## SENATE RESOLUTION

---

REQUESTING THE UNITED STATES CONGRESS TO PROVIDE FUNDING FOR THE  
CONSTRUCTION OF A NEW STATE EMERGENCY OPERATING CENTER.

1 WHEREAS, the Legislature recognizes that emergency  
2 management is one of the most important functions of the state  
3 government in the protection of lives and property against  
4 disasters; and

5  
6 WHEREAS, every available minute is needed to assess  
7 potentially dangerous situations and the State must be in a  
8 position to coordinate warnings and actions to protect lives and  
9 property; and

10  
11 WHEREAS, it is the intent of the Legislature to expand and  
12 improve Hawaii's emergency management operations by supporting  
13 the construction of a new State Emergency Operating Center; and

14  
15 WHEREAS, the around the clock warning capability that a  
16 State Emergency Operations Center can provide should be placed  
17 in a technologically advanced facility that is capable of  
18 accommodating appropriate public and private emergency response  
19 organizations with the requisite communications and information  
20 management systems; and

21  
22 WHEREAS, historically, the federal government has provided  
23 funding to the states to enhance emergency preparedness; and

24  
25 WHEREAS, federal funding for the construction of a new  
26 State Emergency Operating Center is requested; now, therefore,

27  
28 BE IT RESOLVED by the Senate of the Twenty-fourth  
29 Legislature of the State of Hawaii, Regular Session of 2007,  
30 that the United States Congress is requested to provide funding  
31 in the sum of \$40,000,000 for the construction of a new State  
32 Emergency Operating Center; and

33  
34 BE IT FURTHER RESOLVED that certified copies of this  
35 Resolution be transmitted to the Majority Leader of the United  
36 States Senate, the Speaker of the United States House of

- 1 Representatives, and each member of Hawaii's Congressional
- 2 Delegation.
