STAND. COM. REP. NO. 305

Honolulu, Hawaii

MAR 2 4 2006

H.B. No. 2183 RE: H.D. 1

Honorable Robert Bunda President of the Senate Twenty-Third State Legislature Regular Session of 2006 State of Hawaii

Sir:

Your Committees on Transportation and Government Operations and Education and Military Affairs, to which was referred H.B. No. 2183, H.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO EMERGENCY SHELTERS,"

beg leave to report as follows:

The purpose of this measure is to authorize the issuance of general obligation bonds to fund retrofitting of public school buildings to enable them to be used as emergency shelters.

Your Committees received testimony in support of this measure from the State Civil Defense and the Department of Education.

Your Committees find that the supply of emergency shelters is woefully and dangerously inadequate. Emergency shelters can make the difference between life or death in a disaster, as was demonstrated in New Orleans with Hurricane Katrina. This measure is an outgrowth of that disaster-turned-catastrophe, which could have been ameliorated with better planning for emergency shelters.

The State Civil Defense estimates that the cost would be \$35,000,000 to retrofit public schools, but the agency is asking for an initial appropriation of \$4,000,000.

As affirmed by the records of votes of the members of your Committees on Transportation and Government Operations and Education and Military Affairs that are attached to this report, your Committees are in accord with the intent and purpose of H.B.

2006-2141 SSCR SMA.doc  No. 2183, H.D. 1, and recommend that it pass Second Reading and be referred to the Committee on Ways and Means.

Respectfully submitted on behalf of the members of the Committees on Transportation and Government Operations and Education and Military Affairs,

NORMAN SAKAMOTO, Chair

JAMULE, JUMPE LORRAINE R. INOUYE, Chair
