
A BILL FOR AN ACT

RELATING TO THE STATE WATER CODE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 174C, Hawaii Revised Statutes, is
2 amended by adding a new section to part IV to be appropriately
3 designated and to read as follows:

4 "§174C- Dual line water supply systems; golf courses in
5 designated water management areas. (a) The lands upon which
6 all golf courses are situated, now or in the future, shall be
7 designated as a matter of law as water management areas. The
8 commission, as a condition of issuing permits pursuant to this
9 part, without exception shall require the use of dual line water
10 supply systems in those areas.

11 (b) The county boards of water supply, in consultation
12 with the department of health, shall adopt standards for
13 nonpotable water distributed through dual line water supply
14 systems and rules regarding the use of nonpotable water. The
15 standards and rules shall be adopted in accordance with chapter
16 91 and shall protect existing water quality and the health and
17 safety of the public.

1 (c) For the purposes of this section, the term:
2 "Dual line water supply system" has the same meaning as in
3 section 174C-51.5(c)."

4 SECTION 2. New statutory material is underscored.

5 SECTION 3. This Act shall take effect upon its approval.
