# EXECUTIVE CHAMBERS HONOLULU July 6, 2010

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 2324

Honorable Members Twenty-Fifth Legislature State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 2324, entitled "A Bill for an Act Relating to Unemployment Insurance Benefits."

The purpose of this bill is to allow a partially unemployed individual who quits his or her part-time job without valid reason, or is terminated for cause, to still receive unemployment insurance benefits.

This bill is objectionable because it violates the foundation upon which the unemployment insurance benefits system was based, namely a person should receive financial assistance only when they lose their job through no fault of their own. If this bill became law, a partially unemployed individual would continue to be paid unemployment benefits even if the individual voluntarily quit a part-time job without good cause or was discharged for misconduct connected with work. All other unemployed individuals are subject to disqualification for voluntarily quitting full-time employment or when they are discharged for misconduct.

Additionally, payment of benefits resulting from this bill would increase the fiscal demands on the Unemployment Insurance Trust Fund, which could eventually increase employers' contributions. This impact would occur at a time when the fund is experiencing significant draw downs due to higher than anticipated unemployment rates. It would not be responsible

public policy to add beneficiaries who don't meet the appropriate threshold to enjoy these dwindling benefits.

For the foregoing reasons, I am returning Senate Bill No. 2324 without my approval.

Respectfully,

LINDA LINGLE

Governor of Hawaii
