
A BILL FOR AN ACT

RELATING TO HOUSING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that affordable housing
2 in the State continues to be a problem for many Hawaii
3 residents. The legislature further finds that currently there
4 is insufficient support for low-income families and affordable
5 housing.

6 . The legislature believes that a very effective means to
7 provide for affordable housing is to require housing developer
8 petitioners requesting a reclassification of district boundaries
9 to dedicate a certain percentage of their housing projects to
10 affordable housing.

11 The purpose of this Act is to require housing developer
12 petitioners for reclassification of district boundaries who
13 develop more than twenty five housing units to dedicate sixty
14 per cent of their housing project to lower and gap group income
15 buyers.

16 SECTION 2. Section 205-17, Hawaii Revised Statutes, is
17 amended to read as follows:

1 "§205-17 Land use commission decision-making criteria. In
2 its review of any petition for reclassification of district
3 boundaries pursuant to this chapter, the commission shall
4 specifically consider the following:

5 (1) The extent to which the proposed reclassification
6 conforms to the applicable goals, objectives, and
7 policies of the Hawaii state plan and relates to the
8 applicable priority guidelines of the Hawaii state
9 plan and the adopted functional plans;

10 (2) The extent to which the proposed reclassification
11 conforms to the applicable district standards;

12 (3) The impact of the proposed reclassification on the
13 following areas of state concern:

14 (A) Preservation or maintenance of important natural
15 systems or habitats;

16 (B) Maintenance of valued cultural, historical, or
17 natural resources;

18 (C) Maintenance of other natural resources relevant
19 to Hawaii's economy, including agricultural
20 resources;

21 (D) Commitment of state funds and resources;

- 1 (E) Provision for employment opportunities and
- 2 economic development; and
- 3 (F) Provision for housing opportunities, including
- 4 rental housing, for all income groups,
- 5 particularly the low, low-moderate, and gap
- 6 groups; provided that the commission shall
- 7 require that sixty per cent of all proposed
- 8 housing units be dedicated and sold to low, low-
- 9 moderate, or gap groups for:
- 10 (i) Any petition for reclassification of
- 11 district boundaries; and
- 12 (ii) Any development of twenty five or more
- 13 housing units;
- 14 (4) The standards and criteria for the reclassification or
- 15 rezoning of important agricultural lands in section
- 16 205-50; and
- 17 (5) The representations and commitments made by the
- 18 petitioner in securing a boundary change."

19 SECTION 3. New statutory material is underscored.

20 SECTION 4. This Act shall take effect upon its approval.
