# A BILL FOR AN ACT

RELATING TO DENTAL CARE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. In 2006, the legislature appropriated funds to  
2 the department of human services to restore specific preventive  
3 and restorative dental services for eligible persons twenty-one  
4 years-of-age or older under the State's medicaid and QUEST  
5 programs. Previously, dental coverage for eligible adults was  
6 limited to dental emergencies. According to a recent department  
7 of health report, each eligible adult can receive specific  
8 preventive and restorative services, including dentures,  
9 equivalent to \$500. However, this does not include coverage for  
10 endodontic care, root canals, crowns, elective procedures, or  
11 periodontal surgery. Also, partial and full dentures generally  
12 cost more than \$500.

13           The purpose of this Act is to:

14           (1) Expand coverage under medicaid and QUEST to include  
15           comprehensive dental care coverage for eligible  
16           persons twenty-one years-of-age or older and to

1           appropriate funds to provide the additional coverage;  
 2           and  
 3           (2) Appropriate funds for hospital dentistry for the  
 4           developmentally disabled in the county of Hawaii.

5           SECTION 2. Chapter 346, Hawaii Revised Statutes, is  
 6 amended by adding a new section to be appropriately designated  
 7 and to read as follows:

8           "§346-    Dental care coverage.   The department shall  
 9 provide comprehensive coverage to medicaid and QUEST recipients  
 10 for dental care administered by licensed practitioners under  
 11 chapters 447 and 448.

12           The department shall administer this benefit in a manner  
 13 that meets federal requirements that are a condition of the  
 14 receipt of federal funds by the State.

15           For purposes of this section, "comprehensive coverage"  
 16 means the dental benefit as defined in the Hawaii state plan for  
 17 medicaid."

18           SECTION 3. There is appropriated out of the general  
 19 revenues of the State of Hawaii the sum of \$           or so much  
 20 thereof as may be necessary for fiscal year 2007-2008 and the  
 21 same sum or so much thereof as may be necessary for fiscal year  
 22 2008-2009 to expand coverage under medicaid and QUEST to include

1 comprehensive dental care coverage for persons twenty-one years  
2 of age or older.

3 The sums appropriated shall be expended by the department  
4 of human services for the purposes of this Act.

5 SECTION 4. There is appropriated out of the general  
6 revenues of the State of Hawaii the sum of \$ or so much  
7 thereof as may be necessary for fiscal year 2007-2008 and the  
8 same sum or so much thereof as may be necessary for fiscal year  
9 2008-2009 for hospital dentistry for the developmentally  
10 disabled community in the county of Hawaii.

11 The sums appropriated shall be expended by the dental  
12 division of the department of health for the purposes of this  
13 Act.

14 SECTION 5. New statutory material is underscored.

15 SECTION 6. This Act shall take effect on July 1, 2020.
