# SENATE CONCURRENT RESOLUTION

OPPOSING THE CREATION OF A NATIONAL IDENTIFICATION CARD AND THE  
IMPLEMENTATION OF THE REAL ID ACT OF 2005.

1           WHEREAS, the State of Hawaii recognizes the Constitution of  
2 the United States as our charter of liberty and the bill of  
3 rights as affirming the fundamental and inalienable rights of  
4 all Americans, including the freedom of privacy and the freedom  
5 from unlawful searches and seizures; and  
6

7           WHEREAS, Hawaii has a diverse population whose  
8 contributions are vital to the State's economy, culture, and  
9 civic character; and  
10

11           WHEREAS, Hawaii is proud of its long tradition of  
12 protecting civil rights and liberties of all of its residents,  
13 affirming the fundamental rights of all people and, in some  
14 circumstances, providing more expansive protections than are  
15 granted by the United States Constitution; and  
16

17           WHEREAS, the State of Hawaii denounces terrorism in all its  
18 forms and condemns all acts of terrorism by any entity, wherever  
19 the acts may occur; and  
20

21           WHEREAS, any new security measures to provide protection  
22 from terrorist attacks should be carefully designed to enhance  
23 public safety without infringing on the civil liberties and  
24 rights of citizens; and  
25

26           WHEREAS, the federal Real ID Act of 2005, Public Law  
27 109-13, creates a national identification card by mandating  
28 federal standards for state drivers' licenses and identification  
29 cards and requiring states to share their motor vehicle  
30 databases; and  
31

32           WHEREAS, the Real ID Act of 2005 mandates the documents  
33 that states must require to issue drivers' licenses and requires

1 states to place uniform information on every driver's license in  
2 a standard, machine-readable format; and

3  
4 WHEREAS, the Real ID Act of 2005 prohibits federal agencies  
5 and federally-regulated commercial aircrafts from accepting a  
6 driver's license or identification card issued by a state that  
7 has not fully complied with the Act; and

8  
9 WHEREAS, the Real ID Act of 2005 creates a costly unfunded  
10 mandate for the states, currently estimated to cost in excess of  
11 \$11,000,000,000 to implement; and

12  
13 WHEREAS, the Real ID Act requires the creation of a fifty  
14 state distributed public sector database containing information  
15 on every American that is accessible to motor vehicle employees  
16 and law enforcement officers nationwide and that can be used to  
17 gather and manage information on citizens, which is not the  
18 responsibility or business of the government; and

19  
20 WHEREAS, the Real ID Act of 2005 enables the creation of  
21 additional massive private sector databases, combining both  
22 transactional information and driver's license information  
23 gained from scanning the machine-readable information to be  
24 contained on every driver's license; and

25  
26 WHEREAS, it is likely that these public and private  
27 databases will contain numerous errors and false information,  
28 creating significant hardships on Americans attempting to verify  
29 their identities in order to fly, open bank accounts, or perform  
30 many other functions required to live in the United States  
31 today; and

32  
33 WHEREAS, the Federal Trade Commission estimates that ten  
34 million Americans are victims of identity theft each year, and,  
35 because identity thieves are increasingly targeting motor  
36 vehicle departments, the Real ID Act of 2005 will further enable  
37 the crime of identity theft by making personal information of  
38 all Americans more accessible from more locations; and

39  
40 WHEREAS, the Real ID Act of 2005 contains onerous record  
41 verification and retention provisions that place unreasonable  
42 burdens on the motor vehicle divisions and on third parties  
43 required to verify records; and

1           WHEREAS, the Real ID Act of 2005 will place enormous  
2 burdens on consumers seeking new drivers' licenses, including  
3 waiting in longer lines, higher costs, increased document  
4 requests, and longer waiting periods; and  
5

6           WHEREAS, the Real ID Act of 2005 will place motor vehicle  
7 division staff on the front lines of immigration enforcement by  
8 forcing public employees to determine federal citizenship and  
9 immigration status; and  
10

11           WHEREAS, the Real ID Act of 2005 was passed as a rider to  
12 an emergency appropriations measure for military operations in  
13 Iraq and Afghanistan, which did not receive a hearing by any  
14 Congressional Committee or a vote solely on its own merits,  
15 despite widespread opposition; and  
16

17           WHEREAS, the Real ID Act of 2005 eliminated a process of  
18 negotiated rulemaking initiated under the Intelligence Reform  
19 and Terrorism Prevention Act of 2004, which had convened  
20 federal, state, and local policymakers and privacy and industry  
21 experts to solve the problem of misuse of identity documents;  
22 and  
23

24           WHEREAS, the State of Hawaii expresses its support of the  
25 United States government's campaign against terrorism, as well  
26 as the belief that such campaign should not be waged at the  
27 expense of the civil rights and liberties of the citizens of  
28 this country; now, therefore,  
29

30           BE IT RESOLVED by the Senate of the Twenty-fourth  
31 Legislature of the State of Hawaii, Regular Session of 2007, the  
32 House of Representatives concurring, that the Legislature of the  
33 State of Hawaii opposes the institution of a national  
34 identification card and the implementation of the Real ID Act of  
35 2005, particularly those provisions that:  
36

- 37           (1) Violate the rights and liberties guaranteed under the  
38 Hawaii State Constitution or the United States  
39 Constitution, including the bill of rights; and  
40
- 41           (2) Create unfunded mandates for the State without any  
42 plan for financial subsidization for implementation;  
43 and  
44

1 BE IT FURTHER RESOLVED that the Legislature of the State of  
2 Hawaii supports the repeal of the Real ID Act of 2005 and urges  
3 the Hawaii congressional delegation to support any legislation  
4 that calls for the repeal, amendment, or, at a minimum, the  
5 provision of proper funding for the implementation of the Real  
6 ID Act of 2005; and  
7

8 BE IT FURTHER RESOLVED that certified copies of this  
9 Concurrent Resolution be transmitted to the President of the  
10 United States through the Secretary of State, the Majority  
11 Leader of the United States Senate, the Speaker of the United  
12 States House of Representatives, and the members of Hawaii's  
13 congressional delegation.
