
A BILL FOR AN ACT

RELATING TO WATER POLLUTION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 342D, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:
4 "§342D- Total maximum daily load coordinator. The
5 department may establish not more than two exempt total maximum
6 daily load coordinator positions. The total maximum daily load
7 coordinator positions, among other duties, shall assist the
8 department to meet federal requirements for establishing total
9 maximum daily loads in Hawaii. This duty includes quantifying
10 waste load allocations and load allocation limits on pollutant
11 loading of Hawaii's inland and marine waters and developing
12 technically based plans for achieving the State's stated water
13 quality goals. The positions shall be appointed by the director
14 without regard to chapter 76. These positions shall be funded
15 by federal grants to the State under the Clean Water Act. For
16 purposes of this section, "Clean Water Act" means the Federal

1 Water Pollution Control Act of 1972, P.L. 92-500 (33 United
2 States Code Sections 1251 et seq.), as amended."

3 SECTION 2. New statutory material is underscored.

4 SECTION 3. This Act shall take effect upon its approval.

Report Title:

Water Pollution

Description:

Allows the Department of Health to establish up to two total maximum daily load coordinator positions. (HB1116 HD1)
