STAND. COM. REP. NO. 2061

Honolulu, Hawaii

Feb. 15

, 2006

RE: S.B. No. 3258

Honorable Robert Bunda President of the Senate Twenty-Third State Legislature Regular Session of 2006 State of Hawaii

Sir:

Your Committees on Health and Human Services, to which was referred S.B. No. 3258 entitled:

"A BILL FOR AN ACT MAKES AN APPROPRIATION FOR A GRANT TO GLOBAL MEDILINK TECHNOLOGY INC. FOR THE ORAL HEALTH INSTITUTE OF THE PACIFIC PROGRAM,"

beg leave to report as follows:

The purpose of this measure is to appropriate grant funds that will enable the Oral Health Institute of the Pacific to continue to provide dental clinics and services on Maui for the underserved population.

Your Committees received testimony in support of this measure from twenty-two individuals.

Your Committees find that dental health is an important part of an individual's total well-being. Poor dental health is often a precursor to more serious diseases.

Your Committees further find that individuals on Maui who are recipients of QUEST, SCHIP, and Medicaid, or are uninsured, cannot find dental services in the private sector. Thus, your Committees find that a grant to Global Medlink Technology Inc. for the Oral Health Institute of the Pacific program is necessary to ensure that dental clinics continue to operate and that the underserved population receives needed dental services.

As affirmed by the records of votes of the members of your Committees on Health and Human Services that are attached to this

report, your Committees are in accord with the intent and purpose of S.B. No. 3258 and recommend that it pass Second Reading and be referred to the Committee on Ways and Means.

Respectfully submitted on behalf of the members of the Committees on Health and Human Services,

STRANNE CHUN OAKLAND, Chair

ROSALYN 🗗. BAKER, Chair

The Senate Twenty-Third Legislature State of Hawaii
