14 exempt from chapter 76, may define the executive administrator's
15 powers and duties, and fix the executive administrator's
16 compensation. The director may employ engineers, accountants,
17 investigators, clerks, and stenographers as may be necessary for
18 the performance of the consumer advocate's functions, in
19 accordance with chapter 76; provided that:

- 20 (1) The director may employ up to [~~four~~] ten utility
21 analysts exempt from chapter 76; and
22 (2) Each analyst shall possess at least the minimum

1 qualifications required of comparable experts in the
2 relevant industry."

3 SECTION 3. There is appropriated out of the public
4 utilities commission special fund the sum of \$168,000, or so
5 much thereof as may be necessary for fiscal year 2007-2008, and
6 the sum of \$168,000, or so much thereof as may be necessary for
