S.B. No. 2917 (H.D. 3):

The President discharged the managers who were appointed on the part of the Senate at the conference to be held for the consideration of amendments proposed by the House to S.B. No. 2917.

Senator Menor moved that the Senate reconsider its action taken on April 13, 2006, in disagreeing to the amendments proposed by the House to S.B. No. 2917, seconded by Senator Baker and carried.

Senator Menor moved that the Senate agree to the amendments proposed by the House to S.B. No. 2917, seconded by Senator Baker.

Senator Menor noted:

"Mr. President, the amendments made by the House include the following: one amendment classifies supporting and supplementary information that currently accompanies rate filings as confidential and proprietary and not open to public inspection; a second amendment reduces the time of the commissioner's office to review rate filings by decreasing the review period from 90 to 30 days prior to the rate becoming effective; the third excludes prepaid dental and vision plans which are offered as part of managed care plans from the rate filing requirement; another amendment imposes an additional requirement by the commissioner to set interim rates for managed care plans with rates that have then been disapproved by the plan they're contesting and disapproval over the rate filing through the administrative hearing process; and finally, the other amendment allows the managed care plan to deny requests for information by the commissioner's office by declaring that the information requested is confidential and proprietary.

"Your Senate Conferees had concerns about these particular provisions. I would have preferred these amendments not be made, but in trying to address the concerns of the House and the strong insistence on the part of the House Committee Chair that these amendments were needed in order for the bill to move out of conference, I am recommending that we pass these amendments because I think it's very important for us to continue health insurance rate regulation in Hawaii.

"Thank you."

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.B. No.

2917, and S.B. No. 2917, H.D. 3, entitled: "A BILL FOR AN ACT HEALTH INSURANCE RATE REGULATION," was placed on the calendar for Final Reading on Tuesday, May 2, 2006.

Senator Baker moved that the Senate agree to the amendments proposed by the House to S.C.R. No. 77, S.D. 2, seconded by Senator Menor.

The motion was put by the Chair and carried, the Senate agreed to the amendments proposed by the House to S.C.R. No. 77, S.D. 2, and S.C.R.
