9 SECTION 13. Section 88-83, Hawaii Revised Statutes, is  
10 amended to read as follows:

11 "**§88-83 Election of retirement allowance option.** (a)  
12 Upon retirement, any member may elect to receive the maximum  
13 retirement allowance to which the member is entitled computed in  
14 accordance with section 88-74, 88-76, or 88-80, and in the event  
15 of the [~~member's~~] retirant's death, there shall be paid to the  
16 [~~member's~~] retirant's designated beneficiary, or otherwise to  
17 the [~~member's~~] retirant's estate[7] the difference between  
18 [~~the~~]:

19 (1) The balance of the member's accumulated contributions  
20 at the time of the member's retirement; and [~~the~~]

21 (2) The retirement allowance and, if the retirant retired  
22 after November 30, 2004, the post retirement

1           allowances paid or payable to the [~~member~~] retirant  
2           prior to death.

3           In lieu of this maximum allowance, the member may elect to  
4 receive the member's retirement allowance under any one of the  
5 optional plans described below, which shall be actuarially  
6 equivalent to the maximum allowance.

7           Option 1: The member may elect to receive a lesser  
8 retirement allowance during the member's lifetime. At the  
9 member's retirement, there shall be established an amount of  
10 initial insurance that shall be computed on the basis of  
11 actuarial factors adopted by the board. Upon the death of the  
12 retirant, there shall be paid to the retirant's designated  
13 beneficiary, otherwise to the retirant's estate: any balance  
14 remaining in the initial insurance reserve, after deducting the  
15 retirement allowance and, if the retirant retired after November  
16 30, 2004, the post retirement allowances paid to the retirant  
17 prior to death [~~, shall be paid to the retirant's beneficiary,~~  
18 ~~otherwise to the retirant's estate~~]. In lieu of the lump sum  
19 balance, the beneficiary may, if the beneficiary is a natural  
20 person, elect to receive an allowance for life based on the  
21 value of the balance; provided that the allowance is not less  
22 than \$100 per month. If the beneficiary of the retirant who:

1       (1) Retired after November 30, 2004, and  
2       (2) Dies after June 30, 2007,  
3       elects to receive the allowance in lieu of the lump sum balance,  
4       there shall also be payable to the beneficiary an additional  
5       allowance calculated and payable in the same manner as a post  
6       retirement allowance under section 88-90. The additional  
7       allowance shall be based on the original amount of the allowance  
8       in lieu of the lump sum balance, and shall commence on the first  
9       day of July following the calendar year in which payment of the  
10       allowance in lieu of the lump sum balance is effective.

11       Option 2: The member may elect to receive a lesser  
12       retirement allowance during the member's lifetime and have those  
13       allowances, including cumulative post retirement allowances, if  
14       applicable, continued after the member's death to the member's  
15       beneficiary designated at the time of the member's retirement,  
16       for the life of the beneficiary. If the beneficiary dies prior  
17       to the retirant, all further payments shall cease upon the death  
18       of the retirant; provided that for members retiring after  
19       November 30, 2004, if the retirant's designated beneficiary dies  
20       at any time after the retirant retired, but before the death of  
21       the retirant, the retirant, upon the death of the retirant's  
22       designated beneficiary, shall receive a retirement allowance,

1 including cumulative post retirement allowances, calculated as  
2 if the retirant had selected the maximum retirement allowance to  
3 which the [~~member~~] retirant is entitled. Only one beneficiary  
4 shall be designated under this option. The beneficiary  
5 designated under this option shall be a natural person, and  
6 benefits under this option shall only be paid to a natural  
7 person.

8       Option 3: The member may elect to receive a lesser  
9 retirement allowance during the member's lifetime and have one-  
10 half of the allowance, including fifty per cent of all  
11 cumulative post retirement allowances, if applicable, continued  
12 after the member's death to the member's beneficiary designated  
13 at the time of the member's retirement, for the life of the  
14 beneficiary. If the beneficiary dies prior to the retirant, all  
15 further payments shall cease upon the death of the retirant;  
16 provided that for members retiring after November 30, 2004, if  
17 the retirant's designated beneficiary dies at any time after the  
18 retirant retired, but before the death of the retirant, the  
19 retirant, upon the death of the retirant's designated  
20 beneficiary, shall receive a retirement allowance, including  
21 cumulative post retirement allowances, calculated as if the  
22 retirant had selected the maximum retirement allowance to which

1 the [~~member~~] retirant is entitled. Only one beneficiary shall  
2 be designated under this option. The beneficiary designated  
3 under this option shall be a natural person, and benefits under  
4 this option shall only be paid to a natural person.

