
A BILL FOR AN ACT

RELATING TO CAPITAL IMPROVEMENTS PERTAINING TO THE CIVIL AIR
PATROL.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the civil air patrol
2 provides necessary disaster relief, search and rescue, homeland
3 security, and medical emergency transport services to local and
4 national organizations. As a peacetime auxiliary of the Air
5 Force, the Hawaii civil air patrol remains an active volunteer
6 organization with approximately five hundred fifty members,
7 including two hundred cadets. The Hawaii wing has three primary
8 missions: search and rescue, aerospace education, and the cadet
9 program. It is also an active participant in counter-drug
10 operations for the Drug Enforcement Agency, flying over one
11 hundred seventy-nine missions in 2003.

12 The legislature further finds that maintenance and repair
13 projects are a necessity and the Hawaii civil air patrol depends
14 on state funding to meet its basic needs. The department of
15 transportation provides the building to house the civil air
16 patrol. The building is in need of repairs.

1 The purpose of this Act is to make an appropriation for the
2 Hawaii civil air patrol to repair the hangar roof at the Hawaii
3 wing headquarters located at the Honolulu international airport.

4 SECTION 2. The following sum, or so much thereof as shall
5 be sufficient to finance the project listed in this Act, is
6 hereby appropriated out of the general revenues of the State of
7 Hawaii for fiscal year 2007-2008:

8 Hawaii civil air patrol, Oahu
9 Design, construction, and equipment for
10 repairing the roof of the Hawaii wing
11 headquarters building located at Honolulu
12 international airport.

13	Design	\$1
14	Construction	\$1
15	Equipment	\$1
16	Total funding	\$3

17 SECTION 3. The sum appropriated shall be expended by the
18 department of transportation for the purposes of this Act.

19 SECTION 4. The appropriation made for the capital
20 improvement project authorized by this Act shall not lapse at
21 the end of the fiscal year for which the appropriation is made;

1 provided that all moneys from the appropriation unencumbered as
2 of June 30, 2009, shall lapse as of that date.

3 SECTION 5. This Act shall take effect on July 1, 2007.
