
A BILL FOR AN ACT

MAKING AN EMERGENCY APPROPRIATION FOR NATURAL DISASTERS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. This Act is recommended by the governor for
2 immediate passage in accordance with section 9 of article VII of
3 the Hawaii State Constitution.

4 SECTION 2. The purpose of this Act is to make emergency
5 appropriations for emergency relief operations in the counties
6 of Hawaii, Maui, Kauai, and the city and county of Honolulu as a
7 result of the October 15, 2006, Kiholo Bay earthquake disaster.

8 The legislature finds and declares the appropriations under
9 this Act are in the public interest and ensures the public
10 health, safety, and general welfare of the state.

11 SECTION 3. In accordance with section 9 of article VII of
12 the Constitution of the State of Hawaii and sections 37-91 and
13 37-93, Hawaii Revised Statutes, the legislature has determined
14 that the general fund expenditure ceiling for fiscal year 2006-
15 2007 has already been exceeded by \$90,137,694 or 1.68 per cent.
16 The appropriations contained in this Act will cause the state
17 general fund expenditure ceiling for fiscal year 2006-2007 to be
18 exceeded by an additional \$24,000,000 or 0.448 per cent. The

1 calculation contained in the foregoing sentence relates only to
2 the amount of general funds appropriated in this Act for fiscal
3 year 2006-2007. The reasons for exceeding the general fund
4 expenditure ceiling are that the appropriations made in this Act
5 are necessary to serve the public interest and to meet the needs
6 provided for by this Act.

7 SECTION 4. There is appropriated out of the general
8 revenues of the State of Hawaii the sum of \$18,189,896 or so
9 much thereof as may be necessary for fiscal year 2006-2007 to
10 cover operational expenses associated with earthquake disaster
11 recovery efforts, including but not limited to national guard
12 personnel on state active duty and helicopter operating
13 expenses.

14 The sum appropriated shall be expended by the department of
15 defense for the purposes of this Act.

16 SECTION 5. There is appropriated out of the general
17 revenues of the State of Hawaii the sum of \$5,810,104 or so much
18 thereof as may be necessary for fiscal year 2006-2007 to cover
19 the twenty-five percent non-federal cost share for earthquake
20 disaster recovery projects eligible under the Federal Emergency
21 Management Agency's public assistance program.

1 The sum appropriated shall be expended by the department of
2 defense for the purposes of this Act.

3 SECTION 6. Each department or agency expending funds
4 authorized by this Act shall submit reports to the legislature
5 no later than January 15, 2008. The information contained in
6 the reports shall:

- 7 (1) Be organized by county;
- 8 (2) Provide summaries of expenditure data on a statewide
9 basis; and
- 10 (3) Include:
- 11 (A) The date of each expenditure;
- 12 (B) The purpose and description of each expenditure;
- 13 (C) The identification of any recipient of payments
14 from each expenditure; and
- 15 (D) For funds not authorized by this Act but
16 nevertheless used by any department or agency for
17 the purposes of this Act:
- 18 (i) The source of those funds, by specific
19 program;
- 20 (ii) The impact to the programs originally funded
21 by those funds; and

1 (iii) The need for any emergency appropriations
2 that resulted from the diversion of those
3 funds.

4 SECTION 7. Notwithstanding any provision of this Act to
5 the contrary, the appropriations under this Act shall not lapse
6 at the end of the fiscal year for which the appropriations were
7 made. All unexpended and unencumbered balances of the
8 appropriations made in this Act as of the close of business on
9 June 30, 2008, shall lapse.

10 SECTION 8. This Act shall take effect upon its approval.

Report Title:

Natural Disasters; Emergency Appropriation

Description:

Makes emergency appropriations to DOD for FY 2006-2007 to:

- (1) Cover operational expenses associated with the October 15, 2006, Kiholo Bay earthquake disaster recovery efforts in the counties of Hawaii, Maui, Kauai, and the City and County of Honolulu; and
- (2) Cover the 25% non-federal cost share for earthquake disaster recovery projects eligible under the FEMA Public Assistance program. (HB1345 HD2)
