# A BILL FOR AN ACT

RELATING TO EDUCATION.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. There is appropriated out of the general  
2 revenues of the State of Hawaii the sum of \$4,221,956, or so  
3 much thereof as may be necessary for fiscal year 2007-2008, and  
4 the sum of \$4,032,414, or so much thereof as may be necessary  
5 for fiscal year 2008-2009, to provide funds and resources to the  
6 department of education, office of information technology  
7 services, for an integrated comprehensive student support  
8 system, including the special education database, the continued  
9 implementation and enhancements to the centralized student  
10 information system, a financial management system, and the  
11 enhancement of the associated network support services,  
12 including the establishment of a service center to provide  
13 specialized information technology services as requested by  
14 schools on a reimbursable basis with the requirement that these  
15 funds be separately identified.

16           SECTION 2. The department of education shall create a fee  
17 for the service pilot program with the office of technology

1 services to provide assistance to the schools, school complexes,  
2 and complex areas based on a schedule of deliverables on hourly  
3 rates that shall be funded and staffed with per cent of  
4 the fiscal year 2007-2008, appropriation authorized under  
5 section 1 of this Act to implement the program.

6 SECTION 3. There is appropriated out of the general  
7 revenues of the State of Hawaii the sum of \$262,560, or so much  
8 thereof as may be necessary for fiscal year 2007-2008, to  
9 establish regional support centers to provide technology support  
10 services to schools on the islands of Hawaii and Maui, including  
11 the provision of staff, tools, training, supplies, and equipment  
12 necessary for the support centers; provided that the pilot  
13 program established in section 2 of this Act shall also evaluate  
14 the effectiveness of the delivery of support services and  
15 provide data to establish a fee for service structure.

16 SECTION 4. There is appropriated out of the general  
17 revenues of the State of Hawaii the sum of \$844,440, or so much  
18 thereof as may be necessary for fiscal year 2007-2008, and the  
19 sum of \$850,000, or so much thereof as may be necessary for  
20 fiscal year 2008-2009, to provide additional funds and resources  
21 for the expansion of the State's high capacity network to

1 accommodate ever increasing needs in the use of technology in  
2 the classrooms.

3 SECTION 5. There is appropriated out of the general  
4 revenues of the State of Hawaii the sum of \$1,000,000, or so  
5 much thereof as may be necessary for fiscal year 2007-2008, and  
6 the sum of \$125,000, or so much thereof as may be necessary for  
7 fiscal year 2008-2009, for a facilities asset management system  
8 to enable the department of education to link the facilities'  
9 inventory with a condition assessment of those facilities' major  
10 components and to track and prioritize major and minor repairs  
11 to those facilities.

12 SECTION 6. The sums appropriated by this Act shall be  
13 expended by the department of education for the purposes of this  
14 Act.

15 SECTION 7. This Act shall take effect on July 1, 2007.
