# A BILL FOR AN ACT

AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION BONDS AND MAKING  
AN APPROPRIATION FOR HANA BOAT RAMP.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that ensuring access by  
2 the sea to Hana, Maui, is vital to the community. During and  
3 following severe weather, Hana is occasionally severed from the  
4 rest of the islands. During these times, the only road to Hana  
5 is impassable and airline service is suspended. Therefore, sea  
6 access becomes critical to deliver necessary emergency supplies  
7 and personnel, when alternative modes of transportation are  
8 unavailable.

9           The State condemned the old Hana wharf in 2003 and the  
10 design of improvements to the boat ramp began in 2006.

11           The purpose of this Act is to authorize the issuance of  
12 general obligation bonds and to appropriate funds for the  
13 completion of improvements to the Hana boat ramp.

14           SECTION 2. The director of finance is authorized to issue  
15 general obligation bonds in the sum of \$                   , or so much  
16 thereof as may be necessary, and the same sum, or so much  
17 thereof as may be necessary, is appropriated for fiscal year

1 2007-2008, for the purpose of completing improvements to Hana  
2 boat ramp.

3 The sum appropriated shall be expended by the department of  
4 land and natural resources for the purposes of this Act.

5 SECTION 3. The appropriation made for the capital  
6 improvement project authorized by this Act shall not lapse at  
7 the end of the fiscal biennium for which the appropriation is  
8 made; provided that all moneys from the appropriation  
9 unencumbered as of June 30, 2010, shall lapse as of that date.

10 SECTION 4. This Act shall take effect on July 1, 2007.
