MESSAGES FROM THE GOVERNOR

The following messages from the Governor (Gov. Msg. Nos. 546 to 565) were read by the Clerk and were placed on file:

Gov. Msg. No. 546, informing the Senate that on April 25, 2006, she permitted the following measure to become law without her signature, pursuant to Section 16 of Article III of the State Constitution, which reads as follows:

Senate Bill No. 2581 as Act 28, entitled: "RELATING TO THE BACKLOG IN UNSERVED ARREST WARRANTS."

"Dear Mr. President and Members of the Senate:

Re: Senate Bill No. 2581 SD1

On April 25, 2006, Senate Bill No. 2581, entitled 'Relating to the Backlog in Unserved Arrest Warrants' became law without my signature, pursuant to Section 16 of Article III of the State Constitution.

This bill seeks to reduce the backlog of unserved arrest warrants by (1) authorizing county police officers and public safety officers with police powers to serve arrest warrants, and (2) requiring the Attorney General to adopt rules pursuant to chapter 91, Hawaii Revised Statutes, through which retired police officers or public safety officers may be authorized to serve arrest warrants.

It should be pointed out that county police officers and public safety officers already have the authority to serve arrest warrants. Hiring retired law enforcement personnel is also currently possible and these rehires could serve arrest warrants if the department that hired them has such authority.

While this bill assigns to the Attorney General responsibility for adopting administrative rules to provide for authorizing retired county police officers and retired State public safety officers to serve certain arrest warrants, it fails to specify which State entity is responsible for administering such a program.

Further, this bill does not appropriate funds to compensate retired officers and to supervise the service of the arrest warrants.

This bill, alone, will not accomplish the goal of reducing the backlog in unserved arrest warrants. It will be incumbent upon the next session of the Legislature to remedy the aforementioned shortcomings of this measure with legislation placing the program under the jurisdiction of an agency, such as the Judiciary, and providing funding commensurate to ensure its purpose is served.

Therefore, I allowed Senate Bill No. 2581 SD1 to become law as Act 28 effective April 25, 2006 without my signature.

Sincerely,

/s/ Linda Lingle

Gov. Msg. No. 553, dated April 26, 2006, transmitting her statement of objections to House Bill No. 2208 which she has returned to the House of Representatives without her approval and which reads as follows:

"EXECUTIVE CHAMBERS
HONOLULU

April 26, 2006

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 2208

Honorable Members
Twenty-Third Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 2208, entitled 'A Bill for an Act Relating to Counties.'

The stated purpose of this bill is to extend the statute of limitations for actions against the counties for damage or injury from six month to two years.

This bill is objectionable because it is inconsistent with the intended purpose of section 46-72, Hawaii Revised Statutes, which was to create a claims procedure as a prerequisite to the filing of a lawsuit, not to establish a limitations period for filing a lawsuit. Notification of a claim within six months of the occurrence of the incident giving rise to the claim is to allow for

a prompt investigation while facts and circumstances are still fresh, witnesses are still available, and conditions remain substantially the same. An early review of claims would minimize unnecessary litigation, because a determination can be made whether the claim is frivolous or should be settled before a lawsuit is filed. If the claim is denied, the claimant still has the option to file a lawsuit within the two-year statute of limitations set forth in section 657-7, Hawaii Revised Statutes.

The claims procedure provided by section 46-72 will become a nullity if the time to submit a written notice of a claim were identical to the time to file a lawsuit.

For the foregoing reasons, I am returning House Bill No. 2208 without my approval.

Respectfully,

/s/ Linda Lingle
LINDA LINGLE
Governor of Hawaii"

Gov. Msg. No. 554, informing the Senate that on April 26, 2006, she signed into law House Bill No. 1242 as Act 35, entitled: "RELATING TO SECTION 453-16, HAWAII REVISED STATUTES."

Gov. Msg. No. 555, informing the Senate that on April 26, 2006, she permitted the following measure to become law without her signature, pursuant to Section 16 of Article III of the State Constitution, which reads as follows:

Senate Bill No. 2602 as Act 36, entitled: "RELATING TO ADULT PROBATION RECORDS."

"Dear Mr. President and Members of the Senate:

Re: Senate Bill No. 2602 SD1

On April 26, 2006, Senate Bill No. 2602, entitled 'Relating to Adult Probation Records' became law without my signature, pursuant to Section 16 of Article III of the State Constitution.

This bill adds persons and entities to the list of those who are allowed access to adult probation records to include court officers and designated social workers. The bill also allows the court to give contact information of current and former defendants to attorneys or collection agencies contracted to collect court penalties, fees, and judgments.

The statutory changes under Senate Bill No. 2602 have generally met the original intent of the bill to improve services to offenders, victims, and the community through selective release of information under collaborative relationships. The bill sought the release of information to selected individuals who facilitated the collection of delinquent monetary penalties and restitution. It also sought release of information to service providers to ensure offenders receive the proper substance abuse treatment.

The standard practice in substance abuse treatment is that the risk assessment and need for treatment services are obtained by a provider before placement decisions are made. Senate Bill No. 2602, however, states that the defendant's risk assessment and need for treatment services 'shall be given only upon the acceptance or admittance of the defendant into a treatment program.' Providing such information after the client is admitted is contrary to standard clinical practice, since a client should be admitted only if there is an assessed need for treatment.

Treatment providers, which are private nonprofit entities, objected to the above provision since it may result in admissions of clients who require specialized services that may be beyond a provider's program capacity or are inappropriate for the offender.

The Judiciary has indicated that despite these possible problems, they are willing to monitor the effects of the law and make suggested statutory changes to the 2007 Legislature.

Therefore, I allowed Senate Bill No. 2602 SD1 to become law as Act 36 effective April 26, 2006 without my signature.

Sincerely,

/s/ Linda Lingle
LINDA LINGLE"

"Mr. President, I rise in opposition to S.B. No. 3051.

"Colleagues, society develops standards to facilitate communication and understanding among its citizenry. We have a common language that we use. We have common unit of measure, a yardstick. We have a common currency. And when it comes to fiscal matters up until this point, the counties and the state have a common fiscal year. No evidence to me, overwhelming evidence, has been presented to convince me that the public interest would be served by having two or more fiscal years by the state and its entities. So I am casting a 'no' vote.

"I also would like to comment that usually in the corporate world when people try and change the fiscal year it's because they want to hide some statistics that would be apparent in a 12-year period and because people normally don't pay as close attention to a partial year. So, before you vote yes, please be convinced that there is an overwhelming public interest that will be served by having more than one fiscal year among our counties and perhaps counties and states.

“Thank you.”