5 Option 4: The member may elect to receive a lesser  
6 retirement allowance during the member's lifetime and provide  
7 some other benefit to the member's beneficiary in accordance  
8 with the member's own specification; provided that this election  
9 shall be certified by the actuary to be the actuarial equivalent  
10 of the member's retirement allowance and shall be approved by  
11 the board.

12 Option 5: The member may elect to receive the balance of  
13 the member's accumulated contributions at the time of retirement  
14 in a lump sum and, during the member's lifetime, a retirement  
15 allowance equal to the maximum retirement allowance reduced by  
16 the actuarial equivalent of these contributions. Upon the death  
17 of the retirant, all further payments shall cease. Only a  
18 member retiring from service having at least ten years of  
19 credited service or for disability may elect this retirement  
20 allowance option.

1 To receive benefits, the beneficiary must have been  
2 designated by the member in the form and manner prescribed by  
3 the board.

4 (b) In the event of the death of a member after the date  
5 of the filing of the member's written application to retire[7]  
6 but prior to the retirement date designated by the member, and,  
7 if the member was eligible to retire on the date of the member's  
8 death, the member's designated beneficiary, or otherwise the  
9 personal representative of the member's estate, may elect to  
10 receive either the death [benefits] benefit under section 88-84  
11 or the allowance under the option selected by the member that  
12 would have been payable had the member retired. The effective  
13 date of the member's retirement shall be the first day of a  
14 month, except for the month of December when the effective date  
15 of retirement may be on the first or last day of the month, and  
16 shall be no earlier than the later of thirty days from the date  
17 the member's retirement application was filed or the day  
18 following the member's date of death. The election may not be  
19 made if, at the time of the member's death, there are  
20 individuals who are eligible to receive death benefits under  
21 section 88-85 who have made a claim for the benefits; provided  
22 that, if the designated beneficiary is an individual eligible to

1 receive benefits under section 88-85, the designated beneficiary  
2 may receive benefits pursuant to an election made under this  
3 section pending disposition of the claim for benefits under  
4 section 88-85. If death benefits are payable under section  
5 88-85, the death benefits shall be in lieu of any benefits  
6 payable pursuant to this section.

7 (c) No election by a member under this section shall take  
8 effect unless:

9 (1) The spouse or reciprocal beneficiary of the member is  
10 furnished written notification that:

11 (A) Specifies the retirement date, the benefit option  
12 selected, and the beneficiary designated by the  
13 member;

14 (B) Provides information indicating the effect of the  
15 election; and

16 (C) Is determined adequate by rules [~~established~~]  
17 adopted by the board [~~pursuant to~~] in accordance  
18 with chapter 91;

19 (2) The member selects option 2 or option 3 and designates  
20 the spouse or reciprocal beneficiary as the  
21 beneficiary; or

1 (3) It is established to the satisfaction of the board  
2 that the notice required under paragraph (1) cannot be  
3 provided because:

4 (A) There is no spouse or reciprocal beneficiary;

5 (B) The spouse or reciprocal beneficiary cannot be  
6 located;

7 (C) The member has failed to notify the system that  
8 the member has a spouse or reciprocal

9 beneficiary, or has failed to provide the system

10 with the name and address of the member's spouse

11 or reciprocal beneficiary; or

12 (D) Of other reasons, as established by ~~[rules of~~

13 ~~the]~~ board ~~[pursuant to]~~ rules adopted in

14 accordance with chapter 91.

15 Any notice provided to a spouse or reciprocal

16 beneficiary, or determination that the notification of

17 a spouse or reciprocal beneficiary cannot be provided,

18 shall be effective only with respect to that spouse or

19 reciprocal beneficiary. The system will rely upon the

20 representations made by a member as to whether the

21 member has a spouse or reciprocal beneficiary and the

1 name and address of the member's spouse or reciprocal  
2 beneficiary.

