13

14           WHEREAS, additionally, child care issues may have an  
15 adverse impact on employers through employee absenteeism,  
16 tardiness, and turnover rates; and  
17

18           WHEREAS, finding a mechanism to provide child care to the  
19 children of State employees will alleviate several problems,  
20 including absenteeism and tardiness, and open up private child  
21 care facilities to other families; now, therefore,
