- (2) Providing teachers with full service credit for prior teaching experience up to a maximum of 10 years when determining the classification of a teacher hired to teach in a hard-to-fill school, a shortage area category, or other shortage area, and any teacher who meets all the requirements of NCLB;

- (3) Providing full service credit equal to the teacher's total number of years of teaching experience for national board certified teachers:
- (4) Appropriating funds to establish professional development schools for Hawaii public school teachers;
- (5) Specifying that schools that were selected previously shall receive first consideration for the allocation of funds for professional development schools;
- Appropriating funds to complex areas for academic coaches, teacher professional development, and other programs or initiatives to improve teacher retention;
- (7) Establishing a teacher housing allowance program to provide housing assistance to teachers;
- (8) Appropriating funds for the Hawaii Teacher Cadet Program for its efforts toward recruiting and developing future teachers for Hawaii public schools; and
