
HOUSE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF TRANSPORTATION TO IMPLEMENT A
TRANSPORTATION PERFORMANCE PROGRAM.

1 WHEREAS, the State's worsening transportation problems are
2 imposing substantial costs on the State's residents and
3 businesses; and

4
5 WHEREAS, traffic congestion in the State's major
6 metropolitan areas has worsened over time and in relation to
7 comparable metropolitan areas in other states; and

8
9 WHEREAS, traffic congestion diminishes air quality and
10 safety, undermines the State's economic health, its residents'
11 quality of life and prosperity, and perpetuates poverty; and

12
13 WHEREAS, the absence of a specific and concrete plan by the
14 State to address traffic congestion ensures that traffic
15 congestion will continue to worsen; and

16
17 WHEREAS, it is necessary to undertake transportation
18 performance and accountability measures to minimize traffic
19 congestion to protect the health and well-being of the State's
20 residents and to maintain the economic growth of the State; now,
21 therefore,

22
23 BE IT RESOLVED by the House of Representatives of the
24 Twenty-fourth Legislature of the State of Hawaii, Regular
25 Session of 2007, the Senate concurring, that the Department of
26 Transportation is requested to implement a transportation
27 performance program; and

28
29 BE IT FURTHER RESOLVED that the Department of
30 Transportation is requested to include the following components
31 in the transportation performance program:
32

- 1 (1) Major metropolitan traffic congestion reduction
- 2 objectives, including:
- 3
- 4 (A) Long-term traffic congestion reduction
- 5 objectives;
- 6
- 7 (B) Interim traffic congestion reduction objectives;
- 8
- 9 (C) Reduction of traffic congestion;
- 10
- 11 (D) Preservation of non-toll roads; and
- 12
- 13 (E) Reduced cost-per-delay-hour standard;
- 14
- 15 (2) A statewide traffic flow improvement plan to include
- 16 incident management, reduction of delays due to
- 17 improvement projects and construction-related
- 18 congestion;
- 19
- 20 (3) A statewide infrastructure maintenance and improvement
- 21 program for pavement, bridge safety, and pothole
- 22 repair;
- 23
- 24 (4) A statewide safety enhancement program to include
- 25 reduction of vehicular-induced injuries and fatalities
- 26 and a statewide transportation emergency preparedness
- 27 plan; and
- 28
- 29 (5) Partnership with academia to include cooperation and
- 30 collaboration with the University of Hawaii to create
- 31 a transportation research center and transportation
- 32 programs that integrate engineering education with
- 33 congestion mitigation and safety improvements in the
- 34 State; and
- 35

36 BE IT FURTHER RESOLVED that certified copies of this
 37 Concurrent Resolution be transmitted to the Director of
 38 Transportation, the President of the University of Hawaii, and
 39 the Mayors of the respective counties.
