# HOUSE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF LAND AND NATURAL RESOURCES TO  
CONSIDER IMPOSING AN ANNUAL PERIODIC CLOSURE PROHIBITING OR  
RESTRICTING BY BAG LIMIT THE NIGHT TIME COMMERCIAL HARVEST  
OF PARROT FISH.

1           WHEREAS, parrot fish, scarus sp., are an important food  
2 fish culturally in Hawaii and are caught by subsistence and  
3 commercial means using various harvest methods; and  
4

5           WHEREAS, parrot fish abundance varies from year to year  
6 depending on optimum spawning conditions, weather, and  
7 recruitment; and  
8

9           WHEREAS, the life history of parrot fishes are largely  
10 known, including the behavior of building mucous envelopes  
11 around themselves during nighttime periods of sleep; and  
12

13           WHEREAS, parrot fish while sleeping at night are harvested  
14 by dive spear-fisherman; and  
15

16           WHEREAS, commercial catch rates of parrot fish have  
17 steadily increased through the 1980s, remained stable through  
18 the 1990s, but have recently shown signs of decline; and  
19

20           WHEREAS, parrot fishes made up of 32 percent of the  
21 commercial dive spearfish landings during the 5 year period of  
22 1995 to 1999; and  
23

24           WHEREAS, the recreational and subsistence harvest of parrot  
25 fishes remains unknown; and  
26

27           WHEREAS, the only existing State regulation for parrot fish  
28 is the prohibition of taking fish under 12 inches in length; and  
29

1           WHEREAS, the unregulated night time take of sleeping  
2 parrot fish could reduce the stock to unsustainable levels; and  
3 now, therefore,  
4

5           BE IT RESOLVED by the House of Representatives of the  
6 Twenty-fourth Legislature of the State of Hawaii, Regular  
7 Session of 2007, the Senate concurring, that the Department of  
8 Land and Natural Resources is requested to conduct analysis,  
9 using the best available parrot fish fishery, biological,  
10 economic and social information, to consider imposing an annual  
11 periodic closure prohibiting the night time commercial harvest  
12 of parrot fish during the months of February through October, or  
13 bag limit on the night time commercial harvest of parrot fish;  
14 and  
15

16           BE IT FURTHER RESOLVED that the Department is requested to  
17 engage the dive and spear fishing community throughout the State  
18 to solicit comments and input on the proposed measures; and  
19

20           BE IT FURTHER RESOLVED that the Department of Land and  
21 Natural Resources is requested to report its findings and  
22 recommendations, including any suggested legislation to the  
23 Legislature, no later than twenty days prior to the convening of  
24 the Regular Session of 2008; and  
25

26           BE IT FURTHER RESOLVED that a certified copy of this  
27 Concurrent Resolution be transmitted to Chairperson of the Board  
28 of Land and Natural Resources, who is requested to transmit  
29 copies of the Concurrent Resolution to prospective members of  
30 the panel and any other interested party.