3 (d) Each member, within a reasonable period of time before  
4 the member's retirement date, shall be provided a written  
5 explanation of:

6 (1) The terms and conditions of the various benefit  
7 options;

8 (2) The rights of the member's spouse or reciprocal  
9 beneficiary under subsection (c) to be notified of the  
10 member's election of a benefit option; and

12 revocation of an election of a benefit option.

13 (e) The system shall not be liable for any false  
14 statements made to the system by the member or by the member's  
15 employer.

16 (f) In the event of the death of the retirant within one  
17 year after the date of retirement, the retirant's designated  
18 beneficiary may elect to receive either the death benefit under  
19 the retirement allowance option selected by the retirant, or the  
20 ~~[benefits as]~~ benefit that would have been paid under section  
21 88-84 had the retirant died immediately prior to retirement,  
22 less any payments ~~[which the retirant]~~ received~~[=]~~ by the

1 retirant; provided that the designated beneficiary may not elect  
2 to receive benefits under option 2 of this section if the  
3 retirant would not have been permitted by applicable law or by  
4 the rules of the board to name the designated beneficiary as  
5 beneficiary under option 2.

6 (g) The increase in the retirant's benefit under options  
7 2, 3, and, if applicable, 4 upon the death of the retirant's  
8 designated beneficiary shall be effective the first day of the  
9 month following the date of death of the designated beneficiary.  
10 The retirant shall notify the system in writing and provide a  
11 certified copy of the beneficiary's death certificate. The  
12 system shall make retroactive benefit payments to the retirant,  
13 not to exceed six months from the date the written notification  
14 and the certified copy of the death certificate are received by  
15 the system. The retroactive payments shall be without interest.

16 (h) Upon a member's retirement:

17 (1) The member's election of a retirement allowance option  
18 shall be irrevocable; and

19 (2) The member's designation of a beneficiary shall be  
20 irrevocable if the retirement allowance option elected  
21 by the member is:

22 (A) Option 2 or 3;

- 1 (B) An option that includes option 2 or 3 in  
2 combination with some other form of benefit  
3 payment; or
- 4 (C) Any other option for which the actuarial  
5 equivalent of the option to the maximum  
6 retirement allowance is determined at the time of  
7 the member's retirement based in whole or in part  
8 on the age of the member's designated  
9 beneficiary.

10 (i) A claim under this section by a retirant's or member's  
11 beneficiary for benefits upon the death of a retirant or member  
12 shall be filed no later than three years from the date of the  
13 retirant's or member's death."

15 amended by amending subsection (a) to read as follows:

2 member's death if the member had at least one year but  
3 not more than ten full years of credited service,

7 provided that if the member had at least one year of  
8 credited service, the amount, together with the  
9 member's accumulated contributions shall not be less  
10 than one hundred per cent of the compensation;

11 (2) If the member had ten or more years of credited  
12 service at the time of death in service, and the death  
13 occurred after June 30, 1988, the member's designated  
14 beneficiary may elect to receive in lieu of any other  
15 payment provided in this section, the allowance that  
16 would have been payable as if the member had retired  
17 on the first day of a month following the member's  
18 death, except for the month of December when  
19 retirement on the first or last day of the month shall  
20 be allowed. Benefits payable under this paragraph  
21 shall be calculated under option 3 of section 88-83

1 and computed on the basis of section [~~88-76,~~] 88-74,

4 the time of death in service, the member's designated  
5 beneficiary may elect to receive in lieu of any other  
6 payment provided in this section, the allowance that  
7 would have been payable as if the member had retired  
8 on the first day of a month following the member's  
9 death, except for the month of December when  
10 retirement on the first or last day of the month shall  
11 be allowed. Benefits payable under this paragraph  
12 shall be calculated under option 2 of section 88-83[~~-~~]  
13 and computed on the basis of section 88-74."

15 amended to read as follows:

16 "[+]§88-90.5[+] **Actuarial assumptions.** (a)

17 Notwithstanding any provision in [~~chapter 88~~] this chapter to the  
18 contrary, the board [~~of trustees~~] may approve the effect of the  
19 post retirement allowance under section 88-90, or of any other  
20 mandatory fixed scheduled increase in the benefits payable under  
21 part II, VII, or VIII, as an actuarial assumption for the purpose

1 of determining the value of the options available under sections  
2 88-83, 88-283, and 88-333.

