JUSTIFICATION SHEET

DEPARTMENT: Human Services.

TITLE: A BILL FOR AN ACT RELATING TO THE PURPOSE OF THE HAWAII YOUTH CORRECTIONAL FACILITY.

PURPOSE: To clarify the purpose of committing youth to the Hawaii Youth Correctional Facility.

MEANS: Amend section 352-2.1(a), Hawaii Revised Statutes.

JUSTIFICATION: Current law defines the purpose of the Hawaii Youth Correctional Facility (HYCF) as "to provide for the incarceration, punishment, and institutional care and services to reintegrate into their communities and families, children committed by the courts of the State." Some of the terminology in the statement above is incompatible with the modern goals of a youth facility.

Clearly, incarceration is most often ordered to protect the community, but the activities within the facility are geared towards rehabilitation, not punishment. This proposal would replace the word "punishment" with "rehabilitation." The term "youth" is commonly used to refer to children age 12 years and over, the age group considered for placement at HYCF. Therefore, it is recommended that the word "children" be replaced with "youth." In addition and in keeping with current terminology used by the Office of Juvenile Justice and Delinquency Prevention, OYS recommends that the word "reintegration" be replaced with "reentry."

Impact on the public: None. While the purpose of youth incarceration will be clarified, practices in the juvenile justice system will not be affected.
