Senator Slom rose in opposition to the measure as follows:

"Madam President, I rise to speak in opposition to H.C.R. No. 82.

"As I had indicated in our Committee meeting last week, I was very troubled by this resolution because in its five pages it tries to go in several different directions. It calls for a Hawaiian Restoration Day, and those that supported this resolution said that basically it was a time to bring people together, a time to recognize historic facts and to honor Grover Cleveland.

"Madam President, if the resolution in fact were designed to honor President Grover Cleveland, that would be one thing and I'd be all for it. If in fact the resolution were designed to bring people together and use Restoration Day as a time to move on, I would support that also. But Madam President, in reading the five pages of this resolution, I'm troubled because it keeps bringing up divisive arguments about 'intrigue, subterfuge, betrayal, incomparable alliances, conspiracy, deception, imperialism, and expansion.' Nowhere does this resolution really seek to restore or to have people move on, and I've been very troubled over the last several years of the growing divisiveness between our peoples in terms of looking at historical facts with the overthrow and some of the generalities and flat out misconceptions and misstatements that have been made about it.

"So, for these reasons, Madam President, I'm casting a 'no' vote and I urge members to consider carefully what it is that they are agreeing to. Grover Cleveland, for example, as I say, if the resolution would have been aimed about saying he was a great man and he supported the Hawaiian Monarch, that would have been fine, except Grover Cleveland, the President, also made three specific pledges to the Hawaiian Kingdom and none of those pledges were ever kept by President Grover Cleveland.

"So, thank you for the opportunity, Madam President."

Senators Taniguchi, Sakamoto and Baker requested their votes be cast "aye, with reservations," and the Chair so ordered.

The motion was then put by the Chair and carried, the report of the majority of the Committee was adopted and H.C.R.