3 (b) Subject to the recommendation of the actuary appointed  
4 under section 88-29, the board may adopt, by motion at any duly  
5 noticed meeting of the board, actuarial tables, factors, and  
6 assumptions for the purposes of parts II, VII, and VIII. The  
7 tables, factors, and assumptions that are used to compute  
8 benefits shall be in writing and certified by the  
9 administrator."

10 SECTION 16. Section 88-93, Hawaii Revised Statutes, is  
11 amended to read as follows:

12 **"§88-93 Named beneficiaries by members and by former**  
13 **employees; [~~with vested benefit status,~~] effect of marriage,**  
14 **entry into reciprocal beneficiary relationship, divorce,**  
15 **termination of reciprocal beneficiary relationship, or death.**

16 (a) All written designations of beneficiaries for members and  
17 for former employees [~~with vested benefit status~~] shall become  
18 null and void when:

22 beneficiary;

1 (3) The member or former employee is unmarried, and  
2 subsequently marries; or

5 Any of the above events shall operate as a complete revocation  
6 of the designation and, except as provided in sections 88-84(b)  
7 and 88-333(b), all benefits payable by reason of the death of  
8 the member or former employee shall be payable to the member's  
9 or former employee's estate unless, after the death, divorce or  
10 marriage, or entry into or termination of reciprocal beneficiary  
11 relationship, the member or former employee makes other  
12 provision in a written designation duly executed and filed with  
13 the board.

14 (b) Subsection (a) shall not apply to active members who  
15 are former retirants who have returned to service. The  
16 beneficiaries of retirants who return to service may not be  
17 changed except to the extent provided under the retirement  
18 allowance option selected by the former retirant when the former  
19 retirant first retired."

12 reemployment, the allowance to which the member  
13 was entitled under the retirement allowance  
14 option selected when the member previously  
15 retired and which was suspended; plus, for the  
16 period of service during the member's  
17 reemployment, the allowance to which the member  
18 is entitled for that service based on the  
19 retirement allowance option initially selected  
20 and computed for the member's age, average final  
21 compensation, and other factors in accordance  
22 with the benefit formula under section 88-74 in

1 existence at the time of the member's latest  
2 retirement; or

3 (B) For members with three or more years of credited  
4 service during the member's period of  
5 reemployment, the allowance computed as if the  
6 member were retiring for the first time; provided  
7 that in no event shall the allowance be less than  
8 the amount determined in accordance with  
9 subparagraph (A); and

10 (2) If the retirant returns to service after June 30,

14 service in the reemployment period.

15 (b) Any retirant who received the special retirement  
16 incentive benefit under Act 253, Session Laws of Hawaii 2000, as  
17 amended by Act 131, Session Laws of Hawaii 2002, and is  
18 reemployed by the State or a county in any capacity shall:

- 19 (1) Have the retirant's retirement allowance suspended;  
20 (2) Forfeit the special retirement incentive benefit and  
21 any related benefit provided by [~~chapter 88,~~] this  
22 chapter; and

1 (3) Be subject to the age and service requirements under  
2 section 88-73 when the member again retires.

3 (c) If a retirant's designation of beneficiary was  
4 irrevocable upon the retirant's initial retirement, the retirant  
5 may not change the retirant's designated beneficiary when the  
6 retirant returns to service or when the former retirant again  
7 retires.

8 (d) A retirant who returns to service shall not be  
9 considered to be "in service", for the purposes of section

20 SECTION 20. Section 88-283, Hawaii Revised Statutes, is  
21 amended to read as follows:

1           **"§88-283 Election of retirement allowance option. (a)**  
2   Upon retirement, any member may elect to receive the maximum  
3   retirement allowance to which the member is entitled, computed  
4   in accordance with section 88-282, 88-284, or 88-285, and, if  
5   the member elects to receive the maximum retirement allowance,  
6   the member's beneficiary shall not be entitled to any benefit  
7   upon the member's death, except as provided in subsection (g).  
8   In lieu of the maximum retirement allowance, a member may elect  
9   to receive the member's retirement allowance under one of the  
10  options described below, which shall be actuarially equivalent  
11  to the maximum retirement allowance:  
12           (1) Option A: A reduced allowance payable to the member,  
13           then upon the member's death, one-half of the  
14           allowance, including fifty per cent of all cumulative  
15           post retirement allowances, to the member's  
16           beneficiary designated by the member at the time of  
17           retirement, for the life of the beneficiary[↗]. If  
18           the beneficiary dies prior to the retirant, all  
19           further payments shall cease upon the death of the  
20           retirant; provided that for members retiring after  
21           November 30, 2004, if the retirant's designated  
22           beneficiary dies at any time after the retirant

