SENATE CONCURRENT RESOLUTION

REQUESTING THE FORMATION OF A UNIVERSITY OF HAWAII SECOND
CENTURY PROMISE TASK FORCE.

1 WHEREAS, the Legislature commends the University of Hawaii
2 on its first centennial, remembering the University from its
3 humble beginnings in 1907 in a small house on Young Street as
4 the College of Agriculture and Mechanic Arts and acknowledging
5 its status today, one hundred years later, as a world-renowned
6 and well respected university system comprised of ten campuses
7 that offer more than six hundred twenty certificates and
8 degrees; and
9

10 WHEREAS, over the past few decades the Legislature has
11 granted the University with increased administrative and
12 financial flexibility to respond more effectively to program
13 needs, changing situations, and entrepreneurial opportunities,
14 and thereby be able to provide higher education of superior
15 quality; and
16

17 WHEREAS, the Legislature has been grappling with the
18 relationship between the taxpayer, the University of Hawaii, and
19 the student for quite some time, having even mandated in 1995 a
20 general fund appropriation based on tuition revenues estimated
21 for that fiscal year in question; and
22

23 WHEREAS, the University suffered great budget cuts during
24 the downturn in the economy during the late 1990s; and
25

26 WHEREAS, the Legislature will remain uncertain as to how
27 the University of Hawaii will respond in the future to
28 significant downturns in the economy absent a solid and bold
29 relationship with the taxpayers of this State; now, therefore,
30

12 the University of Hawaii, the Governor, the National Center for
13 Higher Education Management Systems, the Western Interstate
14 Commission on Higher Education, Enterprise Honolulu, and the

16
17 BE IT FURTHER RESOLVED that in developing an appropriate

- 19
20 (1) The relationship between the State, the University of
