JUSTIFICATION SHEET

DEPARTMENT: Business, Economic Development and Tourism

TITLE: A BILL FOR AN ACT MAKING AN APPROPRIATION FOR AFFORDABLE HOUSING.

PURPOSE: To restore, in part, critical housing funds that were raided since 1995 by appropriating \$50,000,000 in general funds to be deposited into the Dwelling Unit Revolving Fund (DURF).

MEANS: Appropriate \$25,000,000 in general funds for fiscal year 2007-2008 and the same sum in fiscal year 2008-2009.

JUSTIFICATION: This bill would appropriate a total of \$50 million in general funds for deposit into the Dwelling Unit Revolving Fund (DURF) in FY 2008 and FY 2009.

The Hawaii Housing Finance Development Corporation's ("HHFDC") mission is to increase the supply of workforce and affordable housing by providing tools and resources to facilitate housing development. This includes both rental housing and for-sale housing.

DURF may be used for various purposes such as the acquisition of real property, the development of infrastructure, and for interim construction and permanent loans for the development of for-sale and rental housing. The infusion of a total of \$50 million into DURF would enable the HHFDC to partner with private developers and other government agencies, such as the DHHL, to produce workforce and affordable housing.

General funds infused into the DURF could be leveraged with other existing funding sources such as low income housing tax credits and tax-exempt revenue bonds to

finance the development of workforce and affordable housing.

Impact on the public: Will encourage the development of much-needed affordable housing units statewide.

Impact on the department and other agencies:
None.

GENERAL FUND: \$25,000,000 in FY 2008 and \$25,000,000 in FY 2009.

OTHER FUNDS: None.

PPBS PROGRAM
DESIGNATION: BED 160.

OTHER AFFECTED
AGENCIES: None.

EFFECTIVE DATE: July 1, 2007.