1           retired, but before the death of the retirant, the  
2           retirant, upon the death of the retirant's designated  
3           beneficiary, shall receive a retirement allowance,  
4           including cumulative post retirement allowances,  
5           calculated as if the retirant had selected the maximum  
6           retirement allowance to which the retirant is  
7           entitled;

- 8           (2) Option B: A reduced allowance payable to the member,  
9           then upon the member's death, the same allowance,  
10          including cumulative post retirement allowances, paid  
11          to the member's beneficiary designated by the member  
12          at the time of retirement, for the life of the  
13          beneficiary[+]. If the beneficiary dies prior to the  
14          retirant, all further payments shall cease upon the  
15          death of the retirant; provided that for members  
16          retiring after November 30, 2004, if the retirant's  
17          designated beneficiary dies at any time after the  
18          retirant retired, but before the death of the  
19          retirant, the retirant, upon the death of the  
20          retirant's designated beneficiary, shall receive a  
21          retirement allowance, including cumulative post  
22          retirement allowances, calculated as if the retirant

1 had selected the maximum retirement allowance to which  
2 the retirant is entitled; or  
3 (3) Option C: A reduced allowance payable to the member,  
4 and [~~if the member dies~~] upon the death of the  
5 retirant within ten years of retirement, the same  
6 allowance, including cumulative post retirement  
7 allowances, paid to the [~~member's~~] retirant's  
8 designated beneficiary, or otherwise to the retirant's  
9 estate for the balance of the ten-year period. If the  
10 retirant returns to service requiring active  
11 membership in the system and the retirant is  
12 reenrolled as an active member, running of the ten-  
13 year period will be suspended until the member again  
14 retires.

15 Only one beneficiary shall be designated under options A [~~and~~],  
16 B[~~-~~], and C. The beneficiary designated under option A or B  
17 shall be a natural person, and benefits under option A or B  
18 shall only be paid to a natural person. To receive benefits,  
19 the beneficiary shall have been designated by the member in the  
20 form and manner prescribed by the board.

21 (b) Upon a member's retirement:

- 1           (1) The member's election of a retirement allowance option  
2           shall be irrevocable; and
- 3           (2) The member's designation of a beneficiary shall be  
4           irrevocable if the retirement allowance option elected  
5           by the member is option A or B.
- 6           (c) No election by a member under this section shall take  
7 effect unless:
- 8           (1) The spouse or reciprocal beneficiary of the member is  
9           furnished written notification that:
- 10           (A) Specifies the retirement date, the benefit option  
11           selected, and the beneficiary designated by the  
12           member;

16           adopted by the board [~~pursuant to~~] in accordance  
17           with chapter 91; [~~or~~]
- 18           (2) The member selects option A or option B and designates  
19           the spouse or reciprocal beneficiary as the  
20           beneficiary; or

1 (3) It is established to the satisfaction of the board  
2 that the notice required under paragraph (1) cannot be  
3 provided because:

4 (A) There is no spouse or reciprocal beneficiary;

5 (B) The spouse or reciprocal beneficiary cannot be  
6 located;

7 (C) The member has failed to notify the system that  
8 the member has a spouse or reciprocal  
9 beneficiary, or has failed to provide the system  
10 with the name and address of the member's spouse  
11 or reciprocal beneficiary; or

12 (D) Of other reasons, as established by ~~[rules of~~  
13 ~~the] board [pursuant to] rules adopted in~~  
14 accordance with chapter 91.

15 Any notice provided to a spouse or reciprocal  
16 beneficiary, or determination that the notification of  
17 a spouse or reciprocal beneficiary cannot be provided,  
18 shall be effective only with respect to that spouse or  
19 reciprocal beneficiary. The system shall rely upon  
20 the representations made by a member as to whether the  
21 member has a spouse or reciprocal beneficiary and the

1 name and address of the member's spouse or reciprocal  
2 beneficiary.

