
A BILL FOR AN ACT

RELATING TO HAWAIIAN LANGUAGE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the Constitution of
2 the State of Hawai'i provides for the preservation and promotion
3 of native Hawaiian culture, history, and language. For example,
4 article X, section 4, provides that, "[t]he State shall promote
5 the study of Hawaiian culture, history and language." Article
6 XIII, section 7, Constitution of the State of Hawai'i, provides,
7 "[T]he State reaffirms and shall protect all rights, customarily
8 and traditionally exercised for subsistence, cultural and
9 religious purposes" of native Hawaiians. Because maintaining a
10 living language is an integral component of preserving a
11 culture, it is also important to note that article XV,
12 section 4, of the Constitution of the State of Hawai'i,
13 reestablishes that "English and Hawaiian shall be the official
14 languages of Hawaii."

15 Since 1978, when the State reaffirmed Hawaiian as one of
16 its official languages, the legislature has backed efforts to
17 incorporate the language into official state writings, emblems,

1 and signs. Ensuring that these public inscriptions are
2 mandatory, accurate, and spelled correctly and use the proper
3 Hawaiian macrons and glottal stops not only shows the deserved
4 respect for the native language of these islands, but also fully
5 comports with the intent and words of the state constitution.

6 The purpose of this Act is to ensure the constitutionally
7 and ethically mandated preservation of the native Hawaiian
8 language and culture by requiring that all state and county
9 letterheads, when newly created or reprinted, contain the
10 accurate, appropriate, and authentic Hawaiian names and language
11 printed above the English translations.

12 SECTION 2. Section 1-13.5, Hawaii Revised Statutes, is
13 amended to read as follows:

14 "[+]§1-13.5[+] **Hawaiian language; letterheads; spelling.**
15 ~~[Macrons and glottal stops may be used in the spelling of words~~
16 ~~or terms in the Hawaiian language in]~~ All letterheads for
17 documents prepared by or ~~[for]~~ on behalf of state or county
18 agencies or officials~~[.]~~ shall include in the letterhead, if the
19 letterhead contains Hawaiian names or language, the accurate,
20 appropriate, and authentic Hawaiian names and language,
21 including proper Hawaiian punctuation, spelling, macrons, and
22 glottal stops, printed above the English translation; provided

1 that this requirement shall not apply to a letterhead existing
2 on the effective date of this Act until a replacement for the
3 letterhead is required; and provided further that this
4 requirement shall not apply to state artwork or to the hanging
5 state emblem in the rotunda of the state capitol. Any rule,
6 order, policy, or other act, official or otherwise, that
7 prohibits or discourages the use of these symbols shall be
8 void."

9 SECTION 3. Section 5-6.5, Hawaii Revised Statutes, is
10 amended to read as follows:

11 "[+]§5-6.5[+] **State language.** The Hawaiian language is
12 the native language of [~~Hawaii~~] Hawai'i and [~~may~~] shall be used
13 on all emblems and symbols representative of the State, its
14 departments, agencies, and political subdivisions[-]; provided
15 that this requirement shall not apply to state or county
16 letterheads containing Hawaiian names or language and existing
17 on the effective date of this Act until a replacement for the
18 letterhead is required."

19 SECTION 4. Hawaiian language interim task force. (a)

21 to be administratively attached to the department of accounting
22 and general services, for the purpose of developing an
