

STAND. COM. REP. NO.

1746

Honolulu, Hawaii

April 16, 2009

RE: H.R. No. 236

Honorable Calvin K.Y. Say
Speaker, House of Representatives
Twenty-Fifth State Legislature
Regular Session of 2009
State of Hawaii

Sir:

Your Committee on Housing, to which was referred H.R. No. 236
entitled:

"HOUSE RESOLUTION REQUESTING THE DEPARTMENT OF HEALTH TO
DEVELOP A PLAN TO AUTHORIZE GRAY WATER RECYCLING SYSTEMS FOR
RESIDENTIAL PREMISES UNDER APPROPRIATE CIRCUMSTANCES,"

begs leave to report as follows:

The purpose of this resolution is to help encourage greater
environmental responsibility by requesting the Department of
Health (DOH), in consultation with the State Building Code Council
and the counties, to develop a plan by which:

- (1) Proposed gray water recycling systems reviewed and
approved by DOH may be implemented for residential
premises not served by county wastewater systems;
- (2) The gray water provisions of the Uniform Plumbing Code,
as incorporated into the State Building Code, may be
applied to residential premises served by county
wastewater systems under specified conditions; and
- (3) The building permit process may include DOH review and
approval of included gray water recycling systems in
residential premises not served by county wastewater
systems.

Your Committee received no testimony on this resolution.
Your Committee notes, however, that a member of the County Council

HR236 HSCR HSG HMS 2009-3643

of Maui and Malama Kauai supported House Concurrent Resolution No. 266, which is the same in substance as this resolution.

As affirmed by the record of votes of the members of your Committee on Housing that is attached to this report, your Committee concurs with the intent and purpose of H.R. No. 236 and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Housing,

RIDA CABANILLA, Chair

State of Hawaii
House of Representatives
The Twenty-fifth Legislature