3 (d) Each member, within a reasonable period of time before  
4 the member's retirement date, shall be provided a written  
5 explanation of:

6 (1) The terms and conditions of the various benefit

9 beneficiary under subsection (c) to be notified of the  
10 member's election of a benefit option; and

11 (3) The member's right to make, and the effect of, a  
12 revocation of an election of a benefit option.

13 (e) The system shall not be liable for any false  
14 statements made to the system by the member or by the member's  
15 employer.

16 (f) If a member dies after the date of the filing of the  
17 member's written application to retire, but prior to the  
18 retirement date designated by the member, and, if the member was  
19 eligible to retire on the date of the member's death, the  
20 member's designated beneficiary may elect to receive either:

1           (1) An allowance that would have been payable if the  
2           member had retired and had elected to receive a  
3           retirement allowance under option B; or  
4           (2) The allowance under the option selected by the member  
5           which would have been payable had the member retired.

6 The effective date of the member's retirement shall be the first  
7 day of a month, except for the month of December when the  
8 effective date of retirement may be on the first or last day of  
9 the month, and shall be no earlier than the later of thirty days  
10 from the date the member's retirement application was filed or  
11 the day following the member's date of death. The election may  
12 not be made if, at the time of the member's death, there are  
13 individuals who are eligible to receive death benefits under  
14 section 88-286(c) who have made a claim for the benefits;  
15 provided that, if the designated beneficiary is an individual  
16 eligible to receive benefits under section 88-286(c), the  
17 designated beneficiary may receive benefits pursuant to an  
18 election made under this section pending disposition of the  
19 claim for benefits under section 88-286(c). [~~No death benefits~~  
20 ~~will be payable under section 88-286(c) while benefits are paid~~  
21 ~~pursuant to an election made under this section.~~] If death  
22 benefits are payable under section 88-286(c), the death benefits

1 shall be in lieu of any benefits payable pursuant to this  
2 section.

3 (g) If the retirant dies within one year after the date of  
4 retirement, the retirant's designated beneficiary may elect to  
5 receive either:

- 6 (1) The death benefit under the retirement allowance  
7 option selected by the retirant; or
- 8 (2) The death benefit under option B [~~+, provided that the~~  
9 ~~difference between the benefit that the retirant~~  
10 ~~received and the benefit that would have been payable~~  
11 ~~to the retirant had the retirant elected to receive a~~  
12 ~~retirement allowance under option B shall be returned~~  
13 ~~to the system.~~], less the difference between the  
14 benefit that the retirant received and the benefit  
15 that would have been payable to the retirant had the  
16 retirant elected to receive a retirement allowance  
17 under option B; provided that if the retirant would  
18 not have been permitted by applicable law or the rules  
19 of the board to name the designated beneficiary as  
20 beneficiary under option B, the designated beneficiary  
21 may elect to receive the death benefit under option A,  
22 less the difference between the benefit that the

1           retirant received and the benefit that would have been  
2           payable to the retirant had the retirant elected to  
3           receive a retirement allowance under option A.

4           (h) The increase in the retirant's benefit under options A  
5 and B upon the death of the retirant's designated beneficiary  
6 shall be effective the first day of the month following the date  
7 of death of the designated beneficiary. The retirant shall  
8 notify the system in writing and provide a certified copy of the  
9 beneficiary's death certificate. The system shall make  
10 retroactive benefit payments to the retirant, not to exceed six

15 beneficiary for benefits upon the death of a retirant or member  
16 shall be filed no later than three years from the date of the  
17 retirant's or member's death."

**REPORT Title:**

Employees' Retirement System

**Description:**

Allows payment of interest to noncontributory members who have ERS deductions erroneously made from their compensation. Excludes a "foster child" from being eligible for ERS death benefits if the member dies in service. Allows the ERS Board to set the Chief Investment Officer's salary. Requires excess contributions to be refunded upon retirement, termination or death for judges, legislative officers and elected officials if their retirement allowance exceeds the statutory cap of 75%. Clarifies that Hybrid Plan member contributions that are picked up by the employer are subject to the annual federal income tax limits. Allows post retirement allowances to be paid to beneficiaries who select a monthly annuity instead of the lump sum balance or other clarifying or conforming revisions. (HB1291 HD1 SD1)
