# A BILL FOR AN ACT

RELATING TO EARLY EDUCATION.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that pursuant to Act 219,  
2 Session Laws of Hawaii, a two-tier junior kindergarten and  
3 kindergarten program was established with the requirement that  
4 developmentally appropriate curriculum be implemented for each  
5 tier. The program to be established was intended to be flexible  
6 enough to allow junior kindergarten students who are ready to  
7 participate in kindergarten to do so and to allow students who  
8 require additional support to move from kindergarten to junior  
9 kindergarten. The department of education was tasked with  
10 assisting the schools in the development of the two-tier program  
11 with pilot strategies being encouraged during the 2005-2006  
12 school year and full implementation being required beginning  
13 with the 2006-2007 school year.

14           The legislature further finds that, since the law's  
15 enactment, curriculum for the two-tier program has not been  
16 clearly established for junior kindergarteners. Instead, junior  
17 kindergarteners are being taught the kindergarten curriculum, no

1 criteria was established for passing junior kindergartners to  
2 first grade, and junior kindergartners are being permitted to  
3 go straight to first grade, despite the fact that they may be  
4 ill-prepared or need further support or assistance before  
5 transitioning. It was the legislature's intent to provide for a  
6 curriculum that specifically addressed the needs of junior  
7 kindergartners, as children of ages four and five possess  
8 differing skill sets and social and emotional maturity levels.

9 The purpose of this Act is to:

- 10 (1) Prohibit the moving of junior kindergarten and  
11 kindergarten students between tiers;
- 12 (2) Prohibit a junior kindergartener from directly  
13 graduating to first grade;
- 14 (3) Ensure that a separate curriculum is established for  
15 the junior kindergarten program;
- 16 (4) Require the department of education to staff junior  
17 kindergartens with qualified preschool teachers and  
18 preschool teacher aides;
- 19 (5) Require the Hawaii teacher standards board to develop  
20 standards for teachers and teacher aides assigned to  
21 junior kindergarten classrooms; and

1 (6) Appropriate funds for the implementation of a junior  
2 kindergarten program that achieves a ten to one  
3 student ratio.

4 SECTION 2. Section 302A-411, Hawaii Revised Statutes, is
