
SENATE CONCURRENT RESOLUTION

ESTABLISHING A NORTH SHORE KAMEHAMEHA HIGHWAY TRAFFIC CONGESTION
TASK FORCE TO CONDUCT AN ASSESSMENT OF TRAFFIC IMPACTS OF
THE PROPOSED TURTLE BAY RESORT EXPANSION AND OTHER
DEVELOPMENTS IN THE REGION AND TO RECOMMEND MITIGATIVE
MEASURES THAT MAY BE REQUIRED BY THE EXPANSION.

1 WHEREAS, Kamehameha Highway, the only regional roadway on
2 the North Shore of O'ahu, is a narrow, two-lane roadway that has
3 seen tremendous traffic volume increases in recent years; and
4

5 WHEREAS, the O'ahu Regional Transportation Plan for the year
6 2030 includes no significant capacity improvements for this
7 highway within the next twenty-three years; and
8

9 WHEREAS, a traffic study completed in 2005 for the proposed
10 Kawaihoa Beach Park estimated a volume of one thousand six
11 hundred vehicles per hour on Saturday afternoons, a time when
12 traffic usually backs up for miles in both directions; and
13

14 WHEREAS, Kuilima Resort Company's 2005 Traffic Impact
15 Analysis Report update estimates the expanded Turtle Bay Resort
16 will generate additional vehicle trips per hour; and
17

18 WHEREAS, Kamehameha Highway cannot support the projected
19 increase in vehicular traffic without improvements to provide
20 additional capacity; and
21

22 WHEREAS, design, construction, maintenance, and upgrades to
23 the state highway system are the responsibility of the State of
24 Hawai'i; and
25

26 WHEREAS, emergency vehicles have greater difficulty
27 navigating gridlocked traffic, which could cause significant
28 delays in emergency response and pose serious safety concerns to
29 the residents and visitors of the State of Hawai'i; now,
30 therefore,

1 BE IT RESOLVED by the Senate of the Twenty-Fourth
2 Legislature of the State of Hawai'i, Regular Session of 2007, the
3 House of Representatives concurring, that a North Shore
4 Kamehameha Highway Traffic Congestion Task Force is established
5 to conduct an assessment of traffic impacts of the proposed
6 Turtle Bay Resort expansion and other developments in the region
7 and to recommend mitigative measures that may be required by the
8 expansion; and
9

10 BE IT FURTHER RESOLVED that the North Shore Kamehameha
11 Highway Traffic Congestion Task Force be co-chaired by the
12 Department of Transportation and include representatives from
13 the Department of Transportation Services, and the Department of
14 Planning and Permitting of the City and County of Honolulu; and
15

16 BE IT FURTHER RESOLVED that if the North Shore Kamehameha
17 Highway Traffic Congestion Task Force finds that the impacts of
18 the proposed expansion would bring the highway levels of service
19 and volume-to-capacity ratio outside of national and state
20 highway guidelines, then the Task Force is requested to:

- 21
- 22 (1) Recommend potential mitigative measures and broad
23 estimates of the costs and timelines involved to
24 implement the mitigative measures; and
25
 - 26 (2) Make specific recommendations for measures, such as
27 project phasing related to highway capacity expansion,
28 that may be required of the developer; and
29

30 BE IT FURTHER RESOLVED that the North Shore Kamehameha
31 Highway Traffic Congestion Task Force seek community input from
32 residents and businesses located in the North Shore area,
33 including the appropriate neighborhood boards, and conduct
34 community public hearings or informational briefings
35 accordingly; and
36

37 BE IT FURTHER RESOLVED that the North Shore Kamehameha
38 Highway Traffic Congestion Task Force report its findings and
39 recommendations to the Legislature and to the City Council of
40 the City and County of Honolulu no later than twenty days prior
41 to the convening of the Regular Session of 2008; and
42

1 BE IT FURTHER RESOLVED that certified copies of this
2 Concurrent Resolution be transmitted to the Director of
3 Transportation, the Director of the Department of Transportation
4 Services of the City and County of Honolulu, the Director of the
5 Department of Planning and Permitting of the City and County of
6 Honolulu, and the Chair of the Honolulu City Council.
