honorable Calvin K.Y. Say
Speaker, House of Representatives
Twenty-Third State Legislature
Regular Session of 2006
State of Hawaii

Sir:

Your Committee on Higher Education, to which was referred
H.B. No. 3190 entitled:

"A BILL FOR AN ACT RELATING TO CAPITAL IMPROVEMENT PROJECTS
PERTAINING TO WINDWARD COMMUNITY COLLEGE,"

begs leave to report as follows:

The purpose of this bill is to appropriate funds for a new
library and learning resource center at Windward Community
College.

Numerous concerned individuals testified in support of this
bill. The University of Hawaii (UH) supported the intent of this
measure.

Your Committee believes that the ten-campus UH System should
take the lead in building energy efficient facilities. As one of
the state's largest consumers of natural resources, the UH System
should make every effort to conserve this consumption of energy.
Requiring that the new library and learning resource center meet
or exceed the Leadership in Energy and Environmental Design (LEED)
Silver Rating Standard will result in an energy efficient and
sustainable facility. However, UH expressed concerns that
complying with the LEED Silver Rating Standard may have a major
impact on the total cost of the facility.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 3190 and recommends that it pass Second Reading and be referred to the Committee on Finance.

Respectfully submitted on
behalf of the members of the
Committee on Higher Education,

TOMMY WATERS, Chair

HSCR 389-06

State of Hawaii
House of Representatives
The Twenty-third Legislature
